## Abstract

Rev 1B - This short ebook provides some specific examples where the CIA and Deep State are using medical fraud to cover up their extensive use of microwave weapons and implants on the civilian population. Almost everyone in the United States is being tracked and attacked by microwave weapons. The use of illegal and non-consensual implants is an outrage. It is a serious violation of the U.S. Constitution and Article 32 of the Geneva Conventions. The technology involved in these implants is far ahead of the technology information that medical doctors and nurses receive in their training, and most are unaware that this is happening. Most of the fraud is classified at the Top Secret level, due to its illegal application.

This is a serious problem that affects Targeted Individuals and the general population. The U.S. Air Force Space Command at Schriever Air Force Base operate the microwave weapon systems that track and target almost everyone in the United States, and a significant percentage of the population worldwide. The CIA Operations in Denver provide the funding and control of this illegal program.

In my opinion, some examples of this medical fraud are:

- Tinnitus - a condition that primarily results from exposure to microwave attacks on the brain. The high-pitched ringing is noticeable to anyone that will sit quietly in a low-noise environment. There are numerous magazine and internet advertisements that purport to treat this condition. Based on the number of people that are effected by it, this is an obvious and massive cover up, and it confirms the massive scale of the CIA's microwave weapon attacks.
- Sleep apnea and CPAP machines - the victim's sleep is being disrupted by intense and deliberate microwave attacks 24/7, subliminal messaging, and remote-controlled implants. Heavy television advertising and huge investments from CPAP machine manufacturers and related companies.
- Tardive Diskenesia – this is a bogus medical diagnosis that attempts to cover up muscle twitching and other biological effects of microwave attacks and implant manipulation. [www.TalkAboutTD.com](http://www.TalkAboutTD.com)
- Theraworx.com - In my opinion, this is bogus eternal cream that is supposedly applied to prevent muscle cramps. The cramps are likely the result of microwave attacks and illegal implant manipulation. Dr Drew Pinsky of the CIA-controlled media, has been appropriated to give it credibility, in my opinion. Any reasonable scientist can quickly recognize the misinformation in these commercials.
- Nugenix Total T - a nutritional supplement that supposedly adds testosterone to the blood stream. In my opinion, these supplements are directed at older men and have additives that essentially degenerate and/or sterilize the male reproductive system. The reduction or elimination of male reproductive health is a high-priority for the Agenda 21 and globalist population-reduction goals. The advertisements are presented in a way to appeal to the inferiority-complex of some men.
- Prostate supplements - many, many companies are involved in the toxic poisoning of the male population, which is part of Agenda 21 and the David Rockefeller plan for population reduction.

There are many other examples of medical fraud that attempt to cover up the use of microwave weapons and illegal implants on the civilian population. Many millions of dollars are spent on the high-profile advertisements on television, internet, and magazines. The CIA and Intelligence Community (IC) refers to this as “unconventional weapons.” These examples demonstrate how massive this illegal CIA program has become.

Readers are encouraged to be aware of similar examples in the medical community and to report these criminal actions to your state Attorney General, and elected representatives.

### Introduction

Tinnitus is the most obvious and pervasive medical issue that extends to a majority of the population. For most people, it is the result of microwave attacks on the brain. See the diagram - “How the USAF Tracks Everyone”

According to wikipedia.org

“While often described as a ringing, it may also sound like a clicking, hiss or roaring. Rarely, unclear voices or music are heard. The sound may be soft or loud, low pitched or high pitched and appear to be coming from one ear or both. Most of the time, it comes on gradually. In some people, the sound causes depression or anxiety and can interfere with concentration.”

## Conclusions

Described in this ebook are some examples, where medical fraud and fraudulent advertising are used to cover up the CIA's illegal program of microwave attacks and illegal implants.

## **APPENDIX 1.**

I am a proud government whistleblower – see my ebooks about the criminal acts of the CIA, FBI, and NSA. Readers are advised that the NSA may be blocking or restricting access to some of my ebooks, especially outside the United States. Readers are further advised that digital tracking tags may have been placed in my ebooks. It may be best to download from Apple iBooks, if possible. Note how slowly the jpg's load into the ebook when viewing. The content of some ebooks may have been altered – still trying to monitor this. If you have tried to contact me, it is possible that emails and phone calls are being blocked (RLighthouse – at – protonmail.com) 713.three.zero.six.8287.

The government criminals latest hacking efforts include hiding information within the Page Break character. I am unable to delete these new page lines. Other times, tracking tags or codes are hidden within the images. I suggest - print the document out at low resolution, and then share as a paper copy for distribution.

Readers are advised to review the website drjudywood.com which provides compelling evidence about 9-11. Dr Judy Wood and Dr Morgan Reynolds, university professors, filed lawsuits against the US Government for fraud and conspiracy about 9-11. Dr Woods scientific presentation is available on youtube and other websites. Readers are also advised to see the movie "Unacknowledged" by Dr Steven Greer, M.D. It is available for on Netflix, and to watch the youtube videos by the Honorable Paul Hellyer, former Canadian Minister of Defense. He has a book titled, "The Money Mafia."

For more than 6 years, this author has been stalked, harassed, and threatened by US Government agents from the CIA, FBI, and NSA - because of the content of my writings. My home has been broken into, repeatedly. In May 2014, my girlfriend was drugged and kidnapped from LaGuardia airport. She was unconscious for more than 4 hours. This is not a joke. My computer, phone, and alarm system have been hacked, including those of my friends and family. It is truly sad and pathetic, these agencies have become criminal organizations. If something happens to me (disappearance, false criminal charges, sudden accident, etc) - my readers can be certain that the CIA and FBI were involved. I would never deliberately harm myself, it is against my beliefs. In my opinion, the CIA and the Council on Foreign Relations (CFR) are directing these criminal acts; David Rockefeller was the CEO and Chairman for many years. David Rubenstein is the new head of the Deep State, in my opinion.
