2. Usually the person closest to the deceased will feel him/her before anyone else. The person acting as the medium will draw in the soul and speak for him/her. When finished, direct the soul to depart. Do not bind in any way with the soul. Keep it as impersonal as possible.

A Pendulum can also be used. The medium should have some experience with a pendulum, should he/she decide to use this method. Begin by asking if there are any spirits in the room/house/building/area. If the pendulum answers "yes" then you can go on to ask more questions or use a Ouija Board to get a conversation going.

Human spirits are fairly easy to invoke. They do not in any way have the energy of a Demon, as I have invoked both. The energy from a human, usually, can only be felt when he/she enters your body. A Demon on the other hand is electrifying and the residual energy can make your skin tingle for several days afterward.

Never try to force the spirit into answering questions they do not wish to answer. Being rude will give your aura a bad vibe on the astral and future attempts at contact or invocation of other spirits may be thwarted.

Void meditation is essential here, as is a strong mind and spirit, with total control over your own thoughts and emotions. The ability to turn off and block out anything unwanted is of extreme importance when invoking anything from the astral. Some spirits feed on fear, an untrained mind, or other emotions.

People who are fearful, overly impressionable or prone to excessive emotion/hysteria; unstable behavior, should not take part in any séances! One must be cool, calm and collected at all times during a séance. The medium must always remain in total control of the situation.

When souls of the departed are contacted, they are as they were when alive. The personalities do not change, at least from the experiences I have had. This is another reason we all should make the most of our life here, as we all need to work toward developing and empowering ourselves spiritually.

The "3-Fold Law of Return" - Exposing This Lie

The "Three-fold," the "Ten-fold," The One-hundred-fold"; all of these were invented by a few human beings to frighten the masses, in order to maintain spiritual control. With the availability of knowledge in modern times, witchcraft could no longer be suppressed, so the oppressors had to find a way to keep it inline so real power and control can remain in the hands of a few. These few *know* the truth and are adepts in black magick which they use liberally to spiritually enslave the masses. They control the mainstream religions that are nothing but programs to suppress knowledge and control humanity. The article below exposes this lie for what it is:

"The first known reference in print to the three-fold law of return appeared in 1970 in 'Witchcraft Ancient and Modern' by Raymond Buckland who was initiated into the craft by Gerald Gardner and was instrumental in introducing Gardnerian Witchcraft into the United States."¹

With enough research, it is evident that the "three-fold" emerged with the "Gardnerian Tradition." Then, we have the "seven-fold" and I'm sure everyone has heard of the "ten-fold." My point here is none of this recent man-made nonsense has anything to do with the original religions. Its sole purpose is to keep people from using their inborn power and to promote a passive attitude that is accepting of abuse. This is no different from the Christian Church.

This "three-fold teaching was taken from the eastern concept of "karma" after it merged with Western Christianity. After the eastern teachings of karma picked up the Judeo/Christian overtones of divine punishment, the product evolved into yet another system of control with the same theme of keeping power in the hands of a few who know how to use it to exploit humanity. One thing led to another and Gerald Gardner added more to this and promoted the belief that witches must never use their powers to cause harm. Everybody has to take abuse and keep the passive attitude.

The Wiccan Rede: "An it harm none, do what ye will." According to Gardner, the "creed" is derived from "Good King Pausol" who declared, "Do what you like so long as you harm no one." King Pausol is a fictitious character from the French novel by Pierre Louÿs (1870-1925): *Les Aventures du Roi Pausole: Pausole (Souverain Paillard et Débonnaire)* (1901 and reprinted in 1925 numerous times since), or the *Adventures of King Pausole (The Bawdy and Good Natured Sovereign)*. This is the basis of "Wicca." Wicca is nothing more than a Christianized version of the old religions. Wiccans have taken selected rites and teachings to suit their whims, from the original religions and have twisted, corrupted and transformed them and are now passing themselves off as the original religion. The hypocrisy can be readily seen in the Gods they acknowledge. Many, if not most of these Gods and Goddesses that they claim to worship, were the ones who brought the teachings of magick to humans, both white and black magick. They are known as "The Fallen Ones."

The original Horned God is Satan. In addition, few Wiccans bother to do any indepth research regarding the Gods and Goddesses they commune with and worship. Most of these deities are of the Pantheon of Hell. Many Wiccans and modern Pagans also unknowingly mix their deities (Angels with Demons) and this can spell disaster. I read a long list of deities these people claim to worship and it is

obvious they really know nothing much about them. Most of these writings consist of nothing but double talk, for example: how "Ishtar" should be evoked instead of "Ashtaroth" even though they are the same Goddess. They claim using the name "Ashtaroth" is different, even though they readily admit she is the same Goddess.

According to author Raymond Buckland, Wiccans claim their religious roots to be evident in a Paleolithic cave painting of a man dressed in stag skins presumably performing a dance. "Caverne des Trois Freres at Ariege France" is the site of this cave painting. It is just that- a man dressed up in animal skins and is no proof of anything.

Satanism has often served as the scapegoat for these new age religions and movements, whose adherents view themselves as so good and perfect. Wicca is a Christianized corruption of the old pagan religions. Wicca is the Judeo/Christianized version of witchcraft. One of the major goals of Christianity is to destroy the past and replace it with fictitious versions that conform to the lie of Christianity. Recently, they have been working to turn the religion into a Goddess cult, by gradually getting rid of the Horned God so there will be fewer and fewer ties with the original religions. Wicca is a bogus movement, not based upon the facts, but like Christianity, it is based upon stolen and altered rites and teachings. Like Christianity, it depends upon the ignorance of its followers to thrive.

About Black Magick

People do things to and against other people in life, because they know they can get away with it. Much of this is due to humanity as a whole residing on a very low level of spirituality, due to knowledge being forcibly removed and destroyed by the Christian Churches. There is rarely any serious justice and most people are indoctrinated to endure all kinds of injustices and abuse. If everyone were spiritually empowered, there would be a lot more thoughtfulness and consideration for and how we interact with others. Society and the human race as a whole would evolve to a higher level.

There are natural laws. One of them is a species or individual for that matter, who is unable to fight back and defend him/herself against others who seriously intend harm will cease to exist. Many species of plants and animals become extinct because they are unable to defend themselves. Our bodies are fighting continuously against invaders in the form of bacteria, viruses, and germs. If our cells stopped fighting and killing harmful invaders, we would quickly become sick and die. This is a fact of life and natural law.

Ethics and a certain code of conduct is necessary for civilization to continue and self-control is important. Sometimes someone is having a bad day or things are said or done many times, unintentionally. However, if someone is seriously out to harm you or deprive you of justice, you have an obligation to fight back. Satanists are not victims.

The working of Black Magick requires much strength of mind and skill. Wiccans and others of the RHP lack this skill and therefore are at a major disadvantage.

The stronger we become in mind, the more powerful we are at all times. Regular power meditation, chakra work, and visualization are essential. One does not need to resort to ritual for retaliation. When we have a strong, focused mind, others will feel the effects when we think intensely of them or when we direct our energies. This is important to remember where family and loved ones are concerned. We all offend each other every now and then, but when we have a powerful mind and aura, we must remember this and be in control. Our anger can cause others to have accidents and misfortune.

As for others who are purposely offensive, just focusing on them letting your anger loose, with a strong, well-trained mind, will usually do the job. I have had things happen on my own, without having to do any rituals.

Black Magick and Mental Health

Most of us are familiar with psychiatry, counseling, psychology, and other mental health services. The methods used are standard. Most professionals prod the patient into expressing repressed feelings- anger, hatred, envy, resentment and related emotions, including repressed sexuality and sexual feelings. Acknowledging these repressed emotions sheds new light on the origins of serious hang-ups, neuroses, compulsions/obsessions and other serious mental health disorders. Many physical ailments are brought about by repressed emotions. Some of these end in death. These have a very detrimental effect upon one's soul and spiritual being as well.

The New Age movement, Wicca, many eastern religions (Such as modern Buddhism, which have been Judeo/Christianized), and others all advocate denial of expressing so-called "baser" emotions. This leads to poor mental health and worse. Catholic priests are a blatant example of the consequences of sexual repression. Sexual repression is about the worst, as the sex drive is as powerful as and is tied directly to the life force, it doesn't just go away. Anything that is repressed comes out in warped, distorted, and unhealthy ways. Many problems would be avoided if people would vent their feelings and stop repressing them. This isn't about going on a rampage, it is just acknowledging one's own feelings and letting them out. One should always be honest with one's self.

By denying anger, hatred, jealousy, and other so-called "negative" emotions, one is laying a pattern for serious problems down the road. People who claim to love, love, and love, and deny their anger and hatred, take on that artificial alien deadpan smile that is so common amongst Christians in the advanced stages of Christianity. Inside, these people are extremely unbalanced and are literally like grenades with the pins pulled, just waiting to explode, either turning their pent up anger out on others or in upon themselves. This is extremely unhealthy. Yet, they consistently excuse the hatred and wrathful behavior of the false god they worship. This sets the stage for serious mental illness.

Another common teaching is denial of materialism. The reason for this is so wealth and power can be kept in the hands of a few- the same people at the top who work to remove spiritual knowledge and replace it with Christianity and other lies. Material possessions make life more enjoyable and are an extension of ourselves. There should be a healthy balance between spiritualism and materialism. The merging of the material with the spiritual is the key to attaining the godhead of the soul.

No one has a right to dictate to others how they should feel about someone or something. Ritual is often an excellent means of venting emotions. Anything that is consciously and intentionally repressed will cause serious problems later on.

The Black Arts

I have been placing emphasis on the black arts, because there is little information available on the subject, as opposed to the white magick books and writings. In order to have true power, one must be adept at both. This takes time, patience, and a lot of hard work.

Many people often wonder why their spell workings have failed. This is because one's mind and aura are weak. Sure, we can go to Satan and his Demons when we are in need, but the goal of Satanism is to become powerful ourselves. Satan and his Demons guide us and give us the knowledge we need to increase our powers.

Satan does not waste his time on those who do nothing with themselves. True Satanism is not Disneyland. If you want serious power, you will have to work hard at it. This can take years, but is well worth the effort. We save our own souls.

There is time we can all squeeze in with a bit of organization. Do what you can do. Breathing exercises only take around ten minutes and are very effective in increasing one's powers. They can be done first thing in the morning or even in the bathroom if you lock the door (if one lives in a full house). Even five minutes of visualization exercises, a day will bring many benefits. Meditation is being in the here and now; emptying your mind of all thoughts. This can be done anywhere and at anytime.

Much can be done with a well-trained mind. For example: Knowledge of anatomy gives one the ability to either heal or inflict harm. Nerves can cause pain, if one focuses upon them in a hated one. This is one of many examples. You can also open and access other areas of your brain that are dormant in most human beings and empower these areas by focusing on them and attempting to use the abilities they provide when activated. Thoughts can be placed in another person's head the same way. Concentration and repetition are necessary here.

For those who do not as of yet have enough power, many times a spell or ritual can be repeated on consecutive nights, with the cycle of the Moon. Spells for growth and increase should be performed during a waxing moon, while spells for destruction should be performed during a waning moon. In some cases, spells may need to be repeated. When a working is successful, you should know it and there is usually no more need to repeat it.

For those who like to do their workings outdoors, the earth has vast energy reserves for people who know how to manipulate energy. The use of a pendulum can prove invaluable. Obtaining consistently accurate answers from a pendulum takes much practice and patience. One can begin with a map of a suitable area that is secluded for ritual work. By using a pencil in one hand and a pendulum in the other, a series of yes/no, questions can be asked to pinpoint a spot. The pendulum will begin to move rapidly in circles when taken to a spot out of doors where there are natural lines of earth energy.

Stones can be used to enhance a circle of power. The circle of power is for building and concentrating your energies before directing them at the desired goal. Stones containing quartz increase the power of the energies in the circle and act as transmitters. Circles are also used for protection and as barriers.

Always remember, after any black magickal working to clean your aura and your chakras with either a bright light, as that of the sun. When we use and draw upon negative or destructive energy, a residue can remain clinging to our auras. If this is left, it can cause problems, as energy tends to attract energy of the same wavelength. This is especially true with those who due to a lack of knowledge, invoke energy, instead of evoking it and then use it for destruction, thus creating a tie. Taking the time to clean your aura will rid your soul of anything negative that could cause you problems. Take your time at this.

When you are able to see your aura brightened and your chakras as well, then ask your pendulum if you are completely cleansed. If not, ask what needs more work, going through your chakras one by one with yes/no questions that the pendulum is able to answer.

When finished with ANY ritual, it is important not to think about the ritual or your desired goal. Let the ritual alone to do its work, as dwelling, worrying or rehearsing the working can manifest the wrong energies and interfere. When we worry, or dwell on the outcome, we can sometimes alter the results we worked to influence. This is where void meditation is essential. Regular practice of void meditation gives us the ability to turn off unwanted thoughts and influences.

Workings of revenge and black magick are best done when the hated one is asleep. During sleep, the victim's psychic defenses are down and the subconscious/suggestive mind is wide open.

Everyone should cleanse his/her aura and chakras on a daily basis. This is as essential as regular bathing. Unfortunately, due to the systematic removal of spiritual knowledge, few people know about their own souls, how to properly care for or keep them healthy. This can be done upon awaking, doesn't take long, and can prevent illness, psychic attack and other negative energies from getting a hold. It will also enhance your charisma when interacting with others.

The Elements and Magick

The ritual tools should help in directing the elements. The rod is for fire, the sword, for air. Sex magick- orgasm produces fluids- works for water magick like for love. The pentagram represents us humans. The earth element ties all of the other elements. This is one of the messages of the Satanic point down pentagram, the power of the invoked earth element. The pentagram is US as human beings, not some altar decoration.

Fire Magick is amplified with invoking and directing the fire element. Fire magick includes: Confidence, fame, success in gambling, pleasure, securing popularity/charisma, increasing health and vitality, healing, protection, success, magickal power, creativity, enthusiasm, energy, stamina, major changes, adaptability, attraction, sudden changes, stimulation, enthusiasm, creativity, energy, gaining control, changing luck and inciting justice. Revenge, anger, pure sexual lust, and physical gratification, courage, determination, dealing with enemies. Inciting accidents, fires, injuries. Self-confidence, athletics, strength, magickal energy for Black Magick, intensity. Incites lust, energy, strength, sexual energy, dynamism, passionate love, physical desire, courage, will power, and athletics (especially competitive). Good for self-empowerment before workings of black magick. When used in black magick, fire as opposed earth is used to bring on sudden attacks, accidents, bloodshed, violence, and hatred. Fire can also be used to incite wars, anarchy, and cruelty. Properly evoking and directing the fire element will raise the temperature in whatever it is directed to.

Water Magick is sex magick and any magick where body fluids are used. Sex magick can be used with other elements as well, but is ruled by the water element. Water magick is amplified through invoking the water element and includes:

Healing, love, making love, (affectionate; fire is for lust/sex), fidelity, reconciliation, beauty, youth, friendships, attraction, harmony, social functions, indulgence, pleasure. Meditation, psychic ability, telepathy, mind reading, Spirit communication, absorbing knowledge telepathically. Good for beginnings and growth. The home and immediate surroundings, imagination, memory, psychic awareness/dreams, spirituality, meditation. For psychic related, meditative/hypnotic, fertility, marriage, and balance. Inciting jealousy, greed, suspicion, resentment, sickness, disease, and disharmony. Water when directed to another can cause one to be overly emotional, have violent reactions, lash out, and have a very difficult time with being objective.

Earth Magick is amplified through invoking and directing the earth element and includes:

Money, fertility, abundance, material gain, wealth, healing, communication with nature spirits, financial gain, earnings increases, possessions, riches, indulgence, pleasure. The earth element is used in death rituals and can be used along with death energy, used in binding rituals, and to absorb, conceal, for self control, endurance, and patience.

Air Magick is amplified through invoking the air element and includes:

Intellect, computers, communication, audio, video, TV, electronics, books, literature. The Will. For passing exams, improving the mind, concentration, mental power, learning ability, speech, writing, publishing, media concerns, gossip, slander, interviews, brothers, sisters, neighbors, rumors, theft, all areas of study and communication, also astral projection, overcoming addictions, breaking habits. Good for friendship, imagination, creativity inspiration, and charisma. Air also incites confusion, chaos, irritability, nervousness, nervous exhaustion, arguments, and discord.

Using Props

People have used props for thousands of years to assist in their focus during magickal workings. Poppets, herbs that burn and sting to induce pain and anger, stone circles, anything that would induce the right mood, help to incite and intensify the right emotions, and help to direct one's energy and focus are known as "props."

One should be powerful enough to influence one's environment using the power of one's mind alone without having to rely upon props. Props definitely help in beginning magick as they provide a focus.

Advanced working with props is a different matter and requires infusing them with energy or binding thoughtforms or souls into them. Here is where props have real power and can become magickal assistants within themselves.

Concentration

Total focus is essential in all magickal workings. It doesn't matter if the environment is full of distractions, one should always maintain total focus. This comes with having a trained mind.

I was involved in an ongoing project- freeing the Demons.* My Guardian Demon, Azazel, and Thoth came to me as they were working with me. Thoth was the Patron Demon of our project and he accompanied each of our Guardian Demons, bringing each Demon to be freed. Glasya-Labolas needed to be freed right away. My daughter was in my room watching TV and there was a lot of commotion in my house. I told them I would have to wait until later.

Five minutes or so later, my daughter's puppy urinated on my bed. I had to strip the bed and wash the bedding. Because of this, everyone had to leave my room. When Demons want something done, things seem to fall into place.

I went into my room, locked the door, and began to work on Glasya-Labolas. My kids were fighting, banging on the door and other kids came over and the house was a madhouse, but I tuned out all of the commotion, and successfully freed him.

Total focus should always be maintained regardless of how intense distractions may be. Just keep doing what you are doing without letting outside distractions interfere. Of course, any doors should always be locked.

When we focus and concentrate to where we are not even aware of anything going on around us, this is when we have the most power.

*From mid-December of 2002 through mid-April of 2003, five of us freed over 100 Demons. This was accomplished through sex magick. At the point of orgasm, we connected our souls to the souls of each of the Demons and transferred energy from each of our chakras to their chakras. This was a very rewarding experience. After the energy was transferred, each one bolted angel wings.

The Importance of Environment

Back in 1534, Benvenuto Cellini, an Italian Renaissance painter wanted to experience a "magickal operation." He met with a Sicilian priest versed in the art of ritual magick, a friend Vincentio Romoli, a 12-year-old boy, and a second magician, accompanying the priest. Cellini wanted the love of a woman. Of all the places to choose for a ritual, they went to the Roman Coliseum.

They cast a nine-foot circle and after an hour and a half, some spirits showed up and communicated to the group. They related that Cellini would have his love within one month. Then something went terribly wrong. More and more spiritual entities kept coming and then began getting aggressive. Within a short time, "there were too many spirits present." The 12-year-old boy screamed, "They were all being menaced by a million of the fiercest men they had ever seen." "Four giants, fully armed, were trying to force their way into the circle." The child cried out that "the Coliseum was on fire and that flames were rolling towards them."

The group huddled together in terror, the magician threw more asafoetida on the fire in piles, and after a while, the spirits left in a fury. The group stayed huddled until morning and only a few spirits remained "and these at a distance." Upon leaving and running home, a couple of spirits chased them.

The Roman Coliseum of all places was a very poor choice for a love ritual. One person dying a violent death gives off negative energy, but thousands of violent deaths along with the all of the death emotions- the Gladiators, lions and other wild animals ripping people to shreds, and the intense violence leaves its mark for centuries.

A proper environment with energy that is in tune with the goals of the ritual is important, obviously unwanted influences can affect a ritual or magickal operation for the worst.

Music, thoughts, recalling past experiences or fantasies are important as well to creating a mood and environment supportive to the goals of the ritual.

The Use of Herbs and Plants in Magick

Herbs by themselves have little magickal power. In order to practice powerful witchcraft using herbs, the herbs must be infused with power. This is advanced magick and requires the ability to invoke/evoke and direct the elements. Each herb carries elemental properties that correspond to its medicinal uses. These can be found under planetary rulerships. In addition, to really empower herbs, planetary hours should be observed to amplify any working.

Various mediums are used during any ritual or magickal working. For example, the proper candles act as a beacon to spirits and the proper uses of various colors, imagery, and herbs can assist the effectiveness of a working.

Herbs have long been employed in the workings of magick. Through the power of scent; incense, perfume, herbal oils used for anointing one's self, anointing candles, sigils and talismans; purification bathing before ritual, and with some, ingestion.

- The flower parts are used for scents or in the stuffing of poppets, sachets, and pillows or for a bath water additive.
- The wood parts can be used to construct implements and tools for magickal purposes.
- The leaves are very versatile and can be used in the making of ointments, oils, bathing, and the stuffing of poppets, pillows, steeped and drunk as a tea- MAKE SURE IT ISN'T POISONOUS AND YOU AREN'T ALLERGIC TO IT!
- Aromatic gums or resins, along with the wood, bark, and oils can be burnt as incense. It is always a good idea to burn some incense as a test before any important ritual to determine how well it burns, and the quality of the fragrance. Bad incense can be a major distraction and can ruin an entire ritual, not to neglect in mentioning, being offensive to the spirits.

Incense, like candles, provides a favorable environment for the manifestation of spirits, for the affecting of the psyche and the attraction of the appropriate planetary and zodiac force. It is essential to coordinate these elements.

Certain scents are employed to act on the mind during ritual. These odors can stimulate any emotion from anger and extreme rage, to sexual arousal and lust, to peace, relaxation, and tranquility. The use of scents assists in heightening the emotional output needed to give enough power to the working so that it will manifest in reality.

Oil is for anointing one's body, and can be added to bath water before a ritual. Candles can be anointed to create the added fragrance, as the flame will give off a stronger scent. Strong oils can be used to anoint the areas of the chakras, and are used in ointments that can be rubbed upon one's body for certain effects.

Balsams are the fragrant drippings from certain trees and plants. These can be made into ointments and used as a rub for one's body or object of purpose. The purpose of rubbing one's self with oils, balsams, or resins is to induce the proper mood for ritual work.

For example, plants ruled by Mars are fiery, burning, and acrid. When the oil, balsam, or resin is applied under the armpits or other sensitive areas of the body, it will incite the wrath and hatred needed in spells of revenge and torment, as it will encourage a strong focus on pain and misery.

Plants ruled by Venus can be used in workings of love spells the same way, as they stimulate and sooth.

Plants that have properties as aphrodisiacs, causing extreme sexual arousal are good for spell work in inciting lust in another person of choice. The increased arousal is focused upon the person desired. With stronger and/or multiple orgasms; the energy thereof, being properly directed into the desired one, the spell is that much more potent.

Herbs correspond to zodiac signs, planets, and the elements. Fresh plants contain the most energy. If you are using fresh plants, try to pick them when the planet they are influenced by is strong and waxing in power.

Here is a brief listing of some herbs and their various uses:

Acacia:

The flowers can be used in divination, love magick and for trance.

Aloe:

Guards against accidents, brings luck and protection. Parts used are the juices and the gum. Infuse with white-gold energy taken from the Sun and program the energy to protect.

Ambergris:

Used for works of wrath and vengeance, psychic correspondence. Used as a fixative. Parts used are the oil. For wrath and vengeance, infuse with fire when the planet Mars is strongly placed and waxing.

Apple:

Used in love spells. The wood from the tree can be used; seeds. For love workings, the parts used should be infused with the water element to begin with. Following, orgasmic energy, energy from the sexual and heart chakras and sexual fluids should be infused. The planet Venus should be strongly placed and waxing in power.

Ash:

Wands for the securing of prosperity or for the use in works concerning death can be made from the wood. For death, infuse with the element of earth when the planet Saturn is strongly placed and waxing. The working should be performed during a waning Moon.

Benzoin:

The wood and balsams are used for incense, oils, and sachets. Benzoin is good for use in séances, incantations, and love matters. For psychic work, infuse with the elements of water, and quintessence.

Birch:

Birch oil is oil of wintergreen. Wands can be made from the wood for use in spells of vengeance and punishment but should always be infused with the proper elemental energy. The element of fire is usually used with wands. The fragrance can also be used in such workings.

Borage:

Borage can be used for attracting money and business success. The parts used are the leaves, the flowers, and the stems. It should be infused with the earth element.

Burdock:

The root is used in spells for protection. It can be burnt. Infuse with white-gold energy taken from the Sun and program the energy to protect.

Chamomile:

Chamomile can be taken as a tea to act as a relaxant in psychic work. It can also be used in sachets and pillows for psychic dreams and the prevention of nightmares. It is a good herb for bathing. For psychic work, infuse with the elements of water, and quintessence when the Moon is full.

Catnip:

Catnip can be used as a relaxant for psychic work. You can make a tea out of it and drink a cup.

Cedar:

The oil is used in spells of revenge. The wood base can be burnt during spells for money, luck in love and business; also for psychic work.

Civet:

Civet makes good incense for psychic work.

Clove:

The oil is used for spirit communication, and the attraction of wealth and riches. Infuse with the element of earth when the planet Venus is strongly placed and waxing in power.

Coriander:

Burning Coriander as incense will act to infuriate the mind for spells of black magick and other destructive workings.

Cypress:

The oil and incense can be used in spells of revenge and in psychic work.

Dill:

The use of Dill provokes others to come to terms. The leaves can be burnt, or the oil can be used in anointing candles for rituals against underhanded or negative people.

Dragon's Wort:

Dragon's Wort is connected with the fixed star Sirius. The rootstock can be made into a tea and drunk to induce a trance state. Dragon's Wort is good for psychic work and divination. Infuse with the element of quintessence when the Moon is full.

Dragon's Blood:

Dragon's Blood is the perfume of aggression and is excellent for the workings of black magick. Use the balsam in spells to cause an enemy torment. Infuse with fire when the planet Mars is strongly placed and waxing. The powdered resin is good in works of wrath and in spells of inciting lust. For spells of lust, infuse with orgasmic energy.

Fennel:

The burning of the incense will infuriate the mind for works of destruction.

Feverfew:

Feverfew protects against sickness, accidents, and hysteria. Infuse with whitegold energy taken from the Sun and program the energy to protect.

Frankincense:

Use the incense to incite intensity, and bring about justice (revenge). Frankincense is very compatible with the element of fire as are all of the spices.

Ginseng (Panax)

The balsam and oils can be used as a rub for spirit communication, visualization, divination, trance, and creative work. Infuse with water and quintessence.

Hellebore:

Black: Black Hellebore is a poison, and an herb of torment. The scent incites aggression and anger for works of wrath. Black Hellebore can be used as a sachet mix. Black Hellebore should be infused with the element of earth when the planet Saturn is strongly placed and waxing.

White: Same as above and can be burnt as an incense.

White Hellbore is more potent than the Black.

Green: Green Hellbore is the most powerful of the three.

Hemlock:

The oil is good for anointing talismans for destructive work. Talismans should always be infused with power. In addition, one should always know what the symbols mean on any talisman before using it. Hemlock works well with earthy saturnine energies and should only be used with a compatible talisman. The incense can enrage the mind for black magickal workings. Olive leaves can be added to the Hemlock for a more peaceful means of disposing of enemies and hated ones.

Hops:

Good to be drunk as a tea for the relaxation needed in psychic work or for help in inducing a trance state. Hops do not keep very long when stored.

Jasmine:

Jasmine oil, perfume, and incense are all good for use in love and lust spell work. For love workings, the parts used should be infused with the water element to begin with. Following, orgasmic energy, energy from the sexual (lust) and heart chakras (love), and sexual fluids should be infused. The planet Venus should be strongly placed and waxing. For pure lust, Mars should be strongly placed and waxing in power. For love and lust, Venus should be conjunct or in trine aspect to Mars.

Mandrake:

This root is one of the most powerful for use in all kinds of magick. It corresponds with the Fixed Stars Deneb Algedi and Spica. It is capable of powerful work in any spell. It can be used in a sachet mix, as a talisman, as incense, as a poppet, for psychic work, or for protection. Poisonous Mandrake is the most powerful root in love magick and is said to be the most dangerous for the mage. The Mandrake should be washed in wine and wrapped in a red or white cloth that should be changed with every New Moon. Mandrake can also be used in divination.

Marigold:

Use as a sachet with a laurel leaf and sleep on it. If something has been stolen from you, you will dream of the thief. The same applies to determining whether a partner has been faithful. Infuse with the element of water and quintessence during a full moon.

Musk:

Musk is a powerful aphrodisiac. The oil can be used to anoint the genitals in works of lust. (Just make sure you are not allergic!) For love workings, the parts used should be infused with the water element to begin with. Following, orgasmic energy, energy from the sexual (lust) and heart chakras (love), and sexual fluids should be infused. The planet Venus should be strongly placed and waxing. For pure lust, Mars should be strongly placed and waxing in power. For love and lust, Venus should be conjunct or in trine aspect to Mars.

Nutmeg:

The oil can be rubbed into the temples for psychic work, concentration, and memory. Nutmeg is a powerful hallucinogen in large quantities and is compatible with the element of fire.

Pine:

Pine is good for summoning spirits and elementals of the woodlands. The resin can be used in works of lust or vengeance. Infuse with the earth element.

Rose:

Used in love spells, the flowers can be stuffed into a poppet. Red roses can incite passion in love spells. Rose oil and/or the flowers can be used in pre-ritual baths. Infuse with the energy of orgasm when Venus is strongly placed and waxing. For love and lust, Venus should be conjunct or in trine aspect to

Mars.

Rue:

This herb can be used to stuff a poppet, as it will cause the hated one torment in workings of black magick. The planet Saturn should be strongly placed and waxing. Rue should be infused with the earth element. Ideally, for spells of destruction, the Moon should be waning.

Sage:

Drunk as a tea, it is a relaxant for psychic work and at the same time heightens the senses and concentration. It can also be burnt as incense and the oil can be used as a rub for the same purposes. Infuse with quintessence and the element of water.

Storax:

Burnt as incense it is used in spells of revenge, enmity, ill will, and separation. Storax should be infused with the earth element when the planet Saturn should be strongly placed and waxing. Ideally, for spells of destruction, the Moon should be waning.

Strawberry:

Strawberry is good for love and lust spells. Both the leaves and the fruit can be used. The oil and perfume are also used. For love workings, the parts used should be infused with the water element to begin with. Following, orgasmic energy, energy from the sexual (lust) and heart chakras (love), and sexual fluids should be infused when the planet Venus is strongly placed and waxing. For pure lust, use energy from the sexual chakra when Mars is strongly placed and waxing. For love and lust, Venus should be conjunct or in trine aspect to Mars.

Vervain:

The scent increases sexual arousal. The oil is use in love charms and magick. For love workings, the parts used should be infused with the water element to begin with. Following, orgasmic energy, energy from the sexual (lust) and heart chakras (love), and sexual fluids should be infused when the planet Venus is strongly placed and waxing. For pure lust, use energy from the sexual chakra when Mars is strongly placed and waxing. For love and lust, Venus should be conjunct or in trine aspect to Mars.

Wormwood:

Wormwood can be burnt to summon the spirits of the dead. The balsam is used in black magickal workings for wrath and revenge. Wormwood also induces strong dreams. It is poisonous and should only be ingested in very small amounts. Placing Wormwood in the path of a hated one will cause them bad luck. Wormwood should be infused with the earth element when the planet Saturn should be strongly placed and waxing. The Moon should be waning.

Incense for Ritual

Candle Color for Spells and Rituals

Black is an all-purpose color and when available, black should be used with other colors in every ritual. Different colors attract different energies and stimulate certain vibrations in the chakras. Using candles of specific colors can help to amplify the energies in ritual and spell work.

Black Candles are all-purpose for any Satanic rituals. Black candles used in workings of destruction are used to incite the slower destruction of enemies, opposed to accidents or sudden attacks associated with the color red. Black is also a good color to use to bring discord and confusion to enemies. Black can be used for protection, binding negative forces, and breaking up obstacles and blocks. Black can also be used to reverse and break up negative thoughtforms. Black absorbs, conceals, creates confusion and chaos, is used for new beginnings, and obtaining knowledge of hidden things. Black is the container of light, and is one of the most powerful of colors. Saturn rules black. Black influences self-control, endurance, and patience. Spells using black energy are best performed during a waning Moon, on a Saturday when the planet Saturn is strongly placed and waxing. Spells using black need the power of the root chakra.

Blue Candles are good to use in spells pertaining to spirituality, meditation, summoning Demons, healing, sincerity, obtaining the truth, influencing fidelity and loyalty, bringing inner peace, and for knowledge and wisdom. Blue can also be used for establishing harmony in the home, for increasing occult power, and for spiritual protection. For workings of black magick, blue can be used for inciting depression, sadness, and hopelessness, lack of sympathy, coldness, and gloom.

Jupiter rules royal blue. Workings using blue energy should be done on a Monday or Thursday. Spells using blue need the power of the crown and and/or throat chakras.

Brown Candles can be used for communicating with nature spirits and for grounding and centering one's self. Brown is used in spells for solidity, neutrality, and practicality. In workings of black magick, brown is used for inciting indecision, hesitancy, sadness, dullness, and uncertainty. For working with brown energy, the feet chakras are used. Energy should be absorbed from the earth through the feet chakras.

Green Candles are used in spells for beginnings, growth, abundance, fertility, healing, success, general good luck, harmony, and influencing generosity. In workings for health and healing, green is an anti-inflammatory. Green can also be used alone or with brown for communicating with nature spirits. Green is used in spells for love, marriage, and making love. Green influences affection, opposed to red, which is used for passionate love, lust, and sex. Green also influences renewal, fidelity, reconciliation, justice, balance, beauty, youth, friendships, attraction, harmony, financial gain, earnings increases, social functions, possessions, riches, indulgence, and pleasure. Green is good for beginnings and growth.

In workings of black magick, green is used for inciting jealousy, greed, suspicion, resentment, sickness, disease, and disharmony. Venus rules the color green. Workings using green energy should be performed during a waxing moon on a Friday when Venus is strongly placed. Spells using green need the power of the heart chakra.

Grey Candles are used in spells for inducing death, illness, and/or to incite mourning and sadness. Saturn should be strongly placed.

Orange Candles are used for creativity. Orange helps in spells for adaptability, sexual attraction, sexual stimulation, sex magick, enthusiasm, and energy. Orange helps with attraction, sudden changes, energy stimulation, gaining control, changing luck and inciting justice. The Sun rules orange. Workings using

orange energy are best performed on a Sunday when the Sun is strongly placed. Spells using orange need the power of the sacral and/or solar chakras. For inciting lust and sexual attraction, use the sacral and root chakras.

Red Candles are used for energy, vitality, inciting passion, arousing anger, pure lust and for physical gratification. Red is inflammatory and is used in spells for revenge, anger, courage, determination, and dealing with enemies. Red can be used for protection against psychic attack and for self-confidence. Red incites accidents, fires, and injuries. It is used in spells to invoke power and intensity before workings of black magick. Red is physical and bestows energy, strength, dynamism, passionate love, physical desire, will power, and athletic ability (especially competitive).

When used in black magick, red as opposed to black brings on sudden attacks, accidents, bloodshed, violence, and hatred. Red can also be used to incite wars, anarchy, and cruelty. Mars rules red.

Workings using the color red need the power of the root chakra and should be performed on Tuesdays when Mars is strongly placed and waxing.

Violet/Purple Candles are used for enhancing psychic ability, bringing wisdom, for divination, to remove curses, for healing, business success, and for influencing people in power.

For workings of black magick, purple can be used to incite tyranny, abuse of power, and for bringing sadness and treachery to others. Jupiter rules purple. Workings using the color purple should be performed on Thursdays. Workings for psychic power need the energy of the sixth chakra and the third eye and should be performed on Mondays when the Moon is strongly placed and full.

Yellow Candles are used in workings for passing exams, and for increasing one's intelligence and intellect. Yellow energy rules over the logical conscious side of the brain, computers, communication, audio, video, TV, electronics, books, literature and the will. Yellow is used to improve the mind, to deepen concentration, for mental (left-brained power), to enhance learning ability, and for speech, writing, and publishing. Yellow rules over media concerns, gossip, slander, interviews, brothers, sisters, neighbors, rumors, theft, and all areas of study and communication. Spiritually, yellow can be used for astral travel (along with blue and purple). Yellow is also used to overcome addictions, and to break habits. Yellow is good for friendship.

In workings of black magick, yellow is used to incite infidelity, cowardice, decay, disease, dying, insanity, and inconsistency in others.

Mercury rules over the color yellow. Workings using yellow energy need the power of the solar and throat chakras. Both of these chakras work as a pair. Yellow energy is best used on Wednesdays and Sundays. For anything pertaining to intellect and communication, do the working on a Wednesday. For workings using the force of will, these are best performed on a Sunday.

White Candles are for cleansing, purity, and innocence. The Moon should be strong.

For workings of black magick, white can be used to incite corruption, bring impotence, and to destroy the sex drive. White can also be used to create weakness, neurosis, and fear. The Moon rules white.

Workings using white energy should be performed on a Monday and need the energy of the third eye.

More than one color can be used in rituals. The candles should be anointed with appropriate scents and oils before ritual. Oil should be applied with both hands in a stroking motion. Candles represent the element of fire in rituals and are also used for concentration and focus. They attract Demons and spirits.

Always make sure to check your candle as a test as you would with incense before beginning a ritual. Bad odors or burning the wrong way as with cheap incense can ruin a ritual.

Working Rituals and Spells Outdoors

There is a lot to be said for performing rituals and magick outdoors. The earth energies act to enhance one's inner energy and ability. A quiet place should be selected where one is free from distractions. Using a pendulum to locate an area is also a help. One should be adept with pendulums as they can give "off" readings to those who are less experienced.

To use a pendulum, open a map of the area in which you wish to use and point with a pencil, pen or whatever to specific locations on the map, asking the pendulum whether or not the specific location would be supportive of your workings. You can also ask the pendulum where the most powerful earth energies are located. Take your pendulum to the spot and walk around. If intense earth energies are present, your pendulum will begin to circle. Over really potent spots, it will nearly circle so fast, it will go into a spin.

Stone circles are ideal for enhancing earth energies and for a place to build your psychic energies and powers. The color of the stones is important (see the chapter on color). Using brown stones will amplify the earth energy to be directed into your working. Brown stones will also amplify your psychic ability and attract earth spirits.

You should begin by marking your area and placing your stones around the marked area. There should also be four points within your circle where you will invoke the Four Crowned Princes of Hell (and invoke the four elements for advanced mages). These four points should correspond to directions as you would for a standard ritual. Lighted candles should be at the four points. You can also invite Demon friends into the circle with you. You should be able to feel their presence, or for those of us who are advanced, to see them in the circle with you. After you have assembled your circle and are ready to begin, it is important to breathe in from the earth and visualize a powerful electric blue light coming up from your feet and into your hand, holding the athame. Point the athame, direct the light to the tip, and mark your circle, visualizing the blue light and drawing a counterclockwise circle with it.

The energies raised need to be directed to your specific goal. When they peak, gather them into a glowing ball or other form of your choosing, send the form on its way with instructions, and visualize the energy penetrating your target.

When you are finished, blow out the candles, north, then west, south then east. Using your index finger pointing, erase all of the blue light of the circle, moving clockwise in a smooth, slow sweep. Thank your Demon friends (if you had any accompany you) and scatter the stones.

You can also use the power of a stone circle to meditate in. This will act to enhance your energy. Meditation can be done sitting or lying down. Use the blue light for all of your workings.

Satanism is one with nature.

The Four Cardinal Points and What They Mean

Each cardinal point is not only associated with a specific Demon/ess, but also with an element, ritual tool, color and quality.

NORTH

The north has always been known as a source of great power. The “heavens” revolved around the North Star. The ancient peoples aligned their temples with this star. The sun never touched the cardinal point north. It was associated with darkness, mystery and the unknown. Because of the Pagan reverence for north, the xtian church associated it with the Devil. Graveyards were seldom, if ever placed on the north side of a church. The north side was used for unbaptized children, criminals, reprobates, and suicides. Many churches throughout Europe have a north door called “the Devil’s door” which was traditionally opened after baptisms to “let the exorcised Demon escape.” Most of these doors have been long since bricked up. The north is associated with the element of earth, the new phase of the moon, the pentagram, darkness, secrecy, and the color black. Some people align their altars to the north.

SOUTH

Solar energy, the sun, the color red, the magick wand and the element of fire are associated with the south. This is the quarter of the will, directing and channeling the psychic energy and forces of nature. Water running south has long been known to have magickal properties and was a popular ingredient that medieval witches used in their spells. The south represents intellect and knowledge and attainment as the sun reaches its climax in the southern sky (for northerners anyway).

EAST

The east is the quarter of illumination, enlightenment, the mystical, and the eternal. It is of the element of air, the athame, the color silver, and the morning star, which is Lucifer’s star. In most traditions, the altar is aligned to the east. When a circle is cast for a coven, the High Priest/ess usually positions the gate for everyone to enter in, at the northeast.

WEST

The element of water represents the subconscious, emotions, the chalice, the color blue, and the psyche. It rules over mediumship, spirit contact, and telepathic communication.

Moon Phrases and Signs in Magickal Practice

Timing your magick with the phases of the Moon is essential for success. A rule of thumb is to remember for white magick, this is best done while the moon is waxing (increasing in light; new to full). The best time is as close to the full moon as possible. Love spells, acquiring a new job, wealth success, and so forth.

When the moon is waning (decreasing in light; full to new), this is the best time for success in black magick and works of destruction, the best time being as close to the new moon as possible. The waning moon is also a good time for ending things, banishing spells and ending personal bad habits, losing weight.

Moon in Aries

Projects begun when the moon is in Aries often begin with much enthusiasm, but tend not to last. This is a good time for inciting conflicts, high energy, me, mine, war, knives, weapons, guns, quick but not lasting results, fire, sharp things, metals, daring, sticking up for yourself, risk taking, independence and inciting accidents. Do NOT have surgical procedures performed on the head or face at this time. Magick ruled by Mars has the best outcome at this time.

Moon in Taurus

Projects begun when the moon is in Taurus are usually permanent or long lasting, especially when performed in when the moon is in the first ten degrees of the sign. Money, finances, possessions, material things, sensuality, earth, greed, permanence, wealth, things that increase in value, loans, bankers, slow but lasting results, time delays. Do NOT have surgical procedures performed on the neck or throat at this time. Magick ruled by the Earth and Venus are successful at this time.

Moon in Gemini

Communications, short distance travel, a Gemini Moon is dualistic in nature and rules over thievery, trickery, pulling a fast one, relatives, siblings and neighbors, and computers. Gemini lacks staying power and projects begun when moon is in this sign tend to change. Not a good sign for black magickal workings. More neutral in nature. Do NOT have surgical procedures performed on the shoulders, arms, hands, or nerves at this time. Magick ruled by Mercury has the best outcome at this time.

Moon in Cancer

Cancer rules over anything to do with the home, family, food, nurturing, the mother, women in general. Things tend to last, as Cancer is a clingy sign. Good for love spells, weather spells, altar consecration, blessing the home, mediumship, psychic endeavors, inciting over-emotionalism. Spells for the success in buying land, purchasing real estate, a decent place to live, and reconciling family members are best performed when the Moon is in this sign. Do NOT have surgical procedures performed on the stomach at this time. With love relationships or marriages begun when the moon is in Cancer, if the parties break up, they often tend to reunite. Magick corresponding to the Moon is successful at this time.

Moon in Leo

Good for anything having to do with children, creativity, good for casting love spells; romance, success in gambling, winning, attracting center stage, personal charisma, men in general, the father, hobbies, speculation, risk taking, investments, stocks and bonds, authority and spells for gaining positions of power and authority over others. Do NOT have surgical procedures performed on the heart, spine, or back at this time. Leo is a fixed sign and projects begun when the moon is in this sign tend to last. Magickal workings ruled by the Sun are successful at this time.

Moon in Virgo

Health, sickness, wellness, things that require precision and perfection, hygiene, nutrition, herbs, vitamins, the armed forces, clothing, the work place, co-workers, workings of white magick and healing for others, service to others. Things that involve details. Hospitals, healing, the medical profession, institutions, bureaucracy, red tape, attention to detail. Virgo tends towards change. Do NOT have surgical procedures performed on the intestines, anus, or digestive system at this time. Magickal workings ruled by Mercury are successful at this time.

Moon in Libra

Good time to form love relationships, marriages, partnerships of all kinds or cast spells to ensure the success of or to incite these. Peace, diplomacy, negotiation, legal matters, workings with two people, contracts, getting people to do what you want them to do easily and peacefully. Do NOT have surgical procedures performed on the kidneys or lower back at this time. Best for love spells.

Moon in Scorpio

This is one of the best signs for black magickal workings. Revenge, hatred, venting, exposing secrets, death spells, surgery, transformation, obsession, pure sex, the occult, the darker side of things, extremes, research, banishing spells, ending things permanently, death and dying. This is the most powerful and intense of all the moon signs. Secret, underhanded, and covert operations, willpower, drastic destruction. Like its opposite sign Taurus, Scorpio is usually permanent. Do NOT have surgical procedures performed on the pelvis, reproductive or sex organs at this time. Magickal workings ruled by Pluto are successful at this time.

Moon in Sagittarius

Religion, Universities, travel, higher education, gambling, good luck, good for ceremonial magick, best for white magick, publishing, sports, the outdoors, the law. Pulling off something big. Do NOT have surgical procedures performed on the hips or thighs at this time. Magickal workings ruled by Jupiter are successful at this time.

Moon in Capricorn

When the moon is in Capricorn, this is another excellent time for black magickal workings. Depression, ruthlessness, using people viciously, long-term results. Honors, social standing, responsibility, authority, structure, setting long-term goals and plans for the future. NOT a good time to seek favors from those in authority. Magickal workings and spells that feature a time delay or are lasting, wasting, manipulating people, business, banishing. Do NOT have surgical procedures performed on the bones/skeletal system, teeth, or knees at this time. This is a "ruthless" moon sign. Workings ruled by the malefic planet Saturn are favored at this time.

Moon in Aquarius

Friends, groups, platonic relationships, society, electricity, workings within a coven, computers, technology, individuality, originality, freedom, independence, humanity, anarchy, the unexpected, bolt out of the blue, genius, revelation, goals and ideals, shocking people. This is the best moon sign for spells of independence and breaking away from restrictive situations. Freedom and coming into your own. Do NOT have surgical procedures performed on the calves or ankles at this time. Workings ruled by Uranus are favored.

Moon in Pisces

Poison, drugs, self-undoing, deception, sorrow, depression, isolation, insanity, very deep psychic stuff. Good for success in meditation and all psychic pursuits. Spells to deceive people, secrets, swindles, vulnerability. Secret enemies, altered states. This is the one of best times for endings, especially when the moon is in 20-30 degrees of the sign (make sure it is not void). Psychic healing can be done. Do NOT have surgical procedures performed on the feet at this time.

Timing Your Magick; Avoiding a Void of Course Moon

Timing is everything and doing something at the wrong time can screw up everything. The universe is working either for you, or against you. Knowing this can enhance your power.

A void of course Moon occurs every couple of days or so. This is when the Moon finishes making its last aspect to any other planets before it enters the next sign. Normally, this lasts a few hours, unless all of the other planets are in early degrees.

The important thing to know is **START SOMETHING ON A VOID MOON AND IT WON'T WORK OUT**. Projects begun, papers signed, items purchased, spells cast; everything done at this time has more than a tendency to go wrong. Projects begun during a void of course moon somehow never get finished or are prevented from reaching completion. Crimes committed during this time are rarely brought to justice.

Applying for a job or going for an interview during a void moon and more than likely, you can forget about getting hired. Plans made during this time get altered. Clothing bought may not fit properly or is never worn.

Taking out a loan during this time and chances are, you may never have to pay it back. This is the time the universe is full of loopholes. The rule of thumb is what is begun during this time is rarely completed. In many cases, this is a time to get away with things.

This is **NOT** a time to perform spells, as they will not work out. They will be ineffective. For information as to when the Moon is void, many yearly books are available. Llewellyn's Moon sign book comes out annually and has this info. This can be purchased almost everywhere and is inexpensive. Ephemerides also contain this information for those of us who know how to read them.

Timing Your Magick with the Planets

Like the Void of Course Moon, there are times when the energies of the universe are working against us. When certain planets retrograde, the planets and what they represent throw contrary energies.

When Mercury is retrograde, workings to acquire knowledge, truth, intellect; to pass exams and everything related to the mind, communication, travel, education, literary, electronics and everything else ruled by Mercury, the odds are greatly against the success of such things. Performing spells/magick related to these things will more than likely result in failure.

When Venus is retrograde, this is not a good time for love, relationships, commitment, artistic pursuits and so on. Love spells will inevitably fail or result in disaster. Wait until the period passes.

With Mars retrograde, this is not the time to perform spells of revenge or violence/black magick. They can rebound and backfire, as the universe is working in reverse. Spells for bringing peace and harmony, as in one's family are aided at this time. Wait until the retrograde period is over with.

Knowing an enemy's date of birth, you can work black magick with the energies in their charts. Whenever someone has a retrograde Saturn period (we all have this), you can direct the negative energy to your own purposes for revenge. The universe is working against this person during a bad Saturn transit. Saturn retrograding over personal planets, through the first house or to a lesser extent, on the progressed planets, this is the worst time of one's life. The worst of all is Saturn retrograde on the chart ruler; you can only know this by knowing the birth time.

On the other hand, retrograde Jupiter is a blessing. Jupiter retrograde over a loved or desired one's Venus, same with Uranus, Neptune, or Pluto concerning love; a love spell in directing these energies can be most effective.

Retrograde Jupiter over your personal planets, love spells, money/success, promotions and everything else can come in abundance with the proper direction. Retrograde Jupiter is where we luck out and have opportunities. Taking control of this period and directing the energies will result in our success.

IMPORTANT INFORMATION ABOUT 2012 - AAAAHHHHHHHHHGGHH!!!!!!!!!!!!

Every single week, sometimes even several times a week, people in the groups here go on and on about the 2012 CRAP. Satan himself told me it certainly won't be the end of the world, just another YK 2000. In addition, 'Maya' in Sanskrit means 'illusion.' Sanskrit is the oldest of known languages and is very spiritual. What this translates into it 'The END of ILLUSION' i.e., The END of LIES.

One of the most hilarious was the Christian preacher/pastor who just KNEW the end of the world would occur on some certain date. This was some 10-20 years ago and on the news. Of course, he also knew he would DEFINITELY be one of the chosen amongst the 144,000 [STOLEN and corrupted from the 144,000 nadis of the human soul] who would be saved! He KNEW the very exact date this rapture would occur. He revealed this most guarded secret to his congregation. They all quit their jobs, sold their homes, and every piece of property they owned and of course, ALL of their material possessions and were left with only the clothes on their backs. They all climbed up to the top of this large hill where the nazarene and ilk was supposed to swoop down and SAVE THEM!! Well, they waited, and waited and waited.....

After several days of waiting, some lost faith and left. The preacher, then getting a bit nervous said he was 'two weeks off.' Two weeks later, some of the more vulnerable again showed up and they waited, and waited and waited.....

Now, I have posted this before and I am reposting it again. For those of you who are impressionable concerning the predictions that the world will end, please read the following article, the hype regarding the supposed 'end of the world' is nothing new:

A Brief History of the Apocalypse

All Yoga is of Satan

The question was what is yoga and this is what some Catholic prayer warriors said in a Catholic forum. Don't do it. It's not safe for Christians to do. It's dangerous. If you want something to stretch, try Pilates, but don't do yoga.

Reply:

Many other Christian sects say the same thing. They know all of Yoga is of Satan. All of yoga works toward the same end goal of raising the kundalini SERPENT [Satan]. When you read deeper into the doctrines of advanced yoga, even though these have been corrupted, there are plenty of 'Satan' anagrams, such as 'Satnam'. Another reason is because nearly everything in that foul bible of lies of theirs was stolen and corrupted from the Far East. This knowledge was shut up like a trap years ago, but is now coming out in the open.

Christian 'Miracles'

Question:

Hard Question - If Christian miracles like when Mary walked on the church a while back and other miracles of Christianity happened then why are people telling me there's no heaven or Christian god because there has to be some explanation for these miracles???

Reply:

Some people are confused regarding so-called 'miracles' they have either heard about or in rare cases, have seen; of the enemy. I explain this below. There is nothing SPIRITUAL about the enemy or their works. Everything of the enemy is false; this is an artificial spirituality. For those who are new- 'Christian' means 'Christian'

This isn't a 'hard question' for me. I can see through the enemy's bullshit. The enemy 'god' is a collective whole of human hating and human exploiting aliens. So, just what is so spiritual about that filthy stinking alien bitch 'walking the church'? How does this help or advance humanity? What is the spiritual significance of this crap? Who cares?

My entire point here is YES, I am well aware that the program of Christianity has had its so-called 'miracles' and some prayers answered, BUT- there is a huge difference between the 100% material and SPIRITUALLY INSIGNIFICANT shows of the enemy and the TRUE SPIRITUAL AWARENESS, INNER HEALING AND UNDERSTANDING AND CONTROL OF OUR OWN DESTINY THAT WE ACHIEVE THROUGH SATAN.

The enemy grants a miracle or answered prayer every so often for show. The unenlightened then go on to praise and exalt this nefarious collective of aliens with misplaced faith, etc.

The enemy can be plainly seen in their works in that there is **NOTHING SPIRITUAL OR SIGNIFICANT TO ADVANCE ONE'S SOUL**. One is given material favors that are temporary [in this life only] and still remains an unenlightened **SLAVE**.

In contrast, Satan is very spiritual and cares about our spiritual well-being. Through Satan, we heal ourselves from the inside - out. Through Satan, our spiritual eyes are opened and we can spot potential serious errors in our lives before they occur. We can also see our own errors and how they impact our lives and the lives of others and through this, we are healed. Drug and alcohol and emotional and all sorts of other addictions are healed through Satan at the soul. Through Satanic power meditations, the addictions eventually go away and one is free.

While the enemy may take away [very few and far in-between- just for a show] someone's drug addiction, the person still remains a slave, hits a dead end where no more spiritual advancement occurs, and remains unknowing with no knowledge of how this was achieved.

Satan gives us the knowledge we need to empower, to heal and to advance spiritually. We know and we understand **HOW** these feats are accomplished. We are then motivated all the more to advance our souls in many more ways than just one. Through empowering our souls the way our True Creator God Satan intended for us to do so, we can both understand and accomplish our own miracles without being a perpetual Christian slave to an alien asshole with an ugly agenda. Satan gives this knowledge to all of his dedicated ones. In contrast the enemy picks out only a select few and then there is a dead end, other than that few go on to zealously proselytize and promote the enemy agenda to the public.

Satan shows us the way to our own spiritual freedom; our liberation and our empowerment. Satan is spiritual and works with the soul, while the enemy works to deceive and to enslave. With the enemy, the very few who are healed just for show, never go on to understand or to know how to heal themselves. **NONE OF THE ENEMY'S WORKS DO ANYTHING FOR THE VICTIM SPIRITUALLY.**

Does Satan Ever Leave His Disciples?

Does Satan ever leave his disciples? Sometimes I feel like he has left me.

Be strong and keep up on your meditations and try to do kundalini and hatha yoga every day. Satan and his Demons are and have been extremely busy. There are times I don't hear from them for days or more. I understand because I know they are busy. There is a lot at stake here and what is going on in this world right now.

The Eve of Beltane will more than likely be exceptionally busy for the Powers of Hell this year. Try to work on empowering yourself and join in the fight to destroy our enemies. Christianity is falling fast. We need more and more people to work relentlessly to completely destroy this hideous and most odious monster.
Hell's Army E-Group

There have been many times I have not heard from Satan or any Demons for days, but they are responsible and always on top of things. There was a near extremely serious and potentially disastrous situation, which would have been catastrophic for a loved one. I called upon Satan urgently and again, experienced another one of his miracles. Nothing happened to my shock and amazement. The loved one was shocked as well, and will always remember this, and knows Satan is real. This was very personal, but I can't say enough of how thankful I was to Satan [again and hundreds of times over], and how Satan handled this situation, which was nothing short of a total miracle. I have experienced many of his miracles.

Satan doesn't leave us.

ET's

IN REPLY:

What are the names of the grimoires you are referring to? The Jewish written grimoires are chock full of insulting images and depictions of Satan and his Demons [Goetia, which when traced back to its root origins 'Goy']. Any grimoires that are older than the ones corrupted by the jews are instructions for opening and empowering the soul, such as the 'Necronomicon.' The misguided and unenlightened foolishly believe the original texts to be for summoning, making contact, or even commanding the Demons/Gods. They are not.

The number '72' of the Goetia has to do with the feminine half of the 144,000 nadis of the human soul, NOT some sorcerer's 'recordings' as you state below:
The fact that they are portrayed as "72 Goetic" is simply a sorcerers recorded and ordered experiences, to which is only the tip of the iceberg for knowing the gods.

As for E.T.s, Satan himself told me. This does not come from theory, but my own personal experiences, and also the personal experiences of others.

As for your statement:

Now, of course, the latest rave is ET's... but that is simply a tactic by the enemy to distance everyone from the truth, as the ET are the gods taking an even more modern form. ET's aren't far off in outer space, but closer to home than one thinks.

Tactic of the enemy? This is the same as 'Safe Satanism' where Satan and his Demons are defined as spooks and spirits, not REAL beings. Also, it is a proven scientific fact that there are over 100 BILLION GALAXIES OUT THERE- NOT SOLAR SYSTEMS, BUT GALAXIES. Now, any thinking person would know that the earth is not the only planet with 'intelligent life.' There is both a microcosm and macrocosm= Infinity. Just because humanity has limited senses [the spiritual senses have been cut off and strongly suppressed], this does not mean that there aren't dimensions and experiences that transcend what most can understand and access. Humanity, due to centuries of being cut off from and deprived of spirituality, has a very limited understanding of higher dimensions. You can't base everything in the vast universe upon your own limited understanding and experiences, you have to think outside of this. 'There is no place in the universe that knows not my presence' --Satan, from the Al Jilwah

'For example, in 1999 the Hubble Space Telescope estimated that there were 125 billion galaxies in the universe, and recently with the new camera HST has observed 3,000 visible galaxies, which is twice as much as they observed before with the old camera. We're emphasizing "visible" because observations with radio telescopes, infrared cameras, x-ray cameras, etc. would detect other galaxies that are not detected by Hubble. As observations keep on going and

astronomers explore more of our universe, the number of galaxies detected will increase.'

NASA's ' Ask an Astrophysicist'

http://imagine.gsfc.nasa.gov/docs/ask_astro/answers/021127a.html

The earth is not flat and the planets revolve around the sun, not the earth. The earth is not the only planet that holds what we know as 'intelligent life.'

Fate and the Soul

Knowledge regarding the soul has been vehemently suppressed for centuries. Ignorance is required in order to be victims/slaves. What is within the soul determines our fate and YES, much of life IS fated. This can readily be seen in astrology charts when one is accomplished at reading them. Nearly every event that occurs within our life is fated. This is within our souls. Just as nearly everything here begins with an idea first- your house, your PC, your car, buildings, etc., the soul is what determines the quality of one's life and the events that occur therein.

Before any occurrence, such as an oncoming illness, this shows up in the aura. For example, one about to become ill, will have a grayish tinge to his/her aura for anywhere from 1-4 days, depending upon the severity. The same goes for accidents and other unfortunate events- they can be seen in the aura several days before they occur. This does not only apply to negatives, but also with good things, as they appear in the aura as well, before they happen.

Many psychics claim there is no 'time' on the astral. This is not true at all. They are seeing the past, present and future with their own soul and within the souls of others. All of this has to do with past lives.

Events are recorded within the chakras and stored there as what some term as 'seeds.' This is because they have not yet manifested. I wrote of this before- many who have problems in their love lives, made heart-felt commitments in past lives, such as being with the lover/partner in the past 'forever.' When that lover is gone, and the person has entered a new life, the commitment, which was impressed upon the soul, still remains and affects the current love life, hampering and/or ruining it. In some cases, both lovers will meet in a future lifetime, but the majority of the time, this results in hard luck for the affections. People who have this are then often born with Saturn in Libra, and/or have other astrological nasties that work to wreak havoc on the love life.

Another theme is punishing one's self and self-hatred, which is totally exploited by the Christian program, which works relentlessly to keep everyone damned. The results from this are accidents and other bad events. Going on, our souls

connect with other souls who are close to us. For example, sharing the same beliefs as another and being in close contact will establish a connection to both peoples' throat chakras. Unless the contact [seen astrally as a cord] is broken and make sure it will no longer connect, this is often dragged into a future lifetime, where both parties meet again. Strong emotions also factor in for better or worse. When strong emotions are released, this also in many cases, establishes a connection.

These seeds are dormant and it can be more than one lifetime before they blossom into actual events. There are things the average person isn't even aware of or why they do certain things. This is within the soul. When the conditions are right, the seeds blossom and then fated events occur. This is also a part of how those near death have had experiences of their entire lives passing before them. The entire life is recorded within the subconscious mind and the soul. One of the major goals of power meditation [kundalini meditation and yoga] are to BURN these seeds before they have a chance to manifest; to destroy them so one is finally free. This can also be seen in the astrology chart. This is gradual and I speak from experience here, but when you know your own chart and are very competent in making predictions- this includes reading solar and lunar returns and what you know and see in the chart does not occur, this is a sign you are burning the seeds of so-called 'karma.'

For example, I had a horrible month on a lunar return chart. One can predict a horrible month when Saturn makes a hard aspect [the closer and tighter the aspect, the worse it is] to the ruler of the lunar return chart. Mine was exact. Well, with daily meditation, hatha, and kundalini yoga exercises, nothing bad happened and the month was quite pleasant. I was shocked, but now I understand. I have seen more of this as well.

When our life energies are higher, things in our lives go much better. Kundalini meditation amplifies the energies, and must be done consistently to fix them at a higher level. When one's energies are low, this is the time problems manifest in the life, anywhere from illness to catastrophic bad luck in some cases.

Hatha and Kundalini yoga along with breathing exercises [breathing exercises fan the flames of the serpent] keep one's soul strong and protected. As I have mentioned again and again, when one's energies are amplified, one must think positive thoughts and dwell on positive things, as thoughts will tend to become reality much quicker, in this lifetime. Those with weaker/average souls, some negative thoughts, especially repeated ones remain upon the soul through lifetimes and then, manifest into reality.

Satan shows us how we can become free. Yes, it is hard work, but it pays off in your freedom and in being able to be your own god and control and direct your own fate.

Gods & Animal Forms

IN REPLY:

The animal forms are symbols, which represent the Power of the Gods. The Peacock is sacred to Satan and represents the multi-colored stage of the Magnum Opus following the Nigredo. The peacock also symbolizes the rainbow colors of the third eye when this chakra is fully empowered and activated.

Anubis is symbolized by the jackal, but this does not mean that Anubis IS a jackal. I met him and I have worked with him. He is very humanoid.

Point being, if someone has strong expectations of how the Gods or a certain God should manifest astrally, this will influence how he/she appears to that person to a greater or lesser extent; no different from astral communications. If someone strongly and subconsciously associates a certain God with his/her animal form, they may very well see them as such, but this is not the accurate appearance of the God.

As for myself, when I was new, I thought Satan would manifest as a being with red eyes and horns and would send a shiver down my spine, but I was open and didn't really know. I was very surprised to see he was tall, broad-shouldered, blonde, and wearing a long white robe.

As for the Jewish concocted and defiled grimoires, the insulting images of our Gods are to instill a very ugly and offensive image in the minds of those who read this trash, in attempts to again- use fear to deter one from establishing a relationship with the God/s. Suggestions are very powerful, especially when one is young.

Hideous and insulting images ARE of the enemy. The animal symbols for the Egyptian Gods are not.

Goetia & the Soul

All of the true spiritual has many faces, such as the physical planets out there, each has an astral influence upon our lives though our chakras; the astrology chart is a map of the soul.

Satan and his Demons are also physical beings, but each in addition, has astral influences, symbols, and messages. I have written about this before- Satan [in addition to his being a real MALE being] represents what is known as the 'Shakti' in Sanskrit; also 'Devi,' which is where the term 'Devil' comes from. This is the female aspect of the soul. This is the side that has been cut off in human beings and that which the enemy works relentlessly to suppress and destroy.

The 'angelic' side of this, like the Enochian tablets for opening the watchtowers, has been corrupted. The term 'angel' is an allegory, but one must be cautious here, as these are nefarious and truly evil beings that hate humanity. There is a very powerful riddle to the Goetia, of which is the 'Lesser Key of Solomon' which as most people here are aware of- this has been really corrupted and infused with false information to where its true meaning has been obliterated with Jewish filth.

The REAL 'Temple of Solomon' is NOT that Jewish concocted biblical filth. '666' is the Kabbalistic square of the Sun. The true meaning of the "Temple of Solomon" is the TEMPLE OF THE SUN. "Sol" "Om" and "On" are all words for the Sun. "Sol" is the Latin word for the Sun and is close to the English word "soul." "Om" is a name given by the Hindus to the Spiritual Sun and "On" is an Egyptian word for Sun. The symbolism of the Temple of Solomon was stolen by the Jews and made into a fictitious character, as with the fictitious Nazarene and nearly everything in the Judeo/Christian Bible.

The true meaning of the "Temple of the Sun" is spiritual. This symbolizes the perfected soul, where the rays from the heart chakra, which is the center of the soul and circulates spiritual energy, radiates into 8 separate rays. The shining soul is symbolized by the sun. 8 is the number of Astaroth. This is also "The New Jerusalem." The name of "Jerusalem" has also been stolen and corrupted into a city in Israel. "Jerusalem" IS A CONCEPT!

The word 'Solomon' also represents the seven major chakras. The seven letters with the three O's of which symbolize the feminine chakras. O's are feminine, while I's are masculine in the Sigils. The so-called 'dark' half; along with the traditional association of Satanism with 'darkness' also represents the feminine aspect of the soul- the YIN in the yang. Of course, all of this has been hideously twisted and corrupted by the enemy.

All of this, including the Enochian tablets has to do with achieving the Magnum Opus of spiritual and physical perfection and immortality. From my own research,

angelic filth has no place in this. Satan himself told me how all of this is corrupted to where it doesn't even do any good to try to decipher it from the resources available. These are all codes. As for the Enochian, the letters have been corrupted from the originals and the angelic filth has been inserted into the Key of Solomon.

The TRUE Key of Solomon is supposed to be, as were nearly all of the original grimoires- a code for opening and empowering the soul. As we can see, Jews confiscated the originals, removed the spiritual truths, and replaced it with their worthless and meaningless crap, just like their fucking masterpiece- the bible.

I still have much research to do. The problem has been limited time for me. I don't have all of the answers as of yet, obviously, but in time...

Greys and Christianity

I have done research over the years and many artists of the Middle Ages painted hidden codes and messages in their works. Also, there are some hidden messages in the bible that were imbedded for future generations, that keep pointing out that the bible is a lie and the work of the true evil.

The book 'The Gods of Eden' by William Bramley, according to his theory, reptilians and enemy aliens were physically present here during the Middle Ages. This is also confirmed in several paintings of the period. Bramley's theory tied both the first wave of the bubonic plague in 1348 to these enemy aliens, which wiped out 3/4 of all of Europe.

Satan revealed to me that the Catholic Church [the original and first Christian Church] made a deal with the greys- wealth and power in exchange for souls, of which they use the energy for their own purposes. The Catholic Church began with the inquisition.

If you look to the hand position of the woman in the painting, her right hand is in a mudra- this is NOT Christian. It is of yoga and all of yoga is of Satan.

Go here for an interesting collection of ancient art, which depicts aliens:
http://www.alien-ufo-pictures.com/ancient_alien5.html

There is also one of those old grimoires that have very blatant drawings of greys inside. I believe this can be found on the Twilit Grotto website.

Guardian Demons

IN REPLY

It all depends upon who your Guardian Demon is. I have had more than one. Satan, himself has also been a Guardian to me. For years, he worked with me one on one. Now, he is and has been incredibly busy. Lilith came to me over a year ago and told me because Satan is now so busy [many extremely important and influential people call upon him for guidance], she will be working with me, which she has.

There have also been times when I had serious issues and called upon Satan. He always got back with me within some 24 hours. It is also true that when our Demons are busy, lesser Demons can take over at times. This does not mean that these higher beings cannot be in two places or more at one time on the astral. What this does mean, is happily, Satanism is growing to where many are calling upon the Powers of Hell to where it is way beyond two and three at a time.

I always try to handle whatever I can and only call upon the Powers of Hell when it is something I cannot handle. I work for Satan. In addition to his being my God, he is also my Boss. Satan and his Demons are very responsible and on top of things.

'HA' Satan

Heaven, Hell, the Middle World, these are concepts stolen from Chinese Taoism. Heaven = the crown chakra. Ever hear the term 'seventh heaven'? Hell, the hot fiery place of the serpent in the base 'lower' chakra is 'hell.'

As for the term 'Ha Satan' this was stolen and corrupted again, from yoga. 'HA'tha yoga and it has to do with the ida and pingala nadis.

Now, there is a place where the enemy keeps souls who die devoted Christians, which are 'judged' and not wanted. Certain individuals who have strong ties to Christianity have related of near death experiences, seeing this ugliness. This is NOT of Satan. Putting this in layman's terms 'God' and the 'Devil' are backwards. I note people who tie in with angels and even with some- who dabble with greys, have been shown this ugly place. It is of the enemy and is used to frighten people into accepting and believing enemy Christian filth.

Again, when serpentine energy is activated strong enough, one can see this and just how evil everything connected with that filthy bible and related truly is. When one reaches a certain, the enemy becomes powerless to deceive. Ignorance and unknowing are essential for enemy programs to succeed, also for any human to empower themselves and fight back. This is why all spiritual knowledge was systematically removed from the populace.

Another thing I forgot to add is this- through experience, anyone who uses the powers of their mind and soul [witchcraft] knows the energies used to make this work have to be compatible, so to speak with whatever working one is doing. The enemy greys who use 'the one' know this and the Christians who's souls wind up there, there is total conformity. This energy is malleable and conforming to whatever they want to use it for, with the exception of energy from war, which is violent and used for their 'black magick' purposes. This is another reason Christianity, Islam and those foul Jews are behind nearly every single war.

Imprinting on the Soul, Mantras and so-called 'Karma'

All so-called 'karma' is due to ignorance- unknowing. These new age people, along with their cohorts are nothing more than the blind leading the blind. They are so WAY-OFF in regards to their understanding of so-called 'karma' of which they apply present life problems to not conforming to some or other bullshit in the past lives, which is totally wrong.

All cause and effect has to do with a lack of knowledge. Knowledge and the application of that knowledge destroys 'karma.' For example- some of these so-called 'gurus' and 'masters' who use spiritual knowledge for only personal gain and to fill their pockets claim to have these closely guarded secrets of which they will not divulge, yaddada yaddada... I read about certain ultra-powerful black magick mantras, and I know them and how they work. Satan gave me this knowledge, of which I will be making public when he says it is ok. This is in coming.

Point being, these so-called 'masters' state how 'deadly dangerous' using these mantras and words of power are to those who use them, BUT, of course, none will explain WHY. It all boils down into having the knowledge and nothing more. When you are vibrating something like that, you are saturating your soul with the energy, which is like a poison [especially with these mantras, given their power]. Now, Runes work a bit differently, and cleaning one's aura afterwards will work, but with the mantras that I am writing about in the above, cleaning the aura will have no effect. The energy will stay on the soul to wreak havoc.

As for these 'masters' and 'gurus,' none seem to have any solutions, only a bunch of double-talk, no different from a Christian preacher. This is where knowledge comes in. In order to use a black magick mantra effectively, one must have an antidote, which is equally or more powerful to neutralize and cancel out the effects of the black magick mantra upon the self and also KNOW how to use this. As I said, I will be making all of this all public as soon as Satan gives me the ok.

Now, with the above, we can see how some charlatans will use this crap to state that 'three-fold' lie; the 'ten-fold' and all sorts of other lies to claim one should not resort to fighting back with black magick- same old shit- turn the other cheek, walk the extra mile, let injustice get out of hand, pass the buck... all of the same old Christian filth in different forms. In truth, all it boils down to is KNOWLEDGE - NOT CONFORMING TO THIS OR THAT AGENDA.

Now, Satan is and has been showing me ways to cancel bad energy upon the soul. I was working on a section for this on the JoS website. Again, the most powerful is vibration. Each of the planets in our charts corresponds to a certain chakra. The chart shows us on paper which of our chakras is damaged, debilitated, or weak. Each of the chakras rules certain areas of our life, and when they are not functioning properly, those areas of our lives are not functioning properly. Through vibration, we can empower the weakened chakras, and change this.

I know this is getting to be long here, but this is what I have been working on- [It has been completed; [click here](#)].

Sadly, because of the massive destruction of spiritual knowledge, the true way to use these has been destroyed and corrupted. Given several different sources, each presented a lame explanation of these powerful squares on how to correctly use them. Western occultism corrupted by Jewish filth instructs taking the numbers and converting them [according to the Hebrew version of numerology] into their versions of 'sigils.'

Other sources from books on mantras [from Far Eastern authors] instruct to 'draw the planetary square on a piece of paper and carry it with you.' Other sources pretty much echo these two examples. It is glaringly obvious that is not the correct way to use these.

On 11/28/10, Demons gave me the real formula for using these powerful squares. First, they are called 'Kabalistic Squares.' Now, most of you know the TRUE Kabbalah is for making use of the chanting of sound and vibration to invoke certain energies and/or to produce certain desired results in the material world. So, both of the above from popular sources is obviously bullshit explanations at trying to replace the loss of true spiritual knowledge.

In studying from Eastern sources, I have found that these squares are included in books that have mantras, BUT there are no real instructions on how to effectively use them. It is a given that certain mantras [words of power] are to be recited a certain number of times for a certain number of days and so forth. Point being, this is what a Kabalistic/Magickal Square reveals.

The Kabalistic/Magickal Square reveals a certain sequence for the recitation of a specific mantra.

*While there are some texts and doctrines that claim the third chakra is ruled by the planet Mars, we disagree. The reason being is that the root [Bija] mantra/vibration for the third chakra has always been 'RAM,' which is a variation of 'RA' as in AMON RA, the Egyptian God of the Sun. The word 'God' is also a term for the chakras.

'Jehova' Harvests Human Souls

From years of study, what I can see is several factors involved. For one, way back when, this mind hive of greys [collectively known as 'Jehova'], worked for the Gods, not just the Nordics, but other races such as reptilians. They were created to be servants, like robots on a higher level, who have self-awareness. The greys have used genetic engineering to where they can no longer reproduce naturally [through sexual intercourse] and they have also tampered with the emotion part of their brains to where they lack most emotions, but still have some, such as hatred, jealousy and resentment. They also feel a very strong bond to each other.

With the creation of humans through genetic engineering, the greys became resentful of humanity, which formed a bond with some of the Gods.

The earth is located in a corner of the Milky Way Galaxy and is out of the way in contrast to most other planets inhabited by intelligent beings. The greys and other E.T.s are far adept at what we call 'witchcraft' spellworking, and workings of the mind. Their mouths have atrophied, as they do not use them, they communicate telepathically.

Humanity has been disarmed of this power, and prevented from achieving the 'godhead,' which is everyone's birthright. This is so we can be exploited for our energy. This is no different from how cattle are used at a slaughterhouse. Because we cannot 'see,' we do not know. We cannot fight back spiritually as a whole. Christianity, Islam, and the root of Judaism have been the tools to destroy humanity and keep the earth as a cattle pen.

Wars are incited [nearly all of them either through Christianity/Islam directly or through communism, which is the same thing, with the Jews behind it. The ugly violent energy of war is used by the enemy and directed to fight their battles out there. Energy is also stored in what they call 'The One.'

When one dies, one gives off energy. This energy is then taken and used by the enemy. The earth has been under attack for centuries and is nothing more than a host for this parasitical scum. The Vatican made a deal with them centuries ago-wealth and power in exchange for souls. Spiritual knowledge was destroyed and

corrupted; removed through force from the populace. People who had active kundalini, psychic power, etc, were brutally tortured and mass murdered by the inquisition. This also extended to generations, as this serpentine energy is passed to the children from the parents. Children who had grandparents who were 'heretics' were murdered to ensure very little if any spiritual power remained. Entire villages were wiped out. Humanity had no way of fighting back or defending ourselves against this alien parasitical scum.

It is my belief that Christianity came with the inquisition [especially in Europe], and is not anywhere near 2,000 years old. History has been rewritten with lies. I also believe that there was direct alien interference right here on this earth, during the Middle Ages, which got the whole thing started, as this deal with what we now call the Vatican, was more than likely physical in contact.

I also read in 'Extraterrestrials among us' by Ted Andrews that the greys have made physical contact with some government leaders throughout history. They sat down and communicated telepathically. The leaders saw their power first hand and knew there was nothing they could do against the greys. It was frightening.

Only through power meditation, raising the serpent, awareness, knowledge, and above all- THROUGH SATAN, can they be defeated. When one is unknowing like a small child, they are powerless and can be manipulated, and that is the enemy's goal and what they have been doing to us for centuries. They look down on us like we are lower than cattle and use us accordingly for their own purposes, like humans use farm animals.

Jewish Filth

This was taken from a reply to a post I made regarding Jewish blasphemy against our Gods. As for the mention of the website, I do not advertise for Jewish sick, perverted FILTH against our Gentile Gods.

I approved this post to educate people in regards to what the filthy Jews have done to our religion over the years. Normally, I delete this sort of sick garbage, as all it does is advertise.

The website below is a blatant example of Jewish filth. Just take a look to all of the Hebrew references in there. This was very typical of what the internet was mainly comprised of in regards to Satanism back in 2000-2002. This is why I put up the JoS website.

The Jews have had nearly everything under their control in regards to the media-mainstream bookstores, schools, mainstream publishing companies, agents, television and everything else.

When I was new to Satanism, after reading Anton LaVey's writings, there was a dead end. There was nothing additional that was in any way positive concerning Satanism in any bookstore or anywhere else that I searched, except for some information on the internet, of which I printed out and read in full.

The books in reference to Satanism that were readily available were horrific to say the least. My initial experiences with Satanism and Demons were totally the opposite of all the sick filth and lies pushed upon the public. Satanism from the start was very positive in my life. Demons were with me on a daily basis. I didn't meet Satan face to face until around a year later.

I remember getting help on a regular basis without my even asking. One time I will never forget, I was hungry and broke and was out walking. I passed by a restaurant and there was a wad of money stuck to the sidewalk. This was enough for me to get a good meal. Satan blessed me with this and so much more. I also noted after performing Satanic rituals, I felt a most beautiful feeling.

We need to fight against this sort of thing. It is Jews. I have seen this time and again and the mainstream bookstores are full of this sick perverted trash, as is the Jewish controlled media. Every sick website blaspheming Satan and his Demons and full of sick filth ALWAYS contains loads of Jewish references, symbols and Jewish invented blasphemy against our Beloved Gods. Jews are naturally drawn to this sort of thing, as it is in their blood and racial memory. This is an education for new people and those who would question the JoS stance on the Jews.

Kundalini Symptoms

There are various symptoms of activated kundalini. Much of this is individual and also depends upon the stage one is at and just how close one is to raising one's kundalini all the way.

Kundalini is hot. If you are close to raising it all of the way, symptoms can include:

Feeling like your aura is on fire

Waking up feeling this way at night when asleep, feet feeling like they are on fire

Feeling hot all over

The energy buzz after doing yoga or feeling it when sitting still can now be felt when you are active, up and around. It is now either a constant or you feel it a majority of the time, active or not

Insomnia- once kundalini has risen all of the way, in extreme cases, one can go without sleep for months

- Bouts of extreme energy
- Feeling edgy at times
- A pulling sensation in the spine or at the base chakra
- A hot and/or throbbing sensation at the base chakra
- The spine becomes very hot
- A feeling of knowing things before they happen
- Intuition and other psychic abilities are amplified
- Aura/skin tingling; a burning sensation
- Vibrating inside from the energy
- Extreme physical sensitivity to sounds and other things in the environment
- Feelings of intense bliss and ecstasy

Symptoms that kundalini has been activated:

Experiencing the 'crawlies,' sensations like ants crawling

- Feelings of wanting to do inverted yoga positions, like the headstand
- Itching
- Detachment [now, this is not indifference like many books out there will try to tell you, but this is a feeling of inner calm and peace, where upsetting things in the environment do not cause physical reactions, such as nervous knots in the stomach, etc.]
- Intensified or diminished sexual desires [these do not usually last]
- Problems in concentrating [for people who normally can]
- Being scatterbrained, feeling spacey [this does not last]

More About Spiritual Allegories

I have written repeatedly in the e-groups- much of these stories are spiritual allegories that have to do with the Magnum Opus.

It is my understanding that ET families who were advanced way beyond human capabilities came to this planet thousands of years ago. Humanity were created as slaves and through genetic engineering and modification, advanced and eventually interbred with some of the Gods. This resulted in an ET war- those for humanity and those wishing to use us for psychic feeding and/or destroy us.

When I was new, yes, I read all of Sitchin's books, as these gave me an education of the Ancient Gods, some relevant ancient history, and other things related that tie into the history of Satanism. Much of his material is flawed, but there are certain things that are of value.

Everything in the Judeo/Christian bible has been stolen and corrupted from Pagan religions preceding it from hundreds to thousands of years, mainly from the Far East. This jewhova character is no different. Though this character represents a conglomerate of enemy aliens, that idiot hovering about behind a cloud is an allegory, not a real entity, and certainly not a 'supreme' entity which many double-digit IQ buzzard brained fools believe in.

The biblical history is also an total invented hoax on humanity. As for 'the one' this is a mass of the souls the greys use for their own purposes- a huge energy source. They feed off of this like any parasite feeds from a host. It is their power.

Also, from what I know, there is a huge flood of energy with bringing up the serpent kundalini, which is a working that ties into the Magnum Opus. The flood they write of [which has been corrupted] is a spiritual allegory. I am also well aware that there was reportedly some sort of flood in the Middle East several thousand years ago, but the information concerning this is conflicting and negligible and does not support any of the corrupted and fabricated accounts of 'history' in the bible [which are written in there like everything else to fit any day and age and time, as the Jews who invented this shit are full aware of history repeating itself].

I have read thousands of books cover to cover and the one thing is to sift through what is valuable and leave the worthless. One has to read between the lines. You can't take any book and believe everything, or with some- anything that is written therein.

As for the Lost Book of Enki, this was deciphered from ancient tablets, and yes, the work is based upon facts. The one known as 'Satan' is our True Creator God. As for knowledge and what is fact and what is fiction, when you work on

meditation and begin to activate and raise the Serpent of Satan, you will see and understand for yourself.

Nearly all of the legends of the Gods are spiritual allegories. There is hidden meaning that only those who have activated their serpents can see through. Scholars and others read these as literal and are way off. I mentioned this before- the Egyptian God Akhenaton is obviously a hermaphrodite [male & female]. There are all kinds of carvings and images in the temples and in other places of this entity. The true message here is the merging of the soul - the male and female aspects of the brain into one; in other words, both the right and left hemispheres work together equally and are empowered. This is what the serpent does when it rises, it unites both the right and left hemispheres of the brain. Also, the serpent images are seen everywhere in Egypt- another allegory.

As for most of humanity, both hemispheres do not work in unison and many areas of the brain are dormant. The serpentine energy, when it ascends to the crown chakra in the brain, changes this. I have read several books where scholars write numerous pages on Akhenaton, attempting to explain his 'genetic' disorder of the pituitary gland in the brain which causes his 'deformity' of having both male and female characteristics.

Now, the same goes with the writings of the Yezidis. First, if one has enough education, one will know these people have been heavily persecuted, almost to the point of extinction for their beliefs. So- it is obvious they are going to try to modify their doctrines a bit, to hide the real knowledge. Another thing is those who reach a higher level of spiritual understanding know- hidden knowledge opens itself to new understanding when one reaches this level. You have to have a higher level of spirituality to understand the hidden knowledge and symbols. What I mean by the above, is never read anything spiritual at face value. You have to read between the lines and you also have to have the spiritual experiences to know what is meant.

True spirituality has been so viciously attacked, many are fearful for their lives to reveal truth. When I speak of 'spiritual experiences,' I mean within yourself- NOT astral communications. For example- serpent energy, what it does, its affects, stages and phases one may go through in activating it and in its ascension. This is what most of the writings are about. Also, the so-called 'siddhis' when they manifest. Siddhis are the psychic abilities, such as being able to heal one's self and others, telepathy, telekinesis, premonition, etc. These powers are greatly feared by the enemy and have been vehemently suppressed for centuries. In most books on yoga, there is a plethora of misinformation and outright lies, but until one has actually gone the path and has had the experiences, especially in activating the serpent, which is the end goal, one cannot see these and most believe them. They are deterrents that upon taking this incorrect information at face value- succeeds in driving most people away.

As for the Judeo/Christian bible, when one has enough walls knocked down in the mind, one can see how many hidden messages all throughout the entire damned book repeatedly warn the reader [who must be on a higher spiritual level- the serpent activated] that bible is a work of evil and is a book of lies, and that Satan is God. With enough empowerment and knowledge, this can readily be seen.

Raising the Serpent of Satan

Awakening chakras is different from raising the kundalini serpent. Awakening chakras is a preparation, and helps to clear, activate and open them for the safe ascension of the Serpent of Satan.

Through consistent yoga and meditations, kundalini rises little by little and then retreats back to the base chakra. This is before the serpent rises as a whole to the crown chakra, which is a major event and changes one's life forever in a positive way.

The point of this sermon is concerning personal hang-ups which interfere and block the safe ascension of the serpent. Unfortunately, sex is a huge one for most of the populace. The Christian and Islam programs, which work relentlessly and very forcefully to remove spirituality and all spiritual knowledge know sex is a major factor in raising the serpent.

When one has any shame, fears, repression, guilt, or other negative attitudes towards sex, the second chakra which is ruled by sex is blocked and the serpent cannot ascend. I was recently reading where some guru dependent individuals who have fallen for the Christianized filth that has infested much of Eastern teachings, have had some very ugly experiences when the serpent energy manifested in their second chakra. These individuals were very sexually repressed and had a plethora of hang-ups.

The underlying theme in all True Satanism is FREEDOM. FREE YOUR MIND, ACCEPT YOURSELF FOR WHO YOU ARE- BE YOURSELF!! Always being sorry, repenting, personal shame, and other related crap is NOT a part of Satanism!!

In facilitating the rising of the serpent, the less hang-ups you have, the better. Hang-ups are stored in the chakras and act as major obstacles and blocks to the serpent energy. The Christian churches and Islam know all too well, and work to create as many hang-ups and psychological problems, self-loathing, low self-

esteem, repression of sexuality, and emotions and every other ugly anti-life and anti-spiritual thing they can to PREVENT humanity from evolving spiritually to a higher level and seeing the truth.

When problems begin and are repressed, chakras and the soul as a whole become ill. This also manifests in the body and in life experiences. Things bleed over and get ugly all around. This is another major reason Christians prey upon our youth. They work to ruin them when they are young and vulnerable, when their minds are fragile and receptive to suggestions, implanted thoughts and are easily programmed.

The teachings of the Far East where True Satanism originated have been severely corrupted. There are no dietary laws, no sexual restrictions, no certain ways one is supposed to live or any certain things one is supposed to observe. Consistent workings- hatha and kundalini yoga and other forms of meditation [putting in and devoting your time and working consistently on your soul is the true meaning of 'sacrifice'] WILL work from the inside out. The meditations and yoga produce changes on their own. Live your life as you will. Eat as you will, have sex as you will and above all remember- SEXUAL ABSTINENCE IS NOT HEALTHY!!

Whether you are alone or with a partner/s, this must be relieved. If anyone here has any doubts on this- look at the average Catholic priest for a prime example of the results of celibacy.

I am posting this article here again. You can only be free when your mind is free:

FREE THOUGHT

Everyone knows free thought is the ability to think for one's self, but how many people actually apply this? Only when you can completely free your mind, will you be able to come into your own and know yourself. How to think, what to think, what to believe, what our likes, our dislikes, our concepts of right, wrong, good and evil are, are constantly being programmed by the media, peer pressure and those in power. Those in power can refer to the government, parents, family, educational institutions and textbooks, the system, the medical association and so forth. Many live their lives by the values of others and as a result, they never come to know themselves. People are TOLD what to think and believe.

The television is a good example. Canned laughter implies something is supposed to be funny and it's OK to laugh. Background music lets the viewer know when he/she should get scared or anticipate something. Emotional scenes lead some people to tears. Life is much like this. One is supposed to obtain some form of approval for any and every thought and/or action.

Take a look at the Christian church. Everyone is repeatedly told this nefarious enemy of humanity is something "good." In spite of the continuous and blatantly

obvious signs to the contrary, most people actually believe this to be true. The Christian bible is called the "good book."

This "good book" is full of mass murder, slaughter, torture, gang rape, prostitution, cannibalism, infanticide, mutilation, blood sacrifice, curses, feces, hatred, and every ugly thing know to humanity. It has incited war, slavery, bloodshed and destroyed the lives and mental health of billions.

When we come to Satan, he opens the door to our spiritual cages and gives us a hand in getting out. The rest is up to us. He is always there for guidance and support, but above all, he wants us to be free. Satan, who is the True God, is the liberator of humanity.

Ask yourself; what do I think? How do I feel? NOT how *SHOULD* I think, or what would someone else think, or what does everyone else think. We are all individuals. We all have different preferences and tastes. Just because someone else likes or dislikes something, that doesn't mean you as an individual should feel the same way. Whenever presented with a dilemma or something new, ask yourself the above questions. Satanism is free thought in the extreme, yet, so few are able to actually think for themselves.

Now, of course, those in power are dead against free thought. Sheep are easily controlled. Personality tests are given to determine those who are a threat (think for themselves and don't conform). Though unaware, how we should think is drummed into our heads from the time we are born. Very few people really know themselves, in spite of living with themselves 24/7. This is really sad.

It's not all that hard. Just remember to always and frequently ask yourself to start out with; do I think this is right or wrong for me? How do *I* feel about this? What is *my* opinion? There are no right or wrong answers here. Just get to know yourself. This may take time, but in the end, you will experience the bliss of being free.

Start completely deprogramming your mind today. All of us are programmed to greater or lesser degrees and most are not even aware of it.

Follow up to Sermon 3/15/10 [above]

True Satanism is all about raising the serpent. Demons work with us one on one to accomplish this goal. In ancient times, during the time known as 'The Golden Age' before the coming of Christianity and its ugly jewish root and filthy Islam, the original priesthood was of the serpent- those who had advanced to where they had their kundalini fully ascended. The purpose of the true priesthood was to teach and guide others to accomplishing this goal.

There are many books and much information regarding 'Kundalini Awakening' out there. Again, I repeat- nearly all of these have incorrect and corrupted information in them. Lilith has been working with me and guiding me to the truth. There are no restrictions. Authors who get these books published are on the wrong path. They advocate all kinds of abstinences. Abstinence is NOT the way to go. Neither is any form or sort of repression. Those who have advocated celibacy or continuous retention of semen [for men] and claim longevity and/or immortality from doing this- I have seen 'born--died.' Many are dead and NONE lived to be any extraordinary age. This is extremely unhealthy, both physically and psychologically.

The serpent REQUIRES sexual energy. This is the reason the Christian churches work overtime attacking sexual pleasure and work to repress sexual urges and intercourse. When one has awakened the serpent, orgasms are drastically intensified and there is a full body orgasm which extends to the aura. Orgasm opens the chakras and releases energy, thus facilitating the ascension of the serpent.

I wrote of this before and again- the true way and safest way to achieve ascension of the serpent is to free your mind. Repressed hatred, anger and any other emotions will only create problems and block your chakras, either keeping the serpent down, or causing major problems when the serpent does ascend past the base chakra.

Everything in the enemy programs of Christianity, Islam, etc., work to see to it that humanity never evolves spiritually or achieves spiritual liberation, physical and spiritual immortality. Their entire doctrines are structured to prevent humanity from becoming free and evolving to a higher level through the raising of the serpent.

Constant repentance, always having to 'be sorry' gives the victim low self-esteem, self-loathing, and worse. This acts to create psychological blocks and hang-ups. When the serpent begins to ascend to the higher chakras, trying to control this energy will only result in serious problems, as this energy acts to free the mind and the soul, while at the same time, expand consciousness. The symbol of the serpent cobra with the hood represents the expanded consciousness. When there are hang-ups and repressions, these act as a combat zone in the chakras and are major blocks. This is why some people, namely new age people have 'kundalini madness' or other very serious psychological problems when they advance to a certain point.

In fact, most of the doctrines in kundalini yoga books are designed to see to it that people DO have problems. This is a result of centuries of corrupted information.

When you reach a certain level and have the direct experience, you can see through all of the bullshit, for what it is. If you have anger or hatred towards anyone, certain people, places, things, etc., then that is the way it is. Trying to repress this or change it when working on the serpent will result in disaster.

I can tell you the exercises on the JoS website for ascending the serpent-kundalini and hatha yoga, these work to heal any problems from the inside out, like obsessions, addictions and other things. If you hate something or someone, acknowledge this and so be it. There is a reason for hatred. Hatred is a normal HEALTHY emotion! ACCEPT IT! The entire underlying message in Satanism is to be free. When the serpentine energy starts flowing through the higher chakras, one needs to just let go. Don't try to control it. Just accept who you are and how you feel.

The serpent can also activate and amplify certain unwanted thoughts. Again, just let go. Focus on something else. Don't try to suppress or control it. Don't feel guilty about anything.

Kundalini and hatha yoga, when done consistently and for any length of time will result in detachment. What I mean by this is your emotions, whatever they are will no longer control you, as with in certain people. There will be inner contentment, peace, and happiness. You will feel on an even keel so to speak. When others are coming unglued in stressful situations, you will be able to keep a calm head, and think clearly. There is a peaceful inner bliss that becomes constant.

'I teach and guide those who follow my instruction. If anyone obey me and conform to my commandments, he shall have joy, delight, and comfort.'

-- Satan

Kundalini and hatha yoga exercises heal from the inside out, especially many psychological problems. The serpent is extremely powerful. The complete raising of the serpentine energy is a commencement to higher powers. This is where the so-called 'siddhis' come into play. Unlike the instructions in most books on yoga out there, one should strive to perfect the siddhis. For example, when one works consistently on telekinesis [moving objects using the powers of the mind], with activation and eventual ascension of the serpent, this will become much easier and should be practiced if this is one's goal, as this will strengthen and fully open the dormant areas of the brain which make this feat possible.

In closing, I want to mention kundalini is exceptionally powerful. It is the life force. This is analogous from living off of a 20 watt light bulb and then all of a sudden jumping to 200 watts. One must be able to handle this both psychologically and physically. If you are able to, physical fitness is very important in that your body is strong enough. Flexibility is another. The spine must be flexible. This is the basis

of hatha and kundalini yoga, while these exercises work directly upon arousing the serpent.

Some people complain of energy pooling in the legs. This is very bad and can be dangerous. To correct this, the legs, hips, and spine should be stretched daily. The key word for all aspects of raising the serpent is 'FREE.'

For people who have trouble doing a full hatha yoga routine, the 'Sun Salutation' set of yogic exercises is excellent:

The above can also be a compliment to any kundalini/hatha yoga program and can act as an excellent warm up after getting out of bed. These are easy and greatly help in improving flexibility, which is necessary for the serpent to ascend safely. One can begin with 2 rounds and work up to 12.

Sermon 1/08/10: Regarding Black Magick

In Satanism, it is important to be able to be adept at both black and white magick. One should always be able to defend one's self. Summoning Demons and asking Satan for help is not a solution. We should use our own energies or the energies around us for our own purposes, not ask for energy from the Powers of Hell. Satan and his Demons are here to give us the knowledge we need to empower ourselves. They are our teachers.

The real purpose of black magick is for rendering justice; punishing those who have wronged you. Black magick is very different from white magick. With black magick, negative energy is generated and directed towards the hated one. Black magick can backfire or rebound. This doesn't mean that it will, but there are a few things to be aware of, to take care this does not happen. White magick is much easier than black magick. Black magick takes skill and more. Black magick is causing harm to a hated one. This can manifest as illness, bad luck, accidents, and even death. For most new people and those with little or no experience in working with the powers of the mind and soul, one should be proficient in white magick before seriously attempting black magick. With anything, it is advisable to start out small and gradually work your way to bigger things.

There are a few points to bear in mind and to always remember:

If your hated one's soul/aura is much stronger than yours is, your magick can backfire.

This is analogous to throwing a punch at someone who is obviously bigger and stronger than you are. Each of us comes into this world with different strengths of

the soul from our past lives. This is no different from how some people are naturally physically stronger than others; they are born that way. BUT, when one meditates, does yoga and works on one's soul and mind, like working out in the gym, one who works on one's self can far surpass a natural, if the one with the natural abilities does nothing with them, and/or nothing to further develop or maintain them.

In the case where justice is strongly needed and the hated one's soul/aura is much stronger, one can program one's aura to deflect any negative energy from the hated one. This works well in situations where there is ongoing abuse. This must be done daily and frequently affirmed, for example: visualize a white light [white deflects and repels] engulfing your entire being and program it- "My soul and aura are constantly and continuously deflecting and repelling [name of hated one]'s energy and sending it right back to him/her to destroy him/her." If you are new or weak in your soul, you must do this very often and it can take months in some cases, depending upon how strong the hated one is. In the meantime, you need to work on your own powers every day.

There are ways to determine if another's soul is stronger than your own. For one, your attempts at cursing them will not work. Being aware of certain things like an inability to really concentrate the negative energy on them. Each of us is individual. This takes knowledge of one's self along with experience, but interfering thoughts such as repeatedly seeing a room or place where you may have experienced unhappiness as a child. When trying to concentrate or visualize - this goes for both white and black magick; ANY magick or working, and when these certain thoughts or scenes keep cropping up, there is strong interference with manifesting the working. With black magick, be aware. Back off and devise something else, or work on yourself to strengthen your own powers.

Rituals are not needed. If one wishes to do a ritual, again, this is individual. When one is spiritually strong and powerful, all one needs to do is to hate the offending one and/or willfully direct negative energy towards him/her and state the proper affirmations which should again- be in the present tense, short phrased and dirty, grey, black [black absorbs] or other ugly energy should be focused surrounding the hated one.

Most workings are not a one-time deal, like a one time ritual, but must be repeated over and over. There is often a lag time involved. The lag time is indicative of the opposing energies, from the strength of the soul of the hated one to the other surrounding factors. This can be anywhere from a few hours to days or even a week or more. If nothing happens after a few weeks, your own energies were too weak, and the working must be repeated.

Black magick also is in many cases assisted by the planetary energies. A waning Moon; Moon signs, certain planets dominating the hour or day, and so forth. When the hated one's soul is much stronger, there are some ways to get around

this. Hard Saturn transits facilitate black magick. Even the strongest of souls will weaken under a bad Saturn transit to the personal planets, first house, and other key points.

In closing, always remember, the stronger your soul, the more effective your workings, both white and black. One should work on one's soul every day. Meditation, serpent yoga and training in visualization, concentration and working with energies. Again, thoroughly cleaning your aura after any serious working is important. Satanic words of power, mantras, and runes can be vibrated, which will also assist in the cleaning and ridding of any negative energies.

As Beelzebub stated, Satanists should not curse other Satanists. Along with maintaining Satanic unity, which is what Satan wants, some brothers and sisters are directly under the protection of the Powers of Hell. When you have direct protection from the Powers of Hell, nothing can touch you. Curses will definitely rebound upon the one who is throwing them and worse. Anyone having any serious problems with another Satanist, is best to go to Satan about him/her.

Regarding Science

With more intensive study, it is glaringly apparent that the reason Christianity has so vehemently attacked and repressed physical science is because advanced physical science leads to spiritual truths. At an advanced point, both meet. As I have already written on the JoS website and in numerous sermons, everything of the occult [spiritual] can be scientifically explained. Both physical science and spirituality complement each other and are twins. If one advances far enough in either, each eventually explains the other. They are in agreement. Unfortunately, Christianity and its ilk have held humanity back seriously and dangerously in both.

Seeing Negative Alien Entities

Question:

For some reason, recently, after starting power meditations, I have been seeing alien images when I close my eyes and it is very hard to meditate, and it is very frightening. I try very hard to ignore it by listening to soothing/calm music but after a short while it finds its way back and I feel like I am going crazy sometimes. Please HELP!

Reply:

Many of us have experienced the same. Just like their zombie Christian assholes who relentlessly push their filth and won't take NO for an answer, enemy ET's do the same. When this vermin invaded my meditations, I just tuned it out. I tune

them out and they go away. The enemy thrives on attention. Give them nothing and above all, don't stop meditating or slacken in your meditations. If you do, they are accomplishing their goal. I also am aware they try to stop us or hinder us from regular meditation. Know this and strengthen your resolve.

Remember, when you give something like that your attention, or worse, an emotional response, it gives them power. They thrive on this sort of thing.

Regarding Living Blood Sacrifice

Question:

I seek your guidance and help. I am ready to make a commitment. I'm sick of the lies and fear society is trying to inflict upon me. All I ask for is the truth. I don't believe Lord Satan or his Demons are evil at all, but I must ask this- Is it true that you guys do blood rituals on infants? Or is that nothing but lies as well?

Answer:

NO!!!! That is abominable!! Both animals and children are sacred in Satanism. True Satanism is raising one's kundalini serpent and using one's OWN ENERGY for rituals- NOT magical parasitism. The Jews and the Christian Church is responsible for occult crimes through their outrageous lies as to what Satanism is all about in their relentless attempts to destroy spiritual knowledge. The Nazarene is a real blood sacrifice. Satan does not promote or get into these sorts of things. All of that filth is Judeo/Christian. We use our own powers and at times, the powers from the earth beneath us- NOT living beings.

2000 Years of Jewish Ritual Murder [No different from the Old Testament of the 'Holy Bible'] :

2000 Years of Jewish Ritual Murder

The Jews work very hard to keep Satanists/Pagans from being heard when speaking of the Jewish crimes against humanity. The most you'll usually find regarding the truth about the Jewish ritual murders are from Christians. In the Talmud and the Protocols of the Elders of Zion, the Jews have replaced the term Gentile (Pagan/Satanist, who's God is Satan) with "Christian" and "Christ." As High Priestess Maxine wrote in a sermon about how the Jews deceive, "Christian" is a code word for Pagan/Satanist. With this being said, the Jews are not blaspheming their beloved messiah Jesus of Nazareth (Ben Yahashua), but Satan who is the true God of the Gentiles. There are millions of other cases of Jewish ritual murder, but here is a comprehensive list that covers from the years before the common era to 1932. Satan demands that Gentiles see the Jews for

the sick murdering pedophile, lying bastards that they really are. Those who read this and still don't have a problem with the Jewish race, have a death wish.

"Human sacrifices are to-day still practised by the Jews of Eastern Europe.... as is set forth at length by the late Sir Richard Burton in the MS which the wealthy Jews of England have compassed heaven and earth to suppress, and evidenced by the ever-recurring Pogroms against which so senseless an outcry is made by those who live among those degenerate Jews who are at least not cannibals." - Aleister Crowley

THE COMPILATION OF JEWISH RITUAL MURDERS FROM BCE UNTIL 1932

The earliest of historians, Herodotus, informs us about the Hebrew cult of human sacrifice. He writes: "The Hebrews sacrificed humans to their God Moloch." (Herodotus, Vol. II, p. 45)

The ritual murders that have been passed down through writings since before the current era until today are:

169 B.C. -- "King Antiochus Epiphanes of Syria, during the plundering of the Temple of Jerusalem, found a Greek lying on a bed in a secret chamber. He begged the King to rescue him. When he began to beg, the attendants told him that a secret law commanded the Jews to sacrifice human beings at a certain time annually. They therefore searched for a stranger which they could get in their power. They fattened him, led him into the woods, sacrificed him, ate some of his flesh, drank some of his blood, and threw the remains of his body into a ditch." (Josephus, Jewish historian, Contra Apionem)

418 A.D. -- Baronius reports the crucifixion of a boy by the Jews at Imm, between Aleppo and Antioch.

419 A.D. -- In the Syrian district of Imnestar, between Chalcis and Antioch, the Jews tied a boy to a cross on a holiday and flogged him to death. (Socrat)

425 A.D. -- Baronius reports the crucifixion of a boy.

614 A.D. -- After the conquest of Jerusalem, the Jews purchased, for a small amount of money, 90,000 prisoners from the Persian King Chosros II and murdered them all in the most disgusting ways. (Cluverius, Epitome his. p. 386)

1071 A.D. -- Several Jews from Blois crucified a child during the Easter celebration, put his body into a sack and threw it into the Loire. Count Theobald had the guilty ones burned alive. (Robert of Mons, Mon. Germ. hist. Script VI 520)

1144 A.D. -- In Norwich, during Passover, 12-year-old St. William was tied by the local Jews, hanged from a cross, and his blood drained from a wound in his side. The Jews hid the corpse in the nearby woods. They were surprised by a local citizen, Eilverdus, who was bribed with money to keep quiet. Despite this the crime still became notorious. (Acta sancta, III March, Vol., p. 590)

1160 A.D. -- The Jews of Gloucester crucified a child (Mons Germ. hist. Script 520)

1179 A.D. -- In Pontoise, on March 25th before Passover, the Jews butchered and drained St. Richard's body of blood. Due to this, the Jews were expelled from France. (Rob. of Turn., Rig.u.Guilliel. Amor.)

1401 A.D. --At Diessenhofen in Switzerland (near Schaffhausen), 4-year-old Conrad Lory was murdered. His blood was said to have been sold by the groom Johann Zahn for 3 florins to the Jew Michael Vitelman. (Acta sancta.)

1407 A.D. --The Jews were expelled from Switzerland because of a similar crime in the same region. (ibid.)

1410 A.D. -- In Thuringia the Jews were driven out because of ritual murder that was discovered. (Boll. II, April 838. Baronius 31)

1429 A.D. -- At Ravensburg in Wurttemberg, Ludwig van Bruck, a boy from Switzerland who was studying in the town and living among the Jews, was martyred by 3 Jews amid numerous tortures and sexual violations. This happened during a big Jewish festival (Passover) between Easter and Whitsun. (Baron. 31, Acta sancta. III. Bd. des April p. 978)

1440 A.D. -- A Jewish doctor in Pavia, Simon of Ancona, beheaded a four-year-old child which was stolen and brought to him by a degenerate Gentile. The crime became notorious when a dog jumped out of a window into the street with the child's head. The murderer escaped. (Alphonsus Spina, de bello Judæorum lib. III. confid. 7.)

1452 A.D. -- In Savona, several Jews killed a 2-year-old child. They pierced his whole body and collected the blood in the vessel they used for the circumcision of their children. The Jews dripped small pieces of sliced fruit into the blood and enjoyed a meal of them. (Alphonsus Spina, de bello Judæorum lib. III, confid. 7.)

1453 A.D. -- In Breslau, the Jews stole a child, fattened him and put him in a barrel lined with nails, which they rolled back and forth in order to draw the child's blood. (Henri Desportes, Le mystere du sang, 75)

1454 A.D. -- On the estates of Louis of Almanza in Castile, two Jews killed a boy. They tore out his heart and burned it; threw the ashes into wine which they drank with their co-religionists. By spending considerable sums they succeeded in delaying the trial, since two of the three lawyers were of Jewish descent. Thereafter the Jews were banished from Spain. (Alphonsus Spina, de bello Judæorum)

1462 A.D. -- In a birchwood at Rinn near Innsbruck the boy Andreas Oxner was sold to the Jews and sacrificed. The church canonized him. A chapel called "Zum Judenstein" ('To the Jews' Rock') was built. (Acta sancta., III. July Vol I. 472)

1468 A.D. -- At Sepulveda, in Old Castile, the Jews crucified a woman on Good Friday upon the order of the Rabbi Solomon Pecho. (Did. de Colm. Gesch. v. Seg.)

1470 A.D. --In Baden the Jews were convicted of the murder of a child. (Tho. Patr. Barbar.)

1475 A.D. -- In Trent on March 23rd (Maundy Thursday) before Passover, the Jews sacrificed a 29-month-old baby, St. Simon.

1476 A.D. -- The Jews in Regensburg murdered six children. The judge, in the underground vault of a Jew named Josfol, found the remains of the murdered victims as well as a stone bowl speckled with blood on a kind of altar. (Raderus Bavaria sancta Band III, 174)

1480 A.D. -- In Treviso, a crime similar to the one in Trent was committed: the murder of the canonized Sebastiano of Porto-Buffole from Bergamo. The Jews drained his blood. (H. Desportes, Le mystere du sang 80)

1503 A.D. -- In Langendenzlingen a father handed his 4-year-old child over to two Jews from Waldkirchen in Baden for 10 florins under the condition that he would be returned alive after a small amount of blood had been drained. However, they drained so much blood from the child that it died. (Acta sancta. II Bd. des April p. 839: Dr. Joh. Eck, Judebbuchlien)

1505 A.D. -- A crime, similar to the one in Langendenzlingen in 1503, was attempted at Budweis in Bohemia. (Henri Desportes, Le mystere du sang. 81)

1509 A.D -- Several Jews... murdered several children. (Cluverius, Epitome hist. etc. p. 579)

1509 A.D. --The Jews in Bosingen (Hungary) kidnapped the child of a wheelwright, dragged him to the cellar, tortured him horribly, opened all his veins and sucked out the blood with quills. Afterwards they threw his body in a hedge, which the Jews admitted after repeated denials. (Ziegler Schonplatz p. 588, col. 1,2)

1510 A.D. -- In Berlin, the Jews Salomon, Jacob, Aaron, Levi Isaac, Rabbi Mosch and the butcher Jacob were accused of buying a three- or four-year-old boy for 10 florins from a stranger, laying him on a table in a cellar, and puncturing him with needles in the large blood-rich veins until he was finally slaughtered by the butcher Jacob. An enormous trial began, and eventually a hundred Jews were locked in the Berlin prison. They partially admitted to having bought children from strangers, stabbing them, draining their blood, and drinking the blood in case of illness or preserving it with tomatoes, ginger, and honey. No fewer than 41 of the accused Jews were sentenced to death-by-burning after their confession. All the other Jews were banished from the Mark of Brandenburg. (Richard Mun: 'The Jews in Berlin')

1791 A.D. -- At the same time two blood murders were reported at Holleschau (Moravia) and at Woplawicz in the District of Duplin. (Tisza-Eslar, v.e. ungar. Abgeord.)

1791 A.D. -- During the reign of Sultan Selim III, the Jews in Pera killed a young Greek by hanging him from a tree by his legs. (Henri Desportes)

1803 A.D. -- On March 10th, the 72-year-old Jew Hirsch from Sugenheim seized a 2-year-old child between Ullstadt and Lengenfeld in Buchhof near Nuremberg. Several days later the Jew denied having been in Buchhof at all on March 10th. The father of the child, who wanted to prove the contrary with witnesses, was rebuffed in court with threats and insults. On the 12th day the child was found dead, his tongue sliced and his mouth full of blood. The Jews besieged the district governor of Newstadt at that time until the matter turned out to their satisfaction. The father was forced under threats to sign a protocol, to which it attested that the child, still warm when he was found, had frozen to death. (Friedr. Oertel, "Was glauben die Juden?" Bamberg, 1823)

1804 A.D. -- In Grafenberg near Nuremberg a 2 to 3-year-old boy was kidnapped by an old Jew from Ermreuth by the name of Bausoh. Soldiers hurried to prevent the crime after hearing the child's scream. (Dr. J. W. Chillany)

1810 A.D. -- Among the records of the Damascus trial a letter exists from John Barker, ex-consul of Aleppo, which speaks of a poor person who suddenly disappeared from Aleppo. The Hebrew Raphael of Ancona was charged with having butchered her and draining all of her blood. (A. Laurent. Affaires de Syrie)

1812 A.D. --On the island Corfu in October three Jews who had strangled a child were condemned to death. Some time later, the child of a Greek, called Riga, was stolen and killed by the Jews. (Achille Laurent, Affaires de Syrie)

1817 A.D. -- The Indictment of the murder committed in this year against the little girl Marianna Adamoviez, was quashed due to a lapse of time.

1823 A.D. -- On the 22nd of April, at Velisch in the Russian government of Vitebsk, the 3½- year-old son of the invalid Jemelian Ivanov was stolen, tortured to death, and his blood drained. Despite a great deal of statements by witnesses charging the Jews, the trial was suddenly stopped. (Pavlikovsky, ebenda.)

1824 A.D. -- In Beirut the interpreter Fatch-allah-Seyegh was murdered by his Jewish landlord, as the investigation established, for ritual purposes.

1826 A.D. -- In Warsaw a murdered 5-year-old boy was found whose body had more than a hundred wounds showing that his blood had been drained. The whole of Warsaw was in a state of insurrection; everywhere the Jews protested their innocence without having been accused. The depositions made to the courts, together with the medical evidence, were removed from the documents. (Pavlikovski, wie oben p. 282)

1827 A.D. -- At Vilna in Russia the stabbed corpse of a farmer's child, Ossib Petrovicz, was found. According to the testimony of the 16-year-old shepherd Zulovski, he was kidnapped by the Jews. (Nach einer Mitteilung des gouvernement Vilna.)

1829 A.D. -- In Turin the wife of the merchant Antoine Gervalon was kidnapped from her husband. In the cellar she was prepared for her sacrifice by two rabbis. With her last bit of strength she answered her husband who was going through the Jewish quarter with several soldiers, calling her name aloud. Thus, she was freed. However, the Jews managed to hush up the incident with money. (Auszug aus einem Briefe des Barons von Kalte)

1831 A.D. -- Killing of the daughter of a corporal of the Guard in St. Petersburg. Four judges recognized it as a blood murder, while a fifth doubted it. (Desportes)

1834 A.D. -- According to the Testimony of Jewess Ben Nound who converted to Christianity, an old Gentile man in Tripoli was tied up by 4 or 5 Jews and hanged from an orange tree by his toes. At the moment when the old man was close to death the Jews cut his throat with a butcher knife and let the body hang until all the blood had been collected into a bowl. (Henri Desportes, Le mystere du sang. 91)

1839 A.D. -- On the Island of Rhodes, and 8-year-old merchant's boy, who was delivering eggs to some Jews, did not return. Jewish money power took effect, and the court proceedings were delayed and finally suppressed. (Henri Desportes, *Le mystere du sang*. 92)

1839 A.D. -- In Damascus the customs office discovered a Jew carrying a bottle of blood. The Jew offered 10,000 piastres in order to hush up the affair. (cf. *Prozess bei A. Laurent*, op. cit. S. 301)

1843 A.D. -- Murders of Gentile children by the Jews on Rhodes, Corfu and elsewhere. (*Famont L'Egypte sous Mehemet Ali*, Paris, 1843)

1875 A.D. -- At Zboro, in the county of Saros in Hungary, several Jews attacked the 16-year-old servant girl Anna Zampa in the house of her master, Horowitz. The knife was already raised above her when a coachman accidentally intervened, thus saving her. The court President, Bartholomaeus Winkler, who was in debt to the Jews, was afraid to bring the criminals to justice.

1877 A.D. -- In the village of Szalaacs, in the country of Bihar (Hungary), Josef Klee's 6-year-old niece, Theresia Szaabo, and his 9-year-old nephew, Peter Szaabo, were murdered by the Jews. However, a Jewish doctor held the inquest, who declared the children were not murdered, thus ending the affair. (M. Onody, *ebenda*.)

1879 A.D. -- In Budapest, before the Purim feast, a young servant girl in the Jewish Quarter was put to sleep with a drink. 24 hours after the feast, she woke up so weak she could hardly walk. On her right forearm, her left thigh, and her body below the navel she discovered red circular wounds like spots of blood, with small openings in the center. Blood had been drained from her. (M. Onody, *ebenda*.)

1879 A.D. -- At Kutais in the Caucasus, 4 Jewish image sellers killed a 6-year-old girl. Between her fingers had been cut with a knife; on her legs, a little above the calf, horizontal incisions had been made, and there was not one drop of blood in her veins. With the aid of the powerful Jews of Russia the guilty ones escaped punishment. (*Univers*.)

1881 A.D. -- At Kaschau in Hungary the daughter of a certain Josef Koczis disappeared. Two weeks later the body was found in a well completely emptied of blood. (M. Onody, *Tisza-Eszlar*)

1881 A.D. -- In Steinamanger the 8-year-old granddaughter of a coachman who worked for the Jews disappeared. (M. Onody, *evenda*.)

1881 A.D. -- In Alexandria the Jews again killed a Gentile child called Evangelio Fornoraki. The parents of the strangled child, discovered on the sea-shore,

allowed a post-mortem examination which lasted several days and was the cause of riots against the Jews. The Baruch family, prime suspects in the murder, were arrested, but later released. (Civita cattolica, von des. 1881)

1881 A.D. -- In the Galician town of Lutscha, the Polish maid servant Franziska Muich, who worked for the Jewish tavern-keeper Moses Ritter, and had been raped by him, was murdered by Moses and his wife, Gittel Ritter, according to the testimony of the farmer Mariell Stochlinski. (Otto Glogau, der Kulturk. Heft. 128. 15. Febr. 1886)

1882 A.D. -- At Tisza-Eszlar, shortly before the Jewish Passover, the 14-year-old girl Esther Solymosi disappeared. Since the girl was last seen nearby the synagogue, suspicion was directed immediately on the Jews. The two sons of the temple-servant Josef Scharf, 5-year-old Samuel and the 14-year-old Moritz, accused their father and stated that Esther was led into the Temple and butchered there. The corpse of the girl was never found.

1882 A.D. -- A short time later another very similar case transpired in Galata. Serious, a distinguished lawyer of the Greek community, sent a petition to the representatives of all the European powers at Constantinople so that justice might be done: but the Jews bribed the Turkish police, who allowed certain documents in the case to disappear. Bribed doctors declared the mother of the kidnapped and murdered child to be mentally deranged.

1883 A.D. -- Once more a ritual murder occurred in Galata. The police, bribed with Jewish money, prevented an investigation. The newspaper Der Stamboul, which strongly spoke out against the guilty ones, was suppressed. This suppression cost the Jews 140,000 francs.

1884 A.D. -- At Sturz (West Prussia) the dismembered body of 14-year-old Onophrius Cybulla was found one January morning under a bridge. According to the doctor's opinion, the dismemberments showed great expertise and dexterity in the use of the knife. Although the murdered boy had been strong and plethoric, the dead body was completely bloodless. Immediately suspicion fell on various Jews, and during the investigation some very troublesome facts emerged. These, however, were not considered sufficient and the arrested Jews were released. (Otto Glogau, der Kulturki, Heft 119. 15. Mai 1885)

1885 A.D. -- At Mit-Kamar in Egypt a young Copt was butchered for the Easter celebrations.

1888 A.D. -- At Breslau in July, a crime was committed by Max Bernstein, a 24-year-old Rabbinical candidate at the Talmudic college, against a 7-year-old boy, Severin Hacke, whom Bernstein had enticed into his room. Bernstein withdrew blood from the boy's sex organ. After the judge's verdict Bernstein confessed: "The Bible and the Talmud teach that the gravest of sins can only be atoned for

through innocent blood." Therefore, he had withdrawn blood from the boy. The Jews recognized the danger and declared Bernstein to be a 'religious maniac.'

1891 A.D. -- Murder of a boy at Xanten, on the Rhine. The 5-year-old robust boy of the cabinet-maker, Hegemann, was found in the evening at 6 o'clock on June 29th, by the maid Dora Moll, in the cow shed of the town councilor Koppers, with his legs spread apart, laying on his side with a circular formed ritual cut, carried out by a skilled hand, and bled white. The boy was already missed at 10:30 in the morning. He was seen by 3 witnesses being pulled into the house of the Jewish butcher Buschoff.

1899 A.D. -- On March 26th the single 19-year-old seamstress, Agnes Kurza, was slaughtered by the hand of the Jewish butcher Leopold Hilsner. The corpse was found bloodless. The murderer was sentenced to death by the court of Kuttenberg.

1900 A.D. -- At Konitz (West Prussia) on the 11th of March 1900, the 18-year-old college freshman, Ernst Winter, was bestially murdered. Two days later pieces of his dismembered body were fished out of the Monschsee; almost five days later, on April 15th, the first Easter holy day, his head was found by children playing in the bushes. The corpse was completely bloodless. Winter was ritually murdered. The murder was carried out in the cellar of the Jewish Butcher, Moritz Levi, after the victim had been lured there by a young Jewess. On the day of the murder, a large number of foreign Jews were in Konitz who departed the next day without any plausible reason being given for their visit. Among them were the butchers Haller from Tuchel, Hamburger from Schlochau, Eisenstedt from Prechlau and Rosenbaum from Ezersk. The Konitz butcher Heimann disappeared shortly after the murder.

1911 A.D. -- The 13-year-old schoolboy, Andrei Youshchinsky was murdered in Kiev on March 12th. After eight days, his corpse was found in a brickyard completely slashed to pieces and bloodless. Suspicion fell on the Jewish manager of the brickyard, Mendel Beiliss. The case did not come to trial until two and a half years later (Sept. 29th to Oct. 28th, 1913). In the intervening period numerous attempts were made to lead the investigating officers on to the wrong track. Meanwhile a large number of incriminating witnesses suffered sudden and unnatural deaths; false accusations and confessions followed one after another due to huge money bribes. Behind the accused lurking in the shadows, was the figure of Faivel Schneerson of the Lubavitchers, leader of the 'Zadiks' ('Saints') of the Chassidim sect, who was the spiritual director of the murder. The trial ended with the release of Beiliss, but at the same time the court established that the murder had taken place inside the Jewish brickyard, which was the religious center of the Kiev Jews, for the purpose of obtaining blood. Almost all the prosecutors, witnesses, and authorities who had spoken out against Judaism, later fell victim to the Bolshevik Terror. (Ausführliche Darstellungen des Prozeßes enthalten 'Hammer' Nr. 271, 273, 274, 275; Oktober bis Dezember 1913)

1926 A.D. -- The bodily remains of the children Hans and Erika Fehse were found in a parcel on the public square in Breslau. The children had been butchered. The corpses were bloodless. The genitals were missing. The Jewish butcher was believed the culprit. He disappeared without a trace.

1928 A.D. -- The college sophomore Helmut Daube was butchered on the night of the 22nd-23rd of March, 1928. In the morning, the blood-drained corpse lay in front of his parents home. (cf. 'Der Sturmer')

1929 A.D. -- The murder at Manau. The boy Karl Kessler was found butchered and bloodless on March 17th, 1929, several days before Passover. (cf. 'Der Sturmer')

1932 A.D.-- Martha Kaspar was butchered and dismembered at Paderhorn on March 18th, 1932. The pieces of the corpse were drained of blood. The Jew, Moritz Meyer, was convicted and received 15 years in prison. (cf. 'Der Sturmer')

"These are 131 ritual murders which are known and have been passed down to posterity in writing. [LSN: There are actually some others, particularly in the ancient period, which are not listed here.] How many have occurred and nobody today knows about them! How many thousands, yes, perhaps HUNDREDS of THOUSANDS have remained undiscovered! To torture young, innocent human beings, to kill and drink their blood, this is the greatest and most terrible aspect of all the crimes which International Jewry has taken upon itself!"

This information came from a source that had a Christian bias to it, but the fact that the majority of the earth's population haven't figured out yet is that Jewish and the sister title "Christian" are none but the same. "Christian" is actually a title that Jews give to the dupes who have fallen under the spell of that Jewish "religion" called Christianity.

Jehova, the Bible, and Human Blood Sacrifice

Human Sacrifice in the Bible

Deuteronomy 12:27

And thou shalt offer thy burnt offerings, the flesh and the blood, upon the altar of the LORD thy God: and the blood of thy sacrifices shall be poured out upon the altar of the LORD thy God, and thou shalt eat the flesh.

The Judeo/Christian bible is chock full of blood sacrifice- HUMAN blood sacrifice. Most Christians rely on what their preacher has to say and/or are too lazy or mentally challenged to read and study for themselves. How many people bother to REALLY THINK?? In addition to the blatant human blood sacrifices for jehova, bloodbath after bloodbath took place under the direction and orders of this bloodthirsty entity in the form of numerous wars and other acts of inhumanity. Gentile Holy texts and sacred writings have been replaced with this Jewish invented and written filth. There is nothing spiritual about it, just murder after murder, no different from the Jewish controlled Hollywood and its emphasis on violence, bloodshed, and murder to no end.

Exodus 22:29 "Thou shalt not delay to offer the first of thy ripe fruits, and of thy liquors: the firstborn of thy sons shalt thou give unto me."

Ezekiel 20:25-26 "Wherefore I gave them also statutes that were not good and judgments whereby they should not live; "

20:26 "And I polluted them in their own gifts in that they caused to pass through the fire all that openeth the womb that I might make them desolate, to the end that they might know that I am the Lord."

II Samuel 21 is another example of blood sacrifice to appease Jehova.

21:6 Let seven men of his sons be delivered unto us, and we will hang them up unto the Lord in Gib'e-ah of Saul, whom the Lord did choose.

21:9 And he delivered them into the hands of the Gib'e-on-ites, and they hanged them in the hill before the Lord: and they fell all seven together, and were put to death in the days of harvest, in the first days, in the beginning of barley harvest.

21:10 And Riz'pah the daughter of A-i'ah took sackcloth, and spread it for her upon the rock, from the beginning of harvest until water dropped upon them out of heaven, and suffered neither the birds of the air to rest on them by day, nor the beasts of the field by night.

When seven men are murdered in cold blood in order to appease Jehova in hopes that he will end a famine, it can only be called human blood sacrifice.

More Blood Sacrifice:

Numbers 31:25 And the Lord spake unto Moses, saying,

31:26 Take the sum of the prey that was taken, both of man and of beast, thou, and Eleazar the priest, and the chief fathers of the congregation:

31:27 And divide the prey into two parts; between them that took the war upon them, who went out to battle, and between all the congregation:

31:28 And levy a tribute unto the LORD of the men of war which went out to battle: one soul of five hundred, both of the persons, and of the beeves, and of the asses, and of the sheep:

31:29 Take it of their half, and give it unto Eleazar the priest, for an heave offering of the LORD.

31:30 And of the children of Israel's half, thou shalt take one portion of fifty, of the persons, of the beeves, of the asses, and of the flocks, of all manner of beasts, and give them unto the Levites, which keep the charge of the tabernacle of the LORD.

31:31 And Moses and Eleazar the priest did as the LORD commanded Moses.

31:32 And the booty, being the rest of the prey which the men of war had caught, was six hundred thousand and seventy thousand and five thousand sheep,

31:33 And threescore and twelve thousand beeves,

31:34 And threescore and one thousand asses,

31:35 And thirty and two thousand persons in all, of women that had not known man by lying with him.

31:36 And the half, which was the portion of them that went out to war, was in number three hundred thousand and seven and thirty thousand and five hundred sheep:

31:37 And the LORD'S tribute of the sheep was six hundred and threescore and fifteen.

31:38 And the beeves were thirty and six thousand; of which the LORD'S tribute was threescore and twelve.

31:39 And the asses were thirty thousand and five hundred; of which the LORD'S tribute was threescore and one.

31:40 And the persons were sixteen thousand; of which the LORD'S tribute was thirty and two persons.

This excerpt was taken from "The Handbook of Jewish Knowledge" by Nathan Ausubel ©1964; pages 302-303

"Jephthah, one of the ruler judges following the conquest of Canaan, had sacrificed his only daughter to the God of Israel in a celebration of a military victory against the Ammonites; Samuel "the seer" had hacked in a sacrificial manner the body of Agag before God; David, the sensitive poet king had handed the seven sons of Saul to the Gibeonites "to hang them up unto God."

An example of this can be seen below, how the verse was changed in Judges 11:39.

In the others, the human has been replaced with a "lamb."

Judges 11:34

And Jephthah came to Mizpeh unto his house, and, behold, his daughter came out to meet him with timbrels and with dances: and she was his only child; beside her he had neither son nor daughter.

11:35

And it came to pass, when he saw her, that he rent his clothes, and said, Alas, my daughter! thou hast brought me very low, and thou art one of them that trouble me: for I have opened my mouth unto the LORD, and I cannot go back.

11:36

And she said unto him, My father, if thou hast opened thy mouth unto the LORD, do to me according to that which hath proceeded out of thy mouth; forasmuch as the LORD hath taken vengeance for thee of thine enemies, even of the children of Ammon.

11:37

And she said unto her father, Let this thing be done for me: let me alone two months, that I may go up and down upon the mountains, and bewail my virginity, I and my fellows.

11:38

And he said, Go. And he sent her away for two months: and she went with her companions, and bewailed her virginity upon the mountains.

11:39

And it came to pass at the end of two months, that she returned unto her father, who did with her according to his vow which he had vowed: and she knew no man. And it was a custom in Israel,

11:40

That the daughters of Israel went yearly to lament the daughter of Jephthah the Gileadite four days in a year.

Just how obvious can this get? In Judges 11:35; Jephthah "rents" his clothes. For those of you who are unfamiliar with this term, it is a hebrew and also ancient custom to rent (tear/rip) one's clothes upon the death of a loved one.

"for I have opened my mouth unto the LORD, and I cannot go back." He has made a promise to sacrifice his only daughter to jehova. It is also glaringly apparent jehova demanded this act in exchange for his victory over his enemies and "the children of Ammon" as he stated "I cannot go back."

In Judges 11:37; His daughter states "Let this thing be done for me: let me alone two months, that I may go up and down upon the mountains, and bewail my virginity" "This thing be done for me" and "bewail my virginity" Here it is obvious jehova demanded the sacrifice of a virgin.

Judges 11:39; When she returned to her father "who did with her according to his vow which he had vowed: and she knew no man." and Judges 11:40; "the daughters of Israel went yearly to lament the daughter of Jephthah" This is so obvious, he sacrificed his only virgin daughter to jehova who DEMANDED this act in exchange for his securing a victory for Jephthah.

CANNIBALISM:

Deuteronomy 28:53

And thou shalt eat the fruit of thine own body, the flesh of thy sons and of thy daughters, which the LORD thy God hath given thee, in the siege, and in the straitness, wherewith thine enemies shall distress thee:

28:54

So that the man that is tender among you, and very delicate, his eye shall be evil toward his brother, and toward the wife of his bosom, and toward the remnant of his children which he shall leave:

28:55

So that he will not give to any of them of the flesh of his children whom he shall eat: because he hath nothing left him in the siege, and in the straitness, wherewith thine enemies shall distress thee in all thy gates.

28:56

The tender and delicate woman among you, which would not adventure to set the sole of her foot upon the ground for delicateness and tenderness, her eye shall be evil toward the husband of her bosom, and toward her son, and toward her daughter,

28:57

And toward her young one that cometh out from between her feet, and toward her children which she shall bear: for she shall eat them for want of all things secretly in the siege and straitness, wherewith thine enemy shall distress thee in thy gates.

28:58

If thou wilt not observe to do all the words of this law that are written in this book, that thou mayest fear this glorious and fearful name, THE LORD THY GOD;

HUMAN BLOOD WAS NOT ENOUGH, JEHOVA GAVE CLEAR INSTRUCTIONS FOR THE RITUAL SLAUGHTER OF ANIMALS AS WELL:

Exodus 20:24

An altar of earth thou shalt make unto me, and shalt sacrifice thereon thy burnt offerings, and thy peace offerings, thy sheep, and thine oxen: in all places where I record my name I will come unto thee, and I will bless thee.

Exodus 24:4

And Moses wrote all the words of the LORD, and rose up early in the morning, and builded an altar under the hill, and twelve pillars, according to the twelve tribes of Israel.

24:5

And he sent young men of the children of Israel, which offered burnt offerings, and sacrificed peace offerings of oxen unto the LORD.

24:6

And Moses took half of the blood, and put it in basons; and half of the blood he sprinkled on the altar.

24:7

And he took the book of the covenant, and read in the audience of the people: and they said, All that the LORD hath said will we do, and be obedient.

24:8

And Moses took the blood, and sprinkled it on the people, and said, Behold the blood of the covenant, which the LORD hath made with you concerning all these words.

More instructions from Jehova for blood sacrifice:

Exodus 23:18

Thou shalt not offer the blood of my sacrifice with leavened bread; neither shall the fat of my sacrifice remain until the morning.

Exodus 29:10 And thou shalt cause a bullock to be brought before the tabernacle of the congregation: and Aaron and his sons shall put their hands upon the head of the bullock.

29:11

And thou shalt kill the bullock before the LORD, by the door of the tabernacle of the congregation.

29:12

And thou shalt take of the blood of the bullock, and put it upon the horns of the altar with thy finger, and pour all the blood beside the bottom of the altar.

29:13

And thou shalt take all the fat that covereth the inwards, and the caul that is above the liver, and the two kidneys, and the fat that is upon them, and burn them upon the altar.

29:14

But the flesh of the bullock, and his skin, and his dung, shalt thou burn with fire without the camp: it is a sin offering.

29:15

Thou shalt also take one ram; and Aaron and his sons shall put their hands upon the head of the ram.

29:16

And thou shalt slay the ram, and thou shalt take his blood, and sprinkle it round about upon the altar.

29:17

And thou shalt cut the ram in pieces, and wash the inwards of him, and his legs, and put them unto his pieces, and unto his head.

29:18

And thou shalt burn the whole ram upon the altar: it is a burnt offering unto the LORD: it is a sweet savour, an offering made by fire unto the LORD.

29:19

And thou shalt take the other ram; and Aaron and his sons shall put their hands upon the head of the ram.

29:20

Then shalt thou kill the ram, and take of his blood, and put it upon the tip of the right ear of Aaron, and upon the tip of the right ear of his sons, and upon the thumb of their right hand, and upon the great toe of their right foot, and sprinkle the blood upon the altar round about.

29:21

And thou shalt take of the blood that is upon the altar, and of the anointing oil, and sprinkle it upon Aaron, and upon his garments, and upon his sons, and upon the garments of his sons with him: and he shall be hallowed, and his garments, and his sons, and his sons' garments with him.

29:22

Also thou shalt take of the ram the fat and the rump, and the fat that covereth the inwards, and the caul above the liver, and the two kidneys, and the fat that is upon them, and the right shoulder; for it is a ram of consecration:

29:23

And one loaf of bread, and one cake of oiled bread, and one wafer out of the basket of the unleavened bread that is before the LORD:

29:24

And thou shalt put all in the hands of Aaron, and in the hands of his sons; and shalt wave them for a wave offering before the LORD.

29:25

And thou shalt receive them of their hands, and burn them upon the altar for a burnt offering, for a sweet savour before the LORD: it is an offering made by fire unto the LORD.

29:26

And thou shalt take the breast of the ram of Aaron's consecration, and wave it for a wave offering before the LORD: and it shall be thy part.

29:27

And thou shalt sanctify the breast of the wave offering, and the shoulder of the heave offering, which is waved, and which is heaved up, of the ram of the consecration, even of that which is for Aaron, and of that which is for his sons:

29:28

And it shall be Aaron's and his sons' by a statute for ever from the children of Israel: for it is an heave offering: and it shall be an heave offering from the children of Israel of the sacrifice of their peace offerings, even their heave offering unto the LORD.

29:29

And the holy garments of Aaron shall be his sons' after him, to be anointed therein, and to be consecrated in them.

29:30

And that son that is priest in his stead shall put them on seven days, when he cometh into the tabernacle of the congregation to minister in the holy place.

29:31

And thou shalt take the ram of the consecration, and seethe his flesh in the holy place.

Leviticus Chapter 1

1:1

And the LORD called unto Moses, and spake unto him out of the tabernacle of the congregation, saying,

1:2

Speak unto the children of Israel, and say unto them, If any man of you bring an offering unto the LORD, ye shall bring your offering of the cattle, even of the herd, and of the flock.

1:3

If his offering be a burnt sacrifice of the herd, let him offer a male without blemish: he shall offer it of his own voluntary will at the door of the tabernacle of the congregation before the LORD.

1:4

And he shall put his hand upon the head of the burnt offering; and it shall be accepted for him to make atonement for him.

1:5

And he shall kill the bullock before the LORD: and the priests, Aaron's sons, shall bring the blood, and sprinkle the blood round about upon the altar that is by the door of the tabernacle of the congregation.

1:6

And he shall flay the burnt offering, and cut it into his pieces.

1:7

And the sons of Aaron the priest shall put fire upon the altar, and lay the wood in order upon the fire:

1:8

And the priests, Aaron's sons, shall lay the parts, the head, and the fat, in order upon the wood that is on the fire which is upon the altar:

1:9

But his inwards and his legs shall he wash in water: and the priest shall burn all on the altar, to be a burnt sacrifice, an offering made by fire, of "a sweet savour unto the LORD".

1:10

And if his offering be of the flocks, namely, of the sheep, or of the goats, for a burnt sacrifice; he shall bring it a male without blemish.

1:11

And he shall kill it on the side of the altar northward before the LORD: and the priests, Aaron's sons, shall sprinkle his blood round about upon the altar.

1:12

And he shall cut it into his pieces, with his head and his fat: and the priest shall lay them in order on the wood that is on the fire which is upon the altar:

1:13

But he shall wash the inwards and the legs with water: and the priest shall bring it all, and burn it upon the altar: it is a burnt sacrifice, an offering made by fire, of a sweet savour unto the LORD.

1:14

And if the burnt sacrifice for his offering to the LORD be of fowls, then he shall bring his offering of turtledoves, or of young pigeons.

1:15

And the priest shall bring it unto the altar, and wring off his head, and burn it on the altar; and the blood thereof shall be wrung out at the side of the altar:

1:16

And he shall pluck away his crop with his feathers, and cast it beside the altar on the east part, by the place of the ashes:

1:17

And he shall cleave it with the wings thereof, but shall not divide it asunder: and the priest shall burn it upon the altar, upon the wood that is upon the fire: it is a burnt sacrifice, an offering made by fire, of a sweet savour unto the LORD.

Leviticus Chapter 7

7:1

Likewise this is the law of the trespass offering: it is most holy.

7:2

In the place where they kill the burnt offering shall they kill the trespass offering: and the blood thereof shall he sprinkle round about upon the altar.

7:3

And he shall offer of it all the fat thereof; the rump, and the fat that covereth the inwards,

7:4

And the two kidneys, and the fat that is on them, which is by the flanks, and the caul that is above the liver, with the kidneys, it shall he take away:

7:5

And the priest shall burn them upon the altar for an offering made by fire unto the LORD: it is a trespass offering.

Leviticus 7:14

And of it he shall offer one out of the whole oblation for an heave offering unto the LORD, and it shall be the priest's that sprinkleth the blood of the peace offerings.

THE "LORD" NEEDS EVERY DROP OF THAT BLOOD FROM THE BLOOD SACRIFICE:

Leviticus 7:27

Whatsoever soul it be that eateth any manner of blood, even that soul shall be cut off from his people.

Here, more blood sacrifice is needed to remove the curse of leprosy jehova has inflicted:

Leviticus 14:34

When ye be come into the land of Canaan, which I give to you for a possession, and I put the plague of leprosy in a house of the land of your possession;

14:49

And he shall take to cleanse the house two birds, and cedar wood, and scarlet, and hyssop:

14:50

And he shall kill the one of the birds in an earthen vessel over running water:

14:51

And he shall take the cedar wood, and the hyssop, and the scarlet, and the living bird, and dip them in the blood of the slain bird, and in the running water, and sprinkle the house seven times:

14:52

And he shall cleanse the house with the blood of the bird, and with the running water, and with the living bird, and with the cedar wood, and with the hyssop, and with the scarlet:

14:53

But he shall let go the living bird out of the city into the open fields, and make an atonement for the house: and it shall be clean.

14:54

This is the law for all manner of plague of leprosy, and scall,

14:55

And for the leprosy of a garment, and of a house,

14:56

And for a rising, and for a scab, and for a bright spot:

14:57

To teach when it is unclean, and when it is clean: this is the law of leprosy.

Judges 3:27- 31

This goes on and on and on. Repeats of endless mass murder and bloodshed.

The word "BLOOD" is used over and over again. You would think this would all be so obvious.

We all must bear in mind, the nazarene was the ultimate human sacrifice; also "eat his body and drink his blood" is repeatedly recited during nearly every Christian mass/service around the world.

The following article reveals bloodbath after bloodbath, and genocide of Gentiles at the hands of the Jews:

Jehova: 'A Murderer and a Liar from the Beginning'

**The Subliminal Message of the Judeo/Christian Bible:
Jewish Supremacy over Gentiles**

There is a secret Jewish "priesthood" that goes back thousands of years. This "priesthood" controlled and always had a much higher level of knowledge way beyond anything the majority knew. They allowed the populace to work as in building the cathedrals and when new societies were established, this society of mages would hijack the positions of religious and political power and ensure that any advanced knowledge in circulation was removed from the public domain and into their secret schools and organizations. The ruling hierarchy of the Vatican are nothing more than organized criminals who have caused humanity untold destruction, misery, suffering, and grief. The Catholic Church and Christian religion are staffed with at the higher levels, and tools of the Jews who are their

masters. The Jews are the ones who control the Christian Churches, especially the Catholic Vatican from which all other Christian sects evolved.

At the upper levels, they know the true power of the sun, magnetism, the mind, the effects of planets on human behavior, how to manipulate time, energy, they have used their secret organizations to create institutions in the public arena such as religions and political parties to remove occult knowledge and keep it out of circulation. The Inquisition was a prime example, for even to speak of anything occult or esoteric was to sign one's own death warrant.

In order to maximize power for their agenda, Christian churches were built upon Ley Lines. Ley Lines are areas within the earth that have increased geomagnetic energy. The human body is composed of and runs on bioelectricity. Our thoughts are made up of electrical impulses. Through meditation and working with our own energy centers, we can hone our thoughts to have a stronger electrical output and to affect our environment. When one who is knowledgeable uses earth energy in addition to this directed thought energy, this greatly amplifies the power behind the thoughts and direction of the energy through the will. Pagan temples were destroyed and Christian churches were erected in their place. Special rituals were also conducted at these energy crossings within the earth grid. Human/animal sacrifices and such produced extreme fear in the victim. This directed fear energy- what they use to control was pumped into these vortexes of earth energy. What happens is this energy, magnified thousands of times creates a vibrational state within the earth field in which we all live. From what I understand, it encircles the earth like a spider web. This is the reason why Christianity has such a powerful hold on many. Fear is the four-letter word that controls the world and it is very effective.

In addition, the lying preaching, chock full of emotion and the doctrines that were repeated endlessly inside of these structures had all the power they needed to do their job. Along with using the energy of the ignorant congregation, a constant and powerful supply of energy was and has been available to be directed and manipulated by enemy adepts for the damnation of the people. Ancient works of art through the Renaissance are proof of the control the Christian church had upon the people in every aspect of their lives. There are very few paintings, sculptures and other works of art that do not depict the nazarene or the virgin bitch and company. This also goes for music during the time period. To create any number of non-Christian works was to subject one's self to be condemned as a heretic. The prayer energy alone that has gone into this foul institution is beyond the imagination. One person alone who fixates upon a thought or idea generates thought energy; think what millions can do.

Unfortunately, given the greed, this has not been enough for the nefarious aliens and their human slaves who run this ring of destruction. There had to be war. The human energy output is most powerful in times of great fear, when facing death or when dying. The more violent, the better. Anyone who is familiar with

the old testament of the Bible should be well aware of the endless wars promoted by the so called "Jehova" WHICH IS JEWISH DOMINATION OVER, AND MASS MURDER, TORTURE, AND GENOCIDE OF GENTILES. THIS SICK PERVERTED FILTH IS FORCIBLY DRUMMED INTO THE MINDS OF GENTILES FROM DAY ONE, CREATING A POWERFUL SUBLIMINAL THOUGHTFORM, WHICH HAS MANIFESTED INTO REALITY.

Rabbi Yaacov Perrin says, "One million Arabs are not worth a Jewish fingernail." (NY Daily News, Feb. 28, 1994, p.6).

MASS MURDER OF GENTILES:

Exodus 15:3

The LORD is a man of war: the LORD is his name.

Exodus 17:13

And Joshua discomfited Amalek and his people with the edge of the sword.

17:14

And the LORD said unto Moses, Write this for a memorial in a book, and rehearse it in the ears of Joshua: for I will utterly put out the remembrance of Amalek from under heaven.

17:15

And Moses built an altar, and called the name of it Jehovahnissi:

17:16

For he said, Because the LORD hath sworn that the LORD will have war with Amalek from generation to generation.

"JEHOVA COMMITS MORE MURDER:

Exodus 23:27

I will send my fear before thee, and will destroy all the people to whom thou shalt come, and I will make all thine enemies turn their backs unto thee.

Rabbi Yitzhak Ginsburg declared, "We have to recognize that Jewish blood and the blood of a goy are not the same thing." (NY Times, June 6, 1989, p.5).

("goy" or "goyim" - plural, are Jewish derogatory words for "Gentile/s" the root "goeti" is the root word of "Devil." Satan is the God of the Gentiles and our True Creator God. "Satan" means "enemy" in Hebrew.

"JEHOVA" ORDERS THE MASS MURDER OF THOUSANDS OF GENTILES:

Exodus 32:27

And he said unto them, Thus saith the LORD God of Israel, Put every man his sword by his side, and go in and out from gate to gate throughout the camp, and slay every man his brother, and every man his companion, and every man his neighbour.

32:28

And the children of Levi did according to the word of Moses: and there fell of the people that day about three thousand men.

"JEHOVA" ORDERS HIS PEOPLE TO COMMIT MORE MURDER OF GENTILES:

Leviticus 26:7

And ye shall chase your enemies, and they shall fall before you by the sword.

26:8

And five of you shall chase an hundred, and an hundred of you shall put ten thousand to flight: and your enemies shall fall before you by the sword.

Univ. of Jerusalem Prof. Ehud Sprinzak described Kahane and Goldstein's philosophy: "They believe it's God's will that they commit violence against 'goyim,' a Hebrew term for non-Jews." (NY Daily News, Feb. 26, 1994, p. 5).

MORE MASS MURDER OF THE GENTILE CANAANITES:"

Numbers 21:3

And the LORD hearkened to the voice of Israel, and delivered up the Canaanites; and they utterly destroyed them and their cities: and he called the name of the place Hormah.

HERE IS CANNIBALISM- EATING DEAD GENTILES:

Numbers 23-24:

Behold, the people shall rise up as a great lion, and lift up himself as a young lion: he shall not lie down until he eat of the prey, and drink the blood of the slain.

QUOTE FROM THE JEWISH TALMUD: Sanhedrin 59a: "Murdering Goyim is like killing a wild animal."

GENOCIDE OF THE GENTILE MIDIANITES:

Numbers 25:16

And the LORD spake unto Moses, saying,

25:17

Vex the Midianites, and smite them:

Numbers 31:7

And they warred against the Midianites, as the LORD commanded Moses; and they slew all the males.

QUOTE FROM THE JEWISH TALMUD:

18. Tosefta. Aboda Zara B, 5: "If a goy kills a goy or a Jew, he is responsible; but if a Jew kills a goy, he is NOT responsible."

Numbers 31:8

And they slew the kings of Midian, beside the rest of them that were slain; namely, Evi, and Rekem, and Zur, and Hur, and Reba, five kings of Midian: Balaam also the son of Beor they slew with the sword.

QUOTES FROM THE JEWISH TALMUD: Yebhamoth 11b: "Sexual intercourse with a little girl is permitted if she is three years of age."

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

MAKING SLAVES OF THE GENTILE WOMEN AND CHILDREN:

Numbers 31:9

And the children of Israel took all the women of Midian captives, and their little ones, and took the spoil of all their cattle, and all their flocks, and all their goods.

31:10

And they burnt all their cities wherein they dwelt, and all their goodly castles, with fire.

31:11

And they took all the spoil, and all the prey, both of men and of beasts.

QUOTE FROM THE JEWISH TALMUD:

Schulchan Aruch, Choszen Hamiszpat 348: "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples."

MORE MASS MURDER AND GENOCIDE OF GENTILES. THE TAKING OF ALL GENTILE PROPERTY IS A BLATANT EXAMPLE OF WHAT WAS DONE TO MODERN DAY PALESTINE (DESCENDED FROM THE PHILISTINES) BY THE BANDIT STATE OF ISRAEL:

Deuteronomy 2:20

(That also was accounted a land of giants: giants dwelt therein in old time; and the Ammonites call them Zamzummims;

2:21

A people great, and many, and tall, as the Anakims; but the LORD destroyed them before them; and they succeeded them, and dwelt in their stead:

2:22

As he did to the children of Esau, which dwelt in Seir, when he destroyed the Horims from before them; and they succeeded them, and dwelt in their stead even unto this day:

2:23

And the Avims which dwelt in Hazerim, even unto Azzah, the Caphtorims, which came forth out of Caphtor, destroyed them, and dwelt in their stead.)

QUOTE FROM THE JEWISH TALMUD: Hilkkoth Akum X1: "Show no mercy to the Goyim."

Deuteronomy 2:30

But Sihon king of Heshbon would not let us pass by him: for the LORD thy God hardened his spirit, and made his heart obstinate, that he might deliver him into thy hand, as appeareth this day.

2:31

And the LORD said unto me, Behold, I have begun to give Sihon and his land before thee: begin to possess, that thou mayest inherit his land.

2:32

Then Sihon came out against us, he and all his people, to fight at Jahaz.

2:33

And the LORD our God delivered him before us; and we smote him, and his sons, and all his people.

2:34

And we took all his cities at that time, and utterly destroyed the men, and the women, and the little ones, of every city, we left none to remain:

QUOTE FROM THE JEWISH TALMUD:

Seph. Jp., 92, 1: "God has given the Jews power over the possessions and blood of all nations."

Deuteronomy 2:35

Only the cattle we took for a prey unto ourselves, and the spoil of the cities which we took.

QUOTE FROM THE JEWISH TALMUD:

Sanhedrin 57a. "When a Jew murders a Gentile ("Cuthean"), there will be no death penalty. What a Jew steals from a Gentile he may keep."

Baba Kamma 37b. Gentiles are outside the protection of the law and God has "exposed their money to Israel."

Deuteronomy 2:36

From Aroer, which is by the brink of the river of Arnon, and from the city that is by the river, even unto Gilead, there was not one city too strong for us: the LORD our God delivered all unto us:

Deuteronomy 2:37

Only unto the land of the children of Ammon thou camest not, nor unto any place of the river Jabbok, nor unto the cities in the mountains, nor unto whatsoever the LORD our God forbad us.

THE HITTITES, THE GIRGASHITES, THE AMORITES, THE CANAANITES, THE PERIZZITES, THE HIVITES, AND THE JESUBITES ARE ALL GENTILE NATIONS.

Deuteronomy 7:1

When the LORD thy God shall bring thee into the land whither thou goest to possess it, and hath cast out many nations before thee, the Hittites, and the Girgashites, and the Amorites, and the Canaanites, and the Perizzites, and the Hivites, and the Jebusites, seven nations greater and mightier than thou;

7:2

And when the LORD thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:

7:3

Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son.

7:4

For they will turn away thy son from following me, that they may serve other gods: so will the anger of the LORD be kindled against you, and destroy thee suddenly.

HERE IS WHERE THE JEWS ARE BLATANT ABOUT DESTROYING THE GENTILE GODS:

Deuteronomy 7:5

But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire.

7:6

For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth.

Deuteronomy 7:21

Thou shalt not be affrighted at them: for the LORD thy God is among you, a mighty God and terrible.

7:22

And the LORD thy God will put out those nations before thee by little and little: thou mayest not consume them at once, lest the beasts of the field increase upon thee.

Deuteronomy 7:23

But the LORD thy God shall deliver them unto thee, and shall destroy them with a mighty destruction, until they be destroyed.

7:24

And he shall deliver their kings into thine hand, and thou shalt destroy their name from under heaven: there shall no man be able to stand before thee, until thou have destroyed them.

THE GENTILES HAVE BEEN INDOCTRINATED WITH JEWISH LIES. WE HAVE BEEN DISCONNECTED FROM OUR GODS AND OUR CULTURE.

THESE HAVE BEEN REPLACED WITH FICTITIOUS JEWISH CHARACTERS FOR GENTILES TO SLAVISHLY WORSHIP, WHICH CREATES A POWERFUL SUBLIMINAL CONNECTION. THIS SORT OF THING IS RESPONSIBLE FOR HOW GENTILES ARE ALWAYS FIGHTING WARS FOR THE JEWS AND NOT EVEN THINKING OF WHAT THEY ARE REALLY DOING. WHAT IS HAPPENING IN IRAQ IS A PERFECT EXAMPLE.

Deuteronomy 7:25

The graven images of their gods shall ye burn with fire: thou shalt not desire the silver or gold that is on them, nor take it unto thee, lest thou be snared therein: for it is an abomination to the LORD thy God.

7:26

Neither shalt thou bring an abomination into thine house, lest thou be a cursed thing like it: but thou shalt utterly detest it, and thou shalt utterly abhor it; for it is a cursed thing.

Deuteronomy 12:27

And thou shalt offer thy burnt offerings, the flesh and the blood, upon the altar of the LORD thy God: and the blood of thy sacrifices shall be poured out upon the altar of the LORD thy God, and thou shalt eat the flesh.

12:28

Observe and hear all these words which I command thee, that it may go well with thee, and with thy children after thee for ever, when thou doest that which is good and right in the sight of the LORD thy God.

12:29

When the LORD thy God shall cut off the nations from before thee, whither thou goest to possess them, and thou succeedest them, and dwellest in their land;

12:30

Take heed to thyself that thou be not snared by following them, after that they be destroyed from before thee; and that thou enquire not after their gods, saying, How did these nations serve their gods? even so will I do likewise.

Human energy is not enough, there had to be animal blood sacrifices as well:

Exodus 20:24

An altar of earth thou shalt make unto me, and shalt sacrifice thereon thy burnt offerings, and thy peace offerings, thy sheep, and thine oxen: in all places where I record my name I will come unto thee, and I will bless thee.

Exodus 24:4

And Moses wrote all the words of the LORD, and rose up early in the morning, and builded an altar under the hill, and twelve pillars, according to the twelve tribes of Israel.

24:5

And he sent young men of the children of Israel, which offered burnt offerings, and sacrificed peace offerings of oxen unto the LORD.

24:6

And Moses took half of the blood, and put it in basons; and half of the blood he sprinkled on the altar.

24:7

And he took the book of the covenant, and read in the audience of the people: and they said, All that the LORD hath said will we do, and be obedient.

24:8

And Moses took the blood, and sprinkled it on the people, and said, Behold the blood of the covenant, which the LORD hath made with you concerning all these words.

More instructions from jehova for blood sacrifice:

Exodus 23:18

Thou shalt not offer the blood of my sacrifice with leavened bread; neither shall the fat of my sacrifice remain until the morning.

Exodus 29:10 And thou shalt cause a bullock to be brought before the tabernacle of the congregation: and Aaron and his sons shall put their hands upon the head of the bullock.

29:11

And thou shalt kill the bullock before the LORD, by the door of the tabernacle of the congregation.

29:12

And thou shalt take of the blood of the bullock, and put it upon the horns of the altar with thy finger, and pour all the blood beside the bottom of the altar.

29:13

And thou shalt take all the fat that covereth the inwards, and the caul that is above the liver, and the two kidneys, and the fat that is upon them, and burn them upon the altar.

29:14

But the flesh of the bullock, and his skin, and his dung, shalt thou burn with fire without the camp: it is a sin offering.

29:15

Thou shalt also take one ram; and Aaron and his sons shall put their hands upon the head of the ram.

29:16

And thou shalt slay the ram, and thou shalt take his blood, and sprinkle it round about upon the altar.

29:17

And thou shalt cut the ram in pieces, and wash the inwards of him, and his legs, and put them unto his pieces, and unto his head.

29:18

And thou shalt burn the whole ram upon the altar: it is a burnt offering unto the LORD: it is a sweet savour, an offering made by fire unto the LORD.

29:19

And thou shalt take the other ram; and Aaron and his sons shall put their hands upon the head of the ram.

29:20

Then shalt thou kill the ram, and take of his blood, and put it upon the tip of the right ear of Aaron, and upon the tip of the right ear of his sons, and upon the thumb of their right hand, and upon the great toe of their right foot, and sprinkle the blood upon the altar round about.

29:21

And thou shalt take of the blood that is upon the altar, and of the anointing oil, and sprinkle it upon Aaron, and upon his garments, and upon his sons, and upon the garments of his sons with him: and he shall be hallowed, and his garments, and his sons, and his sons' garments with him.

29:22

Also thou shalt take of the ram the fat and the rump, and the fat that covereth the inwards, and the caul above the liver, and the two kidneys, and the fat that is upon them, and the right shoulder; for it is a ram of consecration:

29:23

And one loaf of bread, and one cake of oiled bread, and one wafer out of the basket of the unleavened bread that is before the LORD:

29:24

And thou shalt put all in the hands of Aaron, and in the hands of his sons; and shalt wave them for a wave offering before the LORD.

29:25

And thou shalt receive them of their hands, and burn them upon the altar for a burnt offering, for a sweet savour before the LORD: it is an offering made by fire unto the LORD.

29:26

And thou shalt take the breast of the ram of Aaron's consecration, and wave it for a wave offering before the LORD: and it shall be thy part.

29:27

And thou shalt sanctify the breast of the wave offering, and the shoulder of the heave offering, which is waved, and which is heaved up, of the ram of the consecration, even of that which is for Aaron, and of that which is for his sons:

29:28

And it shall be Aaron's and his sons' by a statute for ever from the children of Israel: for it is an heave offering: and it shall be an heave offering from the children of Israel of the sacrifice of their peace offerings, even their heave offering unto the LORD.

29:29

And the holy garments of Aaron shall be his sons' after him, to be anointed therein, and to be consecrated in them.

29:30

And that son that is priest in his stead shall put them on seven days, when he cometh into the tabernacle of the congregation to minister in the holy place.

29:31

And thou shalt take the ram of the consecration, and seethe his flesh in the holy place.

Leviticus Chapter 1

1:1

And the LORD called unto Moses, and spake unto him out of the tabernacle of the congregation, saying,

1:2

Speak unto the children of Israel, and say unto them, If any man of you bring an offering unto the LORD, ye shall bring your offering of the cattle, even of the herd, and of the flock.

1:3

If his offering be a burnt sacrifice of the herd, let him offer a male without blemish: he shall offer it of his own voluntary will at the door of the tabernacle of the congregation before the LORD.

1:4

And he shall put his hand upon the head of the burnt offering; and it shall be accepted for him to make atonement for him.

1:5

And he shall kill the bullock before the LORD: and the priests, Aaron's sons, shall bring the blood, and sprinkle the blood round about upon the altar that is by the door of the tabernacle of the congregation.

1:6

And he shall flay the burnt offering, and cut it into his pieces.

1:7

And the sons of Aaron the priest shall put fire upon the altar, and lay the wood in order upon the fire:

1:8

And the priests, Aaron's sons, shall lay the parts, the head, and the fat, in order upon the wood that is on the fire which is upon the altar:

1:9

But his inwards and his legs shall he wash in water: and the priest shall burn all on the altar, to be a burnt sacrifice, an offering made by fire, of "a sweet savour unto the LORD".

1:10

And if his offering be of the flocks, namely, of the sheep, or of the goats, for a burnt sacrifice; he shall bring it a male without blemish.

1:11

And he shall kill it on the side of the altar northward before the LORD: and the priests, Aaron's sons, shall sprinkle his blood round about upon the altar.

1:12

And he shall cut it into his pieces, with his head and his fat: and the priest shall lay them in order on the wood that is on the fire which is upon the altar:

1:13

But he shall wash the inwards and the legs with water: and the priest shall bring it all, and burn it upon the altar: it is a burnt sacrifice, an offering made by fire, of a sweet savour unto the LORD.

1:14

And if the burnt sacrifice for his offering to the LORD be of fowls, then he shall bring his offering of turtledoves, or of young pigeons.

1:15

And the priest shall bring it unto the altar, and wring off his head, and burn it on the altar; and the blood thereof shall be wrung out at the side of the altar:

1:16

And he shall pluck away his crop with his feathers, and cast it beside the altar on the east part, by the place of the ashes:

1:17

And he shall cleave it with the wings thereof, but shall not divide it asunder: and the priest shall burn it upon the altar, upon the wood that is upon the fire: it is a burnt sacrifice, an offering made by fire, of a sweet savour unto the LORD.

Leviticus Chapter 7

7:1

Likewise this is the law of the trespass offering: it is most holy.

7:2

In the place where they kill the burnt offering shall they kill the trespass offering: and the blood thereof shall he sprinkle round about upon the altar.

7:3

And he shall offer of it all the fat thereof; the rump, and the fat that covereth the inwards,

7:4

And the two kidneys, and the fat that is on them, which is by the flanks, and the caul that is above the liver, with the kidneys, it shall he take away:

7:5

And the priest shall burn them upon the altar for an offering made by fire unto the LORD: it is a trespass offering.

Leviticus 7:14

And of it he shall offer one out of the whole oblation for an heave offering unto the LORD, and it shall be the priest's that sprinkleth the blood of the peace offerings.

THE "LORD" NEEDS EVERY DROP OF THAT BLOOD FROM THE BLOOD SACRIFICE:

Leviticus 7:27

Whatsoever soul it be that eateth any manner of blood, even that soul shall be cut off from his people.

Here, more blood sacrifice is needed to remove the curse of leprosy jehova has inflicted:

Leviticus 14:34

When ye be come into the land of Canaan, which I give to you for a possession, and I put the plague of leprosy in a house of the land of your possession;

14:49

And he shall take to cleanse the house two birds, and cedar wood, and scarlet, and hyssop:

14:50

And he shall kill the one of the birds in an earthen vessel over running water:

14:51

And he shall take the cedar wood, and the hyssop, and the scarlet, and the living bird, and dip them in the blood of the slain bird, and in the running water, and sprinkle the house seven times:

14:52

And he shall cleanse the house with the blood of the bird, and with the running water, and with the living bird, and with the cedar wood, and with the hyssop, and with the scarlet:

14:53

But he shall let go the living bird out of the city into the open fields, and make an atonement for the house: and it shall be clean.

14:54

This is the law for all manner of plague of leprosy, and scall,

14:55

And for the leprosy of a garment, and of a house,

14:56

And for a rising, and for a scab, and for a bright spot:

14:57

To teach when it is unclean, and when it is clean: this is the law of leprosy.

***SATAN NEVER MURDERED ANYONE!**

Satanic Meditation

Empowering ourselves spiritually and advancing our souls is the foundation and purpose of Satanism. In order for spiritual energy to flow, one must be free. Hatha Yoga works through a series of stretches to loosen the body and add flexibility to the spine where Satan's Serpent can ascend. The key is to be free.

When one begins a mediation program, spiritual energy begins to flow. What this does, is it works to remove past hang-ups, scarring experiences, psychological problems and such from the chakras and the 144,000 nadis in the soul. These problems can extend to many past lives. One's memories and life experiences [this includes past lifetimes] are stored in the chakras, each experience/event residing within the corresponding chakra that rules over it.

As I mentioned before in my latest sermon, the first chakra the serpent spiritual energy ascends into after leaving the base is the sexual chakra, aka the second chakra; the sacral chakra. By creating limitation, hang-ups, guilt and an over-all negative attitude towards sexuality, this ensures the spiritual energy is kept in the base chakra and will not circulate, keeping the victim bound.

Meditation can bring anger, unusual feelings, emotions, visions, experiences, emotional and psychological problems, hang-ups, etc., into direct consciousness so one can acknowledge and deal with these. It is a cleansing. One must be accepting of one's self and acknowledge one's feelings, thoughts, and attitudes towards things without suppressing or condemning one's self. Just mentally let go and be free. The more one tries to suppress something, the more that something, whatever it may be, will work to torment one psychologically and eventually erupt itself.

As I have written repeatedly- there are no special diets, ways of living, or lifestyles required to advance in yoga and reap the major benefits of the kundalini exercises. All you need to do is to be yourself and to accept yourself. Sexual orgasm is essential to advancing spiritually and to raising the Serpent.

"I lead to the straight path without a book"

-Satan The Al Jilwah

Many people of late are coming to Satan directly from leaving Christianity, as they now realize they have been lied to and deceived. This can be quite a shock in many areas. I had a 15 year buffer as I was an atheist for that time before coming to Satanism. Through atheism, I got rid of some hang-ups a Christian upbringing put on me. When one gets rid of hang-ups, one's mind is free. One can think for one's self. One sees things through one's own eyes, not how others WANT one to see. This is a part of enlightenment and spiritual liberation. Satan is the liberator of humanity.

For new people coming to Satan directly from leaving Christianity, one cannot apply Christian principles to Satan. You have to get to where you can think and understand outside of the way most people have been indoctrinated and programmed to think. This is especially true with what one has been taught as 'right' and 'wrong.' As in the above quote, Satan leads one to the straight path without a book. This is in healing of one's soul and feeling one from within. Your higher mind knows what is 'right' and good for you. Because of the nefarious programs of Christianity, Islam and related filth, humanity as a whole has been cut off from our higher minds.

When Satan's Serpent begins to flow from within us, our souls begin to work in harmony with our lives for our betterment, instead of at odds. To really understand Satanism, one must be free, free in mind, free in spirit, and no longer bound by what and how we have been indoctrinated to think/believe. The freer we are as a whole- physically, and spiritually, the more the serpentine energy can flow and enlighten and empower us further.

Satanism and Animals

When one's soul is open enough, one can see that animals are very aware, very sensitive, they have emotions as we do, they feel pain as we do- both emotional and physical pain. Animals can get lonely, depressed, afraid, and angry, just as we humans do. Animals need companionship and love. Even a tiny pet hamster has awareness and feelings.

Animals have souls. Animal souls have chakras and nadis, same as we humans do.

Animal Chakras

http://www.thehealingpowerofflight.com/Animal_Chakra_Charts.html

[The above link is only to show an accurate illustration of animal chakras, and nothing more]

Animals are very special and sacred to many Demons. Cats are sacred to Hagenti aka Egyptian Goddess Bastet. Lilith has shown me some of her pet cats. They are very unusual and very beautiful. Dogs are sacred to Anubis. Owls are sacred to Lilith. Snakes, peacocks, goats, and ravens are sacred to Satan.

Animals that are for food, such as poultry, pigs, and cattle, should be raised and treated humanely, and given a quick and painless death.

Animals should always be treated with care, respect, and consideration.

Animals are sacred in Satanism.

It is my understanding that domesticated animals such as dogs, cats, horses, chickens, goats, donkeys, etc., were brought to us from their planet. Demons, thousands of years ago, educated human beings on agriculture, the sciences and much, much more. They brought civilization to humanity.

Cats were very sacred in Ancient Egypt. Many were mummified, same as human beings in their burial. Animals were given to us as a gift, along with certain agricultural crops and much more. Sadly, the enemy has worked relentlessly to viciously abuse these gifts, destroy nature, the earth, and pollute this planet to where it is becoming unlivable. Humanity as a whole is on such a low level of spirituality, many are oblivious to it all.

Satanism and Sanskrit

Sanskrit is older and more than likely, the oldest of languages. I learned Satanism on the job for the past ten years, through intense study and experiences. Sumerian and Egyptian spiritual knowledge were derived from the Far East, where it originated. I have found many of our Demons' names in Sanskrit, along with their variations and much more. Nearly everything of western occultism, which has been corrupted, can be traced to its origins in the Far East, where it is much closer to the original. Christianity and its ilk has corrupted a lot of the Far Eastern doctrines and such, but to a much lesser extent than what has been done with western occultism, which has been catastrophic.

I also am aware through my own studies that the claims of civilization beginning in the Fertile Crescent of Mesopotamia in the Middle East [that lying bible] is used to PURPOSELY MISLEAD everyone from researching the TRUE origins of humanity in the Far East. [Where Christianity stole everything from and purposely corrupted it].

Sexual Freedom

The Jewish bulwark and root of power is in the programs of Christianity and Islam. The Jews [orthodox] know this at the upper levels. The Jews have had a fixation on, and have worked relentlessly throughout their history to attack, degrade, and defile sexuality. The Ancient Pagan [Gentile] religions never had a problem with sexuality. They pretty much left it alone.

Their latest attacks [past 40 years] have been used via their control of the media. The key goal is to create within humanity, as many sexual hang-ups as they can, with the ultimate goal of a huge backlash where all freedoms are lost and Christianity/communism emerges as all-powerful- this being the funeral wreath of

humanity. By pushing sexuality [on the one side of it, their programs which masquerade and imposter as 'spirituality' such as Christianity, are obsessed with everyone's sex lives and controlling sex at every turn; on the other side, the political aspects of their crap- Jewish communism, again, is obsessed at sexually oppressing the populace which they control]. See 'Christianity and communism- Jewish twins' following this article, directly below. BOTH have an agenda against free sexuality and work to control sexuality- [for the reasons why- see the article below this statement].

The Third Reich discreetly promoted sexual freedoms, in their focus on a return to Ancient Pagan ways, while also promoting a healthy family focused environment. Hitler had brothels [houses of prostitution] for his SS officers, unwed mothers were honored, along with a return to the ancient Pagan ways. Who bitched the loudest against this?? The fucking Jews!

One CANNOT oppress the sex drive or deny it. Ancient Pagan religions had no problem with it. The Jews have not obtained their power and hung onto it for centuries by being stupid. Gentiles have underestimated them, now we are paying the price. EVERYONE MUST KNOW AND ALWAYS KEEP IN MIND THAT THE JEWS PLAY BOTH SIDES- SIDES THAT SEEMINGLY OPPOSE EACH OTHER.

Push what most regard as 'free sexuality' too far, as what the Jews are doing today [this is not TRUE sexual freedom, it is only dirtying and defiling sex] and with natural law, there will be a backlash, which is their ultimate goal. They control BOTH sides. They are hoping for a backlash of their programs of Christianity and its stepping off point of communism. They make a relentless effort to push pornography and all sorts of other adult entertainment on underage children, using the media, and even in some cases in the schools, doing this all insidiously [little by little- two steps forward and one step back]. This is in an attempt to provoke a strong reaction against adult entertainment and sexual freedoms- sending everyone back to square one with Christian 'morals' and a backlash of Christian control. The same is being done with homosexuality, where it should be left alone. One's sex life is one's own personal, private business. The Jews keep pushing this to provoke a violent reaction.

For more on this, visit the GBLT website
<http://gblt.webs.com/index.htm>

This is no different from how they run the court/legal systems and government. Their agenda is to let crime get so out of hand, people will be begging for ultra-strict laws where all freedoms will be lost. The psychology here is people will be more than grateful to give up their civil liberties and rights just to get the crime under control. Jews are masters of deception and know psychiatry and human psychology. They are adepts at confusing their enemies, and getting them to fall into their traps. They have manipulated the Gentiles for centuries- into fighting

their wars and working for our own damnation [blatant in their programs of Christianity and Islam].

The same is with the 'morality' issue. The unknowing populace again falls victim to the program of Christianity, only this time- fundamental Christianity with total control, ideally from a one all-powerful church center, like the catholic church- THE KGB OF THE MIDDLE AGES. This is what the Jesuits are working for. These criminals work the 'spiritual' side, while the others work the political side. ALL RUN BY JEWS.

Why Christianity Attacks Sexuality

The Christian Church has done everything in its power to suppress and control sexuality. Sexual energy is the creative life force that liberates the kundalini, and is a direct threat to their agenda for enslaving humanity.

There is nothing spiritual about Christianity. Christianity is a tool to remove all spiritual knowledge and spirituality. This has been effectively accomplished by attacking the second chakra, which is the sexual chakra, thus keeping the kundalini serpent bound in the base. In order for the kundalini energy to ascend, and ascend safely, all of the chakras must be free and open. Psychological hang-ups manifest themselves in the chakras, which are the key components of the soul, and create blocks that prevent the ascension and circulation of spiritual energy, both in the 7 main chakras and in the 144,000 nadis.

Christianity, Islam, and other related programs to destroy spirituality vehemently attack sexuality in any way they can, whether it is heterosexuality, homosexuality, etc. They work to instill sexual inhibitions, guilt, shame, and turn something beautiful and spiritually empowering into something ugly. Few if any Christians or Muslims are even aware of what spirituality really is. All of these nefarious programs have replaced spiritual concepts with imposter Jewish characters, Jewish places, and other fictitious Jewish archetypes, such as Jesus, the Nazarene. Jesus has been used as a diversion and distraction, keeping followers from accessing true spirituality and working on their souls. Truth be known, we save our own souls. "Jesus" is a fictitious Jewish character that is nothing more than an imposter to a CONCEPT.

Kundalini liberates the soul and also opens up the psyche. The Christian Church has also done everything in its power to keep us from communicating with beings such as Satan and his Demons, and deliberately cut us all off from any knowledge and power. This keeps us all in the dark, and has cut us off from our True Creator God.

"WE SHALL DESTROY GOD"

– Quote from the Protocols of the Learned Elders of Zion

The sexual suppression creates an imbalance in the base and second chakras which bleeds over into the emotional level (chakra) this extends to the next chakra and from here, we have a further imbalance, creating fear and guilt, and other emotional and psychological disorders. Because of the cut-off, there is no outlet and humanity degenerates spiritually from generation to generation. Each generation has been indoctrinated and conditioned to view sexuality in the Judeo/Christian/Muslim way. Those of us who are completely free from this influence are few. Sexuality= Life, liberation, and spiritual advancement. The Church knows this and has denied the general population this knowledge for centuries.

Now, when I mention "the Church" I am referring to those on top, not the average pedophile priest or minister. The Catholic priesthood is a prime example of the level of indoctrination, ignorance, and stupidity all the way down the line with blind obedience. The child raping and molestations are chief illustrations of what occurs when one consciously suppresses the powerful sex drive, which is the life force, itself.

Because of the suppression of this knowledge, humanity is operating at 1/5th-1/10th of the total potential. The energy centers remain closed and dormant, cutting the world off from other dimensions, blocking spiritual, mental, emotional and physical potential, in order to keep power in the hands of a "chosen" few.

All of this is the use of black magick at the top levels that has been handed down through the centuries. The new age movement teaches helplessness, and strongly discourages any forms of black magick to ensure this power only remains in the hands of a few. Justice and righteousness are strongly discouraged and attacked. People are being indoctrinated to be victims and slaves. Fear is used incessantly, no different from Jewish communism, which is where Christianity eventually leads.

The new agers who dabble in magick are also imbalanced. The Ancient Egyptians knew that to be adept, one must be versed in both the white and black aspects of magick. Black magick is suppressed and controlled by the few in power at the top who make liberal use of it. The average person is not only ignorant to this fact, but helpless against it.

The denigration and exclusion of women in RHP religions is also for a specific purpose. As Thoth stated, everything comes in two's for balance and harmony. Two is the creative force. The female energy within us all is the subconscious and the psyche. The female aspect connects us to the higher dimensions of the mind in balance to the male logical side of the brain. The two ideally, should work together in harmony. The kundalini energy is of the female part of the soul. By attacking and denigrating women, this further suppresses this energy subliminally.

Destroying this female energy is fundamental to the enemy agenda. Once this feminine energy is completely subdued, the intuition and higher consciousness are switched off and become dominated by the lower consciousness. The chakras below the heart, which is the switch off point and connector of the seven chakras, remain disconnected and a serious imbalance results. The Church and its controlling cohorts are well aware of the imbalance that occurs when this female energy is cut off. The chakras all work together.

What then occurs is a total loss of a much needed sense, also known as "the sixth sense." Humanity is spiritually blind and through this, have become total victims. This is the goal of the Christian Church, to prepare Gentiles to be ignorant and unquestioning slaves who are unable to fight back at the hands of Jewish masters [the communist state]. For example, when an adept Jew throws a curse, the Gentile victim who has been indoctrinated with the lies of Christianity is helpless and succumbs to it. He/She can't even see it coming, and doesn't even know. This way, the Jews become "God."

Quote from the Jewish Talmud:

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."

Sleep Paralysis

I just banned some idiot this morning who indirectly attempted to push Christian filth in the main JoS group, using fear tactics. This had to do with 'Sleep Paralysis.'

Some people experience sleep paralysis. From what I know about this, there is a certain chemical in the brain that is excreted during sleep that keeps one from getting up and around, as a sleepwalker does. Sleepwalking is very dangerous, as injury and even death can occur. If the brain did not excrete this chemical, one would go walking in one's dreams, thus placing one's self in danger.

NOW, I am soooooo fed up with Christian ASSHOLES who use ANYTHING they can to push their agenda of lies, most often using fear to coerce vulnerable ones into accepting their malignant bullshit. It is very sad and unfortunate that many people have subconscious fears in regards to Satan and his Demons. Unfortunately, unconscious fears and repressed emotions surface when one awakens in the middle of the night, whatever they may be.

Most of this crap comes from western occultism [most of which is corrupted teachings and doctrines with an emphasis on Jewish filth]. Few people really know what Satanism really is. I can tell you 100%, SATANISM IS NOT ABOUT SPOOKS, GHOULS, DARKNESS, 'EVIL,' POSSESSION, AND ASSOCIATED

GARBAGE THAT THE ENEMY WANTS TO FILL YOUR HEAD WITH IN ORDER TO FRIGHTEN YOU AWAY!

Satanism is not an easy road, but those of us who persist with study, meditation, and working on ourselves spiritually are rewarded with being able to SEE the truth for ourselves, and much more. Satanism is NOT what Christianity claims it to be, Satanism is not what western occultism claims it to be or lowest of the low vile Islam or worst of all- what the Jewish supremacists who proclaim themselves as 'God' DICTATE to us Gentiles, which in truth is the root of all these lies. Jews are the masters of lies.

Sleep paralysis has nothing to do with Demons. It is a fact that many people do hallucinate between dreaming and waking, as the brain is not fully awake. Please do some coherent scientific learning about this disorder before accusing Demons of such things, and worst of all- believing lying Christian double-digit IQ assholes who will resort to ANYTHING [mass murder and genocide, hideous torture methods, war, beatings, violent coercing with threats, and worse], to get you to accept their sick anti-life agenda of lies, leading you to REAL damnation.

Spiritual Allegories

Arguing over which God is which in specific pantheons and such is not important. What IS important is knowing that the legends of the Gods in nearly all of the Pagan pantheons are powerful spiritual allegories. As for the term 'Devil,' this is an aspect of 'Devi,' which is Sanskrit. 'Devil' is NOT an offensive term. Christianity, Islam and of course, Judaism have corrupted this, like everything else spiritual in a direct attack upon spirituality; to remove and erase spirituality, which is their sole purpose.

'Devi is synonymous with Shakti, the female aspect of the divine.'
-Wikipedia article on 'Devi'
<http://en.wikipedia.org/wiki/Devi>

Now, this is not 'female' in terms of sex, but the 'female' part of the brain. The female aspect of the soul, which is and always has been symbolized by the serpent. The serpent is and always has been of Satan. The serpent is the kundalini energy within us, when risen, stimulates both the male and female sides of the brain and soul, so we use 100% of our brains and not just the 5-10% society is now using as a whole.

'Shiva' and 'Shakti' are the male and female aspects of the soul. As I have written over and over, the hermaphrodite, such as Egyptian Akhenaton is another

ALLEGORY for the merging of the male and female aspects of the soul, so both the right and left hemispheres of the brain function and work together, instead of separately. When both hemispheres unite and work together through the ascension of the kundalini serpent, one reaches the godhead in using 100% of the brain.

Strength in Satan

Christianity is in its death grip. It was built upon a foundation of lies, mass murder, destruction of lives and civilizations, torture, and nothing but ugliness. Of course, from time to time there will be eruptions from certain deluded ignorant assholes that get a real thrill that they can get some badly needed personal attention for a few days, something they probably never have had in their entire lives.

We must never become complacent, we must continue to fight until Christianity, and all of its cohorts are completely and thoroughly destroyed. In the fall of 2001, a few months following my dedication to Satan, I performed another ritual. I dedicated everything of myself to Satan in working to destroy his enemies. I asked him that I might be the one to drive the final nails into the coffin of Christianity, and completely destroy it. He has guided me and shown me the truth.

I have been with Satan for over 10 years now. Never in my experience have I known such a truly wonderful being. I honor him and love him more and more each day. This has been a difficult road, but Satan is responsible. In my times of trouble, he has ALWAYS been there for me and has always helped me. This is why I am still here. He has saved my life more than once- literally. I have experienced many of his miracles, many that have deeply touched me. He has rewarded me in many different ways, personally. I am thankful beyond words to him.

When I was an atheist, there was no such thing as hope. Life was meaningless and anything could happen, which one was powerless to prevent, change, or stop. Satan has shown me my own power, and how to master my own destiny, as he has done with many brothers and sisters here. When we are new to meditation, getting our life force under our control can be difficult. It takes time and effort, but is well worth this when we succeed. This is the message of the ancient alchemists' paintings of chaos. When the chaos subsides, there is endless happiness and bliss, along with our own powers.

Satan told me there will be many more attacks. This is war. One must be strong and stand for the truth. Satan gives us a strength unlike anything else. It has been an honor for me to serve him and I shall continue to do so for the rest of my

life. As for slander and lies, no one in the entire history of the world has endured more slander, attacks, and grave injustices than our beloved Father Satan. Some time ago, I was talking with Satan concerning all of the slander and lies on the internet about me and the JoS. Satan has always been very understanding and helpful. This time he told me he didn't even want to hear about it, and that I should just [be strong] - not his exact words, but like they say in athletics- just suck it up, in other words, deal with it and don't complain. He went on and said the slander against me is absolutely nothing, compared to the horrendous slander and lies heaped upon him for centuries. He also added that because of Jewish indoctrination slander - lies about who Satan is and what he is all about, he told me if I knew of some of the acts that were committed in his name, I would vomit right where I was sitting.

We must continue to fight on, each in our own ways. Ministry is here to take the heat. For those of you who have important positions to protect, there are other ways you can work to destroy the enemy; all you need do is ask Satan and his Demons for guidance. You will get answers. It is obvious the enemy is greatly disturbed that spiritual warriors for Satan have been confronting them in their groups and making our presence known. Through this, many who were once deluded are now dedicating to Satan. Not only have we been destroying the enemy through ritual and other workings, but we have been wearing them down through attrition.

In the end, it has been said that the spell will be broken and the truth will be revealed. Many will want to join on at the last minute, but it will be too late for them.

Supernatural Feats

People who can do extreme supernatural feats are extremely rare. In addition, they work for years and years and in many cases, lifetimes to get to that level. Most meditate in monasteries in the Far East and spend their entire lives working on their souls in raising kundalini and such. These people spend hours and hours every day working on their spiritual potential. As for the man in the article, he spent his life living in a cave and meditation was all he did. With Satan, one does not have to go to these extremes to achieve the same abilities. One can also live a full and productive life in the outer world, while working on one's soul/meditating.

On the other hand, we Satanists evolve spiritually, quite fast. Most Satanists honor the Satanic adage that 'Silence is Golden.' In addition, many Satanists are multi-gifted. I have seen and experienced plenty, but I don't make it a habit of revealing everything publicly. There are certain things that are best left unsaid, for right now anyway.

Also, the knowledge we are given from Satan is superior and advanced over what most of these people have gotten. Many of our people are adept at the siddhis, but keep this quiet, and they don't have to spend 10-12 hours every day, or years and years at working at them.

This isn't to say one should not put in the time and effort into meditation every day, it is how it is done and the knowledge one has, which is on the JoS website.

As for having contact with our Gods and Goddesses, most people in the JoS have this ability and have done so. It all depends upon where you are at in this life spiritually, how far you have evolved in all of your previous life-times. Some people have to work harder than others, but eventually, everyone who sincerely puts in the time and the effort will get there.

'Testimonies' from Ex-Satanists?

Question:

Sis, some Ex-Traditional Satanists gave negative/bad testimonials regarding to Father Satan. I think their testimonials should be taken seriously, because Traditional Satanists worship Father Satan too; same with us Spiritual Satanists. I was just wondering why Father Satan has done bad things to Spiritual Satanists??? Sis, tell me what do you think. Any explanation regarding their bad testimonials?

Thx b4 HP Maxine... Hail Father Satan..

Reply:

Link number one [I refuse to advertise this sick filth]. Satanism is not about blood sacrifices. This sort of shit is of the enemy. When people begin doing these sorts of things, they invite the enemy. Satanism is about raising the kundalini serpent and using one's own energies. The first article goes on and it is apparent this young man has attracted angels. The enemy is notorious for trying to get Satan's people to commit suicide, and other things. Then, they blame it all on Satan. The paragraph near the end says it all- angels were speaking to him and this guy also, was not strong in Satan, as he began praying to jewsus. It worked in the enemy's favor. They set a trap for him in making him miserable and trying to get him to kill himself and then, because of his lack of faith in Satan, he walked right into that trap and is now working for the enemy.

The person in the second article, it is obvious he is a sick man, and was sick from an early age on. Demons do NOT demand 'blood sacrifices.' Satan and his Demons reveal to us how we can use our own energies and are not parasites like the enemy. This man is VERY UNBALANCED, no different from that 'Emily Rose' which I could see in her astrology chart, she wasn't playing with a full deck

to put it mildly. People like this who are vulnerable are open to the enemy. Torturing and sacrificing cats??? I happen to know cats are very sacred not only to several Demons personally, but to Satan, himself. Satan and his Demons want animals to be treated with care and respect. I know this 100%. This also comes with opening the soul. This nutcase was heavily involved with the enemy, whom he was fooled into believing were 'Demons.' The enemy has no feelings or emotions or respect for living beings and could care less about the sufferings of innocent animals.

The last one is a repeat of Dante's 'Inferno.' It is obvious the entity in the white robe is an enemy Nordic [an angel].

Now, this sort of thing pisses me off to no end. The above is blatant examples of the enemy's work, only to be blamed on Satan, like everything else they are and do.

Tactics of the enemy are:

1. Working to make people who have come to Satan miserable. [This is more difficult for them when your soul is stronger through power meditation]. They seek out the weak and the vulnerable. Just as the enemy's people [Christians, Muslims and Jews] PUSH themselves either directly or in many cases as with the Jews- indirectly, the enemy ETs do the same from the astral.

2. The enemy often tries to get Satan's children to commit suicide. So, what good are you to ANYONE if you are dead??
Satan SAVED my life more than once. Four years ago, FOR ONE, someone hooked up a bomb [just oozing with Christian love] underneath my car. There have been other times when Satan himself stepped in and saved my life. He has always been there for me. He has NEVER let me down. I am not saying this is an easy road. It is not, but the Powers of Hell have always been with me and have always protected and looked out for me.

3. The enemy works to create doubt and confusion, especially regarding Satan. Knowledge here is the key. Fortunately, the USA [thanks to Satanist Benjamin Franklin] has Public Libraries, though censored; there is still much information freely available, where anyone with a desire to educate him/herself is able to freely. In many other countries of the world, Public Libraries do not exist. This is especially true of communist countries, where the populace is indoctrinated with Jewish filth and any other knowledge is kept out.

4. When one is new to power meditation, one is in many ways vulnerable. Inconsistency can cause depression as the soul is one day on the up with the life energy and the next, one experiences a drop, which causes depression, much like one working out in the gym and the next day, experiencing muscle soreness, though this is a bit different. Once one's soul becomes stronger and the energies

balance themselves, this goes away, but the enemy works to use this against those who are new to Satanism.

5. The Powers of Hell are fighting a major war. This takes a lot of energy. The enemy, though they try to convince many that they have unlimited powers, this is a LIE. This war is taking much energy on both sides. Satan and the Powers of Hell do not waste their time on people [like the above] who are mentally unbalanced, those who are so stoned out of their minds on drugs that it is nearly impossible to get through, people who have a deep subconscious devotion to the nazarene or who regardless of anything else, will always look to the nazarene and company when in a crisis. People who fall into the ways of the enemy, such as performing blood sacrifices and other acts of parasitical magick only open themselves to the influence of the enemy. This is NOT of Satan. Satan shows us how to raise our inner serpent, so we can use our own powers. The enemy is of Jewish ritual murder and other heinous related acts. Then, they blame it all on Satan, as they do with everything.

Satan gives us self-esteem.

Satan is the liberator of humanity.

Satan gives us knowledge.

Satan is NOT the one who wrote a huge book of lies, with endless contradictions, of which there is NOTHING spiritual. Yet, these bible-thumping assholes are forever LYING in stating that Jewish filth is 'spiritual.' There is nothing 'spiritual' about it.

Satan was NOT the one who committed murder after murder, or who ORDERED mass murder and genocide, like YHVH:

'A Murderer and a Liar from the Beginning' [See Page 45 - Jehova, the Bible, and Human Blood Sacrifice]
Endless Murder, Torture and Genocide committed by 'Yaweh' [See Page 45 - Jehova, the Bible, and Human Blood Sacrifice]

Satan wasn't the one who mass murdered millions in the Inquisition. The Inquisition is a blatant example of 'Christian love' and just how far they will go to get you to 'accept christ.'

Satan DOES NOT obsess over your sex life, nor does he try to make you into something you are not. Satan works spiritually, through power meditation, so we heal ourselves from the inside out. It is glaringly obvious where Christians are at, given their history of genocide, bloodshed, and disrespect for worthwhile, beneficial, and productive life.

Don't let the enemy confuse you. Knowledge defeats the enemy. The more you know and the stronger you are in Satan, the enemy cannot touch you. KNOW the tactics of the enemy, and be on to them.

The Music Industry Exposed

First off, the 'Illuminati' are not true Satanists. This is another Jewish invented [Catholic Jesuit/Jew 'Adam Weishaupt' founder] program, pretending to be 'Satanists' before the public and to add fuel to the Christian accusations against Satanists.

The Jews either will work to gain control of any prominent Gentile organization, usually through infiltration, OR destroy it. This is what happened to Freemasonry, which was originally Luciferian and Gentile.

Here is an excerpt from the book "Rule by Secrecy" by Jim Marrs, © 2000, pages 58 - 59:

This secretive banking dynasty was begun by Mayer Amschel Bauer, a German Jew born on February 23, 1744, in Frankfurt
Young Mayer studied to become a Rabbi. He was particularly schooled in Hashkalah, a blending of religion, Hebrew law, and reason. The death of his parents forced Mayer to leave rabbinical school and become an apprentice at a banking house.

Quickly learning the trade, he became court financial agent to William IX, royal administrator of the Hesse-Kassel region, and a prominent Freemason. He ingratiated himself to William, who was only one year older than himself, by joining his interest in Freemasonry and antiquities. Mayer would search out ancient coins and sell them to his benefactor at greatly reduced prices. Considering his rabbinical training, coupled with his serious searches for antiquities, he surely developed a deep understanding of the ancient mysteries particularly those of the Jewish Cabala. It was during this same period that the metaphysics of the Cabala began to fuse with the traditions of Freemasonry."

New World Order

The Jews work relentlessly to create confusion and dissension amongst Gentiles. As for the music and film industry, both are dominated by Jews. Yes, most musicians and many actors/actresses are heavily into drugs and alcohol. This sort of thing is PUSHED. A prime example is the 70's band 'Black Sabbath.'

Ozzy Osbourne's recent autobiography for one is very revealing. The 70's band 'Black Sabbath' consisted of four young musicians from England, from poor, impoverished, Gentile working class backgrounds. The Jewish agents saw them coming, and ripped them off heavily, all the while pushing drugs and getting them dependent on hard drugs to where they were so drunk and stoned out of their minds, and of course, Jews 'handled' their money. When they wised up a bit and hired a lawyer [unfortunately another Jew], then the lawyer and the agents worked in collusion [Jew to brother Jew] to further rip them off and drug them, until the band no longer existed. Half-Jewish Sharon Arden [formerly Levy] took control of his career [from her father alias "Jack Arden"- real name 'Harry Levy'] and eventually married him. After this control, his career flourished.

This is very typical and prevalent in the music and film industries where there is loads of money. Many bands get totally ripped off, drugs are pushed relentlessly and constantly, along with liquor and 24/7 'partying.' Christians then dump the blame on Satan, as usual.

When one is heavily under the influence 24/7, one becomes a blatant target and a victim. The Jews who manage these bands and their Jewish brethren who assist them and have all sorts of connections, work to keep these bands with a constant and unending supply of heavy drugs, which they definitely charge for accordingly. The Jews then take most of the money and run things the way they see fit- again, through vicious exploitation.

As for the 'Rain Man' this, like many other things, seems to be a fad. Also, with the Christian hyping of this 'New World Order,' the 'Illuminati' and their other crap of which they are actually facilitating, this is all over the internet and finds its way into the music industry and lyrics. This is JEWISH IMPOSTER Satanism, NOT True Satanism. It is so obvious how they attack true Satanism, as they have for centuries.

The Jews are masters of deception and lies. They gain control through confusion. Young Jews are taught how to argue in their Yeshiva schools.

A prime example, again, Hollywood, how they work to confuse those who are unknowing- most of the Gentile population, with their movies. Most people here are well aware of Jewish communism, how they invented it; it is the main theme of the Judeo/Christian bible and all of their 'holy writings'- their program for systematically removing spiritual/occult knowledge and power from the Gentiles so they, themselves can become 'God' and have a Gentile slave state.

One blatant example here, that they use to confuse is the HBO movie 'Stalin' [1992] with Robert Duvall and Julia Ormond.
<http://www.imdb.com/title/tt0105462/>

Throughout the movie, the character 'Stalin' is made out to be against the Jews, and hating of the Jews. In real life, this is hardly the case. Stalin's real birth name

was József Dugasvilli. 'Dugasvilli' in Georgian, means 'SON OF A JEW.' Stalin's second wife 'Nadezhda Alliluyev' was also Jewish. His children were Jewish. His eldest son, named 'Yakov' is Jewish for 'Jacob.'

Lavrenty Beria was another Jew who worked directly under Stalin. In the movie, they also portrayed him to be anti-Jewish. Most people- the general populace is unaware and does not read enough to know the facts beneath all of the lies that are thrown at the public.

More examples include 'The Inner Circle' [1991]

<http://www.imdb.com/title/tt0103838/>

another movie that takes place in the former USSR under Stalin, where blatant persecution of the Jews is the main theme. It even goes so far as to show a Jewish character getting busted by the KGB for secretly collaborating with the Nazis. What a joke! Then, the movie goes on with more Jews in their best roles as professional victims.

'Moscow on the Hudson' [1984]

<http://www.imdb.com/title/tt0087747/>

was another one, though only a very short, but blatant part of the movie, they show Jews again, with their placards of Stars of David [stolen and corrupted from the East Indian 'Star of Vishnu'], protesting the Soviet communist government. They always scream the loudest. This, as all of the above are just for show and to confuse the daylights out of Gentiles.

The Jews, being inventors and promoters of communism, work to try to convince an ignorant public that they are against communism. This is playing both sides of which they are highly skilled at.

The Catholic Church is another blatant example- the KGB of the Middle Ages. The Jews again, like with the above, work relentlessly to try to convince the Gentile populace, that they are against Christianity, and that they are 'persecuted' by Christians and Christianity. THIS IS A TOTAL CROCK OF SHIT!

Really now, HOW can any true Christian be persecuting of Jews? Every single page of that foul bible has either the words 'Jew/s' and/or 'Israel' written on it, the **Nazarene is Jewish from birth to death**, his mother and so-called 'earthly father' were BOTH Jewish and OBSERVANT OF JEWISH LAWS. His 12 disciples were Jewish. [See page 89] The nasty list goes on and on and on....

All of their crap is just for show and to confuse and delude the Gentiles. REAL Satanism, as many here are aware is HEAVILY persecuted, suppressed, and automatically banned- LEGALLY in many areas of the world and even in those where the constitution states 'religious freedoms.'

One can see the truth for one's self. Where in the world is there even just ONE open and public Satanic Church? Anything against the Jews is 'evil' and they attack it and use their spiritual slaves, such as Christians to attack it as well.

Everything the Jews do, they twist and pervert and blame it upon Satan, the Gentiles, and any groups that are against them. They infiltrate, imposter and take control.

Wake up people!

The Nadis of the Soul

There are three main nadis. Altogether, there are some 144,000. This is where those Jehova's witnesses get their corrupted crap about the '144,000 being saved.' What a joke! In addition, this is where the Jewish bible writers invented those three rivers in the 'Garden of Eden.' I know those exist in the Middle East, but my point here is to reveal the fraud. This was also stolen from the Far East, as there were three rivers in India that the ancient Hindus compared to these nadis.

Anyways, there is the ida [female/moon], the pingala [male/sun] and the middle sushumna. This is the true meaning of the Devil's Pitchfork. This symbol can be seen in many ancient artworks of Hindu Gods, predating Christianity from hundreds to thousands of years.

Satanic Symbols

Because the human soul is imbalanced, throughout the day, either the ida or the pingala is active. This can be known which of the two nadis is currently active by which of your two nostrils is more open. If the right nostril is more open, then ida is more active at that time; the left and pingala is more active.

The ida rules over the female side of the brain and soul. This is the intuitive side. When pingala is active, one is more physical and intellectual at that time. Both

alternate throughout the day and night. The goal of kundalini [serpent] yoga is to stop this back and forth and through meditation and kundalini exercises, open the sushumna [the middle nadi which does not snake back and forth, but ascends from the base chakra straight to the crown.

Over time, through kundalini practice, the sushumna is permanently opened so the serpent can safely ascend. When the sushumna becomes active, the ida and pingala no longer function separately, but merge at the 6th chakra and from there, both sides of the brain then function together as a unit, instead of disjointed and separate. If I remember correctly, the exact details of this, something occurs within the corpus colossum. A huge wall is knocked down.

Little by little and with some leaps, kundalini exercises open the mind. When the sushumna begins to function completely, the serpent will ascend and the mind will be wide open. The sushumna must be open for the serpent to safely ascend.

Gopi Krishna [extensive author on kundalini] did not have his sushumna open. I haven't read too much of his writings, but I do know his serpent ascended through either his ida or pingala and he went through a most horrific time until his body and soul finally adjusted.

The sushumna is very tiny in its width, like that of a hair.

True Nazism is of Satan

To the Christians- the Jews claim that Adolf Hitler was a Satanist. To the atheists, Pagans, and others who are not Christian, they claim he was Christian. In truth, Adolf Hitler was a Satanist. There are also endless claims and supposed quotes the Jews put up supporting whatever lies they are trying to promote about him or any other of their enemies. This is no different from how they slander Satan and our Demon Gods. Make an enemy of the Jewish people who are the masters of lies, and all one gets for this is endless slander and lies.

Look to the facts:

Nazi Germany used the Runes and many different occult symbols. Definitely NOT Christian.

Their rallies almost always included the Pagan bonfires, along with other Pagan symbols.

The Hitler Youth were forbidden to participate in ANY Christian ceremonies. The same was with the SS, where SS officers replaced Christian clergy for performing baptisms, weddings and other ceremonies.

Many Christian priests, ministers, and leaders were sent to concentration camps. With Jehova's Witnesses, this was automatic- women included.

Reichsführer Heinrich Himmler, who was also a Satanist and had a coven of 12 SS Officers, worked diligently with Adolf Hitler to destroy Christianity. Christian symbols, characters [which are all Jewish], and rituals, were replaced with original Pagan rites.

"So too, had the form for two principle ceremonies adapted from pagan rites to replace Christian festivals – those of the summer and winter solstices. An English visitor attended a summer solstice festival in 1936: a circle of Hitler Youths chanted consciously pagan litanies in preparation for the moment at midday when the sun reached its zenith. As it hung overhead there was silence, 'then a paeon of praise rang out for the Aryan God.'" ¹
[The Aryan God is Satan].

" 'The source of all life is Got.' The word was given only one 't' in the transcription, allegedly the old German spelling, but it was chiefly useful, to distinguish the SS God from the conventional Christian God." ²

"Himmler was fascinated by the Far East and its religions. "He hated Christianity and carried a pocket book in which he had collected homilies from the Hindu Bhagavadgita." ³

Most importantly, Adolf Hitler's stand against the Jews. OBVIOUSLY, this is NOT CHRISTIAN, by any stretch of the imagination. The following bible scriptures are proof of how truly Christian it is to 'bless Israel' and the Jewish people:

THE JEWS ARE BY BLOOD, THE CHOSEN OF YAWEH/JEHOVA, THEY ARE NOT OF SATAN IN ANY WAY:

Genesis 12:1-3

1 The Lord and said to Abram, "Leave your country, your people and your father's household and go to the land I will show you.
2 "I will make you into a great nation and I will bless you; I will make your name great, and you will be a blessing.
3 I will bless those who bless you, and whoever curses you I will curse; and all peoples on earth will be blessed through you."

Psalms 122

1 I was glad when they said unto me, Let us go into the house of the LORD.
2 Our feet shall stand within thy gates, O Jerusalem.
3 Jerusalem is builded as a city that is compact together:
4 Whither the tribes go up, the tribes of the LORD, unto the testimony of Israel, to give thanks unto the name of the LORD.
5 For there are set thrones of judgment, the thrones of the house of David.
6 Pray for the peace of Jerusalem: they shall prosper that love thee.

Psalms 129

1 Many a time have they afflicted me from my youth, may Israel now say:
2 Many a time have they afflicted me from my youth: yet they have not prevailed against me.
3 The plowers plowed upon my back: they made long their furrows.
4 The LORD is righteous: he hath cut asunder the cords of the wicked.
5 Let them all be confounded and turned back that hate Zion.
6 Let them be as the grass upon the housetops, which withereth afore it groweth up:
7 Wherewith the mower filleth not his hand; nor he that bindeth sheaves his bosom.
8 Neither do they which go by say, The blessing of the LORD be upon you: we bless you in the name of the LORD.

Psalms 102

12 But thou, O LORD, shall endure for ever; and thy remembrance unto all generations.
13 Thou shalt arise, and have mercy upon Zion: for the time to favour her, yea, the set time, is come.
14 For thy servants take pleasure in her stones, and favour the dust thereof.
15 So the heathen shall fear the name of the LORD, and all the kings of the earth thy glory.

16 When the LORD shall build up Zion, he shall appear in his glory.

In addition to the above, I keep writing this over and over and over and over.... ad nauseum- NEARLY EVERY SINGLE PAGE OF THAT FILTHY BIBLE HAS THE WORD, EITHER JEW, JEWS, ISRAEL, JEWISH PLASTERED ALL OVER THE PLACE.

JESUS WAS A JEW

Wicca is Nothing More Than Christianized Witchcraft

Lately, there have been some posts in some of the JoS e-groups regarding Wicca. Wicca is nothing more than Christianized witchcraft. The three-fold crap, warnings against the use of black magick [in other words, be a victim and keep ignoring injustice, pass the buck, and indirectly promote it] and other Christian infested crap along with the gradual removal of any real spiritual knowledge.

Some time ago, I saw in a bookstore, a fancy book titled 'Book of Hours.' This is so typical of what I am saying here. This 'Book of Hours' had meaningless prayers and sayings in it for every hour of the day. This is soooo typical. The author obviously had no knowledge of what a true book of hours really is and how to use it. True books of hours are meant to do workings, or work on specific meditations or chakras depending upon which planet is ruling the hour at the time. Chronos is a modern computerized book of hours we can download and print out on-line.

Then, there is the Wiccan 'Book of Days.' Certain days of the year are scientifically aligned with the Sun and other stars, giving these dates more power than other days in the year. Again, the Wiccan books of days plenty of prayers, similar to what one would recite in an Christian church, or information is given concerning the waxing and waning of the 'goddess.' Spiritual knowledge is replaced with meaningless crap.

Beginning or performing a working on a certain day can make all of the difference in the power the working has. This also includes whether a specific working is performed during certain hours, aligning with the planets and/or during daylight or evening hours.

Working on amplifying a specific chakra should be done on the day and hour ruled by the planet that rules that chakra. There are spiritual workings that are best begun during certain seasons for optimal results.

Another thing I want to add before ending this sermon is Islam. In my opinion, there isn't anything more rotten than the religion of Islam. Again, there are major corruptions of spiritual knowledge, as in Christianity, in Islam. These corruptions are an abomination and extreme blasphemy against true spirituality. In areas where Islam is the majority, a 'muezzin' goes up to a tower and shouts out that it is time for 'prayer.' This is mandatory five times a day. Now-a-days as things are getting more modern, few places have the muezzin and now have a pre-recorded message that blasts out over a loudspeaker, ordering everyone to 'prayers.'

Within a matter of minutes, everyone drops whatever they are doing, facing east-all foreheads to the ground, all asses sticking up, and recites the affirmation 'There is no god but Allah.'

Now, facing east scientifically aligns the soul with the turning of the earth, giving certain workings more power. The repeated affirmations, not only once, but five times a day, over a period of more than a thousand years give rise to a powerful thoughtform, not to mention actual hypnotizing and brainwashing this 'Allah' shit into the minds of adherents to this foul program. Thus, it takes on a life of its own. It remains due to the fact that those under its spell keep it alive in more ways than one.

Now, if those people actually did breathing exercises, kundalini exercises and a bit of yoga, five times a day, where would they be? I can tell you one thing, they wouldn't be living like they are right now, many live lower than an animal. They would be able to heal themselves and others and actually be able to experience real happiness, and to take control of their own lives and destinies, instead of being a slave to a Jewish invented rotten asshole.

The five times a day rule was obviously stolen and corrupted. Those who wish to advance in powers and meditations, ideally if time permits, before breakfast, do yoga and/or breathing exercises, or vibrate [mantra] words of power for specific goals. Noon is another time for the above, mid-afternoon, before dinner and before going to sleep.

My point is, spreading your meditations and empowering exercises out, throughout the day, greatly amplifies their power. Once kundalini has risen permanently, many of the exercises can be dropped, and there is a different way of working on your powers after that.

Jesus: The Jewish Archetype

There are a small number of deluded Gentile fools who try to claim the Nazarene was a Gentile. The following biblical scriptures prove beyond any doubt the Jewishness of the Nazarene, and his relation to the Gentiles. As for the Jewishness of his teachings, see "Christianity and Communism: Jewish Twins" page 95.

The Nazarene is a fictitious JEWISH INVENTED ARCHETYPE for Gentiles to slavishly worship. This character is based upon some 18+ crucified Pagan Gods STOLEN and CORRUPTED from GENTILE pantheons! For more information proving the nazarene character is fictitious, click on the links provided at the bottom of this webpage. The Jews themselves know the nazarene is a lie!

- Matthew 1: 1 The book of the generation of Jesus Christ, the son of David, the son of Abraham.

Who was Abraham?

- Genesis 14:13 And there came one that had escaped, and told Abram the Hebrew; for he dwelt in the plain of Mamre the Amorite, brother of Eshcol, and brother of Aner: and these were confederate with Abram.
- Genesis 17:10 This is my covenant, which ye shall keep, between me and you and thy seed after thee; Every man child among you shall be circumcised.

Circumcision was not a popular practice among the Gentiles:

Male Circumcision in the Renaissance:

Europeans, with the exception of the Jews, did not practice male circumcision¹
In 1753 in London, there was a proposal for Jewish emancipation. It was furiously opposed by the pamphleteers of the time, who spread the fear that Jewish emancipation meant universal circumcision.

Men were urged to protect:

"The best of your property" and guard their threatened foreskins. ...a striking indication of how central to their sexual identity men considered their foreskins at that time.²

Until well into the Nineteenth Century, the same sentiments prevailed. Richard Burton observed that "Christendom practically holds circumcision in horror". This attitude is reflected in the ninth edition of the Encyclopaedia Britannica (1876) which discusses the practice as a religious rite among Jews, Moslems, the ancient Egyptians and tribal peoples in various parts of the world. The author of the entry rejected sanitary explanations of the procedure in favour of a religious one: "like other body mutilations ... [it is] of the nature of a representative sacrifice".³

- Matthew 1: 2 Abraham begat Isaac; and Isaac begat Jacob; and Jacob begat Judas and his brethren;

- Hebrews 7: 14 For it is evident that our Lord sprang out of Juda; of which tribe Moses spake nothing concerning priesthood.

- Matthew 2: 1 Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem,
- 2 Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him.

According to rabbinical law and in the tradition of male Jews, the Nazarene was circumcised and named on the eighth day in the temple (Jewish term for synagogue) by a rabbi:

- Luke 2: 21 And when eight days were accomplished for the circumcising of the child, his name was called JESUS, which was so named of the angel before he was conceived in the womb.

Jesus' mother Mary was also very observant of orthodox Jewish law where a woman is unclean following her menstrual period, or childbirth:

- Leviticus 12: 1 And the LORD spake unto Moses, saying,
- 2 Speak unto the children of Israel, saying, If a woman have conceived seed, and born a man child: then she shall be unclean seven days; according to the days of the separation for her infirmity shall she be unclean.
- 3 And in the eighth day the flesh of his foreskin shall be circumcised.
- 4 And she shall then continue in the blood of her purifying three and thirty days; she shall touch no hallowed thing, nor come into the sanctuary, until the days of her purifying be fulfilled.

Modern orthodox Jews still follow these laws.

The following scriptures are rather blatant regarding the Jewish identity of the Nazarene and his relation to non-Jews (Gentiles):

- Luke 2: 25 And, behold, there was a man in Jerusalem, whose name was Simeon; and the same man was just and devout, waiting for the consolation of Israel: and the Holy Ghost was upon him.
- 26 And it was revealed unto him by the Holy Ghost, that he should not see death, before he had seen the Lord's Christ.
- 27 And he came by the Spirit into the temple: and when the parents brought in the child Jesus, to do for him after the custom of the law,
- 28 Then took he him up in his arms, and blessed God, and said,
- 29 Lord, now lettest thou thy servant depart in peace, according to thy word:
- 30 For mine eyes have seen thy salvation,
- 31 Which thou hast prepared before the face of all people;
- 32 A light to lighten the Gentiles, and the glory of thy people Israel.

Note in the above verse 32, the distinction between Gentiles and "Israel."

Both of the Nazarene's parents were observant Jews who made the yearly pilgrimage for the Feast of the Passover:

- Luke 2: 41 Now his parents went to Jerusalem every year at the feast of the passover.

The Nazarene was very clear in his attitudes towards the Gentiles and the distinction between Jew and Gentile:

- Matthew 20: 25 But Jesus called them unto him, and said, Ye know that the princes of the Gentiles exercise dominion over them, and they that are great exercise authority upon them.

But it shall not be so among you: but whosoever will be great among you, let him be your minister;

He was called "Rabbi" and by his own people (Jews):

- John 20:16 Jesus saith unto her, Mary. She turned herself, and saith unto him, Rabboni; which is to say, Master.
- John 3: 1 There was a man of the Pharisees, named Nicodemus, a ruler of the Jews:
 - 2 The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him.
 - John 6: 24 When the people therefore saw that Jesus was not there, neither his disciples, they also took shipping, and came to Capernaum, seeking for Jesus.
 - 25 And when they had found him on the other side of the sea, they said unto him, Rabbi, when camest thou hither?
 - John 1: 37 And the two disciples heard him speak, and they followed Jesus.
 - 38 Then Jesus turned, and saw them following, and saith unto them, What seek ye? They said unto him, Rabbi, (which is to say, being interpreted, Master,) where dwellest thou?

And a "Jew" by the Gentiles:

- John 4: 9 Then saith the woman of Samaria unto him, How is it that thou, being a Jew, askest drink of me, which am a woman of Samaria? for the Jews have no dealings with the Samaritans. He upheld Jewish Law:
- Matthew 5: 17 Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil.
- 18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.

He regularly attended and taught in the Jewish synagogue and observed the Jewish Sabbath. The Jews loved and glorified him:

- Luke 4: 14 And Jesus returned in the power of the Spirit into Galilee: and there went out a fame of him through all the region round about.
- 15 And he taught in their synagogues, being glorified of all.
- 16 And he came to Nazareth, where he had been brought up: and, as his custom was, he went into the synagogue on the sabbath day, and stood up for to read.

- Luke 21: 37 And in the day time he was teaching in the temple; and at night he went out, and abode in the mount that is called the mount of Olives.
- 38 And all the people came early in the morning to him in the temple, for to hear him.

Only Jews were allowed in the temple. Gentiles were and are to this day considered "unclean" by both conservative and orthodox Jews:

- Acts 21: 25 As touching the Gentiles which believe, we have written and concluded that they observe no such thing, save only that they keep themselves from things offered to idols, and from blood, and from strangled, and from fornication.
- 26 Then Paul took the men, and the next day purifying himself with them entered into the temple, to signify the accomplishment of the days of purification, until that an offering should be offered for every one of them.
- 27 And when the seven days were almost ended, the Jews which were of Asia, when they saw him in the temple, stirred up all the people, and laid hands on him,
- 28 Crying out, Men of Israel, help: This is the man, that teacheth all men every where against the people, and the law, and this place: and further brought Greeks also into the temple, and hath polluted this holy place

Note the above scriptures do not pertain to the Nazarene, but to "Paul." The Nazarene was long gone at this time according to scripture. Though Paul was a Jew, his mission was to the Gentiles.

Like his parents, he observed the Passover:

- John 2: 13 And the Jews' passover was at hand, and Jesus went up to Jerusalem.
 - John 7: 2 Now the Jew's feast of tabernacles was at hand.
 - 10 But when his brethren were gone up, then went he also up unto the feast, not openly, but as it were in secret.
 - 11 Then the Jews sought him at the feast, and said, Where is he?
 - John 7: 14 Now about the midst of the feast Jesus went up into the temple, and taught.
 - Luke 22: 14 And when the hour was come, he sat down, and the twelve apostles with him.
 - 15 And he said unto them, With desire I have desired to eat this passover with you before I suffer:
- He also observed Hanukkah:
- John 10: 22 And it was at Jerusalem the feast of the dedication, and it was winter.
 - 23 And Jesus walked in the temple in Solomon's porch.

He quoted the Hebrew scriptures:

- Matthew 4: 1 Then was Jesus led up of the Spirit into the wilderness to be tempted of the devil.

- 2 And when he had fasted forty days and forty nights, he was afterward an hungred.
- 3 And when the tempter came to him, he said, If thou be the Son of God, command that these stones be made bread.
- 4 But he answered and said, It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God.
- 5 Then the devil taketh him up into the holy city, and setteth him on a pinnacle of the temple,
- 6 And saith unto him, If thou be the Son of God, cast thyself down: for it is written, He shall give his angels charge concerning thee: and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone.
- 7 Jesus said unto him, It is written again, Thou shalt not tempt the Lord thy God.
- 8 Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them;
- 9 And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.
- 10 Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.
- 11 Then the devil leaveth him, and, behold, angels came and ministered unto him.
- Deuteronomy 8: 3 And he humbled thee, and suffered thee to hunger, and fed thee with manna, which thou knewest not, neither did thy fathers know; that he might make thee know that man doth not live by bread only, but by every word that proceedeth out of the mouth of the LORD doth man live.
- Deuteronomy 6: 16 Ye shall not tempt the LORD your God, as ye tempted him in Massah.
- Deuteronomy 6: 13 Thou shalt fear the LORD thy God, and serve him, and shalt swear by his name.

Note in the above scenario, though fictitious, Satan approached the Nazarene not as an equal, but as superior. An equal does not worship an equal.

He readily admitted to his Jewish identity:

- Mark 15: 2 And Pilate asked him, Art thou the King of the Jews? And he answering said unto them, Thou sayest it.

Many deluded Gentiles claim the Nazarene was murdered by the Jews, thus he must be a Gentile. This is utter nonsense as the scriptures prove otherwise. The Jews only punish their own for breaking Jewish law, as only one born of a Jewish mother can be a Jew and held accountable to Jewish law:

- Matthew 26: 64 Jesus saith unto him, Thou hast said: nevertheless I say unto you, Hereafter shall ye see the Son of man sitting on the right hand of power, and coming in the clouds of heaven.

- 65 Then the high priest rent his clothes, saying, He hath spoken blasphemy; what further need have we of witnesses? behold, now ye have heard his blasphemy.
- 66 What think ye? They answered and said, He is guilty of death.
- John 19: 7 The Jews answered him, We have a law, and by our law he ought to die, because he made himself the Son of God.
- John 18: 31 Then said Pilate unto them, Take ye him, and judge him according to your law. The Jews therefore said unto him, It is not lawful for us to put any man to death:
- John 18: 35 Pilate answered, Am I a Jew? Thine own nation and the chief priests have delivered thee unto me: what hast thou done?

He was buried as a Jew:

- John 19: 40 Then took they the body of Jesus, and wound it in linen clothes with the spices, as the manner of the Jews is to bury.

Jesus is a Jew – <http://jesusisajew.org/index.php>

The Bible; King James Version.

The problem is most people believe what they are told. In order to expose Christianity, one must delve deeply into "forbidden knowledge." When one begins intense research into the "occult" occasionally one will meet with frightening experiences. This is because of the mind/spiritual power that has been put into protecting this knowledge for centuries, and keeping it forbidden. Orthodox Jews at the higher levels, and their Gentile lackeys, such as the ultra-corrupt Vatican of the Catholic Church (which is and always has been their tool to control the Gentiles), have known about and used this power for centuries. One must continue on relentlessly and there comes a point where the real truth will be accessed and the powers the enemy has used are no longer effective.

*Just to clarify, this has not been my own experience. I have studied freely under the direct protection of Satan.

I also want to add, in light of new knowledge, I have much revising to do. To sum it up, CONCEPTS, most of which relate to the Magnum Opus of Spiritual Alchemy, have been stolen, corrupted, and made into characters and places in order to remove spiritual knowledge and keep it in the hands of a "Chosen" few, so they can exploit the world.

Christianity and Communism: Jewish Twins

The following excerpt was taken from "Nature's Eternal Religion" by Ben Klassen

NOTE*

ALTHOUGH THIS ARTICLE WAS WRITTEN FOR A WHITE AUDIENCE, JEWISH COMMUNISM AFFECTS ALL GENTILES [NON-JEWS] REGARDLESS OF RACE, AND THIS IS DEFINITELY WORTH A READ.

Christianity is a preparation for communism, its doctrines are identical with communist philosophy, and there is nothing spiritual about it. All occult knowledge and power that would enable Gentiles to fight back through spiritual warfare [what the Jews have been using against us for centuries] has been systematically removed. After being forcibly removed with the Inquisition, this power has been in the hands of the top Jewish rabbis to throw curses, create unimaginable wealth and power, and to use at will against Gentiles. In other words, as the "YHVH" aka "Jehova" is in truth the Jewish people, they become "God."

Communism is another Jewish brotherhood scam that fools Gentiles into thinking it is for equality, peace, and better living. Nothing could be further from the truth. It is a Jewish program of genocide, mass-murder, and slavery for Gentiles, regardless of color.

Quote from the Jewish Talmud: Nidrasch Talpioth, p. 225-L:

"Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

Christianity and Communism: Jewish Twins from "Nature's Eternal Religion" by Ben Klassen

To hear the Kosher Conservatives tell it, a fierce, intensive battle is raging today between the evil forces of communism and the sacred forces of Christianity. We are led to believe that it is an all out battle between good and evil. We are told that these two forces are the very essence of two poles of opposition — in complete and diametrical conflict. It is a sham battle. The fact is they are both degenerate products of the collective Jewish mind, designed to do one and the same thing — to destroy the White Race. If we take a closer look at these two evil forces that have bedeviled and tormented the minds of the White Race for all these years, we find that they are not on opposite sides at all. We find that they

are both on the side of international Jewry, doing the job they were designed to do, namely: confuse and confound the White Man's intelligence so that he himself will help the Jew in destroying the White Race.

In comparing the two we find that they are strikingly similar, and not opposites. In fact, there are so many similarities in the two programs and in the philosophy of these two creeds that the hand of the same author can easily be detected. That author is the International Jewish network. They and they alone wrote both the creed of Christianity and the creed of communism. Both communism and Christianity preach against materialism. Communism designates those productive and creative forces of our society to which we owe in such large part the benefits of a productive White civilization, as "bourgeois." It then lashes out with unparalleled fury at the bourgeois and tells us over and over again that they must be destroyed. Instead of giving credit where credit is due, it slanders and vilifies these constructive and productive elements, namely the bourgeois or the capitalists, as the ultimate in evil. Christianity tells us basically the same thing. It tells us that it will be more difficult for a camel to pass through the eye of a needle than for a rich man to get to heaven. It tells us that we should "sell all thou hast and give it to the poor," an insidious piece of advice that, if followed, would make us all a pack of roving bums and beggars. It would most surely cause the breakdown of our society. Christianity further tells us "lay not up treasures on earth, but lay up treasures in heaven." Throughout, the implication is clear. Don't accumulate unto yourself any of the good things in life. If, through hard work, you've already managed to accumulate some wealth, get rid of it, give it away, give it to the poor, above all, give it to the Church, they'll take it, with relish. The net result of this fantastically bad advice, of course, is that it will more easily pass into the hands of the Jews, who do not subscribe to such foolishness. They hope to make fools of us, knowing very well the old saying "A fool and his money are soon parted," is only too true.

The other side of the coin is that the leaders of both Christianity and communism themselves are fantastically materialistic. When we look at the Catholic Church on down through the ages, we find that whereas they were extracting the last mite from the poor widow, the church itself was gathering up and hoarding gold, silver and precious gems in unbelievable quantities. Not only was it taking in and gathering all the gold, silver and precious stones that it could, but it acquired huge amounts of real estate, and the Catholic Church today is undoubtedly the most fantastically wealthy institution on the face of the earth. Even through the Dark Ages when poverty was widespread, mostly because of Christianity itself, we find these huge and fabulously rich cathedrals, built in the midst of poverty, with gold encrusted altars and apses and vaults and columns and walls. The leadership of the Church caused to be built huge and great Basilicas, Cathedrals, Abbeys, Baptisteries, Mausoleums, Convents, and Churches. Practically all of these were so lavish and so huge in comparison with the meager surroundings of the times, that they flamboyantly stood out as the main repository of all the material wealth — gold, silver and architectural lavishness — of both their era

and their geographical location. The church never has bothered to explain why it was so necessary to have such lavish wealth on display to the worshipping faithful, who were told time and again that it was evil to "lay up treasures." Unto this day, churches are built to be flamboyant, garish and bizarre. Money seems to be no object.

The Vatican, that citadel of "spiritual" leadership, which also preaches, "lay not up treasures on earth," does not practice what it preaches. On the contrary, what it practices is indeed the height of hypocrisy, and the antithesis of spirituality. It goes all out for laying up treasures on earth. It has amassed unto itself a portfolio of 5.6 billion dollars in stocks alone, not to mention all of its real estate, art treasures and other valuables. It enjoys an annual income of 1.5 billion dollars, much of it undoubtedly collected from the "widow's last mite," as well as its vast holdings. Next Back Home The United States religious establishment as a whole is valued at 102 billion dollars. In 1969, of the 17.6 billion dollars United States individuals contributed to charity, 45 percent, or 7.9 billion dollars was earmarked for religious purposes. Pretty materialistic for a religion that "shuns" earthly treasures and preaches "my kingdom is not of this world."

Likewise, the communist bosses in Russia, practically all of which are Jews, have accumulated unto themselves all the riches of the countryside. While the communist slave laborer is toiling away twelve hours a day and then comes home to a dingy, dirty, filthy, crowded little apartment shared with other families, his Jewish bosses have opulent palaces spread all over the countryside. They drive the best of cars, chauffeur driven, of course, and eat the best of foods. Not only that, but they have the best of planes at their disposal to fly wherever they see fit to govern their slave laborers. These Jewish communist bosses usually also have at their disposal imported clothes and tailors and a galaxy of servants. When they need a rest from running their slave empire, they have private villas on the Black Sea or other choice vacation spots at their beck and call. And so it goes in the Proletarian Worker's Paradise.

Let us pass on to the next similarity. Both communism and Christianity make extensive use of the weapons of terror, both psychological and real. Undoubtedly the most ghoulish and vicious concept ever contrived by the depraved and collective mind of Jewry is the concept of hell. Can you think of anything more horrible than placing millions of people in confinement in a superheated torture chamber and then burning them forever and ever without even the mitigating mercy of allowing them to die? With this piece of "Good News," and "Joyful Tidings," Christianity set out to conquer the minds of its superstitious and unreasoning victims. The fact that such a torture chamber was non-existent did not at all detract from the fact that it was a real threat to those who were made to believe that it was real. To a child, for instance, if you tell him that the Boogieman is going to get him, and he innocently believes you, then the threat is just as real as if a Boogieman actually existed. And so it is with hell. To those that have become convinced that it exists, this horrible threat is just as real as if it did exist.

However, Christianity did not stop with using psychological terror alone. Those who deviated from the official church line were declared as heretics and forthwith burned at the stake. The idea of using fire in one form or another as a means of torturing their opponents seems to have obsessed these "loving" Christians' minds. According to van Braght's famous Martyr's Mirror, some 33,000 Christians were put to death by other so-called Christians by means of burning at the stake, a grizzly type of revenge.

Among my ancestors alone (who were of the Mennonite faith) some 2,000 martyrs were burned at the stake by these ever-loving Christians. One outstanding feature about this burning at the stake business was that they were always White people who were being burned. Never have I ever heard of a Jew being burned at the stake for not believing precisely along specified lines of Judaism, even though they did not believe in Christ at all. Burning at the stake wasn't the only means of torture and death used by these love-dispensing Christians who were so eager to spread their message of love.

During the Inquisition, and other times, all the beastly refinements of torture that the depraved human mind could devise were used to extort confessions and whip the unbelievers or heretics into line. The thumb-screw, water-dip, the iron corset, drawn and quartered, gouging out one's eyes with hot irons, and the rack (slowly tearing limb from body by means of stretching) were but some of the devices used by these ever-loving Christians to spread their gospel of Love. When the communists came along and used physical torture as one of their instruments of conquest, they had very little left to invent but what the Christians had already utilized before them. And this is as can be expected, since it was Jewish fiendishness that designed the means of torture for both. Nor did the Church hesitate to use wholesale warfare to batter down whole nations that did not submit to their religious dictation. In fact during the 16th, 17th and 18th century the main causes of war were religious dissensions in which one religious group sought to force their beliefs on their opposites by wholesale warfare and slaughter. The communist record of using wholesale terror, both psychological and physical, is so recent, so widespread and so well known that we need hardly review it here.

In Russia alone the Jewish communist regime used terror on a scale unknown before in the annals of history. In order to exterminate the best of the White Race in Russia, namely the White Russians, the Jews slaughtered some 20,000,000. The terror, the killings, the murders that are going on in Russia today defy the imagination of the average White Man's mind. In any case, both communism and Christianity are using, and have used, terror extensively, both psychological and physical, to subjugate their victims. Whereas the Christians excelled in psychological terror, the communists excel in physical terror. But in both cases the Jews were experts in using whatever type of terror best accomplished their ends. Both communism and Christianity have a book that presumably lays down the creed of their movement. Christianity has the Jewish bible which was written

by Jews, mostly about Jews, for the purpose of uniting the Jewish race and for destroying the White Race.

The communist bible is Karl Marx's Das Kapital and the Communist Manifesto, written by Karl Marx in conjunction with Friedrich Engels, both of whom were Jews. Both of these Jewish creeds, communism and Christianity, are highly destructive, and when followed, tear down the fabric of the society that has fallen victim to them. Christianity teaches the evilness of man, that he is a no-good, unworthy sinner, that he is born in sin and that his every instinct is evil. Communism preaches that the productive, creative element of our society, namely the "bourgeois" as they call them, is rotten and evil, and must be destroyed. It can be safely said that any sound, healthy society that turned either to complete Christianity and practiced all of its principles, or any society that practiced pure communism, would soon destroy itself. Again we want to vigorously point out that contrary to what these Kosher Conservatives are always telling us, communism is by no means the same as socialism or collectivism. The latter are basic constructive elements of any healthy society, but communism is an undisguised Jewish slave-labor camp.

Since I have gone into this matter in considerable detail in another chapter, we will not take further space to review this idea here. Both communism and Christianity preach the equality of man. Christianity preaches that we are all equal in the eyes of the Lord, whereas the communists preach that we all must become equal in the communist society. The latter argue that the only reason we are not equal is entirely due to environment, and this little quirk of Nature they are going to correct. By the time they get through processing us all in an equal environment, they assure us they will have leveled us all down to where we are all equal.

This will only be too true, for the White Race will be leveled down to where they are all equal to a horde of miserable slaves, whereas every Jew, on the other hand, will be a king. Not only do both communism and Christianity preach the equality of the individual, but they also preach the equality of races, another vicious lie thrown in the face of Nature. Both creeds have a very tricky dogma that is rather nebulous and confusing, not to say contradictory, in itself. They both, therefore, have set up a hierarchy that interprets what the correct dogma of the day is and everyone is to toe the line or suffer the consequences of an entrenched power structure. Christianity and communism both have had their schisms. In the case of Christianity, the followers that differed were called heretics and in the case of communism, those that stray from the official line are called deviationists. In the case of Christianity, the Great Schism, of course, was during the Reformation when the Protestant segment developed and broke away from the Catholic Church. It then proceeded to split and splinter in a thousand different directions from there on out, all to the detriment and destruction of the White Race. The first great split, of course, was when the Byzantine Empire split from the Roman or Western half.

Among the communists there were a number of schisms such as the Mensheviks and the Bolsheviks, and a number of other schisms, before the communists ever came to power. After they did come to power, there were the Stalinist communists and the Trotskyite communists, the latter being vigorously pursued and purged from the ranks. Now we presumably have the Mao wing of the communist party and for a while we had the Tito deviationists, and so on. In any case, the main idea in Christianity and communism is the same: On top of a confusing and impossible dogma sits a tight powerful hierarchy which dictates and interprets what the line of its followers must be, and terror, death and reprisal are the consequences to those who dare to think for themselves. It is not at all surprising that the archenemy of both these Jewish creeds is Adolf Hitler, because he dared to come out with a healthy, natural social structure that embodied those principles that were in harmony with the natural laws, and with the healthy instincts for the preservation of the White Race. We, therefore, find the Jewish press, the communist press, and Christianity, all in chorus, denouncing Adolf Hitler, and telling us what a terrible, terrible man he was. All perpetrate and repeat over and over again the same Jewish lies about Hitler that the Jews themselves have dreamed up and supplied to their toadying stooges. The similarities between these creeds go on and on. Both preach the destruction of the present society. They especially zero in on the destruction and downgrading of the more creative and productive elements of society as a whole. Both denounce and vilify the better elements of established society and rejoice at human failures and weaknesses, thereby claiming to prove the correctness of their communist-Christian theory.

The Jews, who are the perpetrators of communism, envision the United Nations headquarters to finally rest in Israel and in particular, in Jerusalem. Christianity too, continuously keeps talking about Zion, the New Jerusalem, and looks to Jerusalem as the Holy Land, its origin and spiritual headquarters. Both of these Jewish creeds consistently follow policies which are disastrous to the welfare of the White Race. I have already gone into considerably detail about the catastrophic effects of Christianity on the great White Roman civilization. I have also pointed out previously that the Jews in communist Russia killed off 20,000,000 of the best White Russians. However, the programs and policies of both these creeds extend much further than these two major catastrophes of history and to point out how disastrous the effects of both Christianity and communism have been upon the fortunes of the White Race would require a whole volume in itself. I believe we have scattered throughout this book a mass of such examples that it is hardly necessary to again repeat them here. Another similarity that manifests itself in both of these Jewish creeds is that both have an incurable ability to put forth a profuseness of verbiage that is extremely vague and beclouded with confusion. Not only is the verbiage profuse, but incredibly lacking in substance. This is an old Jewish trick to confuse and confound the minds of their opposition, the latter being deceived into thinking that all this vast

collection of words must have some higher meaning beyond their comprehension.

To further destroy and beat back the opposition, both creeds have developed to a high state the art of hurling vicious trigger words and hate words at their opponents. The Christians developed such hate-trigger words as atheist, heathen, heretic, apostate, blasphemy, pagan, sinner and anti-Christ. The communists have developed a whole stable of similar trigger words, and some of these are Fascist, Nazi, racist, bigot, prejudice, and anti-Semitic. Without anyone really stopping to analyze what each of these words mean and why they should be considered as bad, these words have been developed to a high state of implied evil so that by just merely calling these names, you need not really debate the issues, but mercilessly strike down your opponents without resorting to any debate or reasoning whatsoever. If the similarities between Christianity and communism seem rather striking, there is a very good reason for their parallel ideology. That reason is, of course, they were both concocted by the Jewish power structure for the common objective of destroying the White Race. Unfortunately, up to this point, both their ideologies have been devastatingly effective. It is partially the purpose of this book and the Creativity Movement to confront this devastating attack on the mind of the White Race and expose these twin Jewish ideologies for what they are. Furthermore, I am firmly convinced, and it is my measured conclusion, that the Jews could never have foisted modern communism on a long suffering humanity, had they not First softened up, unhinged and confused the intellect of the White Race with the fallacious snares of Christianity. It is therefore the further objective of Creativity to help straighten out the befuddled thinking of the White Race to where they then can, and will, expunge both of these twin Jewish scourges from the face of this planet.

Jews Owned and Operated the African Slave Trade

With the internet [www = 666], the Jews cannot contain their lies anymore, as the truth is coming out. Some Jews themselves are now admitting publicly that the 'holocaust' is a total lie - [Click Here](#).

Of course, they will try to wheedle their way out of this, like everything else; some billions upon billions of dollars later, and also the so-called 'war criminals' who were unjustly murdered for nothing but a bunch of bullshit lies; also the Jews to extort incredible amounts of money and rob the Palestinians of their land and homes [while the homeless Palestinians have been relegated to being brutalized in camps], based upon more lies in that filthy bible of theirs, which is nothing more than a fictitious history and subliminal tool to give them ultimate wealth and power. 'Thou shalt prosper.' **MAYBE IT IS HIGH TIME THE JEWISH PEOPLE SHOULD START PAYING 'REPARATIONS' WHICH OF COURSE IS ONLY POCKET CHANGE TO MOST OF THEM.**

Another one I want to bring up again and this is definitely worth a read. **OF COURSE WE ARE TOTALLY AGAINST ISLAM**, as this is another Jewish program and those who unknowingly are devoted to this lie are under the psychic control of the Jews, no different from the Christians. But, the following article is well worth reading, especially for African Americans here. The Jews are the ones who should be paying reparations, of which they can very well afford:

**Who Brought the Slaves to America?
By Walter White Jr., 1968**

From:

http://www.radioislam.org/islam/english/toread/who_brought_slaves_to_america.htm

The story of the slaves in America begins with Christopher Columbus. His voyage to America was not financed by Queen Isabella, but by Luis de Santangelo, who advanced the sum of 17,000 ducats (about 5,000 pounds-today equal to 50,000 pounds) to finance the voyage, which began on August 3, 1492.

Columbus was accompanied by five 'maranos' (Jews who had foresworn their religion and supposedly became Catholics), Luis de Torres, interpreter, Marco, the surgeon, Bemal, the physician, Alonzo de la Calle and Gabriel Sanchez (1).

Gabriel Sanchez, abetted by the other four Jews, sold Columbus on the idea of capturing 500 Indians and selling them as slaves in Seville, Spain, which was done. Columbus did not receive any of the money from the sale of the slaves, but he became the victim of a conspiracy fostered by Bemal, the ship's doctor. He, Columbus, suffered injustice and imprisonment as his reward. Betrayed by the five maranos (Jews) whom he had trusted and helped. This, ironically, was the beginning of slavery in the Americas (2).

The Jews were expelled from Spain on August 2, 1492, and from Portugal in 1497. Many of these Jews emigrated to Holland, where they set up the Dutch West Indies Company to exploit the new world.

In 1654, the first Jew, Jacob Barsimson, emigrated from Holland to New Amsterdam (New York) and in the next decade many more followed him, settling along the East Coast, principally in New Amsterdam and Newport, Rhode Island. They were prevented by ordinances issued by Governor Peter Stuyvesant from engaging in the domestic economy, so they quickly discovered that the territory inhabited by the Indians would be a fertile field. There were no laws preventing the Jews from trading with the Indians.

The first Jew to begin trading with the Indians was Hayman Levy, who imported cheap glass beads, textiles, earrings, armbands and other cheap adornments from Holland which were traded for valuable fur pelts. Hayman Levy was soon joined by Jews Nicholas Lowe and Joseph Simon. Lowe conceived the idea of trading rum and whiskey to the Indians and set up a distillery in Newport, where these two liquors were produced. Within a short time there were 22 distilleries in Newport, all of them owned by Jews, manufacturing and distributing 'firewater.' The story of the debauching of the Indians with its resultant massacres of the early settlers, is a dramatic story in itself.

It is essential to comprehend the seaport of Newport. It is important in order to recognize the Jewish share in the Slave commerce. There was a period when it was commonly referred to as 'The Jewish Newport-World center of Slave

Commerce.' All together, at this time, there were in North America six Jewish communities: Newport, Charleston, New York, Philadelphia, Richmond, and Savannah. There were also many other Jews, scattered over the entire East Coast. Although New York held first place in the settlers of Jews in North America, Newport held second place.

New York was also the main source of Kosher meat, supplying the North American settlements, then the West Indies and also South America. Now Newport took over! Newport also became the great trade harbour of the East Coast of North America. There, vessels from other ports met, to exchange commodities. Newport, as previously mentioned, represented the foremost place in the commerce of rum, whiskey, and liquor dealings. And to conclude, it finally became the Main Center of Slave dealings. It was from this port that the ships left on their way across the ocean, to gather their black human cargo and then derive great sums of money in exchange for them.

An authentic, contemporary report, based on authority, indicates that of 128 Slave ships, for instance, unloaded in Charleston, within one year, their "Cargo," 120 of these were undersigned by Jews from Newport and Charleston by their own name. About the rest of them, one can surmise, although they were entered as Boston (1), Norfolk (2), and Baltimore (4), their real owners were similarly the Jewish slave dealers from Newport and Charleston.

One is able to assess the Jewish share in the entire dealings of the Newport, if one considers the undertaking of a lone Jew, the Portuguese, Aaron Lopez, who plays an important part in the over-all story of the Jews and Slavery.

Aaron Lopez

Concerning the entire commerce of the Colonies, and the later State of Rhode Island, (which included Newport) bills of lading, concessions, receipts, and port clearances carried the signature name of the Jew Aaron Lopez (3). This all took place during the years 1726 to 1774. He had therefore more than 50% of all dealings under his personal control for almost fifty years. Aside from that there were other ships which he owned, but sailed under other names.

In the year 1749, the first Masonic Lodge was established. Ninety percent of the members of this first lodge, fourteen all told, were Jews. And one knows that only so-called "prominent" individuals were accepted. Twenty years later, the second Masonic Lodge, "King David," was established. It is a fact that all of these members were Jews.

In the meantime, the Jewish influence in Newport had reached such proportions that President George Washington decided to pay them a visit. Upon his appearance, both of the Masonic Lodges sent an emissary - a Jew named Moses Seixas (4) - to approach the President with a petition, in which the Jews of

Newport stated: "If you will permit the children of Abraham to approach you with a request, to tell you that we honor you, and feel an alliance..... and then: "Until the present time the valuable rights of a free citizen have been withheld. However, now we see a new government coming into being based on the Majesty of the people, a government, not sanctioning any bigotry nor persecution of the Jew, rather, to concede the freedom of thought, which each shares, whatever Nation or Language, as a part of the great Government machine."

It is necessary at this point to consider the disclosures as to who in reality obtained this legendary freedom in America at the founding of the Union. To be sure, the province became independent and severed from the English Jurisdiction. However, we can see from the petition (5) which Moses Seixas offered President Washington in the name of the Jews of Newport, that it was not in reality this type of freedom which they had in mind. They were merely concerned about themselves, and their "own civil rights," which had been withheld. Therefore, following the Revolutionary War, the Jews were accorded equal rights, and freed of all restrictions! And the Negroes? The Revolutionary War notwithstanding, they remained Slaves! In the year 1750, one sixth of the population in New York was Negroid, and proportionately in the Southern parts of the Country, they outnumbered the others, but the proclamation of Freedom did not touch them. More of this later.

Let us scrutinize at close range this dismal handwork of the Jews which gave them influence and power, so we may comprehend the Slave Trade; for there has been so much written since that time by the zealous Jewish writers, that at the present, long since removed, it might appear natural, for the time element has a tendency to make things nebulous.

Let us follow the journey of one ship, owned by a slave dealer, Aaron Lopez, which had made many trips to the African coast.

For instance, in the month of May, 1752, the ship "Abigail" was equipped with about 9,000 gallons of rum, a great supply of iron foot and hand restraints, pistols, powder, sabres, and a lot of worthless tin ornaments, and under the command of the Jewish Captain Freedman, sailed off for Africa. There were but two Mates and six sailors comprising the crew. Three and one half months later they landed on the African Coast. Meantime, there had been constructed an African Agency, by the Jewish slave dealers, who had corralled them, and prepared them for sale. This organization reaching deep into Africa, had many ramifications, including the heads of groups, villages, etc. This method to win over these leaders for the Jewish slave trade, was similar to' that which the Jews had employed with the Indians.

At first, they presented them with rum, and soon found themselves in an alcoholic delirium. When the gold dust, and ivory supply was exhausted, they were induced to sell their descendants. At first their wives, and then their youths. Then

they began warfare among each other, plotted and developed mostly by the Jews, and if they captured prisoners, these, too, were exchanged for rum, ammunitions and weapons to the Jews', using them for further campaigns to capture more Negroes. The captured Blacks were linked two by two and driven through the medieval forests to the coast. These painful treks required weeks, and some of them frequently became ill, and felled by exhaustion, and many unable to rise even though the bull whip was applied as an encourager. They were left to die and were devoured by wild beasts. It was not unusual to see the bones of the dead laying in the tropical sun, a sad and gruesome reminder to those who would later on tread this path.

It has been calculated that for each Negro who withstood the rigors of this wandering, there still had to be the long voyage across the ocean, before they reached American soil, nine out of ten died! And when one considers that there was a yearly exodus of ONE MILLION black slaves, then, and only then, can one assess the tremendous and extensive exodus of the African people. At present Africa is thinly populated, not alone due to the 1,000,000 literally dragged out of huts, but due to the five to nine million who never reached their destination. Once they reached the coast, the black slaves were driven together, and restraints were applied to hold them until the next transport ship docked. The agents—many of them Jews—who represented the Chief, then began the deal with the Captain. Each Negro was personally presented to him. But the captains had learned to become suspicious. The Black one must move his fingers, arms, legs, and the entire body to insure that there were not any fractures. Even the teeth were examined. If a tooth was lacking, it lowered the price. Most of the Jew agents knew how to treat sick Negroes with chemicals in order to sell them as sound. Each Negro was valued at about 100 gallons of rum, 100 pounds of gun powder, or in cash between 18 to 20 dollars. The notations of a captain inform us that on September 5, 1763, one Negro brought as much as 200 gallons of rum, due to the bidding among the agents, raising the price.

Women under 25 years, pregnant or not, resulted in the same measure, if they were well and comely. Any over 25 years lost 25%.

And here it should be stated that those Negroes, purchased free at the African Coast for 20 to 40 dollars, were then resold by the same slave dealers in America for two thousand dollars.

This gives one an idea how the Jews managed to acquire tremendous fortunes. Following the bargaining, Captain Freedman paid the bill, either in merchandise or cash. He also recalled some advice which his Jewish employers gave him as he left Newport for Africa: "Pour as much water into the rum as you possibly can." In this manner the Negro chiefs were cheated two times by the Newport Jews!

The next step was to shave the hair from the head of the acquired slaves. Then they were bound and branded with a hot iron, either on the back, or the hip, identifying them with their owners. Now the Negro slave was indeed the property of the Jewish purchaser. If he fled he could be identified. Following this procedure, there was a farewell celebration. There were instances when entire families were brought out of the interior, to the coast, and then separated through the buyer—the father going with one ship, the sons and daughters into another. These "farewell" celebrations were usually packed with emotion, tears, drama and sadness. There was little joy, if ever.

The following day the transport began from land to ship. It was managed by taking four to six Negroes at one time in rowboats to the ship. Of course the slave dealers were aware of how the Negro loved his homeland above all else, and could only be induced by great force to leave it. So, some of the Negroes would leap into the water. But here the overseers were prepared with sharp dogs and retrieved the fleeing men. Other Negroes preferred drowning. What came aboard alive was immediately undressed. Here was another opportunity to jump overboard and reach land and freedom. But the slave dealers were pitiless and ruthless; they were merely concerned to get their Black cargo to America with the least loss. Therefore, an escapee, recaptured, had both of his legs cut off before the eyes of the remaining Negroes in order to restore "Order."

On board the ship the Negroes were separated into three groups. The men were placed in one part of the ship. The women into another, whereby the lusty Captain arranged it so that the youngest, mostly comely Negro women were accessible to him.

The children remained on deck, covered with a cloth in bad weather. In this fashion the slave ship proceeded on its journey to America. In the main, the ships were too small, and not at all suitable to transport people. They were barely equipped to transport animals, which the Negroes were likened to. In one space, one meter high (39 inches) these unfortunate creatures were placed into a horizontal position, pressed close together. Mostly they were chained together. In this position they had to remain for three months, until the end of the voyage. Rarely was there a captain who sympathized with them or evidenced any feelings whatever for these pitiable creatures. Occasionally they would be taken in groups to the deck for fresh air, shackled in irons.

Somehow, these Negroes were expendable and endured much. On occasion, one of them became insane, killing the other one pressed closely to him. They also had their fingernails closely cut so they could not tear at each other's flesh. The most horrible battles came about among the men, to acquire a centimeter or two for a comfortable position. It was then that the slave overseer stepped in with his bullwhip. The unimaginable, horrible, human excrement in which these slaves had to endure these trips is impossible to describe.

In the women's quarters the same conditions prevailed. Women gave birth to children lying pressed closely together. The younger Negro women were constantly raped by the captain and the crew resulting, thereby, a new type of Mulatto as they came to America.

In Virginia, or in any of the other Southern port cities, the slaves were transferred to the land and immediately sold. A regular auction would take place, following the method of purchase in Africa. The highest bidder obtained the "Ware." In many cases—due to the indescribable filth—some of the Blacks became ill during the sea voyage from Africa to America. They became unemployable. In such cases the captain accepted any price. It was rare to dispose of them for no one wanted to purchase a sick Negro. Therefore, it is not surprising that the Jewish, unethical doctor senses a new form of revenue. They purchased the sick Negro for a small sum, then treated him, and sold him for a large sum. On occasion, the captain would be left with a few Negroes for whom he did not find a buyer. In that case he returned to Newport and sold them to the Jews for cheap domestic help. In other cases, the Jew owner of the ships took them over. This is why the city of Newport and its surroundings had 4,697 black slaves in the year 1756.

Slavery did not extend to the North. Moreover, in many of the North American Colonies, slavery was strictly forbidden. Georgia came under discussion; likewise also Philadelphia. And again it was the Jews who managed a loophole, which had given them freedom following the Revolutionary War, so, they schemed to make slave trading legal.

One had but to read the names of those persons living in Philadelphia who were requesting the elimination of existing laws regarding the slavery dealing. They were: the Jews Sandiford, Lay, Woolman, Solomon, and Benezet. That explained it all! But let us turn back to the slave ship "Abigail." Its captain—and we are reading from his ship's books—did a profitable business. He sold all of his Negroes in Virginia, invested some of the money in tobacco, rice, sugar, and cotton, and went on to Newport where he deposited his wares.

We learn from Captain Freedman's books that the "Abigail" was a small ship and could only accommodate 56 people. He managed, however, to clear from one trip 6,621 dollars, which he in turn delivered to the owner of the ship: one Aaron Lopez.

The staggering amounts of money acquired by the Jew ship owners and slavery dealers is better illustrated when we emphasize the many years in which this sale and purchase of human flesh was practiced. Prior to 1661, all of the Colonies had laws prohibiting slavery. It was in that year that the Jews had become powerful enough to bring about the repeal of these laws, and slavery began in earnest.

The Jews had discovered that the Colonists needed additional manpower to help them clear their fields for planting, helping in the construction of dwellings, and in general to help with harvesting their crops. This was particularly true of the Southern states which we have referred to earlier. The Southerners had vast tracts of rich soil suitable for rice, cotton, tobacco and cane sugar. At first, impoverished Europeans were recruited. English prison doors were opened and finally prisoners of war from England and Holland were brought to the Colonies, made to work until they had paid the cost of transporting them by ship and then set free.

It doesn't take a Jew long to discover what his brothers are doing, so a group of Jews settled in Charleston, South Carolina, where they set up distilleries for making rum and whiskey. They, too, learned that they could trade with the natives on the West Coast of Africa for ivory, and several ships were purchased and sent to Africa, trading the usual glass beads and other cheap ornaments for ivory, which, however, took up but little space on board ship. It occurred to these Jew traders that they could supply the plantations in the South with 'Black ivory', needed under swampy and malarial conditions which European labor could not tolerate without sickness, and which would not only fill the holds of their ships, but bring enormous profits. (This same group had earlier tried selling Indians as slaves but they found them completely unsatisfactory, as the Indians would not tolerate this type of work.) Thus, another segment of the slave trading had become active and profitable out of Charleston, South Carolina. Several shiploads of Black slaves were sent by the Dutch West Indies Company to Manhattan.

During this time there were a number of plantation owners established in the West Indies and two Jews, Eyrger and SayUer, with strong Rothschild connections in Spain, formed an agency called ASIENTO, which later operated in Holland and England. It was through these connections that Jews in Holland and England exerted influence and both of these connections cooperated in helping the Jews provide Black Slaves for the Colonists.

With the yearly capture and transport of one million Black slaves it is not difficult to figure that from 1661 to 1774 (one hundred thirteen years) approximately one hundred ten million slaves had been removed from their native land. About ten percent, or ELEVEN MILLION, Black slaves reached the Colonies alive.

We have talked about the small ship "Abigail" which could accommodate only 56 people and yet the profits per trip were enormous, with little or no investment. There were many other ships but we will concentrate here on only a few, such as the "La Fortuna," "Hannah," "Sally" or the "Venue" which made very great profits. The "La Fortuna," by the way, transported approximately 217 slaves on each trip. The owner cleared not less than \$41,438.00 from such a trip. These were dollars which the slave dealers 'could keep'. And these were dollars of value which would buy a great deal in return.

When one considers that the Jews of Newport owned about 300 slave-transporting ships, active without interruption, docking at Newport-Africa, Charleston, (or Virginia), one can approximate the tremendous earnings which made their way to Jewish ship owners. Indeed, the Jews admit, that of the 600 ships, leaving Newport harbor into all the world, "at least half of them" went their way to Africa, and we know what these ships going to Africa "were seeking."

The fact that Aaron Lopez had control of over more than half of the combined deals in the Colonies of Rhode Island, with Newport, is well-known. The well-known Rabbi Morris A. Gutstein, in his book, *The Story of the Jews in Newport*, attempts to remove these facts, maintaining that there is not any evidence that the Jews were connected with the Slave Trade. It is therefore imperative to prove that the Jew was indeed connected with the slave trading. Especially so since this rabbi insists they had made great contributions, and how very "blessed" their residence became for the city of Newport. Surely Morris A. Gutstein will grant us permission to present the facts which he was unable to find.

Turning to one report of the Chamber of Commerce of the "Rhode Island Colony" in the year 1764, we find, for instance, that in the year 1723 "a few merchants in Newport" devised the idea to send their Newport rum to the coast of Africa. It developed into such a great export that in the matter of a few years "several thousand (hogsheads)" of rum went that way. To which purpose did this rum serve?

The Carnegie Institute in Washington, D.C., presents and makes public authentic documents entitled "Documents Illustrative of the History of the Slave Trade in America". We wish to present a few facts from this particular collection of original documents and scrutinize them at closer range, and not at all to prove the heretofore Rabbi Morris A. Gutstein in error. In this collection of the first American institute of learning, we evaluate the capital "Rhode Island" which contributed the main share of the public documentation regarding the Slave trading. Here we find documented the recipients of the numerous shipping letters, also letters to the Slave dealers, and correspondence to the ship's captains, who were about 15% Jews, living in Newport. Among these we find, for instance, the Jew Isaac Elizar. He wrote a letter to Captain Christopher Champlin on February 6, 1763, saying he would like to be an agent for a load of slaves. Then follows the Jew Abraham Pereira Mendez, and one of the main slave dealers, Jacob Rod Rivera—the father-in-law of Aaron Lopez. And then there is Aaron Lopez, himself, and many, many more other Jews. Although we have considered Aaron Lopez several times, the size of this documented treatise limits us, and we cannot describe all of the writers concerned in the Slavery Dealing correspondence, their names and the special dates—rather, we wish to study the documentation of the 'Carnegie Institute' itself—keeping Aaron Lopez in mind. We wish to see what in the main this Jew was pursuing and what his business was. This is due to the fact that Rabbi Morris A. Gutstein presents him as a "lofty

and fine civilian of Newport" who was so generous and even "made contributions to welfare."

In a great number of published original unprejudiced writings in the Carnegie Institute, we find that Aaron Lopez pursued a tremendous commerce in rum with the African coast in exchange for slaves. These irrefutable facts are as follows:

- June 22, 1764, a letter by Captain William Stead to Aaron Lopez.
- July 22, 1765, a letter by Aaron Lopez to Captain Nathaniel Briggs.
- July 22, 1765, a letter to Captain Abraham All.
- February 4, 1766, a letter to Captain William Stead by Aaron Lopez.
- March 7, 1766, a letter by Captain William Stead to Aaron Lopez.
- February 20, 1766, a letter by Aaron Lopez to Captain William Stead.
- October 8, 1766, a letter by Captain William Stead to Aaron Lopez.
- February 9, 1767, a letter by Captain William Stead to Aaron Lopez.

Aside from that, there are similar statements out of letters by Aaron Lopez in the original, which he directed to the Captains Henry Cruger, David Mill, Henry White, Thomas Dolbeare, and William Moore. Indeed, one letter by Captain William Moore to Aaron Lopez & Company, is particularly revealing, and of special mention at this point. We wish to remark on the main contents of this letter in which Captain Moore writes: "I wish to advise you that your ship 'Ann' docked here night before last with 112 slaves, consisting of 35 men, 16 large youths, 21 small boys, 29 women, 2 grown girls, 9 small girls, and I assure you this is such a one rumcargo (rum in exchange for slaves) which I have not yet encountered, among the entire group there may be five to which one could take exception."

The date of the above letter was November 27, 1773. We have not yet concluded, because of lack of space, the excerpts and grateful compilations made available by the "Carnegie Institute."

On November 29, 1767, the Jew Abraham Pereira Mendez—who had been cheated by one of his kind—from Charleston, where he had journeyed to better control his Black cargo, wrote Aaron Lopez at Newport:

"These Negroes, which Captain Abraham All delivered to me, were in such poor condition due to the poor transportation, that I was forced to sell 8 boys and girls for a mere 27 (pounds), 2 other for 45 (pounds) and two women each for 35 (pounds)." (No doubt, English money)

Abraham Pereira Mendez was very angry and accused Aaron Lopez of "cheating" him. This letter delineates to us that this generous and fine citizen of Newport was insatiable in his greed for money. This is what caused the Rabbi Morris A. Gutstein to present this nobleman, Aaron Lopez, to pursue his objectionable methods. Negroes presented to him but a commodity.

In all of the letters which the "Carnegie Institute" published, it stresses the lack of human sympathy for the poor Negro slaves. This lack of feeling and compassion for the abused and pitiful Blacks at the hands of their Jewish dealers, can be read out of the diary of a captain who manned a ship owned by Aaron Lopez. The entrees concern a trip from the African Coast to Charleston. Moreover, they are authentic documents, published by the "Carnegie Institute" in Washington, D.C., calling attention to an organization which had heretofore known little or nothing about; neither had they encountered further publicity in books or newspapers. Therefore, it is not to be wondered at that the facts of the leading share of American Jews in the slave trade could be pointed out as a monopoly, and unknown to the non-Jewish Americans, including the great masses of people all over the world. Others, however, acquainted with the facts, had good reason to remain painfully quiet.

The captain of another ship, the "Othello" among other things, makes the following entries in his diary:

- February 6th: One man drowned in the process of loading.
- March 18th: Two women went overboard because they had not been locked up.
- April 6th: One man dead with Flux. (No doubt an illness.)
- April 13th: One woman dead with Flux.
- May 7th: One man dead with Flux.
- June 16th: One man dead by Kap Henry.
- June 21st: One man dead by James Fluss.
- July 5th: One woman dead with fever.
- July 6th: One girl, sick for two months, died.

This vessel was on its way for five months. What terrible and unspeakable suffering was the lot of these millions of Blacks, who were torn with brutal force from their friendly African huts, jammed together, like animals below deck, and then sold with less concern than selling a head of cattle. Small wonder that ten of them died, being purchased for just a few dollars, and then sold for the sum of \$2,000.00.

Some Negroes managed, through insurrection, to gain control of one or another ship and turned it around, with full sails, toward their African home. The crew of one slave ship, "Three Friends" for instance, tortured their Black cargo in such a manner that the Negroes reciprocated in a bloody rebellion. They killed the captain and the entire crew and threw the dead overboard. They then sailed back to Africa where they had barely escaped their hard-won freedom.

A similar fate struck the slave ship "Amistad". Among the slaves was the son of an enemy tribal chief. Once the ship was under way, he schemed with his compatriots to attack the ship's crew. Following a bloody battle, they managed to capture the captain. The Negro prince forced him to turn back to Africa, then in the evening, under cover of darkness, he changed his course, zigzagged for months until he came close to the American coast, and encountered a

government ship. This took place in the year 1839 when slave trading was already forbidden and illegal.

The Negro slaves were freed and the captain punished. These sea voyages were not without danger when they had Black cargo, which accounts for the fact that the Jews most always engaged non-Jewish captains.

The slave dealers preferred to remain in their offices and counted the fat winnings following each journey, such as Aaron Lopez, who left his heirs one of the largest fortunes in the New England era.

When reviewing the documented facts contained herein, it is important that one always remembers that it was a lucky captain who did not lose more than 9 out of 19 slaves on the return trip.

It is equally important to remember that these poor Black creatures had to lie in human excrement for the entire trip. Think of it! No wonder sickness and disease took such a high toll. Remember the figures: approximately one hundred ten million Black people were captured and removed from their homeland in Africa. Only ELEVEN MILLION of these Black slaves reached the Colonies alive.

And the Jews still talk about the Germans and Hitler and how six million Jews were exterminated during World War II. This is the greatest LIE ever perpetrated upon the people of the world—whereas the story of the poor Black slaves is documented. Documented with TRUTH. The evidence is still available for the people of the world to see.

The "Carnegie Institute of Technology" is located in Pittsburgh, Pennsylvania.

As this document is distributed, eventually reaching the hands of the Jew, the evidence will probably be removed and destroyed until finally all documentation is removed which is damaging to the Jew. The Jews have been engaged in this practice for centuries. Truth, however—truth which bears fact cannot remain covered or hidden forever—and more truths are being disclosed by those of us who intend to free America of these sons of the devil—the Jews.

The published documentation contained herein was obtained from the Carnegie Institute of Learning, presently known as "The Carnegie Institute of Technology."

The following is a partial of the slave ships owned by Jews:

- 'Abigail' by Aaron Lopez.
- Moses Levy and Jacob Franks.
- 'Crown' by Isaac Levy and Nathan Simpson.
- 'Nassau' by Moses Levy.
- 'Four Sisters' by Moses Levy.

- 'Anne & Eliza' by Justus Bosch and John Abrams.
 - 'Prudent Betty' by Henry Cruger and Jacob Phoenix.
 - 'Hester' by Mordecai and David Gomez.
 - 'Elizabeth' by David and Mordecai Gomez.
 - 'Antigua' by Nathan Marston and Abram Lyell.
 - 'Betsy' by Wm. DeWoolf.
 - 'PoUy' by James DeWoolf.
 - 'White Horse' by Jan de Sweevts.
 - 'Expedition' by John and Jacob Rosevelt.
 - 'Charlotte' by Moses and Sam Levy and Jacob Franks.
 - 'Caracoa' by Moses and Sam Levy.
- Slave-runners, also owned by Jews were the 'La Fortuna', the 'Hannah', the 'Sally', and the 'Venue'.

Some of the Jews of Newport and Charleston who were engaged in the distillery or slavery trade, or both, were: Isaac Gomez, Hayman Levy, Jacob Malhado, Naphtaly Myers, David Hart, Joseph Jacobs, Moses Ben Franks, Moses Gomez, Isaac Dias, Benjamin Levy, David Jeshuvum, Jacob Pinto, Jacob Turk, Daniel Gomez, James Lucana, Jan de Sweevts, Felix (cha-cha) de Souza (known as the 'Prince of Slavers' and second only to Aaron Lopez), Simeon Potter, Isaac Elizer, Jacob Rod, Jacol) Itodrigues Rivera, Haym Isaac Carregal, Abraham Touro, Moses Hays, Moses Lopez, Judah Touro, Abrtham Mendes and Abraham All.

Of some 600 ships leaving the port of Newport, more than 300 were engaged in the slave trade. A typical cargo of one ship, 'La Fortuna', was 217 slaves which cost about \$4,300 and sold for \$41,438.00.

Only about 10% of the slave ship captains were Jews, not wanting to subject themselves to the rigors of the 6-month journey. They preferred to stay at home and continue their distillery operations which continued to supply rum and whiskey to the Indians for many years at a very great profit.

We cannot undertake even this brief history of the modern Jew without taking note of a phenomenon which has confounded Gentile societies for twenty centuries. This is the ability of the Jewish people to collectively retain their identity despite centuries of exposure to Christian civilization. To any student of Judaism, or to the Jews themselves, this phenomenon is partly explained by the fact that Judaism is neither mainly a religion, nor mainly a racial matter, nor yet is it simply a matter of nationality. Rather it is all three, it is a kind of trinity. Judaism is best described as a nationality built on the twin pillars of race and religion. All this is closely related to another aspect of Judaism, namely the persecution myth. Since first appearing in history, we find the Jews propagating the idea that they are an abused and persecuted people, and this idea is, and has always been, central in Jewish thinking. The myth of persecution is the adhesive and cement of Judaism: without it Jews would have long since ceased to exist, their racial-religious nationality notwithstanding.

It is a fact that the Jewish people have suffered numerous hardships in the course of their history, but this is true of other peoples too. The chief difference is that the Jews have kept score. We Must repeat—they have kept score—they have made a tradition of persecution.

A casual slaughter of thousands of Christians is remembered by no one in 50 years, but a disability visited upon a few Jews is preserved forever in Jewish histories. And they tell their woes not only to themselves, but to a sympathetic world as well.

Lopez arrived in the new world as a member of a "Marrano" family with the Christian name of "Don Duarte Lopez." Lopez immediately dropped his Christian name and took the Hebrew name of Aaron and submitted to ritual circumcision. Within twenty years, Lopez owned or had interests in over 80 sailing vessels. Lopez was also one of the original founders and contributors of Touro Synagogue and by the end of his life was recognized as one of the "Merchant Princes" of early America. His merchant trading interests included rum, molasses, dry goods, and African slaves.
4. Moses Levy and the Moses Seixas families both lived in one of Newport's large colonial mansions at 29 Touro Street. Seixas was a founding member of the nation's oldest Jewish Masonic Lodge (King David in Newport) and Grand Master of the Masonic Order of Rhode Island. Seixas was well known as the Cashier of the Bank of Rhode Island. President (Parnas) of Touro Synagogue at the time of the George Washington visit and letter to the congregation, Seixas also performed the Covenant of Circumcision (B'rith Milah). Prominent merchant and trader Moses Levy of New York and Newport was one of several Ashkenazi Jewish families in Newport at that time. Levy owned the Touro Street Mansion and willed the property to Moses Seixas in 1792.

Deprived as we hitherto have been of the invaluable rights of free citizens, we now-with a deep sense of gratitude to the Almighty Disposer of all events — behold a government erected by the majesty of the people—a government which to bigotry gives no sanction, to persecution no assistance, but generously affording to all liberty of conscience and immunities of citizenship, deeming every one of whatever nation, tongue, or language, equal parts of the great governmental machine.

This so ample and extensive Federal Union, whose base is philanthropy, mutual confidence and public virtue, we cannot but acknowledge to be the work of the great God, who rules in the armies of the heavens and among the inhabitants of the earth, doing whatever seemeth to Him good.

For all the blessings of civil and religious liberty which we enjoy under an equal and benign administration, we desire to send up our thanks to the Ancient of days, the great Preserver of men, beseeching Him that the angels who conducted our forefathers through the wilderness into the promised land may graciously conduct you through all the difficulties and dangers of this mortal life; and when, like Joshua, full of days and full of honors, you are gathered to your

fathers, may you be admitted into the heavenly paradise to partake of the water of life and the tree of immortality.

Azazel's Astrology for Satanists

About Astrology

Astrology, when interpreted accurately, is the most detailed and advanced method of divination and is essential to timing rituals and working magick. Nearly all of the ancient megalithic structures were designed to observe the stars and their movements. The four cardinal points used in ritual are based upon the points of the Zodiac, as are the elements. One's astrology chart is a map of his/her soul.

The Gods referred to the planetary tables as the "tablets of destiny/fate." One interpretation of the number 666 is $6 \times 6 \times 6 = 216$. 2,160 years is how long it takes the synetic vernal point to travel through a house of the zodiac. This is the time of an astrological age. "666, is the number of a man" Aquarius, the water bearer. This will be the Age of Aquarius, the age of fire, the Age of Satan.

Astrology is a very detailed and advanced subject, but is well worth the time and study. Most of those who call themselves "astrologers" never advance beyond the elementary level. Most of the mainstream astrology books available are elementary and this makes astrology look bad in the eyes of the public. Many of the books available only tell you about the various *methods* of interpretation, they are unable to interpret the information, so they are useless. When an author writes about "growth," this is a cover-up for "I don't know." A competent astrologer will reveal events in the life.

Important points:

- Learn the 12 signs of the zodiac
- Learn the symbols

Be careful what you believe when learning astrology, if something doesn't apply to you, more than likely it won't apply to anyone else.

I have been honest in all my interpretations. Astrology is different from other forms of divination. Astrology goes deep and reveals many things, some which may be unpleasant to say the least. Astrology is brutally truthful and will more than likely change the way you look at life, as it has done for me. I have studied and practiced astrology for over 35 years. Much of what I have learned has been through suffering.

As for fate vs. free will, I have found knowing about something before it happens, can sometimes give us an edge in preventing it. If you see bad times coming, working to alter the negative energies with consistent applied power meditation, and keeping your energies high will often sublimate the negative planetary

influences. Knowing the effects of the planets is a tremendous help in understanding what is occurring in your own life and in the lives of others.

For example:

- Know why bad times and unfortunate circumstances are occurring, and when they will be over with.
- Know when a love relationship is significant.
- Know ahead of time regarding major life changes and how they will affect you.
- Know the influences of the planets so you can make informed choices.

WHAT ASTROLOGY CAN DO FOR YOU

- Know ahead of time the way the energies in your future will turn. Knowing this will give much insight into the actions you take at any given time. Obviously, you don't want to go out and do anything illegal when Saturn will be transiting your 12th house [possible jail time - I am not advocating anything illegal here; I am just citing an example].
- Use the timing of the universe to assist in your magick. This will work in your favor. For revenge rituals, when Saturn transits the first house of the offending one or when it is retrograding over his/her personal planets[both of these are the worst time in anyone's life], life will already be hard, use this energy to make it worse or to direct it.
- Do You want to now what pleases your lover sexually? The placement of Venus reveals a lot about the love/sexual preferences.
- Do you want to know someone better than they know themselves? Look at their birth date or better yet, his/her astrology chart. Through astrology, we can understand what is going on in our lives and have a better understanding of significant others and ourselves. Astrology explains why people do the things they do.
- Astrology will give you knowledge and power over others. You can find out if people are lying to you, cheating on you, in love with you, hate you and much more.

The down side is knowing about unpleasantness before it happens. Sometimes we see tragedy in other's charts or in our own. People who can't have children, disastrous marriages, unrequited love, and even death.

When you really learn to read the planets, it opens another dimension. Sometimes, things don't always manifest the way we read into them. It is important and *ethical* that you do not reveal anything tragic to others you read for. Satan is ethical and Demons teach us ethics. There is always the possibility it may not happen the way we expect it to. If I see disaster, I tell the person I am reading for to be careful at that certain time.

ASTROLOGY INDEX: SIGNS, PLANETS, ASPECTS AND PLACEMENTS

How to Read an Astrology Chart

Remember, the interpretations for each aspect, house placement and sign a planet is in is taken alone. You must take the placements of the other planets, signs, and house positions into consideration, along with the shape of the chart, and blend in everything. When certain placements and aspects confirm each other in that there are other supporting aspects that emphasize the same personality traits or life circumstances, then an accurate prediction can be made with interpreting the chart. Most charts have supporting placements and aspects, emphasizing certain traits or events in specific areas of the life.

Important Points:

Planets within 5 degrees or less of an angle [Ascendant, Descendant, Midheaven, or IC] or in the angular houses; 1st, 4th, 7th or 10th house are more powerful in their influence. This also includes aspects.

Planets in cadent houses 3rd, 6th, 9th, 12th are weaker.

Planets in their ruling signs are stronger.

Intercepted signs and planets are weaker.

Planets in their exalted signs are stronger; in signs of their detriment or fall, they are weaker. *See link to "noted placements," below.

Jupiter aspecting a planet strengthens and amplifies its placement and traits, Saturn and Neptune weaken it.

The Chart Ruler is the Most Important Planet:

The most important factor in the astrology chart is the chart ruler and co-ruler/s if any. The planet/s ruling the ascending sign/s and planets, if any in the 1st house [co-rulers]. There can be more than one ascending sign, in the case of an intercepted sign in the first house. The planet/s that rule the intercepted sign are co-ruler/s. In a natal chart, the ruler represents owner of the chart. With predictive charts, the ruler of the chart represents the person/entity for which chart is cast.

What Sign is the Ruling Planet In?

Unless there is a stellium, or more than two planets in another sign, the personality will be influenced most by the sign the ruler is in. If there is more

than one ruler, this will add another aspect to the personality, and the reader must blend the two. With three or more chart rulers, the individual is complex, with different aspects of the personality and reactions at different times. If the signs are very different from each other, i.e., Aries and Pisces, the individual can be outgoing some of the time and introverted at other times.

The sign the ruler is in is more important than the Sun or Moon sign.

In what house is the ruler/s posited?

Whatever affairs are ruled by this house, they will assume importance in the life. For example, the chart ruler in the 12th will give psychic ability, the need for solitude, and a shy disposition, unless other factors such as planets in Aries and other outgoing signs contradict this.

What Degree is the Ruler/s conjunct?

If the ruler/s is placed on a degree of significance, such as conjunct a fixed star or on a critical or noted degree, this will affect the life for better or for worse.

Is the Ruler Intercepted or Retrograde?

If the ruler is intercepted or retrograde, the latter half of the life will be better than the early years. A retrograde ruler and indicates a so-called "late bloomer," especially if more than two planets are retrograde. Many planets, even if the ruler/s is direct, when retrograde indicate the above as well.

What other planets aspect the chart ruler?

Where are the Tightest Aspects?

The tighter the aspect, the more pronounced its influence is in the personality and the events in the life. Tight aspects, especially if exact, set off events when contacted by other planets through transits or progressions. Look to the house placements for the type of event and the natures of the planets involved.

Is the Ruler or Other Personal Planets Conjunct any Fixed Stars or Moon's Nodes?

Planets that are conjunct fixed stars will be influenced by the nature of the fixed star. The south node is of fate, for better or for worse. The north node is often indicates special abilities or talents. Always look to the signs and house placements.

Stelliums:

A stellium is a grouping of three or more planets in a certain sign, all connected by conjunction. In a natal chart, the sign will be dominant in the personality, and if the entire stellium is within one house, the affairs of that house will be

emphasized in the life. When the stellium is transited by other planets, major life events will occur, as to the nature of the transiting planets, and the stellium. The areas of life represented by the house that contains the stellium will assume importance in the person's life.

Tight Aspects:

Aspects that have an orb of two degrees or less intensify the influence of the aspect. Exact aspects, especially if more than two planets tie in, are indicative of a life event that is fated.

The Moon's Nodes: Planets conjunct the Moon's nodes are of special importance. The Moon's nodes are of fate. Planets conjunct the north node are often benefitted, but not always. The south node is strongly of fate and when conjunct a planet, especially if tight, this is very fated for the affairs ruled by the house with the sign ruled by the planet.

What Houses are the Moon's Nodes in? Do the Moon's nodes line up with any other degrees in the chart?

Again, this is fated, especially if they line up with two or more planets, angles, or the degrees of certain house cusps. The year a fated event takes place can be seen in one's solar return.

Planetary Configurations:

T-Squares, Grand Trines, Yods, and Stelliums all factor into correctly interpreting a chart.

Overemphasis on or a lack of an element, quality, or aspect, along with unaspected planets, if any are also very important for chart interpretation.

Hemisphere Emphasis:

The majority of the planets on the eastern half [the directions are backwards on an astrology chart] MC [Midheaven] to IC, this person is usually free to make their own way in life and they dislike any interference from others. They are independent, self-starters who rely upon themselves.

With the majority on the western half [IC to MC] there is a strong need for others. Others have a say regarding one's life, and in extreme cases, others can control the person's life. In rare cases, there can be dependence on others for survival, as in cases of physical handicaps.

With the majority in the northern [bottom half of the chart; the ascendant through the descendant], personal privacy is important here. This person needs time alone, along with a sense of security.

People who have the majority of their planets in the south [top half of the chart] are usually outgoing people, who are social. These people don't mind being the center of attention, or before the public. Most are extroverted and enjoy leadership roles.

Planets on significant degrees have a strong influence in the chart and the affairs they rule and/or the affairs of the houses ruled by the signs they rule will be influenced for better or for worse according to the nature of the degree. This also includes house cusps on noted degrees. For example, Mars placed on a bad degree is bad for the affairs ruled by the house with Aries on the cusp, and can also be unfortunate for the house Mars is posited in. Fortunate degrees should be noted to find where one's efforts will pay off, and where natural gifts, talents, and abilities are.

Placement of and aspects to Saturn

Saturn is where we get our ass kicked in life. Aspects from Saturn to the other planets, and the house and sign Saturn is in reveal where we will experience problems, limitations, losses, and denials in life.

Important and Sensitive Points:

The Vertex and anti-Vertex: these are important points of fate like the Moon's nodes. Often loved ones or others for good or ill will have an important planet conjunct the Vertex or anti-vertex. At the first meeting/beginning of a relationship, many times the other person's progressed planet/s will cojoin this point.

The East Point and West Point

When a planet is conjunct one of these points its influence is emphasized in the chart, and the affairs ruled by the house with the sign on the cusp ruled by the planet assume more importance in the life.

The Prenatal Eclipse

This is much like the vertexes, and Moon's nodes in the way of fated relationships, and events in the life.

Planetary Midpoints

Planetary Midpoints are important when there is a planet conjoining them or coming into conjunction by transit or progression.

The Planets: Signs, Houses and Aspects

The Sun: Signs, Houses and Aspects

*Remember, the interpretations below are for the Sun in the signs and houses all by itself. You must take other planets, signs, and house placements into consideration when reading a chart.

The Sun in the Signs

Aries

Outgoing, self-starting, hotheaded, selfish, pioneering, leadership abilities, pushy, bossy, quick to anger, but the anger doesn't last unless there is a strong Scorpio emphasis in the chart. 'Me first' attitude, impatient, competitive, bold, fearless, loud mouthed, and energetic. Aries all by itself is notorious for beginning projects, but not finishing them. The more emphasis on Aries in the chart, the more self-centered the individual will be. Aries people love to talk about themselves, their lives and often disregard the needs of others. They put themselves and their own interests first.

Taurus

Sensuous, stubborn, slow, indulgent, artistic, persevering, fond of good food and material comforts, sensuous, possessive, jealous, good money managers, can be greedy and materialistic, can have an obsession with money. Taurus is one who sticks to plans. If you tell a Taurus or one who has a strong Taurus emphasis in their chart you are going to do something, then follow through on it. They hate to have their plans altered, especially if there is an emphasis on fixed signs in the chart. Taurus is one who dislikes changes, unless there are many mutable signs in the chart to offset this tendency. Though traditional astrology texts claim Taurus is 'slow to anger,' I have found Taurus people can have a tendency to angry outbursts frequently.

Gemini

Changeable, dual nature, spontaneous, intellectual, verbal, fond of learning, reading, active mind, diverse interests, scattered, easily bored, jack-of-all-trades, can do many tasks at once, flexible, adaptable. Geminis have very active minds. They tend to fidget with their hands and have a lot of nervous energy. Geminis can change their mind, alternating between two entirely different points of view at different times, often not knowing themselves which stance they take on certain issues. They can say one thing one time, then say the completely opposite another time. When one is subordinate to a Gemini boss or individual in authority, one often finds one must go with the flow so to speak, as Gemini can change on a daily basis, even going as far as bending or reversing rules, methods of work application and related on a whim. The word 'vacillating'

definitely applies to Gemini. This is especially emphasized when one also has an emphasis on mutable signs in one's chart.

Cancer

Moody, family/home loving, protective, childish, nurturing, clingy, lives in the past, great cooks, food is love to these people, chronic worriers, the women nag, Cancers hate criticism and ridicule, especially when it is in front of others. They make good parents and try to mother others. They hold grudges and never forget an offense. Many Cancer people have a fascination with the past or a certain era or time period of the past. Most Cancers have excellent memories, since this sign rules the past. They tend to take things personally. Many come across as hard and tough, but deep inside they are the most sensitive souls. They are natural born empaths, along with Pisces. They can feel another's pain. Cancers often take abuse from others or attract abusive relationships. This is so because of their opposite- Capricorn, which is ruled by Saturn. This is especially true when Cancer is on the ascendant. They are naturally intuitive and absorb the emotions and feelings of others and their environment. Security, along with a loving home and family are very important to a Cancer's emotional well-being. Cancer is the mother sign of the zodiac and these people are excellent at taking care of others, tending to those who are ill and in need of personal attention.

Leo

Proud, leadership ability, stubborn, inner strength, arrogant, dramatic, loving, hates to fail, loves to brag, loves to be center of attention, show off, generous, creative, fun loving. Flattery will get you everywhere with this sign. Step on their pride and that is unforgivable. Leos need to have fun and recreation. They are natural born actors and have a dramatic flair. Leos have strong wills and their sense of pride can make them fiercely competitive. When their pride is at stake, they will fight to the death. They must be able to express themselves freely for their own emotional and psychological health and well-being. Leos are natural born leaders.

Virgo

Clean, neat, orderly, hard working, hygienic, critical, can be cruel, a perfectionist, detail oriented, health conscious, gossipy, concise, analytical, excellent at getting things organized and done, work is very important, nit picky. Virgo can be one who asks endless questions, especially personal questions. Virgos are naturally critical of others, especially once they get to know you. Work is their life. They are the ones who can be depended upon to get a job done. They have an attention to detail- details most other people often miss. Their attention to detail can make them miss the larger issues. This is a modest and unassuming sign all by itself. They are not inclined to brag unless there is a strong Aries or Leo emphasis in the chart. Being an earth sign, they are practical. They are prudent

with their money and not inclined to spend foolishly or without thought, or to waste anything unnecessarily. They are concerned with their health and many take care as to what they eat, drink, and put into their bodies. Some can become hypochondriacs and over concerned with germs.

Libra

Libras need others. They have a strong sense of fairness and justice. They are artistic, peace loving, well-mannered, good mediators, and will take abuse to keep the peace. They often have a difficult time maintaining their own individuality. Libras abhor bad manners and coarse, crude behavior. They function at their best when they have the support of a partner/lover. They work best with others as part of a team instead of alone. They are as a rule, well mannered, refined, and tactful, unless there is a strong Mars and/or Aries emphasis in the chart. Relationships of all kinds are important to these people. They hate to be alone. The more emphasis on Libra in one's chart, the more there is a strong need for significant relationships in the life.

Scorpio

Strong willed, secretive, strongly sexual, intense emotions, insightful, revengeful, possessive, jealous, detests weakness in others, violent anger, they make very dangerous enemies, natural occult abilities, sadistic. Scorpio is the sign of the natural mage, the gifted, and the adept especially at black magick. Scorpios are exceptionally strong willed, but their intense emotions can be their undoing. Scorpios feel deeply and are rarely neutral on any important subject. They have a very strong sense of justice, never forgetting a kindness but never forgetting an offense against them either. They are ones who are adept at revenge. Unlike Aries, Scorpio's anger is lasting and is like an overturned wasp's nest and can be violent and deadly. One with a strong Scorpio emphasis often has piercing eyes. This is especially true when Scorpio is on the ascendant. Scorpios have a very difficult time detaching. They try to hold on to those who are important to them and also they desire to control them. Scorpio is a controlling and dominating sign. Scorpios have their secrets and are intensely private. They are not one to reveal their personal life to others, even those who are close to them.

Sagittarius

Happy go lucky, rarely learns from mistakes, loves to gamble, loves travel, tactless, irresponsible, loves education, horses, the outdoors; overconfident, better at starting things, than completing them, impractical. Sagittarius is the sign of good luck, as it is ruled by the benefic planet Jupiter. Luck often comes to Sagittarius and this sign has more of its share of millionaires. When Sagittarius is emphasized in the chart, often these people rise to the top in their chosen profession. A predominance of college professors, judges and those who have careers in high places and in the travel industry have an emphasis on Sagittarius

in their charts. They are very fond of the truth and can be blunt and tactless when stating their minds in front of others. They need their freedom. Sagittarius all by itself cannot tolerate possessiveness on the part of others. They are life long students who enjoy learning either formally or on their own. They love travel and have an interest in foreign cultures and peoples. When Sagittarius is strong in the chart, most often the individual will be well traveled.

Capricorn

Old when young, young when old, lacks self-confidence, serious, patient, has much endurance, conservative, cautious, needs to plan activities, needs life to be ordered and defined, prefers to work behind the scenes, shy, sensitive, money is god, materialistic, never gives up. Capricorns have a tremendous sense of endurance. They are the ones who outlast everyone else. They are natural born pessimists, especially in their younger years, looking on the negative side of everything and they can be intensely negative at times. They are reliable and practical. They can also be cold hearted and ruthless. They have a serious nature and are hard working. They are normally conservative with their money and their time. Like Taurus, they prefer to plan things ahead and to stick to their plans. Capricorns are responsible and career oriented. They are ambitious and enjoy being in positions of authority and power, but not inclined to show off or be in the lime light. Capricorns are shy by nature.

Aquarius

Friends are important to Aquarians. They are freedom loving, they like to shock others. They are unique and original, hate possessiveness, work better in a group than individually, and are determined, impartial, rebellious, and stubborn. They look to the future, are natural born inventors, and humanitarians. Equality and fairness are important to these people. Aquarius people are interested in the new, the modern, and the future. They are cool headed and not ones to become overly emotional. They are ones who will stand up and fight for the rights of others and social issues. They are innovators and have little interest or patience with the past and outmoded ways of doing things. These people desire for and create changes when it comes to traditions. They are concerned with humanitarian issues and causes, striving to make the world a better place. In order for Aquarians to be happy, they must have friends. Like Libras, they do not like to be alone and work best as part of a team. Emotionally, they are detached. They are very fond of new ideas and progressive ways of doing things. They are fascinated by and look toward the future.

Pisces

Idealistic, dreamers, masochistic, self-sacrificing, creative, artistic, intuitive, weak, kind, gullible, romantic, self-pitying, extremely sensitive, compassionate, sympathetic, takes on other people's troubles, puts up with abuse from others.

Pisces is the weak sign of the zodiac. When there is a strong emphasis on the sign of Pisces, the individual is often of a weak nature. They are naturally psychic and intuitive and very inclined to daydream and fantasize. When Pisces is very strong in the chart, one can have a masochistic nature. They are natural born empaths, and like the sign of Cancer, they can feel another's pain and suffering. They are extremely sympathetic and compassionate and will readily make concessions and/or self-sacrifices for another. They have a tendency towards shyness and are peace loving. They are one of the easiest signs to get along with in a relationship.

The Sun in the Houses

First house

Gives health, good for recuperative ability, vitality, energetic, gives strength, optimism, strong will, helps offset bad placements in the chart. The Sun in the first is a fortunate placement. This placement gives the ability for leadership. These people are proud and individualistic. Look to the sign the Sun is in for more information as to character traits, as the Sun in the first is a co-ruler.

Second house

Helps with finances, likes to spend money on recreation, athletics, entertainment, and fun. Material items are an expression of the self. The self-esteem is directly connected to one's material and financial status. There is a strong need for financial independence, and self-sufficiency.

Third house

Good for writers, those who have careers in communication, and teachers. Learning and knowledge are important to these people. They take pride in what their knowledge. Brothers, sisters, and neighbors are emphasized in the life. Communications of all kinds are focused upon with the Sun in the third house. These people often educate themselves informally through book learning and other related ways outside of attending a school setting. Their self-esteem is connected with their ability to communicate effectively, and they take pride in what they know. They are life-long students and ask many questions.

Fourth house

Home and family are important. The mother may have been dominant or might have taken the role of the father in raising the child. There is pride in family, and the family and family background is often connected to the self-esteem. Prosperity and security come later in life, especially if the chart ruler or more than three planets are retrograde. Here one wants to dominate the family and takes a leadership role in the home. Early clashes with the parents in some cases were likely. A secure comfortable home is very important to these people. There is

often a fondness for tradition and the past. There can be a strong interest in real estate, land, the earth, ecology and the environment.

Fifth house

Creative, athletic ability, risk taker, competitive, pleasure loving, fond of children and animals. One with a fifth house Sun must be able to express him/herself freely. These people have a strong need for fun and pleasure. They are romantic and dramatic by nature. This placement loves show and being in the limelight. They love to be noticed. Careers in theatre, the arts, dancing, recreation and working with children are favored by the Sun in the fifth house.

Sixth house

The sun in the sixth is a poor placement for health. Work and service are important here, these people can be workaholics, and they are excellent workers. They will put 100% into their jobs. This is not a good placement for one's vitality. The health is often fragile and recuperation following an illness can be lengthy. There is much personal pride in one's work and the self-esteem is directly connected to the work and doing a satisfactory job. People with this placement need to be appreciated and noticed for the work they do.

Seventh house

The marriage partner may be dominant, compares success to that of others, success may come from opportunities and/or assistance provided by others, a strong need for others and a marriage partner. These people do not like to be alone. They take pride in their relationships and their self-esteem is connected to the marriage partner. They are at their best when they have the love and support of a significant other. These people often have a strong influence on the lives of others.

Eighth house

Strong willed. Power is important to these people, interest in self-improvement and application of the will, good for bankers and those who handle the money of others. Many of those in powerful positions have an eight house Sun. There is sometimes in the case of famous people, more recognition after their death. They desire a deep soul to soul relationship with a lover/marriage partner. They have the power to transform themselves and others.

Ninth house

Love of travel, interest in spiritualism, higher education, likes to impose these views on others, these people will travel far from home, other cultures can shape belief system, and there is a love of sports. Self-esteem here is often connected to one's level of education, especially formal education. These people often go for advanced college degrees and educational honors. They are often authorities

on certain subjects and areas of knowledge. They take much pride in their level of formal education, their travels, and what they know.

Tenth house

Powerful or dominating parent, success, power oriented, authoritative, strong will to succeed, ambitious, personal reputation is important, families can be of prominent social standing, wants to set a good example for others, the Sun in the tenth often gives a high position and/or emphasis on the career in the life. Self-esteem is connected to one's social status and the career. Honor and recognition, both socially and in one's career are important to these people. The father was more than likely dominant, important and a powerful lasting influence in the life. These people enjoy being before the public.

Eleventh house

Friendships are important, powerful friends, enjoys leadership with group activities, and help can come from friends. They like to belong to fraternities, groups, and organizations. The social life is important. These people are at their best when working as part of a team. Friendships can last a lifetime. These people usually have many friends and spend most of their time with others. They dislike being alone. They have humanitarian natures and a strong sense of brotherhood and fairness. Often there can be friendships with those who have a strong Leo emphasis, or with those who are in positions of authority.

Twelfth house

There is much psychic ability. These people need some time alone. They are usually shy, and can be lonely souls, as the Sun in the twelfth can indicate loneliness and estrangement from normal human contacts. There is an interest in the occult and in spirituality. They prefer behind the scenes activity. This placement like that if the Sun in the sixth is not favorable for the health. The health is often fragile and attention to diet, hygiene, and exercise is needed. Vitality can be low, especially if there are Sun/Saturn or Mars/Neptune aspects.

Aspects of the Sun

Sun/Moon

The stronger the Moon is in light, the more beneficial its influence in one's chart.

Sun conjunct Moon [New Moon]

This strengthens the house where it is found and gives the affairs ruled by the house special emphasis in the person's life. There is a very strong emphasis on the sign the conjunction is in; unless both luminaries are in adjacent signs. There is a tendency to be very concentrated, putting all of one's energy into something, to the exclusion of all else, with a strong focus in the life related to the house placement.

Sun trine/sextile Moon

Those born during a waxing Moon, if there are few or no planets retrograde, will tend to experience things early in the life, such as love relationships, unless other placements and aspects in the chart contradict this. This is a harmonious aspect for emotional expression. For those born during a waning Moon, and especially if the chart ruler/s and/or more than three planets are retrograde, success will come later in the life. The person is a late bloomer.

Sun square Moon [Quarter Moon]

Family life may have been unsettled, when growing up and parents may have not gotten along. The same applies for the above 'Sun trine/sextile Moon' in the way of life's experiences in regards to a waxing or waning Moon.

Sun opposition Moon [Full Moon]

Here, the individual can swing between opposites. Simplistic and subjective thinking such as seeing things in black and white, good or bad, right or wrong, etc. Relationships are important to this individual and he/she is best when involved with others and not alone.

Sun/Mercury

This aspect gives much mental energy. If combust 1/2 degree to 4 degrees, this can give a person a tendency to jump the gun where thinking is concerned and to be ahead of themselves. The combust conjunction also can give a mental and/or intellectual blind spot in some way. There can be nervousness and a tendency to be high-strung. There can also be problems with the nervous system in some way. Sun/Mercury gives intellect.

Sun/Venus

This is the aspect of the narcissist, as it gives vanity. These people are concerned about their appearance and are the ones who rarely venture out if their hair, clothing and for women makeup are not in place. Much pride is taken in the appearance. Also gives artistic talent.

Sun/Mars

This gives health and energy. With the conjunction, this is strongest. The house with the conjunction will experience much activity. [Look to the affairs ruled by the house]. A strong competitive nature and a desire to achieve are often present. All Sun/Mars aspects help with the energy, vitality, and recuperative abilities. There can be a tendency to headaches and fevers. This aspect also gives aggression and self-assertiveness and is very helpful in offsetting planetary placements and aspects, which encourage shyness. The houses with Leo and Aries on the cusps will be emphasized in the life as areas of much focused activity.

Sun/Jupiter

This is an aspect of over confidence, even with the soft trine and sextile. With the hard aspects, one will make themselves at home in another's place of residence, taking over. They often act like they own everything, whether it belongs to them or not. They can be very arrogant and imposing. This also gives energy and health, but lesser than Sun/Mars. In charts where there is a tendency towards low self-esteem, shyness, and such, this aspect can be of some help, but most often, there can be a split in the behavior, swinging from overconfidence and arrogance to feelings of inferiority.

Sun/Saturn

Low self-esteem, low energy/vitality, problems with and/or estrangement from the father in childhood. There are often problems with men for both sexes, but especially for women. Reserved in self-expression, can make a person awkward or over serious. For women, the husband/partner can be more like a father figure, dominating or restricting. When transiting Saturn makes its first hard aspect to the Sun in a young girl's life, often around the age of 13-14, she may develop an outright hostility towards her father. This often lasts through the life. Look to the houses where the hard aspects are taking place and where the Sun is placed to see where the individual feels lacking in self-worth. With the hard aspects [the opposition, conjunction, square and inconjunct], marriage usually comes late in life. The trine and sextile aspects often give longevity and are more toned down in their affects as to the above, adding seriousness and discipline to the personality.

Sun/Uranus

Independence is very important to these people and they hate being told what to do. Here we have the natural born rebel. They dislike conformity, routine and have somewhat of a high-strung nervous temperament. Most people with this aspect are very original and unpredictable. There can be a natural talent for working with electronics. These people are very willful.

Sun/Neptune

This aspect brings confusion about the self, and self-deception. These people are often confused as to their abilities and personal self. These people sometimes feel over confident, other times they doubt their abilities. Growing up, there was often much confusion in the home, especially with the hard aspects. One or both parents may have been inconsistent in the areas of setting rules, administering discipline and such. This aspect [especially with the hard aspects-the conjunction, square, opposition and inconjunct] indicates a father who was addicted to alcohol and/or drugs. Sun/Neptune hard aspects are often present in the charts of those who have a weak father. Many, again with the hard aspects, were victimized by their father in some way, even if the father did not intend this.

Bad advice from the father when growing up and often a general bad example is common with the hard aspects. The soft aspects such as the sextile and trine give strongly developed intuition and psychic abilities. The soft aspects can also bestow creative talent in the arts, in acting and with dancing.

Sun/Pluto

With Pluto, the Sun being a parent planet, representing the father [the Moon represents the mother] with the hard aspects, the father may be controlling, dominating and possessive. In some cases, the father dies early. The father is often of considerable influence and importance in the life, either through loss, or an abnormally close relationship or through his attempts to dominate and control. The father is often seen as powerful and imposing. This is true with even the soft aspects.

Sun conjunct the north node [born during an eclipse]

This bestows special abilities and gifts, usually of an occult nature. This is not good for the eyesight though.

The Moon: Signs, Houses and Aspects

THE FIRST HOUSE:

Angular

House of Life

The first and most important of the four angles, the first house rules the self and represents the self; one's body type, one's potential for leadership, the personality, the view of the world, the physical self, one's appearance, the physical health of the body, one's beginnings in life, the self image, outlook, and how one projects oneself. This is the most important house in a natal chart.

THE SECOND HOUSE:

Succedent

House of Substance

Rules: Money, material possessions, material desires, material and financial gain, or loss of income, and the earning and spending capacities. The second house also reveals one's material values, how one spends his/her money, and how one attracts money.

THE THIRD HOUSE:

Cadent

House of Relationships

Rules: Brothers, sisters, relatives, neighbors, communications, early schooling, short distance travel, the immediate environment/neighborhood, automobiles, buses, trains, the ability to learn, radios, TVs, newspapers, thinking, the manner in which one communicates, physical actions, skills, speech and the eyesight, hearing and manual dexterity.

THE FOURTH HOUSE:

Angular

House of Endings

Rules: The home, the mother, the family, one's early childhood, the conditions in old age, all things domestic, and one's psychological foundations. The fourth house rules the place of birth, one's domestic property, real estate, land, the underground, mines, and other subterranean places.

THE FIFTH HOUSE:

Succedent

House of Life

Rules: One's children, one's first child [the second child is ruled by the 7th house, the third by the 9th, the fourth by the 11th and so on, each skipping a house], how one has fun, athletes, athletics, acting, recreation, love affairs, theatres,

gambling, risk taking, games and sports, and one's creative potential. The fifth house also rules one's pets.

THE SIXTH HOUSE:

Cadent

House of Substance

Rules: The health, day to day work and service, what you give, small animals, cleanliness, hygiene, food preferences, people who are under your supervision at work and your attitude towards them, clothing, servants, climate/weather and its affect on your health, routine responsibilities and daily tasks, and one's type of work.

THE SEVENTH HOUSE:

Angular

House of Relationships

Rules: The marriage/significant partner, the second child, other people in your life, the law, lawsuits, how others treat you, the people you attract as partners, contracts, agreements, open enemies, rivals, the grandparents on the mother's side, business partners, what one attracts in regards to a partner, and one's interactions with people in general.

THE EIGHTH HOUSE:

Succedent

House of endings

Rules: Sex, death, taxes, inheritances, money one owes, the partner's finances, what one receives from others, the kind of death one will have, deep soul mate contacts, changes brought about by a major crisis, legacies and wills, how one evolves through suffering. The eighth is the house of the occult, the spiritual and is a house of power.

*Planets in the eighth, if they are ruling any of the houses of relationships, the people ruled by the house, may die. For example- Sagittarius on the cusp of the third [house of siblings]; with Jupiter in the eighth; a brother or sister may die prematurely. This is only a possibility. The eighth house is also the house of extreme power. If one's marriage ruler is placed in the eighth [ruler of the 7th in the 8th], the partner may be exceptionally important and powerful. Eva Braun, who married Adolf Hitler, had the ruler of her marriage house in the 8th house.

THE NINTH HOUSE:

Cadent

House of Life

Rules: One's second spouse, one's third child, one's in-laws, and one's religious and spiritual beliefs, long distance travel, universities and higher education, one's grandchildren, one's writing potential. The ninth house rules publishing, foreign

countries and cultures, people of other races, foreigner peoples, anything international, advanced training, law suits (along with the 7th house), legal decisions, judges, and one's overall beliefs and philosophies.

THE TENTH HOUSE:

Cardinal

House of Substance

Rules: The Career, fame, public standing, one's father, one's reputation, one's rank, people who are in positions of power such as one's bosses, and the government, along with one's attitude towards authority figures.

THE ELEVENTH HOUSE:

Succedent

House of Relationships

Rules: Friends, groups, goals, associations, organizations, hopes and wishes, social activities, the third spouse, and step children.

THE TWELFTH HOUSE:

Cadent

House of Endings

The 12th house is the house of sorrow. In a positive sense, it is the house of psychic ability. It rules and represents the psyche, the unconscious, secret enemies, self-undoing, secrets, and skeletons in the closet. The twelfth is the house of confinement, illness, seclusion, institutions, hospitals, large animals, one's innermost secrets and emotions. It rules imprisonment, and prisons. The twelfth is the house of secrets.

Planets in the 12th, the affairs of the houses they rule are subject to misfortune. Victimization, resentment, loss, disappointment, and misfortune can occur regarding the affairs of the houses that have their rulers placed in the twelfth house. The 12th is a powerhouse of psychic ability and energy, when properly sublimated.

Mercury: Its Signs, Houses and Aspects

Mercury in the Signs

Mercury in Aries

These people often have powerful voices, and can be loud mouthed. They are outspoken, and have a tendency to say the wrong thing at the wrong time. Even when they are not angry, their tone of voice often sounds as if they are. They enjoy argument and are intellectually competitive. They can have an irritable nature, along with a hot temper. Impatient by nature, they tend towards being impulsive and not thinking before acting or making decisions. They prefer to make a decision and to get it over with. The mind is very active, and these people can have trouble concentrating or settling it down. The mind with Mercury in Aries often races and jumps from one thought to another, even thinking several different things at once, unless there is a strong aspect from Pluto, which can counter this. They have creative ability in the way of being original. They are verbally assertive and will often say what they think and feel regardless of the consequences. Mercury in Aries also bestows agility, manual speed and dexterity and athleticism. They dislike long, winded lectures and ways of learning. They want to get straight to the point, taking the fastest way there.

Mercury in Taurus

These people like to take their time before making important decisions. They prefer to be thorough and know all of the facts, as they like to stick to their plans and follow through on their decisions. They are practical and slow to form opinions. Mercury in Taurus gives strong powers of concentration. Taurus, a fixed sign gives focus. Once these people form an opinion, they will rarely change it. Unlike Mercury in Aries, they tend to speak deliberately, not on a whim. They do not waste their words. They are doers, rather than thinkers, preferring action rather than talk, and can have a gift for business and finances. They are also intellectually and mentally determined and focused.

Mercury in Gemini

Mercury is at home in Gemini. Here, the mind is quick, receptive, and curious about nearly everything. These people are gifted with all forms of communications. They love to talk, write, use the computer, read, and use their minds. They tend to know a little about everything. They have a tendency towards indecision and can change their minds repeatedly, as Gemini is of a dual nature. In some cases, they can have trouble finishing what they start, as they tend to get bored easily and can jump from one project to another, leaving a trail of unfinished business. Their minds are quick and agile. There is also a tendency towards being easily distracted and an inability to get the mind to focus and settle down. They are excellent conversationalists and nearly always have something

to say. They enjoy playing games that require using the intellect. This placement also gives mental and manual dexterity.

Mercury in Cancer

These people usually have excellent memories, and enjoy talking about their families and loved ones. People with differing opinions can be threatening to these people, who take their beliefs and opinions personally. Differences of opinion are often taken as personal criticism and/or attacks. They tend to take everything personally. Their emotions are strongly identified with their thinking. This placement gives strong intuition and an ability to feel what others are thinking and experiencing emotionally. Normally, they are conservative in their opinions and beliefs, which make them feel more secure. They can be subjective and biased in their thinking.

Mercury in Leo

These people take pride in what they know. They are usually the ones to give others advice, whether or not the others ask for it. They see their own opinions as the only ones that matter, and whether others might agree never enters their minds. They are strong willed and focused. This placement gives much intellectual pride and self-confidence, and makes one delight in being an authority with their chosen area of knowledge or subject/s. Because Leo enjoys being the center of attention, Mercury in Leo can give a gift for speaking before crowds and for lecturing. It can be difficult for these people to see, let alone acknowledge other people's point of view. Their own point of view and beliefs are often all that matter to them. They love to brag about their latest accomplishments, and have a gift for leadership.

Mercury in Virgo

People with Mercury in Virgo are organized and systematic. They are critical, analytical and often see the smaller details that other people overlook. They keep things to themselves out of shyness, but complain later on, when they should have said something earlier. They can have trouble speaking up for themselves, and stating what is on their mind, preferring to keep their thoughts to themselves. They have mathematical ability and are talented writers. Mercury is also in its home sign in Virgo. Unlike Mercury in Gemini, these people have more focus and mental endurance and tend to complete their projects instead of leaving things undone. They are good workers and apply their minds to their work and towards improving things regarding the work. They are perfectionists by nature. Mercury in Virgo also gives manual dexterity, along with an active and agile mind. They can tend to be overly critical of themselves and of others.

Mercury in Libra

These people are generally tactful in their speech. They are well mannered and

as a rule, dislike arguments. They can be influenced by others' opinions. They are methodical and prefer to look at all sides and aspects to a situation before making a decision. Because of this, they can tend towards indecisiveness at times. They are objective and unbiased in their judgments as they value justice and fairness. Coarse, crude, loud, and foul speech is a turn-off to them. They are refined and value good manners, not only in themselves, but in others as well. They are not ones to raise their voice, as they tend to be calm and collected in expressing themselves. They can tend to daydream about romance and relationships; this is often on their mind.

Mercury in Scorpio

Mercury in Scorpio gives the gift of concentration and a natural ability in working magick- focusing the desires and will. These people have the gift of being able to visualize. Meditation can come easier for them. They have sharp penetrating minds and are secretive and cynical by nature. They are naturally intuitive and are excellent at research and detective work. They are not satisfied with superficial knowledge, but like to probe the depths of things, discovering and knowing the secrets of others. Once they make up their minds about something, no one else can persuade them otherwise. They are emotionally attached to their beliefs and ideas. They are the intellectual non-conformists. Their beliefs are often unorthodox and unique to themselves, and no rational arguments based upon logic will change their minds. They say either what they think and feel or remain silent. They like to get to the point in their communications, and often for this, they lack tact. Their minds can be fixated on thoughts of sex at times.

Mercury in Sagittarius

These people are usually very curious and interested in everything. They are life-long students who enjoy and value learning, many times informal learning. They are optimistic by nature, unless there are strong aspects to Saturn or a Capricorn emphasis in the chart. Because Sagittarius is the sign of foreign peoples, lands and travel, these people often have a gift for learning other languages. They love to talk and communicate, especially when they are able to share what they know. Forethought is very important to them. While they value tradition, they do not like being indoctrinated with dogma. They are very frank, honest, to the point, and direct in their speech. This placement is good for teaching, speaking, writing and all forms of communications and any work within institutions of higher learning such as universities.

Mercury in Capricorn

Like Mercury in Scorpio, those with Mercury in Capricorn have the ability to focus their minds for extended periods of time. They are patient and persevering. They can tend towards pessimism and are not idealists, but realists. They look for the practical, the tried and true. They are observing of their surroundings and little

escapes their notice. Mercury in Capricorn is not gullible. This placement can be a big help for those who have a prominent Pisces or Neptune in their charts, as Mercury in Capricorn keeps one down to earth and less likely to be taken in by scams or deluded in some way. They are ones who think before they speak, and are not very talkative by nature. They can be shy and prefer only to converse with those whom they are close to. They like to apply any knowledge they have in a practical sense. Knowledge for the sake of knowledge is usually not of value to them. Knowledge is only important if it can be applied in some practical way. They can lack confidence in their knowledge and intellect, believing they do not know as much as others.

Mercury in Aquarius

These people look to the new, the future, and the original in their thinking. They are rebellious by nature and look to change existing conditions and make new reforms. They are bored with tradition, especially if it conflicts with proven facts, and are inventors and innovators by nature. Their minds are active and can race between one thought and the next. Often, these people have a talent for working with and understanding electronics, computers, and also the fields of science and mathematics. They are often interested in bettering humanity and also in the occult/spiritual and astrology. They are gifted by being unique and have much originality and creative ability.

Mercury in Pisces

These people have powerful imaginations with a strong tendency to daydream. Because they have vivid thoughts, they have a gift for visualization. They are also very intuitive by nature. They often base their thoughts, ideas, and opinions upon their gut feelings and intuition. Because Pisces is a dualistic sign like Gemini, these people can have a lot of trouble in making up their minds, even more so than those with Mercury in Gemini. Pisces is a weak sign. These people are often easily influenced by those with stronger beliefs and convictions, and can alternate between points of view and find it difficult to take a firm stance as to what they really believe in. Like Mercury in Capricorn, Mercury in Pisces can be shy in communicating with others and/or speaking before large numbers of people. They are highly creative, having wonderful imaginations, and have a talent for the arts, such as music, dancing, poetry, painting, and theatre. They must guard against letting their powerful imaginations get out of control, as well as falling into drug/alcohol addictions, because Pisces is a weak sign, in rare cases there can be a loss of contact with reality.

Mercury in the Houses

First House

Mercury in the first house gives a strong emphasis on communications in all forms. These people can also be natural athletes, especially if Mars is emphasized in the chart. This placement gives the gift of manual dexterity, agility and a quick witted, alert nature. They are aware of nearly everything and little that goes on in their environment escapes their notice. They are talkative and also enjoy writing. Most people with this placement have above average intelligence. They are intellectually competitive and competent in argument and debate. It is very important for these people to be able to express themselves verbally. They enjoy learning, and are curious. Intellectual games such as crossword puzzles and other word games appeal to these people.

Second House

These people like to spend their money on books, videos, DVDs, computer software, education, and learning. This is an excellent placement for writers and anyone who earns their living through communications. They have a gift for knowing how to make money, such as analyzing stocks and also knowing what sells at any given time. They apply their knowledge and intelligence towards making money.

Third House

Mercury is at home in the third house. Often, these people are above average in intelligence. They are very talkative and have an interest in communications of all sorts. There can be a sibling with a Gemini/Virgo and/or Mercury emphasis in their chart. They often use the phone a lot, as well as spend much time writing. These people are often ones that are on the go and can be restless. There is a talent here for communications of all kinds. They are gifted speakers, writers, and teachers.

Fourth House

Often, the mother has a strong Gemini/Virgo and/or Mercury emphasis in her chart. Education and learning can be a major focus in the home, especially when growing up. The parents may be well educated, and the home may even have a library or other educational resources within. In some cases, there can be frequent changes of residence, even living in a recreational vehicle and/or living nomadically, as Mercury has to do with movement. Much communication often takes place within the home. These people may even work out of their homes, having their own office in part of their house.

Fifth House

These people often have intellectual children or a child with a strong Gemini/Mercury or Virgo emphasis in their chart. The children are often above average in intelligence. These people are excellent scriptwriters, they have a

talent in theatre, and they enjoy puzzles and intellectual games for recreation. This is an excellent placement for schoolteachers, as the fifth house rules children and Mercury rules all forms of communications and gives a gift for teaching.

Sixth House

This placement may indicate that continual study and learning is necessary for one's job, such as a medical doctor who must constantly keep up on new information to stay current. They are perfectionists, and can have a tendency to overwork. As with Mercury in the third house, Mercury is at home in the sixth. These people make excellent workers and employees. They value their work and have an eye for details that others often overlook. Communications of all kinds are often emphasized in the work these people do. If Virgo is rising, the person can be a neurotic neat freak. In some cases, there can be nervous disorders, problems with speech and/or hearing/eyesight. Look to see if there are any tight aspects between Mercury and the chart ruler for the possibility of this. They value cleanliness, attention to one's health, hygiene, and organization. They are strong on duty.

Seventh House

There can be marriage to a younger or intellectual partner. The partner can have strong a Gemini/Virgo or Mercury emphasis in his/her chart. Open and free communication in love relationships is very important to these people. People with a seventh house Mercury are usually at their best with a supportive partner with whom they can communicate. They value intelligence in a marriage partner, as well as a good education. Intellectual types turn them on.

Eighth House

These people usually have strong, focused minds. They have a talent for and an ability to communicate with the dead, as well as abilities in all other areas of spirituality and the occult. They tend to be secretive and enjoy doing investigative work. When death comes, it may be from respiratory disorders, or disorders of the nervous system. These people hold grudges and secretly plot their revenge. Telepathy may come natural to many with this placement. They like to uncover the secrets and motives of others, but reveal little of their own thoughts and motivations, as they are secretive by nature. People with this placement are naturals when it comes to black magick and all forms of other spiritual applications of the mind and soul. Sexual gratification often comes from also engaging the minds of these people, as well as the physical act itself. They can tend to think about sex quite a bit. People with an eighth house Mercury miss very little. They are aware of and watch what goes on around them. They are fascinated with the spirituality, hidden mysteries, and the occult.

Ninth House

Many teachers, college professors, philosophers, and publishers have this placement. They love travel and are fascinated with foreign peoples and cultures. They may speak or write regarding religion. They are attracted to study and travel and are life long students who enjoy learning about the world. They are excellent at teaching and inspiring others. Ninth house Mercury people are easily bored and dislike routine or remaining in one place for too long. They have a wide variety of interests unless the chart shape is in a bundle configuration.

Tenth House

These people often work as journalists, writers, in the media, and in areas that require extensive communication. The father may be intellectual or have a strong Gemini/Mercury, Virgo emphasis in his chart. They plan their careers and require the necessary education for them. Those who have Mercury in the tenth house often communicate frequently with people in positions of power, with writers, and others who work in communications. Other career possibilities include publishers [along with the ninth house], printers, speakers, salespeople, those who work with computers [especially in regards to communications], telecommunications, and transportation. These people are often seen as and are remembered for being intellectuals.

Eleventh House

The friends of the people who have this placement can often be younger, intellectual, and/or have a strong Gemini/Virgo or Mercury emphasis in their charts. These people enjoy belonging to groups where there is a strong focus on communications and education. They enjoy learning. They seek out intelligent friends with whom they can openly communicate on just about any subject. Friends often share similar interests of an intellectual nature. In some cases, a brother or sister may be their best friend.

Twelfth House

These people have a superior ability to communicate with Demons, spirits and other entities. The astral vision is often well developed and they are able to see spiritual entities as well. This placement favors mediums. The decisions these people make are often based upon feelings and intuition, rather than logical reason. With mercury in the twelfth, there is a tendency to reveal secrets, either deliberately or accidentally. In some cases, there can be neuroticism, mental illness, and learning disability, reading problems or other mental blocks, especially if Mercury is retrograde. These people are natural worriers, and can have a difficult time concentrating and focusing on one single thing, as they often have many different thoughts running through their active minds. They have an above average ability for detailed work, as well as planning and organization.

There can be misfortune or problems with the houses that have Gemini and Virgo on the cusps.

Mercury in Aspect:

Mercury/Venus

There is a strong talent for writing poetry, composing lyrics, pleasing verbal expression, and personal charm. Most people born with this placement have artistic ability and a sense of beauty. Ugliness and anything seriously unpleasant can have a very negative and deep lasting effect upon them, quite similar to those who have Mercury/Neptune and Venus/Neptune aspects. This aspect is good for singers, and gives a naturally pleasing voice. Many composers and songwriters have this aspect. They have the ability to communicate things that are unpleasant in a positive manner and are excellent mediators. This aspect makes one social.

Mercury/Mars

This person has a mouth. They are frequently sarcastic, along with a sharp intellect and wit. The humor is often dark, sarcastic and to the point. They are excellent at argument and debate. Very outspoken, they are never at a loss for words and often instigate arguments with others. People with this aspect, especially the conjunction, square, and opposition, have a gift for honing in on the weaknesses of others and when provoked, they use this in verbal confrontations, regardless of whom they might offend. They are straight to the point, blunt and often tactless in their communications. This is an excellent aspect for reporters, journalists and others, as it gives verbal aggression.

Mercury/Jupiter

These people often acquire good educations, and are life long students. They are talkative and intellectual, enjoy travel, and have a sense of humor. This aspect inclines one to exaggerate things, and those with this aspect often have big ideas. These people may study many different subjects at the same time, as they have a very wide variety of interests [unless the chart shape is in a bundle configuration]. People with Mercury/Jupiter aspects, especially the hard aspects are quite talkative. They are often know-it-alls and believe they are in the right regardless of the situation. This aspect gives speaking ability, along with a gift for inspiring others through their communications. Hard aspects often bring extensive travel in the life.

Mercury/Saturn

This placement gives a tendency to pessimism, depression, and worry. Often the person's education was not finished or not sufficient in some way. These people are hard working and thorough in regards to study and learning. They are

skeptics by nature and often can only see the negative side of life. In some cases, there can be problems with hearing, vision, and communications, but one must look to other factors in the chart to verify this. They are worriers by nature, and can tend to have anxiety concerning the future. There are often problems in regards to the affairs of the houses ruled by Gemini and Virgo and also the house containing Mercury.

Mercury/Uranus

I have seen this aspect in the charts of geniuses, meaning the IQ is above 180 [extraordinary intelligence], which is like one in a million. In one case, the Mercury/Uranus aspect [exact square], lined up on the same degree with the ascendant/descendant axis, and with the other, the aspect was exact and lined up with the chart ruler on the same degree. Uranus is the higher octave of Mercury. There is a natural ability for the sciences, with mathematics and all advanced areas of study. The ideas are original and often way ahead of their time. This aspect nearly always gives superior intelligence along with a rebellious nature. The new and unusual fascinate these people. They tend to get bored easily and can be of a high-strung temperament.

Mercury/Neptune

These people make excellent liars, and in rare cases, if Neptune is prominent and other factors in the chart support this, there can be an inability to separate truth from lies, with a tendency to pathological lying [though this is not too common]. Sometimes secrets are accidentally revealed. The mind is disorganized; one is scatterbrained, and prone to frequent daydreaming without focus. Mercury Neptune aspects make it difficult for one to focus and concentrate. There can be tendencies to dishonesty, and this aspect is often seen in the charts of thieves. These people can be elusive and deceptive, especially if Neptune is prominent. Mercury/Neptune aspects give psychic ability and a talent for telepathic communications. These people have a need and a love for music. They need to listen to music that they enjoy to balance their psyche and to calm their nerves.

Mercury/Pluto

These people enjoy snooping into other people's business, as they are nosy by nature. This aspect bestows the ability to concentrate, and is excellent for the workings of magick. These people have very powerful and penetrating minds. They have a talent for investigating things and enjoy solving mysteries and other enigmas. They are naturally strong willed and many have an ability to dominate others, just through their thoughts and feelings, especially if Mercury and Pluto are in hard aspect to each other with a tight orb. This is one of the best aspects for mages/sorcerers.

Venus: Signs, House Positions and Aspects

The planet Venus reveals much about the sex/love preferences

Venus in the Signs

Aries

These people enjoy the chase. If the object of their affections comes to them too easily, they often lose interest. They desire outgoing athletic partners who can keep up with them, and who will actively share in their interests. Once they know they have completely conquered a lover, they lose interest, as they begin to take him/her for granted. Love is a contest with these people. They want you to make the first move, but don't do this. Let them make the first move, of which they will if they have any serious interest in you. They have a need for upsets in love, especially if Venus is in hard aspect to Mars. When things run smooth, they lose interest, so they start arguments and can do other things to shake up the relationship. They enjoy seeing their partners get jealous, but they themselves cannot handle jealousy. They can seriously overreact.

Those with Venus in Aries are selfish lovers. They are often concerned only with their own pleasure. Putting your arm around their neck, messing up their hair, kissing them on the ears and neck, running your finger across their lips; these moves turn them on. Some Venus in Aries women like their men with razor stubble, rubbing against their faces when kissing them. Some enjoy rough sex. Give it right back to them. Stand up to them. They lose interest when they know they can dominate you. Change yourself every so often to keep his/her interest, as they get bored easily. Venus in Aries people do not get on well with water signs who are sensitive, emotionally needy and must have security in their relationships. Venus in Aries can be very abrasive, unless there are a lot of planets in Pisces, Cancer, or other water signs.

Taurus

Venus in Taurus people need to be touched. Wear soft sensual fabrics such as silk, satin, angora, velvet; as this will turn them on. They can have sex in the same position, at the same time every day, variety is not essential here, unless Uranus aspects Venus in the chart. They can get real jealous and possessive. Taurus is a jealous sign; they need security in a relationship. Feed them a full home cooked meal with the food they loved as a child; the food of their own country. Good food is essential to their wellbeing. Watch a video and have all night sex. Your sexual pleasure is very important to them. Fake it if you have to.

Kissing them on the neck and shoulders is a turn on. They also love to cuddle. Make them feel as secure, comfortable, and luxurious as you possibly can. Never hurt them or they will stay away forever. Commitment is important to them. They

prefer to have sex at home. Always do your best to keep up with their sexual demands, especially in the beginning.

Gemini

Here we have the person who can carry on two or more affairs at the same time and love each person for their own unique individuality. Venus in Gemini is the most inclined to cheat.

They are inconsistent in their emotions. Good talk, intelligence, and lots of interesting conversation will keep them interested. Venus in Gemini men love intellectual and intelligent women with whom they can communicate on nearly everything. These people like to brag to others about their sex lives [usually a close friend]; they enjoy talking about love. They can often lose interest as the years go on, as they get bored easily. They like to remain friends with their lovers even long after the relationship is over.

They enjoy kissing. Keep kissing them deeply while you're having sex. They get jealous, but they don't understand or tolerate jealous feelings in others. When they turn off sexually, the relationship is over with. They can be superficial in love, as their feelings don't run too deep, [Gemini is intellectual and an air sign], unless there are many water signs in their charts to offset this. Hold their hands, keep them guessing, indulge them in gossip; they love it. They like to experiment and appreciate variety in sex.

Cancer

Don't tease or ridicule Venus in Cancer people personally. These people are super sensitive. The men love their women to wear feminine clothes. They want a lover/partner who makes them feel secure and at home. Never forget their birthdays, anniversaries or other important personal days. They are basically insecure and afraid of rejection. Most men with Venus in Cancer are attracted to women with large breasts. Most of the women enjoy their breasts gently kissed, and fondled.

Always be on friendly terms with their families. Even if they criticize their family members, make sure you don't join in on it. It's ok for Venus in Cancer people to complain about their families, but not for outsiders. It is best to say nothing. These people enjoy deep soul kissing. Never talk about former lovers, as this makes them feel insecure. They need to be frequently told they are loved. Hold their hands, cuddle them, and touch them regularly. The men like their women with a maternal, nurturing quality. Career driven, strong independent women turn them off. Like with Venus in Taurus, feed them a full home cooked meal with the food they loved as a child; the food of their own country. Good food is love to these people.

Leo

Flattery will get you everywhere with these people, but make sure it is sincere, as they can detect phoniness. Laugh at their jokes, and compliment them, but again...be sincere. They must always have your full attention. They cannot tolerate being second in your life or your putting the needs of others [even family] before them. Let them know how much you love them and enjoy them, even if they don't seem real interested in you. Never be cheap or stingy when giving them gifts. They enjoy massages. Dote on them and love them. Venus in Leo people are romantic. Always be at your best in the way of proper dress, good manners, and actions when you are with other people, as Venus in Leo people need to take pride in their partners. Never do anything disgraceful or anything that would make them look bad.

Virgo

Always be clean! Always be freshly bathed before you have sex with these people. Brush your teeth, and make sure to use decent mouthwash! Smell freshly clean, and by this, don't use tons of perfume or cologne. Just don't ever smell bad or lack hygiene, which is a total turn off to them. Venus in Virgo people usually single one person out and will concentrate on that one person whether they are available or not. These people normally don't date just for fun, but only if sincerely interested.

Some have unusual fetishes and are attracted to lovers with poor health or physical problems. Their fantasies have intricate details. Sex is seen as essential for physical health. They are very selective in regards to whom they give their love. Emotional security is important for their relationships. They are not very romantic. They show love in the way of doing things for you, taking care of your needs and in other practical ways. It is important to have good manners.

Libra

Always be very well mannered. Don't use bad language, don't be overly loud, don't interrupt, or be crude in any way. Always be refined. These people hate to be alone and relationships are of extreme importance to them. Their lives are incomplete without a lover. They are very considerate lovers, putting their lovers' needs above their own and they usually treat their partners very well. Never leave them out of any activity or any thing else, they need to be a part and to do everything together. Leaving them out only will make them feel unwanted and rejected.

A lover/ partner can be physically unattractive, but he/she will be beautiful to the person with Venus in Libra. The men like their women to act like a perfect lady. The strong independent type of woman who is completely self-sufficient is a turn

off to them. Both sexes take pride in their personal appearance and will go to great lengths to look good.

Both sexes enjoy having their buttocks caressed. Venus in Libra is romantic in the extreme. A lover's sexual pleasure is of the utmost importance to them. They are overly concerned whether you have a good orgasm and enjoy sex with them.

Scorpio

These people can have some pretty nasty fetishes. They are strongly sexual, possessive and jealous. They enjoy having sex in the nude. They can go for a long time between affairs, as they take love very seriously and it is all or nothing with them. They can be loners. Never talk about their sex life, their secrets, or their personal lives to others; this will really turn them off. They are secretive by nature and any betrayal of trust is unforgivable. Loyalty is of exceptional importance to them and they mate for life. Their feelings run deep, they desire the perfect soul mate; a soul to soul deep, intense love relationship, especially if the chart has other water signs to back this up. They can become obsessed with a lover.

Both sexes enjoy oral sex. The genitals are the erogenous zones and special attention to these will get you everywhere with one who has Venus in Scorpio. Become an adept at oral sex and you can be sure to own them. Take the Scorpio man into the shower and give him a soap job. They love the water and sexual massage.

These people can become violent and vindictive if a relationship is broken off, so use caution in this area. Don't ever joke with or toy with their jealous natures, as they can become explosive and violent. Venus in Scorpio is obsessive, especially in love. Their jealousy can be very dangerous, even deadly. They may successfully hide their jealousy, especially with a twelfth house Mars or Mars retrograde, but it is always there. If there is a predominance of water signs, Pluto/Venus aspects or a strong Scorpio emphasis in the chart, no amount of love is enough love for these people. Like the saying goes..."If you could get any closer...you'd be in back of me." "I love you to death."

Sagittarius

Sex out of doors can be a thrilling experience and a turn on for them. Their personal freedom is important to them. They dislike possessiveness and displays of jealousy. They are brutally honest, and do not like lies or any phoniness. They will respect you for your honesty. They take romance lightly and love to flirt. Kiss and massage the inner areas of their thighs, near the genitals. They get bored easily and are often the first to try a new position or method of sexual intercourse. The men often have a fetish for legs and buttocks. They like their

women to wear stockings and high heels during sex. They like to have their loved ones think and believe the same as they do and will try to convert you.

Capricorn

Don't show physical affection in public, they don't like it. Never grab them in front of business associates or social acquaintances, but in private, don't keep your hands off of them. Personal power and status turn them on big time. They may try to buy you in some way. These people are cautious, practical and traditional in their love relationships. They are not very quick to make a commitment.

They may appear to be uninterested, but chances are that they are really very shy. Capricorn is the sign of endurance and most of the men have tremendous staying power. Venus in Capricorn is persistent and when they are interested in you, they will never give up pursuing you until they have won you over. Security is very important to them in their relationships. Some can tend towards being dominant and sadistic and to certain perversions where sex is concerned. Any woman who teases a Venus in Capricorn man is likely to get raped.

Aquarius

These people are not especially passionate, as Aquarius is an intellectual air sign. They prefer to be cool. They get bored easily so try to be spontaneous. They like spur of the moment romance and the unexpected. Sex in public places where there is risk of being caught appeals to many of these people. They enjoy pairing up with someone from an entirely different background/status/religion, etc., as long as this person is entirely different, individual, and original. Venus in Aquarius could care less what others think. They enjoy shocking others.

Never try to dominate or control these people, as they need lots of space and personal freedom in a love relationship. Be a friend to them as well as a lover. The women are independent, value individuality and refuse to be dominated by men. Both sexes value intelligence, independence, and nonconformity in their partners. Venus in Aquarius can be cold in their love relationships.

Pisces

These people like to date for the fun of it. They are forever looking for the ideal perfect lover and nothing less will do. They do a lot of lying to themselves, and are extremely sensitive, emotional and romantic. They desire the perfect soul mate, a spiritual union where they can merge completely with their loved one, soul to soul.

They are sympathetic and compassionate, unless the Sun is in Aries, which can offset this. They are taken in by any sob story and often try to play savior to drug addicts, people into self-destruction, and others who are professional victims and who refuse to help themselves. Venus in Pisces can be very self-sacrificing in

love. They need to feel needed. Men with this position are often attracted to women who are feminine, fragile, sensitive, and delicate. Always tell them you love them and mean it, or they will feel hurt, sulk, and become uncommunicative. They have a streak of masochism and can sacrifice much for love.

Venus in the houses

1st house

These people are often physically attractive, with a strong aura of charisma and charm. They dress stylishly and attractively. They are by nature sociable, well mannered, and artistic. They dislike confrontations and are diplomatic.

2nd house

Money spent on art, cosmetics and/or other things of beauty. These people are attracted to the finer things and luxuries. Many have a hard time saving or holding onto any money. Money can be acquired through art. Venus in the second house is a frequent position for artists who earn their living through their works. The women are extravagant and the men can spend too much money entertaining women. There is a pronounced love of money and the things it can buy.

3rd house

People with this placement have a talent for poetry and can write beautiful letters. They verbally express themselves in a very pleasing manner, and many have a talent for writing. As a rule, these people dislike loud, crude behavior and communications. Foul language can be a turn-off for them. A sibling may have a strong Taurus/Libra emphasis in his/her chart, and/or a prominent Venus. Relations with siblings are usually pleasant, unless Venus is in hard aspect to a malefic or on a bad degree.

4th house

There is often a strong emotional attachment to the home and domestic scene. These people decorate their homes and like for them to be places of comfort and beauty. Friends and lovers are entertained in the home. The mother may have a strong Taurus/Libra, emphasis in her chart and/or a prominent Venus. These people must have harmonious surroundings in their home lives. A discordant, stressful, hostile home life is very harmful to them. They have a strong need for security in their living situation. This placement indicates a comfortable environment and situation towards the end of life.

5th house

People with this placement are very romantic by nature, and love is very important for their emotional and psychological wellbeing. Venus in the fifth gives creative and artistic talent along with good taste. One's first-born child may have

a strong Taurus/Libra emphasis, and/or a prominent Venus in his/her. These people are generally popular and well liked, and have a deep love of children. One's children are likely to be beautiful and talented.

6th house

One's work can involve the arts in some way, such as theatre, painting, sculpting, drawing, cosmetology and/or music. Other possibilities with this placement include working in health, recreation and/or the fitness industries. The health is generally not robust, but can improve with age. There is a potential for problems involving the throat and neck, and eating too many rich foods and sweets can cause health problems for these people. Venus in the sixth house is common for being married to a co-worker, or meeting a lover/partner through work. Venus in the sixth makes for pleasant working conditions unless other factors in the chart contradict this.

7th house

People within this placement need to have a significant and secure love relationship/marriage in order to be happy and fulfilled. They would rather work with others than work alone. They dislike being alone, and are social by nature. As a rule, they dislike any open confrontations and desire peaceful relations with others. People with this placement often put the needs of others before their own; they are considerate, sensitive, and caring. The marriage partner can have a strong Taurus/Libra emphasis in his/her chart and/or a prominent Venus. This placement can bring a happy, pleasant marriage, unless other factors contradict this. Venus in the seventh is good for those who deal with the public, and success can come from the assistance and good will of others.

8th house

People who have Venus in the eighth house have deep, intense emotions, a jealous nature, and are highly sexual. These people desire deep soul-to-soul love relationships. Financial gain along with a gain in social status can come through marriage, or inheritance. When one does, the death is often peaceful unless other factors in the chart contradict this.

9th house

There is often travel for pleasure, a love of philosophy, culture, religion, and education. Marriage partners can be met in foreign countries or come from a completely different background and culture. These people try to convert their loved ones to their own beliefs. This placement also gives a talent for and a love of writing and teaching. There is a strong sense of justice and fairness. Venus in the ninth often brings profitable, harmonious relationships with in-laws. There is much appreciation of art and music.

10th house

As with Venus in the sixth house, the career can involve the arts, entertainment, theatre, painting, sculpting, drawing, cosmetology and/or music, and working with beauty in some way. This placement brings good relations with and friendships of those in power, and a pleasant working environment. One's father may have a strong Taurus/Libra emphasis in his chart, and/or a prominent Venus. Unless other factors in the chart contradict, these people enjoy being before the public.

11th house

There can be friends of the opposite sex, and lovers/partners are often met through group activities and associations. One's lovers must also be friends and a marriage relationship often started out as a friendship. Friends can be artists or musicians, or people who work with beauty in some way. Group and team relationships, as well as friendships are often friendly and harmonious. These people are social and enjoy belonging to a group and/or being part of a team.

12th house

These people are prone to having secret love affairs. There is often shyness, loneliness, and problems in love. They have a compassionate and very sensitive nature. Partners on both sides can threaten suicide if relationship is broken off in some cases. When the love life is unsatisfactory, these people often withdraw into their own private worlds. They desire the perfect soul mate. In many cases, this placement can bring extraordinary creativity, musical and artistic talent.

Aspects to Venus

Venus/Mars

These people often have intense emotions and a passionate nature. They are 'all or nothing' in their attitudes, and either love something or hate it, with no in-between. They can be very demanding in their love lives, insisting that their lover give them plenty of attention. This aspect, unless it is trine or sextile does not make for a smooth love relationship. If there were bad relations with the parent of the opposite sex when these people were growing up, this can affect the partners one attracts for worse. In some cases, especially with the hard aspects, there can be physical violence in one's relationships. If other factors in the chart support these tendencies, one can have crude behavior, especially with the hard aspects.

Venus/Jupiter

A Venus/Jupiter conjunction brings fortune to the affairs ruled by whatever house it is found. These people are charming, well liked, self indulgent, loving, sociable, and optimistic by nature. This is a good aspect to have, as others will be of help in the life. This aspect does not make for much self-discipline, as it tends to

laziness and a love of luxury and comfort. People with strong Venus/Jupiter aspects can be overweight because of too much eating. They are usually very loving people.

Venus/Saturn

These people have inhibited emotions, which they usually keep in check. They can appear to be very aloof, cold, and reserved. In many cases, one or both parents were hard and/or unloving. There is often shyness, along with misfortune in love and sometimes poverty. People with Venus in aspect to Saturn will often remain in a bad relationship out of duty. They can feel they are unworthy of love and happiness. They may find it difficult to lighten up and have fun, especially if Saturn is in Leo.

Venus/Uranus

These people are independent and need freedom in their love relationships. They are attracted to the unusual in their choice of partners and also enjoy experimenting sexually. Relationships can begin and end very suddenly and without warning. This aspect does not make for smooth or stable relationships. They are often attracted to those who are different, original, and unique.

Venus/Neptune

This is the creative aspect par excellence, and is often found in the charts of composers, musicians, artists of all kinds and those who have exceptional creative talents. These people are extremely sensitive with very rich imaginations and are idealists by nature. They long for the perfect lover and are highly romantic. Anything extremely unpleasant or ugly can affect them deeply and leave a lasting negative impression. They are perfectionists in their love lives, seeing their lover as perfect, and this often causes them disappointment when the lover does not live up to their expectations. They are prone to fantasy, which usually revolves around romance. They are compassionate and can be self-sacrificing. In some cases, one with this placement can fall in love with someone who is not available or unobtainable, such as a film star, or famous musician.

Venus/Pluto

This aspect can bring trouble. The nature is often obsessive, and the emotions are very powerful, intense and with the hard aspects in tight orb, can even be out of control. These people can never get enough love. When they fall in love, they often lose control of their emotions. This is the aspect of 'fatal attractions.' If the love is unrequited, an unhealthy obsession can develop. In some cases, intense love can turn into intense hatred. These people are jealous, possessive, and controlling. They can be stifling and should never get involved with freedom loving signs. They desire total possession of their beloved. When this aspect is activated by a transit or through progression or worse, with one's Venus making

an aspect by progression to the Pluto of the one who has this aspect, fatal attractions often occur.

Mars: Its Signs, Houses and Aspects

In Aries

Those with Mars in Aries are confident, highly competitive, aggressive, courageous, enthusiastic, bold, honest, and are never afraid to take a stand. Never one to back down, as a rule, they are hotheaded and often irate about something. Though the temper is hair trigger temper; their anger does not last long. Mars in Aries can offset low self-esteem aspects and shyness in a chart. This placement also gives health, much energy, and strong vitality, but is common with having headaches. If there are other Aries planets in the chart and/or an emphasis on fire signs, there can be much self-centeredness and a lack of awareness regarding the needs of others. These people are fighters and enjoy combat and friction. They are born leaders. Mars in Aries is bossy and pushy, often with a big mouth, especially if prominently placed. An emphasis on water signs can offset these tendencies.

In Taurus

People with Mars in Taurus are sensuous with a strong sexuality. This placement gives determination and endurance. As with Mars in the second house [the second house is ruled naturally by Taurus], the energies are focused on acquiring material possessions and wealth. Mars in Taurus can give artistic talent along with fine tastes if there are other placements and aspects within the chart that support this. The nature is persistent and stubborn. Mars in Taurus gives a strong physical constitution and the ability to recuperate. These people are capable of performing difficult and demanding physical labor, unless other factors in the chart strongly contradict this. They are known for their thorough approach, operating at a slower pace, with attention to details. Mars in Taurus is jealous and possessive by nature in regards to love.

In Gemini

These people are talkers. They love to talk and to express themselves. They can be fidgety and become bored easily, being high-strung with an abundance of nervous energy. Women with this position are attracted to lovers who are highly intelligent and communicative. They can be inclined to cheat when in a love relationship, especially if they feel they are not being treated well, or if they grow bored, much like the men who have Venus in Gemini. The mind is active and there is a fondness for word puzzles and similar games that engage the mind. Mars in Gemini is good at argument. These people can be prone to indecision and often change their minds and stances on different topics, especially if there is an emphasis on mutable signs in the chart. The energies are focused into communications and intellectual activities. Mars in Gemini is not favorable for staying power and many who have this placement often begin projects of which they get bored with and are off to something new; finishing very little. This

placement gives dexterity and physical coordination, especially if other placements in the chart support this.

In Cancer

These people are born Worriers, they often hold their anger inside and can have stomach trouble from this such as ulcers. When the anger is expressed, it is often in the home, among family members. Security is very important to them. The energies are directed into the home and family life. They often find it hard to assert themselves, and will beat around the bush so to speak and sulk when their needs are not met. They can be moody, touchy, easily upset, and volatile. The men often have trouble expressing softer emotions. Both sexes are inclined to hold grudges. In some cases, as with Mars in the fourth house, there can be domestic violence in the life.

In Leo

These people have an enormous amount of personal pride. They are born show offs, and know how to impress others. They are natural leaders, are creative, and have a strong will. There is a need for independence and self-sufficiency. They expect complete and total devotion in love. Anyone who is in love with a Mars in Leo person should give him/her as much attention as is possible, for the relationship to be happy. There is much energy, willpower, and creativity. Mars in Leo gives acting ability. As with other fire signs, there can be self-centeredness, with a lack of awareness regarding the needs of others. This placement gives self-confidence, and can offset aspects that give low self-esteem. There can be exceptional talent in the arts and with music, especially if other factors in the chart support this.

In Virgo

The energies are focused on work. These people are competitive in their work, and make excellent workers. They have an eye for detail and are thorough. They are clean, neat, and organized by nature. Mars in Virgo can nag and criticize endlessly. They can point out and see faults in things and people that others often overlook and miss altogether. There is also a strong interest in hygiene and health. If other factors in the chart support this, there can be a tendency to hypochondria. Mars in Virgo is a perfectionist and can be very particular and fault finding. The digestive system is sensitive and there can be stomach upsets from worry. The temperament is often nervous and irritable. They find lazy people to be intolerable. They are responsible, reliable, and hard working.

In Libra

Energies are focused on relationships. These people are peace loving. Mars is in its detriment in Libra and the aggressive, quarrelsome nature is greatly offset. They have a very strong sense of justice and fairness. Because the assertive

tendencies of Mars are neutralized, especially if there is a strong emphasis on earth and water signs in the chart, these people can have a difficult time with being direct. They may hint at what they want and act out in certain ways that need to be interpreted and read by those who know them. They can hold their anger inside rather than inviting an open confrontation. Like Mars in Gemini, they can be prone to indecision and can change their minds often, along with their points of view and stances on things. They are at their best when in a loving supporting relationship. These people value cooperation with others, and can be peacemakers.

In Scorpio

Mars in Scorpio gives a very strong will and personal intensity. These people can see through the weaknesses of others. They can make for deadly enemies and have a strong sense of justice. They are vindictive and if someone wrongs them or a loved one, they will exact their revenge, even if it takes years. They do not forget an injustice. They are not ones to openly express their anger, but rather they smolder. This position gives a talent for concentration, focus and for meditation. They are natural mages and many have a talent for black magick that is inborn, from previous lives. The sex drive is very strong and pronounced. Energies are focused on sex, spirituality, and occult subjects. When pushed, the anger can be like an overturned wasp's nest. They are possessive and jealous in their affections. They demand total devotion and loyalty in a love relationship. If this is betrayed, they can become deadly. Rarely neutral about anything, they are strongly opinionated and either love something or hate it. The emotions are very deep and intense.

In Sagittarius

Mars in Sagittarius gives an honest nature. These people are adventuresome; they love travel, the outdoors, and are restless and energetic. Like Mars in Gemini, they can be fidgety, easily bored and they can have trouble sitting still for too long. They often feel they are invincible and take high risks, as Sagittarius is the sign of gambling. Their optimism and confidence many times bails them out of even drastic situations. There can be problems with gambling and impracticality, in repeating the same mistakes and not learning from past experiences. When sublimated, energies are focused into higher education and learning. These people can be life-long students. Mars in Sagittarius gives natural athletic ability and a love of sports, especially if other factors in the chart support this. They are direct, blunt in their communications, opinionated and have strong beliefs.

In Capricorn

The energies are channeled into the career and professional ambitions. They can start out small but end up in very high positions. Mars in Capricorn gives a

methodical nature, along with plenty of perseverance and endurance. This placement can offset the scattered energies and lack of follow through of planets in mutable signs. There can be workaholic tendencies, along with a talent for business. Much effort can be put into attaining a position of status. Like Mars in Taurus, these people are focused on material and financial gain. They are efficient, practical, responsible, self-disciplined, and reliable. Like Mars in Virgo, they have very little patience with those who are shiftless and lazy. They can be cold, calculating, usurious, and selfish if the energies of this placement are not sublimated, or if other factors in the chart encourage this. There can be problems with the bones, skin and teeth.

In Aquarius

Energies are focused on friends and group activities. These people prefer teamwork to working alone. They are very individualistic and enjoy the unique and eccentric. Justice and fairness are extremely important to them. They value their independence and freedom. If others attempt to control them, they will react and rebel. They are attracted to humanitarian concerns and often work to make positive reforms that are helpful to society. This placement often gives scientific ability, with a strong interest in the future, technology and the advancement of humanity. They have little patience with old outworn modes of doing things, structures, and like to replace these with new and better methods.

In Pisces

Those with Mars in Pisces are often shy, withdrawn, and even timid. Like those with Mars in Libra, they can have a difficult time expressing their anger. The aggressive and assertive tendencies of Mars are watered down in Pisces. There is often a lack of self-confidence and the ability to stand up for one's self. The vitality is often low. They can be reclusive and withdrawn, unless there are other planetary factors to offset this. In extreme cases, there can be celibacy and a denial of physical pleasure. The sensitivity is very pronounced. These people can be prone to being used and dominated by others. They are compassionate and empathetic towards the sufferings of others. Energies are often channeled into fantasy and daydreaming. This placement can give artistic talent, a strong sense of idealism, and refined tastes in music and the arts. Mars in Pisces weakens the nature, especially if there is an emphasis on mutable signs in the chart.

Mars in the Houses

1st House

These people often have abundant energy. The vitality is strong and there is much physical activity. Mars in the first house can offset other planetary aspects that undermine one's physical health and strength. Mars in Aries gives good

physical health, stamina, and strong recuperative powers. Mars is strong in its natural house, the first house. These people are very competitive and often have a natural talent for sports. They are bold, courageous, pioneering and have little patience. The complexion can be ruddy and facial scars are not uncommon. The nature corresponds to Mars in Aries in many ways. This placement can offset low self-esteem and shyness, as Mars in the first house is outgoing and confident by nature. There is military talent and ability and a fondness for combat and martial pursuits

2nd House

These people prefer to run their own businesses, rather than work for someone else. Money is often spent quickly, as these people are prone to buying things on impulse. They are very possessive and controlling of what they own in a material sense. They are not ones to lend their belongings to others and should someone else damage or ruin anything they own, they can become violent. There can be fighting, stealing, and dishonesty to acquire material means. Money is often spent on sports, martial pursuits, and athletics. Boxing tournaments, wrestling and other competitive sports attract these people. Energies are channeled into finances and materialism. They can be very impatient regarding what they want materially. When they see something they want, they want it now.

3rd House

These people excel in argument. They have active minds and are outspoken. There is a talent for communications in all forms. The sense of humor is often sarcastic and there is a bluntness of speech, which can be offensive to others. They often enjoy argument for the sake of argument. Fighting and friction with siblings is very common with this placement, especially in the early years. There is a lot of mental activity and energy. In some cases, one may live in a dangerous area throughout the life, a place of violence and crime, as the third house also rules the immediate environment and neighborhood. There can be friction and other problems with one's neighbors. The energies are focused on plenty of activity in the immediate environment, in communications, and day-to-day short distance travel and activity, as in running errands. There can be a sibling with a strong Aries or Mars emphasis in his/her chart.

4th House

If other factors support this, the domestic/home life and environment can be violent and abusive, especially in the early years. This can be carried over into the adult life where one is angry, even violent, and aggressive in the home and towards the family. One or both parents may have been abusive. Anger is often repressed and erupts later in the life in spurts, unexpectedly. As the fourth house is also the house of old age and the end of life, Mars in this house gives plenty of vitality and energy that lasts through the end.

5th House

These people have a strong need for self-expression, recreation and fun. People with this placement are natural athletes, and enjoy sports. One can have a child with strong Aries/Mars in his/her chart, along with a very independent character. These people make good little league coaches and have a talent for working in athletics and with children. The energies often are directed into sports, athletics, and activity involving children. There is a strong competitive spirit. This placement gives creativity and a sense of drama. They often make the first move when they find a potential love interest. They can be domineering and doctorial towards children in their care.

6th House

Energies are channeled into work. There is a tendency to having migraine headaches, fevers, and inflammatory disorders. Work can involve tools, cutting instruments, machinery, and/or weapons. Surgeons often have this placement. These people have little patience with those who are lazy. There can be workaholic tendencies along with possible accidents at work. This placement can bring competition, conflict, arguments, and clashes with co-workers. There is talent and aptitude for a military career, or any work involving martial occupations.

7th House

The marriage partner may be violent and even abusive. This placement does not make for harmony or happiness in marriage. The marriage partner may have a strong Aries/Mars, and/or an aggressive, violent nature. Mars in the seventh is often seen in charts where there is physical abuse. Being in its house of detriment, the one whose chart this is in often has a difficult time standing up for him/herself.

8th House

There is a possibility of a violent and sudden death. The sex drive is well developed and strong, needing an outlet. People who have this placement often dwell on sex. Sex is extremely important to them and they have an above average occupation with it. Desires are very intense. There is a natural talent for sex magick, along with a strong interest in the occult, the afterlife, and the spiritual. There can be disagreements and even fighting over joint finances/property, inheritances, taxes, and debts.

9th House

These people often push their beliefs upon others. This placement often occurs in the charts of religious fanatics and other zealots. When sublimated, the energies are channeled into higher education, publishing, authoring, and learning. Mars in the ninth gives a strong interest in travel and a fascination with

other cultures and lands. In some cases, there can be violence coming from those of a different culture or racial background. Accidents, danger, and violence can occur during long distance travel. Relationships with in-laws can be full of conflict, animosity and stressful. These people can be very biased, narrow-minded, and one sided in their views, believing that they are the only ones who know or who are correct in their opinions.

10th House

There is often an intense ambition and a need to be noticed. One's father can have a strong Aries/Mars emphasis in his chart, and/or in some cases, may be of a violent nature. As with Mars in the sixth house, there can be disagreements and conflicts on the job and with the career. These people are at their best when they are self-employed, as they do not get along well with those who are in positions of authority. This placement favors military careers, politics, and corporate management, and gives a talent for leadership, especially in the work environment. In some cases, there may be an obsession with power. Mars in the tenth works better alone, preferring to work for him/herself, rather than for others. Work can become an obsession while they may neglect their families and partners.

11th House

These people make for leaders in regards to groups and teams. Friends can be self-centered, bossy, and domineering and/or have a strong Aries/Mars emphasis in their chart. Energies are focused on friends and group activities. There can be memberships in groups with a focus on sports, athletics, and/or martial interests. There can be fighting and friction in one's friendships.

12th House

In some cases, this placement may bring an attack of violence when one is a child. Being physically beaten often leaves a lasting scar on the psyche. Most often, these people were not allowed to express their anger when they were children and as adults, they have a difficult time appropriately directing their anger as adults; they tend to hold their anger inside, repressing rage. There can be a talent for meditation and the spiritual. These people often operate better in working behind the scenes. They are not very competitive and dislike any confrontations. This placement can undermine one's self-confidence, and self-esteem.

Aspects to Mars

Mars/Jupiter

Jupiter amplifies the Martian tendencies towards risk taking, aggression,

assertiveness, and impatience, especially with the hard aspects. Mars/Jupiter can offset other aspects that tend towards low self-esteem, shyness and a lack of confidence. This aspect gives athletic ability, and can give energy, vitality, and good health. There is a tendency towards impulsiveness and taking action before thinking things through or giving any consideration. Mars/Jupiter, especially the hard aspects also give military talent and aptitude.

Mars/Saturn

When this aspect, especially the hard aspects is in the charts of men, there can be hang-ups about their masculinity in that they never feel manly enough. In extreme cases, there can be sexual impotence. Mars/Saturn hard aspects are often seen in the charts of those with military careers and high rank, as it gives a strong talent in this area. These people can be mean, strict, and hard. The trine/sextile aspects give patience and a good sense of timing. The square/opposition/inconjunct aspects can give a tendency to having accidents. There is a talent for anything martial, such as working with weapons, explosives, a talent in the martial arts and in sports. There can be disagreements and even violence with the father, and other authority figures. All Mars/Saturn aspects give a sense of strong self-discipline.

Mars/Uranus

Freedom is very important to those who have this aspect. They can be high strung, rebellious and very revolutionary. There is a talent for working with electricity and mechanics. This aspect also gives much charisma, and personal magnetism. There can be a tendency towards having accidents. These people often have a strong need for excitement, as they are easily bored. In many cases, those with this aspect are impulsive and do not consider the possible consequences of their actions. They jump into situations without thinking or planning ahead. This aspect can place a strain on the nervous system, where one's nerves can get overworked if one is pushed too hard for too long.

Mars/Neptune

Mars Neptune aspects tend to a lack of energy and vitality. There can be allergies, poor health, and a lack of energy. These people are often impractical, and have unrealistic goals. They are impressionable, and open to deception. This aspect often gives a talent for the spiritual. The psychic nature may be well developed and there is much sensitivity. Quite often, these people are pessimists and are too quick to admit defeat. They get frequently discouraged and are escapist, and quitters. Mars/Neptune weakens the will and character.

Mars/Pluto

There is an incredibly strong aspect to the personality; a do or die will. These people believe in death before dishonor. They are fearless, intense, will use

excessive force. With the conjunction, tremendous energy will be directed towards the affairs of the house in which it is placed. People with this placement make extremely dangerous enemies. They will wait years to exact their revenge. Anger will explode in violence, and this can even be physical. The willpower is very intense and developed. If other factors in the chart support this, there can be problems with men. This aspect gives a very strong, stubborn will and much self-discipline.

Jupiter: Its Signs, Houses and Aspects

Jupiter in the Signs

Aries

These people can be extremely self-centered. Those with Jupiter in Aries, especially when prominently placed are loud, extravagant, bombastic, and impatient. They love to brag, take risks, and they often make more enemies than they do friends. They disregard tradition and hate to play by the rules. They often have a huge ego and an exaggerated sense of self-importance. This placement can help to offset low self-esteem, shyness and a lack of confidence in a chart. If there is a predominance of fire signs, or other planets in Aries, the negative traits of this placement are amplified to where the individual can be very unaware of and downright inconsiderate of the needs of others, putting themselves first and foremost.

Taurus

Money cheers them up. They love gift giving and receiving. Luxuries are essential even when these people are in poverty. They find it necessary to make others comfortable and do well caring for those who are sick. This placement gives health and in some cases, exceptional physical gifts. They are sensuous, and can be hedonistic. Money is often spent on travel and/or education, either formal learning or through self-study.

Gemini

Here are the brains of the zodiac, the intellectuals. Many with this placement have extensive education and excel in communications. They are very talkative and have writing and teaching ability. These people are changeable and get bored easily. Because of the dualistic nature of Gemini, they can change their minds frequently and suffer from indecision. If you want to impress these people, show them that you have some smarts. Many of these people are gifted with their hands. They are life long students who have active minds and who enjoy learning.

Cancer

Jupiter in Cancer is very home loving. Family is very important, and they make indulgent, protective, and caring parents. These people are often patriotic and have traditional values, with an interest and fascination with certain eras or times in history. As a rule, they love and get on well with children. Holidays and celebrations are important times to be spent with the family. Home cooked meals appeal to them and food is often equated with love. They have a strong need for security and are very sensitive and protective by nature. They are usually good cooks and homemakers and have a nurturing aspect to their personalities.

Leo

This placement gives a strong sense of personal pride. Being able to freely express themselves is very important. These people have creative talent. Jupiter in Leo gives leadership ability, especially if there are other factors in the chart supporting this. Unless other placements contradict this, those with Jupiter in Leo enjoy being center stage and love the lime light. They are romantic and often have a sense of drama in their personalities. They are fun loving and enjoy recreation.

Virgo

These people are hard working, critical, analytical, and organized. They can often get lost in the details and miss the entire overall message. Cleanliness, good hygiene, and attention to one's diet and health are important to them. They can be workaholics if there are other factors in the chart supporting this. Their work is important to them and they derive personal satisfaction from a job well done. They are excellent in any career that is of bringing service to others. They make excellent nurses, doctors, and workers in the medical profession. They are perfectionists and worriers.

Libra

Relationships and love are of extreme importance to these people who do not like to be alone. They can be indiscriminate in choice of partners, seeing the best in everyone. Jupiter in Libra loves peace and harmony and can make friends out of enemies; they are excellent mediators. These people often neglect their own needs, putting others first. They have a very strong sense of justice and fairness and cannot tolerate seeing others being treated unfairly. This placement gives artistic talent and an eye for beauty.

Scorpio

There is a strong interest in the occult and the spiritual. Jupiter in Scorpio gives a powerful sex drive, along with a preoccupation with sex. They can be suspicious by nature, especially if there are hard Saturn/Pluto aspects in the chart. Issues of power and control are dominating often factors in the lives of these people. Jupiter in Scorpio gives intensity to the emotions. These people can be very jealous and possessive in the love relationships. They are rarely neutral about anything and either love something or hate it, unless there is an emphasis on air signs in the chart.

Sagittarius

These people are life long students. Many have direct involvement and/or careers at universities, especially if Jupiter in Sagittarius is prominently placed. They are fond of travel and often have an interest in foreign peoples and cultures. Like Jupiter in Gemini, they get bored very easily and prefer to be active with new experiences. Jupiter in Sagittarius makes for extreme honesty in the

way of finding hypocrisy intolerable and in searching for the truth. Once Jupiter in Sagittarius has found what they believe to be the truth, they often try to convert others to their beliefs. Lying to these people is unforgivable. They can be very frank and outspoken in their communications. In some cases, there can be over-optimism and a refusal to learn from past mistakes. Personal freedom is of extreme importance. Many people with this placement enjoy the outdoors and participation in sports and athletics. There is a tendency towards excess, exaggeration, and indulgence.

Capricorn

These make good managers and are naturals at being in positions of authority. Status is important to them and they have a strong need for the respect and recognition of their peers. They love power and don't mind making the necessary sacrifices in obtaining it. Extremely ambitious, they can be cold and calculating in regards to others. They are traditional and prefer to stick with the tried and true. Practical, security oriented and adept at handling money, they can be workaholics. This placement is known for those who work very hard. Jupiter in Capricorn detests weakness. Any weaknesses they are aware of within themselves, they work diligently at overcoming. They are both hard on themselves and hard on others. This placement gives a serious nature to the personality.

Aquarius

These people are happiest when they are part of a group and/or are with their friends. Most treat their friends equally and dislike playing favorites. They are strongly interested in social reforms and improving the lot of humanity. They enjoy being different, and are attracted by the eccentric and the unusual. Strongly opinionated, they can be tactless in expressing themselves. Injustice bothers them terribly. They are progressive and have a strong interest in the future. Technology fascinates them and they look to make improvements in the existing ways of doing things. They are rebels by nature and enjoy breaking rules and challenging taboos. Strongly individualistic, personal liberty and freedom is of exceptional importance to these people. They cannot tolerate being stifled or having to answer to those who are possessive in their relationships.

Pisces

Compassionate to a fault, these people can often be taken advantage of. Jupiter in Pisces can feel the pains and sufferings of others. They can be lazy, indecisive, and lack focus. Dreamers and idealists, they have a tendency to let their imaginations run wild, sometimes resulting in paranoia and having a hard time separating fact from fantasy. These people have a sensitivity to the spirit world and their spiritual beliefs are often important to them. Some may even

devote their lives to spiritual pursuits. If other factors in the chart support this, there can be psychic ability.

Jupiter in the Houses

1st House

Jupiter in the first house often gives a large body in same way, such as large bones, height, and often a tendency to put on weight easily. People with this placement will often travel far and wide. Optimistic, sociable, and cheerful, they can become authorities in philosophy, education, spirituality, and law. Jupiter in the first gives self-confidence, leadership ability, an outgoing nature, and a tendency to self-indulgence. There is often a sense of protection and good fortune, coming from a past life that helps these people. They can tend to exaggeration and taking certain things to extremes.

2nd House

Money often disappears as fast as it comes in. These people can take too much for granted in regards to their finances and may over spend. If Jupiter is well aspected and on a favorable degree, there can be money luck. These people spend money on travel and/or higher education. Quite often, their finances are connected with their personal beliefs in some way, and they may use money to promote these. In some cases, Jupiter in the second makes huge purchases requiring extremely large amounts of money without considering the future consequences.

3rd House

These people are often very intellectual. There is a strong talent for speaking, writing, and all of the communications in general. They love to talk. There is a love of books and reading, word puzzles and games that engage the mind. Like Jupiter in Gemini and in Sagittarius, these people are life long students who enjoy learning. In some cases, there can be a large number of siblings and/or a sibling with a strong Jupiter/Sagittarius emphasis in his/her chart. Jupiter in the third house gives an optimistic outlook, and generally good relations with siblings, relatives, and neighbors. In some cases, there can be a sibling or relative who is into religion or work at a university, or other direct involvement with education. There is often much activity in the immediate environment with plenty of short distance travel, as in their own areas where they live.

4th House

The mother may have a strong Jupiter/Sagittarius emphasis in her chart, and/or be directly involved in education or religion in some way. There is often good fortune in the second half of life. This placement can give a happy childhood, and the family may be secure financially. One's family may strongly influence his/her

religious/moral beliefs. In some cases, one or both parents may be very influential, having strong beliefs and views that they impress upon those with this placement, especially when growing up; this can also include a strong influence regarding education. Jupiter in the fourth house can give a large family.

5th House

Jupiter in the fifth house can be a strong influence in gambling, and is sometimes seen in the charts of addicted gamblers. There can be financial losses, as these people can be too optimistic and over extend themselves. They may have a child with a strong Jupiter/Sagittarius emphasis in his/her chart. Jupiter in the fifth house is fun loving, warm and caring towards children. People with this placement may strongly impress the need for education and/or religion upon their children. There is often much creative talent with a strong need for freedom in self-expression. These people are often very fond of sports and can have natural athletic ability. Recreation, hobbies, and fun are very important.

6th House

Work is very important to these people and they derive personal satisfaction from it. Jupiter in the sixth house gives an interest in healing the both the body and mind. There can be a tendency towards health problems relating to the blood sugar. They are naturals for working in the medical or healing fields. Jobs can involve long distance travel, interaction with foreign cultures, and peoples; working at universities or other places of higher education, or with religion. Relations with co-workers are often friendly. Those with this placement may work in another country, far from their place of birth.

7th House

The marriage partner may have a strong Jupiter/Sagittarius emphasis in his/her chart. There is a need for freedom and independence in relationships, but at the same time, these people desire a sense of security. Marriage may be to someone of wealth and/or high social standing in some cases. The marriage partner may be directly involved in education or religion. Much help and good will can come from others, including the partner. These people value justice and fairness.

8th House

The marriage partner is likely to have money. There can be benefits through inheritances and other money coming from others. There is often a strong interest in life after death, and when death comes, it is often late in life, peaceful, and due to natural causes. These people often have remarkable recuperative powers and an ability to regenerate themselves in many areas of their lives. The sex drive is often very strong and there is an above average interest in sex. This

placement can give a strong interest in the spiritual and the occult, along with psychic ability.

9th House

There is a great respect for knowledge, and these people often work to obtain as much education as possible, either through schooling or through informal studies on their own. Jupiter is strong in its own natural house here, and the traits of Jupiter are pronounced in the life. This placement most often brings travel and an interest in foreign peoples and cultures. Benefits can come through universities or through spiritual pursuits. There is a strong sense of honesty and a hatred of hypocrisy. In many cases, people with this position develop their own unique beliefs and philosophies and can be a law unto themselves. There is a talent for teaching, writing and for influencing the beliefs of others. If Jupiter is conjunct the midheaven, there may be fame and coming before the public.

10th House

There is often professional success and major accomplishment in the later part of life. These people generally have good reputations and are highly respected by others. The career can focus on education, religion, travel, foreign peoples and cultures, politics, and/or employment at a university; working directly in education. The father may have a strong Jupiter/Sagittarius emphasis in his chart, and/or may be directly involved in education and/or religion. Quite often, people with this placement come to the attention of those in positions of power and authority and through these contacts, they may rise to prominence.

11th House

Much happiness comes from friends, groups, and associations. Often, there are a large number of friends. Goals can be achieved through working with others, and this placement is excellent for teamwork. Groups interests can directly involve education in some way such as fraternities, and study groups, and/or can have a spiritual or religious focus. In some cases, group interests may involve working for humanitarian ideals. These people sometimes take their friends for granted. There can be much idealism, along with a lack of realism in regards to setting goals. Friends can have a strong Jupiter and/or Sagittarius emphasis in their charts. In some cases, there can be friendships with foreigners or people from different cultures.

12th House

These people can have problems in keeping secrets, especially if Mercury is aspected by Neptune. Expansive Jupiter in the twelfth house of secrets makes for the gossip. This is an excellent placing for meditation, psychic and metaphysical studies and their applications. In many cases, there is natural psychic ability. There can be work or involvement with hospitals, institutions, and

prisons. In some cases, one's personal and religious beliefs may be kept hidden from others. The imagination is often well developed and there can be a tendency to fantasize. There can be a need for periods of solitude. There is often an interest in psychology and the workings of the mind. This placement is sometimes found in the charts of counselors, psychiatrists, and psychologists.

Aspects to Jupiter

Jupiter/Saturn:

There is often a serious outlook on life. There can be heavy responsibilities, and plenty of hard work, but with patience, these people can build things of lasting value. As with Jupiter in the first house, this aspect often gives protection in dire circumstances. There can be a lack of self-esteem, especially when those with this placement compare themselves to others. There is much potential for great success, but only with discipline and hard work. The affairs ruled by the house with Capricorn on the cusp will benefit from this aspect. Conversely, the affairs of the house with Sagittarius on the cusp can be subject to problems and/or delay. These people can be workaholics with a tendency to overdo things.

Jupiter/Uranus:

Personal freedom is of exceptional importance to these people; they are natural rebels and cannot tolerate being controlled by others. Often eccentric and high-strung, they are prone to emotional outbursts that can occur all of a sudden and without any warning. These people look to new and unusual solutions in solving problems. Aspects between Jupiter and Uranus make for impracticality, an impulsive nature and in some cases, a disruptive personality. There can be aptitude for technology, the sciences and with mathematics. These people do not like to conform and are often very strong-willed. Affairs ruled by the house with Aquarius on the cusp often benefit from this contact.

Jupiter/Neptune:

Jupiter in aspect to Neptune gives a powerful and well-developed imagination. Time can be wasted in daydreaming and fantasy. Jupiter/Neptune gives much artistic talent and creativity, with refined tastes and an appreciation for beauty. There is much compassion for others with this aspect, along with psychic ability and the ability to feel the emotions and even the sufferings of others. There is a tendency towards being impressionable and even gullible. Jupiter/Neptune gives great sensitivity. Affairs ruled by the house with Pisces on the cusp often benefit from this contact.

Jupiter/Pluto:

This aspect bestows a strong will, and an intense nature. These people are often highly opinionated and identify strongly with their beliefs to the point of

fanaticism. Rarely neutral about anything, either they love something or they hate it. There can be drastic transformations and turning points occurring in the life in regards to religion and spiritual beliefs. Affairs ruled by the house with Scorpio on the cusp often benefit from this contact.

Saturn: Its Signs, Houses, and Aspects

Saturn is the misfortune in our charts and where we experience loss, misery and problems in life.

Saturn in the Signs

Aries

People with Saturn in Aries have trouble asserting themselves and can have a pessimistic, timid nature. Many times, they tend to hold their anger inside. They can be overly cautious and afraid to take any chances. Other planets in Aries [especially if not in conjunction with the Saturn], a strongly placed Mars and Jupiter can offset these tendencies. This placement can give a lack of confidence and low self-esteem. Unless other factors in the chart contradict this, Saturn in Aries can sap one's vitality and energy. Quite often, the first half of the life is more difficult than the later years.

Taurus

Most often, there are issues in the life revolving around material possessions and money; more so than with the average person. Poverty can affect these people deeply and leave lasting scars, to where even if they secure a comfortable income later in life, they may still be very greedy, cheap, and hoarding in regards to money. Those who grew up in poverty may always feel inferior to others who have more means financially. There can be an obsession with money and wealth. Most people with this placement must work very hard to obtain any financial security in life. In rare cases, especially if Neptune is prominent, there can be a total renunciation of anything material. To the other extreme, there are children of extreme wealth who have this placement and are the ones who were more than likely bought by their parents in the way of being indulged with money and material possessions, but shown little if any personal attention and love. There can be marked selfish tendencies and an unwillingness to share anything with others.

Gemini

People with this placement often feel inferior to others intellectually, and they often fear being thought of as stupid. In some cases, they can be on the slow side where intelligence is concerned, and/or there can be a lack of education. Problems in communicating are also common with Saturn in Gemini. There can be learning disabilities, dyslexia, problems with speaking, writing and in rare cases, afflictions involving the physical senses such as speech impediments, and defective hearing and/or eyesight, or with one's hands. There can also be problems with siblings.

Cancer

The home life with those who have Saturn in Cancer is often very unsettled. Many people with this placement move residence frequently throughout their lives. There can be excessive responsibilities and demands regarding the family. These can range in anything from heavy financial burdens to caring for family members who are unable to care for themselves. Major issues in the life revolve around the home and family. Security and stability can be very elusive, with fate always creating circumstances where upsetting changes occur that prevent any permanence in establishing a happy, secure and settled home life.

Leo

These people can be overly serious. They are often workaholics who have very little fun in life. "All work and no play." They can have unreasonably high expectations of both themselves and of others. Quite often, there are problems involving children. In some cases, people with this placement do not have any children. Saturn in Leo can be too overbearing, strict and even abusive as a parent. There can also be other problems involving children such as being a non-custodial parent, or having heavy responsibilities regarding children. The sense of humor is often lacking, unless there are other factors in the chart that offset this. These people are often overly responsible, and in some cases, can feel they are unlovable.

Virgo

Many people with Saturn in Virgo have life long health problems. Frail health is common in childhood and can result in low self-esteem. Health problems are often chronic, can be severe and in some cases, even disabling. They can be overly critical of both themselves and of others. There are often problems involving work, such as periods of unemployment, working beneath one's abilities or other issues.

Libra

This placement produces more single/unmarried people than any other. There is nearly always hard luck involving the love life. Saturn often brings the wrong partners; those who are abusive and downright rotten into these people's lives. In some cases, if there is a true and deep love, circumstances can intervene and destroy this through death, forced separation or other drastic interference. Some people with this placement may have a physical problem or handicap that prevents them from forming any love relationships. Family responsibilities can prevent one with Saturn in Libra from entering into a marriage relationship, and/or overly domineering parents can also interfere, preventing any love in the life. The first love relationship is often the worst. There may be unrequited love and heartbreak.

Scorpio

There are often major issues in one way or another that involve debts, taxes, and finances. These people may resist changes and as a result, try to hold onto and control everything and everyone in their life in order to create a sense of security. In some cases, there can be prudishness, sexual inhibitions, and sexual rigidity with this placement. There can be problems with overdoing things and/or with compulsive behavior.

Sagittarius

Issues in the life can revolve around dogma or religious beliefs. In some cases, Saturn in Sagittarius is fed up with dogma to the point of rejecting anything spiritual and will only believe something given material proof. Parents, family and others can be unsupportive and even hostile with those who have this placement in regards to spiritual beliefs. Saturn in Sagittarius is often seen in the charts of college professors and those who work at universities and other places of education. People who have this placement often travel, but problems can be encountered in foreign lands. These people are better off in developing their own sense of morals and spiritual beliefs, rather than trying to make sense of the dogma of others. Personal freedom is very important to them and they do not like to feel controlled or tied down to anything.

Capricorn

Professional success often comes after much hard work and personal effort. These people can be workaholics, and some may even feel more comfortable at work than at home. They excel in planning and organization. Preferring to remain in the background, they are reserved and cautious, sticking to the tried and true. This placement gives plenty of endurance. Security is important to them and they have a practical nature. They are dependable, reliable, and responsible as a rule. They care about their personal reputations and the impressions they make upon others. This placement gives a talent for business.

Aquarius

These people, especially as they get older in life may become loners by choice. The emotional nature with this placement can be cool, detached, and controlled, unless there is a strong Scorpio emphasis in the chart. In some cases, there can be heavy responsibilities involving groups and organizations. In the early years, friends may have let these people down and later in life; they feel they work best when they work alone. Issues in the life can revolve around personal liberties and freedom. People with this placement can let their friends down or just not be there for them.

Pisces

These people can have a self-destructive tendency. They often put the needs of

others before their own. They also do the work of others for them, especially when others are not doing their jobs; taking all kinds of abuse. There can be problems with the feet. This placement gives a strong tendency towards perfectionism and self-criticism.

Saturn in the houses

1st house

Saturn in the first house often gives a serious nature to the personality, along with a shy disposition, unless other factors in the chart offset this. There can be problems with the physical self in some way. These people are hard working and they take responsibility very seriously. During childhood, there was often hardship and many with this placement were forced to grow up too quickly. The affairs of the house with Capricorn on the cusp will more than likely be a strong focus in the life. Saturn in the first house gives a strong sense of endurance and self-discipline.

2nd house

Issues in the life revolve around money, material possessions, and finances. Most often, any financial security in the life will result from very hard work, but this placement is also prominent in the charts of quite a few millionaires. These people take money very seriously. They are offended by any cheap gifts and place the value of the gift above anything else. As with Saturn in Taurus, poverty affects them deeply and leaves lasting scars. Money is connected to the sense of self-esteem.

3rd house

This can make for serious problems involving a sibling. In some cases, a sibling is favored by parents and other family members, leaving these people to feel unloved. In extreme cases, the sibling can be abusive and take advantage of people who have Saturn in the third house. This is a very serious problem and can be ongoing until death, unless the person with the third house Saturn is strong enough to break away. He/she may feel that they are being helpful to the sibling, but the sibling usually refuses to help him/herself and consequently, brutally uses and takes advantage of the third house Saturn person. People with this placement may have a sibling with a strong Capricorn and/or Saturn emphasis in his/her chart. There can also be problems in learning and involving the thinking process. In some cases, there are learning disabilities, a lack of intelligence, or other problems such as defective speech, hearing, and manual dexterity. People with this placement may feel intellectually inferior to others and fear being thought of as stupid.

4th house

This placement makes for a most unhappy childhood. The mother can be distant, emotionally unavailable, and even abusive and cold. In some cases, the mother is altogether absent from the child's life. Most often, those with a fourth house Saturn feel unloved; their emotional needs were not met as children. In some cases, there can be major responsibilities involving the family that prevent those with this placement from having lives of their own. Issues in the life revolve around unpleasant past experiences such as emotional trauma, abuse, emotional deprivation, and severe family problems. Saturn in the fourth house is often seen in the charts of orphans.

5th house

Many of those with Saturn in the fifth house are childless. This placement gives a large percentage of people who are infertile and unable to have children. If there are children, there can be problems such as handicap or other issues that require major responsibilities. Most often, there is misfortune in some way involving children.

6th house

These people can be workaholics. Work may be a major factor in their lives and in many cases; they work at jobs beneath their abilities. There can be chronic health problems, and periods of unemployment. The line of work can be oppressive, demanding, and all consuming, leaving the one with this placement little time for anything else. I have seen Saturn in the sixth house with people who are forced to work long hard hours at a family business. If work is not the main focus, then there are often serious health problems in the life.

7th house

Saturn in the seventh house often brings an age difference with the marriage partner. In some cases, the marriage partner is more of a parental attitude than that of a spouse and the love aspects of the relationship are lacking and cold. This placement brings delays and sometimes like Saturn in Libra, even denial of a marriage/partnership, and makes for unhappiness in this area of life. The marriage partner may be abusive, cheap, cold, and emotionally unsupportive. In addition, being the seventh is the house of others [platonic] in the life; people who have this placement are often treated badly, and take much abuse. In some cases, the marriage partner may have a strong Capricorn and/or Saturn emphasis in his/her chart.

8th house

Many with this placement have life long poverty and the poverty can be extreme. In some cases, there is life long debts that prevent these people from ever owning anything or from obtaining any financial security. Those with this

placement should stay out of debt as much as possible. These people do not like to owe anyone else anything in the way of doing things. They would rather do the near impossible for themselves, than ever ask for help. People with this placement do not like being dependent upon anyone; they must feel self-sufficient. Saturn in the eight can give a long life, with one dying from natural causes. In some cases, there can be sexual hang-ups or other problems involving sex. There can be long periods without any sex, followed by times of extreme sexual indulgences. They often crave a deep soul-to-soul union with a lover, but fate prevents this.

9th house

The education may be lacking in some way, or may be incomplete. There can be misfortunes involving travel, problems coming from people who are of different cultural and/or racial backgrounds, and problems involving spiritual beliefs and education. Those with this position can be dogmatic and narrow-minded. They are usually cautious and do not readily take chances, unless there are other factors in the chart that contradict this. Through hard work, there can be advancements through universities and other places of higher learning.

10th house

The father can be extremely strict and even abusive. Hard work and perseverance can lead to positions of status and leadership. In some cases, the reputation may suffer. This placement gives a talent for management, authority, and good business sense. These people are natural leaders. Saturn in the tenth gives a strong will and responsible nature.

11th house

People with this placement can be let down in regards to friends, and/or they may have very few close friends. In many cases, there are heavy responsibilities involving groups and organizations. Personal goals may be restricted in one way or another. Friendships are often established with those who are much more mature and in some cases, in positions of authority and power. Friends and/or groups can make heavy demands upon those who have this placement.

12th house

People with Saturn in the twelfth house are prone to depression. Many often believe that their secrets are much worse than the secrets of others. There can be feelings of emotional isolation and loneliness. Hospitals, institutions, and other places of confinement can be a major focus in the life, often through one's employment. There can be irrational fears and an overactive imagination. The affairs of the house with Capricorn on the cusp are often unfortunate in some way.

Aspects to Saturn

Saturn/Uranus

The tighter this aspect in orb, the more those who have it are forced in their lives to conform. In many cases, while growing up, the parents were very strict and allowed little if any individuality, or freedom of expression. These people learn that they are accepted by others through adhering to accepted standards of behavior. They are usually in control of themselves.

Saturn/Neptune

Those with this aspect often feel sorry for themselves, especially in childhood. In some cases, those with this placement neglect the importance of money and in extreme cases, renounce all materialism; with both instances, leaving them in poverty. In other words, money and material wealth are not taken as seriously as they should be. The imagination is well developed and can be morbid. Often, the worst is both feared and expected regarding the future and pending problems. In some cases, as with Neptune/Sun aspects, if there are other factors in the chart supporting this, the father may victimize the Saturn/Neptune child in some way or another, even unintentionally.

Saturn/Pluto

Here is the aspect of the cynical person. These people can be hard and learn throughout their lives that they can trust very few if any other people. Often they have come up the hard way and have learned to survive. This aspect gives a strong will, along with a cold and even ruthless emotional nature. There can be serious confrontations with those in positions of authority and power. These people can feel persecuted and react violently in some way.

Uranus: Signs, Houses and Aspects

Uranus

Uranus is a generational planet. The slower moving planets, Uranus, Neptune, and Pluto, when in the signs are generational in that they influence entire generations of people, rather than being more personal and individual. Their personal influences are in the houses they occupy, not as much in the signs, unless Uranus is the chart ruler or co-ruler and/or is conjunct an angle, and is interpreted a bit differently.

Uranus in the Signs

Aries

The Uranus in Aries generation brings new knowledge regarding science, industry, technology, the military, and advancements in research; is pioneering in the sciences and the technologies, and works to make improvements and introduce new ways of doing things in these areas. Alexander Graham Bell and Thomas Alva Edison were both born with Uranus in Aries. Uranus in Aries people also bring about changes in the military, in combat techniques and with weapons. This generation, as a whole, often makes a break from the past in some way. Uranus in Aries unleashes free aggression. I have noted that many of those of the generations born with this placement are often involved in a major war. Those born in the years 1573-1600; the Thirty Years War broke out in 1618, when those born with Uranus in Aries became adults. Many of those who were born 1759 -1767; their lives were directly affected by the US Revolutionary War in the States, and the French Revolution [1789-1799] in Europe. Those born in the years 1843-1850 were affected by the US Civil War [1861-1865], and those born 1927-1934 were directly affected by World War II.

Taurus

What I have noted from this placement is that the generations that have Uranus in Taurus grew up in the aftermath of major economic upheavals, such as World War II, and after the Declaration of Independence. Many families moved to the new USA, and this changed their finances and also their roots [Taurus], following the establishment of the new country. Again, for those born when Uranus was again in Taurus 1850 – 1858, the US Civil War created economic upheaval and this generation born right before that time grew up in the aftermath. When the generation with Uranus in Taurus reaches adulthood, they work to make changes in regards to finances that often replace the established ways of running the economy. When Uranus is in Taurus, there are often issues in regards to property and land. Uranus was in Taurus 1600 – 1607 and this generation made many advances in establishing colonies in the 'New World.' Uranus is the planet of upheavals and changes and when this planet transits Taurus, there are

changes regarding property, land, and finances. The generations that have this placement, often become involved in these issues. People with Uranus in Taurus value financial independence.

Gemini

This generation often changes the established ways of thinking and communicating. This generation values free thought. With new colonies being established in the Americas in the early 17th century, this changed communications, making for a longer distance. New information and ideas also came from the Americas during this period. Those born 1858 -1866 were the first to have access to the newly invented phonograph and telephone, as adults. There is originality in the ways of thinking and with ideas. The 1941 -1948 generation manifested in the hippie movement along with other groups who were in opposition with the established ways of thinking.

Cancer

This generation, many of which were hippies, lived in communes. Uranus in Cancer brings untraditional ideas regarding the family and home life. These people often break from and resent parental authority and authority in general. The influence of Uranus in Cancer can also bring breaks and separation within families. Many people moved to the Americas from all parts of the world, leaving their families behind in other countries.

Leo

This generation values freedom regarding love and sex; also the freedom to have children without having to be married. Uranus in Leo changes the traditional ideas and morals. New genres and changes regarding theatre, the arts, and creativity manifest.

Virgo

This generation produces new and alternative methods of healing and medicine. There is often more awareness involving the health of the community, dietary habits, and new methods of exercise and healthy living. New remedies and cures are often discovered by members of this generation. Those born 1961-1968 brought in the health club industry and an awareness of the need for physical exercise with attention to diet and health.

Libra

There is a strong need for freedom in relationships. This generation makes changes in regards to the established customs of marriage and formal relationships, also in regards to social equality and the law.

Scorpio

This generation brings new knowledge along with an awareness of the spiritual

and the occult. Conspiracies and other long kept secrets are often brought to light and exposed. This placement gives a strong interest in psychology and the workings of the mind. This generation is revolutionary in transforming the world. Many with Uranus in Scorpio 1723-1730 were directly involved in planning and fighting in the American Revolution. Many of the leaders of countries directly involved in fighting World War II were born in the years 1890-1897.

Sagittarius

Unconventional ideas and religious beliefs. This generation breaks away from traditional and orthodox religious beliefs, and brings changes in these areas, replacing dogma with spirituality. Those who have Uranus in Sagittarius prominently placed in their charts are often pioneers in the field of travel, such as astronauts, and explorers. These people value religious freedom and free thought.

Capricorn

These people will bring about important changes in established government and business power structures. Uranus in Capricorn overthrows rigid power structures.

Aquarius

This generation brings changes that advance humanity. Uranus in Aquarius overcomes restrictions and brings new ideas regarding technology, science, space travel, and inventions. Independence and freedom.

Pisces

There are often new ideas where mysticism is concerned, and this generation produces innovators of new art and music forms. These people are often idealists.

Uranus in the Houses

First house

The personality is often unusual, even eccentric in some way. These people are freedom loving, and rebellious. There can be sudden or drastic events in the life that are unexpected. Uranus in the first house is highly individualistic, often with scientific and intuitive ability. Friendships are important to these people and there is often a desire for positions of leadership in groups/organizations. There is often an involvement with the new, the untried and with new inventions. A strong interest in the future.

Second house

Unsettled finances. Money can come and go unexpectedly. People with this

placement often have unusual talents and methods for making money. Money can be made through inventions, electronics, and scientific endeavors. The values are unconventional. Uranus in the second house likes to spend money on computer software, electronics, scientific gadgets designed for the future, and things that are unique, odd, and/or unusual. Money is often spent on friends, and/or groups, organizations, humanitarian causes, and associations.

Third house

This placement is very common with free thought and originality in thinking. Uranus in the third house is common in the charts of those without any siblings. There can also be a separation from one's siblings. Uranus in this house can give superior intellect or produce a genius. Feelings of alienation during the school years are common with this position. People who write about astrology, spirituality and the occult often have Uranus in the third house.

Fourth house

There can be frequent and/or sudden unexpected changes of residence, and changes within the family throughout the lives of those with this placement. The mother may be unusual in some way. Separation from the mother can occur in early childhood, often through parental divorce. Close friends can be regarded as family and friends may even come to live with the families of these people. People with this placement need freedom in their domestic environments and do not tolerate interference from family members in their personal lives. The mother may have a strong Uranus and/or Aquarius emphasis in her chart.

Fifth house

This placement is frequently found in the charts of many rock stars and musicians. Uranus here gives original, creative, unique creative ability. Gambling can bring drastic changes for better or worse. Their children can be exceptional in some way, often geniuses. Uranus in the fifth house makes for those who are more friends than authority figures to their children, of whom they allow much freedom. One's child may have a strong Uranus and/or Aquarius emphasis in his/her chart.

Sixth house

This placement is excellent for those who work with computers, advanced technology, electronic engineering, those who are technicians, work involving mathematics, and in the charts of inventors. Freedom is needed in the work environment. There can be sudden changes on the job or with the job. One may also change his/her job or line of work frequently. In some cases, there is a hatred of traditional work. Health problems can erupt unexpectedly and disappear just as quickly. Uranus in the sixth is common with self-employment and is often seen in the charts of professional astrologers and psychics.

Seventh house

Relationships begin and end suddenly and unexpectedly. Often, there is divorce. Those with this placement have a great need for freedom in their relationships. The partner may have a prominent Uranus and/or Aquarius emphasis in his/her chart. There is a need for the partner to be a friend as well as a lover for these people. The partner may be very individualistic, unique; even eccentric in some way and in rare cases may be a genius.

Eighth house

Death comes suddenly or under unusual circumstances, usually through an accident; unexpectedly. There can be sudden changes in one's finances, such as an unexpected inheritance or some other drastic change concerning money coming from sources other than one's income. Freedom is needed in sexual relationships. There can be unusual fetishes or a desire to experiment sexually. This placement often gives a strong interest in the occult, spirituality, life after death, along with a natural talent in having psychic and intuitive abilities.

Ninth house

These people need freedom regarding their beliefs. Spiritual and religious beliefs are often very unconventional and very contrary to what they were brought up to believe. There is often an interest in astrology and in metaphysics. Uranus in the ninth house rebels against religious dogma, and restrictions. Spirituality should be open and free. As with Uranus in the third house, this placement can be in the charts of geniuses. These people often bring new insights into educational concepts. They may travel suddenly. Far away places that are exotic or very unusual in some way often attract them. There is a gift for spotting future trends. Higher education, as with attending a university can end suddenly or unexpectedly, being cut short and incomplete due to circumstances.

Tenth house

The career may involve working with electronics, technology, computers, and/or new inventions. As with Uranus in the sixth, Uranus in the tenth is often seen in the chart of inventors, astrologers, psychics and those who work with the spiritual and the occult. As a rule, these people dislike authority and rebel against restrictions, especially in the work environment and in relation to the career. They often work at their best when they are self-employed. There can be drastic and unexpected changes that affect the career and life's direction. Those with this placement may be involved in humanitarian projects.

Eleventh house

Those with this placement often have an interest in advancing and bettering humanity. Friends can have a prominent Uranus, and/or Aquarius in their charts, and/or be very unique or unusual in some way. The friends of these people often

do not conform and can be rebels in some way. Friendships and involvement in groups that have a common interest are usually of importance in the lives of people who have this placement. There can be sudden and drastic changes in one's goals. Friendships may begin and end suddenly.

Twelfth house

Uranus in the twelfth house gives highly developed intuitive and clairvoyant abilities. Those with this placement are often very psychic, and have flashes of intuition that can come when they are awake or during dreams. There can be direct involvement with secret organizations. These people can be prone to insomnia and/or sleep at odd hours. In some cases, there can be clandestine/illegal activities with friends, groups, or organizations.

Aspects to Uranus

*These are generational influences, unless Uranus is the ruler or co-ruler in the chart and/or prominently placed.

Uranus/Neptune

Many of the hippie generation who experimented with psychedelic drugs were born during a Uranus/Neptune square. This generation also brought about an interest in meditation and altered states of consciousness. There can be unexpected reactions to drugs, as Neptune rules drugs of all kinds, allergies, and sensitivities. This generation also brought public interest in the occult, astrology and other spiritual disciplines.

Uranus/Pluto

Those born with Uranus/Pluto aspects, especially the hard aspects are often directly affected by powerful influences, such as government, atomic warfare, and nuclear technology. There is an awareness of deadly technology and its possible consequences. Many people who were caught up in World War II had Uranus in square aspect to Pluto.

Neptune: Signs, Houses and Aspects

Neptune in the signs is generational, manifesting itself in world events, unless Neptune is the ruler or co-ruler of the chart, and/or prominently placed.

Aries

Neptune rules the underprivileged. When Neptune was in the sign of Aries, action was taken to help those who were less fortunate, and financially underprivileged. The Salvation Army was founded when Neptune was in Aries. Aries rules Mars, and Mars rules war. The Civil War occurred in the USA. Neptune rules chemistry, liquids, the seas, and the oceans. In 1866, the first underwater torpedo was invented.

Taurus

Taurus rules the earth, Neptune weakens, undermines and dissolves. In the year of 1878, there was widespread crop failure and famine. 10,000,000+ people died from starvation in China. Taurus rules money, there was also an economic depression.

Gemini

Neptune rules movies, acting, music, and the arts. Gemini rules communication. Movie projection machines were invented. The phonograph was also invented, and the people of this generation made many advances in communications technology.

Cancer

Patriotism ran high with World War II. The family was idealized. During this time, huge ornate mansions were built. Many families of people born in this generation were broken up and destroyed by World War II.

Leo

Leo rules monarchy. The tsarist regime in Russia and the Ottoman Empire collapsed. Leo also rules pleasure. Neptune undermines. The prohibition was enforced.

Virgo

Virgo rules the work force and welfare. The depression came and many people were unemployed. Famine swept the Ukraine under the direction of Stalin and millions starved to death. In 1932, 34 million Americans had no income at all. Virgo is an earth sign, Neptune rules water, and severe drought swept much of the USA.

Libra

Libra is the sign of peace; Neptune undermines. World War II, the invention of the atomic bomb, the cold war, the Korean war all occurred when Neptune was in Libra.

Scorpio

Neptune rules drugs, and the sign of Scorpio rules that which is hidden. Psychedelic drugs became a way of probing the subconscious. Spy and detective work were glamorized with James Bond movies. Neptune rules compassion, Scorpio ruled by Pluto rules death. During this period, hospices and special places for the terminally ill were established.

Sagittarius

Neptune rules spirituality and the psyche. When Neptune was in Sagittarius, interest in eastern religions was increased. In addition, many religious cults thrived during this period. Neptune also rules deception.

Capricorn

Capricorn rules structure, Saturn ruled by Capricorn rules restriction. The Soviet Union collapsed, the Berlin wall came down, and Germany was reunified. Europe was restructured. There was dissolution of totalitarianism.

Aquarius

Aquarius rules technology. Neptune undermines. Neptune in Aquarius can undermine freedom and individual liberties. Neptune was in Aquarius in 1348 when the Black Death wiped out 3/4 of all of Europe and destroyed many other parts of the world.

Pisces

Neptune is at home in Pisces. Neptune was in Pisces in the last days of Rome. After Rome fell, the world entered the Dark Ages. That was in the age of Pisces. We are now going into Aquarius. Preceding every age, often there is often a great catastrophe and a loss of life.

Neptune in the Houses

1st house

Neptune's influence often makes one weak, unreliable, prone to drug/alcohol abuse, and extreme cases, there can be mental illness or other aberrations. This is amplified especially if Neptune is on a bad degree. Those with this placement are ultra sensitive, highly impressionable, and gullible, with a tendency to drift aimlessly through life.

2nd house

Those with this placement are often impractical concerning money. Money is often spent on music, theatre and/or the arts, and on spiritual pursuits. These people can be easily swindled. There can be evasiveness regarding finances. Sometimes they depend on others for financial support or vice versa. There is a strong potential for bankruptcy and/or the erosion of one's assets. In some cases, one with Neptune in the second house may consider money and finances to be unimportant as with those who take a vow of poverty in certain "religious" programs.

3rd house

There are often step-brothers and/or sisters. These people may have one or more different aliases or nicknames. This placement often gives weak mindedness, but also psychic ability, along with a vivid imagination and a gift for visualization. Like those with Uranus in this third house, people with Neptune here often write and/or communicate about astrology, and other spiritual disciplines. In some cases, there can be dyslexia, learning disabilities or even mental illness.

4th house

The mother is sometimes idealized. She can be a religious fanatic. There can be deprivation and/or abandonment in childhood, or the opposite can occur when the parent/s are over protective. There can be deception on the part of property owners and/or in regards to real estate and property. Often there is a desire to live near water or the ocean. This person may end their life in an institution. In some cases, the mother may be alcohol and/or drug addicted. She may be weak and in rare cases, mentally ill. Those with this placement may gradually drift from contact with their families, as they get older.

5th house

There are often secret circumstances in regards to children born of those who have this placement. There can be abortions, possible miscarriages and hidden circumstances regarding the child's other parent. People who have Neptune in the fifth house often have secret love affairs, and there can be more than one sexual partner at the same time. These people often idealize their children, but can unintentionally neglect them. The parent/child relationship can sometimes drift apart when the child reaches adulthood. There is much creativity, artistic, and acting ability with this placement. One's children are often psychically gifted, sensitive and intuitive.

6th house

There can be periods of unemployment. Sometimes those with this placement are unreliable concerning their work. Health problems are often evasive and

difficult to diagnose, and there can be hypochondria, allergies, asthma, and other sensitivities. These people often look for the ideal job and as a result, they may remain unemployed. Those with this placement may have work involving chemistry, marine biology, social services, hospitals, institutions or in prisons.

7th house

The partner is often unreliable, evasive and may even be deceptive. He/she may abuse drugs and/or alcohol. There are cases where those with this placement can themselves bring out the worst in others. The partner may have a strongly placed Neptune and/or Pisces emphasis. Neptune in the seventh house often brings deception in relationships. There can be an idealistic attitude towards love and marriage. In very rare cases, there may be no physical sex in a marriage, as Neptune rules celibacy and platonic relationships. There may be telepathic communications with a partner and possibly a soul-to-soul union. The partner may be involved in acting, art, theatre, music, or dance.

8th house

Joint income with this placement can be unfortunate. These people can be deceived regarding their financial resources. They may be swindled and even be cheated out of an inheritance, or other money coming to them. There can be attempts at tax evasion, and pulling off insurance and other scams that involve money. This is a strong position for celibacy. Unusual circumstances often surround the death. When sublimated, there is a strong interest in the occult. Sexual intercourse can be ecstatic and even reach a spiritual level. A talent for witchcraft and advancing the soul is common with this placement, given the energies are properly directed. Those with this placement can be natural adepts at black magick.

9th house

There is often an interest in eastern religions. These people can be vulnerable regarding membership in cults like the Moonies, and in joining religious communes like the one in Guyana, where mass suicide took place. These people may believe they are chosen in some way or that they are a great spiritual leader. There can be deception and loss in foreign countries, and with long distance travel. Travel may occur for spiritual purposes where much is learned. When sublimated, Neptune in the ninth house can give spiritual abilities and an aptitude for meditation. There can be impracticality and even confusion regarding higher education. In some cases, there can be religious and spiritual confusion.

10th house

In some cases, there is apathy regarding the career. This placement is excellent for marine biologists and oceanographers [Jacques Cousteau has Neptune in his tenth house]. Many dancers, actors, entertainers, ballerinas, those who work in

the theatre, the arts, musicians, astrologers, professional psychics, and mystics have Neptune in their tenth house. The father may be drug and/or alcohol addicted or weak in some way. He also may have a strong Neptune and/or Pisces emphasis in his chart. In rare cases, the father may be mentally ill.

11th house

People with this placement often have friends who abuse drugs and/or alcohol. The friends may be deceptive, unreliable or an overall bad influence. There may be membership in groups with spiritual and/or humanitarian objectives.

12th house

This placement gives clairvoyance, psychic ability, remarkable intuition, artistic, and poetic ability. There can also be isolation, paranoia, and neurosis. These people are often very sensitive and ugliness can have a very negative and lasting affect upon them. The nature is most often very compassionate and caring towards others. The sufferings of others affect them deeply. These people are natural empaths who can easily pick up on the thoughts of others and the general tone of their immediate environment, psychically. They should stay away from negative people and situations. They may work in institutions where they care for the underprivileged and/or those in need. There is usually a very strong interest in the mind, the psyche and in spirituality.

Pluto: Signs, Houses and Aspects

Pluto in the signs is generational, manifesting itself in world events, unless Pluto is the ruler or co-ruler of the chart, and/or prominently placed. Pluto brings permanent and drastic changes in regards to events.

About Pluto

Aries 1823-53

Many of those born with Pluto in Aries were pioneers; explorers; the people who colonized the Western USA. In Europe and other parts of the world, the industrial revolution took place.

Taurus 1853-84

Economics went through lasting changes with capitalism, and the growth of industry and finance. Empires of wealth [monopolies and cartels] were established that grew out of the industrial revolution. Vanderbilt, Rockefeller, Carnegie, and other plutocrats emerged on the scene. Taurus rules land, money, finances and property.

Gemini 1884-1914

The generation with Pluto in Gemini made unparalleled advancements in technology and communications, such as the telephone, aircraft, the phonograph, motion pictures, the automobile, the radio, and many more. Travel and communication took a huge leap forward.

Cancer 1914-1938

The crash of the stock market, the Bolshevik revolution, World War I, the depression and the entrance into World War II. This restructured the home and family. Women began working in factories, and families were torn apart. Cancer rules the Moon and the Moon rules women. Skirts came up off the ankles, and the ratification of the 19th amendment gave women the right to vote. The women of this generation were given greater freedom and rights. Pluto rules death and many with Pluto in Cancer had their homes and families destroyed in the war. Nearly all home and family life was drastically altered during this time.

Leo 1938-56

The Pluto in Leo generation were the baby boomers; those who brought us the hippie generation. Leo rules pleasure. Attitudes towards sex changed and the sexual revolution took place, and recreational drugs became popular. Leo rules children; no longer were single mothers treated with disrespect, as in former times. Leo also rules love and love became free. Leo also rules authority and pride. The people of this generation were either hippies or they were militants.

Virgo 1956-71

This generation has given us all the health clubs, with promoting alternative medicine, along with a "healthy" diet. People of this generation are in pursuit of the perfect physique. These people have also advanced medical technology as never before. Virgo rules health and day-to-day work. The workplace has also drastically changed with new technology such as the computer and the internet.

Libra 1971-83

This generation will change the laws and the justice system, [Hopefully for the better]. In addition, there will be changes regarding marriage and divorce.

Scorpio 1736-1748; 1983-95

Here is the generation of freedom fighters and revolutionaries. Many were born with Pluto in Scorpio, who fought in the US Revolutionary war and the French Revolution. This generation made major changes in overthrowing tyranny. The collapse of communism and the USSR, and the end of the Berlin Wall, along with the reunification of Germany, all occurred when Pluto was in Scorpio. The people born with Pluto in Scorpio changed the world and will do so again to bring in the Age of Aquarius. When Pluto was in Scorpio, 1490-1502, the "New World" was discovered and everything changed forever. Pluto went into Scorpio, at both the beginning and the end of the Crusades: 996-1008, 1243-1255. This ended the Dark Ages and opened the way for the Renaissance.

Sagittarius 1995-2008

The last time Pluto was in Sagittarius [1748-1762], great advances were made in making education available for everyone. When Pluto was in mid- Sagittarius, the year 2002 and after, [this sign also rules religion], the Christian Church finally was exposed, [planet Saturn was tying in and opposing Pluto from Gemini], the sign of media and communication; they could no longer hide their crimes against humanity. When the generation with Pluto in Sagittarius reaches maturity, [usually after their first Saturn return; ages 28-30] they may finally put a permanent end to what is left of that odious institution.

Capricorn 1762-1778, 2008-2023/24

Revolution, and the overthrow of tyranny. All around the world, repressive governments and powers were forcibly removed. The Declaration of Independence was signed.

Aquarius 1778-1798, 2024-2043

Aquarius rules the common person. America established a new form of government where monarchs and dynasties no longer had the rule. The common people had a voice in government. The next transit of Pluto in Aquarius should signify the reality of the Age of Aquarius. We are now in the last days of Pisces. Aquarius is the sign of freedom and enlightenment.

Pisces 1798-1823, 2043-

The first submarine was built; Pisces rules the oceans and water. There was much travel across the Atlantic Ocean with immigrants coming to America and the New World.

Pluto in the Houses

1st house

These people have a powerful will. They are intense, have natural psychic ability, and their early years are often filled with hardship, leaving lasting emotional scars. Early childhood was marked with efforts for survival. The families of those born with this placement were often in extreme poverty. These people tend to be loners and keep their innermost selves aloof from others. Their feelings run deep and they can be difficult to get to know on a personal level.

2nd house

There is often an obsession for material wealth and money. These people can be greedy. Focus on attaining one thing can become an obsession. There can be secrecy involving assets, and even drastic changes regarding finances.

3rd house

These people will keep reiterating themselves, as quite often with this placement, one did not feel listened to as a child. He/she was often ignored, especially by adults. They express their thoughts and opinions intensely. There is often an obsession with knowledge and research. A nervous breakdown can occur sometime in the life, [especially if the Sun conjoins this Pluto by progression], leading to regeneration of the mind. People with this placement often have very strong opinions, and communicate intensely. They can be responsible for secret information of extreme importance. There can also be a sibling with strong Scorpio/Pluto emphasis in his/her chart, or in a position of power. There can be intense activity in the immediate environment. These people are often on the go and have more errands than they can handle. Quite times are often spent in study and learning.

4th house

Often, the mother and/or father are controlling, domineering and interfering well into the adult life. For example, the mother who calls her adult children every day, keeps tabs on their whereabouts and activities, even when they are adults. One way or another, people with this placement more than often have issues with the mother for better or for worse. In rare cases a parent may die early in life. There can be close ties with the earth, a talent for dowsing, and geology. There can be involvement in mining and working underground. Power struggles can often occur with parents or other family members. There can be childhood trauma or

physical abuse, leaving people with this placement to feel as if they have no control over their lives. In some cases, positions of power may come to these people later in life.

5th house

There can be severe losses through gambling. Pluto in the fifth house can bring an addiction to gambling. These people can make for domineering, overly strict, or even abusive parents. There is much creative power with this placement. Love affairs are usually deep and passionate. Power is the ultimate aphrodisiac for these people. Extra-marital affairs are common with Pluto in the fifth house.

6th house

Morticians, pathologists, miners, those who work in salvage industries and on government atomic projects are likely to have Pluto in the sixth house. There can be secrecy involving the job. Spiritual healers also are known to Pluto in the sixth house. There can be extreme physical strength and stamina, along with strong recuperative and regenerative powers. This placement can also bring problems with the sexual and/or reproductive system, including sexually transmitted diseases.

7th house

Here the marriage partner can be overly jealous, controlling and even physically abusive. This is a position that battered wives often have. Their lives can be drastically altered by marriages and partnerships, and even with their relations with other people. People with this position need to be cautious regarding whom they associate with. The partner is more than likely to have power over this person; the wrong kind of power. This goes for both sexes. In extreme cases, one who is involved with this placement can wind up dead. Murderess Susan Atkins with Saturn, Pluto and Mars all in her seventh house of others, was strongly attracted to Charles Manson. Needless to say, he brought out the worst in her and the association transformed her life in a very ugly way.

8th house

This placement gives formidable strength and endurance, along with a remarkable life force. There is often a high sex drive. Life is serious business for these people, and many have a do or die attitude. Occult gifts such as clairvoyance, clairaudience, and telepathy are pronounced and very common with Pluto in the eighth house. These people have a natural talent for research and investigation. There can be secrecy in regards to hidden debts, and in extreme cases, there can be dealings with loan sharks and money involving underworld connections. These people often have secret sexual fetishes. They are prone to getting involved in drastic life/death circumstances. Many activities are carried on in secret and only manifest during the final stages of development.

People with this position must have a sexual outlet for their over all mental and physical health, as their drive is much stronger than most and can turn into other things of an unpleasant nature, if not attended to. One noted person with Pluto in conjunction to Neptune in the eighth house achieved the Magnum Opus.

9th house

There can be religious fanaticism, often with drastic changes in spiritual beliefs later in the life. These people love mysteries, puzzles and mind games. In-laws may be controlling and/or manipulative; they may be people of power and influence. The second marriage partner may be as Pluto in the seventh house [see the above]. There are often strong ambitions to achieve recognition in areas of higher education, and/or spiritual attainments. These people can have rigid and fanatical moral dogmas, having little tolerance for others and pushing their beliefs. This placement is also indicative of militant atheists. Whatever the individual with the ninth house Pluto believes, or disbelieves, there is a strong tendency towards fanaticism.

10th house

The father [ruled by the tenth house] is often of a domineering and controlling nature. He may be in a position of power and influence. People with this placement have a talent for dealing with those in positions of power and authority. The career or goals of these individuals can become an obsession, with a strong tendency towards being a workaholic. Whether or not people with this placement attain power or status, they are more than likely to attract the attention of those who do. There can be secretive circumstances surrounding the career.

11th house

Those with this placement often have powerful friends, and competitive friendships. Friends can be of a jealous nature as well as possessive, controlling and domineering. There can be involvement in occult groups, along with positions of leadership, and/or power within groups/associations. The groups these people belong to can be secretive, and sometimes of a very serious nature. Those with Pluto in the eleventh house can be dominated and manipulated in some way by the groups they join, even involving life and death... "blood in, and blood out" so to speak.

12th house

People who have Pluto in the twelfth are often intensely lonely. There is much psychic ability and spiritual talent. In some cases, they can be extremely private, and need their time alone. There can be powerful and even deadly enemies. Those with this placement are capable of deep meditation, intuitive understanding, and are frequently adepts at black magick. They are very

telepathic by nature. Pluto in this house can be a protector, destroying enemies and preventing personal losses.

The Houses of the Zodiac

THE FIRST HOUSE:

Angular

House of Life

The first and most important of the four angles, the first house rules the self and represents the self; one's body type, one's potential for leadership, the personality, the view of the world, the physical self, one's appearance, the physical health of the body, one's beginnings in life, the self image, outlook, and how one projects oneself. This is the most important house in a natal chart.

THE SECOND HOUSE:

Succedent

House of Substance

Rules: Money, material possessions, material desires, material and financial gain, or loss of income, and the earning and spending capacities. The second house also reveals one's material values, how one spends his/her money, and how one attracts money.

THE THIRD HOUSE:

Cadent

House of Relationships

Rules: Brothers, sisters, relatives, neighbors, communications, early schooling, short distance travel, the immediate environment/neighborhood, automobiles, buses, trains, the ability to learn, radios, TVs, newspapers, thinking, the manner in which one communicates, physical actions, skills, speech and the eyesight, hearing and manual dexterity.

THE FOURTH HOUSE:

Angular

House of Endings

Rules: The home, the mother, the family, one's early childhood, the conditions in old age, all things domestic, and one's psychological foundations. The fourth house rules the place of birth, one's domestic property, real estate, land, the underground, mines, and other subterranean places.

THE FIFTH HOUSE:

Succedent

House of Life

Rules: One's children, one's first child [the second child is ruled by the 7th house, the third by the 9th, the fourth by the 11th and so on, each skipping a house], how one has fun, athletes, athletics, acting, recreation, love affairs, theatres,

gambling, risk taking, games and sports, and one's creative potential. The fifth house also rules one's pets.

THE SIXTH HOUSE:

Cadent

House of Substance

Rules: The health, day to day work and service, what you give, small animals, cleanliness, hygiene, food preferences, people who are under your supervision at work and your attitude towards them, clothing, servants, climate/weather and its affect on your health, routine responsibilities and daily tasks, and one's type of work.

THE SEVENTH HOUSE:

Angular

House of Relationships

Rules: The marriage/significant partner, the second child, other people in your life, the law, lawsuits, how others treat you, the people you attract as partners, contracts, agreements, open enemies, rivals, the grandparents on the mother's side, business partners, what one attracts in regards to a partner, and one's interactions with people in general.

THE EIGHTH HOUSE:

Succedent

House of endings

Rules: Sex, death, taxes, inheritances, money one owes, the partner's finances, what one receives from others, the kind of death one will have, deep soul mate contacts, changes brought about by a major crisis, legacies and wills, how one evolves through suffering. The eighth is the house of the occult, the spiritual and is a house of power.

*Planets in the eighth, if they are ruling any of the houses of relationships, the people ruled by the house, may die. For example- Sagittarius on the cusp of the third [house of siblings]; with Jupiter in the eighth; a brother or sister may die prematurely. This is only a possibility. The eighth house is also the house of extreme power. If one's marriage ruler is placed in the eighth [ruler of the 7th in the 8th], the partner may be exceptionally important and powerful. Eva Braun, who married Adolf Hitler, had the ruler of her marriage house in the 8th house.

THE NINTH HOUSE:

Cadent

House of Life

Rules: One's second spouse, one's third child, one's in-laws, and one's religious and spiritual beliefs, long distance travel, universities and higher education, one's grandchildren, one's writing potential. The ninth house rules publishing, foreign

countries and cultures, people of other races, foreigner peoples, anything international, advanced training, law suits (along with the 7th house), legal decisions, judges, and one's overall beliefs and philosophies.

THE TENTH HOUSE:

Cardinal

House of Substance

Rules: The Career, fame, public standing, one's father, one's reputation, one's rank, people who are in positions of power such as one's bosses, and the government, along with one's attitude towards authority figures.

THE ELEVENTH HOUSE:

Succedent

House of Relationships

Rules: Friends, groups, goals, associations, organizations, hopes and wishes, social activities, the third spouse, and step children.

THE TWELFTH HOUSE:

Cadent

House of Endings

The 12th house is the house of sorrow. In a positive sense, it is the house of psychic ability. It rules and represents the psyche, the unconscious, secret enemies, self-undoing, secrets, and skeletons in the closet. The twelfth is the house of confinement, illness, seclusion, institutions, hospitals, large animals, one's innermost secrets and emotions. It rules imprisonment, and prisons. The twelfth is the house of secrets.

Planets in the 12th, the affairs of the houses they rule are subject to misfortune. Victimization, resentment, loss, disappointment, and misfortune can occur regarding the affairs of the houses that have their rulers placed in the twelfth house. The 12th is a powerhouse of psychic ability and energy, when properly sublimated.

The All Important Chart Ruler

The All Important Chart Ruler

The chart ruler is the ruler of the sign on the ascendant. In cases where there is a sign intercepted in the first house, or a sign such as Scorpio, which is ruled by both Pluto [its main ruler] and co-ruler Mars, and any planets in the first house, these are co-rulers. The main and foremost chart ruler is the planet that is the primary ruler of the sign on the ascendant and this planet represents you. The chart ruler is the most important planet and is secondary to none.

Conjunctions of the Chart Ruler/s to other planets and heir influences:

Chart Ruler/s in conjunction with the Sun

This aspect gives good health, physical strength, energy, and vitality. This is usually a fortunate placement, tending toward a long life and physical strength even in old age. The recuperative powers are very strong. Depending on the sign, this placement gives an optimistic disposition and offsets aspects of low self-esteem. The chart ruler in conjunction to the Sun helps to offset negative aspects. This placement also gives a sense of charisma and makes one well liked by others. The affairs of the house with Leo on the cusp are likely to be of importance and focus in the life.

Chart Ruler/s in conjunction with the Moon

The nature here is family oriented, sensitive, and emotional. These people often are fond of food and good cooks. They can have a nurturing aspect to the personalities and are caring and protective towards others. There is often pronounced psychic ability, with a tendency to absorb the feelings, emotions, and general tone of the environment around them. These people are moody and are often fond of places near water. They are maternal. Home and family are very important to them. Often there is a tendency for changes in the area of having different identities, aliases, and in going through phases in their lives. In some cases, they may change color of their hair and their style of dress quite often. The affairs of the house with Cancer on the cusp are likely to be of importance and focus in the life.

Chart Ruler/s in conjunction with Mercury

These people are often intellectual, talkative and have good dexterity and physical coordination. They have active minds and can get bored easily. They are often fidgety and restless. This placement often gives a talent for athletics. The affairs of the house with Gemini on the cusp are likely to be of importance and focus in the life.

Chart Ruler/s in conjunction with Venus

This aspect usually makes one attractive, charming, gives beauty, artistic talent and a sense of good taste. These people have charisma, along with a pleasing personality and unless Mars is strong in the chart, they are usually refined and well mannered, with a strong dislike of coarseness or crude behavior from others. They dislike confrontations and prefer a harmonious and peaceful environment and relations with others. The affairs of the houses with Taurus and Libra on the cusps are likely to be of importance and focus in the life.

Chart Ruler/s in conjunction with Mars

This aspect makes for an outgoing, hot headed, energetic, and combative nature. It is good for health, energy, and vitality, but can make one rude, crude, coarse, and ill mannered. These people are generally impatient and like to get straight to the point. Details bore them. Mars in conjunction with the ruler gives competitiveness, athletic and martial ability, along with a fearless pioneering spirit. People with this placement are often born leaders. Many military leaders such as officers, generals and those who have important and lifelong careers in the military have this conjunction. The affairs of the house with Aries on the cusp are likely to be of importance and focus in the life.

Chart Ruler/s in conjunction with Jupiter

Jupiter gives protection throughout the life. This aspect gives self-confidence, a cheerful nature, and optimism, and can offset negative factors such as low self-esteem in a chart. In some cases, they are life long students and many benefits can come from involvement with universities and other places of education. They can be overindulgent and fond of travel. This gives the personality a pleasant disposition and they are generally well liked by others. There is also a tendency to be large in some way, either large boned, tall or heavy. The affairs of the house with Sagittarius on the cusp are likely to be of importance and focus in the life.

Chart Ruler/s in conjunction with Saturn

The tighter the conjunction, the more malefic the influence can be. There is often an inhibited personality, along with pessimism, in some cases hard luck, and an overly serious nature. Other aspects need to be taken into consideration. The affairs of the house with Capricorn on the cusp are likely to be of importance and focus in the life.

One tragic example I noted was a child named Lisa. Her mother put her up for adoption in infancy. She was adopted by attorney Joel Steinberg and his wife through shady means. Lisa endured six horrific years of extreme abuse at the hands of this couple, which ended when Joel Steinberg beat her to death. Her chart ruler, the Moon was in near exact conjunction with Saturn in Libra in her fourth house of home and

family. Saturn in Libra is exalted and much more powerful in its influence in that sign, intensifying its malefic nature. She never even had a chance.

Chart Ruler/s in conjunction with Uranus

These people are often rebellious, freedom loving, original, unusual, and can even be eccentric. This aspect can give genius, a talent for electronics, invention, and an aptitude for mathematics. Nervous outbursts are common, along with a high-strung nature. People with this placement are likely to be very unusual and/or exceptional in some way. The affairs of the house with Aquarius on the cusp are likely to be of importance and focus in the life.

Chart Ruler/s in conjunction with Neptune

Neptune can have a malefic when conjunct a ruling planet. It is often found in charts of the mentally ill, those who are drug and/or alcohol addicted, those who are aberrant, weak willed, abnormally sensitive, and unreliable. These people are often impressionable and open to being deceived and taken advantage of by others. It is not good for the mental health. [Only with the conjunction does the aforementioned apply] On the upside, the chart ruler conjunct Neptune is found in the charts of many famous composers and musicians. Neptune is the higher octave of Venus in the ability to create beauty. Poets, artists, and dancers often have this conjunction. The affairs of the house with Pisces on the cusp are likely to be of importance and focus in the life.

Chart Ruler/s in conjunction with Pluto

Conjunctions with Pluto give intensity. There is ability and aptitude for magickal practice, intense concentration, and focus of the mind. This aspect gives a strong will, inner strength, and a do or die attitude. Death before dishonor characterizes these people; it is "all or nothing." This aspect is frequently seen in the charts of those who are born sorcerers. These people tend to transform those that they come into contact and interact with.

Retrograde Planets

Four or more planets that are retrograde in one's natal astrology chart indicate that the later half of one's life will be more eventful, and if success is to come, it will occur later in the life. The house/s ruled by the retrograde planets indicates affairs that will occur later in life. For example, the marriage house; marriage or love can occur after 30 years of age or later. In addition, many retrograde planets can make one introverted and shy. People who have four or more of their planets retrograde are known as "late bloomers."

If the main chart ruler is retrograde, then the above applies, as the chart ruler has the most emphasis and importance in determining one's fate. If the co-ruler/s is retrograde, and the main chart ruler is not, this will still affect the life, but not as much as when the main ruler is retrograde. The "main ruler" is the planet that rules the ascendant.

- The Sun and Moon are never retrograde.
- People who have Mercury Retrograde can sometimes be a bit slower in learning or understanding, than those who are born with this planet direct. These people can get lost in details and have trouble seeing the entire point, but can be excellent in research or in working with details. The mind can be very active and the thoughts run deep. Ideas and thoughts may repeat themselves until one feels a sort of mental burnout. Mercury retrograde people perceive information and communications a bit differently. Ironically, those born with a Mercury retrograde function much better when transiting Mercury is retrograde. Mercury retrograde usually indicates problems concerning one or more of the areas of life ruled by Mercury: speaking, writing, learning, the senses: sight, and hearing, the brain, perceiving information and verbal expression. In some cases, those who have retrograde Mercury can be reserved, shy, and quiet. In addition, one or more of the areas ruled by the house in which Mercury retrograde is posited, along with the houses with Gemini and Virgo on the cusps can sometimes experience delays or other problems.
- With Venus retrograde, love often comes later in life. These people can be very shy when it comes to love relationships, and have trouble expressing their affections. In some cases, there can be physical problems or other circumstances that prevent one from pursuing a love relationship. These people can also feel unworthy of love for some reason. Any financial security often

comes later in life. With Venus retrograde, one's love relationships can be very unconventional. In addition, one or more of the areas ruled by the house in which Venus retrograde is posited, along with the houses with Libra and Taurus on the cusps can experience delays or other problems.

- Mars retrograde holds one's anger inside. Most often, one was severely punished in childhood for expressing any anger. These people dislike and avoid open confrontations. They can seethe and boil inside with rage, but usually, they will not openly express it. Those who are in a close relationship with Mars retrograde people often have to learn how to "read them" as the Mars retrograde person hides his/her anger. Mars retrograde people do not know how to express anger in an acceptable way. If they are pushed to a certain point, to where they can no longer hold their anger in, they often overreact and can be explosive. Given Mars rules the sex drive, in some cases, men who have Mars retrograde can suffer from sexual impotence. In determining this, one must look to other indications in the chart. Mars direct, posited in the 12th house can have the same significance as Mars retrograde. If Mars retrograde is in Pisces, Libra, or in hard aspect to Saturn, the effects of expressing one's self are even more restricted. I have seen a case where Mars was both retrograde and posited in the 12th house. The one with this had serious psychological and sex problems, but there were also other supporting aspects for this in his chart. In addition, one or more of the areas ruled by the house in which Mars retrograde is posited, along with the houses with Aries and Scorpio on the cusps can experience delays or other problems.
- With the outer planets, one must look to the entire chart and the position of the retrograde planet in the chart in order to determine the strength of its influence. When the personal planets are retrograde, the influence is much greater than with the outer planets, unless they are prominently placed in the chart. Prominently placed means on an angle [conjunct the ascendant, descendant, midheaven, or IC], the chart ruler, or co-ruler, or in close aspect to the ruler/co-ruler.
- Jupiter retrograde gives one a sense of inner fulfillment, peace, and contentment. When retrograde, Jupiter turns inwards. Taken all by itself, Jupiter retrograde is not as much concerned with the material aspects of life. These people [unless there are other contradictory influences in the chart], are more concerned with spiritual comfort and peace of mind and soul. They often seek out spiritual knowledge on their own and have their own beliefs, instead of being indoctrinated by others. They can think for themselves, and they often look for their spiritual answers from

within, rather than accepting religious dogma. In addition, one or more of the areas ruled by the house in which Jupiter retrograde is posited, along with the houses with Sagittarius and Pisces on the cusps can sometimes experience delays or other problems.

- Saturn retrograde people often do not have a sense of limitations, as do those born with Saturn direct. He/she can take on too much work, take on too many responsibilities, and do too much for others. These people often have their own set of values. Discipline, demands, and severity are turned inwards upon the self. People with Saturn retrograde are often very self-critical and hard on themselves. They can make very high demands on themselves for personal achievement. These people may appear to be easy going when taking orders from others or when given extra work or responsibilities, but on the inside, this is a different story. Retrograde Saturn often resents too many demands and can react against these with indirect ways. Taken alone, retrograde Saturn does not desire fame or publicity: success here is more personal. These people often have trouble in being authoritative with others should the need be. They have a difficult time saying "no." Saturn retrograde is often hard on one's self-esteem, but be sure to look to other placements in a chart regarding this tendency. In addition, one or more of the areas ruled by the house in which Saturn retrograde is posited, along with the houses with Capricorn and Aquarius on the cusps can experience delays or other problems.
- Uranus retrograde indicates the need for freedom and rebellion is very pronounced. When retrograde, Uranus gives a strong sense of intuition, especially if there are other placements in one's chart supporting this. Outwardly, people with Uranus retrograde may seem to conform, but they are very original and unconventional on a personal level. These people are often high-strung. They will hold stress inside until suddenly; they explode and overreact, going to emotional extremes. There is a strong tendency to exaggerate things. Uranus retrograde influences one to look for guidance from within, rather than seeking answers outside of one's self, but seeks to reform and overthrow what is already established in the outer world. These people can feel alienated from others and quite often, they do not fit in with society. In childhood, Uranus retrograde people frequently felt stifled in expressing their individuality, and as they mature, they have a tendency to take things to extremes. In addition, one or more of the areas ruled by the house in which Uranus retrograde is posited, along with the house that has Aquarius on the cusp can sometimes experience delays or other problems.

- Retrograde Neptune gives a very rich imagination and fantasy life. There can be much inner confusion. The psychic and intuitive abilities are usually very well developed. These people can have escapist tendencies, with a strong susceptibility to abusing drugs and alcohol. When retrograde, Neptune gives extreme sensitivity, along with a sense of idealism. With retrograde planets, the energies of the planet are turned inwards. These people may oftentimes live in their own fantasy world, and withdrawal from outer life. The house that contains Neptune, along with the house where Pisces is on cusp can experience delays or other problems. Retrograde Neptune can manifest as a pronounced Neptune. As with the other outer retrograde planets, one must look to the position in the chart to determine the strength of the retrograde influence.
- Retrograde Pluto gives a pronounced inner intensity, along with a sense of aloofness. These people are usually very secretive, and very few if any get to know them on a personal level. There can be cases of extreme repression and emotional extremes, along with compulsions and feelings of isolation. This is the "either "or" "do or die" type of individual. They either love something or they hate it, there is no grey area or in-between. They are all or nothing. If other placements and aspect in the chart support this, the individual can be an introvert and loner. As with the other outer retrograde planets, one must look to the position in the chart to determine the strength of the retrograde influence. The house that contains Pluto, along with the house where Scorpio is on cusp can experience delays or other problems.

Noted Planetary Placements

The table below contains the noted placements of the planets. Planets in their exalted and home signs are stronger in their influence over one's personality and life's affairs, than when in their signs of detriment and fall. This also includes transiting planets. In the natal chart, look to the affairs ruled by the house containing the sign ruled by the planet and the affairs of the house that the planet is posited in. For example, a Leo Sun will be much stronger than an Aquarius or Libra Sun [signs of its detriment and fall] if it is aspected by Saturn or Neptune, both of which can undermine one's self-esteem and vitality [ruled by the Sun]. The strong Sun also functions better regarding the life affairs of the house with Leo on the cusp and also the affairs of the house containing the Sun.

In contrast, a strong Saturn as in Libra can be more malefic. Always remember, through power meditation, the aspects and planetary placements can be sublimated and directed.

Planets in their detriment and fall do not function as well as when in their exalted or home signs.

PLANET	HOME/RULING SIGN	EXALTATION	DETRIMENT	FALL
SUN	LEO	ARIES	AQUARIUS	LIBRA
MOON	CANCER	TAURUS	CAPRICORN	SCORPIO
MERCURY	GEMINI/VIRGO	AQUARIUS	SAGITTARIUS/PISCES	LEO

VENUS	TAURUS/LIBRA	PISCES	SCORPIO/A RIES	VIRGO
MARS	ARIES (CO- RULES SCORPIO)	CAPRICOR N	LIBRA (TAURUS)	CANCER

Astrological Degrees and Fixed Stars

0-1 Degrees of all signs signify the beginning of important events in one's life with predictive astrology, such as solar and lunar returns.

29 Degrees of all signs bring about the ending of events in the life, such as relationships, leaving a place of residence and so forth with predictive astrology, such as solar and lunar returns.

0-1 Degrees of Aries, Cancer, Libra and Capricorn are extremely critical degrees, both in predictive and natal astrology. These are the four cardinal signs; the solstice points of the Zodiac. What has begun may or may not last. Cardinal signs indicate strong beginnings, but lack the stability of the fixed signs or the adaptability of the mutable signs. 0 -1 of Libra oftentimes signifies the beginning of a relationship in predictive astrology. The affairs ruled by the planets on these degrees, the houses they are posited in and the house cusps with the sign they rule in a natal chart, are usually of significant importance in the life.

0 -1 Degrees of Taurus is always permanent, in prediction, for better or for worse.

0 -1 Degrees of the other fixed signs: Leo, Scorpio, and Aquarius are long lasting. Fixed signs signify permanence, stability, and things that last. In predictive astrology, what has begun will more than likely last.

0 -1 Degrees of Gemini, Virgo, Sagittarius, and Pisces are beginnings subject to change. Mutable signs always signify adaptability, restlessness, and change. They can be vacillating and weak. In predictive astrology, what has begun is subject to change.

29 Degrees of Pisces signifies a permanent ending in predictive astrology, as is 29 degrees of Taurus.

13 and 26 Degrees of Aries, Cancer, Libra and Capricorn give special importance to the planet/s or house cusps occupying the degree. The affairs ruled by the planets, the affairs ruled by the houses ruled by the planets, or by the houses these degrees are on point to something of the above-mentioned occurring in the life of the chart owner.

9 and 21 Degrees of Taurus, Leo, Scorpio, and Aquarius have a tendency to

misfortune. 21 Degrees of Scorpio is a definitely a degree of loss, both natively and in prediction, but the loss is not always negative.

4 and 17 of Gemini, Virgo, Sagittarius, and Pisces are similar to the 13 and 26 Degrees of the Cardinal signs.

15 Degrees of Leo is one of the worst degrees in the zodiac, either natively or in prediction. Prominent in the charts of serial killers, felons serving life sentences, in the charts of those who have fared hard luck, etc. Helen Keller, both blind and deaf from a very early age had her chart co-ruler Mars at 15 degrees of Leo, along with no air signs. [Air signs are communication]. Stevie Wonder [blind] Pluto at 15 degrees of Leo, Ludwig van Beethoven, deaf, Saturn at 15 degrees of Leo.

25 degrees of Leo is violent, and some who have this are in prison for violent crimes, especially those with their chart rulers on this degree. In addition, this is not a good degree for a planet to be on in a predictive chart. Problems will result from this placement according to the affairs it rules and/or house it is in. This is a very strong degree of alcoholism. Many who are chronic alcoholics have prominent planets on the 25th degree of Taurus, Leo, Scorpio, or Aquarius. The influence is especially strong if Neptune is involved.

15 Degrees of Taurus, Scorpio and Aquarius are also unfortunate, but not to the extent as 15 degrees of Leo, one of the worst degrees in the Zodiac.

16, 17, 18, 19, 22, and 25 Degrees of Taurus are all degrees of violence.

9 Degrees of Gemini and Sagittarius are both degrees of homicide.

17 Degrees of Gemini is degree of homicide.

6 Degrees of Cardinal signs: Cancer, Libra, Capricorn, and Aries indicates a possible physical disability, and to a lesser extent, especially if the planet occupies the first house, is prominent and/or other factors in the chart support this.

6 Degrees of Leo and 6 degrees of Aquarius are both very bad for eyesight.

12 Degrees of Leo is a degree of beauty.

9 Degrees of Virgo and Pisces are known as fatal degrees, body in the ditch

degrees and degrees of suffering.

9 degrees of Pisces is one of the worst degrees in the Zodiac.

9 Degrees of Sagittarius is a warrior degree, and is also a degree of homicide. Prominent planets on this degree are also seen in the charts of religious and spiritual reformers.

22 degrees of all signs, especially the fixed signs is bad, either natively or in prediction.

FIXED STARS: Allow 1 - 2 degrees orb for conjunctions and oppositions to other planets. Conjunctions and oppositions are the only aspects that matter, with conjunctions being most important. The following interpretations concern when a fixed star is conjunct a planet in one's chart or an angle or is prominent. The nature of the planet also should be blended in with the nature of the fixed star. Personal planets such as chart ruler/s and angles are important, with the influence of the fixed star being emphasized in both the life affairs and in the personality.

The four most prominent fixed stars are:

- Aldebaran; 9 degrees of Gemini
- Regulus; 29 degrees of Leo
- Antares; 9 degrees of Sagittarius
- Formalhaut; 3 degrees of Pisces

These stars can also be prominent in magick.

- Aldebaran is known as "Watcher of the East."
- Regulus is known as "Watcher of the North."
- Antares, is known as "Watcher of the West."
- Formalhaut is known as "Watcher of the South."

ALPHERATZ - [Sirrah] [14 Degrees Aries]

Freedom, love of movement, speed, intellectual and can indicate riches and honors. The personality often has strong motivation, willfulness and the ability to take action. Those with this placement often come before the public and are popular with the masses. There is a considerate and harmonious nature, which is good for relationships.

BATEN KAITOS - [20 degrees of Aries]

There can be forced migration, accidents, and shipwreck.

MIRACH - [0 Degrees Taurus]

This star can give happiness in marriage, bestow artistic talent, and give a love of beauty. There is often strong intuition, along with a brilliant mind, and much creative talent. The disposition is generous and loving. These people often make friends easily and inspire others. Mirach gives beauty, and a love of the home and family.

HAMAL - [6 Degrees of Taurus]

There is a need for personal independence. These people often have a strong will, and dislike authority. This placement gives independent thought and leadership ability. In some cases, there can be cruelty and premeditated crime.

ALMACH [Alamack] - [14 degrees of Taurus]

This star gives a popular influence, making one well liked and bringing benefits come from others, along with a prominent position, and possible fame. There is often artistic ability.

CAPUT ALGOL - [25 Degrees of Taurus]

Caput Algol is one of the most violent stars in the zodiac. In natal charts, this gives a most violent disposition, along with murderous tendencies. These violent tendencies are intensified when one is intoxicated with drugs and/or alcohol. Here is the nasty, violent, mean, and vicious drunk. On the upside, it can bestow athletic ability. The intense nature, when sublimated, can give the drive to reach the top, but the affairs of the planet occupying this degree often end in disaster and misfortune. When conjunct the descendent, violence can come from others, especially the lover or marriage partner. I have noted more than one person with the Sun in conjunction with this star in being a pathological liar.

ALCYONE - THE PLEIADES - [29 Degrees of Taurus]

This star is bad for the eyesight and can even bring blindness. It also brings sorrowful events with something to cry about. There can be keen insight, strong ambition, and a harshly judgmental nature. There is often a love of nature, and the outdoors. There can be possible injuries to the face.

HYADES - [5 Degrees of Gemini]

Hyades gives a powerful sex drive, along with a greedy, overindulgent and excessive nature. These people are often exploitive of others. There can be tremendous success in life, but a lack of control and bad habits can cause one's ruin. There is often much vitality and the energy level is high. This placement gives a talent for martial activities and the military.

THE NORTHERN BULL'S EYE, EPSILON TAURI - [7 Degrees of Gemini]

This star gives artistic talent, writing ability, popularity, scientific and occult ability, and is often prominent in the charts of astrologers. These people often make outstanding contributions in their chosen fields.

ALDEBARAN - [9 Degrees of Gemini]

Watcher of the East

Aldebaran rules the hands and fingers. There is a tendency to weakness of the lungs and possible pneumonia. The death is often violent. Those with this placement have high ambitions, and they often attract dangerous enemies.

RIGEL - [16 Degrees of Gemini]

Rigel gives lasting riches, honors and favor. When prominent, it is good for military careers, [especially if in conjunction with the midheaven] and mechanical ability. There is teaching ability and the personality is somewhat conforming. Ambitious and hard working, these people can stay on top, as long as effort is maintained.

BELLATRIX - [20 degrees of Gemini]

Bellatrix brings military and other honors which can end in disaster. This star is bad for the eyesight. There is an aptitude for quick decision-making. Those with this star prominent are often strongly opinionated, and have a belligerent, daring, and adventuresome nature. If Bellatrix is in conjunction with the midheaven, one may be a swindler or forger.

CAPELLA - [21 degrees of Gemini]

There is often superior intelligence, along with a love of learning and research. Capella brings martial and/or ecclesiastical honors and riches, often followed by squander and waste, leading to ruin. The personality can be eccentric and unusual in some way.

ALNILAM - [23 degrees of Gemini]

Alnilam bestows honors, especially when in conjunction with the midheaven.

POLARIS - [28 degrees of Gemini]

Polaris can give spiritual powers and much respect gained from them. There can be possible chronic illness and/or physical problems. Money coming from others can encounter problems and loss. When this star is prominent, the instincts and common sense is strong along with the ability to find one's way.

BETELGEUSE - [28 degrees of Gemini]

This is one of the most fortunate of fixed stars and is frequently prominent in the charts of those who have had major success in life. Betelgeuse brings wealth, honors, fame and fortune.

SIRIUS [ALPHA CANIS MAJOR] ORION'S GREAT DOG STAR - [13 degrees of Cancer]

Powerful position in government, along with honors and fame. There can be danger from dogs, along with being vulnerable to violence.

CASTOR - [20 degrees of Cancer]

Possible violence, along with sudden fame, followed by prison or disgrace. Castor brings weakness of the eyes, and injuries to the face. The disposition is usually well mannered, with strong principles.

POLLUX - [23 degrees of Cancer]

Pollux gives athletic ability, and is favorable for martial artists, boxers, fighters and warriors. This star is bad for the eyesight, and can bring injuries to the eyes and face. There can be connections with poisons. Honors are often followed by disgrace, and possible imprisonment. There can be a cruel, subtle, and scheming nature.

PROCYON - [25 degrees of Cancer]

A love of dogs, but there can be danger from their bites. Achievement comes through personal efforts. Danger from liquids, poisons and gases. The nature is often jealous, combative, and strong willed. These people like to see ideas put into action.

PRAESEPE - [7 degrees into Leo]

Praesepe is very bad for the eyesight. Losses can come from others. The character is adventuresome, brutal, perverse, and reckless.

ALPHARD - [26 degrees into Leo]

Lack of control, violence, unethical, subject to imprisonment and tragedy. Connection with poisons and toxins.

REGULUS - [29 degrees into Leo]

Watcher of the North.

Astrological ability, independent and high spirited. There can be destructive tendencies, and military honors. These people often obtain positions of power, along with success, and have leadership ability. There is also the possibility of disgrace and a disastrous fall from a prominent position.

ZOSMA - [9 degrees of Virgo]

Victimization, unhappiness, suffering, subject to disadvantage and abuse. Those with this star prominent often seriously suffer in some way. There can be physical problems and/or disabilities.

DENEbola - [21 degrees into Virgo]

Honors and wealth, impulsiveness, disgrace, regrets, misfortunes through natural forces.

VINDEMIATRIX - [9 degrees into Libra]

There can be a tendency to having spinal problems. The marriage can be unfortunate, and in some cases, the loss of the partner through death. There are often major problems and losses through women. [Bill Clinton is a perfect example here].

ALGORAB - [13 degrees of Libra]

One who is destructive, malevolent, fiendish, deceitful and lying. Here is the dishonest businessperson or politician. The character is self-centered, and can be charming and sly. There is a very strong tendency towards dishonesty.

SPICA - [23 degrees of Libra]

There can be wealth and honors, along with fortune and fame. Spica gives ability in the sciences, in the arts, writing ability, musical talents, and much creativity. These people are usually sociable. Spica is a great benefactor to any planet it is conjunct.

ARCTURUS - [23 degrees of Libra]

Lasting success through personal effort and self determination. Fortune can come through travel. The nature can be hot tempered.

PRINCEPS - [2 degrees of Scorpio]

above average in intelligence, good for research and a talent for science.

ALPHECCA - [11 degrees of Scorpio]

This star makes one artistic, with a talent for poetry, and the occult and healing ability. There is often success in business, along with leadership ability. There is a tendency to be a loner.

SOUTH SCALE - [14 degrees of Scorpio]

This star can bring troubles, as it is conjunct 15 degrees. There can be physical anomalies and/or serious health problems. It has a reputation for making one susceptible to poisoning.

NORTH SCALE - [18 degrees of Scorpio]

This star often gives honor, distinction, ambition, and good fortune.

UNUKALHAI - [21 degrees of Scorpio]

This star indicates a loss in some area, both natally and in prediction. This loss is not always negative in prediction. There can be perversions, a lack of self-control and a danger of poisons. The personality can be crude and vulgar.

ANTARES - [9 degrees of Sagittarius]

Watcher of the West The nature can be impulsive, headstrong, stubborn, and courageous. The life meets with unpredictable events, unexpected upsets and changes, and a loss of success can come from self-undoing. There is military and martial aptitude, bringing honor and favors. This is a warrior star. Those who have this star prominent in their charts often rebel against spiritual and religious oppression, bringing drastic changes in these areas.

LESATH - [23 degrees into Sagittarius]

Outspoken, perverse, associated with acids, and danger.

ACULEUS - [25 degrees into Sagittarius]

There can be trouble with the eyesight. Aculeus bestows leadership ability, but makes one subject to mental, verbal, and/or spiritual attack. These people are often victims of gossip.

ACUMEN - [27 degrees into Sagittarius]

These people on the down side can get worn down by life and just not care anymore. There can be disgrace, legal problems, and possible imprisonment.

WEGA - [15 degrees into Capricorn]

Occult talent, along with riches and fame. The nature is idealistic, pretentious, hopeful, artistic, and refined.

DENEK - [19 degrees into Capricorn]

Good for military, successful warriors, ability for leadership and command. The nature is often benevolent.

TEREBELLUM - [24 degrees into Capricorn]

Greedy, scheming, shrewd. There can be fortune, but with guilt and possibly a bad reputation.

ALTAIR - [1 degree into Aquarius]

Bold, confident, stubborn, sudden wealth, position of high command, danger from reptiles, an adventuresome risk taker.

GIEDI - [2 degrees into Aquarius]

Sacrifices are often made, and strange events occur in the life. There is much suspicion and mistrust.

ARMUS - [11 degrees into Aquarius]

Nagging, unstable, contemptible, spiteful.

DENEB ALGEDI - [23 degrees into Aquarius]

One's life is often full of changes, along with living on the edge. These people are usually trustworthy, just, and fair, with a knowledge of human nature.

FORMALHAUT - [3 degrees of Pisces]

Watcher of the South.

The effects of this star can be variable, for better or for worse. This star can bring success and financial wealth, but there is often very hard work along with plenty of responsibility. It can increase and amplify whatever planet it conjuncts.

DENEB ADIGE - [4 degrees of Pisces]

This star often gives above average intelligence, and an idealistic nature. Money can be made through the arts and sciences. There is often psychic talent and a likable disposition.

ACHERNAR - [15 degrees of Pisces]

Royal honors, success in public office, philosophical, patient, inclined to religion. There can be misfortune and problems with any planet at 15 degrees.

MARKAB - [23 degrees of Pisces]

There is a tendency to danger from fire, fever, cuts and blows. This star can bring good fortune, and is favorable for spiritual pursuits and meditation. One's ambitions are often not realized.

SCHEAT - [28 degrees into Pisces]

There can be misfortune, possible suicide, drowning, one's being murdered, along with rapidly gaining and also losing friends. The nature is often unpredictable, with a tendency to fantasize.

Planetary Configurations

GRAND TRINES IN FIRE

Those who have fire grand trines are usually very outgoing and charismatic or self absorbed. Either way, there is much emphasis on the self. These people have big egos, along with a sense of self-importance; they are proud and can be selfish.

There is tremendous creative ability. They prefer to be active. Sometimes they enjoy dangerous pursuits, which they throw themselves into fearlessly, as they are adventurous. Here is someone who hates to be subordinate. Independent and self-starting, they hate interference from anyone. These people can be over confident

In love matters, fire, being a royalty element, they expect total devotion, attention and even service from their partners. Unfortunately, this is not a two way street. Unless their partners are very direct about their own needs, the fire trine person often will ignore them, as they are into themselves.

The fire element is energetic and vital. This gives a high energy level and is good for the health. This also gives strong resistance to infection and stamina.

IN EARTH

Money, physical pleasure and sensuality are important to these people, more so than to everyone else. They are organizers and planners. Security is of prime importance and they dislike spontaneity, unless there are many planets in the mutable signs. These people can be very self-indulgent. The earth element gives tremendous endurance, stubbornness, and determination.

Many are hard working and their lives can revolve around their work and business. They do not like to take risks or gamble. They have good timing, as most think ahead and do not rush into things.

These people can have a dullness about them as they are not outgoing like the fire people, but they are reliable and lead more organized lives. Their lives can become stuck in the same old routines. Work and productivity are highly valued, often above all else.

IN AIR

Here we have the intellectual. These people can live in their heads so to speak. They are idealistic, value wisdom and education. Being idealistic, they can be impractical. Air, by itself is a cool, intellectual element. These people dislike relationships where many demands are put upon them. Communication and discussion with others is important to them. They are good at argument.

Unlike fire and water, air is not very passionate, preferring to relate to others intellectually. A good talk and communicative understanding are more important to these people. These people are versatile and can be many different things to many different people, as they adapt. They are impersonal and can look at things in a detached way, seeing both sides to an issue. They make excellent writers, journalists and have much talent where communication is involved.

IN WATER

Water is the element of emotion and feeling. Here we have the psychic. These people can often feel what others are feeling or thinking. Like the fire element, water gives creativity. Water trine individuals are super sensitive. Water is the element of fertility and can give large families. These people can be escapists. The imagination is active and rich with daydreams and fantasies. Water people are often artistic.

There is much empathy for others and a strong sense of justice. The suffering of others and the world deeply affects them. If there are several planets in Cancer and Scorpio, these people hold grudges and can make dangerous enemies.

DISSOCIATE GRAND TRINE

This is where one planet is out of place. Check the element the other two are in. The traits will be weaker, than the pure elemental grand trine.

Elements in chart

[Collected from Joy of Satan website → Satanic Meditation → Invoking Elements]

Those who lack an element often express the character traits of the element in a different way than those who have the element. Reichsführer Heinrich Himmler worked extremely hard and was reliable and consistent. His lack of earth manifested in his idealism. He spent most of his life working very hard. He was very patient and self-disciplined.

Those who lack water can actually be quite emotional. Adolf Hitler lacked water, but was very emotional. This could be seen in his speeches. Those of us who have met him on the astral know he is caring and responsible to the extreme. In spite of the endless lies told about him, he was one of the finest humanitarians who ever lived and he also loved animals and put laws for animal rights into effect in Nazi Germany.

Helen Keller, both blind and deaf from her early childhood [this is how the lack of air manifested in her chart, along with her chart ruler being at 15 degrees of Leo, a degree that can cause blindness and/or deafness]; she spent her entire life communicating. She authored several books and gave numerous speeches in spite of her handicaps.

Predictive Astrology, Magic and timing

Transiting Pluto

Pluto, in prediction, is a neutral planet. Transiting Pluto brings major, life altering change, for better or worse, depending upon the other transiting planets and the life patterns in the birth chart. Pluto is neither positive nor negative. The changes resulting from a Pluto transit are permanent.

Pluto rules intensity and obsession. When it contacts natal planets by transit, it sometimes intensifies them, especially in the case of Venus, where it can cause deep, obsessive love. The Venus/Pluto contacts are the bringers of fatal attractions where the love is one sided.

TRANSITING PLUTO:

To the natal Sun-

When Pluto contacts the Sun, there are changes in one's self image. This transit often brings one into contact with his/her own power. The Sun rules the male partner in a woman's chart, the Father, the male boss, men who are seen as authority, and children, especially male. These changes can affect these male figures in one's personal life. For example, rarely, there can be death of the father. The house cusp(s) with the sign of Leo (see) are areas there is likely to be major change. The house that contains the Sun can also be affected. Look to the house where Pluto is making the transit from, for clues to where the changes will take place.

To the natal Moon-

Domestic change. Moving house, someone being born, someone dying, someone leaving, someone coming to live in the same house. or changes that affect one's family members and home. Look to other planetary transits to determine whether this change is positive or negative. Transiting Pluto aspecting the Moon from the 5th house, often signifies a birth. Pluto aspecting from the 8th, often a death.

To the natal Mercury-

Often a period of intense learning and mental activity. One will go through changes in one's views. During this transit, one may transform one's self through intense learning, either formal or informal. Meditation and other psychic exercises will act to transform the mind at this time. Also look to the house cusps with Gemini and Virgo; the house containing the natal Mercury and the house where transiting Pluto is making the aspects from. One may become obsessed with a subject.

To the natal Venus-

This transit usually incites deep, intense love. This love can descend into obsession, especially if one sided. There can be a painful quality to the love. Emotions can be out of one's control. There can be changes in regards to finances, as Venus rules money and material possessions. Check house cusps that have Taurus and Libra, the house containing Venus and the house where Pluto is making the transit from.

To the natal Mars-

This is a good transit for increasing one's self confidence and self esteem. During this time, one feels more in control and in some cases, receives outstanding recognition of some sort. People undergoing this transit, often find themselves more competitive, aggressive, determined, and intense. One often has more physical stamina and can devote him/herself entirely and intensively in a selected project. The project can become an obsession and much work can get done. Check the houses with Aries on the cusp(s); the house containing Mars and the house Pluto is transiting from for areas where possible additional changes will occur.

To the natal Jupiter-

Changes in one's religious beliefs, philosophies and views. With the conjunction, square, and opposition, these can be drastic. With the trine and sextile, one's beliefs can be deepened and strengthened. Check the house(s) with Sagittarius on the cusp, the house containing Jupiter and the house Pluto is making the transit from.

To the natal Saturn-

There may be changes in one's foundation beliefs. One's concept of reality may go through permanent changes. Enlightenment can be in the form of upheaval. This transit usually affects the affairs of the house(s) that has Capricorn on the cusp and the house containing Saturn. Saturn also rules old people and there may be changes in regards to them if one has any that are within one's personal circle. Look to the house where Pluto is making the transit from.

To the natal Uranus, Neptune and Pluto-

I have found when transiting Pluto contacts these natal planets, the affairs that undergo change are within the house cusps that contain the signs that they rule. Aquarius, for Uranus, Pisces, for Neptune and Scorpio for Pluto aspecting itself. With Uranus, in rare cases, there may be some change connected to one's freedom or lack of; Neptune, drugs, music, art, alcohol, Pluto to itself is a generational influence. Affairs with the house with Scorpio on the cusp can undergo changes.

To the chart ruler-

In addition to the above, there will be major, permanent personal changes. Look to the house where transiting Pluto is in to see what areas of one's life they will affect.

To the ruler of the 2nd house- financial, or material changes.

To the ruler of the 3rd house- changes in thinking, brothers/sisters, relatives, neighbors

To the ruler of the 4th house- changes in home, family, the mother

To the ruler of the 5th house- changes in regards to children; a birth, changes in regards to athletics or creative projects.

To the ruler of the 6th house- changes in health and/or work

To the ruler of the 7th house- marriage, divorce, sometimes legal issues, changes in regards to partnership.

To the ruler of the 8th house- changes in joint finances, debts, sex.

To the ruler of the 9th house- beginning or ending higher (university) education, possible long distance immigration, possible changes in religious beliefs/philosophies.

To the ruler of the 10th house- career changes

To the ruler of the 11th house- permanently joining a group or organization, permanent friendships or breaking up with the above mentioned. Permanent changes in goals.

To the ruler of the 12th house- changes in consciousness, in rare cases, imprisonment or incarceration. Good time for occult studies, spiritual understanding, meditation and healing.

PLUTO THROUGH THE HOUSES:

Pluto crosses the Ascendant-

There will be major changes. A long distance move, changes in relationships, a career break, attainment of power/position. One's life will never be the same again.

Pluto through the first house- Pluto remains in this house anywhere from 12- 31 years. During this time, drastic changes in self can occur. Physical changes such as weight loss, self-improvement, obsession with one's self and goals, personal accomplishments. This transit is usually positive, but in rare cases, the life altering changes can be for the worst.

Pluto through the second house- obtaining money and material possessions can become an all out obsession, there can be drastic changes in these areas. Winning large amounts of money, or major losses can occur. An overwhelming need for security, usually financial.

Pluto through the third house- emphasis on communication, neighbors, brothers/sisters, the immediate community and environment. Computers, short distance travel, writing. Thinking can become more intense. Meditation, contemplation, obsession with obtaining knowledge, deeper relationships with siblings. Obsession with making a difference in the community or environment.

When Pluto crosses the IC, there will be changes in regards to the home and family. Long distance moves and changes of residence are common. If other factors in the chart support it, there can be marriage. There can be divorce, illness, death in the family, but in most cases, a move of residence. Career changes are also possible.

Pluto through the fourth house- Major repairs of home and property, family ties may either be deepened or broken, people coming to live in your home and/or people leaving. Changes within the family, elders, the mother, in very rare cases, death, as this is a house of endings. Changes in regards to property being bought/sold.

Pluto through the fifth house- Pluto here often signifies the birth of children, especially when other planets are contacted. Obsession with working out, athletics, exercise. Intense creative projects, passionate love affairs. Gambling at this time can become an addiction. In very rare cases, winning at gambling. A strong need for recognition. Sometimes one sided love obsessions occur.

Pluto through the sixth house- One's health can regenerate, and there can be healing. Changes in diet, care of one's body. Intense work situations where you work your ass off, usually physical labor. Changes in employment, career. This is a good time for healing. There can be workaholic tendencies. In rare cases, diseases and negative changes in health.

Pluto crosses the Descendant- Changes in relationships. If one is married, often death of the spouse or divorce. If one is single, there can be meeting with one's soul mate; an all consuming union.

Pluto through the seventh house- Partnerships of all kinds go through major changes and are never the same. In new love relationships, there will be extreme depth of feeling. There can also be significant legal issues. Others will exert strong influences and incite personal changes in the person whose 7th house is being transited by Pluto. Attractions to dominating, strong secretive types, those in positions of power. There can be partnerships formed, business alliances or love/sexual associations with people in positions of power. Sometimes these will be kept secret.

Pluto through the eighth house- changes in debt, joint finances. Filing bankruptcy. Obsession with the mysteries of death, the occult and supernatural. In rare cases, death. Legacies and major changes of all sorts can occur with Pluto transiting the eighth. Obsession with fetishes and intense sexuality.

Pluto through the ninth house- Changes in religious beliefs, fanaticism in beliefs, long distance travel or immigration, This is a good time for learning and education. At this time, one can attract powerful teachers for better or worse. There may be changes in regards to in-laws or the partner's relatives. This transit signifies intense involvement with religion, other cultures, metaphysics, philosophy, education, and the law. Also, a second marriage is possible, as the 9th rules the second major relationship (marriage).

Pluto crosses the Midheaven- Career and major life changes in regards to one's standing and status, for better or worse.

Pluto through the tenth house- Career changes, obsession with getting ahead and power. There may be changes in regards to the father. Workaholic tendencies and strong ambitions. There is a possibility for fame, coming before the public, special recognition and honors. One may at this time be appointed to a position of power.

Pluto through the eleventh house- changes in regards to friends, goals, and groups. One may at this time, join a group, or organization permanently. Powerful and influential friends may enter into one's life at this time. Obsession with goals and ambitions. One may also be placed in a position of power in a group or organization. Friendships will begin and others will end under this transit.

Pluto through the twelfth house- This transit can either be for better or worse. At worst, powerful and deadly enemies can enter into one's life, long term incarceration and imprisonment, diseases that are long lasting and/or permanent, isolation. The person, at this time, may have an intense desire to be alone, or this can be forced upon one, through circumstances. There can be restriction and confinement, mentally or physically.

In sublimating this energy, meditation, metaphysical pursuits, psychic empowerment exercises and other forms of occult study application should be consistently worked on. This is a good time to develop intuitive powers and psychic energy.

Secrets at this time are of unusual importance. One may be involved in research, or some kind of secret activities.

Prediction in Astrology

Understanding the basics is very important in prediction.

There are various methods of prediction.

1. Progressions: One day represents one year in the life, using an ephemeris.
2. Transits: Where the planets are at in the sky at a certain time and how they affect the planets in one's natal chart.
3. Solar returns: when the Sun comes back to its degree and minute, a chart is cast for the entire year.
4. Lunar returns: when the Moon comes back to its degree and minute, a chart is cast for the entire month.
5. Solar arc progressions: The planets are progressed as far as the progressed Sun has traveled; one day for a year, using an ephemeris.
6. Regressed day for year planets: Instead of going forwards, these go backwards from the birthday.

To get a really clear, accurate picture of events that will occur in the life, one should blend all of the interpretations from the above methods. Take EVERYTHING into consideration. The more supporting aspects and such, the more certain that accurate predictions can be made. When an important event is about to manifest in one's life, this can often be seen in all of the above methods of prediction.

ONE DAY FOR ONE YEAR: PROGRESSIONS:

One day for each year progressions are used for the Sun, Moon, Mercury, Venus, Mars, and the four angles [the ascendant, midheaven, IC, and descendant]. The outer planets move too slowly for this particular method. The midnight date and the noon dates determine the 6 months for the year in question; this is especially helpful in charting the course of the Moon, as it moves faster than the other planets.

A day for a year. For example, if you are 25, count forwards from your birthday, beginning one day after your birthday to 25 days, using an ephemeris. If there are planets on that date aspecting your natal planets within 1-2 degrees orb, an event will occur in your life. For example, if your natal Sun [at the time of your birth] is 20 degrees into Virgo and you just turned 25, you count down the page to 25 days after your birthday and say you find Venus is now at 19 degrees, almost 20 degrees into Virgo, rest assured, within the year, you will be involved in a very significant love interest, relationship or possible marriage. With the online astrology charts, one no longer has to use old-fashioned calculations. The above is for your information, as to how this works.

TRANSITS:

Transits are where the planets are now in the sky above, and the aspects [if any] they are making to your birth planets. Again, if significant aspects are made, events will occur given the natures of the planets involved. Transits cover the slower moving planets: Mars [when retrograde], Jupiter, Saturn, Uranus, Neptune, and Pluto. In some cases, the Sun, Mercury or other faster moving planet can act as a trigger, but not as a major influence. Eclipses and lunations are also important here.

The degrees of orb are wider with transits in contrast to the 1-2 degree orbs with progressions. Orbs are the degrees the planets have influence. In natal astrology, the orbs for transiting planets are 8-10 degrees for the Major aspects: the conjunction, the square, the trine and the opposition. With the lesser aspects such as the sextile, the orb of influence is 5-6 degrees. The semi-sextile, quintile, and sesqui-square have only 1-2 degrees of influence regarding their orbs. For example, say one has their Jupiter at 2 degrees of Virgo and their Pluto at 7 degrees of Virgo. This is a conjunction as the two planets are within 5 degrees of orb. There are five degrees separating Jupiter and Pluto here. Now, say if Pluto was at 18 degrees of Virgo, the conjunction would not apply, as there are 16 degrees between the two planets, making the influence for a conjunction too wide.

Remember, for progressed planets the orbs are tight: 1-2 degrees only.

For example, say Pluto is squaring one's Moon, indicating a significant domestic change. The Moon is 11 degrees into Pisces. Pluto is now at 16 degrees of Sagittarius. Pluto still has influence. I have found the closer the aspect in MOST cases, the event will take place, but there have been some instances where the event occurred when the planets were separated by 9-10 degrees. Therefore, Pluto will have influence over the above example's Moon until it is past 21 degrees of Sagittarius, and out of orb.

I have also found in most cases, a transiting planet approaching a natal planet within 2-4 degrees, even before it makes an exact conjunction with that planet, it can set off an event. Be aware as any slow moving transiting planet approaches within 5 degrees of a natal planet. If nothing happens, still be aware, as events can occur at any time when the transiting planet is within orb of the natal planet. This also includes retrograding planets. When the retrograde planet passes over the natal planet, then stations and backs up retrograde, when it is within orb of the natal planet, it can set off an event. The closer it gets to the natal planet in degrees, the more likelihood the event will take place.

SOLAR RETURNS:

One's upcoming year astrologically, always begins on one's birthday. The exact

time the transiting Sun conjoins the natal Sun to the degree, minute and second, a chart is cast that reveals the planetary influences for the coming year. Further information is given by casting a chart when the transiting Sun squares [is 90 degrees] from, and opposes [180] the natal Sun. This will break the year down into three month parts.

For example say your Sun is 10'44"16 into Gemini. When the transiting Sun comes to 10'44"16 of Gemini, the exact time this occurs, a chart is cast. When the transiting Sun is at 10'44"16 into Virgo [90 degrees away], a chart is cast and is called a "quarter return." The quarter return has lesser influence than the solar return and basically acts as a timer for the events predicted in the solar return chart. When the Sun is 10'44"16 into Sagittarius [180 degrees away from the natal Sun], this marks approximately six months from one's birthday. I have noted in many cases [but not all], events predicted in the solar return often manifest after the transiting Sun opposes the natal Sun at 180 degrees. Six month solar charts have more influence than quarter charts, but again, this is not a rule. When the transiting Sun is at 10'44"16 into Pisces, you have the last three months of your year.

In a solar return degrees are VERY important, but most famous astrologers who write the books do not know this or much else on how to interpret them for that matter. The solar return must be blended with the progressions, transits and other predictive data.

For example, say with your solar return chart, the midheaven is 0 degrees into Taurus, with solar return chart ruler, the Sun [for Leo on the solar return ascendant] conjunct the Moon in the second [money] house. [New Moons in a solar return are very significant and indicate important beginnings], along with SR midheaven ruler, Venus in the 1st house, placing emphasis on the 10th house of career for upcoming events. Planets in the first house of a solar return place an emphasis on the events of the house they rule in the SR chart and also in the natal chart. Chances are, with the above influences, one will begin a new career.

LUNAR RETURNS:

Lunar returns are very similar to solar returns, with the exception that they are cast for one's Moon each month. Lunar returns reveal events for each month. The solar return has the most influence for predicting events throughout one's year. The lunar return will reflect the events predicted with the solar return, and often act as a timer.

SOLAR ARC PROGRESSIONS:

Solar arc progressions are good for progressing the outer planets, as they move too slowly for the day per year method. I have found these to be weaker in influence, than the standard progressions. The Sun moves a certain number of

degrees each day. As with the day for a year progressions, count the number of number of days in age. Look to the position of the Sun at that date. It has moved a certain number of degrees. Add this number of degrees to all of the natal planets. 1-2 degrees orb still applies here and if there is an aspect/s one will experience an event.

REGRESSED PLANETS:

These are somewhat weak. Regressions are mainly used to reveal trends in past lives. You count backwards in years.

Timing your Magic with the Moon

Timing your magick with the phases of the Moon is essential for success. A rule of thumb is to remember for white magick, this is best done while the moon is waxing (increasing in light; new to full). The best time is as close to the full moon as possible. Love spells, acquiring a new job, wealth success, and so forth.

When the moon is waning (decreasing in light; full to new), this is the best time for success in black magick and works of destruction, the best time being as close to the new moon as possible. The waning moon is also a good time for ending things, banishing spells and ending personal bad habits, losing weight.

Moon in Aries

Projects begun when the moon is in Aries often begin with much enthusiasm, but tend not to last. This is a good time for inciting conflicts, high energy, me, mine, war, knives, weapons, guns, quick but not lasting results, fire, sharp things, metals, daring, sticking up for yourself, risk taking, independence and inciting accidents. Do NOT have surgical procedures performed on the head or face at this time. Magick ruled by Mars has the best outcome at this time.

Moon in Taurus

Projects begun when the moon is in Taurus are usually permanent or long lasting, especially when performed in when the moon is in the first ten degrees of the sign. Money, finances, possessions, material things, sensuality, earth, greed, permanence, wealth, things that increase in value, loans, bankers, slow but lasting results, time delays. Do NOT have surgical procedures performed on the neck or throat at this time. Magick ruled by the Earth and Venus are successful at this time.

Moon in Gemini

Communications, short distance travel, a Gemini Moon is dualistic in nature and rules over thievery, trickery, pulling a fast one, relatives, siblings and neighbors, and computers. Gemini lacks staying power and projects begun when moon is in this sign tend to change. Not a good sign for black magickal workings. More neutral in nature. Do NOT have surgical procedures performed on the shoulders, arms, hands, or nerves at this time. Magick ruled by Mercury has the best outcome at this time.

Moon in Cancer

Cancer rules over anything to do with the home, family, food, nurturing, the mother, women in general. Things tend to last, as Cancer is a clingy sign. Good for love spells, weather spells, altar consecration, blessing the home, mediumship, psychic endeavors, inciting over-emotionalism. Spells for the success in buying land, purchasing real estate, a decent place to live, and

reconciling family members are best performed when the Moon is in this sign. Do NOT have surgical procedures performed on the stomach at this time. With love relationships or marriages begun when the moon is in Cancer, if the parties break up, they often tend to reunite. Magick corresponding to the Moon is successful at this time.

Moon in Leo

Good for anything having to do with children, creativity, good for casting love spells; romance, success in gambling, winning, attracting center stage, personal charisma, men in general, the father, hobbies, speculation, risk taking, investments, stocks and bonds, authority and spells for gaining positions of power and authority over others. Do NOT have surgical procedures performed on the heart, spine, or back at this time. Leo is a fixed sign and projects begun when the moon is in this sign tend to last. Magickal workings ruled by the Sun are successful at this time.

Moon in Virgo

Health, sickness, wellness, things that require precision and perfection, hygiene, nutrition, herbs, vitamins, the armed forces, clothing, the work place, co-workers, workings of white magick and healing for others, service to others. Things that involve details. Hospitals, healing, the medical profession, institutions, bureaucracy, red tape, attention to detail. Virgo tends towards change. Do NOT have surgical procedures performed on the intestines, anus, or digestive system at this time. Magickal workings ruled by Mercury are successful at this time.

Moon in Libra

Good time to form love relationships, marriages, partnerships of all kinds or cast spells to ensure the success of or to incite these. Peace, diplomacy, negotiation, legal matters, workings with two people, contracts, getting people to do what you want them to do easily and peacefully. Do NOT have surgical procedures performed on the kidneys or lower back at this time. Best for love spells.

Moon in Scorpio

This is one of the best signs for black magickal workings. Revenge, hatred, venting, exposing secrets, death spells, surgery, transformation, obsession, pure sex, the occult, the darker side of things, extremes, research, banishing spells, ending things permanently, death and dying. This is the most powerful and intense of all the moon signs. Secret, underhanded, and covert operations, willpower, drastic destruction. Like its opposite sign Taurus, Scorpio is usually permanent. Do NOT have surgical procedures performed on the pelvis, reproductive or sex organs at this time. Magickal workings ruled by Pluto are successful at this time.

Moon in Sagittarius

Religion, Universities, travel, higher education, gambling, good luck, good for ceremonial magick, best for white magick, publishing, sports, the outdoors, the law. Pulling off something big. Do NOT have surgical procedures performed on the hips or thighs at this time. Magickal workings ruled by Jupiter are successful at this time.

Moon in Capricorn

When the moon is in Capricorn, this is another excellent time for black magickal workings. Depression, ruthlessness, using people viciously, long-term results. Honors, social standing, responsibility, authority, structure, setting long-term goals and plans for the future. NOT a good time to seek favors from those in authority. Magickal workings and spells that feature a time delay or are lasting, wasting, manipulating people, business, banishing. Do NOT have surgical procedures performed on the bones/skeletal system, teeth, or knees at this time. This is a "ruthless" moon sign. Workings ruled by the malefic planet Saturn are favored at this time.

Moon in Aquarius

Friends, groups, platonic relationships, society, electricity, workings within a coven, computers, technology, individuality, originality, freedom, independence, humanity, anarchy, the unexpected, bolt out of the blue, genius, revelation, goals and ideals, shocking people. This is the best moon sign for spells of independence and breaking away from restrictive situations. Freedom and coming into your own. Do NOT have surgical procedures performed on the calves or ankles at this time. Workings ruled by Uranus are favored.

Moon in Pisces

Poison, drugs, self-undoing, deception, sorrow, depression, isolation, insanity, very deep psychic stuff. Good for success in meditation and all psychic pursuits. Spells to deceive people, secrets, swindles, vulnerability. Secret enemies, altered states. This is the one of best times for endings, especially when the moon is in 20-30 degrees of the sign (make sure it is not void). Psychic healing can be done. Do NOT have surgical procedures performed on the feet at this time.

The Void of Course Moon

Timing is everything. Certain actions taken at the wrong time can result in either failure or success. Knowing this can be crucial in determining the outcome. Knowledge is power and is the key to everything. The universe is working either for you, or against you.

A void of course Moon occurs every couple of days or so, when the Moon finishes making its last aspect to any other planets before it enters the next sign. Normally, this lasts only for a few hours, unless all of the other planets are in early degrees. In this case, it can last an entire day.

The important thing to know is if you begin a project on a void Moon, it more than likely won't work out. Projects begun, papers signed, items purchased, spells Cast and nearly everything begun at this time has more than a tendency to go wrong. Projects begun during a void of course moon somehow never get finished or are prevented from reaching completion. Crimes committed during this time are rarely brought to justice.

Applying for a job or going for an interview during a void moon and you more than Likely won't get hired. Plans made during this time are often altered later on. Clothing bought may not fit properly or is never worn.

Taking out a loan during this time though; chances are, you may never have to pay it back. This is the time the universe is full of loopholes. The rule of thumb is what is begun during this time is rarely completed. In many cases, this is a time to get away with things.

This is NOT a time to perform spells, as they will more than likely fail. For information as to when the Moon is void, many yearly books are available. Llewellyn's Moon Sign book comes out annually and has this information. This book can be purchased in many places and also through Amazon.com. Ephemerides also contain this information for those of us who know how to read them.

Timing Your Magic with the Planets

Like the Void of Course Moon, there are times when the energies of the universe are working against us. When certain planets retrograde, the planets and what they represent throw contrary energies.

When Mercury is retrograde, workings to acquire knowledge, truth, intellect; to pass exams and everything related to the mind, communication, travel, education, literary, electronics and everything else ruled by Mercury, the odds are greatly against the success of such things. Performing spells/magick related to these things will more than likely result in failure.

When Venus is retrograde, this is not a good time for love, relationships, commitment, artistic pursuits and so on. Love spells will inevitably fail or result in disaster. Wait until the period passes.

With Mars retrograde, this is not the time to perform spells of revenge or violence/black magick. They can rebound and backfire, as the universe is working in reverse. Spells for bringing peace and harmony, as in one's family are aided at this time. Wait until the retrograde period is over with.

Knowing an enemy's date of birth, you can work black magick with the energies in their charts. Whenever someone has a retrograde Saturn period (we all have this), you can direct the negative energy to your own purposes for revenge. The universe is working against this person during a bad Saturn transit. Saturn retrograding over personal planets, through the first house or to a lesser extent, on the progressed planets, this is the worst time of one's life. The worst of all is Saturn retrograde on the chart ruler; you can only know this by knowing the birth time.

On the other hand, retrograde Jupiter is a blessing. Jupiter retrograde over a loved or desired one's Venus, same with Uranus, Neptune, or Pluto concerning love; a love spell in directing these energies can be most effective.

Retrograde Jupiter over your personal planets, love spells, money/success, promotions and everything else can come in abundance with the proper direction. Retrograde Jupiter is where we luck out and have opportunities. Taking control of this period and directing the energies will result in our success.

Mercury Retrograde

My daughter recently traveled to another city to meet up with her brothers for a vacation. Sure enough, Mercury went retrograde about half way through the week and her non-stop flight home was cancelled and she ended up having to spend the night in a hotel put up by the airline. She managed to catch the next available flight home, but she had to transfer planes and sit through a 10 hour layover in Houston. This is very typical of Mercury retrograde.

Notable historical events affected by Mercury retrograde include:

- The sinking of the Titanic [April 1912]
- The sabotage of the Hindenburg [1937]
- The sinking of the Spanish Armada in 1588 [an unexpected gale blew up]
- Columbus set sail to India and by accident wound up in America [1492]
- Atlanta Art Association chartered jet crashed in Paris, killing 130 [1962].
- Astronaut Gordon Cooper experienced radar malfunction, which caused delay and was forced to do manual entry on the final mission of Project Mercury Space Program [1963]
- European Space Communication satellite exploded upon takeoff [1977]
Pakistani airline crash in Saudi Arabia killed 156; New Zealand airliner crashed in Antarctica killing 257 [both 1979]
- Delta airline jumbo jet crash at D/FW airport killed 137 [1985]
- AT&T phone operations disrupted for 9 hours [1990]
- Hubble Space Telescope went into orbit seven years after launch date, with immediate communications problems [1990]
- JAL Flight 123 - The crash of Japan Airlines Flight 123 in 1985 is the single-aircraft disaster with the highest number of fatalities. In this crash, 520 died on board a Boeing 747,
- March 3, 1974, Turkish Airlines Flight 981, a McDonnell Douglas DC-10, crashed in a forest northeast of Paris, France. The London-bound plane crashed shortly after taking off from Orly airport. All 346 people on board died.

- On September 1, 1983, a Soviet interceptor Sukhoi Su-15 shot down Korean Air Lines Flight 007 after it flew into Soviet airspace, killing all 269 passengers and crew [Mercury stationary, going retrograde]
- January 4, 1990, Sukkur rail disaster: A Multan, Karachi Bahauddin Express collided head-on with standing 67 cars of freight train at Sangi station, Sukkur, Sindh, Pakistan. In an incident caused by railroad workers error of switched onto track line. Pakistani official estimated killing 307 people, and another 500 more injured.

The list is endless and the above are only a very few notable examples. Of course, this does not mean that every flight, boat or train trip, etc., is doomed, as many disasters have occurred when Mercury was NOT retrograde and of course, many trips reached their destinations safely when Mercury WAS retrograde. My point here regarding Mercury retrograde is, if something can go wrong, the odds are that it very well might go wrong. Travel plans tend to get fowled up much more when Mercury is retrograde. Cars also break down more when Mercury is retrograde. Electronics and all communications also experience glitches when Mercury is retrograde.

Electronics, technology, all forms of travel, all forms of communications, contracts, leases 'DON'T SIGN, DON'T BUY ANY OF THESE WHEN MERCURY IS RETROGRADE!' computers, stereos, TV sets... not a good time to treat the arms, the hands, the lungs, the nervous system, the nose, the brain... telephones tend to mess up, the media experiences glitches...

Electronics, cars, boats, motorcycles; any transportation medium purchased when Mercury is retrograde or is about to go retrograde can experience malfunctions and other problems, much more than when Mercury is direct. This also includes signing important papers, leases, documents, and such. You may overlook an important phrase or stipulation, or something may need changing. Test taking and exams may not proceed as smoothly. Buses often go on strike, there have been major riots that have occurred when Mercury was retrograde, meeting people can also go wrong, as giving precise and accurate directions and communications are off, snail mail is more likely to get misdirected and/or delayed.

One thing Mercury retrograde is favorable for is doing editing and revising. This is a time to go over anything written, your website, or anything that was begun when Mercury was direct and do editing, correcting and such. Research can also be favorable when Mercury is retrograde.

Travel, planning, communications, technology, education, business transactions; all areas ruled by Mercury have a much stronger tendency to be affected with

glitches and delays. Plans are often altered by unexpected circumstances, such as Columbus winding up in America rather than India [very typical of retrograde Mercury], your house cusps that contain Gemini and Virgo, and the house with Mercury in it; the affairs of these can also go awry.

Welcome

This new e-group is for the discussion of and learning astrology. Astrology is one of the most rewarding disciplines, as it reveals many secrets and is a map of the soul, but it is one of the most detailed and difficult to learn. JoS Ministry will be uploading pdf resources very soon to the files section. Bear in mind, while most astrology texts give some accurate information, as with many books and learning materials, there are errors and in some, while there are some interpretations that are correct, many others are downright wrong. I know this from 35 + years of study.

I will check in here as time permits and try to answer questions and post information concerning astrology.

Moon Nodes

Both the north and south nodes have to do with fate. The south node is more serious and has saturn overtones. If the natal south node is conjunct the ascendant or chart ruler in a solar return, then watch out. The influences can be unpredictable, depending on what the past life ties are. The year will definitely be fated.

Often, in the charts of lovers, close friends, family members and others who are significant in one's life, there are close connections from one's planet/s to the other's south node. These have to do with past life ties for better or for worse.

Semi-sextiles [because of the very tight orb of 1 1/2 degrees on either side], and other aspects that are very tight or exact in orb are also fated; meaning a fated event that will occur in the present lifetime. This is even more so if these tie in with the nodal axis.

Inconjunct and yod

I am short on time so I will answer several questions asked here at once.

The inconjunct is an aspect of adjustment in some way. It is a major aspect, I have found. For example, when someone has a baby, especially the first child [major life change], often, along with other heavy transiting and progressed aspects, there is also a planet making an inconjunct. Say someone has a slow moving planet placed natively in his/her fifth house of children, such as Uranus, not always, but many times, transiting Uranus will make an inconjunct to that person's ruler, when a first child is born. This is just an example.

The yod configuration, as I mentioned in another post in the main JoS group, is found in the charts of those who are here for a purpose. This is not to say that everyone who has a yod is here for a purpose, but everyone who IS here for a purpose has the yod. The yod is a single planet making inconjuncts to two planets in sextile aspect to each other. There can also be more planets tying in, but that is a classic yod. This can also involve the ascendant/descendant axis, which is this lines up exactly, is very prominent, as to the person being here for a purpose. Now, what the yod means is at some point in the person's life, an adjustment will be needed in the area of a life change so that the person can carry out what they were meant to do here. After years of preparation and learning, when the person is ready, he/she will experience a life change where adaptation to the new changes will be needed. Once this has occurred, he/she will then be locked in and can only go forward with the fated life. The tighter the yod [more exact the aspects], the more important the role.

Now, as for 0 and 1 degree being used in prediction, this is most often used in solar and other planetary returns. For example, 0-1 degrees of cardinal signs are exceptionally critical, then there are critical degrees. These are based upon the mansions of the moon in Vedic astrology and are very accurate. As for Vedic astrology, I have found many of their interpretations to be inaccurate, as with the use of the sidereal zodiac, but as for the foundations of this- benefic and malefic planets, houses and such, by blending with Western astrology, much more can be interpreted and redicated with accuracy.

Now, for example, say someone has solar return mars in their solar return at 0 degrees of Aries, with SR Aries on the cusp of the seventh house of marriage/partnerships. Because this is an exceptionally critical degree, one can be assured within the year for that solar return, a new love relationship or interest will manifest, or a major commitment in an already established one. This is only one. Years of a new major love relationship of significance have many more aspects involved and if the couple move in together, then there are aspects to

the fourth house, planets in the fourth and so on. Many of these will be on critical degrees, signifying that the affairs ruled by the houses that these planets rule will be emphasized during the year of the solar return.

SR Pluto in the first house of the SR return indicates a 'first' in one's life, such as a first child being born or something significant that one has never experienced before.

Planets near the angles and on critical degrees in a natal chart indicate certain areas of the life.

Concerning the question on the 8th house- 'Saturn' is not the natural ruler of the eighth house. It is Scorpio. Each house has several different areas of rulership/emphasis in the life. The eighth is sex, death, joint finances, and debts. It is also the house of intensity and planets placed therein have a more emotional effect in the life as to the houses they rule. It is also the house of power. Eva Braun had a void of course moon ruling her seventh house of marriage, placed in her eighth house. Ruler of the 7th in the 8th often indicates one being married to someone in a position of power and the added void of course moon, indicated one in a million - Adolf Hitler. This was unique to her chart.

One with a stellium [grouping of three or more planets] as you describe is often present in the chart of a natural mage, as is a stellium in Scorpio. This comes from a past life in developing the soul, but is difficult to handle because of the intense feelings and emotions it produces along with a very strong need for frequent sex or a sexual outlet and if it is not handled properly through direction and meditation in this life, it can destroy [Pluto/Scorpio]. What this means is in a past life, the owner of this reached a certain point in the development of the mind, then died. This is still on the soul and unfortunately, because most of our former lives are forgotten, the powers there are not put to use unless the one who has them is again drawn to the occult and takes up power meditation, where this was left off in the former life. Usually, at some point, a former mage will be drawn to the occult and often self-learning regarding meditation and Spirituality and when directed, this is most positive to have.

I have noted two examples of this gift, both born on the very same day. Olympic gymnast Nadia Comaneci, who had the Scorpio stellium and its driving intensity to go to the top and make history with 7 perfect scores at the Olympic games 1976 Montréal at 14 years of age- no one before had ever done this, and to change gymnastics forever. She channeled this obsessive energy into athletics, which was very positive for her and took her to the top.

Another person who was a co-worker years ago, I did his chart, he was born the very same day, November 12, 1961; and did nothing to direct the potent energies of the Scorpio stellium, as he let his sexual obsessions destroy him, as this stellium can influence one to overdoing things. He stayed in the men's locker-room for 18 hours at a health club where he worked at, voyeurism and masturbating, which was blatant to others who complained, and was canned from his job there. He also had other destructive behavior, as he would lay in the tanning booths for over an hour until he had purple slabs on his skin and smelled like he was cooked. His stellium was out of control and never directed or channeled in his life. He was ruined by it.

In Vedic astrology, there are three houses which can be unfortunate and this proves true- the sixth, the eighth and the twelfth. Planets therein should be directed through awareness and meditation so that their positive qualities are manifested instead of the negative ones. Planets in these three houses are more difficult to handle, the twelfth being the worst, then the 6th and the 8th.

For those of you who are young and in this group, just know that through Satan and meditation, bad things in the chart can be sublimated. No chart is perfect and everyone has his/her Saturn among other things. Knowing the potential bad things in your chart gives you a powerful tool in changing these, something those who are without do not have.

Signs by degree

It's getting late for me, so I have to make this short. I have personally found that the degrees are of the most important aspects of astrology. This is what makes the chart individual and adds much more insight to prediction. I have a webpage on this on the JoS. I apologize, much of the information on there is very old and some poorly written going back 10 years. I am short on time, but will try to correct it when I am able to.

I always blend Vedic astrology, the foundations and interpretations with Western astrology. I read for the tropical zodiac, as I have found this to be highly accurate. In Vedic astrology, there are what are called 'mansions of the moon.' These are the so-called critical degrees.

0 and 29 of all signs, with 29 known as an 'anaretic' degree.

13 and 26 of cardinal signs

9 and 21-22 of fixed signs

4 and 17 of mutable aka common signs

15 degrees of fixed signs; there is a term for them in Vedic astrology, but I don't offhand remember it. Trying to find the word on the internet, I just saw how little so many people know about astrology. Most astrology authors overlook the degrees.

I also note through my own research, in addition to a prominent neptune, where one mishandles the energies [insanity], 25 degrees of Leo is prominent in the charts of serial killers. Of course, this is mishandling of these energies, but 25 of Leo, though lesser than 15 of Leo causes problems.

In closing, PLEASE DO NOT GET UPSET WHEN YOU ARE NEW AND LOOKING AT YOUR ASTRO CHART! NO CHART IS 100% GOOD OR BAD. EVERYONE HAS A SATURN, PROBLEM AREAS AND SUCH, BUT THROUGH MEDITATION, THESE CAN BE DIRECTED AND OVERCOME. KNOWING WHEN YOU ARE IN A BAD PERIOD, LIKE TRANSITING SATURN ON YOUR PERSONAL PLANETS, CAN HELP YOU TO PREPARE BEFOREHAND THROUGH MEDITATION AND PUTTING ON A STRONG PROTECTIVE AURA, AND BEING CAREFUL DURING THAT PERIOD! FOREWARNED IS FOREARMED! THIS IS A GIFT!

Knowing is what astrology is all about. I had a hard time with it when I began reading my own chart at 15, and saw all the bad stuff, which some was already blatant in my life. I have learned over the years, astrology has done nothing but help me, time and again. Astrology, as with the other occult disciplines is a wonderful gift from Satan. Knowing something and why is half the battle. This way, you can work with it and change it.

And above all, I have come across more bullshit, downright ignorance and crap, especially on the internet, written by people who just don't know. Don't take everything you read in the way of astrological interpretations as a fact, especially if it is unfortunate. I have seen endless cases where the writer was wrong.

Satan's gift of astrology is here to help us through life. It isn't something dreadful or negative. Astrology is a friend.

Bucket configuration and Saturn in 4h

We now have some books in the file section, including Dynamics of Aspect Analysis, but unfortunately, the files cannot be uploaded unless they are very small. One book that is easily available and can be downloaded from many sites is 'The Only Way to Learn Astrology' by Marion D. March and Joan McEvers. This book comes in three volumes and makes it easier for those of you who are new to astrology, to understand the basics. I read these books many years ago.

Bear in mind, many of the interpretations are way off. Most authors write *about* astrology, but use theory in regards to limited understanding of the planets and such. Much of my own knowledge has come from years of study and also case studies and learning from knowing those whose charts I did and also the lives of noted people. Astro charts of noted people can be found all over the web. Reading biographies and comparing the chart in both personality and events helps.

Astrology is the most difficult and detailed of all the occult disciplines. Each chart is as individual as one's own fingerprints. There are endless details in regards to astrology. One bit of advice...don't take anything you read in an astrology book as fact until you know for sure. I have read more crap over the years that was totally wrong in astrology books.

For example, with a biography case of a noted person...I have seen many books out there where the author writes about certain patterns of planets, configurations and such, but the interpretations are nothing but nonsense and doubletalk. In other words...they don't know.

Take for instance movie star Marilyn Monroe. She had a very tragic childhood. Her mother went insane when Marilyn was 5 years old. She never had a family and she never knew her father. From the age of five, she was shuffled back and forth from orphanages to foster families where they only took her in during the depression for the bit of extra money that came with her. No one wanted her and she lived her life with deep emotional scars from this.

Her chart has Saturn in the fourth [very common with family issues, especially emotional, being unwanted, abused and neglected by the family, if there is a family; also problems with the mother as the mother is ruled by the fourth]. Saturn in her chart is at the handle of a bucket configuration. The planet at the handle drives the entire chart, giving it extra power and emphasis in the life. Her Saturn is at 21 degrees of Scorpio, indicating loss, so here it is easy to see there was no family, and an absent mother. This Saturn also tightly squared her moon,

amplifying problems regarding the mother. Scorpio on the cusp of the 4th, with ruling pluto tightly conjunct the cusp of the twelfth, adds further emphasis on the above, and co-ruling mars [mars co-rules scorpio with chart interpretation], in the eighth house, conjunct uranus of separation shows an absent mother. As the conjunction is in the eighth house, the feelings about this run deep. When you get all of this, the life has been fated for some reason.

Planets in the twelfth house are often unfortunate.

Another case, one of a man whose chart I did years ago, he had the bucket configuration. The same goes with the sling and the fan, as there is a standout planet that is away from the rest. He had Jupiter in Aries as the singleton planet. This man was incredibly selfish and a total user to the point where his family disowned him. Jupiter in Aries is always selfish, but when it is at the 'handle' of a bucket, fan, or sling configuration, its effects are much more pronounced.

I will try to give tips and lessons here as my time permits.

Sun in conjunction with planets

Much of this is 'cookbook' astrology. The sun *can* cause burnout, as with the case of a progressed sun making a conjunction to pluto, which in many cases is a burnout to the point of a nervous breakdown in the life, when this occurs by progression.

This aspect, contrary to most of the theories out there does not always affect the mind negatively, as I have seen it in the charts of geniuses. Also, in mentioning genius, I did a chart for a woman with an IQ of 185. She had an exact mercury/uranus aspect that aligned with her ascendant to the exact degree. Uranus is associated with genius and is the higher octave of mercury.

What I know of the sun combust mercury is that it can give a mental blindspot; something one who has this cannot see clearly in his/her life, such as their own communications and behavior, but this is not always the case and you have to look at the entire chart to see how this is operating, what sign is it in? which houses are ruled by mercury and that sort of thing, also the aspects, if any, to the combust conjunction. This aspect can also give total focus, not in the way of concentration, unless it is in scorpio, but total focus on a goal, leaving distractions and that sort of thing, anything outside of being deterred from the goal as the 'blindspot,' in refusing to allow any conflicting information, opinions and such to interfere.

One thing of interest here...How many of you who have synesthesia have this aspect?

Vedic Astrology and such

I know all about both systems and have worked with both systems. I have been an astrologer for close to 40 years. I am a professional and I will tell you, the Vedic/Sidereal for whatever reason is not accurate. I use the tropical. Certain aspects of Vedic astrology are helpful, such as the nature of the planet is more important than the nature of the aspects. For example, squares and oppositions from jupiter are usually of a beneficial nature, especially with transiting planets, solar returns and such, while trines from saturn can be a down time.

Firestarter is correct as far as I am concerned. In order to do a competent astrology reading, one must use one's psychic abilities, along with the information given on the planets. This is because no two charts are exactly the same. The astrological chart is a map of the soul and is as individual as one's fingerprints. Two people can have the exact same aspects, but given the affairs of the houses ruled by the planets, and the other aspects and planetary placements, that same aspect will manifest differently in the two charts. In addition, psychic energy must be used in determining how a certain chart pattern or configuration will manifest in one's life.

Science has not progressed far enough [because of xianity and its ilk], to where it can explain the spiritual. Kirian photography for one can photograph the aura, but the chakras still cannot be seen. Science is making great strides in deciphering thoughts and with this, may soon be able to see the energy centers of the soul, but given the jews dominate this field, much of what is given to the public has been corrupted, especially in the way of anything spiritual.

I know all about the equinoxes and the synetic vernal point, and the sidereal aspects of astrology and as I already wrote, I have studied both systems and have found the sidereal system to be seriously flawed when doing plenty of research. The characteristics of the planets in the signs and other given information of the vedic system does not fit me or the many others I have studied.

This has been my own experience. I also came across a woman in an occult bookstore who did not like the sidereal vedic system and told me of an astrologer who read for her who used this system, who was not only 'way off' in predicitions, but the entire reading was flawed.

Neptune and Nazarene

Neptune rules lies, hoaxes, weakness and deceit. The nazarene is all of these. I can add that back in. I didn't think it was important when I edited it out. Now, the God Neptune is totally different and rules the oceans, meditation, etc. The nazarene is a very ugly and negative aspect of Neptune.

Prominent Neptune

I know a lot about this planet from years and years of research and study of many different charts; both people I have known and charts of famous notables.

I am going to be straight forward about this. No chart is perfect. Neptune though, is something to be aware of. The energies of this planet are very difficult to sublimate. Meditation, which is actually ruled by neptune can help.

On the upside, neptune rules etherical beauty, it is the higher octave of venus. Many artists, actors, creators of beauty, musicians and related have a prominent neptune. Neptune aspects to venus can inspire the most awesome works of art and creativity, This is the creative aspect par excellence, but the love nature often suffers as the individual with these is too idealistic and too wanting of total romance and perfection in their love relationships.

Neptune also rules extreme sensitivity and drug/alcohol abuse. Here are a few examples of prominent neptune:

Gregg Allman - Musician: Neptune squaring his chart ruler venus- he was also a heroin addict.

Marilyn Monroe - Movie star: neptune in the first house- co-ruler of her chart. This undermined and weakened her personality, as neptune weakens. The more prominent the neptune, the more it works to weaken the personality and make one inconsistent, unrelaible and have escapist tendencies. While this planet gave her glamour and beauty, she died of poisoning [how this happened, no one really knows the details], neptune rules poisons. Neptune rules the theatre and Hollywood.

Hector Berlioz - Composer and Musician: Neptune conjunct his ruling moon.

David Bowie - Musician: Neptune in exact conjunction with his ascendant

Marlin Brando - Film star - neptune in close trine to his ruling jupiter

Montgomery Clift - Actor - neptune in close square to his ruling mercury. Heavey drug and alcohol user. Many of his planets are on unfavorable degrees. he was prone to depression and had 'deep emotional scars.' With uranus at the handle of his bucket chart, he always felt alienated.

Alice Cooper - Musician - neptune in alomst exact conjunction with his

ascendant. Alcohol and drug abuse.

Jacques Yves Coustaeu - noted oceanographer and marine biologist who brought the public much information on the sea and sea life. Neptune [rules the ocean and marine biology], in his 10th house of career.

Leonardo Da Vinci - noted artist and sculptor - neptune conjunct his midheaven [cusp of 10th house of career], inconjunct his ruling jupiter and trining his venus.

Claude Debussy - Musician and Composer - Neptune inconjunct his co-ruler mercury, trining venus, and opposing jupiter. [Jupiter often amplifies whatever planet it contacts].

Gustave Paul Dore - Artist - Neptune in the first house, exact conjunction to co-ruler mercury; neptune is also his co-ruler. Neptune sextile venus.

Clint Eastwood - Film star - Neptune in tight conjunction to his midheaven, trining his co-ruler mars.

Hermann Goring - Third Reich Leader - he was wounded in the groin [bullet wound], during putsch and given morphine, of which he remained addicted for the rest of his life. His chart ruler pluto is in exact conjunction with neptune.

Mick Jagger - Musician - neptune in sextile to chart ruling sun, leo ascendant and co-ruler jupiter in leo. Heavy drug and alcohol user.

Elton John - musician - neptune in opposition to his ruling sun.

I could go on endlessly with more and more examples, but here is the other side of neptune. Neptune rules insanity. Neptune, as I mentioned already, its influence is undermining and weakening, self-pitying, unreliable and given the other aspects and placements in the chart, it can be a lot worse.

I have noted in the charts of many serial killers, rapists of children [on another note...child rapists and molesters often have the ruler of their eighth house of sex placed in the fifth house of children], have a prominent neptune.

Judy Goodyear - murdered husbands and even her son [which she drowned after she poisoned him for a long period of time], for insurance policy money through use of poison. One can see an unbalanced personality here - aries stellium indicating extreme selfishness in tight square aspect to jupiter, amplifying these tendencies with no hard aspects from saturn to offset this. Neptune in conjunction with her ascendant. Neptune at 0 degrees of libra, a critical degree,

more than likely on her east point.

Jeffrey Dahmer - serial killer - This guy was definitely schizoid. This is apparant if one has studied abnormal psychology. He was clearly insane from early childhood. 1st house neptune.

David Berkowitz - serial killer - neptune in exact sextile to ruling pluto.

Richard Allen Davis - serial killer - neptune in exact sextile to ruling pluto. Sadistic with anger issues - bucket chart with mars strong in capricorn at the handle. 5 planets in the intense and sexual 8th house.

Arthur Shawcross - serial killer, brutal rapist and murderer of children - ruler of his 8th house [sagittarius on the cusp], jupiter in his fifth house of children. Neptune in exact trine to first house co-ruler mercury.

Ed Gein [where they got the movie 'Psycho']- serial killer, necrophile - neptune in conjunction with co-ruling jupiter. Other noted placements - chart ruler mercury at 15 of leo, a very unfortunate degree; one of the worst. Saturn in pisces at the handle of a bucket configuration, in the tenth house, opposing the sun, indicating problems with the father, that left deep and lasting scars as saturn is at the handle which drives the chart, ruling the eighth house of sex, which has capricorn on the cusp. Pluto/moon opposition - domineering mother, close relationship. When I say 'drives the chart' I mean the influence is very strong in the way of some personal/psychological scars/hang-ups that never go away.

Jeremy Strohmeyer - murderer and rapist of children - ruler of the eighth house [pisces on the cusp] neptune, placed in the fifth house of children. Neptune in tight sextile to ruling sun and squaring co-ruler saturn. Saturn in first house on bad degree - 9 of virgo, indicating misfortune.

Jeffrey MacDonald - murderer of children - scorpio on the eighth house cusp, with its ruler pluto in the fifth of children. Neptune in opposition to first house co-ruling moon.

William Heirens - child murderer - aquarius on the cusp of the 8th house, with its co-ruling saturn in the 5th. Neptune in tight ruling trine to chart ruler moon.

Gary Michael Heidnik - serial killer - devout christian preacher and pastor; bishop. Held captive and also some murdered; several prostitutes in his basement where he tortured them. Neptune in conjunction to chart ruler venus in the 12th house.

Edmund Emil Kemper - serial killer, murderer and mutilator of teenagers - aries on the cusp of the 8th house with its ruler mars in the 5th of children.

Howard Unruh - child killer - ruler of 8th in 5th.

The Planet Neptune and Drug/Alcohol Abuse

Neptune rules drugs and poisons. A prominent Neptune in one's chart can either be sublimated into meditation, mysticism, music and/or art, or it can produce aberrations and/or drug/alcohol addiction. There is also a relation between drug addiction and musicians, both ruled by the planet Neptune.

If someone is just going through a phase, this can be found if transiting Neptune is making strong aspects to any of their natal planets. The person will usually be off drugs when the transit goes out of orb, although this can take years.

Neptune in the first house, Neptune placed at 25 degrees of fixed signs, Neptune prominent, Neptune conjunct the ruling planet/s or co-rulers, or in close aspect to the rulers; all of these can indicate a very strong tendency to drug and/or alcohol addiction, along with other aberrations and even mental illness. Neptune conjunct the ascendant from the 12th house also factors into the above.

Pluto

I am warning everyone here...there are some things one is best not to experiment with. Pluto has immense power. Even the element 'plutonium' which is used in nuclear explosives sums up this planet's energies and influences accurately.

I have found pluto all by itself to be a neutral planet, especially in predictions, its influence conforming to the planet it is come into contact with more than anything, but it can operate for positive events and also malefic events. In any event, its influence is major transforming changes.

Pluto's transits include births, deaths, marriages/permanent relationships, obsessive and very painful love, obsessions, permanent disabling accidents, issues of power, major domestic changes of all kinds...

When pluto hits something it is permanent. Pluto in the first house of a solar return signifies a 'first in the life.' I had this when I had my first baby as a teenager. This was very transforming in becoming a new mother and was permanent.

Pluto is power. It can also be brutal. Pluto in the seventh [marriage/partnership] house can bring an obsessive, jealous, controlling spouse/partner who is extremely abusive.

Pluto in the fourth [mother/home and family] often indicates an overly controlling and dominating mother. Same applies to pluto/moon aspects [moon rules the mother], and pluto/sun [sun rules the father]. With the pluto here, the impressions run very deep regarding the parent. I knew of a case where a man grew up without a father and it scarred him deeply. He had a tight pluto/sun square in his chart.

People who have pluto/venus aspects, even with the trine, their feelings run deep. They can become obsessive in love relationships. They are jealous by nature and controlling. No amount of love is enough love. Like...'if we could get any closer, you would be in back of me.' Definitely not for the lighter air signs, as pluto/venus wants total possession of their loved one.

Pluto/mercury is a good combination to have as this aspect, especially with the conjunction, square and opposition, and to a lesser extent the trine; this one makes a natural mage as people who have this have the gift to focus and concentrate their minds to an almost piercing level, depending on how close the aspect it. The tighter the orb, the more pronounced the influence. These people

also are snoopers by nature.

Pluto/Mars- the do or die aspect. These people will use force or whatever means is necessary to achieve their ends and can be deadly enemies. They are fearless and cut-throats. Rarely neutral about anything. Either love it or hate it.

Pluto in the houses is where you have your obsession, or in some cases, power issues. Pluto in the third house- an obsession with knowledge and one who keeps repeating one's self and communicates intensely. Pluto in the eleventh will often bring powerful friends. Pluto in the twelfth can indicate intense loneliness unless this energy is sublimated through meditation, then it becomes power.

Pluto is nothing to experiment with. This planet, though not a malefic per se, goes beyond Saturn when it comes to its power. Natural ruler of the eighth house, the house of transformation and death.

Mars transits

I ran across a post but can't find it- sun to sun compatibility. When two people's suns square each other, their egos clash, especially if in fire signs, like aries [the worst for this].

Mars causes strife and emotional outbursts and in extreme cases, violence. When transiting mars makes a hard aspect to the moon [domestic strife and upsets], or chart ruler [emotions can run high]. This I note usually occurs when mars is approaching within 1-2 degrees of exact. For example, say you have a Leo moon at 14 degrees; when mars hits 13 degrees of leo, aquarius, scorpio or taurus, you will feel the effects. Mars in trine aspect can do the same, but lesser. I have noted times of frenzied activity with the trine- tons of work, fast paced, loads of to do's and such.

Saturn always gets the bad rap [obviously], but I have noted in charts that either have an unaspected saturn, or saturn with no hard aspects, the lives were anything but happy. One woman I knew had a life in total chaos. Saturn is known for stability and this woman had NONE. By the time she was 30, she had been married 5 times, she had 3 kids [not from any of the husbands], she put all three up for adoption [one was 4 at the time], and this haunted her every single day of her life. Her self-esteem was total shit, her health was horrible, she could never stay very long on a job or live very long at any permanent residence, as circumstances always came up. She was bi-sexual, but went through men [no stable relationships of either sex]. She had 29 of scorpio with sagittarius intercepted in the first. Ruling Pluto at one of the worst degrees 15 of Leo.

Saturn at its positive gives endurance and stability.

Questions on transiting Saturn

Tr. Saturn square

Look to the house/s that have Aquarius on the cusp; also the house with Uranus. There could be a crisis coming that involves an affair ruled by these houses in some way. Transiting Saturn squaring Uranus can also indicate being in a pressure situation of which you want to break free of, but can't, due to restrictions of some sort- i.e...lack of money, family ties, etc.

Tr. Saturn in Scorpio

Transiting Saturn in Scorpio is not a good time for Scorpios, especially those who have several planets in Scorpio. Keep your energies high through meditation. This also hits on Taurus, Aquarius, and Leo, as these signs will be opposed [Taurus] and squared [Leo and Aquarius] by Saturn. Keep your energies high and this will drastically reduce the negative effects of Saturn. I know from direct experience concerning this.

Some things

A few things...

I know my other post was cut off. When a planet is in conjunction with an angle-the ascendant/decendant axis, or the midheaven/IC axis, this gives it more power in the chart. The affairs of the house/s it rules over are more emphasized in the life. For example...say uranus is conjunct the midheaven from the tenth house side, and aquarius is on the cusp of the third [uranus rules aquarius], the affairs of the third house will be more of a factor in the life, such as communications, and given this is on the midheaven, 10th house, one who has this will more than likely have above average communications skills, and often work at a job where his/her communications skills are put to use, such as speaking, writing, even working on a PC and to a lesser extent, working in customer service on the telephone. Uranus adds more here in the way of one using computers and other electronics and also future oriented devices, often with a more than average interest in them. In addition, the person will be freedom loving and have a need for freedom on the job, or to work independently. All of the above will be factors affecting one individually. On a lesser level, siblings, relatives and such can also factor in. You have to look at the entire chart to see which of the affairs of the house in question are most prominent in the life of the owner of the chart.

As for 'karma.' This concept has been abused to no end from spiritual exploiters- new age idiots [these ignorant fools work for the enemy- same way the judicial system does...let crime get so out of hand, that in the end, everyone's rights will be totally taken away, they are for and promote grave injustices], xians and other malignant filth. What this 'karma' really is and yes, one can see this in the astro charts, THIS HAS NOTHING WHATSOEVER TO DO WITH ANY AGENDA OR CONFORMING IN ANY WAY, AS THE SPIRITUAL EXPLOITERS WOULD LIKE FOR US TO BELIEVE! What this is, is cause and effect. Like say you put your hand on a hot burner, you are going to get burned, nothing more.

The relationships we have with others, the experiences we have in our lives, what we dwell upon and how all of these affect us, this is taken onto the soul, as it is stored in the chakras and certain things manifest in future lives. We meet up with others from our past lives for better or for worse. Things one feels guilt about, if this is deep enough, they carry this into a future life and it can react with an even where one is punished. People who have low self-esteem often attract abusers into their lives as they tolerate abuse. Issues that someone in a past life has had, where the other person will not let go- vengeance, love, whatever...this also hangs on as those we have substantial interaction with, family, friends, lovers, through an event with another person, and they feel strongly enough

about, we can meet up with them in a future life. What do you dwell on? What do you tolerate? How do you really feel about certain things? This all factors in, with whom we attract. Because of spiritual ignorance, those who are without are damned into repeating and repeating the same old mistakes and meeting up with the same abuses throughout lifetimes. This is what the enemy wants. Only through Satan can we get out of this and this is through consistent yoga, power meditation and working to advance our souls. when we reach a certain point in meditation, our intuition and mind begin to work FOR us and help us, instead of wreaking havoc and being totally out of control.

Now, as for the nodes. The south node is not always bad and the north node is not always fortunate. The nodes are of fate...for better or for worse. I have seen horrible things with the south node, but also the opposite as well. Like I said...it is not always an unfortunate influence. Olympic gymnast Shannon Miller has venus conjunct the south node. Venus rules money and also gymnastics [along with mercury], and she was a millionaire at 16. Jupiter ties in with her nodes as well.

Now, on the other hand...Hellen Keller, blind and deaf since early childhood, has many fated planets and aspects that reveal this. Scorpio ascendant with co-ruler mars at 15 degrees of leo. Others who have this degree...one of the most unfortunate of degrees, with a very high incidence [but not always] of blindness and deafness, are Beethoven [deaf], Stevie Wonder [blind], Michael Jackson, though not blind or deaf, had incessant plastic surgeries to where his nose was falling off of his face, and a chart I did years ago; a hermaphrodite- the degree opposite- 15 degrees into aquarius.

Getting back to Helen Keller. Her sun [rules eyesight], was exactly conjunct the south node at 6 degrees; a degree of disability, BUT, you have to look at everything. Many, many people who are fine and healthy have a planet on the 6th degree, but when the chart is already badly afflicted and there are supporting aspects, and planetary placements, degrees and such, then you can be confident in making a prediction. Helen Keller had no planets in air signs. Air signs are communication signs and rule the sight and hearing; though fire signs rule sight to a lesser extent. Uranus, tightly conjunct her midheaven, with aquarius intercepted in the third house of communications made her a writer, speaker and communicator.

Now, for a planets' strength. When you hear 'exalted' 'in its home sign' and such, the planet is much stronger. Saturn now transiting in libra is much stronger and more malefic in this sign, as it is in capricorn. What this means is if it is hitting on your personal planets, the effects are much worse in the way of crises, and other nasties manifesting in your life. When it is in aries [its fall] and

cancer[detriment], its malice is somewhat watered down. I have seen repeatedly, in books written by idiots, who claim that saturn in libra is good for marriages and that sort of thing. Not so. Very few people with saturn in libra have happy marriages, love lives, or any at all, especially those who are without. This has to be cleaned off of the soul and meditated upon to correct this. Saturn in libra produces more singles than any other placement. Of course, high profile astrology authors often claim the opposite, but do your own research on this one. Exaltation only strengthens a planet for better or worse...it does not make the effects of that planet more pleasant, as many idiots out there try to get you to believe. Same goes with the home sign.

In closing...I have written about this before. Most astrology texts rave about the beauty and great fortune of a jupiter/venus conjunction or trine. This is not so. I knew a man who had sagittarius on his ascendant, ruled by jupiter, with a tight venus/jupiter conjunction in his seventh house. Time and again, I have seen in charts- the ruler of the sixth house of health, REGARDLESS of the planet, in aspect to the chart ruler or and one of the co-ruler/s, there is more than average health problems, often relating to the areas of the body and diseases of the planet making the aspect to the ruler. This man, with this so-called 'beautiful' jupiter/venus conjunction swallowed a strong cleaning solution at the age of two. Venus rules the throat. His throat was deeply scarred from this and he suffered throughout his life with this. On the upside, he lived well, he was of extremely high intelligence [college professor], and enjoyed some good fortunes from this conjunction, but the bad effects of this were pronounced as well.

Another example...actress Elizabeth Taylor. Libra on the ascendant, venus trining jupiter. Jupiter co-ruler of pisces on her sixth house cusp. She had numerous health problems throughout her life. Her Jupiter was at 15 degrees of leo, as well. Neptune, ruling pisces is at 6 of virgo.

Also, saturn retrograde does not affect black magic. I know this for a fact.

Chart must be balanced

I've always used the western zodiac. I have found the sidereal to be unreliable.

As for the Vedic teachings, I have found some truths, such as the natures of the planets are more important than the aspects with interpretation. Idiots write of all trines and sextiles being favorable and all squares and oppositions being bad. This is not true at all. The natures of the planets have to be taken into consideration, along with the houses they rule, where they are posited in the chart and so forth. Trines can be rotten, say if one's chart ruler is trine to the ruler of the sixth house, he/she will more than likely have considerable health problems, even if so-called 'benefics' venus and jupiter are involved.

Say someone has the chart of a reserved personality, such as many capricorn planets, many planets in the twelfth house, etc...A mars/jupiter square or opposition is extremely helpful in balancing the personality with this. Squares and oppositions are not all bad. Saturn/sun hard aspects for example can be troublesome, but these keep the ego in check, unless the chart is full of low self-esteem aspects. I have known certain people who think they are a 'god' so to speak; extremely over confident, assuming, overbearing and sooooo entitled. Because of the exaggerated sense of self-importance, many of these people alienate others and end up failing at major things. Jupiter/sun aspects, even the trine are notorious for this sort of thing, especially in charts where there is no ego check. A balanced personality will have a combination of both hard and soft aspects. Saturn is not always bad.

You have to take the entire chart into consideration. I have studied both eastern and weatern methods of interpretations and have found many truths in both and also many things that were 'off.'

On another note- I know of a person with a sun/venus conjunction. This aspect often indicates personal vanity- [I lived with this individual]. This conjunction was in the home sign of taurus. There were no hard aspects to saturn to keep this person in check. She would primp in front of the mirror for hours on end. The bathroom was always tied up. This person got up at 4:15 am every morning. Spent until 5:45 am in the bathroom primping her hair, make-up, etc. Left for work and then complained that when getting to work, that others would come into the ladie's room [even on the third floor where it was quiet], while she 'fixed her hair and make-up.'

Regardless of any lack of money, even under-age dependents going hungry or without, this person ALWAYS had her 10 am Thursday morning beauty

appointment at a nearby salon.

Getting back to this person at work, she would also primp on the lunch hour. Then upon returning home at night, spend another hour and a half in the bathroom pin curling her hair and primping. No one could even take a 30 second piss.

I have seen this shit more than once and it is nauseating to say the least. No...this person certainly wasn't trying to conceal any feelings of inferiority as there weren't any. She could do no wrong.

I could cite many more examples as I have been an astrologer for over 35 years and have done the charts of nearly everyone close to me, relatives and many others. The points to look out for are an unbalanced personality, especially if you are considering getting into a personal relationship with someone in question. This takes a lot of learning and experience and the sad thing is many books out there are off on quite a few things.

One person I know married a woman who hated sex. Unfortunately, he found this out too late. I still maintain, two people who are considering something as important as marriage should find out BEFORE they get married if they are both sexually compatible. Looking at her astro chart, I could see sexual trauma and other problems related to men. The marriage ended in divorce.

When looking at any chart, you have to put things together. Most, but not all charts have what I call confirming aspects. These are aspects and planetary placements that support certain personality traits, events in the life, and in the case of opposing ones, where certain aspects contradict each other], these often balance the personality.

Death predicting

Unfortunately, there are many events that can be plainly seen after the fact in regards to astrology. As with death experiences, near death experiences and such, the signs in the transits and more importantly, the solar and lunar returns are all individual. Predicting someone falling in love for example is very simple astrologically- say, progressed Sun conjoins birth chart Venus, and many more aspects, but death and other events are more difficult, as in many cases, these are individually specific.

Looking at James Dean's birth chart, one can see he was a very high-strung hair-trigger personality. Aries on the ascendant and Uranus at the apex of an action oriented cardinal t-square in near exact conjunction with his ascendant. Jupiter added to the recklessness in being in a very tight square to Uranus. This configuration makes a person erratic, unpredictable, unstable, moody, and impulsive. Mars squaring his Moon added to emotional outbursts and a hot temper.

His 1955 solar and lunar returns are for what I could find of his place of residence in California that year. Both, especially the solar returns are location sensitive. I have noted in nearly all of my research involving death cases, the midheaven and IC axis' flip in the death returns. In his September 1955 lunar return, there are many indications: 28 degrees of Sagittarius on the cusp of his 4th house [a house of endings and works with the 8th in foretelling death], this contained the degree of his birth chart midheaven at 6 of Capricorn. As I already mentioned- the midheaven/IC axis flips. 6 degrees of Cancer was on the cusp of his IC [4th house of endings] in his birth chart. This was activated in his 1955 solar return. 6 degrees of Sagittarius was on his solar return ascendant, creating an inconjunct [often seen in death charts, but a common overall aspect], to his birth chart IC at 6 of Cancer, indicating an ending. His solar return Moon tied into this at 6 degrees of Virgo. Whenever you have two or more exact degrees lining up, a significant event will occur. The 6 degrees of his solar return ascendant and solar return Moon tied into his 6 degrees on the 4th of endings. His SR Mars was in the 4th house of his SR for that year. This is very significant because Mars is his birth chart ruler.

His 1955 solar return also has solar return ascendant ruler Jupiter in tight conjunction with solar return Uranus in the SR 8th house of death. This tight conjunction amplified his tendencies at risk taking, moodiness, and reckless behavior for that year. Uranus made the death quick and unexpected. SR Uranus ruled the SR 3rd house which rules over short distance travel as in driving. SR Saturn within 15 seconds of exact conjunction of fixed star Unukalhai [a malefic and degree of loss] is in his 12th house of endings. This lines up near exact with SR Jupiter at 21 of Cancer, a malefic trine, easing the way for disaster.

His SR 4th house cusp was at 22 degrees of Pisces. In his September 1955 lunar return, near the time of his death, the LR Mercury was at 22 of Libra, as his LR had 28 of Virgo on the ascendant. Late degrees on the ascendant indicate

endings of some sort. 28 degrees lined up on both of his LR ascendant and IC axis'. In his SR, Neptune, which ruled his 12th house, the other house of endings was at 28 degrees of Libra. The lunar nodes of fate are always extremely important and manifest blatantly in years where there is a significant life-altering event. His nodes were at 16 of Aries and Libra in his birth chart. His SR 3rd and 12th house cusps are at 16 degrees, tying in. LR Saturn is at 17 degrees of Scorpio [sign of death], making an exact inconjunct to his SR Mars at 17 of Aries, placed in his SR fourth house of endings. His LR Mars is placed in his LR twelfth of sorrow and endings.

I could go on and on regarding this, but the important things to look for in death charts are the MC/IC axis of the birth chart flipping in the SR chart. The 4th, 8th and 12th houses of endings manifest blatantly, as in many cases do the lunar nodes. Late degrees, over 25 of any sign are also prevalent in many cases. As for transits, on the date of his death, the Sun was at 6 of Libra, activating his MC/IC axis in his birth chart, his SR asc/dec axis, SR Moon, which tied into his birth chart IC/4th house of endings. Transiting Moon was in Pisces that day in his 12th of endings,

Mercury, which rules driving and all short distance travel was at 28 of Libra that day, activating the 4 cardinal points of his lunar return chart of which all were at 28 degrees. Transiting Mars [which Mars is his birth chart ruler] went into 21 of Virgo that day, activating the SR chart ruler Jupiter at 21 of Cancer in the SR 8th of death. Transiting Jupiter was opposing his birth chart Sun at that time in his life, adding to overconfidence and risk-taking. Transiting Saturn tied in that day at 18 degrees of Scorpio, squaring his Sun and making a sextile to his birth chart Saturn, and trining his birth chart 4th house Pluto. Transiting Uranus was applying to an exact conjunction with his ruling Mars that day. Uranus/Mars contacts are very common with accidents and can influence [especially those with tendencies] to reckless behavior. I have noted with transits, oftentimes, an event will occur when the slower moving planet is applying to an exact aspect, within 1-2 degrees of being exact to the natal planet.

Transiting Pluto at 27 of Leo made an inconjunct to his birth chart Mercury, which rules his third house of short distance travel and driving. Pluto is permanent and also rules over death, as it is the ruler of Scorpio and the natural ruler of the 8th house. Neptune at 27 of Libra also tied in.

Moon and Pluto

Pluto/Moon aspects usually relate to one's mother and you mention below she is domineering. This is your Pluto/Moon conjunction. The Moon has to do with one's mother. Pluto/Moon aspects, especially the hard aspects and even more so if they are very tight, indicate a domineering/possessive mother and/or a very close relationship with one's mother. In some cases, the mother relationship can be very close through one's adult years.

The father is ruled by the Sun. Pluto/Sun aspects indicate the very same with one's father.

The 4th house Pluto also often indicates the same and can be both the mother and the father.

In nearly all cases, the parental influence is extremely strong. I knew a man who had a very tight Sun/Pluto square and he had no father. This affected him deeply. Whether the parent is in the life or is absent, the influence is very strong.

When reading a chart, though, you have to look at all of the chart, the houses, and such. Say someone with the Pluto/Moon has a 4th house Saturn; then, the mother's influence can be harmful and destructive. It is the same with a hard Saturn/Moon aspect in addition to the Pluto/Moon.

I knew a man who had a Pluto/Moon opposition. His Moon was in Capricorn, which has a Saturn-like influence over one's emotions [emotional needs not met]. He had a third house Saturn [siblings], and Scorpio on the cusp of the 3rd house. He had a close relationship with his mother for all of his life. Mother would telephone on a very frequent basis and he would bring his family to mother's house nearly every weekend and all holidays for a meal and to visit. Mother favored the younger brother to an extreme [Saturn in the third- problem with a sibling], and Scorpio on the cusp, indicating jealousy of a sibling. He, himself had an obsession with his mother, always wanting her approval and love which he never got. The younger brother also had a Pluto/Moon aspect, as she was very controlling of him as well. I saw this go on for over 40 years. The younger brother, who was spoiled to an extreme, had Jupiter in Aries, as he was extremely self-centered. There was an eldest sister and she moved to a far away state, and escaped some of this, but the mother still kept in very close contact with her as well and would visit her regularly every year and the sister would come home for the Yule season and such.

Actress Judy Garland, who played Dorothy in the 1939 Wizard of Oz, got that part at 14 through the “casting couch.” Her mother made her sleep with dirty old men at that young age and even worse and any knowledgeable astrologer can see the rotten mother influence in her chart.

Virgo rules her fourth house of the mother. Virgo on the 4th often gives a very critical mother who can also be a neat freak. Saturn at 0 of Libra [very critical degree] in the 4th house indicates a hard family life and problems with the mother. Ruler of her 4th; Mercury is in the 12th of undoings and misfortune, and is at 0 of Cancer, another very critical degree, exactly squaring Saturn. Adding into this, her Moon at 29 of Sagittarius [mother] is in very tight square aspect to Saturn, again- problems with the mother; anything from emotional needs not being met to emotional and physical abuse.

Marilyn Monroe was another, who had a bad mother influence. Her mother went insane when Marilyn was very young and had to be institutionalized, leaving Marilyn an orphan who was placed in over 15 different foster homes during her childhood and orphanages. Saturn in her 4th house is at 21 of Scorpio, conjunct fixed star Unukalhai of loss. This Saturn also squares her Aquarius Moon. The Saturn in her chart is also the singleton of a bucket configuration. The single planet “drives” the entire chart, meaning, it has a much stronger influence than the other planets, both in the personality and the events in one’s life. It is a stand out planet. Her unhappy childhood never left her and was the focus of causing her life-long emotional problems. Scorpio on the cusp of her 4th is ruled by Pluto at 13 degrees of Cancer, right on the cusp of her 12th house at 13 of Cancer. 13 degrees of cardinal signs is also a critical degree, giving the planet a stronger influence.

The above two examples are what I am referring to in reading a chart accurately, as with the bad Moon aspects, there are many more placements and aspects that support the bad mother influence. The more there are like this, the worse the situation is.

Also, a while ago in this group, there were posts regarding a lack of an element. Helen Keller, blind and deaf from early childhood, with her ruler at 15 of Leo [degree that often brings physical problems regarding sight and/or hearing and other] and no planets in air signs [communications and senses], and only one planet in an air house, spent most of her life communicating. She wrote books and from what I understand, even lectured to audiences. Point being, those who lack an element often manifest that element in an entirely different way. The lack of air and her ruler at 15 of Leo made her blind and deaf, but she did communicate.

Just as for example, someone with no water signs. This does not make one cold and callous. Quite the contrary. It makes for one who expresses and experiences their emotions differently. I know someone who has no water and this person is exceptionally caring and has very deep feelings, and is very compassionate. Those who lack an element express that element differently than those who have planets in the element.

Sinastry

I don't have time to reply to any questions here. I felt compelled to share this knowledge in the way that it will be of great help to most of you throughout your lives, especially after reading of an extreme case, of which I may go into detail later on.

This list is incomplete in the way that I will not include every single aspect, but the most important ones. These aspects below, I have witnessed myself.

Knowing the below, can prevent tragedy. If you are in a situation where someone else's' Saturn is in hard aspect to your ruler, and you cannot get away from that persons, it is very important not to provoke him/her. This is a no win situation.

Put aside all of the crap in the astrology books that claim the Sun and even in some cases the Moon are of prime importance in one's chart. This is NOT so. The most important planet in one's astrology chart is one's chart ruler and if there are co-rulers. This also includes the ascendant and the first house. Your chart ruler represents YOU, as does your first house. I cannot stress this enough.

I will get to the point here. This list is incomplete, but these are from cases I have witnessed myself. Not just one case, but many. I have been doing astrology for close to 40 years.

Saturn.

I have yet to see [and I have studied hundreds of murder cases] one case where the murderer's Saturn was not in hard aspect to the victim's ruler. This is 100%. In addition to murder, there are also hundreds of cases where the Saturn individual inflicted great harm upon the person whose chart ruler that individual's Saturn was in hard aspect to.

By hard aspect, I am referring to the conjunction, the square, the opposition, and also minor aspects such as the semi-square [45 degrees] and the sesqui-square [135 degrees] The inconjunct also factors in at 150 degrees. I have also seen trouble with the trine aspect as well. If another person's Saturn is in hard aspect to your chart ruler or in your first house- STAY AWAY from that person. Knowing this can save lives! This isn't of course to say that every relationship with one's Saturn afflicting the other person's ruler will result in murder, obviously...what I AM saying is yes, in the extreme, but any relationship with the above will eventually result in harm for the chart ruler individual.

To determine someone's Saturn, all you need is their date of birth, as Saturn

moves slowly.

I will start with Saturn here. In some cases, trines and sextiles can be secondary. Below, I will be referring to the conjunction, the opposition and the square aspects.

Saturn/Sun

Saturn is very hard on Sun's self-esteem. Saturn can act as a teacher to Sun in some cases. Saturn also inhibits Sun's self-expression and sense of fun and individuality.

Saturn/Moon

Saturn can be a depressing influence upon Moon. The Moon person usually suffers more in the relationship.

Saturn/Mercury

Saturn does not want to hear Mercury. Saturn inhibits communications with the Mercury person. This aspect is very bad for any relationship, as the Saturn person stifles the Mercury person in all areas of communications...such as repeatedly telling Mercury to shut up.

Saturn/Venus

Saturn can reject Venus's offerings of love. If the two do get together, Saturn will usually be the one to walk out of the relationship if there is a break-up. Saturn rejects Venus.

Saturn/Mars

This brings mutual antagonism and animosity to any relationship, with possible violence.

Saturn/Uranus

Saturn can be the jealous control freak here. This is most serious, and even the trine factors in, but is less than the conjunction, opposition or square. Saturn is very jealous and controlling of Uranus. Saturn tries to dominate Uranus and refuses to give Uranus any freedom. If there are other nasty aspects, this can be deadly. Saturn's imagination can run wild in the way of Saturn making accusations of Uranus "cheating" "flirting" and such, and if other malefics factor in, there can be violence and even worse. This is a very bad aspect to have between two people.

Sun in hard aspect to Sun

Here the egos clash. Each will try to outdo the other. There is much rivalry.

Sun/Moon

[Conjunction and opposition] The Moon person usually is drawn to the Sun person. This is a positive aspect to have, especially in a love relationship.

Sun/Venus

This is a powerful love aspect. In progressions, if one's progressed Sun makes any aspect, even a trine or a sextile to another's Venus, the Venus person will fall in love with the Sun person. Another one is if one's Venus by progression makes an aspect to another's Sun, the Sun person will fall in love with the Venus person. From what I have seen personally, this is a one-way deal. Unless there are other supporting factors, this is not always mutual. The one whose planet is moving onto another's by progression acts to trigger an emotional response in the one whose natal planet it is aspecting.

Sun/Jupiter

Jupiter admires the Sun person. Jupiter is good for Sun's self-esteem. This is an excellent aspect to have in any relationship. The Sun person benefits from the relationship.

Sun/chart ruler

The chart ruler is often attracted to the Sun person.

Moon/Mars

Mars can be attracted and drawn to Moon, but can also be rude, emotionally upsetting, and even violent to Moon. This is not good for any domestic situation.

Venus/Mars

Strong attraction, especially sexually. Mars is attracted to Venus.

Mars/Jupiter

Mars is often attracted to Jupiter, especially sexually.

Mars/chart ruler

Mars can be attracted to the chart ruler individual, but if there are malefic aspects, Mars can be violent to chart ruler, this also goes for Mars in hard aspect

to one's ascendant- Mars can be violent to the ascendant person.

Jupiter/Venus

Jupiter attracts, arouses and inspires much love from Venus

Jupiter/chart ruler

This is the exact opposite of the Saturn. Jupiter usually likes chart ruler. Jupiter can grant favors and do things of benefit for chart ruler. This is especially strong with the conjunction and the opposition. Other aspects such as the square and trine don't factor in. Also, if Saturn factors in with what I already wrote in the above, this aspect does not offset the malefic tendencies.

—

Pluto and obsessive love and fatal attractions:

Watch out here. In a natal chart, where there are Pluto/Venus aspects, the individual in whose chart this occurs is prone to love obsession. In relationships, if there are hard aspects between one's Venus and another person's Pluto, Pluto will become obsessed with Venus. The tighter the aspect, the worse this can get. Pluto can become jealous, controlling, and very obsessive with Venus. If one's Venus by progression moves into aspect with another's Pluto, the Pluto person will get obsessed with the Venus person. The worst of this is the conjunction, opposition, and square, but all aspects triggered by this will provoke a response, and in many cases, this can result in unrequited love. If two people have mutual Venus/Pluto aspects, they may both become obsessed with each other and as long as it is mutual, this can be very deep and happy, but unfortunately, this is not usually the case.

Pluto can also have the same influence when one's Pluto is in aspect to another's chart ruler. Pluto can become obsessed, jealous, and controlling of chart ruler person.

I will try to write more about this and also include some case studies. I know Satan wanted me to share this knowledge. Always know a potential partner's astrology chart before making any commitments. These Synastry aspects can also be adapted to friendships, co-workers and daily associates, though I wrote the above mainly in the way of sexual relationships. In

platonic relationships, just adapt the above...such as the Saturn person, even if a friend will be jealous and controlling of the Uranus person, constricting his/her freedom. Venus/Mars aspects in platonic relationships can draw two people together. Jupiter is always of benefit in a relationship, but does not really offset anything serious like hard Saturn aspects.

In closing, a second factor is the stellium. If one has a stellium [grouping of three or more planets in a sign], and Saturn is in hard aspect to the stellium, this is a malefic influence. Again, Jupiter is the opposite and is beneficial.

Astrology is not always pleasant, but it is very truthful when accurately interpreted. Astrology has been a major help beyond words for me throughout my life in understanding why hard times occur, keeping me safe from people who were negative influences and reading into others and understanding them. Astrology is a gift from Satan.

Mars opposites Uranus in SR

Yes this happened just recently. If you have the planets in your return, to determine just how much they would affect you, you need to look at their placements in the SR chart. There are certain aspects that are in everyone's chart given the length they are in affect. Just how they affect each individual is a different matter.

Look to where the opposition [in this case] occurs in your return. The tighter the orb on the aspect, the more it will affect you. For example, with an opposition, if the orb is 7-9 degrees, more than likely, it won't be anything major and may even go by unnoticed. When the aspect is under 2 degrees orb, chances are it will cause an event to occur.

Now, say the orb is less than 2 degrees and the degrees of the opposition line up with other planets on the same degree, and/or house cusps and especially your angles. If the opposition for example is across your ascendant/descendant axis, given the nature of Mars/Uranus, this could cause you to have an accident. But, this all depends upon the tightness of the orb, and if the opposition lines up with other planets and/or house cusps on the exact degree or near. Another thing to look for in a solar return, and even lunar and other planetary returns is return planets aspecting planets in the natal chart. Conjunctions are the most powerful, followed by oppositions and then squares. These produce events in your life in nature to the energies of the planets.

Sublimating a Mars/Uranus opposition would include being aware of any potential risks during the period. These often play themselves out in a lunar return. The aspect can be repeated in the lunar return, or even a different aspect. Also, if you have this aspect natively, there can be a higher probability for an event occurring than for those who lack the aspect. Also, look to your lunar nodes [exact degrees, even if this is a minor aspect]. Sublimating Mars/Uranus energies can be done through hard work. This can be upsetting and even exhausting, but it is a positive outlet for these energies. Left to their own, they are indicative of an accident.

I also want to comment on death returns. I, myself have looked in my own SR charts and my midheaven/IC axis flipped more than once. Obviously, I am alive. This only means the tendency is there. Also, in going through my own charts, I have had years in my past where I had a very hard Saturn and ironically, the year was very happy. This is not the norm, though. I do know that transiting planets are triggers for events and everything must be taken

together.

If the transiting Saturn is also making aspects to your personal planets, then really be aware and look out. There are rare times when a hard SR Saturn, say for example in hard aspect to the SR ruler, but a time when there are no hard aspects from transiting Saturn to your natal planets, especially your personal planets, the SR Saturn may manifest itself in a positive manner. This includes the other SR planets as well.

If anyone notes their midheaven/IC axis flipping in a solar return, do not get alarmed. The point is to be careful. From what I have seen, this does occur in everyone's life at certain years. You have to look at what else is going on and then, if things are really bad, then just be aware and of course, really build a strong aura of protection around yourself. Reinforce it daily. I have had several times when I saw my potential fate and was alert and aware and the energies manifested in a better way than if I had just walked into it unknowing.

One case I found very interesting was that of OJ and Nicole Brown Simpson. His Saturn was in hard aspect to her ruler, among other deadly aspects. There were many other antagonistic aspects as well. She had an exact Sun/Jupiter opposition that played a major part in her murder. She was very overconfident. IMO, this case was creepy. With SRs, the locality chart and the birth chart will both reveal the same events for the year, though in different ways as the house positions [say if someone moved far from the place of their birth] will be different.

Her death occurred within a couple of weeks [if I remember correctly] of her birthday [a time when one is vulnerable]. Transiting Saturn crossed her ascendant into her first house. This is a most horrid transit in anyone's life and this is where your luck runs out. Interestingly, her overconfidence like I mentioned before played a major role in her murder. OJ was jealous and controlling. She divorced him and then a couple years later, wanted him back. Then, million dollars later with gifts, etc, she then decided she didn't want him and dumped him. In addition, she was having a very open affair with his friend and his friend would park his SUV outside of her condominium every day and OJ was having her followed by private detectives. My bringing this up is for an example of a classic and very creepy astrological case that was blatant, with Mars/Uranus involved.

Her exact Sun/Jupiter opposition was at 27 degrees Taurus/Scorpio. In the SR

for the year she was murdered, 1994, 5 of her ten planets lined up on the 26th degree, Mars on late 25th degree, all under 2 degrees orb to the Sun/Jupiter opposition. Her best friend begged her to take a trip to Mexico, but she refused and stated there was no reason to do this. It may have saved her life. SR Uranus/Neptune conjunction opposed her natal co-ruler Mars. SR Saturn was tightly conjunct her SR descendant [others]. SR IC also lined up exact with her 7th house Moon. The 7th is the house of others and this can be the others doing the victimizing. Her natal co-ruler Mars in the SR is in the 8th house of death. To add to this, 6 of her ten planets in her solar return are all on late degrees. In this case, it was death. You have to look at everything.

Now, for the relation to her lunar return for her month of death, Virgo, which was rising in her SR is contained in her LR first house with 29 of Leo on the cusp. This is a repeat of the SR. In her locality LR for Los Angeles, Mars/Uranus of violence is on the angles and as I stated this before, this intensifies the energies and influence of the planets involved. LR Pluto makes in inconjunct to the LR Mars from the 8th house of death. The Mars/Uranus square is tight, just 2 degrees of orb from being exact. Her LR 8th house of death cusp is tightly conjunct Unukalhai of loss.

Jupiter isn't always positive. She had Jupiter in Scorpio in the 8th house of death and Scorpio is also the sign of death. SR Jupiter was conjunct her natal chart ruler Neptune in Scorpio. Given all of the other indications, this resulted in her death. There are many more indications. I mentioned this because of the Mars/Uranus hard aspect that was intensified by her location in Los Angeles. There is much more, but I am real busy and have gone on with this too long as it is.

Also, concerning world affairs, this is something I don't know very much about, but my mother told me when she was very young, she and her mother were standing out on a field on their farm and the Sun was glowing red and there was a black spot on the Sun and her mother told her [this was in the late 1930's] that there would be a war. Also, Neptune and Pluto are in the signs exactly opposite that they were before WW2 at this time. Jupiter and Uranus are also involved. I could go on and on, but have to get offline right now.

Personally, I have always used for interpreting birth charts:

For conjunctions, squares, trines and oppositions 8-9 degrees

For sextiles 6 degrees

For inconjuncts 5 degrees

For semi-sextiles, semi-squares, sesqui-squares, quintiles 1 1/2 degrees.

In some cases, as with synastry, if there is a Saturn aspect to the ruler, of which I already posted on, it is best to use caution and widen the orb, even the sign, such as opposing signs i.e., Scorpio/Taurus, and signs that square i.e., Libra/Capricorn. But as for doing birth chart interpretations, I have always used the above.

I also want to add through my own research, semi-sextiles and the other so-called "minor aspects" are aspects of fate; especially the semi-sextile, rather than aspects of personality traits. The reason being, if correctly read, the orbs are very tight and when one has two or more planets linked on a certain degree or within 1 1/2 orb of a certain degree, there will be a fated event that will occur in the life at some point. The more planets that tie into that degree, the more major the event will be. A major turning point in one's life.

In some cases, the linked planets can also indicate something one is born with such as a special talent or an anomaly. I knew a woman who had an IQ of over 185 and she had an exact Mercury/Uranus square linked with her ascendant degree, making this personal. People born on that day would have the tight Mercury/Uranus square, but when an aspect links to one's ascendant, chart ruler or midheaven and the orb is under 1 1/2 degrees, it becomes personal.

Orb degrees Thu Sep 4, 2014 5:54 am (PDT) . Posted by: vabzirteloch I'm a little bit confused concerning the orbs in astrology.

One of my astrology books says that each planet has different orbs for different of the aspects, for example the Sun:

17° for conjunctions and oppositions,

11°20' for trines,

5°40' for sextiles,

8°30' for squares, and

4° for the minor aspects

Are these correct?

Another source stated that the orbs differ from each other only in regards to the aspects, but we should use the same orbs for every planet, except the Sun and the Moon.

So what exactly are we using here? I'm really confused.

Thanks in advance.

When is the best time for plastic surgery astrologically?

Avoid the moon in Aries. Always remember... NEVER have any surgical procedures done when the moon is in the sign that rules that area of the body. Also, avoid a full moon if possible. This also includes any procedures for pets. When the moon is in the sign that rules the part of the body, such as the face with Aries, things tend to go wrong.

I remember many years ago, I had an impacted wisdom tooth. I wasn't able to make an appointment at any other time, as they were backed up, and had to have dental surgery to remove it. This was during a full moon and yes, I knew about it. Well, 5 shots of Novocain didn't numb me up. I was wide awake during the whole thing. Needless to say, it wasn't pleasant. They succeeded in ripping the tooth out of my mouth, and I mean rip. Afterwards, I had to wait endlessly for the codeine pain pills and experienced a reaction to the overdose of the Novocain. Then, there was the long trip home on the bus and the aftermath. I got off lucky, though. Complications can be severe and this is something to always be aware of.

The signs and the parts of the body they rule are listed here:

Using void moons?

Former US President Ronald Regan would make promises and statements he had no intention of keeping on a void Moon, purposely. This was stated in a book from his and Nancy 's personal astrologer Joan Quigley.

Also, now this is theory and I can't back this up as I read it, but according to some information I read, any loans taken out during a void Moon wont have to be repaid, but remember, this is something I read, so use common sense.

Also, if you don't want to finish a job, for whatever reason, then begin it on a void Moon.

2020-2021 and the War question

As for the USA chart, I have always used the 2:17 am version. This has been highly accurate, not only through researching historical events, but also the 911 everything recent. Benjamin Franklin who was a Satanist, had the Declaration signed at that time, as he was an astrologer. I know history has been altered and rewritten. There are quite a few notable astrologers who also use the 2:17 version and swear by it. Do some research on your own and you will see what I mean.

The solar return for the USA in 1941 had Mars at 1 degree of Aries [exceptionally critical], placed in the SR first house, intercepted. The SR ascendant for that year was at 24 of Pisces, aligning with SR Saturn at 24 of Taurus, conjunct fixed star of extreme violence Caput Algol. SR Saturn was in conjunction with SR Uranus. The attacks on Pearl Harbor were sudden, unexpected and by surprise. Uranus is the planet of the unexpected, and the sudden. SR ruler Neptune at 25 of Virgo conjunct SR descendant also tied in. Transiting Jupiter was exactly in conjunction with USA chart co-ruler Uranus and USA chart ascendant. This influenced a favorable outcome and acted as a protective influence. There are many more indications of war in the solar return. I have to cut this a bit short here, as I don't have time.

Mars is always involved regarding war, as it rules over war. As for the US Civil War, Mars was in tight conjunction with the Moon in the solar return. The Moon indicated domestic and not foreign. The SR Moon/Mars conjunction in late degrees of Capricorn, opposed SR stellium in Leo; Jupiter, Mercury and Venus; seesaw configuration, indicating a split. Progressed Mars for that year was at 15 of Leo, a very bad degree.

The 2021 solar return for the USA has SR Mars at 14 of Leo, conjunct the SR ascendant. This in addition to being one degree away from 15 of Leo, is at the 14th degree. I have found the 14th degree is a very sensitive point for the USA. It aligns with the USA chart Saturn and the USA chart IC/Midheaven axis. 14 degrees was very prevalent with the 911 attacks, it was all over the place.

This SR Mars is in tight opposition to SR Saturn, which is in conjunction with the SR descendant, in the 7th house of others [foreign countries]. The SR Saturn is in very tight conjunction with the USA chart midheaven. SR [and transiting] Pluto at 25 of Capricorn is opposing USA chart ruler Mercury, bringing major and permanent changes. SR ruling Sun is in the SR 12th house of undoing and misfortune. Tight SR Moon/Uranus conjunction in the SR tenth [ruling the

presidency] possibly indicates an assassination? 29 degrees is on the SR IC/midheaven axis.

USA progressed planets for that year include progressed solar arc Jupiter at 9 of Pisces; fatal degree, progressed solar arc Mercury [USA chart ruler] at 29 of Pisces, which is a degree of endings, progressed Mercury is at 21 of Aquarius, a critical and unfortunate degree, progressed solar arc Neptune is conjunct Caput Algol, progressed Pluto of power is on another degree of endings- 29 of Capricorn.

I am short on time, but it appears problems will be manifesting from 2015 onward. Aside from transiting Saturn entering Sagittarius [this nearly always causes a financial crisis], the 1929 crash and the 1987 crisis, SR Neptune in the SR second house of finances, ruled by Pisces [Neptune] is at fatal 9 degrees of Pisces. Jupiter/Venus conjunction aligning with SR Mercury, ruler of the USA chart, indicates this will not be permanent.

I am basing all of this on past events and certain placements and aspects that have repeated themselves.

Hi Maxine. In one of your message in the astrology e-groups you've mentioned that in 2020-2021 has a mars/saturn aspect meaning war. What does the mars/saturn mean in regards to war?

9th degree

Question:

"9 Degrees of Virgo and Pisces are known as fatal degrees, body in the ditch degrees and degrees of suffering.

9 degrees of Pisces is one of the worst degrees in the Zodiac."

Anyone has more information on the 9th degree of Pisces?

I'm asking because I have Saturn placed on the 9th of Pisces.

HAIL SATAN!!!!

High Priestess Maxine:

Look to your house/s in your chart that have Capricorn on the cusp; also look to the house placement of Saturn, and to a lesser extent, the house/s with Aquarius on the cusp. The affairs ruled by these placements should give you an idea of where any problems will manifest.

In addition, the nature of Saturn, as well. Do any other planets tie in, as with tight aspects? Does your Saturn align with your lunar nodes? All of this is important. Planets at 9 degrees, I have noted are very bad, but of Virgo and Pisces, these are worse. Be aware... no astrology chart is perfect. No one gets through this life unscathed. Knowing where potential problems can come from can be a great help in working to prevent them.

I have a bit of time today, so I can go into an example. I read a book some time ago about a woman [she had Jupiter at 9 degrees of Virgo, in exact opposition to Uranus at 9 of Pisces. When aspects like this are tight [within 1-2 degrees of orb], or even more intense- on exactly the same degree, these are fated events in the life. If three or more planets link up, this is even more so. This woman's father was a jewish communist. He worked for the Ford Motor Company here in the USA, but was involved in communist activities. This was back in the late 1920's and early 1930's. After the 1929 depression hit here, many at Ford feared job loss and related. Back then, Stalin; the USSR had more deceitful come-a-longs- brotherhood programs, promising a "worker's paradise" and good living, etc. Ford Motor Company had opened a plant at Gorky in the USSR. Through this, American workers were invited to get this plant established; spending 1-2 years in Gorky. This situation was not only limited to Ford Motor Company, but was a swindle to get Americans to the USSR in many other areas; exploiting the depression and hard economic times here. Other families, totally unrelated to this particular experience were duped into this as well. This woman in the following example was known to be the "only female American survivor of the Siberian gulag."

Sorry for the repeat, but this will go much faster; I just found, copied, and pasted this from what I wrote in an e-mail some time ago regarding this case:

I noted a case where a woman had a Uranus/Jupiter opposition at 9 degrees of Virgo and Pisces- degrees of extreme suffering. Jupiter has to do with travel and though her birth time was not given, I am led to believe she had Aquarius on her ascendant by the events that took place in her life according to the biography. Jupiter opposed her ruling Uranus and got her through unimaginable hell and by 'hell' I mean that as a figure of speech. Jupiter is a protector in a sense, but can still bring extreme misfortune when placed on a bad degree.

In 1932, when this woman was eleven years old [she was born in 1921], her father worked for the Ford automobile plant in Detroit. Times were hard with the depression and he was duped along with many others into leaving the USA and moving to Gorky in the USSR, under Stalin. Same old Jewish brotherhood programs, like Christianity, promising a better life and a 'worker's paradise.' Now, Jupiter rules foreign countries and travel. Hers was at 9 of Virgo, a degree of extreme suffering. They were to stay in Gorky and work on a new Ford plant over there under the direction of Ford for about a year, then return back to the USA. Needless to say, at her early age, when they arrived in Moscow, she noted how there was something wrong, the people were dressed in rags and were notably hungry and freezing in the bitter cold. The streets were very dreary, no heat in the street cars or any other transportation and everyone looked exceptionally depressed. They were moved to a one room flat. They had to share a kitchen and bathroom down the hall and both were in horrendous filth, especially the bathroom. To take a bath or a shower, one had to walk some 3-4 blocks down the street to the public bathhouse. Every other day, they alternated the men and women. There was no variety of food, only fish and stale black bread and porridge for every meal. But, this was paradise compared to what followed in this woman's life.

In 1938, they were still there and her father was arrested by the NKVD and she and her mother never saw or heard from him again. They were ousted from their one room flat, as they no longer had any income or any rights at all. They moved to a tiny closet in the basement of some rat trap building and then looked for work. Then the war came. They lived on rotten potatoes and other garbage of which they worked brutally for. There was little or no heat through the Russian winters in their places of dwelling. She was forced to dig anti-tank ditches until her hands bled for hours and hours every day- sun up to sun down in the bitter cold. Her mother walked several miles to get sacks of the rotten potatoes they survived on. After the war, the NKVD arrested her as she said the wrong thing innocently about wanting to go back to the USA to some British visiting military over there and word got back they tried to get her out of there. Even the worst American prisons are nothing compared to the prisons in Russia. She was sentenced to 10 years in a Siberian labor camp, of which she is the only known American woman to survive. It was unimaginable suffering. She finally made it back to the USA through risking her life, though it was late in her life, if I

remember correctly, she was in her 60's. What I read of what she went through was horrific.

I do note, when the chart ruler is at 9 of Virgo or Pisces, it is much worse than other planets in the chart. There was another case, which was the worst I had ever seen. A woman had her chart ruler, the Moon at 9 of Pisces, opposing Pluto at 9 degrees of Virgo, with Jupiter at 9 of Aries [another bad degree] tying in. Semi-sextiles, I have found in my research are not so much personality traits as they are fated experiences in one's life. Mars opposed Saturn at 22 of Leo and Aquarius [both bad degrees] across her 3rd/9th house axis of travel. This tied into Capricorn on the 7th house, which is often abuse/misfortune coming from others. Her Sun/Mercury conjunction was at 26 of Taurus, in conjunction with Caput Algol of violence. Her ascendant was at 6 of Cancer; 6 of cardinal signs often indicating a physical problem or handicap. When she was 15 years old, her natal south node was tightly conjunct the ascendant of her solar return for the year. This is always something fated, but by itself, is not always bad. You have to look at everything. In this case, it was horrendous. Like I said, this was about the worst astro chart I had ever seen. Her 1978 solar return also had the Saturn in conjunction with Mars 15 degrees of Leo [another hideous degree], but this was loose, in the solar return 7th house for that year. I note when certain aspects repeat in a return chart like that; those that have a tight aspect in the natal chart, this will trigger a fated event within that year, and the aspect does not have to be the same. In this case, Saturn opposed Mars [violence] in her natal chart and in the solar return chart, they conjoined.

She ran away from home that year and wound up in California. Her living situation did not work out and she made the bad judgment of hitching a ride. She was financially broke, etc. A devout Christian picked her up. He then took her into the desert, raped her, stabbed her and chopped her arms off, with an axe, of which she survived. His planets tied right into hers for violence. He was given a light prison sentence and upon release, stabbed another woman to death after raping her. The former woman who survived was forced to testify at this new trial when her lunar nodes were conjoined by transiting the nodes. The nodes are not personality traits, but points of fate in one's chart.

In closing, always remember this, as it is extremely important. I have studied astrology on my own for many, many years. The case above, I came across in an astrology book and then did some of my own research. This was a long time ago. I believe the author was Edna Rowlands or something like that, I can't remember. Never, ever have I run across a murder/victim case, where the murderer's Saturn was not in hard aspect to the victim's ruler. Saturn is our weak point in our own charts; where we suffer and experience related losses through life, but it is a point of our own personal power when relating to others. Always check the charts of others for their Saturn position in relating to your chart ruler/s. The hard aspects, such as the conjunction, square, and opposition are blatant, but also be aware of the semi-sextile, the semi-square, the inconjunct and the sesqui-square. At least, this person can bring problems into your life; victimizing you in some way, or at worst, mayhem and murder. Lesser aspects I have noted in regards to

the Saturn ties also do include the trine, the sextile, and the inconjunct. They will have something over on you and can use it against you. Just be very aware of the Saturn placements in relationship charts.

Sorry, I forgot to add that one's Saturn in another's first house is the same as the hard aspects, especially when close to the ascendant. Also, I wasn't trying to be negative regarding the nine degrees, only truthful. This is especially pronounced if one's chart ruler/s is at one of those degrees, but meditation and knowing beforehand can help to offset this somewhat. Remember, no chart is perfect; no life is perfect. We all get our asses kicked in life.

The Saturn person is not always a murderer, obviously, but there always is something in the Saturn person in the way they can undermine and do the chart ruler person in. The Saturn person has negative power over the chart ruler person in some way. This can be just animosity or total destruction of the chart ruler person.

Vedic vs Western - Important.

I've always used the western zodiac. I have found the sidereal to be unreliable.

As for the Vedic teachings, I have found some truths, such as the natures of the planets are more important than the aspects with interpretation. Idiots write of all trines and sextiles being favorable and all squares and oppositions being bad. This is not true at all. The natures of the planets have to be taken into consideration, along with the houses they rule, where they are posited in the chart and so forth. Trines can be rotten, say if one's chart ruler is trine to the ruler of the sixth house, he/she will more than likely have considerable health problems, even if so-called 'benefics' venus and jupiter are involved.

Say someone has the chart of a reserved personality, such as many capricorn planets, many planets in the twelfth house, etc...A mars/jupiter square or opposition is extremely helpful in balancing the personality with this. Squares and oppositions are not all bad. Saturn/sun hard aspects for example can be troublesome, but these keep the ego in check, unless the chart is full of low self-esteem aspects. I have known certain people who think they are a 'god' so to speak; extremely over confident, assuming, overbearing and sooooo entitled. Because of the exaggerated sense of self-importance, many of these people alienate others and end up failing at major things. Jupiter/sun aspects, even the trine are notorious for this sort of thing, especially in charts where there is no ego check. A balanced personality will have a combination of both hard and soft aspects. Saturn is not always bad.

You have to take the entire chart into consideration. I have studied both eastern and western methods of interpretations and have found many truths in both and also many things that were 'off.'

On another note- I know of a person with a sun/venus conjunction. This aspect often indicates personal vanity- [I lived with this individual]. This conjunction was in the home sign of taurus. There were no hard aspects to saturn to keep this person in check. She would primp in front of the mirror for hours on end. The bathroom was always tied up. This person got up at 4:15 am every morning. Spent until 5:45 am in the bathroom primping her hair, make-up, etc. Left for work and then complained that when getting to work, that others would come into the ladies room [even on the third floor where it was quiet], while she 'fixed her hair and make-up.'

Regardless of any lack of money, even under-age dependents going hungry or without, this person ALWAYS had her 10 am Thursday morning beauty appointment at a nearby salon.

Getting back to this person at work, she would also primp on the lunch hour. Then upon returning home at night, spend another hour and a half in the bathroom pin curling her hair and primping. No one could even take a 30 second piss.

I have seen this shit more than once and it is nauseating to say the least. No...this person certainly wasn't trying to conceal any feelings of inferiority as there weren't any. She could do no wrong.

I could cite many more examples as I have been an astrologer for over 35 years and have done the charts of nearly everyone close to me, relatives and many others. The points to look out for are an unbalanced personality, especially if you are considering getting into a personal relationship with someone in question. This takes a lot of learning and experience and the sad thing is many books out there are off on quite a few things.

One person I know married a woman who hated sex. Unfortunately, he found this out too late. I still maintain, two people who are considering something as important as marriage should find out BEFORE they get married if they are both sexually compatible. Looking at her astro chart, I could see sexual trauma and other problems related to men. The marriage ended in divorce.

When looking at any chart, you have to put things together. Most, but not all charts have what I call confirming aspects. These are aspects and planetary placements that support certain personality traits, events in the life, and in the case of opposing ones, where certain aspects contradict each other], these often balance the personality.

High Priestess Maxine Dietrich

I know all about both systems and have worked with both systems. I have been an astrologer for close to 40 years. I am a professional and I will tell you, the Vedic/Sidereal for whatever reason is not accurate. I use the tropical. Certain aspects of Vedic astrology are helpful, such as the nature of the planet is more important than the nature of the aspects. For example, squares and oppositions

from jupiter are usually of a beneficial nature, especially with transiting planets, solar returns and such, while trines from saturn can be a down time.

Firestarter is correct as far as I am concerned. In order to do a competent astrology reading, one must use one's psychic abilities, along with the information given on the planets. This is because no two charts are exactly the same. The astrological chart is a map of the soul and is as individual as one's fingerprints. Two people can have the exact same aspects, but given the affairs of the houses ruled by the planets, and the other aspects and planetary placements, that same aspect will manifest differently in the two charts. In addition, psychic energy must be used in determining how a certain chart pattern or configuration will manifest in one's life.

Science has not progressed far enough [because of christianity and its ilk], to where it can explain the spiritual. Kirlian photography for one can photograph the aura, but the chakras still cannot be seen. Science is making great strides in deciphering thoughts and with this, may soon be able to see the energy centers of the soul, but given the jews dominate this field, much of what is given to the public has been corrupted, especially in the way of anything spiritual.

I know all about the equinoxes and the synetic vernal point, and the sidereal aspects of astrology and as I already wrote, I have studied both systems and have found the sidereal system to be seriously flawed when doing plenty of research. The characteristics of the planets in the signs and other given information of the vedic system does not fit me or the many others I have studied.

This has been my own experience. I also came across a woman in an occult bookstore who did not like the sidereal vedic system and told me of an astrologer who read for her who used this system, who was not only 'way off' in predictions, but the entire reading was flawed.

High Priestess Maxine Dietrich
<http://www.joyofsatan.org>

High Priest Mageson666:

From looking at the situation in the East the Vedic body of knowledge was subdivided into direct sections. One example is a section on Sanskrit. How to write it, read it and speak it properly. And then a section of that on mantra. How to vibrate sanskrit formula's, how to create mantric formula.etc

Well today the mantra sections don't exist they are gone. They were removed in time. Same with whole texts on Ayurveda, only a small amount are left and who knows if they are intact.etc Same with other subjects.

The texts on astrology in the Vedic body of knowledge have suffered the same fate. Most of them were removed or "lost" leaving only a very few left and once again who knows how much is original.

So given this it's my personal opinion that today Vedic astrology should be considered through this perception.

Interestingly the astrologers in the ancient Roman Empire. Stated the Western model they used was from Egypt. We know that Egyptians came from the East and had a common culture and lineage with the Vedic civilization. So probably there is a much bigger picture on the system that should be considered as these two systems today had a common origin. Included within the historical context of major removing of the original body of knowledge that has occurred.

With Western astrology it was started it works as is [despite modern debate]. Because it's a map of a much larger cosmic principle of universal creation. This is going back to the statement of texts from the ancient Roman Empire.

With the stars themselves they were considered to relate to different energy pathways within the soul. From what I have studied and these get into the cosmic Zodiac man symbolism. And hints to the Vedic Bhumandal cosmology. Something to consider in general. And they do effect us on earth. In 1989 Sirius B made part of its orbit that slowed down the spin of the earth for a few days. As was recorded by NASA.

Judaism Is Built On Holocaust Of Gentiles

▣ Tue Aug 01, 2017 2:33 am

HP Mageson666

In the Torah the Jews made a holocaust out of the People of Caan and even the live stock were slaughtered and burnt in bloody heaps to Yahweh as the Holocaust of burnt offering. However in Hebrew this word Holocaust is Olah....

In the Jewish Mishnah, the Rabbi's call the process of creating the Jewish Messianic Global Kingdom Tikkun Olam. That A is also the vowel Ah. Its Tiklum Olahm. Meaning one thing. Offering up the entire Gentile Peoples of the world as sacrifice to Yahweh as a holocaust. The Torah states there is five types of animals to be blood sacrifices to Yahweh, Cattle or Goyim in Hebrew is one of them. The Jews call us the non-Jews, Goyim.

It goes from Olah to Olam.... Because M is the letter of Messiah in Kabala. This is what Messiah must accomplish for the Jews.

Julian Assange

by HP. Hoodedcobra666 » Sat Sep 14, 2019

Julian Assange is a journalist of those who still have a spine, and do Journalism, instead of just writing strange articles of no meaning to Jewish press releases. He was tortured, abused, and mentally destroyed in jail, and he is in jail why? Because he actually did practice journalism and stood by his oaths.

Julian Assange for those that do not know, is the co-owner of Wikileaks website and the general infrastructure. Wikileaks has been used by journalists and other whistleblowers worldwide to expose great shams such as Hillary's illegal e-mails, and other stuff like the extent of the surveillance of the United States Deep State on its citizens, or abuses by the Russian Government, and many other things. One can find these online.

Basically, he, "As a person", did nothing wrong. This is just the usual logic of just arresting whomever you can for something they never did, so that others who think of shoving their noses in the wrong places, will see this and stop this.

Needless to say, this is some real groundbreaking stuff going on or having went in for Wikileaks. This wasn't owned by the guy Assange or others who held up this website directly. Another thing that the Wikileaks had unmasked is the known Panama Papers, mass surveillance files, Russian Spy files, which exposed assets and all sorts of other things from a huge number of billionaires on this world, and the list goes.

Assange was, in a parody of a trial and a parody of situations, detained and locked in isolation for the above, even though he had no direct connection to any of this, or his connection was just superficial with the exposure of this all. Were it not for Assange, Hillary and others wouldn't have been exposed for being irresponsible or frauds.

For those who do not quite get the political background here, Journalism and even whistle-blowing are important things when there is mass corruptions. Journalists on this world have a purpose to serve, and it's not to write shitty articles on Wired and other useless leftist websites about blue hair, but to protect the freedoms of nations and the rights of people of this world, and to report the truth about anything, while gambling one's chances with both the law and vicious powers at work.

Journalism should be a respectable profession, and not the trash it is. BY the enemy controlling Journalism, the ability to fact check or cross check things in our civilization, and to control the exposure or knowledge of the public of events, has been destroyed. Now most journalists are merely shilling and nothing else, which is typical in dictatorships. It's really insane that in order to listen a good or at least non biased and objective article about an event, one most of the times on journalism from other nations.

This is how low we have sunk. One has to open up RT to look about migrant news in US or Europe [The "Russian Backed News"] or other events that are never reported in our continents. This is how low we have sunk as a democracy and how low the pillar of Journalism has sunk. And this is why the enemy is at war with people's free will and their ability to control what they consume online, over the pretext that it's all fake news.

The argument against Assange is what they do is against the law, and the general lines that those in power always say about those who are unable to write or take part in the law. While Assange or anyone else whistle blowing, other "very legal" people somewhere else are trampling over any freedom, staging conspiracies, and doing all sorts of socially destructive things that stomp people like ants.

The thing they don't tell people is that these Journalists or other people doing their work falls not upon solely regular law, but the law of the constitution as well. So the fake ass argument that these people do "illegal stuff" is just bullshit. This is why Assange is not given a proper and fair trial and was trapped over like an animal in a cage. Because things like this do promote Constitutional Values and Western Values of freedom, even if they come against regular laws.

The fact that Hillary was exposed may be falling under the part of hacking, but on the higher constitutional end it was the exposure of a bad and dangerous official for the American people. This is only one example.

In a theoretical scenario, is it illegal for those who knew her health was totally failing and so was her sanity, to whistle blow, so that the United States and the world could save themselves from being ruled over by said woman, or would it be more "Moral and legal" for them to shut up and never leak it, and potentially derail our planet into WW3 or something? And these are questions that can be answered in an actual court with actual judges and not staged courts with staged arrests and all the related crap.

The witch apparently retaliated as it appears, as her loss was largely credited to this exposure that went through this website. Assange appears to have been caught into a political game of revenge here.

How Assange is being treated should only stand as a message to all people who are freedom conscious, there are many in this world who abhor any human freedom and are willing to go all the way to regress society into the Middle Ages.

While one may not have to stand by Assange's actions, this is something we have to ask ourselves: Where the fuck is our world going, when exposing a great conspiracy or a few, is larger of a crime than the conspiracy itself?

Is knowing about the murder and destruction of our world bigger of a crime than actually committing it?

We can observe the above in all of those who also know of the Jewish Conspiracy - the one "Conspiracy" with endless and obvious proof, that is worse to talk about, than to actually be part of it.

You're more evil and anti-semitic evil if you ask on why the jewish people celebrate genocide of Gentile people on Purim, than actually taking part in Purim, or actually doing the same crime as jews do to Palestine.

This is the clown world we are living in at this point.

Just A Reminder The Jews Want To Kill You

Bush signing the Noahide Laws into effect. He is surrounded by the Jewish members of Chabad Lubavitch

The US Congress officially recognized the Jewish Noahide laws in legislation that was passed by both houses. Congress and the U.S President George Bush. Indicated in public law 102-14. Congress day 102. This PUBLIC LAW designated March 26, 1991 as Public Education Day.

Note the Bush family are originally listed as Jewish in the American family histories. Bush number two went on a special trip to Israel and then signed the "Covenant" a secret deal with the Jewish ADL of the Rothschild run b'nai brith and then was made president.

And Bush even studies the Talmud as well seen here with a copy of such Talmud under his arm. The Bush family are crypto Jews.

Just like Dad.

Chabad is the Chasidim Jewish sect that is the Rothschild's inner circle and is called the power behind the throne of the Rothschild's. The Rothschild's own rabbinical family members were Chasidim Jews and still are. You can note were the direction to pass such Noadhide Laws on America is coming from. The Rothschild's who call themselves "Kings of the Jews" in their own Zionist writings. Chabad is the largest Jewish sect on earth and has headquarters in every major city on the planet thanks to the Rothschild's. The Chasidim sect from reports wants to bring about the age of the Messiah by initiating a global nuclear war. This is the doctrine of Judaism the Messianic war in which the Goyim nations will be destroyed and the remnants left

to serve the Jews. That is also how the Bible the Jews wrote to achieve this ends and that is the reason it does end such way.

The Jewish leader of Chabad. Schnneron who wanted to impose the Noadhide Laws on the planet and bath it in the blood of the Goyim. Was awarded the Congressional Gold Medal for his contribution to "global morals". Rebbe Schnneron wanted to impose the Noadhide Laws on the world as the one world religion of the Jews. This is Rothschild's inner circle talking.

The Noahide Laws are the seven Jewish religious laws all Goyim must live by. In the Noadhide Laws the punishment for being a Idolater a Pagan (Satanist) is death by beheading. Which is the first law of the seven. The Rabbi's have had parades in Tel Aviv where they roll guillotines through the streets to await the day when these laws will be enforced.

Guillotines on parade in Israel:

The Jews want to give everyone here a shave from the neck up. That guillotine is where your going if we lose so think about that the next time you feel lazy or want to make excuses to not do the RTR's or spread the message on line with the rights and freedoms you still have left.

Guess what all those wiccans, new agers and neo Pagans in general who preach luvvv and light for these Jews and defend them.... The Jews are going to have a chuckle as they drop the blade on their neck. Guess what Idolaters the first Noadhide Law in the Jewish religion is a code

term that encompasses all the Gentiles. Idolatry means GENTILE. This term was put in the Talmud as code for the Goyim and Jews openly state this. Guess what that means.....

Just Jew Runs Sweden?

“I think there is a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the centre of that. It’s a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role.”

We are happy to announce that our founding director Barbara Spectre has received The King's Medal for her outstanding contribution for Jewish culture in Sweden and beyond at the Royal Palace in Stockholm.

The entire EU was created by the Elders of Zion, Rothschilds and Warburgs both groups were created and put into power by Rabbi Frank who was the political messiah of the Frankist movement which was a Jewish supremacist movement to create a Jewish World Government. The Rothschild's call themselves the Jewish "Messiah" in their own Jewish publications. Rabbi Frank created the Illuminati as a vehicle of this and the Frankists with their money and connections took over the Free Masons and from here created Communism. Rothchild sent Warburg over to America to create the Fed and took power over America and look at the policies the Jews have put into power in America with that. Same with Europe. The point of the EU as stated in the work of the Hebrew speaking Father of the EU:

The white races of Europe should be destroyed and replaced with a race of Eurasian-Negroids who can be easily controlled by the ruling elite.

The Jews are having their Goy stooges give their fellow Jews awards for doing what the Torah commands and destroying the White Race....But remember anti-Semitism is the problem cause that's you pointing out Jews are killing you.

The traditional Nobility of Europe has always been in bed with the Jews. And had special deals worked out with them for low interest shekels for their pointless bling bling, rap video like life styles. In return they allowed the Jews to prey on the commoners and destroy as many of them as they wanted with high interesting fees of up to eighty four percent interesting rates on loans, allow them to become the tax collectors and take as much extra as they wanted to pay themselves with for this, creating and having monopoly on the boozetard trades to get the Goyim addicted to booze and then rob them and make their daughters work as sex slaves to pay off the debts and all kinds of Kike stuff.

So when the famines would start to set off because the Jews would even steal all the farmers grain by robbing them with usury, many peoples families were destroy by addiction and people didn't have a shirt on their backs literally. The Jews loved to prey on the already poor and in need with usury to even steal their one shirt. And everyone in the norm classes were robbed of their wealth by Jew level taxes. Jews charge taxes you can't pay then you have to take debt interests loans from the Jews you can't pay back to pay the Jew level taxes you can't pay to the Jews. The People simply rose up and Pogrom-ed the Kikes. The ritual murder of the local children by the Jews as recorded in history was usually the last straw for the People.

Sometimes the Jews would make the mistake of asking the Nobility for some of them super amounts of debt interest shekels they owed them. Then the Nobles would kick them out to avoid paying what they stole with the Jews off everyone. Many cases such as in England the Jews just bought their way into the Nobility and were made part of that class. This also happened in the Holy Roman Empire with a Gentile, Fuggar he was the first oligarch of bling bling that bought his way

high up the ladder and became a Count with lands granted from the Emperor. Which shows the Nobility was always a Mafia money racket. They were simply a cruel plantation owner class that ran the worlds largest slave states to collect the revenues off of along with the Jew run Church class. The Jews in the Catholic Church owned most of Europe as Bishops and Cardinals and Popes.

However for Jacob Fuggar's case he was a bastard in business but he was kind to the working and skilled working classes under his care. He even built new model homes for his workers which still exist. And did give greatly to charities. And stopped many common people from being massacred in the uprisings of the time. Because he was not a criminal Jew, He was a Goyim who cared.

Just a few Things: 29/11/15

- High Priestess Maxine Dietrich

Tired of New Age people and their arrogant attitude and condescending ways with us Satanists? Well, they are waaaaay off. I have had run-ins with them over the years and they believe themselves to be so oh pristine and their HOLIER THAN THOU shit-hole attitude. Satan has been revealing quite a bit, and they are totally off with their mantras for one, this is why they have to recite these thousands of times. When done the correct way, like with "SATANAS" it can be done only once and still be affective. I will be posting more information on this later. Also, their focus on the "heart chakra." The heart chakra as most of you know is NOT the powerful center of the soul, the solar 666 chakra is. Then, most aren't even aware that a mantra must be vibrated and they also don't have much knowledge on how to use these.

I also got word regarding the reverse Torah rituals [this is not verifiable, it is here-say, but...] someone told me he heard news that the Jews have been redoing the rituals. If this is the case, they will completely screw up their timing and create further havoc for themselves, but in any event, we need to stay on top of all of them. I will have more soon. I know there are quite a few. I am focusing on the major ones, which Lilith told me to do, as there are loads.

A JoS member here also posted an article about the kike pope and how he is trying to appeal to the Muslims for unification as "they both worship the same God." This reveals just how bad off the Catholic and Christian Churches are in regards to their numbers of members and power. We need to keep up the spiritual warfare until they are completely and totally destroyed permanently. Never, ever turn your back on an enemy who is down. When they are down, this is the time to finish them. That maggot rotten pope also advocated the use of the micro-chips on humans and such, which is of their alien Greys; so-called "God."

Also, most people are now aware of who is and has been behind that mass invasion of "migrants" into Europe... THE JEWS. So, like they always do, they try to reverse themselves. Some complain about it and I am sure quite a few infiltrate groups over there who are trying to stop this savage attack against Europe, working their agenda as always.

In closing, I also want to add there is a lot of misinformation on the internet and also in the media and other sources. This is done purposely to try to confuse the populace. Be aware of it. Don't be quick to believe everything you read. It is a very tragic fact that most of the world has been completely indoctrinated, psychologically and mentally imbedded, and infested with Jewish attitudes, and other alien Jewish crap. Cartoons over the years are full of they typical Jewish family attitudes. Most people aren't even aware of. This also goes for sitcoms and movies. Many people have spent most of their lives taking this in until it is so imbedded in their entire being and also within the mass mind.

The Jews are worshipped in the churches, and with the Yule Season, most of us have had certain things so forcibly imbedded, especially in childhood, like xmas carols... how many of you can remember the exact lyrics to carols such as "Silent Night" and other Jew-

worshipping trash?

I know the other day, I heard one of those, and I could remember every single word to the lyrics. This is just how forcibly imbedded this Jew crap is. Most people don't even realize it. I also remember in my time, cartoons us kids would come home from school and sit in front of that TV set [back in my time, there was very little choice in what to watch, there was a TV knob with 4 or 5 channels on it and you either watched what was on or you didn't. there was no cable or satellite TV like now-a-days]. Cartoons like the Flintstones, the Jetson's and many others, and all their Brooklyn Jewish accents for the characters and their Jewish lifestyle... you have to really know Jews and you can see how imbedded this stuff is. The populace is thoroughly saturated with this alien trash.

Enlightenment expands one's awareness. All we need to spread the truth is to make others aware of things that they are and have been totally oblivious to.

THE KA'BA AND TEFILLIN CUBE SHARE REMARKABLE SIMILARITIES

www.kabbalahstudent.com

The Muslim Koran, is full of the stories of the Torah and Judeo-Christian bible this includes the fictional character Jesus. Mohammed was a Jewish character and first stated to be the Messiah of the Jews. This all creates the sympathetic connection into the enemy thought form of the Jews. The mystical systems of Islam are all designed to connect into specific passages of the Koran. This also involves the Arabic letters many which are Hebrew letters as well. Each letter or series of letters connects to a passage, Jewish character and such in the Koran. This includes the 99 names of Allah which are within the Koran and Hadith, that Muslim's pray on their rosaries which have the 99 beads for each name and forming the underlying basis of Islamic mystical practices. Each Muslim must make the trip to Mecca at least once in their life time. In which they must visit the Kaba, the cube and walk around it counter-clockwise seven times while offering prayer. This ritual also includes the ritual slaughter of animals, and the stoning of the Devil when they throw rocks at three pillar's denoting the Devil. The Kaba is stated to have been built by the Jewish prophet Abraham thus creating a further tie into the enemy thought form with the cube. This ritual is designed to raise negative energy from ritual murders of animals and the prayers into the enemy thought form that connect with all this, while attempting to curse and bind our Gods. The three pillar's are due to the number three being of materialization of energy.

The cube is the shape of the element of earth in sacred geometry all Muslim's perform stolen yogic postures on their prayer mat, five times a day on the solar power points and then direct this energy

towards Mecca to the cube. The reason for this is the cube materializes energy from the astral which the mental aspect is connected to and exists within. And brings this energy into the material world from the astral. The Jews wear the Tefillin box which is designed to look like the cube at Mecca as Rabbi's state and they tie the straps for this seven times on their arm in the same direction the Muslim's circle the cube. This creates a sympathetic tie into this Muslim ritual and connects the energies in the astral to bring them into the material world. The black cube of the Jewish Tefillin relates to the Shema prayer which is a formula to materialize the enemy thought form.

The Hindu temple in the east is built around the cube as the center. Of which they built the Meru or cone shaped tower over. To act as a pyramid structure to create a cone of energy from the astral with this geometric shape into which the cube in the center the energy materializes. All the Hindu rituals are done within this cube by the priests and facing towards the cube by the other participants. This materializes the energy of the rituals into the world. People who visit these ancient Hindu temples mention you can place your hand on the walls and feel the stones vibrating with energy. This is because they are infused with the energy from the astral of the geometric shape that forms the center of the temple and the collective psychic power of centuries of the rituals within them.

The Mosques traditionally are the central dome which is a cone of power, a pyramid shape this is to bring in astral energy and infuse this into the power of the rituals being performed five times a day within them. The towers on the corners act as obelisks which transmit energy out of the earth and direct them from the energies of the four directions into the dome and charge the ritual further. This energy is together directed towards the cube at Mecca.

Kabala Cube

by [HP Mageson666](#) » Thu Jan 18, 2018 8:16 am

Kabala Cube

Different shapes hold and conduct different energies this is why the universe is made of sacred geometric patterns that are the blueprint for all existence such as the Platonic solids the five elements. Ancient temples were built using such knowledge to conduct different energies and is why they were built on lay lines.

Originally in Kabala the entire Jewish occult system is shown as a cube and the entire alphabet fits into this cube of space which also contains the five Platonic solids. The Hebrew Alphabet is the energy of their thought form they call god. And relates to the element of earth and that of Saturn which rules earth. This is the reason ancient altars where cube shaped as well it symbolized Saturn and earth.

This is what the tefillin the black box the Jews wear on their head relates to. It contains the Shema prayer which is a formula arranged with the Hebrew alphabet which is a series of charged yantras that ties into their energy matrix. The Shema sequence is what unites the Jew with their "god" in Judaism. This unites them and connects them into the energy matrix. Which is the cube.

THE KA'BA AND TEFILLIN CUBE SHARE REMARKABLE SIMILARITIES

www.kabbalahstudent.com

The Jews state:

"The tefillin acts like an antenna that draws down a powerful spiritual force from these seven dimensions."

Here the same Kabbalist Jew tells us further on how this connects to the cube of Mecca:

"According to both Kabbalah and Islam, there are seven heavens, or seven dimensions in the spiritual world that directly influence our world. This is why there are seven notes of music, seven seas, seven continents and seven days in the week. We have seven layers of negativity within us and we want to bind and slaughter those selfish layers that make us treat others with disrespect.

The Zohar explains this is the secret behind Abraham binding his son Isaac. Each of us are required to sacrifice our ego for the sake of sharing with others. The tefillin act like an antenna that draws down a powerful spiritual force from these seven dimensions that negates and sacrifices the influence of our selfish nature and ugly ego. 99% of Jews have no clue that this is why we bind tefillin on our left arm. We use the left arm as the left embodies our ego and the negative (Isaac), whereas the right refers to the soul and the positive (Abraham).

Each year, Muslims embark on a pilgrimage (Hajj) to walk around the Ka'ba in Mecca seven times. This mirrors the process of binding our tefillin.

The purpose of Hajj for Muslims is to connect to the same event of Abraham binding Isaac (Muslims relate this to Abraham binding his son Ishmael).

The connection is profound. Only Kabbalah explains the true spiritual purpose.

Perhaps this is why the Ka'ba in Mecca is known as the House of Allah.

Ka'ba and Allah, as we know, spells Kaballah."[1]

The process described is how the Muslims are unconsciously tying themselves into the Jewish matrix during this mass ritual. Seven is the number of Saturn. All Muslims must pray five times a day facing the direction of the cube in Mecca. They do this on the solar power points of the day to make the energies stronger to charge this though form.

And from Islam:

"Tradition goes that the Kaaba was ordained by Allah to be built in the shape of the House in Heaven called Baitul Ma'amoor. Allah in his infinite Mercy ordained a similar place on earth and Prophet Adam was the first to build this place.

The Bible, in the Chapter of Genesis describes its building when God ordained Abraham to erect a Shrine for worship when Abraham was ordered to go to the Southern desert with his wife Hagera and infant son Ismael.

The Old Testament describes this building as the Shrine of God at several places, but the one built at Ma'amoor is very much similar to the one at Makka. There is no doubt that it was referring to the stone built house at Makka.

Qur'an brought this story into the full light of history. In Sura 3:90 Qur'an says

“Allah has spoken the Truth, therefore follow the creed of Ibrahim, a man of pure faith and no idolater”.

The first house established for the people was at Makka, a Holy place and guidance to all beings. Qur'an firmly establishes the fact that Ibrahim was the real founder of the Holy Shrine. When Prophet Ibrahim built the Holy Shrine in Makka, his prayers were that this place should remain a center of worship for all good and pious people; that Allah should keep his family the custodians of the Holy place."[2]

This cube is also built to the dimension of six which is the number of binding of bringing down astral energies into the material and it also unfolds to form the six pointed star the symbol of Judaism. The above Islamic passage is important it shows that the Christian Religion and Islam tie into each other on the occult level and thus the Torah and Kabbalah. The city of Heaven is the New Jerusalem in the New Testament which is also given dimensions that relate to six. Which is to descend out of heaven to earth. Note the Islamic passages tie into the Torah and thus the Bible in Genesis as well. And the biblical characters such as Abraham and on. Jesus is even in the Koran as well as Essa with the tale of his divine birth and such and is a major character in Islam. The Islamic religion ties people into this Jewish thought form of Christ. Note; Mohammed is also described as being a Jew.

The tale of Abraham sacrificing Isaac also ties into the place of the Mecca Cube.

In the Talmud, Abraham actually does sacrifice Isaac in a blood sacrifice to Yahweh. Three days later Isaac is then resurrected by Yahweh. This ties into the thought form of Christ as well the ultimate blood sacrifice that is resurrected three days later. The reason for this here is, this ties into the actual ritual murders the Jews commit by what the Kabbalah calls sympathetic magic on the astral and charges the energy of the murders with more power. Islam has mass rituals devoted to offering up the blood of humans and animals as well into this. Note the three days for each. Three is the number of Saturn and the square of Saturn. Three days is also 72 hours. The 72 is the number of the cube as well. This is binding this in with the 72 names of the Jewish god which is shown as Metatron which is shown as the CUBE. The Christian ritual of communion ties into Jewish ritual murder direct as its a sympathetic enactment of how the Jews do this. Including the symbolic drinking of the blood and eating of the flesh while standing around the image of a ritually murdered person on a cross. This ties in unconsciously.

The cube for the Christians is the cross. In Kabbalah its admitted the cross of Christ is the Kabbalah cube this acts as the focus point for these energies to descend and channel through as well. Every Christian church has always had the cross at the front of the altar were the intention is directed during mass. In Kabbalah the cube unfolds into the Christian cross and is given six the number of bringing energy into the material.

The cube in Kabbalah also represents GOVERNMENT in the Jews case their world government they are working to manifest with the matrix of energy the spell of Christianity and Islam are generating

and feeding into the thought form of the cube of energy. Which is why the cube is the symbolic shape of the world government of the Jews and government is traditionally ruled by the concept of Saturn.

Re: Kabala Cube

by **HP Mageson666** » Thu Jan 18, 2018 9:24 am

Remember the Hell Raiser movies with the cube that opens the dimension to an evil place that is a cube-shaped city, ruled by the Hebrew LEVIATHAN which is the symbol and banner of Yahweh and is actually the cube that opens the gateway and it communicates by the sound of a horn blast which sounds like the Jewish shofar horn they blow on their holy days..... And the once human beings who possessed by the Leviathan are spiritually twisted into evil creatures and try and turn earth into a realm ruled by the evil of Leviathan.....Yahweh.

Look at how the cube unfolds....

Wonder what someone was trying to tell people.

The Disgusting Truth Ritual Murder Is The Core Of Judaism And Christianity

In Judaism, the main rituals on the Jewish holiest of days Yom Kippur are based on ritual murder of animals as blood offerings. This is done to raise and direct energy as a form of black magic:

"One can deflect a detrimental condition, or event by transferring it to a substitute object or entity. This is the logic behind folk beliefs about offering sacrifices, but the Yom Kippur scapegoat offering. Another prime example in Jewish lore of a substitution ritual is kapparah, in which one ritually transfers one sins to a bird, slaughters the bird.".....[1]

One can note from Jewish Kabbalah text on ritual magic along with the names of numerous Hebrew mantra's or divine names one of the practices is:

"Animal sacrifices, and even the consumption of blood from ritually impure animals."[2]

Note in the descriptions of the bodies of Gentile children that where found ritually murdered by the Jews it was noted the wounds on their bodies mimicked the crucifixion of Christ including in the case of William of Norwich the marks on the head where they inserted the crown of thorns. The holiest ritual of the Christian religion is communion where the Christians stand in front of an image of a ritually murdered man on a cross and then eat his flesh and drink his blood. The Jews created Christianity to tie the Gentiles into their occult control and energy matrix of YHWH. The Christian communion is a form of sympatric magic ritual that ties into the Jewish ritual murder which is the other side of the communion ritual:

"sympathetic magic is based on the metaphysical belief that divine forces are clothed in ordinary things and like affects like; that there are analogies to be made between symbolic acts and real events and that if things can be mentally associated, they can magically influence each other."....[3]

The Jews drink the blood of the victim and eat the flesh of the victim. Gentiles are called animals in Judaism and ANIMAL SACRIFICE AND BLOOD DRINKING IS PART OF THE JEWISH OCCULT RITUAL. Note many Jews have been recorded as having strange ailments only found in one other place on earth..... In New Guinea among the cannibal tribes. The ailments they get from drinking human blood and eating human flesh. Its obvious as to why the Jews are the only other people to have this. Judaism believes that certain foods like meat gives them the energy or sparks of the soul of the animal.

The disgusting Jewish movie "Sin City" directed by an obvious Jew, showed a character played by another Jewish actor cannibalizing women and this gives him superhuman like power from the

sparks or special energy of the victims. I wonder where the Jews might have gotten that ideal. They put this in the movies as form of sympathetic magic as well.

The Christian Ritual of communion is designed as sympathetic magic to the Jewish blood ritual that both connect in the astral and empower the energy matrix the Jews call their God. Who demands blood sacrifice as the highest offering in the Torah. In the Torah Jews are given five animals they are to sacrifice to Yahweh. Cattle is one of them.....The Jews call Gentiles “Goyim” which means CATTLE....

Kali is the destroyer of Ego?

by HP Mageson666 » Sat Oct 26, 2019

“ Luis wrote:

Kali is the destroyer of Ego, now we know that this Ego has to be destroyed bullshit comes from the corruption done by the Jews, we need our ego, what we do not need is our False Ego which I remember HP Mageson called it in this way, False Ego means our Negative Karma that we know we need to destroy if we want to advance.

The method of not destroying but transforming the ego relating to Kali is such. Kali is shown at the Visuddha chakra which relates to the gate way to the upper chakras and Kali is shown holding her own head in many cases. The holding of her own head represents the removing of the previous state of consciousness and the level of self identification that comes with such. For the new state of awareness that comes with raising the serpent. The realization of the actual self is described as a lantern that the glass is fully cleaned and light can fully shine outwards this relates to the removal of the dross. Kali is the energy of purification of the dross.

Something the Hindu's who obtained higher states of consciousness by Kundalini yoga and the Hindu texts are clear on the purification of the ego or self consciousness and identification can only be done with Kundalini yoga. You can not think your way to this. The texts are clear the ego is transformed not destroyed. This is something that must be experienced it can't be debated on or argued about.

Karma

▣ Tue May 13, 2014 8:38 am

HP Mageson666

Karma is a host of forces of energy and how they are interconnected. This also condenses in the psychophysical being which is a manifestation of the five aggravates. The individual will have the karma of the planets and the overall soul as well. Which is can be good and bad. The point is to purify the soul of karma by the Magnum Opus.

Its not a moral law of the universe as its put out by false religions. As the universe has within it a system of existence with a morality that disproves much of their claims.

Genghis Khan killed tens of millions of people and died happy and a old man in absolute power. I am aware of certain pseudo Buddhist claims as to how this would play out in their after world. But its a cunning way to dodge such an obvious reality. The texts on Karma Yoga in the bhagavad gita is based on the understanding one can kill thousands or millions of people in warfare and not incur any negative karma.

The current mainstream claims on karma are from xianity. The Karma the mainstream goes on about is that of Karmic imprints but this is generated more by the power of desires, environmental impact and constant focus and how astrology influences such and the pre-existing nature of the being within this all, nothing else. The earlier Buddhist texts go on and on about this.

It should be noted karma is the law of time. The karmic body was considered to be a form of false ego that has a impulse mind of its own and takes the lead. This is why awaking the serpent power can be so intense and mind blowing for many. They are burning apart life times of karmic imprints and impulses which have formed into glued together mask around them. That they mistaken believe is them in the sense of Atman. One will find the karma that affects them to this day can be followed like a chain into previous lives.

This goes to the five aggravates being broken down and dissolved back into the source element being the liberation. One transcends the force of time and the law of karma.

Khazar Jew Claims Debunked

-HP Mageson 666

The Jew, Arthur Koestler created the Khazar claim. The claim that the Ashkenazi Jews are originally a Turkic tribe that converted later. This was simply made up by Koestler by admission for trying to trick the Goyim into thinking Jews are not a race and attempt to remove the dangerous understanding for the Jewish agenda that they are race from Western consciousness to give the tribe a powerful advantage in their aims.

Michael Scammell wrote the biography of Koestler. And within it, he reported Koestler's own statements on why he wrote this book:

His argument was that if he could persuade people that a non-Jewish "Khazar" heritage formed the basis of modern Jews, then this would be a weapon against European racially-based anti-Semitism. "Should this theory be confirmed, the term 'anti-Semitism' would become void of meaning," he said. According to Scammell, Koestler told French biologist Pierre Debray-Ritzen he "was convinced that if he could prove that the bulk of Eastern European Jews were descended from the Khazars, the racial basis for anti-Semitism would be removed and anti-Semitism itself could disappear."

(Source: Scammell, Michael. Koestler: The Literary and Political Odyssey of a Twentieth-Century Skeptic, Random House, 2009, ISBN 978-0-394-57630-5, p. 546.)

As we know the Jews are a race. The very fact you have to get a DNA test to prove your Jewishness before you can become a citizen of the Jewish state, the Cohen gene. Tay Sachs a genetic disease only Jews suffer from. The fact Judaism from its start is based on genetic laws of racial descent. They can simply look at some ones DNA and see if they are Jewish from anywhere in the world, the numerous genetic tests done on this fact. And Jews have stated they are a race in their own writings.

<http://www.timesofisrael.com/russian-sp...-dna-test/>

Prime Minister's Office says would-be immigrants from former Soviet Union may be asked to prove Jewish bloodline

The Jews moved into Eastern Europe from the West, mainly Germany which had a large Jewish Population, Ashkenazi meant literally "The Jews of Germany"

https://en.wikipedia.org/wiki/Ashkenazi_Jews

Ashkenazi Jews, also known as Ashkenazic Jews or simply Ashkenazim (Hebrew: אַשְׁכְּנַזִּים, Ashkenazi Hebrew pronunciation: [ˌaʃkəˈnazim], singular: [ˌaʃkəˈnazi], Modern Hebrew: [aʃkenaˈzim, aʃkenaˈzi]; also יהודי אַשְׁכְּנַזִּים Y'hudey Ashkenaz, lit. "The Jews of Germany")

Showing they are originally not from the East to West as the Khazar story claims.

Over time the Jews were driven out of Western Europe and migrated mainly into Poland. Where they enjoyed special privileges due to their low interest money lending rates to the Polish Nobility. The privileges included the ability to rob the common people with robbery interest rates and monopoly on the alcohol industry. The Jews developed a large community here over time. Poland was conquered by Prussia, Austria and Russia. The larger Jewish communities in Poland became the Pale region of the Russian Empire. Notice all the eastern Jews with Yiddish names and who spoke Yiddish. Which is strongly German influenced. Because this is where the Jews in the east original came from. The Western German regions.

The genetic testing of the Ashkenazi, Sephardic and Samaritan Jews. Show they all have the same genetic ancestor and thus share the common race of the Jews.

Ashkenazi Jews are not Khazars - Jewish DNA:
https://www.youtube.com/watch?v=tF2mU6LDZ_g

With many crazy Black African Americans claiming they are Jews and the real Jews are some Khazar converts, this DNA shows they are the original Israelite descendants especially with their genetic diseases such as deafness, breast cancer, ovarian cancer which is a genetic disease to Jews all over the world. Even black people out there think these crazy racist groups are wrong and crazy. If you also read some history books and even the Bible it talks about Jews living in Eastern Europe (Rome, Greece) since the time before Jesus was born. Today modern Khazar descendants also live in Kazakhstan and are Muslims and you can go yourself and see how their culture, looks are nothing similar to the Ashkenazi Jews.

Jews Are Not Descended From Khazars, Hebrew University Historian Says
<http://www.haaretz.com/jewish/features/1.601287>

New study finds no evidence that Ashkenazi Jews are the descendants of Khazars, or that subjects in the medieval kingdom converted to Judaism en masse.

Commissar 'KILL ALL WHITE MEN' Just A Jew Puppet

-High Priest Don Mageson 666

A petition has been launched against Bahar Mustafa

No not this Mustafa.

Commissar Mustafa who's crime was being honest in the Jewish policies of their racial warfare ideology against Whites. What Cultural Marxism really means. Was in the press as of late for stating: "Kill All White Men." The Jews have taught her well.

"Some call it Marxism, I call it Judaism."- Rabbi Stephen Wise

Look let's stop the bullshit the fact is this crap was created and is promoted by evil Jews [any other type] into the minds of the Goyim to simply facilitate the destruction of Whites and the dissolution of former Western Nations into a World Jewish Communist Dictatorship.

As witness just by looking at one of these garden variety Jewish leaders of this trash promoted by academic Jewish Commissar's. Commissar Noel Ignatiev just to see where this shit comes from, the Poo People themselves, the Jews:

http://en.metapedia.org/wiki/Noel_Ignatiev

"Noel Ignatiev, is a Jewish former professor in the United States involved with critical race theory [my note all created and promoted by Jews.] From the early 1990s through the mid-

2000s, he published a journal called Race Traitor with the motto "treason to whiteness is loyalty to humanity". The introductory issue had an article called "**Abolish the White Race - By Any Means Necessary**"

Read that White Goyim.....BY ANY MEANS NECESSARY. That means your ass and your families as well.

"But Ms Mustafa later defended her actions by saying it is not possible for her to be racist because she is an "ethnic minority woman" who cannot "stand to gain from inequality".

Mustafa did not make that line of garbage up herself. It's the standard taught indoctrination of Jewish Cultural Marxism. By way of which they justify their final aim of destroying the White Race. Once Whitey is out of the way Big Jew is going to keep going down the list of Goyim races.

The Jews openly state this in their Torah their ultimate blueprint for creating a World Jewish Government. Of which Jewish Communism is only a pseudo political mask for this. As the Jews admit. Take a look in their big Jew book:

Deuteronomy:

22 And the LORD thy God will put out those nations [my note Nation means Goyim] **before thee by little and little: thou mayest not consume them at once, lest the beasts of the field increase upon thee.**

Beast of the field is what the Jews call us in their Torah and Talmud:

Zohar, Shemoth, Toldoth Noah, Lekh-Lekha:

"Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

Right there take one group down directly at a time lest all the Goyim realize they are under attack and rise up against the Jews together and at once. Hence the way to defeat the Jews is right there in their own book. Unity of Gentiles against the Jew. Hence why Jews always push divide and conqueror. We can see here the Jewish Global elites are trying to create a race war between Blacks and Whites:

topic9205.html

Deuteronomy:

23 But the LORD thy God shall deliver them unto thee, and shall destroy them with a mighty destruction, until they be destroyed.

Remember that message all the Goyim are meant to be destroyed in the end.

Right in the Jewish Talmud:

"In the time of the Messiah the Jews will exterminate all the peoples of the earth." In 1673

Bar Nachmani, in "Bammidhar rabba," fol. 172, c. 4 and fol. 173, c.

In Judaism this Messiah is a political global movement and a leader. The Jewish Messianic movement is World Communism.

Racism row diversity officer could be FIRED after she tweeted 'KILL ALL WHITE MEN'

[http://www.express.co.uk/news/uk/578341 ... -white-men](http://www.express.co.uk/news/uk/578341...-white-men)

A WELFARE and diversity officer at the center of a racism row could be SACKED after she allegedly urged 'Kill All White Men' from an official university Twitter account.

By Levi Winchester

PUBLISHED: 05:01, Wed, May 20, 2015 | UPDATED: 07:52, Wed, May 20, 2015

A petition has been launched against Bahar Mustafa

Bahar Mustafa, Vice-President for Welfare and Diversity at Goldsmiths Student Union, first sparked fury last month when she appeared to ban all white people and men from an 'equality' event.

But Ms Mustafa later defended her actions by saying it is not possible for her to be racist because she is an "ethnic minority woman" who cannot "stand to gain from inequality".

However, the student has been embroiled in yet further outrage after she allegedly tweeted from the official Goldsmiths Student Union Welfare and Diversity Officer Twitter account with the hashtag #KillAllWhiteMen.

She has also been accused of calling someone "white trash" under the official account.

Her alleged actions have led to an online petition being launched - and so far reaching 1,500 signatures - calling for her to be removed from her job.

The petition, posted on website change.org and which closes on May 26, reads: "The current welfare and diversity officer has used hate speech based on race and gender.

"For example, the consistent use of hashtags such as #killallwhitemen and #misandry, and publicly calling someone 'white trash' under the official GSU Welfare and Diversity Officer Twitter account."

The Twitter account in question has since been closed.

the facebook post from ms mustafaIG

The post for her 'equality' even that sparked all the controversy

Ms. Mustafa, who attends Goldsmiths University in London, said the use of the words "white trash" - an offensive American term referring to poor white people - had been "not professional".

But she defended her use of the hashtags, including #KillAllWhiteMen, as nothing more than "in-jokes" about the ways in which "many people in the queer feminist community express ourselves".

She added: "It's a way of reclaiming the power from the trauma many of us experience as queers, women, people of colour, who are on the receiving end of racism, misogyny and homophobia daily."

The current welfare and diversity officer has used hate speech based on race and gender

Change.org petition

Two thirds of votes from students' union members are needed for Ms. Mustafa to be removed from her post.

Ms. Mustafa has been also been accused of oppressing the voices of disabled people, an allegation she denies.

She added that she has received racist and sexist abuse, and even death threats, since she gained media attention.

In a previous comment regarding Ms. Mustafa, Goldsmith University said: "The Students' Union is an independent body run by elected student officials and we have no involvement in their decision making or the program of events that they offer.

"We have no involvement in the appointment of the student representatives. We are proud of our diverse community and do not tolerate any form of oppression, including racism, sexism or any other form of bigotry."

A Union spokesperson said: "The union recently received a request to hold a motion of no confidence in a sabbatical officer and we are now ensuring that due process is being held in accordance with our articles of governance.

"This entails a secure petition being signed by three per cent of our a membership at which point across campus vote will be held. We have given a platform for both sides to put their case across in a balanced way and these are on our website.

"This is now a matter for the student body."

[The Kim Family Jewish?](#)

Postby [HP Mageson666](#) » **Wed Sep 19, 2018 11:19 pm**

In the ancient Far East the term "Kim" literally means "Gold" now this is a favourite last name of Jews. Note the entire Kim family was put into power by the Soviet Union. The same Soviet Union that put their fellow Jews into power in every Warsaw Pact nation. Which is why the Hungarian's had their anti-Jewish uprising for the second time during the start of the cold war. They were openly fed up with the Jews running the Communist Party. This came out in interviews with those who managed to escape to the west.

The first North Korean Leader was a member of the Chinese Communist Party in the early thirties this group was created by and run by Asian Jews along with help from western Jews out of Moscow. Note Kim Il-Sung the first leader was also a high ranking officer in the Chinese Red Army which leadership was openly full of Jews from the top down including thousands of western Jews. However Kim was a Commissar in the Red Army a position reserved for the Jews in every Communist Army. Note it was of all people the Jew and second in command of the USSR under Stalin another Jew. Beria who personally met with and recommended Kim for the role of supreme leader of Communist North Korea which Stalin [real name Jewson or Son of Judah in his native language] agreed to this and put Mr. Gold into power. That is simply the Jews putting their own tribe in control of things like in the Warsaw Pact nations. Even the Castro's are Jewish and were put into power by their fellow Jews in Moscow of which they were KGB agents of.

The other thing is officially Kim Il-sung the first Communist leader was raised a Christian and attended a Christian school. This is a typical cover for Jews to spread this ideology of Jewish control into Gentile societies to gain control. Which is why the Jews wrote the Bible the book that tells the Gentile the world has to be run by 144,000 Jews which represent the 12 tribes of Israel being lead by the Jewish King of the world. The Jews were doing this from the start the Roman's called Christianity a Jewish sect that was organized out of the synagogues to attack Roman society. Just like Communism the same program latter. The Jews in the east and thus far east as far back as Nestorian Christianity where the communities promoting Christianity. Is there a Pope who is has not been Jewish same with the Jesuit leadership. Stalin himself a Yiddish speaking Jew went to Christian school to become a Christian Priest. The Church was created by the Jews to capture Goy society for the tribe like the Communist Party was.

So no surprise the Gold family is running North Korea.

He certainly has the Jewish features, the dwarfism, the bloated cheeks and he is also a total asshole.

I also noted when studying British history, even though the Jews were expelled from England; their nobility, a lot of them were Jewish. It is glaringly obvious in their portraits and by how rotten they treated the English people. Also, the trait of insanity with some royal families. The dwarfism, etc. They didn't have DNA testing in those days. Jews always gravitate towards positions of power, and/or marry into Gentile families who have wealth and power and then take control. All successful and notable Gentiles are vulnerable.

"Kin" is Japanese for "Gold." Any surname that ends with kin, like Rivkin, is Jewish. They've had a history in Japan. Because they could not control Japan, they hate Japan. This is why they used the atomic bomb on Japan in 1945.

The Catholic Jesuits (Jews) for another wanted to start an inquisition in Japan and murder all of the Buddhists. The Japanese Emperor kicked them out.

The entire GDP of North Korea is sent to the personal bank account of Kim. They call it the Royal Court account. That is why Kim had his uncle shot he was grabblering some of them shekels for himself. That Kim was stealing from the entire populace. North Korea is literally one big third world plantation state run by Mr. Gold.

The famine in North Korea are used to exterminate the lower caste of the population. North Korea has a caste system in which the bottom on the population is dirt and the upper caste are loyal butt kissers of the regime. All the food goes to the Party and Army the upper castes.

Klipoth And Binding Of Gentiles

In the Kabbalah world tree the world of Yesod is the sacral chakra. The enemy talks about if this Yesod is blocked it will make it impossible and dangerous for the energy to flow upwards to Tiferet which is the solar chakra which it connects to. The Yesod is the gate to the sushumna that needs to be opened for the serpent energy to flow upwards and ascend its of crucial importance.

The Kaballah texts mention Klipoth the Klipoth in this context is what they refer to in Hinduism as Karma blockages that are imprinted in the chakra's and cause psychic issues in the consciousness and physical issues if not cleaned off the soul. Swami Vivekananda who was well known to be psychically advanced mentioned in his writings that this karma would appear in a person's aura as horrible looking negative energy and within a few days something tragic would happen to the individual. The Rabbi's call this Klipoth.

The Klipoth the Jews refer to is the cursing of Gentiles in the way they are sending out and working to imprint this negative energy onto Gentiles this relates to their scape goating rituals where they also practice ritual murder of animals. Rabbi's have stated the Jews do these rituals to literally take their own negative energy collectively as a race and send it off themselves and at Gentiles to further psychically, spiritually poison Gentiles.

The enemy teachings are designed to also remove spiritual knowledge from Gentiles to leave them helpless to this but also to create as much karmic imprinting within the chakra's to make it difficult and deadly to awaken the kundalini. The anti sexual teachings of the enemies program of Christianity and where the enemy has infiltrated eastern teachings. Are designed to create blockages or Klipoths into the sacral chakra to block off the serpent energy from being able to ascend. This is why the enemy attacks humanity sexuality so much to attack this aspect of the soul.

The enemy puts our Gods in Klipoth as they are constantly attacking and trying to curse them.

Knowing the Jews - from their Own Writings/Quotes

Wed Jul 06, 2016 11:49 pm

In order to know how the minds of the jews work, you just need to know some very fundamental and basic stuff about them. Try to use these as study material and you sure will probably find these elsewhere in your study A lot of people not educated in the jewish danger will find these shocking, but these are nothing but the tip of the whole iceberg and not even close to this. These quotes should be enough to shed some light on what is going on with the "Chosen Race" and why we are going against them, like Gentiles always did. Over 100 times in just *DOCUMENTED* history, the jews have been expulded and driven away from countries and Nations. What people are discovering here is nothing new other than what people always knew about them.

[https://www.darkmoon.me/2014/timeline-o ... secutions/](https://www.darkmoon.me/2014/timeline-o...secutions/)

While anyone can suffer from “flaws” as these have to do with being “human”, the same "flaws" present themselves into the jew in a most inhuman and alien form, one can see a definite pattern in the jewish race. One or two times, its a flaw. More than this, one sees the pattern of an ruthless criminal race forming.

We are merely talking about a criminal race, with egomaniac syndrome, that wants to enslave, destroy and subject the whole planet.

Nothing of the provided is enough or complete in one’s understanding of the jews, and not everything is quoted, as this would be impossible since everything interconnects with everything else. The Quotes are below.

However, it should suffice to show that these things actually do exist, they do exist irrespectively of “space and time” and that all jews have the same exact purposes.'

The Fundamentals of Jewish Thinking, who the Jews are:

- Only Jews are considered “Human”. Nobody else is. [8,9,10,11,12,13,14,45]
- Jews are a Race. [4],[5], [8,9,10,11,12,13,44]
- The Jews are Superior to “God”, who is also, a Jew.
- All “Creation”, was created by the Jewish “God” and consequently, everything created

is for the jews, as their belonging and for what's living, as their slaves.

[8,9,10,11,12,13,14,15,16,3,39,45]

- Whatever Jews say, is a mandate from "God", or even higher than this. No Jew can EVER be "wrong". Whomever disagrees is to be eternally destroyed. [2]

- The Goyim (Non Jews) only exist as animals to serve the Jews.

[8,9,10,11,12,13,14,15,16,3,39, 32]

- The Jew never wants to be found out. They know they are alien and that Non-Jews are subconsciously aware of that thing. They do not belong with anyone else. They are enemies to all other people on the planet. [19, 20, 8,9,10,11,12,13,]

- Jews are parasites and they know this. They are meant to live on top of others, never on their own labor. Jews are a race of destroyers.[22,21]

- There is no "truth", especially for the Goyim, who are too "Retarded" To understand anything. Jews are above "truth".

- Money is not money, it's a weapon of control. Same goes for any other means.

- War is great, as it kills Goyim and empowers the jews who lend both sides by usury.

- The purpose of this world is actually for the jews to do whatever they want with it.

- Any means, to any way: Anything is ethical so long it helps jews survive and thrive.

Whatever doesn't or prohibits this, is "unethical".

- The ideal political state of governance is Communism, which is the ideal plan for establishing the "God World" (Jewish World Order). [1, 33, 32]

- The enjoyment of Jews is the Superior purpose of the universe. Children, animals and everything else, can die, be raped and destroyed, or made to serve, as the jews see fit.

[3,40,41,42 etc]

- All Races are hated, especially the Whites first and foremost, as with all Gentiles, according to jews. Blacks are considered lower than garbage and the same goes for Arabs and anyone else that is a Non-Jew. [7, 8, 26, 27, 36, 34,35 etc]

- Everything that weakens the Goyim, fulfills the "plan of God" (ie, their enslavement) is Good and Ethical for the Jews. (Race Mixing Agenda, "Multiculturalism", Economic Collapse, Pacifism, whatever else that does the same purpose).

- Jews are liars. [46,28 etc]

1. Some call it Communism; I call it Judaism." (--"Red Rabbi" Stephen Wise, when asked in 1935 by a reporter to comment on Communism).

2. Erubin 21b. Whosoever disobeys the rabbis deserves death and will be punished by being boiled in hot excrement in hell.

3. Yebamoth 98a. All gentile children are animals.

4. "Hitler was right in one thing. He calls the Jewish people a race, and we are a race".

-Rabbi Stephan S. Wise, Herald-Tribune, June 13, 1938

5. Rabbi Yitzhak Ginsburg declared, "We have to recognize that Jewish blood and the blood of a goy are not the same thing." (NY Times, June 6, 1989, p.5).

6. "I think there is a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the centre of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role. But without that leading role and without that transformation, Europe will not survive." – Barbara Spectre, Founder of "Paidea", Jewess in Sweden

7. "We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mold them to the program of the communist party. In America, we will aim for subtle victory. While inflaming the Negro minority against the whites, we will instill into the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites, and begin a process which will deliver America into our hands." -Israel Cohen, taken from "A Racial Program for the Twentieth Century", and entered into the US Congressional Record, 1957, page 8559

8. "This is what needs to be said about the body: the body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world ... The difference in the inner quality between Jews and non-Jews is "so great that the bodies should be considered as completely different species."- Rabbi Menachem Mendel Schneerson

9. "An even greater difference exists in regard to the soul. Two contrary types of soul exist, a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness." - Rabbi Menachem Mendel Schneerson

10. "...the general difference between Jews and non-Jews: A Jew was not created as a means for some [other] purpose; he himself is the purpose, since the substance of all [divine] emanations was created only to serve the Jews."

11. "The important things are the Jews, because they do not exist for any [other] aim; they themselves are [the divine] aim." - Rabbi Menachem Mendel Schneerson

12. "The entire creation [of a non-Jew] exists only for the sake of the Jews." - Rabbi Menachem Mendel Schneerson

13. "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night." Midrasch Talpioth, p. 225-L

14. "Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel."-Rabbi Ovadia Yosef

15. "With gentiles, it will be like any person: They need to die, but God will give them

longevity. Why? Imagine that one's donkey would die, they'd lose their money. This is his servant. That's why he gets a long life, to work well for this Jew."- Rabbi Ovadia Yosef

16. "The life of a Goy and all his physical powers belong to a Jew.--Apoth, Die Polem p20.

17. "A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat." Hadarine, 20, B; Schulchan Aruch, Choszen Hamiszpat 348

18. "A Jew may violate but not marry a non-Jewish girl."Gad. Shas. 2:2

19. "Anti Semitism is so instinctive that it may be called one of the primal instincts of mankind; one of the important instincts by which a race helps to preserve itself against total destruction. I cannot emphasize the matter too strongly. Anti Semitism is not, as Jews have tried to make the world believe, an act of prejudice. It is a deeply hidden instinct, with which every man is born.. He remains unconscious of it, as of all other instincts of self preservation, until something happens to awaken it. So swiftly and surely is the instinct of anti Semitism in a man. There is not a single instance when the Jews have not fully deserved the bitter fury of their persecutors."-Jews Must Live. P. 64 by Samuel Roth

20. "Our power in the present tottering condition of all forms of power will be more invincible than any other, because it will remain invisible until the moment when it has gained such strength that no cunning can any longer undermine it."[i] [b]Protocols of the Learned Elders of Zion, Protocol, Prot 1-15

21. "Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat."- [b]Rabbi Ovadia Yosef

22. "We Jews, we the destroyers, will remain the destroyers forever. NOTHING that you will do will meet our needs and demands. We will forever destroy, because we need a world of our own, a God-world, which it is not in your nature to build." --"You Gentiles"p.155 Maurice Samuel

25. "You Israelis, you should never become lenient if you shall kill your enemies. You should have no pity on them until you have destroyed all their so-called Arab culture, on the ruins of which we shall build our own civilisation" --Menachim Begin Oct 28th 1965

26. "There was a tsunami and there are terrible natural disasters, because there isn't enough Torah study... Black people reside there [New Orleans]. Blacks will study the Torah? [God said] let's bring a tsunami and drown them."- Rabbi Ovadia Yosef

27. "In the racial civil war the communists envisage, Negroes will be in the front ranks, the shock troops of the communist revolution". -Benjamin Gitlow, former Chairman of the Communist Party-USA:

28. "Great national qualities, like frankness and honesty, are vices in politics, for they

bring down rulers from their thrones more effectively and more certainly than the most powerful enemy. Such qualities must be the attributes of the kingdoms of the GOYIM, but we must in no wise be guided by them.”[i] Protocols of the Learned Elders of Zion, Protocol 1-11

29. “WHEN THE HOUR STRIKES FOR OUR SOVEREIGN LORD OF ALL THE WORLD TO BE

32. When the Messiah comes every Jew will have 2800 slaves. -Simeon Haddarsen, fol. 56-D

33. “The entire world is one family. The framework of communism according to the Torah should ultimately encircle the entire world in an equal standard of living to everybody. However, the actual process is a gradual one. Each nation whose majority accepts these basic elements practically, and who have already been brought up to bestow upon their fellow person and will have a sound cause for fuel, may enter the framework of the international communism right away. -Yehuda Leib HaLevi Ashlag

36. Rabbi Yaacov Perrin said, "One million Arabs are not worth a Jewish fingernail." (NY Daily News, Feb. 28, 1994, p.6).

37. “When a Jew has a Gentile in his clutches, another Jew may go to the same Gentile, lend him money and in turn deceive him, so that the Gentile shall be ruined. For the property of a Gentile, according to our law, belongs to no one, and the first Jew that passes has full right to seize it.” Schulchan Aruch, Choszen Hamiszpat 156

38. “If it can be proven that someone has given the money of Israelites to the Goyim, a way must be found after prudent consideration to wipe him off the face of the earth.” Choschen Hamm 388, 15

39. “That all property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general. A Jew may rob a Goy, he may cheat him over a bill, which should not be perceived by him, otherwise the name of God would become dishonoured.” Schulchan Aruch, Choszen Hamiszpat, 348

40. Come and hear! A maiden aged three years and a day may be acquired in marriage by coition [intercourse], and if her deceased husband's brother cohabits with her, she becomes his. The penalty of adultery may be incurred through her; [if a niddah] she defiles him who has connection with her, so that he in turn defiles that upon which he lies, as a garment which has lain upon [a person afflicted with gonorrhoea]. Avodah Zarah 36b-37a

41. “Rab said: Pederasty with a child below nine years of age is not deemed as pederasty

with a child above that. Samuel said: Pederasty with a child below three years is not treated as with a child above that.²⁴ (24) I.e., Rab makes nine years the minimum; but if one committed sodomy with a child of lesser age, no guilt is incurred. Samuel makes three the minimum.” Sanhedrin 55b

42. Raba said. It means this: When a grown-up man has intercourse with a little girl it is nothing, for when the girl is less than this [three years old], it is as if one puts the finger into the eye; but when a small boy has intercourse with a grown-up woman he makes her as 'a girl who is injured by a piece of wood.'... Sanhedrin 54b

43. “UNIVERSAL WAR: We must be in a position to respond to every act of opposition by war with the neighbors of that country which dares to oppose us: but if these neighbors should also venture to stand collectively together against us, then we must offer resistance by a universal war.” Protocols of the Elders of Zion, Protocol No.7

44. Menahoth 43b-44a. A Jewish man is obligated to say the following prayer every day: "Thank you God for not making me a gentile, a woman or a slave."

Knowledge is the Key

By High Priestess Maxine Dietrich

This sermon is mostly for those who are new, but everyone should be aware of this and read on. I rarely have any time or interest in watching movies anymore. Earlier this evening, I had 20 minutes I had to wait for a service and there was a video store where they rented DVDs close by, so I decided to go inside while I waited. The walls were chock full of DVDs [new releases for one] that were obviously made with the intention of frightening people away from Satan. This crap was loaded. I saw so many DVDs with inverted crucifixes, possession, exorcist type junk and much more. Now, for those of you here who are educated and onto these enemy tactics, you understand, as you know just how Hollywood is Jewish and how the Jews work relentlessly to push Christianity and to frighten people away from Satan.

The drastic increase in promoting these movies is the Jewish reaction to the recent advancement of Satanism in the past few years. In addition to the horror and gore heaped upon Satan, the clever Jews also include many subliminal messages in these movies to try to further frighten audiences away from Satan and ideally, to push them into accepting jewsus and Christianity.

For the past 25 years or so, I have frequented video stores and have never seen anything to the extent of what I have seen recently.

For those of you who are onto these tactics, like myself, you can see right through them. Knowledge is the key and knowledge is of Satan. With enough knowledge, when you pass a certain point, you can no longer be lied to or deceived. The truth is the truth. For those of you who are in doubt or are confused in any way, study everything on the websites above and also <http://www.exposingchristianity.com>

Take the time to read and educate yourself. If you doubt any of the information in the articles on the above website, I strongly encourage you to do research on your own. Everything in the articles can be verified with enough study.

The Jews have a modus operandi; certain methods they use and have used for centuries to retain their nefarious hold and control of humanity. Knowledge is the most serious threat to them and to their agenda. This has been proven repeatedly with the cursing of the serpent who represented knowledge in the book of Genesis in the bible, for one. Slaves of any kind must be unknowing, and ideally illiterate. Knowledge is power. When Jew communism takes over, one of the first actions they take are the purges. Purges are the mass-murders and tortures that extend into the millions and the first to go are the scholars and the intellectuals- people with knowledge. Most of you here already know about the Jewish program of communism and their tactics, which have their foundation in the bible.

High Priest Don already covered a lot of what the Jews are doing with technology this in his article "The Jewish Enforced Microchip Implants"

<http://www.exposingcommunism.com/Jewish%20Enforced%20Microchip.pdf>

There is much more to this and for this to be stopped, the entire world must know and be aware of this. Few people are aware of this to any extent at all. This is extremely serious.

I will also add here and everyone should know this beyond any doubt. Everything the Jews and Christians accuse Satan [The Devil] of and blame on Satan is really their own god. Take the time to really read and to understand this article if you haven't already:

http://www.angelfire.com/dawn666blacksun/Bible_Jewish_Witchcraft.htm

As I have mentioned many times before, Amdusias told the JoS ministry way back in 2003 how "the enemy will manifest blatantly as the earth draws closer to the climax of our cause." The enemy is very clever and has a major talent for deception and getting the populace to believe their lies. In that filthy bible of theirs, which is no more than a very powerful subliminal that is pushed upon the populace and is in nearly every home, every hotel, hospitals and you name it.

Concerning the references to the implants in the biblical book of Revelation 13:16-17 King James Version (KJV)

16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Christians have this all wrong and backwards. THE ABOVE VERSE IS A POWERFUL SUBLIMINAL. Every ugly action carried out by the Jews is given in the bible, as this IMPLANTS and IMBEDS itself in the minds of believers and into the subconscious. Just as the Old Testament has the endless verses of how the God of the Jews delivers up the Gentile nations to be systematically slaughtered, looted and enslaved. THESE ARE SUBLIMINALS! You have to be onto this to fully understand.

The above verse concerning the implants imbeds itself in the minds of Christians and others who believe this AND THROUGH THIS, THE MASS MIND EXPECTS IT AND IT HAPPENS. In addition, again, everything the enemy is and does is cleverly blame-shifted onto Satan in order to create extreme confusion and to deceive. Satan is the distraction. The same has also been done with how the Jews have used Adolf Hitler and the Third Reich as a distraction to cover up the crimes of communism [mass-murder past the 100 million count], the REAL concentration camps and everything the Jews have accused the Nazis of, are in truth crimes committed under Jewish communism.

Concentration camps in Communist China and North Korea harvest the body organs of prisoners where the Jews make a killing financially, for one. There are very, very few survivors and hardly any mass-murdering communists have ever been brought to justice.

With this, so many fall into the deceptive trap and this gives Christianity credibility, as few people have enough sense to fully understand and see through this.

Knowledge is the key to solving all problems, and if something seems that it cannot be solved, then there is always the knowledge of 'how.' Knowledge is the greatest weapon we have against the enemy. This can be readily seen in how the Jews have used their Christian tools to burn libraries to the ground, destroy, and confiscate books and other sources of knowledge. Loads of texts over the centuries were seized by the Vatican and are in the vaults that are off-limits to the public.

Death is also of the enemy. Whenever humanity has reached a certain level of knowledge, the enemy moves in and destroys this, along with the culture. The fall of Rome and the ensuing Dark Ages for one and of course many of you are aware of how Jewish communism along with mass-murdering educated peoples, they the destroy books and any sources of education in any countries that they victimize.

Taking this a step further, we humans cannot take our knowledge with us when we die. Reincarnation wipes away all knowledge and as babies, we start it all over again at square one. It is of the enemy who has had control through the Christian and the Muslim programs and other programs of spiritual degeneracy. Satan's rule was during the Golden Age when humans lived hundreds of years.

Think of how many great minds, highly educated people could benefit the world if they did not die and could expand their learning indefinitely.

The enemy has worked to cut this short.

Kosher China, Plans To Exterminate America In WW3 Race War

-High Priest Mageson 666

Remember the Jews run China they took it over with their puppet Mao. They are now using China as their new Soviet Union to attack and exterminate the White Race and the Western world and reduce the planet to a global Communist dictatorship, run out of Israel. In the previous century they tried this with the USSR and failed due to Hitler. Note the Chinese Military is trained and armed to specifically fight NATO, America forces. And has engaged in massive training exercises with Jewish Putin's Russian Army on European soil for a war against the West in Europe. Russia besides its military alliance with China has one with North Korea as well. The Jew run Communist block is still around.

Jewish Creation Of Communist China:

[topic9078.html](#)

Keep this speech by the Chairman of China's Military Commission in mind as now China's market is falling apart and the phase of needing Western economical development is fast drawing close and China is expanding with taking Island's for resources and further military bases. Japan is fast rearming in panic for a coming war with China and North Korea.

Also keep the bellow in mind with what is happening in Syria with China, North Korea and Russia in there fight against American and Britain, NATO nations. It's a set up for a third world war. Its purpose like the last two World Wars is to create a global Jewish government under the banner of Judah, the Red banner of the Hammer and Sickle.

Also note the lying claim Mongoloids found America first its been proven Aryan's where in the America's thousands of years before the Mongoloid races came in. It was the Mongoloid races by their own histories and the forensic evidence found that killed off the Aryans already living in the America's. I guess we might be going back this cycle if China gets its way. Thanks to powerful Jews in the American government like Javis and his "Open The Gates" speech and along with all Jewish lobbies America opened the gates to the third world invasion back in the 1960's including China. Now how many millions of Chinese are already in America and what do you think that means in case of war?

Remember this Official is talking about killing hundreds of millions of mostly White American's in a full out military invasion of the United States with the purpose of conquering it for China this means massive racial extermination. Note he admits Asian's can't create only imitate. That is why they need more White tech first to destroy America with. The Jews as Kevin MacDonald proved in his book "Culture Of Critique" have been Jewing the IQ scores of races to put the Asian's over Whites when its the other way around. This official backhandedly admits it.

Here is the future for America if the Jews get their way....

Speech By Comrade Chi Haotian

Vice-Chairman Of China's

Military Commission

December, 2005

3-1-9

The following is the actual text of a speech delivered in December, 2005 by Comrade Chi Haotian -the Vice-Chairman of China's Military Commission to top officers and generals. Keep in mind that China has for many years advocated deceitful and covert warfare against its enemies. This is their Modus Operandi. There should be little question that a "Bird Flu" Pandemic would deeply excite them. (Don't forget how they have poisoned thousands of American pets and knowingly placed lead paints on toddler's toys.) "Comrades, I'm very excited today, because the large-scale online survey sina.com that was done for us showed that our next generation is quite promising and our Party's cause will be carried on. In answering the question, "Will you shoot at women, children and prisoners of war," more than 80 per cent of the respondents answered in the affirmative, exceeding by far our expectations. Today I'd like to focus on why we asked sina.com to conduct this online survey among our people. My speech today is a sequel to my speech last time, during which I

started with a discussion of the issue of the three islands [Taiwan, Diaoyu Islands and the Spratley Islands --- Ott] and mentioned that 20 years of the idyllic theme of 'peace and development' had come to an end, and concluded that modernization under the saber is the only option for China's next phase.

I also mentioned we have a vital stake overseas. The central issue of this survey appears to be whether one should shoot at women, children and prisoners of war, but its real significance goes far beyond that. Ostensibly, our intention is mainly to figure out what the Chinese people's attitude towards war is: If these future soldiers do not hesitate to kill even noncombatants, they'll naturally be doubly ready and ruthless in killing combatants. Therefore, the responses to the survey questions may reflect the general attitude people have towards war..We wanted to know: If China's global development will necessitate massive deaths in enemy countries; will our people endorse that scenario? Will they be for or against it? The fact is, our 'development' refers to the great revitalization of the Chinese nation, which, of course, is not limited to the land we have now but also includes the whole world. As everybody knows, according to the views propagated by the Western scholars, humanity as a whole originated from one single mother in Africa.

Therefore no race can claim racial superiority. However, according to the research conducted by most Chinese scholars, the Chinese are different from other races on earth. We did not originate in Africa. Instead, we originated independently in the land of China. Therefore, we can rightfully assert that we are the product of cultural roots of more than a million years, civilization and progress of more than ten thousand years, an ancient nation of five thousand years, and a single Chinese entity of two thousand years. This is the Chinese nation that calls itself 'descendants of Yan and Huang.' During our long history, our people have disseminated throughout the Americas and the regions along the Pacific Rim, and they became Indians in the Americas and the East Asian ethnic groups in the South Pacific. We all know that on account of our national superiority, during the thriving and prosperous Tang Dynasty our civilization was at the peak of the world. We were the centre of the world civilization, and no other civilization in the world was comparable to ours.

Later on, because of our complacency, narrow-mindedness, and the self-enclosure of our own country, we were surpassed by Western civilization, and the centre of the world shifted to the West. In reviewing history, one may ask: Will the centre of the world civilization shift back to China? Actually, Comrade Liu Huaqing made similar points in early 1980's Based on an historical analysis, he pointed out that the centre of world civilization is shifting. It shifted from the East to Western Europe and later to the United States; now it is shifting back to the East. Therefore, if we refer to the 19th Century as the British Century and the 20th century as the American Century, then the 21st Century will be the Chinese Century! (Wild applause fills the auditorium.) Our Chinese people are wiser than the Germans because, fundamentally, our race is superior to theirs. As a result, we have a longer history, more

people, and larger land area. On this basis, our ancestors left us with the two most essential heritages, which are atheism and great unity. It was Confucius, the founder of our Chinese culture, who gave us these heritages. These two heritages determined that we have a stronger ability to survive than the West. That is why the Chinese race has been able to prosper for so long. We are destined 'not to be buried by either heaven or earth' no matter how severe the natural, man-made, and national disasters. This is our advantage. Take response to war as an example. The reason that the United States remains today is that it has never seen war on its mainland. Once its enemies aim at the mainland, the enemies would have already reached Washington before its congress finishes debating and authorizes the president to declare war. But for us, we don't waste time on these trivial things. Maybe you have now come to understand why we recently decided to further promulgate atheism. If we let theology from the West into China and empty us from the inside, if we let all Chinese people listen to God and follow God, who will obediently listen to us and follow us? If the common people don't believe Comrade Hu Jintao is a qualified leader, begin to question his authority, and want to monitor him, if the religious followers in our society question why we are leading God in churches, can our Party continue to rule China?? The first pressing issue facing us is living space. This is the biggest focus of the revitalization of the Chinese race. In my last speech, I said that the fight over basic living resources (including land and ocean) is the source of the vast majority of wars in history. This may change in the information age, but not fundamentally.

Our per capita resources are much less than those of Germany's back then. In addition, economic development in the last twenty-plus years had a negative impact, and climates are rapidly changing for the worse. Our resources are in very short supply. The environment is severely polluted, especially that of soil, water, and air. Not only our ability to sustain and develop our race, but even its survival is gravely threatened, to a degree much greater than faced Germany back then. Anybody who has been to Western countries knows that their living space is much better than ours. They have forests alongside the highways, while we hardly have any trees by our streets. Their sky is often blue with white clouds, while our sky is covered with a layer of dark haze. Their tap water is clean enough for drinking, while even our ground water is so polluted that it can't be drunk without filtering. They have few people in the streets, and two or three people can occupy a small residential building; in contrast our streets are always crawling with people, and several people have to share one room. Many years ago, there was a book titled Yellow Catastrophes. It said that, due to our following the American style of consumption, our limited resources would no longer support the population and society would collapse once our population reaches 1.3 billion. Now our population has already exceeded this limit, and we are now relying on imports to sustain our nation. It's not that we haven't paid attention to this issue.

The Ministry of Land Resources is specialized in this issue. But we must understand that the term 'living space' (lebenstraum) is too closely related to Nazi Germany. The reason we don't want to discuss this too openly is to avoid the West's association of us with Nazi Germany, which could in turn reinforce the view that China is a threat. Therefore, in our emphasis on He Xin's new theory, 'Human Rights are just living rights' we only talk about 'living' but not 'space' so as to avoid using the term 'living space.' From the perspective of history, the reason that China is faced with the issue of living space is because Western countries have developed ahead of Eastern countries. Western countries established colonies all around the world, therefore giving themselves an advantage on the issue of living space. To solve this problem, we must lead the Chinese people outside of China, so that they can develop outside of China. Would the United States allow us to go out to gain new living space? First, if the United States is firm in blocking us, it is hard for us to do anything significant to Taiwan and some other countries! Second, even if we could snatch some land from Taiwan, Vietnam, India, or even Japan, how much more living space can we get? Very trivial! Only countries like the United States, Canada and Australia have the vast land to serve our need for mass colonization. Therefore, solving the 'issue of America' is the key to solving all other issues. First, this makes it possible for us to have many people migrate there and even establish another China under the same leadership of the CCP. America was originally discovered by the ancestors of the yellow race, but Columbus gave credit to the White race. We the descendants of the Chinese nation are ENTITLED to the possession of the land! It is historical destiny that China and United States will come into unavoidable confrontation on a narrow path and fight. In the long run, the relationship of China and the United States is one of a life-and-death struggle. Of course, right now it is not the time to openly break up with them yet. Our reform and opening to the outside world still rely on their capital and technology. We still need America. Therefore, we must do everything we can to promote our relationship with America, learn from America in all aspects and use America as an example to reconstruct our country. Only by using special means to 'clean up' America will we be able to lead the Chinese people there. Only by using non-destructive weapons that can kill many people will we be able to reserve America for ourselves.

There has been rapid development of modern biological technology, and new bio weapons have been invented one after another. Of course we have not been idle; in the past years we have seized the opportunity to master weapons of this kind. We are capable of achieving our purpose of 'cleaning up' America all of a sudden. When Comrade Xiaoping was still with us, the Party Central Committee had the perspicacity to make the right decision not to develop aircraft carrier groups and focused instead on developing lethal weapons that can eliminate mass populations of the enemy country. Biological weapons are unprecedented in their ruthlessness, but if the Americans do not die then the Chinese have to die. If the Chinese people are strapped to the present land, a total societal collapse is bound to take place. According to the computations of the author of Yellow Peril, more than half of the Chinese will die, and that figure would be more than 800 million people! Just after the liberation, our yellow land supported nearly 500 million people, while today the official figure of the population is more than 1.3 billion. This yellow land has reached the limit of its capacity. One day, who know how soon it will come, the great collapse will occur any time and more than half of the population will have to go. It is indeed brutal to kill one or two hundred million

Americans. But that is the only path that will secure a Chinese century, a century in which the CCP leads the world. We, as revolutionary humanitarians, do not want deaths, But if history confronts us with a choice between deaths of Chinese and those of Americans, we'd have to pick the latter, as, for us, it is more important to safeguard the lives of the Chinese people and the life of our Party. The last problem I want to talk about is of firmly seizing the preparations for military battle. The central committee believes, as long as we resolve the United States problem at one blow, our domestic problems will all be readily solved. Therefore, our military battle preparation appears to aim at Taiwan, but in fact is aimed at the United States, and the preparation is far beyond the scope of attacking aircraft carriers or satellites. Marxism pointed out that violence is the midwife for the birth of the new society. Therefore war is the midwife for the birth of China's century."

Kosher Marriage [with afterword]

-High Priest Jake Carlson

While homosexual marriage is a PRE-Christian Pagan [Satanic] practice, and is therefore, a good thing in and of itself, today's "victory" was for the Jews and their Marxist slaves, as they have been perverting rights for Third Sex people ever since they took control of the homosexual rights movement.

Today is not a victory for us until we make it a victory for us by completely destroying the Jewish people [the enemies of Satan], their programs, such as Christianity and Communism, and their hold on humanity. Today's gay rights movement is just as despicably Jewish as the Christian and Muslim "religions" are and they will be replaced by Satanism/organic Paganism.

The seeming "opposition" between the gay rights movement and Christian fundamentalism is not an opposition at all, whatsoever. The futile "attacks" against traditional Biblical Christianity from left wing liberalism is not an attack against Christianity, but against the conservative Pagan and Patriotic elements that Christianity has assimilated over the centuries in its efforts to survive.

It is our job to fully restore our organic Pagan roles as Third Sex individuals. We are NOT a "community." We are NOT a "movement" outside of Gentile cultures. We are Gentiles and upholders of Gentile civilization, not destroyers of Gentile civilization like the Jews and the modern gay rights movement are.

Jesus Christ would be very proud of today's "victory" for the cultural Marxists and the modern version of rights for homosexuals that the Jewish liberals and activists for the Jewish version of the gay rights movement have labeled "marriage equality." In Satanism, which follows the Divine Laws of Nature, there is no such thing as "equality" [read the 19th Enochian Key]. Such a vicious lie that only the Jews, themselves, are perverted enough to come up with in hopes of dismantling healthy, organic Pagan culture, is a rejection of all things Satanic.

"Marriage equality" = Marriage for homosexuals that is approved by the JEWS, and is therefore kosher, and has nothing to do with having the same right to marry that heterosexual citizens are permitted, but the Jewish-promoted right to destroy Gentile culture. This is against Satan and his religion. Satan is the God of the Gentile peoples and the Gentile peoples-only.

For the Marxist twits that come here to the Satanic Pagan religion in hopes that Satanism promotes "equality," take a deeper look at the inner meanings of the Christian "religion" and see how true Christianity and human equality go hand-in-hand. Satan rejects and despises anything that even remotely smacks of Christianity, including the Christianity that fundamentalists like to ignore.

Satanism is not a religion for hippie liberals. Christianity, on the other hand, is liberalism.

Conservatism is actually organic Pagan/Satanic. Christianity has assimilated certain "right-winged" elements in order to survive, but we are here to utterly destroy ALL of Christianity.

However, this rant is not a rant against homosexual marriage, itself. It is against the climate that homosexual marriage has been approved in; a Jewish climate geared towards a One World Christianity with the Jewish messiah, Jesus Christ, ruling from Jerusalem, destroying all of the White Aryan peoples of the world and ruling over his non-White slaves.

It is our job to re-claim the PAGAN/SATANIC culture that homosexual marriage used to be a part of once we destroy the Jewish religions of Christianity and Islam and their Communist twin.

People who don't take this seriously, think this is a joke, or have no interest in fighting for Satan, will be viewed as the worthless wastes of space that they are and will be pushed out of the way and replaced by people who do matter. I trust that everyone here will make the right decision.

Joy of Satan

Since homosexual marriage originally WAS a Pagan/Satanic custom, I forgot to state how I can totally empathize with today's happiness and joy that many of today's Third Sex brothers and sisters are feeling. However, it was the Marxist situation that currently owns homosexual marriage by the balls that I was sharing my frustrations about. We must take homosexual marriage out of the hands of the Jews who currently own this un-Satanic version of homosexual rights, and make it about Gentile rights. Homosexuals who are Gentiles should be concerned about Gentile rights, not rights over something that is only a fraction of your identity. What I mean by sexual orientation only being a fraction of one's identity is that sexual orientation is nothing bigger than one's eye color or which hand a person naturally uses. The Jews have used their Problem, Reaction, Solution [Jewish rule] tactics with sexual orientation.

I do empathize with the *feeling* of victory that many non-Satanist gays and lesbians feel about homosexual marriage, but the thing is that we have to remove the Jewish people and replace Gay Pride with Pride for ALL Gentile peoples. Everyone must wake up from any remaining Communist sympathies, let go of any remaining sympathies towards any wing of Christianity, and join Satan and his fight against the Jewish people and our fight for victory in re-claiming our home, which is planet Earth.

I am not against our Third Sex kind from enjoying homosexual marriage rights, but what I am saying is that we must transform this into an actual victory before it can be considered a

victory.

Latin Cross 2 The Ankh

by [HP Mageson666](#) » Fri Mar 09, 2018 8:56 am

Latin Cross 2 The Ankh

The ancients show the top part of the Ankh as the Shen ring. This ring is shown in both Egypt and Sumeria as belonging to the Gods.

The Ankh is where the Latin cross comes from. The two bars of the Latin cross are the temple chakras shown connecting into the third eye in Hinduism. The top part of the Ankh the Shen is also what forms the hieroglyph of the Egyptian and Phoenician letter Shin. In Kabala the Shin letter is shown placed into the upper face which is the brain. This was stolen from the Egyptians the Shin is simply the mantra relating to opening the third eye and crown. Shin is also in the east as the same mantra.

The Ankh is the symbol of the world tree in ancient Egypt which is what the Latin cross is as well.

The Ankh its vertical line that connects to the Shen is called the VA in Egyptian. In Kabala the Vau letter is the secret name of all the 32 paths on the world tree its called Vauel but the EL just means "god" its Vau..

The Vau letter is shown to look like the spine and head together in kabala.

In the Templar's Grail Mythos the spear that regenerates the soul is called the Vaul. The spine is the shaft and the head of the spear the connection into the brain to the optic thalamus. Which the Egyptians show as the eye of Wadjet. Which means "The Serpent VA".

The VA is also shown as the hieroglyph of the risen cobra. Which in Kundalini Yoga is the symbol of the spine and the dual hemispheres of the brain and the risen energy. This is why the Vau is called "The Holy Serpent" in kabala. It connects the energy thought all the spine. The kabala calls this the shaft of light and that it draws the leviathan up to the heavens. Leviathan was the name of the seven headed sea serpent in Sumeria its the serpent energy. The Jews even stole the name from somewhere else. Each of the seven heads is one of the chakras that form the world tree.

The Ankh was also shown with the Vas Specter upon it and the Djedi pillar as the vertical shaft. These are the symbols of the spinal column in ancient Egypt. Note Djedi means Serpent. The Ankh is also the symbol of the serpent planet of Venus which turns to the left as a planet the direction which represents the serpent energy. Vasu is the name of Venus in Sanskrit and a title of Visnu. The name of the flute of Krisna which represents the spinal column and the serpent energy is Vamsa Venu. Venu...s. The serpent energy is the spinal column. Krisna is Visnu. The Ankh is the serpent energy flowing thought the spine and brain. Vama is the name of the serpent God in Hinduism this is where the Jews stole the Vau their "Holy Serpent" from. Vama's bija mantra is Vaum which is also spelled Vau in Sanskrit in the spellings without the anusvara on the end.

The other name for the 32 paths on the Kabala world tree that of LEV. Is stolen from VEL the name of Muruga's spear in Hinduism that holds the same meaning as mentioned previous. Muruga's yantra is the six pointed star which shows the upper female and lower male chakras on the world tree meeting at the heart. The Trinity in Hinduism is Brahma, Shiva, Visnu but each God has a Goddess the three Goddesses that of Saraswati, Lakshmi and Durga. The lower three male chakras or Gods and their pairs the upper three female Goddesses the female chakras. The Kabala states that male Gods and female Goddesses live in the Kabbalistic world as the female and male sphere's or worlds on the tree and that they sexual unite to create the new soul. This was all stolen from Hinduism and Egypt. Ancient Egypt was a Vedic civilization.

The lower vertical shaft of the Ankh is the lower face in kabala the seven major chakras and the upper face is the Shen or Shin. This was all stolen from the Egyptians.

Note Enki is actually spelled Anki the serpent on the tree in Sumeria. Anki was also called Satan by the ancient Chaldeans. Anki where the name Ankh comes from. Satan is the name of the serpent spirit in Egypt which is represented by Venus. Satan is also the name of the element of spirit in Sanskrit the highest God and this is represented by Venus in Hinduism and shown as the serpent.

Lauren Southern, Alt-Right Whatever

by HP Mageson666 » Wed Mar 06, 2019

Its come out recently that Jewess Lauren Southern real name (((Simonsen))). Was using her camera man as a gofer to deliver important information to Doxx, Nationalist's to a Jewish NGO "Hope not Hate".

She admits she is Jewish while claiming she is not Jewish while hiding her Jewish last name.....

This is what happens when you allow Jews in the door. Simonsen is a Jewess that worked to infiltrate the Nationalist movements and scene to destroy it from within for her tribe. Here is the lesson what did Simonsen promote into the Nationalist movements.... Race mixing, civic nationalism which is globalism within one nation run by Jews. "National Bolshevism" of the Jew Dugin, Zionism and anti-White narratives in general. She also worked to cover up for her Tribe in everything especially with her South Africa coverage which is why she was on that issue and the only reason why.

How long is it before it comes out that the admitted Jew, Mike Enoch has been sending everyone's information to the ADL and other Jewish organizations and working to entrap as many Nationalist's as possible. This is what Jews do when they get into the Nationalist movements. What do you think other admitted Jew, Weev has been up to as well....

Laws of Nature and Race

-High Priest Hooded Cobra 666

Spiritual Satanism is about being honest with ourselves, and this is related to the name of Satan in Sumeria which is Satya. Which means Truth.

Aside of that in the matter of Races, we have to be honest. Everyone else in the planet is lying, which is what they usually like to do. We do not have this need because we aren't emotionally and mentally ill as they are, we don't need to create comfortable lies. Even our imagination is based on more glorious things and we'd rather use it for better ways.

In the world, and in biological reality, in the very fabric of reality, there are divisions in humanity and species of humans same as any other living beings on the planet. Humans, too, fall into the category of the living species, and everything that has life, has some particular rules. One of these rules is what TYPE of life people are. The fact we accept the reality of other races existing, is not a result or need to hate, it is biological reality, it is as if we admit the sun exists. One has to admit the sun exists in order to move into space travel, for example.

Spiritually and intellectually the Satanist seeks excellence and to understand the world in the deepest level, by Wisdom (emotional understanding), knowledge (logical knowledge) and a fusion of both these.

In races we see differences, superiorities, baselines of where a race exists, great individuals, bad habits that bleed over a populace, gifts that are common in a people and many other things. This is spiritual and this deals with karma, and not only how people evolved, but how people decided to make themselves.

The above we understand by accepting what individualism is which is one of the understanding fundamentals in Satanism. We understand that the individual, which is the reason of meditation, can decide about their deeper destiny and advance, no matter where they are, as this is a rule of life we apply.

Anyone who applies the laws of life over their comfortable lies and sentimental crap, grows. Everyone who doesn't, will die. People die everyday because they neglect these laws. People are depressed because of such neglect. Humanity somehow has it all wrong, that they are 'above' these laws. Only partially we are above these laws, and only insofar we obey them. Disobedience means slavery and death.

Satanism understands the RULE and the EXCEPTION to the rule. The people who seek

to advance are an exception by default, but nobody is excluded from nature's laws. We just treat each other differently because we're on a higher level, that the mob outside has deprived itself from being, because it listens to the jews.

Spiritual Satanism doesn't accept jews not because we are hateful and bigots, but based on the fact that jews have desecrated Satanism and many other things in the past, and dragged values that were more important into the mud. This has went for thousands of years. If the jews in Israel have a right as a religious foundation to not accept the "Goyim" or the non jews, we exercise the same right and we do not accept them.

It is that simple.

The jews however have a bad habit, they always get into other people's business. This is a racially motivated tendency. They want to get into the business of other people simply because they are in cutthroat competition with them, and they want to control them and damage them, which is typical and normal of a foreign lifeform. The jews know from the age of infancy they are at war with all of you, it is their culture. It's you that have zero knowledge and you don't understand shit.

Because the Joy of Satan changed this, we have come at the bullseye to the jewish powers that be. The jews merely want a world of their own, they are not supremacist, this is far worse. They don't want a continent or a land, they want to own all the people's of earth as cattle. And their actions prove this on their own, nobody no more believes this is superstition.

Now infrequently there are tears from people who complain about supremacist. All lifeforms seek to be 'superior' in the area in where they live. The problems begin when these lifeforms come abruptly and strangely into each other's environment with aggressive desires and compete over the same resources.

There are giant continents and we know the jews are behind moving people forcefully and through war into other lands that don't belong to their own. And for better or for worse, this has shaped 'history' more or less. Because guess what, people have to live. For jews to live peacefully, there must be multiculturalism and heated instincts all over the place, and Gentiles murdering Gentiles.

The second aspect is that they want retarded people, because who is a slaver that wants a CLEVER slave? The clever Goyim will only overthrow the jews because they suck and they are vampires and evil ghouls. Jews have a place to go and it is called Israel, and this is their ethno-state and country where they belong, but they insist on doing business within the countries of other people instead, which is what they always did.

So part of their race mixing and 'love everything' agenda is to create the necessary animals that will be easily ruled. Spiritual Satanists don't have this and this is why they have revolted against the jewish system, and of course, the enemy doesn't approve this. What's new? The news is that now the Gentiles are actually able to wake up into this

reality that has been going for thousands of years.

Races start hating one another when there are large differences. Imagine if aliens came from outer space and they were so beautiful you couldn't even get a mate or something, or if they were so giant in size they stepped on humans like ants. In other words, unequal things brought into very close proximity clash, and will clash violently.

One last thing on the above. Even in the bible there are instances that state that the sins of the parents (this is advice to jews) in basically 'mixing with the pagans', brings pestilence and curses that will appear in the 'generations to come'. The jews don't approve these people in their own midst and send them out for infiltration purposes. They don't give a crap, they banish them.

The same thing is true with incessant race mixing. Clean races are vital and when you break or mix this vitality, the product can be just fine for a few generations.

But five or six or ten generations down the line, you break down a blueprint that nature has ordained to be strong and survive, and you fragment it completely only hitting blindly about luck. And luck breeds a lot of retarded people and if people fail to understand her, nature punishes very bad, as much good as it can bless if people listen.

The Spiritual Satanists must be wise, prosperous, and healthy, and this is our goal to help with. Therefore we cannot give people negative advice to make people feel 'well' based on the subconscious programming that was done with the powers that run this world (such as multiculturalism, social marxism etc), as these powers are evil and not interested one inch for the people below, the 'animals'. The enemy knows all of this crap they made is entirely false. We know it too.

The problem rises because we share this advice with you too and because this makes you powerful, and powerful people or happy people that have resolved their issues can become a danger to the weak slaver authority of the top. The authorities of the world instead of rejoicing on powerful people, they smite them and make them ill, again, proving their alien nature and occupation of the planet that we call 'our world'.

The jews don't follow social marxism, multiculturalism. They follow Judaism. We the awakened Gentiles don't follow social marxism, multiculturalism, and jewish philosophy. We follow Spiritual Satanism.

All of the above is "Hate Speech"- ie, facts. Facts and truth are hate speech, as much as Satan is the God of Hate and the God of the "Hateful", the Prince of Darkness, and the source of all "Evil": That which dares to oppose the wet dreams of a particular clique that wishes to make the world a cattle farm.

Spiritual Satanism is where the Gentile Soul finds it's freedom and salvation, through our Pagan Gods and Satan, Satya.

Exposing the Jewish Criminal - Lazar Kaganovich

-By Teloc Vovim

Whatever is good for the Jews, follow only that reasoning....

Lazar Kaganovich was born to jewish parents and was a soviet politician and first deputy chairman of the council of ministries and one of the main associates of Joseph Stalin (Another murdering Jew). He had a reputation for his temperament and violent nature. He became noted for his personal loyalty to Stalin, he would execute absolutely any order from Stalin. For his ruthlessness in the execution of Stalin's orders, he was nicknamed "Iron Lazar". Kaganovich was a lying, and murdering... Jew...

<http://deathofcommunism.weebly.com/stalin-the-jew.html>

In 1911, he enlisted with the Bolshevik party, a jewish communist party responsible for mass murders and executions, torture and for the repression of the Russian peoples (and any other country under the control of the soviets at the time, See links below) In May 1917, he became the leader of the military organization of Bolsheviks in Saratov and in August 1917, he became the leader of the *Polesky Committee* of the Bolshevik party in Belarus.

<http://deathofcommunism.weebly.com/jewish-bolshevism.html>

<http://satans666squares.webs.com/BOLSHEVISM%20FROM%20MOSES%20TO%20LENIN.pdf>

Kaganovich acted as Commissar (Almost all the commissars were jewish) of the propaganda department of the Red Army.

http://www.exposingcommunism.com/Kill_All_White_Men_Jew_Commissar6115.pdf

In 1924 Kaganovich became a member of the Central Committee. He falsified voting for positions in the Central Committee, deleting 290 votes opposing the Stalin candidacy. His actions resulted in Stalin's being re-elected as the General Secretary instead of Sergey Kirov. (Kirov was later assassinated per Stalin's orders) Before Kaganovich's falsification, Stalin received 292 opposing votes and Kirov only three.

However, the "official" result (due to the interference of Kaganovich) saw Stalin with just two opposing votes. Jews lying and murdering to get their way...

In 1930 Kaganovich became a voting member of the Soviet Politburo. The Politburo was an executive committee for a number of (usually communist) political parties. The very first politburo was created in Russia by the Bolshevik Party in 1917 to provide strong and continuous leadership during the Russian Revolution. The first Politburo had seven members: Lenin (Jew), Zinoviev (Jew), Kamenev (Jew), Trotsky (Jew), Stalin (Jew), Sokolnikov (Jew) and Bubnov. The law of December 1, authorized by the Politburo, allowed suspects to be tried without legal representation, permitted executions to be carried out immediately, this law was used in launching the Great Terror.

Kaganovich also supervised the destruction of many of the city's oldest monuments, and he led the suppression of the workers' strike in Ivanovo-Voznesensk. In 1935 - 37 even before the start of the Great Purges, he organized the arrests of thousands of railway administrators and managers as supposed "saboteurs". Kaganovich was responsible for and oversaw numerous executions and arrests.

Kaganovich (together with Vyacheslav Molotov) participated with the All-Ukrainian Party Conference of 1930 and were given the task of implementation of the collectivization policy that caused a catastrophic 1932–33 famine (known as the Holodomor in Ukraine, see link below).

<https://groups.yahoo.com/neo/groups/JoyofSatan666/conversations/messages/138736>

He also personally oversaw grain confiscations during the same time periods. Similar policies also inflicted enormous suffering on the Soviet Central Asian republic of Kazakhstan, the Kuban region, Crimea, the lower Volga region, and other parts of the Soviet Union. As an emissary of the Central Committee of the Communist Party, Kaganovich traveled to Ukraine, the central regions of the USSR, the Northern Caucasus, and Siberia demanding the acceleration of collectivization and repressions against the Kulaks.

<http://www.exposingcommunism.com/Lenin-Jewish-Terrorist.pdf>

- Attorney Rafael Lemkin in his work, *The Soviet Genocide in Ukraine* tried to present the fact of Holodomor to the Nuremberg trials as a genocide of a totalitarian regime. Of course it was not heard of or addressed there. Only false jewish lies against the Nazi party were presented, and forced and false so called "confessions."

<http://www.exposingcommunism.com/The-Genocide-of-the-German-Peoples.pdf>

Kaganovich like most of his associates who were also lying, conniving, murdering jews have never been brought to justice. Kaganovich and his comrades were responsible for genocide, crimes against peace, war crimes, and crimes against humanity. Most lived out their lives while those who fought for freedom were hunted down and executed. All these jewish criminals need to be exposed..

LE CHRISTIANISME REVELE

A cause d'être macéré, de croire et de vivre un mensonge dans les stades avancés du christianisme, le chrétien montre cette apparence artificielle et commence à ressembler au mensonge :

Le fameux regard blafard masqué par un sourire. Le mensonge émerge du soi.

Les Chrétiens affirment sans cesse que "le diable déçoit..." Ce qu'ils ne comprennent pas c'est tout ce qu'ils accusent le diable de faire, vient en réalité du Dieu qu'ils vénèrent, connu sous le nom de Yaweh/Jehova.

Tout ce que les Chrétiens accusent "le diable" de faire, provient réellement de leur Dieu. La preuve écrite dans les écritures bibliques :

"Un meurtrier et un menteur depuis le commencement."

"Il déteste l'humanité."

"Il déçoit toutes les Nations."

Il a été écrit que "A la fin, la vérité va éclater au grand jour, et beaucoup voudront nous rejoindre au dernier moment, mais ils sera trop tard pour eux..."

Concernant le pouvoir de l'Esprit de masse :

"Le pouvoir d'une pensée unie d'un grand nombre de personnes est toujours plus important que leur pensée séparée : ce serait presque plus représenté par leur produit. "

Les articles suivants fournissent la preuve que tout ce qui est dans le Christianisme, et donc dans la bible, ont été volés des autres religions du monde. Le Christianisme est un simple outil pour enlever toute connaissance spirituelle / occulte de la population, afin que ce pouvoir puisse être gardé entre les mains de ceux qui manipulent les masses.

Pour réellement comprendre la bible et voir la vérité, il est nécessaire d'être très éduqué dans l'occultisme. L'esprit de masse est très puissant. Quand on étudie assez longtemps et que l'on acquiert une connaissance avancée dans l'occultisme, la vérité est totalement troublante. La bible judéo-chrétienne est un canular, ayant pour objectif d'utiliser des messages subliminaux et l'énergie psychique des croyants.

A chaque fois que le Christianisme, ou l'une de ses troupes, à conquit un pays ou une région, les anciens textes ont été détruits, et ceux qui possédaient la connaissance spirituelle ont été massacrés par l'Inquisition. Cette même connaissance à été utilisée pour manipuler la population ignorante en utilisant le pouvoir occulte / spirituel. La bible est l'outil subliminal le plus puissant utilisé par certains, afin d'aveugler la population. La plupart des gens ne sont pas conscients de ça, à cause du manque de connaissance et d'information concernant l'occultisme, le pouvoir de la pensée et l'énergie psychique. Ceux qui utilisent cette connaissance renforcent l'idée que l'occultisme et le pouvoir de l'esprit sont des absurdités.

La destruction des anciens documents a permis d'inventer une autre version de « l'histoire » qui a coupée l'humanité de ses véritables origines. Contrôler l'histoire est important car si on manipule ce que l'on appelle le passé, on peut influencer le présent et le future.

La bible est un outil subliminal extrêmement puissant plein de nombres occultes, de messages, d'allégories, et d'éléments volés, qui ont été corrompu des anciennes religions. De plus, ce livre a été bourré d'énergie psychique et de pouvoir afin de créer de la peur et de le rendre crédible. Une fois que l'on a les yeux ouverts, et que l'on possède la connaissance nécessaire, le *sort* n'aura plus aucun effet. Le thème sous-jacent de la bible judéo-chrétienne est la création de l'histoire fictive du peuple juif. Ce que la population croit,

possède le pouvoir et l'énergie pour manifester dans la réalité, puisque bien sûr, les pensées sont des énergies.

Il y a des coffres scellés dans la librairie du Vatican qui contiennent plus de mille anciens livres ésotériques du monde entier qui ont été volés et gardés après tant d'années loin des yeux du public. L'église catholique, qui est le cœur de la religion chrétienne, est contrôlée par une société secrète qui a abusé du pouvoir occulte afin d'aveugler les masses. L'objectif final est l'asservissement total de l'humanité, pour lequel ils ont travaillé sans cesse, et avec acharnement. Tout ceci nous a directement affecté chacun d'entre nous. L'humanité a souffert inutilement à cause du déni total de cette connaissance. Au fil des siècles, les gens ont été forcés à payer leurs propres damnations.

La survie et la prospérité de ce vicieux canular sur l'humanité requiert uniquement UNE seule chose – Le manque de connaissance.

Contrairement à ce que la plupart des gens ont été forcé de croire, le judaïsme, le christianisme et l'islam sont relativement de nouvelles religions. L'humanité date de plus de dix mille ans. Ces trois là ont travaillé sans cesse pour nous priver de connaissance spirituelle / occulte, et ils utilisent eux-mêmes ce pouvoir que nous avons tous.

Ces fameuses « religions » ont été fondées sur meurtres, tortures et mensonges. Et la seule façon qu'un quelconque mensonge de cette amplitude peut survivre est de créer plus de mensonges et de détruire les gens qui connaissent la vérité. Le christianisme n'est ni plus ni moins qu'un programme, un outil. Il n'y a rien de religieux ou de spirituel dans le christianisme. Des millions de gens souffrent de dépressions, de désespoir et éprouvent de la confusion à propos de la vie. L'âme a besoin de lumière et peu de gens le savent, ou pratiquent des méditations qui sauveront littéralement leur âme. Pour cause d'un manque de connaissance, et de l'ignorance totale en ce qui concerne l'occultisme, l'humanité toute entière à été placée sous un puissant sort qui utilise le pouvoir occulte, et l'a endoctriné à ne pas poser de questions concernant ces trois fameuses « religions. » Ceci a été renforcé par des siècles de chrétiens ayant été leurrés a fournir leur énergie psychique et leurs âmes afin de perpétuer ce mensonge, qui pour finir, va seulement avantager peu de monde.

Extrait du talmud :

Simeon Haddarsen, fol. 56-D « lorsque le Messie arrivera, chaque juif aura 2800 esclaves. »

L'ANCIEN TESTAMENT REVELE

La plupart des chrétiens et même les autres, pensent que la bible judéo-chrétienne détient la parole de "Dieu." En réalité, presque tout ce qui est écrit dans la bible a été volé des anciennes religions païennes qui existaient bien avant le christianisme, et qui proviennent du monde entier, surtout dans l'Extrême Orient.

"On va détruire Dieu" extrait du Protocole des Sages de Sion.

Les "cinq livres de Moïse" écrit en hébreu, aussi connu sous le nom de Pentateuque, la Torah ont été volés du TAROT Egyptien. "Torah" est une anagramme de "Tarot." L'exemple le plus connu du Tarot est composé de 78 cartes, vendu de nos jours dans beaucoup de magasins et qui sont utilisés pour la divination. Le tarot comprends 5 couleurs : (qui ont bien sûr été volés et corrompus : les bâtons, les épées, les coupes, les pentacles, et l'atout de quintessence / éther. L'atout n'a pas été mis dans le jeu de cartes standard, et tout ce qu'il en reste est la carte du Fou. Tout cela représente les éléments (le feu, la terre, l'eau et l'éther) de l'âme humaine et le message du Tarot, mis à part ses compétences divinatoires, est le Magnum Opus, qui mène à la perfection physique et spirituelle et l'immortalité. Ces informations ont été volés et corrompu dans une histoire fictive des juifs, qui n'a rien avoir avec une quelconque spiritualité.

Le talmud juif apprend au peuple juif à détruire les non-juifs (=païens) et à les asservir, puisque "YHVH" en réalité est le peuple juif.

Extrait du Talmud :

Sanhedrin 58b. Si un non-juif frappe un juif, le non-juif doit être tué. Frapper un juif, équivaut à frapper Dieu.

Le fictif "Dieu" juif "Yaweh/Jehova" a été mis en place, remplaçant les noms de nombreux Dieux païens. L'entité "Jehova" a été inventée. Le nom de "Jehova" a été volé du dieu romain "Jove" d'une part.

« Le pieux Dr Parkhurst... prouve, de l'autorité de Diodorus, Siculus, Varro, St. Augustine, etc., que le Iao, Jehova, ou ieue, ou ie des juifs, était en fait le Jove des Latins. » « De plus, YHWH/IEUE était le dieu soleil Egyptien Ra: Ra était le père au paradis, qui avait comme titre « Huhi » l'éternel, duquel les Hébreux ont dérivés le nom « Ihuh. » « La tradition mythique juive a considéré le Jehova de départ comme un androgyne, son nom était composé de Jah (Jod) et le nom pré-hébraïque de Eve, Havah ou Hawah, ce qui a rendu he-vau-he en lettres hébreux. Les quatre lettres ont formés ensemble le Tétragramme YHWH, le nom secret de Dieu. » On peut aussi voir où l'histoire de Zeus (Jove) et Prometheus a été utilisé pour promouvoir l'idée d'un Dieu rebelle qui a été condamné et banni pour avoir apporté la connaissance à l'humanité. »¹

La première religion de l'humanité était polythéiste (avoir plusieurs Dieux). Dans la première bible hébraïque, le mot « Elohim » est utilisé. « En dépit de

tentatives monothéistes des éditeurs du livre de la Genèse, se battant pour proclamer la foi en une seule divinité dans un monde qui croyaient en plusieurs dieux, il reste pourtant de nombreux lapsus où les récits bibliques parlent de dieux au pluriel. Le terme de « divinité » en lui-même, (lorsque le Seigneur n'est pas spécifiquement nommé en tant que Yaweh) n'est pas El, au singulier, mais le pluriel Elohim.²

Le double aspect du christianisme a été volé de la dualité du Zoroastrisme, qui précédait le christianisme depuis des siècles.³ Yaweh/Jehova, a remplacé Ahura Mazda, et les Dieux Anciens, qui étaient les premiers Dieux (Ahriman, qui est Arien, et qui signifie "noble" en Sanskrit) ont été représenté comme étant "mauvais" afin d'établir le monothéisme suprême de Yaweh/Jehova. Les Premiers Dieux ont été changés, transformés en Démons, et autres monstres qui représentent le mal.⁴ La plupart d'entre eux se sont retrouvés dans la "Goétie." Notez la similitude entre la source du mot "Goet", signifiant "Mal" et le terme juif péjoratif pour désigner les non-juifs, qui est "Goy" ou au pluriel "Goyim."

Cet extrait ci-dessous, cité de l'Encyclopédie Catholique est très révélateur : *de la même façon que les Grecques et les Romains vénéraient leurs divinités, croyant fermement qu'ils étaient bons. Mais les Saintes Ecritures Chrétiennes déclarent que tous les dieux des païens sont des démons.*

Encyclopédie Catholique (en anglais) : l'adoration du diable

LES DEMONS SONT LES DIEUX DES NON-JUIFS !!!!

Mithra, l'intermédiaire céleste entre Ahura Mazda et Angra Manyu (Ahriman), possède un grand nombre de similitude frappante avec le Nazaréen "Jesus Christ." Mithra était un sauveur, qui comme le Nazaréen a été annoncé par des prophètes, dont la naissance a eu lieu dans une grotte (plusieurs avis de la naissance du Nazaréen déclarent qu'il est né dans une grotte), et l'apparence d'une étoile. Mithra remplacerait plus tard Vishnu, qui dans le Védisme Zoroastrien était considéré comme le sauveur du monde.⁵

Ci-dessous, la preuve de sources diverses qui ont été volées par les auteurs de la bible judéo-chrétienne :

- LA CREATION / LA GENESE :
L'Enum Elish précède la bible d'un minimum de 1000 ans, et est présumé plus ancienne. Les tablettes sont maintenant au British Museum.
- L'épopée d'Atrahasis précède la Genèse de plus de 1000 ans ou plus. Ces deux créations datent bien avant le christianisme et la bible judéo-chrétienne de plusieurs siècles. Tous deux révèlent qu'ils y avaient "des Dieux", et non pas "Un Dieu." C'est ici que les juifs ont fait une erreur, ainsi qu'avec de nombreuses écritures contradictoires. Cela saute aux yeux que la bible judéo-chrétienne n'est pas la parole de "Dieu." La stupide bible fulmine et délire en disant que "Dieu est parfait." Rien que cette phrase est une contradiction en elle-même. cliquez ici. [*le site est en anglais*] (http://www.skepticsannotatedbible.com/contra/by_name.html)

La Genèse, Chapitre 1, verset 26 : « Et Dieu dit : Créons l'homme à notre image, à notre ressemblance... »

Ceci discrédite le mythe du juif Yaweh monothéiste. Le Dieu extraterrestre, connu sous le nom de Ea (Satan) a créé les êtres humains à travers la génétique, et plusieurs autres Dieux/Déeses étaient impliqués dans la création. Regardez l'image de la création Sumérienne ci-dessous. C'était à l'origine sculpté dans de la pierre il y a plus de 1000 ans, bien avant le christianisme.

- LE DELUGE

L'histoire du déluge de Gilgamesh précède le christianisme de plus de 1000 ans.

- La bible judéo-chrétienne affirme que "Yaweh" a provoqué le déluge. En réalité, "Enlil" a permis le déluge de s'installer.
- Traçant les origines d'Enlil ici sur terre, nous avons découvert qu'il est également connu sous le nom de "Bel" qui a évolué sous le nom de nom de "Baal" et éventuellement celui de "Belzébuth", qui était le Dieu de philistins.
- Le "Déluge" est une autre allégorie qui a été volée des premières religions païennes, et qui concerne l'inondation d'énergie pendant la réalisation du Magnum Opus, après lequel il y a la vision de couleurs, indiquant qu'une étape importante a été passée. C'est là où les auteurs juifs ont repris l'allégorie des couleurs pour "l'arc-en-ciel" et "le manteau de couleurs de Jacob" (l'aura). Les allégories et les concepts ont été volés et corrompus dans des personnages juifs assez louches pour que les non-juifs (=païens) puissent aveuglément vénérer. Les enseignements religieux sacrés avaient pour intention de faire évoluer l'humanité spirituellement, mais ils ont été profanés et remplacés par des ordures littéraires juives. Ces fictifs personnages juifs n'ont absolument rien à voir avec la spiritualité ou l'avancement de l'âme.
- Noah a créé une arche. Ea a prévenu "Ziusudra" également connu sous le nom de "Utnapishtim", et non pas "Noah" au sujet du déluge imminent et lui a ordonné de construire un bateau. La légende possède des origines sumérienne et babylonienne / akkadienne. L'épopée d'Atrahasis est le récit babylonien / akkadien du Grand Déluge.

- Une "colombe" est retournée vers l'arche avec une branche d'olive signifiant que le déluge était terminé et que les eaux étaient descendues. Dans les récits Sumériens, un CORBEAU, à la place d'une colombe, trouve une terre sèche. ⁶
- LA TOUR DE BABEL
Encore une fois, plus d'un Dieu et impliqué dans ce récit. Aussi, il est indiqué que les Dieux quittent la Terre pendant le déluge. Notez le mot Dieu au pluriel. La bible affirme que "Yaweh" a confondu les langues des gens qui construisaient la Tour de Babel. Ce n'est pas du tout ça. Encore une fois, les auteurs juifs de la bible judéo-chrétienne ont foirés, et on voit la preuve de plus d'un Dieu : La Genèse chapitre 11, verset 7 :
« Laissez-nous aller en bas, laissez-nous confondre leurs langues, afin qu'ils ne puissent plus se comprendre. »
- ENCORE UNE FOIS, plus d'un Dieu est impliqué. Notez le mot "nous."
La "Tour de Babel" est une autre allégorie. Dans les temps anciens, les humains pouvaient communiquer en utilisant la télépathie, sans mots. Cela nous a été volé, mais c'est désormais devenu à nouveau une réalité, car plusieurs d'entre nous connaissent la télépathie à travers l'ouverture de l'esprit et de l'âme, et des méditations de pouvoir.
- LES DIX COMMANDEMENTS
Un grand nombre des lois du Ancien Testament, ainsi que les dix commandements ont été volés du "Code de Hammurabi."

Ci-dessous se trouve une photo du basalte montrant le Dieu Sumérien Shamash qui donne la tablette à Hammurabi énumérant les lois. "Shamash" est aussi connu sous le nom de "Azazel", le dirigeant des soi-disant "Ange Déchus", les "Igigi", les extra - terrestres Nordiques qui ont eu des femmes humaines.

Exemple: Exode 2:16 Tu ne porteras point de faux témoignage contre ton prochain.

A été volé du Code de Hammurabi, 3 : « Si un seigneur porte de faux témoignage dans une affaire, et ne possède aucune preuve, si cette affaire était une affaire concernant une vie, ce seigneur doit être mis à mort. »

Plusieurs extraits ont été volés au code de Hammurabi :

Exode 21 :24 Œil pour œil, dent pour dent, main pour main, pied pour pied,

Hammurabi 196 : « Si un seigneur a détruit l'œil d'un membre de l'aristocratie, ils doivent lui détruire son œil. »

Hammurabi 200 : « Si un seigneur a cassé la dent d'un seigneur du même rang que lui, ils doivent lui casser sa dent. »

- Le Code Sumérien
Le Code de Ur-Nammu est la plus ancienne loi retrouvée par les archéologues. Le Code Sumérien de 1800 av. Jc appartient à cette ancienne tradition légale.
- Lois Hittites
Alors que les lois Hittites étaient similaires au code de Hammurabi, les lois Hittites contiennent 200 paragraphes de régulations, démontre une tolérance pour l'immortalité sexuelle avec un fort accent sur les affaires financières.
- Les Hittites cultivaient de l'orge et du blé, ont brassés de la bière à l'orge. Des morceaux en argent faisaient office de monnaie.
- Les lois assyriennes Ces lois ont été décrétées par Tiglath-Pileser I, Empereur de Assyrie de 1115-1077 av. JC. Un code juridique qui accentue les affaires et intérêts sociaux du gouvernement assyrien. Découvert en 1903 à Ashur en Iraq. Ecrit en cunéiforme sur 15 tablettes d'argiles. Plusieurs lois dans les livres bibliques de l'Exode, Deutéronome et le Lévitique ont été volées des lois Assyriennes.
- Les lois Neo-Babyloniennes
- Les récits dans le livre biblique des PROVERBES ont été VOLES de différentes sources :
- La parole de Ahiqar
Ahiqar était un conseiller de Sennacherib, roi de Assyrie de 704-684 av. JC. En 1906, des archéologues Allemands ont rassemblés une copie des ses enseignements, inscrit sur onze feuilles de papyrus, depuis des débris de Elephantine qui est de nos jours une partie de la ville de Aswan dans le Sud de l'Egypte.
- Parallèles : Celui qui maudit son père ou sa mère, sa lampe devra faire place à l'obscurité totale. Prov. 20 :20.
- Volés de : « Celui qui n'a aucune fierté envers son père ou sa mère, puisse le soleil ne pas briller sur lui. » Ahiqar 9 :137

Celui qui épargne le bâton hait son fils, mais celui qui l'aime fait attention à le discipliner; Prov. 13 :24

VOLES de : « ne refuse pas à ton fils le bâton, sinon tu ne seras pas capable de le sauver de la méchanceté. Ahiqar 6 :81

Avec la patience, un dirigeant peut être persuadé, et une langue légère peut casser un os. Prov. 25 :15

VOLES de : La douceur est l'expression d'un roi; cependant il est plus fort qu'un couteau. Ahiqar 7 :105.

- Les enseignements de Amen-em-opet
Amen-em-opet, fils de Ka-nakht, a enseigné l'Égypte entre 1200-1000 av. JC. Le texte se trouve au Papyrus 10474 du British Museum et une portion sur une tablette à Turin en Italie. Il est dit que le papyrus provient de Thèbes et qu'il daterait du XXème et VIème siècle av. JC.

Parallèles :

Prenez garde et écoutez les paroles du sage ; connecte ton cœur à ce que j'enseigne, car c'est agréable quand tu les gardes dans ton cœur et que tu les as tous prêts sur tes lèvres. Prov. 17-18.

A été volé de: Donne leurs Oreilles, écoute ce qui est dit, Donne leur cœur pour les comprendre, Laisse les se reposer dans le cercueil de ton ventre, qu'il puisse y avoir une clé dans leur cœur. Amen-em-opet 3 :10.

N'exploitez pas les pauvres car ils sont pauvres, et n'écrasez pas les indigents au tribunal. Prov. 22 :22

Volés de: Retiens-toi de voler les pauvres et d'oppresser les infirmes.
Amen-em-opet2 :1.

Si ton ennemi a faim, donne-lui de la nourriture, s'il a soif, donne-lui de l'eau pour boire. En faisant cela, tu vas le couvrir de charbons brûlants sur sa tête et le Seigneur te récompensera. Prov. 25:21-22

Volés de: Laisse-le dans les bras de dieu;
Rempli son ventre de ton pain afin qu'il soit rassasié et qu'il soit honteux.
Amen-em-opet5 :8

Ne déplace pas de la borne ancienne, et n'empiète pas sur le champ des orphelins, car leur Défenseur est fort, il défendra leur cause contre toi. Prov. 23:10-11

Volés de: "Ne pas emporter les monuments aux limites des terres cultivables. Ne pas déranger la position de la corde. Ne soyez pas gourmands après une coudée de terre. Ne pas empiéter sur les limites d'une veuve." Amen-em-opet 7:12-15

Mieux vaut un peu avec la crainte du Seigneur, qu'une grande richesse avec tourmente - Prov. 15:16

Mieux vaut un peu avec la justice, que beaucoup de gain avec injustice. Prov. 16:8

Volés de : Meilleure est une mesure que le dieu te donne, que cinq mille prit illégalement. Amen-em-opet 8:19

Mieux vaut un repas de légumes où il ya l'amour d'un veau gras avec la haine. Prov. 15:17

Mieux vaut une croûte sèche avec paix et la tranquillité qu'une maison pleine de viandes, avec des querelles. Prov. 17:1

Volés de : "Mieux vaut pain lorsque le cœur est heureux que la richesse avec la douleur." Amen-em-opet 9:9

Ne pas se faire amis avec un homme colérique, ou vous pouvez apprendre ses voies et vous serez pris au piège, Prov. 22:24-25

Volés de : "Ne pas saluer ta passion dans ta violence et ne pas blesser ton propre cœur." Amen-em-opet 13:8

Vous allez vomir le peu que vous avez mangé et aurez perdu vos compliments Prov. 23:8

Volés de : "La bouche pleine de pain, tu avaleras et tu vomiras." Amen-em-opet 14:13

Ne te vante pas à propos de demain, car tu ne sais pas ce que le jour va apporter. Prov. 27:1

Volés de: "Ne pas passer la nuit en ayant peur du lendemain. Au lever du jour de quoi sera fait le lendemain? L'homme ne sait pas de quoi est fait le lendemain. " Amen-eo-opet 19:11

Nombreux sont les plans dans le cœur d'un homme, mais il est le dessein de l'Eternel qui prévaut. Prov. 19:21

Dans son cœur, un homme planifie son destin, mais le Seigneur détermine ses étapes. Prov. 16:9

Volés de : " Une chose sont les mots qui disent les hommes. Une autre chose est ce que Dieu fait." Amen-em-opet 19:15

N'ais-je pas écrits trente écrits pour toi, des écrits de conseils et de connaissance. Prov. 22:20

Volés de : "Vois-tu ces trente chapitres. Ils divertissent, ils instruisent, ils sont les plus importants de tous les livres." Amen-em-opet 27:5

- Les Enseignements de Ptah-Hotep
Ptah-Hotep enseigna autour de 2450 av. JC, durant la 5ème Dynastie du Vieux Royaume d'Égypte. Ses enseignements ont été préservés sur des tablettes d'argiles et sur des morceaux de papyrus et sont à la Bibliothèque Nationale à Paris. En plus du livre des Proverbes, la plupart des écrits dans les livres des Ecclésiastes et de Sirach ont été volés des Enseignements de Ptah-Hotep.
- Les chansons d'amour Egyptiennes
Les chansons d'amour égyptiennes sont vieille de plus de 1000 ans, bien plus vieille que celles qui sont dans les chansons de Solomon. Les parallèles sont facilement reconnaissables. Le papyrus Harris 500 a été découvert à Thèbes dans le Complexe de Ramesseum Complexe dans le temple de Karnak.
- Les Visions de Nefertiti
Les deux livres des Rois et de Daniel répète le scénario de divertir un roi pendant qu'une prédiction est faite concernant la fin de son règne. Le thème de l'esclave qui deviendrait roi se retrouve dans « l'histoire de Hagar (la Génèse, chapitre 16 et 21.) Les Visions de Nefertiti datent du règne du pharaon Snefru (2680-2565 av. JC). Il fait appel à Nefertiti pour le divertir. Elle lui prédit la fin de son Vieux Royaume, ainsi que l'Établissement d'une nouvelle Dynastie par Amen-em-het I (1991-1786 av. JC).

Aussi, la plupart de ce qui est écrit dans les livres de l'Exode, Le Lévitique, et Deutéronome ont été volés des sources ci-dessus. ET NON PAS de « Yaweh. » Il y a des chrétiens assez stupides qui croient que leur « Yahweh » est l'unique Dieu. « Il n'y a aucun autre Dieu que moi. »

D'autres éléments volés:

- L'histoire de Joseph et la femme de Potipher; la Génèse, chapitre 39. Volés de l'histoire de Anubis et Bata (originaire de l'Égypte).
- VERSETS PARRALELES A L'HISTOIRE DE MOISE:
- La naissance de Sargon
- La naissance de Horus
 1. Le secret autour de la naissance
 2. Le placement dans un panier de roseau couvert de bitume
 3. La scène de la rivière
 4. The recovery and adoption <BR.La plupart de ce qui est raconté dans le livre des Psaumes a été volé de:
- L'Hymne de Aton
Il peut être trouvé dans l'Oeil de la Tombe. 1365- 1348 av. JC.
- Les Mythes de Ba'al et Anat
Inscrits sur six tablettes de glaises, upon six clay tablets, en langue Ougaritique ; scripte cunéiforme. Circa 1400 av. JC.
- Les Lamentations de Ur

Plusieurs écrits dans le livre de Joshua ont été volés de :

- Les lettres de El Amarna
- La stèle de Merneptah

Voici encore plus écrits bibliques volés dans le livre des Juges:

- L'Histoire de Aqhat
- Le Journal de Wen-Amon
- L'Almanach de Gezer

Le livre biblique de Samuel et du livre des Rois contiennent également des éléments volés de :

- Les Prophéties de Mari
- La Stèle de Mesha
- L'Inscription de Karatepe
- Les Annales de Shalmaneser III
- L'Obélisque Noire de Shalmaneser III
- Les Annales de Tiglath-Pileser III
- Les Annales de Sargon II
- L'Inscription de Siloam
- L'Inscription de Yavne-Yam
- Les Lettres de Lachish
- Les Ostraca d'Arad
- Les Annales de Sennacherib
- Les Annales de Nebuchadrezzar II

Encore plus d'éléments volés dans les livres bibliques d'Ezra et Nehemiah :

- Le Cylindre de Cyrus

Même chose pour les livres de Job et des Ecclesiastes:

- L'histoire de Keret

Dans ce récit se trouve l'histoire originale de Job, écrit en langue ougaritique (écriture cunéiforme) composée environ 1400 av. JC par "le Scribe Ilmiku". Cette épopée concerne "Keret" et le Dieu "El." Et non pas Job et Jehova. Les tragédies de la famille de Keret sont comparables à l'histoire de Job. Dans la version originale, « Satan » n'est jamais nommé dans l'histoire.

- La personne souffrante et l'Âme
- Le Fermier et les Cours
- La personne souffrante et l'Âme

Comme on peut le constater ci-dessus, la "religion" chrétienne est basée sur des éléments volés qui ont été modifiés et déformés afin de manipuler, d'embrouiller et d'inciter la peur à l'humanité. Cette religion a prit le DIEU ORIGINEL ET CREATEUR DE L'HUMANITE EA/ENKI, dit SATAN/LUCIFER et l'ont transformé en tant qu'un présumé ennemi de l'humanité. « *Nous devons détruire Dieu* »-- Les Protocoles des Sages de Sion.

Le christianisme a été utilisé afin de blasphémer, ridiculiser et de dénigrer les Dieux Anciens. Cette religion crée une séparation et une aliénation des divinités légitimes, qui ont été remplacés par le faux dieu "Yaweh/Jehova." De plus, ce programme monstrueux est utilisé comme un outil pour créer une mentalité sans défense; celle d'un esclave, afin de désarmer psychologiquement la population non-juive, pour pouvoir accepter le communisme, un autre programme juif.

Il est souvent dit que le véritable mal ne peut pas tout créer. Tout ce qui vient du mal est artificiel. En réalité, "Dieu" et le "Diable" sont inversés.

L'entière fondation de cette infecte religion est composée d'éléments volés. De plus, cette religion est contre la vie, et est suicidaire. Il n'y a rien de spirituel. Le but de tout ça est de couper l'humanité du véritable Dieu Créateur qui est Satan. En faisant ça, les reptiliens, et ceux qui travaillent pour eux vont accomplir leur but d'asservir la race humaine à travers le programme juif appelé communisme. Satan nous donne la connaissance et le pouvoir. Sans lui, l'humanité n'a plus rien. Le véritable Malin est également connu comme étant le maître de la déception et du mensonge. Quelle plus grande déception y-a-t-il pour les adeptes de ces fausses religions à insulter et blasphémer leur propre Créateur ? La plupart de ces anciennes religions païennes telles que les Grecques et les Romains partageaient des légendes et panthéons. C'est tout à fait différent du christianisme, qui a travaillé sans cesse et brutalement à détruire les autres religions, en affirmant que celle-ci est la véritable religion.

"Dans le secret de ma connaissance, il n'y a pas d'autre dieu que moi." - SATAN.

LE NOUVEAU TESTAMENT REVELE

"Il nous a bien servi le mythe du Christ"
-Pape Leo X [1475-1521]*

LE MYTHE DE LA RESURRECTION :

VOLES!

La résurrection est un thème commun trouvé dans de nombreuses religions à travers le monde, qui est un symbole de la descente dans les Enfers et d'un retour. En Mésopotamie : la descente et le retour de Ishtar/Innana (elle a été ressuscitée par les morts). Egypte : Osiris, le Dieu des Enfers a été ressuscité. En Grèce : la descente de Perséphone dans l'Autre Monde et son retour. La liste des dieux ressuscités n'est pas exhaustive et elle est basé sur une idée, un concept, et non pas sur des personnages réels. Cette allégorie est basée sur le Magnum Opus, qui est connu sous le nom de "l'Œuvre au Noir."

- Bien sur, sans oublier le fameux "le Père, le Fils et le Saint Esprit."

La crucifixion du Nazaréen n'a rien de nouveau. *Acts 5 :30 Le Dieu de nos Pères a ressuscité Jesus, que vous aviez tué et pendu à un arbre. I Peter 2 ;24 Lui qui*

a porté nos péchés en son corps sur la croix, afin que nous puissions mourir à nos péchés et vivre pour la justice; "par ses blessures que vous avez été guéris."

Le Dieu Nordique Odin précède Jesus. Odin s'est pendu à un arbre et a expérimenté une sorte de mort afin d'obtenir la connaissance. A travers sa "résurrection", il a obtenu la gnose [une connaissance spirituelle avancée], tout comme Seth, le Dieu Egyptien qui a été "crucifié" sur une "croix" connu sous le nom de Furka.¹

De plus, Krishna, Marsyas, Dodonian et Zeus ont eux aussi été pendu à des arbres. C'est aussi la signification du pendu dans les cartes du Tarot. Le Bouddha aussi était assis en dessous de l'arbre "Bo." "Bo" provient de "Boa" et signifie "serpent" de la Kundalini. L'arbre est une ancienne représentation de l'âme humaine, avec le tronc qui a pour symbole la colonne vertébrale, et les branches qui représentent les 144 000 nadis avec les feuilles et les fruits qui eux représentent les fruits des méditations : la force de vie et pouvoirs de l'âme et de l'esprit. "144 000" est une autre corruption biblique judéo-chrétienne d'une allégorie qui représente en réalité les nadis de l'âme humaine, qui sont des chemins spécifiques pour la force de vie.

Ci-dessous se trouve la liste des Dieux qui ont été pendu à des arbres :

- Tammuz des Syria, 1160 av. JC
- Wittoba de Telingonese, 552 av. JC
- Iao de Nepal, 622 av. JC. Iao est souvent appelé "Jao". N'y-a-t-il pas quelque chose de familier ? C'est la source du dieu hébreu "Jehova."
- Hesus des druides celtiques, 834 av. JC. Notez les similitudes entre "Hesus" et "Jesus."
- Quetzalcoatl du Mexique 587 av. JC
- Quirinus de Rome 506 av. JC
- Prometheus 547 av. JC "Dans le récit de la crucifixion de Prometheus du Causcase, comme fournit par Seneca, Hesiodé et d'autres écrivains, il est dit qu'il a été cloué à une poutre de bois à laquelle ont été apposés des étendus de bois, et que cette croix était situé près de la mer Caspienne
- Indra du Tibet, 725 av. JC
- Alceste d'Euripedes, 600 av. JC
- Atys de Phrygia, 1170 av. JC
- Crite de Chaldea, 1200 av. JC
- Bali d'Orissa, 725 av. JC
- Mithra de Perse, 600 av. JC

La liste ci-dessus a été saisi du livre "Les Seize Sauveurs Du Monde Crucifiés". Par Kersey Graves. Sixième Edition – 1960.

Concernant le nom de "Jesus", les cinq lettres représentent les cinq éléments – le feu, l'eau, l'air et la terre, et la quintessence de l'âme humaine, le personnage fictif a été volé à des allégories païennes – il a été dit qu'il a vécu "33 ans", ce qui correspond à la colonne vertébrale humaine. C'est là où le serpent de la Kundalini s'élève, ce qui transforme l'esprit et l'âme humaine. C'est ce que cela signifie lorsqu'on dit "devenir un Masson du 33^{ème} degré." Les deux autres qui ont été crucifiés avec le Nazaréen ont fait une trinité et sont des ALLEGORIES des trois grandes parties de l'âme où il y a une croix d'énergies. La partie principale, étant le chakra du cœur qui est neutre [la croix la plus grande], où les

chakras des épaules ont des ailes, et les deux chakras des hanches, ainsi que le sixième chakra sont les plus petits. Pour ceux qui ne sont pas familiarisé avec l'occultisme, étudiez tout ce qu'il y a sur ce site et aussi sur celui de "Joy of Satan" qui est très révélateur concernant la connaissance spirituelle.

Le Nazaréen a été inventé d'un CONCEPT, d'une idée. Le Nazaréen est ce qui est connu comme étant le "chi", le "prana" [le souffle], et autres termes désignant les pouvoirs de l'esprit et l'âme humaine. La plupart des représentations des halos indiquent l'ascension du Serpent de Satan, également connu sous le nom de Kundalini. A l'origine, la croix était la forme de l'âme humaine. Ceci a été horriblement corrompu. Cette fameuse phrase disant que "Jesus sauve" que les chrétiens prêchent, est fausse. En réalité, seuls vos propres pouvoirs vous sauveront. A travers les méditations de pouvoirs, nous pouvons nous guérir nous-mêmes, et survivre des situations qui peuvent s'avérer désastreuses à ceux qui n'ont pas cette connaissance.

Le serpent ascensionné est le préalable pour le travail du Magnum Opus, ce qui rend une personne physiquement et spirituellement parfaite et immortelle. C'est encore un autre domaine où les chrétiens égarés parlent sans cesse de cette "vie éternelle" sans avoir aucune idée de la signification, et ne savent encore moins comment l'obtenir.

La croix ne faisait pas partie du Christianisme jusqu'au XVII^{ème} siècle. Avant le IX^{ème} siècle, elle n'était pas pleinement reconnue.

Les églises primitives préfèrent représenter le Nazaréen avec un agneau. L'agneau, est encore un autre symbole volé. L'agneau de Pâques est représenté par le signe astrologique le Bélier [qui débute le 21 Mars de chaque année]. L'agneau a aussi été porté par Hermès et Osiris. L'agneau du printemps, symbolique du moment où le soleil entre en signe du Bélier, a également un rapport avec le travail du Magnum Opus.

La Madonne (la vierge Marie) et Jesus ont été volés de Isis et Horus.

LES FETES CHRETIENNES ONT ETE VOLEES. TOUTES COINCIDENT AVEC LES FETES PAÏENNES ET ONT NOTES LES TEMPS DE L'ANNEE.

PAQUES a été volé d'Astaroth. A l'origine connu sous le nom de "Ashtar". Cette fête coïncide avec l'équinoxe vernal de printemps là où le jour et la nuit sont tous deux à durée égale. Cette fête est connu sous le nom de "Easter" chez les Anglo-Saxons. En tant que Déesse de la fertilité, elle était associée avec les lapins et les œufs. Les chrétiens ont volés cette fête et ont corrompu sa véritable signification. Autres noms de cette fête : Eastre, Eastre, Eos, Eostre, Ester, Estus [Estrus est quand un animal est en chaleur, c'est la saison de l'accouplement], Oestrus, Oistrus et Ostara. Encore une fois, "l'agneau de Dieu" a été vol du signe du Zodiaque le Bélier, qui bien entendu a lieu chaque printemps.

La saison de Yule, le 25 Décembre coïncide avec le Solstice d'Hiver. Le 25 Décembre est le jour le plus court de l'année, et c'est la date d'anniversaire du Dieu Perse, Mithra. C'est également la fête Romaine des Saturnales. L'arbre, les décorations, la cuisson des petits plats, les cadeaux et autres célébrations, n'ont RIEN A VOIR avec le Nazaréen. Ce sont des reports de célébrations païennes. De nouveau, l'arbre avec les lumières et les décorations symbolisent le serpent ascensionné, l'âme éveillée, car tous les 144 000 nadis sont vivants d'énergie. La forme du sapin, car il culmine en une pointe, symbolise le jaillissement de l'énergie vers le haut de la tête, ce qui n'est en rien différent au symbolisme des pyramides Egyptiennes qui terminent en une pointe. Il y a de nombreuses divinités païennes qui ont été associés et célébrés autour du 25 Décembre.

"Le jour Saint" correspond à "Halloween/Samain."

"Le Jour de l'assomption" coïncide avec le Solstice d'été. Toutes ces fêtes, qui à l'origine étaient païennes, ont été remplacées pour se focaliser et se conformer sur des personnages juifs fictifs. Pour plus d'informations concernant le vol et la corruption des fêtes païennes, regardez l'article intitulé l'année volée.

LES VETEMENTS DE CEREMONIE CHRETIENS ET LEURS SIMILITUDES OCCULTES :

- La Ceinture est similaire à la Corde de la sorcière
- L'aube est une robe de cérémonie
- La mitre de l'évêque est une copie de la Couronne des Dieux et Pharaons de l'Egypte Ancienne.

- La crosse d'évêque représente le bâton du sorcier et ressemble au ancien bâton égyptien

L'AUTEL CHRETIEN EST INSTALLE DE LA MEME FACON QU'UN AUTEL POUR LA SORCELLERIE:

La messe chrétienne habituelle utilise les éléments suivants:

- La cloche
- L'Encens
- Les bougies
- L'hôte
- Le Livre [ou *Livre des Ombres*]
- Le Calice rempli de vin
- L'huile

Cependant, mis à part tous ces éléments, l'Eglise chrétienne a massacré en masse tous ceux qu'ils ont accusés d'être des sorciers, et ceux des religions païennes.

CETTE MINABLE BLAGUE DES SACREMENTS CHRETIENS :

Avec les sacrements chrétiens, c'est une évidence qu'ils sont faux. On peut très bien, une fois réalisé, ne plus les respecter puisqu'ils ne veulent rien dire. Bien sûr, cela va de soi qu'ils ont été tous volés. Quelques exemples flagrants :

- Le Baptême avec l'eau

VOLES!

- La Confession- vole du papyrus de la mère royale Nezemt
- L'hôte de la Communion

VOLES!

Pendant une messe, le prêtre, ou curé, récite ce fameux passage où est écrit : "Mange mon corps et bois mon sang" pour la bénédiction de la communion. C'est une imitation d'un sacrifice de sang humain. Pour plus d'informations, voir la page "La messe chrétienne : Une imitation d'un sacrifice de sang humain."

LE "SAINT ESPRIT"

Le "Saint Esprit" serait apparu aux apôtres du Nazaréen en langues de feu. Encore une fois, c'est le Serpent de Satan, la Kundalini, et cela a été volé et corrompu des religions païennes. Le paganisme est devenu "le Satanisme."

Acts 2:2-4

2:2 Et soudain, un bruit provint du Ciel, tel un vent impétueux, il remplit la maison où ils étaient assis.

2 :3 Et il leur apparut des langues fourchues comme le feu, et il s'est emparé d'eux.

2 :4 Et ils étaient tous remplis du Saint Esprit, et se mirent à parler d'autres langues, car l'Esprit leur en a donné la capacité.

Le Serpent est connu pour apporter la connaissance et une conscience développée ; l'illumination.

"Ushnisha", connu sous le nom de "la flamme de la lumière invisible", s'est assis sur la tête de Bouddha, ce qui indique une intelligence divine. Les flammes représentent l'élévation du Serpent de la Kundalini, qui vient de Satan.

Connu sous le nom de "la flamme de la lumière invisible", s'est assis sur la tête de Bouddha, ce qui indique une intelligence divine. Les flammes représentent l'élévation du Serpent de la Kundalini, qui vient de Satan.

Le Rosaire a été volé des perles Mala du Tibet. Les perles Malas sont utilisées pour compter les mantras, en glissant les doigts perle par perle, afin de ne pas être distrait lorsque l'on compte lors des méditations. Les répétitions du "Je vous salue Marie" et de "notre Père" ont été volés et corrompus à des mantras de l'Extrême-Orient.

Un mantra est un mot de pouvoir, qui doit être vibré à plusieurs reprises afin de focaliser l'esprit pendant la méditation, et de manifester ses propres souhaits et désirs dans la réalité. "AUM" [prononcé "aoum"] est le plus courant, et c'est ici

que les chrétiens ont utilisés le mot "AMEN." Ce mot a été également volé du Dieu Egyptien AMON, son nom possède la même signification que "AUM."

Les prières répétitives récitées encore et encore dans les Eglises Chrétiennes sont également des imitations corrompues de mantras.

Le clocher de l'église est une copie de l'Obélisque Egyptien ; la seule différence est le crucifix en haut. On connaît tous les obélisques d'Egypte, comme par exemple celui de l'Aiguille de Cléopâtre. Il y a beaucoup de points communs avec la tradition de l'Arbre de Mai (*Maypole* en anglais), qui était le symbole pour le phallus du roi de Mai. C'est un symbole de fertilité.

A la veille de Beltane, (30 avril), les célébrants dansaient autour de l'Arbre de Mai. Les premiers obélisques égyptiens étaient des symboles du phallus. Ils représentaient le pénis en érection du Dieu de la terre "Geb" quand il était allongé sur le sol essayant de s'unir avec la Déesse "Neith/Nut" du ciel.

A l'insu de la plupart des chrétiens, le clocher de leur église est un symbole du pénis en érection avec une croix au-dessus.

- Le HALO indiquant l'élévation du Serpent de Satan [Kundalini] a été volé des Dieux Hindous et de Bouddha. Ces deux religions précèdent le christianisme de plusieurs siècles.

Le symbole du poisson que les chrétiens utilisent a aussi été volé et corrompu. Ce symbole est appelé "Yoni" et les chrétiens l'ont retourné. En réalité, c'est un vagin et sa position correcte est celle qui se trouve sur la gauche. Le yoni est un symbole ancien et peut être vu sur beaucoup d'anciens jeux de Tarot, comme représenté ici.

Les chrétiens vénèrent les reliques, font sonner les cloches, et brûlent de l'encens, imitent en réalité sans s'en rendre compte, les rituels hindous qui ont été établis plusieurs siècles avant le christianisme.

- Les mains qui prient ont été également volés. Ce sont des anciens Mudra de yoga. Il y a des statues des Dieux Hindous, et aussi du Bouddha avec les mains qui prient, un autre mudra qui a été volé. Les mudras sont utilisés en méditation pour connecter les circuits des chakras mineurs dans les mains et les doigts. Beaucoup d'Asanas en ont aussi. Regardez sur internet des images de postures de Hatha Yoga. Le yoga précède le christianisme.

Les Saints ont pris la place des Dieux Anciens dans la religion catholique, puisque le pape a utilisé cette méthode de remplacement pour convertir les polythéistes au monothéisme. Les Anciens Temples Païens, en plus des bibliothèques contenant d'importants textes spirituels ont été détruits par les chrétiens. Les églises chrétiennes ont été construites sur la plupart de ces Anciens Temples. Beaucoup de Temples Païens ont été construit sur des alignements de site, surtout en Europe.

LA TORAH ET LE SACRIFICE VIVANT HUMAIN

J'écris cet article car j'en ai marre de ces bandes d'idiots qui réalisent des vidéos sur YouTube et font des sites qui révèlent les meurtres rituels juifs d'une part, et d'autre part, ils supportent le Christianisme, la Bible, le Nazaréen, et mettent toute la faute sur Satan. Certains de ces auteurs sont en réalité juifs et savent ce qu'ils font concernant le fait d'essayer de mettre la faute sur Satan et les Dieux Païens (= les Dieux des non-juifs), alors que les autres [Chrétiens pour la plupart] sont des idiots.

La plupart de ces imbéciles sont soit trop paresseux, pas motivés, ou bien ils manquent l'intelligence nécessaire pour lire la Torah et voir ce qu'il en est vraiment, l'Ancien Testament. La Torah toute entière est remplie d'instructions choquantes qui montrent comment réaliser proprement un sacrifice vivant. Et pour ces imbéciles de Chrétiens qui essaient de donner des excuses concernant l'Ancien Testament et Jésus. Jésus EST un sacrifice de sang humain.

En plus de cette stupidité profonde [le niveau de l'intelligence des chrétiens est tellement bas, c'est incroyable], ils n'ont jamais pensé que le Talmud est en réalité un commentaire rabbinique sur la Torah. Et qu'est-ce que la Torah ? La Torah est le premier des cinq livres de l'Ancien Testament de la Bible que ces imbéciles de Chrétiens soutiennent. C'est exact – l'ANCIEN TESTAMENT. Le même vieux déchet toxique que leurs prêtres et pasteurs baratinent dans leurs églises Chrétiennes tous les dimanches. Comme je l'ai déjà dit, l'ampleur de cette stupidité est plus que choquante.

Aussi, ces idiots de Chrétiens seraient totalement perdu s'ils devaient montrer avec exactitude dans quel passage Satan mentionne-t-il, ou même demande, un QUELCONQUE sacrifice que ce soit, sans parler d'un sacrifice de sang humain vivant ! Mais ils l'accusent quand même sans arrêt, car cela crée une diversion et une distraction du véritable Mal absolu, qui est la Bible judéo-chrétienne. Comme je le répète, chaque acte et caractéristique du Dieu judéo-chrétien est porté à tort sur Satan, mais peu de gens arrivent à voir ça. La plupart sont dupés. Presque personne ne s'arrête un moment pour penser à ça.

Une autre chose à ajouter ici, est la façon dont les Chrétiens, et autres imbéciles du même style arrivent à tout déformer. Un exemple flagrant: J'ai trouvé une déclaration relative à l'usage des noms des Dieux Païens, tel que Baal sont utilisées par les juifs, tel que Hasidim Ba al Shem Tov. Ce titre signifie le maître du bon nom [*master of the good name* en anglais]. C'est en rapport avec les pouvoirs occultes. Cela n'a rien à voir avec le Dieu Païen Baal.

En hébreu, le mot ba'al signifie "mari" ou "propriétaire" est c'est relatif à un verbe qui signifie prendre possession de, pour un homme, de consommer le mariage. Le mot ba'al est aussi utilisée dans de nombreuses phrases en hébreu, indiquant la possession au sens propre, ainsi que la possession des différents qualités dans la personnalité d'une personne. [1]

Baal, tel que je l'ai signalé ci-dessus signifie "maître", donc ce mot a vraiment un terme général. Etant donné le fort blasphème et dénigrement à l'encontre du Dieu Païen Baal dans la Goétie [la clé de Salomon], il est clair que les hébreux ne donneraient aucune dévotion à ce Dieu Païen, ou n'importe quel autre Dieu Païen. Tout textes qui essayent d'affirmer que les hébreux vénéraient un Dieu Païen, sont là pour apporter de la confusion au public. En faisant notre propre recherche, on a trouvé que Baal est un autre nom pour le Dieu des Philistins Belzebuth. Le blasphème juif sans fin à l'encontre de Belzebuth devrait être une déclaration en soi concernant la haine que les juifs éprouvent envers ce Dieu Païen.

L'extrait ci-dessus provient du site "Bible Hub" en anglais. L'article sur Baal : "4 avec attributif : גְּרִית בְּעַל Le Seigneur des juges des alliances 8 : 33 ; Juges 9 : 4 (compare ברית אל Juges 9:46; NöZMG 1888, 478) ; יב זָבוּב "Le Seigneur des mouches 2 Rois 1:2,3,6,16, dieu Philistin, 5 Βααλ μυῖαν (Belzebuth, Matthieu 12 : 24) compare Bael. [2]

J'aimerais aussi aire un commentaire sur la similarité entre le nom Moloch et le nom hébreu Melek, qui signifie Roi. Roi est un autre terme vague. [3]

Alors qu'est-ce que la Torah juive dit à propos des sacrifices de sang ? Pour ceux d'entre vous qui auraient des doutes, je vous encourage fortement de regarder les informations par vous-même, puisqu'il existe de nombreuses copies de la Torah sur internet.

L'histoire du personnage juif d'Abraham qui sacrifie son fils Isaac, sous les ordres de leur dieu alien est un exemple flagrant que sa seule volonté, indique, sans aucun doute, que ceci n'était pas contraire à la norme. Ce n'était pas non plus une demande inhabituelle. Etant donné sa volonté aveugle, cela révèle que cet acte de sacrifice d'enfant était banal.

En plus de ça, voici plusieurs extraits intéressants et révélateurs de ce site [en anglais] : http://www.come-and-hear.com/editor/br_3.html

"Venez et écoutez, un forum pour l'éducation pour l'examen de la vérité religieuse et la tolérance religieuse : Rituel de sang 3 : Sacrifice humain, le talmud, et le problème de Moloch" "le Seigneur accepte le sacrifice humain."

Extraits du lien ci-dessus :

"Rituel de sang : - le rituel de sang est essentiel pour le judaïsme. Un peu de sang sanctifié, un peu de sang souillé. Voyons voir ce que les doctrines du Talmud révèlent.

"Le Talmud babylonien, cependant, permet toujours aux juifs de sacrifier les enfants pour Moloch – sous certaines conditions."

"Le SEIGNEUR accepte le sacrifice humain."

"D'abord, il faut relativiser. Certains croient malencontreusement que le sacrifice humain est inter+dit dans l'Ancien Testament. Bien sûr, quelques prophètes étaient contre. Mais dans au moins un livre, le SEIGNEUR accepte le sacrifice humain. Dans un autre livre, le SEIGNEUR est rassuré par le sacrifice humain."

“Dans le récit suivant tiré du Livre des Juges, le guerrier Israélite Jephthah se prépare à faire la guerre aux Ammonites. Comme récompense pour la victoire, Jephthah promet à SEIGNEUR Dieu de sacrifier le premier qui viendra depuis sa maison le saluer à son retour.” Sauf si Jephthah garde les bœufs, moutons, chèvres et poules dans son salon, il doit s’attendre à ce que sa victime soit un être humain. Regardez, Jephthah ne promet pas de sacrifier un bœuf, ni même une chèvre, etc.”

30. Et Jephthah promit au SEIGNEUR, et dit “Si vous délivrez sans faute les enfants de Ammon entre mes mains,

31. Alors, tous ceux qui franchiront les portes de ma maison pour me rencontrer, lorsque je rentrerai en paix des enfants d’Ammon, ils appartiendront au SEIGNEUR, et je les offrirai en tant qu’une offrande brûlée. Juges 11 :30-31 (KJV)

La première personne à franchir les portes de la maison de Jephthah après son retour, est sa fille bien aimée.

34. Et Jephthah vint à Mizpeh à sa maison, et sa fille est venue à sa rencontre avec des tambourins et en dansant : elle était sa fille unique ; à par elle, il n’avait ni fils, ni une autre fille.

35. Lorsqu’il la vit, il dit: Hélas, ma fille! Tu es l’une de ceux qui m’ont donné des ennuis : j’ai ouvert la bouche envers le SEIGNEUR, et ne peux faire aucun retour en arrière. Juges 11:34-34 (KJV)”

Réfléchissons ici un moment. On sait que Jephthah a promis à Dieu le SEIGNEUR de sacrifier n’importe qui, qui franchirait la porte de sa maison. On suspecte Jephthah de vouloir sacrifier l’une de ses servantes. Mais lorsque le fameux “n’importe qui” se trouve être sa fille, Jephthah est étonné. Regardez la réaction de sa fille :

36. Et elle lui dit: Mon Père, si vous avez donné parole à Dieu, faites ce que vous lui avez promis, car autant que le SEIGNEUR a vengé vos ennemis, même ceux des enfants de Ammon. Juges 11 :36 (KJV)

Elle n’est pas surprise que le SEIGNEUR Dieu veuille accepter un sacrifice humain, et elle ne proteste même pas, elle ne dit pas non plus : “Père, ayons un peu de jugeote.” Personne d’autres à part des animaux parfaits sont permis d’être rituellement sacrifiés dans le judaïsme. Notez que la fille de Jephthah, elle aussi est le sacrifice parfait – elle est vierge. Notez que le SEIGNEUR Dieu n’arrête pas ce sacrifice humain, tel qu’il l’a fait pour le sacrifice du fils d’Abraham.

L’Ancien Testament n’indique pas comment Jephthah sacrifie sa fille, mais si on suit les méthodes correctes pour le sacrifice animal, il doit lui couper la gorge et vider son sang dans un service au Temple, lui couper les mains, les jambes et la tête, lui couper le torse en morceaux, retirer ses entrailles et les laver ; verser, saupoudrer et faire des traces avec son sang sur des points spécifiques autour de l’autel ; et brûler la chair. Ou, bien sûr, un prêtre peut le faire à sa place.” [4]

“Le SEIGNEUR Dieu se sent apaisé par le Sacrifice Humain. ” [5]

“Prouver que l’on donne la semence de quelqu’un à Moloch ce n’est pas de l’idolâtrie car ce sont deux offenses séparées. La différence [sic] est que, si quelqu’un fait un sacrifice à Moloch, où si cette personne à fait en sorte pour que son fils passe à travers le feu d’une autre divinité, alors il ne sera pas puni. Rabbi Dr. Freedman.”

Après le Mishnah, Sanhedrin 64a et 64b contiennent un débat passionnant entre les Sages qui concernent les éléments suivants :

- Les circonstances dans lesquelles vénérer une idole est une idolâtrie
- Quelles idoles peuvent être vénérées sans permettre l’idolâtrie
- Quelles parties du sacrifice des enfants et dans quelles circonstances sont-elles puni ?
- Et comment les enfants peuvent-ils être sacrifiés sans violer le livre de Lévitiques

“De nombreuses, mais tentatives tardives ont été faites pour prouver que le sacrifice des enfants à Moloch, les Israélites ont simplement pensés qu’ils les “offraient” à Yaweh dans l’holocauste. En d’autres termes, le Moloch à qui les enfants ont été sacrifiés, était Yahweh sous un autre nom.” [6]

L’article essaie de démontrer le contraire, mais n’importe quel imbécile peut clairement voir en lisant le livre biblique de Lévitique par exemple, que la déclaration ci-dessus parle d’elle-même.

Encore plus d’extraits tirés du site juif “Venez et Ecoutez”:

“C’est en effet malheureux que la religion juive n’a pas nié la doctrine disant que les enfants peuvent être sacrifiés à Moloch. Cette doctrine, en plus des prières dans la liturgie juive qui fait appel au retour du sacrifice rituel de sang (regardez le Sacrifice des Animaux et le Troisième Temple), ajoute de la foi à ces accusations, que les juifs pratiquent un rituel sacrifice de sang sur des enfants.”
“Nier les doctrines du Talmud qui approuvent la pratique de rituels pour sacrifier les enfants (sous certaines conditions) serait un long chemin à créer de la bonne volonté ente le judaïsme et les autres religions.” [7]

Le livre de Lévitique est rempli d’instructions qui démontrent comment et demande des sacrifices de sang humain.

Ci-dessous se trouvent des extraits tirés directement de la Torah juive. Etant donné l’étendue et l’horrible traitement des animaux innocents, ce n’est pas surprenant que les juifs ont inventés les fermes industrielles. Ce genre de choses est dans LEUR nature.

(LEV 1 :1) LE SEIGNEUR appela Moïse, et lui parla de la tente d’assignation, et dit,

(LEV 1 :2) “Parle aux enfants d’Israël, et dis-leur : Lorsque vous présentez un animal comme une offrande au Seigneur, vous pouvez le prendre à partir de votre troupeau de bovins ou de votre troupeau de moutons et de chèvres.”

(LEV 1 :3) "Si l'animal vous présente comme un holocauste est du troupeau, il doit être un mâle sans défaut. Apportez-le à l'entrée du Tabernacle afin qu'il puisse être accepté par le Seigneur.

(LEV 1 :5) "Il égorgera le jeune taureau devant le Seigneur; les fils d'Aaron et les prêtres doivent offrir le sang et saupoudrer le sang autour de l'autel qui est à l'entrée de la tente d'assignation."

(LEV 1 :10) "Si son offrande provient du troupeau, du mouton, ou des chèvres, pour l'holocauste, il doit offrir un mâle sans rechigner."

(LEV 1 :11) "Il l'égorgera au côté septentrional de l'autel, devant le Seigneur; et les prêtres, fils d'Aaron, en rependant le sang tout autour de l'autel."

(LEV 1 :14) "Si son offrande à l'Eternel est un holocauste d'oiseaux, il offrira des tourterelles ou de jeunes pigeons."

(LEV 1:15) "Le prêtre sacrifiera l'oiseau sur l'autel; il lui ouvrira la tête avec l'ongle, et le brûlera sur l'autel, et il mettra le sang contre un côté de l'autel."

(LEV 1:16) "Il ôtera le jabot avec ses plumes, et le jettera près de l'autel, vers l'orient, dans le lieu où l'on met les cendres.

(LEV 1:17) Il déchirera les ailes, sans les détacher; et le prêtre brûlera l'oiseau sur l'autel, sur le bois mis au feu. C'est un holocauste, un sacrifice consumé par le feu, d'une agréable saveur à l'Eternel.

(LEV 3:1) Lorsque quelqu'un offrira à l'Eternel un sacrifice d'actions de grâces: S'il offre du gros bétail, mâle ou femelle, il l'offrira sans défaut, devant le Seigneur.

(LEV 3:2) Il posera sa main sur la tête de la victime, qu'il égorgera à l'entrée de la tente d'assignation; et les prêtres, fils d'Aaron, répandront le sang tout autour de l'autel.

(LEV 3:7) S'il offre en sacrifice un agneau, il le présentera devant le Seigneur.

(LEV 3:8) Il posera sa main sur la tête de la victime, qu'il égorgera devant la tente d'assignation; et les fils d'Aaron en répandront le sang sur l'autel tout autour.

(LEV 3:12) Si son offrande est une chèvre, il la présentera devant le Seigneur.

(LEV 3:13) Il posera sa main sur la tête de sa victime, qu'il égorgera devant la tente d'assignation; et les fils d'Aaron en répandront le sang sur l'autel tout autour.

(LEV 4:4) Il amènera le taureau à l'entrée de la tente d'assignation, devant le Seigneur; et il posera sa main sur la tête du taureau, qu'il égorgera devant le Seigneur.

(LEV 4:5) Le sacrificateur ayant reçu l'onction prendra du sang du taureau, et l'apportera dans la tente d'assignation;

(LEV 4:6) Le prêtre trempera son doigt dans le sang, et il en fera sept fois l'aspersion devant le Seigneur, en face du voile du sanctuaire.

(LEV 4:7) Le prêtre mettra du sang sur les cornes de l'autel des parfums odoriférants, qui est devant le Seigneur dans la tente d'assignation; et il répandra tout le sang du taureau au pied de l'autel des holocaustes, qui est à l'entrée de la tente d'assignation.

(LEV 4:11) La peau du taureau, toute sa chair, avec sa tête, ses jambes, ses entrailles et ses excréments,

(LEV 4:12) même le taureau entier, il l'emportera hors du camp, dans un lieu pur, où l'on jette les cendres, et il le brûlera au feu sur du bois: c'est sur le tas de cendres qu'il sera brûlé.

(LEV 4:16) Le prêtre ayant reçu l'onction apportera du sang du taureau dans la tente d'assignation;

(LEV 4:17) il trempera son doigt dans le sang, et il en fera sept fois l'aspersion devant l'Eternel, devant le voile.

(LEV 4:18) Il mettra du sang sur les cornes de l'autel qui est devant le Seigneur dans la tente d'assignation; et il répandra tout le sang au pied de l'autel des holocaustes, qui est à l'entrée de la tente d'assignation.

(LEV 4:24) Il posera sa main sur la tête du bouc, qu'il égorgera dans le lieu où l'on égorge les holocaustes devant le Seigneur. C'est un sacrifice pour le péché.

(LEV 4:25) Le sacrificateur prendra avec son doigt du sang de la victime, il en mettra sur les cornes de l'autel des holocaustes, et il répandra le sang au pied de l'autel des holocaustes.

(LEV 5:7) S'il ne peut pas se permettre d'acheter une brebis ou une chèvre, il offrira en sacrifice de culpabilité au Seigneur pour son péché deux tourterelles ou deux jeunes pigeons, l'un comme sacrifice pour le péché, l'autre comme holocauste.

(LEV 5:8) Il les apportera au prêtre, qui sacrifiera d'abord celui qui doit servir de sacrifice pour le péché. Le prêtre lui ouvrira la tête avec l'ongle près de la nuque, sans jamais la séparer;

(LEV 5:9) Il fera sur un côté de l'autel l'aspersion du sang de la victime expiatoire, et le reste du sang sera exprimé au pied de l'autel: c'est un sacrifice pour le péché.

(LEV 7:2) C'est dans le lieu où l'on tue l'holocauste que sera égorgée la victime pour le sacrifice de culpabilité. On en répandra le sang sur l'autel tout autour.

(LEV 8:18) Il fit approcher le bélier de l'holocauste, et Aaron et ses fils posèrent leurs mains sur la tête du bélier.

(LEV 8:19) Il le tua, et répandit le sang tout autour de l'autel.

(LEV 8:22) Il fit approcher l'autre bélier, le bélier de consécration, et Aaron et ses fils posèrent leurs mains sur la tête du bélier.

(LEV 8:23) Il le tua, et Moïse prit un peu de son sang et en mit sur l'oreille droite d'Aaron, et sur le pouce de sa main droite et sur le grand orteil de son pied droit.

(LEV 8:24) Il fit approcher les fils d'Aaron, mit du sang sur le lobe de leur oreille droite, sur le pouce de leur main droite et sur le gros orteil de leur pied droit, et il répandit le sang tout autour de l'autel.

(LEV 9:12) Il égorgea l'holocauste. Les fils d'Aaron lui présentèrent le sang, et il le répandit tout autour de l'autel.

(LEV 9:18) Il égorgea le bœuf et le bélier, en sacrifice d'actions de grâces pour le peuple. Les fils d'Aaron lui présentèrent le sang, et il le répandit tout autour de l'autel.

(LEV 16:14) Il prendra du sang du taureau, et il fera l'aspersion avec son doigt sur le devant du tabernacle vers l'orient; il fera avec son doigt sept fois l'aspersion du sang devant le tabernacle.

(LEV 16:15) Il tua le bouc du sacrifice du péché pour le peuple, et il en portera le sang au delà du voile. Il fera avec ce sang comme il a fait avec le sang du taureau, il en fera l'aspersion sur le tabernacle et devant le tabernacle.

(LEV 16:18) En sortant, il ira vers l'autel qui est devant le Seigneur, et il fera l'expiation pour l'autel; il prendra du sang du taureau et du bouc, et il en mettra sur les cornes tout autour de l'autel.

(LEV 16:19) Il fera avec son doigt sept fois l'aspersion du sang sur l'autel; il le purifiera et le sanctifiera, à cause des impuretés des enfants d'Israël.

(LEV 17:11) Car la vie de la chair est dans le sang. Je vous l'ai donné sur l'autel, afin qu'il servît d'expiation pour vos âmes, car c'est par l'âme que le sang fait l'expiation.

(LEV 22:29) Quand vous offrirez au Seigneur, un sacrifice d'actions de grâces, vous ferez en sorte qu'il soit accepté.

(LEV 22:19) S'il est accepté, il prendra un mâle sans défaut parmi les bœufs, les agneaux ou les chèvres, afin que sa victime soit agréée.

(LEV 22:20) Vous n'en offrirez aucune qui ait un défaut, car il ne serait pas agréé.

(LEV 22:21) Quiconque offre au Seigneur du gros ou du menu bétail en sacrifice d'actions de grâces, soit pour l'accomplissement d'un vœu, soit comme offrande volontaire, la victime sera sans défaut, afin qu'elle soit agréée; Il n'y aura en elle aucun défaut.

(LEV 22:22) Vous n'en offrirez point qui soit aveugle, estropiée, ou mutilée, qui ait des ulcères, la gale ou une dartre; vous n'en ferez point sur l'autel un sacrifice consumé par le feu devant l'Eternel.

(LEV 22:23) Tu pourras sacrifier comme offrande volontaire un bœuf ou un agneau n'ayant pas un membre déformé, mais il ne sera point agréé pour l'accomplissement d'un vœu.

(LEV 22:24) Vous n'offrirez point au Seigneur un animal dont les testicules ont été froissés, écrasés, arrachés ou coupés; vous ne l'offrirez point en sacrifice dans votre pays.

(LEV 22:25) Vous n'accepterez de la main d'un étranger aucune de ces victimes, pour l'offrir comme aliment de votre Dieu; car elles sont mutilées, elles ont des défauts: elles ne seraient point acceptées.

(LEV 22:26) Le Seigneur dit à Moïse:

(LEV 22:27) Un bœuf, un agneau ou une chèvre, quand il naîtra, restera sept jours avec sa mère; dès le huitième jour et les suivants, il sera accepté pour être offert à l'Eternel en sacrifice consumé par le feu.

(LEV 22:29) Quand vous offrirez au Seigneur, un sacrifice d'actions de grâces, vous ferez en sorte qu'il soit accepté.

(LEV 23:19) Vous offrirez un bouc en sacrifice du péché, et deux agneaux d'un an en sacrifice d'actions de grâces.

(NOMBRES 7 :41) Et, pour le sacrifice d'actions de grâces, deux bœufs, cinq béliers, cinq boucs, cinq agneaux d'un an. Telle fut l'offrande de Schelumiel, fils de Tsurischaddaï.

(DEU 12:11) Alors il y aura un lieu que le Seigneur, votre Dieu, choisira pour y faire résider son nom. C'est là que vous présenterez tout ce que je vous commande, vos holocaustes, vos sacrifices, vos dîmes, vos prémices, et les offrandes choisies que vous ferez à l'Eternel pour accomplir vos vœux.

Jésus: "Un Meurtrier et un menteur depuis le Début"

Exode 15:3 Le Seigneur est un homme de guerre: son nom est le Seigneur.

La réelle vérité apparaît dans la "Sainte Bible" où d'une part, les crimes envers les enfants sont flagrant ; l'Être le plus remarquablement mauvais étant Jehova "Dieu" en train de sacrifier son fils, [meurtre d'enfants] qui est le thème principal du service Chrétien ; un sacrifice de sang humain simulé, prouvant qu'il est vraiment. Pour plus d'informations, voir la masse chrétienne : une simulation d'un sacrifice de sang humain.

Deutéronome 2:33

Mais l'Éternel notre Dieu nous le livra devant nous, et nous le battîmes, lui, ses enfants, et tout son peuple.

2 :34 Nous prîmes alors toutes ses villes, et nous les dévouâmes par interdit, hommes, femmes et petits enfants, sans en laisser échapper un seul.

Deutéronome 7:23

L'Éternel ton Dieu, te les livrera; et il les mettra complètement en déroute, jusqu'à ce qu'elles soient détruites.

7 :24 Il livrera leurs rois entre tes mains, et tu feras disparaître leurs noms de dessous les cieux; aucun ne tiendra contre toi, jusqu'à ce que tu les aies détruits.

Exode 23 :18 Tu n'offriras point avec du pain levé le sang de la victime sacrifiée en mon honneur; et sa graisse ne sera point gardée pendant la nuit jusqu'au matin.

"UN MEURTRIER ET UN MENTEUR DEPUIS LE DEBUT"

Nombres 25 :16 L'Éternel parla à Moïse et lui dit,

25 :17 Traitez les Madianites en ennemis, et tuez-les;

Nombres 31 : 17-18

17 Maintenant, tuez tout mâle parmi les petits enfants, et tuez toute femme qui a connu un homme en couchant avec lui;

18 Mais vous garderez en vie toutes les jeunes filles qui n'ont point eu compagnie d'homme, que vous garderez pour vous-même.

Psaume 137 :9 Heureux qui saisit tes enfants, Et les écrase sur les pierres.

1 Samuel 15 :3 Va maintenant, frappe Amalek, et dévouez par interdit tout ce qui lui appartient; tu ne l'épargneras point, et tu feras mourir hommes et femmes, enfants et nourrissons, bœufs et brebis, chameaux et ânes.

CE N'EST PAS SURPRENANT QUE CEUX QUI SONT "LIES" A CETTE HAINE DE L'HUMAIN, ET D'ENERGIE MEURTRIERE DU CHRISTIANISME, COMMETTENT CES CRIMES.

TU NE TUERAS POINT ????

Luc 19 :27 Mais ceux qui sont mes ennemis, qui n'ont pas voulu que je règne sur eux, et tuez-les devant moi.

HONORE TON PERE ET TA MERE ????

Matthieu 10 : 34-36

34 Ne croyez pas que je sois venu apporter la paix sur la terre; je ne suis pas venu apporter la paix, mais l'épée.

35 Car je suis venu mettre la division entre l'homme et son père, entre la fille et sa mère, entre la belle-fille et sa belle-mère.

36 et l'homme aura pour ennemis les gens de sa maison.

QUI SATAN A-T-IL TUE ?

Il n'y a rien de spirituel dans la Bible ou dans le christianisme. Il y a des contradictions sans fin et des versets contradictoires dans la Bible. Ils sont faits pour assurer que la Bible s'adapte à chaque période et situation, afin de perpétuer le programme du christianisme. Certaines interpolations ont été secrètement glissées par de nombreux anciens auteurs pour demander de l'aide ; ce n'est pas plus différent que les ovnis dans l'art ancien [saisissez ces mots dans Google ou n'importe quel moteur de recherche].

L'exemple ci-dessus reste un petit extrait des meurtres sans fin, des tortures, des massacres d'enfants et de bébés, et d'autres abominables crimes commis sur les ordres de Jehova, et OUI, Jésus le Nazaréen. Ceci, en plus des conseils suicidaires sans fin, sont le thème de la Bible. Ne soyez pas dupé par les tentatives chrétiennes pour vous embrouiller.

"SATAN" signifie "VERITE" en Sanskrit. Satan ne se contredit pas. Même un avocat dans un tribunal peut prouver coupable par les contradictions de l'accusé. UN VRAI MENTEUR ET UN TROMPEUR SE CONTREDIT !

"Nous détruirons Dieu." – Les Protocoles des Sages de Sion.

“Satan” signifie “ennemi” en hébreu.

Rabbin Yaacov Perrin dit: “Un million d’arabes ne valent pas un ongle juif.”
(NY Daily News, Feb. 28, 1994, p.6).

MEURTRE EN MASSE DES PAIENS [NON-JUIFS] :

Exode 15:3 Le Seigneur est un homme de guerre: son nom est le Seigneur.
Exode 17 :13 Et Josué vainquit Amalek et son peuple, au tranchant de l’épée.
17 : 14 L’Eternel dit à Moïse: Ecris cela dans le livre, pour que le souvenir s’en conserve, et déclare à Josué que j’effacerai la mémoire d’Amalek de dessous les cieux.

17 :15 Moïse bâtit un autel, et lui donna pour nom: Jehovah-Nissi;

17 :16 Il dit: Parce que la main a été levée sur le trône de l’Eternel, il y aura guerre de l’Eternel contre Amalek, de génération en génération.

“JEHOVA COMMET DAVANTAGE DE MEURTRES :

Exode 23 :27 J’enverrai ma terreur devant toi, je mettrai en déroute tous les peuples chez lesquels tu arriveras, et je ferai tourner le dos devant toi à tous tes ennemis.

Le rabbin Yitzhak Ginsburg a déclaré : “Nous devons reconnaître que le sang juif et le sang d’un goy ne sont pas la même chose.” (NY Times, 6 Juin, 1989, p.5)
 (“goy” ou “goyim” – au pluriel, sont des termes péjoratifs juifs désignant les “non-juifs”, “les païens”. La racine de “goeti” est le mot racine de “Diable.” Satan est le Dieu des non-juifs, et notre véritable créateur. “Satan” signifie “ennemi” en hébreu.

“JEHOVA” ORDONNE LE MEURTRE DE MASSE DE MILLIERS DE NON-JUIFS :

Exode 32 :27 Il leur dit: Ainsi parle l’Eternel, le Dieu d’Israël: Que chacun de vous mette son épée au côté; traversez et parcourez le camp d’une porte à l’autre, et que chacun tue son frère, son parent.

32:28 Les enfants de Lévi firent ce qu’ordonnait Moïse; et environ trois mille hommes parmi le peuple périrent en cette journée.

“JEHOVA” ORDONNE SON PEUPLE DE COMMETTRE DAVANTAGE DE MEURTRES ENVERS LES NON-JUIFS :

Lévitique 26 :7 Vous poursuivrez vos ennemis, et ils tomberont devant vous par l’épée

26 :8 Cinq d’entre vous en poursuivront cent, et cent d’entre vous en poursuivront dix mille, et vos ennemis tomberont devant vous par l’épée.

Université de Jérusalem, le professeur Ehud Sprinak a décrit la philosophie de Kahane et Goldstein : “Ils pensent que c’est la volonté de Dieu de commettre la violence envers les “goyim”, un terme hébreu pour désigner les non-juifs.” (NY Daily News, 26 Février 1994, p.5).

DAVANTAGE DE MEURTRES DE MASSE DES NON-JUIFS CANANEENS :

Nombres 21 :3 L’Eternel entendit la voix d’Israël, et livra les Cananéens. On les détruit, eux et leurs villes; et l’on nomma ce lieu Horma.

VOICI LE CANNIBALISME – MANGER DES NON-JUIFS MORT :

Nombres 23 :24 : C'est un peuple qui se lève comme un lion, Et qui se dresse comme un lion; Il ne se couche point jusqu'à ce qu'il ait dévoré la proie, Et qu'il ait bu le sang des blessés.

EXTRAIT DU TALMUD JUIF : *Sanhedrin 59a* : "Tuer Goyim revient à tuer un animal sauvage."

GENOCIDE DES NON JUIFS MADIANITES

Nombres 25 :16 Et le Seigneur parla à Moïse et dit:

25 :17 Traite les Madianites en ennemis, et tuez-les;

31 :7 : Ils firent la guerre aux Madianites, comme l'Eternel l'avait commandé à Moïse, et ils en tuèrent tous les mâles.

EXTRAIT DU TALMUD JUIF :

18. Tosefta. Aboda Zara B, 5: "Si un goy tue un goy ou un juif, il est responsable ; mais si un juif tue un goy, il n'est pas responsable."

31 :8 Et ils tuèrent les rois des Midian, le reste d'entre eux étaient tous mort ; principalement, Evi, et Rekem, et Zur, et Hur, et Reba, cinq rois des Midians : Balaam le fils de Beor ils ont tués avec l'épée.

EXTRAIT DU TALMUD JUIF : *Yebhamoth 11b: "Un rapport sexuel avec une petite fille est permis si elle est âgée de trois ans."*

Nidrasch Talpioth, p. 225-L: "Jehovah a créé le non-juif sous forme humaine pur que le juif puisse ne pas être servit par des bêtes. Par conséquent, le non-juif est un animal sous forme humaine, et est condamné à servir le juif jour et nuit."

DES FEMMES ET ENFANTS NON-JUIFS DEVIENNENT DES ESCLAVES :

31 :9 Les enfants d'Israël firent prisonnières les femmes des Madianites avec leurs petits enfants, et ils pillèrent tout leur bétail, tous leurs troupeaux et toutes leurs richesses.

31 :10 Ils brûlèrent toutes leurs villes, leurs demeures, et tous leurs châteaux;

31:11 Et ils prirent tout le butin et tout le pillage, tant des hommes que du bétail.

EXTRAIT DU TALMUD JUIF : *Schulchan Aruch, Choszen Hamiszpat 348: "Toute propriété des autres nations appartient à la nation juive, qui, par conséquent, est en droit de saisir sans aucun scrupule."*

DAVANTAGE DE MEURTRES DE MASSE ET DE GENOCIDE DES NON-JUIFS, LA SAISIE DE TOUTE PROPRIÉTÉ DES NON-JUIFS EST UN EXEMPLE FLAGRANT DE CE QUI A ÉTÉ FAIT À LA PALESTINE D'AUJOURD'HUI (ILS SONT LES DESCENDANTS DES PHILISTINS) PAR L'ÉTAT D'ISRAËL :

Deutéronome 2 :20 Ce pays passait aussi pour un pays de Rephaïm; des Rephaïm y habitaient auparavant, et les Ammonites les appelaient Zamzummim: 2 :21 Ce pays passait aussi pour un pays de Rephaïm; des Rephaïm y habitaient auparavant, et les Ammonites les appelaient Zamzummim:

2:22 C'est ainsi que fit l'Eternel pour les enfants d'Esau qui habitent en Séir, quand il détruisit les Horiens devant eux; ils les chassèrent et s'établirent à leur place, jusqu'à ce jour.

2:23 Les Avviens, qui habitaient dans des villages jusqu'à Gaza, furent détruits par les Caphtorim, sortis de Caphtor, qui s'établirent à leur place.

EXTRAIT DU TALMUD JUIF : *Hilkkoth Akum X1* : "Ne montrez aucune pitié envers les goyim."

2 :30 Mais Sihon, roi de Hesbon, ne voulut point nous laisser passer chez lui; car l'Eternel, ton Dieu, rendit son esprit inflexible et endurcit son coeur, afin de le livrer entre tes mains, comme tu le vois aujourd'hui.

2:31 Et l'Eternel me dit : Regarde, j'ai commencé de te livrer Sihon avec son pays; commence à posséder son pays, pour le tenir en héritage.

2:32 Sihon donc sortit contre nous, lui et tout son peuple pour combattre en Jahats.

2:33 Mais l'Eternel notre Dieu nous le livra, et nous le battîmes, lui, ses enfants, et tout son peuple.

2:34 Nous prîmes alors toutes ses villes, et nous les dévouâmes par interdit, hommes, femmes et petits enfants, sans en laisser échapper un seul.

EXTRAIT DU TALMUD JUIF : *Seph. 92, 1*: "Dieu a donné aux juifs pouvoir sur les possessions et le sang de toutes nations."

2 :35 Seulement, nous pillâmes pour nous le bétail et le butin des villes que nous avons prises.

EXTRAIT DU TALMUD JUIF : *Sanhedrin 57a*. "Lorsqu'un juif tue un non-juif, il n'y aura pas de peine de mort. Ce qu'un juif vole à un goy, il le garde."

Baba Kamma 37b. Les non-juifs / païens sont en dehors de la protection de la loi, et Dieu a "exposé leur argent pour Israël."

2 :36 Depuis Aroër sur les bords du torrent de l'Arnon, et la ville qui est dans la vallée, jusqu'à Galaad, il n'y eut pas de ville trop forte pour nous: l'Eternel, notre Dieu, nous livra tout

2:37 Mais tu n'approchas point du pays des enfants d'Ammon, de tous les bords du torrent de Jabbok, des villes de la montagne, de tous les lieux que l'Eternel, notre Dieu, t'avait défendu d'attaquer.

LES HETHIENS, LES GUIRGASIENS, LES AMOREENS, LES CANANEENS, LES PHEREZIENS, LES HEVIENS ET LES JEBUSIENS SONT DES NATIONS NON-JUIVES.

Deut. 7 :1 Lorsque l'Eternel, ton Dieu, t'aura fait entrer dans le pays dont tu vas prendre possession, et qu'il chassera devant toi beaucoup de nations, les Héthiens, les Guirgasiens, les Amoréens, les Cananéens, les Phéréziens, les Héviens et les Jébusiens, sept nations plus nombreuses et plus puissantes que toi;

7 :2 lorsque l'Eternel, ton Dieu, te les aura livrées et que tu les auras battues, tu les dévoueras par interdit, tu ne traiteras point d'alliance avec elles, et tu ne leur feras point grâce.

7:3 Tu ne contracteras point de mariage avec ces peuples, tu ne donneras point tes filles à leurs fils, et tu ne prendras point leurs filles pour tes fils;

7:4 car ils détourneraient de moi tes fils, qui serviraient d'autres dieux, et la colère de l'Eternel s'enflammerait contre vous: il te détruirait promptement

VOICI UN EXTRAIT FLAGRANT OU LES JUIFS DETRUISENT LES DIEUX DES NON-JUIFS :

7 :5 Voici, au contraire, comment vous agirez à leur égard: vous renverserez leurs autels, vous briserez leurs statues, vous abattrez leurs idoles, et vous brûlerez au feu leurs images taillées.

7:6 Car tu es un peuple saint pour l'Eternel, ton Dieu; l'Eternel, ton Dieu, t'a choisi, pour que tu fusses un peuple qui lui appartînt entre tous les peuples qui sont sur la face de la terre.

7 :21 Ne sois point effrayé à cause d'eux; car l'Eternel, ton Dieu, est au milieu de toi, le Dieu grand et terrible.

7:22 L'Eternel, ton Dieu, chassera peu à peu ces nations loin de ta face; tu ne pourras pas les exterminer promptement, de peur que les bêtes des champs ne se multiplient contre toi.

7 :23 Mais l'Eternel ton Dieu les livrera devant toi, et les détruira d'une grande destruction, jusqu'à ce qu'il les ait exterminées.

7 :24 Il livrera leurs rois entre tes mains, et tu feras disparaître leurs noms de dessous les cieux; aucun ne tiendra contre toi, jusqu'à ce que tu les aies détruits.

Les non-juifs ont été endoctrinés avec des mensonges juifs. Nous avons été déconnectés de nos dieux et de notre culture. Ceux-ci ont été remplacés par des fictifs personnages juifs pour que les non-juifs puissent vénérer aveuglément, ce qui crée une connexion subliminale puissante. Ce genre de chose est responsable de la façon dont les non-juifs sont toujours en train de faire la guerre pour les juifs, sans même penser à ce qu'ils font. Ce qui s'est passé en Irak est un parfait exemple.

Deut. 7 :25 Vous brûlerez au feu les images taillées de leurs dieux. Tu ne convoiteras point et tu ne prendras point pour toi l'argent et l'or qui sont sur elles, de peur que ces choses ne te deviennent un piège; car elles sont en abomination à l'Eternel, ton Dieu.

7 :26 Tu n'introduiras point une chose abominable dans ta maison, afin que tu ne sois pas, comme cette chose, dévoué par interdit; tu l'auras en horreur, tu l'auras en abomination, car c'est une malédiction.

Deut. 12 :27 Tu offriras tes offrandes, la chair et le sang, sur l'autel de l'Eternel, ton Dieu; dans tes autres sacrifices, le sang sera répandu sur l'autel de l'Eternel, ton Dieu, et tu mangeras la chair.

12:28 Garde et écoute toutes ces choses que je t'ordonne, afin que tu sois heureux, toi et tes enfants après toi, à perpétuité, en faisant ce qui est bien et ce qui est droit aux yeux de l'Eternel, ton Dieu.

12:29 Lorsque l'Eternel, ton Dieu, aura exterminé les nations que tu vas chasser devant toi, lorsque tu les auras chassées et que tu te seras établi dans leur pays,

12:30 garde-toi de te laisser prendre au piège en les imitant, après qu'elles auront été détruites devant toi. Garde-toi de t'informer de leurs dieux et de dire: Comment ces nations servaient-elles leurs dieux? Moi aussi, je veux faire de même.

L'énergie humaine n'est pas suffisante, il devait y avoir des sacrifices humains :

Exode 20 :24 Tu me feras un autel de terre, sur lequel tu sacrifieras tes holocaustes, ton gros bétail, tes moutons; en quelque lieu que ce soit que je mettrai la mémoire de mon Nom, je viendrai là à toi, et je te bénirai.

Exode 24 :4 Moïse écrivit toutes les paroles de l'Eternel. Puis il se leva de bon matin; il bâtit un autel au pied de la montagne, et dressa douze pierres pour les douze tribus d'Israël.

24 :5 Et il envoya des jeunes hommes des enfants d'Israël qui offrirent des holocaustes, et qui sacrifièrent des veaux à l'Eternel, en sacrifices de prospérités.

24:6 Moïse prit la moitié du sang, qu'il mit dans des bassins, et il répandit l'autre moitié sur l'autel.

24 :7 Il prit le livre de l'alliance, et le lut en présence du peuple; ils dirent: Nous ferons tout ce que l'Eternel a dit, et nous obéirons.

24:8 Moïse prit le sang, et il le répandit sur le peuple, en disant: Voici le sang de l'alliance que l'Eternel a faite avec vous selon toutes ces paroles.

Voici plus d'instructions de la part de Jehova pour le sacrifice:

Exode 23 :18 Tu n'offriras point avec du pain levé le sang de la victime sacrifiée en mon honneur; et sa graisse ne sera point gardée pendant la nuit jusqu'au matin.

Exode 29 :10 Tu amèneras le taureau devant la tente d'assignation, et Aaron et ses fils poseront leurs mains sur la tête du taureau.

29 :11 Et tu égorgeras le veau devant l'Eternel, à l'entrée du Tabernacle d'assignation.

29 :12 Tu prendras du sang du taureau, tu en mettras avec ton doigt sur les cornes de l'autel, et tu répandras tout le sang au pied de l'autel.

29:13 Tu prendras toute la graisse qui couvre les entrailles, le grand lobe du foie, les deux rognons et la graisse qui les entoure, et tu brûleras cela sur l'autel.

29:14 Mais tu brûleras au feu hors du camp la chair du taureau, sa peau et ses excréments: c'est un sacrifice pour le péché.

29:15 Tu prendras l'un des béliers, et Aaron et ses fils poseront leurs mains sur la tête du bélier.

29:16 Tu égorgeras le bélier; tu en prendras le sang, et tu le répandras sur l'autel tout autour

29 :17 Tu couperas le bélier par morceaux, et tu laveras les entrailles et les jambes, que tu mettras sur les morceaux et sur sa tête.

29 :18 Tu brûleras tout le bélier sur l'autel; c'est un holocauste à l'Eternel, c'est un sacrifice consumé par le feu, d'une agréable odeur à l'Eternel.

29 :19 Tu prendras l'autre bélier, et Aaron et ses fils poseront leurs mains sur la tête du bélier.

29 :20 Tu égorgeras le bélier; tu prendras de son sang, tu en mettras sur le lobe de l'oreille droite d'Aaron et sur le lobe de l'oreille droite de ses fils, sur le pouce de leur main droite et sur le gros orteil de leur pied droit, et tu répandras le sang sur l'autel tout autour.

29 :21 Tu prendras du sang qui sera sur l'autel et de l'huile d'onction, et tu en feras l'aspersion sur Aaron et sur ses vêtements, sur ses fils et sur leurs vêtements. Ainsi seront consacrés Aaron et ses vêtements, ses fils et leurs vêtements.

29 :22 Tu prendras la graisse du bélier, la queue, la graisse qui couvre les entrailles, le grand lobe du foie, les deux rognons et la graisse qui les entoure, et l'épaule droite, car c'est un bélier de consécration;

29 :23 Tu prendras aussi dans la corbeille de pains sans levain, placée devant l'Eternel, un gâteau de pain, un gâteau à l'huile et une galette.

29 :24 Tu mettras toutes ces choses sur les mains d'Aaron et sur les mains de ses fils, et tu les agiteras de côté et d'autre devant l'Eternel.

29 :25 Tu les ôteras ensuite de leurs mains, et tu les brûleras sur l'autel, par-dessus l'holocauste; c'est un sacrifice consumé par le feu devant l'Eternel, d'une agréable odeur à l'Eternel.

29 :26 Tu les ôteras ensuite de leurs mains, et tu les brûleras sur l'autel, par-dessus l'holocauste; c'est un sacrifice consumé par le feu devant l'Eternel, d'une agréable odeur à l'Eternel.

29 :27 Tu sanctifieras la poitrine et l'épaule du bélier qui aura servi à la consécration d'Aaron et de ses fils, la poitrine en l'agitant de côté et d'autre, l'épaule en la présentant par élévation.

29 :28 Elles appartiendront à Aaron et à ses fils, par une loi perpétuelle qu'observeront les enfants d'Israël, car c'est une offrande par élévation; et, dans les sacrifices d'actions de grâces des enfants d'Israël, l'offrande par élévation sera pour l'Eternel.

29 :29 Les vêtements sacrés d'Aaron seront après lui pour ses fils, qui les mettront lorsqu'on les oindra et qu'on les consacrera.

29 :30 Ils seront portés pendant sept jours par celui de ses fils qui lui succédera dans le sacerdoce, et qui entrera dans la tente d'assignation, pour faire le service dans le sanctuaire.

29 :31 Tu prendras le bélier de consécration, et tu en feras cuire la chair dans un lieu saint.

Lévitique Chapitre 1

1 :1 L'Eternel appela Moïse; de la tente d'assignation, il lui parla et dit:

1 :2 Parle aux enfants d'Israël, et dis-leur: Lorsque quelqu'un d'entre vous fera une offrande à l'Eternel, il offrira du bétail, du gros ou du menu bétail

1 :3 Parle aux enfants d'Israël, et dis-leur: Lorsque quelqu'un d'entre vous fera une offrande à l'Eternel, il offrira du bétail, du gros ou du menu bétail

1 :4 Il posera sa main sur la tête de l'offrande, qui sera agréé de l'Eternel, pour lui servir d'expiation.

1 :5 Il égorgera le veau devant l'Eternel; et les sacrificateurs, fils d'Aaron, offriront le sang, et le répandront tout autour sur l'autel qui est à l'entrée de la tente d'assignation.

1 :6 Il dépouillera l'offrande, et le coupera par morceaux.

1 :7 Les fils du sacrificateur Aaron mettront du feu sur l'autel, et arrangeront du bois sur le feu.

1 :8 Les prêtres, fils d'Aaron, poseront les morceaux, la tête et la graisse, sur le bois mis au feu sur l'autel.

1:9 Il lavera avec de l'eau les entrailles et les jambes; et le prêtre brûlera le tout sur l'autel. C'est un holocauste, un sacrifice consumé par le feu, d'une agréable odeur à l'Eternel.

1:10 Si son offrande est un holocauste de menu bétail, d'agneaux ou de chèvres, il offrira un mâle sans défaut.

1:11 Il l'égorgera au côté septentrional de l'autel, devant l'Eternel; et les prêtres, fils d'Aaron, en répandront le sang sur l'autel tout autour.

1:12 Il le coupera par morceaux; et le prêtre les posera, avec la tête et la graisse, sur le bois mis au feu sur l'autel.

1:13 Il lavera avec de l'eau les entrailles et les jambes; et le prêtre sacrifiera le tout, et le brûlera sur l'autel. C'est un holocauste, un sacrifice consumé par le feu, d'une agréable odeur à l'Eternel.

1:14 Si son offrande à l'Eternel est un holocauste d'oiseaux, il offrira des tourterelles ou de jeunes pigeons.

1:15 Le prêtre sacrifiera l'oiseau sur l'autel; il lui ouvrira la tête avec l'ongle, et la brûlera sur l'autel, et il exprimera le sang contre un côté de l'autel.

1:16 Il ôtera le jabot avec ses plumes, et le jettera près de l'autel, vers l'orient, dans le lieu où l'on met les cendres.

1:17 Il déchirera les ailes, sans les détacher; et le prêtre brûlera l'oiseau sur l'autel, sur le bois mis au feu. C'est un holocauste, un sacrifice consumé par le feu, d'une agréable odeur à l'Eternel.

Lévitique Chapitre 7

7:1 Voici la loi du sacrifice de culpabilité: c'est une chose très sainte.

7:2 C'est dans le lieu où l'on égorge l'holocauste que sera égorgée la victime pour le sacrifice de culpabilité. On en répandra le sang sur l'autel tout autour.

7:3 On en offrira toute la graisse, la queue, la graisse qui couvre les entrailles,

7:4 les deux rognons, et la graisse qui les entoure, qui couvre les flancs, et le grand lobe du foie, qu'on détachera près des rognons.

7 :5 Le prêtre brûlera cela sur l'autel en sacrifice consumé devant l'Eternel. C'est un sacrifice de culpabilité.

7 :14 On présentera par élévation à l'Eternel une portion de chaque offrande; elle sera pour le prêtre qui a répandu le sang de la victime d'actions de grâces.

LE "SEIGNEUR" A BESOIN DE CHAQUE GOUTTE DE SANG DU SACRIFICE:

Lévitique 7 :27 Celui qui mangera du sang d'une espèce quelconque, celui-là sera retranché de son peuple.

Voici davantage de sacrifice dont Jehova a besoin pour enlever la lèpre, qu'il a lui-même infligé :

Lévitique : 14:34 Lorsque vous serez entrés dans le pays de Canaan, dont je vous donne la possession; si je mets une plaie de lèpre sur une maison du pays que vous posséderez,

14 :49 Il prendra, pour purifier la maison, deux oiseaux, du bois de cèdre, du cramoi et de l'hysope.

14 :50 Il égorgera l'un des oiseaux sur un vase de terre, sur de l'eau vive.

14:51 Il prendra le bois de cèdre, l'hysope, le cramoi et l'oiseau vivant; il les trempera dans le sang de l'oiseau égorgé et dans l'eau vive, et il en fera sept fois l'aspersion sur la maison.

14:52 Il purifiera la maison avec le sang de l'oiseau, avec de l'eau vive, avec l'oiseau vivant, avec le bois de cèdre, l'hysope et le cramoi.

14:53 Il lâchera l'oiseau vivant hors de la ville, dans les champs. C'est ainsi qu'il fera pour la maison l'expiation, et elle sera pure.

14:54 Telle est la loi pour toute plaie de lèpre et pour la teigne.

14:55 pour la lèpre des vêtements et des maisons,

14:56 pour les tumeurs, les dartres et les taches :

14:57 elle enseigne quand une chose est impure, et quand elle est pure. Telle est la loi sur la lèpre.

LA VERITE SUR JESUS CHRIST

Ceux d'entre vous qui visitent ce site connaissent les faits relatifs au Nazaréen comme étant un Archétype juif fictif vénéré aveuglément par les non-juifs. Par-dessus tout, le Nazaréen est une diversion et une distraction pour empêcher l'humanité d'évoluer spirituellement, de travailler sur notre âme et de la faire évoluer. Le personnage fictif de "Jésus" a été inventé de CONCEPTS spirituels qui venaient de l'Extrême-Orient, tel que l'alchimie spirituelle, l'énergie de la Kundalini [le Serpent de Satan] et ce qui est connu sous le nom de "vril" "chi" "force de vie" et "le pouvoir du sorcier." La vérité étant connue : nous sauvons notre propre âme en avançant spirituellement et en activant ce pouvoir. Le Nazaréen est un moyen de dissuasion et empêche l'humanité de faire quoi que ce soit qui touche à la spiritualité ; il garde la population comme un esclave à travers les biens matériels. Les chrétiens ne peuvent pas argumenter à ce sujet, puisqu'ils ne connaissent pas la véritable spiritualité. Ils n'en n'ont pas fait l'expérience. Combien de prêtres/curés chrétiens peuvent-ils réaliser un schéma de l'âme humaine ?

Une fois qu'on a les yeux ouverts et que l'on est conscient de ce pouvoir, on est capable de voir comment ce personnage a été inventé.

Le personnage fictif du Nazaréen :

- A été utilisé pour enlever toute connaissance spirituelle afin de la remplacer par des archétypes juifs, des villes juives, et autres éléments juifs fictifs absurdes. Le fameux "Jésus sauve" et la "résurrection" sont des éléments qui ont été déformés et incorporés dans ce personnage fictif. En d'autres termes, ceux qui se font des illusions ont été déçus en croyant que ce personnage s'occupera de tout ce qui concerne la spiritualité, aussi longtemps qu'ils sont conformes à leur but actuel, tel que cela a été annoncé par les pasteurs chrétiens et les éditions révisées de la "Sainte Bible." Cela dissuade les gens de travailler sur leur propre âme. Il n'y a rien du tout de spirituel à propos du Nazaréen, ou bien du programme chrétien inventé par les juifs.
- Le personnage de "Jésus" a été utilisé comme étant la police de la pensée pour l'ultime contrôle. Des guerres ont été combattues à maintes reprises concernant différentes croyances et différentes idées. Lorsque l'ennemi

contrôle ce qui est dans l'esprit de la population générale, l'ennemi contrôle l'humanité.

- Puisque le Nazaréen est fictif, il peut être n'importe quoi pour n'importe qui. Il est tout ce que le système actuel dicte et acclame. Il change selon les époques et il se conforme à différents buts. Ce n'est pas plus différent que la bible judéo-chrétienne, qui possède des versets et des contradictions afin de se conformer à n'importe quel argument.

Il est temps pour tout le monde de se réveiller à cette corruption spirituelle qui s'est jouée de l'humanité pour s'accorder des trillions et des trillions de dollars, possède des âmes damnées, a causé des guerres sans fin et non nécessaire, et a empêché [dangereusement] la science d'évoluer, en plus de tous ça, leur parasites cachés, ont prit les croyants non-juifs dans leurs filets. Le programme chrétien, en plus des doctrines monstrueuses de l'Islam, a empêché et mit fin à l'évolution spirituelle de l'humanité. Ceci est la cause principale de souffrance pour tout le monde.

Chaque événement dans la vie fictive du Nazaréen révèle un CONCEPT, VOLÉ ET CORROMPU DES RELIGIONS PAÏENNES QUI PRÉCEDENT LE CHRISTIANISME. On raconte que le Nazaréen est né dans une grotte, et non pas dans une écurie. "Les premières traditions chrétiennes suggèrent que Jésus vint au monde dans une grotte qui était utilisée comme une écurie." ² La plupart des doctrines qui précèdent le christianisme, comme le Taïisme, déclare que la glande pinéale est dans une "grotte." Ce centre spirituel très important est situé dans le cerveau, qui est comme un creux et c'est le siège de cette glande, qui ne fonctionne pas chez la plupart des gens. La glande pinéale est une clé importante pour l'évolution de l'âme et obtenir l'expansion de la conscience, en plus des habilités psychiques une fois cette glande activée.

Il y avait les "Trois Hommes Sages qui venaient l'Est" qui "SUIVIRENT L'ÉTOILE" jusqu'à ce qu'ils arrivèrent à l'endroit où est né le Nazaréen. Ces "Hommes Sages" étaient des mages, autrement connu comme étant des pratiquant de la sorcellerie, puisque telle est la définition d'un mage. A nouveau, c'est un symbole d'une idée qui a été volé de l'Alchimie Spirituelles. Pour ceux qui sont nouveaux à l'occultisme et à la méditation, [la véritable spiritualité], il serait judicieux de faire des recherches avancées et étudier [voir le site de "La Joie de Satan"]. Mais pour ceux de nous qui méditent, nous connaissons ce vril/pouvoir condensé qui est circulé à travers les chakras, et apparaît comme une étoile ; voici la véritable signification de "Suivre l'étoile."

Encore une fois, le chiffre trois, tout comme le chiffre sept, [les sept chakras] apparaît comme étant les trois mages et ils représentent en réalité le symbole de ida, le pingala et le sushumn, les trois nadis principaux de l'âme, et également, les trois croix des chakras. Le concept du nombre trois est prolifique aux religions païennes qui précèdent le christianisme de cents à milles ans, et c'est symbolisé par la "fourche du Diable" connu sous le nom de "Trishul" qui provient de l'Extreme-Orient. Le Trishul symbolise l'énergie du serpent qui traverse les trois granthis (voir les Symboles Sataniques). Les nombres trois et sept sont

considérablement utilisés dans la bible judéo-chrétienne et ils ont été blasphémés et corrompus.

“La naissance vierge” est un autre concept corrompu dans le fait que les chakras doivent être purifiés et dégagés pour que l'énergie spirituelle puisse monter et circuler. En d'autres termes, voici la réelle signification du terme “pure.” L'union avec la divinité fictive symbolise la spiritualité divine en rapport avec l'ascension du vril/pouvoir, et non pas le fictif YHVH (lien) qui n'est rien d'autre qu'un système de magie juive pour asservir la population des non-juifs.

La supposée crucifixion, de ce personnage imposteur de “Jésus Christ” a été volé de 18 Dieux Païens différents qui ont été pendu a un arbre. Dans la bible chrétienne, il existe plus d'un verset qui déclare que le Nazaréen a été pendu à un arbre :

Actes 5 :30 – le Dieu de nos pères a ressuscité Jésus, que vous avez tué et pendu a un arbre.

Actes 13 :29 – Et, après qu'ils eurent accompli tout ce qui est écrit de lui, ils le descendirent de l'arbre et le déposèrent dans un sépulcre.

Le Dieu Nordique Odin est antérieur à Jésus Christ. Odin s'est pendu à un arbre et a eu l'expérience d'une mort afin d'obtenir la connaissance. En “renaissant”, il a obtenu la gnose [une connaissance spirituelle avancée, tout comme le Dieu Egyptien Seth qui a été “crucifié” sur une “croix” connu sous le nom de Furka.¹ C'est aussi la signification du Pendu dans le Tarot. Bouddha s'est assis en dessous de l'arbre de Bo. “Bo” provient de “Boa” et veut dire “Serpent”, la Kundalini. L'arbre est une ancienne représentation de l'âme humaine, avec le tronc comme symbole de la colonne vertébrale, et les branches qui représentent les 144 000 nadis avec les feuilles et les fruits qui symbolisent les fruits des méditations ; La force de vie et les pouvoirs de l'esprit et de l'âme. De plus, Krishna, Marsyas, Dodonian et Zeus ont eux aussi été pendu à des arbres. “144 000” est une autre corruption judéo-chrétienne d'une allégorie qui est en rapport avec la force du chi, le vril, le pouvoir.

Presque tout ce qui est écrit dans la bible judéo-chrétienne a été volé et corrompu des autres religions de l'Extrême-Orient. Dans la Genèse, ils affirment que le fictif “Jardin d'Eden” était en Mésopotamie, en réalité, c'est pour détourner volontairement les gens, et les empêcher de regarder en Extrême-Orient, car c'est là que les civilisations ont commencés et les véritables enseignements spirituels ont eu lieu. Malheureusement, à cause de l'infestation du christianisme dans la plupart de ces endroits, la plupart de ces doctrines ont été corrompues et détruites.

La croix latine ne faisait pas partie du christianisme jusqu'au VII^{ème} siècle et n'était pas pleinement reconnu que jusqu'au IX^{ème} siècle. De plus, l'âme humaine est sous forme de croix. Cela révèle comment la connaissance spirituelle a été détruite et remplacée par des balivernes. La croix représente également les quatre-coins, le Tétragramme. (Lien)

L'éclipse serait apparue pendant la fameuse "crucifixion" du Nazaréen, symbolise en fait l'Œuvre au Noir (*nigredo en latin et mélanosis en grec*) qui est l'une des étapes du Magnum Opus (le Grand Œuvre en alchimie). Cette étape est symbolisée par le Corbeau Noir et le Soleil Noir.

Les trois crucifixions, avec le Nazaréen au milieu [2 autres ont été crucifiés avec le Nazaréen] est une autre allégorie des trois croix de l'âme. Il y a trois importantes parties de l'âme où il y a une croix d'énergie ; le principal étant le chakra neutre, celui du cœur [la croix la plus large], là où les chakras des épaules ont des ailes et les deux petits chakras des hanches, et le sixième chakra.

Le Nazaréen qui monte au "Paradis" est un autre concept de la Kundalini qui ascensionne jusqu'au chakra de la couronne. Le Paradis, la Terre et l'Enfer sont tous des concepts volés du Taôisme, qui était antérieur au christianisme et au judaïsme. Le Paradis est symbolique du Septième chakra, connu sous le nom du chakra de la couronne. La Terre ou "Royaume Moyen" est symbolique du chakra du Cœur. Et l'Enfer est symbolique du chakra de Base, là où le serpent de la Kundalini est inactif.

Les "miracles" que ce fictif Nazaréen a pratiqué sont aussi des ALLEGORIES et des CONCEPTS de ce que le vril, le pouvoir peut faire. Les prophéties du Nazaréen sont des allégories des habilités psychiques qui sont les résultats de l'activation du pouvoir, du vril.

Les 12 apôtres sont en réalité les 12 signes du zodiaque et symbolise également les assemblées de sorcières [coven], en plus du Nazaréen qui est considéré comme étant le 13^{ème} membre. Traditionnellement, il y a 13 membres dans un coven. Il y a aussi 13 chakras primaires dans l'âme humaine.

Le Nazaréen aurait vécu pendant 33 ans. C'est encore un concept - les 33 vertèbres de la colonne vertébrale où le serpent de la Kundalini monte est un énorme avancement pour le vril / le pouvoir.

Pour conclure cet article, ma propre recherche m'a montré que le christianisme ne date pas de "2000 ans" comme ils l'affirment. Personnellement, je crois que le christianisme est arrivé avec l'Inquisition. Les recherches montrent que le Vatican fait un pacte avec des extra-terrestres, les "gris" et ils donnent au Vatican pouvoir et richesse en échange d'âmes humaines. Afin que cela puisse fonctionner, toute connaissance spirituelle devait être détruite. Ce qui n'est pas différent du communisme juif. La bible est projet, un plan pour le communisme, pour préparer les croyants à accepter l'esclavagisme et l'abus. A chaque fois que le communisme juif avait le contrôle, comme avec l'ancienne URSS, la Chine, le Cambodge, le Tibet, et autres pays, il y avait des meurtres de masses et des tortures, exactement comme durant l'Inquisition.

"Le christianisme et le communisme sont très proches spirituellement et idéologiquement. Il y a un concept assez connu qui a été adopté par de nombreux penseurs, depuis Thomas More jusqu'à Lev Tolstoï. Peu de gens savent que le premier état socialiste du monde était établi au Paraguay et était basé sur les idées des Jésuites Catholiques bien avant que Marx ne crée ses

enseignements." "La "Société de Jésus" – l'ordre religieux jésuite – dans l'église catholique était en gros l'équivalent du KGB durant l'Union Soviétique."

Ci-dessus sont des extraits tirés du journal "Pravda" [= qui signifie vérité] [Le journal dominant du parti communiste et de l'ancienne Union Soviétique] De l'article : Y-a-t-il une différence entre le christianisme et le communisme ? 30/04/2013

YHVH: LA VERITE SUR "YAWEH" "JEHOVA" – RETIRER LE MASQUE DU CHRISTIANISME

La bible judéo-chrétienne a toujours utilisée la peur jusqu'à l'extrême, comme un outil pour tenir les gens à l'écart de l'occultisme, la sorcellerie, et des pouvoirs de l'esprit. Dans l'article ci-dessous, les raisons sont évidentes. Afin qu'un sort puisse être effectif, la victime doit avoir un manque de connaissance, être un esclave, et simplement "croire."

Exode 22 :18 Ne laissez pas vivre la magicienne.

"YHVH" alias "Yaweh" "Jehova" n'est rien d'autre qu'un système de magie juive. "YHVH" aussi connu sous le nom de "Tétragramme" représente les quatre coins et éléments, comme "INRI" (Iesvs Nazarens, Rex Ivdæorvm généralement traduit par : « Jésus le Nazaréen, roi des Juifs ») en plus des quatre gospels. Ils représentent les quatre coins de magie et les quatre éléments qui sont importants dans n'importe quel rituel que l'on veut effectuer. "YHVH" est extrêmement utilisé dans la magie juive. Les juifs ont volés la Kabbale des Egyptiens et l'ont corrompue. C'est principalement chanté comme ceci dans certaines versions : "Yod Heh Vau Heh."

Les païens ont été forcés à avaler le christianisme afin de nous enlever toute connaissance et pouvoir. Ceux qui sont au-dessus sont pour les deux camps. Ce

qui veut dire que l'ennemi travail pour les deux camps de l'intérieur – avec chaque camp qui dénigre l'autre tout en allant de l'avant. C'est un peu comme si un policier était publiquement impliqué dans une affaire anti-drogue, et de l'autre côté, il en vent aux autres, sans que ses proches ne soient au courant.

Après la destruction du Temple de Salomon par les Romains en 70, le christianisme a été inventé de toute pièce par les juifs, (le plus connu étant Paul, alias Paul le Tarse, ou saint Paul), afin qu'ils puissent contrôler le monde en utilisant les pouvoirs de l'esprit et de l'âme. Les juifs eux-mêmes savent que le Nazaréen est un personnage fictif basé sur près de 20 héros païens crucifiés. Avec de nombreux siècles de croyance en cette entité, et avec l'énergie psychique qui se propage en lui à travers les prières, sa vie a commencé à prendre forme. Regardez l'article sur les formes-pensées. ([lien](#)).

Par exemple, Odin s'est pendu à un arbre, Seth a été crucifié sur une furka. Bouddha s'est assis sous l'arbre Bo (Boa- le serpent) pour acquérir la connaissance ; et la liste ne s'arrête pas là. La plupart des personnages du Nazaréen ont été volés du Dieu Perse appelé "Mithra."

Dans le cas du christianisme, tous les anciens Dieux Païens ont été liés et remplacés par des divinités juives fictives. La vierge Marie a remplacée Astaroth (= Isis, Innana) ; la légende hébraïque de Moïse a été volé de Sargon (tous deux sont nés dans la plus grande discrétion, laissé dans un panier de roseau qui flottait sur la rivière, et adopté par les rois.) Le nom hébreu d'Abraham a été volé du Dieu hindou Brahma. "Brahma" signifie "beaucoup" en Sanskrit. Et la liste ne s'arrête pas... Voir Le christianisme révélé. ([lien](#)).

Il n'y a rien dans le christianisme qui n'a pas été volé des religions païennes qui existaient bien avant le christianisme de plusieurs milliers d'années. Les Dieux Païens, ayant été fortement ancré dans la mémoire raciale dans l'esprit des païens (= non-juifs) ont été remplacés par des personnages hébreux afin de les obéir bêtement et de les idolâtrer. Ce qui définit la première étape pour le pouvoir et le contrôle.

Le christianisme n'a jamais été qu'un outil pour enlever la connaissance spirituelle et le pouvoir de la population païenne (= les non-juifs) et de nous séparer de nos Dieux, principalement notre Véritable Dieu Créateur Satan, qui signifie "adversaire/ennemi" en hébreu. Ces païens qui étaient prêtres et dirigeants ont été torturés et mis à mort. Les autres ont subit les mêmes tourments, ainsi que n'importe quel autre non-juif qui était suspecté d'avoir un lien quelconque avec les Anciennes Religions a été traité d'hérétique et mis à mort. Bien sûr, les juifs accusent sans cesse les églises chrétiennes d'avoir persécutés leurs petites communautés durant le Moyen Age ; alors qu'ils "jouent" dans les deux camps... Et ces juifs qui ont des places importantes se fichent pas mal d'utiliser d'autres juifs. Tomás de Torquemada, Le Premier Grand Inquisiteur d'Espagne, était un juif.

Les juifs ont eu le contrôle total de l'église Catholique (la première église chrétienne) depuis le début. La plupart des papes catholique avaient des origines juives, tel que Jean Paul II, qui est né d'une mère juive (Katz). Il a été reconnu comme juif par les juifs orthodoxes. A travers le sacrement catholique de la confession, le clergé catholique avaient le contrôle de tout le monde,

principalement les dirigeants païens (non-juifs). Ils connaissaient leurs plus grands secrets.

L'église catholique est la "gardienne" du christianisme. Depuis la réforme protestante, les juifs ont également gagné le contrôle de ces sectes. Le "Conseil des Eglises du Monde" est un autre exemple.

Les juifs ont eu un immense pouvoir d'énergie psychique qu'ils pouvaient utiliser comme bon leur semble. Les juifs se sont donné le titre du "Peuple Elu" ou "Peuple Choisi", le personnage clé du christianisme, le Nazaréen est un juif (et une forme-pensée puissante). La vierge Marie et son époux Joseph sont des juifs, les 12 apôtres (le nombre 13 formant un "coven", un groupe de sorciers – volé des Anciennes Religions Païennes) – tous des juifs. De plus, tous les personnages de l'Ancien et du Nouveau Testament ont été volés à des personnages païens et remplacés par leur juifs "Elu".

Alors, les chrétiens, ignorants de ce trafic clandestin par les juifs et sur l'occultisme, déversent de plus en plus d'énergie à travers leurs dévotions et prières à ce vortex d'énergie juif. Et les gens se demandent comment cette minorité possède une richesse abondante et du pouvoir. Les non-juifs (= païens), principalement les chrétiens ont été sous l'effet d'un sort puissant depuis des siècles.

Ils nous ont séparés de nos Dieux, de nos traditions, et de notre héritage religieux et spirituel à travers les meurtres de masses, remplaçant notre histoire par des mensonges, tout en utilisant la peur de l'inconnu, puisque toute la connaissance des païens (= non-juifs) a été enlevée...

Leurs sales anges – la plupart ont des noms possédant 7 lettres : Gabriel, Raphael, etc. Ces sept représentent les sept chakras et ont été utilisés afin de lier/emprisonner les Dieux Païens et en faire des esclaves en utilisant la "Goétie". Le "Livre Noir de la Goétie" ou "Grimoire" proviennent des juifs, tel que "La Clé de Salomon" et "La Magie Sacrée du Mage Abramelin" et plus encore, (ceux-ci peuvent être facilement retrouvés sur internet en saisissant leur titre dans n'importe quel moteur de recherche) tous ont été à l'origine écrit en hébreu, étant donné que la plupart des non-juifs ne peuvent pas lire l'hébreu. Tous, utilisent les symboles hébreux ainsi que les chants et dirigent un blasphème puissant contre les Dieux Païens qui ont été dénigrés et transformés en démons, et autres monstres hideux.

Les Dieux Païens (= les Dieux des non-juifs) ne sont plus liés et la plupart de ces prophéties sont des erreurs telles que "Azazel étant lié jusqu'à la fin des temps." Je peux vous assurer qu'il est complètement libre désormais.

Puisque cette religion est inventée de toute pièce, elle n'est spirituellement pas fiable. A certaines périodes, quelques chrétiens ont utilisé ce vortex d'énergie et ont obtenu des résultats. Les groupes de prières et autres donnent de la puissance à l'énergie psychique. On a toujours dit aux chrétiens qui se font des illusions, qu'il faut "avoir la foi." Avoir la foi est nécessaire pour n'importe quelle incantation, ou n'importe quel autre travail qui demande d'utiliser le pouvoir de l'esprit, afin de réussir. Avec le christianisme, ça passe ou ça casse. Mais la plupart du temps, ça casse... Les malheureux continuent de croire, sans savoir

que cela n'a rien avoir avec un "miracle" mais seulement le pouvoir de l'esprit. L'objectif final est l'athéisme. L'athéiste ne croit en rien et ne tient compte en aucun cas de tout ce qui est "surnaturel" ou "paranormal." Ils attendent simplement d'être manipulés par ceux qui possèdent la connaissance et le pouvoir occulte.

Les Origines du Nom de "Satan"

Le Nazaréen Omniprésent

Sacrifice Humain dans la Bible

Deutéronome 12:27 Tu offriras tes holocaustes, la chair et le sang, sur l'autel de l'Eternel, ton Dieu; dans tes autres sacrifices, le sang sera répandu sur l'autel de l'Eternel, ton Dieu, et tu mangeras la chair.

La bible judéo-chrétienne est remplie de sacrifice de sang HUMAIN. La plupart des chrétiens ont confiance en leur prêtre/pasteur, et/ou sont trop paresseux ou mentalement handicapés pour lire et apprendre par eux-mêmes. Combien de personnes font l'effort de PENSER ?? En plus des sacrifices de sang humain flagrant pour Jehova, bain de sang après bain de sang ont eu lieu sous les ordres de cette entité sanguinaire sous forme de nombreuses guerres et autres actes inhumains.

Les textes anciens des non-juifs (= païens), et autres saintes écritures ont été remplacés par cette sordide invention juive. Il n'y a rien de spirituel à propos de cette religion, uniquement meurtres après meurtres. Ce n'est pas plus différent de Hollywood (contrôlé par les juifs) qui se focalisent sur la violence, les carnages, et meurtres.

Exode 22 :29 Tu ne différeras point de m'offrir les prémices de ta moisson et de ta vendange. Tu me donneras le premier-né de tes fils.

Ezéchiël 20 :25-26 Je leur donnai aussi des préceptes qui n'étaient pas bons, et des ordonnances par lesquelles ils ne pouvaient vivre.

20 : 26 Je les souillai par leurs offrandes, quand ils faisaient passer par le feu tous leurs premiers-nés; je voulus ainsi les punir, et leur faire connaître que je suis l'Eternel.

II Samuel 21 est un autre exemple de sacrifice de sang qui apaise Jehova.

21:6 qu'on nous livre sept hommes d'entre ses fils, et nous les pendrons devant l'Eternel à Guibea de Saül, l'élú de l'Eternel. Et le roi dit: Je les livrerai.

21:9 et il les livra entre les mains des Gabaonites, qui les pendirent sur la montagne, devant l'Eternel. Tous les sept périrent ensemble; ils furent mis à mort dans les premiers jours de la moisson, au commencement de la moisson des orges.

21:10 Ritspa, fille d'Ajja, prit un sac et l'étendit sous elle contre le rocher, depuis le commencement de la moisson jusqu'à ce que la pluie du ciel tombât sur eux; et elle empêcha les oiseaux du ciel de s'approcher d'eux pendant le jour, et les bêtes des champs pendant la nuit.

Lorsque sept hommes meurent de sang froid afin d'apaiser Jehova, en espérant qu'il mette fin à cette famine, cela peut être uniquement un sacrifice de sang humain.

En voici plus :

Nombre 31 :25 Et le Seigneur parla à Moïse et lui dit,

31 :26 Fais, avec le sacrificateur Eléazar et les chefs de maison de l'assemblée, le compte du butin, de ce qui a été pris, personnes et bestiaux.

31 :27 Partage le butin entre les combattants qui sont allés à l'armée et toute l'assemblée.

31 :28 Tu prélèveras sur la portion des soldats qui sont allés à l'armée un tribut pour l'Eternel, savoir: un sur cinq cents, tant des personnes que des boeufs, des ânes et des brebis.

31 :29 Vous le prendrez sur leur moitié, et tu le donneras au sacrificateur Eléazar comme une offrande à l'Eternel.

31 :30 Et sur la moitié qui revient aux enfants d'Israël tu prendras un sur cinquante, tant des personnes que des boeufs, des ânes et des brebis, de tout animal; et tu le donneras aux Lévites, qui ont la garde du tabernacle de l'Eternel.

31 :31 Moïse et le sacrificateur Eléazar firent ce que l'Eternel avait ordonné à Moïse.

31 :32 Le butin, reste du pillage de ceux qui avaient fait partie de l'armée, était de six cent soixante-quinze mille brebis,

31 :33 soixante-douze mille boeufs,

31 :34 soixante et un mille ânes

31 :35 et trente-deux mille personnes ou femmes qui n'avaient point connu la couche d'un homme.

31 :36 La moitié, formant la part de ceux qui étaient allés à l'armée, fut de trois cent trente-sept mille cinq cents brebis,

31 :37 dont six cent soixante-quinze pour le tribut à l'Eternel;

31 :38 trente-six mille boeufs, dont soixante-douze pour le tribut à l'Eternel.

31 :39 trente mille cinq cents ânes, dont soixante et un pour le tribut à l'Eternel;

31 :40 et seize mille personnes, **dont trente-deux pour le tribut à l'Eternel.**

"Jephthé, l'un des juges après la conquête de Canaan, a sacrifié sa fille unique au Dieu d'Israel pour la célébration d'une victoire militaire contre les Ammons ; "Samuel 'le prophète'" avait piraté de manière sacrificielle le corps de Agag devant Dieu ; David le poète roi sensible a donné les sept fils de Saul aux Gibeonites pour "les pendre à Dieu."

Un exemple ci-dessous, on peut voir comment le verset a été changé dans Juges 11 :39. Dans les autres, l'humain a été remplacé par un "agneau."

Juges 11 :34 Jephthé retourna dans sa maison à Mitspa. Et voici, sa fille sortit au-devant de lui avec des tambourins et des danses. C'était son unique enfant; il n'avait point de fils et point d'autre fille.

11 :35 Dès qu'il la vit, il déchira ses vêtements, et dit: Ah! Ma fille! Tu me jettes dans l'abattement, tu es au nombre de ceux qui me troublent! J'ai fait un vœu à l'Eternel, et je ne puis le révoquer.

11 :36 Elle lui dit: Mon père, si tu as fait un vœu à l'Eternel, traite-moi selon ce qui est sorti de ta bouche, maintenant que l'Eternel t'a vengé de tes ennemis, des fils d'Ammon.

11 :37 Et elle dit à son père: Que ceci me soit accordé: laisse-moi libre pendant deux mois! Je m'en irai, je descendrai dans les montagnes, et je pleurerai ma virginité avec mes compagnes.

11 :38 Il répondit: Va! Et il la laissa libre pour deux mois. Elle s'en alla avec ses compagnes, et elle pleura sa virginité sur les montagnes.

11 :39 Au bout des deux mois, elle revint vers son père, et il accomplit sur elle le vœu qu'il avait fait. Elle n'avait point connu d'homme. Dès lors s'établit en Israël la coutume.

11 :40 que tous les ans les filles d'Israël s'en vont célébrer la fille de Jephthé, le Galaadite, quatre jours par année.

N'est-ce pas évident ? Dans Juges 11 :35, Jephthé "déchire ses vêtements. Pour ceux qui ne sont pas familiarisé avec ce terme, c'est un terme hébreu et aussi une coutume ancienne de déchirer ses vêtements lors de la mort d'un proche. "J'ai fait un vœu à l'Eternel, et ne puis le révoquer." Il fit la promesse de sacrifier sa fille unique à Jehova. Cela saute aux yeux que Jehova a demandé cet acte en échange de la victoire envers ses ennemis et "les enfants de Ammon" comme il l'a annoncé "Je ne puis le révoquer."

Dans Juges 11 :37 sa fille affirme "Que ceci me soit accordé: laisse-moi libre pendant deux mois! Je m'en irai, je descendrai dans les montagnes, et je pleurerai ma virginité." "Que ceci me soit accordé" et "je pleurerai ma virginité." Ici c'est évident que Jehova demande de sacrifier une vierge.

Juges 11 :39 Lorsqu'elle revient voir son père "et il accomplit sur elle le vœu qu'il avait fait. Elle n'avait point connu d'homme." Et Juges 11 :40 "que tous les ans les filles d'Israël s'en vont célébrer la fille de Jephthé." Il est évident qu'il a sacrifié sa fille unique vierge pour Jehova qui a DEMANDE cet acte en échange de cette victoire pour Jephthé.

CANNIBALISME :

Deutéronome 28 :53 Au milieu de l'angoisse et de la détresse où te réduira ton ennemi, tu mangeras le fruit de tes entrailles, la chair de tes fils et de tes filles que l'Eternel, ton Dieu, t'aura donnés.

28 :54 L'homme d'entre vous le plus délicat et le plus habitué à la mollesse aura un œil sans pitié pour son frère, pour la femme qui repose sur son sein, pour ceux de ses enfants qu'il a épargnés.

28 :55 il ne donnera à aucun d'eux de la chair de ses enfants dont il fait sa nourriture, parce qu'il ne lui reste plus rien au milieu de l'angoisse et de la détresse où te réduira ton ennemi dans toutes tes portes.

28 :56 La femme d'entre vous la plus délicate et la plus habituée à la mollesse, qui par mollesse et par délicatesse n'essayait pas de poser à terre la plante de son pied, aura un œil sans pitié pour le mari qui repose sur son sein, pour son fils et pour sa fille;

28 :57 elle ne leur donnera rien de l'arrière-faix sorti d'entre ses pieds et des enfants qu'elle mettra au monde, car, manquant de tout, elle en fera secrètement sa nourriture au milieu de l'angoisse et de la détresse où te réduira ton ennemi dans tes portes.

28 :58 Si tu n' observes pas et ne mets pas en pratique toutes les paroles de cette loi, écrites dans ce livre, si tu ne crains pas ce nom glorieux et redoutable de l'Eternel, ton Dieu.

LE SACRIFICE DE SANG HUMAIN N'ETAIT PAS SUFFISANT, JEHOVA A DONNE DES INSTRUCITONS CLAIRES QUANT AUX RITUELS DE L'ABBATAGE DES ANIMAUX :

Exode 20 :24 Tu m'élèveras un autel de terre, sur lequel tu offriras tes holocaustes et tes sacrifices d'actions de grâces, tes brebis et tes bœufs. Partout où je rappellerai mon nom, je viendrai à toi, et je te bénirai.

Exode 24 :4 Moïse écrivit toutes les paroles de l'Eternel. Puis il se leva de bon matin; il bâtit un autel au pied de la montagne, et dressa douze pierres pour les douze tribus d'Israël.

24:5 Il envoya des jeunes hommes, enfants d'Israël, pour offrir à l'Eternel des holocaustes, et immoler des taureaux en sacrifices d'actions de grâces.

24:6 Moïse prit la moitié du sang, qu'il mit dans des récipients, et il répandit l'autre moitié sur l'autel.

24:7 Il prit le livre de l'alliance, et le lut en présence du peuple; ils dirent: Nous ferons tout ce que l'Eternel a dit, et nous obéirons.

24:8 Moïse prit le sang, et il le répandit sur le peuple, en disant: Voici le sang de l'alliance que l'Eternel a faite avec vous selon toutes ces paroles.

PLUS D'INSTRUCTIONS DE LA PART DE JEHOVA POUR LES SACRIFICES DE SANG:

Exode 23 :18 Tu n'offriras point avec du pain levé le sang de la victime sacrifiée en mon honneur; et sa graisse ne sera point gardée pendant la nuit jusqu'au matin.

Exode 29 :10 Tu amèneras le taureau devant la tente d'assignation, et Aaron et ses fils poseront leurs mains sur la tête du taureau.

29 :11 Tu égorgeras le taureau devant l'Eternel, à l'entrée de la tente d'assignation.

29 :12 Tu prendras du sang du taureau, tu en mettras avec ton doigt sur les cornes de l'autel, et tu répandras tout le sang au pied de l'autel.

29 :13 Tu prendras toute la graisse qui couvre les entrailles, le grand lobe du foie, les deux rognons et la graisse qui les entoure, et tu brûleras cela sur l'autel.

29 :14 Mais tu brûleras au feu hors du camp la chair du taureau, sa peau et ses excréments: c'est un sacrifice pour le péché.

29 :15 Tu prendras l'un des béliers, et Aaron et ses fils poseront leurs mains sur la tête du bélier.

29 :16 Tu égorgeras le bélier; tu en prendras le sang, et tu le répandras sur l'autel tout autour.

29 :17 Tu couperas le bélier par morceaux, et tu laveras les entrailles et les jambes, que tu mettras sur les morceaux et sur sa tête.

29 :18 Tu brûleras tout le bélier sur l'autel; c'est un holocauste à l'Eternel, c'est un sacrifice consumé par le feu, d'une agréable odeur à l'Eternel.

29 :19 Tu prendras l'autre bélier, et Aaron et ses fils poseront leurs mains sur la tête du bélier.

29 :20 Tu égorgeras le bélier; tu prendras de son sang, tu en mettras sur le lobe de l'oreille droite d'Aaron et sur le lobe de l'oreille droite de ses fils, sur le pouce de leur main droite et sur le gros orteil de leur pied droit, et tu répandras le sang sur l'autel tout autour.

29 :21 Tu prendras du sang qui sera sur l'autel et de l'huile d'onction, et tu en feras l'aspersion sur Aaron et sur ses vêtements, sur ses fils et sur leurs vêtements. Ainsi seront consacrés Aaron et ses vêtements, ses fils et leurs vêtements.

29 :22 Tu prendras la graisse du bélier, la queue, la graisse qui couvre les entrailles, le grand lobe du foie, les deux rognons et la graisse qui les entoure, et l'épaule droite, car c'est un bélier de consécration;

29 :23 tu prendras aussi dans la corbeille de pains sans levain, placée devant l'Eternel, un gâteau de pain, un gâteau à l'huile et une galette.

29 :24 Tu mettras toutes ces choses sur les mains d'Aaron et sur les mains de ses fils, et tu les agiteras de côté et d'autre devant l'Eternel.

29 :25 Tu les ôteras ensuite de leurs mains, et tu les brûleras sur l'autel, par-dessus l'holocauste; c'est un sacrifice consumé par le feu devant l'Eternel, d'une agréable odeur à l'Eternel.

29 :26 Tu prendras la poitrine du bélier qui aura servi à la consécration d'Aaron, et tu l'agiteras de côté et d'autre devant l'Eternel: ce sera ta portion.

29 :27 Tu sanctifieras la poitrine et l'épaule du bélier qui aura servi à la consécration d'Aaron et de ses fils, la poitrine en l'agitant de côté et d'autre, l'épaule en la présentant par élévation.

29 :28 Elles appartiendront à Aaron et à ses fils, par une loi perpétuelle qu'observeront les enfants d'Israël, car c'est une offrande par élévation; et, dans les sacrifices d'actions de grâces des enfants d'Israël, l'offrande par élévation sera pour l'Eternel.

29 :29 Les vêtements sacrés d'Aaron seront après lui pour ses fils, qui les mettront lorsqu'on les oindra et qu'on les consacrera.

29 :30 Ils seront portés pendant sept jours par celui de ses fils qui lui succédera dans le sacerdoce, et qui entrera dans la tente d'assignation, pour faire le service dans le sanctuaire.

29 :31 Tu prendras le bélier de consécration, et tu en feras cuire la chair dans un lieu saint.

Lévitique Chapitre 1

1 :1 L'Eternel appela Moïse; de la tente d'assignation, il lui parla et dit:

1 :2 Parle aux enfants d'Israël, et dis-leur: Lorsque quelqu'un d'entre vous fera une offrande à l'Eternel, il offrira du bétail, du gros ou du menu bétail.

1 :3 Si son offrande est un holocauste de gros bétail, il offrira un mâle sans défaut; il l'offrira à l'entrée de la tente d'assignation, devant l'Eternel, pour obtenir sa faveur.

1 :4 Il posera sa main sur la tête de l'holocauste, qui sera agréé de l'Eternel, pour lui servir d'expiation.

1 :5 Il égorgera le veau devant l'Eternel; et les sacrificateurs, fils d'Aaron, offriront le sang, et le répandront tout autour sur l'autel qui est à l'entrée de la tente d'assignation.

1 :6 Il dépouillera l'holocauste, et le coupera par morceaux.

1 :7 Les fils du sacrificateur Aaron mettront du feu sur l'autel, et arrangeront du bois sur le feu.

1 :8 Les sacrificateurs, fils d'Aaron, poseront les morceaux, la tête et la graisse, sur le bois mis au feu sur l'autel.

1 :9 Il lavera avec de l'eau les entrailles et les jambes; et le sacrificateur brûlera le tout sur l'autel. C'est un holocauste, un sacrifice consumé par le feu, d'une agréable odeur à l'Eternel.

1 :10 Si son offrande est un holocauste de menu bétail, d'agneaux ou de chèvres, il offrira un mâle sans défaut.

1 :11 Il l'égorgera au côté septentrional de l'autel, devant l'Eternel; et les sacrificateurs, fils d'Aaron, en répandront le sang sur l'autel tout autour.

1 :12 Il le coupera par morceaux; et le sacrificateur les posera, avec la tête et la graisse, sur le bois mis au feu sur l'autel.

1 :13 Il lavera avec de l'eau les entrailles et les jambes; et le sacrificateur sacrifiera le tout, et le brûlera sur l'autel. C'est un holocauste, un sacrifice consumé par le feu, d'une agréable odeur à l'Eternel.

1 :14 Si son offrande à l'Eternel est un holocauste d'oiseaux, il offrira des tourterelles ou de jeunes pigeons.

1 :15 Le sacrificateur sacrifiera l'oiseau sur l'autel; il lui ouvrira la tête avec l'ongle, et la brûlera sur l'autel, et il exprimera le sang contre un côté de l'autel

1 :16 Il ôtera le jabot avec ses plumes, et le jettera près de l'autel, vers l'orient, dans le lieu où l'on met les cendres.

1 :17 Il déchirera les ailes, sans les détacher; et le sacrificateur brûlera l'oiseau sur l'autel, sur le bois mis au feu. C'est un holocauste, un sacrifice consumé par le feu, d'une agréable odeur à l'Eternel.

Lévitique Chapitre 7

7 :1 Voici la loi du sacrifice de culpabilité: c'est une chose très sainte.

7 :2 C'est dans le lieu où l'on égorge l'holocauste que sera égorgée la victime pour le sacrifice de culpabilité. On en répandra le sang sur l'autel tout autour.

7 :3 On en offrira toute la graisse, la queue, la graisse qui couvre les entrailles.

7 :4 les deux rognons, et la graisse qui les entoure, qui couvre les flancs, et le grand lobe du foie, qu'on détachera près des rognons.

7 :5 Le sacrificateur brûlera cela sur l'autel en sacrifice consumé devant l'Eternel. C'est un sacrifice de culpabilité.

7 :14 On présentera par élévation à l'Eternel une portion de chaque offrande; elle sera pour le sacrificateur qui a répandu le sang de la victime d'actions de grâces.

LE "SEIGNEUR" A BESOIN DE CHAQUE GOUTTE DE CE SANG DE CE SACRIFICE :
Lévitique 7 :27 Celui qui mangera du sang d'une espèce quelconque, celui-là sera retranché de son peuple.

Ici, on a besoin de beaucoup plus de sacrifice pour enlever la malédiction de la lèpre :

Lévitique 14 :34 Lorsque vous serez entrés dans le pays de Canaan, dont je vous donne la possession; si je mets une plaie de lèpre sur une maison du pays que vous posséderez,

14 :49 Il prendra, pour purifier la maison, deux oiseaux, du bois de cèdre, du cramoisi et de l'hysope.

14 :50 Il égorgera l'un des oiseaux sur un vase de terre, sur de l'eau vive.

14 :51 Il prendra le bois de cèdre, l'hysope, le cramoisi et l'oiseau vivant; il les trempera dans le sang de l'oiseau égorgé et dans l'eau vive, et il en fera sept fois l'aspersion sur la maison.

14 :52 purifiera la maison avec le sang de l'oiseau, avec de l'eau vive, avec l'oiseau vivant, avec le bois de cèdre, l'hysope et le cramoisi.

14 :53 Il lâchera l'oiseau vivant hors de la ville, dans les champs. C'est ainsi qu'il fera pour la maison l'expiation, et elle sera pure.

14 :54 Telle est la loi pour toute plaie de lèpre et pour la teigne,

14 :55 pour la lèpre des vêtements et des maisons,

14 :56 pour les tumeurs, les dartres et les taches ;

14 :57 elle enseigne quand une chose est impure, et quand elle est pure. Telle est la loi sur la lèpre.

Voici plus d'exemples de sacrifices de sang humain pour Jehova :

Lévitique 8 :14- 32

Lévitique 9 :1- 24

Lévitique 14:1- 5

Lévitique 14:12-28

Lévitique 23:12-21

Nombres 19:1- 7

Josué Chapitre 10 – Rien d'autre que des meurtres de masse

Juges 1 :1- 18 Encore plus de bain de sang et de meurtres de masse

Juges 3 :27-31

Cela continue encore et encore, avec des meurtres en masse sans fin. Le mot "sang" est utilisé encore et encore. Cela devrait être évident.

On doit tous garder à l'esprit que le Nazaréen était le sacrifice humain ultime ; la phrase "mange son corps et bois son sang" est répétée pendant presque toutes les messes chrétiennes autour du monde.

La messe chrétienne : une simulation d'un sacrifice de sang humain.

L'article ci-dessus et cet article : Jehova : "un meurtrier et un menteur depuis le début" révèlent bain de sang après bain de sang, la conquête et le génocide des non-juifs par les mains des juifs.

La Messe Chrétienne et le Lien avec les Rituels Meurtriers juifs

A cause de plusieurs siècles de répression violente de la connaissance spirituelle, la plupart des gens n'en sont pas conscient, mais ils sont aussi incapables de voir certaines vérités. Ceci est une façon pour l'ennemi de conquérir ; en créant un point aveugle dans l'âme, où la spiritualité est désarmée ; le fameux "sixième sens" manque à certaines personnes, et chez d'autres, il est complètement absent.

Des millions de gens malheureux sont et ont été déçu par les programmes chrétiens et musulmans ; leur seule intention est de détruire la connaissance spirituelle et de la remplacer par des mensonges pour détruire l'humanité et toutes les créatures présentes sur cette terre.

La bible judéo/chrétienne met en garde ses fidèles contre les pouvoirs de l'esprit et la "sorcellerie" pour qu'ils puissent ne pas voir à travers les mensonges qui sont présent tous les jours.

Les juifs, qui sont des parasites de nature ont toujours utilisés les non-juifs comme des hôtes spirituels ; de qui ils peuvent se nourrir... ce n'est pas plus différent que les extraterrestres gris qui se nourrissent de leur collection d'âmes. La plupart d'entre vous sont déjà familiarisés avec les "meurtres rituels juifs." Pendant les fêtes juives, des rabbins enlèvent des enfants non-juifs et les utilisent pour les sacrifier à Jehova. L'enfant est emmené dans une pièce secrète de la synagogue, attaché à une croix et ensuite torturé à mort avec son sang qui s'égoutte des ses mains et de ses pieds, pendant que l'enfant est toujours vivant et conscient, et ensuite son sang est bu par les rabbins. Cet acte odieux a été exécuté depuis des siècles et c'est pour cela que les juifs ont endurés des pogroms [attaque de communauté juive par les non-juifs], et ont été contraint d'être expulsés dans presque tous les pays du monde, sauf aux USA, et ils ont été haïs à l'extrême par toutes les races des non-juifs. Ceci n'est qu'un exemple... Je pourrais continuer encore et encore des crimes que les juifs ont commis, mais le but de ce sermon est de comprendre comment tout ceci a un lien avec la masse chrétienne.

Pour plus d'informations sur cette pratique, lisez les articles "2000 années de rituels meurtriers juifs" et "les meurtres rituels"

Il y avait le titre d'un livre que j'ai noté sur l'étagère d'une librairie publique ; écrit par un rabbin juif, et le titre était "Tu prospéreras." Ceci est aussi présent dans la bible. Ce titre est une référence spécialement pour les juifs. Presque tout le monde est conscient que cette race possède succès, richesse et pouvoir depuis des siècles. Ceci est le résultat de leur abus de pouvoir concernant le pouvoir occulte, et tout ceci a un lien avec le christianisme.

Comme je l'ai déjà mentionné, la bible judéo-chrétienne est un livre de sorcellerie juive. Les versets, les nombres, etc. Pour en avoir conscient, il faut connaître la sorcellerie, les mots de pouvoir, et plus que tout, connaître comment les messages subliminaux, et les pouvoirs de l'esprit fonctionnent afin que nos intentions puissent se manifester dans la réalité.

Comme tous les travaux juifs, le subliminal est utilisé pour créer la connexion nécessaire afin d'établir un lien de l'énergie dans le subconscient. Pour comprendre ceci, il faut connaître la sorcellerie et les pouvoirs de l'esprit. C'est pourquoi la bible met en garde et effraie les non-juifs envers tout ce qui est spirituel... "Tu ne dois point laisser vivre la magicienne" et autre connerie telle que "brûler dans un lac de feu" etc. De plus, j'ai remarqué plus tôt que ce sont des malédictions qui nous empêchent d'utiliser les pouvoirs de notre esprit, et cette méthode est utilisée pour effrayer ceux qui s'essaieraient à la sorcellerie.

"Mange-moi... Bois-moi."

Le thème principal de la messe chrétienne est une simulation d'un sacrifice humain. LA plupart des gens ne le voit pas, et n'en sont pas conscient à cause de leur lavage de cerveau. Le Nazaréen, est sacrifié dans un sacrifice de sang humain pour Jehova. Je me rappelle très bien des phrases répétées sans cesse par le prêtre pour qu'une connexion soit établie "Ceci est le corps du christ" et ensuite cette stupide hostie où le croyant mange le "corps du christ." Maintenant on sait que le Nazaréen fut cloué à une croix ; les quatre coins, ce n'est pas plus différent que les enfants non-juifs que les juifs utilisent dans leurs sacrifices. Ceci crée une connexion nécessaire qui entretiennent les énergies pour les rituels meurtriers juifs, ce qui apporte du succès à la race juive, surtout dans la richesse matérielle.

D'une part, chaque messe catholique [pour les protestants, c'est la même chose], les versets identiques sont répétés dans les esprits des croyants, encore et encore, et encore et encore :

"Dans la nuit où il fut trahit, il prit le pain et rendit grâce et louange. Il coupa le pain, le donna à ses disciples et dit :

Prenez ceci, tous, et mangez-le : ceci est mon corps qui vous sera livré."

"Lorsque le dîner était fini, il prit la coupe. De nouveau, il rendit grâce et louange, donna la coupe à ses disciples et dit :

Prenez ceci, et buvez : cette coupe est mon sang."

VOUS VOYEZ LA CONNEXION ??? C'EST EVIDENT QU'IL S'AGIT D'UN SACRIFICE HUMAIN !!

Les gens ne peuvent pas le voir car ils ont été aveuglés spirituellement. Je vois différentes sortes de choses car j'ai détruit les murs dans mon esprit et je me rappelle il y a juste quatre semaines, lorsque j'entendais les chants de Noël qui résonnaient dans les haut-parleurs d'un magasin, il était évident que ces chrétiens inconscient étaient en train de chanter pour leur propre damnation.

Pour créer une distraction nécessaire et rendre leurs victimes confuses, les juifs ont toujours prétendu être persécutés par les chrétiens. Ils font semblant d'être en contradiction avec le christianisme. Si on voit au-dessus de ça, on peut voir ce qui est en face de nous. La bible elle-même a les mots "juif" "juifs" "Israël" et autres qui sont écrits sur chaque page, et avec tous ça, le peuple juif est honoré et exalté. La bible suit un thème subliminal qui indique les non-juifs sont conquis

dans l'Ancien Testament par les juifs et leur dieu Jehova. Après toute cette conquête, le Nazaréen, le messie juif tant attendu arrive sur scène. Juif depuis la naissance jusqu'à la mort. Pour plus d'informations, voir, l'article "l'Archétype juif."

Le personnage du Nazaréen juif a été inventé d'un concept, d'une idée, celle du pouvoir, du "vril." Pour lire l'article en entier sur le sujet, lisez "la vérité sur Jesus Christ."

De nouveau, pour qu'un travail spirituel soit efficace, dans la plupart des cas, il doit y avoir une sorte de connexion dans l'esprit de la victime. La plupart des chrétiens ne peuvent pas voir que Jehova était un "meurtrier et un menteur" depuis le début. Le Nouveau Testament continue son récit avec le Nazaréen qui devient ensuite un sacrifice humain... tué et sacrifié à Jehova, le meurtrier sanguinaire et "père" sadique. D'une certaine façon, ceci traduit les meurtres d'enfants. Car l'esprit d'un enfant est, dans la plupart des cas, limité en ce qui concerne les expédients personnelles qui déterminent les attitudes et la personnalité, les enfants sont les premières victimes. Le christianisme est bien connu pour utiliser les enfants comme proies, tout comme les anges, et bien sûr, les juifs. Ils savent qu'ils peuvent utiliser l'énergie des enfants comme bon leur semble, car il y a peu de résistance au niveau spirituel.

Ensuite, le dernier cap avec tout ça est la "deuxième venue du christ" qui est en vérité un autre canular désigné pour diriger les énergies spirituelles et croyances des non-juifs à travers l'esprit de masse afin de rendre possible le retour du Messie dans la réalité.

Extrait du Talmud juif :

Simeon Haddarsen, fol. 56-D: "Lorsque le Messie arrivera, chaque juif aura 2800 esclaves."

La plupart des gens n'en sont pas conscients, et ne peuvent pas le voir. Voici un autre sermon qui explique comment les juifs utilisent le pouvoir occulte :
JoSNewsletter/message/385

En voici un extrait :

La vidéo ci-dessous [et je recommande à tous le monde de la regarder] n'a rien de nouveau et expose délibérément les juifs et comment ils abusent du pouvoir occulte, le pouvoir de la suggestion et messages subliminaux pour créer une connexion dans le subconscient, qui manifestent leur désir dans la réalité. Les tueries avaient pour but d'instituer le contrôle des armes à feu. Beaucoup de gens, tel que l'auteur de la vidéo posté ci-dessous, n'ont pas conscience du pouvoir des juifs, qui se nourrissent et dirigent l'énergie que les croyants du programme chrétien fournissent à leurs maîtres juifs. Ils ne se doutent pas que les juifs sont derrière tout ça, et font des suppositions qui n'ont même pas de sens :

Sandy Hook and Batman shootings announced in Movie Batman and Dark Knight Rise <https://www.youtube.com/watch?v=c8nTZKpmtlQ>

L'abus des pouvoirs occultes de la part des juifs provient de leur gématrie. Le 11 Septembre est encore un exemple... flagrant. Il y a quelques années, un collègue m'a montré comment on peut plier un billet de 20 dollars d'une certaine façon pour que, à l'arrière du billet, on voit les twin towers en fumée. Regardez sur internet, je n'ai pas le temps de voir les sites qui ont ça. Mais soudainement, après le 11 Septembre, les anciennes versions du billet de 20 dollars plié d'une certaine façon, ont été retirés. Ils ont fait croire à la population que "ils étaient trop facile pour contrefaire." Eh bien ils ont facilement disparus, puisque beaucoup de gens connaissaient cette astuce. Le billet de 20 dollars est la monnaie la plus courante utilisée aux USA.

D'autres contiennent les assassinats des présidents. J'ai fait des recherches à ce sujet il y a quelques années. Regardez le nom de Lincoln, les dates et les nombres et comme il y a une étrange connexion entre eux, ce qui indique clairement leur version de la sorcellerie. Le 11 Septembre est encore un exemple flagrant- la date, les numéros de vols, les nombres dans New York (il y a 11 lettres). Faites juste votre propre recherche à ce sujet.

Pour finir, les doctrines suicidaires, et les enseignements qui présentent la pauvreté comme une vertu, et le rejet des richesses matérielles, s'assurent que les juifs prospèrent et que toute richesse et pouvoir soit entre leurs mains. Ces enseignements suicidaires sont enracinés dans l'esprit des non-juifs depuis leur plus jeune âge, s'assurant que cela dure pour plusieurs vies.

Extrait du Talmud juif :

Seph. Jp., 92, 1 : "Dieu a donné aux juifs pouvoir sur les possessions et le sang de toutes les nations."

Schulchan Aruch, Choszen Hamiszpat 348: "Toute propriété des autres nations appartient à la nation juive, qui, par conséquent, a le droit de s'en approprier sans aucun scrupule."

Schulchan Aruch, Choszen Hamiszpat 156: "Lorsqu'un juif a un non-juif dans ses griffes, un autre juif peut aller vers ce même non-juif, lui prêter de l'argent, et lui mentir en retour, pour que le non-juif puisse être ruiné. Car la propriété d'un non-juif, selon nos lois, n'appartient à personne, et le premier juif qui passe a tout les droits de la saisir."

Derrière tout ça, les juifs sont les premiers à pousser le christianisme, alors qu'ils essaient de mentir au monde entier en leur faisant croire le contraire. Je le vois partout, car j'en ai conscience. Même avec les petites choses sans importance, telles que les puzzles, la plupart sont conçus par des auteurs juifs et il y a des références sans fin au christianisme et cette sale bible. Comme si tout le monde était supposé connaître ces sales personnages juifs et autre pourritures d'archétypes. Comme si c'était supposé être une connaissance que l'on a accepté au quotidien.

La Sainte Bible: Un Livre de Sorcellerie juive

Il n'y a rien de "saint" pour l'avancement spirituel ou l'amélioration de l'humanité dans la bible. Regardez les nombres, les livres, les écritures et leurs contenus et vous verrez ce qu'il en est vraiment ; c'est un livre de sorcellerie juive, qu'ils utilisent pour asservir la population. Le but principal de cet article est d'expliquer avec des termes simples, comment ils s'y prennent.

Pour ceux d'entre vous qui ne sont pas familiarisés avec ce genre de choses, telles que la "sorcellerie", je vais vous expliquer pour que vous puissiez comprendre comment ça fonctionne. Regardez autour de vous, tout ce que vous voyez, votre écran d'ordinateur, votre chaise, votre lit, vos meubles, les voitures, bâtiments, fenêtres... tout ce que vous voyez a été l'idée de quelqu'un avant que cette idée se matérialise physiquement dans le monde réel. Je vais ajouter quelques exemples, telles que la science. Par exemple, les orages se manifestent d'eux-mêmes ; l'air humide et chaud qui se heurte à l'air frais. Mais la plupart des choses ici étaient l'idée de quelqu'un.

Beaucoup d'entre vous connaissent les chapeaux pointus des sorciers, ainsi que leurs oreilles pointues. Ils ont parfois des étoiles sur ces mêmes chapeaux. La signification symbolique du chapeau pointu représente l'énergie qui surgit jusqu'au dessus de la tête. Ceci est également symbolisé par les pyramides Egyptiennes. On a besoin de l'énergie pour qu'elle puisse manifester l'idée dans la réalité. L'énergie est un peu comme l'eau, dans le fait qu'elle prendra le chemin le plus facile si elle n'est pas dirigée correctement. Un rituel de sorcellerie a besoin d'énergie et la concentration de l'esprit. Plus le rituel est important, plus on a besoin de planifier avant de le faire. Et par planifier, je veux dire qu'il faut connaître les planètes qui seront bénéfiques pour le rituel. [D'où les étoiles sur le chapeau pointu], en plus de l'heure, et de la connaissance. Plus vous avez de force qui sont en harmonie avec votre rituel, plus votre rituel sera efficace, surtout les nombres, car la vie est faite de nombres...l'heure.

Les travaux sont autorisés par le coté droit du cerveau [féminin]. Ce coté du cerveau contrôle le subconscient et c'est aussi le côté passif du cerveau. Le côté gauche, quant à lui est le masculin, la partie logique qui dirige le rituel. Plus il y a d'énergie qui est dirigée vers le rituel, plus il y a de chances de se manifester dans la réalité. Les petites choses n'ont pas besoin d'autant d'énergie, mais pour contrôler le monde, et ce que je vais vous révéler dans cet article, il faut faire en sorte pour que le subconscient de l'esprit de la population participe. Les gens n'en sont pas conscients. C'est pour cette raison que la bible est dans presque tous les foyers, car la bible agit en tant que receveur du subconscient et possède un pouvoir subliminal, une connexion avec les nombres, les versets, et si on compte un nombre énorme d'énergie psychique qui y a été transmis par les croyants depuis des siècles, la bible a par conséquent de grands pouvoirs. Les fidèles sont liés à cette énergie de manière subconsciente, à l'insu de la plupart d'entre eux, qui sont contrôlés. Ceci est un résumé très bref qui explique comment les pouvoirs de l'esprit et de l'âme fonctionnent. Pour en savoir davantage, étudiez le subconscient de l'esprit, surtout comment certaines

personnes sont capables d'obtenir des informations sur un livre juste en le tenant dans les mains tout en se concentrant dessus, sans avoir à le lire. Cela devrait vous donner une petite idée des pouvoirs de la bible. C'est pourquoi les versets de la bible sont la plupart du temps connus par cœur, car ils ont scellés dans le subconscient, et cela touche l'esprit de masse de la population, et devient donc un outil puissant pour un rituel.

De plus, peu d'entre vous connaissent les messages subliminaux. On a souvent entendu ou lu la façon dont les publicités, la musique, et autre médias, utilisent les messages subliminaux qui ne sont pas détectés par notre esprit conscient. Nous n'en avons pas conscience, mais ces messages fonctionnent et ils influencent les gens. A la fin de cet article, il y a des liens vers des vidéos de Youtube [en anglais] qui démontrent ceci. Pour embrouiller les gens davantage, on accuse Satan, comme par exemple pour les "messages" du 11 Septembre ; mais avec un peu de recherches, on voit clairement que c'est le contraire. Ces messages subliminaux proviennent de la bible judéo-chrétienne. Ce n'est pas plus différent que ce fameux canular juif du mensonge de "l'holocauste" avec ces "six millions." Regardez comme le chiffre six est fréquemment utilisé. Les publicités médiatiques sans fin, agissent comme une distraction majeure, et sont des diversions des véritables atrocités, des meurtres de masses, de tortures, et la brutalité, commis par les programmes communistes juifs.

Certains d'entre vous se rappellent après le 11 Septembre, beaucoup de gens pliaient les billets de 20 dollars d'une certaine façon, car on pouvait voir les twin towers en flamme. Les billets de 20 dollars furent très rapidement remplacés par une nouvelle version. Ils ont tous disparus très vite. L'excuse donnée au public était que ces billets pouvaient être contrefaits trop facilement. La vraie raison était à cause de la conception du billet et le message subliminal qu'il contenait.

Le nombre onze est un nombre de chaos, destruction et de désintégration, d'après la bible. Maintenant que cette sale bible est presque dans tous les foyers, beaucoup de gens adhèrent aux enseignements chrétiens, et ils y croient, tout comme le billet de 20 dollars, c'est un outil subliminal puissant, même bien plus que le billet de 20 dollars, car la bible était là depuis bien longtemps, et à l'international. Ainsi, lorsque les juifs qui sont au plus haut rang accomplissent leurs rituels en groupes, ils utilisent les nombres et versets de la bible pour arriver à leur fin. D'après ce que j'ai compris, certains de ces versets sont "vibrés" en hébreu en boustrophédon, c'est-à-dire en zigzag. Ils se balancent aussi d'avant en arrière lorsqu'ils "prient" en groupe.

Les nombres 10 et 12 dans la bible sont supposés être des nombres parfaits.

- Les 12 fils de Jacob moins Joseph ["l'un n'est pas"- Genèse 42 :13] sans qui les autres 11 n'auraient pas survécus. Notez * la Genèse est le premier livre de la bible ; Genèse = 1+42+13= 56, ce qui se réduit à 11. En plus du verset en lui-même.
- Le roi Jehoiakim [2 chronique 36:5-6] a régné 11 ans avant Nebuchadnezzar l'emmène en captivité [sa chute et la fin de son règne.]
- Le roi Zedekiah [Jérémie 52:1-11] a régné 11 ans avant que Nebuchadnezzar l'emprisonne, tue sa famille et le mutile.
- Dans la 11^{ème} année de la captivité babylonienne, Ezéchiel prédit la chute et la destruction de Tyrus, [Ezéchiel 26 :1-5]

- Dans la 11^{ème} année de la captivité babylonienne, Ezéchiel prédit la chute et la destruction d’Egypte, [Ezéchiel 30 :20-26]

Regardez aussi dans les extraits ci-dessus, si vous faites une lecture approfondie, ils se rebellent tous contre les juifs et ils étaient puni pour ça. Les extraits ci-dessus servent d’exemple... il y en a beaucoup plus.

Maintenant, le nombre 9 est un nombre qui représente la fin. Regardez comment les versets bibliques se concentrent sur le nombre 11, et le relie à la destruction et à la chute.

Je ne fais pas faire en sorte pour que cet article soit trop long, car je vais avoir plus d’exemples et autres prochainement. Le livre de Job [souffrance] est utilisé pour maudire ses ennemis dans beaucoup de circonstances. Le bombardement de Dresden a été effectué lors d’une fête chrétienne, le mercredi des cendres, et la ville a été réduite en cendres. Je pourrais citer beaucoup d’autres exemples, mais si on prend en compte les similitudes, on a :

Le 15 Mars 2004, il y avait exactement 911 entre les attaques du 11 Septembre 2001 et les attaques des trains à Madrid, en Espagne le 11 Mars 2004.

- Madrid, Espagne possède 11 lettres.
- New York City à 11 lettres.
- Les attaques américaines ont eu lieu le 11 Septembre 2001.
- Les attaques de Madrid ont eu lieu le 11 Mars 2004.
- Il y avait 911 jours entre les attaques du 11 Septembre et celles de Madrid [$9 + 1 + 1 = 11$].
- Les attaques de Madrid ont eu lieu lors du 11^{ème} Jeudi de l’année.
- Le 11 Septembre est le 254^{ème} jour de l’année [$2 + 5 + 4 = 11$].
- Après le 11 Septembre, il y a 111 jours avant la fin de l’année.
- Le 11 Septembre à 9 lettres et 2 nombres [$9 + 2 = 11$]
- Le 11 Mars 2004 à 5 lettres and 6 nombres [$5 + 6 = 11$].
- Chaque bâtiment a 110 histoires [$11 \times 10 = 110$].
- Les attaques de trains à Madrid ont laissés 191 personnes mortes [$1 + 9 + 1 = 11$].
- Le 11 Septembre 2002, les noms des 2801 victimes des attaques du World Trade Center ont été lus à voix haute [$2 + 8 + 0 + 1 = 11$].
- Les Twin Towers qui étaient côte à côte donnent l’impression de représenter le nombre 11.
- Le premier avion qui a frappé les tours était le vol 11.
- Le vol 11 a eu 92 passagers à bord [$9 + 2 = 11$].
- Le vol 11 a eu 11 membres de l’équipage.
- Le vol 77 a frappé le Pentagone [$11 \times 7 = 77$].
- Le vol 77 a eu 65 passagers à bord [$6 + 5 = 11$].
- 911 est le nombre à appeler en cas d’urgence [$9 + 1 + 1 = 11$].
- New York était le 11^{ème} Etat ajouté à l’Union.
- L’île de Manhattan a été découverte le 11 Septembre 1609 par Henry Hudson -11 lettres.
- L’Arabie saoudite à 11 lettres en anglais [Saudi Arabia].
- Afghanistan à 11 Lettres.

Regardez comme le nombre 11 est lié avec tout ça avec le 9. L'énergie astrale cherche le chemin le plus facile. Ce n'est pas étonnant que les Franc-maçons, qui sont contrôlés par les juifs, se réfèrent à la bible lors de leur initiation. Etant donné que dans chaque page de cette sale bible, on retrouve le mot "juif" "juifs" "Israël" "Jérusalem" et autres ; le Nazaréen et compagnie- tous des juifs, et étant donné que les juifs proclament qu'ils sont "le peuple élu de Dieu" et qu'ils sont placés sur un piédestal dans la bible, ce n'est pas surprenant qu'ils sont si puissants, et qu'ils ont secrètement contrôlés le monde, à l'insu du monde entier, et ce, depuis des siècles.

Satan, lui-même m'a montré comment ces rituels sont comme un effet domino. Une fois que quelque chose est mis en mouvement dans l'astral, les énergies misent en place recherche les énergies et les choses se lient. Avec l'étrange et inquiétante coïncidence des nombres [ceci n'est qu'un extrait, il y en a plein d'autres], cela révèle que ce n'est pas un acte fait par hasard, mais que c'était un rituel occulte réalisé délibérément.

J'aimerais aussi ajouter de quelle façon les juifs mettent l'accent sur le chiffre 6. Ne le confondez pas avec "666" qui a une signification différente.

Soyez juste vigilant et vous verrez ce que je veux dire. Par exemple, les six millions pour ce canular d'holocauste, le communisme juif à ses fêtes importes 1^{er} Mai ; 5/1 ; $5 + 1 = 6$. Avec ça, on peut encore continuer. Israël à 6 lettres. Faites attention aux news, et aussi à l'histoire ; et à tout ce qui un lien avec les juifs, et vous comprendrez ce que je veux dire. Dans la bible, le nombre 6 est le nombre de l'homme sans pouvoir spirituel. Le 7, quant à lui, possède un lien avec les 7 chakras, le pouvoir spirituel qui émanent d'eux, ainsi que la perfection spirituelle. Le 6 est aussi un nombre de dur labeur. Le travail a été réalisé en 6 jours et le 7^{ème}, c'était le repos.

"Le nombre 6 est relié à tout ce qui est en rapport avec le labeur. Nous le voyons dans ses actions, qu'il utilise dans son travail, et le temps durant lequel il travail. Et on le voit depuis le début."

Toute cette concentration et l'utilisation du nombre 6 met en place une vibration dans le monde astral, tout ça pour l'avancement dans leur Etat de communiste et d'ordre mondial. Le communisme est le labeur d'esclave. Avec l'Etat communiste, les juifs deviennent "dieu" et toute connaissance spirituelle est remplacée avec l'athéisme matériel. **Seulement les juifs les plus hauts placés connaissent les secrets de l'occultisme et ils utilisent leurs malédictions et autres rituels sur une population inconsciente et sans défense pour faire ce qu'ils veulent.** Le christianisme, est un point de départ pour le communisme. De plus, le christianisme est un concept tellement répugnant et ignoble, que beaucoup de gens, sans le savoir, acceptent et favorisent l'athéisme.

Pour conclure, tout comme beaucoup d'autres choses, des imbéciles ignorants, accusent Satan et nos Dieux Paiens. La plupart des chrétiens n'ont pas l'intelligence ou la force de caractère d'étudier l'occultisme. Il y a également des passages dans cette bible que les juifs utilisent pour effrayer les gens et les désister à s'intéresser à ce sujet. Je me rappelle quand le Satanisme était nouveau pour moi, j'ai eu une mauvaise expérience, mais cela n'a fait

qu'accroître ma curiosité. On ne peut pas avoir peur. Les juifs et leurs cohortes extraterrestres ont utilisés la peur comme un outil de contrôle depuis des siècles. Dans les pays communistes, la population vit constamment dans la peur. C'est aussi avec la bible, comme tout le reste qui concerne le communisme juif.

J'aurais davantage d'informations, et bien d'autres exemples qui expliquent comment la bible n'est rien de plus qu'un livre de sorcellerie juive, de par les nombres ; la numérogie biblique, et comment la bible est toujours dans les esprits de la population ; elle est dans la plupart des foyers, des chambres d'hôtels, et partout ailleurs. Tout le monde est familiarisé avec ça, et connaît ce que la bible prétend être.

Le monde a besoin de se réveiller. S'il vous plait, éduquez les autres, distribuer ceci et autres articles du site JoS, et travaillez pour Satan. Satan signifie "vérité" en Sanskrit."

LE 11 SEPTEMBRE ETAIT AUSSI UNE ATTAQUE SPIRITUELLE [LA TOUR DE BABEL]

Ci-dessous un extrait de la Torah :

(Genèse 11:9) C'est pourquoi on l'appela du nom de Babel, car c'est là que l'Eternel confondit le langage de toute la terre, et c'est de là que l'Eternel les dispersa sur la face de toute la terre.

Regardez: 11:9

Aux USA, les dates se lisent mois/jour, mais dans le monde entier, et dans l'armée, on lit d'abord le jour et ensuite le mois. Donc, dans la plupart des pays en dehors des USA, ce serait 11/9 et non pas 9/11. C'était aussi une attaque spirituelle pour diviser, et détruire toutes communications.

Voici d'autres passages avant celui-ci :

(Gen. 11:6) Et l'Eternel dit: Voici, ils forment un seul peuple et ont tous une même langue, et c'est là ce qu'ils ont entrepris; maintenant rien ne les empêcherait de faire tout ce qu'ils auraient projeté.

(Gen.11 :7) Allons! Descendons, et là confondons leur langage, afin qu'ils n'entendent plus la langue, les uns des autres.

La Tour de Babel est en rapport avec l'élévation du Serpent [la construction de la tour est une analogie]. Avec le pouvoir du Serpent, la communication télépathique et toute connaissance sont possibles, et avec la communication télépathique, il n'y a plus de barrière, puisque la communication est filtrée à travers la glande pinéale depuis le communicateur dans n'importe quelle langue parlée et comprise par la personne qui reçoit. C'est pourquoi certaines communications télépathiques sont parfois sur "off." Les mots spécifiques ne sont pas toujours filtrés parfaitement, d'une part, à cause d'une glande pinéale qui

n'est pas activée, et d'autre part, il y a parfois des différences majeures dans les langues. Dans certaines langues, il n'y a pas d'expression ou mot équivalent dans cette autre langue.

Chaque fois à travers l'histoire, lorsque l'humanité a évolué jusqu'à un certain niveau de connaissance, celle-ci a été systématiquement détruite. On le remarque dans la chute de l'Empire Romain, là où l'Europe a régressé dans les Ages Noirs pendant 1000 ans. Après que les juifs furent expulsés de l'Europe de l'Ouest, nous sommes entrés dans la Renaissance, ce qui apporté plus de lumières. Les juifs, qui ont migrés vers l'Est et aussi en Sicile [surtout après avoir été expulsés d'Espagne], ont fait des ravages sur les non-juifs de l'Est [l'éventuel communisme de Russie bien sûr, les mêmes rituels juifs meurtriers], plus d'établir des crimes organisés en Sicile.

Ici on voit une preuve flagrante de messages subliminaux utilisées dans les médias qui ont menés jusqu'au 11 Septembre :

La plupart des gens sont pleinement conscient que les juifs contrôlent Hollywood et les médias.

QUOI ?... Hollywood a prédit le 11 Septembre ? [La vidéo est en anglais]
WHAT? ...Hollywood Predicted 9:11??? [Youtube video]

La vidéo ci-dessus est la preuve que les fameuses "prophéties" dans la bible ne sont rien d'autre qu'un canular. La bible n'est pas "Le Livre de Dieu" mais le travail des juifs, qu'ils utilisent avec des messages subliminaux pour réaliser leurs rituels ; et certains d'entre eux datent de plusieurs siècles. Il faut simplement avoir connaissance de leurs rituels, leurs travaux de l'esprit, et de la sorcellerie pour y voir claire, et pour le comprendre.

LE PROGRAMME DU CONTROLE DES ESPRITS ET LA BIBLE par High Priest Don

L'article ci-dessous a été mis à jour à certains endroits. Pour plus d'informations, lisez "le Sermon sur 666" après cet article, juste en dessous.

Regardez la chute de l'Union Soviétique. Les juifs ont travaillé sans relâche pour reconstruire la religion chrétienne dans l'échec de leur programme athéiste chrétien. Ce qui les autorise à garder un contrôle strict sur la population ; dont ils reprendront le contrôle qu'ils ont eu.

En regardant le lien suivant [en anglais] on voit comment les juifs utilisent le programme subliminal sur l'Amérique, programme qui est connecté dans leur livre de sorcellerie appelé la bible :

1960'S SUBLIMINAL MESSAGES (in slow motion) [Youtube video]

2 Corinthiens

12:16 Soit! Je ne vous ai point été à charge; mais, en homme astucieux, je vous ai pris par ruse!

Regardez dans la vidéo ci-dessus les juifs utilisent constamment les termes avec le mot "Dieu" :

"God is real, God is watching" = 22 lettres [Dieu est reel, Dieu regarde]

"Believe in government God" =22 lettres [Croyez au gouvernement Dieu]

"Obey Consume Obey Consume" = 22 lettres [Obeissez, Consommez]

D'après le mysticisme chrétien et juif, le nombre 22 est le nombre de l'alphabet hébreu, et représente l'infinité, l'achèvement, la Quintessence [l'esprit qui est dieu dans le sens universel dans les enseignements hermétiques], l'esprit de dieu et dieu. Le Nazaréen prononce les 7 derniers mots finals lorsqu'il est sur la croix, qui est au début du Psaume 22. C'est égal aux 12 signes du zodiaque et les 10 planètes dans le Tarot duquel un tel alphabet est assigné. La révélation, le dernier livre de la bible possède 22 chapitres.

Le nombre 22 correspond à la carte du monde dans le Tarot, ce qui indique l'achèvement. Cela indique que l'ennemi achève leur but de conquérir et de dominer le monde à travers le communisme.

Plus d'informations à ce sujet dans l'article suivant :
La sainte bible : un livre de sorcellerie juive

Psaume 66 :7 Il [Dieu] domine éternellement par sa puissance, Ses yeux observent les nations: Que les rebelles ne s'élèvent pas!

Le livre des psaumes est le 19^{ème} livre de la bible. Regardez le verset, 66 :7, qui s'additionne pour obtenir 19 [6 + 6 + 7 = 19. 19 x 19 = 38 et 3 + 8 = 11, qui est un nombre de chute et ruine ; donc le verset ci-dessus ne menace pas seulement contre la rébellion, mais vu le nombre, cela montre, d'un point de vue subliminale que la rébellion aura pour résultat la chute.

1 Samuel 12 :15

Mais si vous n'obéissez pas à la voix de l'Eternel, et si vous êtes rebelles à la parole de l'Eternel, la main de l'Eternel sera contre vous, comme elle a été contre vos pères.

1 Samuel est le 9^{ème} livre de la bible. 9 + 12 + 15 = 36 ; 3 + 6 = 9.
Le nombre 9 représente le jugement, la fin, le pouvoir de Dieu lui-même.

Colossiens 3 :22

Serviteurs, obéissez en toutes choses à vos maîtres selon la chair, non pas seulement sous leurs yeux, comme pour plaire aux hommes, mais avec simplicité de cœur, dans la crainte du Seigneur.

C'est le 51^{ème} livre dans la bible. [5 + 1 = 6]. Les juifs utilisent le nombre 6 considérablement, comme avec leur "six millions" dans leur fameux holocauste. Dans la bible, le nombre 6 est le nombre de l'homme sans pouvoir spirituel. Le nombre 7 quant à lui, possède un lien avec les 7 chakras, le pouvoir spirituel qui émanent d'eux, ainsi que la perfection spirituelle. Le 6 est aussi un nombre de dur labeur. Le travail a été réalisé en 6 jours et le 7^{ème}, c'était le repos.

"Le nombre 6 est relié à tout ce qui est en rapport avec le labeur. Nous le voyons dans ses actions, qu'il utilise dans son travail, et le temps durant lequel il travail. Et on le voit depuis le début."

Toute cette concentration et l'utilisation du nombre 6 met en place une vibration dans le monde astral, tout ça pour l'avancement dans leur Etat de communiste et d'ordre mondial. Le communisme est le labeur d'esclave. Avec l'Etat communiste, les juifs deviennent "dieu" et toute connaissance spirituelle est remplacée avec l'athéisme matériel.

Le verset ci-dessus du 51^{ème} livre de la bible [$1 + 5 = 6$] est en train de promouvoir le travail d'esclave. Si on va plus loin, le verset 3 :22 peut être multiplié $3 \times 22 = 66$; le nombre total des livres dans la bible, ce qui indique l'achèvement travail d'esclave dans le communisme juive, et leur nouvel ordre mondial.

Romains 13:1-7

1 Que toute personne soit soumise aux autorités supérieures; car il n'y a point d'autorité qui ne vienne de Dieu, et les autorités qui existent ont été instituées de Dieu.

2 C'est pourquoi celui qui s'oppose à l'autorité résiste à l'ordre que Dieu a établi, et ceux qui résistent attireront une condamnation sur eux-mêmes.

3 Ce n'est pas pour une bonne action, c'est pour une mauvaise, que les magistrats sont à redouter. Veux-tu ne pas craindre l'autorité? Fais-le bien, et tu auras son approbation.

4 Le magistrat est serviteur de Dieu pour ton bien. Mais si tu fais le mal, crains; car ce n'est pas en vain qu'il porte l'épée, étant serviteur de Dieu pour exercer la vengeance et punir celui qui fait le mal.

5 Il est donc nécessaire d'être soumis, non seulement par crainte de la punition, mais encore par motif de conscience.

6 C'est aussi pour cela que vous payez les impôts. Car les magistrats sont des ministres de Dieu entièrement appliqués à cette fonction.

7 Rendez à tous ce qui leur est dû: l'impôt à qui vous devez l'impôt, le tribut à qui vous devez le tribut, la crainte à qui vous devez la crainte, l'honneur à qui vous devez l'honneur.

Les Pères Fondateurs voulaient que le Grand Sceau soit mit sur le dollar pour une bonne raison, mais ils n'ont jamais mit quoi que ce soit en rapport avec le "Dieu" juif. La référence au "Dieu" juif à été installée sur la monnaie par le président juif Dwight David Eisenhower.

"Le 30 Juillet 1956, deux ans après avoir "poussé" la phrase "sous l'autorité de Dieu" inséré dans le serment d'allégeance, le président Dwight D. Eisenhower signe une loi officielle déclarant "In God We Trust" ["En Dieu nous croyons] qui est la devise officielle de la nation. La loi, P.L. 84-140 a aussi mandaté pour que cette phrase soit inscrite sur toute la monnaie américaine." ¹

Eisenhower était un juif de sa propre confession ; le nom d'Eisenhower vient du nom de famille juif Eisenhauer.

"Dans l'album de promotion de l'Académie Militaire de Eisenhower, publié en 1915, Eisenhower est identifié comme étant "le terrible suédois juif."

Ce n'est pas étonnant que la Maison Blanche, avec le Président Franklin Delano Roosevelt, qui lui-même était d'origine juive- néerlandaise, et son personnel lisaient comme une liste synagogue.

“En 1943, Washington n’a pas seulement été transféré en Europe, mais il a été promu, avant plus de 30 officiers expérimentés, à un général cinq étoiles, et il a été responsable de toutes les forces américaines en Europe.

Ce grand “général” s’est caché de peur lorsqu’il a cru qu’une minuscule armée de commando allemand était après lui, et il a ordonné les meurtres de plus de 1.7 millions de soldats allemands après que la guerre soit finie dans les camps de la mort. Leur seul crime était de défendre leur nation et la population. Un grand nombre de ces soldats étaient âgés de 15 ans. Ceci est un autre exemple de haine juive.

Pour lire l’article en entier “Dans les camps de la mort de 'Eisenhower : un soldat américain se souvient” cliquez ici. [L’article est en anglais]

Dans “In God We Trust” [“En Dieu nous croyons”] il y a 12 lettres. Le douze est un nombre parfait, ce qui signifie la perfection du gouvernement, ou une perfection gouvernementale. Il y a 66 livres dans la bible, ce qui donne 12 [6 + 6 = 12].

Le mot Dieu apparaît 4473 fois dans la bible, en ajoutant ces chiffres, on obtient 9. 9 est un nombre de finalité et de jugement, le pouvoir de Dieu lui-même :

Les jugements de “Dieu” dans Aggée 1 :11 sont énumérés ainsi :
“J’ai appelé la sécheresse sur le pays, sur les montagnes, Sur le blé, sur le moût, sur l’huile, Sur ce que la terre peut rapporter, Sur les hommes et sur les bêtes, Et sur tout le travail des mains.”

Aggée est le 37^{ème} livre de la bible. 3 + 7 = 10 ; donc Aggée 1 serait 11 ; ici encore on a 11 11.

“La loi fut signée par le président Eisenhower le 30 Juillet 1956, et la devise fut progressivement ajoutée sur la monnaie de 1957 à 1966. (Public Law 84-851)[18] dans le code des Etats-Unis, titre 36 § 302, il est maintenant écrit :
“ ‘In God We Trust’ [‘En Dieu Nous Croyons’] est la devise nationale.”²

On peut voir que l’argent est un moyen puissant d’injecter quelque chose dans l’inconscient du public :

WHAT? ...Hollywood Predicted 9:11??? [Youtube video]

Une evidence ici:

9/11 foreshadowed in Super Mario Bros. The Movie [Youtube video]

Et on voit comment les pouvoirs juifs injectent leur “Dieu” dans les esprits :

“Eisenhower signa le projet de loi le 14 Juin 1954. Eisenhower déclara “à partir de ce jour, des millions d’enfants proclameront chaque jour dans chaque ville et village, leur dévouement pour leur nation envers le Tout-Puissant... De cette façon, nous réaffirmons la transcendance de la foi religieuse dans l’héritage et le future de l’Amérique ; de cette façon nous développerons constamment ces outils spirituels qui pour toujours seront la ressource la plus puissante de notre pays, pour la paix ou pour la guerre.

La phrase “Under God” [“Sous l’autorité de Dieu”] a été introduite dans le Serment d’allégeance du 14 Juin 1954 par la résolution du congrès modifiant le paragraphe 4 du code du drapeau décrété en 1942.³

Pour conclure, beaucoup de gens dans les e-groupes du JoS ont mentionnés qu’ils ont vu certains nombres de nombreuses fois. Cela peut être un certain nombre récurrent sur une plaque d’immatriculation d’un véhicule, ou une montre digitale, dans la publicité, et d’en bien d’autres endroits. Parfois, cela peut durer plusieurs jours, mais dans ces cas-là c’est inoffensif. Lorsqu’on est conscient de certain nombres, un message subliminal est établit a un niveau vibratoire, et sans qu’on s’en rende compte, on commence à voir ces mêmes nombres fréquemment dans notre vie quotidienne. Cet aspect est assez innocent et souvent inoffensif, mais dans l’article ci-dessous, les auteurs sont conscient du pouvoir des nombres et ils appliquent ce pouvoir pour réaliser leurs “rituels” dans la réalité, à travers la bible judéo-chrétienne. C’est pour cela que les chrétiens sont pratiquement forcés à mémoriser les versets de la bible, car cela permet de sceller le lien au niveau subconscient. Pour plus d’informations à ce sujet :

SERMON SUR 666

Comme j’ai déjà écrit deux sermons concernant la numérologie biblique et comment la bible est un livre de sorcellerie juive, voici plus d’informations sur les nombres...

La bible possède un total de 66 livres. Comme la plupart d’entre vous le savent, les pouvoirs juifs se focalisent sur le nombre 6, comme avec leur canular des 6 millions et le Jour de Mai, fête communiste importante [1^{er} Mai ; 5/1 ; 5 + 1 = 6] et bien plus encore. Soyez vigilant, surtout lorsque vous regardez les infos ou que vous lisez les journaux et magazines, etc. les juifs se focalisent toujours sur le nombre 6. Ce nombre correspond aussi au kabbalistique carré de Saturne, ce

qui donne 15 si on ajoute tous les côtés, mêmes les diagonales. Dans la bible, le nombre 6 est le nombre de l'homme sans pouvoir spirituel. Le 7, quant à lui, possède un lien avec les 7 chakras, le pouvoir spirituel qui émanent d'eux, ainsi que la perfection spirituelle. Le 6 est aussi un nombre de dur labeur. Le travail a été réalisé en 6 jours et le 7^{ème}, c'était le repos. "Le nombre 6 est relié à tout ce qui est en rapport avec le labeur. Nous le voyons dans ses actions, qu'il utilise dans son travail, et le temps durant lequel il travail. Et on le voit depuis le début." Le nombre 6 est aussi en rapport avec l'esclavage:

Colossiens 3 :22

Serviteurs, obéissez en toutes choses à vos maîtres selon la chair, non pas seulement sous leurs yeux, comme pour plaire aux hommes, mais avec simplicité de cœur, dans la crainte du Seigneur.

Le verset ci-dessus du 51^{ème} livre de la bible [$1+5=6$] favorise le labeur des esclaves. Si on regarde plus loin, le verset 3 :22 peut être multiplié comme ceci : $3 \times 22 = 66$; le nombre total des livres dans la bible, ce qui indique l'achèvement du dur labeur dans l'état du communisme juif et leur nouvel ordre mondial.

La vérité est toute autre... le nombre 666 de Satan est le nombre pour le carré kabbalistique du soleil et indique le pouvoir spirituel et l'avancement. Presque toutes les anciennes religions païennes se focalisaient sur la "vénération" du Soleil. Le mot "vénération" en réalité se traduit par une intense concentration, aussi profond que la méditation. En plus, $6 \times 6 \times 6 = 216$, ce qui est en rapport avec les nadis puissants qui sont dans l'âme. Le chakra du soleil est le plus important et le plus puissant, car il a un rapport avec le magnum opus. Ce chakra est le Grail ; la coupe qui détient l'élixir de la vie sécrété par la glande pinéal. La bible avec ses 66 livres n'est même pas à la hauteur pour se rendre compte de la divinité, et c'est pourquoi la bible empêche l'humanité de progresser spirituellement.

D'après la bible, le nombre 12 est supposé être un nombre parfait, avec le nombre 13 qui est celui de Satan. En tant qu'être humains, nous avons un total de 13 chakras majeurs, et non pas 12. Le 13 EST l'un des nombres de Satan [$1 + 3 = 4$]. A nouveau, le nombre 12 n'est même pas à la hauteur. Dans les temps anciens, il y avait un 13^{ème} signe du zodiaque. Le 12 concerne aussi notre temps ; 60 secondes dans une minute, 60 minutes dans une heure et 24 heures [$2 + 4 = 6$] dans une journée. Saturne, comme déjà précisé représente le nombre 6. Saturne est la planète maléfique de la souffrance, du dur labeur, la tristesse, le malheur et la perte. A chaque fois que Saturne est placé dans a carte astrologique de quelqu'un, c'est à ce moment là que la personne souffre dans la vie. Les pouvoirs juifs désignent le 12 comme étant le nombre du "gouvernement parfait." En d'autres termes, l'humanité est spirituellement sans défense, ne se rend pas compte du pouvoir spirituel et de l'achèvement spirituel, et l'humanité est sujet à l'asservissement à travers le gouvernement et une domination totale entre les mains des juifs qui dirigent ce même gouvernement. Les messages subliminaux dans la bible préparent l'humanité à ça. Par contre, le calendrier lunaire qui possède 13 mois est basé sur le cycle naturel de la terre. Nous sommes tous désynchronisés par rapport à l'harmonie de la terre dans notre calendrier et notre temps actuel.

RETOUR AU VERITABLE HOLOCAUSTE

The Black Sun

Le Christianisme, Le Communisme, Les juifs et la Bible

En révélant que la sainte bible est identique à un livre de sorcellerie juive, n'oubliez jamais... les juifs sont très intelligents et ils contrôlent les deux côtés ; tous deux opposés, alors qu'ils prétendent se battre l'un contre l'autre, mais en réalité, ils travaillent dans le seul but d'asservir le monde. Tout comme beaucoup d'Eglises Chrétiennes, particulièrement le Vatican, prétendent combattre le Communisme, mais à l'insu de la population, ils travaillent POUR le Communisme, le Nazaréen n'a enseigné que le Communisme, ses sermons, et même sa vie – tout comme Karl Marx lui-même, paresseux, ont vécu de la charité des autres comme un parasite. L'URSS a persécuté un nombre de juifs [ils crient le plus fort], quand des millions d'innocent non-juifs ont été torturés à mort, mais cette persécution juive est juste pour impressionner, et ils se fichent de devoir sacrifier les leurs pour arriver à leur but de domination et d'asservissement. Par exemple, Joseph Staline [de son vrai nom Joseph Dugasvilli, dont la signification est "Fils de juif"], a affirmé être antisémite, mais étant donné que sa 2^{ème} femme était juive [tout comme leurs enfants], et ses héros communistes tels que Vladimir Lenine, et autres pourritures avec qui il avait affaire, n'importe quel imbécile peut voir à travers ces mensonges, qui de nouveau, sont là pour tromper tout le monde. Presque toute la direction du parti Communiste et du KGB étaient des juifs et/ou mariés avec des juives et ils ont très bien vécus alors que les classes moyennes étaient brutalisées au-delà de ce qu'on peut imaginer. Cela ne concernait pas uniquement l'URSS, mais aussi tous les autres pays communistes. Avant la chute du "Rideau de Fer" l'URSS soutenait publiquement n'importe quel pays qui était contre Israël; en prétextant être ennemis avec Israël, ce qui, par-dessus tout, n'est pas le cas, puisqu'ils ont tous deux le même but. AYEZ CONSCIENCE DE LEURS TACTIQUES- NE LES LAISSEZ PAS VOUS DUPER !

Comme je l'ai déjà précisé et préciserai encore... comment les Chrétiens sont en désaccord avec les juifs, alors que chaque page de cette foutue bible possède le mot "juif" - au singulier comme au pluriel – "Israël", et autres... mais surtout, le Nazaréen est juif depuis sa naissance jusqu'à sa mort. Etant donnée les énergies spirituelles qui ont été propagées dans la bible par ces adeptes ignorants depuis des siècles, les juifs peuvent utiliser cette énergie comme bon leur semble. C'est leur rempart et leur racine. C'est pour cette raison que la bible est remplie de nombres, de versets spécifiques [s'ils sont chantés en hébreu, ils deviennent leurs mantras], et étant donné que la bible réside dans presque chaque maison dans le monde, le Christianisme est sans arrêt poussé vers les gens [aime Jésus ou brûle pour l'éternité], la bible agit comme un médium spirituel ; un receveur pour leur but final. Les versets de la bible sont mémorisés par beaucoup de Chrétiens. Par conséquent, cela crée un lien puissant dans les esprits, et à travers ça, les juifs jettent leurs sorts pour attirer une abondance de richesse [pour eux-mêmes bien sûr]. Même leur bible indique que les juifs doivent "prospérer." VOUS PAYEZ ET SACRIFIEZ POUR CECI !

La "Sainte bible" sert de lien, comme je l'ai déjà indiqué, pour leur travaux subliminaux. Ce n'est pas plus différent que d'avoir une bible chez soi à la maison. Cela crée un lien subliminal. Je le sais depuis mon dernier article "la sainte bible, un livre de sorcellerie juive" ; j'étais très consciente de l'ampleur de cet article, et puisque cela touche leur secret le plus sensible, et bien sur leur rempart. A travers Satan, nous les avons exposés.

Satan m'a protégé. S'il ne l'avait pas fait, moi-même, et en plus des autres qui travaillent très dur, nous serions déjà mort. Nous travaillons pour un monde meilleur à travers Satan. Nous avons identifiés et exposés les problèmes. Les pouvoirs juifs travaillent sans relâche pour détruire nos droits civils et notre liberté pour qu'ils puissent nous asservir. L'avidité juive ne connaît pas de limite. Peu d'Américains savent que la vie est brutale et qu'elle l'a été dans bien d'autres pays. Les juifs travaillent très dur pour changer cela. Au début des années 1990, après la chute de l'URSS, de nombreux assassins juifs communistes ont émigrés aux USA et ont travaillé pour la destruction de ce pays depuis ; et on peut clairement le voir puisque le système juridique se détériore rapidement. Les USA est le dernier pouvoir sur cette terre qui possède encore des lois qui protègent la liberté d'expressions et de la presse, mais ces lois ne sont plus en sécurité, et beaucoup d'entre nous sommes harcelés, comme on le voit dans les e-groupes de JoS. Si les USA ne sont plus là, n'importe quel petit pays qui ont la liberté d'expression, ne seront plus là également : ils seront sous le contrôle du Communisme. Beaucoup d'entre vous savent que c'est un crime de nier ou questionner l'holocauste juif dans un grand nombre de pays... avec pour conséquence une peine d'emprisonnement. Tout ce que les juifs sont et font, et bien, ce sont les non-juifs qui sont tenu responsable ! Cela crée une confusion, et une diversion et distraction efficace. Il en est de même pour Satan... tout ce que leur "Dieu" Chrétien est et fait, ils tiennent Satan comme responsable. Même si la vérité est en face d'eux dans leur "Sainte bible" et on voit que jehova était un "meurtrier et un menteur depuis le début." Il faut juste regarder dans l'Ancien Testament, et voir que jesus ordonne ses disciples de tuer et de voler.

Luc 19 :27 ; Luc 6 :1-5 ; Luc 19:29-35; et ne respecter aucun autres commandements :
Matthieu 10 : 34-36

Les Chrétiens et les autres ne peuvent pas voir ça, car ils ont été dupés à travers un sort puissant. Satan lui-même m'a dit il y a quelque temps, la façon dont les non-juifs ont souffert sous le contrôle du Communisme juif. J'ai écrit plusieurs articles sur le sujet du travail des esclaves durant la Chine communiste. C'est tout à fait ce qu'est le Communisme juif. Lisez et téléchargez les documents en PDF. Le premier est très complet, mais le second [celui qui expose le canular de l'holocauste] peut être téléchargé et distribué en faisant "copier-coller", transférez-le sur votre site, distribuez-le aux gens qui peuvent être intéressés.

Extrait du Talmud:

Nidrasch Talpioth, p. 225-L: "Jehova a créé les non-juifs sous forme humaine pour que le juif puisse ne pas être servi pas des bêtes. Par conséquent, le non-juif est un animal sous forme humaine, et il est condamné à servir le juif jour et nuit."

A moins que chacun d'entre nous se batte pour notre liberté. Avec le premier fichier pdf, on peut voir que la même chose se passe sous la Chine communiste, et dans d'autres parties du monde- des êtres humains jetables, systématiquement détruits, ont travaillés jusqu'à la mort pour être remplacés par d'autres non-juifs. Même des recherches révèlent clairement que les juifs sont et ont toujours été derrière tout ça, et que la bible est juste un projet pour le Communisme juif dans ces enseignements et ces doctrines [dans l'Ancien et le Nouveau Testament], en plus de leur but important de réaliser des sorts puissants pour que les juifs

puissent profiter de leur pouvoir. Satan retire les voiles dans notre esprit et il nous réveille à la vérité pour que nous en soyons conscients et que nous puissions le voir. Les Chrétiens et autres ignorants sont sous l'effet d'un sort puissant. Ce sort doit être brisé.

LES RACINES CHRETIENNES DU COMMUNISME

“La théologie chrétienne est la grand-mère du Bolchévisme.”

- Oswald Spengler

“Le christianisme et le communisme sont très proches spirituellement et idéologiquement. Il y a un concept assez connu qui a été adopté par de nombreux penseurs, depuis Thomas More jusqu’à Lev Tolstoï. Peu de gens savent que le premier état socialiste du monde était établi au Paraguay et était basé sur les idées des Jésuites Catholiques bien avant que Marx ne crée ses enseignements.”

“La “Société de Jésus” – l’ordre religieux jésuite – dans l’église catholique était en gros l’équivalent du KGB durant l’Union Soviétique.”

Ci-dessus sont des extraits tirés du journal “Pravda” [= qui signifie vérité] [Le journal dominant du parti communiste et de l’ancienne Union Soviétique] De l’article : Y-a-t-il une différence entre le christianisme et le communisme ? 30/04/2013

“Les journaux Américains affirment que Staline a été prédestiné pour sauver le christianisme. – Joseph Goebbels¹

Contrairement à la croyance populaire, le communisme n’est pas antichrétien:

En plus de ça, l’Eglise Catholique en Chine possède plus de 70 millions d’adeptes et est en constante augmentation. Il y a aussi la Cathédrale Catholique Changchung situé dans la Corée du Nord communiste; la cathédrale de l’évêque catholique Romain de Pyongyang, en Corée du Nord. L’Eglise Orthodoxe Russe a travaillé main dans la main avec le parti communiste en URSS. La violence contre le clergé durant la révolution était simplement pour éliminer les éléments tsaristes de leur rang, et rien de plus. Staline a travaillé ouvertement avec l’Eglise Orthodoxe afin d’aider les efforts de la guerre communiste pour l’Armée Rouge durant la Seconde Guerre mondiale. Aujourd’hui en Russie, les membres du haut clergé dans l’Eglise Orthodoxe russe soutiennent ouvertement le mouvement du Communisme Chrétien dans leur nation. L’Eglise Catholique avait une main forte dans la théologie de libération communiste en Amérique du Sud. Le clergé catholique pouvait traverser le “rideau de fer” durant la Guerre Froide sans problème.

“80 millions de bibles sont imprimés en Chine – et plus encore ; Lien vers l’article tiré du site “Christianity Today” [le lien est en anglais]

“Ernst Bloch (1885-1977) était un philosophe marxiste allemand, et un théologien athéiste. Même s’il lui-même n’était pas chrétien, il a été dit qu’il aurait “comblé l’écart” entre le Communisme chrétien et la branche Léniniste du marxisme. L’un de ses grand travaux, le Principe de l’Espoir, contient des déclarations telles que : “Ubi Lenin, ibi Jerusalem” [Là où il y a Lénine, il y a Jérusalem] et “l’accomplissement du Bolchévisme du Communisme [est en partie] la vieille bataille pour Dieu.”²

En réalité, le christianisme prépare la population à accepter et à être ouvert au Communisme. Il n'y a rien avec les doctrines du Christianisme, ou bien avec les enseignements du Nazaréen qui soient en conflit avec le Communisme de quelque façon que ce soit. Le Christianisme EST le Communisme.

- Ces deux programmes travaillent afin d'asservir en utilisant la terreur, la brutalité, les meurtres de masses et la coercition. L'Eglise Catholique était le KGB du Moyen Age, dominait la population en utilisant la terreur et la force, ainsi que les meurtres de masses. L'inquisition est un exemple flagrant.
- Ces deux programmes interdisent la possession de la propriété privée. Le Christianisme prépare les adeptes au Communisme à un niveau subliminal. Les Chrétiens sont endoctrinés à croire que la pauvreté est une vertu. Une fois que ce concept a de l'emprise sur le subconscient, la plupart du temps, un sérieux manque d'argent en résulte ; et parfois cela peut durer jusqu'à plusieurs vies, si on parle d'un point de vue spirituel. Cela crée également un programme qui se poursuit et qui finit par créer des générations de pauvres. Les Eglises Chrétiennes apparaissent ensuite pour aider les pauvres, alors que depuis le début, ce sont les enseignements chrétiens qui ont créés et appliqués ce problème. Le juif crée les problèmes et donne ensuite une version juive d'une solution damnée pour les non-juifs. Cliquez ici pour voir un article concernant le Contrôle de l'Esprit Chrétien. ([lien](#))
- Il n'y a rien de spirituel sur le christianisme. C'est un outil pour enlever la connaissance spirituelle et les pouvoirs en les remplaçant par ces "prières" robotiques qui n'ont aucun sens, et qui sont corrompues et répétées de la même façon que le sont les mantras de l'Extrême-Orient. De plus, l'endoctrinement sans fin avec de faux enseignements qui ont pour but d'implanter un statut fictif et une histoire fictive du peuple juif dans l'esprit des Chrétiens, ce n'est absolument pas spirituel. Peu de prêtres chrétiens peuvent schématiser l'âme humaine par exemple. Lorsqu'on enlève et transforme la connaissance spirituelle de la population, cela les prépare à accepter un état athéiste communiste.
- Le Christianisme et le Communisme se présentent comme étant des programmes frères qui incitent l'égalité, la prospérité, la bonne volonté et une meilleure façon de vivre, mais si l'on regarde leurs vraies doctrines et histoires de plus près, ce n'est rien d'autre que de la terreur, torture, meurtres de masses, de l'endoctrinement forcé, et garder la population ignorante est le rempart de ces deux programmes. N'importe quel idiot qui lit la bible judéo-chrétienne peut tout simplement voir les meurtres de masses sans fin, le pillage, les viols, l'esclavage, les menaces de tortures éternels et damnation si les doctrines ne sont pas prises au sérieux, et si les adeptes n'y adhèrent pas. Et par-dessus tout, comment Jehova était un monstre meurtrier qui avait pour proie les non-juifs (= les païens) ; ce n'est pas plus différent que les programmes communistes. Pour plus de preuves, lisez "Jehova et le sacrifice vivant de sang humain" et "Un meurtrier et un menteur depuis le début."

"Mais ceux qui sont mes ennemis, qui ne seront plus, puisque je vais régner sur eux, apporte-les ici et tue-les devant moi." Luke 19 :27 (Extrait direct de Jésus qui préconise le meurtre.)

- “La rébellion” n’a pas sa place et “provient du Diable.”

Le christianisme prépare aussi les adeptes pour le communisme à endurer l’injustice. Presque tout le monde connaît l’extrait dans la bible qui demande de tourner l’autre joue, aimer ses ennemis, etc. Ces enseignements travaillent ensemble avec le Communisme en détruisant le système judiciaire et les droits privés. Le crime est autorisé à être hors de contrôle [comme il l’a déjà été] ; que la population est découragée à se battre, mais si on essaie de se défendre, on est souvent puni pour ça. Ces programmes juifs tendent un piège. La plupart des gens vont éventuellement sacrifier leur droit en faveur de lois ultra- strictes afin de contrôler le crime. Ces programmes interdisent d’agir personnellement afin de renforcer la justice et de placer la responsabilité entre les mains de l’Etat pour le Communisme, et entre les mains du soi-disant "Dieu" pour le Christianisme. Toute rébellion est un délit. L’acceptation de l’abus et de l’injustice sont tout deux nécessaire pour établir un Etat asservit. Un esclave ne doit jamais se défendre ou se rebeller de quelque manière que ce soit.

Portons maintenant un regard sur la naissance du Communisme :

Le Communisme a été crée en dehors de l’organisation “La Ligue des Justes.”

La devise de cette Ligue des Justes ("Bund der Gerechten" or "Bund der Gerechtigkeit") était “Tous les Hommes sont Frères” et leur but était “d’établir le Royaume de Dieu sur Terre, basé sur des idées d’amour du prochain, de l’égalité et de la justice.”

“A un congrès à Londres en Juin 1847, La Ligue des Justes rejoignit les membres du Comité Correspondant Communiste dirigé par Karl Marx et Friedrich Engels, adoptant une nouvelle organisation et un programme, et en se reconstituant en tant que Ligue des Communistes.”^[3]
C’est la base de la doctrine Chrétienne.

On peut tracer les racines du Communisme jusqu’à l’idéologie radicale Libérale d’Europe ; qui est dissimulé sous le Christianisme. Comme Nietzsche l’a affirmé à propos de la Révolution Française et ces idéologies Libérales comme étant : “La fille et la continuation du Christianisme.”

Cette doctrine radicale, universaliste et égalitaire est au cœur du Christianisme et le Libéralisme en débarquant sur le Communisme. Voici un extrait qui démontre là où le Libéralisme s’est ouvertement transformé en Communisme :

“Durant la décennie des années 1840, le mot “communiste” fit son apparition pour décrire ceux qui saluaient l’aile gauche du Club des Jacobins de la Révolution Française comme étant leur pères idéologiques. Cette tendance politique s’est vu comme les héritiers égalitaires de la Conjuraton des Egaux de 1795, dirigée par Gracchus Babeuf. Les sans-culottes de Paris, qui des décennies auparavant était la base de support pour Babeuf – artisans, compagnons, et l’urbain sans emploi – était vu comme une fondation potentielle pour un nouveau système social basé sur la machine de production moderne du jour.”

Le penseur français Etienne Cabet a inspiré l’imagination avec un roman à propos d’une société utopique basée sur une machine de production communale. “Voyage en Icarie” [1839]. Le révolutionnaire Louis Auguste Blanqui a soutenu en faveur d’une élite organisant la majorité de la population contre les “riches” s’emparant du gouvernement dans un coup d’état, et instituant un nouvel ordre économique égalitaire.”⁴

Une revue des tendances émergentes du Christianisme vers le Libéralisme et vers le Communisme :

Le Libéralisme c’est le Christianisme sans le Christ

“Which Way Western Man?” de William Gayley Simpson

Revalo Oliver:

Extrait:

“Les autres hérétiques que j’ai mentionné, et la plupart qui sont désormais oubliés, ensemble avec la plupart de tous les anti-Chrétiens du siècle dernier, illustrent l’opération de ce que l’on peut appeler la loi des résidus culturels. Dans toutes sociétés civilisées, lorsqu’une croyance qui a été longuement établie et acceptée, se retrouve incroyante, les bons esprits l’abandonne, mais ils retiennent communément des croyances dérivées qui étaient initialement déduites du credo qu’ils avaient rejetés et logiquement, ils doivent dépendre de ça. Pourtant, il est arrivé que les ennemis modernes du Christianisme rejettent cette mythologie, mais ils conservaient la foi dans les superstitions sociales et éthiques qui en étaient dérivées – une foi qu’ils nomment étrangement rationnel mais ils conservent une ferveur religieuse.”

“Ils s’amuse lorsqu’ils entendent l’histoire d’Adam et sa côte, mais ils continuent de croire qu’une “race humaine” est descendu de ces ancêtres, et par conséquent, dans une “fraternité de l’homme.” Ils parlent de “toute l’humanité”; si on donne à ce terme une signification mystique avec lequel ils ne s’investissent pas, tels que “tout marsupiaux” ou “tout animal ongulé.” Ils bavardent à propos des “droits de l’homme”, mais un moment de réflexion suffit à montrer que, dans l’absence d’un jugement/décret d’un monarque surnaturel, il ne peut y avoir aucun autre droit que celui que les citoyens d’une étable et d’une société homogène possèdent, par un accord/contrat, ou par coutume établie, qu’ils ont accordé à eux-mêmes; et pendant que les citoyens montrent de la sympathies envers les étrangers, les esclaves, et chiens, ces êtres ne peuvent évidemment avoir aucun droit.”

“Ils ne croient pas que ¼ d’un dieu s’est incarné dans une région sordide de la terre pour s’associer à des paysans illettrés, faisant la morale à la population d’une race barbare, et exalter magiquement l’ignorant et l’incultivé de “faire la folie de la sagesse du monde” afin que “le dernier soit le premier” – qu’ils ne croient pas, mais ils se cramponnent à la haine morbide de supériorité qui fait que le Chrétien raffole de tout ce qui est inférieur, irrationnel, déformé, dévalorisant, mauvais, et dégénéré.”

“Ils bredouillent à propos de la “sainteté de la vie humaine” – surtout dans ses formes les plus abominables – sans réfléchir qu’il faut un créateur dieu pour faire quelque chose de sacré. Et ils s’agitent frénétiquement pour une “égalité” universelle qui peut être obtenue seulement en réduisant tous les être humains à un niveau très bas, évidemment, sans être conscient qu’ils font simplement l’écho de l’aspiration des Chrétiens à devenir des moutons (le plus stupide de tous les mammifères) gardés par un bon berger, ce qui est implicite dans tous les récits du Nouveau Testament, même s’il est précisé dans un autre gospel, qui présente Jésus comme une promesse, que après qu’il avait torturé et massacré les populations les plus civiles de toute la terre, il y aurait une résurrection, et ses animaux ovins se réveilleront de leur tombe, tous du même âge, tous du même sexe, tous de la même taille, et tous qui ont des caractéristiques indiscernable, puisqu’ils seront à l’identique des abeilles dans un essaim.”

“Même si les cultes “libérales” et marxistes ont des différences doctrinales aussi importante que celles qui séparent Les Luthérienistes des Baptistes, ils sont la même superstition, et même si on devrait les appeler religions ou non, cela dépend si on limite le mot de croire à des personnes surnaturelles, ou inclure toutes formes de fois aveugles basés sur l’excitation

émotionnelle au lieu d'avoir des faits relatifs à la raison. Lorsque ces cultes "athéistes" dénoncent leur haine comme étant "fascistes" et "nazis," ils doivent croire que ces mauvaises personnes sont possédés par le diable et ils devraient être converti ou exterminé pour promouvoir la sainteté et l'amour. Et lorsqu'ils voient des "racistes" qui remplacent les fait et la raison pour la foi irréflechie dans les contes de fées approuvés, leur désir d'extirper le malin est aussi grande que celui de la mafia chrétienne qui a trainé la noble et trop intelligente Hypatia de son wagon en utilisant des coquilles d'huitres pour érafler la chaire de ses os lorsqu'elle était encore en vie."

"Avec leurs modestes exceptions, les anti-chrétiens, sans aucun doute, ont retenu dans leur esprit, une grande partie de la doctrine chrétienne, et ils ont également fait renaître l'élément le plus venimeux du Bolchévisme primitif de l'Antiquité, qui avait été mis en suspens, par les églises fondatrices dans les grands jours de la chrétienté. Et de nos jours, les athéistes ne trouvent pas cela étrange, que, sur toutes les questions sociales, ils sont largement en accord avec les shamans évangéliques et les derviches hurlants, qui, subventionnent avec la publicité de l'Organisation juive qui contrôle les moyens de communications, ils participent dans le but actuel de réduire les Américains à une imbécilité total ave chaque type de canular irrationnel."

"La théologie chrétienne est la grand-mère du Bolchévisme."
-- Oswald Spengler

Nous pouvons être témoin de cette déclaration avec la bannière ouverte du Communisme Chrétien : "les communistes chrétiens cherchent à accomplir un changement social à grand échelle. Cependant, certains pensent que, au lieu d'essayer de transformer les politiques et économies d'un pays entier, les chrétiens devraient à la place, fonder le communisme uniquement à un niveau local ou régional."

La branche Amérique Latine de La Théologie Communiste de la Libération Chrétienne, selon les théologiens tels que Leonardo Boff ; est enraciné dans l'idée que "la prudence est la compréhension des situations des crises radicales." Parmi les chrétiens communistes, le Matérialisme Historique est utilisé comme une méthodologie d'une analyse pour définir la nature d'une crise en question comme un produit des dynamique politico-économiques, et modalités dérivent des travaux de ce qui est appelé "Le mode de production capitaliste / impérialiste tardif." Selon ce sous-ensemble de la Théologie de la Libération, le défi pour le Communiste Chrétien est de définir sa signification (dans le contexte d'une analyse concrète de la réalité sociale concrète), d'affirmer une "option préférentielle pour les pauvres et les opprimés" comme Praxis (théorie active), et comme ordonné par éthique prétendument "enracinés dans les enseignements de Jésus."

La Théologie Communiste de la Libération Chrétienne n'a rien à voir avec l'évangélisation en soi, mais plutôt pour développer une orthopraxie (une action éthique ; les conditions qui mènent à la lumière en faisant les travaux de Dieu), qui a pour but de réconcilier les "Éthique Béatifiques" de Jésus, comme exposés dans le Sermon de la Montagne ; avec des luttes sociales existantes appelées "néo-colonialisme" ou "Capitalisme Tardif." Le Communisme Chrétien et La Théologie de Libération insistent tout deux sur "l'orthopraxie" au lieu de "orthodoxie." Un récit de la nature des luttes sociales contemporaines est développé à travers "l'analyse matérialiste" utilisant des concepts historiographiques développés par Karl Marx. Un exemple concret est le mouvement des paraguayen de Sin Tierra (paysans sans terre), qui ont saisi des terres et l'établissement de production coopérative agricole socialisé dans

asentamientos. Le paraguayen de Sin Tierra contemporain fonctionne d'une manière très similaire à celle des Diggers de l'époque de la Réforme. Pour Camilo Torres (le fondateur du groupe ELN de la guérilla colombienne) développer cette Orthopraxie signifiait célébrer l'Eucharistie Catholique seulement entre ceux qui étaient engagés dans une lutte armée contre l'armée de l'état de Colombie, tout en combattant à leur côté.

Les Communistes Chrétiens détiennent comme preuve les versets Bibliques dans les Actes 2 et 4, que les premiers chrétiens vivaient dans une société communiste. Les prédications de Thomas Wharton Collens est une bonne description des sources bibliques utilisées avec le but d'une société à qui les propriétés appartiennent ; Le professeur José P. Miranda "Comunismo en la Biblia" (1981), traduit comme "Le Communisme dans la Bible" (Maryknoll, N.Y.: Orbis Books, 1982).

Mais, en plus, ils citent de nombreux passages bibliques qui, de leur point de vue, soutiennent l'idée que le communisme est le système social le plus éthique, et qu'il est inévitablement constitutif de royaume de Dieu sur terre. Ces citations Bibliques le plus souvent citées proviennent des trois Gospels synoptiques, qui décrivent la vie et le ministère de Jésus.

L'une des remarques les plus connues de Jésus concernant la richesse peut être trouvée dans Matthieu 19 :16-24 (le même événement est aussi décrit dans Marc 10 :17-25 et Luc 18 :18-25, et la métaphore d'un chameau traversant l'œil d'une aiguille est commun à Matthieu et Luc).

21 Jésus lui dit : Si vous voulez être parfait, allez vendre ce que vous avez, et donnez aux pauvres, et vous serez riche au paradis : et venez me suivre. 22 Mais lorsque le jeune homme entendit cela, il partit avec chagrin : car il avait de nombreuses possessions. 23 Ensuite Jésus dit à ses disciples : je vous l'ai dit, qu'un homme riche devra à peine entrer dans le royaume des cieux. 24 Et encore une fois, il est plus facile pour un chameau de traverser l'œil d'une aiguille, que d'entrer dans le royaume des cieux pour un homme riche.

Jésus décrit les "changeurs d'argents" (ceux qui change la monnaie) comme étant des "voleurs" et il les a chassés du Temple de Jérusalem. C'est décrit dans Matthieu 21 :12-14, Mark 11 :15 et John 2 :14-16.

En plus, les attitudes communistes et implications peuvent être trouvées dans Lévitiques 25 :35-38 : plus important encore, cela fait partie des Lois de Moïse, et cela ressemble plus à un commandement, plutôt qu'à de l'exhortation ou de la diffusion d'opinion. Ce fait repose lourdement sur des discussions ultérieures de la question d'abandon obligatoire ou volontaire de richesse, soit comme une condition d'entrée possible de la grâce chrétienne ou comme un moyen d'atteindre les intentions divines pour l'ordre social humain. 5

La Vérité Sur La Bible

C'est donc le dernier pas pour révéler le Christianisme. Ce sermon est exceptionnellement important pour tous ceux qui veulent écouter la vérité : La Sainte bible : Un Livre de Sorcellerie juive.mp3

A moins de prendre les choses en main en détruisant le Christianisme, et d'alerter les gens, l'avenir s'annonce sinistre. J'ai écrit ce sermon il y a quelque temps et tout le monde ici devrait l'avoir lu : La Sainte Bible: Un Livre de Sorcellerie juive

En faisant des recherches et en étudiant, j'ai découvert que la bible n'est pas la "parole de Dieu" mais c'est un livre de sorcellerie écrit par la main de l'homme, d'où les nombres qui s'y trouvent. C'est utilisé délibérément par les juifs qui sont au pouvoir, afin d'asservir le monde. Les rituels meurtriers juifs sont liés de manière subliminale à la messe Chrétienne là où le Nazaréen est l'enfant sacrifié ; "mange-moi et bois-moi" "ceci est le corps du christ..." Ce fils de Jehova, sacrifié par son père... tué. De plus, la messe en elle-même se concentre sur les juifs, Israël et leur histoire fictive, créant ainsi un lien subliminal encore plus fort. Les croyants sont sous l'effet d'un sort puissant. 2000 années de meurtres rituels juifs

La bible est presque dans chaque maison partout dans le monde, et dans les pays non-chrétiens, son jumeau, le Coran, c'est la même chose. Ce n'est pas plus différent que le billet de 20 dollars et l'incident du 11 Septembre, car le billet de 20 dollars est le billet le plus utilisé aux USA. La bible est forcée, dans les hôtels, les hôpitaux, les maisons de retraite, et elle est presque partout. Cela crée un lien subliminal puissant pour les travaux rituels juifs. Beaucoup de croyants n'ont jamais lu la bible, mais ils s'en remettent aux interprétations de leurs prêtres, curés, pasteurs, qui sont eux aussi corrompu ; et les divagations des idiots qui ont un QI inférieur à la moyenne, affirment que c'est un "bon livre." Ils croient que le Christianisme aide les pauvres et les nécessiteux, et que c'est une organisation qui encourage l'amour, la charité et la paix. Rien ne peut être plus éloigné de la vérité.

Tout comme le communisme, c'est un autre mensonge juif ; un autre programme de "fraternité" juive qui déçoit les croyants avec des mensonges qui les prend au piège. Tout comme avec le communisme juif, l'intelligence et la pensée indépendante sont hautement dissuadés. Les retardés mentaux sont sacrés et révéérés dans le Christianisme, et avec le Communisme, le programme Chrétien [le Communisme juif est un haut niveau de Christianisme] fait un pas de plus en avant en supprimant les intellectuels, connu sous le nom de "purgés." La "intelligentsia" ou "élite intellectuelle" sont les premiers groupes de personnes à être massacrés lorsque le Communisme juif s'est emparé de force d'un pays ou d'une région.

Le succès de ces programmes juifs a été tributaire de la destruction et de la suppression de la connaissance spirituelle de la population païenne [les non-juifs]. Le Communisme juif va un peu plus loin, puisque la plupart de la connaissance est systématiquement enlevée, et pas seulement la connaissance

spirituelle, mais la connaissance en générale, et elle est remplacée par cette propagande de communisme juif. Là où le Christianisme s'est arrêté, le Communisme reprend le dessus. Tout comme la messe Chrétienne, l'assemblée à l'église subit un lavage de cerveau forcé [les gens s'ennuient et leur esprit est ouvert aux suggestions, ou, ils s'endorment et ils sont très réceptifs aux suggestions et endoctrinements]. Les tactiques restent les mêmes qu'avec le Communisme juif, et n'importe quel imbécile qui croit que le Communisme est Libéral a besoin de se réveiller. Le Communisme juif est en réalité, vivre selon les lois de l'Ancien Testament et les fameuses "morales" dans le sens le plus strict.

Le Christianisme, tout comme sa racine juive, crée le problème et apporte sa propre solution. Les gens sont endoctrinés et croient que la pauvreté est une vertu, et la propriété des choses matérielles est dissuadée. En retour, cela crée une pauvreté à un niveau subconscient qui se manifeste en réalité. L'âme et l'esprit sont programmés dans la pauvreté. Puis... voici le Christianisme qui arrive à la rescousse, apparaissant à ceux qui ont peu d'intelligence, comme étant un héros et le sauveur de l'humanité. De plus, la bible est remplie d'enseignements suicidaires et destructeurs, et autres conseils pour notre vie de tous les jours. Le Christianisme crée le problème et apporte ensuite une solution qui nous martyrise jusqu'à la fin. Ils travaillent comme ça sur tous les angles, et ceux qui sont de forts croyants, se lient à cette énergie, et cet abominable programme est perpétué de nombreuses façons. Les méthodes de contraception et autres, surtout là où elles sont nécessaires, sont fortement dissuadées. Ainsi, la pauvreté reste, et les missionnaires Chrétiens et autres criminels spirituels. Ce genre de chose dupe la population à chaque fois. La plupart, étant trop paresseux pour lire la bible, ou pour faire les recherches nécessaires, alors ils croient tout ce qu'on leur raconte, que la bible est "le livre de Dieu" et que le Christianisme est une institution qui encourage la paix et la charité. Peu de gens sont conscient que presque chaque guerre est directement ou indirectement est suscitée par le Christianisme, et ils ne sont pas non plus conscients que le Christianisme, avec son jumeau l'Islam, possède une fondation des meurtres et tortures les plus abominables et les plus connu de toute l'humanité. L'Inquisition possède les pleins pouvoirs lorsque le Communisme juif se retire.

Revenons maintenant sur l'aspect de la sorcellerie. Afin d'exposer la bible sur ce qu'elle est vraiment, on doit s'aventurer dans ce qu'est l'occultisme. D'ailleurs il y a de nombreuses menaces et autres avertissements dans la bible. Il y a aussi de nombreuses malédictions à propos de ça. Lorsque ceux qui ont peu de courage s'y aventurent, ils sont facilement effrayés. Pour ceux d'entre nous qui ont fait des recherches approfondies concernant l'occultisme, la spiritualité, les pouvoirs de l'esprit et de l'âme... les nombres, les planètes et autres, possèdent la connaissance nécessaire de voir la réalité de la bible. Il faut avoir l'expérience et la connaissance.

Toutes ces "prophéties" bibliques sont aussi écrites par la main de l'homme. Oui, c'est la vérité. A nouveau, ceux qui ont peu d'intelligence, tels que les croyants Chrétiens et leurs prêtres/curés sont dupés et ils croient que ce sont les actions de "Dieu." Pourtant, ces choses là peuvent être accomplies par des êtres humains ; des gens qui savent comment utiliser les pouvoirs occultes. La bible n'est pas le "livre de Dieu." Le fait que ce maudit livre est rempli de nombres

devraient être alarmant pour tout le monde, mais la triste vérité, c'est que peu de gens en ont conscience. La sorcellerie utilise les nombres.

Lilith m'a conduit vers un livre: Eye to Eye: Facing the Consequences of Dividing Israel [Œil pour œil: Faire face aux conséquences de la division d'Israël] par William R. Koenig. Cet idiot d'auteur, qui est un sénateur américain n'a pas l'intelligence pour voir à travers ses propres écrits dans le livre. Des phrases telles que "parce que la bible le dit" et autres, révèlent l'énorme stupidité de ce croyant. Il est évident qu'il ne peut pas penser pour lui-même, MAIS sa recherche est excellente en fournissant un résumé d'événements qui sont en corrélation avec les versets de la bible.

Maintenant, à chaque fois qu'il y a des problèmes en rapport avec Israël ; et n'importe quel problème avec les juifs, des désastres surviennent peu après. C'est n'est pas une "action de Dieu." Ce sont des malédictions qui ont été établies depuis des siècles par les juifs, à travers les rituels meurtriers juifs. Les énergies des croyants et le fait que la bible est omniprésente, il y a une énorme quantité d'énergie.

Pour ceux d'entre vous qui ne sont pas familiarisés avec la fouille archéologique du Roi Toutankhamon, prenez votre temps et lisez à ce sujet. L'ouverture de la tombe en Egypte en 1922 a libéré des malédictions très puissantes. Ces malédictions étaient aussi faites par les hommes. L'Egypte Ancienne était très spirituelle. Ces malédictions ont été mise en mouvement par les non-juifs, mais le même principe s'applique... l'utilisation de la sorcellerie. Si la connaissance spirituelle est enlevée de la population, et si en retour, la population est nourrie de mensonges, alors ceux qui possèdent cette connaissance et ce pouvoir deviennent des Dieux.

Chaque fois qu'il y a des problèmes avec Israël, les USA ou autres pays impliqués, paient le prix avec des désastres naturels ou destruction, et perdent des millions. Ce n'est pas l'action ou l'acte de Dieu, c'est le résultat de siècles de malédictions réalisés par les juifs à travers leurs rituels meurtriers et leur outil subliminal de la messe Chrétienne qui se focalise sur les juifs et le thème du Nazaréen sacrifié, qui est un sacrifice d'enfant, si c'est le soi-disant "Fils de Dieu."

Tout comme avec n'importe quelle malédiction, tout ceci peut être retourné contre l'envoyeur. Le JoS a eu beaucoup de groupes qui ont travaillé pendant de années. Entre les mains des mages sataniques puissants, sous la direction de Satan, nous pouvons détruire tout ça. Si ce n'est pas fait, l'avenir est condamné. La connaissance est un élément important, puisque beaucoup de gens découvrent la vérité à propos du christianisme et de l'islam. Ce qui va rompre le sort. Ces programmes ne sont rien d'autres que des sorts puissants qui prétendent être la "parole de Dieu" et garde l'humanité enchaînée. Le culte sur Jéhovah et le Nazaréen sont transférés aux pires criminels tels que Joseph Staline, Kim Il Sung, Mao Tse-Tung et autres ordures communistes qui ont tués en masses et torturés plus de dix millions de personnes. C'est pourquoi Satan nous avertit dans le Al-Jilwah contre toute vénération : "Aucun dieu n'a le droit d'interférer dans mes affaires, et j'en ai fait une règle impérative que tout le monde doit s'abstenir de vénérer tous les dieux."

Satan ne demande pas de le vénérer aveuglément. Au contraire il nous prévient contre ce genre de chose puisque cela met en danger la population, qui devient esclave. Satan représente la rébellion, l'individualité, et par-dessus tout, la liberté, pour l'avancement de l'humanité.

Les USA ont été la cible du communisme. Le Grand Prêtre Micama Gmicalzoma a fait des vidéos de mes sermons sur YouTube :
Exposing Christianity YouTube

Les chrétiens et musulmans qui se font des illusions, accusent Satan. Ils n'ont pas l'intelligence ou la connaissance de voir que tout provient de leur propre "Dieu", qui était un meurtrier et un menteur depuis el début, et qui demande le sacrifice humain. En réalité, cela provient du peuple juif. A nouveau, comme je l'ai déjà dit plusieurs fois, il n'y a rien de spirituel à propos de la bible, et pas d'avancement spirituel pour l'humanité ; seulement pour garder l'humanité aveugle et damnée. L'Ancien Testament, étant rempli de génocide, d'infanticide, de meurtres de masse, de torture, de pillage, de guerres, et l'asservissement des non-juifs. C'est utilisé par le communisme juif à chaque fois qu'il a eu le contrôle d'une nation ou d'une région. Avant le communisme actuel, l'Eglise Catholique et son inquisition ont agi selon les mêmes méthodes. Sous cette terrible institution, toute connaissance est retirée de la population, d'où le terme de "l'Age Noir." Ils ont remplacés cette connaissance par de la propagande, de la même façon qu'avec le lavage de cerveau du communisme. Le Nouveau Testament avec les enseignements communistes du Nazaréen est remplie de conseils suicidaires tels que : coupe ta main, retire ton œil, tourne l'autre joue, bénit ceux qui te veulent du mal, avoir une foi aveugle, et autres abominables enseignements pour détruire l'humanité ; préparant la population ignorante à accepter le communisme. En ce qui concerne la phrase "bénit ceux qui te veulent du mal" la bible est très directe à propos de la bénédiction des juifs et Israël.

Un idiot de pasteur a fait un vidéo sur YouTube concernant le nouveau billet de 100 dollars et il explique que cette fois c'est même pire qu'avec le billet de 20 dollars qui représentait un désastre. Bien sûr, cet idiot accuse Satan sans raison. Ce niveau de stupidité et d'idiotie à travers le Christianisme est stupéfiant. Satan a essayé de se faire comprendre pour voir à travers ça. Satan est le libérateur de l'humanité. Satan représente la rébellion. Sauf si le Christianisme et son jumeau de Communisme et l'Islam sont complètement détruit, il n'y aura plus d'avenir pour personne.

La Révélation sur les Illuminati par le Révérend Mageson666

Concernant le sujet de la franc-maçonnerie et les Illuminati, voici un résumé bref des événements qui ont conduit à la corruption des franc-maçon par les juifs et la vérité sur les Illuminati :
Voici plusieurs articles sur le sujet :

La vérité à propos du Nouvel Ordre Mondial
Le Temple de Salomon
La Nouvelle Atlantis

Rothschild a embauché le fils d'un Rabbin juif, qui s'appelle Adam Weishaupt pour créer une pseudo-franc-maçonnerie [les Illuminati] et il l'a armé de fonds importants, et tout était en place.

L'histoire raconte que le 1^{er} Mai 1776, le Docteur Adam Weishaupt fonda l'Ordre Bavarois des Illuminati. Weishaupt était un professeur du droit canonique juif à l'Université de Ingolstadt en Bavière, en Allemagne. Il est né de parents juifs et s'est "converti" plus tard au Catholicisme. Il est devenu un membre de haut rang de l'Ordre des Jésuites, à qui il a laissé former son organisation "la Maison des Rothschild."

Weishaupt croyait fortement que seulement une élite pouvait être qualifié pour avoir assez "d'illumination" pour guider et gouverner le monde. Le problème était le suivant : où pouvait-il trouver tout ces "guides" intellectuels ? Par la suite, il les a trouvés dans différentes loges, telles que les Loges Maçonnique, l'Ordre de Rosicrucian et autre ordres légitimes et sincères de l'antiquité. Ceci est de nouveau confirmé par Edith Starr-Miller dans son classique "la Théocratie Occulte." "Comme l'organisation des Illuminati s'est développée, alors il en était de même pour ses ambitions de domination mondial en subvertissant la Franc-maçonnerie et par tous les moyens... Après avoir obtenu le contrôle de certaines Loges Maçonnique, Weishaupt et ses associés se sont vantés imprudemment de leur pouvoir grandissant."

Weishaupt pris le nom de Spartacus, car comme le guerrier Romain, il était dédié à libérer les [masses opprimés] de l'oppression de toute monarchie et pouvoir religieux, son désir de secouer le joug de limitation pouvait inclure non seulement les gouvernements et les religions organisées, mais aussi le mariage et même la famille...

Weishaupt voulait un système de dimension globale, même si cela a apporté des violences partout dans le monde, et des rivières de sang. Sa “dictature bienveillante” avait 6 points principaux en rapport avec l’abolition de :

1. Des gouvernements nationalistes sous forme de monarchies.
2. La propriété privée.
3. Les droits d’héritage
4. Le patriotisme pour les causes nationales
5. L’ordre social dans les familles, les lois de prohibitions sexuelles [qui protègent les mineurs et tout code moral.
6. Toutes disciplines religieuses basées sur la foi d’un Dieu vivant, opposé à la foi de la nature, de l’homme et de la raison. [poussant ainsi l’athéisme à enlever toute connaissance spirituelle].

Ceci est presque mot pour mot du MANIFESTO DU COMMUNISTE de Karl Marx, et que ces six points sont parfaitement cohérent avec les Protocoles en général, [ce qui prouve leur authenticité].

La vision de Weishaupt pour un monde futur était complètement basée sur le Communisme, avec les possessions, même avec les enfants.

Il est beaucoup plus intéressant d’apprendre que Karl Marx n’était pas le réel fondateur de la révolution du monde Communiste. Son père fondateur était Adam Weishaupt, qui a fondé “l’Ordre des Franc-maçons” des Illuminati- Marschalko.

“La grande force de notre Ordre se trouve dissimulée ; ne la laissez pas apparaître nulle part de son vrai nom, mais donnez toujours un autre nom, et une autre profession. Aucun n’est meilleur que les trois degrés de la franc-maçonnerie ; le public s’y est accoutumé, attend peu de ça, et donc, n’a pas besoin de se faire remarquer.”

- Adam Weishaupt

A ses débuts, l’Illuminati, n’était pas un Ordre Maçonique, et Weishaupt lui-même n’est pas entré dans une loge avant 1777, lorsqu’il a reçu l’induction dans la Loge Theodore de Bon Conseil à Munich. Pourtant, une fois entré dans la franc-maçonnerie, Weishaupt a saisi immédiatement l’opportunité pour réaliser ses rêves d’Illuminati. Pour créer une union officielle entre l’Illuminati et la Franc-maçonnerie, Weishaupt mis en place une organisation du Congrès de Wilhelmsbas au château de William IX de Hesse-Kassel, qui devait avoir lieu le 16 Juillet 1782. Pour cet événement spécial, des représentants de l’élite des Loges Maçonique du monde y assistaient.

C’est aussi là qu’une décision accorda la possibilité aux juifs d’entrer dans la franc-maçonnerie. Le credo des Illuminati affirme que les gens sont égaux. [Communisme/Christianisme]

Le Christianisme et le Communisme : des Jumeaux juifs

Pourtant, il y avait une autre raison tacite pour le changement de la politique de la Maçonnerie à propos des juifs : on avait besoin d’argent... et les juifs étaient les principaux banquiers d’Europe, un rôle qu’ils assumaient depuis la chute des Templiers. Sans oublier que le Roi William IX était endetté à l’époque, et c’était un individu psychopathe.

Lorsque le moment est venu pour voter leur admission à Wilhelmsbad, les juifs étaient si inquiets de gagner que le hall était rempli de partisans juifs. Peu après, l'adhésion des Illuminati comprenait principalement des familles de banquiers juifs, tels que les Rothschilds, les Oppenheimers, les Wertheimers, les Schusters, les Speyers et les Sterns.

De nouvelles Loges, avec une prédominance de juifs se formèrent à Francfort le capital financier des Rothschild en Europe, et bientôt les Franc-maçons Illuminés firent de la ville leur Siège Social.

Le premier ordre du jour des Illuminati-juifs qui étaient initiés, étaient de réaliser leurs prophéties de Sion, un monde gouverné par le peuple choisi de Yahweh. Des plans ont été mis en route pour que les juifs puissent avoir leur "terre promise" depuis longtemps [dans leur esprit juifs] et ce serait le monde entier.

L'opportunité pour que leur Sion se manifeste est arrivée avec la Révolution Russe, qui était financé par les banquiers juifs. L'un des leurs, l'allemand juif, Karl Marx, a initié l'événement avec la publication de son manifeste.

Karl Marx, dont le vrai nom est Rabbin Mordechai Levi était membre de la Ligue des Justes, ce qui conduit ensuite vers la création de la Ligue Communiste.

-1841, Moses Hess, a guidé Marx vers une société appelée la "Ligue des Justes."

La devise de cette Ligue (Bund der Gerechten) était "Tous les Hommes sont Frères" et son but était "d'établir le Royaume de Dieu sur Terre, basé sur les idées de l'amour du prochain, de l'égalité et de la justice." [1]. Voir l'article qui montre que le Christianisme est le jumeau du Communisme. Voir – Le Christianisme et le Communisme : les Jumeaux juifs

Le leader Bolchévique de la Révolution, Lénine, qui, des deux côtés de sa famille était juif. Son plan contribuait à avoir un gouvernement centralisé qui serait contrôlée par une oligarchie juive. Après que Lénine et ses cohortes d'Illuminati ont soulevés leurs drapeaux à la fin de la Révolution Russe, leur nouveau gouvernement communiste est apparu avec les juifs qui occupaient au moins 75 % des hautes positions. Ils en finissent avec 60 millions de non-juifs assassinés par les juifs, ou moment où le Communisme était fini. Beaucoup d'entre eux, ont été massacrés dans des camps, tous dirigés par des juifs.

L'esclavage durant l'Union Soviétique

Les banquiers juifs ont construits un empire financier pour superviser une infrastructure capitaliste qui gouvernerait le monde. Comme Amshel Rothschild, un banquier juif et membre de l'Illuminati a affirmé: "*Donnez-moi le contrôle des finances d'un pays, et je me fiche de la personne qui gouverne ce pays !*"

Ce qui pour finir, nous conduit au Communisme. Les juifs possèdent richesse et pouvoir, et les non-juifs sont réduits à l'esclavage total, et un Nouvel Ordre Mondial Global juif.

Les nations se recueillent pour rendre hommage au peuple choisi par Dieu : toute la fortune des pays est versée aux juifs, ils marchent enchaînés, prisonniers derrière les juifs, et ils se couchent devant eux, leurs rois élèveront leurs enfants, et leurs princesses nourriront leurs enfants. Les juifs commanderont les nations, ils convoquent les gens qu'ils ne connaissent pas. La richesse viendra aux juifs.

"Tous les gens du Royaume qui de servira pas Israël devra être détruit."

-Isidore Loeb [La Littérature des Pauvres dans la Bible].

Quels étaient les effets du renversement de la Franc-maçonnerie par les juifs, à l'intérieur même de l'organisation ? La Maçonnerie est basée sur le Judaïsme. Éliminez les enseignements du Judaïsme des Rituels Maçonnique, et que reste-t-il ?

- La Tribune juive [New York, 28 Octobre 1927]

“Dans les présentes nations, la Franc-maçonnerie bénéficie uniquement les juifs”

-Theodore Herzl [Fondateur et Leader du Monde Sioniste]

“Nous avons trouvés de nombreuses associations secrètes, qui servent notre but, sous nos ordres et notre direction. L’un de nos triomphes de nos Franc-maçons est que les non-juifs qui deviennent membres de nos Loges, ne doivent jamais suspecter que nous les utilisons pour qu’ils construisent leurs propres prisons, dont nous allons ériger le Trône de notre Roi Universel des juifs ; et ils ne doivent jamais savoir que nous les commandons à forger les chaines de leur propre servilité pour notre futur Roi du Monde.”

-Introduction du discours fait à la convention de B'nai B'rith à Paris [publiée dans la Gazette Catholique en Février 1936]

Il devrait être évident pourquoi le Troisième Reich a banni ces organisations en Allemagne. Ces organismes proviennent du Communisme juif.

The Black Sun

La Vérité sur le "Nouvel Ordre Mondial"

Il existe beaucoup de confusion concernant la franc-maçonnerie, le Nouvel Ordre Mondial, les Etats-Unis, et leur rapport avec le Véritable Satanisme. La raison de cette confusion réside dans l'infiltration. Les VERITABLES Franc-maçons qui sont responsables pour la création des Etats-Unis d'Amérique, ont conçus Washington DC et bien d'autres villes américaines, là où l'architecture était spécialement désignée et arrangée pour un autre but, en utilisant la connaissance occulte ; ils avaient une idée complètement différente du Nouvel Ordre Mondial.

Les Pères Fondateurs des Etats-Unis (qui étaient presque tous des Franc-maçons) avaient eu l'idée d'un Nouvel Ordre Mondial, et cette idée était basée sur les Principes Luciférien, dont les objectifs étaient les suivants :

1. Etablir un pays libre où les citoyens fuiraient l'oppression sévère du Christianisme et apprendraient les secrets anciens du passé, sans aucune peur de perdre leurs vies.
2. Les Etats-Unis devait être "La Nouvelle Atlantis" et devait établir un précédent pour les autres nations du monde, et tout ce qui était en rapport avec la connaissance spirituelle.
3. Etablir une nation libre dans laquelle chaque individu deviendrait le ou la meilleur/e de lui ou d'elle-même.
4. Les autres objectifs de ce Nouvel Ordre Mondial peuvent être trouvés dans les doctrines originales des Etats-Unis.

Maintenant, ce qui est arrivé aux objectifs ci-dessus, et où cet "autre" Nouvel Ordre Mondial – qui provient des juifs – nous mène, c'est une autre histoire. Je me rappelle avoir posé la question à Satan à propos de la Franc-maçonnerie il y a quelques temps car j'étais confuse, et il y avait toutes ces informations conflictuelles. Sa réponse était "ils ont été infiltrés" et il m'a également informé que la Franc-maçonnerie d'aujourd'hui est bien différente que celle de l'époque, qui était basée sur les Principes Luciférien.

Plus tard, j'ai lu comment Mayer Amschel Rothschild, père d'une banque juive de plusieurs millions de dollars a utilisé sa position :

Voici un extrait du livre "Règle par le Secret" [Rule by Secrecy] de Jim Marrs © 2000, pages 58 - 59:

"Cette dynastie bancaire secrète fut établit par Mayer Amschel Bauer, un juif allemand né le 23 Février 1744 à Francfort..."

"Le jeune Mayer étudia pour devenir un Rabbin. Il fut élève de la Haskala, un mélange de religion, de loi hébraïque et de raison."

"La mort de ses parents força Mayer à quitter l'école rabbinique pour devenir un apprenti dans une banque.

Il apprit facilement comment faire du commerce, il devint l'agent financier de William IX, l'administrateur royal de la région de Hesse-Kassel, et un Franc-maçon important. Il s'insinua dans les bonnes grâces de William, qui était de un an son aîné, en s'intéressant à la Franc-maçonnerie et les antiquités. Mayer

chercha des pièces anciennes et les vendit à son bienfaiteur à des prix bons marchés. Si on considère sa formation rabbinique, en plus de sa recherche sérieuse pour les antiquités, il développa une profonde compréhension des mystères anciens, et particulièrement ceux de la Kabbale juive. Ce fut durant cette même période que les métaphysiques de la Kabbale commencèrent à fusionner avec les traditions de la Franc-maçonnerie.”

**

Les juifs infiltrent toute source de pouvoir des non-juifs qu'ils peuvent. Depuis l'intérieur, soit ils gagnent le contrôle total, soit ils cherchent à le détruire à travers la corruption.

Le Nouvel Ordre Mondial juif est un état mondial d'esclavage, contrôlé et dirigé par les juifs. Ce Nouvel Ordre est à l'opposé de ce que les véritables Franc-maçons voulaient pour les non-juifs :

1. Le messie juif sous la forme de "Jesus" (une sympathique connexion magique de toutes les prières récitées par les Chrétiens et l'énergie psychique qui construit cet archétype) unira les juifs et établira un seul gouvernement d'état communiste dirigé en dehors d'Israël (Volé des Palestiniens, basé sur l'histoire fictive des juifs et de la bible, et a été sélectionné car ce pays est situé à un carrefour des trois continents majeurs : l'Europe, l'Afrique et l'Asie, et ce pays est situé sur des alignements de sites) là où les juifs auront un contrôle total sur les non-juifs de toutes les nations, culture et race du monde entier.
2. Les gens auront un code bar comme du bétail (ce qui, en hébreu signifie "goyim" est un terme péjoratif pour désigner les non-juifs) sont étiquetés pour assurer ce contrôle. Les implants électroniques sont une autre possibilité pour s'assurer que les non-juifs peuvent être suivis comme des animaux.
3. Toute connaissance spirituelle sera systématiquement enlevée de la population des non-juifs (les buts véritables du Communisme et du Christianisme) à travers les meurtres de masses et la torture comme c'était fait durant l'Inquisition et récemment (en 1950) quand le Communiste Chinois Mao Tse-Tung est allé au Tibet et a brûlé les monastères et a massacré et torturé à mort ces pauvres leaders religieux. Le Tibet, à cause de son isolement dans les montagnes de l'Himalaya contenait bien des anciennes connaissances des enseignements spirituelles, bien avant l'arrivée du Christianisme, du judaïsme et de leurs cohortes.
4. La connaissance spirituelle et le pouvoir occulte sera uniquement entre les mains des juifs pour le contrôle mondial.
5. Presque tous les juifs qui sont neutres et indifférents seront contents de se joindre ce nouvel ordre avec leurs frères une fois le moment venu.
6. Les programmes de mélange racial effaceront toutes identités culturelles et raciales pour le contrôle total. Avec la perte de soi-même à travers la destruction raciale et de l'identité culturelle, l'histoire peut être réécrite de la façon dont les juifs le veulent. Ils le font depuis des siècles, à l'insu de la majorité de la population des non-juifs. C'est ce qui s'est passé avec le Satanisme (La Véritable Religion de l'Humanité), et les véritables enseignements, les prêtres et prêtresses, et autres leaders spirituels et le

gens qui avaient cette connaissance, en plus des bibliothèques qui contenaient cette même connaissance, tous ont été détruits. L'Église Chrétienne a eu la liberté de redéfinir le Satanisme de la façon dont elle le souhaitait, étant donné qu'il existe peu d'informations concernant la connaissance et la vérité. La Bible n'est rien d'autre qu'une histoire fabriquée des juifs, une histoire qu'ils n'ont jamais eu. A cause de cet important endoctrinement et de ces croyances forcées, l'esprit de masse a créé une puissante forme-pensée qui a aidé les juifs à accomplir leur but de contrôler le monde.

7. Les Êtres Humains ne seront plus que des âmes perdues sans identités, sans liberté, connaissance, ou individualité ; juste un nombre au service d'un état juif d'esclavage.

Ceci est complément à l'opposé de ce que les véritables Franc-maçons voulaient – qui eux, étaient des non-juifs. Malheureusement, de nouveau, les juifs jouent des deux côtés pour avoir le contrôle total. Les rituels modernes dans la Franc-maçonnerie qui sont axés sur la seconde arrivée de ce messie sordide, et une fusion de toutes les religions du monde, sont désormais différents de ceux créés par les premiers Franc-maçons ; ils ont été retirés et scellés en secret.

** Voir : le Second Messie : les Templiers, le Linceul de Turin, et le Grand Secret de la Franc-maçonnerie par Christopher Knight and Robert Lomas. Publié à New York : Barnes & Nobles, 2000.

C'est tellement évident qu'une fois le sort brisé, comment les juifs ont arraché le contrôle, et abusé le pouvoir occulte dans leur quête pour devenir "Dieu." Si on fait des recherches nécessaires, on peut clairement voir la corrélation entre la bible judéo-chrétienne, le Communisme et la version juive d'un Nouvel Ordre Mondial. Le livre : "Déception Mortelle : la Révélation de la Franc-maçonnerie par l'un de leur Leader" par James D. Shaw et Tom C. McKenney a été écrit d'un point de vue Chrétien, mais il contient des informations utiles relatives à la Franc-maçonnerie moderne. Une fois le 33^{ème} degré atteint (sa signification de nos jours est différente de l'originale qui concernait la connaissance spirituelle, et le 33^{ème} degré représentait la colonne vertébrale ainsi que la Kundalini), le Franc-maçon est d'habitude invité à se joindre à l'Illuminati, une organisation communiste qui a pour but un Nouvel Ordre Mondial juif.

La bible judéo-chrétienne est, comme le but de la Franc-maçonnerie infiltré par les juifs, "Toutes les religions sont une." C'est assez évident étant donné que tout dans le christianisme a été volé des religions du monde, de l'Est et de l'Ouest, et leur Nazaréen (la connexion psychique pour le messie juif), est composé de plus de 18 Dieu Païen Non-juif, comme Odin qui fut pendu à un arbre. Tous ceux qui sont familiarisés avec l'occultisme et le pouvoir de l'esprit savent qu'il doit y avoir une connexion dans laquelle l'énergie psychique est canalisée.

Les juifs ont infiltrés presque toutes les Organisation Occulte des Non-juifs. La "Golden Dawn" est remplie de symboles hébreu, des anges, des noms de dieux, l'alphabet juif, etc. La Wicca va de même en mettant l'accent sur certains groupes qui vénèrent les anges juifs, la "loi de Trois" juive qui est un dérivé de "l'Étoile de David" que les juifs ont adoptés récemment (dans les dernières 100-150 années) et cette étoile a été volée de symbole Hindou de l'Étoile de Vishnu. L'accent sur le nombre un (le monothéisme juif, là où ils deviennent eux-mêmes

“Dieu”) n’est pas naturel car il faut être deux pour créer, et mêmes les créatures asexuelles doivent se connecter pour se reproduire.

La vérité est la suivante : le pouvoir psychique des non-juifs, à travers le christianisme, et de l’autre côté (les juifs jouent des deux côtés tout en les contrôlant), les Loges Occultes sont canalisées pour réaliser l’arrivée du messie juif, en même temps qu’un Nouvel Ordre Mondial contrôlé par les juifs.

A cause de l’infiltration et du contrôle, beaucoup de non-juifs, la plupart étant des chrétiens, sont confus et rassemblent ce Nouvel Ordre Mondial en une seule idée, qui est en réalité deux idées bien séparées. A cause de l’utilisation du pouvoir occulte, ils sont aveugle et ne voient pas que ce monstre est juste derrière eux, et ils sont dupés à travailler pour lui avec ferveur. Les Pères Fondateurs des Etats-Unis utilisaient le pouvoir occulte pour des buts bienveillants, en établissant une nation libre là où les enseignements anciens et la connaissance spirituelle pourrait prospérer sans aucune crainte. Cela devrait être évident maintenant, il n’y a RIEN de “spirituel” à propos de la “religion” chrétienne. C’est uniquement du matérialisme. Les Chrétiens n’ont pas la connaissance de l’anatomie de leur âme, comment se guérir eux-mêmes, ou autre chose de nature spirituelle. Cette fameuse “religion” est fautive et contrefaite. Les Chrétiens qui approchent les stages avancés du Christianisme arborent un faux visage, ce fameux regard blafard masqué par un sourire. Tout simplement parce que leurs vies entières se résument à des mensonges, au point où ils affichent cette apparence artificielle et ressemblent physiquement aux mensonges dans lesquels ils sont emprisonnés. C’est une partie de leur punition, qui mènera éventuellement à leur damnation éternelle à travers la corruption de leur âme à cause de la connaissance spirituelles qu’ils ont reniés, et maudit et blasphémé le Véritable Dieu Créateur de l’Humanité qui n’est d’autre que “Satan.”

La charité du Christianisme Révélée

- "Parce que les églises sont exonérés d'impôt, le citoyen moyen paie un supplément de 925,00 \$ par année en taxes pour ces églises."
- "D'après l'IRS [Internal Revenue Service] l'agence de gouvernement qui collecte l'impôt sur le revenu, les dons de l'église sont plus de 19 milliard de dollars chaque année. "Cela n'inclut pas les bénéfices des entreprises, les actions, ses avoirs en obligation, les maisons de retraite ou les arrangements."
- L'église des Mormons à elle seule collecte au moins 4,5 milliard de dollars par an et un autre 400 millions de dollars des entreprises achetées avec l'argent donné exonéré d'impôt."
- "Les églises possèdent la valeur des biens exonérés d'impôt de 81 milliards de dollars dans l'immobilier au Texas et 1.3 milliards de dollars dans le comté de Los Angeles. Ayez conscience que les principaux biens immobiliers leurs appartiennent à New York, Chicago, Boston, dans tout les états – la somme est stupéfiante."
- "Chaque dollar d'impôt que l'église évite de payer, vous, en tant que contribuable individuel, devez payer."
- En grandissant dans le pouvoir et les possessions, les Eglises Chrétiennes possèdent 20 à 25% de tout l'immobilier en Amérique.

Le salaire de l'aumônier de la Chambre des représentants du Sénat des Etats-Unis était à peu près le même avec en plus un budget de 300,000.00\$ incluant le salaire des secrétaires. 1

Concernant le sujet d'avortion, c'est une affaire personnelle, mais je veux montrer ce qui est fait derrière les mouvements chrétiens de "anti-avortement."

Tout d'abord, si le Christianisme ne nous avait pas retenus, il y aurait des moyens de contraceptions efficaces. L'abstinence forcée n'est pas saine, et ça ne fonctionne pas.

En ce qui concerne l'Eglise Chrétienne et la position Catholique sur l'interdiction des moyens de contraceptions et l'avortion, c'est encore une autre escroquerie. Ce sont les enfants qui paient. Le but derrière tous ça aux yeux du public est de prétendre qu'ils ont de bonnes intentions et que c'est de l'humanitarisme. Mais derrière, il y a la véritable histoire.

Des Athéistes Américains ont fait un exposé sur "Mère Theresa" il a quelques années. Cette femme a reçu des millions de dons. La plupart de cet argent est inexplicé.

Un grand nombre des victimes de ces mouvements anti-avortement proviennent des pays du tiers-monde. La plupart de ces pays en Afrique, Amérique Centrale et du Sud, et l'Asie ont été exploités et infestés par le Christianisme. Les missionnaires retournent dans ces pays comme des hôtes importants, pour accomplir leur but malveillant puisque ces pauvres gens sont pauvres et illettrés.

Pour nourrir, habiller et loger un individu dans ces pays coûte près de 10 centimes et un bol de riz. Les enfants marchent, amaigris, en haillons et sale. Le taux de mortalité est élevé et les églises amassent des millions et des millions de dons d'impôts exonérés pour "donner" à ces enfants. Le plus triste dans tout ça, c'est que rien n'est apporté aux enfants. La mortalité infantile est tellement élevée à cause de la famine et des maladies, que l'Eglise Catholique les exploite avec l'interdiction de l'avortement. En retour, cela fournit à l'église la possibilité d'utiliser les enfants sur des affiches pour amasser davantage d'argent, tout en s'assurant que de malheureux bébés viennent au monde. De plus, beaucoup de ces enfants sont utilisés vicieusement et brutalement pour le travail. Les entreprises juives veulent une main-d'œuvre bon marché avec des êtres humains jetables qui peuvent travailler jusqu'à la mort ; ce n'est pas plus différent que le communisme juif.

Avec le balisage de la monnaie des pays de l'Ouest dans chacun de ces pays, les églises peuvent facilement faire en sorte pour que le tiers-monde vive correctement. Ce n'est rien d'autre que de l'escroquerie. Dans les cas les plus rares, des enquêtes sont réalisées sur des leaders Chrétiens, et les saletés qu'on retrouve sur eux est sans fin. Avec toutes ces richesses exonérées d'impôts et les financements, l'Eglise Chrétienne a organisé un bloc de vote puissant.

"Ils ont empêchés tellement de sénateurs et de représentants d'avoir leur propres groupes religieux, qu'il a été presque impossible de renforcer n'importe quelle loi d'impôts ou de violations d'impôts à leur encontre. Par conséquent, l'Eglise continue de gagner plein pouvoir avec des fonds illimités." 2

Au Mexique, les gens marchent pieds nus avec une apparence négligé sur une route poussiéreuse, ils font 15 kilomètres pour aller dans une somptueuse église qui prend une part de leur revenu pendant qu'ils vivent dans des taudis avec des logements qui ont des sols sales et une tôle ondulée pour un toit. Les églises sont remplies d'ors et continue de prendre l'argent de ces pauvres personnes.

La charité Chrétienne est une escroquerie. Ils donnent au public le peu d'image pour garder un côté humanitaire, mais la plupart des dons sont alignés dans les poches des pasteurs, et sont dirigés pour organiser des activités criminelles, et pour l'avancement du Communisme juif. Lorsque les gens leur confessent leurs problèmes, ceux-ci sont rarement réglés. On dit aux drogués qu'il faut continuer de prier, etc. On leur cache les méditations de pouvoir, et la connaissance de l'âme, ce qui soulagerait leurs addictions. Les gens restent estropiés dans le système Chrétien et ils sont exploités. Les nouveaux qui viennent vers "Jésus" sont pris dans les mailles du filet. Pourtant "Jésus" ne dure pas longtemps et la

personne replonge dans son passé, mais les conditions sont pires, comme si, en plus de leurs problèmes qui les ont conduits jusqu'ici, "Jésus" leur crache dessus.

La plupart des dons Chrétiens financent les guerres et les activités criminelles organisées.

Le "Conseil des Eglises Nationales et Mondiales" inclut l'adhésion des Luthériens, des Baptistes, des Presbytériens, des Méthodistes et autres dénominations.

"Le Conseil des Eglises Mondiales et sa filiale, Conseil des Eglises Nationales, qui sont soutenus par l'église, ont fait des dons secrètement afin d'aider à financer des opérations clandestines et des guerres." "Les églises et les églises fondamentalistes soutiennent les tueries. Le sang est sur les mains de chaque donateur."

"Dans un témoignage poignant donnée à l'Université Américaine de Washington D.C., et diffusé le 12 Décembre 1989, un ancien officier de la CIA, John Stockwell expliqua comment les contras Chrétiens éclatent dans les maisons de villageois innocent. Il les vit trainer un homme d'une maison pour le castrer devant sa femme et ses enfants. Ces sauvages violèrent ensuite sa femme, ils lui coupèrent les seins avec leurs baïonnettes. Ils forcèrent les enfants terrifiés à regarder. De nouveau, ces atrocités furent en partie financées par les dollars qui étaient dans les églises voisines. Ces mêmes églises affirmèrent aux croyants que cet argent est envoyé à la Fondation du monde contre la famine.' Pour aggraver cette tragédie, les Nicaraguayens sont des gens formidables, ils aiment les Américains et ne comprennent toujours pas pourquoi l'Amérique leur ferait ce genre de chose." 3

"Jésus" Ne Guérit Pas Les Drogés

Ce n'est rien d'autre qu'une escroquerie monétaire et l'exploitation des êtres humains. Quelque chose doit être remplacé par autre chose ; et non pas rien. Les victimes Chrétiennes retournent la plupart du temps vers leurs anciennes habitudes, par exemple, les gens avec de sérieux problèmes de drogues ont besoin de réparer les parties faibles et les trous dans leur aura, se responsabiliser avec l'énergie dont ils ont besoin pour ne pas qu'ils retombent dans l'addiction. Les églises Chrétiennes n'apportent rien de tout ça. Ils entraînent les gens qui sont désespérés afin de les exploiter financièrement. Les victimes paient de grande somme d'argent et en échange, on leur donne de nouveaux problèmes qu'ils n'avaient pas au départ. Le Nazaréen discrédite l'estime des victimes, ainsi que leur confiance et leur énergie vitale, ce qui les fait replonger dans leur addiction. Lorsque la victime rechute, on lui dit qu'il ou qu'elle est un pécheur /une pécheresse et qu'il (ou elle) a besoin de se repentir [ce qui abaisse davantage l'estime et la confiance de la victime]. Cela crée un cercle vicieux d'exploitation humaine et de cruauté.

Satan nous donne la force, l'estime et le pouvoir de combattre les addictions. Lorsque nos chakras et notre aura sont sains, nous n'avons pas besoin de différentes substances pour remplacer un manque de spiritualité.

Pour finir, les services sociaux avec les aides sociales et autres agences gouvernementales ; la Croix Rouge et d'autres, font bien plus que l'église

chrétienne en aidant les défavorisés. De plus, contrairement aux églises Chrétiennes, ils ne demandent pas votre liberté, votre esprit et votre âme.

Le Nouvel Ordre Mondial et les Eglises Chrétiennes

On entend souvent les Chrétiens qui se plaignent souvent et en affirmant que "Satan" va créer un "Nouvel Ordre Mondial" et les êtres humains auront des codes barres comme du bétail et perdront leurs droits et leur liberté. Ce Nouvel Ordre Mondial a été conçu pour être un "Etat Communiste Mondial." Dans l'histoire du Christianisme, Satan est accusé de tous les maux, et de tout ce qui est désaccord avec le Christianisme, ou également les crimes qu'ils commettent envers l'humanité. Cet article a été écrit pour détromper ceux qui se font encore des illusions.

Avec assez de recherches et un peu de bon sens, Satan n'a absolument rien à voir avec tous ça. Cela vient du Christianisme, de l'Eglise Catholique, du Conseil Mondial et National des Eglises [auquel de nombreuses Eglises Protestantes appartiennent et soutiennent]. Ils canalisent l'essentiel de leurs contributions tout en propageant le programme juif du Communisme, et ils abusent le pouvoir occulte au plus haut point afin d'atteindre leur but. Bien sûr, avec les accusations incessantes, on entendra de la part des Chrétiens la phrase suivante : "Oh non !! Ce n'est PAS MON Eglise !!" Les Protestants condamnent les Catholiques ; en ignorant le fait que leur religion avait son origine dans l'Eglise Chrétienne : l'Eglise Catholique.

Pour résumer, le Satanisme ne met aucune restriction sur les gens. Satan soutient l'individualité, la liberté et l'avancement de la race humaine. Satan ne représente pas le chaos, comme beaucoup de gens le pensent. Pour pouvoir

l'apprécier, il faut le connaître. Satan reste logique et cohérent. Satan défend la liberté et la rébellion, et non pas le Nouvel Ordre Mondial Communiste dans lequel les juifs asservissent les non-juifs qui deviennent seulement des nombres, et deviennent ce que l'on appelle "des êtres humains jetables."

Extrait du Talmud juif :

Baba Necia 114, 6: "Les juifs sont des être humains, mais les nations du monde ne sont pas humains, mais seulement des bêtes."

Simeon Haddarsen, fol. 56-D: "Lorsque le messie juif arrivera, chaque juif possédera 2800 esclaves."

Nidrasch Talpioth, p. 225-L: "Jehovah a crée les non-juifs sous forme humaine pour que le juif ne soit pas servi par des bêtes. Le non-juif est par conséquent un animal sous forme humaine, et il est condamné à servir le juif jour et nuit."

Les Chrétiens et autres, accusent de bon cœur Satan et les "Satanistes" lorsqu'ils parlent du sujet du "code-barres." Pour commencer, s'ils ouvriraient leurs yeux, ils verraient que ce ne sont pas les enseignements de Satan, mais ceux de la bible judéo-chrétienne, dans laquelle les êtres humains sont vu comme des "moutons", et ils sont la propriété de "Dieu" et la bible est contre le sexe et les désirs. La bible judéo-chrétienne n'est rien d'autre qu'une organisation afin d'établir le Communisme juif, d'affaiblir la population, et promouvoir l'injustice (Si quelqu'un te frappe sur la joue droite, présente-lui aussi l'autre. Mathieu 5 :39) et autres enseignements suicidaires qui affaiblissent le pouvoir de résister. Ce sont des tactiques pour préparer la population à une révolution communiste, enseignés par Vladimir Lénine [Leader du Communisme juif].

Et que peut-on dire sur le chaos ? Encore une autre tactique communiste et on le voit très bien ici aux USA. Les juifs qui travaillent afin d'instituer le communisme utilisent toutes les façons de l'intérieur et de l'extérieur pour détruire le système judiciaire et pour établir la confusion parmi la population. La "Sainte Bible" est le livre le plus déroutant jamais concocté. La plupart des gens ne prennent pas la peine de le lire, mais ils se disent "Chrétiens." Regardez les contradictions sans fin, et bien sûr, les enseignements du Nazaréen :

- Jesus vole [Luc 19 :29-35 ; Luc 6 :1-5]
- Jesus a menti [Matthieu 5 :17 ; 16 :28 ; Apocalypse 3 :11]
- Jesus préconise le meurtre [Luc 19 :27]
- Jesus demande à l'un de ses disciples de déshonorer ses parents et sa famille [Luc 9 :59-62]

Il y a juste des extraits des commandements dont il montre le mauvais exemple, mais en plus, il demande aux autres de faire de même. Des contradictions telles que celles-ci dans les enseignements religieux prépare à la confusion et aux chaos.

Le nombre de sectes Chrétiennes qui sont violemment en désaccord se condamnent les uns les autres, sans oublier les guerres sans fin qui sont essentielles pour leur Nouvel Ordre Mondial. Presque toutes les guerres ont été incitées par les juifs et leurs outils appelés Christianisme et Islam. En pardonnant sans cesse, comme le Nazaréen l'a enseigné et tourner l'autre joue, cela encourage non seulement le chaos, mais aussi le crime. Les gens sont

endoctrinés à être de parfaits esclaves et victimes. Leur propre corps appartient à une certaine entité qui décide de leur pensée les plus intimes, et de leurs désirs sexuels. **En ce qui concerne l'idée des gens avec des codes-barres, n'accusez pas Satan !! Satan a toujours défendu la liberté et la rébellion !!**

Les Chrétiens et les autres s'accusent constamment les uns les autres "Ce sont les Catholiques", "Oh non ! Ce sont les Protestants !" Ils ne peuvent pas comprendre de genre de choses, et c'est comme ça depuis des siècles dans leurs églises et c'est le thème principal de leur bible. Ils y ont contribué financièrement, psychiquement et spirituellement. SOYEZ DES ESCLAVES ! C'est plus facile pour eux d'accuser Satan que de réaliser qu'ils ont été dupés par leur propre "Dieu" et leur église. Satan a été utilisé comme distraction et comme bouc émissaire depuis des siècles par les Eglises Chrétiennes. Accusez tout simplement Satan, prêchez au monde entier que le Christianisme et le Nazaréen sont de "bons" humanitaires" et par-dessus-tout, "Dieu." Un mensonge répété et souvent renforcé finira par être accepté, peu importe qu'il soit ridicule ou non. Des trillions de dollars ont été dirigés pour promouvoir publiquement ce mensonge, pendant que leurs leaders religieux travaillent clandestinement à asservir le monde, comme ils l'ont fait à travers l'Eglise Catholique. Les Protestants ne sont pas plus différents avec leurs chasses aux sorcières, et l'obligation d'aller à l'église pendant l'histoire coloniale de l'Amérique. LA LIBERTE EST INCOMPATIBLE AVEC LE JUDEO/CHRISTIANISME !!

Le Christianisme n'est pas spirituel. C'est en réalité une institution politique qui se fait passer pour un groupe spirituel/religieux. Les adhérents sont dupés en vivant pour leur propre mort ; ils sacrifient toute connaissance occulte/spirituelles et sont ainsi sans défense et inoffensif contre ceux qui possèdent cette connaissance et savent comment l'utiliser. Les adhérents se font des illusions en croyant que leur "Dieu" punira ces gens alors que depuis le début, ils ont été préparés à travers de s générations à être des esclaves stupides, et leur âme, en rejetant toute spiritualité, n'est pas développée. Le but est presque accompli si ces idiots ne se réveillent pas.

J'ai lu que les églises de Billy Graham possèdent maintenant des DVD et des haut-parleurs luxueux en stéréo. Où est la spiritualité dans tout ça ? Leur façade de charité chrétienne est une plaisanterie. La plupart des dons – au total des trillions de dollars – sont conduit vers le Conseil des Eglises Mondiales ; et sont utilisés politiquement pour financer le Communisme, les guerres, et autres activités terroristes. Les organisations laïques telles que les agences locales d'aide sociales sont celles qui ont le plus besoin d'aide. Cela provient des poches des contribuables et NON PAS des Eglises Chrétiennes.

Les leaders des gouvernements Chrétiens sont eux-mêmes incroyablement matérialistes.

Quand on regarde l'Eglise Catholique à traves les siècles, on découvre qu'ils ont pris les derniers centimes des familles les plus pauvres et les plus accablés, des veuves, et également des générations de familles qui étaient ciblées par l'Inquisition. L'église elle-même a amassées des réserves d'or, d'argent, de connaissance précieuse, des artefacts et des pierres précieuses en quantité incroyable.

En plus d'avoir ramassé tout cet or et autres objets de valeurs qu'ils ont pu confisquer, l'Eglise Catholique a pu acquérir une grande quantité de biens immobiliers ; la plupart ont été acquis à travers les meurtres de masses effectués par l'Inquisition. L'Eglise Catholique aujourd'hui est sans aucun doute l'institution la plus riche de la planète. La quantité d'argent, de terre, de trésors, d'artefacts, et autres biens matériels que possèdent l'Eglise Catholique dépasse l'imagination.

Même à travers l'Age Noir lorsque la pauvreté était répandue, à cause du Christianisme, on trouve d'immenses et fabuleuses cathédrales, construites en plein milieu de l'extrême privation de la population, avec des autels, des absides faites d'or, des voûtes richement décorées, des colonnes et murs. De magnifiques basiliques, cathédrales, abbayes, baptistères, monastères, couvents, et d'autres églises furent construites. Presque tous étaient somptueux et énormes en comparaison avec les maigres environs de l'époque ; ils étaient là, debout, comme le principal dépôt de la richesse matérielle – l'or, l'argent et une architecture somptueuse – de leur époque et de leur location géographique.

L'Eglise Catholique, durant l'Age Noir s'est établie comme étant le dirigeant inconditionnel de toute l'Europe. L'Eglise Catholique avait toute domination sur les rois et reines, l'armée et dirigeait avec terreur. Personne n'était libre. La connaissance était détruite et/ou déplacée afin de créer un état esclavagiste parfait, les esclaves doivent être illettrés et sans pouvoir.

"Le Christianisme et le Communisme sont très proches spirituellement. C'est un concept très connu qui a été adopté par de nombreux penseurs, en passant par Thomas More jusqu'à Tolstoï. Peu de gens savent que le premier état socialiste du monde était établi en Paraguay et était basé sur les idées des Jésuites Catholiques bien avant que Marx ne crée ses enseignements."

"La "Société de Jésus"- l'ordre religieux des jésuites – dans l'Eglise Catholique était en gros l'équivalent du KGB durant l'Union Soviétique."

Les extraits ci-dessus ont été tirés du journal "Pravda" [qui signifie "vérité"] (le journal du Parti Communiste et le premier journal de l'ancienne Union Soviétique). Tiré de l'article : Y a-t-il une différence entre le Christianisme et le Communisme ? 30/04/2013.

Les meurtres de masses commis par Joseph Staline [un juif], Mao Tsé-Tung et d'autres dictateurs communistes sont l'équivalent de l'Inquisition Chrétienne. Les noms et les visages changent, mais c'est le même but avec les mêmes personnes. Mao est allé au Tibet, a tué et torturé les Tibétains en masse. L'Armée chinoise, sous les ordres de Mao ont traversés des montagnes et des terrains dangereux avec pour but principal détruire la connaissance ancienne, sans se soucier de ce que les livres d'histoires racontent. A cause de l'environnement des Montagnes de l'Himalaya, les monastères tibétains ont été retirés du reste du monde, et par conséquent, ils ont pu garder la véritable connaissance sans être sous le contrôle destructif des Chrétiens. Quiconque possédant une connaissance ou pouvoir de nature spirituel, est une menace pour l'état. Les esclaves ne doivent posséder aucune connaissance, et ne doivent avoir aucun accès aux pouvoirs occultes. La connaissance et le pouvoir sont gardés entre les mains de ceux qui contrôlent tout. Bien sûr, le "Ministère de East Gate"

de Billy Graham a eu l'autorisation de ravager la Chine avec des bibles, un projet qui a couté des millions de dollars – tous exonéré d'impôt.

La bible judéo-chrétienne énonce le concept de contrôle du monde par un petit groupe qui dirige avec une poignée de fer et utilise les meurtres de masse et la terreur afin d'accomplir leur but.

Concepts : l'état possède et contrôle toute propriété. Ci-dessous, les enseignements et parallèles sont tirés de la bible judéo-chrétienne : Ton corps ne t'appartient pas ; c'est la propriété de "Dieu."

- Il ne faut pas avoir de désirs sexuels, sinon, le propriétaire de votre corps en fera ce qu'il veut, et il le "jettera en Enfer" [contrôler par la terreur] : Matthieu 5 :27-30
- Le "Seigneur" a le contrôle sur toutes vos relations personnelles : Matthieu 19 :9
- Pas de liberté d'expression: Matthieu 5 :33-37 ; 12 :36
- Laissez-les vous emmener en prison : Matthieu 5 :25
- Il ne faut pas se défendre ou se battre ; il faut être un esclave parfait. Mathieu 5 :39-44 ; Luc 6 :27-30 ; 6 :35
- Ceux qui sont obéissants et humbles font les esclaves parfaits ; Mattieu 5 :5
- Vivez pour votre mort, peu importe la vie que vous avez maintenant. C'est un classique sur la façon de diriger un état qui a asservi la population. La vie ne vaut pas la peine d'être vécu : Matthieu 5 :12
- Séparez-vous de votre famille afin de créer le chaos : Matthieu 10 :34-36 ; Luc 12 :51-53
- Laissez le chaos régner : Matthieu 18 :21-22
- Il ne faut avoir aucune propriété : Matthieu 19: 21-24; Marc 12: 41-44 Luc 6: 20; 6: 24; 6: 29-30
- Abandonnez votre famille – "Père, mère, sœurs et frères" voici ce que demande un état totalitaire, et ils récompensent les enfants qui ont tournés le dos à leurs parents : Matthieu 19 :29
- Encore davantage d'esclavagisme et de servitude : Exode 21 :7 ; 21 :20-21 ; Lévitique 25 :44-46 ; Luc 6 :40 – l'état est parfait. Luc 12 :47 ; Ephésiens 6 :5 ; Colossiens 3 :22 ; Timothée 6 :1- Tite 2 :9-10 ; 1 Pierre 2 :18
- Le Nazaréen, tout comme ses enseignements dans l'Ancien Testament, demande une obéissance totale et complète, et renforce ce concept à travers la peur et la terreur. Les pasteurs et autres hommes d'églises dupent leur assemblée et font croire que "Jésus vous aime." Ils crient et pleurnichent "hors contexte", mais ce sont eux qui ne comprennent pas les messages et sont "hors contexte."
- Le Nazaréen n'a jamais appris aux humains comment évoluer et comment être indépendant. Les Chrétiens délirent en affirmant que cette entité a guéri les malades, mais il n'a jamais enseigné à quiconque la capacité à se guérir soi-même, ou même essayer de comprendre la nature de la maladie. Il s'est entouré principalement d'ignorants. La religion Chrétienne estime hautement les retardés mentaux.

Le véritable malin est le maître des déceptions et des mensonges ; "il déçoit le monde." Le thème commun ici est le fait de payer pour sa propre damnation. SON NOM N'EST PAS SATAN/LUCIFER, MAIS YAWEH/JEHOVA !!

Les Chrétiens ont retirés tout pouvoir occulte et toute compréhension, ils ont contribués à financer et ont travaillés pour tout ceci depuis des siècles et maintenant ils accusent le Diable. Ils ne peuvent pas voir qu'il réside dans leur propre "Dieu" et le Nazaréen.

La connaissance occulte peut être utilisée par n'importe qui pour n'importe quel but. N'importe quel imbécile peut voir que Satan n'est pas responsable de tous ça, et qu'il n'a rien à voir avec tout ces "groupes occultes" qui sont infiltrés par les Jésuites Catholiques et les autres qui souhaitent duper ceux qui sont Lucifériens ou Païens et ils veulent les garder sous le contrôle. On peut le voir dans leurs symboles judéo-chrétiens, les noms de Jehovah/YHVH "Dieu" et les anges.

Il est évident qu'en plus de ça, l'Eglise Catholique était enragée par les révélations des scandales de pédophilies. Ces actions étaient planifiées et délibérées. Le pape et le haut clergé ont été indignés et malveillants lorsque leurs scandales et abus sexuels d'enfants ont éclatés au grand jour. Ils n'étaient pas désolés. On sait tous que les viols d'enfants, les victimes sont nécessaires pour s'ajouter au chaos pour l'accomplissement des objectifs du Communisme Chrétien/juif, et par conséquent les individus qui ont été trompés, sont psychologiquement et spirituellement perdu.

Meurtriers, Voleurs et menteurs: Le Christianisme n'a rien qui lui appartient

La bible judéo-chrétienne n'apparaît pas comme étant aussi ancienne que ça, et c'est la même chose en ce qui concerne leur sale programme appelé "religion." On peut voir la vérité sur les cathédrales gothiques. Elles étaient païennes à l'origine. Sans prendre en considération ce que les livres d'histoires affirment [et beaucoup soutiennent le mensonge juif du Christianisme], il paraît que le Christianisme est apparu sur scène avec l'Inquisition, surtout en Europe. Ceci est presque identique dans chaque aspect du contrôle communiste, là où les meurtres de masse, tortures et les privations des droits humains sont institués.

"Le Christianisme et le Communisme sont très proches spirituellement. C'est un concept très connu qui a été adopté par de nombreux penseurs, en passant par Thomas More jusqu'à Tolstoï. Peu de gens savent que le premier état socialiste du monde était établi en Paraguay et était basé sur les idées des Jésuites Catholiques bien avant que Marx ne crée ses enseignements."

"La "Société de Jésus"- l'ordre religieux des jésuites – dans l'Eglise Catholique était en gros l'équivalent du KGB durant l'Union Soviétique."

Les extraits ci-dessus ont été tirés du journal "Pravda" [qui signifie "vérité"] (le journal du Parti Communiste et le premier journal de l'ancienne Union Soviétique). Tiré de l'article : Y a-t-il une différence entre le Christianisme et le Communisme ? 30/04/2013.

Les juifs et leurs cohortes chrétiens ont détruit d'anciens textes et documents et ont ré-écrit une histoire fictive conforme à leur but malsain. Ils essaient d'affirmer qu'un peu de Paganisme fut gardé pour remettre doucement la population vers le Christianisme, mais je me pose des questions là-dessus, comme n'importe quelle personne intelligente devrait le faire, puisque TOUT ce que le Christianisme possède, A ÉTÉ VOLÉ DES ANCIENNES RELIGIONS PAÏENNES QUI PRÉCÉDAIENT LE CHRISTIANISME. Les Témoins de Jéhova connaissent tous les éléments païens dans la religion Chrétienne, mais ils sont dupés par le Nazaréen. Celui-ci a été volé et corrompu de plus de 18 Dieux Païens qui représentaient un concept.

TOUT COMME LES JUIFS, LA RELIGION CHRETIENNE N'A RIEN QUI LUI APPARTIENT !! Regardez la place du Vatican – des obélisques Egyptiens en plein milieu de la roue de l'année Satanique :

Et voici un autre exemple sur le plafond des escaliers du Vatican –regardez le design des runes, et pourtant les Druides et autre prêtres Païens ont été tués par l’Inquisition ; la peine pour utiliser les runes ou même en avoir connaissance, était la mort assurée :

Regardez les Dieux Egyptiens dans le Musée du Vatican. Si on veut faire un peu de recherches, il est évident que presque tout ce que possède le Vatican a été

VOLE. L'Égypte est condamnée dans la bible judéo-chrétienne, et pourtant, si vous lisez tout ce qui est sur ce site, et que vous faites des recherches, il est évident que la religion judéo-chrétienne a volé et corrompu de l'Égypte ! Ces dieux ont fini par être connus comme étant "la Goétie" dans les grimoires juifs, et ils sont sans cesse blasphémés.

Le royaume de Satan lui a été volé !!!!!

Voici plus de photos des Dieux Egyptiens au Vatican:

Apollon [De nombreuses images d'Apollon, telles que celle-ci, a été interprétée

comme étant le Nazaréen.]

La plupart des images qui ont été interprétées comme étant le Nazaréen, était un homme entouré d'un halo avec des rayons telles qu'on le voit sur la photo ci-dessus, ou bien quatre quadrants qui montrent le chakra couronne et les chakras des tempes. Les gens ont été endoctrinés à croire ces images représentent le Nazaréen, alors qu'en réalité, toutes ces images sont les modèles d'un homme avec l'ascension de la Kundalini.

Ceci est un concept !

Ce concept a été volé des Dieux Païens et de Satan – l'ascension de la Kundalini est le terme pour désigner "l'Élévation du Diable" qui est manifesté par le halo que l'on voit dans de nombreuses peintures anciennes.

Une fois que tout le monde comprend la véritable signification de ces symboles, le voile tombe et les juifs ne peuvent plus faire leurs conneries. C'est la raison principale pour laquelle la bible judéo-chrétienne menace l'étude de l'occultisme en insistant qu'ils vont "brûler dans un lac de feu."

Des peintures dans les catacombes, datant du IIIème et IVème siècle dans notre ère ont cette image identique. Certaines images sont celles de Marduk, d'autres d'Apollon, et d'autres Dieux Païens. Le Livre "Les Catacombes Inconnues" est intéressant et révèle de nombreuses informations concernant l'art Païen que l'on voit dans les Catacombes.

Maintenant, voici des soi-disant "Cimetière Chrétiens" aussi connu sous le nom de "Catacombes." Voici une image interprétée comme étant celle d'un saint – en réalité, le BERGER A ETE VOLE DU DIEU HERMES, CONNU SOUS LE NOM DE THOTH : cliquez ici.

Regardez les quatre coins.

Voici une autre image d'une peinture, dont tout le monde croit qu'il s'agit de "Paul." C'est seulement l'image d'un homme :

Il n'y a même pas le nom de l'homme sur ou près de la peinture. Les gens sont des moutons, la plupart croient tout ce qu'on raconte, sans se poser de questions, et on leur rappelle de "croire" et "d'avoir la foi."

Et pour ce qui est de l'image avec l'agneau, l'agneau représente le Bélier et lorsque le Soleil est en Bélier, c'est un moment propice pour commencer un travail sur l'alchimie et n'a rien à voir avec le Christianisme.

Regardez cette crevure de juif et de sa réplique de la Coiffe des Pharaons Egyptiens :

HONTE A LUI!!

On voit L'HOMME PAIEN VERT, dans les cathédrales en Europe :

Les gargouilles, qui sont des Démons inférieurs sont aussi sur la plupart des cathédrales en Europe:

Cette statue située à la cathédrale de Strasbourg serait un génie Assyrien :

Il y en a encore beaucoup et la liste ne s'arrête pas là. De nombreux textes considèrent ces trois religions – le judaïsme, le christianisme et l'islam – comme étant de "grandes religions." Si elles le sont vraiment, et qu'elles sont si originales, pourquoi n'ont-elles rien qui leur appartient ? L'islam n'autorise même pas à peindre l'être humain. Ce qui est conforme au communisme en enlevant l'histoire et la connaissance de la population pour que les gens deviennent des êtres humains jetables.

Ca l'était avant, et voici maintenant – L'HISTOIRE EST DETRUITE ET RE ECRITE AVEC DES MENSONGES !!

L'ANNEE VOLEE

Notre Roue de l'Année Paienne/Satanique a été volée et elle est de nos jours située au centre du Vatican:

Pour plus d'informations, lisez l'article qui suit: le Christianisme n'a rien qui lui appartient.

Avec l'arrivée du christianisme, les temples païens et d'importants centres de religions ont été détruits. Ces nouvelles structures ont été construites sur de alignements de sites pour aligner les pouvoirs de la terre. Les églises chrétiennes ont été ensuite construites sur ces temples ayant été détruits. Tout ce qui se rapportait aux origines païennes a été maudit et destiné comme étant "mauvais." Cette étape a assuré que l'énergie psychique serait connectée et dirigée pour la vénération des juifs et pour renforcer leurs mensonges abondants.

La veille de la Beltaine, aussi connu sous le nom de "Walpurgisnacht" "le Festin de Beltaine" "Ostara" – est une ancienne et importante fête païenne. Le Festin est à l'honneur de Baal/Belzébuth. Pour plus d'informations, lisez l'article suivant ci-dessous.

Beltaine a été remplacée par la version chrétienne de "Pâques." Au lieu d'avoir nos Dieux Anciens et nos traditions, un Nazaréen juif inventé de toute pièce est le centre de ce culte servile ainsi que l'énergie psychique. Le 1^{er} Mai a également été remplacé par un jour de célébration important pour le communisme juif.

"Pâques" a des origines avec la Déesse Astaroth [Ishtar, Inanna] connu autrefois sous le nom de "Ashtar." Cette fête coïncide avec l'Equinoxe de Printemps la où le jour et la nuit sont tout deux à durée égale. En anglais, Pâques se dit *Easter*, etcette fête étaient connu par les anglo-saxons sous le nom de "*Eastre*." Etant la Déesse de la fertilité, elle était associée avec les lapins et les œufs. D'autres noms de cette fête : *Easter*, *Eastre*, *Eos Eostre*, *Ester*, *Estrus* [on utilise le mot *Estrus* lorsque c'est la saison de l'accouplement chez l'animal], *Oestrus*, *Oistros*, et *Ostara*. A nouveau, "l'agneau de Dieu" a été volé du Bélier dans les signes du Zodiaque.

Tout ceci a été volé et corrompu afin de focaliser l'attention du public sur la vénération d'un juif fictif, ce qui crée un lien psychique puissant :

Extrait du Talmud juif:

Simeon Haddarsen, fol. 56-D : "Lorsque le Messie arrivera, chaque juif aura 2800 esclaves."

Le Solstice d'Été Païen a été volé et remplacé par le "Le Jour de St Jean" en l'honneur de "Jean le baptiste", un autre personnage juif inventé qui a été volé d'un concept alchimique hindou, afin que les non-juifs puissent aveuglément vénérer et focaliser toutes leur énergie psychique.

Le jour de Lammass/Lughnasadh a été remplacé par "L'Assomption de Marie", pour de nouveau se focaliser sur la fictive Vierge Marie juive, pour que les non-juifs puissent aveuglément honorer et renforcer ainsi le mensonge.

Halloween/Samain a été remplacé par "Le Jour des Saints."

La saison de Yule et le Solstice d'Hiver ont été remplacés par "Noël." C'est un blasphème ultime !

De nouveau, il y a une focalisation totale sur l'invention juive du Nazaréen et sa fausse naissance et ses faux parents juifs. Ces mensonges sont murmurés aux oreilles des non-juifs partout dans le monde, créant ainsi un vortex d'énergie psychique massif qui détruit notre héritage et notre mémoire, et promet notre propre damnation. La Saison de Yule toute entière a été infestée de l'histoire du fictif Nazaréen, de son arrivée à sa circoncision le 2^{ème} jour par un rabbin dans une synagogue.

Imbolc a été remplacé par "Le Mercredi des Cendres" qui a été volé d'un ancien rite hindou : on applique les cendres sur la zone du troisième œil en plein milieu du front.

Les fundamentalistes chrétiens ont travaillé sans relâche pour éradiquer toutes traces des origines païennes de ces fêtes afin de renforcer et de garder le mensonge du christianisme pour qu'il soit fort. Comme répété plusieurs fois, l'histoire a été réinventée. D'ailleurs elle l'est toujours. La vérité est remplacée par des mensonges qui encouragent la suprématie juive et leur but ultime d'avoir un Nouvel Ordre Mondial Communiste dans lequel ils seront "Dieu."

La rébellion, qui a toujours été associé avec Satan, est très découragée afin d'établir ce Nouvel Ordre juif dans lequel tous les non-juifs auront des codes barres et seront esclaves.

De plus, notre culture païenne est sans cesse attaquée par des messages subliminaux dans les films qui ont été créés par l'Hollywood juif, et tout en ayant des non-juifs qui se font des idées, et dans la plupart des cas, ces non-juifs maudissent et condamnent leur propre peuple et louent des louanges aux juifs. Les juifs ont depuis toujours ridiculisé les non-juifs en les "obligeant" à faire le sale boulot pour eux, comme par exemple aller combattre leurs propres guerres tout en réussissant à nous damner. Un exemple flagrant était la guerre en Irak, qui a été combattue pour Israël, pour presque tous les non-juifs, puisque seulement quatre soldats juifs ont été déclarés morts dans la guerre.

Les chansons "robotiques" et prières glorifient les juifs et Israël, corrompues par des mantras du Moyen-Orient, sont chantées encore et encore dans les églises chrétiennes, en plus des trillions de dollars accumulés à travers la dîme et autres, afin de nous condamner, nous les non-juifs !!! Les non-juifs chantent et prient pour leurs propres damnations. Il est écrit dans le Talmud que les non-juifs "chient devant leur dieu." Satan est Dieu !!!!

Lors du dernier Halloween, j'ai remarqué dans un magasin d'Halloween, toutes les provisions de masques hideux du Diable, représentant notre Dieu Créateur Satan. Halloween est ma fête préférée car on peut se déguiser, faire la fête, etc. Mais pour ce qui en est de notre Dieu Créateur, c'est autre chose. Ce n'est pas seulement une grande insulte pour notre Dieu Créateur, mais une véritable gifle pour tous les non-juifs.

Le Lapin de Pâques, qui précède le Christianisme, a été sans cesse attaqué par les Chrétiens fondamentalistes, en plus de Saint Nicolas, (Santa Claus en anglais), également connu sous le nom de "Père Noël." En anglais, le nom de "Santa" est une anagramme de "Satan", et le rouge, le blanc et le noir sont les couleurs des principaux nadis de l'âme. "Nick", "Nicholas" est un autre nom de Satan.

Les juifs ont utilisés des chrétiens qui se font des illusions pour faire leur sale boulot et ils rient de leur stupidité. Les juifs savent très bien que le Nazaréen n'est pas réel et qu'il a été inventé et pousse sans cesse les non-juifs à les asservir et à créer un massive vortex d'énergie psychique des non-juifs afin pour qu'ils fassent venir le Messie des juifs dans la réalité.

Extrait du Talmud juif:

Simeon Haddarsen, fol. 56-D : "Lorsque le Messie arrivera, chaque juif aura 2800 esclaves."

Le Christianisme étant faux, il est en marche pour établir le communisme juif, où toutes traces de connaissance spirituelle sont enlevées de force, comme cela s'est produit avec l'Inquisition. Cela les rassure sur le fait que toute connaissance occulte et tout pouvoir est gardé entre les mains des juifs pour qu'ils puissent complètement asservir et contrôler la population, et ainsi s'établir comme étant "Dieu."

Beltaine

Beltaine est une ancienne célébration de la fertilité. Beltaine est également la Nouvelle Année Satanique, et c'est une ancienne célébration traditionnelle du printemps. Les célébrations de la fertilité ont leurs origines dans l'Ancienne Mésopotamie. Des orgies ont eu lieu avec un festin pour encourager la fertilité de la nourriture animal et l'abondance des récoltes pour l'année à venir. Beltaine est à l'opposée de Samain [Halloween] sur le Calendrier Satanique, puisque Samain est le temps des moissons. Beltaine est aussi la célébration du retour du Soleil, la plantation des récoltes, et la renaissance du printemps.

Dans l'Ancienne Mésopotamie, ce rite de fertilité était autrefois connu sous le nom de "Zagmuku." Zagmuku était célébré lors de la Nouvelle Lune après l'équinoxe de printemps. Les Anciens fêtaient également la moisson, qui était le véritable Samain.

Puisque la fête se concentrait sur le renouveau, la renaissance, la création originale connue sous le nom de Enuma Elish, a été récitée lors du 4^{ème} jour du festival qui dura 12 jours. A l'origine, la célébration était à l'honneur du Dieu Sumérien Enlil [Baal] et voici en même temps l'origine du nom de Beltaine. En Mésopotamie, le festival du Nouvel An a servi pour réaffirmer le lien entre la communauté et les Dieux, la communauté était représentée par le roi dans le temple du rituel, car le roi était le seul responsable pour l'entretien continu de l'harmonie de la terre et il était tenu responsable envers les Dieux. Le roi se joignait à la grande prêtresse dans le Sanctuaire Intérieur du ziggurat et tout deux performaient le rituel sexuel.

L'année Satanique est basé sur les cycles naturels. Les huit sabbats majeurs sont les équinoxes et les solstices de l'année du Soleil [666] et les 4 jours de quartiers qui arrivent entre eux. Les quatre équinoxes et solstices sont basés sur les mouvements du Soleil. Les équinoxes sont au centre du mouvement du Soleil, et les solstices sont les fins de mouvements. Ces quatre points solaires sont des événements cosmiques basés sur les mouvements de la terre et du Soleil, symbolisant une interaction entre la lumière et les ténèbres. "Cette date a longtemps été considérée comme un "puissant point" du Zodiaque, et est symbolisé par le Bélier, l'un des personnages "tétramorpe" sur les cartes du Tarot, le Monde et la Roue de Fortune. [Les trois autres symboles étant le Lion, l'Aigle et l'Esprit.]" ¹

On peut les trouver dans le Sphinx Egyptien. "Les Astrologues connaissent ces quatre figure comme étant les symboles des quatre signes du Zodiaque [le Taureau, le Lion, le Scorpion, et le Verseau], et ils collent parfaitement avec les quatre Grands Sabbats de la Sorcellerie." ²

Beltaine est le milieu entre l'équinoxe de printemps et le solstice d'été. Avec l'alignement de la terre durant cette importante période, la communication télépathique avec les Dieux et le monde des esprits est très ouverte. C'est une période excellence pour communiquer avec les Démons.

La célébration de Beltaine commence au couché du soleil dans la soirée du 30 Avril. Cette tradition nous provient des Celtes qui ont toujours représentés leurs jours du levé du soleil au couché. Le couché du soleil était le temps où les Druides allumaient les feux de Baal tout en haut des montagnes.

Les feux de Beltaine symbolisent l'étincelle de la vie et la fertilité. Traditionnellement, les feux de Beltaine étaient composés de bois trouvés dans neuf différents types d'arbres et allumés sur une grille sacrée spécialement préparée. La grille était créée en dessinant un carré sur le sol et on le divisait en huit petits morceaux. Du gazon de ces morceaux était retiré, laissant ainsi neuf carrés intacts au centre. "Le feu de Beltaine symbolisait le foyer central de la communauté. Ces foyers sacrés locaux représentaient le feu divin mystique au centre de toutes choses, dont l'étincelle de vie réside en chacun de nous." ³

La veille de Beltaine était traditionnellement célébré nue avec des orgies. Les couples se mettaient par paire, sautaient à travers les flammes de feux et s'en allaient dans les bois jusqu'à l'aube, tout en ayant des relations sexuelles toute la nuit après le festin. C'était beaucoup trop dangereux de porter des vêtements lorsqu'on sautait par-dessus les flammes. Fréquemment, le bétail était conduit entre deux feux [le bois de chêne était l'idéal]. Le matin suivant, ils étaient emmenés aux pâturages de l'été.

Les célébrant/officiants dansaient nu autour de l'Arbre de mai [*Maypole* en anglais]. L'Arbre de mai est dérivé de l'Obélisque Egyptien et représente le phallus en érection (le pénis). Il est généralement conçu de bois de bouleau, qui est l'arbre de purification.

"Dans les écrits de la sorcellerie, les auteurs Janet et Stewart Farrar, la célébration de Beltaine était principalement un temps de "fertilité et de sexualité sans aucun embarras." De telles associations incluent le phallus comme étant le symbole de l'arbre de mai et le cheval de bataille (Hobby horse en anglais). Même une chanson pour enfants apparemment innocente se présente ainsi : "Monte un cheval de coq jusqu'à Banbury Cross." Et la ligne suivante : "pour voir une jeune demoiselle sur un cheval blanc" est une référence au trajet annuel de Lady Godiva. Chaque année pour près de trois siècles, une jeune fille nue du village [élue comme étant la Reine de Mai] représentait ce rite païen, jusqu'à ce que les Puritains mette fin à cette tradition." ⁴

D'autres traditions du Jour de Mai incluent les éléments suivants : marcher sur les frontières de sa propriété, réparer les barrières, nettoyer les cheminées,

participer à des tournois de tir à l'arc, danser, manger, boire, faire de la musique, et autres petits plaisirs.

Dans l'Égypte Ancienne, le festival de fertilité du printemps, célébré durant la saison de Het-Her était connu sous le nom de "Le Festival de l'Union Joyeuse." L'énergie du signe du Taureau représente la fertilité et le commencement de la saison qui grandit ; l'union du soleil et de la lune symbolisaient la fusion du masculin [le soleil] et le féminin [la lune] ; la nouvelle lune. Dans l'Égypte Ancienne, la population célébraient cette fête avec l'art, la musique, la danse, diverses performances, ainsi que les relations sexuelles.

Le Ministère de "Joy of Satan" travaille pour débarrasser le Satanisme de toute cette vermine judéo-chrétienne qu'il l'a infesté depuis des siècles.

Un autre nom pour les célébrations du 30 Avril est "le Festin de Valborg." On refuse de nommer cette fête "la nuit de Walburge" ou "Walpurgisnacht." "Walburge" est le nom d'une Sainte.

Il y a quelques années, de nombreux Sabbats ont eu lieu sur le Sommet du Brocken dans les Montagnes de Harz en Allemagne. Un Messe Noire, des festins et des orgies duraient jusqu'à l'aube, en dansant autour d'un grand feu, et plusieurs célébrations.

Le Festin de Valborg est la célébration de la fertilité qui possède des origines avec les Vikings. Le festival s'est étendu à travers l'Europe. Durant cette période, le voile entre la terre et le monde des esprits est très mince. Ce qui est fait en cette nuit, surtout à minuit [30 Avril – 1^{er} Mai] a une signification particulière. Tous les rituels, la magie, et la communication avec les esprits sont beaucoup plus puissants en cette nuit sacrée.

Pourquoi le Christianisme attaque-t-il la Sexualité?

L'Eglise Chrétienne a fait tout ce qui était en son pouvoir pour réprimer et contrôler le sexe. L'énergie sexuelle est la force créatrice qui libère la Kundalini, et cela représente une menace pour leur but d'asservir l'humanité.

Il n'y a rien de spirituel concernant le Christianisme. C'est un outil pour enlever toute connaissance spirituelle. Ils l'ont bien accompli en s'attaquant au second chakra, le chakra sexuel, ce qui par conséquent, garde le serpent de la Kundalini enfermé dans le chakra de base. Afin que l'énergie de la Kundalini monte sans aucun risque, tous les chakras doivent être libres et ouverts. Des complexes psychologiques qui se manifestent dans les chakras, qui sont des composants clés pour l'âme, et créent des blocages qui empêchent l'ascension et la circulation de l'énergie spirituelle, dans les 7 chakras principaux, ainsi que dans les 144 000 nadis.

Le Christianisme, l'Islam et autres programmes associés, détruisent la spiritualité avec véhémence et attaquent la sexualité de n'importe quelle façon, que ce soit l'hétérosexualité, l'homosexualité, etc. Ils encouragent l'inhibition sexuelle, la honte et la culpabilité, et ils transforment quelque chose de beau et de spirituel en quelque chose de laid. Peu de chrétiens ou musulmans ont conscience de la véritable spiritualité. Tous ces programmes malsains ont remplacés des idées spirituelles avec des personnages juifs, et autres archétypes juifs tels que le Nazaréen. Jésus n'est qu'une distraction et une diversion afin d'empêcher les fidèles d'évoluer spirituellement. A vrai dire, nous sauvons notre propre âme. "Jésus" n'est qu'un personnage juif fictif qui n'est autre qu'un imposteur et un CONCEPT.

La Kundalini libère l'âme et ouvre les portes de la conscience. L'Eglise Chrétienne a fait tout ce qui était en son pouvoir afin de nous empêcher de communiquer avec Satan et ses Démons, et ils nous ont délibérément séparés de toute connaissance et pouvoir. Ainsi, nous sommes dans l'obscurité la plus totale, et nous avons été enlevés à notre véritable Dieu Créateur.

"NOUS DETRUIRONS DIEU" – Protocoles des Sages de Sion

La suppression sexuelle crée une disparité dans le chakra de base et le second, cela se dirige vers les autres chakras, et nous avons davantage d'instabilité, créant ainsi la peur et la culpabilité et autres troubles psychologiques et émotionnelles. A cause de cette séparation, il n'y a aucune sortie et l'humanité dégénère spirituellement de génération en génération. Chaque génération a été endoctrinée et conditionnée à voir la sexualité d'une façon judéo-chrétienne. Peu d'entre nous sont complètement libres de cette influence. Le sexe = la vie, la libération et l'avancement spirituel. L'Eglise le sait et à empêcher la population d'en avoir la connaissance.

Lorsque je dis "Eglise" je parle de ceux qui sont au plus haut rang, et non pas les prêtres pédophiles moyens. Le clergé catholique est un exemple fondamental du

niveau d'endoctrinement, d'ignorance et de stupidité jusqu'à l'obéissance aveugle. Les agressions sexuelles d'enfants illustrent ce qu'il se passe lorsqu'on supprime le pouvoir des pulsions sexuelles, qui est la force de la vie en elle-même.

En supprimant cette connaissance, l'humanité utilise seulement 1/5^{ème} voire même 1/10^{ème} de son potentiel. Les centres d'énergies restent fermés, coupant ainsi le monde des autres dimensions, tout en bloquant le potentiel spirituel, mental, émotionnel et physique afin de garder le pouvoir entre les mains de certains qui ont été "choisi."

Tout ceci résulte de l'utilisation de la magie noire depuis de nombreux siècles. Les mouvements "New Age" enseigne l'impuissance, et s'opposent fortement à toute forme de magie noire afin de s'assurer que ce pouvoir ne soit entre les mains que de certains. Justice et vertu sont fortement attaquées. Les gens sont endoctrinés à être des victimes et des esclaves. La peur est utilisée sans relâche, ce qui n'est pas plus différent du Communisme juif, et c'est là où le Christianisme se dirige.

Ceux qui sont adeptes du "New Age" qui flirtent avec la magie n'ont pas l'équilibre nécessaire. Durant l'Égypte Ancienne, les mages savaient que pour être adepte, on doit connaître tous les aspects de la magie blanche et noire. La magie noire est supprimée et contrôlée par ceux qui ont le pouvoir et l'utilise pour leur but malsain ; tandis que la personne moyenne reste ignorante et impuissante face à ce danger.

Le dénigrement et l'exclusion des femmes dans ces programmes malsains à un but bien précis. Comme le Dieu Thoth l'a déclaré, tout provient par deux, pour avoir harmonie et équilibre. Le nombre Deux et la force créatrice. L'énergie féminine qui est en, nous représente le subconscient et la conscience. L'aspect féminin nous connecte aux dimensions élevées de l'esprit, tandis que le côté masculin du cerveau représente la logique. Idéalement, les deux devraient travailler en harmonie. L'énergie de la Kundalini vient de la partie féminine du cerveau. En l'attaquant et en dénigrant les femmes, cela supprime son énergie.

Il est fondamental pour l'ennemi de détruire l'énergie féminine. Une fois cette énergie sous le contrôle, l'intuition et la conscience élevée sont éteintes et sont dominées par la conscience inférieure. Les chakras en dessous du cœur, qui sont le point de départ et le connecteur des sept chakras, restent éteints, et de sérieux déséquilibres en résulte. L'Église et ses cohortes connaissent les conséquences du déséquilibre qui se produit si on se sépare de cette énergie. Les chakras travaillent tous entre eux.

Ce qui se produit est une perte total du sens que l'on a besoin, aussi connu comme étant le "Sixième sens." L'humanité est spirituellement aveugle et à travers ça, est devenue victime. C'est le but de l'Église Chrétienne : préparer les non-juifs à être ignorants et esclaves qui sont incapables de se défendre contre leurs maitres juifs [l'état communiste]. Par exemple, lorsqu'un juif adepte en sorcellerie, jette un sort, la victime non-juive qui a été endoctriné par les mensonges du Christianisme est sans défense et succombe à cette malédiction. Les non-juifs ne voient même pas le sort venir, et ils ne le savent pas. De cette façon, les juifs deviennent "Dieu."

Extrait du Talmud juif :

Simeon Haddarsen, fol. 56-D: "Lorsque le Messie arrivera chaque juif aura 2800 esclaves."

RETOUR A LA PAGE LE CHRISTIANISME REVELE

L'Inquisition: Une Histoire de Torture Chrétienne, de Meurtres de Masse et la Destruction de la Vie Humaine

"L'Eglise Chrétienne s'est résolu à trouver le monde mauvais et laid, l'a rendu mauvais et laid."

- Friedrich Nietzsche

De nos jours, l'Eglise Chrétienne n'a plus le pouvoir d'autrefois, et pourtant, nous avons été témoins des abus des enfants, des agressions et autres actes ignoble qui révèlent la vraie nature de beaucoup de Chrétiens et l'effet de "Dieu" sur ses fidèles. Les scandales de pédophilies sont justes un extrait de ce que les Chrétiens sont capables de faire.

C'est à cause de l'énergie maléfique à laquelle ils sont attachés. "Dieu" et le "Diable" sont inversés ! On peut le voir dans l'Ancien Testament là où le "Dieu" des Chrétiens était "un Meurtrier et un menteur depuis le début."

De nombreuses années auparavant, lorsque l'église Chrétienne réussit à contrôler le gouvernement, la vie humaine, et l'esprit, on le voit depuis l'inquisition, que ces gens sont vraiment malsains, et qu'ils iraient jusqu'au bout pour vous faire avaler l'existence de "Jésus." Comme il est indiqué dans les nombreux abus d'enfants de nos jours, il y a plusieurs années, avec l'Inquisition, des fillettes âgées de neuf ans, et des garçons âgés de dix ans ont été accusés de sorcellerie. Des enfants encore plus jeunes que ça ont été torturés pour avoir un témoignage contre leurs parents. Les enfants furent battus pendant qu'ils regardaient leurs parents brûler.

L'Inquisition était le Communisme à ses débuts. L'Eglise Catholique était le NKVD et le KGB du Moyen Age. Pour plus d'informations, lisez L'Archipel du Goulag par Aleksandr Solzhenitsyn. L'Inquisition et le Communisme, tous deux des programmes juifs sont presque identiques.

"Le Christianisme et le Communisme sont très proche spirituellement. C'est un concept très connu qui a été adopté par de nombreux penseurs, en passant par Thomas More jusqu'à Tolstoï. Peu de gens savent que le premier état socialiste du monde était établi en Paraguay et était basé sur les idées des Jésuites Catholiques bien avant que Marx ne crée ses enseignements."

"La "Société de Jésus"- l'ordre religieux des jésuites – dans l'Eglise Catholique était en gros l'équivalent du KGB durant l'Union Soviétique."

Les extraits ci-dessus ont été tirés du journal "Pravda" [qui signifie "vérité"] (le journal du Parti Communiste et le premier journal de l'ancienne Union Soviétique). Tiré de l'article : Y a-t-il une différence entre le Christianisme et le Communisme ? 30/04/2013.

A vrai dire, presque tous les inquisiteurs et le clergé Catholique de premier rang, étaient des juifs.

Un cas documenté dans une ville silésienne de Neisse révèle qu'un immense four a été construit, et sur plus de dix ans, plus de mille "sorcières condamnées, les plus jeunes étaient âgées de deux ans" ont été brûlés vifs. ² Beaucoup de victimes avaient froid, certains avaient plus de 80 ans. Mais cela ne faisait aucune différence aux yeux de l'église.

L'Eglise Chrétienne a tué, torturé, mutilé et détruit des millions et des millions de vies directement à travers l'Inquisition et indirectement à travers toutes les guerres incitées par l'Eglise. Les dégâts et la destruction perpétrés par cette sale religion à l'encontre de l'humanité dépasse la compréhension. La plupart des gens n'ont pas conscience de tout ça. Entre les années 1450 et 1600, l'Eglise Chrétienne était responsable de torture, et d'avoir brûlés quelques 30 000 prétendues "sorcières." ³

Durant le règne de l'Empereur Constantin (306-337) les doctrines de l'église chrétienne étaient vues comme étant la fondation de la loi. ⁴ Les hérétiques [les personnes opposées aux enseignements de l'église] étaient recherchés, torturés et pour finir, tués. L'hérésie était un délit à l'encontre de l'Etat et de l'Eglise. Pendant près de cent ans, les dirigeants civils ont tentés d'éradiquer toute hérésie.

Dès l'année 430, les dirigeants de l'Eglise ont déclarés que l'hérésie était punissable de mort. En 906, le "Canon de Episcopi" était le premier document de l'Eglise interdisant la sorcellerie. ⁵ Avant l'Inquisition ne soit mise en route, l'Eglise acceptait les hérétiques sous des termes que l'Eglise considérait raisonnable. En voici un exemple :

Pendant trois dimanches, l'hérétique était dépouillé jusqu'à la taille, et battu depuis l'entrée de la ville ou village, jusqu'à la porte de l'église. On lui refusait de façon permanente la viande, des œufs, et du fromage, sauf à Pâques, la Pentecôte et à Noël. Lorsqu'il/elle les mangeait, c'était un signe de pénitence. Pendant vingt jours, deux fois par an, il/elle ne doit pas manger de poisson pendant trois jours durant chaque semaine de poisson, du vin, de l'huile, si sa santé le permet.

Il/elle devait porter des vêtements monastiques avec une petite croix cousu sur chaque sein. Il/elle devait écouter la messe quotidienne. Sept jours sur sept, il/elle devait réciter les heures canoniques et en plus, à Paternoster dix fois chaque jours et vingt fois chaque nuit.

Il/elle devait s'abstenir de faire l'amour. Tous les mois, un prêtre établissait un rapport de et garder l'hérétique sous haute surveillance. Il/elle devait être séparée du reste de la communauté. ⁶

Il n'y a pas de date précise quant à l'arrivée de l'Inquisition. De nombreuses sources indiquent qu'elle s'est manifestée durant les six premières années du règne du Pape Catholique Grégoire IX, entre 1227 et 1233. Le Pape Grégoire IX qui régna entre 1227 et 1241 est souvent considéré comme étant le "Père de l'Inquisition."

L'inquisition était une campagne de torture, de mutilation, de meurtre de masse et de destruction de vie humaine perpétrés par les Chrétiens et leurs origines juives. L'Église augmenta en puissance jusqu'à ce qu'elle possède tout contrôle de la vie humaine, matérielle et religieuse.

Le Vatican n'était pas satisfait des progrès réalisés par les leaders régionaux pour déraciner l'hérésie. Le Pape Innocent III a commandé ses propres inquisiteurs qui lui répondirent directement. Leur autorité fut officielle dans la bulle pontificale du 25 Mars 1199.⁷ Le Pape Innocent a déclaré : "Quiconque essaie d'interpréter une opinion personnelle de Dieu qui est conflictuelle avec les dogmes de l'Église doit être brûlé sans pitié."⁸

En 1254, afin de faciliter le travail des inquisiteurs, le Pape Innocent IV a décrété que les accusés pouvaient rester anonymes, empêchant ainsi les victimes de les confronter et de se défendre. De nombreuses églises possédaient une caisse ou un coffre dans laquelle les informateurs pouvaient écrire les accusations à l'encontre de leurs voisins. Trois ans plus tard, il accepta et autorisa officiellement la torture comme une méthode d'extraire des confessions d'hérésie.⁹

Les victimes étaient torturées dans une pièce, et ensuite, s'ils confessaient, ils étaient conduits dans une autre pièce pour se confesser devant les inquisiteurs. De cette façon, on pouvait affirmer que la force n'était pas utilisée lors des confessions. Les lois de l'Inquisition ont remplacées les lois courantes. Au lieu d'avoir innocent jusqu'à preuve du contraire, on avait : coupable jusqu'à preuve du contraire...

Les inquisiteurs devenaient riches, acceptant pots-de-vin et amendes de la part des riches qui les payaient afin de ne pas être persécutés. Les riches étaient les cibles principales pour les églises, qui confisquaient ainsi les propriétés, les terres et tout ce qu'ils possédaient depuis des générations. L'Inquisition prit tout ce que possédaient les victimes lors des accusations. Il y avait peu de chance de prouver l'innocence de quelqu'un, donc c'était une autre façon pour l'Eglise Catholique de devenir très riche. Le Pape Innocent a déclaré que dès que "Dieu" punissait les enfants pour les péchés de leurs parents, ils n'avaient aucun droit d'être légalement les descendants de la propriété de leurs parents. A moins que les enfants ne dénoncent leurs parents, il n'avait droit à rien. Les Inquisiteurs accusaient même les morts d'être hérétiques, et dans certains cas, près de soixante dix ans après la mort. Ils exhumaient et brûlaient les os des victimes et confisquaient toute propriété de leurs héritier, les laissant sans un sou.¹⁰

Les actions des inquisiteurs ont eu des effets dévastateurs sur l'économie, ce qui laissa la communauté entière dans la pauvreté tandis que l'église s'enrichissait. Ils ont également paralysé l'économie en portant des suspicions sur certaines professions. Les inquisiteurs croyaient que tout ce qui était écrit était une menace envers l'église, et cela interférait avec l'invention de la presse au XVème siècle. Les cartes, les cartographes, les marchands qui voyageaient et les commerçants, étaient placés sous haute suspicion ; une menace pour l'église.

Même si l'église a commencé à tuer les gens qu'elle considérait comme hérétique au IVème siècle, et de nouveau à Orléans en 1022, les lois papales de 1231 insistaient pour que les hérétiques souffrent par le feu. Brûler les gens à mort les empêchait de cracher du sang. Jean 15 :6 "Si quelqu'un ne demeure pas en moi, il est jeté dehors, comme le sarment, et il sèche; puis on ramasse les sarments, on les jette au feu, et ils brûlent."

Les témoignages de pédophilie ne sont rien comparés à la folie, et les esprits tordus de la plupart des Chrétiens et jusqu'où ce pouvoir qu'ils obtiennent les mène.

Les chasses aux Sorcières, (1450-1750) étaient ce que R H Robbins [l'Encyclopédie de la Sorcellerie et de la Démonologie] a dit : "le cauchemar épouvantable, le crime le plus infecte, et les actes les plus honteux de la civilisation occidentale." Durant cette période de 300 ans, l'église fut responsable pour les meurtres de masse, et des tortures d'innocents êtres humains. Les tortionnaires étaient autorisés à avoir autant de temps qu'ils avaient besoin pour torturer leurs victimes. La plupart des tribunaux demandaient que la victime soit complètement rasée avant la torture, d'après l'église, tout Démon non détecté dans les cheveux de la victime pourrait intervenir pour parler à la place de la victime, ou pour calmer la douleur que les tortionnaires infligeaient.¹¹

Les docteurs étaient présents si la victime pouvait mourir de torture. La victime avait alors le droit de se reposer un court instant avant que davantage de torture ne lui soit infligée. Si la victime succombait à la mort durant la torture, les inquisiteurs affirmaient que le Diable était intervenu avec pour unique but d'épargner la victime plus de souffrance, ou pour l'empêcher de révéler des secrets.¹² Pour ranimer ceux qui s'évanouissaient, du vinaigre était versé dans les narines de la victime. Les familles des victimes étaient dans l'obligation de rembourser au tribunal les coûts de la torture. Des propriétés entières ont été saisies par l'église. Les prêtres bénissaient les instruments de tortures avant leur utilisation. Certains d'entre eux étaient utilisés dans le but d'infliger un maximum de douleur ; preuve incontestable des esprits fêlés des Chrétiens :

Le berceau de Judas

La victime était tiré vers le haut à l'aide d'une corde ou de chaines, puis descendu jusqu'à la pointe. Le bourreau contrôlait la pression en attachant des poids à la victime, puis la balançait ou la laissait tomber sur la pointe.

Les Brodequins [Les Bottes]

La torture des Brodequins étaient utilisée pour écraser les jambes tout en serrant l'instrument avec les mains, ou en utilisant un maillet pour frapper dans les coins afin d'écraser les os jusqu'à l'éclatement. On racontait que les gens qui perdaient connaissance étaient emportés par le Diable pour leur éviter davantage de souffrances.

Bruler les pieds

De l'huile, du lard et de la graisse étaient appliqués sur les pieds avant de les faire rôtir au-dessus d'un feu. Un paravent était utilisé pour contrôler ou augmenter la douleur au maximum. Pour changer, certaines victimes étaient forcées de porter de larges bottes en cuir ou en métal dans lesquelles de l'eau brûlante ou du plomb fondu, était versée.

La Pendaison et l'Estrapade

Les mains de la victime étaient attachées dans le dos. Elles étaient hissées jusqu'au plafond de la chambre de torture à l'aide d'une poulie et d'une corde. Des dislocations d'en suivaient. Les Chrétiens préféraient cette méthode puisqu'elle ne laissait aucune trace visible de torture. Des poids lourds étaient souvent fixés aux pieds de la victime pour augmenter la douleur et la souffrance.

La Squassation était une forme de torture un peu plus extrême. Cette méthode consistait à attacher des poids, tirant ainsi les membres. Après ça, l'Inquisiteur Chrétien relâchait rapidement la corde pour que la victime puisse tomber. A la dernière minute, l'Inquisiteur tirait violemment la corde, ce qui disloquait chaque os dans le corps de la victime. Cette méthode était appliquée quatre fois pour tuer les victimes les plus fortes.

Beaucoup étaient pendu à l'envers, puis la strangulation s'en suivi.

La Fourchette de l'Hérétique

Cet instrument était souvent utilisé pour faire taire la victime qui allait passer au bûcher, pour ne pas qu'elle révèle ce qu'il s'est passé dans la chambre de torture, ou pour ne pas qu'elle puisse se défendre de quelque manière que ce soit.

Déchirer la chair

Le Clergé Chrétien était enchanté de tirer et déchirer la chair. L'Église Catholique a appris qu'un être humain pouvait vivre jusqu'à ce que la peau soit pelée jusqu'à la taille tout en l'écorchant vivant. La plupart du temps, l'instrument qu'ils utilisaient était chauffé et utilisé sur les seins des femmes et sur les parties génitales des deux sexes.

Déchireur de seins

La Chaise de Fer était parsemé de gros clous. La victime était attachée nue et un feu était allumé juste en dessous de la chaise. De lourds objets étaient également utilisés. Ils étaient placés sur la victime afin d'augmenter la douleur des gros clous. Souvent, les Inquisiteurs appliquaient d'autres instruments de tortures avec la chaise tels que la pince qui déchire la peau, comme on le voit ci-dessus, et le broiement des jambes.

L'écrasement du crâne

Celui-ci parle de lui-même. Le clergé Chrétien préférait cet instrument car il ne laissait aucune marque visible, à moins que le crâne ne soit complètement écrasé, ce qui arrivait.

Le chevalet

Le chevalet, ou l'échelle était un autre instrument considérablement utilisé. On plaçait la victime nue, ou presque nue à l'horizontal sur le chevalet. On utilisait des cordes pour attacher les mains et jambes comme un tourniquet. Le nœud pouvait être tordu de façon régulière pour serrer les cordes et étirer la victime jusqu'à ce que les muscles et ligaments se casse et se torde. Souvent, des objets lourds étaient placés sur la victime afin d'augmenter la douleur. Cette méthode de torture était considérée par l'Eglise comme étant "une forme légère de torture."

La roue

La victime nue, allongée visage vers le bas, était étirée en ayant ses bras et ses jambes étendu, et attachés à des piquets ou des anneaux de fer. Des barres de traverse étaient placées sous les poignets, les coudes, les chevilles, les genoux et les hanches. L'inquisiteur fracassa membre après membre, et articulation, incluant les épaules et hanches, ce qui n'apportait pas seulement la mort de la victime. Il y avait des éclats d'os écrasés, du sang partout, et le squelette entier de la victime était frappé et écrasé. Par la suite, les membres écrasés étaient "tressés" dans les rayons de la grande roue.

La roue devait être l'instrument de torture le plus macabre qui soit. L'idée était que les membres de la victime étaient écrasés et enlacés autour des rayons de la roue.

L'écraseur de pouce

On plaçait les pouces de la victime et on les écrasait systématiquement. Des instruments identiques étaient utilisés pour les doigts de pieds. on les appliquait en plus de l'Estrapade ou autres instruments de tortures afin d'infliger un maximum de douleur.

La torture de l'eau

On dénudait la victime, puis on l'attachait à un banc ou une table et on plaçait un entonnoir dans sa bouche. Des pots remplis d'eau y étaient versés, puis on pinçait le nez de la victime, la forçant ainsi à avaler. Ceci était répété plusieurs fois jusqu'à ce que l'estomac de la victime fût prêt à éclater, alors on penchait le banc ou la table afin que la tête de la victime soit en direction du sol. L'eau dans l'estomac donnait beaucoup de pressions douloureuses dans les poumons et le cœur. Non seulement c'était douloureux, mais il y avait un sentiment d'étouffement. Les inquisiteurs frappaient sur l'estomac à l'aide de maillet jusqu'à ce qu'il y ait rupture interne. Dans d'autres variantes, on forçait la victime à avaler une grande quantité d'eau avec de longues cordes nouées. Les cordes étaient ensuite violemment tirées de la bouche de la victime, jusqu'à ce qu'elle soit éventrée.

La Vierge de Fer (Iron Maiden) également connu sous le nom de “Vierge Marie”

A l’avant de l’instrument se trouvait une statue de la Vierge Marie, à l’intérieur il y avait des pointes métalliques, ou des couteaux très piquants qui transperçaient la victime.

Autres instruments et méthodes :

- L’alimentation forcée des aliments trop sales qui donnait soif, et ensuite on les privait d’eau.
- L’immersion dans l’eau bouillante avec de la chaux.
- Deux inquisiteurs tiraient violement d’avant en arrière la victime attachée avec des cordes par un collier de fer à pointes. Cela déchirait la chair sur le cou de la victime. Dans d’autres variantes, des vis étaient utilisées pour les serrer.
- Le tabouret de prière. Une planche à pointes sur laquelle la victime était forcée à s’agenouiller.
- Des piloris munis de pointes de fer
- Faire rôtir doucement la victime au-dessus d’un feu
- "Faire marcher une Sorcière": la méthode consistait à forcer la victime à marcher en va-et-vient jusqu’à l’épuisement. Une autre variante consistait à faire asseoir la victime jambes croisées sur une chaise en bois, en l’empêchant de bouger et en la privant de sommeil. Certaines victimes étaient âgées de 80 ans.
- "Le lancement." Similaire au collier de fer à pointes, sauf que dans ce cas, une corde était serrée autour de la tête et la victime était balancée d’avant en arrière.
- "Les Turkas." C’était une variation des pinces utilisées pour arracher les ongles.
- Beaucoup étaient jetés dans de sales donjons sans lumière ou de contact humain. De plus, ils étaient souvent enchaînés ou dans des piloris.
- "Marquer au-dessus du Souffle": une ancienne croyance visant à faire saigner une sorcière ou un sorcier au-dessus de la bouche et du nez afin de briser un sort. Cette méthode incitait les inquisiteurs à arracher la chair, et de placer des aiguilles et autres instruments sur le visage de la victime.

Galileo Galilée le célèbre astronome italien et physicien était l'une des victimes les plus connues de l'Inquisition. Dans une lettre, il essaie de démontrer la théorie de Copernic que la Terre n'est pas le centre de l'Univers. Cette lettre fut suivie par certains de ses ennemis jusqu'aux inquisiteurs à Rome. Galilée fut jugé en 1633 et reconnu coupable d'hérésie. Il était forcé de se rétracter et fut emprisonné à vie.

En 1979, le Pape Jean Paul II déclara que l'Église Catholique Romaine "avait peut-être fait des erreurs en le condamnant" et il établit une commission pour étudier l'affaire.¹³

En 1993, l'Église Catholique pardonna "officiellement" à Galilée. En d'autres termes, ils lui pardonnèrent d'avoir enseigné que les planètes tournent autour du Soleil, et non pas la Terre.

Perte de vie humaine :

- Salzburg, Autriche, 1677-1681 plus de 100 massacrés
- En 1608, l'avocat Pierre de Lancre fut envoyé dans la région des Pyrénées pour "détruire et tuer tous ceux qui vénéraient les Dieux Païens." Plus de 600 personnes furent torturées et massacrées.
- Le juge des sorcières, Henri Boguet (1550-1619) envoya 600 victimes jusqu'à la mort en Bourgogne, dont la plupart étaient des enfants qui étaient torturés et brûlés.
- Une femme enceinte fut brûlée sur le bûcher, et avec le traumatisme, elle donna naissance avant de mourir. Le bébé fut envoyé aux flammes.
- En 1669, dans la ville Suédoise de Mora, plus de 300 personnes furent massacrées. Parmi elles, 15 enfants. 36 enfants âgés entre 9 et 15 ans furent battus avec des bâtons sur leurs mains une fois par semaine pendant une année entière. 20 de ces jeunes enfants, tous âgés de moins de 9 ans furent battus sur leurs mains devant la porte de l'église trois dimanches de suite. Davantage d'enfants étaient sévèrement battus pour avoir commis le crime de sorcellerie.
- En Ecosse, sous le règne d'Olivier Cromwell, un total de 120 victimes en un mois furent massacrées en 1661. On estime un total de 17000 morts survenus entre 1563 et 1603.
- A Würzburg, en Allemagne, le Chancelier écrivit durant l'année 1629 : "... il y a 300 enfants de 3 ou 4 ans qui auraient eu des relations intimes avec le Diable. J'ai vu des enfants de 7 ans mis à mort, et de courageux petit écoliers de 10, 12, 14 et 15 ans..." Entre 1623 et 1633, environ 900 "sorciers" furent mis à mort dans cette ville. C'était principalement maintenu par les Jésuites.
- Les chroniqueurs de Trêves reportèrent en 1586 que la population féminine de deux villages entiers furent anéanti. Ils ne restaient plus que deux femmes en vie.
- Des cas similaires furent retrouvés dans l'Ordre du Temple, Jeanne d'Arc fut enchaînée par le cou, les mains et les pieds et on l'enferma dans une cage de fer. Galilée, affirma que la Terre tourne autour du Soleil, et non pas que la Terre était le centre de l'Univers, comme l'avait enseigné l'église. (voir ci-dessus).

Les informations ci-dessus ont été rapportées du Dictionnaire de Cassell de la Sorcellerie par David Pickering.

Le Dimanche 12 Mars 2002, le Pape Jean Paul II s'excusa pour les "erreurs de son églises des 2000 années."

RETOUR A LA PAGE LE CHRISTIANISME REVELE

LE PROGRAMME CHRETIEN

ET SON OBJECTIF FINAL

Extrait du Talmud:

Libbre David 37: "Dire la moindre chose à un Goy à propos des relations de notre religion, reviendrait à la mise à mort de tous les juifs, car si les Goyim savaient ce qu'on leur fait avaler, il nous tuerait ouvertement."

Avec assez de recherches, le christianisme et ses cohortes révèlent son véritable but. Les témoins de Jehova connaissent l'origine païenne des fêtes, telles que Noël et Pâques. Ils se font des illusions quant au Nazaréen, puisque c'est une IDÉE volée de plus d'une vingtaine de Dieux Païens crucifiés qui, tous étaient pendu à un arbre, comme le Dieu Nordique Odin. Tout ce qui est inscrit dans le christianisme est FAUX, a été VOLE, CORROMPU et CONTREFAIT !

Le but principal du Christianisme est de PREPARER la population non-juive (=païens) à être obéissant et à vénérer leurs maitres juifs dans un nouvel ordre mondial, dans un monde où les juifs auront le contrôle total et complet, sauf si la population se réveille, et que tout ceci prenne fin.

Comme vous pouvez le constater en lisant les articles qui sont sur ce site, le panthéon des Dieux Païens (culte subliminal) a été remplacé par des archétypes juifs fictifs avec le programme du Christianisme. En plus de ça, les juifs ont acquis un statut spécial qu'ils ne méritaient pas – celui du "Peuple Elu." Tout ceci est subliminal car cela crée un état d'esprit de soumission, d'esclavage et d'une mentalité servile pour leurs victimes, qui de suite acceptent que les juifs dirigent tout. Les archétypes juifs fictifs tels que le Nazaréen crée une association puissante dans le subconscient dans ce que l'on appelle "La partie Dieu du Cerveau" et transfère cet état d'esprit de vénération aux juifs qui ont l'intention de contrôler le monde. Il n'y a RIEN de spirituel dans le Christianisme. La Bible n'est rien d'autre qu'une histoire fictive des juifs, et un blasphème intense et puissant envers les [véritables] Dieux Païens et envers notre véritable Dieu Créateur qui est Satan. Satan signifie "ennemi" en hébreu. Tout ceci a été prouvé sur ce site.

Extrait du Talmud juif :

Simeon Haddarsen, fol. 56-D: "Quand le Messie viendra, chaque juif aura 2800 esclaves."

En plus des messages subliminaux, les non-juifs (=païens) sont sévèrement menacés de rechercher des informations sur "l'occultisme" afin d'enlever tous pouvoirs de l'esprit et de l'âme et de garder ces pouvoirs dans un cercle restreint des "maitres" juifs. Leur seul but est un abus total et l'exploitation de la population des non-juifs. L'orgasme sexuel étant une porte qui mène au pouvoir et à l'avancement de l'âme, les doctrines Chrétiennes ont travaillé sans relâches afin de le supprimer. Le christianisme murmure à l'esprit de ses adeptes qu'ils ne sont rien d'autre qu'une propriété. Leur esprit, âmes et corps

appartiennent à "Jehova", qui en réalité représente les juifs qui sont situés au plus haut rang et maîtrisent le pouvoir occulte.

Extrait du Talmud :

Nidrasch Talpioth, p. 225-L: "Jehova a créé le non-juif sous forme humaine pour que le juif ne soit pas servi par des bêtes. Le non-juif est par conséquent, un animal sous forme humaine, le condamnant ainsi à servir le juif jour et nuit."

Seph. Jp., 92, 1: "Dieu a donné le pouvoir aux juifs sur les possessions et sur le sang de toutes les nations."

Le dénigrement des femmes dans ces programmes est tordu et c'est une tentative perverse subliminale, comme la suppression de la sexualité humaine afin de priver les non-juifs du pouvoir occulte. Son origine provient des enseignements de l'Extrême-Orient du pouvoir de "Shakti", qui représente l'aspect féminin (le subconscient et le pouvoir de la kundalini) de l'âme humaine. L'aspect masculin est la partie gauche du cerveau où demeure la logique. Ces deux aspects doivent travailler ensemble afin d'obtenir des résultats, ce qui est le but du yoga. En supprimant la partie féminine du cerveau, les pouvoirs de l'esprit et de l'âme sont inaccessibles et restent inactifs.

Les planches Ouija, l'astrologie et autres formes de divinations ont été également supprimés avec l'intention de priver les non-juifs de communiquer avec nos VERITABLES Dieux qui ont été abominablement et hautement blasphémés et classifiés en tant que des "monstres." Et ils sont vu par tout le monde comme étant les "mauvais."

Nos Dieux ont été les victimes de l'horreur juif et de nombreux films hollywoodiens, et d'autres thèmes dénigrants et insultants, dans lesquels les non-juifs croit "bêtement" qu'ils doivent avoir peur d'eux, tout en payant pour leur propre damnation, pas seulement pour les trillions et trillions de dollars, mais aussi avec l'énergie psychique. Les juifs ont une longue histoire quant au fait de duper les non-juifs et de faire en sorte pour que ceux-ci payent eux-mêmes leur propre damnation et destruction. La guerre en Irak en est un exemple évident, puisque des millions de jeunes Américains – hommes et femmes – sont morts ou sont handicapés à vie – tout ça pour Israel.

LES NON-JUIFS ONT BESOIN DE SE REVEILLER !!!

RETOUR AU CHRISTIANISME REVELE

La Bible: Une Conspiration juive et un Canular envers les Non-juifs

La Bible est une conspiration juive. Les Chrétiens sont sous l'effet d'un sort extrêmement puissant. Le Christianisme n'est rien d'autre qu'un programme vicieux, avec les objectifs suivants :

- Forcer les non-juifs à abandonner tout pouvoir occulte et connaissance, afin que tout ce pouvoir psychique soit entre les mains de quelques juifs pour un contrôle total.
- Endoctriner les non-juifs à être pacifiste, et à avoir une attitude de servitude.
- Encourager les non-juifs à abandonner l'argent et toutes marchandises du monde, qui s'en vont entre les mains des juifs et leurs larbins, tel que Billy Graham.
- Préparer les non-juifs à un monde communiste dans lequel les juifs ont le contrôle.
- Canaliser l'énergie psychique des non-juifs à travers la prière afin de faire "revenir le Christ" qui en réalité est le Messie juif ; car chaque travail de l'esprit doit avoir un lien.
- Couper les non-juifs de leurs liens avec les Dieux Païens, dont les identités ont été changées et remplacées par de fictifs personnages juifs. Notre véritable Dieu Créateur a été vicieusement dénigré, monstrueusement insulté et blasphémé et relégué en tant que ennemi de l'humanité.

"Que son nom et sa mémoire soient effacées."

--Le Talmud juif

"Nous devons détruire Dieu"

--Extrait du Protocoles des Sages de Sion

La liste est sans fin et cela saute aux yeux. Maintenant, nous savons tous que le Nazaréen est fictif. Les juifs eux-mêmes le savent et ne croient pas en lui puisqu'il est basé sur plus d'une vingtaine de "sauveurs" crucifiés qui ont été volés de panthéons non-juifs autour du monde.

J'ai mis beaucoup d'effort et pris du temps afin de d'approfondir la Bible, car de nombreuses personnes ont de sérieux blocages à cause de ces endoctrinements intenses avec le Christianisme et le pouvoir psychique qu'il y a dedans. C'est évident que la Bible est un canular et un mensonge.

"Nous allons maintenant essayer de répondre à la question qui vient naturellement à l'esprit de tous ceux qui pour la première fois, la similarité dans les légendes des hébreux et ceux des autres nations, principalement : les hébreux ont-ils copiés des autres nations, ou, les autres nations ont-elles copiés les hébreux ? Pour y répondre, nous devons ; premièrement résumer en bref,

l'histoire du Pentateuque et des autres livres de l'Ancien Testament duquel nous avons pris les légendes, et montrer en quelle année ils ont été écrit ; et deuxièmement, montrer que les autres nations possèdent toutes ces légendes bien avant cela, et que les juifs les ont copiés."

-Les Mythes de la Bible et leurs Parallèles dans les Autres Religions Par T. W. Doane © 1882, page 92

La Création :

"La Genèse 1-11 présente un aperçu fascinant dans lequel l'évolution de la Bible est passé de mythes et de légendes polythéistes de diverses cultures, à une histoire israélite monothéiste principalement cohérente."

-101 Les Mythes de la Bible par Gary Greenburg © 2000; page 3

Pour résumer, chaque personnage de la Bible a été volé des religions Païennes non-juives, et remplacés par un personnage juif:

- Le monothéisme juif a été volé d'Akhenaton
- La création juive a été volée de la Création Egyptienne. ¹
- L'utilisation du mot juif Yahweh pour créer a été volé des Egyptiens (le Yaweh juif remplace Ptah) ²
- "Et la lumière fut" a été volée de l'épopée de la Création thébaine. ³
- Les "firmaments au milieu des eaux..." a été volée de la Création Egyptienne. ⁴
- Adam et Eve ont été volés des Dieux Egyptiens Geb et Nut. ⁵
- Eve qui provient de la côte d'Adam a été volé de l'épopée de Enki et Ninhursag : "Mon frère qu'est-ce qui te fais mal ? Ma côte me fait mal." ANET, 41. Le nom de Ninti signifie "La dame de la côte" a guérie la côte de Enki. ⁶
- La punition d'Adam et Eve et la perte de l'immortalité ont été volés de l'histoire de Mésopotamie de Adapa (le Yahweh juif remplace le Dieu Sumérien Enki). ⁷
- Les juifs Caïn, Abel et Seth ont été volés des Dieux Egyptiens Osiris, Set et Horus. ⁸
- Le conflit entre Caïn et Abel a été volé de Set et Osiris. Elle est basée sur les mythes Sumériens de Dumuzi et Enkidu. ⁹
- Le Samson juif a été volé d'Héraclès/Hercules.
 - Lorsqu'il retire son œil, l'histoire est basée sur Oedipe
 - La démolition des piliers a été volée de l'histoire Egyptienne de Re-Herakhte

- L'histoire juive de Jacob et de l'échelle a été volée des Rituels Funéraires Egyptiens pour le décès du Roi
"Salut à toi, Oh Echelle de Dieu, Salut à toi, Oh Echelle de Set. Lève-toi Oh Echelle de Dieu. Lève-toi oh Echelle de Set. Lève-toi oh échelle de Horus, qui est allé au Paradis." "L'Echelle Egyptienne représente les corps des deux divinités Egyptiennes que Osiris reprend lorsqu'il arrive au paradis. Cette échelle a été remplacé par une échelle avec plusieurs entités surnaturelles telles que les anges qui montent et qui descendent entre la terre et les cieux." ¹¹

- Le juif Moïse a été volé de plusieurs dieux et rois, tout dépend la période de sa vie que l'on décrit :
 - Sargon (la naissance et l'abandon dans la rivière, puis est secouru)
 - Lorsqu'il erre dans le désert, l'histoire est basée sur le Dieu-Soleil Bacchus tel qu'on le voit dans les Hymnes d'Orpheus.¹²
 - La période de "40 ans dans le désert" décrite dans le livre juif de l'Exode et le "40 jours et 40 nuits" : lorsque le Nazaréen juif erre dans le désert, le mythe a été volé de : "La lutte de Set et Horus dans le désert dura 40 jours, est commémorée dans le Carême Egyptien des 40 jours, durant lequel Set, ayant le pouvoir de sécheresse et de stérilité, déclara la guerre à Horus dans l'eau et enterra les grains de germes... Ces 40 jours ont été prolongés jusqu'à 40 ans, ont admis les juifs."¹³

- Le juif Joshua a été volé des déités Egyptiennes Shu et Nun.¹⁴
- La juive Déborah a été volée de la Déesse Egyptienne Neith.¹⁵
- Le juif Noé a été volé de Ziusudra. Le fictive Dieu juif Yaweh dans l'histoire de Noé a été remplacé par le Dieu Sumérien Enlil / Beelzebub.
- Le fils juif de Noé, Ham a été volé de Belus.¹⁶
- Le juif Nimrod a été volé du Pharaon Egyptien Sésostris.¹⁷
- Le juif Abraham a été volé du Roi Hariscandra de Sankhayana-Sutras
- Le juif Isaac a été volé du fils du Roi Hariscandra, nommé Rohita : le personnage fictif de Yaweh dans cette histoire a remplacé le Dieu Hindou Varuna.¹⁸
- Le personnage juif Daniel a été volé de Neferti.¹⁹
- Le juif Jonah et la baleine ; Jonah a été volé du personnage hindou "Saktideva" des Somadeva Bhatta.
- Les "Douze tribus d'Israel" comme les douze disciples du Christ sont basés sur les douze signes du Zodiaque.
- Le juif Lot et sa femme ont été volés des Grecs Orpheus et Eurydice. Le juif Yahweh remplace le Dieu Grec Hadès.
- Les juifs Jacob et Esau ont été volés d'Horus et Set.²⁰
- La juive Rebekah a été volée de la Déesse Egyptienne Isis.²¹
- Le juif Joseph avec ses onze frères ont été volés de Psammetichus²²
- L'histoire juive de Joseph et de la femme de Potiphar ont été volés des Egyptiens Anubis et Bata.²³
- "Les Dix Pestes" à l'encontre de l'Egypte ont été grossièrement exagérées et modifiées et volées des Papyrus Ipuwer.²⁴
- Les Dix Commandements ont été volés du Code de Hammurabi. Le dieu juif Yaweh remplace le Dieu Sumérien Shamash/Azazel.²⁵
- Le juif David tuant le philistin Goliath a été volé de Thor jetant un marteau à Hrungnir et le frappant au front.²⁵
- Le juif Job a été volé de Ugaritic Keret et le dieu juif Yaweh remplace le Dieu "El."²⁶
- Le juif "Job" a été volé d'une histoire écrite en langue ougaritique (écriture cunéiforme), composé environ 1400 av JC par "le Scribe Ilimilku." Dans cette épopée il y a "Keret" et le Dieu "El." Et NON PAS Job et Jehova. Les tragédies et maladies de la famille de Keret sont comparables à l'histoire de Job. Dans la version originale, "Satan" n'est pas dans le récit. Ici, le juif Jehova remplace El²⁷

En créant des Dieux opposés, l'un étant "bon" et l'autre "mauvais" les juifs ont réussi à manipuler le monde au-delà de ce que l'on peut imaginer.

- Le livre juif des Proverbes, en plus des écrits dans le livre des Ecclésiastes ont été volés des Enseignements de Ptah-Hotep.²⁸
- Beaucoup de ces écrits dans le livre juif de Joshua ont été volés des Lettres de El Amarna.²⁹

Le livre juif des Juges est composé d'éléments volés de :

- L'histoire d'Aqhat
- Le journal de Wen-Amon
- L'almanach de Gezer³⁰

Les livres juifs de Samuel et les Rois contiennent des éléments volés de :

- Les prophéties de Mari
- La stèle de Mesha
- Les Inscriptions de Karatepe
- Les Annales de Shalmaneser III
- L'Obélisque Noir de Shalmaneser III
- Les Annales de Tiglath-Pileser III
- Les Annales de Sargon II
- Les Inscriptions de Siloam
- Les Inscriptions Yavne-Yam
- Les Lettres de Lachlish
- L'Ostraca d'Arad
- Les Annales de Sennacherib
- Les Annales de Nebuchadnezzar II

Davantage éléments volés dans les livres bibliques d'Ezra et Néhémie :

- Le Cylindre de Cyrus.³²
- Le juif Mordecai a été volé du Dieu Babylonien Marduk.³²
- Esther la juive et le livre juif d'Esther a été volé de Ishtar/Ashtaroth, Astarte, Ashtar.³³
- La vierge juive Marie a été volée d'Ashtaroth
- Jean le Baptiste a été volé d'Anup, celui qui a baptisé Horus ; tous deux ont perdu la tête.³⁴
- Le juif Judas a été volé de Set.³⁵
- Le juif Matthieu a été volé de Thoth.³⁶
- Le juif Thomas a été volé de Tammuz³⁷
- "Comme Jésus, le Dieu Grec Hermès a également été enveloppé dans des vêtements et placé dans une crèche, tel que l'a été Dionysos."³⁸

Les Dieux des non-juifs ont fini par être blasphémés dans les Grimoires.

"Personne d'autre n'a été aussi conscient de primauté ultime à travers une intervention surnaturelle. Ceci leur a donné cohésion et courage de persévérer dans la persécution et la décimation. La conviction que chaque juif sera un jour

dans sa destinée divine comme un membre de la race qui dirige le monde l'a rendu fier et l'a permis de survivre parmi les nations de la terre."

"L'héritage promis incluait un messie qui apporterait "le royaume." Ce messie serait soit un leader humain temporaire qui, avec son armée, renverserait les ennemis d'Israël, ou bien, un être surnaturel qui ferait de même, établissant ainsi un royaume "éternel." "L'impérialisme juif serait ainsi comme étant la promesse tant attendue, et détruirait par la suite les ennemis et donnerait leurs possessions à Israël. Comme Larson l'a affirmé "Ce messie viendra apporter le jugement envers les non-juifs et ils deviendront les esclaves de Judah..."

Le but ultime de la bible était de :

- Donner au peuple juif une histoire qu'ils n'ont jamais eue.
- Donner au peuple juif un statut spécial en tant que "Peuple Choisi."
- Permettre au peuple juif de progresser dans leur quête de domination du monde. Les non-juifs ont été désarmés et on leur a fait croire à une philosophie qui va à l'encontre de la vie en utilisant le Christianisme.
- Garder tout pouvoir occulte, psychique sous le contrôle des juifs et de désarmer la population non-juive psychiquement.
- Canaliser autant d'énergie psychique que possible afin de faire venir leur "messie" qui unira les juifs et dominera le monde. (C'est le Christ fictif – les juifs eux-mêmes savent que le Christ est fictif – le "Temple de Salomon" et autres visages du même thème)
- A cause d'une multitude de personnages, les nombres, les histoires ont été volées et changés des sources non-juives ; ils sont fortement ancrés dans la mémoire raciale des non-juifs afin de les utiliser en tant qu'outil psychique pour les manipuler.

Pour finir, dans la Al Jilwah et le Qu'ret al-Yezid, Satan le montre très clairement concernant ces mensonges.

Le Message Subliminal De La Bible Judéo-chrétienne: La Suprématie Juive Sur Les Non-Juifs

Il y a une secte/faction secrète juive qui date de mille ans. Cette faction contrôlait et a toujours eu un niveau élevé de connaissance bien plus que les gens le savent. Quand de nouvelles sociétés ont été établies, cette faction juive s'appropriait les positions des pouvoirs politiques et religieux et s'assuraient qu'aucune connaissance ne soit donnée au public et transmet dans leurs écoles secrètes et organisations. Les dirigeants du Vatican ne sont rien d'autre qu'une organisation criminelle qui a causé à l'humanité destruction, misère, souffrance et douleur. L'Eglise Catholique et la religion Chrétienne sont placées au plus haut rang, et les juifs en ont fait des outils ; les juifs sont leurs maitres. Les juifs sont les seuls qui contrôlent les Eglises Chrétiennes, surtout le Vatican. C'est là où les autres sectes du christianisme ont évoluées.

Au plus haut niveau, ils connaissent le véritable pouvoir du soleil, la numérologie n'a pas de secret pour eux, le pouvoir des masses, les effets des planètes sur le comportement humain, comment manipuler le temps, l'énergie. Ils ont utilisés leurs organisations secrètes pour créer des institutions dans les parties politiques et religieuses afin d'enlever la connaissance de l'occultisme. L'Inquisition est un exemple fondamental, car si on parlait de la moindre chose en rapport à l'occultisme, c'était relatif à une signature pour sa propre mort.

Afin de maximiser leur pouvoir pour réaliser leur but machiavélique, les Eglises Chrétiennes ont été construites sur des alignements de sites. Ces alignements de

sites sont des endroits dans la terre qui ont augmenté de l'énergie géomagnétique.

Le corps humain est composé de bioélectricité. Nos pensées sont faites d'impulsion électrique. A travers la méditation et en travaillant avec nos centres d'énergie [les chakras], nous pouvons perfectionner nos pensées afin qu'elles puissent affecter notre environnement. Quand quelqu'un qui possède cette connaissance utilise l'énergie de la terre en plus de cette énergie de pensée, cela amplifie le pouvoir derrière les pensées et la direction de l'énergie à travers la volonté.

Les temples Païens ont été détruits et les églises Chrétiennes les ont remplacés. Des rituels ont été pratiqués sur ces points d'énergies. Les sacrifices humains et d'animaux ont produits d'extrêmes peurs aux victimes. Cette énergie de peur dirigée qu'ils utilisent pour contrôler à été pompée dans ces vortex d'énergie. Ce qui se produit avec cette énergie, si elle est amplifiée mille fois, crée un état de vibration à l'intérieur de la terre. D'après ce que j'ai compris, cela encercle la terre comme une toile d'araignée. C'est pour cette raison que le christianisme possède tellement de pouvoir sur beaucoup de gens. La peur est le seul mot qui contrôle le monde, et c'est très efficace.

De plus, les doctrines qui ont été répétées sans cesse dans ces structures ont eu tout le pouvoir dont ils avaient besoin pour réaliser leur but. En plus d'utiliser l'énergie des fidèles, une provision d'énergie constante et puissante est, et à toujours été disponible pour être dirigée et manipulée par les adeptes ennemis pour le contrôle et la damnation de la population. Les anciennes œuvres d'arts à travers la Renaissance sont les preuves du contrôle que l'église Chrétienne avait sur tous les aspects de la vie des gens. Il y a peu de peintures, de sculptures et autres œuvres d'arts qui ne montrent pas le Nazaréen ou la Vierge. Cela va de soit pour la musique de l'époque. Si une personne réalisait une œuvre qui n'avait aucun lien avec le Christianisme, celle-ci se retrouvait condamnée à être une hérétique. L'énergie de la prière à elle seule, qui a été introduit dans cette infecte institution dépasse l'imagination. Une personne à elle seule qui se fixe sur une pensée ou une idée, génère l'énergie de la pensée ; imaginez ce que des millions de gens peuvent réaliser.

Malheureusement, avec cette avidité, ce n'était pas assez pour ces odieux aliens et leurs esclaves humains qui dirigent cet anneau de destruction. Il devait y avoir une guerre. La production de l'énergie humaine est plus puissante durant les temps de grandes peur, lorsqu'on est confronté à la mort. Si c'est plus violent, alors ce sera mieux. Ceux qui sont familiarisés avec l'Ancien Testament de la Bible devraient être conscient des guerres sans fins et du génocide des païens (=non-juifs) encouragés par le fameux "Jehova" "Jesus" qui est responsable du meurtre des masses, tortures et génocides des païens. Ce sale pervers est imprégné de force dans l'esprit des non-juifs depuis le début, ce qui crée une forme-pensée subliminale puissante, qui s'est manifesté dans la réalité.

RETOUR AU CHRISTIANISME REVELE

Exposer la Corruption Spirituelle: l'Alchimie Spirituelle et la Bible

Le véritable Satanisme est basé sur les anciennes religions qui précèdent le judaïsme, le Christianisme et l'Islam de plus de mille ans. Les couleurs traditionnelles du noir et du rouge utilisés dans le Satanisme datent de l'Égypte Ancienne et sont des symboles de transformation spirituelle. Les anciennes religions étaient basées sur l'accomplissement du travail de notre Créateur, Satan : celui de transformer l'âme humaine en celle d'un dieu et obtenir ainsi l'immortalité et avoir les pouvoirs de dieu le Royaume de Satan lui a été volé.

La Bible judéo-chrétienne est une corruption d'éléments volés qui ont été utilisés afin d'asservir spirituellement l'humanité. Toutes les légendes des Dieux sont des allégories. Le Vatican et ses cohortes ont obtenu richesse, pouvoir et contrôle en forçant les gens à croire que ces allégories sont des personnages et des endroits réels.

L'achèvement du travail, aussi connu en alchimie sous le nom de "Magnum Opus" ("l'œuvre Noire") est fondée sur le Kundalini. Le serpent de la Kundalini se trouve enroulé à la base de la colonne vertébrale. A travers la méditation, le serpent ardent monte. C'est ce qui est connu sous le nom de "Raising the Devil." ["Faire monter le Diable"]. Il y a 33 vertèbres dans la colonne vertébrale humaine. On entend souvent le terme "un Maçon du 33^{ème} degré" ou bien que ce Nazaréen fictif a vécu durant 33 ans. Le serpent de la Kundalini monte dans les 33 vertèbres de la colonne vertébrale.

Les sept chakras sont très importants pour ce travail. Lorsque la Kundalini monte, elle doit pénétrer à travers chacun des sept chakras. C'est pourquoi on insiste beaucoup sur le chiffre sept dans de nombreux anciens textes spirituels et aussi c'est ce qui a été corrompu dans la bible judéo-chrétienne. Les dirigeants chrétiens trompent leurs disciples en leur faisant croire que les légendes volées dans la bible sont réelles. A travers cette déception, le Vatican et les églises Chrétiennes ont obtenu d'incroyable richesse et pouvoir. Ce pouvoir n'est pas seulement dans le monde matériel, mais également dans le spirituel. Toute connaissance spirituelle a été systématiquement enlevée avec l'Inquisition. Ceux qui sont haut placés sont des adeptes de la magie noire et possèdent des pouvoirs spirituels, tandis que le reste de l'humanité souffrent sous leur contrôle.

Dans de nombreuses anciennes peintures, on nous dit que c'est le Nazaréen et la "vierge Marie" alors qu'en réalité, il s'agit des Dieux Originaux, tels que Marduk (Amon Ra) et Astaroth. Le Magnum Opus commence idéalement au printemps lorsque le Soleil est en Bélier, de ce fait, on voit l'homme debout avec l'agneau. Le halo lumineux représente l'ascension de la Kundalini, et l'aura vif du pouvoir. L'Église Catholique a volé cet élément et l'a fait passer pour son fictif Nazaréen.

Les glyphes pour le signe du Bélier peuvent être vus dans le sceau d'Astaroth

(Tous les sceaux des Démons représentent d'importants symboles en alchimie). L'histoire de la création dans le livre de la Genèse est une autre allégorie : "Dieu crée l'univers en "sept jours" "lors du septième, il se reposa." Ceux qui sont éduqués savent que une fois que le serpent de la Kundalini arrive au 6^{ème} chakra et passé à travers les trois "nœuds" (trinité), pour le 7^{ème} chakra, la Kundalini monte facilement. En réalité, le "Paradis" est un code pour désigner le septième chakra. On a tous entendu le terme "septième ciel." "Dieu" est un code qui nous désigne les humains, et aussi, le terme "Dieux" est un code pour représenter les chakras dans de nombreux textes anciens. "L'Enfer" est un code pour indiquer le chakra de base, "le monde inférieur" là où le serpent de la Kundalini sommeille.

L'arbre dans le "Jardin d'Eden" dans la bible a été volé de beaucoup de religions différentes qui précèdent le Christianisme et qui symbolise la carte de l'âme humaine : le tronc représente la colonne vertébrale humaine, avec les branches qui symbolisent les "144 000" nadis. "Adam et Eve" symbolisent le Ida et le Pingala, là où les deux fusionnent et deviennent un. Avec l'ascension de la Kundalini et la fusion d'Ida et Pingala au 6^{ème} chakra, on obtient la gnose et les yeux spirituels sont ouverts. L'origine de ce symbole provient de "l'œil qui voit tout" dans l'Egypte Ancienne.

La pierre séparée au-dessus de la pyramide symbolise l'œuvre non terminée de Satan, notre Dieu Créateur.

Le nombre 12 est aussi omniprésent dans les anciens textes et à été volé. Ce nombre symbolise les 12 étapes dans le Magnum Opus. Ils sont basés sur les 12 signes du Zodiaque.

Genèse 1

1 Au commencement, Dieu créa les cieux et la terre.

Le ciel et la terre symbolisent les chakras couronne et de base.

2 La terre était informe et vide: il y avait des ténèbres à la surface de l'abîme, et l'esprit de Dieu se mouvait au-dessus des eaux.

Le terme "informe et vide" représente ce qui est connu comme le stage du "chaos" dans le Magnum Opus.

4 Dieu vit que la lumière était bonne; et Dieu sépara la lumière d'avec les ténèbres

La lumière est là où on crée ce qui est connu sous le nom de prima materia, le fondement de la pierre philosophale. On accomplit ceci en condensant la bioélectricité en une boule de lumière.

5 Dieu appela la lumière jour, et il appela les ténèbres nuit. Ainsi, il y eut un soir, et il y eut un matin: ce fut le premier jour.

C'est une première étape, d'où "le premier jour."

16 Dieu fit les deux grands luminaires, le plus grand luminaire pour présider au jour, et le plus petit luminaire pour présider à la nuit; il fit aussi les étoiles.

17 Dieu les plaça dans l'étendue du ciel, pour éclairer la terre,

18 Pour présider au jour et à la nuit, et pour séparer la lumière d'avec les ténèbres. Dieu vit que cela était bon.

19 Ainsi, il y eut un soir, et il y eut un matin: ce fut le quatrième jour.

Les versets ci-dessus concernant "les deux grands luminaires" symbolisent le chakra du cœur, là où le "ciel" et la "terre" fusionnent. Comme on peut le voir sur le sceau de Satan, la pointe en bas, dans le Pentagramme Satanique et le Baphomet, la lumière descend à travers le chakra de couronne jusqu'au chakra de base.

20 Dieu dit: Que les eaux produisent en abondance des animaux vivants, et que des oiseaux volent sur la terre vers l'étendue du ciel.

"L'élixir de la vie, les eaux bénites, les pénètrent [les chakras] et les réveillent de leurs sommeils." C'est ce qui est connu comme étant la "rosée" qui est secrétée par la glande pinéale : c'est le résultat des méditations. Les oiseaux sont également de symboles importants en alchimie.

27 Dieu créa l'homme à son image, il le créa à l'image de Dieu, il créa l'homme et la femme.

31 Dieu vit tout ce qu'il avait fait et voici, cela était très bon. Ainsi, il y eut un soir, et il y eut un matin: ce fut le sixième jour.

Dans les versets ci-dessus, de nouveau, les ALLEGORIES sont changées. Le "sixième jour" représente le sixième chakra là où le masculin et le féminin Ida et Pingala fusionnent.

Genèse 2 :3 Dieu bénit le septième jour, et il le sanctifia, parce qu'en ce jour il se reposa de toute son œuvre qu'il avait créée en la faisant.

Ici, de nouveau une autre allégorie alchimique qui a été volé et corrompu.

Lorsque l'alchimiste a complété son œuvre, il se repose. "Dieu" = NOUS-MEME !

La saga de la Genèse continu, tous a été volé et corrompu de religions qui précédaient le Christianisme.

Genèse 3 :3 Mais quant au fruit de l'arbre qui est au milieu du jardin, Dieu a dit: Vous n'en mangerez point et vous n'y toucherez point, de peur que vous ne mouriez.

Il y a une étape en alchimie où la personne subit une mort de la prima materia.

Ce qui est connu sous le nom de "nigredo" "l'étape noire."

- "L'étape initiale, l'étape noire de l'opus alchymicum dans laquelle le corps du métal impur, la question de la Pierre, là où l'état démodé est tué, est

putréfié et dissout dans la substance originale de la création, la prima materia, afin qu'elle soit rénové et qu'elle puisse renaître dans une nouvelle forme. ¹

- Ici, le Nazaréen fictif a été inventé. Il a été volé de plus de 18 Dieux Païens qui ont été "crucifiés" sur une croix ou pendu à un arbre. Ce sont des allégories, par exemple : le Dieu Nordique Odin était pendu à un arbre et a eu l'expérience d'une mort pour obtenir la connaissance. Après sa renaissance il a obtenu la gnose. La croix représente les quatre quartiers. C'est aussi la signification du pendu dans les cartes du Tarot. Le phœnix Egyptien possède la même signification avec la renaissance par le feu. Apparemment, l'éclipse serait apparue durant cette fameuse "crucifixion" du Nazaréen qui symbolise aussi l'étape du nigredo, l'étape noire. Ce stage est symbolisé par le corbeau noir et le Soleil Noir.

4 Alors le serpent dit à la femme: Vous ne mourrez point.
Le serpent de la Kundalini transforme, mais ne tue pas.

5 Mais Dieu sait que, le jour où vous en mangerez, vos yeux s'ouvriront, et que vous serez comme des dieux, connaissant le bien et le mal.
Les Eglises Chrétiennes et leurs infâmes cohortes travaillent sans cesse contre cette gnose. Une fois que nos yeux sont ouverts, nous ne pouvons être déçus par aucun mensonge !

7 Les yeux de l'un et de l'autre s'ouvrirent, ils connurent qu'ils étaient nus, et ayant cousu des feuilles de figuier, ils s'en firent des ceintures.
La nudité est une autre allégorie de la renaissance. Tous le monde naît nu.

Maintenant, nous avons "Noé" et son arche, qui a été volé de l'épopée sumérienne de Ziusudra.

- "L'inondation de Noé est un symbole pour la "dissolution de la question de la Pierre dans la prima materia durant l'étape du nigredo, l'étape noire. A ce stade, on dit que le principe féminin, froid et humide (Luna) domine l'aspect mâle (Sol), sec et chaud qui coagule.

L'élément de l'eau est féminin, alors que le feu est masculin. Cette étape du Magnum Opus est symbolisée par une inondation d'énergie qui est représenté par l'inondation de l'eau. L'eau est une autre allégorie de la mort et de la régénération. L'arche en elle-même est un symbole du corps humain. L'allégorie du corbeau qui ne retourne pas dans l'arche est un symbole de l'étape qui n'est pas complète. La "colombe" représente l'étape blanche, connu sous le nom de "albedo."

- "L'albedo se produit après que le corps putréfié du métal, qui repose mort en bas de l'alambique, a été lavé par les eaux mercuriales. ³

C'est une évidence que cette allégorie a été corrompue en tant qu'un événement qui s'est réellement produit, avec des personnages.

8 :4 Le septième mois, le dix-septième jour du mois, l'arche s'arrêta sur les montagnes d'Ararat.

DE NOUVEAU, le nombre sept et le "repos." Ce qui symbolise le septième chakra, qui est un bonheur pu et sans effort, et les "montagnes d'Ararat"

symbolisent le travail accompli, qui a été VOLÉ de la signification des pyramides Egyptiennes – la pointe au-dessus de la pyramide, qui a sa fondation aux quatre quartiers.

J'aimerais également ajouter – aux imbéciles qui attaquent Enlil / Belzébuth en affirmant qu'il noie l'humanité – VOUS N'AVEZ RIEN DE MIEUX A FAIRE ?

La connaissance provient de Satan.

13 Je mettrai mon arc dans les nuages, et ce sera un signe d'alliance entre moi et la terre.

14 Et cela arrivera, lorsque j'apporterai un nuage au-dessus de la terre, que l'arc apparaîtra dans le nuage.

15 Et je me rappellerai de mes engagements, qui sont entre vous et moi et toute créature vivante de toute chair ; et les eaux ne deviendront plus des déluges pour détruire toute chair.

“L'arc” dans l'arc-en-ciel, les couleurs iridescentes qui indiquent qu'une autre étape du Magnum Opus a été accomplie. CETTE ETAPE, EST SYMBOLISE PAR LE PAON ; LE PAON EST UN SYMBOLE DE SATAN ET IL EST TRES SACRE !

Le verset 13 se lit comme suit : “un engagement entre moi et la terre.” “Dieu” est un autre terme alchimique pour le chakra de couronne, le “Paradis” (les trois chakras au-dessus sont aussi symbolisés par le paradis) “le ciel” “le bonheur” et la terre est le monde inférieur, symbolisé par les trois chakras inférieurs. Ce qui indique que le “paradis” et la terre ont fusionné au chakra du cœur.

Les livres bibliques qui suivent sont des histoires fictives du peuple juif. La “torah” a été VOLÉ et corrompu du Tarot Egyptien. La “Torah” est aussi connu sous le nom de “Pentateuque,” les cinq livres de “Moïse” (un autre personnage fictif). On peut voir que cela a été volé des cinq couleurs du Tarot- la baguette / le bâton (le feu) ; le pentacle (la terre) ; les coupes (l'eau) et l'épée (l'air) et bien sûr, l'atout, qui représente l'élément de quintessence.

- “L'étape du nigredo finit sur la surface d'un aspect étoile, qui est comparé à la nuit étoilée qui indiqua aux bergers et aux rois que l'enfant naquit à Bethlehém.
- DE NOUVEAU, c'est symbolique et cela indique une autre étape de l'œuvre, lorsqu'on “voit” la lumière du chi dans le vide noir lorsqu'on a les yeux fermés lors de la méditation. Les “trois” mages représentent les trois étapes de l'œuvre. Le Nazaréen fictif- la pierre (qui naquit de l'œuvre).
- Il y a trois pierres, ou trois œuvres, ou trois degrés de perfection dans l'œuvre.

Ici de nouveau on a des allégories qui ont été transformées pour s'adapter à ce fictif Nazaréen – la “crucifixion” – deux autres on été crucifiés avec le Nazaréen, ce qui fait trois.

Je peux continuer encore et encore, en citant des versets bibliques et révéler comment ils ont été volés et corrompus. Le personnage du Nazaréen, qui a été inventé de toute pièce d'une allégorie à :

1. Enlever toute connaissance spirituelle et l'a remplacé par des conneries. Le fameux "Jésus sauve" et sa "renaissance" ont été corrompus et incorporés dans ce personnage fictif. En d'autres termes, ceux qui se font des illusions, ont été forcés à croire que ce personnage s'occupera de tout ce qui est spirituel, du moment qu'il est conforme à leur but.
2. Le personnage de "Jésus" a agit en tant que police de la pensée pour un contrôle ultime. Il y a eu des guerres à plusieurs reprises concernant les croyances et les idées. Contrôler ce qui est dans l'esprit de l'humanité et vous contrôlerez l'humanité.
3. Etant donné que le Nazaréen est imaginaire, il peut être n'importe quoi à n'importe qui, et ceux qui sont en position de force dirigent. Le nazaréen peut changer avec le temps, et se conformer à n'importe quel but.

Il est temps pour tout le monde de se réveiller à la corruption spirituelle qui s'est jouée de l'humanité pour des milliards de dollars, des âmes, et tous ce que ces parasites ont pris avec leurs disciples.

LE NAZAREEN OMNIPRESENT

Le Nazaréen a été inventé de légendes volées, d'identités volées, et d'autres enseignements hypocrites et contradictoires insignifiants. Je ne pense pas qu'il doit y avoir un personnage dans toute l'histoire, qui soit aussi fictif que cet idiot de Nazaréen, et parce que c'est un mensonge, il peut changer selon les époques.

Il a été inventé pour n'être rien de plus qu'une distraction pour les masses, avec l'intention d'enlever toute connaissance spirituelle, ainsi que le pouvoir de la population, et l'ont placés entre les mains de ceux qui contrôlent tout, au détriment de tous.

Le christianisme a survécu car il s'est adapté aux différentes époques, tel qu'il le fait de nos jours. L'église Catholique a finalement admis que la Terre est ronde. S'ils ne l'avaient pas fait, ils n'auraient pas survécu. Ceci est un des nombreux exemples.

Maintenant, le Nazaréen a un nouveau visage : celui du "New Age." Les enseignements des Dieux Anciens, ainsi que la véritable connaissance sont soudainement attribués au Nazaréen. S'ils viennent d'Égypte. [Certains individus ont la stupidité d'affirmer qu'il était un "pharaon."]

Dans les années 60 et 70, il était le hippy idéal. Désormais, il est le grand "leader" de cette absurdité de mouvement "new age" et cette blague de "règle des 3x", qui bien évidemment, inclus les anges et le mysticisme judéo-chrétien. Durant le temps des croisades, il était le guerrier chrétien, guidant les armées chrétiennes afin de massacrer tous ceux qui étaient sur leur chemin- "En avant les soldats chrétien." Avec l'islam, il existe toujours, mais cette fois, pas en tant que "Fils de Dieu" mais en tant que prophète.

Il semble être partout, et se conforme à chaque tendance, et chaque culture. Posez simplement cette pauvre victime sur deux vulgaires bâtons qui forment une croix, et le tour est joué. Les seules choses de réel concernant cet imbécile omniprésent, sont les enseignements suicidaires déterminés à transformer toute la société en de bons esclaves. Le message de base ne change pas.

Cela équivaut à un rongeur inoffensif qui apporte avec lui des parasites qui infestent la région, comme cela s'est produit durant le Moyen Age avec la Peste.

En étant fictif, on peut faire ce que l'on veut de lui, tant que c'est réalisé sournoisement. Il peut être n'importe quoi à n'importe quel moment et n'importe où. D'une part, il est chaste, et c'est le "Fils de Dieu." D'autre part, afin de s'adapter à l'ouverture d'esprit de la société actuelle concernant le sexe, il a maintenant des relations sexuelles avec Mary Magdeleine.

Puisque la nouvelle connaissance vient du Moyen-Orient, bien sûr, il était âgé de "13 jusqu'à 30 ans" et étant donné qu'il n'existe aucune trace écrite, ils peuvent inventer ce qu'ils veulent. De cette façon, ils lui attribuent de nombreux

enseignements provenant du Moyen-Orient et ils affirment qu'il est "le tout", "l'unique."

"Il est le tout et l'unique" jusqu'à ce que quelqu'un mentionne "Satan" et soit les gens le nieront, soit ils seront sur la défensive.

Maintenant que l'on a une ouverture d'esprit sur l'homosexualité, certains gospels de St. John – qui ont été délibérément effacés – affirment que le Nazaréen a eu des relations sexuelles avec un homme. Il peut donc être n'importe quoi, à n'importe quel moment, et n'importe où.

Le Nazaréen n'a jamais donné de réponses directes. De cette façon, n'importe quel chrétien est libre de citer n'importe quel passage, ici et là. Ses parallèles se conforment à n'importe quelle situation et à n'importe quelle époque, et ne veulent rien dire. L'interprétation peut en être faite de mille et une façon. Il suffit juste de placer ce Nazaréen sur un vulgaire bâton !

RETOUR AU CHRISTIANISME REVELE

Le Nazaréen: Le Plus Grand Pécheur De Tous

Les Chrétiens croient que le Nazaréen est parfait, que c'est un être aimant, guérisseur et compréhensible. La plupart d'entre eux sont trop paresseux pour lire les faits. La bible est peut être le livre le plus acheté, mais il est le moins lu.

Le Nazaréen était indolent et paresseux. Il ne travaillait pas comme tout le monde. Il profitait des gens, ne donnait rien en retour et vivait du labeur des gens.

Il était grossier, et un invité désagréable qui insultait ses hôtes.

Il VOLAIT et ordonnait aux autres d'en faire autant.

Il excusait et préconisait le meurtre.

Il est le pire hypocrite qui est jamais existé.

Les Sept Péchés Capitaux :

- La fierté
Le Nazaréen était arrogant, égoïste et un individu prétentieux. Son sens de fierté négative et d'exaltation peut être remarque dans les écritures :

Il était assez arrogant pour insulter ses hôtes et les laisser avec le fardeau du travail alors qu'il détournait toute l'attention, indiquant ainsi un sens extrême de l'importance de soi [en d'autres termes, de lui-même] :

Luc 10 :38-42

38 Comme Jésus était en chemin avec ses disciples, il entra dans un village, et une femme, nommée Marthe, le reçut dans sa maison.

39 Elle avait une sœur, nommée Marie, qui, s'étant assise aux pieds du Seigneur, écoutait sa parole.

40 Marthe, occupée à divers soins domestiques, survint et dit: Seigneur, cela ne te fait-il rien que ma sœur me laisse seule pour servir? Dis-lui donc de m'aider.

41 Le Seigneur lui répondit: Marthe, Marthe, tu t'inquiètes et tu t'agites pour beaucoup de choses.

42 Une seule chose est nécessaire. Marie a choisi la bonne part, qui ne lui sera point ôtée.

Si une personne ne l'aime pas plus que ses propres parents, cette personne n'est pas digne de lui. Qu'est-il donc arrivé à "Honore ton père et ta mère ? Ici, le Nazaréen se place au-dessus des membres de la famille de ses disciples, ce qui indique une extrême fierté et arrogance :

Matthieu 10:37

37 Celui qui aime son père ou sa mère plus que moi n'est pas digne de moi, et celui qui aime son fils ou sa fille plus que moi n'est pas digne de moi;

Le plaisir de se faire masser avec de l'huile très couteuse était plus important que de vendre l'huile et de donner l'argent aux pauvres.

Marc 14 :3-7

3 Comme Jésus était à Béthanie, dans la maison de Simon le lépreux, une femme entra, pendant qu'il se trouvait à table. Elle tenait un vase d'albâtre, qui renfermait un parfum de nard pur de grand prix; et, ayant rompu le vase, elle répandit le parfum sur la tête de Jésus.

4 Quelques-uns exprimèrent entre eux leur indignation: A quoi bon perdre ce parfum?

5 On aurait pu le vendre plus de trois cents deniers, et les donner aux pauvres. Et ils s'irritaient contre cette femme.

6 Mais Jésus dit: Laissez-la. Pourquoi lui faites-vous de la peine? Elle a fait une bonne action à mon égard;

7 Car vous avez toujours les pauvres avec vous, et vous pouvez leur faire du bien quand vous voulez, mais vous ne m'avez pas toujours.

Le Nazaréen traite les autres être humains de "chiens" et de "porcs", indiquant qu'ils sont inférieurs à lui :

Matthieu 7 :6

6 Ne donnez pas les choses saintes aux chiens, et ne jetez pas vos perles devant les pourceaux, de peur qu'ils ne les foulent aux pieds, ne se retournent et ne vous déchirent.

Il déclara qu'il était "plus grand" que Jonas et Salomon:

Matthieu 12 :41-42

41 Les hommes de Ninive se lèveront, au jour du jugement, avec cette génération et la condamneront, parce qu'ils se repentirent à la prédication de Jonas; et voici, il y a ici plus que Jonas.

42 La reine du Midi se lèvera, au jour du jugement, avec cette génération et la condamnera, parce qu'elle vint des extrémités de la terre pour entendre la sagesse de Salomon, et voici, il y a ici plus que Salomon.

- L'Envie

Le Nazaréen était tellement envieux de toute dévotion ou affection pour une autre personne que lui-même, même si c'était un membre de la famille, il demandait que ses disciples laissent leurs familles.

Luc 9 :59-62

59 Il dit à un autre: Suis-moi. Et il répondit: Seigneur, permets-moi d'aller d'abord ensevelir mon père.

60 Mais Jésus lui dit: Laisse les morts ensevelir leurs morts; et toi, va annoncer le royaume de Dieu.

61 Un autre dit: Je te suivrai, Seigneur, mais permets-moi d'aller d'abord prendre congé de ceux de ma maison.

62 Jésus lui répondit: Quiconque met la main à la charrue, et regarde en arrière, n'est pas propre au royaume de Dieu.

Il y a encore d'autres passages qui exposent clairement le personnage envieux et pleins de ressentiments de ce Nazaréen. Ceux-ci sont indiqués dans cet article.

- La Colère

A cause d'un sens excessif de fierté, d'importance exagéré, d'arrogance et du fait

de croire qu'il est le seul et l'unique, le Nazaréen était sujet au péché de la colère :

Matthieu : 11 :20-24

20 Alors il se mit à faire des reproches aux villes dans lesquelles avaient eu lieu la plupart de ses miracles, parce qu'elles ne s'étaient pas repenties.

21 Malheur à toi, Chorazin! Malheur à toi, Bethsaïda! Car, si les miracles qui ont été faits au milieu de vous avaient été faits dans Tyr et dans Sidon, il y a longtemps qu'elles se seraient repenties, en prenant le sac et la cendre.

22 C'est pourquoi je vous le dis: au jour du jugement, Tyr et Sidon seront traitées moins rigoureusement que vous.

23 Et toi, Capernaüm, seras-tu élevée jusqu'au ciel? Non. Tu seras abaissée jusqu'au séjour des morts; car, si les miracles qui ont été faits au milieu de toi avaient été faits dans Sodome, elle subsisterait encore aujourd'hui.

24 C'est pourquoi je vous le dis: au jour du jugement, le pays de Sodome sera traité moins rigoureusement que toi.

Le Nazaréen condamne, insulte et menace les autres :

Matthieu 23:33

33 Serpents, race de vipères! Comment échapperez-vous au châtement de la géhenne?

Marc 3 :5

5 Alors, promenant ses regards sur eux avec indignation, et en même temps affligé de l'endurcissement de leur cœur, il dit à l'homme: Etends ta main. Il l'étendit, et sa main fut guérie.

Jean 2 :15

15 Ayant fait un fouet avec des cordes, il les chassa tous du temple, ainsi que les brebis et les bœufs; il dispersa la monnaie des changeurs, et renversa les tables;

Dans le verset ci-dessus, le Nazaréen condamne l'argent dans le temple, ainsi que l'avarice, mais par ses actions et ses demandes, le Nazaréen est le plus avide de tous.

Il fait savoir qu'il vient pour apporter guerres et confits sur terre, de la haine et de la discorde parmi les membres de la famille ; ce qui brise l'unité et le foyer :

Matthieu 10 :34-36

34 Ne croyez pas que je sois venu apporter la paix sur la terre; je ne suis pas venu apporter la paix, mais l'épée.

35 Car je suis venu mettre la division entre l'homme et son père, entre la fille et sa mère, entre la belle-fille et sa belle-mère;

36 Et l'homme aura pour ennemis les gens de sa maison.

Il montre de l'impatience par la présence d'un père dont l'enfant ne pouvait pas parler, il lui a donc demandé de l'aide. Son précieux temps, et son énergie étaient plus importants que de passer quelques secondes afin d'aider un petit enfant infirme. Il a également insulté ses disciples et ceux qui se trouvaient autour de lui et qui lui demandaient de l'aide.

Marc 9: 19

19 Race incrédule, leur dit Jésus, jusques à quand serai-je avec vous? Jusqu' à quand vous supporterez-vous? Amenez-le-moi.

- L'avidité
Le dégoût du Nazaréen pour le travail était peu réaliste. Puisqu'il vivait de la charité des autres, il y avait un temps où la charité de satisfaisait plus ses besoins, alors il se mit à VOLER.

Pendant le Sabbat, lui et ses disciples se sont servis dans les maïs des paysans. Lorsqu'on lui demanda pourquoi il a violé la loi en mangeant le jour du Sabbat, il justifia son acte en se disant être le "seigneur du Sabbat."

Luc 6 :1-5

1 Il arriva, un jour de sabbat appelé second-premier, que Jésus traversait des champs de blé. Ses disciples arrachaient des épis et les mangeaient, après les avoir froissés dans leurs mains.

2 Quelques pharisiens leur dirent: Pourquoi faites-vous ce qu'il n'est pas permis de faire pendant le sabbat?

3 Jésus leur répondit: N'avez-vous pas lu ce que fit David, lorsqu'il eut faim, lui et ceux qui étaient avec lui;

4 Comment il entra dans la maison de Dieu, prit les pains de proposition, en mangea, et en donna à ceux qui étaient avec lui, bien qu'il ne soit permis qu'aux sacrificateurs de les manger?

5 Et il leur dit: Le Fils de l'homme est maître même du sabbat.

La paresse et l'avarice du Nazaréen l'ont conduit à voler davantage :

Il envoya deux disciples pour voler un âne et un poulain. Il n'a eu aucune considération à savoir, si son acte provoquerait une gêne pour le propriétaire de l'animal. Ici, en plus du vol, le Nazaréen n'a même pas le culot d'aller voler ces animaux lui-même, puisqu'il ordonne aux autres de le faire.

Luc 19 :29-35

29 Lorsqu'il approcha de Bethphagé et de Béthanie, vers la montagne appelée montagne des oliviers, Jésus envoya deux de ses disciples,

30 En disant: Allez au village qui est en face; quand vous y serez entrés, vous trouverez un ânon attaché, sur lequel aucun homme ne s'est jamais assis; détachez-le, et amenez-le.

31 Si quelqu'un vous demande: Pourquoi le détachez-vous? vous lui répondrez: Le Seigneur en a besoin.

32 Ceux qui étaient envoyés allèrent, et trouvèrent les choses comme Jésus leur avait dit.

33 Comme ils détachaient l'ânon, ses maîtres leur dirent: Pourquoi détachez-vous l'ânon?

34 Ils répondirent: Le Seigneur en a besoin.

35 Et ils amenèrent à Jésus l'ânon, sur lequel ils jetèrent leurs vêtements, et firent monter Jésus.

- La Paresse
Le Nazaréen a toujours été connu pour son aversion concernant le travail

physique. Il détestait également se laver : ici, le Nazaréen encourage les gens à ne pas se laver :

Matthieu 15 :1-20

1 Alors des pharisiens et des scribes vinrent de Jérusalem auprès de Jésus, et dirent:

2 Pourquoi tes disciples transgressent-ils la tradition des anciens? Car ils ne se lavent pas les mains, quand ils prennent leurs repas.

19 Car c'est du cœur que viennent les mauvaises pensées, les meurtres, les adultères, les impudicités, les vols, les faux témoignages, les calomnies.

20 Voilà les choses qui souillent l'homme; mais manger sans s'être lavé les mains, cela ne souille point l'homme.

Marc 7: 1-9

1 Les pharisiens et quelques scribes, venus de Jérusalem, s'assemblèrent auprès de Jésus.

2 Ils virent quelques-uns de ses disciples prendre leurs repas avec des mains impures, c'est-à-dire, non lavées.

3 Or, les pharisiens et tous les Juifs ne mangent pas sans s'être lavé soigneusement les mains, conformément à la tradition des anciens;

4 Et, quand ils reviennent de la place publique, ils ne mangent qu'après s'être purifiés. Ils ont encore beaucoup d'autres observances traditionnelles, comme le lavage des coupes, des cruches et des vases d'airain.

5 Et les pharisiens et les scribes lui demandèrent: Pourquoi tes disciples ne suivent-ils pas la tradition des anciens, mais prennent-ils leurs repas avec des mains impures?

6 Jésus leur répondit: Hypocrites, Esaïe a bien prophétisé sur vous, ainsi qu'il est écrit: Ce peuple m'honore des lèvres, Mais son Cœur est éloigné de moi.

7 C'est en vain qu'ils m'honorent, en donnant des préceptes qui sont des commandements d'hommes.

8 Vous abandonnez le commandement de Dieu, et vous observez la tradition des hommes.

9 Il leur dit encore: Vous anéantissez fort bien le commandement de Dieu, pour garder votre tradition.

Aussi, la partie dans le désert parle d'elle-même. (Matthieu 4 :1-2)

- La Gloutonnerie

La Gloutonnerie est un désir de consommation excessive. Même si le Nazaréen prêche l'abstinence, il n'avait pas l'intention de s'en priver. Il est sur la défensive lorsqu'il y a des plaintes envers lui et ses disciples, qui sont toujours en train de manger et de boire.

Luc 5:33-35

33 Ils lui dirent: Les disciples de Jean, comme ceux des pharisiens, jeûnent fréquemment et font des prières, tandis que les tiens mangent et boivent.

34 Il leur répondit: Pouvez-vous faire jeûner les amis de l'époux pendant que l'époux est avec eux?

35 Les jours viendront où l'époux leur sera enlevé, alors ils jeûneront en ces jours-là.

Il était connu pour être un glouton et un ivrogne.

Luc 7:34

34 Le Fils de l'homme est venu, mangeant et buvant, et vous dites: C'est un mangeur et un buveur, un ami des publicains et des gens de mauvaise vie.

Le Nazaréen était rempli de colère lorsque ses sources pour un repas gratuit n'étaient pas disponibles. Une fois il a maudit un arbre de figue pour ne pas avoir donné de fruits. L'arbre mourut.

Marc 11:12-14, 20-22

12 Le lendemain, après qu'ils furent sortis de Béthanie, Jésus eut faim.

13 Apercevant de loin un figuier qui avait des feuilles, il alla voir s'il y trouverait quelque chose; et, s'en étant approché, il ne trouva que des feuilles, car ce n'était pas la saison des figues.

14 Prenant alors la parole, il lui dit: Que jamais personne ne mange de ton fruit! Et ses disciples l'entendirent.

20 Le matin, en passant, les disciples virent le figuier séché jusqu'aux racines.

21 Pierre, se rappelant ce qui s'était passé, dit à Jésus: Maître, regarde, le figuier que tu as maudit a séché.

22 Jésus prit la parole, et leur dit: Ayez foi en Dieu.

La Luxure

La Luxure est un désir excessif des plaisirs de la chair.

Le Nazaréen prêchait le célibat pour ses disciples, mais étant hypocrite, il n'écoutait même pas ses propres enseignements. Des hommes* et des femmes lui faisaient des avances sexuelles afin d'obtenir de la nourriture, un refuge, et d'autres besoins.

Luc 8:1-3

1 Ensuite, Jésus allait de ville en ville et de village en village, prêchant et annonçant la bonne nouvelle du royaume de Dieu.

2 Les douze étaient avec lui et quelques femmes qui avaient été guéries d'esprits malins et de maladies: Marie, dite de Magdaleine, de laquelle étaient sortis sept démons.

3 Jeanne, femme de Chuza, intendant d'Hérode, Susanne, et plusieurs autres, qui l'assistaient de leurs biens.

* Il y a des passages effacés dans le gospel de Marc. Le Nazaréen a eu des relations sexuelles avec un de ses disciples, tandis que les autres dormaient dans le jardin avant sa crucifixion.

- Le Nazaréen préconise et encourage le MEURTRE pour des raisons égoïstes:

Luc 19: 27

27 Au reste, amenez ici mes ennemis, qui n'ont pas voulu que je régnasse sur eux, et tuez-les en ma présence.

Le Nazaréen recommande non seulement l'esclavagisme, mais encourage et excuse l'abus des esclaves:

Luc 12: 47

47 Le serviteur qui, ayant connu la volonté de son maître, n'a rien préparé et n'a pas agi selon sa volonté, sera battu d'un grand nombre de coups.

En plus du sermon qui indique que tout ceci va à l'encontre de la nature (artificielle), les actions du Nazaréen parlent d'elles-mêmes et révèlent sa véritable nature- celle d'un hypocrite :

Matthieu 5

1 Voyant la foule, Jésus monta sur la montagne; et, après qu'il se fut assis, ses disciples s'approchèrent de lui.

2 Puis, ayant ouvert la bouche, il les enseigna, et dit:

3 Heureux les pauvres en esprit, car le royaume des cieux est à eux!

Le Nazaréen n'était pas "pauvre en esprit." Il était arrogant, il se croyait supérieur à tout le monde, et ses besoins passaient toujours avant ceux des autres.

Luc 10: 38-42 et Matthieu 10: 37
(voir les extraits ci-dessus)

4 Heureux les affligés, car ils seront consolés!

Matthieu 8:21-22

21 Un autre, d'entre les disciples, lui dit: Seigneur, permets-moi d'aller d'abord ensevelir mon père.

22 Mais Jésus lui répondit: Suis-moi, et laisse les morts ensevelir leurs morts.

5:5 Heureux les débonnaires, car ils hériteront la terre!

Le terme "débonnaire" signifie "humble." Lisez le paragraphe ci-dessus des écritures qui révèlent la fierté du Nazaréen et de son arrogance.

6 Heureux ceux qui ont faim et soif de la justice, car ils seront rassasiés!

Le Nazaréen encourage ouvertement le chaos et l'anarchie. Ces enseignements suicidaires, immoraux et à l'encontre de la vie ont travaillé dans le seul but d'amoindrir et de détruire le système judiciaire, résultant à punir la victime, alors que les criminels sont récompensés et encouragés dans leurs comportements. Le résultat est la chute de la civilisation. Chaque espèce qui échoue à se défendre va s'éteindre. Si le corps humain ignorait les bactéries, les microbes et virus qui l'envahissent, presque tout le monde serait mort en moins d'un jour. Ces enseignements vont à l'encontre de la vie, et sont programmés pour détruire les vies humaines.

Matthieu 5 :38-44

38 Vous avez appris qu'il a été dit: œil pour œil, et dent pour dent.

39 Mais moi, je vous dis de ne pas résister au méchant. Si quelqu'un te frappe sur la joue droite, présente-lui aussi l'autre.

40 Si quelqu'un veut plaider contre toi, et prendre ta tunique, laisse-lui encore ton manteau.

41 Si quelqu'un te force à faire un mille, fais-en deux avec lui.

42 Donne à celui qui te demande, et ne te détourne pas de celui qui veut emprunter de toi.

43 Vous avez appris qu'il a été dit: Tu aimeras ton prochain, et tu haïras ton ennemi.

44 Mais moi, je vous dis: Aimez vos ennemis, bénissez ceux qui vous maudissent, faites du bien à ceux qui vous haïssent, et priez pour ceux qui vous maltraitent et qui vous persécutent.

Matthieu 5 :7

7 Heureux les miséricordieux, car ils obtiendront miséricorde!

Le Nazaréen était tout sauf "charitable." Il condamne et menace les gens.

8 Heureux ceux qui ont le cœur pur, car ils verront Dieu!

Le Nazaréen avait tout, sauf un "cœur pur."

- II MENTAIT:

Jean 5: 31

31 Si c'est moi qui rends témoignage de moi-même, mon témoignage n'est pas vrai.

Le Nazaréen disait à ses disciples qu'ils ne mourraient pas lors de sa deuxième venue :

Matthieu 16: 28

28 Je vous le dis en vérité, quelques-uns de ceux qui sont ici ne mourront point, qu'ils n'aient vu le Fils de l'homme venir dans son règne.

Apocalypse 3:11

11 Je viens bientôt. Retiens ce que tu as, afin que personne ne prenne ta couronne.

- II VOLAIT:

Luc 19: 29-35

Luc 6: 1-5

(voir les extraits ci-dessus)

- II PRECONISE et ENCOURAGE LE MEURTRE sur un simple coup de tête :

Luc 19: 27 (voir les extraits ci-dessus)

- Il était le pire hypocrite qu'on est jamais vu.

Matthieu 5: 19

19 Celui donc qui supprimera l'un de ces plus petits commandements, et qui enseignera aux hommes à faire de même, sera appelé le plus petit dans le royaume des cieux; mais celui qui les observera, et qui enseignera à les observer, celui-là sera appelé grand dans le royaume des cieux.

9 Heureux ceux qui procurent la paix, car ils seront appelés fils de Dieu!

Matthieu 10: 34-36

34 Ne croyez pas que je sois venu apporter la paix sur la terre; je ne suis pas venu apporter la paix, mais l'épée.

35 Car je suis venu mettre la division entre l'homme et son père, entre la fille et sa mère, entre la belle-fille et sa belle-mère;

36 Et l'homme aura pour ennemis les gens de sa maison.

10 Ni sac pour le voyage, ni deux tuniques, ni souliers, ni bâton; car l'ouvrier mérite sa nourriture.

Le Nazaréen condamne la vertu et va à son rencontre – lisez les autres passages sur cette page.

Matthieu 5: 11

11 Heureux serez-vous, lorsqu'on vous outragera, qu'on vous persécutera et qu'on dira faussement de vous toute sorte de mal, à cause de moi.

C'est un exemple évident de la haine que le Nazaréen éprouve envers l'humanité.

- Il prêche même la mutilation :

Matthieu 19: 12

12 Car il y a des eunuques qui le sont dès le ventre de leur mère; il y en a qui le sont devenus par les hommes; et il y en a qui se sont rendus tels eux-mêmes, à cause du royaume des cieux. Que celui qui peut comprendre, comprenne.

Un "eunuque" est un homme castré. L'Église Catholique castrait souvent les jeunes garçons de cœurs pour éviter que leur voix change.

Matthieu 5: 29-30

29 Si ton œil droit est pour toi une occasion de chute, arrache-le et jette-le loin de toi; car il est avantageux pour toi qu'un seul de tes membres périsse, et que ton corps entier ne soit pas jeté dans la géhenne.

30 Et si ta main droite est pour toi une occasion de chute, coupe-la et jette-la loin de toi; car il est avantageux pour toi qu'un seul de tes membres périsse, et que ton corps entier n'aille pas dans la géhenne.

- Le Nazaréen préconise la CRUAUTE ENVERS LES ANIMAUX :

Matthieu 8: 30-32

30 Il y avait loin d'eux un grand troupeau de porcs qui paissaient.

31 Les démons priaient Jésus, disant: Si tu nous chasses, envoie-nous dans ce troupeau de porcs.

32 Il leur dit: Allez! Ils sortirent, et entrèrent dans les porcs. Et voici, tout le troupeau se précipita des pentes escarpées dans la mer, et ils périrent dans les eaux.

Aucun autre individu n'a autant donné d'excuses. Cette entité a enseigné le mensonge pur et simple, à déformé et perverti. Il l'a fait comme si c'était quelque chose de banal, parmi ceux qui se font des illusions, et/ou tout simplement stupides.

Beaucoup soutiennent que cette entité n'a jamais existé et/ou n'est pas importante. Ceux qui maintiennent ces opinions se font autant d'illusions que ceux qui le prennent pour un individu vertueux. Cela n'a pas d'importance que cette entité ait physiquement existé ou non. Les effets que cette créature a eus sur l'humanité a imprégné chaque aspect de la société dans laquelle nous vivons. Il y a des millions et des millions qui vénèrent cette créature et l'encourage à tous les niveaux sans relâche. L'impact de cette entité sur l'humanité est terrible. Presque toutes les guerres ont été menées pour des buts religieux. Des millions et des millions de personnes souffrent de sévères troubles psychologiques et de complexes, ce qui les empêche d'avoir une vie normale et d'être en bonne santé.

La triste liste de crimes envers l'humanité perpétrés à cause de cet individu continue encore et encore.

Cela n'a pas d'importance si cette entité est un mythe ou si elle a physiquement et historiquement existé. Cette créature est une réalité à travers toutes les grandes injustices et les travaux qui nous ont retenu et nous ont empêché d'avancer.

Ceux qui se battent pour la liberté personnelle luttent sans cesse contre les Chrétiens dans les tribunaux, puisqu'ils travaillent avec acharnement afin de priver chaque homme, femme et enfant de leur liberté et de leurs vies.

Les Jésuites

[La Société de Jesus]

Tiré du livre : "L'Histoire Secrète des Jésuites" par Edmond Paris, 1975:

Concernant l'auteur "Edmond Paris":

"En exposant une telle conspiration, il mit sa vie en danger." "Edmond Paris ne m'a jamais connu, mais je l'ai connu sans le rencontrer personnellement lorsque, avec d'autres Jésuites, sous serment et induction, nous avons été informés sur les noms des institutions et des individus en Europe qui étaient dangereux concernant le but du Catholicisme Romain. Son nom nous a été donné." "Les travaux de Edmond Paris sur le Catholicisme Romain a provoqué l'engagement de la part des Jésuites de : 1] le détruire, 2] détruire sa réputation, incluant sa famille et, 3] détruire son œuvre."

*-Dr. Alberto Rivera
[Ex-Prêtre Jésuite]*

Les noms et les visages changent, mais c'est toujours le même programme que le Communisme juif. Le Christianisme est un avant-goût du Communisme. Lorsqu'un programme n'accompli pas sa tâche, un autre est prêt à prendre le contrôle d'une région ou d'un pays. Comme l'ancienne URSS a chuté en 1991, en même temps que les autres pays du "Rideau de Fer," les Chrétiens sont venus s'acharner comme des bêtes sur la population. C'est un cercle vicieux.

"Les Jésuites travaillent secrètement et avec acharnement sur deux objectifs majeurs pour l'Institution Catholique Romaine : 1. "Le pouvoir politique universel" et 2. "Une église universelle en accomplissement avec les prophéties de l'Apocalypse 6, 13, 17 et 18." ¹

Les Jésuites [la Société de Jésus] sont les espions et une équipe d'assassins de l'Eglise Catholique. Les gens qui pensent que c'est une institution "religieuse" ou "spirituelle" se font des illusions. Cela a toujours été politique. C'est un front politique qui fonctionne en contrôlant les gens tout en utilisant de personnages fictifs religieux et des cérémonies qui ont été volées des religions qui précédaient le Catholicisme. La séparation de l'église et de l'état n'a aucune importance pour l'Eglise Catholique, puisque cette séparation travaille sans relâche et impitoyablement pour la domination du monde par tous les moyens possibles. Cette institution a été construite sur les meurtres de masse, la torture, l'extorsion, le crime organisé, les mensonges, et la privation de la véritable spiritualité. Elle a contrôlé les rois, reines, la noblesse, les présidents, les gouvernements, et presque tous ceux qui étaient au pouvoir.

Certains affirment qu'il existe un "Pape Noir." Ceci n'est qu'un mythe ; un mythe pour détourner la responsabilité du Pape Catholique et de son organisation de criminels. En réalité, ils utilisent le concept d'hégélianisme en divisant les deux côtés pour mieux contrôler. C'est un peu comme si une personne nous sermonnait contre l'usage illicite de stupéfiants, et qu'en cachette, cette personne en distribue. Tandis que l'Eglise Catholique affirme ouvertement être une institution religieuse et charitable, elle contrôle et dirige secrètement les

activités criminelles organisées, en travaillant main dans la main avec le Communisme juif.

Les Protestants sont bien trop heureux de condamner les Catholiques et de parler dans leurs dos, puisque les accusations ne donnent pas la nécessité d'expliquer comment de telles actions aussi odieuses peuvent se produire à plusieurs reprises dans les Eglises Catholiques. Bien sûr, nous savons tous que Satan était le bouc émissaire pour ces criminels, puisqu'ils sont beaucoup trop endoctrinés de voir qu'il s'agit de leur propre "dieu" qui les a toujours déçu.

Ignatius de Loyola était le fondateur des Jésuites. La réforme Protestante a blessé sérieusement au contrôle incontesté de l'Eglise Catholique avant qu'il n'arrive sur scène. Il en est arrivé à la conclusion que la seule façon pour l'Eglise Catholique de regagner le pouvoir qu'elle a perdu, était de renforcer les canons et les doctrines sur le pouvoir temporaire du pape, et non pas seulement détruire les vies à travers l'Inquisition, comme le faisait les prêtres Dominicains et les nonnes, mais aussi de s'infiltrer dans chaque domaine de la vie.

"La constitution de la Compagnie de Jésus a été enfin rédigé et approuvé à Rome par Paul III en 1540, et les Jésuites se sont mit à la disposition du Pape, lui promettant une obéissance inconditionnelle." 2

Ignatius était conscient de ça bien plus que n'importe quel autre dirigeant Catholique qui l'a précédé, que la meilleure façon de contrôler un homme était de devenir maître de son esprit. "Nous l'imprégnons de forces spirituelles qu'il aura plus tard beaucoup de mal à éliminer."

"... des forces qui durent bien plus longtemps que les meilleurs principes et doctrines ; ces forces peuvent revenir à nouveau à la surface quelquefois, même plusieurs années sans les avoir mentionnées, et cela devient impératif que l'on se trouve impuissant à s'opposer à n'importe quel obstacle, et l'on doit suivre cette impulsion irrésistible." 3

On doit toujours garder à l'esprit que l'Eglise Catholique possède bien des connaissances ésotériques à leurs dispositions, du fait d'avoir confisqué et enlevé cette connaissance de la population. Les Jésuites ont utilisés cette connaissance au détriment de l'humanité. A l'insu de la plupart, les Jésuites ont infiltrés tous les pays de la terre et en ont expulsés de nombreux. A travers le sacrement Catholique de la confession, les Jésuites ont obtenu le contrôle des Rois et des Reines, des dirigeants et de la noblesse. On leur a même proposés d'importants postes politiques ouvertement. Il ne serait pas surprenant que le chantage soit fréquemment utilisé.

"A chaque fois qu'un pays était infesté de Jésuites, ils ont réussi à prendre le contrôle. Cela a été fait par l'infiltration. Plus tard, les autorités les ont consultés avec des problèmes importants ; et un grand nombre de don commençait à circuler, et bientôt, "ils occupaient toutes les écoles, les chaires de la plupart des églises et les confessionnaires des personnes de haut rang." 4

"Le public est presque inconscient de cette responsabilité énorme portée par le Vatican et ses Jésuites dans le déclenchement des deux guerres mondiales – une situation qui peut s'expliquer d'une part par les finances gigantesques à la

disposition du Vatican et de ses Jésuites, leur donnant le pouvoir dans de nombreux domaines, surtout depuis le dernier conflit.”⁵

“Aucun autre pays n’a souffert autant que la Pologne sous la domination des Jésuites.” “Et dans aucun autre pays à part le Portugal, la société des Jésuites était très puissante.” “Pendant que la Pologne se dirigeait vers la ruine, le nombre d’établissement et d’écoles Jésuites augmentait si rapidement que le Général a fait la Pologne dans une congrégation spéciale en 1751.”⁶

Les enseignements de l’Extrême Orient étaient corrompus avec l’arrivée et l’infestation des Jésuites. Le Jésuite Robert de Nobile s’est installé en Inde afin de convertir la population au Catholicisme. Tout en restant fidèle à la nature d’un Jésuite, il a infiltré la caste des prêtres Brahmin [intéressant toujours les classes dirigeantes]. “Il a adopté les vêtements, les habitudes, et la façon de vivre des Brahmins, il a mélangé leurs rites avec ces des Chrétiens, tous ça avec l’accord du Pape Grégory XV.” Il a convertit plus de 250 000 Hindous.⁷

Et avec ça, il y a de fortes chances pour que les enseignements ridicules du “New Age” avec le lancement du Nazaréen, les enseignements du “karma” et des anges, proviennent de l’infiltration chrétienne.

“En Amérique du Sud, ils ont conquit les indiens qui étaient par la suite forcés de vivre sous un Catholicisme strict. “Les Jésuites les surveillaient...” “... ils punissaient la plus petite erreur... le fouet, le jeûne, la prison, le pilori sur la place public, la pénitence dans l’église : c’était les châtiments qu’ils utilisaient.” “Le coupable devait se vêtir dans les vêtements du repentant, il était escorté jusqu’à l’église où il confessait sa faute. Puis il était battu sur la place public selon le code pénal... les coupables recevaient toujours ce châtiment, pas seulement avec des murmures, mais aussi avec des actions de grâces... Le coupable, après avoir été puni et pardonné, embrassait la main de celui qui le frappait en disant “Puisse Dieu te récompenser pour m’avoir libéré, par cette punition légère, de ce chagrin éternel qui me menaçait.”⁸

“Nous composerons des poèmes; mais puissent nos poètes être des Chrétiens et non pas des disciples des religions Païennes qui invoquent des Muses, les Nymphes des Montagnes, les Nymphes des Mers, Calliope, Apollon, etc. ou d’autres Dieux et Déesses. De plus, si ceux-ci sont mentionnés, cela doit être fait sous forme de caricature, puisque ce sont des démons.”⁹

“L’Eglise Catholique Romaine était le propriétaire le plus riche en Afrique du Nord. Au Mexique, ils avaient des mines d’argent et des raffineries de sucres ; au Paraguay, du thé et des plantations de cacao, des usines de tapis et aussi le contrôle sur les provisions de nourriture puisque l’Eglise possédait le bétail et “exportait 80 000 mulets par an.” “Et pour faire encore plus de profit, ils n’hésitaient pas d’escroquer la trésorerie de l’état, comme on le voit dans l’histoire des boites de chocolats déchargées à Cadix qui étaient remplies de poudres d’or.”¹⁰

Le 07 Janvier 1960 à Rome, il y avait une conférence qui avait pour intention d’apporter une coexistence pacifiste entre les soviétiques et le bloc de l’est et de l’ouest. Aux USA, le Cardinal Spellman [qui a de nombreuses photos dans des magazines et journaux se tenant aux côtés d’importants dirigeants] a encouragé

les Catholiques de montrer ouvertement une hostilité envers Mr Khrushchev lors de sa visite aux USA en tant qu'invité. Le Cardinal Ottaviani, le Secrétaire du Bureau Sacré, a délivré un discours véhément à la basilique de "Saint Marie-Majeure" à l'encontre des Soviétiques et des Pouvoirs de l'Ouest qui étaient impliqués dans le projet de paix.

On peut se demander quels buts servent ces guerres quand une institution telle que l'Eglise Catholique se bat pour dominer le monde. Rien d'autre à part la guerre change la vie, crée des ravages donne un accès facile pour la domination du monde. Les deux côtés du conflit sont aidés et fondés par ceux qui ont l'intention d'établir la domination du monde et la création d'un état esclavagiste. A la fin de la guerre, tous les pays concernés ont des dettes envers les banques internationales, dont la plupart qui appartiennent au Vatican. Cela n'exclut pas les autres qui travaillent pour les objectifs identiques. Toutes les parties concernées s'utilisent l'une contre l'autre afin d'arriver à ses fins, et tout deux se méprisent à cause de l'avidité et cherche un moyen de se détruire. Donc si le but est atteint, le gagnant prend tout. La seule chose qu'ils ont en commun est la vénération du même "Dieu."

Les Dix Commandements

Exode 20

I Tu n'auras pas d'autres dieux devant moi. Tu ne te prosterneras point devant eux, tu ne les serviras point :

Il est évident que le Nazaréen affirme qu'il est "Dieu." Et Jehova dans tout ça ?

Matthieu 4-8

7 Jésus lui dit: Il est aussi écrit: Tu ne tenteras point le Seigneur, ton Dieu. [ici il parle bien de lui-même]

8 Le diable le transporta encore sur une montagne très élevée, lui montra tous les royaumes du monde et leur gloire.

Matthieu 28-18

18 Jésus, s'étant approché, leur parla ainsi: Tout pouvoir m'a été donné dans le ciel et sur la terre

Tite 2-13

13 En attendant la bienheureuse espérance, et la manifestation de la gloire du grand Dieu et de notre Sauveur Jésus-Christ.

Alors maintenant "Jésus" est Dieu ?

Philippiens 2-10

10 Afin qu'au nom de Jésus tout genou fléchisse dans les cieux, sur la terre et sous la terre

II Tu ne prendras point le nom de l'Eternel, ton Dieu, en vain; car l'Eternel ne laissera point impuni celui qui prendra son nom en vain.

Alors quel est le nom de cette entité? Jéhovah ? Yahvé ? Tous deux JHVH et YHVH signifient Je suis ce que Je suis. Lequel ? Shibboleh?

III Souviens-toi du jour du repos, pour le sanctifier.

Luc 6: 1-5

1 Il arriva, un jour de sabbat appelé second-premier, que Jésus traversait des champs de blé. Ses disciples arrachaient des épis et les mangeaient, après les avoir froissés dans leurs mains.

2 Quelques pharisiens leur dirent: Pourquoi faites-vous ce qu'il n'est pas permis de faire pendant le sabbat?

3 Jésus leur répondit: N'avez-vous pas lu ce que fit David, lorsqu'il eut faim, lui et ceux qui étaient avec lui

4 Comment il entra dans la maison de Dieu, prit les pains de proposition, en mangea, et en donna à ceux qui étaient avec lui, bien qu'il ne soit permis qu'aux sacrificateurs de les manger?

5 Et il leur dit: Le Fils de l'homme est maître même du sabbat.

IV Honore Ton Père et Ta Mère

Matthieu 10: 37

37 Celui qui aime son père ou sa mère plus que moi n'est pas digne de moi, et celui qui aime son fils ou sa fille plus que moi n'est pas digne de moi;

Luc 9: 59-62

59 Il dit à un autre: Suis-moi. Et il répondit: Seigneur, permets-moi d'aller d'abord ensevelir mon père.

60 Mais Jésus lui dit: Laisse les morts ensevelir leurs morts; et toi, va annoncer le royaume de Dieu.

61 Un autre dit: Je te suivrai, Seigneur, mais permets-moi d'aller d'abord prendre congé de ceux de ma maison.

62 Jésus lui répondit: Quiconque met la main à la charrue, et regarde en arrière, n'est pas propre au royaume de Dieu.

Matthieu 10: 34-36

34 Ne croyez pas que je sois venu apporter la paix sur la terre; je ne suis pas venu apporter la paix, mais l'épée.

35 Car je suis venu mettre la division entre l'homme et son père, entre la fille et sa mère, entre la belle-fille et sa belle-mère;

36 Et l'homme aura pour ennemis les gens de sa maison.

V Tu ne tueras point

Jehova commet des meurtres:

Exode 23:27

J'enverrai ma terreur devant toi, je mettrai en déroute tous les peuples chez lesquels tu arriveras, et je ferai tourner le dos devant toi à tous tes ennemis.

Jehova ordonne le meurtre de milliers:

Exode 32:27-28

27 Il leur dit: Ainsi parle l'Eternel, le Dieu d'Israël: Que chacun de vous mette son épée au côté; traversez et parcourez le camp d'une porte à l'autre, et que chacun tue son frère, son parent.

28 Les enfants de Lévi firent ce qu'ordonnait Moïse; et environ trois mille hommes parmi le peuple périrent en cette journée.

Jehova ordonne à ses disciples de commettre davantage de meurtres:

Lévitique 26:7-8

7 Vous poursuivrez vos ennemis, et ils tomberont devant vous par l'épée.

8 Cinq d'entre vous en poursuivront cent, et cent d'entre vous en poursuivront dix mille, et vos ennemis tomberont devant vous par l'épée.

Il est plus qu'évident que le "Seigneur" ne pense pas grand-chose du meurtre, ou bien le fait d'ordonner aux autres de commettre des meurtres :

Nombres 1:51

51 Quand le tabernacle partira, les Lévites le démonteront; quand le tabernacle campera, les Lévites le dresseront; et l'étranger qui en approchera sera puni de mort.

Le meurtre est tellement important pour Jehova qu'il doit se répéter:

Nombres 3:10

10 Tu établiras Aaron et ses fils pour qu'ils observent les fonctions de leur sacerdoce; et l'étranger qui approchera sera puni de mort.

Encore davantage de meurtres, en plus de ça, il ordonne de participer à des actes de cannibalisme :

Nombres 21:3

3 L'Eternel entendit la voix d'Israël, et livra les Cananéens. On les dévoua par interdit, eux et leurs villes; et l'on nomma ce lieu Horma.

Nombres 23-24:

24 C'est un peuple qui se lève comme une lionne, Et qui se dresse comme un lion; Il ne se couche point jusqu'à ce qu'il ait dévoré la proie, Et qu'il ait bu le sang des blessés.

Jehova ordonne encore des meurtres de masse :

Nombres 25 :16-17

16 L'Eternel parla à Moïse, et dit:

17 Traite les Madianites en ennemis, et tuez-les;

Nombres 31:7-11

7 Ils s'avancèrent contre Madian, selon l'ordre que l'Eternel avait donné à Moïse; et ils tuèrent tous les mâles.

8 Ils tuèrent les rois de Madian avec tous les autres, Evi, Rékem, Tsur, Hur et Réba, cinq rois de Madian; ils tuèrent aussi par l'épée Balaam, fils de Beor.

9 Les enfants d'Israël firent prisonnières les femmes des Madianites avec leurs petits enfants, et ils pillèrent tout leur bétail, tous leurs troupeaux et toutes leurs richesses.

10 Ils incendièrent toutes les villes qu'ils habitaient et tous leurs enclos.

11 Ils prirent toutes les dépouilles et tout le butin, personnes et bestiaux;

Jehova ordonne encore et encore des meurtres de masse :

Deutéronome 2:20-37

20 Ce pays passait aussi pour un pays de Rephaïm; des Rephaïm y habitaient auparavant, et les Ammonites les appelaient Zamzumim

21 C'était un peuple grand, nombreux et de haute taille, comme les Anakim. L'Eternel les détruisit devant les Ammonites, qui les chassèrent et s'établirent à leur place.

22 C'est ainsi que fit l'Eternel pour les enfants d'Esau qui habitent en Séir, quand il détruisit les Horiens devant eux; ils les chassèrent et s'établirent à leur place, jusqu'à ce jour.

23 Les Avviens, qui habitaient dans des villages jusqu'à Gaza, furent détruits par les Caphtorim, sortis de Caphtor, qui s'établirent à leur place.

30 Mais Sihon, roi de Hesbon, ne voulut point nous laisser passer chez lui; car l'Eternel, ton Dieu, rendit son esprit inflexible et endurcit son coeur, afin de le livrer entre tes mains, comme tu le vois aujourd'hui.

31 L'Eternel me dit: Vois, je te livre dès maintenant Sihon et son pays

32 Sihon sortit à notre rencontre, avec tout son peuple, pour nous combattre à Jahats.

33 L'Eternel, notre Dieu, nous le livra, et nous le battîmes, lui et ses fils, et tout son peuple.

34 Nous prîmes alors toutes ses villes, et nous les dévouâmes par interdit, hommes, femmes et petits enfants, sans en laisser échapper un seul.

35 Seulement, nous pillâmes pour nous le bétail et le butin des villes que nous avons prises.

36 Depuis Aroër sur les bords du torrent de l'Arnon, et la ville qui est dans la vallée, jusqu'à Galaad, il n'y eut pas de ville trop forte pour nous: l'Eternel, notre Dieu, nous livra tout.

37 Mais tu n'approchas point du pays des enfants d'Ammon, de tous les bords du torrent de Jabbok, des villes de la montagne, de tous les lieux que l'Eternel, notre Dieu, t'avait défendu d'attaquer.

Nombres 31 :17-18

17 Maintenant, tuez tout mâle parmi les petits enfants, et tuez toute femme qui a connu un homme en couchant avec lui;

18 Mais laissez en vie pour vous toutes les filles qui n'ont point connu la couche d'un homme.

Tel père, tel fils – extrait du Nazaréen :

Luc 19: 27

27 Au reste, amenez ici mes ennemis, qui n'ont pas voulu que je régnasse sur eux, et tuez-les en ma présence.

Matthieu 10: 34-36

34 Ne croyez pas que je sois venu apporter la paix sur la terre; je ne suis pas venu apporter la paix, mais l'épée.

35 Car je suis venu mettre la division entre l'homme et son père, entre la fille et sa mère, entre la belle-fille et sa belle-mère;

36 Et l'homme aura pour ennemis les gens de sa maison.

VI Tu ne commettras point l'adultère

Exode 22

16 Si un homme séduit une vierge qui n'est point fiancée, et qu'il couche avec elle, il paiera sa dot et la prendra pour femme.

17 Si le père refuse de la lui accorder, il paiera en argent la valeur de la dot des vierges.

2 Samuel 12

11 Ainsi parle l'Eternel: Voici, je vais faire sortir de ta maison le malheur contre

toi, et je vais prendre sous tes yeux tes propres femmes pour les donner à un autre, qui couchera avec elles à la vue de ce soleil.

12 Car tu as agi en secret; et moi, je ferai cela en présence de tout Israël et à la face du soleil.

Luc 8:

3 Jeanne, femme de Chuza, intendant d'Hérode, Susanne, et plusieurs autres, qui l'assistaient de leurs biens.

VII Tu ne voleras point

Jehova ordonne aux Hébreux de voler les Egyptiens:

Exode 3

21 Je ferai même trouver grâce à ce peuple aux yeux des Egyptiens, et quand vous partirez, vous ne partirez point à vide.

22 Chaque femme demandera à sa voisine et à celle qui demeure dans sa maison des vases d'argent, des vases d'or, et des vêtements, que vous mettrez sur vos fils et vos filles. Et vous dépouillerez les Egyptiens.

Jehova vole la terre des Canaanites:

Lévitique 14 :34

34 Lorsque vous serez entrés dans le pays de Canaan, dont je vous donne la possession; si je mets une plaie de lèpre sur une maison du pays que vous posséderez,

Le meurtre et le vol sous les ordres de Jehova:

Nombres 31:

1 L'Eternel parla à Moïse, et dit:

2 Venge les enfants d'Israël sur les Madianites; tu seras ensuite recueilli auprès de ton peuple.

3 Moïse parla au peuple, et dit: Equipez d'entre vous des hommes pour l'armée, et qu'ils marchent contre Madian, afin d'exécuter la vengeance de l'Eternel sur Madian.

4 Vous enverrez à l'armée mille hommes par tribu, de toutes les tribus d'Israël.

5 On leva d'entre les milliers d'Israël mille hommes par tribu, soit douze mille hommes équipés pour l'armée.

6 Moïse envoya à l'armée ces mille hommes par tribu, et avec eux le fils du sacrificateur Eléazar, Phinéas, qui portait les instruments sacrés et les trompettes retentissantes.

7 Ils s'avancèrent contre Madian, selon l'ordre que l'Eternel avait donné à Moïse; et ils tuèrent tous les mâles.

8 Ils tuèrent les rois de Madian avec tous les autres, Evi, Rékem, Tsur, Hur et Réba, cinq rois de Madian; ils tuèrent aussi par l'épée Balaam, fils de Beor.

9 Les enfants d'Israël firent prisonnières les femmes des Madianites avec leurs petits enfants, et ils pillèrent tout leur bétail, tous leurs troupeaux et toutes leurs richesses.

10 Ils incendièrent toutes les villes qu'ils habitaient et tous leurs enclos.

11 Ils prirent toutes les dépouilles et tout le butin, personnes et bestiaux;

Tel père, tels fils :

Luc 19: 29-35

29 Lorsqu'il approcha de Bethphagé et de Béthanie, vers la montagne appelée montagne des oliviers, Jésus envoya deux de ses disciples,

30 En disant: Allez au village qui est en face; quand vous y serez entrés, vous trouverez un ânon attaché, sur lequel aucun homme ne s'est jamais assis; détachez-le, et amenez-le.

31 Si quelqu'un vous demande: Pourquoi le détachez-vous? Vous lui répondrez: Le Seigneur en a besoin.

32 Ceux qui étaient envoyés allèrent, et trouvèrent les choses comme Jésus leur avait dit.

33 Comme ils détachaient l'ânon, ses maîtres leur dirent: Pourquoi détachez-vous l'ânon?

34 Ils répondirent: Le Seigneur en a besoin.

35 Et ils amenèrent à Jésus l'ânon, sur lequel ils jetèrent leurs vêtements, et firent monter Jésus

Luc 6: 1-5

1 Il arriva, un jour de sabbat appelé second-premier, que Jésus traversait des champs de blé. Ses disciples arrachaient des épis et les mangeaient, après les avoir froissés dans leurs mains.

2 Quelques pharisiens leur dirent: Pourquoi faites-vous ce qu'il n'est pas permis de faire pendant le sabbat?

3 Jésus leur répondit: N'avez-vous pas lu ce que fit David, lorsqu'il eut faim, lui et ceux qui étaient avec lui;

4 Comment il entra dans la maison de Dieu, prit les pains de proposition, en mangea, et en donna à ceux qui étaient avec lui, bien qu'il ne soit permis qu'aux sacrificateurs de les manger?

5 Et il leur dit: Le Fils de l'homme est maître même du sabbat.

VIII Tu ne porteras point de faux témoignage contre ton prochain

Il y a des centaines de versets qui prouvent que Jehova est un menteur prolifique. Voici certains de ses mensonges :

Genèse 2

16 L'Eternel Dieu donna cet ordre à l'homme: Tu pourras manger de tous les arbres du jardin;

Adam a vécu pendant 390 années:

Genèse 5 :55 Tous les jours qu'Adam vécut furent de neuf cent trente ans; puis il mourut

IX, X Tu ne convoiteras point la maison de ton prochain; tu ne convoiteras point la femme de ton prochain, ni son serviteur, ni sa servante, ni son bœuf, ni son âne, ni aucune chose qui appartienne à ton prochain.

Dans les nombreux versets, on voit que Jehova n'a aucun respect pour les être humains et leurs possessions. Il a convoité les terres des Canaanites, il a demandé sans cesse, le sacrifice humains et des animaux, et a constamment pillés.

Luc 8

3 Jeanne, femme de Chuza, intendant d'Hérode, Susanne, et plusieurs autres, qui l'assistaient de leurs biens.

Luc 19: 29-35

29 Lorsqu'il approcha de Bethphagé et de Béthanie, vers la montagne appelée montagne des oliviers, Jésus envoya deux de ses disciples,

30 En disant: Allez au village qui est en face; quand vous y serez entrés, vous trouverez un ânon attaché, sur lequel aucun homme ne s'est jamais assis; détachez-le, et amenez-le.

31 Si quelqu'un vous demande: Pourquoi le détachez-vous? Vous lui répondrez: Le Seigneur en a besoin.

32 Ceux qui étaient envoyés allèrent, et trouvèrent les choses comme Jésus leur avait dit.

33 Comme ils détachaient l'ânon, ses maîtres leur dirent: Pourquoi détachez-vous l'ânon?

34 Ils répondirent: Le Seigneur en a besoin.

35 Et ils amenèrent à Jésus l'ânon, sur lequel ils jetèrent leurs vêtements, et firent monter Jésus

LA VERITE SUR LES ANGES

Les entités angéliques semblent suivre le même scénario avec les gens. Connus aussi sous le nom de "Gardiens", leur véritable nature est d'empêcher l'humanité de progresser dans tous les domaines, surtout le domaine de la connaissance spirituelle et du pouvoir. Ils sont comme des gardes dans un camp de concentration. Les Anges sont des extraterrestres qui détestent l'humanité et leur unique but est de garder l'humanité sans pouvoir et spirituellement enchaînée.

Ceux qui n'ont pas la connaissance et recherche des informations concernant l'occultisme, vont souvent avoir des expériences désagréables avec ces créatures [à nouveau, la PEUR est toujours utilisée comme un moyen de contrôle]. D'une façon ou d'une autre, ceux qui n'ont pas la connaissance sont souvent déçus en ayant des expériences avec des anges.

Bien sûr il y a des différences, mais voici ce dont vous pouvez vous attendre – vous verrez si vous lisez les expériences des gens avec les anges :

- L'entité angélique s'impose. La plupart du temps, la créature s'invite d'elle-même et décide par elle-même d'entrer dans l'esprit de la personne.
- L'entité utilise l'amour afin de baisser les défenses de sa victime. C'est fait délibérément et cela cache les véritables intentions de l'entité. La victime [les êtres humains sont émotionnellement vulnérables – combien de fois des erreurs sérieuses ont été faites à la merci de nos émotions] ressent "l'amour" et est convaincu de la bonté de l'entité : plus tard, la victime réalisera qu'elle a été dupée.
- L'entité ne fournit jamais d'explications, ou ne donne jamais à la victime une connaissance précieuse quelconque. La plupart des questions ne sont pas répondues, même si elles le sont, les réponses sont des devinettes ou des absurdités. Les informations données sont soit incorrectes ou incomplètes.
- Souvent, l'entité fera une déclaration afin de soi-disant avertir la victime et/ou l'humanité sur leurs "erreurs" ou "les mauvais choix." La plupart du temps, cela à un rapport avec ce que l'entité juge comme étant une menace pour leur contrôle total, dans la plupart des cas, ils jouent avec l'habileté de la victime à se défendre elle-même ; l'utilisation du pouvoir de l'esprit pour la défense psychique de l'humanité est extrêmement menaçante pour ces prédateurs aliens, puisque leur principal outil de contrôle se fait à travers l'esprit ;

Leur pire crainte serait que l'humanité découvre la vérité et obtienne les mêmes pouvoirs de l'esprit qu'ils possèdent. Ces aliens prêchent une fausse idée "d'amour" et de "paix" afin de désarmer l'humanité et de créer une terre sans défense et sans ressource. Leurs propres convictions à ce sujet est complètement flagrant à travers la bible chrétienne dans laquelle ils apportent

torture, souffrance et mort. Le livre de l'apocalypse/révélation est un exemple parmi tant d'autres.

- L'entité, dans la plupart des cas, vient délivrer des prophéties négatives. Souvent, ces anges prédisent des accidents pour la victime, ou ses proches. L'entité offre ensuite un réconfort hypocrite qui restera avec la victime à travers cette expérience, mais l'entité ne bougera pas le petit doigt pour empêcher cette tragédie.
- L'entité, dans la plupart des cas, comme avec les gens du "new age" qui sont ignorant [en fait, ils ne possèdent pas la connaissance nécessaire], se fait passer pour un guérisseur. Comme d'habitude, aucune connaissance précieuse ou valable n'est donnée, et le guérisseur, aussi bien que le patient restent paralysés et sont impuissant sans l'assistance de l'ange, ce qui les rend esclaves.

J'ai déjà eu affaire à ces entités, et ces anges ne sont pas bienveillants. Ils apportent la mort, la misère et leurs choix de victimes se trouvent être des enfants. Je l'ai déjà vu de nombreuses fois. Les gens qui pratiquent la magie angélique sont soit extrêmement arrogants, où alors leur vie privée fini en un désastre total. Il y avait un homme qui pratiquait ce genre de magie avec les anges, et il a finit par être sévèrement dépressif et il est tombé dans la drogue.

Quand j'étais enfant, ma mère m'a raconté que ses parents ont eu une petite fille, plusieurs années avant sa naissance. Cette petite fille, lorsqu'elle était âgée de 2 ans, [ils étaient chrétiens] disait souvent "ange" "ange." Peu après ça, sa tête à été frappée par une voiture et elle est morte à la suite de complications.

Une femme chrétienne qui attendait un bébé a eu la visite d'un ange. L'ange lui a dit que le bébé serait mort-né. Bien sûr, le bébé était mort-né.

Les anges de l'apocalypse jettent le feu, la peste et autres maladies sur l'humanité.

Les enfants sont la proie des anges, ils prennent leurs âmes afin de l'utiliser pour recevoir l'énergie dont les anges et autres entités aliens se nourrissent.

OOOOOOOOH L'Apocalypse!!!

Comment les Témoins de Jehova ont prédit la "Fin du Monde" depuis plus de 100 ans

Voici un peu d'humour [les Témoins de Jehova]. Des extraits de leurs livres le magazine La Tour de Guet, et Réveillé :

1877 – LA FIN DE CE MONDE... est bien plus proche que ce que la plupart des hommes pensent * tiré du livre : "Trois Mondes et la Moisson de ce Monde" les Témoins de Jehova et les Spéculation prophétiques ; 1877

1889 – Dans des paragraphes ultérieurs, nous présentons la preuve que la création du Royaume de Dieu a déjà commencée... Et que la "bataille du grand jour du Dieu tout puissant [apocalypse 16 :14], qui finira 1914 avec le renversement complet des dirigeants complets de la terre. Cela a déjà commencé. [L'édition de 1915 de ce livre a changé "1914" à "1915."] * Tiré du livre "Le temps est à portée de Main" ; 1889

15 Juillet 1894 – Nous ne voyons pas de raison de changer le future – nous ne pouvons pas non plus le changer si nous le voulions. Mais gardez à l'esprit que la fin de 1914 n'est pas la date d'un commencement, mais pour la fin d'un temps de souffrance

1904 – Le stress de la grande heure de souffrance sera bientôt là, quelque part entre 1910 et 1912 – se finissant à la fin de "L'heure des non-juifs," Octobre 1914. * tiré du livre "La Nouvelle Création" 1904

1^{er} Mai 1914 – Il n'y a absolument aucune raison pour ceux qui étudient la bible de questionner que la réalisation de l'âge de ce gospel est maintenant à notre porte... La grande crise... qui viendra accomplir le paradis ecclésiastique et la terre sociale est très proche. Une Réimpression de la Tour de Guet.

Lorsque rien ne se passa en 1914, ils l'ont changé pour 1918-1925.

Le livre "Le Mystère Terminé" L'Apocalypse devait commencer "au printemps de 1918." Il devait y avoir "une anarchie d'étreinte à travers le monde" à "l'automne de 1920." L'édition de 1917 affirme que l'Apocalypse 11 :13 se réalisera "assez tôt en 1918" ["le tremblement de terre] et "à l'automne de 1920" ["le feu"]. L'édition de 1926 est de nouveau modifiée.

La Tour de Guet – 1^{er} Septembre 1922 : "la date 1925 est vraiment indiqué par les écritures puisqu'elle est fixé par la loi de Dieu à Israël..."

La Tour de Guet – 1^{er} Avril 1923 : "Nous pensons que l'année 1925 est vraiment indiqué par les écritures."

Alors que se passa-t-il lorsque 1925 arriva ?

La Tour de Guet – 1^{er} Janvier 1925 : “Avec de grande expectation, les Chrétiens attendaient cette année avec impatience. Beaucoup attendaient que tous les membres du Christ se transforment en gloire céleste pendant cette année. Ce sera accompli. Cela peut ne pas l’être.”

Que se passa-t-il à la fin de 1925 ??

La Tour de Guet- Septembre 1925 : “Nous nous attendons à ce que Satan essaie d’injecter dans les esprits de ceux qui sont consacrés, l’idée que 1925 verra la fin de ce travail, et donc, il serait inutile pour eux de ne pas faire plus.”

** Soudainement, Satan, et non plus “Dieu” est celui qui prédit.

1930 – “Le point de culmination est proche.”

1931 – “Le Royaume de Dieu a commencé. Son jour de vengeance est ici et L’Apocalypse est proche.”

1933 – “Le témoignage accablant de la prophétie et des faits supportés, montrent que le nettoyage du sanctuaire a été accompli et cela indique que L’Apocalypse est proche.”

1939 – “La bataille du grand jour du Dieu tout puissant est très proche.”

Il y eut 44 autres prédictions ; 42 de la Tour de Guet de Mai 1940- Avril 1943.

1^{er} Septembre 1944 – “L’Apocalypse est très proche.”

1946 – [après la Seconde Guerre Mondiale] “le désastre d’Armageddon...est tout proche.”

1950 – “La marche a commencé ! Où ? Dans les champs de l’Apocalypse pour la guerre du grand jour du Dieu tout puissant.”

1953 – L’Apocalypse est tellement proche, il frappera la génération vivant maintenant..” * Beaucoup de Témoins de Jehova pensaient que l’année 1954 était “l’année.”

1955 – “Il est devenu clair que la guerre de l’Apocalypse est proche d’éclater.”

1958 – “Quand est-ce que l’Apocalypse sera combattue ? Jehova, le grand gardien du temps a prévu l’Apocalypse dans un temps proche. Personne ne connaît la date mais nous savons que ce sera pour bientôt. Comment le savons-nous ? Parce que maintenant que le Christ a jeté le Diable au fond de la terre, il ne lui reste au Diable plus beaucoup de temps, c’est ce qu’on appelle “un temps très court” [Apocalypse 12 :12]

Réveillé ! Octobre 1968 : affirmait que “certaines personnes” ont faussement prédit la fin du monde, et qu’ils n’avaient pas les “conseils de Dieu.”

** Mais maintenant, on peut supposer que ces fausses prophéties n'ont plus lieu d'être :

1971 : Ils ont "toutes les preuves" que Dieu "les guide." Et "que c'est accablant." Désormais, l'Apocalypse arrivera en 1975.

1972 : "Dans l'esprit de la plupart des Témoins de Jehova, il n'y a aucun doute que la date 1975 est correcte."

1976 La Tour de Guet : 15 Mars - "C'est la réconciliation à travers la miséricorde de Dieu avant l'Apocalypse."

22 Septembre - "Un désastre global incomparable dans l'histoire de l'humanité, est très proche."

15 Décembre - "Attendez, la promesse est proche."

1979 la Tour de Guet : 15 Juin - "Le jour du jugement est proche."

15 Octobre - "Ayez du courage, le millénaire est à la portée de main."

1^{er} Novembre - "La neutralité chrétienne tel que la guerre de Dieu approche."

Un psychiatre a remarqué qu'il existe un hôpital psychiatrique qui se rapporte à "La Tour de Guet" puisqu'il est rempli de Témoins de Jehova.

Copie d'une Confession Catholique

Ceci est vraiment pathétique, mais ça donne bien envie de rire. C'est une copie d'une confession Catholique. En dépit de l'humour, si on le lit, il est plus qu'évident que ces gens sont sérieusement MALADES.

Ca va à l'encontre de la vie, et c'est un exemple parfait qui montre comment le "Dieu" alien déteste l'humanité et tout ce qui est humain. Chaque trait humain est représenté ici ; tout ce qui nous rend humain. Ces doctrines vont à l'encontre de la vie. Le qui pire dans tous ça, c'est de voir comment ces dogmes sont enseignés à de pauvres enfants innocents et de voir qu'ils détruisent des vies. Cette "religion" malsaine doit avoir une fin et le plus tôt sera le mieux !

En plus de parler de la nature de nos péchés, nous devons aussi nous souvenir du NOMBRE de fois que nous avons commis ce ou ces péché(s), et de dire également ces CIRCONSTANCES qui va rendre ce péché mortel ou non. Ais-je déjà manqué de confesser un péché sérieux ou l'ai-je déguisé ? Ais-je été coupable d'irrévérence pour ce sacrement en manquant d'examiner ma conscience ?

Ais-je manquer d'effectuer la pénitence qui m'a été donné par le confesseur, ou ais-je désobéis l'une de ses directives ? Ais-je négliger le devoir de Pâques de recevoir la Communion Sacré ou manquer de confesser mes péchés dans l'année ? Ais-je une HABITUDE quelconque de péché sérieux à confesser en premier (impureté, l'ivresse, etc.) ?

Premier Commandement

- Est-ce que j'ignore mon catéchisme ? (Acte de Contrition, le Symbole des Apôtres, les Dix Commandements, les Sept Sacrements, le Notre Père) ?
- Ais-je volontairement douté ou nié les enseignements de l'Eglise (hérésie) ?
- Ais-je pris part dans une activité non-catholique ?
- Suis-je membre d'une société secrète ou non-catholique ?
- Ais-je lu un ouvrage de littérature non-catholique ?
- Ais-je pratiqué certaines superstitions (horoscopes, les diseuses de bonnes aventures, etc.) ?

Second Commandement

- Ais-je profané le nom de Dieu ?
- Me suis-je plaint à propos de Dieu (blasphème) ?
- Ais-je calomnié les prêtres ou autres qui sont consacrés à Dieu ?
- Ais-je juré devant Dieu (en prêtant serment) sur un coup de tête ?
- Ais-je respecté mes serments ?

Troisième Commandement

- Ais-je manqué la Messe le Dimanche à travers ma propre faute ?
- Ais-je fait preuve de négligence en ayant été en retard à la Messe ?
- Ais-je été inattentif à la Messe où n'ais-je eu aucun respect pour le Sacrement le plus sacré ?
- Ais-je fait un travail servile non nécessaire (labeur physique) ou ais-je fais des achats le Dimanche ?

Quatrième Commandement

- Ais-je été irrespectueux envers mes parents ou est-ce que je les ai négligés ?
- Ais-je été obéissant envers les figures d'autorité ?
- Est-ce que je traite mal ma femme ou mes enfants ? Ais-je été désobéissante ou irrespectueuse envers mon mari ?

Concernant mes enfants :

- Ais-je négligé leurs besoins matériels ? Ais-je pris en considération leur Baptême ou leur propre instruction religieuse ?
- Est-ce que je les ai autorisés à négliger leurs devoirs religieux ?
- Ais-je négligé de les discipliner ?
- Ais-je donné un mauvais exemple ? Ais-je interféré avec leur liberté de se marier ou de suivre une vocation religieuse ?

Cinquième et Huitième Commandements

- Me suis-je disputé avec quelqu'un ?
- Ais-je injurié quelqu'un ou souhaiter du mal à une personne ?
- Ais-je pris plaisir dans le malheur des autres ?
- Y-a-t-il quelqu'un à qui je refuse de parler ou de me réconcilier ?
- Ais-je mentis à propos de quelqu'un (calomnie) ?
- Ais-je répandu des commérages (détraction) ?
- Ais-je jugé quelqu'un d'un sérieux péché ?
- Ais-je écouté ces commérages concernant mon prochain ?
- Ais-je été jaloux ou envieux de quelqu'un ?

Sixième et Neuvième Commandements

- Ais-je refusé à mon époux/épouse ses droits de mariages ?
- Ais-je utilisé un moyen de contraception ?
- Ais-je abusé de mes droits de mariage de quelque manière que ce soit ?
- Ais-je commis l'adultère ou la fornication ?

- Ais-je touché ou serrer dans mes bras un autre personne de façon impure ?
- Ais-je commis un péché avec des personnes du même sexe ?
- Me suis-je masturbé ou ais-je péché d'une façon impure avec moi-même ?
- Ais-je eu des désirs sexuels envers quelqu'un ?
- Me suis-je autorisé à avoir des pensées impures ?
- Est-ce que je m'habille avec modestie ?
- Ais-je fait quelque chose pour provoquer ou occasionner des pensées impures envers mon prochain ?
- Ais-je lu des ouvrages de littérature indécent ou regarder des images indécentes ?
- Ais-je regardé des films qui suggèrent quelque chose ?
- Ais-je permis à mes enfants ou à des autres de faire ces choses ?
- Ais-je utilisé un langage indécent ou raconté des histoires indécentes ?
- Ais-je volontairement écouté ces histoires ?
- Me suis-je vanté de mes péchés ?
- Ais-je péché envers la chasteté de quelque façon que ce soit ?

Septième et Dixième Commandements

- Ais-je volé ?
- Ais-je endommagé la propriété de quelqu'un par ma faute ?
- Ais-je trompé ou escroqué quelqu'un ?
- Ais-je refusé ou négligé de payer mes dettes ?
- Ais-je négligé mes devoirs ou ais-je été paresseux dans mon travail ?
- Ais-je refusé d'aider quelqu'un dans l'urgente nécessité ?
- Ais-je oublier de restituer quelque chose à quelqu'un ?

AUTRES PECHES

- Ais-je consciemment poussé quelqu'un à commettre un péché ?
- Ais-je participé dans les péchés des autres ?
- Ais-je commis le péché de glotonnerie ?
- Ais-je été ivre ?
- Ais-je utilisé des substances illicites ?
- Ais-je été motivé par l'avarice ?
- Ais-je commis le péché de la vanité ?
- Ais-je reçu la Communion Sacré ou un autre sacrement en ayant commis un péché mortel ?
- Y-a-t-il un autre péché que je dois confesser ?

Ici nous avons un exemple évident de messages subliminaux utilisés dans les Médias qui nous amène tout droit vers le 11 Septembre : La plupart des gens sont conscients que les Juifs contrôlent Hollywood et les médias.

[QUOI? ...Hollywood a prédit le 11 Septembre??? \[Youtube video\]](#)

La vidéo ci-dessus [en anglais] est une preuve que les fameuses "prophéties" dans la Bible ne sont rien d'autre que des canulars. La Bible n'est pas le "Livre de Dieu" mais un livre de Juifs, qu'ils utilisent afin de mettre en œuvre leurs malédictions. La plupart datent de plusieurs siècles. Il suffit juste d'avoir un peu de connaissance concernant le fonctionnement des pouvoirs de l'esprit et de la sorcellerie pour le voir, et pour pouvoir le comprendre. Se Libérer du Christianisme

Est-ce que les termes "peur" "honte" et "péché" ont été utilisés pour vous manipuler ?

Etes-vous assez fort pour reconnaître qu'on vous a menti ?

Etes-vous prêt à admettre que vous avez été une victime et que vous avez besoin d'aide ?

Voici les différentes étapes de contrôle du Christianisme dans la vie des gens :

- Se préoccuper sans cesse des études bibliques
- Lecture excessive de la bible, ou de présence à l'église
- Se référer aux prières bibliques afin d'éviter la vie et/ou les problèmes
- Avoir des pensées captivantes ou compulsives à propos des extraits bibliques

La liste ci-dessous est l'étape de la perte de contrôle.

- Présence excessive à l'église ou la citation d'extraits bibliques
- Prières obsessionnelles, faire du prosélytisme régulièrement
- Contribution financière excessive
- Dépendre du "Seigneur"
- Sentiments de culpabilité si vous oubliez d'assister à l'église
- Refuser de penser, de douter ou de questionner les enseignements Chrétiens ou l'autorité
- L'incapacité de parler raisonnablement des questions religieuses
- Présence à l'église, la prière, et les activités religieuses commencent à interférer avec le travail ou l'école
- Sentiments d'impuissance
- Prêcher que le sexe est mauvais et sale
- Sentiments de honte envers la nudité, de votre corps ou de celui des autres
- Sentiments d'aversion ou de ressentiment envers les autres qui ont des croyances différentes
- Communion, de longues missions religieuses
- Le masque souriant – c'est un stade avancé du Christianisme où les sentiments sont réprimés et un sourire artificiel est porté tous les jours. C'est un exemple évident de déni à l'extrême
- Pas d'ouverture d'esprit
- Sentiments de faible estime de soi, de culpabilité, de haine envers soi-même et de honte
- Jeûne excessif
- Faire du prosélytisme sur le lieu de travail = perte de l'emploi
- Isolation, rupture des relations
- Regarder uniquement des programmes religieux à la TV
- Éviter les activités séculières (divertissement, éducation)
- L'incapacité de se voir attribuer le mérite pour des accomplissements – on dit que c'est "le Seigneur"

- Ne prendre aucune responsabilité, compter sur "le Seigneur" pour contrôler votre vie
- Appels au secours ; dépression mentale, émotionnelle et physique = hospitalisation

Si vous vous reconnaissez dans cette liste d'éléments (un ou plus), alors il y a un sérieux problème. Afin de savoir si quelque chose est bon ou mauvais, on doit lui en donner le pouvoir. C'est ce qui se produit avec le Christianisme. A la fin, il n'y a plus d'identité personnelle La victime reste dans sa coquille et laisse quelque chose prendre le dessus. Si vous en êtes arrivé jusque là, il n'est pas trop tard pour vous en sortir.

Tous les canulars, mensonges et arnaques ont UN SEUL point commun – et c'est le MANQUE DE CONNAISSANCE. Une fois que l'on SAIT, on ne peut plus être envahit de mensonges et de désillusions. Des milliards de dollars, des meurtres et par dessus tout, des MENSONGES et la PEUR ont été utilisés afin de nous éloigner de notre Véritable Créateur. Ceux qui ont le contrôle ont profités des fruits de leurs mensonges depuis des siècles et souhaitent garder ce pouvoir aux dépens de l'ignorance des humains et de leurs misères. Notre Véritable Créateur, Satan, nous donne la connaissance pour que nous puissions nous élever au-dessus de celui d'un animal. Le faux dieu et ses cohortes aliens nous observent et veulent nous asservir. Satan prend soin de sa création humaine et souhaite nous aider. Le plus grand pas à faire est de surmonter votre peur et de faire des recherches et d'apprendre. Une fois que vous avez la connaissance, le Christianisme et ses faux enseignements ne seront plus une menace.

Combien de personnes devront être massacrées?

Combien de pays et de villes devront être détruits ?

Combien encore de notre ancien passé devons-nous perdre afin de perpétuer le MENSONGE du Christianisme ?

A travers les âges, après l'apparence du judaïsme et du Christianisme, chaque tentative a été faite, depuis le meurtre en masse jusqu'à la destruction de ville entières, de librairies anciennes, et de centres d'apprentissage, et le génocide de peuples entier afin de forcer un mensonge écoeurant pour détruire la vérité.

Celui qui est connu sous le nom du "Diable" est le Créateur de l'Humanité ! Et *non pas* le "Dieu" judéo-chrétien.

Cliquez sur l'image ci-dessus pour voir la preuve ! (voir l'article ci-dessous)

En Train De Détruire Notre Passé

La plupart d'entre nous ici savent que le Christianisme est un canular, mais jusqu'à quel point, ça, c'est autre chose. C'est un canular de proportions catastrophiques. Une étude de Peintures Médiévales révèle un appel au secours. De nombreux artistes de cette époque ont laissés des messages dans leurs tableaux. Il y a certaines peintures – relatant toutes de la religion chrétienne (l'artiste n'avait pas le choix, car l'église avait le contrôle, et toutes les peintures devaient avoir des thèmes chrétiens, sinon l'artiste était inculpé "d'hérésie" ce qui voulait dire la torture, puis la mort) qui révèlent des soucoupes volantes au-dessus du Nazaréen et d'autres signes qui démontraient que cette sale religion était un canular et les gens le savaient, mais ils étaient sévèrement opprimés. Des nuages gris obscurcissant le Soleil dans le tableau "L'Appel des premiers Apôtres" par Domenico Ghirlandaio, en 1481, montre une atmosphère sombre qui indique une triste occasion, et veut dire beaucoup. La toile de Carlo Crivelli, l'Annonciation en 1486 révèle clairement un OVNI volant au-dessus de la vierge et faisant rayonner un flot de lumière dans sa tête. Beaucoup d'artistes faisaient allusions à des soucoupes volantes, en dessinant des nuages biconvexes dans le ciel. La Cène, peinture célèbre de Leonard da Vinci, représente les apôtres du Nazaréen en quatre groupes de trois, indiquant les signes du zodiaque et qu'il savait que le christianisme était un canular. D'autres tableaux de cette époque ont des messages cachés concernant le canular du Christianisme, si on prend le soin de l'étudier.

Il y avait plusieurs rapports, dont j'ai inséré le lien avec le détail à la fin de cette page, de l'institution de Smithsonian, déversant des barges rempli d'anciens d'artefacts dans l'Océan Atlantique. Certains d'entre eux étaient originaires d'Egypte et ont été trouvés aux USA. Tout ce qui entre en conflit avec le Christianisme fait l'objet d'un examen minutieux. Depuis que les juifs, les chrétiens et les musulmans affirment que la terre est vieille d'environ 6000 ans, il y a toujours eu un conflit en encourageant ce mensonge.

N'importe qui avec même une moitié de cervelle sait qu'il n'y a pas "d'Armes de Destruction Massives" en Irak. En dépit de centaines de protestations à travers le monde contre l'invasion, George W. Bush encourageait sans cesse l'attaque de l'Irak. Bien sûr, ça plait aux USA et à Israël d'avoir toutes les armes de destructions massives entre leurs mains sans aucun obstacle extérieur. Nous savons tous que Mr. Bush est un Chrétien "à nouveau né."

La véritable raison derrière tous ça semble nous mener jusqu'à la destruction d'importantes reliques anciennes et de documents qui *prouvent* que le judaïsme et le Christianisme sont des mensonges. Saddam Hussein pensait être la réincarnation de Nebuchadnezzar. Avec cette conviction, il a dépensé environ 500 millions de dollars durant la tentative de reconstruction de l'Ancienne Babylone dans les années 80, le capitole Nebuchadnezzar. Plus de 60 millions de briques ont été créés pour remplacer les murs de Babylone avec gravé dessus "Pour le Roi Nebuchadnezzar dans le règne de Saddam Hussein." ¹

Il y avait de nombreux temples anciens et des reliques enterrées en dessous du sable de l'Irak qui prouvaient les origines de l'Humanité. Nous ne savons pas s'ils

sont toujours là. Les GI Américain et Britanniques ont eu l'autorisation d détruire et de piller tout ce qu'ils voulaient du Musée de l'Irak.

Saddam Hussein travaillait aussi sur la reconstitution de la bibliothèque de l'Ancienne Ashurbanipal qui est connu comme étant la plus ancienne bibliothèque du monde. Les textes y figurant, datent d'avant le déluge. Au milieu du XIXème siècle, Des archéologues britanniques ont retrouvés à Nineveh environs 25000 tablettes cunéiformes assemblées par le Roi Ashurbanipal. Ces tablettes sont presque toutes au British Museum.

En Avril 2002, les archéologues irakiens ont demandé au British Museum s'ils acceptaient un moulage des tablettes. Pourtant, de nombreuses copies ont été faites par le passe de certaines d'entre elles, ce serait la première fois qu'un nombre significatif de tablette soit disponibles comme copies.

Le projet de reconstruction de la bibliothèque à Nineveh aurait eu des copies de toutes les tablettes du British Museum et elle devait être un centre pour les recherches et une attraction touristique. A côté de la bibliothèque, il devait y avoir un centre pour étude cunéiforme. Des plans ont été construits pour fouiller l'une des ailes du Palace du Roi Ashurbanipal au Mont Kuyunjik. Ils espéraient que des milliers de tablettes seraient retrouvées.

Il y a environ 10 000 sites archéologiques éparpillés à travers l'Irak et la plupart d'entre eux n'ont jamais été touché. D'après les archéologues, des voleurs se sont introduits dans le Musée Irakien de nombreuses fois et ont volés des artefacts Sumérien (Cela s'est produit avec la guerre aussi). Des bijoux en or très coûteux et des ornements ont été laissés. En réalité, ils recherchaient les anciennes tablettes cunéiformes.

Des travailleurs humanitaires des Nations Unies et des diplomates étrangers ont été accusés par le gouvernement Irakien d'avoir dérobés ces artefacts en dehors du pays. Durant l'été de l'année 2002, un propriétaire Irakien nettoyait un appartement inoccupé de Bagdad, qui était loué par un diplomate étranger. Le propriétaire a trouvé deux cartons de fragments archéologiques. Le gouvernement Irakien n'a jamais nommé le diplomate ou son pays.

"Saddam sait que si on communique la preuve que le judaïsme et le Christianisme ne sont que des copies ou des dérivées des anciennes religions Sumériennes, cela pourrait avoir un effet dévastateur pour les affaires globales."
2

" Lorsque George W. Bush était devant le Monument de Washington en Janvier 2001, durant son inauguration, il a emprunté une image surprenante du passé. En parlant de l'Amérique, il a dit deux fois : Et un ange dirige les orages et tourbillons."

A travers le temps, après l'apparition du judaïsme et du Christianisme, des meurtres en masse ont eu lieu, ainsi que la destruction de villes entières et le génocide de civilisations entières afin de perpétuer ce mensonge. Le "Diable" est le Créateur de l'Humanité, et *non pas* le "Dieu" judéo-chrétien.

Certaines informations citées ci-dessus proviennent du livre :

¹ "Le Voile des Illuminati" par William Henry, 2003. L'auteur a de nombreuses informations intéressantes si on sait lire entre les lignes, mais il se fait des illusions concernant le Nazaréen. Tel que nous le savons, le Nazaréen est fictif. En ce qui concerne la vierge, cette entité a été volée d'Astaroth, qui elle, a été banni.

Vous trouverez ci-dessous des liens concernant les dissimulations archéologiques :

"Smithsonian à un moment donné, pris une barge pleine d'artefacts inhabituels, et les a balancés dans l'Océan Atlantique."

"L'historien et le linguiste Carl Hart, éditeur du WORLD EXPLORER, a obtenu une carte d'un randonneur pour le Grand Canyon d'une librairie à Chicago. En regardant la carte, nous étions surpris de constater que beaucoup de ces régions sur le côté Nord du Grand Canyon ont des noms Egyptiens. Concernant la Ninety-four Mile Creek et Trinity Creek ont des noms tels que la Tour de Set, la Tour de Ra, le Temple d'Horus, le Temple d'Osiris, et le Temple d'Isis. Dans la région du Canyon Hanté, il y avait des noms comme les Pyramides de Khéops, le Cloître de Bouddha, le Temple de Manu, et le Temple de Shiva. Y avait-il un lien entre ces endroits et les supposées découvertes Egyptiennes dans le Grand Canyon ?"

"Le Smithsonian"

"L'article de 1909 affirme clairement que le Smithsonian est impliqué dans la recherche et la fouille de ce site. Pourtant, le Smithsonian a nié toute implication. Ce qui nous amène à une plus grande question, si c'était une histoire vraie, pourquoi le Smithsonian a caché ce qui serait considéré comme les découvertes archéologiques les plus grandes du XXème siècle ? Croyez-le ou non, ce n'est pas la première fois que des informations concernant des découvertes qui ne sont pas conforme aux dogmes à propos de l'histoire de l'Amérique se perdent."

Leadership, Race, and the Good that Comes from Evil

By High Priest Hooded Cobra 666

Sun Oct 01, 2017 5:00 am

In the universe, everything is decided by races. Races is not the 'racist construct' that Talmudic Scholars in many Universities are teaching. Which is the official line of the Talmud on what to teach the Goyim slaves who debate if they should naturally flock with their own kind, as nature intends.

These people who teach these things, with rare exceptions, know all too-well is the most well-founded proofs of reality, which they always re-affirm in their Bar Mitzvah, which is their racial jewishness. To where they belong...But tell others to not do it because this power should only be allowed to themselves and not their prey.

Notice we have Reptilians, Greys, Nordics, and who knows what other races in this universe, according to what researches on the subject show. There are many more species as well around. Now race, is not some mere crap that we invented.

It's the genus of a species, what it has evolved into, what it really is. Let's see race differently, as the biological manifestation of the karma of a species. This is the product of what effort before, has created today. When we see Aliens, we can understand this better. This is how distant our perception from our world has become.

We can realize the truth when we look at nature or at physics, but when we look at ourselves, we disregard this. This is because of massive brainwashing.

Greys have the karma of a slave, and that is what they are to do. Other races have power to be free, others use this power to remain neutral, others to wage war. Others are caught in the middle of the wars of others, and other species like cats or dogs are largely irrelevant to this whole thing, as they reside under the influence of species well beyond their conception even, which are even above mankind. The list goes on. This should help us get the picture.

The aliens out there simply understand this truth. That while your ideology, your beliefs, or whatever of this nature can change, your biological reality does not change based on thought, or even time. You die in the same race you are born. This is the case even if one decides to annihilate themselves through race mixing and remove their blueprint from this world.

Therefore, Race is understood as the first construct in which beings should band together, or try to organize around. It's like the most basic and fundamental. This is nature's intention, and from the lowest germ to the highest species, this applies. Even germs of a same type flock together.

Greys are slaves because they were made slaves, or because they transformed into this, or because their direction was exactly to become slaves by their creators. The more refined the members, the better everything goes for a civilization.

The more this refinement process fails and beings revert back to the level of a germ, the more they run the risk of being over-ruled by other species, destroyed, or enslaved. Rarely there is mercy involved and help to grow other species, and that would be the case only for a race that is too far away to be destroyed by little us. This is how we have cats and dogs, without them posing any significant harm to us. We love them and help them.

There are super rare cases like our Gods, where we are treated in a humane manner and helped to advance. Of course, the inferiority of present day humanity, cannot really grasp this unless for a few people. The rest are blasphemous, ignorant, and just take the words of the jews as universal fact. The rule of the monkeys applies to these people who act that way, in that the inferior can never understand the superior.

The same goes for higher people in the world who help others in need, only to get spat upon in the end. In order for such a relation to work properly, the species receiving help has to actually be in the level of understanding the magnitude of what this means, and maintain respect and have the seed of evolution in it. In other words, it must share something with the first species, and the only difference between the two can be time.

This is why the Gods still have children on this planet and they haven't forsaken us completely, at least, those who lay their ears, respect, admiration, and understanding to them. There are still specimen here who can sink these concepts in and advance, because they share something from our initial creators. Humanity hasn't been completely beastified yet, into beasts of the field, but the corruptive influences on the planet try to make this the case for the majority, to sink these other better types in.

However, when there are species in a similar level, they can compete. In other words, the greys and other species, compete with us. This means they are not so highly superior, but neither they are 'inferior' to the 'average' human. Actually, they are way way more advanced than the average human in many ways. But they are still threatened by us.

The greys stand as a paradigm as to what will happen to those who aren't capable to do this refinement and fall into the wrong hands. This universe has infinite possibilities in that regard. Somehow, somewhere, some life is developing now unsatched.

Nobody should claim they know everything as they simply do not. Of course, somewhere else now, there is strict domination of some paranoid species where a lower species is getting butchered.

You can see this now in this alien-run, reptilian authored, planet earth. Species that are under risk of extinction are being mercilessly butchered because some jewish madams in Israel want to wear their particular fur, for example.

In the same way the madam from Israel wants furs, and will slay a species that is closing to extinction, so will other species look up at humanity as a resource. And this is already happening in more than one ways.

Hitler tried to warn humanity about these dangers, before it was too late. For those who have looked on deeper into the Thule society and other things, they know that the purpose of Hitler wasn't 'for this

world'. Hitler didn't care for the oil, the rare metals, the flesh, or the shekels, and all the other things that motivate the primitive brains of people today, let alone 'personal motivations'.

Hitler had a specific mission to try to give an example to all people on the planet to start racially developing. Which is normal and this message came from Satan, lest we get overrun by the garbage of the universe that wants to enslave us. In the cycle of Aquarius, this would be the most important thing and it would decide our faith as individual races and species.

People who do not comply with this development, end up as slaves in this universe.

Right now on this world, all the different 'karmas', destinies, gifts and curses that all races have, are trying to be melt into the small melting pot of earth. If one raises many stores above to watch the situation, it's blatant an alien force tries to overtake the planet. And unify everyone into 'one', in a massive, tech dominated 'leadership'. This is already the case in many parts of the world. This way, it will only have 'one' species to control, and control will be easier. Things are now frequently getting 'out of hand'.

Everytime people awaken to a spiritual meaning, intellectually, or even racially, the powers of the world are mobilized against them.

The bad news is that this 'unification' process is now going full foward. The good news is that through this process, the members of the world at the same time realize we are different, and that we have different destinies to pursue. Also, if we fail to go after these different destinies, the whole globe will be enslaved.

One example in the above is Europe. The Europeans, thanks to Chrisitanity which is a jewish invention, were killing each other for approximately 1500 centuries. Think how long this is if you think your little 'life' is anything lengthy. Crimes and death happened everyday in the hundreds. From these wars, the jews in the courts were increasing their financial power, until today.

Now, when all people of European descent are heading towards extermination and the gulags together, they understand that everything before was without a reason. It took 15 centuries to understand, but now, everyone gets it. There are some shallow brains that still try to maintain these mini-games so they can feel a rush from it, but unfortunately, the future will not allow any further such behavior. This will be mercilessly crushed under necessity..

The same goes for other continents such as Africa. Africa is divided by Islam and Christianity, both jewish programs. As a result it has unending civil warfare and constant murder, pestillence, and other problems. Africans are slowly coming together out of this process. Unfortunately the enemy turns this 'togetherness' of theirs against their own enemies, but this may be evened out in the future.

The jews want the Africans fighting against Whites, not building up Africa. If that were the case, the jews would have to conjure more control over the region and so forth. It's would be bad for them. Africa attempted to bomb Israel out of the map just 45 years ago because some people figured them out.

Where the (((Unification))) process will be done, the cattle below, of whatever nature, and hopefully retarded enough, will be unable to react or form properly any resistance against those at the top. And this is how you make an enslaved planet for your own taking, beings made into resources.

Unification has nothing to do with 'love' and 'values'. This is how they deceive these stupid species on the below. There is no love in literally annihilating your enemy to never exist, through race mixing them. This is pure hatred.

If the powers that be actually did care for those below, they would tell them what is best for them and make their existence better. Now, their existence is purposefully made worse. They create excuses on to why this is the case, but when they serve an alien agenda that has a very specific pattern (they may not know this), "Mistakes" and other things such as destroying the planet, advancing nuclear tech, and doing anything else abomination for life is to be expected.

The system of the world is in anyway focused on the tranquilization and torture of the people in the levels below. And this is what many stupidly call the "Illuminati" and by many other names to cover up for their master and inventor of their 'muh illuminatiy' theories.

But in fact, one needs to look no further than the global 'famous' religions and who they worship. They are a race, and they are called the Jews. They are actually the proxy from which the alien forces act on this planet.

Others say Satan has the world into his hands...If Satan has had the world in his hands, we would now have kingdoms and be going for universal conquest. People would have been healthy and spiritually aware. We are currently not able to imagine the conditions as simply our mind and even our dreams are drastically limited by the projection of Satan's enemies right now.

For now, teenagers die in the streets by heroin overdose, while everything decays so some disgusting entities can rule over the end result of this endless decay. And people make plans on how they will become a better cesspool to be ruled by those at the top, while thinking they are free.

This is the world of Jesus, This is Mohammed, and this is the world of the jews, their servants, and their masters. A world where there are many people on it, but there is nothing that resembles people anymore in it. A bleeding cesspool of excrement without a future, without an aim.

A world where everyone thinks they are someone and entitled, but they are squashed like an ant into only being a useless data number in facebook, a global interface for the billions of goyim to be monitored into a reptilian database so the members of the world are registered. Later, they will add some biometrics to it. They must have the information of your eyelids, your fingerprint, what you like, what you dislike...

Otherwise how can they rule the world below? By a heart they do not possess, or by insight that lacks them completely?

Satan wouldn't want buy this world for a dime, or even if it was given to him for free. Some also say that Satan wants to buy their souls, but is their soul even worth a dime?

Lenin's Tactics

by Teloc Vovim 666

The Jews use the same tactics over and over, all to accomplish the same goal - to turn the Gentile people into slaves. Lenin and his Jewish terror tactics are similar to incidents happening right now around the world.

“The Lenin revolution was destined to happen in countries not where capitalism was most advanced but in countries like Russia that were considerably underdeveloped economically, led by well disciplined revolutionaries prepared to go to extremes. Creating a dictatorship of the proletariat and transforming the “the imperialist war” into a civil war. “

Proletariat defined as – “Workers or working-class people, regarded collectively” (often used with reference to Marxism)

Lenin wrote to Aleksandr Shlyapnikov “The essence of our work, which must be persistent, systematic, and perhaps extremely long term, is to aim for the transformation of the war into a civil war. When that will happen is another question, as it is not yet clear. We must wait for the moment to ripen, and systematically force it to ripen. We can neither promise civil war nor decree it, but we must work toward that end for as long as we have to.”

Lenin kept at it that the Bolsheviks had to be ready to encourage civil war by all possible means. Lenin while in exile sent many letters to the central committee of the Bolshevik party, encouraging an “uprising” to begin.

Bolshevik leaders encouraged spontaneous acts of violence and disruptive influence of social movements. October 10th Lenin returned to Petrograd and convinced the Bolshevik party to undertake an armed uprising. They seized power, but soon met with opposition and turned to terror and violence to keep control.

Proclamation made on November 13th - High ranking functionaries in state administration, bank's, treasury, the railways, and the post are sabotaging the measures of the Bolshevik government. They will be know as the enemies of the people. All their names will be printed and put up in public places. Anyone suspected of sabotage, speculation, and or opportunism is liable to be arrested immediately as enemies of the people and transferred to the Kronstadt prisons. Courts of the old regime were replaced with new “people's courts.”

Violence and looting were widespread, many people were arrested, and Lenin described terror as justice. When the Bolsheviks took over great agricultural properties that had been attacked by angry peasants and the landowners massacred - allowing Bolsheviks to seize initiative and take more control. Many atrocities were committed to keep power, executions even though were considered “legal” would make no difference, the Bolsheviks would do anything to “maintain order.” The atrocities committed by the Bolsheviks in the Ukraine,

the Kuban, the Don region, and the Crimea in 1918 against people who opposed them were as such. Binding their hands and feet and throwing them into a blast furnace, others tied up, tortured and thrown in the sea, precise files from the Denikin commission records corpses with their hands cut off, broken bones, heads ripped off, broken jaws, and genitals removed.

Nothing improved in the lives of the Russian peoples under Bolshevik control, food was scarce, and the economy was doing poorly. The Bolsheviks knew their days were numbered...

“The smallholders of people who owned only a parcel of land, fought side by side with the proletariat when the time came to overthrow the capitalists and the major landowners. But now our paths have diverged. Smallholders have always been afraid of discipline and organization. The time has come for us to have no mercy, and to turn against them” - Lenin

Trotsky - *“Our only choice now is civil war. Civil war is the struggle for bread.. Long live civil war!”*
(Will soon be the cry for equality)

Alcoholism, brutality to their subordinates and self advancement all became results for “devotion to the cause.” They shut down all non-Bolshevik newspapers. Similar Jewish tactic they are still using except instead of anything against the Bolsheviks, they’re shutting down anything that is deemed anti-Semitic.

You only need a small number of people to turn a whole situation around, the Bolsheviks knew. They were right ! We Satanists can turn everything around. We have the power and the potential to change the world. We are making an impact, so don’t give up. Keep meditating, and keep your aura of protection strong and make sure to participate in all the reverse torah rituals.

Lenin Statue Where Is The Media Outrage

▣ Thu Aug 17, 2017 10:48 pm

HP Mageson666

Note the Masonic banner in the background..... Any surprise. The command lodge of Free Masonry is the Jewish b'nai brith lodge. The Communist revolution came out of the Free Mason lodges across Europe which is why they were banned in Germany in the Third Empire. Which was nearly taken over by Jewish led Communist terrorism. Something to consider historians have noted that eight percent of the German population was killed in the second war. Thirty percent of the German population would have been killed if the Communists had of been successful in taking Germany over in the previous decades with their armed assaults like the Spartacist revolution, led by Jews.

With all the crying over statues of the American Civil war [fought over secessionism not slavery, Lincoln even stated such at the start of the war and promised slave owners they could keep their slaves] not a surprise within the realm of the Jewish run toilet of the lame stream media no one is talking about the statue of their fellow Hebrew tribe master Lenin in Seattle. Which was brought over from the USSR after its collapse and placed in the city.

Lenin was a Jew who's first order after violently overthrowing the elected Russian

government and its parties with murder and political terrorism. Was the Anti-Semitism act which involved the death penalty for anyone even suspected of anti-Semitism. This was to protect the Communism leaders from being exposed as crypto Jews. And to silence any uprising against the Jews when the people find out the truth its a Jewish criminal movement against them. Which happened in Hungary, Poland and Germany. Ten million Russian's were brutally murdered by Lenin under his orders. His violent actions also includes unprovoked military invasions of other nations under his orders. Lenin order his Red Army to attack and murder its way thought Poland to create the "Red Bridge" to invade Germany though. After that Europe would have fallen.

Also no surprise how the Hebrews who pimp the fake news are not mentioning the entire slave trade was run by Jews. And that Jews used their money power to create political lobbies to pass laws in the governments to ensure that Jews would maintain a total monopoly on the slave trade. And that Rabbi Marx even wrote letters supporting the slave trade of his fellow Hebrews. So much for his claims to want to liberate anything. The core principal of Communist ideology is owning property is the cause of all the social problems and oppression. So no one should own anything.....So to end this you need to hand all your property, rights, media and political control..... Over to a small band of (((individuals))) who just happened to be fellow Hebrews of Marx, so they can OWN EVERYTHING and that includes you in a totalitarian government. Which cancels out the entire premise of Marxism. This some how is freedom. Rabbi Marx tries to explain this hypocrisy away by claiming that after enshrining a political class with the power of god over you. They will somehow just magically fade away and the government ownership will end..... Of course he could never explain how.... BECAUSE he was lying Jew, duh. Ani't no shame in the Hebrew game.

Lenin: Jewish Terrorist
by: Teloc Vovim 666

"To keep you is no benefit; to destroy you is no loss"

In communist (Jewish) rule, you are not even a number. You are nothing. It makes no difference to the Jews how many people they kill, (As made clear in their Torah and Talmud) You can look at any communist rule and all the people they tortured and slaughtered, and straight from their own mouths, they let you know you are nothing and killing a "mere" thousand or so people is nothing.

Quote from the Jewish Talmud: Sanhedrin 59a: "Murdering Goyim is like killing a wild animal."

"If for the sake of communism it is necessary for us to destroy 9/10ths of the population, we must not hesitate."

1921 – Vladimir Lenin (Jew)

The Kulaks were the middle-class Gentile people of the Ukraine who owned land and had a decent standard of living. The Jewish Communist system set them up for systematic extermination, using the most brutal methods, as they were a threat, as they owned property. Kulak children were left with nothing more than their underwear and in some cases, this was even taken from them and they were left to either starve or freeze to death, whichever got to them first.

Quote from the Jewish Talmud: Schulchan Aruch, Choszen Hamiszpat 348:
"All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples."

Not only did Lenin give orders to murder as many people as possible, he also unleashed mass terror upon the people. "Introduce mass terror, shootings or deporting hundreds, and immediate execution for anyone caught in possession of a firearm" - Lenin August 9th, 1918 in response to the peasant protest. Also

anyone caught “spreading rumors” will be arrested and sent to a concentration camp. Anyone with different political interests were put in jail or executed and they shut down any newspapers that didn’t have Bolshevik interest at hand.

Lenin in a telegram to the central executive committee of Penza soviet: “The Kulak uprising in your five districts must be crushed without pity. The interests of the whole revolution demand such actions, for the final struggle with the kulaks has now begun. You must make an example of these people. Hang (I mean hang publicly, so people see it) Publish their names, Seize all their grain, Single out hostages per my instructions yesterday’s telegram. Do all this so that for miles around people see it all, understand it, tremble, and tell themselves that we are killing the bloodthirsty kulaks and that we will continue to do so.” [1]

August 9th 1918 Lenin sent a telegram to the executive committee of the province of Penza instructing them to intern Kulaks, priests, white guards, and other doubtful elements in a concentration camp. They also started taking hostages. The Cheka was actively and openly utilizing kidnapping methods and with it was able to extinguish numerous people especially among the rural population. Villages were also bombarded to complete annihilation.

As in a previous post Lenin wanted a civil war. Civil wars had their own laws, civil war had no written laws - Martin Latsis August 23 1918. They wanted a civil war because then they could initiate mass terror as a “just cause.” (Just as they are trying to initiate a civil war in America) Bolshevik leaders wished to liquidate their “oppressors” not on an individual basis, but as a class. The Bolsheviks imprisoned people in concentration camps, and the numbers steadily increased. From 16,000 in May 1919 to more than 70,000 in September 1921. *estimated amounts, not all camps accounted for.

Lenin’s tactics seem so familiar...Seems we could draw many parallels to similar events happening now.

Exposing the Jewish Criminal - Leon Trotsky

-by Teloc Vovim

Leon Trotsky's family was of Jewish origin, and his original name was Laibe Bronstein. This Jew was known for his viciousness and sadistic love of executions. His sister Olga was a bolshevik and soviet politician, who married Lev Kamenev (Jew) a soviet politician, and one of the first seven members of the Politburo. Along with Lenin (Jew), Zinoviev (Jew), Kamenev (Jew), Stalin (Jew), Sokolnikov (Jew) and Bubnov, and Trotsky represented as a full member between 1917 and 1926. Trotsky met and married Aleksandra Sokolovskaya (1872–1938), a fellow Marxist, the wedding ceremony was performed by a Jewish chaplain.

In 1902-1903 after his escape from Siberia, he moved to London to join Georgi Plekhanov, Vladimir Lenin (Jew), Julius Martov (Jew) and other editors of *Iskra* (a political Russian newspaper).

In 1904 -1907 Trotsky began developing his theory of permanent revolution, which led to a close working relationship with Alexander Parvus (Jew) . He was also an international subversive and Bolshevik politician and was funded by Jacob Schiff (Jew) and Max Warburg (Jew). Trotsky was the preferred candidate for the international Jewish bankers. Trotsky, Parvus, and other Jewish accomplices including Jewish Bolshevik Leonid Krasin (really Goldgelb), organized and coordinated bank-robberies, mutinies on 12 warships including the Potemkin (June 1905) , revolts in Kronstadt, Sevastopol and other places, they murdered policemen and bought weapons to destabilise Russia prior to Jewish seizure.

In Vienna after being exiled (Trotsky was exiled multiple times) and escaping, Trotsky became close to Adolph Joffe (Jew), his friend for the next 20 years, who

introduced him to psychoanalysis. Also long before the war he was an agent of the tsarist secret police in Vienna, reporting on Russian Jews who had deserted from the Russian armed forces.

While in New York Trotsky was known as an ultra-radical writer he wrote gall-dripping articles for the local Russian language socialist newspaper, *Novy Mir*, and the Yiddish-language daily, *Der Forverts (The Jewish Daily Forward)*, in translation.

1917-1918 Trotsky became the People's Commissar (almost all the commissars were jewish) for Foreign Affairs and published the secret treaties previously signed by the Triple Entente that detailed plans for post-war reallocation of colonies and redrawing state borders.

On March 13th, 1918, Trotsky's resignation as Commissar for Foreign Affairs was officially accepted and he was appointed People's Commissar of Army and Navy Affairs, in place of Podvoisky – and chairman of the Supreme Military Council. The post of commander-in-chief was abolished, and Trotsky gained full control of the Red Army, responsible only to the Communist Party leadership. He has been known as the founder of the Red Army.

It was said they did not mind holding talks with the Germans as a means of exposing German imperial ambitions (territorial gains, reparations, etc.) in the hope of accelerating the hoped for Soviet revolution in the West, but they were dead set against signing any peace treaty. In case of a German ultimatum, they advocated proclaiming a revolutionary war against Germany. (More proof that the Jews were the ones to first advocate war with Germany)

August 17th, 1918, the Bolsheviks instructed Felix Dzerzhinsky (Former chairman of the Cheka and Chief of the GPU) to commence a Red Terror, announced in September 1, 1918 issue of the *Krasnaya Gazeta (Red Gazette)*. Regarding the Red Terror Trotsky wrote:

“ The bourgeoisie today is a falling class... We are forced to tear it off, to chop it away. The Red Terror is a weapon utilized against a class, doomed to destruction, which does not wish to perish. If the White Terror can only retard the historical rise of the proletariat, the Red Terror hastens the destruction of the bourgeoisie. “

He had also written, ”As for us, we were never concerned with the Kantian-priestly and vegetarian-Quaker prattle about the "sacredness of human life". We were revolutionaries in opposition, and have remained revolutionaries in power. To make the individual sacred, we must destroy the social order which crucifies him. And that problem can only be solved by blood and iron. The man who recognizes the revolutionary historic importance of the very fact of the existence of the Soviet system must also sanction the Red Terror.”

1921 Trotsky's actions as Commissar for War for his role in the suppression of the rebellion, and that he ordered unjustified incarcerations and executions of political opponents. As well in 1921, messengers representing starving European peasants asked Trotsky for help. He said this, “*You are Starving? This is not famine yet, when your women start eating their children then you may come and say we are starving.*” (Which did happen)

Trotsky played a role in the Holodomor (See link below) which was the forced Genocide against ethnic Europeans by famine. Trotsky also noted for using the word “racism” in 1927 to disable constructive debate and place the enemy on the defensive. Deemed racism as loving your race and called it backwards for opposing a global communist dictatorship.

<https://groups.yahoo.com/neo/groups/JoyofSatan666/conversations/messages/138736>

Trotsky also had a criminal role in the Red Holocaust against Russians and other gentiles. The **Red Holocaust** is a term used to describe the collective crimes carried out by the ideologues and functionaries of international communism. The campaigns of Red Terror and genocide against the nations of the world, consist of numerous different Holocausts, in different locations, with specific characteristics. Some of the best known large scale manifestations of this are the Holodomor of Joseph Stalin, Lazar Kaganovich, the Great Chinese Famine of Mao and the Killing Fields of Pol Pot. According to a work by Harvard University, there had been at least 100 million victims by the turn of the century, though direct atrocities continue up to this day in parts of the world.

"We must turn Russia into a desert populated by white negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing tyranny, not a right-wing tyranny. It will be a red tyranny and not a white one. We mean the word `red' literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution's funeral, and we shall become a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence." - Trotsky

Leon Trotsky; Mass Murder, responsible for torture, mass unsanctioned executions and genocide but still, there is the **Leon Trotsky House Museum**, which is a museum honoring Leon Trotsky, located in Mexico City. Just like the Vladimir Lenin statue in Seattle Washington (see link below) honoring and praising Jewish murderers, essentially praising and welcoming your destroyers.

"What's mine is mine -- and what's yours is mine, too!" That is the communistic jewish attitude, that everything should belong to the jews and the Gentiles are only meant to serve the jews. Which the jews today are still trying to enslave all the gentile people.

Let the Jihad Begin!!

Well, since Aryans and Europeans did the mistake of buying into the Jewish lies, cultural Marxist, Christian Doctrines and all sorts of other gibberish like the "Bad Hitler" story, then, now there are consequences. Which pretty much boil down to the most dangerous times in history for the White Race, this evil Race that has given people from spirituality, to elevated cultures, to money, to education, to shelter and anything else. Of course, the Jew applauds at this stupidity and enjoys the murder taking place. People are dying and others are drinking their emotionally Jewish egalitarian Kool Aid, as their teenage daughters get raped on their way to school.

Somehow, if Whites talk about themselves (just doing what every other Race is allowed to do and is supposed to do) we are evil, egoistical, devils and the list goes. Let alone defend ourselves. Others of course have the rights to complain over their "emotions" and somehow, everyone must shut up. Don't you dare insult the kikes, or there will be issues. Or the Blacks, or the peaceful people of the Middle East who are in fact destroying even their own people, or the Jihadist horde coming into Europe. Because "Muh Emotions" that's why. And because "Muh Holocaust". Well "Muh Emotionz" and "Muh Hollycoz" or "Muh Egalitarian Kool Aid" or "Christianity Injection" can no longer tame what is going to come.

"Muh emotionz say all people must die because I feel like it, thanks to jooz who gave me a purpose to live". "Muh emotions say I kill you with a machete, beat muh woman senseless, cut her clitoris, rape kidz and evil Westerners. Then I take da loot. Muh emotions and muhstar says is good! I muz do then!"

Kill, Murder, Rape and Enslave Whites and all is fine? Well, its not fine. We are not going to let this happen. We have done our best to now allow it to come to any Gentile Race, and we have been betrayed by almost all others in their entirety, even in the Ages of being invisibly enslaved and parasized for the jews, we have tried and tried again. Most people who are living a decent life they have followed this prototype we have freely given, no matter the forcible attacks of the jews against us. Of course, the jew knows where all this ends. And its not with them being victorious...Its with them losing everything they have. The jew will lose as he has been revealed and this train is off the rails going to the cliffs for them.

After all, thats what the Immigruntz are bringing in and its their "culture" which we somehow have to respect and admire. We somehow have to also be thankful and accept all this. Rape has become common place, Diseases that have been eradicated for centuries are returning, Xianity is doing its part in stupefying the masses, the states are in economic decline and aside anything else, endless Race Mixing.

Don't hurt the poor brownies. They want to kill you with a machete and take your head, take over your lands by their "Islam" and place the psychopathic jew as conqueror of the planet. You must stay there and enjoy the trip. Others are rotting in jails of questioning the "Holo-Holey Loopholey Gas Potter Chamber of Secrets", facing fines and brutality just because they open their mouth, these people are just roaming the streets freely calling the next intifada which pretty much means the death of all Europeans, Americans and anyone else...But that's okay, the kikes approve.

At least, this is how the things want to go for the jews. Of course, we have to soft soap anything. The Brownz are in our Townz, raping goats and cows, women and beating people senseless or murdering in the streets, but all that matters is if one is coined with the term "Razist" (Made by a Bolshevik Jew to undo all opposition), or if they hurt the feelings of anything that is brown. You somehow are compelled by universal decree to get your pants down, get raped and accept another modern Inquisition, as well as the jewish advances. Somehow you have to die over jewish invented ideas and the feelings of others.

Leviathan And The Jewish World Order

Leviathan And The Jewish World Order

The Rabbi's state the Torah is Kabala. This is repeated many times in Jewish writings.

In Hinduism the oldest religion on earth. Of which much of the Jewish Kabala has come from. Even the six pointed star which was stolen from the Star of Visnu. Shiva is called Kabala Iswara in Hinduism. Kabala actually means coiled in its original Sanskrit origin. The serpent power. Hence Shiva is Kabala [Serpent] Iswara [Lord]. This gets into the fact prana the life force is shown as the serpent in Hinduism. Kabala is the science of how prana or energy works and manifests the universe in Hinduism. Its the science of the structure of the universe.

In Hinduism there is a specific science the Brahmin's their Hindu Priests know, that of Prana Prakriti this relates to the creation of energy forms in the astral. Its the science of

creating a literal god form. How to create the mandala's and mantra's to empower and access the god form and how to install this energy into talisman's, statues of the deity and other objects which are connected into the god form and bring it though into the material realm from the astral to manifest. This includes letters which are charged for such.

This is the source of understanding Jewish Kabala. The Jews have created a god form with this science which is why the Rabbi's in their kabala state that their god serves them. In Judaism the Torah is called god and is connected to the Aleph letter in Kabala which adds to 26 in its gematria. The Jews place the Torah into an ark at the end of each Synagogue service. In the Pagan and such still in the Hindu world the energetically installed image of the god is placed into such an ark. They have these from ancient Egypt still in museums. This also relates to the Ark of the Covenant in their Torah it has the Ten Commandments placed with it. Which related to the number Ten the Yod letter is the banner and power of Yahweh in the Torah. The Rod of Moses which is openly shown to be the Jewish god from which they call Leviathan, the serpent upon a rod which Moses uses to defeat the Pharaoh the symbol of the Gentile power. With the power of the Jewish god form. The Torah has 613 laws which form it. These add to Ten which in kabala is the meaning of this number. Its the Torah.

The Jews use the Ark of their Convent against their Gentile enemies to conqueror the Goyim nations in battle and destroy them. The ark also brings sickness and other curses upon the Gentile People. This is an allegory for their Torah. The Greek Kings and Roman Leaders who were adepts in Iso Sophia the Western Kabala which came from the east. Banned the Jews from reading the Torah and had their Torah scrolls burned. As they had laws against this kind of black magic. They knew what it did.

The Torah is as the Kabala and Talmud and Rabbi's refer to it as. A god form the Jews created to serve them. The real Torah is as the Rabbi's state, their god. Which is this energy form they created. The Torah is one long Hebrew mantra to create the harmonic algorithm in the astral their god form and the Jewish rituals are done to infuse this with power. The Hebrew letters are also charged to connect the two of these the god form and the physical Torah. Which is why in the Kabbalistic symbol of the Aleph letter it shows two Yod's between a Vav. Which they state connects the Jew and their God. Or God and Torah. As the Yod in Kabala is the letter that manifests energy that all the other Hebrew letters animate from. The 22 letters are the names of the Hebrew god as they form the Torah that is the mantra of their god form. This all animates out of the Yod. Which is why the Yod letter is shown as their Leviathan. Their god form. In the Talmud and Kabala they use the symbol of the full manifestation of their occult working of bringing their god form into material existence thus the global empire promised to them in the Torah. As the Leviathan encircling and destroying all the Gentiles nations and people of the world. They call this their Messiah. In kabala the 42 names of god are Hebrew mantra's to bring this into being.

The Talmud and Torah both state the name of their god is the 72 names. The 72 names

relate to the symbol of the Leviathan which is divided into four quarters of 18 sub categories. That relate to the decan's of the Zodiac of which their are 72 fully in Kabala. It also relates to the five elements. this is the science of Prana Prakriti in Hinduism which in this level is called the Purusha. The kabala letters relate to the zodiac signs, planets and elements.

The 72 names are used in specific formula's that relate to the specific elemental, planetary and astral energies they relate to within their combinations on the body of Leviathan. Their god form. Leviathan is shown as the serpent in Kabala because the serpent is the symbol of prana, energy and its science of how it manifests the universe. In Hinduism the entire universe is calledl a mantra and given AUM which divides into the different letters and their combinations which have elemental and planetary, astrological properties and its shown as the serpent. This is where the Jews stole this from.

This is the secret behind the Golem a servitor or animated god form the Rabbi's make to serve them. Its bought to life with the 22 Hebrew letters and the YHVH inscribed upon a parchment placed with it. Its a symbol of their god form the Torah. The Jews state their god serves them. YHVH is the letters of the four quarters the 72 names are divided into.

"According to one story, to make a golem come alive, one would shape it out of soil, and then walk or dance around it saying combination of letters from the alphabet and the secret name of God. To "kill" the golem, its creators would walk in the opposite direction saying and making the order of the words backwards."

Here the Jews admit the way to stop their magic is reverse Torah readings. They probably put that in there as a warning to their Rabbi's to undo out of control thought forms they created. But its still connected to their massive working of Jewish magic their big thought form, YHVH. Same principal.

The Kabbalistic texts called Adam a Golem. The Adam Kadmon, which is of Adam in their Torah. In the Jewish Kabala is sum total of the 72 names and how they work. Note Jesus is called the Adam in their Bible a Golem thought form.

The top level Rabbi's like Laitman who are Kabbalistic adepts openly mention how the Jews will have talismans and pendants with different names of the 72 on them to manifest what they want in life. As the are charged talismans and connected to the god form of the Jews. This why the Jews call their god Hashem which they state means "The Name" Hashem is the short form of Hashemporash the 72 names. All Rabbi's who are 40 years old are given the knowledge of the 72. 40 is a Kabbalistic number of their Messiah.

Yashua [Jesus] is called the Jewish Messiah. Yashua is the name of the Messianic leader Yashua [Joshua] in the Torah that conquered and exterminated the Gentile nations to create Israel the Jewish Empire. Jesus is also descended from King David the warrior Messiah who exterminated entire nations of Gentiles and created the Jewish Empire. The Bible ends in the book of Revelations which is given the Kabbalistic number of 22 chapters and is designed to connect to the Torah in the book of Daniel that prophesizes

the coming Jewish global empire and Messianic war that will bring this. Revelations ends with the Messianic war which destroys the entire Gentile world. And which the Jewish Messiah rules the entire world from Zion with 144,000 Jews who represent the 12 tribes of Israel. 144,000 is a Kabbalistic number for Leviathan and Jesus is the chief cornerstone of the 144,000. In Kabbalistic terms that means Jesus is the head of the Leviathan.

Jesus openly compares and thus calls himself the Leviathan in the gospel of John. The serpent of Moses. Which in kabala is the symbol of Leviathan.

Jesus is a form of Kabbalistic magic to manifest the Jewish World Order though. The Gentiles under Christianity have become servants of the Jews. Acting as physical and spiritual cattle for the Jews to harvest in building their Global Kingdom. This is why Christianity is based on the criminalization of spiritual knowledge and power for Gentiles to remove this from the Gentiles and leave them victims of its weaponization against them by the Jews.

Note the Jewish YHVH adds to 26 then is further added into eight. Eight is the Chet letter and in Hindu and Kabala this letter is the soul the energy of life. Their god is also the collective soul of the Jewish People which their god form is connected with as the Covenant. It relates to their word for life Chai. The reversing Torah Rituals is their Achilles heel.

Leviathan: The Jewish Kundalini Serpent, Also Known As Jesus Christ

-by High Priest Jake Carlson

One time, in the Satanic Gay Community e-group, I was making a point about a deluded author on "Luciferianism" and his at-the-time approach of treating Satan-Lucifer and his Demons as if they are non-existent and/or nothing more than different aspects of the human unconscious, or the right side of the brain. Out of spite, a flaming Jew-sympathizer replied by saying that the author I am referring to obviously "hasn't met Leviathan face-to-face." It is well-known that those of us at the Joy of Satan Ministries have never met a Demon named "Leviathan." The reason is because Leviathan is an allegory for the Jewish version of the kundalini serpent, and not a real Demon. The person who claimed to have met "Leviathan" was deluded, and they sympathized with the Jewish people in some of their other posts. They might as well have been Jewish, themselves, as they would be nowhere near the first Jews who have tried to infiltrate the Joy of Satan and related e-groups. These maggots can only hide their Jewish identity for a limited time.

As to be expected, the Aryan soul of Anton LaVey, the founder of the Church of Satan, was incarnated into a Jewish family in order to get his books published that would bring Satan's name into the mainstream, but the physical Jewishness of LaVey led to him making mistakes. Although, LaVey did popularize the inverted pentagram, the Baphomet, he made the Jewish mistake of putting the Hebrew letters that spell "Leviathan" around the Baphomet, which, in fact, BIND Satan and exalt his enemies, the Jewish people, along with the Jewish thought-forms of Jehovah-Yahweh and Jesus Christ. I'm sorry to spoil anyone's fun, but this is the reality of it. Reality is not politically correct, nor will it bend and mold to suit one's wishful thinking outside of one's own imagination.

Everyone has a kundalini serpent, and each race has a collective kundalini serpent, and this includes the Jewish people. However, as noted in the Jewish Talmud and Jewish Kabbalah, the Zohar, the Jews and the White Aryan Race are of a completely DIFFERENT species -- a set of different species with different creators who totally oppose each other.

The Aryan race comes directly from the Nordic-Aryan God, Enki-Samael/Satan, who is of the Nordic race of extra-terrestrials. The Jewish people come from the reptilian race of extra-terrestrials, who have been at war with the Nordic Gods, Satan and his Demons, since time immemorial. In the Jewish literature that is approved for the Gentiles to read, the Christian Bible boasts about Jehovah-Yahweh's reptilian nature. While Jehovah-Yahweh isn't real, the reptilian creators of the Jewish people are real, and Jehovah-Yahweh and his worthless Jewish son, Jesus Christ, and his vile, rotten "Holy Spirit," are subliminal examples of the

mind-hive nature of the alien reptilians and the alien greys who are under the reptilian command.

Leviathan has been considered to be an allegorical sea-dragon [reptilian] of chaos. Here are some Bible quotes that refer to the Jewish god's reptilian nature:

"There went up a smoke out of [Jehovah-Yahweh's] nostrils, and fire out of his mouth devoured: coals were kindled by it" (2 Samuel 22:9).

"And mount Sinai was altogether on a smoke, because the LORD descended upon it in fire: and the smoke thereof ascended as the smoke of a furnace, and the whole mount quaked greatly" (Exodus 19:18).

"By the blast of God they perish, and by the breath of his nostrils are they consumed" (Job 4:9).

"By the blast of your nostrils the waters piled up. The surging waters stood up like a wall; the deep waters congealed in the heart of the sea" (Exodus 15:8).

"He will not escape the darkness; a flame will wither his shoots, and the breath of God's mouth will carry him away" (Job 15:30).

"Topheth has long been prepared; it has been made ready for the king. Its fire pit has been made deep and wide, with an abundance of fire and wood; the breath of the LORD, like a stream of burning sulfur, sets it ablaze" (Isaiah 30:33).

"The valleys of the sea were exposed and the foundations of the earth laid bare at your rebuke, O LORD, at the blast of breath from your nostrils" (Psalm 18:15).

"And then the lawless one will be revealed, whom the Lord Jesus will overthrow with the breath of his mouth and destroy by the splendor of his coming" (2 Thessalonians 2:8).

The goal of the Jews is to annihilate the White Aryan Race through race-mixing, which is a Jewish-invented program of genocide [no different from Christianity and its Communist cousin], and then to keep the politically correct, race-less, soul-less group of human cattle who no longer have any identity as their slaves:

"That they all may be one; as thou Father art in me, and I in thee, that they also may be one in us..." -- Jesus Christ (John 17:21)

In the same way as the Jewish Leviathan, the fictional Jewish character of Yeshua/Jesus Christ is an allegory for the Jewish version of the serpentine kundalini force that keeps all Jews, regardless of any differences, bound together in a mind hive. However, while Satan, himself is real, and his symbolism represents the serpentine kundalini force of the White Aryan Race, what Jehovah-Yahweh, Jesus Christ, and Leviathan also represent, is the reptilian nature of the creators of the Jewish people.

What not too many people realize is that the Christian and Muslim religions are Judaism -- Judaism that has been approved by the Jewish people for the White Race to "consume." With that being said, although Christ's Jewish identity doesn't go away, "he" is so ubiquitous that "he" can be anything to anyone at any moment. This Jewish maggot museum hanging from a cross has also been known to put on an Aryan mask to cater to racially-alert Christians in order to keep them under "his" spell, thus keeping them in line and no longer any kind of threat to the Jewish agenda.

In a photo of a Jewish greeting card that shows planet Earth being encircled by a giant snake, the Jewish goal behind their One World slave state is being depicted. The Jewish One World slave state is the ultimate goal of Judaism and Christianity. Even organic Christianity from the Right wing is Judaism. The kicking and screaming over this fact from people who sympathize with Christianity as long as it is from the Right, doesn't change anything, and has only proven to be counter-productive.

[Regarding the Jewish greeting card], "The objective is a Kingdom of the Jews, literally a Jewish Utopia, in which the Jews, as their own Messiah, will reign over the nations [Gentiles]. Thus, the Holy Serpent [Yeshua/Jesus Christ] is their conquering hero. The rabbis call him Leviathan, the piercing serpent." [1]

"The Kabbalah emphasizes the supremacy of Leviathan the Serpent who rises from the depths...to conquer all. Within his protection, the Nation, or House, of Israel will eventually ascend and become god-men and rulers of planet earth and lords over the Gentiles." [2]

"Epstein reports that the scene of Holy Leviathan enclosing cities with his gigantic, circular frame was embroidered on some Sabbath and Synagogue covers. Moreover, "The Leviathan as a fish encircling a city was painted in the dome of Gwodziec Synagogue in the year 1840."

"Epstein quotes the famed rabbi, Ibn Ezra, as teaching to the Righteous Jews that, "Serpents stand as servants to do your will." This is clearly also the reason why the Talmud says that, "On the Sabbath, serpents may be charmed." In other words, the holy day of Sabbath is an

acceptable time when Jews can summon a serpent and, through magic and craft, cause the reptile to do one's bidding."

[Regarding the Jewish reptile Leviathan], "He is destined, the rabbis disclose to the initiates, to incarnate the body and mind of the Christ-Messiah to come." [3]

The serpentine symbolism of the White Aryan Race has been confused with literal reptiles when in reality, the actual reptilian race are the progenitors of the Jewish people, who are the enemies of Satan and his Demons. The Jewish "snake-charmers" are in communication with their reptilian creators. When and if the Jews ever have any dealings with the METAPHORICAL "serpents" -- the Nordic Gods, it is only to curse and bind them. This Jewish practice was extended to the Christian practice that teaches the White Race to turn against our own Creator and blaspheme and defame him.

As far as Christ-Leviathan goes, if "he" were real, he would be of an exclusively Jewish-reptilian nature, which is why even the Jews who pretend to be out to "destroy" Christianity, refer to Jesus Christ, or Christos, as the "Holy One of Israel." The Jews have absolutely no problem whatsoever with "Lord Christ." What troubles the Jews is the Pagan elements that Christianity has inevitably assimilated in its quest to survive at all costs. There is nothing original about the Christos lie, as Christos was stolen, not from Pagan Gods as real, physical beings, but a Pagan CONCEPT which is told in the Pagan myths and legends that was transformed into a Jewish god-man for the Gentiles to worship and hand their damned souls over to, while he is a Jewish political leader for the Jewish people, whose mission is to join the Jews of the world together to rule over a race-less, sex-less slave state of bar-coded, micro-chipped, soul-less Gentile slaves, whose former White Aryan Race was forfeited because they couldn't let go of Christianity on time, and they have forfeited their White Aryan Race through race-mixing. Christianity is just as deadly to the mind, body, and soul as race-mixing is deadly to the physical body and the spiritual body of both the individual, and the collective White Aryan Soul. Christianity in ANY and all forms is just as destructive as race-mixing, and vice versa!

Satan has brought it to my attention that he desires for Satanists to not only recognize him as a literally real, physical and spiritual being, and to STOP cursing and blaspheming him by using the Jewish reptilian name for Yeshua/Jesus Christ around the Baphomet that was popularized by the Church of Satan. Anton LaVey was a rare occurrence, in that he was not actually Jewish. He was an Aryan soul who was incarnated as a Jew because this was the only way he could get his positive statements about Satan published. Any other way would have been literally impossible. The Leviathan is a mistake and nothing more on the part of Anton LaVey. However, Satan wants his people to stop using it, as it binds the Baphomet which represents Satan.

In closing, it must also be stated that Leviathan is most definitely not a Crowned Prince of Hell, either. To call on Leviathan during ritual is to invite the chaos of the Jesus Christ

thought-form and at least indirectly give energy towards the second coming of the Christos - the Jewish Messiah, who, this time would exist on planet Earth as a physical Jewish god-man of the "House/Tribe of David" who would rule planet Earth from Jerusalem with his fellow Jews, world-wide.

"Bluntly stated...if the Gospel that one preaches does not culminate with a Jewish man ruling the world, then it is not the Gospel of the New Testament." [4]

Leviathan is Christ and Christ is Leviathan. Although they currently only exist as astral thought-forms, and not real physical flesh and blood beings, they represent the physical and spiritual enemies of the Satanic Nazi Religion which are the enemies of the White Aryan Race of Satan, which is the Race that has given all of planet Earth the gift of civilization, arts, philosophy, technology, education, culture, true medicine, agriculture, architecture, the wheel, the motor, the pen and plow, and the Satanic Pagan religions, and basically everything that makes life worth living. If the White Aryan Race of Satan goes extinct, planet Earth will never have anything worth living for ever again.

This is a wake-up call for White humanity!

[Ley Lines, Earth's Alien History and Jews](#)

by [HoodedCobra666](#) » Wed Jan 31, 2018 2:32 am

When the Gods were leading the planet, they went and instated the temples with the friends humans on the Ley Lines of the planet. They calculated these sites with means such as extremely advanced technology, which is spiritual and material. Part of this is how they taught people about astrology, measured the stars, heavens, and generated natural calendars and taught the first humans many other things.

In the Golden Age, it appears very obviously that these beings were in many places where there are Ley Lines. One Ley Line is Machu Pichu, another one in the Giza Pyramids, others pass from the middle of mountain Olympus, while others extend in the Middle East, down to Mount Kailash in India. All these temples were linked and the Gods were teaching humans to maintain the active energy grid that constantly kept the planet not only very safe from outside danger, but prosperous as well.

This time was also called the "Eternal Summer" as the earth was producing plentifully, all the time, and animals were also existing in plenty.

It appears that the fact the enemy overthrown this grid, also affected the weather in the last 10,000 years or so. But this is only a minor speculation. Generally what is obvious is that the so called "CIVILIZATIONS" of the enemy, are a pollution, so much materially, as physically. While Gentiles possessed power in their civilization, there were never environmental disasters, even after the Golden age. The Jews have been ruling the planet for around a few centuries and the planet is at serious and deadly risk, because of the technology and type of 'evolution' the enemy seeks about to create.

While for the weather one may not say for sure. What's for sure is that it destroyed the vibrations of the planet all together. Part of why the world was way better on these times was because of upholding an external system with this knowledge. Which is done basically through people who are ascended and do this actively.

The Golden Age is said as the age when no human being hungered, and the earth was everywhere fertile, and people hardly had to labour to achieve anything because the level of existence was very high. Even labour felt relaxing as a result of a very high level of existence overall. The astral and the physical worlds were also very close as well, which ensured quicker manifestation of goals and in general, the definition of 'paradise' as people can imagine it. Free energy that is wireless seems to also have been the norm, in methods not even imagined by science today. How this was maintained was through spiritual work, and this is a very advanced approach on matters. Reality is based on vibrational fields, not merely machines and so forth.

This approach to life has been 'lost'. Well, for the 99.99% of humanity, that is. Because the rest of the 00,01% know how to use these energies and they do, at least in part. The enemy does not possess the actual knowledge to run a planet spiritually like the Gods did, but they have a different evolutionary method that destroys, pollutes, and enslaves species, which unfortunately seems to have also worked for these parasites for a while. This is the enemy and their lackeys, who are

abusing a fake system set in place of the above system for personal gain, spiritually, what we call the "Jewtrix". This is done in allegiance to the enemy who is monitoring this farm they are trying to create of planet earth.

The farm is operated with the psychic level, down to the material, where is the societies as we see today - racemixing, decay, pollution, and the few civilizations that are escaping a bit and become better, are pulled in the cesspool violently and forced to comply with the 'general rules'. For this to happen, there has to happen drastic degeneration of the species of the planet. Some races fell quickly others persisted for thousands of years, but as you can see now, disaster came for everybody sooner or later.

The late Egyptian texts from like 2500-3000 years ago, mention of this massive degeneration taking place like a plague that was spreading in many places both of Egypt and other places in the world. Others just said the Kali Yuga or the age of darkness was arriving, but this has nothing to do with the astrological age. The Gods created themselves this grid system to protect us exactly from situations like that. Everything would have been just fine if this system was still up.

For people who live in places with temples, the Ley Lines still pass from these temples. In many cases, Pagan sites and Pagan temples were destroyed by the Christians and were replaced. One major replacement is the Kaaba. The Kaaba was a Pagan monument that had 360 statues around it (the 360 faces of the Zodiac), divided in 12 (the 12 houses) and so forth. It was a monument created specifically to project specific energies. Even the Cube is a stolen shape by the Pagans.

Other types of architectures were used, such as the Pyramid, known well in Egypt. The upper dome of the Greek style temples was a triangle to show the Pyramid as well. This was because the issue was channelling spiritual energy. In the Pan-Satanic religions, people went on the common holidays all over the world, chanted and did their rituals to keep the energy grid going. Then the war happened and many of these sites were abandoned, and the grid started dropping.

The enemy over centuries and slowly, went at these places, and corrupted them. This is easy, as this involves firstly the corrupt of the individuals who go there (Reptilian/Jewish offspring is using these places now like the Saudi Family in the Kaaba), but also corrupting the place itself. The Kaaba is filled now with Quaranic verses to bless the Jews and tie into this vortex. This is one part of it, as the three main hoax religions are linked through the Torah, the Bible, the Quaran and the Jewish Race as a whole.

Rabbi Laitman says that the Jews came from another planetary system. He says they are coming from another universe, to conquer the people on this planet. As another most reputable and higher ranking Rabbi named Ariel Tzadok said in Ancient Aliens (S07E01), the angels of the bible are reptilian alien species. And as it's well known from the Torah, these aliens created 'mankind', which the Jews use as a code to mention themselves, only around 6000 years ago. Only them are 'human', the rest of people are living garbage.

From what is mentioned also in the bible, the patriarchs of the Jews basically came to be from taking Humanoid DNA and doing experiments to create something that looks human materially, but has Reptilian genetics, or what the Jews call in their internal Kabbalah the spirit of Elohim. As such

Rabbi Laitman says as well the Jews are the infiltrator race, and they look like the nation in which they are, but they are Jewish. Modern science came to prove this fact that Jewishness is a factor that deals with few genes, which manifest as a big, rat like, or in some cases Reptilian, strain in the rest of the blueprint. Elohim is also the codeword for 'those that came' and created the Jewish race. Therefore Biblical 'human history' only reflects the Jewish history basically.

The Torah is the series of battles they went in to destroy each centre of civilization that existed on the planet and ruin it, finally subverting it to "God".

Part of which is how the Jews arose out of nowhere on the planet, were created and grown by ETs, got their memory wiped out, and were sent to infiltrate civilization to overthrow it completely. For this reason, while all people on earth also had a land, the Jews never had a land or continent for themselves.

They just appeared in the middle east and started claiming and shouting about their bargain with ETs, that if they subvert the planet, the land of Palestine would be given to them. After exterminating all the enemy tribes in the region. This would be the bargain to enslave the planet, destroy all humans who are opposition to their alien flick, and impose a massive slave-order. When this was manifested, this would be the Jewish 'messianic era' for the enemy. This is very well known by Rabbis and they keep people motivated for this work to manifest.

As it's known from UFOlogists and other people, alien races who are scaly and look like reptiles (The Reptilians) and others like the Greys are those who many people call as "Angels" are only half-terms. As stated above Rabbi Tzadok in 'Ancient Aliens' threw the lid off of it completely, these are just alien species like Greys who assist the Jews. Psychic people like Crowley have seen these Greys face to face.

As it's also very well known, the Abrahamic religions are creations of the Jews. Which essentially just program people who are "Pagan" (i.e, from our Satanic/Pagan Gods) to become slowly an emulation of a slave of the Jews. This is the purpose of the enemy religions. Tying the cattle on the grid, to pull the matrix vortex so that in the end they get sucked in and die while also delivering the planet to the enemy. The enemy being parasitic is extremely dependent on the mind-energy of the people and in programming them to achieve the enemy's goals. So as you can see the less religious people are, the more the enemy panics and forces this to happen.

While the enemy keeps copying our work and goes after us to try to maintain this whole magickal operation, there are two fundamental things that will allow us to win. One is that they do not have the in-depth knowledge on how to maintain this grid of their crap, and the second reason is that they are not really powerful to rule this world. They are standing on things achieved with people who have had power. This is what makes them dangerous. However even these problems can be solved.

If it were not for these constructs and that knowledge they stole, they would be destroyed in a decade, all together. However their material establishment is their major saver. However the weakness of the enemy is that they rely on a deliberate program which they are running on the world, that is their Torah and their filthy crap. These are the key to tip the whole game over. For this reason we are doing the RTRs. The huge waves they are using, one puts cyanide in them (RTRs)

and they have no choice but to drink this in order to maintain their rule on the world. But this very process is what will destroy them in the long-term.

If they were to stop, they would fall. So it's a matter of fighting and time on our behalf. As we go, the enemy is also getting destroyed on the higher level, giving us a footing to finish this thing all-together. For this reason we also have to keep going as there is no time to waste, and no time for worry or useless doubt. We have to fight and remove the enemy from their position, and then, the world will be free.

Liberalism vs. Socialism

By [YogSothothIsTheGate](#)

Girls of the German Girls League (BDM) meeting in Dresden for a fund raising of the Winter Relief of the German people (WHW) under the motto 'a nation helps itself!' [Translated by Hadding Scott (except for minor modifications) from the 16th (1940) edition of Politische Fibel by Hansjoerg Maennel. Source.

Hadding's commentary:

"This chapter will be challenging for readers in the United States, who generally have a deeply ingrained aversion to the word socialism, but it should be all the more rewarding for those who can think beyond that.

National-Socialism in practice was not socialism in the same sense as Marxism-Leninism: the state did not take ownership of enterprises. The socialism of the Third Reich thus does not fit the current textbook definition of socialism. The state, however, did regulate the economy as needed for the benefit of the society as a whole and conducted extensive social programs.

The "Liberalism" discussed here is primarily 19th-century liberalism, the free-market ideology, from which, Maennel explains, Marxism has evolved. National-Socialism, as a true, folk-based socialism, opposes both Liberalism and its bastard child Marxism."]

The "Liberalism" discussed here is primarily

Liberalism and Socialism are the two opposing worldviews in the question of the relationship between the individual human being and the community (the people).

Liberalism is the worldview that the individual embodies the most important value, not the community (the people), which is merely a sum of individuals. (Liberalism, from Latin liber = free.) Liberalism is also called "Individualism."

Liberalism demands freedom of the individual against the collectivity. The individual human being should "develop" as unrestricted as possible. Legal barriers persist only where the entire people is at risk. "Everyone is his own neighbor." Liberalism has its roots in Materialism and Egoism. Self-seeking, not self-discipline. Self-interest comes before the common interest. – The liberal human being therefore always thinks foremost about the economy. "Economy is destiny." (Jew and post-war minister Rathenau.) In the economy everyone should be as free as possible, i.e. develop unrestricted. The state is obliged not to

intervene in the economy. It should play a subordinate role ("night-watchman state"). Everything should be allowed to run however it runs. Profit stands in the foreground, not service. Monetary success becomes decisive for the assessment of human beings. Therefore Liberalism always has the class-struggle as a consequence. – One demands a "clear path for the capable." But it is not the capable and decent who prevail, rather the brutal and conscienceless. Liberalism led necessarily to Capitalism, to the exploitation of the productive. The Jew was triumphant! Therefore this pernicious doctrine also has been advocated especially by the Jew. Liberalism was always a tool of the "Chosen People." The Jew dripped the Liberal poison deliberately into all peoples whom he wished to rule and exploit. Especially aligned with the Jews have been the English, who founded Liberalism and developed it the most. The most devastating manifestations of Liberalism are called – after the English industrial city – "Manchesterism." In England Liberalism finally led to Plutocracy, i.e. the unbridled rule of some few wealthy men over one-fourth of the earth.

In the French Revolution of 1789 Liberalism prevailed (Liberty, Equality, and Fraternity). From this point onward it influenced the entire world, the entire 19th Century. In Germany it combined with the awakening sense of nationhood of the 1813 Wars of Liberation in the oxymoronic bourgeois "National-Liberalism." But more and more the corrupting effect of Liberalism became apparent. With logical consistency one proclaimed free love, demanded the abolition of marriage and religion, abolition of the death penalty, and removal of all people-protecting arrangements and regulations. The nation became more and more unable to focus all of its strength in one direction. Individualism led to factionalization into countless political parties. Liberalism allows every opinion to count; it advocates the "objectivity" which ultimately leads to indecision and lack of conviction. – All ties to 'folkdom' are gradually dissolved. The people is regarded as merely accidental, the external sum of individuals. The Liberal does not know what to make of the concept "people." He thinks only economically, not nationalistically. Aside from the individual, he recognizes only the fuzzy concept of "humanity." The consequence of this view is thus the International Idea. Marxism too is a child of Liberalism.

The ultimate logical consequence of Liberalism is Anarchy (Greek. = lack of government), i.e. the actualization of the principles: "Everyone can do and not do whatever he wants," and, "Whatever pleases is permitted." The false freedom of the individual leads to lack of restraint. The state is "abolished." The result is finally a war of all against all, license, chaos, destruction, Bolshevism. From this fate our Leader has rescued the German people. We National-Socialists advocate, over and against this pernicious doctrine, Socialism.

Socialism is the view that the community (the people) embodies the most important value; the individual is a member of the people and has to support his people. (Socialism, from Latin sociare = to combine, to unite.)

Adolf Hitler: "There is no freedom to sin at the expense of posterity and thus of the race."

Socialism demands freedom for the people. – The Socialist therefore always thinks foremost about the people, not about the economy.

Purely economic thought rends the people into many interest-groups; purely political thought unites the nation. National-Socialism therefore demands the precedence of politics

over economics. The economy should serve people and state, not the reverse.

The most important Socialist principle runs: common good before private good. Certainly there is deserved private profit, but this must always be subordinate to the well-being of the entire people. If everyone cares only for himself, then the people goes to ruin, and every individual along with it. But if everyone devotes himself to the community, then the people thrives and along with it every individual also thrives as a member of the people.

The Liberal thinks only about the “I”; the Socialist on the other hand thinks about the “we.” The most unbridled freedom of Liberalism leads to the unfreedom of the nation and thus to the unfreedom of every individual. The voluntary self-subordination of every people-comrade leads to the freedom of the nation and thus also to the freedom of every individual. In the face of the interest of the people, every private interest is meaningless.

“As great as you are to yourself, before the whole you are negligible,
But as the smallest part of the whole, you are important.”

— Friedrich Rueckert

The more each achieves for his people, the greater he is as a personality. The people-bound personality is something completely different from the atomized “individuum” of Liberalism. True Socialism is always simultaneously rank-order as well; it is always linked to Leadership (Führertum). The term “Social-Democracy” is therefore a lie, a self-contradiction.

The democratic liberal conception runs: each one of the mutually equal human beings has, as an “individuum,” the right to freedom, to lack of obligation. The socialist aristocratic conception on the other hand runs: Humans are unequal and bound by blood. The value of each one is proportionate to his achievement for the people. (E.g. compare: the democratic Liberal sees the people as a stack of bricks. Many equally large bricks lie interlaced with each other. The National-Socialist sees the people as a house. The entire house has, as such, a higher value than every single stone; each one of the different-sized building stones has its importance in the house, but only as part of the house.)

Adolf Hitler: “Whoever loves his people shows it especially through the sacrifice that he is ready to make for it.”

Socialism is readiness to sacrifice. The struggle of the National-Socialist movement, especially the SA, was a unique great sacrifice for the nation. The highest sacrifice is to give up one’s life. An entire Storm-Regiment of SA comrades has made this mighty sacrifice, at the head Sturmführer Horst Wessel. They all “march along in spirit in our ranks.” They are for us a silent reminder, a holy legacy, a serious obligation to show ourselves worthy of them. We honor our fallen SA comrades. The Liberal cannot comprehend that. The Communist Jew Toller said: “There is no stupider ideal than that of a hero.” This Jew cannot comprehend the fact that one surrenders one’s life for one’s people, because of course a dead man can no longer enjoy life. We National-Socialists say by contrast that it is indifferent whether the individual dies sooner or later, but that it is not indifferent whether the individual lives and dies honorably or dishonorably. What matters is not the lifespan of an individual insignificant people-comrade, rather the lifespan of the German people!

“Germany must live even if we must die!” Socialism is thus always bound to the heroic idea.

All productive people-comrades belong to the community of the German people. It was the crime of the Liberal bourgeoisie that they excluded the manual laborer from the People’s Community. Consequently the “Labor Question” arose.

Socialism is the demand for the acceptance of the manual laborer into the nation. The manual laborer was enslaved and despised. He should be respected and have equal rights. He was excluded from the benefits of the economy. He should again get “his due,” his just share of economic output. He has been made rootless, but now he is bonded with his fatherland. If the laborer again owns a piece of Germany, he will much sooner devote himself to Germany. (Example: the Peasant Liberation of Baron vom Stein and the Liberation Movement of 1813.)

Adolf Hitler: “The German national intellectuals secretly whispered to each other again and again the suspicion that we were fundamentally also only a variety of Marxism, perhaps even merely disguised Marxists or [international] Socialists. For to this day these heads have not grasped the difference between Socialism and Marxism.”

Joseph Goebbels: “Socialism is entitlement. It gives not as a gift, but as an obligation.”

Only National-Socialism stands for true Socialism. Marxism and bourgeois patriotism were the mortal enemies of every true Socialism. Marxism and Socialism are not, as lying reactionaries claimed, the same thing. Marxism is a betrayal of Socialism. The Jew Karl Marx, in the service of Jewry, falsified Socialism.

National-Socialism likewise opposes the social-welfare rhetoric of the liberal bourgeoisie.

“Social” (in this sense) is the attempt, motivated by pity or fear, to solve the Labor Question through alms. But the working class can never be integrated into the People’s Community by means of gifts, welfare-services, and charity. This integration cannot happen through a favor from above but only through a justified demand from below. We are not “social,” but Socialists! Welfare-services alone are not enough. The prerequisite for the solution of the Labor Question is a change of opinion in the whole people. The German Winter Aid Program (Winterhilfswerk) is not a handout for the needy; rather it is a mighty sacrifice by the entire nation for the poorest people-comrades, who are also for the most part Germany’s most loyal servants.

The German manual laborer has won his right through the National-Socialist Revolution.

The homeland of Socialism is the Greater German Reich of Adolf Hitler!

The Lie of the "Annexation" of Austria

-fourthreich666

Hitler's aim of Anschluss, was and is declared a unilateral annexing. However Austria and Germany were once united under 2nd Reich for 1000 years until the Prussian-Austrian war of 1866, and also later in the Bunt, the German Confederation, after the defeat of the Triple Alliance in 1918 and subsequent annulment of the Hapsburg Empire, the victors decimated their empire leaving just the German speaking Core; Austria.

There was an unheard Austrian cry for reunification. The first National Assembly of Vienna decided in favour of a reunification of Austria with Germany. Polls in some Austrian districts showed overwhelming support amongst the people.

Self-determination was virtually non-existent to both Germany and Austria as allied victors who declared it refused it. The first attempt of reunification failed solely because the allied victors disallowed it, not because Mussolini disallowed it as commonly believed.

In 1933, a conservative dictatorship emerged in Austria which removed the right of citizens to vote and refused unification with Germany.

The despotic Austrian chancellor, Dr Engelbert Dollfuss prohibited trade unions and political parties including The National Socialists. During an attempted coup by Austrian National Socialists in July 1934, Dollfuss was fatally shot. In March 1938, his successor Dr Hertz Schussing attempted to circumvent the popular will of reunification with the Reich and by a peculiar type of referendum on extremely short notice. On March 9th 1938, he announced a nationwide referendum in regards to reunification with the Reich to be held on March 13th just 4 days after announcement. During this referendum, there were to be no electoral registrars; supervising the referendum would be entirely in the hands of his own party. Citizens in the Public Service were ordered to only go to the referendum under direct supervision of their superiors.

Furthermore, they were to openly show their completed ballots to their superiors. People were only permitted to vote against reunification and those who wished to vote in favour were to make their own ballots. Austria Home Secretary, a National Socialist, Dr Seyss-Inquart, on three occasions demanded that Schussing postpones the referendum and hold one later in a constitutional manner but his protest were in vein and were called nonsense by Schussing and he categorically refused.

Finally, Seyss contacted his German counterpart, Home Secretary of the Reich, Herman Goering, who spent some of his youth in Austria, who then in turn, passed the ball to Hitler, Goering and Hitler alike having lived in Austria watched Schussing's attempt of manipulation with disgust and all efforts to convince him to resign failed and it only succeeded when

Goering threatened to send in German troops in to Austria that Schussing coincidentally resigned.

German troops marched into Austria the next day to be greeted with flowers, National Socialist symbols and warm hearts. When Hitler arrived in Vienna the next day, the Austrians were rushing to greet him. Chancellor of Austria and Adolf Hitler signed an agreement on March 13th signifying their joint intention of reunification. A nation-wide referendum is later held to formally confirm so called annexation, and 99.73% of Austrians voted in favour of reunification. This referendum entirely debunked the lie that Germany annexed Austria

Since some brothers and sisters here have talked about Article 13. I sat down and read through the boring document of the bureaucrats, and what it says is pretty simple and boils down to a few points. I wanted to see if this was simply exaggerations of fear mongering, but it's not. The legislation is extremely board and it can be applied in virtually every situation. And we all can imagine where it will be applied as it always happens.

You can see for yourself below if you have the time.

<https://eur-lex.europa.eu/legal-content ... 2016PC0593>

First of all they say they do this for 'copyright' laws. But since the goyim are too stupid to bother themselves with such, as is the predisposition for every policy of the Jew-U, so the powers for reporting these 'incidents' will be put in the hands of companies or other entities. In plain slang you can have companies like in the US threatening you with ransoms so that they don't hit your copyright, or agencies created by the European Jewnion to manage this in all of it's territory.

It will be like the incident with Alinity shekel-eater-attention-whore who attacked Pewdiepie to get quick bucks from a copyright company. This is only one form this can take place. And notice this happened in the from of a very good US based platform with similar legislation in regards to copyrighting. This thing could become everyday life in Europea and reach a point of blackmail.

Press articles questioning the Jew-U, could disappear over copyright grounds. In general even linking to a press article could hold you liable of abuse of copyrights, even quoting a said article. Re-tweeting even could be affected. Add this in conjunction to the "Fake News" paranoia the enemy has created, and you shortly will have an internet as dead as Merkel's rotting jewish soul.

Even private files could be affected over the reason of 'private investigation for stealing copyrighted material'. For example, they can brand someone a copyrighted material thief. While they let loose pedophiles in the Vatican, they can accuse children in poor EU countries for downloading a show that is 'copyrighted' fairly easily. The capability of paranoia with these laws is very high.

Also, this will end the anonymity of the internet. Since there is a chance one may have to pay internet tax in order to upload let's say, a picture for their website.

Essentially the EU is crumbling so it's trying to create a censorship machine now. What this is going to do is go to every website, publication, and whatever else the right wing parties or others have, and accuse them of stealing copyright. More than likely online bots and specific programs will do the searching, so the entities that use images or even share links can find themselves in huge fines over virtually nothing.

Since these vanity fines can be too huge, they may simply go to jail to avoid paying for them. It may not be long until a random meme'r is going to have to testify at a court on why he used a picture. And we all know WHICH side in politics uses memes, imagery, and the internet. It's not

the baby boomers that vote for "Accept A Jewish Pension High Pension- To Rape Your Country And Relinquish your Right To existence-" Merkel.

For what it also looks like for example. Pictures of Hitler may be banned from circulation as well. Since many are 'copyrighted' by (((documentary owners))) or other agencies that keep copyrights of random deceased people unrightfully. Many said jewish companies will smell the gold and start assaulting Gentiles who use all sorts of material to bully and harass people, or outright legal threats.

Lastly what also could happen is that sharing of information could also be affected. For example, if you write something exposing the enemy, it may not be able to be blocked based on free speech. Now some jew who owns the copyright to a certain version of the Talmud let's say, can file against you, and if you put this quote in your posts in regards to how it's fine to rape a 3 year old, and it exists in it's book, they can just shut you down over "copyright" grounds.

We have to keep doing the RTR's, this is a very grim and paranoid situation the jews are opening up to. It has to fail. And given the past of Europe when it comes to passing legislations and not giving a fuck (5-6 jews essentially control what is going on in Europe as appointed by the Banksters), we have to put extra effort to counteract against this.

The good news is that everytime these things happen in Europe people grow off the handle. So when random memers will get to justice and someone will want to report it and use a picture (fewer pictures may even show in google or other search engines as well) they may not be able to even report on 'copyright' grounds.

If this comes to pass from these traitors in the parliament, then deadly spiritual warfare may have to ensue, but this is unclear. There are aware elements in both the EU and US parliaments right now, who actually DO fight for freedom. Let's help so that the Gods don't let this happen to this world for it will be devastating.

The internet belongs to humanity as a universal human right. There is no reason to censor anything on it. Those who censor the internet do effectively censor a dragon with infinite mouths. And these mouths will burn them.

We need to do the RTR's exactly as we are instructed and make sure this does NOT happen. The Part 2 of the Schedule will be centered around counteracting the above while maintaining pressure on important areas.

These stinky censorship reptiles think they can silence us by the criminal laws conceived by a few of their species against the whole of the world. Then we can reply with a few of our RTR's in exchange.

We were aware of the matter before but we didn't write something right away. I started looking on it after HP Don mentioned it somewhere. Also this BS they have written in these 56 boring pages is just plain fucking boring. Some of these laws are 150 pages long or sometimes even thousands, so not even those who are to vote for them have time to read the terms that they sign.

What it does is say the obvious, that they will for example further their 'information data mining operations' to find offenders (aka, everyone who may have something that is copyrighted randomly in their cloud, upload service, or even personal PC) and then it say some BS about how it will apply only "IF" and some broad "IF's" to make it seem innocent and pretend it's only for academia or whatever.

"I will put these guys in the gulag goy, but only these guys. Are you an academic? No. So please accept the building of the gulag, fund it, and I promise you you aren't going in."

This is Net Neutrality 3.0 basically in just a different form. Essentially just binding the internet by the authority of the few and the rich.

I have also found a document from the European Parliament years ago that says basically instructs about how the "Press covering" of the Migrant Crisis has to happen and how it has to agree with 'human rights'. It's a directive so that they report it "Favorably", and then they published another one to complain they did not and to link this with populism and mass fear over the "Migration". MUH FREEDOM OF THE PRESS GOY...

Every single video on the above (Such as the epic video "With Open Borders, The Collective Suicide of European Nations") have been destroyed under the pretext of 'copyrights'. This is just intensification of the above. It also has some random BS about how this will financially help 'music creators' (my ass) and then it goes into the main points.

Youtube in many European countries is also fully castrated, all you see is Migrant Doctors and

Migrant PhD, and you can only watch documentaries about how evil Hitler was and how many Ovens he had. And probably be blacklisted for Gulag Samisdat in the process.

This "article" is crappily put together, very obvious. Not even obscure. If anyone has the time to read these things, you'll be surprized on how open they are about numerous said subjects about censorship etc.

Worst case scenario now, they can shut down and/or give penalties to your account. Which is why we need to be iron firm and resolute with the RTR's. That is sensible. As for those sharing copyrighted stuff, that is illegal, end of point.

Because if laws such as the above pass, they can easily fuck up people for having meme pics that are 'copyrighted' by someone. There are laws and laws. If someone has the money, they should buy. People there are working too to produce these things obviously. One example is music.

"Stealing" music when there is youtube, or spotify where you can pay 7 bucks a month and the creators get paid, is a no brainer. Artists need to eat too. By listening to Gentiles you can help them generate revenue for it. The copyright system worked fine in Youtube, way better than they propose now, for example, the more people shared content of an artist, the more the artist would get paid by the auto-copyright thing. They also gain free advertising.

This is part of the false pretext they use to promote this BS Article 13, part of it is to 'help artists' while all the jewish system does is destroy Artists and put them in poverty most of the time. And based on the above pretext they use this as a cover to destroy the internet and mine info from clouds, pc's etc, directly and legally.

The reason for the timing is they are bringing this in now because the entire EU is breaking apart and they found out with the case in England their controlled fake news media has lost its power. They also found out the hard way in the Trump election in America the online free press got Trump elected. Despite they attacked him all the time in the mainstream. It also cost them most of their media control over the narrative. They know the populism wave is riding in Europe in a few cycles of European elections the entire EU is going to disappear.

Life Goes On by Joseph Goebbels

To live and work in a frequently bombed city is not something anyone enjoys today. We hardly need mention the tremendous burdens enemy air terror puts on those who suffer it. They lose their homes and their possessions, and often their dearest loved ones meet grisly, miserable death in basements and shelters during firestorms. The little they are able to rescue from the ruins often stands outside in the rain and snow for days without being moved. And when one believes he has found a halfway safe place, a week later it too may fall to the flames. Family keepsakes that symbolize an entire life are buried in the ruins of homes and buildings. Often people save only the bare essentials, sometimes not even that.

Still weary and exhausted from putting out the fires, those who have been bombed out must find some kind of clothing, secure the necessary papers, and seek some sort of primitive shelter. Party and city offices do everything they can to ease the process, but it remains miserable work. Here and there public transportation fails. He must walk to work if a friendly motorist does not happen to be going in the same direction. That evening the air raid sirens may sound again. Once again, he has to head for the basement or a shelter. It thunders around him for another hour. He lost touch with his family in the afternoon, and is deeply worried about them, a helpless mother, or the father who provides for the family. Once again, the sky is blood red. The fire engines rush by, sirens blaring. Again, he has to go to work, to defend his beloved hometown, and to save what can be saved from the still burning buildings.

We certainly do not want those cities so far spared enemy air terror to experience it. Still, virtues are born under enemy bombing that one encounters only rarely in such depth and power in ordinary times: the virtue of solidarity above all. Enemy air terror is the university of community spirit. It reveals what people really are. One may live for years next to a man whom one thinks could rip up trees with his bare hands. Under the hail of enemy bombs and phosphorus canisters, he turns out to be a miserable creature interested in nothing but saving his own life. Another, who went about his business quietly and without fuss, suddenly reveals himself to be a real hero, almost deified by his neighbors, since even in the midst of the gravest danger he has a friendly word of good cheer and encouragement that

works wonders. People generally show their stuff only when times are critical.

We cannot help loving the city of Berlin more today than ever before, even with its heavy wounds. After another night of bombing, public transportation may not be working. We see a stream of men and women walking through the wide avenues for two or three hours to reach their workplaces. The men are unshaven and rumpled. The women may be wearing pants and a simple pullover, carrying a small suitcase with the essentials under their arms. Such a sight makes us appreciate this brave city of millions from the bottom of our hearts, and in a way we could not do before. We know then that we are more at home here than we could be in any other city in the world. We feel a part of all these unknown people. We have to thank them for loyalty and diligently doing their duty, fanatically and faithfully. Their silent and unemotional behavior proves that they do not want to be worn down, and therefore cannot be worn down.

It is the same in all the other frequently bombed cities of the Reich: Cologne, Essen, Hamburg, Mannheim, Frankfurt, and everywhere else where the enemy indulges in orgies of air terror. We know them all, and our high opinion of them is always justified yet again. If the enemy believes he has brought life to a standstill, he is mistaken. They all manage to continue life under war conditions. They must give up much that is still taken for granted in areas not subject to enemy air terror. That is not important to them. They simply cannot be beaten down. One could fill libraries with stories of the anguish that nights of bombing bring. Life goes on. After a few days, water, gas, and electricity return. Public transportation begins functioning again, perhaps with a jolt here or there, but that is borne with patience, even grim humor. Everyone has something to eat and a place to sleep. Stovepipes smoke once more over the ruins and the curious stick their noses out to see what is going on. In a word, people are getting along again.

Do not think we are making things better than they are, or turning it into a kind of poetry. Things are much too serious for that. Still, we deeply admire the indestructible rhythm of life and the unbreakable will to live of our big city population. They are not as rootless as well-meaning but purely theoretical books used to say. Look at the workers from the Ruhr, the Rhineland, Hamburg, Berlin, and everywhere else. They are an example of patriotism and national pride. Their sense of duty, their courage, their cheerful coarseness that helps them overcome even the worst, the hard work

they do in the armaments factories even while their homes are still burning! The vital strength of our people is anchored as solidly here as it is in German farmers. When has one ever heard a trace of defeatism or panic in the big cities! What city has been deserted by its population, and where did the leadership have more trouble getting the workers back to their jobs than it had moving those not working! Who can object when people in those areas talk about the air war when they come together after an attack? Each had his own encounter with fate, and each wants to talk about it. He has every right to do so.

We have a coworker who has been bombed out five times already, and everyone knocks on wood if she is around when the air raid alert sounds. She is the exception; fate is usually random. He who today has been spared sees it as his plain duty to provide shelter in his small apartment for those who have been bombed out, since he knows that he may depend on his neighbors for the same favor tomorrow. People need no compulsion to behave that way. They do not see it as in any way unusual. It has to be that way; otherwise, we could not survive. It has to be done. After the last heavy attacks on the Reich capital, the last homeless person had found quarters within a week. It took that long primarily because most did not want to leave their section of the city.

We will never forget a typical conversation with an old Berlin woman worker from Wedding [a district of Berlin]. She had been bombed out and had no where to go. Could we find her a modest apartment in Wilmersdorf [another Berlin district]? No, she wanted to stay in Wedding. And where in Wedding? Only on Müller Street, where she had lived all her life, preferably in the building next door, even if she had to be in the basement or attic. That is a kind of love of one's native area, even if the surroundings are not as romantic as the beauties of the forest, the bounty of the field, the quiet lakes, or the snow-crowned mountains. It was as dear to her heart as any of those. The city breathes life as much as the village. One only need drive through the streets when the blackout warning sounds. The last lights vanish. The lookouts take their positions. The roof watchers take their posts in the big government buildings and factories. The entire city is feverishly tense, finding its release in the first thundering flak salvos. The finely tuned apparatus starts to function. The city is ready.

Many hearts shake when the bombs fall. We do not deny it. The life rhythm of hundreds of thousands carries along the weak and wavering. A pause!

Already the brave are out on the rooftops with pails of water to put out the fires. Back to the basements and shelters. New attacks, new defense, then the all clear. As if directed by a magician's hand, the whole city is in motion, taking up battle with enemy forces. One gives way only when human strength can no longer resist the elements. It's all over here, let's get to work somewhere else! Our civilian population is singing a quiet heroic song that will live on far into the future. If our generation did no more than this during the war, it would be immortal. Our ruined cities will be rebuilt and the last scars will fade. Only then will the fame of their citizens shine with its true force. Only then will our people realize the heights of courage and bravery that rise from our battles with fate.

We have no cause to discuss these matters with the enemy. They have no ability to understand. They are using air terror solely to terrorize. They cannot understand that they will never reach their goal. They do not see that they are driving our people together, not apart. It will take drastic measures to persuade them that in the long run the air war is neither materially nor morally productive. The discussion is only beginning, but it will not be long before we are forced to give the enemy far more persuasive proof. The British people above all will be forced to prove whether they in the fifth year of the war possess the same steadfastness as the German people. The worst of this phase of the war is behind us. England is facing it. We did not break. The British must still endure the trial. Whatever happens, we know the horrors of modern war, and we also know that they can be overcome.

Life goes on in the ruins and rubble of our bombed cities. It is not as rich and full as it once was. We are standing firmly on our feet and have not the least desire to fall on our knees. As we bury our dead in Mother Earth, our burning eyes rise to see the vision of the coming Reich for which we bear these heavy sacrifices. We must be sure they are not in vain. We have seen mothers and children, sometimes even fathers, weep at a graveside too often ever to forget it. The men, women, and children who gave their lives in the air war stand in the middle of the army of those who have fallen on every front. They died for the eternity of the Reich. As comrades fight on to fulfill their legacy, so also it is our duty to work on to realize the historical claim of those who fell at home. A people that make so many sacrifices to defend its life and honor can never be defeated. It will victoriously overcome all the war's obstacles and in the end win the place in the sun that it deserves, a place that no power on earth can in the long run keep it from gaining.

The longer we wait for the hour of deliverance, the greater will be the victory. Victory is always the result of a people's willingness to sacrifice, of its affirmation of life and its faith in its future, of its unwillingness to be distracted, of the steadfastness and loyalty with which it defends itself. The pain and anguish the enemy brings to the individual may at times seem almost unbearable. Still, we will survive, for we have no other choice. In view of the alternative, there can be no weakness or surrender. The nation has made its position clear, and it cannot be shaken even by the terror of barbaric war. The ruins of our cities are a reminder to us all, even for those thus far spared the enemy's air terror. The fact that life goes on even amidst the ruins of our destroyed city districts proves the vital strength of our people, which is ready to bear the worst to preserve its freedom. Freedom is our dearest treasure. We will serve it steadfastly through the storms of war, following it like the good star that shines through the dark night to show the way to the coming dawn.

Life's Paradoxes and Answers

▣ Mon Jan 23, 2017 7:55 pm

By High Priest Hooded Cobra 666

I am writing this swiftly to explain some paradoxes that are going around in the so called 'life' we are living in nowadays. Don't forget this planet is largely taken over by the enemy. The enemy is not some 'social' or 'ideological' clique. It goes deeper.

The enemy has hidden a lot of laws in regards to how life works. Also, the Torah and the enemy religions (Which are programs given by aliens to the jews, and Gentiles feed these energy) have 'laws' in them. For example, free money for the jews, blessed are the stupid and the weak, self-destruction is beautiful and brings results and the list goes on. These rules, since they are believed by the mass mind, are made real. We can call this (('relative' reality)). This is the reality the jews have created, and inside this, the jews are crowned kings and gods, everyone accepts their lies and abuse etc. This is where most people are, since they are weak by choice, and choose to be stupid.

The person whose message I saw, so I decided to post this, in the group, was dissatisfied. They were asking, why do people who smoke pot and do nothing with their existence, do win let's say, millions of dollars in lotteries? If we in the first place assume this is 'real', then...

Sometimes its luck, sometimes its chart, sometimes many factors. Sometimes it is better to not care or compare one's self as everyone is an individual. One is wasting one's time. How "good" or "bad" life is highly relative, and wealth or impoverishment has many levels. Mental, spiritual and physical.

Aside from this part of the jewtrix and its demoralization agenda is uneven and unjust distribution of income. With the infinite money the jews have siphon from parasitism in centuries of usury, now they are making their own rules and financial system.

Where a criminally insane rapper gets payed more than hundreds of legit workers combined, to name one example. This is part of the demoralization and aggressive agenda against the host populations that keep the jews in their midst. They do this to cause exactly this: a mindfuck for those observing these dumb phenomena.

First of all, having a very 'lucky' chart doesn't mean anything else. Every chart has a Saturn. Many people can be financially nice, and they may suffer from diseases. Others may seem like they have it all, but they have the intelligence of a peanut. Sometimes, this is also EXACTLY why they have everything. What are they going to do with millions? Buy more pot and make the jews richer?

Excellent. This is the useless thing the jews want to help. The jews have wrecked global economy and this pattern can be observed elsewhere. To name one example see immigrants in Europe that get payed double pensions contrast to people who have worked for decades. So they can breed more Mohammed in Europe and Jihad it. For legit people that want to work, this or that is needed, and the list goes.

This can happen because the jews have amassed the so called capital that can form economies on its own. The enemy creates the rules of such.

Parasites get more than productive citizens, the productive cannot produce, most people are in false and bad positions for them etc. As Marx says in the capital the jews use work as a means to enslave. Our side uses it for liberation and creativity, then providing.

Anyway, most of 'luck', or 'misfortune' alike, is seated in the natal chart, then one's mental programming, then in many other factors. Nobody has it the same, and to ask otherwise would also be useless. The key is to be powerful, then the rest can be achieved. There are many factors that are factoring in, not just one.

What I write below is not TOTAL, and they enemy has ranging levels of power, over ranging conditions and situations. It ranges. So keep that in mind.

The enemy being an alien slaver overlord, gives a lot of things to dumb and useless people, and useful and intelligent people are rotting on the bottom of the foodchain. This is why the people who hold the power, like workers for example, are exploited. By their own energy, admission, and acceptance does the jewtrix run- they feed it, maintain it, and sustain it.

The enemy literally vampirizes them and with mental tricks, steals their labor. Doesn't matter if the Gentile is on a high level position either. The jews will ALWAYS try to coerce and control such Gentiles. So nobody is free from the jew. This is done on a global spectrum.

These people aren't dumb as well, because they have the power, but they don't dare move one inch because of threats. Which obviously shows that they are running on borrowed fuel.

If you look around you, the jews are constantly creating "RULES" about people. From hollywood, to 'life advice', to 'radio', they create "rules", many of which are ingrained into the subconscious of people and taken as 'normal life'. "You cannot have wealth and love together, your health will suffer!". Just who said so? The jews, playing "God", do create a false reality.

They blame Satan for wanting to steal "Gods" position, but its the kikes who have done it. If we can say the universe is God (as in Nature), and has some rules, the jews have superimposed their own rules, upon the rules of the universal consciousness that we call "God/ Nature". Satan fights for their restoration. Satanism is the actual adherence to these rules and working by their side.

Now, "Nature" on her own can be quite unjust or cruel without reason. This is up to us to fix, coming and completing nature's laws and dictates. We must not deviate. However this does not concern the jews at all. No matter what it means for civilization, since they are aliens with intention of wrecking everything, they do what they do anyway.

Not only kikes are not in any 'league' with this universal consciousness/"God"/Nature, but nature seems

to have cursed this abominable people quite a deal. Just look on how they look like ghouls, million times uglier than the ugliest gentiles, their horrible health (beyond imagination and its genetic, not to other factors), and many other psychopathy these people have.

They get back to nature and through all this self hatred, they are motivated in everything that is unnatural, ugly, and destructive. They do this as payback to destroy Satan's creation, because Satan took care of his creation. Their masters did not.

You see, these 'rules' made by jews are sometimes backed up by nature, since everyone has a Saturn so to say, but, if you pay close attention, these are FAR WORSE than the native Saturn.

Why would the universe want to fucking kill you, for example? Why would the universal consciousness desire that you burn eternally in agonizing pain? Doesn't make sense.

Well it's not really the universe, its the jewish parasite, if we are talking in 'civilized world'. Through creating one's mind set for destruction ("Love thy enemies goy"), the most minor negative influence manifests in the worse and most abominable ways. Then the person is destroyed.

Kim (((loved her enemy))) and abusive muslim Mohammed. She was trying to be (((Miley Cyrus "slut"))), because she thought (((it was "cool"))), she was trying to be (((("progressive")))). Mohammed had beat her constantly, but she decided to give him one last chance because she was (((sorry))) for how (((unfateful))) Mohammeds life was. Kim ended up in a meat grinder kebab one day, after a tough argument with Mohammed. Mohammed was told since a very young age, that (((("God")))) loves you better if you kill (((("Western Sluts")))), because that's whats supported by the Quaran. (((God Bless))).

This is why we have trash leading the planet, the foulest jews on (((leadership))) positions, races are going extinct and are being made into minced beef into a cooking multicultural pot.

So all these people you see outside, do not make assumptions on how fine they are. On top of that, they are cursed by the jewtrix itself, and the jews ride them like cattle too, let alone universal hardship that exists based on natural law. They are sufferers. If you think these people are happy, you are fooling yourself. They are not. They aren't even conscious for a big part, and most of them are just like trapped and watching their life, completely out of control go away. Perfect slaves.

On top of the jewtrix are however, Nature's rules, such as the survival of the fittest, force, the law of causality, and many other things. However, inside the so called 'jewtrix', these rules are modified to fit the jewish society. For example, everyone knows the ugly, repulsive, goo-ey guy that gets all the women, or the ugly jewish skank that is made into a 'goddess' and worshiped by everyone for her 'beauty'.

This is because people are programmed to behave in such a way, and without wanting to sound too sci-fi, they are sort of like PROGRAMMED to act in that way. Few people are conscious to an extent to be rationed with. This is why all around you, you see people who engage in self-destruction and many other alien things. Another thing, look at how a kike farts something out of its mouth, and everyone accepts it as 'true'. No matter what shit is being said, it is accepted. Why?

Because the 'Goyim' are programmed to accept the jews in any and all ways, and treat them as Gods. Remember, they are worshipping a rabbi on the stick. Unconsciously they believe in a jew, and their life and soul is devoted to a jew. This doesn't deal on the reasoning of the conscious mind, or they would escape.

This goes deeper into the subconscious mind, and weak brains that are programmed since infancy, eventually succumb. This can also last lifetimes for the weak. If you don't get into this whole "video game" (Which you may occassionally have to log in for...survival reasons), they will not have much influence on you.

However, given their power has almost been total, our freedom and our forward going as entities is DIRECTLY tied into destroying and spiritually subverting this system. We will never, ever, EVER be free, and we will die (this goes to all humans) if we don't fight. This is for your personal sake as well.

I don't know how 'high' and 'comfortable' you are in life, or how low, but you have a Saturn, and the jews have made it their purpose to uplift this negativity to hundredfold, creating hostile and dangerous societies (This is why they force miscegenation, immigration, promote criminality, don't allow people to work decently on their dharmic path etc) to manifest only Saturn.

Jupiter or positivity is tried to be minimized. From a macro-perspective, this is just forcing all the Goyim on 'reduction' (Bad Saturn) while for themselves, they keep 'expansion' (Jupiter).

Does that make sense as to why there is so much injustice all over the world? And why so many decent people are suffering while living trash just does nothing but sit as a tick on the neck of potentially better people? Because a parasitic organism hive mind is making the rules of the world now.

They have programmed reality to work that way. Because it's an actual, goddamn system. Look at a xian spewing bible verses, same as an internet bot spews computer program code, and you will see what I mean. Now, why does the 'bible' have so many 'coded' shit that is in 'contradiction'?

Because its PERFECT for the unconscious mind for it to BE that way. This way they include everyone, and

every phase of life. For example, there are things for when one is poor to become poorer, or when one is rich so they can become poor. There are verses for the healthy and the unhealthy, so that everyone can become unhealthy. etc. Because of the nature of that manuscript, it could never, EVER be straight forward. Why is being UNHEALTHY or DEAD even "GOOD" in the bible? Because guess what, it makes the jews rich. And human hating aliens, happy and laughing. That's all. It doesn't benefit neither one's self, one's family, or one's society. But it benefits the jew, and the jews in power, and those who hate humanity.

This is why the enemy recreates the weak, the slaves, the morally inferior, the cowards, the democrats, and many other crap that goes around. Its their perfect profit. They do this because they hate humanity and they like to have cattle, not humans around them. Since the enemy is very weak on some levels, everything in society has been turned into meekness and submission, so that the inferior jew can reign supreme over all others. This is why they are gradually sissifying people, dumbing them down with drugs, preoccupying people in all these bizarre ways. If you pay close attention however, no matter what one does, their life, finances, are being siphoned in the jewish system for its enlargement.

Fear not however: not only these things can be bent, but the laws of nature can easily be superimposed very easily. I cannot go into details, but you can figure this out for yourself. Your workings and personal power *CAN* bend these rules. However, there are technical issues that only the Gods can help you with and show you. They *WILL* if you are advanced enough.

You and We can overcome. Just devote yourself in doing what we have been doing. Not only you help yourself, you are also helping Humanity. Its a win-win situation, for the first time ever, for Gentiles. And a lose-lose for the enemy.

Lilith Goddess Queen Of The Sri Yantra

by HP Mageson666 » Tue Apr 30, 2019

The Goddess Lilith was the wife of the Sumerian Enki:

"Lilutu- whence derived the names of Lilith , Luluwa and others associated with the lily or lotus flower." [1]

"Lilith who became another young consort of Enki, known to the Hebrews as Samael -from Sama-EL: Lord of Sama in northern Mesopotamia." [2]

Samael is the name of Satan in Hebrew. This is where Samael and His wife Lilith in the Hebrew texts was stolen and corrupted from, Enki and Lilutu.

The Jewish texts also admit something:

Lilith states to the Jewish Elijah:

"Lilith stated: These are my names Lilith.....Kali..." [3]

Kali is the Hindu Goddess who is the consort of Shiva.

In Hinduism the Goddess who rules the Sri Yantra the most important yantra in Kundalini Yoga and represents the cosmic axis of Meru, is the Goddess Lalita who is Lilith further west. In Sanskrit the vowels are interchangeable the LLT can be Lalita, Lilutu or Lilith. Both rule the crown chakra. Lilith means lily or lotus the thousand crown lotus. Lalita rules the crown chakra in Hinduism. Lalita's consort is Shiva and the Sri Yantra is the union of both principals into the transformed soul.

The name Lalita also means "She who plays" its a title of kundalini energy. The Kali form of Lalita is pure force of the serpent energy as it transforms the soul and this form also rules the 50 petals that make up the chakras or alphabet letters that form the body of the Goddess which are the chakras in Yoga as well.

Lalita is given the title Kameshvari and Shiva is given the title of Kameswara which both relate the fulfilment of desire which is Kama and this relates to the inner alchemical sexual union of the chakras, the symbol of the Sri Yantra, which raises the kundalini serpent and transforms the chakras of the human soul into and takes one across the ocean of mortality to the Shivarupa Samadhi the Magnum Opus the immortal state, the form of Shiva.

Linking Science and Spirituality + Reference Material

by HPS Shannon » Thu Mar 28, 2019

No matter how much the Jews and Jewish dominated science try to shut down or cover up the Occult/Science connection, the truth will always come to the surface. Science is starting to show that Spirituality and the Occult are one in the same. They are interconnected and many scientists have gone so far into their research as to land into the occult because of this. Unfortunately, they either lose their jobs or credibility if they reveal the truth in any way.

Science, namely Quantum physics, has proven spirituality but only to a certain degree because of this enemy suppression. The Jewish programs of Christianity and Islam have attacked science and any creative human progression (like with the Catholic Church, the Dark Ages, etc) because they lead to the truth of our reality and our overall advancement. The goal is to keep us functioning at a lower level and forbid us from harnessing and tapping into our divine powers, to brainwash us into believing that the occult is of "the devil" and is evil.

On the other end, the Jew gets into the field of Science and ensures that it is distorted and only leads to effect and results and not causation. Since they could not completely destroy or cut us off from spirituality, they try to convince us that the spiritual does not exist, there is nothing beyond the material world and that we are mechanical animals without a soul (especially with Psychology which is totally Jewish infiltrated.)

To sum it up with a quote from HP Mageson years ago:
"The Jews are working to keep us in a Newtonian five sense paradigm"

Since the beginning of civilization and our creation, the spiritual, the astral, ghosts, psychic abilities and powers of the mind and soul. have been referenced many times over but modern Science dismisses all of this as pseudo science and bunk; apparently everyone who has ever had these experiences or believe in these things are either overly imaginative or out of their minds...

Before coming to Spiritual Satanism, I was very much into spirituality yet I never really considered that it was connected to science, probably because Science seemed to dismiss the spiritual continually. Even when others would ask me about the validity of the spiritual and how it relates to science, I couldn't answer to it as I did not have the knowledge that I have now. Thanks to Satan and the Gods who are giving us this knowledge and leading us to wonderful information that are really tying things together.

This is the beauty of Spiritual Satanism.

It's one thing to mention spirituality and the occult, but it's important for all of us to be able to provide references and sources to what we know and support our claims. Science is of Satan, it is the method of how we interact and study the world around us. We should definitely familiarize ourselves with scientific references and study that shows the spiritual. This is how we will help to transform and educate humanity further.

To be able to discuss spirituality and the occult in a realistic and down to earth way is a plus and only shows how prepared and knowledgeable we Satanists are. It is helpful as most people are preoccupied on a more linear and materialistic level these days.

Now, obviously trying to convince every single person the spiritual is real is not going to always be successful as many people are just so cut off from the spiritual realm that they refuse to recognize it. That is their problem, and their loss. We don't need to convince all of humanity because the fate of the world doesn't rest on all of humanity, just those of us that matter. We have demonstrated this through what we are doing at the JoS, for example.

The funny thing is, I have come across many people who don't believe in ghosts, hauntings, the benefits of meditation, occult science and the complexities of the human soul, nor do they believe in the powers of the mind YET they believe in some invisible omnipotent man in the sky as dictated by a book...because the Jew and the "government" says so.

What We Believe in

1. **WE BELIEVE** in the Eternal Laws of Nature as revealed through science, history, logic and common sense.
2. **WE BELIEVE** that the highest Law of Nature is the survival of our species by ALL MEANS AND AT ALL COSTS.
3. **WE BELIEVE** that our Race is our Religion.
4. **WE BELIEVE** that Racial Loyalty is the greatest of all honors, and racial treason is the worst of all crimes.
5. **WE BELIEVE** that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.
6. **WE BELIEVE** that the White Race is the finest and noblest creation of Nature.
7. **WE BELIEVE** that CREATIVITY is the essence of the White Racial Soul.
8. **WE BELIEVE** that the White Race is and always has been the originator and Creator of all worthwhile Culture and Civilization.
9. **WE BELIEVE** that without the White Race any worthwhile Culture and Civilization are impossible.
10. **WE BELIEVE** that for the White Race to survive, expand, and advance we need first of all a REVOLUTION OF VALUES THROUGH RELIGION; therefore we completely and categorically reject the Judeo-Christian-Democratic-Marxist-Liberal-Feminist values of today, and supplant them with new and basic values, of which RACE IS THE FOUNDATION.
11. **WE BELIEVE** that Jew-spawned Christianity is the deadly mind poison which destroyed the glorious White Roman Civilization and is currently destroying all of the White Race; therefore Christianity must be exposed, defeated and eliminated in order to save the White Race.
12. **WE BELIEVE** that the one and only, true and revolutionary White Racial Religion— CREATIVITY— is in every conceivable way far more logical, consistent, comprehensive, meaningful and inspiring than all other religions, ideologies and political parties combined; therefore we strive that it eventually replace all other religions, ideologies and parties, barring none.
13. **WE BELIEVE** in the unity of our White Racial Religion with our White Racial State.
14. **WE BELIEVE** in the total unification of the White Race on the basis of one Racial Religion (CREATIVITY) and one Racial Language (Latin) in a worldwide White Racial Community.
15. **WE BELIEVE** that the one and only, true and revolutionary White Racial Religion— CREATIVITY— has the potential of not only leading the White People to a worldwide victory, but also guiding them onward for the next million years towards a New White Renaissance, a Whiter and Brighter World, and a Glorious Era of the White Superman.
16. **WE BELIEVE** that the White Race, its Biological and Cultural Heritage, is now under attack by our mortal racial enemies: Jews, niggers and the mud races.
17. **WE BELIEVE** that, due to the Jew-instigated demographic explosion of the mud races, we must(as a matter of life or death!) not only start, but also win the worldwide White Racial Holy War within this generation.
18. **WE BELIEVE** that RAHOWA (RAcial HOly WAr), under the victorious flag of the one and only, true and revolutionary White Racial Religion-Creativity-, is the only road to the resurrection and redemption of the White Race.

Little White Book— 02

The Five Fundamental Beliefs of Creativity

To be memorized and repeated as a sacred religious ritual by every Creator five times a day.

Based on the Eternal Laws of Nature, History, Logic and Common Sense we Creators believe:

1. **WE BELIEVE** that our Race is our Religion.
2. **WE BELIEVE** that the White Race is Nature's Finest.
3. **WE BELIEVE** that Racial Loyalty is the greatest of all honors, and racial treason is the worst of all crimes.
4. **WE BELIEVE** that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.
5. **WE BELIEVE** that the one and only, true and revolutionary White Racial Religion— CREATIVITY— is the only salvation for the White Race.

To the fulfillment of these Religious Beliefs we Creators forever pledge our Lives, our Sacred Honor and our Religious Zeal.

RAHOWA!
TOTAL WHITE VICTORY!

- Learn to distinguish between claims and substantiated facts.
- Like smoking opium, Christianity is a flight from reality.
- Christ-Insanity promises "Pie in the sky when you die".
- Creativity, based on the Eternal Laws of Nature, History, Logic and Common Sense, is the White Man's natural religion.

Little White Book— 03

The Essence of a Creator

1. **A CREATOR** puts loyalty towards his own race above every other loyalty.
2. **A CREATOR** is responsible, productive and constructive.
3. **A CREATOR** places a high value on honor and self-respect, and will defend his own honor, the honor of his race and of his family at all costs.
4. **A CREATOR** recognizes both love and hate as the two most powerful driving forces in life: that both emotions are healthy and essential to life, and to possess only one and be deprived of the other is to be as crippled as a bird with only one wing.
5. **A CREATOR** realizes that both love and hate, in order to be constructive, must be directed in the proper channels and to do otherwise is destructive and suicidal.
6. **A CREATOR** therefore makes a careful distinction between his loved ones and his enemies. He loves, aids and abets those of his own race and his own kind, and hates his enemies, namely Jews, niggers and the mud races.
7. **A CREATOR** is eager, optimistic, aggressive, energetic, and self-sacrificing for the best interests of his people.
8. **A CREATOR** strives to keep physically fit and keep his body in the best of health at all times.
9. **A CREATOR** is inquisitive, adventurous, and has a cheerful zest for living.
10. **A CREATOR** is tough, tenacious, resolute, persistent, persevering, indomitable and indefatigable, as were the Ancient Romans.
11. **A CREATOR** is practical, down to earth and concentrates on those goals and activities that are meaningful and worthwhile.
12. **A CREATOR** is brave and courageous and always a proud credit to his people.
13. **A CREATOR** places high value on ATTITUDE, strives continually to maintain a healthy, positive and dynamic attitude towards life.
14. **A CREATOR** is an Achiever and a Producer.
15. **A CREATOR** is a problem solver.

- Once we have straightened out the White Man's thinking, the battle is as good as won!
- Spread the word-words are powerful weapons.
- Nothing is more important than the survival and advancement of our race.
- It is our aim to shrink the colored races, and to expand the White Race.
- Civilization is plainly the creation and property of the White Race.
- We do not condone tolerance of other people's beliefs if they are an affront to our intelligence.

Little White Book— 04

What a Creator is not

1. **A CREATOR** is not gullible, and does not easily accept any statement, belief, assertion or assumption that to him is lacking in proof and/or is unreasonable in the light of his own experiences.
2. **A CREATOR** is not superstitious and disdains belief in the supernatural. He will waste no time giving credence to, or playing silly games with imaginary spooks, spirits, gods and demons.
3. **A CREATOR** is not interested in the future or welfare of the mud races, and shuns race mixing or any social intercourse whatsoever with the inferior mud races.
4. **A CREATOR** shuns sexual deviation.
5. **A CREATOR** does not whine, complain or indulge in self-pity, but instead faces problems realistically, gets to the root of problems, and determines to solve them.

Little White Book— 05

The Sixteen Commandments of Creativity

1. It is the avowed duty and holy responsibility of each generation to assure and secure for all time the existence of the White Race upon the face of this planet.
2. Be fruitful and multiply. Do your part in helping to populate the world with your own kind. It is our sacred goal to populate the lands of this earth with White people exclusively.
3. Remember that the inferior colored races are our deadly enemies, and that the most dangerous of all is the Jewish race. It is our immediate objective to relentlessly expand the White Race, and keep shrinking our enemies.
4. The guiding principle of all your actions shall be: What is best for the White Race?
5. You shall keep your race pure. Pollution of the White Race is a heinous crime against Nature and against your own race.
6. Your first loyalty belongs to the White Race.
7. Show preferential treatment in business dealings with members of your own race. Phase out all dealings with Jews as soon as possible. Do not employ niggers or other coloreds. Have social contacts only with members of your own racial family.
8. Destroy and banish all Jewish thought and influence from society. Work hard to bring about a White world as soon as possible.
9. Work and Creativity are our genius. We regard work as a noble pursuit and our willingness to work as a blessing to our race.
10. Decide in early youth that during your lifetime you will make at least one major lasting contribution to the White Race.
11. Uphold the honor of your race at all time.
12. It is our duty and our privilege to further Nature's plan by striving towards the advancement and improvement of our future generations.
13. You shall honor, protect and venerate the sanctity of the family unit, and hold it sacred. It is the present link in the long golden chain of our White Race.
14. Throughout your life you shall faithfully uphold our pivotal creed of Blood, Soil and Honor. Practice it diligently, for it is the heart of our faith.
15. As a proud member of the White Race, think and act positively, be courageous, confident and aggressive. Utilize constructively your creative ability.
16. We, the Racial Comrades of the White Race, are determined to regain complete and unconditional control of our own destiny.

The Fourteen Principles of Salubrious Living

1. We believe in living in accord with our human biological heritage and in harmony with the Laws of Nature.
2. This means eating fresh wholesome food in its natural state as Nature has given it to us. It must be uncooked, unprocessed, unpreserved and not tampered with in any other way. This further means it must be organically grown, without the use of chemicals.
3. Availing ourselves of a clean, wholesome environment: fresh, unpolluted air; clean water; and the beneficial therapy from the direct rays of the sun, every day.
4. Some form of strenuous physical exercise several times a week.
5. Rest and relaxation, both mental and physical, including sound and efficient sleep.
6. A form of recreation that is gratifying to our sense of accomplishment.
7. A sense of purpose, security and confidence to fuel our goals for accomplishment and living the good life. We must have goals and we must be motivated.
8. Deliberate self-mastery of our life and our work.
9. Gregarious living within the framework of our CREATIVE religion, our White society and social intercourse with our White Racial Comrades. We are social animals.
10. Healthy expression of our sexual instincts.
11. Living in a pleasing and healthful environment.
12. We do not believe in the use of any "medicines", drugs, or chemicals as having any healing or therapeutic value. In fact, all medicines, drugs, narcotics and chemicals are poisonous and toxic to the human body. Furthermore, and for the same reason, we do not believe in the use of vitamin, mineral, or enzyme supplements, nor the use of artificial food coloring, preservatives, nor refined or fragmented foods.
13. We strongly believe in the practice of fasting as the best means of ridding the body of accumulated poisons and toxins. We are convinced that fasting is the most natural and effective means the body has of overcoming all forms of disease, and restoring itself back to health.
14. Living in, and promoting a eugenic White society. This means that we take particular care in not only assuring the perpetuation of our precious White Race, but we take deliberate care that the misfits are culled and that each generation advances to higher and more salubrious levels, physically, aesthetically, and mentally. (*WMB*: 39-40 & *SL*: 8-9)

Three Short Rules for Maintaining Excellent Health

1. Eat only raw foods in their natural state, basically fruits, vegetables, grains and nuts.
2. Get plenty of physical exercise, preferably the kind that rev up the heart and lungs. Among these are jogging, tennis, swimming and similar activities.
3. Stay away from man-made chemicals of all kinds. This includes alcohol, nicotine, caffeine, sugar, preservatives, insecticides, narcotics and drugs of all kinds, whether prescription or non-prescription. (WMB: 46)

IMPORTANT NOTE:

At this point we Creators would like to clarify a very prevalent misconception that one cannot join the Creativity Movement without changing his eating habits. That is simply not true! Our goals of Salubrious Living, Latin as a universal language, organic farming, Eugenics, etc., are the long-term ADVANCEMENT-stage goals.

Therefore, their immediate implementation is not necessary for becoming a Creator. We Creators recognize that even the longest journey starts with the first steps! We urge every White person to read our books, join our Movement and take the first steps in the long and glorious journey towards a New White Renaissance, a Whiter and Brighter World, and a Magnificent Era of the White Superman.

Classical Latin: The Universal Language of the White Race

The great language of the ancient White Romans was the universal language of all educated Europeans until the Jew-orchestrated "French revolution" of 1789 divided Europe into a polyglot of language-based "nations". In order to survive and prosper, the White Race must put Racial Loyalty above National Loyalty, and unite in a worldwide WHITE RACIAL COMMUNITY with one White Racial Religion (Creativity) and with one White Racial Language (Latin). RAHOWA!

- **Aut vincere aut mori!**

Either victory or death!

- **Delenda est Carthago!**

Carthage must be destroyed!

Roman Senator Cato the Elder used this slogan to end all his speeches in the Roman Senate. It became a battle cry of all Romans, and eventually Carthage was destroyed by the victorious Roman legions. Now the battle cry of Creators and the entire White Race must be:

DELEND A EST JUDAICA!

Little White Book— 09

The Essence of the one and only true White Racial Religion CREATIVITY

1. **CREATIVITY** is a White Racial Religion based on the Eternal Laws of Nature as revealed through science, history, logic and common sense.
2. **CREATIVITY** is a four dimensional religion whose fundamental approach is based on the idea of a Sound Mind in a Sound Body in a Sound Society in a Sound Environment. Above all it is concerned with the White Race as the Finest and Noblest Creation of Nature, and is truly the first real racial religion the White Race has ever had in the 6,000-year history of White Civilization. We Creators are proud to say: OUR RACE IS OUR RELIGION!
3. **CREATIVITY** is a racial religion that embodies the best values of genetics, biology, anthropology, philosophy, economics, art, literature, the health sciences, government, morality, the environmental sciences and all the other facets of living that the White Race has accumulated through experience over the millenniums.
4. **CREATIVITY** is a worldwide White movement for the Survival, Expansion and Advancement of the White Race and the White Race alone. It strives to unite all White peoples of the world on the basis of one Racial Religion (CREATIVITY) and one Racial Language (Latin) in a worldwide White Racial Community.
5. **CREATIVITY** rejects the Jewish lie about the separation of church and state and strives for the unity of our White Racial Religion with our White Racial State.
6. **CREATIVITY** first of all aims to achieve a REVOLUTION OF VALUES THROUGH RELIGION, therefore it completely and categorically rejects the Judeo-Christian-democratic-Marxist-liberal-feminist values of today and supplants them with new and basic values of which RACE IS THE FOUNDATION.
7. **CREATIVITY**'s key criteria is: What is Best for the White Race. What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin. That is our Golden Rule.
8. **CREATIVITY**, instead of perverting the thinking of its supporters with a phantom world of the never-neverland, concentrates on life on this earth, the only domain in which man has ever been known to live, spiritually or otherwise. We aspire to make life on this earth richer, fuller, grander, and more rewarding than any civilization that has ever existed.
9. **In CREATIVITY**, whereas we concentrate on the here and now, we also place great importance on the past and the future of our race. We regard our race as a long endless golden chain of which we of the present are only a link. We honor our prestigious ancestors and we plan and prepare for our tremendously superior progeny of the future.
10. **CREATIVITY** is so designed that the White Race can thrive, prosper and advance for the next million years. This we can confidently predict because CREATIVITY is based on the Eternal Laws of Nature for the survival of our species, and for the upgrading of future generations of our race. This is in direct contrast to the sickly Jewish Christian creed, which promotes the survival and expansion of the inferior mud races and the worst elements of our race to detriment of our better elements. Creativity is the only road to White Victory!

Little White Book— 10

Lessons of Nature for White Survival

1. We must recognize and separate our own biological species, our own precious White Race, from that of the mud races.
2. We must recognize our natural enemies, namely the mud races, of which the Jews are the most vicious, treacherous and deadly. DELENDA EST JUDAICA!
3. We must recognize that our most important mission in life is the survival, expansion and advancement of our own kind and that we must make the world safe, not for democracy, but for the future of our own progeny, for all time.
4. Instead of accepting and succumbing to sick and degenerative Jewish ideas such as Liberty, Equality and Fraternity; Christianity, Communism and Democracy; race mixing and the promotion and subsidization of the scum and the inferior mud races, we must have a complete revolution of those values we hold dear, values that are promulgated by the White Race, for the best interests of the White Race and the White Race exclusively.
5. To do this, we must have a clear, consistent, comprehensive creed and program of our own, based on those values that are in our own best interests. Such a creed and program must embrace such key values as Racial Loyalty, White Racial Teamwork, Racial Purity, the Leadership Principle, the practice of eugenics and the upgrading of our racial species, and many other vital concepts as set forth in our own *NATURE'S ETERNAL RELIGION, THE WHITE MAN'S BIBLE* and other religious books of CREATIVITY.
6. We must realize that whether we like it or not, we, the White Race, are embroiled in a deadly racial war, a war not of our making, but contrived and orchestrated by the worldwide Jewish network. We are now in the precarious position of being exterminated, a crisis that is coming to a rapid climax. Unless the White Race soon becomes aware, aroused, organized and militant, we will soon be an extinct species.
7. We must also realize our own worth: that we are Nature's Finest, and also we must recognize our own strength and resources. Aroused, united and organized the White Race is the most powerful force on the face of the earth.
8. We must realize that we cannot save all of humanity, and that we have no obligation to do so. We must get our priorities straight and save our own precious White Race in accordance with the principles of TRIAGE. (See *RL* No. 67.)
9. We must now muster and mobilize those forces we possess and wage an all out war to destroy our enemies and save the White Race from extinction. We must mobilize and polarize around one powerful, comprehensive and militant creed to save ourselves and our future progeny. That creed and program is CREATIVITY and CREATIVITY exclusively.

- We must realize that we are now in a dire and crucial crisis in the life span of our race, and we must dedicate ourselves to winning this crucial battle for White survival at all costs, no matter what the price or the sacrifices required. We are Nature's Finest, and in accordance with the Highest Law of Nature— survival of the species— we must and will use any and all means to secure the survival of our species. The end (White Survival) justifies the means (any and all means deemed effective and necessary). RAHOWA! WHITE POWER!

Little White Book— 11

CREATIVITY: Creed and Program

1. CREATIVITY is a racial religion whose prime goal is the survival, expansion and advancement of the White Race.
2. Our organization is known as The WORLD CHURCH OF THE CREATOR. Our movement and religious philosophy are called CREATIVITY, and members of our church are called CREATORS.
3. Every issue, whether religious, philosophical, political or racial, is viewed through the eyes of the White Man, and exclusively from the point of view of the White Race as a whole.
4. The cardinal test of any theory, plan, or program is this: Will it accrue to the benefit of the White Race?
5. We believe that the White Race is Nature's finest creation of all time and that our most precious treasure is our White Gene Pool. Guarding the purity of our worldwide Gene Pool, enhancing it, and the upgrading of our future generations is our highest responsibility and our most sacred duty.
6. The four basic foundations of our religions creed are: A SOUND MIND in a SOUND BODY in a SOUND SOCIETY in a SOUND ENVIRONMENT.
7. Our Golden Rule is: What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin.
8. A thorough and comprehensive study of history has convinced us that the jews, with their odious Talmudic and Judaic religion, are the most sinister and dangerous parasites in all history, and that they now control and manipulate the finances, the propaganda, the media and the governments of the world. It is our sacred duty and unswerving goal to get these parasites off the back of the White Race, and enable the White Race to again take control of its destiny and restore it into its own capable hands. DELENDA EST JUDAICA!
9. We mean to cleanse our own territories of all the jews, niggers and mud races, and send them back to their original habitat. Starting first with the United States, we then want to help each White country to free their territories of the contamination of mud races, and prevent not only race-mixing, but geographic mixing of races within any of the lands now occupied by the White Race.
10. A tremendous weapon in the worldwide jewish drive of race-mixing and proliferation of the mud races has been jewish christianity, concocted for the very purpose of mongrelizing and destroying the White Race. It is our avowed objective to expose this jewish swindle and replace it with a sound, healthy racial religion of our own.
11. Our first and foremost problem in saving the White Race from mongrelization and genocide is to straighten out the confused and scrambled thinking of the White Race itself. Once we have accomplished that much, getting the jews, niggers and mud races off our backs will be relatively easy. When this has been accomplished, we then propose to expand the White Man's territory slowly and gradually, similar to the historic "Winning of the West" in early America, until the White Man inhabits all the good lands of this Planet Earth.
12. Simultaneously with the above, we mean to promote and practice Eugenics for the upgrading and advancement of the human species itself, as is spelled out in our THREE BASIC BOOKS: *NATURE'S ETERNAL RELIGION*, *THE WHITE MAN'S BIBLE*, and *SALUBRIOUS LIVING*.
13. We also are deeply concerned about the now rapidly deteriorating environment of our Planet Earth, which has not only become racially polluted, but is becoming highly contaminated with overwhelming masses of chemical wastes, nuclear wastes, and other dangerous and toxic poisons. As soon as the White Race again has control of its own destiny we mean to reverse this process, clean up the Planet and again make it a clean, pleasant and viable place for the White Race to live.
14. We also mean to address the problem of farmlands and soil fertility, a problem that is now out of control. As set forth in *THE WHITE MAN'S BIBLE* (Creative Credo No.13, 14, and 15), we plan to put

into operation a program of restoring the fertility of the soil and conserving its stability on a worldwide basis.

- 15.** We are also concerned about the physical and mental health of our people. In order to enhance and upgrade the physical well-being of both young and old, we mean to promote a natural life style as set forth in *The White Man's Bible*, and further amplified in *Salubrious Living*. The salient components for such a program are summarized in both books under the **FOURTEEN BASIC POINTS OF SALUBRIOUS LIVING**.
- 16.** Our basic philosophy is spelled out under the heading of **THE SIXTEEN COMMANDMENTS** in both *Nature's Eternal Religion*, and *The White Man's Bible*, and is part and parcel of our creed.
- 17.** Our **DECLARATION OF INDEPENDENCE FROM JEWISH TYRANNY** is set forth in *THE WHITE MAN'S BIBLE* (Creative Credo No.67).
- 18.** Our program to overcome the tyranny and violence directed against the White Race is spelled out on **PAGE 401** of *The White Man's Bible*, and we mean to follow and implement these steps, including **ARTICLES 7 and 8** in the order listed, if and when the time should come when we are compelled to do so.
- 19.** In Creative Credo No. 65, we have an additional creed of our Church enabling the White Race to protect itself from a hostile government, under the heading **Articles for the Defense of the White Race**. This, too, is part and parcel of our creed and program.
- 20.** In a rapidly degenerating world that is now overcrowded and overrun with an explosion of inferior mud races; a world that is drug-ridden and already overly polluted with toxic chemicals and nuclear wastes; a world now steeped in anarchy, chaos and terrorism, it is nevertheless our ultimate and continuing goal to build in its place a **WHITER AND BRIGHTER WORLD** for our future generations.

Little White Book— 12

A Declaration of Independence from Jewish Tyranny

Since a penetrating study of both contemporary and Ancient history has conclusively revealed the following situation:

1. The jewish race by choice has waged deadly, unrelenting warfare against us, the White Race, in order to destroy us.
2. The jewish people are banded together in a various racial, religious and political conspiracy to gain control of all the money, all the economic and financial resources, all the land and territory and real estate of the world, in short, its total wealth.
3. The jews have made it their primary goal to mongrelize, kill, decimate and otherwise destroy the White Race.
4. The jews are determined to enslave all the races of the world, including the final mongrelized product of the White Race that they intend bringing about.
5. The jews have in the past successfully and successively destroyed our White Racial ancestors, to name a few: the White Egyptians; the highly creative and gifted Greeks of Classical History; the great and noble Romans of ancient times.
6. The jewish conspiracy now owns, monopolizes, and/or controls the majority of the White Man's industry, finances, educational facilities, news media, television networks, government, religion, and monopolizes all or nearly all instruments of thought control.
7. The White Race is now an occupied and enslaved people under the cruel heel of the jewish tyranny. Now, therefore, we of the WORLD CHURCH OF THE CREATOR, in the name of all our White Racial Comrades throughout the world, proclaim this, our own Declaration of Independence.

We hereby resolve that it is our sacred duty and holy obligation, not only to ourselves, but also to our noble ancestors that produced us, and our precious progeny who will follow us, to bring about a world situation in which we are determined:

1. To throw off the yoke of jewish tyranny and control.
2. To wrest control of the White Man's destiny into the loyal and capable hands of our own people.
3. To eternally fight for the survival, expansion and advancement of the White Race.
4. To shrink our enemies, namely the jews and the other mud races, and expand the territory, the power and the number of our own White Racial Comrades.
5. To make it impossible for the jews and other mud races to ever again threaten the existence and well-being of the White Race.

To this, our Declaration of Independence, we forever pledge our Lives, our Sacred Honor and our Religious Zeal.

Little White Book— 13

Creativity Unique— Not a rehash of the Nazi philosophy

We Creators believe that Adolf Hitler was a pioneer who made a tremendous breakthrough for the White Race, but unfortunately he did not break the back of the jewish monster. On the contrary, the jews emerged victorious from the ashes of a defeated Germany. When WWII ended, the jews were ten times more powerful than before that holocaust began. Now, over forty years later they have further consolidated that power and tightened their death grip on the world, and on the White Race. It remains up to us, the present generation of the White People, to break that jewish stronghold. Nobody else will do it for us.

We Creators have learned much from the Nazi experience and the mistake made in dealing with the jewish monster. National Socialism was the first mighty breakthrough for the White Race, but it was not the total answer. IN CREATIVITY, THE WHITE RACE FINALLY HAS THE TOTAL ANSWER TO THE PROBLEMS OF WHITE RACIAL SURVIVAL, EXPANSION AND ADVANCEMENT! We Creators have come up with a completely different approach and use the same weapons the jews have used so successfully for over 3,500 years, namely the POWER OF RELIGION.

1. There are at least eight Fundamental Differences between the Creativity movement and the Nazi movement, which have been outlined in *Expanding Creativity* (p.56-57) and *Building a Whiter and Brighter World* (p.50-51):
2. Whereas the concern of Hitler and the Nazi movement was to save Germany from the enemies that surrounded her, the overwhelming goal of the Church of the Creator is to save the White Race and insure the survival, expansion and advancement of the White Race on a worldwide basis. We preach not nationalism, but Racialism.
3. Hitler himself stated that the Nazi movement was a political movement exclusively for the Germans and not for export. CREATIVITY is, in contrast, a RELIGIOUS MOVEMENT designed for global proportions to embrace all the White peoples of this Planet Earth.
4. Whereas Hitler never tackled the issue of jewish christianity, and, in fact, sometimes even mildly identified with it, we confront christianity head-on, expose its treacherous and deceitful nature, and its jewish origins.
5. Hitler left us a burdensome legacy that still lingers on in the minds of many of his admirers, and that is that the jewish problem must be solved as a political problem. We Creators say: not so, it is a religious problem that can only be solved by replacing jewish christianity with a powerful racial religion for the White Race. In the one and only, true and revolutionary White Racial Religion— CREATIVITY— we have such a solution.
6. Whereas the Nazi movement took a harsh and hostile stance toward many of its White neighbors— the French, the Poles, the Czechs, etc., CREATIVITY, on the other hand, seeks to embrace and unite all the White peoples of the world in the spirit of White Racial Loyalty and solidarity.
7. Whereas Hitler formed a military alliance with one of the more powerful mud races, namely the Japanese, to help kill White peoples, to us Creators this is sheer treason and must never happen again. A cardinal rule of the Church of the Creator is: never, never again shall the White Race engage in suicidal warfare against its own kind but concentrate its power and hostility instead against its racial enemies— jews, niggers and the mud races.
8. Out "mythos" is the American scene of our White pioneering forefathers, Manifest Destiny and the Winning of the West, which we consider as the finest chapter in the history of the entire White Race. In contrast, the Nazi mythos was narrowly nationalistic in orientation, with the exclusive emphasis on German language and history.
9. We shun the "personality cult" approach to the overwhelming problem that confronts us and rely instead on logic and common sense, on the experience of history, and on the Eternal Laws of Nature as the broad and solid base upon which to build our powerful religious movement for the White Racial Survival, Expansion and Advancement.

- We must not get into the rut of merely rehashing the problem endlessly. Let us instead direct our energies constructively towards solving the problem by building a massive White Racial movement. CREATIVITY is the solution.
- There will never be a better time to get our act together than NOW. We will not get a second chance.
- If the White Race isn't worth saving, what is?
- The work of the Church of the Creator is to restore the natural instincts Nature gave to the White Race.

Lessons from the Winning of the West

One hundred years ago, on December 29, 1890, at the battle of Wounded Knee Creek, South Dakota, the White Race finally and absolutely triumphed in America. Let us honor and celebrate this glorious day— THE DAY OF TRIUMPH OF WHITE AMERICA— every year, and let us learn and remember the following important lessons of our history:

1. The most obvious and important lesson we must learn is that America, as every other country, empire, or civilization, was built by conquest. It was by force of battle, by spilling blood, by conquering the enemy that the White Man in America forcibly took the land from the Indians, and the Mexicans, and won independence from the British.
2. We White Racial Loyalists— Creators regard the wars against Indians and the Mexicans as of far greater significance than the war of the American Revolution against England. After all, Canada has prospered equally well, although it never formally broke away from England. Its smaller population is solely due to the fact that only its southern fringes lie in a hospitable climate.
3. If the American wars of pushing back the mud races and settling the conquered territories with White people were so productive in the past and were the "American Way", why scrap a winning formula? Why not apply the same successful program to the rest of the land areas of the world, not just for the U.S., but for the White Race as a whole? We White Racial Loyalists— Creators propose that this is exactly what we not only can do, but must do, if we are to survive. We have the intelligence, we have the power, and as Nature's Finest we have every Nature-given right to do so. Our White Racial Religion— CREATIVITY— furnishes us not only with the moral right to do so, but also the moral obligation to do so.
4. For those self-hating White bleeding hearts (whose minds have been polluted and perverted by jewish propaganda) we throw down this challenge: If you really believe that the White Man was wrong in conquering America, if you don't believe in the American way, why don't you set an example of demonstrating your convictions by deeds? Give your property back to a Mexican or an Indian, renounce your American citizenship, crawl into a hole and die. That's the bottom line of your idiotic conclusions, whether you know it or not.
5. We White Racial Loyalists— Creators take the contrary position. We take a position that both Nature and history have taught from time immemorial, and that is: Land and Race are Everything. Land is essential to the life and the preservation of our race. The survival, expansion and advancement of our race is the most vital goal in our existence. We White Racial Loyalists— Creators believe not only in expanding American territory, as did our glorious ancestors during the nineteenth century, but of following the same great "American way" of expanding the living area of the White Race all over the world, until the White Race inhabits every hospitable square mile on the face of the earth. RAHOWA! THIS PLANET IS ALL OURS!

- We believe that reality is a thousand times more meaningful than fantasy.
- The road to the White Man's salvation: dedication, propaganda, organization, leadership.
- Our minimum goal is to get the jews off our backs and wrest control of the White Man's destiny back into our own capable hands. From there on out, the sky is the limit.
- Christianity is a jewish mind scrambler that has confused the hell out of the White Race for over 1800 years. Join the White Man's Religion. Become a Creator.
- Are you a full time activist or a part time dabbler?

Little White Book— 15

We are Proud to be White Racial Loyalists

We Creators take this stand: Yes, we are proud to be Racists. Yes, we are prejudiced in favor of the White Race at all time, in all things. Only we call this Racial Loyalty, and anyone who is not loyal to the White Race we designate as a despicable traitor to his or her own race. (*WMB*: 25)

1. Nature decrees that each species look after its own exclusively and guard against its enemies. We will call this philosophy to each his own, or Racial Loyalty, in reference to people.
2. We must never again look at issues from anyone else's point of view, not through the snake's eyes, not through the jew's eyes, not through the nigger's eyes, or any other enemies' point of view. We must measure everything from our own point of view. We must consider every issue from the White Man's point of view, and no one else's.
3. The third conclusion logically follows the second and it will be the bedrock of our religion thinking, namely: What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin. We have already decreed this as our Golden Rule. (*WMB*: 25-26)

- Never again must we be Traitor to our Own. As we proceed to build the philosophy of our religion for the survival of the White Race, let us never again look at the world through the serpent's eyes. We are not interested in the serpent's point of view. We have only one consideration: The White Man's point of view, The White Man's best interest, The White Man's welfare. To do otherwise is playing the traitor to our own race and an affront against the Laws of Nature itself. (*WMB*: 26)
- White Man, your first loyalty belongs to the White Race!

Little White Book— 16

CREATIVITY: White Racial Teamwork

In CREATIVITY we follow the experience of history. Eternal struggle is the price for survival. The winners of such struggles are those who organize, who have a battle plan, who practice racial teamwork. In CREATIVITY, as we unfold our creed and program, we endeavor to furnish the White Race with all these essentials, and more. (*WMB*: 32)

1. In Creativity we emphasize responsibility and duty over a libertine philosophy.
2. We favor the producer over the consumer.
3. We have learned from the hard experience of history that all libertine societies end in anarchy, and that anarchy is the cruelest and most destructive of all tyrants.
4. We believe in the fullest exercise of freedom within the context of organized society and responsibility toward that society.
5. We believe that the freest individuals are those within the framework of an organized White government, free from alien control and free from pollution of alien races.
6. We believe history and experience have shown that only on the basis of recognizing our enemies, destroying and/or excluding them and practicing racial teamwork can a stable lasting government be built for the progress, prosperity and advancement of the White Race. (*WMB*: 32)

- CREATIVITY is a religion for the survival of the White Race.
- Time is running out. The time for action is NOW!
- The jew is the master of perversion.
- When Creativity triumphs the White Race will be jew-proof for all time.
- White Men of the World, UNITE! You have nothing to lose but jewish tyranny.

Little White Book— 17

Steps towards the Salvation of the White Race

1. First of all, we must go back to the fundamentals of Nature, which is the heart of our religion— CREATIVITY.
2. We must realize first and foremost that the survival of our own race— the White Race— supersedes any and all other goals in importance. We must look at all issues through the eyes of the White Race and the White Race alone.
3. We must realize that we are not here to help others, least of all the scum of the earth, but to help ourselves.
4. We must realize that only by hard struggle on our own behalf can we survive and build a better race.
5. We must realize that only by building a better race can we ever build a better world. The two goals merge together.
6. We must clearly recognize our racial enemies— jews, niggers and muds— and treat them as such.
7. We must realize that such words as "help", "charity", "compassion", "humanitarianism", "aid to the needy", etc., are jewish catchwords designed (a) to fleece the White Man, and (b) transfer the White Man's hard-earned substance to the niggers, the mud races and the freeloaders, and (c) thereby destroy the White Race.
8. We must realize that most of today's charity is promoted and channeled by the jews and goes to the benefit of jews, niggers and mud races.
9. We must realize that unselective and indiscriminate charity is not a virtue but a racial sin which is extremely destructive to the White Race.
10. We must never participate in any charity that benefits our enemies.
11. We must aim our aid, charity, contributions to benefit the White Race as a whole and be careful that even among our own kind we are not aiding and abetting those that could and should help themselves.
12. We must realize that by subsidizing those that are capable of helping themselves we are encouraging them to become freeloaders, we are thereby not really helping them but undermining their ability to become independent, useful members of our White Society.
13. We can render the most useful aid by teaching our White Racial Comrades how to best help themselves and fend for themselves. This applies especially to our own offspring.
14. We must realize that encouraging parasites at the expense of the productive group rapidly expands the parasites out of control and destroys the producers. This unfortunately is the course we are now pursuing and it obviously leads to the collapse of race, economy and civilization.
15. The thrust of our endeavors must, therefore, be just the opposite: encourage and increase the productive base and discourage, decrease and cull out the incapable, the useless and the freeloaders. Only by doing so can we build a stronger, more capable race and a better world of tomorrow. (*WMB*: 394-395)

Priorities of the White Race

1. Our first priority is the survival, expansion and advancement of the White Race. To achieve this goal no price is too high, no sacrifices is too great, and we will and we must utilize any and all means necessary to achieve this paramount goal.
2. To enable us to achieve our own survival, we must first and foremost get the parasitic jew off the back of our people, not only in America, but throughout the world. For too many thousands of years they have been the scrooge of mankind. DELEND A EST JUDAICA!
3. In order that we can organize ourselves and muster the power to smash the Jewish stranglehold, we must first destroy and replace jewish christianity, their most powerful and insidious weapon, with a healthy racial religion of our own.
4. The basic philosophy of such a religion must be: What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin. Racial Loyalty and White Racial Teamwork must be the foundations of our program.
5. Never again must the White Race be euchred into fratricidal wars of White Men killing White Men. If we must go to war, let us make damn sure we direct such wars against our real enemies— jews, niggers and the mud races.
6. As Nature takes its course and the mud races wither away of their own incompetence and inability to feed themselves, we must expand our own kind and colonize all the good lands of this Planet Earth.
7. We Believe that Planet Earth has a definite limit as to the number of people it can comfortably feed, house and accommodate. We believe that number is in the vicinity of one billion people. Once we are in charge of our own destiny, we can stabilize our world population at that number, and through the practice of eugenics constantly upgrade the health, intelligence and genetic quality of our people, thereby building a healthier, happier and more prosperous life for Nature's Finest for all time to come.

- To say that the success of the CREATIVITY movement will mean so much to so many is an understatement. Do your part. Help bring it about.
- There will never be a better time to get our act together than NOW. We will not get a second chance.
- We want to start laying the groundwork now, for the Future Leadership Cadre of the White Race.
- Only a better people can build a better world. Without an uncontaminated White Race, this is unthinkable.
- Remember the Alternative: It is the fiendish obsession of the jewish Establishment that no more White babies be born. Remember that is the alternative to CREATIVITY.

Little White Book— 19

The Program to Overcome the Tyranny and Violence against the White Race

Our program to overcome the tyranny and violence against us, must proceed in the following order, from one emergency to the next:

1. It is not our objective to declare a war of violence against the jews, niggers and other mud races. We will assert ourselves non-violently but be adamant in our pursuit to freely practice our religion as guaranteed by the First Amendment to the Constitution. We will demand, as everyone else, the right to peacefully assemble, as guaranteed by the Constitution, and the right to organize.
2. As we organize our churches, we will distribute *NATURE'S ETERNAL RELIGION* and our *WHITE MAN'S BIBLE*, until we have placed a copy in the hands of a majority of our White Racial Comrades. We will make sure every White man, woman and child understands the jewish conspiracy that is now upon us.
3. As the White Race becomes united, informed and aroused, we will boycott every jew and every aspect of jewish influence in our society. This includes boycotting the jews in business, in their professions, in their political activities, in education, in religion, in the news media, theater, etc. Not only will we boycott them, but we will expose them, point them out and wage propaganda warfare against them, just as they are presently doing against the White Race. This we can do legally and very effectively once we get our religious structure organized.
4. We thereby intend to drive them out from our society in all phases of influence and power, just as Hitler did in Germany. We will let them peacefully "wither on the vine" or let them peacefully migrate to Israel where the Arabs can contend to them. In no case will we any longer subsidize them, do business with them, or allow our White Racial Comrades to be used as victims to promote the welfare of these parasites on our backs.
5. Once we have driven them from political office, we will follow this up with legal measures to forever exclude the jews from positions of power or influences in government, education, propaganda, arts and theater or any other meaningful influence in our society, as did Hitler in Germany, and as did the Byzantine Empire over a thousand years earlier, and as the bandit state of Israel has done to all peoples who are not of jewish birth.
6. In the meantime, while we are still in the process of regaining control of our own destiny, in no case will we ever surrender any of our guns or weapons, under any pretext, ruse or semblance of law whatsoever. Never, never, never, not even one gun. The Second Amendment gives us the constitutional right to keep our guns, and we damn well mean to exercise that right at all costs.
7. So far everything is legal. We have demanded nothing more than our Constitutional rights, the same as every other citizen. We hope we will need go no further. Now we come to the crux of our position: Should the jewish government use force to violate our Constitutional rights to freely practice our religion; to peacefully assemble; to peacefully organize; to distribute our *WHITE MAN'S BIBLE*; to use mails and any other prerogative in promoting and expanding our legal religious organization and the full practice of our religion, then we have every right to declare them as open criminals violating the Constitution and the highest law of the land. They then obviously are the criminals, and we can then treat them like the criminal dogs they are and take the law into our own hands. This is the obvious, logical thing to do. We must then meet force with force and open warfare exists. It will then be open season on all jews
8. Should the jews use assassination against our members, or our leaders, then the White Race must meet fire with fire, and retribution and vengeance will be our answer. For every one of ours they kill we will exact ten times their number, starting with the rabbis. When law and persuasion no longer protect our rights to survival then we must— as all free, courageous, intelligent people have done through the ages— turn on our tormentors with a furious vengeance and destroy them down to the last man. This is the thing the jews fear above all— violence directly against their race, and rightfully so. With our superior numbers and fighting qualities, the jews would be wiped out

mercilessly, should they violate our Constitutional rights and inflict violence against us. (*WMB*: 401-403)

- Don't be a passive spectator. Become a militant activist in the White Racial Revolution.
- Ideology without action is sterile.

Little White Book— 20

Every Creator a Reverend:

The Advantages of becoming an Ordained Minister of the World Church of the Creator

Now that we have the blueprint drawn, the foundations laid and the framework for the White Racial Religion of the future under construction, it behooves us to put muscle on the bones as quickly as possible. This we are attempting to do and the means to do it with are people— more good, aggressive, White activist people. We need to utilize our resources to the utmost and take advantage of every means at our disposal. (EC: 196)

As I have pointed out any number of times, religion is undoubtedly the most powerful motivator and energizer to ever influence the human elements throughout history. Combine this with a racial fervor as the jews and Moslems have done and you have a combination that is intensely powerful. In CREATIVITY we finally have such a combination for the White Race. (EC: 196)

RELIGION, like fire, is a powerful force, but, like fire, it can be either constructive or destructive depending on how it is used, by whom, and on whom. As I have pointed out innumerable times, the jews concocted Christ-INSANITY for us, slopped it on us, and used it as a powerful tool against us and for our own self-destruction. However, now that CREATIVITY has come along, we can take a long historical view of all this religious anarchy which the White Race has suffered and profit from the lessons it has taught us. We can and should learn from experience. We can and must especially learn from the disastrous experience such as the nightmare of mongrelization the White Race is being subjected to right now. We can learn the same methods, techniques and procedures our enemies use and put them to work for our own best interests. Now that we CREATORS are no longer interested in saving (the scum of) humanity, but instead look at every issue from the basis of our own Golden Rule ("What is best for the White Race?"), we, too, can do many powerful things with religion, our own religion. (EC: 196)

This short treatise is designed to emphasize only one limited phase of that all-encompassing program, and that is to fully utilize the extraordinary prestige and influence religious titles exercise in our culture and society. The jews have bragged time and again that practically every new issue (such as integration and mongrelization) that they want to slop on the White Race they promote first through the ministers (the White Man's) and the churches as a moral issue. Why? Because there is an inherent "reverence" for "the Reverend." They not only use this ploy with the White "Reverends," but also and especially by means of black "Reverends" who, though they are just recently emerging from the jungles, are now almost instantly converted into a near deity by turning their collar around and draping them with the religious mantle of "Reverend". (EC:197)

When they picked an alleged Communist, panderer and car thief by the name of Martin Luther KOON to head up the "civil rights" movement of the sixties, they first of all made sure that he had the title of "Reverend". They did the same with his successor, the "Reverend" Abernathy, although anyone looking closely into that dark and sinister face can visibly see in it more malignant criminal hatred for the White Race than any so-called Christian love and charity. The same goes for the "Reverend" Jesse Jackson, and a host of other black "Reverends" whose jungle English can hardly be comprehended. (EC: 197)

Well, two can play that game. We now have a religion of our own, a White Man's religion, established for the survival of the White Race, for the White Man's benefit. It is called CREATIVITY. Since religion is like fire, let us make sure we utilize ours to burn down the treacherous facade that is being used against us, and to fuel our own engines to steamroller the jews and other mud races out of our culture. (EC: 197)

In CREATIVITY we have a legitimate, powerful religion that has every right, privilege and protection as spelled out under civil and religious guarantees of the First Amendment of the U.S. Constitution. We CREATORS DO NOT ASK the jewish establishment whether we, too, can exercise those rights the same as any jew or nigger. We do not stand there, hat in hand, begging. WE DEMAND that we have

those rights unquestionably, and woe betide any jew, nigger or race traitor who would stand in our way and fain deny us our legal rights and equal protection under the law of the land. (EC: 197)

So let us proceed and exercise our muscle and constitutionally guaranteed rights. Let us too have ordained Ministers and Reverends to spearhead our noble and sacred Cause. (EC: 197-198)

This is nothing new in our movement. We have been ordaining Ministers of the WORLD CHURCH OF THE CREATOR for over ten years, and presenting qualified members with Ministerial Certificates. The Mormons throughout their history have instituted the practice of obligating every member to become a lay missionary. What we now want to do is to step up our campaign and have every valid member of the WORLD CHURCH OF THE CREATOR apply for and, if qualified, receive a Ministerial Certificate, and become an Ordained Minister. (EC: 198)

What are the advantages of doing so? Well, there are many and I want to briefly recapitulate them here:

1. The prestige and recognition that automatically go with the title are a most valuable asset that has long been recognized by the Christians, jews and niggers. We, too, can capitalize on it.
2. The legal protection under the First Amendment is much more pervasive for a religious group, front, organization, or whatever, than say a political group (like the Nazis), or a fraternal organization, or a "charitable organization" (always suspect of fraud), or a civic organization, or any other. Whereas, the media or any political hack will eagerly kick a NAZI around like some dog, they will differently treat with kid gloves any "Reverend" who heads up a religious organization. Why? Because to attack him possibly opens up the same charges against all other "religious" organizations and could bring the wrath of the religious "establishment" down on their heads.
3. It lays the basis for the legitimate claim of exemption from the tyrannical and voracious jewish tax collectors. It is no guarantee, but it is a strong claim that we can and must defend. If the jewish synagogues get tax exemptions, why shouldn't we? If the niggers' "religious" establishments get tax exemptions, why shouldn't we? If the Catholic Church, which is headquartered in a foreign country, gets tax exemptions, why shouldn't we? The answer is: there is no reason in the world why we shouldn't and we must demand and defend our religious and civil rights guaranteed under the First Amendment (also, the Fourteenth— "Equal Protection under the law" clause).
4. Since most religious groups in this country (and around the world) are based on a most transparent hoax (the spook-in-the-sky swindle), but nevertheless wield a lot of political and moral clout, the jewish establishment (i.e., the government) is most skittish about arguing the issue in the courts, since it can and will bring out so many obvious flaws, swindles, hoaxes and contradictions that it might bring down the whole odious house of cards. We CREATORS must realize this, and that is our trump card— we are probably the only legitimate religion on the world scene whose beliefs, creed and philosophy are based on truth and reality. All others, be they Christianity, judaic, Mormon or Moslem, are totally based on a collection of hocus-pocus. Their basis is built on the flotsam of far-out superstitions, on myths, hearsay and lies that won't stand the light of day. They cannot either substantiate or justify their super-natural claims and swindles. Ours is based on fact, on the Eternal Laws of Nature, ON REALITY, on the truth. You can't beat that— but nevertheless, when we are forced to, we must defend it at all costs. (EC: 198-199)

All right, we now realize the advantages of a religious movement, especially ours. We realize the advantages of being an Ordained Minister of the Church and having the title of Reverend. So, why not utilize this advantage for every good, upstanding member of the WORLD CHURCH OF THE CREATOR? (EC: 199)

Why not, indeed? Why don't you become an Ordained Minister of the WORLD CHURCH OF THE CREATOR? Why not utilize your best talents for the promotion of our sacred goal— the survival, expansion and advancement of the White Race? (EC: 199)

So how do you go about becoming an Ordained Minister of our Church? Here are the steps:

1. First, become a member of our Church. If you are not now a member, you can become one by applying by letter and donating \$35 to The Church. In return you will receive a Membership Certificate and a 12 month subscription to our periodical, *The Struggle*.
2. Next, after having thoroughly studied our creed and program as set forth in our three sacred books, write us for an application form to become ordained.
3. Upon submission of your application along with a passport sized photograph of yourself, your credentials will then be reviewed.
4. If you are deemed to be a legitimate White Man or Woman over the age of 16, and have convinced us that you are dedicated to the noble cause of the White Race, you will be awarded a Certificate of Minister, with all the ensuing credentials for becoming an inspirational leader in your area. This will have the further advantage of giving you the prestige and credentials to form a Church group of your own as set forth in our guidelines. Why not avail yourself of these advantages? Act Now! (EC: 199-200)

- The essence of history is the rise and fall of races.
- Race has been the controlling factor in history.
- jews, being the loudest in denouncing racism, are the most fanatic racist themselves.

Little White Book— 21

Sound Bites, Brain Bombs & Word Grenades

- My dear White Racial Comrades! Please listen carefully. The White Race is now at a crucial point of NO RETURN. It is headed for TOTAL disaster— total extinction. Unless we take a meaningful and drastic course of action the precious White Race will be gone forever. Help build the unique CREATIVITY MOVEMENT into a powerful battering ram and smash our Nemesis, the jewish network, forever.
- There is nothing secret about the program of the WORLD CHURCH OF THE CREATOR. We mean for the White Race to survive at any and all costs. Anyone who is against the survival of the White Race is our avowed enemy without any further equivocation.
- Dear White Racial Comrade: When you encounter CREATIVITY for the first time in your life, you are presented with a CAUSE towards which you can finally dedicate your total loyalty and commitment.
- Do something meaningful for the White Race: become an Ordained Minister of the WORLD CHURCH OF THE CREATOR and start a WCOTC group in your area.
- Christianity was invented by the jews as a tool with which to destroy the White Race.
- Christianity rapes the minds of otherwise intelligent men.
- To succumb to Christianity is to indulge in a cowardly flight from reality.
- Christianity is against Nature and against Nature's Finest.
- After the advent of Christianity the White Race wallowed in the Dark Ages for 1000 years.
- Christianity has enslaved, subjugated and enchained the intellect of its victims.
- The philosophy-ideology-religion of the WORLD CHURCH OF THE CREATOR is in harmony with the Laws of Nature.
- A religion should help to preserve, promote and advance the race which embraces it.
- Church and State should be united in the White Man's religion.
- Global White Racial Loyalty and Solidarity must be our constant goal.
- Race is everything. In order to survive and prosper, the White Race must overcome its five main enemies: judaism, Christianity, Communism, Liberalism and Nationalism.
- Think of yourself as a golden link in the endless chain of your Race.
- Our greatest task is to bring the White Man back to his senses.
- Nature herself created men unequal and the races unequal.
- The White Race is the Master Race.
- You can take the nigger out of the jungle, but you can't take the jungle out of the nigger.
- The Christian "other world" is as unreal as an LSD trip.
- The jews invented the most hideous idea ever spawned from a depraved mind— hell.
- Instincts are more than a hereditary memory from the experiences of our ancestors— they are also the drive for survival of the species.
- The jew is the root of all evil.
- Hate is as constructive an emotion as love, and hate and love go together.
- To deprive the White Man of hate is like de-clawing and de-toothing a tiger.
- Intense hate of the jew is the beginning of the White Man's liberation.
- The White Race will either overcome the jew or cease to exist.
- The survival of the White Race is our most important concern.

- Plow money back into your own race. It is the best investment you can make for your own future and that of your children.
- We Creators intend to reclaim this Planet for Nature's Finest— the White Race.
- RAHOWA: The White Man's total RAcial HOly WAr is our answer to the jewish war of extermination against the White Race.
- The reason the White Race has been such an easy prey is that a major segment of the White Race is promoting its own self-destruction and the overwhelming moral force behind it has been none other than jewish Christ-INSANITY itself.
- The present U.S. government is a jewish Occupational Government (JOG): our enemy #1.
- If we are ever to restore this Planet Earth to its original pristine beauty and fecundity, there is only one answer— RAHOWA! Total racial warfare, total WHITE VICTORY!
- We must make this part of our religious conviction: it is better to die fighting for our race, for our White Race, than to surrender to the enemies of our race; it is much better to die a hero, than live a coward and a slave.
- We must realize that Nature never intended for any individual to live forever, and since die we must, the greatest honor and the highest dedication we can bestow upon our people, our race, is to fight to preserve it at all costs, or die in the attempt.

The Mission of The WCOTC Berets and White Rangers: Church security and self-defense

- I. The primary mission of the WCOTC White Berets and White Rangers, collectively known as the WCOTC Security Legions, is to provide security services for the WCOTC members and property.
- II. The secondary mission of the WCOTC White Berets and White Rangers, collectively known as the WCOTC Security Legions, is to prepare the WCOTC members for active and effective self-defense.
- III. In order to accomplish their mission of security and self-defense, the WCOTC White Berets and White Rangers must:
 - (a) Organize themselves into small, tightly-knit Primary Groups (with minimum two, maximum ten, optimum five members), in accordance with the Primary Group Pyramid Structure as outlined in *Racial Loyalty #55*.
 - (b) Self-educate themselves in legal self-defense and always remember these principles:
 1. Never trust police, FBI or any other agents of the JOG. They are controlled functionaries of our enemies.
 2. Never allow them inside without a warrant, always demand to see a warrant.
 3. If unwillingly detained, demand to know if you are under arrest and under what charge.
 4. If under arrest, refuse to answer any questions and demand to see a lawyer. However, never trust a lawyer, especially if he advises you to break any of these ten basic legal self-defense principles.
 5. When questioned by the JOG, silence is your best defense.
 6. Be silent, suppress the urge to tell "your side of the story".
 7. Never plead guilty, never waive any of your rights.
 8. Never make any deals with the JOG.
 9. Never betray your comrades of the WORLD CHURCH OF THE CREATOR.
 10. Remember: nothing great is won without great sacrifices. Persecution and suffering are the inevitable obstacles on our path to victory. We must overcome them through dedication and perseverance. Let the great vision of a Whiter and Brighter World inspire and lead you through all trials, sufferings and deprivations.
 - (c) Self-educate themselves in physical fitness, martial arts, first aid techniques, police communications and armed self-defense. Legally own at least one handgun and become proficient with it through frequent target practice.
- IV. All present actions of the WCOTC White Berets and White Rangers must be within the limits of "reasonable self-defense" and within the law. Do not resort to any illegal means or methods! Anyone who advocates actions outside of the limits of "reasonable self-defense" and outside the law can be assumed to be an agent provocateur and would be subject to being expelled from the organization.
- V. Only a card-carrying member of the WCOTC can be a WCOTC White Berets or White Ranger. There can be no exception to this rule.
- VI. Although oriented towards our youth as the most energetic defenders of our race, the WCOTC White Berets and White Rangers impose no age limitation on their membership. However, every member must be physically and mentally able to perform his duties effectively.
- VII. The WCOTC HQ endorses and promotes with great enthusiasm both the WCOTC White Berets and White Rangers, therefore no matter which one of those two is selected by a WCOTC member, he will be part of the militant elite of Nature's Finest.

The basic difference between the White Rangers and White Berets is in the image and mystique, the type of heritage and tradition they want to emphasize, promote and emulate.

White Rangers, as the name implies, draw their inspiration from the tradition of the heroic White conquerors of the North American continent— Pioneers, Frontier Fighters, Cowboys and Texas Rangers. Their official uniform features white cowboy hat (with the WCOTC Logo) and cowboy boots.

White Berets, as implied by their name, draw their inspiration mainly from the heroic White military tradition, especially as exemplified by the elite commando units (such as paratroopers). Their official uniform features white military beret (with the WCOTC Logo) and paratrooper boots.

Despite the differences in image, mystique and tradition, we must always remember that the essence of a White Ranger and a White Beret is not in his uniform, but in his attitude. Our main goal is to revive the attitude of White militancy— the will to fight for what is White and Defend the one and only, true and revolutionary WHITE RACIAL RELIGION— CREATIVITY!

Final Chapter

RAHOWA! This Planet is All Ours

Epilogue

In the face of the impending White genetic extinction, there is now a new consciousness bestirring the White Race throughout the White World. It is a realization of what the WORLD CHURCH OF THE CREATOR has been preaching since its very inception in 1973, namely that:

- (a) We, the White People, are embroiled in a racial war for survival on this Planet Earth;
- (b) All non-White races— niggers, muds and jews— are our natural racial enemies in this fight for survival;
- (c) The jews are leading and orchestrating this ruthless war of genocide against the White Race;
- (d) The Christian churches are their most ardent ally and most potent weapon in undermining the White Race; and
- (e) A RACIAL HOLY WAR under the victorious flag of the one and only, true and revolutionary White Racial Religion— CREATIVITY— is the ONLY SALVATION for the White Race.

In the RAHOWA! concept we have embodied a creed, a philosophy and a fighting slogan for a program of action that can and must pull the White Race out of the dismal quagmire of jewish domination and tyranny.

RAHOWA! In this one word we sum up the total goal and program of not only the WORLD CHURCH OF THE CREATOR, but of the total White Race, and it is this: We take up the challenge. We gird for total war against the jews and the rest of the goddamned mud races of the world— politically, militantly, financially, morally and religiously. In fact, we regard it as the heart of our religious creed, and as the most sacred credo of all. We regard it as a holy war to the finish— a RACIAL HOLY WAR.

RAHOWA! is INEVITABLE. It is the ULTIMATE and ONLY solution. No longer can the mud races and the White Race live on the same planet and survive. It is now either them or us. We want to make damn sure it is we who survive. This Planet is from now on all ours, and will be the one and only habitat for our future progeny for all time to come.

ENEMY AGENDA

The truth concerning enemy religions both East and West is they not "religions," as there is no spirituality in them. In truth, they are nothing more than political ideologies with a tinsel of pseudo-spiritual metaphysics. The "priesthoods" are the party officials who enforce and maintain the ruling ideology over society. No different from any Soviet ruled Nation of the current or previous century, the Party, and the ideology of the Party rules.

The Sudra's duty and supreme good is nothing but obedience to famous Brahmin householders who know the Veda. If he is unpolluted, obedient to his superiors, gentle in his speech, without a sense of 'I', and is always dependent upon the Brahmins and the other [twice-born castes]. He attains a superior birth [in the next life]." — Manusmrti 9:334-335.

Here is the essence of all the enemy systems' points of convergence; the corruption of the true spiritual language by changing the concepts behind the meanings until it is nothing more than a ritualized slave morality that is designed to domesticate humanity with each generation, into a cattle-like state. The dairy cow of today was once the famed mighty Aurochs of old. Understand the crucial fact: genetics are actually meta-genetics.

How the enemy modification program works is simple. The brain is interconnected with the chakra centers, which are the macrocosm of the genetic or DNA information code in the body. By programming the mind via ideological software download, this reformats the neural pathways in the brain [hard drive], which correspond to the programming command [vibration frequency] or filters. This interfaces into the charka centers that send this program code into the overall energy body which imprints it into the genetic information code via epigenetic, thus switching the overall psyche into the program frequency. This plugs into mass mind and then becomes a locked program due to the collective psychic power of the mass mind. Part of this enemy paradigm is the removal of spiritual knowledge and the removal of advanced humans from society by murdering them and destroying their bloodlines. Murdering them cuts off the head of the original system and the head of the new system rules. Communism is the open practice of this and it culls out the most advanced genetics, in order to enforce a slave labor state.

I also believe in places like the Far East where all spiritual knowledge could not be totally removed, celibacy was brought among other reasons, to ensure such advanced genes were not passed on, in essence doing the same.

Over generations, this physiological effect takes greater hold with the lack of spiritual practices now replaced by ritualism, designed to enforce and strengthen the modification program code. The generations born carry the genetic

information code that forms them into existence. To this point, they are born in the image of centuries of genetic transmutation, and you have the perfect goyim or cattle in a global two-legged factory farm. This is how modification works on the meta-genetic level.

Nietzsche understood this and termed it the "Slave Morality," which process and final aim was the under-man, the human cattle. Interesting enough, in the Far East such beings are called "Pashu" [animalistic being]. The ancient spiritual masters acknowledge in that term the degenerative effects of a lack of spiritual practice.

In contrast, daily practice of Yoga undoes the programming codes, it cleans out all the imprints with blasts of a higher vibrational flow, and reformats the psyche to how it should be naturally on a higher level of vibration. The enemy programming is of a low-density frequency wave, and it cannot remain in the psyche after the consistent practice of yoga has advanced with some time. It also strengthens the bioelectrical field to where it blocks [shields] one from the mass mind aspects of the enemy program. This is no different from a radio wave on a lower frequency, which has no effect on a higher wave frequency. This sends a higher vibration into the DNA, which is literally a vibrational information code that interacts with and forms the entire being. Change the vibration, change the code, change the code, and change the form, because the form is vibration, so one ends up with an advancing human again through meta-genetics.

The essence of what Nietzsche calls the 'master morality,' is having a life style and culture based upon an evolutionary practice that creates the god-man [Superhuman], Übermensch, by a literal transmutation of genetic code. As advancing humans have children, and those children mature, following the same path, this leads to advancement of the entire race.

Satan's Enlightenment process works on the meta-genetic level, and upon sending a higher wave of light energy thought the entire being, reforming one to a higher level, until in time one is perfected to the microcosmic frequency or octave of the sun star; the gold in the work.

THE JEWISH CREATION OF CHRISTIANITY

PROTOCOL No. 14

"When we come into our kingdom, it will be undesirable for us that there should exist no other religion than ours, of the One God, with whom our destiny is bound up by our position as the Chosen People, and through whom our same destiny is united with the destinies of the world. We must therefore sweep away all other forms of belief. If this gives birth to the atheists whom we see today, it will not, being only a transitional stage, interfere with our views, but will serve as a warning for those generations which will hearken to our preaching of the religion of Moses, that, by its stable and thoroughly elaborated system has brought all the peoples of the world into subjection to us."

The Christian and Islamic programs both worship the Jews in the form of their "God" and its claimed prophets, hence binding Gentiles under the Jews on both conscious and subconscious levels. The external conflicts are superficial and many are show. Both programs are built upon the Jewish Torah and force the Noahide [Mosaic] laws upon Gentiles, thus conforming to the Jews' stated plans to bind Gentiles into servitude under their rule.

In 380 CE, Emperor Theodosius declared Christianity to be the official Roman State religion, and all Pagan cults were forbidden.

This article deals with how the Jews created Christianity in phases and gained power in the ancient Roman Empire in general. To get to that point, the Jews created this ideology in Alexandria- the Jew York of its era.

"There were a number of Jewish brotherhoods, several of whom believed that they were "God's elect" and that salvation would come through them. Their principle agent of salvation [Yeshua] was the Messiah [Christos], and in the Jewish communities influenced by Greek culture [Hellenized], this messiah was depicted not as a warrior but as a spiritual and mystical entity. In this way, not only would the Romans and the Greeks themselves be overthrown, but also their Gods, being replaced by the Jewish tribal god Yahweh. These various Jewish sects were intent on creating a philosophy or religion that would manipulate the Gentiles into the "monotheism" of Judaism and away from "idolatry," or polytheism, with the awareness that those who held the keys to a monotheistic god would dominate in religion and culture in general. One group of these "Jews by Birth" was that of the Alexandrian Therapeuts."

—Acharya S. "Suns of God"

More on the city and its Jewish population: "Jews were among the earliest occupants of the newly founded city of Alexandria, beginning in the fourth century BCE. With further influxes later at the invitation of the Ptolemys, as revealed by the ancient historian Strabo [63/64 BCE - 24 CE], Alexandria represented by his

time the greatest commercial center in the world. Alexandria during the first century of the Common Era was a thriving metropolis extending in all directions that influenced people around the Mediterranean, including in the important field of religion.

First-century Alexandria vied with Rome to be the greatest city of the Roman Empire. More than a half a million people lived in its cosmopolitan four square miles. It was a major center for international trade and shipping. It seems clear that the Jewish population of the city was large and spread out in all areas. So sizable was the Jewish population at Alexandria that Philo, a member of one of the wealthiest Jewish families in that metropolis estimated that by his era, Jews constituted some 50 percent of the city. Moreover, the Jewish population at Alexandria was so large and powerful that Jews possessed "their own treasury and court of justice."

—D. M. Murdock "Christ in Egypt"

This Philo character played a major role in working to subvert the Gentile host culture, no doubt using his wealth and influence to do so. Philo, being part of this Therapeut organization, which declared objective was to bring Gentiles down and chain them to the Jewish yoke via an ideology that hijacked religion. Philo was a Karl Marx of his day.

"Philo himself was apparently a Therapeut, based on a number of factors, not the least of which is that he was knowledgeable about the mythos and ritual of the Alexandrian mystery school. In addition, Philo's likely involvement with the Therapeutan Church of God is reflected in the fact that later writings of "Christians" were "borrowed" heavily from the Jewish philosopher. "Philo was the bridge between Hellenic Judaism and Christianity"—Acharya S

"He [Philo] came from a wealthy and prominent family and appeared to be a leader in his community. Philo's brother, Alexander, was a wealthy, and prominent Roman government official, a customs agent responsible for collecting dues on all goods imported into Egypt from the East." Note the typical Jewish tactic of trying to inject Jewish lies and claims of supremacy into every Gentile culture exemplified by this Jew:

"He [Philo] put forward the teachings of the Jewish prophet, Moses, as "the summit of philosophy" [Op. 8], and considered Moses the teacher of Pythagoras [b. ca 570 BCE], and of all Greek philosophers and lawgivers [Hesiod, Heraclitus, Lycurgus, to mention a few]. For Philo, Greek philosophy was a natural development of the revelatory teachings of Moses. He was no innovator in this matter because already before him, Jewish scholars attempted the same. Artapanus in the second century BCE, identified Moses with Musaeus and with Orpheus. According to Aristobulus of Paneas [first half of the second century BCE], Homer and Hesiod drew from the books of Moses which were translated into Greek long before the Septuagint."

Even this Moses character was stolen from the Gentile God Bacchus, who is a

Romanized name for Dionysus, and was worshipped in Egypt as Osiris.

More on this order:

It was in Alexandria that the Jews first came so powerfully under the influence of Hellenism, and here that the peculiar Greco-Jewish philosophy sprang up of which Philo was the most noted representative.

"Many Jews in that city were 'Hellenizing,' in that, as Jews do today, they adopted and lived within the culture or cultures around them, in this case the Greek, which was dominant during the era in question. As The International Standard Bible Encyclopedia states:

"Indeed, Hellenistic Judaism had its 'chief seat' at Alexandria, where also the Jewish Bible was translated into Greek and called the Septuagint."

One group of Hellenizing Jews, or rather, "Hebrews of a fashion," was deemed the "Therapeuts," a type of monastic community centered at Alexandria, with similar groups elsewhere around the Mediterranean. The Therapeuts at Alexandria were first mentioned by this name by Philo in his work *De Vita Contemplative*."

"Living so closely to Alexandria, the great center of learning, the Therapeuts possessed tremendous clout and significant wealth as well." Although they were thus headquartered in Egypt, the Therapeutan community, Philo relates, "Is to be found many parts of the world."

Regarding the Therapeuts, Christianity, and Hadrian, noted historian Edward Gibbon [1737-1794] states:

"The extensive commerce of Alexandria, and its proximity to Palestine, gave an easy entrance to the new religion of Christianity. It was first embraced by great numbers of Therapeutae, or Essenians, of the Lake Mareotis, a Jewish sect that had abated much of its reverence for the Mosaic ceremonies. It was in the school of Alexandria that Christian theology appears to have assumed a regular and scientific form; and when Hadrian visited Egypt, he found a church composed of Jews and of Greeks, sufficiently important to attract the notice of that inquisitive prince."

One Catholic writer, who insisted upon the connection between Philo's Therapeuts and the Christians, was Eusebius during the fourth century. In *The History of the Church* [2.17], in speaking of "Philo's account of the Egyptian ascetics," Eusebius remarks: "Whether he invented this designation [Therapeutae] and applied them, fitting a suitable name for their mode of life, or whether they were actually called this from the very start, because the title Christian was not yet in general use, need not be discussed here." "The reality, however, may be that the Therapeuts morphed into Christians because it was they who essentially created much of Christianity, with no "historical Jesus."

DE Bunsen remarks:

"...Stephen, Paul, and Apollos, we regard as promulgators of the universalist Alexandrian [read Jewish] Gnosis of the Essenic Therapeuts, as applied to Christianity."

Dr. Grant states:

"The best precedent for the Christian schools of Alexandria seems to lie among the Therapeutae by the Mareotic Lake, described in Philo's work "On the Contemplative Life." Such Therapeutae would be ready for Alexandrian Christianity."

Regarding the locations of Therapeutan order as presented by Philo in "On the Contemplative Life" but also in other treatises, Conybeare comments:

"Are we to suppose that systemata of the same types as that which Philo proceeds to describe, were found all over the inhabited world? Or was the one settled on the Lake Mareotis, to which the best persons resorted from all quarters, the only one? I think the truth may lie between the two suppositions. There may have been such societies in several of the great Jewish communities scattered round the Mediterranean, e.g. in Cyprus, Corinth, Tarsus, Colossae, Antioch, Rome, Smyrna and elsewhere."

— D. M. Murdock "Christ in Egypt"

One can see this Jewish order had multi-national bases of operation and a large amount of funding and influence to spread its subversion with.

"In the Ancient Lowly: A History of the Ancient Working People, C. Osborne Ward, a political economist at the U.S. Department of Labor, provided an interesting and practical take on the Therapeuts. They were members of very powerful "business guilds," and "unions" of working class people. Citing various inscriptions, Ward sought to demonstrate a "Solonic Dispensation." This "Solonic dispensation" that Ward suggests became Christianity represented as a "vast system of trade unions over the world." Describing these brotherhoods as found in Egypt and elsewhere, Ward remarks: "The principal name by which they were known, was not Coptic, but Greek; was Therapeutae, an association closely allied to the Essenes." —D. M. Murdock "Christ in Egypt"

How did the Jews obtain the power to force the Christian program their Therapeuts [Frankfurt School of the Ancient World] order fashioned, on the populace for real? Ben Klassen wrote that Julius Caesar was a Jewish puppet and the Jews wanted to create the position of Emperor to consolidate power in a central position that they could control with ease, as Rome was a Republic at the time of Caesar.

This makes sense, given the Jews by that time were in control of the majority of wealth in the Roman Empire just as they are today, with their control of the global

banks and banking/corporate system, which gives them control over the Gentile Nations.

It was the Jewish Alexanders that funded the Flavian Dynasty of which many powerful and famous Jews were members of, such as Philo Alexander, Josephus and others. Even Titus's wife was Jewish. It was with the rise of the Flavians that we see the appearance of Jewish Christianity. Constantine himself was descended from the Flavians, hence the title of Flavius Constantine. It was Constantine who made Christianity the official state religion of Rome. It is no accident the first Catholic Saints are all Flavians, and the Flavians were full of Jewish blood and funded by Jewish money, power, and politics.

Who do you think Caesar borrowed the vast sums of money he did to win the mob with massive displays and games, and to fund his armies and wars? We also see from the evidence the Jews were also in control of the key networks and were behind creating the Caesars of Rome, thus centralizing all political power into the hands of few whom they controlled. Without this new political system, Christianity could not have assumed total power by the decree of Theodosius, toppling the Gentile world:

"The politically ambitious Julius Caesar recognized the power of the Jews, which stemmed from one incontrovertible fact —Rome was made up of many opposing political groups and sects. In order to win, the politician needed the support of one group, which would stick by him steadfastly, and thus influence other groups to support him. Just as in our present-day democracies, this group was the Jews. They would guarantee their support to any politician who in turn would do what they asked. When Caesar discovered this simple truth, he sought out the Jews, and won their support."

On page 8 of "Jews of Ancient Rome," Leon writes, "The Jews in the 'Populares,' the liberal-democratic or people's party, supported Caesar and he issued verdicts in their favor." Things have not changed much in two thousand years. We still have the liberal-democratic party in every country, and it always represents the ambition of the Jews. With the Jews behind him, Caesar soon became the dictator of Rome and the unchallenged ruler of the world. Alarmed by his increasing subservience to the Jews, a group of loyal senators, led by Brutus, a former friend of Caesar's in his pre-Jewish period, resolved to assassinate him. On page 9, Leon writes, "In return for the support which he had received from the Jews, Caesar showed them his favor conspicuously, and his decrees in their behalf, which, fortunately, were recorded by those in compulsory military service, and allowed them to send shipments of gold."

Thus, we find that Caesar made the Jews a privileged group who were above the laws of Rome. The traffic, in gold between nations was the cornerstone of Jewish international power two thousand years ago, just as it is today. It was carried on

under the guise of being a "religious" occupation, and if we understand that the religion of the Jews was and is gold, this was an accurate description. The Jewish Temple in Jerusalem was still the headquarters of Jehovah. Several Roman Senators tried to ban the traffic in gold, only to be overthrown by Jewish power. On page 10 of "Jews of Ancient Rome," Leon writes, "For many nights after Caesar's murder, groups of Jews came to weep at the site of his funeral pyre."

Here too, nothing has changed. We saw the Jews weeping at the funeral of Roosevelt, and at the funeral of Churchill. They will always be weeping when a politician who has committed himself to the machinations of world Jewry meets his end.

Leon stated that Emperor Augustus, who inherited the empire after Caesar's generals fell out amongst themselves, restored the special privileges of the Jews. This probably explains why he emerged stronger than the other factions, which divided Rome after Caesar's death. As Jewish decay continued, the Empire rapidly weakened. After the death of Domitian in 96 CE, the emperors of Rome were no longer of Roman birth; henceforward, they were all foreigners. The power of the Jews was such that no Roman politician dared to attack them. Leon quotes the speech of Cicero in October 59, before a Roman jury. Cicero was defending Lucius Asia. Flaccus had tried to enforce the ban on the Jewish shipments of gold, with the result that the Jews of Rome had him removed from office and brought back to face a trumped up charge of embezzlement

Cicero stated:

"Gold. This is obviously why the present case is being tried close to the Aurelian Steps. It is because of this particular charge that you have sought out this location, Laelius [the prosecutor]. You know how large a group they [the Jews] are, and how influential they are in politics. I will lower my voice and speak just loudly enough for the jury to hear me; for there are plenty of individuals to stir up those Jews against me and against every good Roman, and I don't intend to make it any easier for them to do this. Since gold was regularly exported each year in the name of the Jews from Italy and all our provinces to Jerusalem, Flaccus there, gentlemen of the jury, who cannot sincerely commend this action? The exportation of gold had been forbidden by the Senate on many previous occasions, and most strictly of all during my consulship. Further, that Flaccus was opposed to this barbarous Jewish superstition was proof of his strong character that he defended the Republic by frequently denying the aggressiveness of the Jewish mobs at political gatherings was evidence of his high sense of responsibility."

This speech of Cicero's is one of the few revelations of Jewish subversion, which survived the burning of libraries. The great consul of Rome, Cicero, had to lower his voice to avoid stirring up the Jews. A Roman aristocrat, Flaccus, was removed from office and dragged back to Rome to face a false charge. Why?

Because he had tried to enforce the Roman law banning the Jewish traffic in gold. The outcome of this trial was that Flaccus was acquitted of the charge of embezzlement, but the Senate ban on the shipping of gold was removed. Thus, the Jews won their objective, and Flaccus was lucky to escape with his life after he had opposed them. In the face of this power of the Jews, the Roman aristocrats were no longer able to keep order in the Empire, and Rome fell to the Barbarians.

In a papyrus found in Oxyhynchus, Egypt, a Roman named Hermaiscus is tried for treason, apparently because, like Haman in the Persian Empire, he protested against the growing power of the Jews. The papyrus states that in his defense, Hermaiscus said to the Emperor Trajan, "It distresses me to see your cabinet and your privy council filled with Jews." Of course, he executed his own death sentence for his daring statement. How many other gentiles have died for like offenses during the past centuries?

—From "New History of The Jews" by Eustace Mullins

"Considering all the factors, it appears that in the Egyptian Therapeuts, we possess a Jewish religious community that was evidently part of a massive brotherhood."

—D. M. Murdock "Christ in Egypt"

"The Therapeuts, who in turn created Christianity." Where did the Jews steal and corrupt their concepts from? It is apparent from the purported remarks of the emperor Hadrian in a letter to his brother-in-law Servianus around 34 CE, as related by the Pagan writer Vopiscus circa 300, that the Jews at Alexandria were very involved in the worship of Serapis, as were the Christians. Over the centuries that this letter has been translated, scholars of certain sensibilities have found it expedient either to expunge various parts of it or to denounce it as a forgery.

"The worshippers of Serapis are Christians [Chrestians], and those are devoted to the God Saerapis, who call themselves the bishops of Chrestos."

—Emperor Hadrian

"It is thus possible that the "Christos" or the "Anointed God" Pliny's "Christiani" were following was Serapis himself. The Jewish branch of the Therapeutae, contrived to create an equivalent mythical god-man of their own in Jesus Christ. Like his earlier incarnation Osiris, Serapis was called not only Christos but also "Chrestos," centuries before the Common Era. Indeed Osiris was styled "Chrestus" long before his Jewish copycat Jesus was ever conceived."

—Acharya S, "Suns of God"

This is why Christianity as noted by scholars is so identical to the Egyptian Pagan religions. This is the major template the Jews stole and corrupted it from, even lifting the title for their fictional god-man from one of the major Pagan

deities. What did the Jews do to the Gentile followers of Serapis once they had gotten what they wanted from weakening and subverting the host culture?

In 391 CE, the Patriarch of Alexandria, Theophilus, summoned the monks to arms and turned them against the city of Memphis and the great shrine of Serapis, the Serapeum, the main temple of the Osirian-Isis religion. The attack was akin to ordering the destruction of the Vatican. Egyptian priests were massacred in their shrines and in the streets. The ferocity of the violence consumed priests, followers, and the Egyptian intellectual elite of Alexandria, Memphis and the other cities of Egypt who were murdered, and their temples and libraries destroyed. The institutional structure of the Egyptian religion, then more than four millennia old, was demolished in less than two decades."
—Acharya S "Suns of God"

The ancient Romans wrote that the Christian mobs were funded, lead, and organized from local Jewish community synagogues within the empire. They also called Christianity "a sect of Judaism." Now we know why.

THE VATICAN SYNAGOGUE OF ROME.

As written in the Jewish Origins of Christianity:

"The Jews were in control of the later Roman Empire in the same way they control the world today, via control of the central key centers of the Nations. The Jews, using this power, created Christianity and imposed it from above and below. The same they would do later on in Russia with Communism."

The Vatican is the Kremlin on the Tiber.

The last Pope, John Paul the Second was a racial Jew. His mother was a Polish Jewess by the name of Katz, making him by Jewish law, full-blooded Jew. "The Pope's mother was Emily Katz, whose Polish name is "Emilia Kaczorowska," which is usually Anglicized by American immigrants to the familiar sounding, "Emily Katz."

<http://www.jewwatch.com/jew-religions-christianity-penetration-pope-john-paul-2-jewish-news-release.html>

He was not the first Jewish Pope in history either. A majority of the College of Cardinals elected the first cardinal of acknowledged Jewish descent, Anacletus II, as pope in 1130. Anacletus II, whose original name was Pietro [Peter] Pierleone, was the great-grandson of a Roman Jew, Baruch Pierleone.
—H.Geduld Cleveland Jewish News

"Halley's Bible Handbook has a commentary which is most informative. Innocent III, a Jew [1198-1216 A.D.], was the most powerful of all the Popes, and claimed to be the "Vicar of Christ," "Vicar of God" and "Supreme Sovereign over the Church and the World." He claimed the right to depose Kings and Princes, and that "All things on earth and in heaven and in hell were subject to the Vicar of Christ." He brought the Church into the Supreme Control of the State.

Kings of Germany, France, England, and practically all of the monarchies of Europe obeyed his will. He was even able to bring the Byzantine Empire under his control. Never in all of history has any one single man exerted more power. He ordered two crusades, decreed Transubstantiation, and confirmed Auricular Confession. He forbade the reading of the Bible in the vernacular, ordered the extermination of heretics, instituted the inquisition, and ordered the massacre of the Albigenses. More blood was shed under his direction and that of his successors, than in any other period of the Roman Church History. All of the nations of Europe were under this corrupt and despotic Political-Religious domination of the Popes and their Papacy for a total of 1260 years, from 606 CE to 1866 CE, with each Pope enforcing his own personal doctrine or whim, to subjugate the populace. Immorality was rampant in the Papacy and the Church. John XXIII, a Jew [1410-1415], called by some, the most depraved criminal who ever sat on the Papal Throne, guilty of nearly every crime. As Cardinal in Bologna, 200 maidens, nuns, and married women all fell victim to him. As Pope,

he violated virgins, nuns, lived in adultery with his brother's wife, was guilty of sodomy and other nameless evils, he bought the Papal office and sold Cardinalates to the children of wealthy families.”

"Pope Gregory VII [a Jew] decided it was no murder to kill excommunicated persons. This rule was incorporated into canon law. During the revision of the code, which took place in the 16th century, and which produced an entire volume of corrections, the passage on page 189 was allowed to stand. It appears in every reprint of the Corpus Juris. It has been for 700 years, and continues to be, part of the ecclesiastical law.”

The false claims that the church was at odds with the Jews is total nonsense. Many popes, as can be seen from their images, are racial Jews. One can compare their pictures beside photographs of notorious racial Jews today and see they look like twins.

The 1486 publication of the Malleus Malficarum by the Dominican friars Heinrich KRAMER [JEW] and James SPRENGER [JEW], was the document and manifesto that instigated the mass murder of some 50 to 100 hundred thousand innocent Gentiles, many women, who were hideously tortured and murdered by "Witch Finders" for decades, and it was created, published and pushed by Jews.

Note these two kikes Kramer and Sprenger were members of the Dominican Friars. When the Spanish government found that Jews within Spain had been working with the Moors against them as a fifth column, [like the Jews always do even in America, as nearly all the Communist spies and agents were kikes], they launched an investigation into the Jews in Spain. The Vatican was screaming at them to stop [note the Vatican on the other hand ordered and encouraged the inquisition against Gentiles wiping out millions] and many Jews were given sanctuary by the Vatican on papal orders. It was also the Jewish Jesuits who ran much of the inquisition as well.

What the Spanish investigation, much like the later FBI investigations into the Communists in America found; all of the high ranking Catholic Clergy in Spain were racial JEWS! Guess why the Vatican was trying to halt the investigations. Do you really think that this was only limited to Spain when even the Popes were racial Jews, as evidenced here? The creation of a hate manifesto written by two racial Jews within the Catholic Clergy led to a real HOLOCAUST of tens of thousands of Gentiles, with most being murdered by being burnt to death. In addition, it is a little known fact that under the Catholic rule, the Jews obtained a free Jewish Kingdom [Septimaniain] Europe.

The Vatican also had the original Pagan Monarchy killed off as much as possible, and replaced with criminal proxies, only loyal to them. The most famous case being the murder of King Dagobert of the Merovingians by the Vatican. His crown was then usurped by the Vatican and given to Pepin the Fat of Herstal, of whom

had been one of Dagobert's trust mayors. The killer was acting on direct orders from Pepin himself. This set up a situation in Western Europe where the Aryan Royal lines were one by one usurped by the enemy.

The original Pagan Royalty rule was then passed into guess what tribe's hands, just as the Jews came to rule Russia as the Commissars and Party officials under the banner of their Communist Ideology, after killing off the Gentile aristocracy.

"Makir Theuderic [Jew] married a sister of Pepin called Alda. His son Guillaume [i.e. William] d'Orange, is also famous in the French Chansons and was nicknamed 'Hook Nosed'. He was fluent in Arabic and Hebrew. The Heraldic device on his shield was the same as that of the Eastern Exilarchs — the Lion of Judah. Guillaume observed the Sabbath and Sukkoth during his campaigns." "Machir's sister known as Bertha Bigfoot married the son of Charles Martel, Pepin, and became the mother of Charlemagne. Bertha [also called Bertrada] gave birth to Charlemagne in 742. Bertha's mother was said to be called 'White Flower' [Blanche Fleur] or Lilly-which is the origin of the name of the House of Lily for the French Kings. Lily is also a title acquainted with the Davidic House and the future Messiah as the 'Lilly of the Valley'. Charlemagne was referred to as "David" by his followers. When Charlemagne became King in 768 on the death of his father King Pepin I, he proclaimed Makir the Western Exilarch, King of Septimania. Makir was his maternal uncle [the brother of his mother]. The families of Machir, Gershom, and Bertha were to replace the old Merovingian Dynasty, and they took for themselves the Merovingian names and titles. As a result, the genealogies became confused and later generations obscured the fact of this powerful Jewish Dynasty in Europe. Later genealogists hid the origin of the mother of Charlemagne with a false genealogy linking her to the Merovingians. They did the same for all the Exilarch family. You must remember that The Carolingians were replacing the Merovingians, and they had a need for legitimatizing themselves by appearing to be a continuation of the Merovingian line. Fortunately in many cases they have only thinly disguised the genealogies so that it is possible to reconstruct them." —Athol Bloomer

Charlemagne was the leader who with full Papal support, launched massive Crusades into the Pagan heartland of the Saxons. Wealthy Jewish merchants within the realm funded his wars against Gentiles. Charlemagne openly stated, "The Jews shall be the bankers of his Empire."

Of his decade's long physical and cultural genocide:

"In 768, Charlemagne started a 32 year long campaign of what can only be described as genocidal evangelism against the Saxons under his control in Western Germany. The campaign started with the cutting down of the Saxon's most sacred tree, their version of the World Tree or Yggdrasil, [the symbol of the beginning of the earth and the source of all life in the ancient Indo-European religions], located in a sacred Saxon forest near present day Marburg.

Charlemagne quickly turned to violence as a means of spreading the Christian word. In 772, at Quierzy, he issued a proclamation that he would kill every Saxon who refused to accept Jesus Christ, and from that time on, he kept a special detachment of Christian priests who doubled as executioners, and in every Saxon village in which they went, these priests would execute anybody who refused to be baptized.

Then in 782, at Verden, Charlemagne carried out the act for which he is most notoriously associated - he ordered the beheading of 4,500 Saxons in one day who had made the error of being caught practicing Paganism after they had agreed to be Christians. Charlemagne's constant companion and biographer, the monk Einhard, vividly captured the event in his biography of the Frankish king. In it is written that the King rounded up 4,500 Saxons who "like dogs that return to their vomit" had returned to the pagan religions they had been forced to give up upon pain of death. After having all 4,500 Saxons beheaded "the king went into winter camp, and there celebrated mass as usual." Twelve years later, in 794, Charlemagne introduced a law under which every third Saxon living in any pagan area was kidnapped and forced to resettle and be raised amongst Christian Franks.

The Christian missionary, St. Boniface, felling the sacred great oak tree of Geismar, Hesse, in 724 CE. The oak tree was sacred to the god Thor, and was one of many pagan sites that the Christians destroyed in their ultimately successful attempts to destroy all other religions except Christianity. Despite this, many pagan customs remained, such as the celebration of spring. The Christians stole from the Pagan Goddess of Fertility, Ostara, and created the Christian rite of Easter ["Ostara" = "Easter"], and stole from the Winter solstice, which was originally Pagan, and marked the longest night of winter, and turned it into Christmas.

"With the use of violent and bloody coercion, Saxon and German Paganism was literally killed off, and most of the survivors became Christians more out of fear than out of genuine conviction." —Kemp, March of the Titans

The Vatican also passed strict laws that allowed Jews to become moneylenders, while denying Gentiles from the same. This created an advantage for their fellow Jews to gain control of the wealth in Europe and the wealthy banking houses. Many banker Jews openly funded the Vatican. To this day, the Rothschilds are bankers for the Vatican.

The Jesuits were also a Jewish created and Papal/Vatican backed order- the original Mossad:

"The Jesuits [Society of Jesus] are the spies and the assassination squad of the Catholic Church. People who believe this institution to be "religious" or "spiritual" are sadly deluded. It is and always has been political in every respect. It is a political front that operates to control people using many fictitious religious

characters and ceremonies stolen from religions predating it from around the world. The separation of church and state mean nothing to the Catholic Church that works relentlessly and ruthlessly for world domination by any means possible. This institution has been built on mass murder, torture, extortion, organized crime, lies and depriving humanity of true spirituality. It has controlled kings, queens, nobility, presidents, governments, and nearly anyone in power." <http://www.exposingchristianity.com/Jesuits.html>

In General Ludendorff's book "Das Geheimnis Der Jesuitenmacht Und Ihr Ende" he agreed that the Jesuits are controlled by Jews.

"The first Jesuits were crypto Jews. Ignatius Loyola himself was a crypto Jew of the Occult Cabala. A crypto Jew is a Jew who converts to another religion and outwardly embraces the new religion, while secretly maintaining Jewish practices. As John Torell explains: "In 1491 San Ignacio de Loyola was born in the Basque province of Guipuzcoa, Spain. His parents were Marranos and at the time of his birth the family was very wealthy. As a young man he became a member of the Jewish Illuminati order in Spain. As a cover for his crypto Jewish activities, he became very active as a Roman Catholic. On May 20, 1521, Ignatius [as he was now called] was wounded in a battle, and became a semi-cripple. Unable to succeed in the military and political arena, he started a quest for holiness and eventually ended up in Paris where he studied for the priesthood. In 1539, he had moved to Rome where he founded the "JESUIT ORDER," which was to become the most vile, bloody and persecuting order in the Roman Catholic Church. In 1540, the current Pope Paul III approved the order. At Loyola's death in 1556 there were more than 1000 members in the Jesuit order, located in a number of nations."

Ignatius of Loyola's secretary, Polanco, was of Jewish descent and was the only person present at Loyola's deathbed. James Lainez, who succeeded Loyola as the second Jesuit General, was also of Jewish descent. Jews were attracted to the Jesuit order and joined in large numbers. Lacunza was no exception. He was a Jew, which explains why he introduced the eschatological teaching of a return to the Jewish animal sacrifices during the Millennium. [In a book titled "The Coming of the Messiah in Glory and Majesty" published in 1812, 11 years after the death of its author, Jesuit Emanuel de Lacunza, wrote under the fictitious pen name of a purportedly converted Jew, Rabbi Juan Josaphat Ben Ezra, in order to conceal his identity and to make his writings more palatable to the

Protestant readers. He promoted the writings of sixteenth century Jesuit priest Francisco Ribera, developing a futuristic perspective that restricted the prophetic fulfillments in the book of Revelation to the end of the world]. Lacunza also wrote that during a millennium after the tribulation, the Jewish animal sacrifices would be reinstated along with the Eucharist [the mass] of the Catholic Church. Lacunza has followed after Jewish fables and replaced the commandments of God with the commandments of men. That doctrine gives the Jews primacy in God's plan and relegates Christians to a prophetic parenthetical to be supplanted by the Jews during the thousand year earthly reign of Christ. "

The Renaissance and Reformation:

"The Merovingian dynasty was the mastermind behind the Renaissance: "René [d'Anjou] was the Angevin monarch who, at the time of the renaissance, single-handedly spearheaded a Hermetic revival in Europe. It was he who personally convinced Cosimo de Medici to translate many ancient texts such as the Corpus Hermeticum into various European tongues for the first time ever. The Angevins were primarily advocates of the Regia, or Royal Art, of hermeticism."

The forces of the reformation where put into action to redirect the forces of the Renaissance which where signaling an end to the power of the Jewish Christian program, as people where rejecting the Catholic Church, seeing it as a vehicle of Jewish power and agenda. This was the observation the Cathars made as well. Rome was Jewish. At the high point of the Church's power, it began to collapse, due to its own corruption and popular revolt. People where returning to their organic traditions.

This is why the Jews put one of their own, Martin Luther out front. As researcher and author Christopher Jon Bjerknes points out, Martin Luther was Jewish and other Jews acknowledged this. Luther himself was a total Philo-Semite, even stating how he was often accused of being Jewish himself. Why does Luther go from this to denouncing the Jews?

Because it was reverse psychology. The heart of the movement away from Catholicism was based on the disgust at its Jewishness, so he had to pour on the hatred for the Jews and while trying to convince the people that the Jews where the enemies of Christ. The Jews still play this game to this day, even putting false Talmud quotes about Jesus and Mary, when the Talmud only mentions Balaam a Pagan High Priest, not Jesus. In fact, the Talmud does not even mention Jesus Christ. This is reverse psychology, and it worked. Martin Luther the Jew, and Jew John Coleman [Changed his name to Calvin], were the major forces behind the reformation, which allowed Jewish Christianity to hijack the spiritual awakening and rejection of Christianity, and push an even more puerile form of this program on the populace, which keeps Gentiles bound under the Jewish spell. This is why Giordano Bruno a leading advocate of the spiritual rebirth of authentic European culture, and who was openly anti-Christian and anti-Jewish, was hunted down by

the Jewish forces of the inquisition and burned at the stake with an iron spike through his tongue so he could not even speak at his own execution, whereas Martin Luther didn't even have one hair on his head touched by the Catholic regime.

Who controls the Vatican Bank:

"It is a somewhat curious sequel to the attempt to set up a Catholic competitor to the Rothschilds that at the present time [1905] the latter are the guardians of the papal treasure." -The Jewish Encyclopedia [Vol. 2, p. 497]

The Jewish Rothschilds do. Just as the Kremlin under the Red Banner was the synagogue of Moscow, so is the Vatican the synagogue of Rome.

THE NEW ZION: THE BIBLE IS A BOOK OF JEWISH WITCHCRAFT

The final purpose of the Bible is for the Jews to build their Temple of Solomon, which is the Jewish World Order. The Bible is used to create the energy to manifest their Chief Corner Stone. The Jews stated in their Protocols that their Messiah is the keystone [capstone] to their entire agenda. "Messiah" is the meaning of chief capstone or corner stone.

Jewish Talmud:

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."

Special note 888 and 8 also relate in the Bible directly to the Nazarene as he is the Messiah or Chief Corner Stone of which is the birth and completion of the Jewish World Order [Messiah meaning Chief Cornerstone/Capstone]. This represents the finished Temple of Solomon.

1 Peter 2:6 [mentioning Jesus] [$2+6=8$ as stated above, the Nazarene as the Jewish Messiah who creates the Global Zion where Gentiles are slaves].

"Behold, I lay in Zion a chief cornerstone, elect, precious, and he who believes in Him will by no means be put to shame"

7 is a number of finishing man with spiritual power, and of the Jewish Messiah in this case. It goes back to the number 22 in Revelations and Psalms, the books related to global Jewish Rule. 7 therefore, its value is for you who have faith, but for those without faith: "The stone which the builders rejected has become the cornerstone."

8 is the number of the creation of this Jew World Order, hence also the undoing of those opposed to it. 8 and "A stone that will make people stumble, and a rock that will make them fall." They stumble by disobeying the word, as is their destiny.

Note 9, being the number of finality and of God's proclamation, and judgments. Here we see the Jews are the Chosen People who will be given the Messiah and world rule, which is all through the Bible, and its point, the core of the Bible is the Jewish Torah. 9* But you are "a chosen race, a royal priesthood, a holy nation, a people of his own, so that you may announce the praises" of him who called you out of darkness into his wonderful light.

This is an extension of Psalm 89:19 [$8+9=17=8$ the Nazarene and $1+9=10$ the number of the Jewish Global Zion the number of perfection of their "God;" when they rule. As seen by this verse is about the Jewish Messiah].

"Psalm 89:19 Then thou spakest in vision to thy holy one, and saidst, I have laid help upon one that is mighty; I have exalted one chosen out of the people."

The pinnacle the Nazarene stands upon is considered to be the only remaining portion of the original temple built by Solomon. The Pinnacle is the place where the Chief Cornerstone is placed. The Nazarene is thus the Jewish Messiah by this statement in the Bible.

The dialogue between the Nazarene and the Christian Devil is connected to whom the Rabbis state is the person identified by God in Psalm 91 and is none other than the Messiah. We see again this is the Jewish Messiah and what this means. Psalms is based upon the Jewish Messiah and World Rule. Psalms is the 19th book in the Old Testament. $1+9=10$. Psalms 91 also equals 10.

Psalms contains 150 Psalms which add to 6 [$1+5+0=6$], the number the Jews wish to bind us under. 73 of these are dedicated to King David who is connected to the Jewish World Leader, the Nazarene. $7+3=10$ the perfect number in Judaism and relates to the 613 [$6+1+3=10$] rules of their "God" that the Jews will impose upon the Gentiles with their Theocratic law. This is as vital as the Torah and its law is the salvation [World Rule] of their God and the essence of their Covenant, which gives them this promise. We see the Messiah is actually the fulfillment of this all-important Theocratic law:

Matthew 5:17-18 Jesus states:

17 Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfill. [$1=7=8$ the number of the new order and power to be created by this laws fulfillment the coming of the Messiah and the Temple of Solomon finished.]

18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.

[$1+8=9$; 9 is the number of finality and Gods judgment once again the setting up subliminally for this Jewish Messiah and Slave State].

Revelations is the final book in the Bible and has 22 chapters, the number of God, the final working completed- the finishing of the building of the Temple of Solomon; the number of the Master Builder, literally the Messiah. 12, which relates back to Gentiles being bound without power at the soul and becoming slaves to the Jewish Zion and its Messiah. This is the full agenda of this book in this verse:

Revelation 22:12 "And behold, I am coming quickly, and My reward is with Me, to give to everyone according to his work. I am the Alpha and the Omega, the Beginning and the End, the First and the Last."

Hence why the Nazarene utters the 7 last words of finality, on the cross which is the phase at the start of Psalms 22, Psalms being the book of Jewish World Rule.

Within the text:

Revelations chapter 17:1–20:15, depicts the destruction of the Gentile [Pagan nations] by the Jewish Messiah.

The New Creation [21:1–22:5] Rev 12:1–6, depicting the New Israel, The Jew World Order, 12=completion. This is the number like 6 of man falling short of spiritual power and being a slave to Zion. 12 being this within the context of total Jewish World Order.

5 She gave birth to a son, a male child, destined to rule all the nations with an iron rod.* Her child was caught up to God and his throne.

6 The woman herself fled into the desert where she had a place prepared by God, that there she might be taken care of for twelve hundred and sixty days.* [12 and 66 the numbers of as stated which is when the New Israel the Jewish World Order is created by the Jewish Messiah the Nazarene. There are 66 books in the bible that also add into 12.]

10 Then I heard a loud voice in heaven say: [Note as stated, 10 the number of completion, being under their Theocratic rule.]
"Now have salvation and power come, and the kingdom of our God and the authority of his Anointed."

Note the Rod of Iron relates back to book Psalms depicting the Jewish World Messiah and Rule:

[Psalm 2] A royal Psalm. To rebellious kings [Ps 2:1–3] God responds vigorously [Ps 2:4–6]. A speaker proclaims the divine decree [in the legal adoption language of the day], making the Israelite king the earthly representative of God [Ps 2:7–9] and warning kings to obey [Ps 2:10–11]. The Psalm has a messianic meaning for the Church; the New Testament understands it of Christ [Acts 4:25–27; 13:33; Heb 1:5].

The Messiah is a Tyrant who shall rule by violence, murder, and force only, which is the nature of the Jewish God and People. He shall not tolerate freedom [rebellion] of any kind. All the Gentile nations will be enslaved to him.

Psalms, chapter 2

9 With an iron rod you will shepherd them, like a potter's vessel you will shatter them [Note 9 is the number of finality and judgment of God, the final judgment. The Messiah lays waste by judgment on the Gentile world and destroys it].

[Note 8 refers to be made to proposer and the creation of a New Order or a new start. The Jewish Messiah shall create the order in which the Jews shall reap the fat of the Gentile land; the Jew World Order slave state. As stated, 8 in the Bible refers to the Nazarene.]

More:

In the Bible, the number 8, which comes after the number 7 signifies completeness, and symbolizes a new beginning, or a new order of things; a new creation, a new birth.

Christ was selected as the Passover Lamb on the 10th day of the first month, a weekly Sabbath [John 12: 28-29]. He was crucified on the 14th day [7 + 7, or double completeness], which was also the 4th day of the week. He was in the tomb exactly 3 days and 3 nights. He was resurrected toward the end of the next weekly Sabbath, the 17th [the number of victory]. The 17th was also the 8th day when counted inclusively from the 10th day, the day of His selection. Thus, the confluence of these numbers shows Jesus' total victory. The building of the Temple of Solomon and his time on the cross relates to Psalm 22. The 10 refers to rule under the Jewish Theocratic law. Which Jesus states he is the fulfillment of.

Matthew 5:17-18

17 Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfill.

18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled

Psalms: 8

And I will give you the nations as your inheritance, and, as your possession, the ends of the earth.

[My note- 11 relates to destruction and chaos. The Messiah will destroy and plunge the Gentile nations into ruin, who do not bow before Zion and the Jewish race as slaves].

11 Serve the LORD with fear; exult with trembling, Accept correction lest he become angry and you perish along the way when his anger suddenly blazes up. Blessed are all who take refuge in him!

Jesus is the Jewish Messiah only:

With Revelations being the end of the Bible, it is also the 66th book, 66 [6+6=12], which relates back to the Gentiles being bound without power at the soul and being enslaved to the Jewish Zion and its Messiah. It is the perfect number in the Bible because it expresses its intent to enslave the Gentiles, as the Jewish word "Goyim" literally means beasts of burden, and slaves to the Jewish World Order. The Jewish Holy Books repeatedly state that Gentiles simply exist to be slaves for the Jewish People and their "God." This is why 12 and 66 are stated to be the number connected with the New Israel.

Here is the final reality right from the mouth of the Jewish Messiah itself:

Mat 15:22 And, behold, a woman of Canaan came out of the same coasts, and cried unto him, saying, Have mercy on me, O Lord, thou Son of David; my daughter is grievously vexed with a devil.

Mat 15:23 But he answered her not a word. And his disciples came and besought him, saying, Send her away; for she crieth after us. [Send her way because she is a Goy].

Mat 15:24 But he [Jesus] answered and said, I am not sent but unto the lost sheep of the house of Israel. [The Jewish Messiah only, not the Goyim.]

Mat 15:25 Then came she and worshipped him, saying, Lord, help me. [Begs as slave].

Mat 15:26 But he [Jesus] answered and said, It is not meet to take the children's [of Israel the Jews] bread, and to cast it to dogs. [Jesus in true Jewish style calls her as a Gentile an animal, and all Gentiles as well. He did not come for the Goyim the animals only for the Chosen People, his fellow Jews.]

Very Important:

Mat 15:27 And she said, Truth, Lord: yet the dogs eat of the crumbs which fall from their masters' table. [Note here we have $1+5=6$ the number 6 is stamped on all that is connected with human labor; the man without spiritual power in the ancient world, called an animal, the Goyim.

$2+7=9$ the number of the finality and judgment of God; the Gentile being reduced to a slave and bowing before the Jewish Masters, the Jewish God, and the Jewish Messiah; The Jew World Order].

Matthew 15:24] He [Jesus] replied, "I was sent only to the lost sheep of the house of Israel."

Matthew 10:5-20

These twelve Jesus sent out with the following instructions: "Do not go among the Gentiles or enter any town of the Samaritans.

6 Go rather to the lost sheep of Israel.

Christians are false Jews and not given the salvation of the Messiah:

Revelation 2:9-10

9 I know your afflictions and your poverty—yet you are rich! I know about the slander of those who say they are Jews and are not, but are a synagogue of Satan. 10 Do not be afraid of what you are about to suffer. I tell you, the devil will put some of you in prison to test you, and you will suffer persecution for ten days.

Be faithful, even to the point of death, and I will give you life as your victor's crown.

[9 is the number of finality and 10, Jewish theocratic rule under their Messiah- here is the final point]. The Nazarene is addressing the Jews. As he stated he only comes for the Jewish race. Gentiles are simply animals to be the slaves of the Jews. With the number 10, we see the final truth- only the Jews have salvation of the Messiah and Zion. As the Jewish religion states that Adam is from the blood of Yahweh this is why he was created on the 7th day, the number of completion. Eve they state, had sex with Satan and spawned Cain who is reduced to become a part of his natural role in the land of Nod amongst and married to the 6th day humans; the Goyim or animals hence their creation on the 6th day, the number of such. That is the message in Genesis- this is Cain's real sin, his birth.

Because Gentiles are from the Seed line of Satan, they can never have the Convent of Israel. Thus, they are not entitled to the salvation of the Torah, only the Jewish race is. The Gentiles are stated to have Satanic souls and blood in the Jewish religion, the religion the Nazarene preached and is the fulfillment of. This is why the Nazarene is called the second Adam.

The fake Jews, the synagogue of Satan are the GENTILES. Hence 9 the finality of the Judgment of the Jewish Messiah-God upon them as fake Jews. Christians [Gentiles] are the fake Jews. They believe themselves to be entitled to the Jewish salvation of the Torah, which Jesus in the final book of the Bible states they are not of, nor will they ever be, with the next verse of 10, the number of Jewish World Order. The Jewish Messiah tells the Jews they will triumph in the end and have the promise of salvation, The Jew World Order; the Temple finished.

Pay heed:

John 4:22

22. "You worship what you do not know; we know what we worship, for salvation is of the Jews.

22 is the number of salvation, which is the Temple of Solomon, the New Zion where the Jewish Messiah rules from with the rod of iron and treads the Gentiles under his feet as slaves and servants.

Christians you literally WORSHIP WHAT YOU DO NOT KNOW, YOUR OWN DAMNATION.

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."

"The nations will gather to pay homage to the people of God: all the fortunes of the nations will pass to the Jewish people, they will march captive behind the Jewish people in chains and will prostrate themselves before them, their kings will bring up their sons, and their princesses will nurse their children. The Jews will command the nations; they will summon peoples whom they do not even know them will hasten to them. The riches of the sea and the wealth of nations will come to the Jews of their own right. "Any people of the Kingdom who will not serve Israel will be destroyed"

—Isidore Loeb [Le Litterature des Pauvres dans la Bible].

MIND CONTROL PROGRAMMING AND THE BIBLE

Note with the fall of the Soviet Jewion. The Jews have been working to rebuild the Christian religion in the failure of their atheist Christian program. This allows them to maintain strict control over the populace. From which they will in time regain the former control they once had.

We can see in the link how the Jews use subliminal programming on America that connects into their spell book the Bible on the populace:

2 Corinthians

12:16 But be it so, I did not myself burden you. But, being crafty, I caught you with deception.

Note in the above youtube video, the Jews are using the terms with God repeatedly:

"God is real, God is watching" = 22 letters

"Believe in government God" =22 letters

"Obey Consume Obey Consume" = 22 letters

According to Christian and Jewish mysticism, 22 is the number of the Hebrew Alphabet is the number of the Master builder, infinity and completion, Quintessence [spirit which is God in the universal sense in the Hermetic teachings] the mind of God and God. The Nazarene utters the 7 last words of finality, on the cross which is the phase at the start of Psalms 22. It equals the 12 Zodiac signs and 10 planets in the Tarot of which such alphabet is assigned. Revelation the last book of the Bible also has 22 chapters.

The number 22 corresponds to the World trump card of the Tarot, indicating completion. This indicates the enemy completing their goal of world conquest and domination through communism.

Psalm 66:7

He [God] rules forever by his power, his eyes watch the nations— let not the rebellious rise up against him.

The book of psalms is the 19th book of the bible. Note the verse, 66:7; which also adds up to 19 [6 + 6 + 7 = 19]. 19 = 19 = 38 and 3 + 8 = 11, which is a number of downfall, so the above verse not only threatens against rebellion, but given the numbers, it subliminally points out that rebellion will result in down fall.

1 Samuel 12:15

15 But if ye will not obey the voice of the Lord, but rebel against the commandment of the Lord, then shall the hand of the Lord be against you, as it was against your fathers.

1 Samuel is the 9th book of the bible. $9 + 12 + 15 = 36$; $3 + 6 = 9$.

9 is the number of finality and Judgment, the power of God itself.

Colossians 3:22

Servants, obey in all things your masters according to the flesh; not with eyeservice, as menpleasers; but in singleness of heart, fearing God

Colossians is the 51st book of the bible. [$5 + 1 = 6$]. The Jews use the number 6 extensively, such as in their "six million" phony holoco\$. In the bible, the number 6 is the number of man without any spiritual power. The number 7 has to do with the 7 chakras and spiritual power emanating from these and spiritual perfection. 6 falls short. 6 is also a number of hard labor. Work was done for 6 days and the 7th was a day of rest.

"The number 6 is stamped on all that is connected with human labor. We see it stamped upon his measures, which he uses in his labor, and on the time during which he labors. And we see this from the very beginning."

The Jewish emphasis on and use of the number 6, sets up a vibration on the astral for the advancement of their agenda, their communist state and world order. Communism is slave labor. With the communist state, the jews become "god" and all spiritual knowledge is replaced with material atheism.

The above verse of the 51st book of the bible [$1 + 5 = 6$] advocates slave labor. Taken further, the verse 3:22 can be multiplied $3 \times 22 = 66$; the total number of books in the bible, indicating completion of the Jewish communist slave labor state and their new world order.

Romans 13: 1-7

1 Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God.

2 Consequently, he who rebels against the authority is rebelling against what God has instituted, and those who do so will bring judgment on themselves.

3 For rulers hold no terror for those who do right, but for those who do wrong. Do you want to be free from fear of the one in authority? Then do what is right and he will commend you.

4 For he is God's servant to do you good. But if you do wrong, be afraid, for he does not bear the sword for nothing. He is God's servant, an agent of wrath to bring punishment on the wrongdoer.

5 Therefore, it is necessary to submit to the authorities, not only because of possible punishment but also because of conscience.

6 This is also why you pay taxes, for the authorities are God's servants, who give their full time to governing.

7 Give everyone what you owe him: If you owe taxes, pay taxes; if revenue, then revenue; if respect, then respect; if honor, then honor.

The Founders wanted the Great Seal put upon the dollar for a good reason, but they never put anything about the Jewish "God" on there. Reference to the Jewish "God" was put on American currency by Jewish President Dwight David Eisenhower.

"July 30th, 1956, two years after pushing to have the phrase "under God" inserted into the pledge of allegiance, President Dwight D. Eisenhower signs a law officially declaring "In God We Trust" to be the nation's official motto. The law, P.L. 84-140, also mandated that the phrase be printed on all American paper currency." [1] Eisenhower was a Jew by his own confession; the name Eisenhower is taken from Eisenhauer a Jewish surname.

"In Eisenhower's West Point Military Academy graduating class yearbook, published in 1915, Eisenhower is identified as a "terrible Swedish Jew."

It's not a surprise that the Koshers owned White House with the President Franklin Delano Roosevelt who himself was of Dutch-Jewish ancestry and his staff read like a synagogue list:

For more about this, read the article "Jewish Bankers War on America."

"In 1943, Washington not only transferred Col. Eisenhower to Europe but promoted him over more than 30 more experienced senior officers to five star general and placed him in charge of all the US forces in Europe.

This "great General" who hid in fear pissing himself when it was believed a tiny unarmed, German Commando unit was after him during the war, personally ordered the murder of over 1.7 million German soldiers after the war was over in his POW death camps. Their only crime was defending their nation and people. Many of the above were not any older than 15 years of age. This is another blatant example of Pure Talmudic hate.

"In God We Trust" has 12 letters: Twelve is a perfect number, signifying perfection of government, or of governmental perfection. There are 66 books in the Bible, which add to 12 [$6 + 6 = 12$].

The word God also appears 4473 in the Bible adding up to the sum of 9. 9 is the number of finality and Judgment, the power of God itself which is wrapped up with this:

The Judgments of "God" in Haggai 1:11 are enumerated in nine particulars: "And I called for a drought upon the land, and upon the mountains, and upon the corn, and upon the new wine, and upon the oil, and upon that which the ground bringeth forth, and upon men, and upon cattle, and upon all the labor of the hands."

Haggai is the 37th book of the bible. $3 + 7 = 10$; so Haggai 1 would be 11; here again, we have 11.

"The law was signed by President Eisenhower on July 30, 1956, and the motto was progressively added to paper money over a period from 1957 to 1966. (Public Law 84-851)[18] The United States Code at 36 U.S.C. § 302, now states: "'In God we trust' is the national motto." [2]

One can see that money is a powerful way to inject something into the unconscious of the public mind:

And we can witness how the Jewish powers inject their "God" into the mass mind again:

"Eisenhower signed the bill into law on Flag Day, June 14, 1954. Eisenhower stated "From this day forward, the millions of our school children will daily proclaim in every city and town, every village and rural school house, the dedication of our nation and our people to the Almighty.... In this way we are reaffirming the transcendence of religious faith in America's heritage and future; in this way we shall constantly strengthen those spiritual weapons which forever will be our country's most powerful resource, in peace or in war.

The phrase "Under God" was incorporated into the Pledge of Allegiance June 14, 1954, by a Joint Resolution of Congress amending §4 of the Flag Code enacted in 1942." [3]

In closing, many people in the JoS e-groups have mentioned how they have seen certain numbers repeatedly. This can be a certain number recurring on a license plate of a vehicle, or on a digital clock, in an advertisement, and in many other places. Sometimes this can even occur for days, but this alone and by itself is harmless. When we are aware of certain numbers, this establishes a subliminal vibration and before we know it, we begin to see these same numbers frequently in our daily lives. This aspect is quite innocent and oftentimes meaningless, but in the above article, the perpetrators are fully aware of the power of numbers and they enforce this to establish their magickal workings in reality, via the Judeo/Christian Bible. This is why many Christians are practically coerced into memorizing bible verses, as this imbeds a subconscious link. For more on this:

THE TORAH IS FAKE, THE JEWS LIE ABOUT THEMSELVES

Abraham never existed:

Looking at the major history and historical figures claimed by the Jews, we can see the plain truth. Their entire history is false and was stolen from the Gentiles. The real foundation of their history rests upon two major characters- Abraham and Moses.

The supposed Great Patriarch Abraham and his family, the first "official" Jews in history, were in fact stolen from the ancient Hindu Trinity of Brahma, Vishnu, and Siva, along with Saraswati:

Since Krishna was not born of man, he was not actually the earthly father of Brahma and Mahesh. Therefore, he himself was the protector [Tara] of Brahma. In Sanskrit, Tara means "savior; protector." It is a term generally used with the gods Rudra, Shiva, Vishnu, and Brahma. Even the Old Testament states that the father [protector] of Abraham was Terah [Genesis 11:26.] The Bible tells us that Abraham and Sarah were half-siblings. [Genesis 12:19-20.] The Hindu holy books also tells us that a blood relationship existed between them. The Puranas relate Saraswati to Brahma and Vishnu. Most frequently, she is associated with Brahma. Her connection with him dates earlier than to any other God. She is portrayed mostly as his wife and occasionally as his daughter. When Vishnu's popularity in India increased, myths relating Saraswati to him appeared. [Reference: Sarasvati and the Gods; www.vishvarupa.com.] Therefore, Brahma or Vishnu would also have been the Tara [Terah] of Sarasvati because of her divine origins.

Brahm [Abraham] Sarasvati [Sarah]

Abraham or Brahma's home was the land of Haran [Genesis 1:4.] Haran was the coastal principality governed by Krishna. It was even named after him because Hara [Sun God] is another name of Krishna. Brahma/Abraham was 75 years old when he left Haran.

The Bible mentions Haran and Haryana. The Hindu holy books also say that Brahma/Abraham lived in Ur of the Chaldees. Ur was a Sumerian name for "town; city." Chaldee [pronounced Kaldee] derives from the Sanskrit Kaul, a Brahman caste, and Deva [Demi-god]. The North Indian Kauldevas worshiped idols representing their ancestors. According to the Hindus, Brahma married Sarasvati in Chaldea, the part that is now Afghanistan.

In Hindu mythology, Sarai-Svati is Brahm's sister. The bible gives two stories of Abraham. In this first version, Abraham told the Pharaoh that he was lying when he introduced Sarai as his sister. In the second version, he also told the king of Gerar that Sarai was really his sister. However, when the king scolded him for lying, Abraham said that Sarai was in reality both his wife and his sister! "And yet

indeed she is my sister; she is the daughter of my father, but not the daughter of my mother; and she became my wife." [Genesis 20:12.]

However, the anomalies don't end here. In India, a tributary of the river Saraisvati is Ghaggar. Another tributary of the same river is Hakra. According to Jewish traditions, Hagar was Sarai's maidservant; the Moslems claim she was an Egyptian princess. Notice the similarities of Ghaggar, Hakra and Hagar.

The bible also states that Ishmael, son of Hagar, and his descendants lived in India. "...Ishmael breathed his last and died, and was gathered to his kin... They dwelt from Havilah [India], by Shur, which is close to Egypt, all the way to Asshur."

[Genesis 25:17-18.] It is an interesting fact that the names of Isaac and Ishmael are derived from Sanskrit: [Hebrew] Ishaak = [Sanskrit] Ishakhu = "Friend of Shiva." [Hebrew] Ishmael = [Sanskrit] Ish-Mahal = "Great Shiva." —Matlock

Lingam worship in the Bible:

In the 28th chapter of Genesis, Jacob, after having a dream about a 'ladder' reaching up to heaven with angels 'limbing' it and God standing at the top [12], erects a 'pillar' with the stone he was using for a pillow and consecrates it with oil [18]. He calls the place Beit-El ['Bethel' in English, which means 'House of God'] [19]. He says that the stone pillar itself was "God's house" [22]. And he later, in chapter 35 verse 14, erects another one on the road from Paddan-Aram.

The worship of Brahma was also in the Near Eastern World:

"About 1900 BCE, the cult of Brahm was carried to the Middle and Near East by several different Indian groups after a severe rainfall and earthquake tore Northern India apart, even changing the courses of the Indus and Saraisvati rivers."

"...the Temple of Mecca was founded by a colony of Brahmins from India. It was a sacred place before the time of Mohamed, and they were permitted to make pilgrimages to it for several centuries after his time. Its great celebrity as a sacred place long before the time of the prophet cannot be doubted."

[Anacalypsis, Vol. I, page 421].

"...the city of Mecca is said by the Brahmins, on the authority of their old books, to have been built by a colony from India; and its inhabitants from the earliest era have had a tradition that it was built by Ishmael, the son of Agar. This town, in the Indus language, would be called Ishmaelistan." [Ibid, p. 424].

Before Mohammed's time, The Hinduism of the Arab peoples was called Tsaba. Tsaba or Saba is a Sanskrit word meaning "Assembly of the Gods." Tsaba was also called Isha-ayalam [Shiva's Temple]. The term Moslem or Moshe-ayalam [Shiva's Temple] is just another name of Sabaism. —Matlock

The facts on Mohammed's fictional existence:

<http://exposingthelieofislam.wordpress.com/muhammad-never-existed/>

One of the shrines in the Kaaba was also dedicated to the Hindu Creator God Brahma, [not Abraham], which is why the illiterate prophet of Islam claimed it was dedicated to Abraham. The word "Abraham" is none other than a mispronunciation of the word Brahma. This can be clearly proven if one investigates the root meanings of both words. Abraham is said to be one of the oldest Semitic prophets. His name is supposed to be derived from the two Semitic words 'Ab' meaning 'Father' and 'Raam/Raham' meaning 'of the exalted.' In the book of Genesis, Abraham simply means 'Multitude.' The word Abraham is derived from the Sanskrit word Brahma. The root of Brahma is 'Brah,' which means - 'to grow or multiply in number.' In addition, Lord Brahma, the Creator God of Hinduism is said to be the Father of all Men and Exalted of all the Gods, for it is from him that all beings were generated. Thus again we come to the meaning 'Exalted Father.' This is a clear pointer that Abraham is none other than the heavenly father."

Moses never existed:

<http://stellarhousepublishing.com/moses-dionysus.html>

Famed French philosopher Voltaire made the following astounding remarks way back in the 18th century - and he wasn't the first! Voltaire stated: Why don't we know these facts?

The ancient poets have placed the birth of Bacchus in Egypt; he is exposed on the Nile and it is from that event that he is named Mises by the first Orpheus, which, in Egyptian, signifies "saved from the waters." He is brought up near a mountain of Arabia called Nisa [Nysa], which is believed to be Mount Sinai. It is claimed that a goddess ordered him to go and destroy a barbarous nation and that he passed through the Red Sea on foot, with a multitude of men, women, and children. In another version, the river Orontes suspended its waters right and left to let him pass, and the Hydaspes did the same. He commanded the sun to stand still; two luminous rays proceeded from his head. He made a fountain of wine spout up by striking the ground with his thyrsus, and engraved his laws on two tables of marble. He needed only to have afflicted Egypt with ten plagues, to be the perfect copy of Moses.

In the hymns of Orpheus, Bacchus had a rod with which he performed miracles, and of which he could change into a serpent at his pleasure. He passed the Red Sea, dry shod, at the head of his army. He divided the waters of the rivers Orontes and Hydaspus by the touch of his rod, and passed through them dry-shod. By the same mighty wand, he drew water from a rock, and wherever they marched, the land flowed with wine, milk, and honey.

Bacchus was called the "Lawgiver" and it was said of Bacchus, as well as of Moses that his laws were written on two tables of stone. Bacchus was represented horned, and so was Moses. Bacchus was spotted and rescued from a box that floated upon the water, and so was Moses. Bacchus had two mothers, one by nature, and one by adoption, so had Moses. Bacchus and his army enjoyed the light of the sun at night, Moses and his army, a pillar of fire by night.

Moses being called the Lawgiver, and the laws being written on two tablets of stone, were obviously copied from Bacchus, but the idea of his [Moses] receiving the commandments from the Lord on a mountain was undoubtedly taken from the Persian legend of Zoroaster.

"In his gentler [Dionysus] aspects he is a lawgiver."

COMMUNISM AND MASONRY: TWO FRONTS OF THE JEW WORLD ORDER

"Gentile masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding place, remains for the whole people an unknown mystery. Who and what is in a position to overthrow an invisible force?" [Protocol 4]

"We shall create and multiply free Masonic lodges, absorb into them all who may become or who are prominent in public activity, for in these lodges we shall find our principle intelligence office and means of influence. The most secret political plots will be known to us and will fall under our guiding hands. We know the final goal, whereas the goyim have knowledge of nothing." [Protocol 15]

The Jews claim the protocols are a forgery. This is how the Jews lie. When the court in Switzerland in the 19th century ruled the protocols as a forgery, it was ruling the protocols as a legitimate document, hence real, as the document presented in the court was a reprint, hence a forged of the original document. Just as to forge a check, you need an original to create the copy from. They told half a truth in order to tell a full lie. The Court ruling was the protocols are real.

As we can witness, President Washington knew about the Illuminati and that they where trying to infiltrate the Masonic orders and movements, and that their doctrine was the enemy of the Masonic one the Founding Fathers had fought to build America upon:

Library of Congress link:

The George Washington Papers at the Library of Congress, 1741-1799
Type "Illuminati"

Mount Vernon, October 24, 1798.

Revd Sir, I have your favor of the 17th instant before me; and my only motive to trouble you with the receipt of this letter, is to explain, and correct a mistake, which I perceive the hurry in which I am obliged often to write letters, has led you into.

It was not my intention to doubt that, the Doctrines of the Illuminati, and principles of Jacobinism had not spread in the United States. On the contrary, no one is more truly satisfied of this fact than I am.

The idea that I meant to convey was, that I did not believe that the Lodges of Freemasons in this Country had, as societies, endeavored to propagate the diabolical tenets of the first, or pernicious principles of the latter [if they are susceptible of separation]; that Individuals of them may have done it, or that the founder, or instrument employed to found, the Democratic Societies in the United

States, may have had these objects; and actually had a separation of the People from their Government in view, is too evident to be questioned.

My occupations are such, that but little leisure is allowed me to read newspapers, or books of any kind; the reading of letters, and preparing answers, absorb much of my time."

President Washington was the highest-ranking Mason in America. The original Freemason religion and idealism of which the American Republic was built upon. can be read here:

The Real American Revolution topic 585.html

"In 1785, leading members of the Illuminati left the Society and testified before a Court of Inquiry called by the Elector of Bavaria. Their startling evidence removed all doubt regarding the Illuminati. On the 11th of October, 1785, the Bavarian authorities raided Zwack's [Illuminati cofounder] house and discovered a mountainous array of Illuminati documents which showed quite clearly that they planned to bring about a "universal revolution that should deal the death-blow to society."

Communism start was not founded in the 19th century; it was founded in the 18th century. When as History records that on May 1, 1776, [May Day is a Communist holiday as well] Dr. Adam Weishaupt founded the Bavarian Order of the ILLUMINATI. Weishaupt was a Professor of Jewish Canon Law at the University of Ingolstadt in Bavaria, Germany. He was born to Jewish parents and later "converted" to Roman Catholicism. He became a high-ranking member of The Order of the Jesuits, whom he subsequently left to form his very own organization at the clear behest of the newly formed "House of Rothschild."

Weishaupt took a group of fellow Jewish agents who had organized under the name of the "Frankist," and from them into the newly termed order, the "Illuminati." The doctrine of this Jewish front was Communism.

"It is more interesting to learn that Karl Marx was not the real founder of Communist world revolution. Its true father was Adam Weishaupt, founder of the "Freemasonic Order" of the Illuminati"— Marschalko

The six main points of Weishaupt doctrine is the abolition of:

1. Ordered or nationalistic governments in the form of monarchies.
2. Private property.
3. Inheritance rights.
4. Patriotism to nationalist causes.
5. Social order in families, sexual prohibition laws, and all moral codes.
6. All religious disciplines based on faith in a living God, as opposed to faith in nature, man, and reason.

Weishaupt himself did not enter a lodge until 1777, when he received induction into the Lodge Theodore de Bon Conseil in Munich. However, once inside Masonry, Weishaupt immediately went to work with Rothschild agents to inject the Illuminate doctrine, hand in hand with Judaic occult systems to put the Gentiles under the control of the Elders of Zion, while rotting out the original Masonic spiritual doctrines and philosophy of universal-spiritual law. Weishaupt and his agents organized the Congress of Wilhelmsbad at the Castle of William IX of Hesse-Kassel, on July 16, 1782. That special event, which was momentous in both size and aspirations, was attended by elite representatives of Masonic lodges from all over. In addition, it was there that a decision was reached to allow the previously excluded Jews to be granted admittance into Freemasonry.

William IX was in bed with Rothschild from the start and one of his agent dupes: "William looked for help in managing his estate. He hired Mayer Amschel Rothschild as "Hoffaktor" in 1769, [1] to supervise the operation of his properties and tax gathering. The wealth of William's estate provided a good living for Rothschild and the men had a strong relationship; he founded the Rothschild family dynasty, which became important in financing and banking in Europe. Although they had been acquainted since 1775, William IX did not formally designate Rothschild as his overseer until 1801."

The Jews had also been working to influence and corrupt Masonic doctrines and infiltrate Masonic Societies for decades by other organizations such as the Martinists:

Y Martines de Pasqually: In his book on the Order of the Elus Coens of the eighteenth century, R. le Forestier tells us that this Order was founded; continuing as Martinists today, about 1760, by Martines de Pasqually, said to be a Portuguese Jew. It was one of the most interesting occult groups of the time, "which constituted under cover of Freemasonry one of the last links of the long chain of mysterious and jealously closed associations whose members claimed by magical process to communicate with the divine in order to participate in a blessed immortality" Illuminism! The name Cohen, given by Pasqually to his members is an adaptation of the Hebrew term Cohanim, which designated the highest sacerdotal caste, constituted at Jerusalem, under Solomon, to assure divine service in the Temple."

Its no mistake the Jewish Kabbalah doctrines of Eliphas Levi where some of the most disseminated in the 19h century and beyond, in mainstream society, as Levi was a Martinist. The Jewish power elites worked relentlessly to replace authentic spiritual knowledge with Hebraic systems of corruption. That placed Gentiles both consciously and subconsciously under their influence, and was designed not to lead to any spiritual power.

The Jewish agents infiltrated the French Masonic societies and helped to start and fund the French Revolution, of which they manipulated the Masonic societies into supporting. The original revolution, which created a constitutional Monarchy

was taken over by armed force and usurped by the Jacobins who were Jewish Frankists [Illuminati's political front] and the outer political force of the Jewish Elders of Zion's agenda. They then instituted the Terror and slaughtered the aristocrats, the middle classes, and peasants. Entire regions and classes were murdered. The Jewish directors now in control of the revolution, installed by terror, all of the ideological points of the Illuminati manifesto, with the Jewish Bankers funding, and directing this via their networks. The French Revolution was the first Communist Revolution in history.

Louis Dasté, writing on the subject of Freemasonry in the French Revolution states: "This mysterious illumination of the low grades of Masonry, this hierarchy of which Philalèthes Junior has so jealously guarded the secret, those 'Unknown Superiors' venerated by the Judaising Martinists and Philalèthes, who claim domination over ordinary lodges; is not all that the unbreakable chain which links the Jewish Cabala to Freemasonry, and have we not henceforth the right to suspect the Occult Power hidden behind the Masonic Lodges to be the brain of Judaism which would conquer and dominate the entire world?"

In time, it fell apart with a military coup that put Napoleon into power, and that ended the terror and restored order, and brought about a more authentic Masonic order. In his statements and actions, he refuted the Jewish, Jacobin ideology of Communism.

In 1827, Sir Walter Scott publishes his nine-volume set, "The Life of Napoleon" and in volume two he states that the French Revolution was planned by the Illuminati [Adam Weishaupt] and was financed by the money changers of Europe [The Rothschilds].

Napoleon was a Mason most popularly noted by his famous hand in the jacket image, which was a common gesture in many paintings and later photographs of hundreds of men in the Western World, as it is a sign of degree of the Masonic societies.

However, the Masonic Societies had succumbed to the Jewish infiltration in 1811 in Frankfurt [Frankfurt was the original base of Rothschild operations]. The new Frankfurt Lodge was established as now head of European Freemasonry of which the founders and leaders to this day are the Jewish Rothschilds and was co-founded by the Jew Zvi Hirsch.

The first Communist International was held in Frankfurt in 1847 and was chaired by Lionel de Rothschild along with the Jew Karl Marx. At the meeting, a branch of the Elders Of Zion's Illuminati, the Jacobin Club, parading as "The League of the Just," would become the Communist League of which Marx was a leading member. Marx was commissioned by Rothschild to write the Communist Manifesto. The Manifesto was published the following year, 1848. The largest

support and circulation of the Communist Manifesto was conducted by the network of worldwide Freemasonry.

The motto of the League of the Just [Bund der Gerechten] was "All Men are Brothers" and its goals were "the establishment of the Kingdom of God on Earth," based on the ideals of love of one's neighbor, equality and justice." This is the core doctrine of the Jewish programs, but what does this really mean? The Jews tell us themselves and as we see in their actual behavior when in power, which is based upon what is written in their Talmud and Torah:

"The nations will gather to pay homage to the people of God: all the fortunes of the nations will pass to the Jewish people, and they will march captive behind the Jewish people in chains and will prostrate themselves before them, their kings will bring up their sons, and their princesses will nurse their children. The Jews will command the nations. They will summon peoples whom they do not even know will hasten to them. The riches of the sea and the wealth of nations will come to the Jews of their own right. "Any people of the Kingdom who will not serve Israel will be destroyed"

—Isidore Loeb [Le Litterature des Pauvres dans la Bible].

The "Kingdom of God on Earth" is the rule of the Elders of Zion, as they state when their Messiah comes each Jew will get 2800 Goyim slaves.

"During the decade of the 1840s, the word "Communist" came into general use to describe those who hailed the left wing of the Jacobin Club of the French Revolution, as their ideological forefathers. [My note- this is the Illuminati doctrine openly]. This political tendency saw itself as the egalitarian heritors of the 1795 Conspiracy of Equals headed by Gracchus Babeuf. The sans-culottes of Paris, which had decades earlier been the base of support for Babeuf — artisans, journeymen, and the urban unemployed — was seen as a potential foundation for a new social system based upon the modern machine production of the day."

At this point, the Jewish Kabbalah replaced Freemasonry as the spiritual aspect, and communism as the philosophical branch; both used for the one end:

"During the ceremonies of the ritual for the Royal Arch degree, the candidate is asked, "Brother Inspector, what are you?" and he replies, "I AM THAT I AM." Can you imagine that? When Moses asked God to name Himself, God said, "I AM THAT I AM" and He said, "Thus shalt thou say unto the children of Israel, I AM hath sent me unto you." [Exodus 3:14]

"I AM THAT I AM" is the name Yahweh gives for itself in the Torah and Judeo Christian Bible, the lost word and Masonic God Jubulum, the trinity title of Yahweh.

"Few Candidates may be aware that Hiram, whom they have represented and personified, is ideally and precisely the same as Christ, yet such is undoubtedly the case. This old philosophy shows what Christ as a glyph means, and how the

Christ state results from real initiation, or from the evolution of the human into the divine" [Mystic Masonry, p. 248].

Albert Pike tells us who the God of Mason's is:

"The Apocalypse is, to those who receive the nineteenth degree, the Apotheosis of that Sublime Faith which aspires to God alone, and despises all the pomps and works of Lucifer. LUCIFER, the Light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable blinds feeble, for traditions are full of sensual or selfish souls? Doubt it not! Divine Revelations and Inspirations: and inspiration is not of one Age, nor of one Creed. Plato and Philo also were inspired. The Apocalypse, indeed, is a book as obscure as the Sohar. It is written hieroglyphically with numbers and images; and the apostle often appeals to the intelligence of the initiated. "Let him who hath knowledge, understand! Let him who understands, calculate!" he often says, after an allegory or the mention of a number. Saint John, the favorite apostle, and the depositary of all the Secrets of the Savior, therefore did not write to be understood by the multitude."
—Morals and Dogma.

The bold Pike is referring to Christ as Savior who taught in parables for the multitude.

2 Peter 1:19:

"We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star [Jesus] arise in your hearts."

Revelation 22:16:

"I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star."

Lucifer is Latin of Morning Star or Venus, which Christ announces himself as in the Bible. The Morning Star of Day Star is another noted title of Jesus within the Bible. **This title was stolen like many things from the Pagan mysteries.**

When Mason's state they are Lucifer, they are stating they are Christ like. Theosophy, which as Blavatsky stated is an esoteric branch of Christianity originates from within the Masonic Societies of the 19th century. Many of Blavatsky associates and supporters were high-ranking Masons. Freemasonry is esoteric Christianity now. Pike is directly referencing the book of revelations of the Bible for his statement. His savior as openly stated is Jesus.

Behold, I lay in Zion a chief cornerstone, elect, precious, and he who believes on Him will by no means be put to shame" [1 Peter 2:6, NKJV]. This is Chief Cornerstone is what Messiah translates to its talking about Jesus.

The Alpha and Omega represents the Chief Cornerstone:
Revelation 22:12 "And behold, I am [Jesus] coming quickly, and My reward is with Me, to give to every one according to his work. I am the Alpha and the Omega, the Beginning and the End, the First and the Last."

The Chief Cornerstone of Capstone symbolizes the completion of the Temple of Solomon, of which Christianity is a program to manifest. The Jewish Temple of Solomon is their Jewish World Order. Pike and others tell us exactly where the goals of Freemasonry now exist.

Bible: Book of Jewish Witchcraft:
topic483.html

The Templars:

The Templars who practiced the original tradition and from which original Freemasonry originated, banned the Jews from joining. The God of their Temple Of Solomon was not Christ but John, hence they were called Johannites. This has been corrupted by the enemy through.

As I wrote in an article, John of the Templars is Jana [Oana] another title for Satan in Sanskrit, meaning "Wisdom," which as Higgins revealed is also Oanes. The Greeks spelled John as Ioannes. Higgins also revealed that the title Oannes is the source of term gnosis. As is well known by scholars, Oannes is the Sumerian EA [Satan]. Oana's origin is in the Sanskrit Jana Padita [Lord of Wisdom], which is the title of our God as Siva in the image of Skanda [whose totem is the Peacock and Serpent], the second Siva, which relates to the reborn Siva; the reborn soul generated by the Magnum Opus. Jana also relates directly to the purifying effects of the kundalini serpent, literally to burn away, to purify. With Jana, we have Ana for Anahta, the golden serpent of entity, and An also denotes the serpent on its own.

This is why Da Vinci, who was the Grand Master of the Priory of Sion, a Templar Branch, painted John the Baptist as Dionysus. Dionysus as many scholars know is Siva in the East, and this is why the leaders of the Templar Order all took John as their name.

Oannes is also shown holding a cauldron and a pinecone. The cauldron is the earliest symbol of the grail from the Pagan world. The pinecone the pineal gland, the seat of the soul in which the reborn conscious manifests with the ascent of the power, "The head at the center of the earth."

Oannes baptism is that of the water of the kundalini energy in which one emerges after being reborn. In ancient Druidic legends the warrior is flung into the cauldron and emerges reborn, etc

Baphomet itself goes back to the ancient east as well, being the symbolic form of Satan as the two-headed Agni, whose vehicle is the goat and ram and whose number is 9. The Templar Baphomet was traditionally a double human-headed image identical to Janus [not that of the goat as seen in modern times].

Baphomet means baptized in Wisdom because wisdom is another name for Sophia or Shakti, and Baphomet in the Templar cipher translates to "Sophia." The Templar image that is symbolic for the Magnum Opus is Sophia holding the sacred books with a ladder in front of her. In the traditional world, the serpent was depicted in the hieroglyph of a woman. The word Sophia means serpent light in English, in its proper translation.

The Greek [Hellenic after Helos/Hari our God] Mystery schools stated the initiate was thrown into a caldron and boiled until the Titanic element is purified out and only the Olympian is left. The initiate then emerges reborn from the caldron, a perfected being; the title for such being: Shining Serpent.

Gnosis being obtained, with the rise of this power is the symbolic fact that one has obtained the state of Oana. As Oannes [Satan] is also symbolic of the serpent power and its risen state of consciousness.

360, the degrees of a perfect circle, are equal to 9. The ancient symbol of immortality was the golden serpent clutching its tail in a perfect circle, and was called Anahat, meaning eternity. This is why the temple of the sun the Templars represented was described as being a circle divided into 13 parts, the Magnum Opus. The Zodiac wheel of which the 13 constellations represent the macrocosm of the soul and the sun's journey through them represent the 13 steps of the perfection of the individual soul.

SOL, OM, and ON are three words for the sun and trinity of the soul and the vowels and constants represent the male and female aspects united. Our word for soul comes from Sol, as this relates to the spiritual sun. The true Temple of SOLOMON is the human being.

This is why the Great Seal of the United States, drafted by the Founders shows a Pyramid with 13 levels and 72 blocks, the 13 steps of enlightenment and $72=9$, the number of completion of the Temple of the Soul, and the number of Agni [Satan]. It also shows 13 stars within the six-pointed star. The six-pointed star was stolen by the Jews later on, but is still used as the symbol of the reborn Siva today, being the unification of male and female aspects of the soul that form the reborn soul, and relates to the real Masonic lost name of God, which is AUM.

The 13 stars represent the 13 major chakra's perfected, six along each side of the body, which are the true meaning of the pillars of the arch still shown in the East with the reborn God standing between them and under the arch. The six-pointed star is seven as it represents the six planets on its points with the sun in the center. As such, it represents not the heart, but the solar chakra where the

eight rayed sun star emits from. The capstone above the Pyramid on the seal is in the shape of the triangle that is the symbol of the quintessence of which a major number of is 33, with the all-seeing eye within it. That represents Jana in the East. AUM is the quintessence, the lost name, the Masonic name of God. God is quintessence= AUM, of which the soul is purified and refined into, the alchemical first matter, which represents the finishing of the work.

Yoga equals 13 in Sanskrit numerology, which is the proper number of steps in the Magnum Opus, the perfection of the 13 major energy centers of which the eight-fold wheel or star is a map of.

God equals 26 in the Masonic system and this adds to 8. This symbolic eight represents the unified soul, and it is the same as the six-pointed star. Eight is the number of mercury, which perfects the soul and is symbolized as the serpent staff, as this energy is the force or cosmic ether or mercury [quintessence].

"Verse 129 implies that the ultimate [here Siva] is of the nature of Cosmic Space [Akasha or Void], and the essence of Jiva lies in the self-same Space in microcosmic condition"
—Tirumantiram

That is why the individual is also called God in the hermetic texts. He is made the microcosm of the energy of creation. That is quintessence or Akasha and how this energy transmutes one form into another by removing or burning away obstacles, the dross. Doing this increases the flow of this creative nature, which causes the transformation as the Yoga Sutra's relate. This grants the Magnum Opus.

AU represents Siva and Shakti the M is the third power or prana, which unlocks the soul to the Godhead. As we will see, the message of AUM being one letter, explains why three become one. This is the trinity, the God A, the Goddess U and the divine Child M. The Divine child M [prana] is generated via the AU energy. This is the six-pointed star in the circle, which represents Vayu or mercury [prana] in the East; the Magnum Opus by the union of opposites of the soul. The Jews stole this as the symbol of their seal of their corrupted Temple of Solomon. The AU energy is the meaning of the checkerboard symbol of the Templar banner.

The Masonic 33 degrees is the 33 esoteric spinal vertebrae that the kundalini energy travels up. 33 is the number of quintessence, the energy of the Magnum Opus and the Key Stone in the Arch and the Meru Column of Siva, which represents the spinal column.

Another Templar item found was a silver head of Virgo [Sophia] the perfected or reborn conscious, a code with this symbol: M and a phase, which means perfected life. This M symbol is the symbol of the reborn soul and is seen within

Egypt and elsewhere. The Templars carved grave effigies of themselves into the rocky hillside of European sites facing east, the rising Sun, because the sun is traditionally depicted rising between the center of the twin peaks of the M symbol. The Jewish Temple of Solomon faces west, where the Templar one faces east for the above reason.

Back to the corrupted Masons who exist to build the Jewish Temple of Solomon, the Jew World Order:

In the 19th level of Scottish Rite Freemasonry, the Initiate receives the degree of GRAND PONTIFF. It is during this ritual that the candidate swears an oath of secrecy and an oath of total obedience "to any Chapter of this degree to which I may belong; and the edicts, laws and mandates of the Grand Consistory of Sublime Princes and Commanders of the Royal Secret, as well as those of the Supreme council of the 33rd degree."

It is then that the "Thrice Puissant" anoints him with oil on the crown of his head and says, "Be Thou a Priest Forever, after the order of Melchizedek."

Melchizedek or Malki Tzedek [/mɛl. ɪz.ə.dɪk/[1]]; [Hebrew: מַלְכִּי־צְדָק *malkī-ṣedeq*] [translated as "my king [is] righteousness"] was a king and priest mentioned during the Abram narrative in the 14th chapter of the Book of Genesis.

He is introduced as the king of Salem, and priest of El Elyon ["God most high"]. He brings out bread and wine and blesses Abram and El Elyon. [2] Chazalic literature, specifically Targum Jonathan, Targum Yerushalmi, and the Babylonian Talmud—presents the name [מלך צדק] as a nickname title for Shem, the son of Noah.

In Christianity, according to the Letter to the Hebrews, Jesus Christ is identified as a priest forever in the order of Melchizedek, and so Jesus assumes the role of High Priest once and for all.-

"After receiving the password [Emanuel] and the sacred word [Alleluia], he is dressed in a robe of white linen and given a cordon [a ribbon or sash of honor worn across the breast] of crimson color, with 12 stars representing "the 12 gates of the "new city, " and the twelve signs of the Zodiac, the twelve fruits of the tree of life, the twelve tribes of Israel and the twelve Apostles."

—[Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 2, pages 26-27, E. Cook Publications, 1974]

Emanuel deriving from [Hebrew: *לאנומע*, meaning God is with us], a prophetic name used in Isaiah 7:14. The middle letter "m" is doubled in Hebrew causing that single "m" and double "mm" variants co-exist in many languages.

The word "Alleluia" or "Hallelujah" [from Hebrew *הלל ואללה*], literally means "Praise ye Yah" or "Praise Jah, you people", [1][2] is used in different ways in Christian

liturgies. "Praise Jah" is a short form of "Praise Yahweh", [3][4][5] or of "praise ye Jehovah".-

In the spelling "Alleluia", the term is used also to refer to a liturgical chant in which that word is combined with verses of Scripture, usually from the Psalms. This chant is commonly used before the proclamation of the Gospel.

The name is common to both Jewish and Christian naming traditions, interpreted in Judaism without messianic significance, but by Christians in the light of the Gospel of Matthew 1:23 as relating to Jesus:

"In the seventeenth degree, or Knights of the East and West, after the candidates have completed the initiation and after revealing the password [Jubulum] and the Sacred Word [Abaddon], "the Senior Warden conducts the Candidate to the elevated vacant canopy at the right of the All Puissant."

—Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 1, Pages 453, 457, E. Cook Publishing, 1974]

Jubulum is a title of Yahweh and Abaddon is another Hebrew title used in the Bible.

"It is in this final "Blue Lodge" degree that candidate is laid out "in death" and is raised from the dead by the "Worshipful Master" of the Lodge [representing King Solomon], using the "strong grip" or "Lion's Paw" of the Master Mason.

On the "five points of fellowship," he and his "savior" pass the sacred word, Mah-Hah-Bone. [Hebrew term]

—[Duncan's Rituals, Revised, and Complete, pages 35, 96, 120, 121, E. Cook Publications, 1974]

Mah-hah-bone is a Hebrew word and used to substitute for the Masonic Yahweh's name of God Jubulum in the lower degrees.

The list goes on and on. It is not a mistake the majority of occult texts authored by Mason's or those involved with them are all based upon the Jewish Kabbalah one way or another, and Judeo Christian themes. Even the passwords to get into many lodges are in Hebrew, and the Judeo Christian bible is placed upon the altars of the all the Lodges. This puts the members under the direct and subliminal control of the Elders of Zion.

Freemasonry's purpose is to act as a branch of Judeo Christianity and build the Jewish Temple of Solomon, The Jewish World Order.

The New Zion: Jew World Order: topic483.html

"Masonry is based upon Judaism. Eliminate the teachings of Judaism from the Masonic Ritual and what is left? - The Jewish Tribune [New York, Oct 28, 1927]

"In the present nations, Freemasonry is only of benefit to the Jews"

—Theodore Herzl

"We have founded many secret associations, which all work for our purpose, under our orders and our direction. One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our universal King of the Jews; and should never know that we are commanding them to forge the chains of their own servility to our future King of the World"

—Opening speech made at the B'nai B'rith convention in Paris [published in the Catholic Gazette, Feb 1936]

"It was during that period that I became interested in freemasonry. In the eighteenth century freemasonry became expressive of a militant policy of enlightenment, as in the case of the Illuminati, who were the forerunners of the revolution."

—Leon Trotsky [Jew and high ranking leader of the Communist revolution] My Life: The Rise and Fall of a Dictator

One of Trotsky's close friends and fellow Communist, Christian Rakovsky: Christian Rakovsky, born Chaim Rakeover [Jewish name] in 1873, was a high-ranking Communist:

"A lifelong collaborator of Leon Trotsky, he was a prominent activist of the Second International, involved in politics with the Bulgarian Social Democratic Union, Romanian Social Democratic Party, and the Russian Social Democratic Labour Party. Rakovsky was expelled at different times from various countries as a result of his activities, and, during World War I, became a founding member of the Revolutionary Balkan Social Democratic Labor Federation while helping to organize the Zimmerwald Conference. Imprisoned by Romanian authorities, he made his way to Russia, where he joined the Bolshevik Party after the October Revolution, and, as head of the Rumcherod, unsuccessfully attempted to generate a Communist revolution in the Kingdom of Romania. Subsequently, he was a founding member of the Comintern, served as head of government in the Ukrainian SSR, and took part in negotiations at the Genoa Conference."

Openly stated, the relationship between Jews, Communism, and Freemasons is nothing more than a movement to advance World Jewish Government under the final step of Communism. His record of this event was kept in the writings titled "Red Symphony," by Dr. J. Landowsky, translated by George Knupffer.

His statements are such:

"The real aim is to create all the required prerequisites for the triumph of the Communist revolution; this is the obvious aim of Freemasonry; it is clear that all this is done under various pretexts; but they always conceal themselves behind their well known treble slogan [Liberty, Equality, and Fraternity]. The real secret of Masonry is the suicide of Freemasonry as an organization, and the physical suicide of every important Mason."

"Masons should recall the lesson of the French Revolution. Although "they played a colossal revolutionary role; it consumed the majority of Masons," since the revolution requires the extermination of the bourgeoisie as a class, [so all wealth will be held by the Illuminati in the guise of the State] it follows that Freemasons must be liquidated. When this secret is revealed, Rakovsky imagines "the expression of stupidity on the face of some Freemason when he realizes that he must die at the hands of the revolutionaries. How he screams and wants that one should value his services to the revolution! It is a sight at which one can die...but of laughter!" Rakovsky refers to Freemasonry as a hoax: "a madhouse but at liberty."

"In Russia in 1929, every Mason who was not Jewish was killed along with his family, according to Alexey Jefimow —"Who are the Rulers of Russia?" p.77.

The National Socialist Government of Germany banned all Freemasonic Lodges, as they are wings of international Jewry and its Communism.

THE REAL HOLOCAUST: THE JEWISH MURDER MACHINE CALLED THE USSR

Every day we have our senses assaulted by the Jewish Media Lie Machine's favorite fable of the fictional Holocaust of six million poor Jews by the Germans. Despite the fact such lies have already been exposed by numerous experts from across the world and even during the landmark trial of Zundel [which did not stop him from being put in prison for five years for telling the truth], the Jews continue with the wailing of their lies as they are the race of the Big Lie. At this point as their holyhoax tales unravel daily, they are left only with state backed terrorism aimed at those who tell the truth on the subject, in a desperate bid to use fear to silence those brave souls who speak out. The truth does not fear investigation.

Exposing the biggest lie of the 20th Century:

<http://www.zundel.org/>

http://gblt.webs.com/Real_Holocaust.htm

In this article, the Jewish led slaughtercost of the Gentile People of Eastern Europe will be examined. The Jews, zealously driven by their Talmudic psyche, systemically murdered over sixty million innocent Gentiles; an entire nation genocided from the top down.

FAMOUS [JEW] TROTSKY QUOTE [1917]:

"We must turn Russia into a desert populated by White Negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing tyranny, not a right-wing tyranny. It will be a red tyranny and not a white one. We mean the word `red' literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution's funeral, and we shall become a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence."

— From the `Memoirs of Aron Simanovich', quoted in *The Nature of Zionism* by Vladimir Stepin, Moscow, 1993, and translated from Russian into English by Clive Lindhurst.

The major event that led to the Communist "Revolution" in the East was the First World War. This war was instigated by Jewry for the purpose of toppling the remaining remnants of the old Gentile political, social, and economic power structures, and creating a chaotic situation that would make the Western world

ripe to be seized upon by Jewry, leading into its destruction and enslavement via a global Communist take over. In essence, the Hegelian dialect of problem: reaction, solution. This war alone killed over sixteen million people.

The official trigger event was the murder of Ferdinand and his wife. The Jewish Revolutionary Gavrilo Princip was shown being seized by police moments after mortally wounding Archduke Ferdinand and his wife. The assassination of Catholic Monarch ~ Crown Prince Franz Ferdinand ~ heir to the Austrian throne, was carried out by the Jewish assassin Gavrilo Princip using a Browning pistol on June 28, 1914. The Zionist newspaper PEIEWISCHE VORDLE wrote on Jan. 13, 1919, "The international Jewry... believed it necessary to force Europe into the war so that a new Jewish era could begin throughout the world.

Archduke Ferdinand was assassinated by Gavrilo Princip at Sarajevo; Austria demanded an apology from Serbia, Serbia apologized but Austria inexplicably declared war anyway. Max Warburg, Jewish advisor to the Kaiser who also helped fund the Jewish Bolshevik Revolution, advised the Kaiser to enter into WW1 so Zionists could push for an Israeli state. Both Warburg and Schiff were Rothschild agents. Warburg also arranged for Lenin to be transported through Germany to Russia in a sealed train to lead the conspirators to their Bolshevik triumph.

Three Jewish advisers to Kaiser Wilhelm, Chancellor Bethmann-Hollweg, Max Warburg and Albert Ballin, then had the Kaiser declare war, and the other nations were involved. Why ? To carry out the Jewish Plan.

On February 8, 1920, Sir Winston Churchill expressed his alarm over world developments in an interview published in the Sunday Illustrated Herald, London: "From the days of Adam [Spartacus] Weishaupt, to those of Karl Marx to those of Trotsky, Bela Kun, Rosa Luxemburg, and Emma Goldman, this worldwide conspiracy for the overthrow of civilization and for the reconstruction of society on the basis of arrested development, of envious malevolence and impossible equality, has been steadily growing.

"There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution by these international, and for the most part, atheistic Jews. It is certainly a very great one: it probably outweighs all others. With the notable exception of Lenin, [my note- it turns out Lenin was a Jew], the majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders." Churchill referred, of course, to the overthrow of the Gentile State in Russia and its replacement by a hateful gang of homicidal maniacs, whose unimaginable success was accomplished by the astute financial aid of Jacob Schiff to the Jewish revolutionaries, and by Max Warburg in Germany, who, at the crucial moment of the revolution in Russia, arranged for Lenin to be transported through

Germany to Russia in a sealed train to lead the conspirators to their Bolshevik triumph.

Jacob Schiff [Jew] financed the Jewish Bolsheviks who were responsible for millions of Gentile deaths and the overthrow of the Russian nation.

A statement of the situation from 1926 from a revised and re-edited version of *A Sea of Blood: The Truth about Bolshevik Russia*, a 12,000-word pamphlet originally published in Munich [1926] and authored by a Russian émigré known as "Dr Gregor."

1. Introduction

Nine years have already passed since an indescribable crime against humanity, the Bolshevik Revolution of 1917, was systematically begun. Now in its ninth year [1926], a government exists which calls itself a worker-and-peasant government—but not one true worker or farmer has ever sat on it. For nine years, torture has been used in the name of democracy as an official instrument of the state, and in the name of socialism millions of upright individuals have been murdered, put to death through starvation, or banished from home and hearth to every distant part of the globe.

In the name of the proletariat the Russian people have been subjugated by rank foreigners, their speech has been silenced, and their bodies sent—to the cheers of the [Jewish] Third International — into mass graves.

An old Russian expression says: "There are never more lies told than before a war and after a hunt," and in point of fact, the Great War [WW1] never had a true armistice; it never really ended, and the hunt for more human skulls — of course only Gentile and Aryan skulls will do — continues in accordance with a sinister and systematic plan. And thus the great lie blooms forth, in effect a form of worship of the Father of Lies, by that international scum calling itself the Bolsheviks.

Mundus vult decipi! — The world wants to be deceived! It believes Soviet lies and fairy tales and even participates in this sick comedy, sending delegations of well-known people, leftists of course, incapable of understanding the Russian language, and sympathetic to boot with the goals of the Third International! [The 3rd International was the third great convention meeting held by ultra-radical Jews and Marxists in 1919 to coordinate Communist activities worldwide.]

Off these foreign guests go to Soviet Russia to "study" the situation. These splendid chaps have no idea what Russia was like before the Bolsheviks, and what it could have become without them in the meantime! On the other hand, the Soviet Union's new friends show great knowledge and appreciation for our Russian caviar and vodka! The caviar is good, the vodka burns like fire going down, and in the brain-fog of democratic goodwill, one somehow misses the

rivers of blood, the dashed brain fragments, and the slithering clatter of millions of slaves' chains. And so internationalist democracy [Jewry] celebrates its rites of sacrifice. The Gentile lamb is slaughtered...

2. The systematic destruction of Russia

The old Russia no longer exists. In its place we have a vast desert: its intelligentsia 90% annihilated, its middle class throttled, its working class made serfs once again — but this time serfs in state-owned factories, workers who just for using the word "strike" can be put up against the wall! As for the farmer, now he is a mere beast of burden, a camel in the Soviet-made Sahara, laboring without question for his Jewish exploiters and nearly without pay.

For a non-initiate it must be entirely incomprehensible how such a mighty empire, seemingly in one night of revolution, could be set aflame at all four corners and destroyed. However, in one night it did not happen.

The events of March 1917— Kerensky's middle-class overthrow of the tsar and of November 1917, the Bolshevik putsch against Kerensky's government were only the visible result of years of patient, mole-like undermining activities by the Jewish Internationale: a work which did not begin in the criminal minds of [Jews] Marx, Kautsky, and Engels, but instead in an earlier alliance of Jewry with the higher grades of world [Jewish infiltrated] Freemasonry.

My note- it is important to understand the Freemason's were infiltrated by the Jewish Illuminati in the 18th century and turned into an organ of Global Jewry.

These lofty "idealists" have tortured and killed, in the name of Russia's workers and peasants — and according to their very own statistics — the following numbers of victims in the first four years of the glorious Russian Revolution:

8,800 Gentile doctors and their aides. Why? Because they represented non-Jewish middle-class medicine. Now come the officers: 54,650 army and naval officers, 10,500 police officers [lieutenant-rank and above] and 48,500 lower-ranking policemen, and for what reason? Because they were military and police officers, and we all know that "militarism" is no longer permissible for any nationalistic and Aryan-conscious white people. It is only allowed to Red bandits, who call themselves proletarians, to dig the real proletariat a mass grave.

Then there are 260,000 flag-loyal soldiers of the old army, all now executed. However, even this statistic is trifling. Now come the intelligentsia: teachers, professors, engineers, building contractors, writers and judges — especially judges, because these were the most dangerous for a state ruled by convicted felons.

To them let us add lawyers, district attorneys and all the college-educated occupations — to reach the number of 361,825 murdered members of our most mentally demanding professions. I will not even tarry over our annihilated class of

large landowners, consisting of 12,950 persons, and when someone asks me how the Russian intelligentsia can bear the Bolshevik yoke, I always answer that the Russian intelligentsia is either literally six feet under or in exile, and that the tiny remainder left over has suffered such a blood-letting and systematic humiliation through the Communist steamroller that they have forfeited every last bit of self-esteem and personal honor.

Finally, we come to the modest numbers of workers and peasants executed by the worker-and-peasant state. They amount to only 192,350 workers and 815,000 peasants. All these figures are official statistics published by the Cheka [forerunner of the KGB] and printed in easily obtainable Bolshevik newspapers during this period when the anti-Communist White Russian forces were fighting Trotsky and the Red Army, [1917-1921].

All these facts can be verified in the complete volumes of information or excerpts published in 1922 by the Ministry of Internal Affairs of the Kingdom of Serbia, the only country in Europe, which is fighting mercilessly against the disease of communism. Even this enormous number of casualties is small compared to the mentally ill persons now running around free in Soviet Russia — four million eight hundred thousand of them, but this is no surprise. Even the old Russia did not have enough sanatoria and hospitals for them. Now the whole country has become a madhouse. The murders continue and the blood flows on, albeit only Gentile and Aryan blood.

When during the 1922 Famine, 30,000 human beings were dying every day, Jewish leader Trotsky made the sarcastic remark: "All the better — look at the paperwork that will save us now!"

3. Tsars assassinated by the Jews

After Nicholas I, his son Alexander II mounted the throne, a true friend of his people. In 1861, he abolished serfdom and gave the peasants land. This reform happened through the mere arrangement of village communities — an institution far closer to true and sincere communism than the capitalistic, tax-exploitative system we see in Soviet Russia today.

This same tsar, Alexander II, who in 1864 gave his people a whole new trial procedure for their court system, then the fairest and most progressive in Europe, underwent seven attempts to assassinate him, until finally, in an eighth attempt perpetrated by Goldmann, Liebermann, and Zuckermann [can anyone mistake their race?], successfully carried out the wishes of London. [Great Britain was by this time in the control of the Jewish bankers of the City of London].

Alexander II, the great benefactor of his nation, was assassinated on March 1, 1881, the very day that he was to bestow upon his country a new, constitutional form of government. Alexander II was gone.

Alexander III now became tsar. With respect to this monarch who preserved European peace, we Russians were all convinced that when he died in 1894, he had succumbed to a normal illness [in this case an acute kidney infection]. How great was afterward our amazement when we learned, on the run, in exile, and from Jewish sources — that this tsar too had fallen victim to the criminal minds of the tribe of Judah.

The Jew Saltus exults over this fact in his book “The Imperial Orgy”, published in New York in 1920. In his foam-mouthed delirium over the successful downfall of the Gentile-Aryan world he explains in his book how the Jews, working with the Entente powers — England, France, the U.S. and Italy — got rid of the tsars one after the other. He further relates that, at the same time as the Russian churches were praying for the health of the tsar, he was being cursed in the synagogues.

My note- this is true and was proven in the 1911 case of the ritual murder of Andrei Youshchinsky, who was ritually murdered by the local Jewish community as part of a ritual, by their own confession to help bring down the Tsar and Russia to Jewry:

<http://groups.yahoo.com/group/JoSNewsletter/message/242>

"While the murder was proven to have taken place inside the synagogue of a local Jewish owned and operated brick factory, the Jury could not determine for certain if it was Beiliess who had wielded the implement that punctured Andrei's body over 45 times, killing him, while carefully drawing as much blood as possible from Andrei's body in the process. It was stated the puncture wounds to the side of the child's head where done specifically for a special part of the ritual as a sacrifice, so the Jews could overthrow the Czar."

To the bedside of the sick tsar, his personal physician, Zakharin, was summoned. Zakharin, a perfectly good Russian name, and yet — a Jew. When he arrived to see the tsar in Livadiya, he had the medicine all ready for him in his vest pocket. The kind of medicine is easy to imagine: a one-way ticket into the next world.

After the trusting tsar had swallowed the medication and was rolling in pain on his bed, Zakharin bent over-him, according to Saltus, with a diabolical grin on his face. The tsar choked out the words "Who are you?" Zakharin's answer: "I am a Jew!" And with enormous chutzpah, he then turned to the empress and the tsar's ministers and said: "Not to worry, his majesty is only talking in a fever!"

Then he bent over the dying man and grinned at him again: "You are breathing your last breath—and we have won!" This comes straight from the Jew Saltus in his book “The Imperial Orgy.”

4. The murder of millions of Gentiles by the Cheka

And then the Russian Revolution came. Who were these friends of the common people who in the name of freedom, equality, and democracy began annihilating the Gentile-Aryan population? Undoubtedly, there were among them some true

idealists [useful idiots of Jewry] who really believed that they could use murder and manslaughter, along with robbery and theft, to make a happier world and a new paradise of equality. The well-known result, however, was a living nightmare consisting of hunger, deprivation, despair and an equality only in one's right to be murdered by the Jewish-controlled Cheka [forerunner of the KGB].

The word "Cheka" is not only an acronym in Russian for "Special Commission for Fighting Counter-Revolution," but also a Yiddish expression for animal slaughter. How fitting this expression! We Gentiles, who are called "goyim" or cattle, are in the Jewish view mere animals. Yahweh gave us human faces, however, so as to spare the Jews the distress of having servants who looked like animals.

[Paraphrased]

The first provisional government [after the abdication of Tsar Nicholas II and just before the 1917 Bolshevik Revolution] consisted exclusively of [Corrupted] Freemasons of Romance-language initiation, from France or Italy, and funded by [Jew Rothschild] English money.

The criminality of this "provisional government" knew no bounds, because it did the most despicable thing a government could do. It ignored the promises, purposes and ideals for which it was put into power, and for which it had overthrown the Tsar, head of state. The nine months of this "government" was nothing but a gestation period, and horribly pregnant Russia gave birth to the miscarriage on October 27, 1917. It can rightly be said that power was lying there on the street and the Bolsheviks merely picked it up. To provide a show for the friendly democracies abroad, there had to be street battles in Russia. And so the prime minister Kerensky, a half-Jew whose real name was Kirbis, meaning "pumpkin", deliberately sent a battalion of women and young officer cadets into the jaws of a howling and murderous mob, where they were sadistically annihilated. Meanwhile Kerensky, dressed in a sailor suit, fled St. Petersburg. Just before that, Kerensky had signed, for publicity reasons, an arrest warrant against the "traitor Trotsky" [Bronstein]. But when General Polovtsev showed up with his Cossacks in Trotsky's apartment to arrest him, there sitting in a plush armchair with Trotsky was Kerensky, sipping a liqueur. He took the arrest warrant from the astonished general's hand, theatrically tore it up, and sent the general on his way — a man who lacked the courage to simply arrest both these scum — for in a revolution, the first one to pick up his stick is on top.

In any case, the Russian and foreign publics were to be treated to scenes of urban warfare and bloodshed, Aryan blood, of course.

5. [Jew] Lenin, a syphilitic psychopath

The Mensheviks, or "majority people," wanted a peaceful socialist welfare state and limited state ownership of industries as in Sweden. The Bolsheviks, or "minority people" [i.e., mostly Jews] wanted a reign of terror and total nationalization under Lenin and Trotsky. The Mensheviks made only one

condition: that Lenin explain himself with respect to allegations of theft from the Party. When the convention began and Lenin was challenged to give an account of himself, he stood up, stuck his hands in his pockets and proclaimed that his standing was so high in the party that he owed no one any answers.

When Lenin first arrived in Russia from Germany, he was already demented from untreated or poorly treated syphilis. With this softening of the brain, a sort of gumming of the tissues, he was now fully qualified to pour his criminal fantasies into the ears of the foaming mob.

Russia already stood in flames, and the shabby gang of brigands were encouraged by Lenin's slogan, "Rob back what they robbed from us!" And so the mob hurled themselves upon the meager remains of Russian society. Under the joyful croakings of Jewry, Mother Russia was submerged. Truly, truly the "international proletariat" can be proud: its leader a [Jew] thief, its prophet a syphilitic, its greatest man a mass murderer. Instead of leading mankind into the bright light above the clouds, it has jammed humanity down into the sewer, and it is no accident that his mausoleum, "Lenin's tomb," looks today like a public lavatory.

After the February Revolution of 1917, Nicholas II abdicated his throne and took refuge with his family in a house in Yekaterinburg. The Bolsheviks murdered the Czar, his wife, his son, his four daughters, his servants, and family doctor in the same room on the night of July 17, 1918. It has since been confirmed that Lenin ordered the clandestine killings from Moscow.

Veteran British journalist Robert Wilton explains in his cult classic, "The Fall of the Romanovs", how the murder of the Tsar and his family was orchestrated entirely by Jews:

"The whole record of Bolshevism in Russia is indelibly impressed with the stamp of an alien invasion. The murder of the Tsar, deliberately planned by the Jew Sverdlov, and carried out by the Jews Goloshchekin, Syromolotov, Safarov, Voikov, and Yorovsky, is the act not of the Russian people, but of this hostile invader." — Robert Wilton, *The Fall of the Romanovs*, p.148.

6. Trotsky, another killer of Gentiles

Lenin's great rival was a man who nearly exceeded him in treachery, viciousness, and sadistic love of executions: the Jew Laibe Bronstein, who called himself Leon Trotsky. This Bronstein-Trotsky character was formerly an ultra-radical writer of gall-dripping articles for Jewish newspapers, but long before the war, he was an agent of the tsarist secret police in Vienna, reporting on Russian Jews who had deserted from the Russian armed forces. Trotsky, a full-blooded Jew, betrayed his racial brothers to the Russian government for 150 gold crowns a month [about \$200]. This perhaps tells us all we need to know about him.

He moved to St. Petersburg and founded a very bourgeois and capitalist freight-moving business. Later he got into the business of lopping off heads when it became more advantageous to be a Communist. The entire Communist system under Soviet Judea is shot through with corrupted values. While pure communism is said to promise a community of sharing, the slogan of Russian communism seems to be: "What's mine is mine — and what's yours is mine, too!"

FAMOUS TROTSKY QUOTE [1917]:

"We must turn Russia into a desert populated by white negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing tyranny, not a right-wing tyranny. It will be a red tyranny and not a white one. We mean the word 'red' literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution's funeral, and we shall become a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence."

— From the 'Memoirs of Aron Simanovich', quoted in "The Nature of Zionism" by Vladimir Stepin, Moscow, 1993, and translated from Russian into English by Clive Lindhurst.

7. Fiendish tortures devised by the Jewish Cheka

An entire shelf of books with both written and photographic documentation has been published on this theme. I need mention only "The Blood Intoxication of the Bolsheviks" by Nilostonsky, "The Battle Against Bolshevism" by Avalov, "The Plague over Russia" by Albert Rosenberg, "Soviet Russia" by Katharina Haug-Houg, and "The Cheka" by Georg Popov.

[My note- when Adolf Hitler was still a soldier in the Germany Army he was in one of the units that was brought to deal with the Jewish Communist insurgency in Germany. He personally, along with thousands of other German Nationalist fighters, saw the remains of innocent Germans murdered the same way by the Jewish Bolsheviks in the city].

Hundreds of reports and letters coming back from the East during the war, from Axis troops and commanders, mentioned finding the same, the bodies of Gentile victims of similar atrocities [killed by the Jewish NKVD] in liberated cities, towns and villages. This is what led to the pogroms, as hundreds of outraged Gentiles who had suffered for over a decade under the Jewish Red Terror Machine took to the streets to find those Jews within their kosher prized communities who had been their tormenters and murderers of their friends and family members for years. As recent KGB reports also show, the majority of the Russians in the liberated Axis territory welcomed and worked with the Axis forces on every level

willingly, and thanked them for liberating them from the Jewish terrorism and oppression. Over a million also fought as volunteers for the Axis force to help liberate the rest of Russia from Communist Jewry. Most were murdered by the Jewish Communist occupation state after the war to the sum of millions. Their crime was only wanting to be free.

Here now are some of the gruesome tortures devised by the Jewish Cheka for its mostly Russian Gentile victims. When the Reds occupied a city, they took hostages, such as people wearing ties or workers in their Sunday best. They stripped them naked and then bound onto the stomach of the murder victim an empty flowerpot into which a ravenous, starving rat was placed. Through the small water hole in the base of the flower pot, a red-hot iron rod was pushed to torment the rat and make him wild, causing him to try to burrow himself away from the rod, and deep into the abdomen of the horrified human victim.

They lined up other victims in military formation, and then ordered the first row to place one hand upon a wooden table. A nail was driven through the hand into the wood. Then they cut a full circle around the wrist skin, drenched the hand in boiling water, and pulled the hand and finger skin right off. This they called "making gloves." Interestingly, each torture chamber had its own special torture lady, always a Jewess or [Jew] Latvian female, usually with a nickname such as "Dora, the glove maker" or "Rosa, the glove lady."

It comes as no surprise to us to learn that the chief justice of a criminal court in Moscow was also a Jewess, Anya Glusmann, who was said to love pronouncing death sentences above all else, and, according to a fawning newspaper article about her, she loves flowers and perfume after a "hard day's work."

There is more, such as placing a man's head on an anvil, then slowly exploding it using a huge iron hammer with ever-increasing weights. Those fated to suffer the same death the following day were ordered to pick up the brain and bone pieces, the nerve tissue and blood, which they witnessed flying around the room. When ordered to their work they were told: "You are digging your own grave. You must be happy that tomorrow your own kind will be picking up the pieces of your cadavers."

People had their eyes gouged out, their tongue severed, and their ears sliced off, then they were buried alive, or their abdomen was opened with a knife and the first section of their intestines was nailed to a telephone pole. They were then forced to run around the pole as their entrails unwound until death came. Officers of the Russian navy were steamed to death in their own engine rooms. They were chained to cement blocks and hurled off the piers so that their tethered corpses, decomposing and rising under the waves, formed hideous, tossing forests of the dead. General Viren of Kronstadt had both his arms hacked off and was then paraded around the downtown area until it became boring, whereupon he was shot. Human beings had burning cigars pushed into their open eyes until

they were blind, their entire body being roasted on spits. Heads were squeezed slowly to the bursting point with special brain vises.

The German Army discovered a chamber full of these and similar devices, including a testicle-cracker, in an underground chamber in Ukraine in 1941. Adapted dentist drills were used to drill deep into the brain. They sawed off the top of people's skulls and forced others to eat their brains, whereupon the eaters then came under the saw and in turn had their own brains eaten. [Paraphrased] Entire families were arrested and children tortured before the eyes of their bound parents, or the wife was tormented before the eyes of her husband or the reverse.

The Bolsheviks drove nails into empty wooden barrels, then jammed human beings inside, rolling the barrels around merrily. The White Army found mass graves of people buried alive. Victims of live burial usually have dirt in their mouth and nostrils from trying to breathe. The writhing bodies of these people were found in the most bizarre contortions, and all this in the sweet name of freedom and democracy!

Another examination of the situation: An Orgy of Murder, Extreme Torture, and Pillage

The orgy of murder, torture, and pillage, which followed the Jewish triumph in Russia, has never been equaled in the history of the world. For more than a thousand years, the White Russians, descendants of German settlers in Russia, had provided an economic climate in which Russia, the "breadbasket of Europe", had prospered. In a few days, this stable civilization vanished, perhaps never to return. The fortunate ones were those who recognized the peril in time to flee with nothing but the clothes on their backs. Those who dallied or sought to save others were shot down in mass executions persisting through the night; the constant rattle of machine guns muffled by the roar of truck engines raced at full throttle to drown the sound of the shots and the screams of the dying. Had you experienced the high standard of living in feudal Russia, perhaps you would have a different opinion of this alleged "prosperity."

The Tsar's exquisite daughters. At first, the girls did not die because of the jewels sewn into their corsets. These jewels were for protection but also so that the family could have some money for when they fled the country. The shooters were horrified at how the girls were able to withstand the bullets. To solve that problem, the shooters tried to stab them with bayonets. That failed, too, because of the jewels, so then, they were shot in the head at close range. The key word here is "hatred." The Jews were free to indulge their most fervent fantasies of mass murder of helpless victims. Gentiles were dragged from their beds, tortured and killed.

Some were actually sliced to pieces, bit by bit, while others were branded with hot irons, their eyes poked out to induce unbearable pain. Others were placed in boxes with only their heads, hands, and legs sticking out, and then hungry rats were placed in the boxes to gnaw upon their bodies. Some were nailed to the ceiling by their fingers or by their feet, and left hanging until they died of exhaustion.

Yakov [Yankel] Mikhailovich Yurovsky [Jew] is best known as the chief executioner of Russia's last emperor, Tsar Nicholas and his family after the Russian Revolution of 1917. Others were chained to the floor and hot lead poured into their mouths. Many were tied to horses and dragged through the streets of the city, while the mob attacked them with rocks and kicked them to death. Mothers were taken to the public square and their babies snatched from their arms. A Red terrorist would take a baby, hold it by the head, head downward, he would toss the baby into the air, while another member of the mob rushed forward to catch it on the tip of his bayonet. Pregnant Gentile women were chained to trees and their babies cut out of their bodies.

There were many places of public execution in Russia during the days of the Revolution, one of which was described by the American Rohrbach Commission, [Defender Magazine, October 1933]:

"The entire cement floor of the execution hall of the Jewish Cheka of Kiev was flooded with blood; it formed a level of several inches. It was a horrible mixture of blood, brains, and pieces of skull. All the walls were bespattered with blood. Pieces of brains and of scalps were sticking to them. A gutter of 25 centimeters wide by 25 centimeters deep and about 10 meters long was along its length filled to the top with blood.

"Some bodies were disemboweled, others had limbs chopped off, some were literally hacked to pieces. Some had their eyes put out, the head, face and neck and trunk were covered with deep wounds. Further on, we found a corpse with a wedge driven into its chest. Some had no tongues. In a corner we discovered a quantity of dismembered arms and legs belonging to no bodies that we could locate."

The Jewish Communist Chekists took pleasure in brutally torturing their victims: Victims were nailed to trees, had their eyes gouged out, noses cut off, ears removed, and tongues removed. There were [Jewish] Chekists who cut open their victim's stomach, pulled out a length of small intestine, nailed it to a telegraph pole, and with a whip forced the victim to run circles around the pole until the whole intestine became unraveled. Eyes of Gentile victims were poked out, their tongues cut off, and they were buried alive. A major Gentile member of the Voronezh area was boiled alive in a big pot, after which others of the community, revolvers at their heads, were ordered to drink. In Kharkov, people were scalped. In Tsaritsyn and Kamyshin peoples' hands were amputated with a saw. In Poltava and Kremchug, the victims were impaled. In Odessa, they were

roasted alive in ovens or ripped to pieces. In Kiev, victims were placed in coffins with decomposing bodies and buried alive.

On March 13, 1917, Jacob Schiff sent Milyukov, new Minister of Foreign Affairs of the Bolshevik Revolutionary Government, and a personal friend of Schiff, a telegram reproduced in the New York Times, April 10, 1917:

"Allow me, as the irreconcilable enemy of the tyrannical autocratic government which pitilessly persecuted our co-religionaires [Jews], to congratulate through your intermission, the Russian people for what they have so brilliantly accomplished, and to wish success to your comrades in government and to yourself."

We already know of the glee with which Jacob Schiff and other Jewish bankers greeted the news that their co-Jews in Russia were now engaged in the favorite Jewish practice of mass murder, but what of American government officials, who were well informed by a number of intelligence sources about these atrocities?

The Overman Committee in 1919 published a report of its findings, which are pertinent to this subject. Titled, "Bolshevik Propaganda Hearing Before the Sub-Committee of the Committee on the Judiciary, United States Senate, 65th Congress," it records the testimony of Dr. George A. Simons, former superintendent of the Methodist Missions in Russia, from which we briefly quote: "We were told that hundreds of agitators had followed in the trail of Trotsky-Bronstein, these men having come over from the lower east side of New York. Some of them, when they learned that I was the American pastor in Petrograd, stepped up to me and seemed very much pleased that there was somebody who could speak English, and their broken English showed that they had not qualified as being real Americans.

"A number of these men called on me and were impressed with the strange Yiddish element in this thing right from the beginning, and it soon became evident that more than half the agitators in the so-called Bolshevik movement were Jews. I have a firm conviction that this thing is Yiddish, and that one of its bases is found in the east side of New York.

"The latest startling information, given me by someone with good authority, is this, that in December, 1918, in the northern community of Petrograd ~ that is what they call the section of the Soviet regime under the Presidency of the man known as Apfelbaum [Zinoviev] ~ out of 388 members, only 16 happened to be real Russians, with the exception of one man, a negro from America who calls himself Professor Gordon.

"I was impressed with this, Senator, that shortly after the great revolution of the winter of 1917 there were scores of Jews standing on the benches and soap boxes, talking until their mouths frothed, and I often remarked to my sister, 'Well, what are we coming to anyway. This all looks so Yiddish.' Up to that time we had

very few Jews, because there was, as you know, a restriction against having Jews in Petrograd, but after the revolution they swarmed in there and most of the agitators were Jews.

"I might mention this, that when the Bolshevik came into power, all over Petrograd, we at once had a predominance of Yiddish proclamations, big posters and everything in Yiddish. It became very evident that now that was to be one of the great languages of Russia; and the real Russians did not take kindly to it."

A widely known French journal, "L'Illustration", of September 14, 1918, commented, "When one lives in contact with the functionaries who are serving the Bolshevik Government, one feature strikes the attention, which is nearly all of them are Jews. I am not at all anti-Semitic, but I must state what strikes the eye: everywhere in Petrograd, in Moscow, in provincial districts, in commissariats, in district offices, in Smolny, in the Soviets, I have met nothing but Jews and again more Jews.' "The more one studies the revolution, the more one is convinced that Bolshevism is a Jewish movement which can be explained by the special conditions in which the Jewish people were placed in Russia."

Alexander Solzhenitsyn relates that some sixty-six million "real Russians" have been murdered since the Bolshevik Revolution at the hands of the Yiddish revolutionaries, and now two hundred million citizens of the United States await their turn in the abattoirs of the bloodthirsty Jewish terrorists.

Rev. Denis Fahey, in his book, "The Rulers of Russia", exposed the real names of many of the Jewish terrorists who operated the Soviet murder machine in Russia. Trotsky was Bronstein, Martov was Zederbaum, Zinoviev was Apfelbaum, Kamenev was Rosenfeld, Parvus was Helphand, Bohrin was Nathanson, and so on.

Many of the White Russians fled towards the Pacific, from Vladivostok to the Port of Dairen. The Russian women, who had presided over the most gracious palaces known to European civilization, were forced to turn to prostitution to find bread for their starving children; while others, finding the degradation unbearable, committed suicide, or slowly starved to death. Decades after the Russian Revolution, some of the White Russian women could still be found in houses of prostitution in Shanghai, Peking, and Tokyo.

The male survivors of the Marxist Terror, many of them highly cultured scholars, philosophers, and scientists, found no means of support from their highly specialized talents in the harsh Asiatic world of the refugee. One Russian General was seen pulling a rickshaw as a coolie in Shanghai for a few days; he later hung himself in his barren room.

Those who survived the initial Terror in Russia were fated for an even harsher death, a slow agonizing one as a prisoner in a Jewish operated concentration

camp. For many years the Jews, through their total control of the media in Gentile nations, prevented any word of the horrors of which they perpetrated daily upon Gentiles in Soviet Russia from reaching the outside world.

Finally one victim, who had survived a sentence in a concentration camp, Alexander Solzhenitsyn, reached safety. In his book, "The Gulag Archipelago", he informed an incredulous world that the blood-maddened Jewish terrorists had murdered sixty-six million victims in Russia from 1918 to 1957!

Solzhenitsyn cited Cheka Order No.10, issued on Jan. 8, 1921: "To intensify the repression of the bourgeoisie." It was this order on which the establishment of the terrible Siberian camps, Kolyma and many others were based. Solzhenitsyn also brought to the Gentile world the names of the mass murderers who ran these camps.

All of them were Jews. Typical was one Lazar Kogan, who watched thousands of slave laborers die during his stint as boss of the White Sea Canal construction. He would sometimes remark to a new prisoner, "I believe that you personally were not guilty of anything, but, as an educated person, you have to understand that social prophylaxis was being widely applied."

"Social prophylaxis" was one of the vicious Jewish phrases that they used as euphemisms for their massacre of the Gentiles. Their victims, once they were consigned to the camps, were no longer considered human, as the Jews considered all others to be non-human. They were known simply by the nickname of "zeks", slang for "zakluchenny", which means "prisoner" in Russian.

The Jews were given another opportunity to massacre helpless Gentiles during the Spanish Civil War [Communist attempted take over of Spain]. Ernest Elmhurst states in "World Hoax," p. 157, "Of no less significance was the transfer of Soviet Russia's former peace delegate at Geneva ~ the Jew Rosenberg [Moses Israelsohn] with his staff of 140 members to the office of Ambassador to Spain in August of 1936."

This cadre of highly trained specialists in torture and murder passed over a reign of terror, which was largely ignored by the rest of the world, because the journalists covering the Spanish War, Ernest Hemingway and many others, were themselves sympathetic to the Communists and they sought only to discredit the Spanish patriots, the "Fascists" as they contemptuously termed them.

The [Jew] Rosenberg murder teams were called "World Revolutionary Movement Purification Squads." Their "purification" consisted mainly of massacres of priests, nuns, choirboys and women and children. In Madrid, it was estimated that one tenth of the population of Spain was murdered by the Communist Jews by 1939. De Fonteriz in "Red Terror in Madrid" tells how Cheka crews organized

by Dimitrov and Rosenberg carried out a program of torture and murder so obscene that it cannot be repeated or described.

Early in World War II, the Communists delighted in the opportunity to indulge in their favorite sport of mass murder. During the first days of the war, 15,000 Polish officers, who were the flower of the nation, were captured. They were taken to three Jewish operated Communist camps, Starobiesk, Kozielsk, and Ostashkov. Only 448 were ever seen alive again. The rest vanished, but not without a trace.

The Kozielsk camp was situated on the grounds of a former Orthodox monastery, five miles from the Kozielsk railway station. In this camp, about 5000, were sent away in small groups, the process continuing until April 1940. Parfeon Kisselev said that in the spring of 1940, prisoners were brought to Katyn Forest in three or four buses daily. From his house, he heard shots and shouts. It was rumored that 10,000 Poles were shot there. When the German Army occupied the area in 1943, an investigation was begun.

The Final Report of the German Police dated June 10, 1943, states that, "It was proven, without exception, that death was caused by a shot in the back of the neck. The seven mass graves of murdered Polish officers, which have been cleared, covered a relatively small area. From the translation of diaries, of memoirs and other notes found with the bodies, it was proved that the officers who had been taken prisoner by the Soviet Army in 1939 were sent to various camps: Kozielsk, Starobielsk, Ostashkov, Putiviel, Bolotov, Pavlishcev Bor, Shepyetovka, Gorodok.

"The majority of those killed in Katyn Forest had been in the Kozielski camp. From the end of March, until the first day of May 1940, the prisoners from Kozielsk arrived by rail. The exact dates cannot be established. A few short intervals apart, a batch left almost every day, and the number of prisoners varied between 100 and 300 persons.

"Thence, in the early morning, the prisoners proceeded in special lorries to the Katyn Forest. There the officers were immediately shot, thrown into the waiting graves, and buried, as may be seen from the evidence of the witness Kisselev, who had seen the ditches being prepared. That the shooting took place immediately after the arrival of a group of prisoners is proved by witnesses who heard shots after every such arrival.

"There was no accommodation in the forest apart with the rest house, which had a limited capacity. From the position of the bodies, it may be assumed that the majority were murdered outside the graves. Very many of the dead men had their hands tied behind their backs. The evidence of witnesses confirmed that access to the forest was forbidden. — Voss, Secretary of the Field Police." Professor Butz's Report stated, "Documents found on the victims [identity cards ~ but not military passports ~ diaries, letters, postcards, calendars, photographs, drawings, etc. gave the names, age, profession, origin and family relations of the victims.

Pathetic entries in the diaries testify to the treatment of the victims by the [Jewish] NKVD.

"Letters and postcards from relatives in Upper Silesia, in the 'General Government' and in the Russian-occupied zone, written, to judge the post office stamps, between Autumn 1939, and March or April 1940, clearly point to the time of the crime [spring, 1940]."

The Katyn Case came before the Nuremberg tribunal as part of the general trial of German "war criminals," the Soviets having claimed this atrocity had been committed by the Germans. Although it was on the agenda, the Soviets omitted it from the judgment, nor was any Pole allowed to testify about it. Mr. G.F. Hudson wrote in the quarterly, "International Affairs," "The unquiet dead of Katyn still walk the earth." In subsequent years, a number of Congressmen have sought to reopen the case, including Hon. George A. Dondero, Hon. Ray Madden and others.

A U.S. Congressional Select Committee, 2 July 1952, reported that "The committee unanimously agrees that evidence dealing with the first phase of its investigation proves conclusively and irrevocably that the Soviet NKVD [People's Commissariat of Internal Affairs] committed the massacre of Polish Army officers in the Katyn Forest near Smolensk, Russia, not later than the spring of 1940.

"The committee further concludes that the Soviets had plotted this criminal extermination of Poland's intellectual leadership as early as the fall of 1939, shortly after Russia's treacherous invasion of the Polish nation's borders. There can be no doubt that this massacre was a calculated plot to eliminate all Polish leaders who subsequently would have opposed the Soviets' plan for communizing Poland."

The end of World War II gave the Communists the opportunity to wreak revenge on all who had opposed them during the war. As a result, from two to five million victims were massacred by Jewish terrorists in France, Italy, Czechoslovakia, and in other countries in which the Communists were allowed by their Allies to murder at will all anti-Communists or "Fascists".

The Sunday Oklahoman shed some light on this horror, Jan. 21, 1973: "Document tells Allied Part in Deaths of Thousands" "A former White House consultant has provided the Sunday Oklahoman with a secret document exposing for the first time what appears to be Allied complicity in the deaths of thousands of unsuspecting, liberated prisoners of war and displaced persons after World War II.

"The document, a 10-page British Army report, is believed to be part of voluminous Anglo-American files on the forcible repatriation to the Soviet Union of an estimated 2 to 5 million unwilling anti-Communists between 1944 and 1948.

The files, codenamed Operation Keelhaul, are still kept under tight security in London and Washington as virtually the last major secret of World War II.

"The secret British report summarizes one repatriation operation in Italy in which Russian POWs were turned over to the Red Army and almost certain execution after being duped by the British into believing they would be given asylum in the West. It tells of the agony and the horror experienced by the prisoners." The leading criminal in this mass execution of two to five million anti-Communists was ~ who else ~ our grinning Ike, head of the European sector for the Allied armies, or, as you may know him, our former President, [Jew] Eisenhower. The crime of Operation Keelhaul was not on the agenda at Nuremberg.

To finance the State of Israel, which was created as a direct result of the Jewish victory over the Gentile nations in World War II, Jews, who had committed all the atrocities, now imposed enormous "reparations" demands on the conquered German people. To date, they have extorted more than thirty-five billion dollars from German workers; money which has been collected at the points of bayonets, not Jewish bayonets, but the bayonets of the American Army, which has been maintained as an occupying force in West Germany for nearly four decades, solely to provide military power behind the puppet German Government, which has as its primary function, the furnishing of money for the parasitic State of Israel.

Some twenty years after World War II, the Jews began to fear that scholars might focus on the terrible massacres of women and children during that war by armies directed by the Jews. The incineration of thousands of families by mass fire-bombings of the cities of Cologne, Hamburg, Berlin, Dresden, and other European cultural centers; the firestorms which killed many thousands of families in Tokyo; as well as the nuclear holocausts unleashed on civilian populations at Hiroshima and Nagasaki in the last days of the Japanese War, when the Imperial Staff was already suing for peace [the Jews did not want to lose this opportunity to test their new Jewish H-Bomb on human targets]; these and their numerous other war crimes, began to concern the Jews.

Their guilt was inescapable; it seemed a mere matter of time until their crimes would call down retribution upon their heads. To forestall this possibility, the Jews began a furious campaign of their own; a highly synchronized and coordinated worldwide campaign publicizing their new myth, the "Holocaust", in which six million Jews were said to have been exterminated.

Six million Jews were also said to have been gassed. Whether this meant there were actually twelve million Jews "killed" no one seems to know. That holocausts, or mass murders by fire, occurred during World War II was a matter of historical record.

There existed photographs of stacks of burned corpses, which had been made in Cologne, Hamburg, and Dresden after the mass firebombing of those cities by Allied aircraft. The problem the Jews faced was that there had been no holocausts of Jewish victims during World War II, nor were there any photographs of burned Jewish bodies.

Not to worry ~ the Jews simply appropriated the photographs of the bodies of their German victims, which are exhibited today in gruesome "museums" in Germany as exhibits of dead Jews. It was a matter of record that the Jews actually fared quite well during World War II.

In Germany, incredible sagas of bribery and corruption on the home front had secured the mass evacuation of all Jews from German cities just before the fire bombings began. When entire German families perished amid scenes of unspeakable horror, the Jews were safely ensconced in comfortable quarters in such refugee camps as Auschwitz.

The ultimate testimony as to their rescue by being segregated in these remote camps, far from the danger of the mass bombing raids, comes from ~ who else ~ the Jews themselves. As they never cease to assure us, ~ they "survived."

Although they survived amid scenes of genocide or massacres of non-Jews in many countries, they realized several decades later that it was necessary for their purposes to claim that they had been "exterminated."

The protection camps in which they had been safely segregated by the Germans during World War II now became "death camps." Not only were they death camps, but they were camps such as Auschwitz, memorialized in the Atlantic Monthly, Sept. 1981, as having "its own soccer stadium, its own library, its own photo lab, and its own symphony orchestra."

The same article proudly boasts that "the hospital at Auschwitz grew to considerable size, with about twenty doctors and more than three hundred nurses." This was a "death camp?" The fact was that there was not a single German military field hospital near any combat front as sizeable or as well equipped as the hospital at the "death camp" of Auschwitz, yet Auschwitz is always cited by the Jews as the place where millions of Jews were "put to death."

The purpose of the large modern hospital has never been satisfactorily explained, since the Jews now claim that within hours after arriving at Auschwitz, the Jews were hurried to the "gas chambers". This claim might have more validity had it not been for one unfortunate oversight by the Jews ~ they did not build the gas chambers at Auschwitz until after World War II had ended.

In most forty years after the war, in which "six million Jews were murdered by the Nazis", as they claim, there are annual festivals, conventions, and other mass

gatherings of many thousands of the "survivors of the death camps". Even more peculiar, hardly any of these prosperous, healthy, and well-fed "victims" claimed to have been the survivor of only one "death camp."

Nearly all of them claim to have been a prisoner in five or six of the camps, this at a time when Germany, fighting a two front war, could not keep its troops supplied in the combat areas. The Jews ask us to believe that every few months they were transferred from one camp, put on a train and carried hundreds of miles to another "death camp" to be killed, and then a few months later, apparently not having been killed, they were entrained to yet another "death camp", where they remained without being harmed until the end of the war.

The reason for the otherwise inexplicable claims of the Jewish "Survivors" that they were in many different "death camps" is revealed by a simple explanation, "gelt." The "survivors" regularly receive monthly payments from the conquered Germans.

- "Garfinckel" receives a monthly payment in Israel from Germany because he was a prisoner in Auschwitz.
- "Rosenfeld" receives a monthly payment from Germany in Israel because he was a prisoner in Treblinka.
- "Steinberg" receives a regular monthly payment in Israel from Germany because he was a prisoner in Dachau.
- Garfinckel, Steinberg, and Rosenfeld ~ you don't know them? He's the same fat, grinning Jew you saw in the news coverage of the Holocaust convention.

The Myth of the Holocaust or the "vanished six million Jews" is not solely a matter of collecting revenue from defeated enemies. It is also one of the most powerful weapons of propaganda in the hands of the Jews in their drive for total world power. Today, all officials seeking to continue in office or to seek higher office in the United States must make a ritual pledge of eternal and unquestioning faith in the Myth of the Holocaust. To question the Myth of the Holocaust means a challenge to the Jewish world dictatorship, and must be punished at once by the most severe sentence. Thus, the most fantastic elaborations on the basic lie of the "six million" appear regularly on American religious programs, in educational books, and in the press.

Among the rare public figures who have dared to question the Myth of the Holocaust are such individualists as the actor Robert Mitchum, who told an Esquire interviewer, in response to a question about "the six million," "So the Jews say." "So the Jews say?" shrieked the horrified interviewer. "Yeah," growled Mitchum, "so the Jews say."

Another actor, Ronald Reagan, while seeking public office, told a Jewish audience in California "It might help your cause if you would limit your claims of victims to numbers that you could actually prove." A reporter noted, "The audience began to hiss like geese, in a rapidly rising cacophony while the aspiring politician dashed to the wings, never to reappear in the particular auditorium." Whatever Reagan's doubts about "the six million," he has since kept them to himself. The Reagan Administration will be remembered for the ultimate enshrinement of "the final solution." Two government buildings on the Washington Mall have now been given by "our government" to the Jews for a "Holocaust Memorial."

The Washington Mall, like the Roman Forum, is the center of American aspirations for our Republic, and runs from the White House to the Capital with its principal adornment, the magnificent Washington Monument. To the consternation of most Americans, the Washington Monument can now be called "Jew Alley." Many native Washingtonians have begun to express criticism of this amazing development. In the Washington Post, April 25, 1983, William Raspberry wrote on the editorial page, "I simply don't understand it." He points out that although this is to be an official American monument; neither the perpetrators nor the victims were Americans.

He quotes a Harvard University professor as wondering why there shouldn't be a Slavery Memorial on the Mall to honor the memory of the slaves, or a Wounded Knee Memorial for the Indians. What he doesn't say is that the erection of a Jewish Memorial on the Washington Mall is a boast of absolute power, that the Jews have achieved absolute power over their goyim slaves in America. We can understand that there is a huge memorial to Karl Marx erected in Red Square in Moscow. Are we incapable of understanding why a memorial to the Jews was erected on the Washington Mall?

Raspberry, who is black, goes on to tweak the big noses of his Jewish employers, the Meyer family who own the Washington Post, by saying that "a pledge that nothing of this sort will ever be permitted to happen again" worries him, because it is happening right now.

He doesn't mention the obvious example, the Rosh Hashanah Massacre of Arab women and children in Lebanon, but of course Raspberry fails to understand two crucial factors; first, that "it" never happened at all, and second, that the Jews are attempting to place the rest of the world on notice that "the Chosen People" are sacred, and that no one must ever harm a hair on their heads. It's quite all right to massacre all the goyim or non-Jewish cattle, in Cambodia, Vietnam, Africa, or Lebanon; as this has nothing to do with the "sacred" presence of the Jew.

"Never Again?" the well-publicized slogan of the Jews which refers to the Myth of the Holocaust, should more properly be "Never," meaning that not only did it never happen, but that it is all right for the Jews to massacre the gentile cattle

whenever it suits their purposes, because the Myth of the Holocaust gives carte blanche to the Jews to kill as many gentiles as possible, "The diminution, the killing of the Goyim," as old Anselm so lustfully put it, because it is obvious that the more gentiles that are killed, the fewer remain alive as a possible threat to the Jews.

The Myth of the Holocaust is interpreted by the Jews as giving them permission to maintain international murder squads whose assassins routinely carry out executions in every country of the world, not only against "enemies of Israel", but also against those who are merely suspected of being "potential enemies of Israel". It pays to be careful.

In no other country, are the murder squads of the Mossad, the Israeli Intelligence Service, given greater freedom than in the United States. Cooperation with the Jewish assassins is the first line of business for the CIA, the FBI, and the IRS. The Mossad routinely gives these government agencies lists of American individuals on its hate lists, who are to be given "special attention". These lists comprise more than half of all the IRS "special audits" of American citizens. Despite the frenetic cooperation of official American bureaus with the Israeli assassins, the favor is rarely returned. The Jews treat the American goyim with justifiable contempt, and rarely lose an opportunity to spit in their faces. Our Marines soon found this out in Lebanon, when the Israeli soldiers routinely threatened them, offensively cut across Marine lines, and shot at them. Menachem Begin's political stance at the present time is to maintain a strong Israeli military presence in Lebanon, despite President Reagan's frequent whining that the Israelis really ought to pull out of that war torn country.

At these requests, the Israelis responded with the assassination of President Gemayel, and the Rosh Hashanah Massacre of women and children. The latest requests for Israeli withdrawal were met with the "mysterious" explosion, which blew up the U.S. Embassy in Beirut, with great loss of life. It is confidently stated that this explosion will never be solved. As long as the Jews, Walt Rostow and Henry Kissinger [both Zionists] were selling out U.S. interests, things were fine.

Secretary Shultz must wonder when Begin will order him to be murdered, and President Reagan and others as well. The Israelis are the most likely suspects in the U.S. Embassy explosion. An extremist named Abu Nidal was named in Jack Anderson's column, April 25, 1983, Washington Post, that "secret State Dept. reports quoted two highly placed intelligence sources' explanation that the explosion was in Israel's interests, as it aided to 'divide and conquer' to disrupt the PLO by setting one faction against the other. The sources said Israel had secretly provided funds to Abu Nidal's group."

From the outset, the Myth of the Holocaust has had its problems with "the numbers game". It has not been easy to sell the story of the "extermination" of an entire people, when that people is more numerous, more visible, more

prosperous, and more powerful in more countries than at any time during its history.

It is even more difficult to sell the story of "survivors of death camps", who survived, not one year, but stays of four to six years in "death camps", in which, according to the testimony of the "survivors," "everyone was being killed every day;" survival, not merely in one "death camp", but tours of five or six camps over a period of four to six years. The casualty rate would be higher on a bus tour of the Bronx. It took a certain amount of raw courage to fix on the number of those "exterminated" at the magic figure of "six million" during a period when the world census of Jews showed an increase from ten million to twelve and a half million. Even the most hardened Jews shrank from the certain exposure and censure of peddling such fantastic lies to the most gullible of the goyim.

Fortunately, they did not have to. If Ronald Reagan expressed some hesitancy at accepting the magic figure of six million early in his career, other goyim, notably, the great evangelists, showed no such qualms. There is now some rivalry among the million dollars a week stooges who jumped on the Golden Bandwagon, but there seems to be little doubt that it was not Billy James Hargis, the Bible-thumper, but Billy Graham, "that nice boy from North Carolina," who first struck gold in the Myth of the Holocaust.

Graham soon proved his loyalty to the State of Israel, while Billy James Hargis and Rev. Carl McIntire huffed and puffed in his well-tailored rear. In recent years, they have been surpassed by two even smoother peddlers of "fundamentalist Christianity," Jerry Falwell and Pat Robertson. Each day these servile shabez goi pay homage to the Myth of the Six Million, urging their bewitched television audience to send more money to them, and of course, to Israel.

JEWISH RITUAL MURDER

By means of the press [Jewish control] and by their great wealth, the Jews are able to stifle any impartial investigation into ritual murder.

—Thomas Burbage 1916

"Alilath Seker" a slush fund in today terms, provided bribe money and expenses [for Jews] to combat blood accusations.

—Dr Philip Devier, "Blood Ritual"

"A secret fund, the Alilath Seker [fund for bloody calumnies] set up by the Council of the Four Nations, served chiefly for this purpose." Leon Poliakov "History of Anti-Semitism" cited by Dr Harrel Rhome.

If you want to learn and understand why the Jews can commit such insane crimes as ritual murder, you must know the secret Jewish teachings. You must know the teachings of the Torah, the Talmud, and the Schulchan Aruch. These laws and teachings are proof that the Jews feel themselves superior to all nations, that it has declared war on all other races, and that it is the sworn enemy of the whole of non-Jewish humanity."

Even Tacitus, the Roman historian wrote:

"The Jews are a race that hates the gods and mankind. Their laws are in opposition to those of all mortals. They despise what is to us holy. Their laws condone them in committing acts which horrify us." [Historian V.3-8]

The Jew knows that when the non-Jewish world knows his laws and sees through his plans, that he is lost. Therefore, by threat of death, he forbids their translation and publication. A well-known Jewish scholar [Dibre David] writes:

"If the Gentiles knew what we are teaching against them, they would kill us." The Jewish secret laws are based on the fundamental principle that states:

"Only the Jew is human. In contrast, all non-Jews are animals. They are beasts in human form. Anything is permitted against them. The Jew may lie to, cheat, and steal from them. He may even rape and murder them."

There are hundreds of passages in the Talmud in which the non-Jews are described as animals. Some of them are:

- "The Jews are called human beings, but the non-Jews are not humans. They are beasts." [Talmud: Baba Mezia 114b]
- "The Akum [non-Jew] is like a dog. Yes, the scripture teaches to honor the dog more than the non-Jew." [Ereget Raschi Erod. 22 30]

- "Even though God created the non-Jew they are still animals in human form. It is not becoming for a Jew to be served by an animal. Therefore he will be served by animals in human form." [Midrasch Talpioth p. 255, Warsaw 1855]
- "A pregnant non-Jew is no better than a pregnant animal." [Coschen hamischpat]
- "The souls of non-Jews come from impure spirits and are called pigs." [Jalkut Rubeni gadol 12 b]
- "Although the non-Jew has the same body structure as the Jew, they compare with the Jew like a monkey to a human." [Schene luchos haberith, p. 250 b]

So that the Jew will never forget that he is dealing with animals, he is reminded by eating, by death, and even by sexual intercourse constantly. The Talmud teaches:

"If you eat with a Gentile, it is the same as eating with a dog." [Tosapoth, Jebamoth 94b]

"If a Jew has a non-Jewish servant or maid who dies, one should not express sympathy to the Jew. You should tell to the Jew: `God will replace "your loss," just as if one of his oxen or asses had died." [Jore dea 377]

"Sexual intercourse between Gentiles is like intercourse between animals." [Talmud Sanhedrin 74b]

It is written in the Talmud about the murder of the Gentiles:

- "It is permitted to take the body and the life of a Gentile." [Sepher ikkarim IIIc 25]
- "It is the law to kill anyone who denies the Torah. The Christians belong to the denying ones of the Torah." [Coschen hamischpat 425 Hagah 425. 5]
- "Every Jew, who spills the blood of the godless [non-Jews], is doing the same as making a sacrifice to God." [Talmud: Bammidber raba c 21 & Jalkut 772]

These laws of the Talmud and the Torah were given to the Jews over 3000 years ago. They are just as valid today as they were back then. This is how the Jews are taught from childhood. The result of this stands before us. It is Jewish ritual murder.

"Further, there is a law concerning the slaughter of foreigners, who are the same as beasts. This slaughter is to be carried out in a lawfully valid manner. The ones who do not follow the Jewish religious law have to be offered to God as a sacrifice. It is to them that Psalm 44:22 refers: `Yea, for thy sake are we killed all the day long; we are counted as sheep for the slaughter.'" [Thikune Zohar, edition Berdiwetsch 88b]

Dr. Bischoff [the trial of 30th Oct. - 4th Nov. 1931] established the correct translation of this law: This translation and publication of the law of human sacrifice is the greatest blow that ever struck the Jews in this controversy. THIS LAW COMMANDS THE JEWS TO BUTCHER NON-JEWS. THIS IS TO BE DONE IN A "LAWFULLY VALID WAY." THIS MEANS THAT THE GENTILES ARE TO BE SACRIFICED IN THE SAME WAY AS ANIMALS. THEY ARE TO BE SACRIFICED TO THE JEWISH GOD. THEREFORE, WE ARE DEALING WITH A LAW THAT DOES NOT ONLY PERMIT THE PRACTICE OF RITUAL MURDER, BUT COMMANDS IT!

For one on the long history, see 2000 Years of Jewish Ritual Murder

Ritual murder in America:

In America, such a case came to light in 1955 in Chicago, with the kidnapping and murder of five children that year, the time of the major Jewish holiday. The bodies of the children show they were murdered in accordance to Jewish ritualistic laws. Chicago is also an area of large and powerful Jewish communities. The victims who were murdered were John and Anton Schuessler, Jr., Robert Peterson, Barbara and Patricia Grimes.

The facts of the case reveal:

They had been kept alive for some time after being abducted. Their dead bodies were naked. Ligature marks suggested they had been bound by wrists and were held in confinement before being bled by small cuts and puncture wounds. The marks on one body matched up with the floor mats of a luxury Packard automobile, so the killers were mostly likely upper class.

The two little girls had repeatedly been punctured with a sharp pointed object in the upper torso, thighs and buttocks. This may have been part of the blood collecting process. The two boys showed signs of having been nailed through the hands and feet, along with injuries to the mouth and eyes. Both groups of victims revealed enough similar evidence indicating the murders were committed by the same group of killers.

Something more revealing:

One of the wounds to the victims contained an unspecified grain, possibly wheat. The Jews are known for using human blood from such rituals for creating wheat-based meals as Matzo balls soaked in the blood of the victims of such rituals. In

the case, it was openly stated in the Chicago Sun-Times: "Religious cult might be involved."

Note it only stated "Religious Cult" and nothing more, indicating it could of been just about anyone or anything, but how did the Jews react? Immediately after the article was released, fleets of trucks were sent out and all the newspapers were removed from the stands and literally burned. The Jews, from the writings of Crowley, did the same in England when such facts were ever bought to light regarding such cases, even going as so far as to buy every copy of every book or paper to burn them.

Another recent case of the Jews doing this was when Toafler, the son of the Chief Rabbi of Rome and professor of history in Israel, wrote the book "Blood Passover," which is a record of the Jewish ritual murders in medieval Italy. Toafler's main source of documentation was from the synagogue tracts of the time of the murders. The Jewish network combined heaven and earth to ban, remove, and burn every copy made.

Now back to the 1955 case, note how the Jews worked to cover it up further: The Jewish Sheriff of the County, named Lohman, sent a Jewish deputy, Horowitz, to investigate the father of the two of the murdered boys. Lohman did this as away to shift blame and be able to put the Gentile family under house arrest, thus making it impossible for them to talk to anyone about the case. Then Lohman, the Jewish Sheriff quickly ordered another Jew on his force, Gloss to head the "investigation."

Two other Gentile detectives on the case Lieutenants Lynch and McMahon stated that Cook County investigators "destroyed evidence, threatened witnesses, and worked to impede their investigation at every turn."

The father was ordered by the Police into a Sanitarium [even after passing lie detector tests], under the control of a Jewish Doctor, Leon Steinfeld, where he literally died the same day. The official report was that he died from natural causes, being a heart attack. However, it was revealed very shortly thereafter that he was murdered by electro-shock treatments, performed on him within very hours of after his arrival.

The coroner for Cook County, a Gentile named Doctor Thomas McCarron openly called Steinfeld a murderer and liar, after important documents to that fact were brought to the District Attorney. Shortly after Dr. McCarron's house was bombed and he was ordered to keep silent by the District Attorney. Nothing ever came from the faint investigation into the affair. Later Steinfeld, after fleeing the Country, was found dead in a hotel room from what appeared to be a suicide. The Family of the two murdered boys was then paid One Hundred Thousand dollars from the local Jewish community to stay silent. Obviously, this is not the

only case in America. Workers once tearing down a synagogue in Manhattan in 1989 found the human skeleton of a young girl in the basement's coal bin.

Note that every year; thousands of Gentile Children go missing in America, many around the time of the major Jewish holidays, such as Passover, where such rituals are done. Why are no bodies showing up? A look at the names of the owners of many animal processing plants reveals them to be owned by Jews. You can put two and two together on this. After all, we are by the Jews' own words and deeds, nothing but animals to them.

Good authors and scholars on the subject: Dr. Arnold Leese, Dr. Hellmut Schramm, Dr. Philip DeVier, Dr. Harrell Rhome, Dr. Edward Fields, Attorney and Duma Member G.G. Zamyslovsky,

Other disgusting truths on the Jews:

Rome, Italy – Italian and Russian police, working together, broke up a ring of Jewish gangsters who had been involved in the manufacture of child rape and snuff pornography.

Three Russian Jews and eight Italian Jews were arrested after police discovered they had been kidnapping non-Jewish children between the ages of two and five years old from Russian orphanages, raping the children, and then murdering them on film. Mostly non-Jewish customers, including 1700 nationwide, 600 in Italy, and an unknown number in the United States, paid as much as \$20,000 per film to watch little children being raped and murdered.

Jewish officials in a major Italian news agency tried to cover the story up, but were circumvented by Italian news reporters, who broadcasts scenes from the films live at prime time on Italian television to more than 11 million Italian viewers. Jewish officials then fired the executives responsible, claiming they were spreading "blood libel."

Throughout history, various groups have accused sects of Jews of ritually murdering small children. One such account, that of Hugh of Lincoln, led to the expulsion of all Jews from Britain in the 13th Century. Such accounts have generally been "discounted" but are so wide spread that Jewish organizations have developed a name for them — "blood libel."

The American group the ADL was founded to defend a Jew, Leo Frank, accused of raping and murdering a five year old girl, Mary Fagan, in his Atlanta pencil factory in 1913. The ADL claims he was innocent. A mob lynched him after the governor commuted his death sentence to life in prison.

Though AP and Reuters both ran stories on the episode, US media conglomerates refused to carry the story on television news, again saying the story would prejudice Americans against Jews.

Jewish gangsters in Russia have become increasingly linked to traffic in "white slaves" and prostitutes through Israel, according to a recent report in the Jerusalem Post. Israel turns an official blind eye to forced prostitution, and does not punish Israeli citizens who choose to own "sex slaves," as long as the slaves are foreign and non-Jews.

According to the Talmudic Encyclopedia: "He who has carnal knowledge of the wife of a Gentile is not liable to the death penalty, for it is written: 'thy fellow's wife' rather than the alien's wife; and even the precept that a man 'shall cleave unto his wife' which is addressed to the Gentiles does not apply to a Jew, just there is no matrimony for a heathen; and although a married Gentile woman is forbidden to the Gentiles, in any case a Jew is exempted.' This does not imply that sexual intercourse between a Jewish man and a Gentile woman is permitted - quite the contrary, but the main punishment is inflicted on the Gentile woman; she must be executed, even if she was raped by the Jew: 'If a Jew has coitus with a Gentile woman, whether she be a child of three or an adult, whether married or unmarried, and even if he is a minor aged only nine years and one day - because he had willful coitus with her, she must be killed, as is the case with a beast, because through her a Jew got into trouble. The Jew, however, must be flogged, and if he is a Kohen [member of the priestly tribe], he must receive double the number of lashes, because he has committed a double offense: a Kohen must not have inter-course with a prostitute, and all Gentile women are presumed to be prostitutes.

British Link to 'Snuff' Videos

Jason Burke in London, Amelia Gentleman in Moscow, Philip Willan in Rome
Observer - Sunday October 1, 2000

Britain is a key link in the largest ever, international investigation into the production and supply of pedophile 'snuff' movies - in which children are murdered on film - an Observer investigation can reveal. The key suspect in the inquiry, a Russian who was arrested last week in Moscow for distribution of thousands of sadistic child porn videos and pictures, was traced following the seizure of his products from British pedophiles.

Dmitri Vladimirovich Kuznetsov, a 30-year-old former car mechanic in Moscow, was identified after British Customs and police traced the origin of violent child porn videos found in the UK back to Russia.

Last week Italian police seized 3,000 of Kuznetsov's videos on their way to clients in Italy, sparking an international hunt for pedophiles who have bought his products. The Italian investigators say the material includes footage of children dying during abuse. Prosecutors in Naples are considering charging those who

have bought the videos with complicity in murder. They say some may have specifically requested films of killings.

British authorities yesterday confirmed that scores of Kuznetsov's videos, produced in his small flat in Moscow's rundown Vykhino district, have been found in the UK. They are concerned that 'snuff' movies in which children are killed may have also been imported.

Around a dozen British men have already been arrested and charged with offenses alleged to be connected to the Russian tapes. A second Russian child porn ring, which allegedly had a British distributor, was broken up earlier this year. The investigation into the importing of violent Russian child porn, which led to the identification, and subsequent imprisonment of Kuznetsov started about 15 months ago after Customs seized material coming into the country. Since then there have been dozens of other finds.

'We have seen some very, very nasty stuff involving sadistic abuse of very young children, but actual deaths on film takes it a whole step further. That is very worrying,' said one senior customs officer this weekend. British pedophiles were paying between £50 and £100 for Kuznetsov's tapes, the officer said. Further fees were paid for access to a website that features pictures of extremely violent abuse. Though two men arrested with Kuznetsov have also been imprisoned by Moscow authorities, only one of the three remains behind bars. Dmitri Ivanov was sentenced to 11 years for actually participating in the abuse that was being filmed. The others were released under an amnesty aimed at clearing Russia's overcrowded prisons.

When officers from the Moscow Criminal Investigation Department raided Kuznetsov's flat they found two boys in a makeshift studio. They seized a huge quantity of films and other pornographic material as well as lists of clients in Italy, Germany, America, and Britain.

Last week Italian detectives moved in, following months of inquiries, and arrested eight people. The police searched more than 600 homes and say they now have evidence against about 500 people. Among the suspects were businessmen, public employees and a university student. Several of them were married, with children of their own. Hundreds of people are also under investigation in Germany.

The Russian videos, which had been ordered over the internet, were intercepted when they came into Italy by post, repackaged, and then delivered by undercover police officers. They cost between £300 and £4,000, depending on what type of film was ordered. Covert film of young children naked or undressing was known as a 'SNIPE' video. The most appalling category was code-named 'Necros Pedo' in which children were raped and tortured until they died. Police in Russia and the UK believe that Kuznetsov and his associates have been in business for

more than two years in which time they are believed to have recruited around 100 boys - aged between 9 and 15 - to be filmed.

'Most of the children were rounded up from railway stations. A lot of them came from the suburbs, or surrounding regions and were from deprived, problem families,' said Kiril Mazurin, a police spokesman. 'Usually when children like this arrive in the capital, they've got no idea where to go and hang around in the station. It's very easy to entice this kind of teenager - with a promise of a warm bed or a trip to the cinema.' Many were lured away from orphanages. 'Children are not locked in,' said Mazurin. 'Anyone can come along and promise them a meal at McDonalds. It doesn't take any more than that.'

Some children were paid a commission to find other boys willing to be filmed, according to reports in the Russian press, for a fee of between 100 and 300 roubles [£2.50 - £7]. Kuznetsov had given up his job in 1998 to devote himself to the lucrative pornography industry. A self-taught computer expert, he was in the process of upgrading his equipment to allow him to e-mail videos directly to clients when police raided him.

Many customers repeatedly ordered videos from him. The Naples newspaper Il Mattino published a transcript of an alleged email exchange between a prospective client and the Russian vendors.

"Promise me you're not ripping me off," says the Italian.

"Relax, I can assure you this one really dies," the Russian responds.

"The last time I paid and I didn't get what I wanted."

"What do you want?"

"To see them die."

Amnesty: Israel Failing to Deal with White-slave Trade by Dan Izenberg and Heidi J. Gleit

JERUSALEM [May 19] - Israel has failed to take adequate measures against human rights abuses of women who have been brought here and forced to provide sexual services, Amnesty International charged.

"This is so," a special Amnesty report on the trafficking of women from the former Soviet Union said, "even though many of them have been subjected to human

rights abuses such as enslavement or torture, including rape and other forms of sexual abuse, by traffickers, pimps, or others involved in Israel's sex industry." Amnesty International also criticized Israel for not providing a procedure to grant asylum to women who have been smuggled into the country often on the basis of false promises of work having nothing to do with sex.

Fighting the trade in women and bringing foreign women here to work as prostitutes is a priority for the Israel Police, but it is a very difficult phenomenon to fight, police investigations head Cmdr. Yossi Sedbon said yesterday. One of the main problems is that there is not a law against selling women, he explained, adding that he is aware of the initiatives to pass such a law and hopes they are successful.

Justice Minister Yossi Beilin told Amnesty International representatives yesterday that Deputy Attorney-General Yehudit Karp is preparing an amendment to the Penal Law, which would address the trafficking phenomenon and provide immunity for trafficked women. He predicted that the legislation would be presented to the Knesset at its winter session. According to Amnesty International, hundreds of women are brought to Israel from the former Soviet Union every year. According to Amnesty International, Israel is bound by international law and by international covenants that it has signed to stamp out the sex trafficking.

Police are arresting suspects on related charges such as kidnapping, pimping, raping, and assaulting the women, Sedbon said. The other major problem is that the women are scared to file police complaints and testify against the pimps, he said. Since most of them are in the country illegally, they are scared to approach police. Fear of reprisal by the pimps further paralyzes them. Police try to get around this both by promising to protect complainants and by initiating operations to collect evidence against and raid brothels, he said.

An additional complication is that prosecutors need the women who complain to testify in the court cases against the pimps, which can be months after the initial complaint is filed. Since the women are here illegally and there is a chance that the pimps will harm them if they are left to their own devices here, they have often ended up sitting in jail until the trial is completed. Sedbon said that they now try to send the women home and bring them back here for the trial. Sedbon declined to comment on the complaints filed against Afula police chief Ch.-Supt. Shlomo Marmelstein and Tel Aviv Police Chief Cmdr. Shlomo Aharonishky for not acting against the problem, saying he could not comment on specific cases.

Sedbon emphasized that the issue is a priority for police and that each police district's serious crimes division is dealing with the problem. Statistics police released earlier this year show an increase in the number of cases opened against pimps: 279 in 1997; 370 in 1998; and 506 in 1999. Sedbon also said that

only a minority of the foreign women working here as prostitutes are kidnapped and forced into prostitution.

Jews are allowed by their God to keep slaves. The modern day Israel takes advantage of this divine permission. "Your male and female slaves are to come from the nations around you; from them you may buy slaves. You may also buy some of the temporary residents living among you and members of their clans born in your country, and they will become your property. You can will them to your children as inherited property and can make them slaves for life, but you must not rule over your fellow Israelites ruthlessly." [Leviticus 25:44-46]

The Jewish Ritual Murder of Andrei "Alilath Seker" a slush found in today terms provided bribe money and expenses [for Jews] to combat blood accusations.- Dr Philip Devier, "Blood Ritual"

In 1911, Kiev Russia, the most notorious case of ritual murder occurred. The body of Andrei Youshchinsky, a child from the local area was found in a cave, drained of all his blood, and a local Jew, Beiliess, was charged with the crime. Jews from around the world poured the modern equivalent of 115 million dollars into concealing the facts of the case and for his defense. After the discovery of the body, the police arrested the mother and did not allow her to attend her sons' burial. During this time, the family was approached by a local Jewish lawyer who attempted to bribe them into silence. Jewish owned newspapers then attempted to slander the mother with the false claims that she ran a criminal network that killed her son. Once again, the Jew is the master of projection and lies.

Several witnesses including two children of the Chebariak family, who witnessed the kidnapping of Andrei by local Jews, where murdered during the case. It was also revealed that the local head of the Police had planted false evidence to get Beiliess off the hook for the murder. The children who had been with Andrei at the time of the abduction and who were witnesses, were all given pieces of cake by the investigator. All three became severally ill the next day and two died, one survived after being ill for months, and when she recovered, she testified in the court as to what she witnessed: "We started to ride the clay-mixer, and suddenly Beiliess and two other Jews ran toward us. We jumped off the clay-mixer and tried to run away Andrei and my brother [Zhenya] were caught by Beiliess and the other Jews, but my brother freed himself. The Jews then dragged Andrei away; my sister [Valentina] also saw this." —Court testimony of Chebariaks' daughter.

John Grant, the American Consulate stationed in Odessa Russia at the time, reported the findings of the jury. The jury had officially found that "A certain boy, Andrei, in Kiev, Russia had been killed by fanatical Jews, and that Jews for

occult purposes, had carefully drawn all blood from the dying child and that it was instance of Jewish ritualistic murder, and that Beiliess was innocent."

While the murder, which was proven to have taken place inside the synagogue of a local Jewish owned and operated brick factory, the Jury could not determine for certain if it was Beiliess who had wielded the implement that punctured Andrei over 45 times around his body killing him, and drawing as much blood possible carefully from Andrei's body in the process. It was stated the puncture marks on the side of the child's head where done specifically for a special part of the ritual as a sacrifice so the Jews could overthrow the Czar.

Medel Beiliess went free because 6 of the 12 members of the jury could not determine if he had murdered the child, [in spite of an eyewitness account from Chebriaks' surviving daughter]. He was one of the kidnapers of Andrei along with two other Jews, and too many witnesses had been killed along with too much evidence being destroyed and covered up before the trial, by the Jews.

In 1917, G.G Zamyslovsky the prosecuting attorney wrote a 525-page book on the subject called "The Murder of Andrei Youshchinsky" in which he detailed the facts of the case in depth. During the Judeo-Bolshevik revolution, Zamyslovsky was given a show trial by the Jewish CHEKA then murdered by them mainly for his book on the subject, which revealed all the aspects of the case. His book was then classified until 1997, to keep the contents secret. The Jews also "executed" the judge of the case and all of the original surviving witnesses.

THE JEWISH COMMUNIZING OF AMERICA

On Communism, from the Jews:

"Some call it Marxism, I call it Judaism." – Rabbi Stephen Wise [1]

"In this New World Order, the children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time has come, the Jews will have all the property of the whole world in their hands."

Baruch Levy, Letter to Karl Marx [Mordechai Levi], 'La Revue de Paris', p.574, June 1, 1928:

"The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction, and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world." —American Hebrew Magazine, Sept 10, 1920 [2]

"Under USSR law active anti-Semites are liable to the death penalty!"
—Stalin to the Jewish News Agency in America in 1931 [3]

The New York publication, "Jewish Voice," July and August of 1941, page 23, states as follows: "Anti-communism is anti-Semitism." Another quote, from the publication "Jewish Life," also New York, "Scratch a professional anti-Communist and you will find an anti-Semite." [4]

"There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolsheviks, in the fact that the ideals of Bolshevism at many points are consonant with the finest ideals of Judaism." [5]

March 25 1906, Dr. Nathan read to the meeting a circular addressed to the garrison of Odessa, calling upon the soldiers to "rise and crush the traitors who are plotting to upset the holy Government of the Czar and substitute for it a Jewish empire."

He concluded with an appeal to the Jewish money powers of the world to arrest Russia's career as a borrower. The financiers of the world should call a halt to Russia, not only for humanitarian reasons, but for practical reasons. Russia's bankruptcy is an established fact, he added." [6]

Gentiles stating the same regarding the Jews admit:

In November 1917, Count Ottokar von Czernin, the Foreign Minister of the Austro-Hungarian empire wrote:

"I have during the last few days received reliable information about the Bolsheviks. Their leaders, nearly all of them Jews with altogether fantastic ideas, and I do not envy the country that is governed by them." [7]

The U.S. ambassador in Russia at the time of the Communist revolution, David Rowland Francis wrote a dispatch to Washington on the subject:

"The Bolshevik leaders here, most of whom are Jews and 90 percent of whom are returned exiles, care little for Russia or any other country, but are internationalists and they are trying to start a worldwide social revolution." [8]

William Welsh, an American banker who had worked in Russia from July 1916 - Sept 1918, stated:

"It might be well to explain the general fact that most of the Bolshevik leaders are Jews, in order to avoid misunderstanding. In Russia it is well known that three-fourths of the Bolshevik leaders are Jewish." [9]

Jewish Banksters funded the Communist Revolution:

"In the spring of 1917, Jacob Schiff openly boasted of having been instrumental in the overthrowing the Czarist regime by his financial support of the revolution." [10]

"The important part played by the wealthy American [Jewish] Banker, Jacob Schiff in the events in Russia, though as yet only partially revealed, is no longer a secret." [11]

Today it is estimated by Jacob's grandson, John Schiff [Jew], that the old man sank about \$20,000,000 for the final triumph of Bolshevism in Russia." [12]

"The establishment of a central bank is 90% of communizing a nation."
—Lenin

It was reported that the Rothschild's were angry with the Russians because the Russians were not prepared to allow them to form a central bank within their nation. They therefore gathered groups of Jewish spies and sent them into Russia to drum up a revolution for the benefit of the common man, which was actually a takeover of Russia by a Rothschild controlled Jewish elite. These Jewish spies were, in age-old deceptive Jewish tradition, given Russian names, for example, Trotsky was a member of the first group, and his original name was Bronstein. These groups were sent to areas throughout Russia to incite riots and rebellion.

The Jewish Post International Edition, week ending January 24th 1991, confirms Vladimir Lenin was Jewish. Lenin is also on record as having stated, "The establishment of a central bank is 90% of communizing a nation."

These Jewish, Rothschild funded Bolsheviks would go on in the course of history to slaughter 60 million Gentiles and Non-Jews in Soviet controlled territories. Indeed the author Aleksandr Solzhenitsyn in his work, "Gulag Archipelago, Vol. 2," affirms that Jews created and administered the organized Soviet concentration camp system in which these tens of millions of Non-Jews died.

On page 79 of this book, he even named the administrators of this the greatest killing machine in the history of the world. They are Aron Solts, Yakov Rappoport, Lazar Kogan, Matvei Berman, Genrikh Yagoda, and Naftaly Frenkel. All six are Zionist Jews. In 1970, Solzhenitsyn was awarded the Nobel Peace Prize for literature.

The opportunity for manifesting their Zion arrived with the Russian Revolution, which was financed by the Jewish bankers. One of their own, the German Jew, Karl Marx [Mordechai Levi], had catalyzed the event with the publication of his Communist Manifesto."

The most detailed description of Jewish influence in the Bolshevik Revolution comes from Robert Wilton, the Russian correspondent of The Times. In 1920, he published a book in French, *Les Derniers Jours des Romanofs*, which gave the racial background of all the members of the Soviet government. [This does not appear in the later English translation, for some odd reason]. After the publication of this monumental work, Wilton was ostracized by the press, and he died in poverty in 1925.

He reported that the Central Committee of the Bolshevik Party [ringleaders] was made up as follows: [Note – "Lett" means Latvian and sometimes Baltic]

- Lev Davidovich Bronstein [Trotsky] – Ukrainian Jew
- Ovsei-Gershon Aronovich Radomyslovsky Apfelbaum [Zinoviev] – Russian Jew
- Mikhail Aleksandrovich Luria [Yuri Aleksandrovich Larin] – Ukrainian Jew
- Moisei Solomonovich Uritsky – Ukrainian Jew
- Moisei Markovich Goldstein [V. Volodarski] – Ukrainian Jew
- Rozenfeld [Lev Borisovich Kamenev] – Russian Jew
- Pyotr Germogenovich Smidovich – Belarusian Jew
- Yakov Mikhailovich Sverdlov [Yankel Movshevich Eiman] – Russian Jew
- Ovshey Moiseyevich Nakhankis [Yuri Mikhailovich Steklov] – Ukrainian Jew

- Vladimir Illyich Ulyanov [Lenin] – Russian Jew

[My note Lenin was a Jew: Lenin's maternal grandfather was a Jew, this ancestry of the founder of the Soviet state had been suppressed."—New York Times 1992]. "He came from a poor Jewish family and was, according to his baptismal certificate, the son of Moses Blank, a native of [the western Ukrainian city of] Zhitomir," Ulyanova wrote in a 1932 letter to Josef Stalin, who succeeded Lenin after his death in 1924. [13]

- Nikolai Vasilyevich Krylenko – Russian
- Anatoly Vasilyevich Lunacharsky – Ukrainian

"The Council of the People's Commissars comprises the following:

- President: Vladimir Illyich Ulyanov [Lenin] – Russian Jew
- Foreign Affairs: Georgy Vasilyevich Chicherin – Russian
- Nationalities: Josef Vissarionovich Djugashvili [Stalin] – Georgian Jew

[My note—Stalin, whose real name was Joseph David Djugashvili was Jewish himself:

In the Georgian language, "shvili" means son of, or son, as in Johnson. "Djuga" means Jew, therefore, Djugashvili means Jewison; "son of a Jew."

Therefore, Joe Stalin's real name, before he changed it, was Joe Jewison. It gets better, his name was Joseph David Djugashvili, a typical Jewish name. During his revolutionary days, he changed his name to "Kochba," the leader of the Jews during one of the anti-Roman uprisings of the Jews. Russians don't change their names. Georgians don't change their names. Jews change their names. [14]

Now, on to the Frankfurt School and Communism in America. The Frankfurt School was founded when it was evident that the overt and open Communist Revolution that would sweep Europe and America under the Jewish yoke had failed to fully materialize as planned. After a long struggle that began when the Bolsheviks, after being outnumbered in government, and losing support from the Russian people in the political sphere of the new Russian Democracy, stormed the Duma [Russian Parliament] at gun point, in an act of terrorism, sparked the Bolshevik Revolution [terror] of which they had won due to massive funding from Rothschild's and other Global Jewish banking groups. Much of the East had also fallen to the Red banner after a brutal freedom struggle against the Reds that lasted longer than the Second World War. The Jew Trotsky's Red Army had been stopped in its invasion of Poland at the battle of Vistula in 1920 [after overrunning the Ukrainian Republic], and the attempts to take Germany down via open Revolution had failed when the Nationalist Forces crushed them in the 1919 Spartacus uprising in Berlin [lead by Jewesses Rosa Luxemburg], along with the fall of the Soviet in Bavaria lead by Jew Eisner and the fall of the brief Communist "Republic" of Jew Bela Kun's in Hungary.

The failure of the armed Communist Revolution in Germany:

"The Marxists realized their revolution would have to accelerate, since they would not win at the polls. In Berlin, the Jews Karl Liebknecht and Rosa Luxemburg [Jewess] had amassed 100,000 supporters, two thousand machine guns and 30 artillery pieces. They invaded Berlin, took over most of the government buildings, and declared the Ebery government overthrown by their glorious Communist revolution. On 10 January, Noske, and 30,000 ex-soldier volunteers swarmed into Berlin. These were highly disciplined men used to carnage and slaughter on the front. They brutally broke through and decimated the 200,000 defenders, though vastly out-manned and with less equipment. The leaders of the Red revolution were shot or bayoneted. The glorious Communist revolution in Berlin did not last a week."

"The Free Corps re-took Munich, and were angered that the Russian soldiers they had recently defeated were now armed and active against them, yet again. After the city had been taken, the Free Corps marched through the town with swastika emblems on their helmets. Cheering crowds lined the roads to thank their liberators. <http://www.adolfthegreat.com/>

The Thule Society and Hitler stopped them in Germany. When the Bolsheviks realized the revolution of the Workers was not going to happen as hoped and believed, they simply went back to the planning table and developed another strategy to enact their Globalist scheme.

"Near the end of 1922 the Communist International [Comintern] began to consider what the reasons were. With [Jew] Lenin's initiative, a meeting was organized at the Marx-Engels Institute in Moscow." The aim of the meeting was to clarify the concept of, and give concrete effect to, a Marxist cultural revolution. Amongst those present were Jew Georg Lukacs [a Hungarian aristocrat, son of a banker, who had become a Communist during World War I; a good Marxist theoretician, he developed the idea of 'Revolution and Eros' - sexual instinct used as an instrument of destruction]. Jew Willi Munzenberg, whose proposed solution was to 'organize the intellectuals and use them to make Western civilization stink.' "Only then, after they have corrupted all of its values and have made life impossible, can we impose the dictatorship of the proletariat." Ralph de Toledano [1916-2007], the conservative author and co-founder of the 'National Review' stated, "It was a meeting perhaps more harmful to Western civilization than the Bolshevik Revolution itself." "

"Georg Lukacs[Jew] was the son a wealthy Hungarian banker. Lukacs began his political life as an agent of the Communist International. His book 'History and Class Consciousness' gained him recognition as the leading Marxist theorist, since Karl Marx. Lukacs believed that for a new Marxist culture to emerge, the existing culture must be destroyed. He said, 'I saw the revolutionary destruction of society as the one and only solution to the cultural contradictions of the epoch.' 'Such a worldwide overturn of values cannot take place without the annihilation of the old values and the creation of new ones by the revolutionaries."

"This 'School' [designed to put flesh on their revolutionary programme] began at the University of Frankfurt in the Institut für Sozialforschung. To begin with, the school and Institute were indistinguishable. In 1923, the Institute was officially established, being funded by [Jew] Felix Weil [1898-1975]."

Major points of the Frankfurt School agenda:

- The creation of racism offenses. [Making racial awareness illegal as part of the Jewish war against the White Race.]
- Continual change to create confusion.
- The teaching of sex and homosexuality to children. [The aim of which to create a huge backlash against sexual freedom in society. Problem, reaction, solution. The Jews are the ones who created the taboo against Homosexuality via Christianity]

<http://www.exposingchristianity.com/Sexuality.html>

- The undermining of schools' and teachers' authority. [Replacing it with Jewish backed ideology].

- Massive immigration to destroy racial and cultural identity.[Open war on the White Nations, many of these non-Whites are then programmed into a system of hostile thought against the native Whites, thus making them effective Jewish tools against the White Race.]
- The promotion of excessive drinking.
- An unreliable legal system with bias against victims of crime.
- Dependency on the state and/or state benefits.
- Control of and the dumbing down of media.
- Encouraging the breakdown of the family.
- Race mixing.
- Destruction of Gentile Cultural Norms

In 1933, when the National Socialist Party came to power in Germany, the members of the Frankfurt School fled. Most came to the United States. Note the books the Nazi's burned were the works of the Jewish Frankfurt School, such as the Jew Freud [more on him later] and others who admit their works were designed to act as a cultural poison against the German people. A free people have the right to ensure the health of their culture and to defend it against any would be poisoner.

Interesting note here regarding what the Jews did following:

"The members of the Frankfurt School conducted numerous studies on the beliefs, attitudes, and values that they believed lay behind the rise of National Socialism in Germany. The Frankfurt School's studies combined Marxist analysis with Freudian psychoanalysis to form the basis of what became known as 'Critical Theory.' Critical Theory was essentially destructive criticism of the main elements of Western culture, the identification of certain factors that allowed the German People to rally against the Jewish subversion of their nation and culture and throw the Jewish yoke off themselves, so that such elements could be then destroyed via subversion and better weaken the host Nations in favor of the Jewish parasite."

"Criticisms were reflected in such works of the Frankfurt School as [Jew] Erich Fromm's 'Escape from Freedom' [Jew] Wilhelm's Reich's 'The Mass Psychology of Fascism' and Theodor Adorno's 'The Authoritarian Personality'."

"'The Authoritarian Personality', published in 1950, substantially influenced American psychologists and social scientists. The book was based upon one main idea, that presence in a society."

The premise of this Jewish work was to state that the very elements which make a Gentile Nation strong are actually evil and unenlightened, and thus need to be removed, as a gate to a higher civilization. Don't you just love how the Jew always frames his agenda as everyone's agenda and hides its parasitic behavior behind bogus humanitarian claims?

"The Authoritarian Personality became a handbook for a national campaign against any kind of prejudice or discrimination, on the theory that if these evils

were not eradicated, another Holocaust might occur on the American continent. This campaign, in turn, provided a basis for Political Correctness.

"Critical Theory incorporated sub-theories which were intended to chip away at specific elements of the existing culture, including "matriarchal theory," "androgyny theory," "personality theory," "authority theory," "family theory," "sexuality theory," "racial theory," "legal theory" and "literary theory." Put into practice, these theories were to be used to overthrow the prevailing social order and usher in social revolution based on cultural Marxism."

"The Critical Theorists of the Frankfurt School opened the door to the racial and sexual antagonisms of the Trotskyites [another faction of Judeo-Bolshevism]. Leon Trotsky [Jew] declared that oppressed blacks could be the vanguard of a Communist revolution in North America. He denounced white workers who were prejudiced against blacks and instructed them to unite with the blacks in revolution. Trotsky's ideas were adopted by many of the student leaders of the 1960s counterculture movement, who attempted to elevate the black revolutionaries to positions of leadership in their movement."

The Jews are the ones who brought the Blacks to North America in the first place, as they owned and operated the slave trade. This is a fact, recorded in many historical works on the subject, such as the "Secret Relationship between Blacks and Jews" filled with documentation from mainly Jewish sources that admit that not only did the Jews own the slave trade, they were upwards to 75% or more of slave owners in the New World, with the rest being a mixture of wealthy whites, freed blacks, and Native Americans.

Today the Jewish owned Media and its proxy the school systems, openly blame Whites for the crimes that the Jews committed against the Blacks, resulting in generating a racial hatred in the Black population towards innocent Whites that has led to the deaths of thousands of Whites in racially motivated attacks. This culture of anti-White hatred among the Blacks is further encouraged by Jewish owned music/media corporations that promote and create anti-White themes in popular Black music.

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races, that for centuries, they have been oppressed by the whites, we can mold them to the program of the Communist Party. In America, we will aim for subtle victory. While enflaming the Negro minority against the Whites, we will instill in the Whites a guilt complex for the exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites, and begin a process which will deliver America to our cause."

—A Racial Program for the Twentieth Century, published in 1913 by Israel Cohen.

Rep. Thomas G. Abernathy read this passage on June 17, 1957, to the Congressional Record:

"The student revolutionaries were also strongly influenced by the ideas of [Jew] Herbert Marcuse, another member of the Frankfurt School. Marcuse preached the 'Great Refusal,' a rejection of all basic Western concepts, sexual liberation, and the merits of feminist and black revolutions. His primary thesis was that university students, ghetto blacks, the alienated, the asocial, and the Third World could take the place of the proletariat in the Communist revolution, in his book, *An Essay on Liberation*."

The famous Jewish front to push such Agenda is the NAACP:

"Jacob Schiff [Jew and major funder the Communist Revolution in Russia], the Rothschild's man in America, decided that the best way to create racial tension was to establish leadership among the blacks. In 1909, he laid out plans for the National Association for the Advancement of Colored People [NAACP]. It was the merging of the Communist-controlled Niagara Movement, a group of blacks led by W.E.B. Dubois, and a group of white social activists. In the beginning, the top leaders of the NAACP were a group of Jews appointed by Schiff. Their goal was to fight segregation and discrimination. They are now the largest black organization in the country, with well over 1500 chapters, and about a half-million members."

This is the reason for the Jewish created GLBT "rights" groups; the NAACP [see above] and the promotion of legions of sundry orgs and lobbies today. The growing one is the communization of the illegal aliens in American by Jewish agents who send the brightest of the Mestizo's to special Red based schools in America, free of charge, to train them to be the next generation of Commissars who then go back and communize the hordes of illegals, angry over their poor treatment by the Jewish owned Capitalist Transnational mafia corporations in the first place. Once again, the Jews lie to them and blame the Whites for their suffering, when it fact, the Jews are to blame. There is that Jewish Hegelian Dialectic again- problem, reaction, solution. It all culminates with the obtainment of a revolutionary force needed to topple Nations and bring about absolute Jewish rule under the banner of Communism.

"The aim of our Party in our work among the Negro masses is to create a powerful proletarian movement, which will fight and lead the struggle of the Negro race against exploitation and oppression in every form. This will be a militant part of the revolutionary movement of the entire American working class, connecting them with the struggles of national minorities and colonial peoples of the entire world and thereby the cause of world revolution and the dictatorship of the proletariat." —Communist Party U.S.A 1925

South Africa is the foreshadow of what is coming to America, the same as the Jews are doing to them via the Jewish arms of the Bolshevik Blacks hordes

[multi-culti "love"] and Judeo-Christian "love" what is already on our shores here now. Detroit anyone? "Critical Theory; and a linguistic rebellion that would amount to a methodical reversal of meaning. As for racial conflict, [Jew] Marcuse wrote that white men are guilty and that blacks are the most natural force of rebellion."

This is an admission that the culture of White Guilt today, is a Jewish created psychological weapon against the White populace to deceive them into going along with their own destruction and enslavement; to whip the fighting spirit right out of them. This is Christianity updated to the crime of being born with the sin of White skin. Of which the "oppressed" non-Whites races of the world suffer and died for the sins of. Now repent! Screams the Jew via a thousand different outlets.

"Communists seek to advance the cause of communism by injecting themselves into racial situations and in exploiting them, [1] to intensify the frictions between Negroes and Whites to 'prove' that discrimination against the minorities is an inherent defect of the capitalistic system, [2] to foster domestic disunity by dividing Negroes and Whites into antagonistic, warring factions, [3] to undermine and destroy established authority, [4] to incite racial strife and riotous activity, and [6] to portray the Communist movement as the 'champion' of social protest and the only force capable of ameliorating the conditions of the Negro and the oppressed."—J. Edgar Hoover

The most famous of these Jewish agents of the Frankfurt School in America is Martin Luther King, who was trained in such a Communist school in Tennessee and was a paid agent:

"King was photographed in 1957 at the Highlander Folk School, a Communist training school in Tennessee, with [Jew] Abner Berry who held a post on the Central Committee of the Communist Party. The Joint Legislative Committee on Un-American Activities reported that his Southern Christian Leadership Conference was "substantially under the control of the Communist Party through the influence of the Southern Conference Educational Fund and the Communists who manage it." King had connections with over 60 Communist front organizations. Nine of his closest aides were high-ranking Communist activists and one of those later became an aide to Rev. Jesse Jackson. Stanley Levison, who had been a King advisor since 1956, had been involved with the Communist Party up to 1955 and brought other known Communists onto King's staff."

Karl Prussion, an FBI agent who infiltrated the Communist Party and for five years attended meetings in California, testified in 1963:

"I further swear and attest that at each and everyone of the aforementioned meetings, one Reverend Martin Luther King was always set forth as the individual to whom Communists should look and rally around in the Communist struggle on many racial issues."

Julia Brown, a former Communist, stated:

"We were told to promote Martin Luther King to unite Negroes and also Whites behind him. He was taking directions from Communists. I know for a fact the Communists would never have promoted him, financed him, and supported him if they couldn't trust him. I am certain as I can be that he knew what he was doing."

"Although a 1977 court order sealed the FBI's extensive surveillance records on King in the National Archives for 50 years, a book by Sen. Jesse Helms in 1998 titled 'The King Holiday and Its Meaning' stated that Charles D. Brennan, an Assistant Director of the FBI who was personally involved in the surveillance, characterized his activities as "orgiastic and adulterous escapades" in which he could be "bestial in his sexual abuse of women." He also observed that "King frequently drank to excess."

King's famous dream speech was in fact written by his Jewish handler, the same Jew Levinson who was the head of the America Communist Party in the 1950's, and is full of lies and historical perjuries. It is a document that attempts to communize the memories of the Leaders and Founders of American named within. It's the Jewish big lie in action.

As Dr. Duke wrote in his book "My Awakening" on the subject:
"Stanley Levinson, wrote many of King's speeches, including, some say, the "I Have a Dream" speech delivered at the March on Washington."

King privately declared himself to be a Marxist, and told his inner circle that his efforts were a part of the "class struggle." His personal secretary, Bayard Rustin, was a Communist. When King had to replace Rustin in 1961, he chose another Communist, Jack O'Dell. His main advisor ["handler" would probably be a more apt term], as I've mentioned, was Jewish Communist Stanley Levinson, who edited and probably wrote a good deal of King's book 'Stride Toward Freedom'. Levinson prepared King's income tax returns, controlled King's fundraising activities, and was also in charge of funneling Soviet money to the Communist Party, USA. [15]

"In 1925, a dozen blacks were recruited for propaganda training in Russia. That same year, the American Negro Labor Congress was established. In 1930, they changed their name to the League of Struggle for Negro Rights. They merged with the United Negro Congress when it was founded in 1936 in Washington D.C. By 1940, Communists made up two-thirds of its membership. In 1947, they united with the Civil Rights Congress, a Communist front group."

Remember King was promoted as an agent of racial integration, thus promotion of race mixing and the destruction of both Gentile races, which is part of the Jewish Globalist Agenda. Blacks who promoted racial separation were attacked by the Jews.

"One of the most important contributors to Political Correctness was Betty Friedan [Jew]. Through her book 'The Feminine Mystique', Friedan became the mother of the modern feminist movement in America. Friedan was not a member of the Frankfurt School, but she was strongly influenced by it. Her work offers a useful case study of the Marxist roots of Political Correctness."

The ancient Jewish tactic of divide and conqueror, pit Gentile women against Gentile men, and thus weaken the ability of the host Nation to stand as a unified front against the Jewish parasite.

Matthew 10:34-35

"Think not that I came to send peace on the earth: I came not to send peace, but a sword. For I came to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law"

"Friedan [Jew] devoted nearly an entire chapter of 'The Feminine Mystique' to [Jew] Abraham Maslow's theory of self-actualization. Maslow was a social psychologist, who in his early years did research on female dominance and sexuality. Maslow was a friend of [Jew] Herbert Marcuse at Brandeis University and had met [Jew] Erich Fromm in 1936. He was very impressed by Fromm's Frankfurt School ideology. He wrote an article, 'The Authoritarian Character Structure,' published in 1944, that reflected the personality theory of Critical Theory. Maslow was also impressed with the work of [Jew] Wilhelm Reich, who was another Frankfurt School originator of personality theory."

"The significance of the historical roots of Political Correctness cannot be fully appreciated unless Betty Friedan's revolution in sex roles is viewed for what it really was – a manifestation of the social revolutionary process begun by Karl Marx. Friedan's reliance on Abraham Maslow's reflection of Frankfurt School ideology is simply one indicator. Other indicators include the correspondence of Friedan's revolution in sex roles with Georg Lukacs' annihilation of old values and the creation of new ones."

"Marcuse's [Jew] trans-evaluation of values, but the idea of transforming a patriarchy into a matriarchy, which is what a sex-role inversion is designed to do, can be connected directly to Friedrich Engel's book 'The Origin of the Family, Private Property, and the State.' First published in 1884, this book popularized the now-accepted feminist belief that deep-rooted discrimination against the oppressed female sex was a function of patriarchy."

Open admission "Feminism" is another tentacle of Jewish Communism.

"The belief that matriarchy was the solution to patriarchy flows from Marx's comments in 'The German Ideology,' published in 1845. In this work, Marx advanced the idea that wives and children were the first property of the patriarchal male. The Frankfurt School's matriarchal theory [and its near-relation, androgyny theory] both originated from these sources."

Note, you can see the Jewish hand in Wicca and other New Aged movements here, as they preach the same Jewish nonsense mentioned above as a major core of their belief, not to mention the blatant Christian themes.

When addressing the general public, advocates of Political Correctness – or cultural Marxism, to give it its true name – present their beliefs attractively. It's all just a matter of being "sensitive" to other people, they say. They use words such as "tolerance" and "diversity," asking, "Why can't we all just get along?"

The Jews have created a climate of thought criminality where it is a crime to be "insensitive." This is done to enforce taboos they have created in society, thus getting the sheep to police each other, and giving them a way to shut down debate on any subject that is a threat to the Jewish Agenda. "Anti-Semite" is a more blatant example of this tactic.

"The reality is different. Political Correctness is not at all about "being nice," unless one thinks gulags are nice places."

"Political Correctness is Marxism, with all that implies: loss of freedom of expression, thought control, inversion of the traditional social order and, ultimately, a totalitarian state. If anything, the cultural Marxism created by the Frankfurt School is more horrifying than the old economic Marxism that ruined Russia. At least the economic Marxists did not exalt sexual perversion and attempt to create a matriarchy, as the Frankfurt School and its descendants have done."

The Boas wing pseudo science gone wild:

The Jew Boas was the major paradigm created for the fake science that "PC" Social Marxist dogma is build upon.

Dr. Duke in his book in the chapter "Jews, Communism, and Civil Rights" states: Franz Boas is the accepted father of the modern egalitarian school of anthropology. He was a Jewish immigrant from Germany with little formal training in the anthropological field, having his doctoral thesis on the color of water. Boas introduced what he called "cultural anthropology" to the discipline. Until his arrival, anthropology fell in the realm of physical science. Boas effectively divided anthropology into the separate disciplines of cultural and physical anthropology.

Early physical anthropologists were truly race scientists because they studied man and his evolutionary development through the study of the measurable physical characteristics of the human races, both past and present. Any competent physical anthropologist could pick up a human skull and, based upon its characteristics, quickly identify the race of the specimen. Of course, this physiological knowledge was vital in sorting out the unearthed remnants of early man, along with piecing together man's prehistory and evolutionary development. Cultural anthropology dealt more with the different contemporary cultures of

humanity, and culturally related questions of antiquity and prehistory, making it a far less precise science, and one open to wide interpretation.

Surprisingly, before he became such a prominent anthropologist, Boas expressed his acceptance of racial differences in mental characteristics. In "The Mind of Primitive Man," he wrote:

Differences of Structure must be accompanied by differences of function, physiological as well as psychological; and, as we found clear evidence of differences in structure between races, so we must anticipate that the differences in mental characteristics will be found.

Both of Boas' parents were radical socialists in the revolutionary movement that swept over Europe in 1870. In his biography of Boas, his student Melville Herskovits wrote that Boas' political sympathies "leaned towards a variety of socialism." The United States House of Representatives cited Boas' involvement with 44 Communist-front organizations. Coinciding with the rise of Nazism in Germany and the increasing influence of racially aware anthropologists in the world scientific community, Boas began to marshal his anthropological influence in service of his political sympathies. He began to advance the quack idea that there are really no such things as individual human races. He argued that although they had variations of skin colors and features, the groups called races possessed little difference genetically and that, whatever their superficial differences, solely their environment created them. By 1938, Boas dropped the above quotation from the new edition of his book.

He gathered many Jewish disciples around him, including Gene Weltfish, Isador Chein, Melville Herskovits, Otto Klineberg, and Ashley Montagu. He also had among his followers the Negro K. B. Clark and two women, Ruth Benedict and Margaret Mead. Mead later wrote her famous book on Samoa [Coming of Age in Samoa] suggesting that indiscriminate sexual relations would lessen teenage traumas and problems. [Her opus was later soundly refuted by Derek Freeman, who showed that Mead had falsified her data on Samoa.]

Boas and his entire cadre of disciples had extensive Communist connections. He repeatedly proclaimed that he was in a "holy war against racism" and he died suddenly during a luncheon, where once again and for the last time, he stressed the need to fight "racism." Boas and his comrades gained control over the anthropology departments of most universities by encouraging their egalitarian comrades to use their positions to support their own in academic appointments. While traditional anthropologists had no ax to grind and no sacred cause to champion, Boas and his followers embarked on a holy mission to extirpate racial knowledge from the academic establishment. They succeeded.

Whenever egalitarians achieved positions of influence and/or power, they aided their comrades to rise in the teaching departments of the colleges and academic departments they administered. They could count on fellow Jews who held

influential university positions to assist their co-religionists, as well as Gentile egalitarians, in getting professorships and research appointments and promotions. Similar collusion took place in the ranks and on the boards of anthropological associations and journals. However, the coup de grâce was the massive support given the egalitarian dogma by the media establishment, which was overwhelmingly in Jewish hands.

Racial equality was [and still is] presented to the public as scientific fact, opposed only by the "bigoted" and the "ignorant." Egalitarian writers such as Ashley Montagu and others received great praise in magazines, newspapers, and, later on television. Whether one was a Jew or a Gentile, professing a belief in racial equality became essential dogma for anyone who wanted to advance in anthropology or any other part of the academic world. Adherence to the "politically correct" line led to prestige and acclaim, money and success. Racial truth telling led to personal attack and often economic hardship.

Ashley Montagu became the best-known spokesman for the equality hoax, superseding Boas as the most popular exponent of anti-racism. His well-modulated British accent and aristocratic name added instant credibility to his racial pronouncements. I can still remember, after thirty years, his impressive appearances on the Today television program. His book, *Race: Man's Most Dangerous Myth*, became the bible of equality, and it profoundly impressed me before I had a chance to read the other side. Montagu's real name was Israel Ehrenberg. In a brilliant exercise of psychological camouflage, Ehrenberg changed his name a number of times, finally settling on not simply an Anglo-Saxon moniker, but the name Montagu, which is one of Britain's most aristocratic and oldest medieval-titled families.[16]

Let us not forget a major member of the Frankfurt school and the Jew whose psychological warfare tactics formed another cornerstone of Social Marxist paradigm.

Scholar E. Mullin's states the following in his book "The biological Jew." On the Freud situation:

"Few Americans realize that the principal tool of Communist penetration in the United States is the pseudoscience of psychotherapy. Not only have many patriots who opposed Communist subversion been imprisoned for life without trial, but many others have been rendered helpless, their fortunes seized, and their exposures of Communist treachery discredited by the accusation of "mental illness". In 1848, Karl Marx issued his Communist Manifesto, detailing the Jewish plans for subduing the Gentile, but it was not until 1896 that the most workable system to achieve this goal, "psychoanalysis", was unveiled by his fellow Jew Sigmund Freud."

No one suspected at the time that Freud had invented the indispensable tool for the biological parasite in his quest to gain absolute control over the life of the

Gentile host. Psychoanalysis became the instrument that the Jew used to probe the deepest recesses of the mind of the host, thereby learning his best secrets, as well as the hidden fears and doubts, which could be exploited by a clever enemy in order to become his master.

Thomas Szasz, in *The Myth of Psychotherapy*, wrote most revealingly of Freud's creation of "the science of psychotherapy" as an instrument of the Jew to be used to gain power over the gentiles. Szasz titled his chapter, "Sigmund Freud, the Jewish Avenger." Freud himself was born a Jew, and was given the Jewish name of Schlomo after his grandfather, a rabbi.

Szasz further comments:

"The inconsistency between Freud's passionate anti-religious tirades and his profound commitment to Jewishness significantly highlights an important aspect of Freud's personality and predilections, namely, his anti-gentilism. The popular image of Freud as an enlightened, emancipated irreligious person who, with the aid of psychoanalysis, discovered that religion is a mental illness, is pure fiction." Szasz then defines the Freudian psyche permanently by writing: "Freud was throughout his life, a proud, chauvinistic, even vengeful Jew."

In his "science" of psychoanalysis, Freud focused the hatred of centuries, which the biological parasite had cultivated against the host, a hatred irreconcilably rooted in the biological situation of the parasite that must live off the host, and that can have no existence without this relationship.

Shortly after the Crash of 1929, when many gentiles had been impoverished by Jewish money manipulation, the psychiatrists began to show their hands as the new masters. In May 1930, an International Congress on Mental Hygiene was held in Washington, D.C. Four thousand psychiatrists from fifty-three countries were welcomed by the President of the United States, Herbert Hoover. The new masters drafted a charter stating that they alone had the knowledge to "understand and control human behavior... Psychiatry must now decide what is to be the immediate future of the human race."

The new pronouncement also boasted that "Psychiatrists alone possess the superior intelligence and knowledge to alter materially and permanently human behaviors." Many of the bureaucrats got the message, and promptly signed up for lengthy series of "analysis". Soon afterwards, a number of Communist cells were established in the government bureaus, chief amongst them, the Harold Ware cell. Ware was merely the office boy for Felix Frankfurter, who masterminded this Communist group, placing Communist agents high in the official levels of every government department in Washington. [17]

Freud set the stage to attack and tear down every organic bond of Gentile peoples and societies under the premise of psychoanalysis and give the Jews legitimacy to simply denounce all their critics and anything or any obstacle in their way with an entire host of pseudo-medical sounding jargon, and down the road for America as in the Soviet Union declare anyone against their system as

mentally ill, and have them locked away. They tried this on Naval Commander George Lincoln Rockwell in America as well, when he denounced and exposed them to the public.

Today the Jews are pushing to have racial awareness [Gentiles wish to remain as diverse, pure and separate races] and anti-Semitism [anyone who tells the truth about the Jews] labeled as "mental illness" along with anything threatening to their agenda. We see in the Jewish created label of "Racism" a propaganda term to vilify the organic bonds and natural love for one's people or what social biology calls "Kin altruism" today, as it stands in the way of the creation of a one world mongrelized race that the Jews want as part of their globalist agenda.

An important note on this:

In "Memories, Dreams, and Reflections," Jung wrote [p.149]:

"Above all, Freud's attitude towards the spirit seems to me highly questionable. Wherever in a person or in a work of art, an expression of spirituality [in the intellectual, not the supernatural senses] came to light, he suspected it, and insinuated that it was repressed sexuality." It took Jung several years to realize that the earthbound Jew was unable to comprehend anything spiritual, having to interpret it in the grossest physical sense, and he finally parted company with him.

One can see an example of this Jewish psycho-trickery as attack in action and the fact the Jews are working to pave the way for a materialist, atheist state where anyone with any psychic abilities or spiritual beliefs will be labeled under a host of jargon, drugged up, locked away, and viewed as insane. This allows that Gentiles will remain powerless on the spiritual level. In fact, we see the first waves of this already in place. The Jews are pushing this foreword.

Today the Jewish atheists are literally trying to convince Gentiles they are nothing but Goyim, two legged animals without a soul and that even the understanding of having a soul, psychic ability and thus even the idea of developing these are a major threat to the Jews.

"IT IS INDISPENSABLE FOR US TO UNDERMINE ALL FAITH, TO TEAR OUT OF THE MIND OF THE "GOYIM" THE VERY PRINCIPLE OF GOD-HEAD AND THE SPIRIT, AND TO PUT IN ITS PLACE ARITHMETICAL CALCULATIONS AND MATERIAL NEEDS."

—Protocols of the Elders of Zion [18]

They use the Freudian tactics in attacking these concepts and those who hold them under a host of buzzwords, revolving around nothing but smears and medical sounding jargon. They push the centuries-old and outdated Newtonian [five-sense universe only] paradigm still in science to act as the needed platform to do this with and legitimize their lies to the Gentiles. While working to [as Dr. Radin has exposed], openly create strict taboos in the scientific fields such as

physics to keep any Gentiles from researching the spiritual direction. This is no different from the taboos placed in Christianity to keep Gentiles away from any spiritual knowledge and power. The little that has shined through the keyhole [thanks to Gentile scientists] has revealed that the powers of the mind and soul do exist.

The Jewish led atheist's movements push a Communist moral system under the banner of liberalism, using an individualist tactic over the collectivist tactics the open Social Marxists use; the other side of the same coin, a tactic of which the Jewess Rand made popular. Rand was a major example of Jewish subterfuge in their agenda:

" Ron Paul, like Alan Greenspan, was heavily influenced by the Russian Jewess "Ayn Rand." "Rand" was born Alisa Zinov'yevna Rosenbaum in St. Petersburg, Russia in 1905. I became acquainted with Rosenbaum's subversive activities while battling against one of the most ardent modern proponents of her philosophies, a radical Zionist Jew who many years ago proposed the nuclear annihilation of Iran, and who defended Einstein's reputation with falsehoods and smears.

"Ayn Rand" came to America from Russia, presenting herself as a radical anti-Communist. Hers was the typical modus operandi of Bolshevik operatives, working for an official Soviet organization known as The Trust. These agents, many of them crypto-Jews, came to the West in search of anti-Communists and infiltrated anti-Communist organizations and Western intelligence agencies.

Their objective was to forward the interests of communism by creating a controlled opposition to communism which would serve the interests of the Communists while pretending to fight against them. They also subverted all authentic anti-Communist movements.

Rand promoted negative stereotypes of women, attacked homosexuals, advocated laissez faire Capitalism, and taught selfishness and disregard for humanity. She opposed charity and objected to any governmental assistance for those without means. She wanted to place America on the ruinous Gold Standard. Rosenbaum's "good advice" to the blacks only held them back by preventing them from using the political process to forward their interests. Her good advice to the Goyim only held the Gentiles back, by making them selfish and irresponsible, and also by preventing them from using their government to better themselves and their neighbors. She taught the Gentiles to hate the poor, undermine the middle class, and concentrate wealth in the hands of the wealthiest Jews, all in the name of "fighting communism". Her "good advice" pitted Gentiles against one another at the time when they should have been helping one another to become successful. She taught Gentiles to shun any efforts to cooperate in their communities and improve the lot of one another.

While Jews famously provided communal support and charitable assistance for their own, Rosenbaum helped to create the destructive "me generation" attitudes

in Americans, weakened communities and inhibited the advancement of the poor and middle class. Her beliefs also fostered the drug culture, pornography and the destruction of public education. While Jews promoted strong community ties, Rosenbaum taught Gentiles to be selfish and "independent," meaning without any sense of social responsibility or communal cohesion.

While Jews wisely took from the public schools all they could, Frederick T. Gates, an agent of World Jewry, used Rockefeller/Rothschild money to finance institutions of higher learning, which benefitted Jews, while promoting the idea that Gentile students should be readied for factory work and work as field hands and farmers. While World Jewry took the monies they stole from Gentiles and distributed them charitably to their own. Rosenbaum taught Gentiles to abandon all social responsibility, obsessively focus on themselves, and destroy all government institutions that better the lot of the American middle class and poor.

Alisa Rosenbaum's "anti-Communist" philosophies weakened Americans, opening the door for Communism," and of course, always remember that Communism could not exist without Christianity to provide the template for it: http://see_the_truth.webs.com/Xianity_and_Communism.htm

"Some call it Marxism, I call it Judaism." —Rabbi Stephen Wise

The final end of this is the enacting of the Talmud on the earth in a Jew World Order where Jews are the open rulers, the "Chosen" and we are the goyim, micro-chipped, dumb two-legged animals without any spiritual power, knowledge, past, or organic identity, who slave for the Jew night and day on a global plantation.

Quote from the Jewish Talmud: Nidrasch Talpioth, p. 225-L:

"Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

Baruch Levy, Letter to Karl Marx [Mordechai Levi], 'La Revue de Paris', p.574, June 1, 1928:

"In this New World Order, the children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which it is said that when the Messianic time has come, the Jews will have all the property of the whole world in their hands."

"The Jewish doctrine of Marxism rejects the aristocratic principle of nature and replaces the eternal privilege of power and strength with the mass of numbers and their dead weight. Thus, it denies personal worth, contests the significance

of folk and race, and thereby withdraws from humanity the premise for its existence and culture. As a foundation of the universe, it would lead to the end of any order intellectually conceivable to man. If, with the help of his Marxist creed, the Jew is victorious over the peoples of the world, his crown will be the funeral wreath of humanity and this planet will, as it once did for millions of years move through the ether devoid of men."— Adolf Hitler

Loki Is A Hindu God

The ancient Nath Siddha's in India were followers of Shiva and had nine mystical founders who are stated to relate to the chakra's. Eight of them in the eight directions so the 13 major chakra's. And the last being the bindu point which relates to the seat of the soul. Which is the seat of Atman which is called Shiva. Who has been stated to be the Adinath [The First Lord] or Adi Yogi the name of Shiva.

At one of their major temples:

"Located in the monastery precincts at Kadri is a certain Manjunatha temple, whose principal image, of Lokanatha, was dedicated in A.D 968. In the inscription that records that dedication, it is stated that "the image of the god Lokisvara [was placed] in the beautiful vihara of Kadirka."...[1]

Lokesvara is stated to be three faced. The ancient image of Shiva in the east. Lokesvara is a name of Shiva. Svava means "god" Lokesvara is the God Loke....Loki the E is spoken phonetically as I in Sanskrit. Just as in the west Loki is shown as relating to the serpent power the three faces on the head is the three nadis united in the brain with the raising of this energy. Lak is the Shakti the energy or consort of Rudra in the Vedic period. Rudra is the Vedic name of Shiva. Lak is the rune or energy of Loki in the west. Lak is also spelled Lake or Laki this also becomes Loki. The letter L is the letter of Venus and Ki means Serpent Life Force and King. And the world support the mulahara in Sanskrit. The spinal column. Venus is the serpent deity from the east to west. And is called Lucifer in Latin. Loki is shown in the west as the serpent of fire wrapped around the sacred tree. This is the symbol of enlightenment to the ancient Druids. The deity by the title Laki or Lake is called Shaitana by the ancient Vedic Persians. And the Persian Yezidhi's still call their God Shaitan. Whom they state is Murugan in Hinduism the ancient Venus who is the ancient form of Shiva and is called Sanat Kumara. Sanat is the Sanatana Dharma the ancient name of spiritual knowledge. Sanat Kumara is stated to be Venus as well. Sanat meaning Eternal. Satan means Eternal in ancient Sanskrit. Its the ancient name of the head God in Sanskrit.

The sixth rune Kana is the ancient name of Krisna. The ancient Aryans migrated from the East into Europe over thousands of years.

The Edda's were written down by a Christian monk who admitted he altered them. This was also done after centuries of Christianization. The images found across the North show Loki as a God in a positive sense. The Liberator of the soul as the personification of the serpent power. In the east the same God is stated to be the liberator of the soul to the Light Body state.

Loki does not destroy the nadi's this is symbolic of the serpent power purifying the soul.

That's the weird thing with sprockets the guy is promoting the ideology of a Catholic gnostic who included some pagan elements with Christ ideology with some Buddhism aspects then sprockets added in his own drug imagined ideas. And people believe this is Paganism. This shows if a person does not actually deprogram themselves from Christianity they will just unconsciously create another variation of it in their own life due to unconscious bias.

Hoodedcobra666 wrote:Sprockets will commit suicide from glue sniffing overdose after reading this post.

Are you happy because of this?

I have coined Christianity before as the religion of those of a low IQ below the level of retardation. It seems to have become a meme because truly it's a meme that comes from fact.

While we know there is an occult side to this, let's be honest with ourselves, people are tragically retarded. You see this everyday in your life. Even the so called "Great Minds" are also prone to logical fallacies, errors, and many other related mishaps, and nobody is perfect. This is to not claim ourselves as the supreme intelligentsia of the universe, but one is cleverer as to understand that something else is going on here. Which is why they end up here.

For example, there is a fire in a neighborhood. The neighbor burns to death, the other one says 'god saved him' and praises 'god' for it. Both are Christards, believing in the same egregore. As to why the God of "Love", who "Loves everyone equally" showed favoritism to one dumb animal over another, there is no theological answer. "God works in mysterious ways goyim...". This instantly collapses Christianity. But the case here is fairly evident.

The people believing in these things are not only stupid, but dangerous. There is an extreme amount of egotism to say that "Oh, God saved me and burned my neighbor" and truly believe in this. They believe literally the creator of the universe is serving them on the plate. This is a psychological condition that many other people also have. This sickness is also expressed in how the 'traditional' Satanic sects have tried to approach the Demons, thinking they were their servants. For a being that weak and meek, man surely has a big idea of himself and a loud mouth to follow it up. Yet constantly stands incapable to follow through with all sorts of outrageous beliefs and claims.

This is in other words a personality disorder. Some people have an extremely big idea of themselves, without anything to back it up. This is a mental condition. Yet, when this appears to individuals in the form of believing that literally the "Creator" of the "Universe" serves you and only you like his begotten son and infant, this is considered clinically just sane and everyone is allowed to have this mental condition and live their life with it. This is called Christardianity or Islam.

"God" from being a state of mind that is open to all but requires maturation and work to reach, now is free for every mutt and overweight white to be. You can just be at MacDonalds shoving 10,000 calories down your throat in a day, all day, be at the size of a whale, have an iq lower than a jellyfish, take 40 pills a day just to baseline survive as an abomination, drink psycho drugs on a consistent basis to keep yourself from throwing tantrums about how important you are, and still claim to know the "word of god" and the "will of god" in an out.

Also, there is never a question as to WHY any such event happened, such as in the case of the fire, or why should someone innocent like let's say one's neighbor or their family got burned to death. Alas, all that matters, is what the individual christian has experienced. So long people are 'saved', they are fine with it. If they get burned, well, too bad.

Here we see another disease of the christian mind. They can only see things through their own lenses. The religion of 'love thy neighbor' is actually all about seeing reality from your own

lenses. If they got in the shoes of their neighbor, they would never love 'god', they would rather hate god for what he did to their 'neighbor'.

The same primitive brain of a monkey stands as the supporting dome before Christianity. If another monkey dies and you have a banana stolen from it's corpse, then you are blessed. If not, then "God" is against you, in which case, you need to 'pray' to convince 'god' (an all powerful all knowing whatever) to change his mind about you.

Christians by the act of prayer just prove they disagree with "God's decrees" and the dictates passed on by this spook, which also, according to their book, makes both good and evil and to which they must be fully servile.

Every Christian I have ever known also, seems to only grow interested of religion in their later years. Essentially, they have all the drugs, sexual orgies, lies, deceptions, good and bad things done in life, and then oh, you can just press a repent button and it's all gone. For this reason Christians just make sure to follow their corrupted life, and then, when they are about to die, on the deathbed, they make a confession and voila- they are up to 'heavens' with their favorite jew.

Christianity has ruined all the necessity for a moral life that lasts throughout your existence. This is created by the 'repent' button. You press it, and you are done. Therefore, see all people today and you will understand why the majority leads corrupted lifestyles. If you can repent a moment before your deathbed, then what is the point of living a 'morally good' life, especially, if 'good' is just some alien bollocks which you seldom understand?

Any Christian is the ultimate proof of Christianity's non-existence - this is proven by their behavior. If their "god" existed, their behavior, would at least, in a reasonable extent, be different. However their "God" does not exist.

Many people do disregard that ultimately the cause of Europe's migrant crisis is Christardianity. Why? Is it because directly of the religion itself? Yes and no. Yes in that it's obviously a migrant, rootless, disgusting, and fully non-European faith. No in that Christianity is not required to pollute a mind directly.

It can leave a person who says they do not believe it, but like some species of parasites that inhabit human brains, it has already laid all it's eggs in every fabric of their brain. These eat the brain from the inside out.

Lastly, Christianity has to be understood, same as Islam, as the religion of the racially bastardized. Why is this the case should be evident. I have never seen one able, sane, and noble man, who is racially pure (of any race) advocate strongly of Christianity. Why is this the case? It's simple: any such man existing today, chances are, the unadulterated blood would alter them to the alien nature of Christianity, causing existential incompatibility or rejection of the jewish feces brain fetus. When you know in your soul that something is wrong, you will reject it.

If you were created as a soul like 200 years ago by the defiled sperm of a black nun and a white toothless missionary, your very existence depends on Christardianity. For this very reason, you have all existential reasons to become it's great advocate. If you are a dumb degenerate, or anyone who for any reason doesn't want society to advance, but happen to be in a position of

power cause of anyone else's incapability, all the best for you: Christianity and the retarded Goyim it produces are your greatest possession of cattle, and it must go on so you can maintain your status amongst the blind.

One last thing in regards to Christian psychology is laziness. Indeed, the Christian religion is the perfect choice for the lazy people. The less things you do, the more likely for you to get saved. If you are so lazy as to not even look at a girl's ass, then you cannot commit the sin of adultery. If you are too weak as to even have any sex drive whatsoever, you cannot commit any sexual relations. If you have extreme amounts of autism and you cannot speak to anyone, you will never need to lie. If you're like amputated from birth, then you can't slap someone in the face or raise a gun to kill someone, for example. If you're lobotomized, anyone can do crimes against you and you cannot even understand it's going on. You're like a holy saint.

In general, the closest you are to an unborn sperm or a braindead fellow, the closest you are to being the perfect heavenly saint Christianity describes. The heavens belong to the meek and the retarded. It would be great if all the aspiring people to become such went to heaven straight up, but unfortunately, all the people per-occupied with this great heaven, are living on top of this unworthy earth, polluting it, breathing her oxygen, dumping in the sewers, polluting the ecosystem, procuring their masters such as the jews, and producing living waste that will torture the 'unworthy' who will be left behind to earth, forever.

However as a final point. Christianity is not only all of the above, but the combination of these factors.

For example: you see a beautiful Pagan man that was serene and achieved. If you are a weak ass rat, like Ephialtes, the betrayer of Leonidas, you know you can never be this person, and of course, if you are lazy, worthless, and a dumbass, you can never in anyway be worthy of life in the way another person is.

Of course the worthless always assume this is someone else's fault, in the case of Ephialtes, he assumed his rejection was by Leonidas, not because that for example, he was a cheap ass traitor and loyal to nobody, or an incessant materialist. So he blamed Leonidas for it. In the same way, the very few traitors and excrements of the ancient Pagan World (the jews recruited foreign races in any empire, and slaves in their dogma) were happy to join them.

Little did these slaves know that their inflictions were due to jewish influence, such as the Roman empire, where jews had the empire bankrupt, for example. The same thing happens with Communist revolt, the poor people do not know jews own all the banks and therefore create the slave wage conditions who have had their families dying. So in that case, these people feel distaste of authority and jealousy over the strong, but never blame those that weaken them- and since they do not want to develop in anyway (here comes the removal of spiritual knowledge) the only thing they can think of (since they are greedy) is to overthrow this man Leonidas, overthrow a good country or empire, and assume that you will enjoying what he does if he is replaced. Just look at all the lazy prisoners from 3rd world countries that fill boats and come to Europe and you will see.

When Europe will be replaced by Arabia, then the whole world will be Arabia, and they will generate the same situations they were running off from all their existence. But seldom the brain

of some understands this anyway. So until this happens the jew promises loot, in the same way preachers are promised shiny shoes, a nice belt, and the borrowed power to bullshit people and make them to whatever they want, without saying anything reasonable. For a cockroach, a bag of sugar is enough, it doesn't understand that Sugar is mixed with Baking Soda and that it will exterminate it.

So the only choice in that situation, since these slaves cannot overpower the strong, or outshine those who shine, is to reduce their shining. This comes as a motivator from greed and inherent evil, but also, from what shows that man is equal to a monkey - the disability and laziness to advance in anyway. Christianity gives you the perfect illogical weapon to cast upon your victim: start corroding his brain to devalue him until he becomes lower than you, and also, enslave him, based on literally nothing but illogical crap brainwashed into him 24/7. Just look at how many good people have been foiled into this lie who were strong and able and advanced this without knowing it was even evil. Of course, this lie has to appeal to something, such as that it's a 'good thing' to do, or to something else, that it will 'save his soul'. All in all it's just trickery.

Everyone advanced past a point in Christianity knows what kind of vehement poison it is.

The ultimate aim of Christianity and the Christians is just world enslavement under the jews, without any condition for the Gentiles. Christians are the footsoldiers of this, who know nothing of what their masters know (such as Kabbalah or anything like that, or any spirituality whatsoever).

They were handed a mission by jews thousands of years ago, and told them, that the lazy, worthless, retarded, and all the shit of the earth, will have a place in riches, luxury, and eternal bliss in heaven, if so they serve them now in their corrupted political agenda that poses as a spiritual thing with zero spirituality in it, just a fairytale of crap. Naturally, all the retards followed through, but they never read the terms on the book that they signed - the Holy Bible, which clearly states that all Gentiles, however servile to the jews, will be exterminated in a holocaust.

Of course the Goyim do not concern themselves with that, they are too stupid to even think. It doesn't say they are loved by God either, or that this Jewish Egrogore will ever be pleased with how many people of their own race and nation dumbify, kill, exterminate, and hand over to the jews as slaves.

To be a Christian, you either have to be retarded, overtaken by evil or ignorance to a total extent, or a kike.

A mentally sane and healthy person, can never be a christian.

[Re: Love Thy Neighbor - The Christian Mind Explained](#)

Postby [HP Mageson666](#) » Tue Jul 31, 2018 7:24 pm

Christians believe "god" wrote a book and they can't even be bothered to read it themselves. And the ones who do can't make any sense out of it and are in disagreement. The smarter ones who read it realize the Christian religion is fucking lies and leave it.

The Bible is the proof the Bible is false. Its that obvious just by reading the thing. The reason so many xians live like animals is because that is the level of spirituality their toliet torah they follow leaves them on. Throw in teaching they are all worthless, bad people because of original sin. And you create a self destructive person.

I can go on and on pointing what they are about..

But the most important thing that made me worried was the conditions of the White Race, those I saw around in Europe and UK, all these peoples really could be seen victimised under the Jewish spell of xianity.. for a person who can see, I could see that this xianity was in no way 'compatible' to these beautiful peoples, it just was not making any sense.. soon I was wandering myself.. what if these peoples turned away like those xian victims I saw around in India. (Low IQ materialistic slaves, degenerate sell outs) and here was another enemy seen.. pisslam..

It literally felt like a complete plot against the White Race.. and obviously the roots are to the Jews..

I started respecting my bloodline and myself more when I saw this situation & while I came to Satan, I respect my pure white Aryanity the most and I honour my ancestors for all the hardships and king lives they lived..

The same Jewish made problems can be seen with the black race in Africa, what they are doing? If I see in terms of an economic personnel.. I can see Africa as the best nation in the world in terms of everything... even I can evaluate the black race on terms of Human Resource availability, and Africa can have it all.. I can make a complete detailed project on this that can show the capability Africans have and what it takes to bring it on..

Asian orientals are like my personal favs, like those from Japan.. they are just so good.. can do great..

The same applies to Europe and United States..

It has everything to make you bring heaven on Earth.. (Non Biblical) but we know what is

stopping this to happen.. It's all Jews..

THE ENTIRE WORLD COULD BE GREAT! If Jews, Xians, Mudslimes and all their programs are deleted!

As been it's time we and the gods gave great new lead to this world.. I'm eager to see what it has to offer, because this is Satan's world. We need to do whatever and however means possible to bring the great in all of us, while those that don't have anything must perish..

Hail Satan!

I can't hide I'm really concerned about India, because with the extreme birthrate, and the gov not giving a shit, I hope the country doesn't end up with biological dangers and issues. Whatever the case our members need to be protected and go for the higher strata to not have to worry about this.

The good news is that in India you can better camouflage yourself than in other continents, and you can pretend to be a hindu, while being a full blown Satanist, or so I would assume. In other places you can die on suspicion of such practices.

Asia doesn't need space they just need to meditate and open up their emotions and compassion more. This will make Asia more like South Korea, Japan etc. Asians have proved their civilization building potential.

Something I notice about Asian's and Hindu's who come to the West they have respect for it and the level of civilization the White Race has created and for White behaviour. Prahupada spoke highly of the White Race and White European and European American civilization and People. And simply wished to improve it with his beliefs about Krisna worship.

However when the Muslim's come over all they do is trash everything and cause problems. The Paki Muslim and Indian Hindu are the same race and blood. But the difference in the behaviour you can note its Islam that is the problem.

The Guru of Yogananda's Guru. Wrote the Jesuits which if you study their history they don't even hide their Jewishness it was all tribe from the start. And the Jews run the Catholic Church... So Yogananda's Guru wrote the Jesuits had spent decades and vast sums of money crossing India and removing all the spiritual knowledge from Hinduism. Removing all the Tantra's which is the text books on spiritual knowledge. And what they didn't fully remove was corrupted. To the point one had to either already have a personal family library with these texts in them or had to find someone who already knew this knowledge and would teach you. That is how obsessive the Jews are in removing this knowledge from the Gentiles.

Love And Light Bottle Them Emotions Up Tight

by HP Mageson666 » Wed Sep 04, 2019

The New Age movement if one reads their information is based on attempting to frighten and generally lie to people into repressing their emotions, especially in the realm of using magic to obtain desires. People are told like with the Secret if they have "negative thoughts" this will come back on them. Its the same with Wicca which is basically just a Judeo-Kabbalistic movement. There are numerous books by New Agers always telling people to forgive and forgive what they mean is push their emotions down and repress them. This is done to create mentally unstable people. And to put major blocks in the mind of individuals to make it impossible for them to acknowledge reality which can start to cause mental issues. Which is why its promoted by the enemy controlled mainstream.

I was once in a class on spiritual subjects that was full of New Agers and this one woman asked the teacher about cursing and this New Ager just literally went into a hysterical fit of panic and rage, literally repeating with total hysteria; "That's not Love and Light!" The individual sounded and behaved like they were having a mental breakdown. This is the outward manifestation of emotional repression.

I will relate a real life tale I was once in a relationship that ended with the person basically cheating on myself. So naturally I was somewhat annoyed however I read this spiritual New Age book this was before I was a Satanist and the access I had to information was what you got in the local books stores and meetings. This book stated the typical nonsense about forgiving and not allowing yourself to release your emotions just repress them.

Several years later when I became a Satanist and was starting the power meditations I was within a feeling of extreme anger over this person it went on for three days straight. That was the repressed emotions I was carrying around bottled up within my psyche as a Satanist I allowed myself to just release such mentally no problem. That had caused an emotional block in a chakra that I totally released and cleaned out. This is why the enemy promotes this nonsense in the New Age, many New Age people are interested in chakras and Kundalini Yoga. This is to attempt to make this impossible for them and dangerous to activate the chakras and Kundalini energy. This is why many New Agers flip out when they start doing this. The belief systems causes major psychic blockages and they refuse to let them go as they keep trying to repress the emotions from arising in their conscious mind just pushing them back downwards and amplifying them with the effects of the meditations which causes them mental issues to the point of psychosis in some cases and physical illness. The drugs that are pushed into the New Age movement when combined with the same meditations that activate chakras and Kundalini energy also cause psychosis within the individuals and leave the individual mentality destroyed.

The New Age movement is also full of enemy rituals and meditations which is designed to stop them from progressing spiritually and destroying their lives by causing them to connect into the curses of the enemy. This is why the most promoted individuals are always some psychopath promoting Kabbalah Metatron, angels in general and other harmful practices and advice. I once knew a person into the New Age who did kundalini Yoga daily and never got anywhere and her life was always full of insane problems and health issues. She was into Angels and connecting with Metatron's cube and all this enemy garbage. Same with all the claimed healing masters who channel their Angel guides and New Age ascended Jesus and they all look like wax figures and have major health issues. This becomes a problem when people go to Reiki sessions and the individual is channeling energy from Angels which is the enemy thought form of Christ Consciousness and then connecting with such toxic energy. Reiki has been taken over by New Age Christians and now all they promote is Angels and ascended Jesus and such and channeling energy from ones Angel guides its been made toxic.

The enemy hates Reiki because originally it was from Satan whom in Japan is called Sonten, now the enemy is offering Angel healing where the individual can work with an Angel in this case an enemy entity from out there. To remove all the Reiki sigils off their psyche and only then can they become some super Angel healer. Those sigils are based on opening up the soul to the flow of serpent energy I know from experience as someone who is trained to use Shatkipat to attune people with such sigils.

Lucifer & the Philosophy behind Satan/Lucifer

▣ Mon Jul 24, 2017 7:19 pm

By High Priest Hoodedcobra666

As we all know by now, we can call the essence of the universe "God", "Source energy", "Akasha", "Ether" or as we see fit. It's this one energy that permeates the whole of creation and keeps it going, but then, there is another thing that keeps creation going: Consciousness. Lucifer/Satan represents this, and the channeling of the energy of the universe, at the same time. Essentially Lucifer/Satan is the Creator.

It's a kosher jewish lie that pre-christian Satanists/Pagans denied the existence of a 'source' of all creation, a primordial cause, or a sole essence that was the source of creation. But they considered this useless, because this was UNEXPRESSED and LATENT in existence...In other words without beings to express this, the universe is as useless as anything that never existed. Therefore the 'created' have a similar position to the 'creator force' in this sense.

However what they all believed is that simply, this is an eternal concept and cannot be expressed. For this the Gods are needed. In Egyptian mythology the Gods came from the Neter, which is basically like the Source or Akasha. Ie, the force of "God" or "Nature" created the Gods. Which then they created us and so forth.

Learning to understand this concept and one's position in this infinity was central and fundamental thinking. Spiritual Satanism or Satan never denied this either. As this something real.

The second title for Satan is Lucifer. Now Lucifer breaks down in two. Luci which comes from the latin Lux which means Light, and fer which means Bringer. Therefore Lucifer is the bringer of the Light. This is a title even admitted by his enemies, but what does this title means I am going to briefly explain into this post.

When people think of light, they think of Sunlight according to human sense. However this light is an unseen, formless, unexpressed light that is basically not a light, but only what it is in itself. But we still call it the light, although it's the light that hasn't manifested. When the light manifests in full power, that is the power of the Sun, and therefore the Sun is the power of the manifested and real, felt and active light. The other type of energy is thoroughly passive.

Anything that is revealed and created, is a form of light and vibration. The revealed and all the potential worlds are light, and they all come from the Abyss of 'Nothingness', the Akasha or the "Chaos". Nothing exists there, but endless potentiality. It's a void, just waiting for a conscious entity to express it. Without a conscious entity or a teacher (which is what Satan/Lucifer is) this light would remain unexpressed and all living

entities would never figure this out, as thus remaining ignorant. The person who does this process of en-lightening is called a God, and this is exactly what Lucifer is and what his role is in creation.

Therefore the Demons (Demon = God in Ancient Greek) all obey to Lucifer. The other name of Lucifer which is Satan is related to Truth and the realization of Truth. Lucifer is even admitted by his enemies to be the "Angel" that was closest to God, ie, the formless light or the neter, or the Akasha or chaos, you name it, and he was the creator and the transferer of the light, ie, the creator manifested. He has the same position in the Yazidis who honor him above "god". Simply because God is neither a kike named Jehovah, and it's neither a form that needs worship or to be followed as on it's own it leads nowhere.

Sat means True, An means God, and As in the jewish kabbalah in Hebrew which is concealed to hide from the masses means boundless Light. Satan still technically means Truth, but to break down the name as in above, this reveals the real nature of Satan as a being. The jews removed the AS from the name of Satan to show their wish to cast him 'down' from his position. This deals with who Satan is as a being in the universe, or more accurately, the ET behind the title. Lucifer brings the light, and creates the world, the Soul, and everything that is and exists.

Without Lucifer, the active creator, a manifest creation cannot be, and "God" remains a useless potentiality in the middle of nowhere. As thus the perverted statement of "Lucifer being the favorite angel of God". This shows that this being behind the title has reached a state of equality with this force, which is what the Godhead is.

The light he brings from the highest source of creation, the creative source par excellence, the depth of depths, the "One God" that so many idiots gloat about, which is the chaos, or the light. Indeed there is no way to accurately 'explain' what this 'is' because then we start to define it.

Additionally, as all of us know, Satan leads man to understand the Godhead and become a part-taker in this Divine Creation. Because indeed Satan/Lucifer is God and in the infinite universe, there can be infinite Gods. Therefore Satan/Lucifer is not afraid of us, scorns us, or puts us down. Why should he?

For some reason dealing with the aliens and ET's hiding behind theology, the jews decided to attack Satan and try to curse him from falling from this high position he had in 'front of God' which is basically a metaphor in the mastery of the light, which even the enemy admits, was the superb and the highest possible. This is all strong allegorical language here, coded in the "Fall of Lucifer".

This came because the jews put themselves as "God" and Satan went against their plans, so putting words in the neter's mouth, they supposedly stated that Satan was to be punished. Mass belief into this lie pushed energy into this direction to some extent. But obviously the jews have nothing to do with "God", nor this is real. And this is why people

like the Yazidis never bowed to the jews and their crap. Because enlightened people like Sheik Adi can see what is real and what isn't spiritually wise.

In the Yazidi tradition, Lucifer was asked to bow before "Adam" (Man, or what have you) and he denied this proposal because he was the most Ancient and the most ancient and he knew that would be disrespectful to the creator or the universe to obey something that is so recent and fragile as man. In this fable of the Yazidis, "God" or the source rewards Lucifer because he stood to his stature, and puts him as ruler over all creation, seen and unseen.

Lucifer/Satan is basically the conduit from which the infinite unexpressed light gets an expression into existence. Rightfully so some people take this and say that Satan is the Creator God of the universe, but this is allegorical. Satan is one with this force and there is no division, and consequently comes the statement of Satan being everywhere and anywhere, which many people took and named him as a 'force' later.

This is the future of advanced entities who ascend spiritually on these higher levels,, to reach this state. And as always it's Satan that leads to "God" and is God. Deprogramming from jewish lies that are offbase and extremely blasphemous is a necessity for all Gentiles who seek to rise into a higher spiritual level.

All of the above should show who Satan is, and who we are as a result by calling ourselves Spiritual Satanists, which is to strive towards the highest spiritual awareness and objective.

Lucifer Is Satan

Lucifer Is Satan

This is an answer to a question in the egroups:

In the East Sanat [anagram of Satan] is called Shurka, the name of Venus. He came from Venus to liberate the earth with his allies of 144,000 souls. This is the kundalini serpent that transforms the material elements of the being the earth to the gold of spirit. And opens the 144,000 nadis. Venus is shown as a hermaphrodite for this reason the serpent and the united soul. This is the spiritual sun, the eight pointed star of Venus connects to the solar plexus and shows the map of the whole soul.

The Satanic Templar's head they worshiped was Venus, the Baphomet as we see gets the symbol of Venus the pentagram. The symbol of the union. The male is the pentacle turning it upside down makes the union of male and female the spirit and body. This pentagram was put in the circle the symbol of the perfected soul with the number 666 the sun. By the ancients.

Osiris, Ptah are the same God in Egypt and Osiris was called Lucifer as well. This is Satan. there is this bizarre misinfo around that Satan and Lucifer are different. This is false they are the same being. You can see it Satan is literally called Lucifer in the east and west as mentioned in the ancient Pagan tradition.

Question : Achelois666 wrote:

I been doing research about the Gods Satan is linked to. I decided to look more into the Roman God Lucifer. I saw a few Satanists say that Lucifer is a Sun God but I didn't find much info backing that up.

Is this true?

Lucifer The Ankh

by HP Mageson666 » Tue Sep 03, 2019

The symbol of the Ankh represents Venus, in ancient Egypt the name of the Ankh is Shiva, the Ankh represents the third eye the pineal region which is governed by spirit which relates to Venus. This is the place where spirit materializes into the being. Shiva rules the element of spirit in Hinduism. This is how this works its in Lucifer's sigil:

That Ankh is simply showing the hieroglyph of the mantra Shiva.

Lucifer's name of Anki in Sumerian is where the term Ankh comes from. The ancient Egyptians and Sumerians had the same culture. Anki is called The Lord Of The Sacred Eye in Sumeria and this is the Eye Of Shiva in the east. The Egyptians show the Ouroboros serpent as the solar halo around the head this serpent symbol is called Satan in ancient Egypt. Which means Eternal Truth the ability to know this level of consciousness of the fully opened psychic centers the ability to have total access to the spiritual realm the light of the astral. This is why Satanama is the highest name of God in serpent power Yoga in the east and its a mantra to open up the third eye in Kundalini, the serpent power Yoga. Satanama in Sanskrit means Hail Satan.

The Ankh represents the energy of the pineal gland and the cup the solar chakra. In the east the symbol of Shiva is the five pointed star of Venus and Shiva's incarnation is called Shukra the planet Venus, however Shukra means semen, the semen of Shiva is the dew of the pineal gland. Shiva rules the grail the cup of Soma in the east.

The VA letter is given the number 5 and the number of the Morning Star Venus. The mantra is important the I letter is a double letter the vowel of the semi vowel Y and the V of B the V connects its the semi vowel of U which is the union of opposites. These letters vibrate the head. But the head is ruled by fire as well the fire of the mind the SHI is fire in Sanskrit, Rudra the god of fire is shown at the third eye and the VA is the important part. The VA activates the pineal and also connects the pathway of energy to the solar chakra to help deliver the dew to the solar and connect the two. The heart is the center of the head and is called BA in ancient Egyptian but this is also VA within ancient Egyptian.

This is why Venus and the Sun have an esoteric connection its the energy of the dew and the solar. This is why Lucifer the God of Venus is also a solar deity. The number of Venus 5, 8, 13 relate to empowering the chakras and their elements with such process. The 13th rune is A Shiva the mantra of Shiva in Hinduism. This is why the 13 chakras all connect at the solar chakra which is empowered by this mantra. This is why Shiva's mantra is supposed to purify the elements its by activation of the solar chakra this purifies the chakras and elements in Hindu alchemy.

Lucifer's Sigil And The Meaning Of Lucifer

In Sanskrit the L letter is given Venus the mulachakra which means the world support which relates to the entire spine and the kundalini the serpent energy. Its main sigil is identical in some cases to the sigil of Lucifer in the west. Lucifer is the Latin name of Venus. The L letter is Venus. The latin word for light Lux comes from this. The energy of enlightenment of the serpent power.

A drawing of the L letter in Sanskrit:

Lucifer's sigil:

Note both relate to the symbol of infinity and the serpent energy. The upward line and the crossing line are the symbol of the union of spirit and matter. Lucifer's sigil is the symbol of the risen serpent going through the three knots into the crown giving enlightenment.

In Taoism the highest name of the Dragon is Lung. Lung is the name of the serpent life force in Taoism. However the ng in the eastern languages is simply a high nasal M sound. This is Lum the name of the mantra of the root chakra and this becomes Laum fully spelled out.

The L letter in the east also relates to the mountain pathway in the west Lucifer rules the sacred mountain its the spinal column the serpent travels up and the most ancient images found in China show a icon of a man with a serpent on the back going up into the head you can find the same in the west in the ancient images found in Greece and such.

The L letter in Sanskrit also relates to water the symbol of the life force in the west the L rune also relates to water as well. In the eastern traditions Murrugan the God of serpent power Yoga is called Venus, Shukra in Sanskrit. This is also the Yezidhi God as the Yezidhi's elders mention and their culture shows. The Yezidhi's call their God Satan which is the highest name of God in Sanskrit the original language.

Lucifuge Rofocal

High Priestess Maxine Dietrich » Wed Apr 03, 2019

High Priest Hooded Cobra666 spoke with Lucifuge Rofocal, who is part Grey. Lucifuge Rofocal was very enlightening regarding the Greys.

The microchip some people see in deep meditation, behind the eyes of greys watching them is the implant.

This is another reason they attack relentlessly. They are programmed to do so.

Lucifuge Rofocal's planet was destroyed. They all received the implant. When this flash-over point occurs, all is lost. Lucifuge Rofocal managed to escape with some others.

The devout Christian ties into this energy and the more Christian he/she is, the more artificial looking he/she becomes. The pasty-looking phoney smile, every hair in place, the starched clothing on many of them.

The politically correct phrases, such as"challenged" etc, are also artificial alien. Jewish crap. If one is open enough and aware, one can detect the alien artificial in the Jew.

As for reference to the implant in the Bible, my opinion is this is done to confuse believers into blaming this on Satan. The enemy is master of lies and confusion, and will do anything to keep their program of Christianity and related vicious hoaxes on humanity alive and thriving.

Satan and our Gods are now cleaning out the Augean Stables. Ridding Satanism of Jewish and other filth.

"Just as [YHVH's] people cannot see you, you cannot see them, but they will manifest blatantly as the Earth draws closer to the climax of our cause."

Major Media Cover Up

by HP Mageson666 » Sat Jun 01, 2019

The mainstream Jewish, Leftist media pundit train, which is made up of fugly scheming Jews, dumpster dwelling goblin looking people and in general mentality confused looking individuals who appear to have just gotten out of rehab. Have been attempting to cover up a tweet in which President Trump linked to a video of Nancy Pelosi, the Jewish globin who is Speaker of the House giving a press conference in which its obvious she has lost her mind and has become utterly demented. However what seems to be the real cover up is all the cosmetic procedures she has undergone to appear somewhat human from fugly kosher goblin.

The worthless toilet sniffing pundits have being lying and claiming Trump linked a "Deep Fake" video which was slowed down to make it appear that Pelosi is slurring her words and acting demented. Trump linked a normal video not a faked one of a normal press conference. Also slowing a video down is not a deep fake either, its just slowing a video down.

The revealing part is Jewtube and Faceberg, acted right away on orders from the Cabbala cabal that runs the Democratic hub and censored all videos of the slowed down video of Pelosi, using the lie about Trump as the justification. The lie was to employ censorship and distract off the real video Trump tweeted which shows the truth.

What this shows is the Jews are attempting to use political censorship, Chinese style, this is what would go on in China where you are not allowed to compare their Political leaders to of all things Whinny the Poo. And it shows the Jewish tech companies are working arm in arm as part of a larger cabal to promote the Marxist agenda into American life. Its also coming out major Leftist media names have all kinds of direct ties to the Jewish run, Marxist political organization, Anti-Fa.

The Jews are terrified of the public finding out Pelosi is totally gone between the ears. This is a major embarrassment to their Party schemes. However in their rat race to cover this up they revealed something much more important then Pelosi is crazy.

Major Victory In France

by HP Mageson666 » Sun Feb 03, 2019

The Yellow Vest protests in France as of just last month have changed their tactic's, understanding the Bank of France [Rothschild's] are actually running their government. Macron was a high up stooge in the Rothschild banking Empire which is why he was put into power along as the news leaks revealed the Rothschild's put him into power for them. And also with the political help of other major Jewish players in the EU the Rothschild's and Warburg's run.

The Yellow Vests have started going after the Rothschild's banks in France and organizing protests and actions of protest against the Rothschild's bank in France that include tactics to bring about the total collapse of the Rothschild bank in France. They have stated they are going to make constant runs against the Rothschild's bank till its gone out of France. The bank of Rothschild is also under criminal investigations aboard as well now. This tactic will pick up speed sooner or later among the other protest movements in Europe that are inspired by the Yellow Vests. This is why Macron all of a sudden has come out and changed his tune and started kissing bottom to the Yellow Vests in the presses. His real boss Mr.Big Jew got on the phone and told him to start playing nice or he will be out of a job despite the fact he follows Mr.Big Jew's orders but now its bringing the protests to Mr.Big Jew. But no one in France is buying Macron's false change its all LARPing to save the Rothschild's Empire. French People want to run France.

So keep up the Final RTR's its now reached the very top of the Jewish Power Structure.

Major Win In Germany

Postby HP Mageson666 » Sun Jun 17, 2018 9:42 am

Merkel the Jewess own collation allies have turned on Merkel and her worthless Party in the German parliament. This has lead to the dawning collapse of the Merkel government. This revolt in the German government is due to the issue of the Jewish run and lead EU invasion of third world invaders into Germany. When the issue was brought up in the German parliament there was a literal riot in the parliament which caused the temporary shut down of the parliament. Austria has also turned to the Right and is now closing its borders. The Austrian government has closed seven mosques and expelled hundreds of radical Muslims from their nation.

The German Nationalist Party is now the second largest party might become the leading party in the next election. Their platform is closing the broader and kicking these invaders out. And..... wanting to leave the EU. This will cause the final fall of the EU. Germany has turned to total Nationalism.

Keep up the RTR's. We have changed the world and we will win if you keep the RTR's going.

Major Win The New Law To End Online Censorship

HP Mageson666 » Thu Jun 20, 2019

A Republican Senator, Hawley has introduced a new law that would remove the 230 protections from the big tech companies. These are the protections that allow the censorship regime, the regulations that would come into existence under this new law would protect peoples Freedom of Speech and hold the tech companies accountable. Meaning the censorship would be over. Trump's speech announcing his 2020 campaign also mentioned the censorship problem as well.

The situation is with the Vox purge is it was actually not Vox, they where the front. It was a corporate group called The Trust, run by a Jew, who was working with other Jewish billionaires, one of which is a supporter of Chabad, also the ADL which is the Bnai Brith which is the top level of the Jewish power structure which is run by the Rothschild's. The censorship regime is the Jews attempting to silence all speech that does not conform to the Jewish agenda. You can't have a racial-religious cult that calls all non-Jews, "Goyim" meaning animals and then have Jews respect the human rights of non-Jews, whom they don't even consider human.

The Final RTR is causing major victories, no one is buying what is happening with Iran either, "Gulf of Tonkin" is the trending term. Which means its over people are waking up.

Without Satan and our Gods and the activism of all of us here, this planet would be finished. Now its time to do the Final RTR even more.

Reply By HP. HoodedCobra666

Vox was used only as the excuse as stated, and Maza was put to play the clown all while blame shifting on him. Vox is part of a jew conglomerate that goes far deeper, it is literally the mass media structure behind this as per usual.

The jews were able to pull of Iraq thanks to lack of knowledge, the internet being new, and the people too accepting of the bullshit the MSM and media jew conglomerate fed them in TV. This time around even Alex Jones is bigger than many of these consolidated jew channels of informational brainwashing. We have been winning with this.

Trump if he wants re-election he will have to pass a resolution for the internet or the law has to step in with new legislation. Biden is pushed up and promoted on every corner internet or otherwise. He may think he has secured re-election just by kissing jewish ass but this is not the case, kissing jew ass is not enough.

Maniacal Jew Tortures and Drains Blood of Girlfriend

By SatanicWarrior

Well I said "Maniacal Jew" but we all know I am being redundant.

This scumbag joo killed his Gentile (Armenian) girlfriend in a grotesque, but typical joish act of torture and bloodlust. Ritual murder it would seem.

He was a spoiled overgrown child because mommy and daddy gave him millions. And he wrote depraved "graphic novels."

TEXTBOOK JOOZ

[https://www.washingtonpost.com/news/mor ... hollywood/](https://www.washingtonpost.com/news/mor... hollywood/)

Blake Leibel was fascinated by evil.

His graphic novel centered on the search for the bad seed lurking in the brains of serial killers. He wrote a screenplay about a madman on a murder spree. His work, he wrote online, "grappled with the questions surrounding what provokes a person to commit evil acts."

Now Leibel stands accused of taking that fascination too far by reenacting his bloody imagination in real life.

On Tuesday, the 35-year-old appeared in a Los Angeles courtroom to face charges of torturing, mutilating and killing his girlfriend.

Leibel was arrested in West Hollywood on Thursday when authorities discovered his girlfriend's body inside their barricaded apartment, according to the Associated Press.

Iana Kasian, 30, had just given birth to their first child three weeks earlier.

In a detail seemingly pulled from Leibel's own graphic novel, prosecutors said her body had been "drained" of its blood.

Leibel has pleaded not guilty. If convicted of first-degree murder, he could face the death penalty, the AP reported.

Such a sentence would be a bizarre and ironic twist for the graphic novelist, whose best-known work begins with the execution of a serial killer on death row.

It would also mark a sudden and precipitous fall for Leibel, the son of a wealthy Toronto developer and former Olympian.

Manipura Chakra And Liberation

Manipura Chakra And Liberation

"Both Tantric traditions accept that duality is caused by the subtle winds which are located in the two subtle channels. At the Manipuri cakra the right subtle channel, Pingala nadi...and the left subtle channel, Ida nadi...converge with the central subtle channel, susumna nadi.... The subtle winds traverse the side channels but these winds are impeded in entering the central channel because the opening at the Manipuri cakra is closed. As long as the entrance is closed a person experiences duality.....

The manipura cakra is also a pivotal point between liberation or enslavement to cyclic existence. If one knows how to open the central channel at the manipura chakra, one can achieve salvation conversely, if one does not one remains in the continual cycle of births and deaths." [1]

The ancient Greeks called the solar chakra "The Knot of Hercules" this center is crucial to the raising of the serpent energy. The ancient Egyptians showed in the Hall of Maat the weighing of the Heart against the Feather of Maat. If the feather weighted less then the heart of the individual it was thrown on the floor where it was devoured by Ammit

The Ammit was shown standing with the scales of Maat which are shown as the spine with the chakra's. Ammit is shown relating to the region of the manipura or solar chakra. The Greeks Gnostic's called Ammit "Hades" [2] This is symbolic of the knot at the manipura chakra if the knot is not opened the serpent stays in the root chakra the ground of the floor of the hall which is symbolic of the spinal channel. Hades is the root chakra. The feather is symbolic of the serpent energy and the heart the centers of the head and how the nadi's connect there. This based on moving of this serpent energy pass the knot at the solar to the head and opening the crown and fixing the energy and transforming the soul. When this is done the heart is lighter, if not the heart is not opened meaning the serpent has not been activated and risen.

If the knot of the solar is not undone then the serpent stays in the root chakra [Hades, Ammit] and the major point of soul consciousness will exist in the lower sphere of the octave of the soul as the Gnostic's showed. Which leaves the person subject to death and rebirth.

The entire outcome of the individual is depended on one thing. How much they transformed themselves with the Serpent Yoga of Satan or not. That is what a individual is cosmically judged by the laws of the universe based on. Think about the effects on everyone on this planet for having this knowledge removed by the enemy. The heart is the seat of the soul in the Egyptian it also relates to the mental, emotional kosha's the personality of that life. The loss of such the heart is symbolic of the reincarnation process and the loss of the personality of the previous life. This gets pushed into the unconsciousness mind with birth into the next life.

Christ in Egypt: The Horus-Jesus Connection by D.M. Murdock [2]

Manson Christ

by [HP Mageson666](#) » Mon Jan 22, 2018 1:50 pm

Charles Manson claimed to be Jesus Christ now as psychologists know what a society believes will even unconsciously become a self fulfilling prophecy. Manson was the living archetype of the character of Christ.

Manson's mother got pregnant at 15 and was unwed like Mary. Manson never knew who his father was like Jesus. Manson appeared on the scene in his young thirties same with Jesus starting his own following. Manson claimed to be the Messiah just like Jesus in fact he claimed to be Jesus. And both Manson and Jesus ran a violent cult of lunatics that tried to violently overthrow the system and rule the ruins in their own world order. Both failed and where imprisoned and executed. Manson was given death but the death penalty was overturned later and his sentence commuted to life. And both Manson like Jesus was elevated to a mystic figure and revered as holy.

Manson's whole life and personality was nothing more then an imprinted image of the character of Jesus. He was a living Christ meme.

Your Christ came in the flesh, literally, how do you like him??

Manson shows you what Christ would have been like if had of existed.

Mars, Phaeton And Earth

by HP Mageson666 » Wed Mar 13, 2019

A high level Soviet scientist who fled to the west reported the finds of a satellite the USSR sent into space to Mars that was kept top secret by the Soviet government. What the Soviets found was identical to the photographs from the American Viking spacecraft. Some of the photo's from the Soviet satellite have surfaced and show structures on the planet of Mars.

"A Soviet scientist who defected to the West claims that photographs taken by an orbiting satellite clearly show the ruined temples of a civilization on the planet Mars..

The 58 year old scientist was a high echelon member of an elite team that has worked together since 1961 when Vostok 1 carried Yuri A. Gagarin as the first man in space.

The photographs are computer enhanced and in full color. The detail they show is far beyond anything produced in America. And there is no mistaking what they reveal.

The city scanned by the satellite's camera is three times the size of Moscow and it is ringed by wide boulevards, one inside the other and linked together by smaller avenues, like the spokes of a cartwheel..

The temples must have been huge. Most are in ruins, as though crumbled by a tremendous Marsquake. But some still support slate grey domes that measure two to four miles in diameter." [1]

In the 1970's two American journalists where allowed into the Soviet Union they interview a series of Soviet scientists including those dealing with matter of outer space. They were flat out told the Soviet scientists had established there was once a planet between Mar's and Jupiter they called "Phaeton" that had been destroyed and that by their finds this planet would have support life identical to earth. However the lead scientist had died suddenly and his work disappeared. However this fact has also been established by western scientist's as well.

What happen to Mars?

From reports of those who studied the photo's there is evidence the planet was subject to a massive war:

"I'd seen; in examining the City under the magnifying glass, I' d viewed direct evidence of melting and flow on the Main Pyramid within the City. In addition, there was the apparent massive destruction of much of the southeast direction of both that structure, and the equal puzzling "Fort" - and of forces which had, somehow, apparently completely vaporized [or blown off] the "roof" which must have originally covered up "the honeycomb!"

Then, there was the strategically placed "impact crater" in the south-eastern flank of the D&M pyramid, and the equally suspicious "domed uplift" distorting its geometry. Was this the work of kind of "rocket-borne explosive"- which had penetrated the interior of the pyramid, and then detonated leaving an exit

"blow-hole" type crater, and sever internal structural deformation?"

I explore with [plasma physicist John Brandenburg] the kinds of craters a nuclear exchange would leave behind, and the "statistical anomalies " of so many craters on the objects of most interest like the Face and the D&M pyramid.

It was his suggestion that , if crater on this part of Mars were "artificial," there would be a way to tell because nuclear explosions [as opposed to meteor craters] would be shallower... On the other hand, he said.....If the crater produced in targets in the lab as part of the new space defense initiative tests where deep not unlike meteor craters themselves a direct result of the way they were produced: Exotic particle weapons "burying" their energy deep within the targets.

.The Xenon found on Mars, a nuclear by product not normally encountered naturally?
What Hoagland has clearly implied is that the Cydonia region shows every sign of having been deliberately targeted and destroyed in a war, a war that notably was fought not only with nuclear bombs. but exotic energy weaponry, weaponry recalling the plasma discharges of Anthony Peratt, and the ancient petroglyphs, Cydonia in other words, constitutes not strong prima fair evidence of a civilization on Mars, but also of a war, a cosmic war, that destroyed it."[2]

The Hebrew Torah states that their "God destroyed worlds" and there were other worlds before earth that where destroyed by "God" the top Jewish Rabbi's not just Laitman state the Jews came to this world from out there meaning extra terrestrial planets.

The physic's of current plasma weapons and science developed now was laded out in Farrell's own book on the subject "Cosmic War" proved that Phaeton could not have been destroyed by natural forces but by technology that includes the use of high energy beam weapons. Identical to the movie "Star Wars" with the "Death Star" that was used to destroy an entire planet. The strange thing is the Death Star was made to look like the as the evidence shows the artificial moon of Saturn, Iapetus, remember in the movie Star Wars the Death Star was also referenced as a moon by the main characters as they approached it.

Note the moon of Saturn which the evidence shows is artificial build, next to the Death Star from Star Wars:

It might be this possible artificial moon was a battle station used to destroy Phaeton? There is evidence of artificial moons around Mar's and our Moon is artificial and covered in structures as is the Mar's moon Phobos.

And what is found on Saturn is there are AI ships maintaining and building the rings around the planet. This was exposed by:

"Dr. Bergrun's ultra rare in which he reveals that NASA's Voyager I (1980) and II space-probes took photographs of an estimated 7000-mile-long elliptical (cigar-shaped) craft orbiting in the rings of Saturn."

What about earth?

Something to note:

Tibet

"Sanskrit documents discovered by the Chinese at Lhasa are claimed to obtain direction for building interplanetary spaceships. Flight to the moon is mentioned. The Chinese had stated that certain of the data were being studied for the inclusion in their space program." [3]

The Tibetan civilization was found to have records of interplanetary flight as well as does China. The numerous Sanskrit texts of the "Vimana's" some of them stated to be able to travel into space. The Sanskrit and Sumerian texts mention the sky once being filled with the Vimana's as normal as planes flying our skies are today. Numerous finds from the Gobi to India to the Middle East show area's that where hit with atomic weapons this includes the finding of ancient skeletons in the Ganges region around Rajasthan that are fifty times above level of normal radio activity and numerous ruins in the Gobi

and Ganges region that show the effects of Atomic weapons the sands of the Gobi are full of ancient glass that resemble the effects of Atomic warfare. The Tibetan texts mention a war in the Gobi region that caused the destruction of the area and the forced migration of the survivors further west into the Middle east and beyond to Europe as the race describe was Aryan Peoples. The Indian texts mention the use of Atomic weapons in the Ganges and Rajasthan regions.

The ancient Sanskrit texts talk about a inter galaxy war fought between the forces of the Deva's our Gods and the anti-Deva's the Reptilians whom the top Jewish Rabbi's called their Gods or the Elohim. It might well be many human on this earth are the descents of survivors who made it out of Phaeton and Mar's in time and came here. If one studies the physiology of Aryan People the plain fact is we didn't evolve on this planet. Is it we where genetically created on this planet by the Gods or is the reason we just sprang up also we came here from the other worlds we lived on. Or maybe both.

Mass Evacuation of "European" Jews

by HP. Hoodedcobra666 » Thu May 30, 2019

Many people have actually have understood what is going on right now in Europe. Which is actually a 'transformation' of Europe into a forced multicultural state. As all Rabbis admit this is a necessary step to fulfill Messianic "prophecy".

If you pay attention, the jews have been intensifying their messages for a while now. The propaganda about race mixing and the such are not in anyway the same as they were some years ago. One would look at matters years ago and they understood the enemy was walking nicely and without anything rushing them. Actually a lot of their propaganda tricks took decades to pull off. Intensive as it were, it is reaching past the level of extremely obvious at this point. They were taking it easier before.

Now if one pays attention the enemy is not only largely unmasked, but they have ceased giving a fuck. They have tried in 5 years to inflate Europe with more Kalergi Breeder migrants than in the last 25 years combined. It's like they got a panic alert, "FILL THE EUROPE WITH KALERGI'S CHILDREN RIGHT NOW! OPEN THESE FUCKING BOATS RIGHT NOW!".

Especially in the late years they have also upped the assaults that are racial. Back then you still had some 'messages', silent migrations, but now these are violently enforced all over the place. The only thing they haven't done yet is put a global law to enforce race mixing marriage or something, that or death. Sort of like a law for the goyim to die quickly, too quickly.

One goes to major European capitals and they can readily see this is just a wet dream manifested, and they are enforcing it to go by quicker. They would just let it go to cataclysmic speed but this would wake up the goyim. So they are like doing this at a maximum rate, but one step before everything breaks down. They are not hiding anything anymore either. Look at the recent "Eurovision" contest and one can understand this. Not only it has an enforced Marxist Queer agenda, this year it literally had an "US vs the Kalergi Mixed Goyim" agenda.

One is not in such of a rush if one doesn't know if a tidal wave is coming on them. Actually, they are trying to prevent an inevitable tidal wave. The details of which seem to be not very obvious at this point. As Amdusias stated though, the enemy will reveal themselves when we are reaching towards the climax of our cause. And this process is advancing very quickly at this point.

Last year in Jew-Rovision, the last 3 finalists were literally a fat kike whale talking about mutliculturalism, a mixed white and black woman, and lastly one black guy who supposedly represented Austria. Hitler

was born in Austria this was more like a message to the world that "This is what you get". These kinds of events are like what Israel does to brainwash individuals as some sort of ritualistic cult event that is plated into messages meant to humiliate their racial opponents.

If Europe becomes the 'Arabo-Whitey' paradise the jews envision and push for. What is going to happen, is that both will turn to cut all jewish heads in their reach. The jews are well aware of this fact, but they can't not do it. Migration solely from Africa is insufficient to turn Europe brown in the fastest pace possible, so people are also required from the Middle East both for local depopulation and also to further cause a "melting pot of cultures" in Europe.

The end result of the melting pot they hope will be an Islamic centered, ape like culture, in particular to keep the local Europeans suppressed as in the times of the Ottoman empire.

Deterioration of the European continent has been very quick as well. Nothing has yet collapsed but the enemy knows this is coming at some point. And jews have been evacuating Europe at the time since the rafugee crisis began. Many Rabbis are urging jews to leave Europe immediately. Rest reassured, they aren't going to 'leave' at once, they cannot forego the luxury of living on the necks of their eternal enemies and opponents, all while killing them at the same time. Life in Israel is a piece of crap compared to what they get almost anywhere else.

Not until they have exhausted every last moment, stolen the very last shekel, and jumped on the very last boat, while the continent is exploding in civil war or something. But some of them may actually be packing up as they cannot deal with this situation when it will reach cutting edge. Which means like they evacuated the Twin Towers in 9/11 that something is simply coming up on the larger scale.

From the above, now deleted article...

"I think out of three million Jews that are living in Europe at least one million, very active part or young part, self-sufficient part are going to leave and it will be a disaster, an economical disaster for Europe in general because first of all some supporters, non-Jewish supporters will come with Jews. It's a lot of cash and money currents are going to leave Europe and also businesses," Kantor explained.

"We should react on the level of gestures and intentions, visible intentions, not to wait until it's on the level of murdering people; this is the key point just now. We are in front of a strong demand from civil society to modify the legislation fighting against racism, xenophobia and anti-Semitism," he added.

From the above. Europe is literally threatened with financial collapse if the European Legislators do not babysit the jews from the effects of the multicultural paradise they are creating. Actually the more they fill Europe with Arabs, the more jews will be entering a permanent danger zone. However everyone knows the jew, they are parasites, they will not just pack up and leave for their chosen land. Some will stay in Europe until the situation goes red alert, while demanding from the goyim to protect them while they make the planning to make them go extinct.

One simply knows this is NOT about businesses. But about what the Elders of Zion will attempt as retaliation against Europe...

'Time for Jews to leave Europe?' Is Barcelona's chief rabbi right? -

<http://www.foxnews.com/opinion/2017/08/...right.html>

"Hitler destroyed most everything. But the story Europeans tell themselves—or told themselves, until the proof became too obvious to ignore—is that Judenhass, the hatred of Jews, ended when Berlin fell 70 years ago.

Events of the past 15 years suggest otherwise.

We are witnessing today the denouement of an unusual epoch in European life, the age of the post-Holocaust Jewish dispensation.

*The Shoah served for a while as a sort of inoculation against the return of overt Jew-hatred—but the effects of the inoculation, it is becoming clear, are wearing off. What was once impermissible is again imaginable. Memories of 6 million Jewish dead fade, and guilt becomes burdensome. (In *The Eternal Anti-Semite*, the writer Henryk Broder popularized the notion that “the Germans will never forgive the Jews for Auschwitz.”) Israel is coming to be understood not as a small country in a difficult spot whose leaders, especially lately, have (in my opinion) been making shortsighted and potentially disastrous decisions, but as a source of cosmological evil—the Jew of nations.”*

Aka, our RTR's have ripped their hoaxes apart. In the same article it says that for 70 years it was going smooth up until things got really fucked up in the last 15 years.

What happened in the last 15 years? Did someone meet any of the Demons goyim? I sense something goes off! My holocau\$† pendant is not working...

"Europe is lost," he added.

Somali Parents Sending Their Kids Back to Africa to Escape London Knife Crime Epidemic -

<https://www.infowars.com/somali-parents ... -epidemic/>

People in Europe think the situation is "Not that bad" simply because there are EU directives that are to suppressed news reporting on migrant crimes by law right now. If they had the true perspective of what is going on, they would all have revolted five years ago. This is important to maintain the septic tank of Europe slowly "Going ahead" while poisoning the tank even further. People somehow be walking in London and seeing no locals and they are like "Ey mate, it ain't that bad mate. The feelings of muslims mate, cup of tea mate?".

Let us say that this spell is about to collapse soon under the weight of the new reality of vibrant multiculturalism. Egoistic boomtardism and fake hopefulness through putting one's head into the sand about this reality is going to change nothing either.

And it goes on and on. These are only few articles on the matter.

Jews know shit is about to hit the fan. They are far more well informed than the "Goy" which spends more time in Netflix locked in a small apartment and saying that "Everything is good mate" to itself to escape one more day of mental breakdown.

Bottom line the jews are entering a danger zone here, and so does Europe. Because of their own maniacal agenda, manifesting as per usual their own destruction because they cannot stop it. Leading jews know that many "Normal jews" will be destroyed because of this, but they aren't going to stop it. And the elders of Zion don't care how many of their own will go down. So that leaves us to the conclusion that their plan is only going to get pushed. At this pace of unfolding events with their agenda, this will not go peacefully. They have filled Europe with ISIS militants and people whom they are raping in the Middle East.

The jews are again creating a hellhole for themselves.

The thing is the people are watching and many are gradually losing their mind over what is happening. The race mixing meme is done with more force than ever to the point even stupid people have been awakening to it. It has reached a point where the asleep goyim are looking at a play where the stage is burning and it has collapsed.

Soon things will reach a point of climax where people will literally have to choose sides. This may be in the upcoming years. And where there are 'sides', there is also a accumulating climate for war.

To those who know jewish psychology they know the jew is internally a very weak and debilitated creature. How the jew has survived in that point is by the adage when you are weak, appear strong. They actually try to boss around the planet right now, try to shove it on people's faces that no matter what, they will get their way, that everything goes according to plan etc. Some messages are subtle some are not. They are bragging too much, way above the normal, and that is to hide weakness.

We cannot clearly know what they are aware of that is coming for them. But to evacuate a whole continent what does that tell us. Trumps compromise and domination, the move of the embassy of Jerusalem, intensification of Israeli policy and aggression over all other states in the region as in Syria, a full blow bastardization attack towards Europe. Such as putting a brown jewess princess and a white colored jewboy to marry in front of the goyim, as their "Kings".

Jews naturally have access to a lot of data the Goyim don't. Such as google. People may be saying nice things in Jimmy Falon's shows and acting like good white goyim, but many people in the private they have woke. And jewtube may be using millions of bots pretending to be stupid people, but apparently the reality is different. Jewtube's popular opinion and google's unbiasedness is faker than pamela anderson's tits right now.

In other words the enemy knows in high exactitude that popular hatred (according to them of course) or let's say Levels of Goyim knowing are off the roof.

They know this is because of what they are doing, but as per usual "anti-semitism" is a mental illness of their opponents, and not a natural drawback of what they have been reaping for centuries, and of specific behaviors that they never change and never will, resulting in hatred.

The enemy is pushing this world in a transformation that will ultimately be their own end. In Europe there is no resistance to their works in any meaningful level simply because many people still follow a jewish narrative that doesn't reverberate in Europe, but this has been giving in now.

Surveys done in Germany do show that 8 out of 10 Germans is afraid to talk of their opinions and does feel suppressed. The top topics of said suppression are this: Islam, Migration, Replacement. This never ends up well. When Germany and other places will be confronted by what happens when you turn your own civilization into ape-land, this is bound to get worse for the jews in extreme speed.

[\(https://www.newswars.com/study-only-18- ... in-public/\)](https://www.newswars.com/study-only-18-...in-public/)

There is a greater awakening at the door which will be way more ancient, way more real, and it will have the blueprint of the Gods on it. However this doesn't change the fact of waking up to the jews massively which is happening. And this right here is the door from where jews are going to collapse worldwide, they are on their own, as if by mistake, killing the systems that have kept them alive, like a parasite without concern.

Lastly there is the new generation growing up now. The jew pushes the knives of a rootless life, interracial admixture as the new forced law, brainwashing, a meaningless life, drugs, whatever have you, into their head. They are putting too much fire on everyone of their enemies. If Gentiles affected somehow escape this psycho-spiritual and mental stranglehold this time, the jew will be permanently removed from our cultural. The jews are creating their own worse nightmares by what they are doing.

What's for sure is that the future will be trying and even chaotic for this world. While the enemy tries to maintain this system like an aquarium of poisoned fish, that 'runs smoothly', they are using all their means for it. But at some point the pond will start getting poisoned and will break. We need to keep up the RTR's to ensure everything turns out in the best possible way for us.

Massive Protests In Germany Against The Jews

-High Priest Mageson 666

Every day news reports thunder across the international press. Showing our ritual of the reverse torah ritual is working on every level. The Jewish global system is falling. Just doing the rituals not only works on every level, but gives the average Jew a bad day. Its epic winz. So keep doing them daily.

<https://www.youtube.com/watch?v=hynMBJH2On4>

Hundreds of anti-refugee demonstrators gathered at the central station of Erfurt, Saturday, to protest against multiculturalism and decry the arrival of refugees to Europe. The protest march was met by a group of pro-refugee counter-protesters.

The protesters took to the streets at around noon local time (10:00 GMT) and marched through the city of Erfurt for over three hours with banners against Muslims and refugees.

SOT, Anti-refugee activist (German): "I live in Switzerland. All the entrance points connected to Italy are closed. Instead here [in Germany] there is no solidarity with their own people or German leadership. This kind of politician must go. And therefore we here in Erfurt, as in Berlin, say Merkel must go."

Material Importance

Postby **High Priestess Maxine Dietrich** » Tue Sep 18, 2018 5:19 am

The Jews who are insatiably greedy; parasites by nature, have been indoctrinating Gentiles for centuries, with anti-life, suicidal, ideal slave teachings.

The Nazarene was the ultimate parasite.

Our material possessions in truth are extensions of ourselves. Both spiritually and materialism work together. They complement each other.

Where would your soul be without your material body? Powerless.

Your home is where your material possessions are.

Material possessions make life much more in many different ways.

Where would you be without any clothing? Clothing provides protection from the weather elements and is an extension of our self expression.

Material possessions are very important. Note how someone will leave their sweater or jacket on a chair to indicate they will be back to use the same seat; it is taken.

Treat your material possessions well and respect them. Shun the suicidal slave advice the Jews promote to Gentiles regarding owning anything.

True spiritual enlightenment makes us aware of these things.

Our Gods have material possessions and respect them.

Slaves own nothing and the Jews know this.

There is an old story about a king who got lost in the woods. His people searched for him for days. He barely survived. When they asked him how he managed to survive, he replied he kept focusing intensely on getting back to his castle.

They asked, why the castle was so important.

He replied because of what was in it.

MY BATTLE

PART I

MY HOME

It stands me in good stead today that fate decided that Braunau on the Inn should be my birthplace. That little town lies on the frontier between two German States, the reunion of which we younger ones regard as a work worthy of accomplishment by all means in our power.

German Austria will have to return to the great German Motherland, but not for economic reasons. No, no! Even if reunion, looked at from that point of view, were a matter of indifference, nay, even if it were actually injurious, it would still have to come. Common blood should belong to a common Reich. The German people have no right to dabble in a colonial policy as long as they are unable to gather their own sons into a common State. Not till the confines of the Reich include every single German and are not certain of being able to nourish him can there be a moral right for Germany to acquire territory abroad whilst her people are in need. The plough will then be the sword, and the coming world's daily bread will be watered by the tears of war. Thus it comes about that the little frontier town is to me the symbol of a great enterprise.

Are we not the same as all other Germans? Do we not all belong together? This problem began to seethe in my childish brain. In answer to my shy questions I was obliged with secret envy to accept the fact that all Germans were not so fortunate as to be members of Bismarck's Empire.

I did not want to become an official. Neither 'talking to' nor 'serious' argument made any difference to my reluctance. I did not want to be an official and refused to be one. Any attempt, by quoting my father's example, to arouse love or keenness for that calling only had the contrary effect. I hated and was bored by the idea of having to sit tied to an office, of not being master of my own time filling up forms.

Now, when I review the effect on myself of all those years, I see two facts which stand out most conspicuously: (1) I became Nationalist, and (2) I learned to grasp and understand history in its true sense.

The old Austria was a State of nationalities.

In comparatively early youth I had an opportunity of taking part in a struggle of nationality in the old Austria. We assembled for the South Mark and the school society and expressed our sentiments with cornflowers and the black-red-gold colors, and there was cheering, and we sang *Deutschland über Alles* in preference to the Austrian *Kaiserlied*, in spite of warnings and punishments. Thus the youth were being educated politically at an age when a member of a so-called national State usually knows little about his nationality except its language.

Even then I obviously could not be counted amongst the lukewarm. I soon became a fanatical German Nationalist—not, however, the same thing as conceived by our party today.

This development progressed very rapidly in me, so that by the time I was fifteen I had understood the difference between dynastic 'patriotism' and popular 'nationalism'; I knew far more about the latter.

Did not we boys already know that this Austrian State had and could have no love for us Germans?

Our historical knowledge of the methods of the House of Habsburg was corroborated by what we saw every day. In the North and the South the poison of the foreign races ate into the body of our nationality, and even Vienna was visibly becoming less and less a German city. The Royal House were becoming Czech in every possible way; and it was the hand of the goddess of eternal justice and inexorable retribution that caused the most deadly enemy of Germanism in Austria, the Archduke Francis Ferdinand, to fall by the very bullets which he had himself helped to mould. And he was the chief patron of the movement, working from above to make Austria a Slav State!

The germ of the future World War, and indeed of the general collapse, lay in the disastrous connection of the young German Empire with the Austrian shadow State.

In the course of this book, I shall have to deal exhaustively this problem. It is enough to state here that from my earliest youth I was convinced that Austria's destruction was a necessary condition for the security of the German race; and, moreover, that the feeling of nationality is in no way identical with dynastic patriotism; also that the House of Habsburg was set upon doing harm to the German race.

Even then, I perceived the deductions from this realization: intense love for my German-Austrian home and deep hatred against the Austrian State.

The choice of profession had to be decided on quicker than I had expected. Poverty and stern reality forced me to make a rapid decision. My family's small means were nearly exhausted by my mother's severe illness; the pension, which came to me as an orphan, was not enough to live on, so that I was forced to earn my living somehow myself.

With a valise full of clothes and linen, I went off to Vienna full of determination. I hoped to ward off fate, as my father had succeeded in doing fifty years before. I wanted to become something—but in any case not an official.

MY STUDIES AND STRUGGLES IN VIENNA

IN VIENNA, amazing riches and degrading poverty were mixed together in violent contrast. In the central parts of the city one felt the pulse of the Empire with its fifty-two millions, with all the dangerous charm of that State with many nationalities. The dazzling brilliancy of the Court attracted the wealth and intelligence of the rest of the Empire like a magnet, to which was added the strong centralizing policy of the Habsburg Monarchy. This offered the only possibility of holding that hash of nations together. The result was an extraordinary concentration of all authority in the capital.

Moreover, Vienna was not only politically and intellectually the centre of the old Danube Monarchy, but it was also the centre of administration. Besides the host of high officers, State Officials, artists and professors, there was a still greater host of workers and crushing poverty existed side by side with the wealth of the aristocracy and merchant class. Thousands of unemployed hung about the palaces on the Ringstrasse, and below that *via triumphalis* those who had no homes crowded in the dinginess and filth of the canals.

Social questions could hardly be studied in any German town better than in Vienna. But let there be no mistake. This studying cannot be done from above. No one who is not caught up in the coils of this poisonous snake can get to know its poison fangs; outsiders are either different or they exhibit nothing but superficial chatter and false sentimentality. I do not know which is more desolating: the ignorance of social needs on the part of those who have been lucky and those who have risen by their own efforts or the supercilious and intrusively tactless, though always kindly, condescension of certain fashionable ladies with gowns and pantaloons, who are by way of sympathizing with the people. These latter certainly error more from lack of instinct than they can possibly understand. Thus they are astonished to find that the results of their readiness for social work are always nil and often produce violent antagonism; it is held up as a proof of the people's ingratitude. Such minds refuse to understand that social work is beside the point, and above all that they must not look for gratitude, since it is not a question of distributing favors, but of restoring rights.

I perceived even then that in this case a twofold method was the only way to improve matters, namely, a deep feeling of social responsibility for creating better principles for our development, combined with ruthless determination to destroy excrescences, which could not be remedied.

Just as nature concentrates, not on maintaining what exists, but on cultivating new growth in order to carry on the species, so in human life we may not exalt the existing evil, which, owing to the nature of man, is impossible in ninety-nine cases out of a hundred, but rather assure better methods for future development from the start.

During my struggle for existence in Vienna, I perceived clearly that the social task may never consist of welfare work, which is both ridiculous and useless, but rather in removing the deep-seated mistakes in the organization of our economic and cultural life which are bound to end in degradation of the individual.

Since the Austrian State practically ignored social legislation altogether, its inability to abolish evil excrescences loomed large before one's eyes.

I do not know what most appalled me at that period —the economic misery of our fellow-workers, their moral crudity, or the low level of their spiritual development.

Does our bourgeoisie not often rise in moral indignation when it learns from the mouth of some wretched tramp that he does not care whether he is a German or not, that is all the same to him so long as he has enough to keep him alive? They at once protest loudly at such want of 'national pride' and their horror at such sentiments finds strong expression.

But how many really ask themselves why they themselves have a better sentiment? How many understand the many reminders of the greatness of their fatherland, their nation, in all domains of cultural and artistic life, which combine to give them legitimate pride in being members of a nation so highly favored? How many of them are aware how greatly pride in the Fatherland depends on knowledge of its greatness in all these domains?

I then learned to understand quickly and completely something which I had never been aware of before: The question of 'nationalizing' a people is first and foremost one of creating healthy social conditions as a foundation for the possibility of educating the individual. For only when a man has learned through education and schooling to know the cultural, economic, and above all the political, greatness of his own Fatherland can he and will he gain that inner pride in being permitted to be a member of such a nation. I can fight only for what I love, love only what I respect, and respect only what I at any rate know about.

Now that my interest in social questions was awakened, I began to study them thoroughly. A new and unknown world revealed itself to me. In the years 1909-10, I had so far improved my condition as not to have to earn my daily bread as an assistant worker. I was working independently as a draughtsman and painter in watercolors.

The *psyche* of the mass of the people is not receptive of anything savouring of half-measures and weakness. Like a woman whose sensibilities are influenced less by abstract reasoning than by indefinable longing and a respect for superior strength, and who would rather bow to the strong man than dominate the weakling, the people love a stern ruler more than a suppliant and feel more inwardly satisfied by doctrines which suffer no rival than by an admission of liberal freedom, which they have very little idea how to use. They are as little conscious of the shame of being spiritually terrorized as of an abuse of their

freedom as human beings, calculated to drive them to revolt; nor are they aware of any intrinsic wrongness in their position. They only see the ruthless strength and brutality of their ruler's determined utterances to which they always bow in the end.

If a doctrine, superior in truth, but ruthless in practice, is set up against Social Democracy, that doctrine will win, however severe the struggle. Before two years had passed, the doctrine of Social Democracy became clear to me, as also its use as a technical instrument.

Since Social Democracy well knows the value of strength from its own experience, it usually attacks those in whom it scents something of that element, which is, moreover, so rare. On the other hand, it extols any weakling on the opposing side, at first cautiously, then more boldly, according as his qualities are recognized or imagined. It fears a powerless, purposeless nature less than a strong will, even though its mentality may be different.

It knows how to make people believe that it alone has the secret of peace and tranquility, while it cautiously but unflinchingly conquers one position after another, either by silent pressure or by downright robbery at moments when public attention is directed to other matters, or when the affair seems too paltry to call public interference.

These are tactics calculated absolutely on the sum of human weakness, and their result is a mathematical certainty unless the other side also learns how to fight poison gas with poison gas.

Weak natures have to be told that it is a case of 'to be or not to be.' Intimidation in workshops and factories, at meetings and mass demonstrations, is always accompanied by success so long as it is not met by an equally powerful force of intimidation.

Poverty, which overtook the workers sooner or later drove them into the camp of Social Democracy. Since on countless occasions the bourgeoisie, not only most stupidly but most immorally, made common cause against the most legitimate of human demands, often without getting or expecting profit for themselves thereby, workmen, even the most disciplined, were driven out of the trades-union organization into politics.

By the time I was twenty years old, I had learned to distinguish between the trades union as an instrument for defending the social rights of the employee and for fighting for better living conditions for him and the union as a party instrument in the political class war.

The fact that Social Democracy realized the immense importance of the trades-union movement gave it the instrument and assured its success; the bourgeoisie failed to realize it and so lost their political position. They thought that contemptuous refusal to let it develop logically would give it its quietus and would really force it into illogical paths. For it is absurd and also untrue to claim that the

trades-union movement is essentially hostile to the Fatherland; the opposite is the more correct view. If trades-union action aims at improving the condition of a class which is one of the pillars of the nation and succeeds in doing so, its action is not against the Fatherland or the State, but is 'national' in the truest sense of the word. In that way it helps to forge social principles, without which general national education is unthinkable. It earns the highest merit, for, by eradicating social cankers, it attacks causes of disease both mentally and bodily and also adds to the general welfare of the nation.

As far as essentials are concerned, the question is really a superfluous one. So long as there are among employers men with little social understanding or wrong idea of justice and fairness, it is not only the right but the duty of their employees, who after all form a part of our population, to protect the interests of the whole against the greed or unreasonableness of the individual; for to keep loyalty and faith alive in the mass of the people is to the nation's interests, just as much as keeping them healthy.

If unsocial or unworthy treatment of men provokes resistance, then, until the lawful judicial authorities are prepared to do away with the evil, this struggle can only be decided by the side which is strongest. It is evident, moreover, that any large group of employees, face to face with an individual employer, supported by the concentrated strength of his business, must unite in a single body if they are not to give up all hope of victory from the very start.

In the course of a few decades, under the expert hand of Social Democracy, the trades-union movement grew from being the means for protecting the social rights of man into an instrument for laying national economics in ruins. The interests of the workers were not going to count at all with the promoters of this object. For in politics the use of economic pressure always permits extortion whenever one side is sufficiently unscrupulous and the other has sufficient stupid, sheepish, patience.

By the beginning of this century, the trades-union movement had long ceased to serve its earlier purpose. With each succeeding year, it fell more and more under the influence of Social Democratic politics and ended by being used merely as the battering ram for the class war.

Instead of opposing this by taking the offensive, the bourgeoisie submitted to being pressed and harried, and ended by adopting utterly inadequate measures, which being taken too late were ineffective and were easily repulsed owing to their weakness. So all really remained as it was, but the discontent was more serious than before.

The 'free trades union' lowered over the political horizon and over each man's life like a threatening storm cloud. It was one of the most terrible instruments of intimidation against security and national independence, the solidity of the State and individual freedom. It was, above all, that which turned the idea of

Democracy into a repellent and derisory phrase, brought shame to liberty and mocked at brotherhood in the words: 'If you won't join us, we will crack your skull for you.'

I learned then something about this 'friend of man.' As years went on, my opinions widened and deepened, but I never found reason to alter them.

As I obtained more insight into the externals of Social Democracy, my longing increased to understand the inner kernel of its doctrines. The official literature of the party was nearly useless for my purpose. When dealing with economic questions its assertions and arguments are incorrect, and as regards the political aim they are fallacious. Hence, I felt intensely repelled by the modern petti-fogging methods of expression and writing.

Finally, I learned the connection between this doctrine of destruction and the character of a race, which until then was almost unknown to me.

Understanding of the Jews is the only key to comprehension of the inner, and therefore real, aims of Social Democracy. To comprehend that race is to raise the veil of false conceptions regarding the objects and meaning of this party, and to reveal the nonsense of Marxism as it rises grimacing out of the fog and mist of social phrases.

It is difficult, if not impossible, today for me to say when the word 'Jew' first began to suggest special ideas to me. I have no recollection of having heard the word at home during my father's lifetime. If the old gentleman mentioned the term in any special way, I think it would have been in reference to an antiquated culture. His views during his life were more or less those of a citizen of the world, and were combined in him with a strong feeling of nationality, which had its effect on me as well.

In school, too, I found no reason leading me to alter the picture I had received at home. At the *Realschule* I got to know a Jewish boy whom we all treated with much consideration; but, having learned something by various experiences with regard to his reticence, we did not particularly trust him.

It was not till I was fourteen or fifteen years old that I frequently met the word 'Jew,' partly in connection with political talk. I then took a slight dislike to it, and could not escape an uncomfortable feeling, which came over me when religious differences were discussed in my presence.

At that time, I saw the question in no other aspect. Linz possessed very few Jews. Throughout the centuries, they had become European in externals and like other people; in fact I looked on them as Germans. The wrongness of this conception was not clear to me, since the only distinguishing mark I saw in them was their unfamiliar religion. As I thought they were persecuted on that account, my aversion to remarks in their disfavor almost grew into abhorrence. Of the existence of deliberate Jewish hostility, I had no conception.

Then I arrived in Vienna.

Being confused by the mass of architectural impressions and crushed by the hardness of my own lot, I was at first unaware of the stratifications of the people within that immense city. Although Vienna then counted something like two hundred thousand Jews among its population of two millions, I failed to see them. During the first weeks, my eyes and mind were unable to take in the rush of values and ideas. Not till I gradually became calmer and the confused images began to get clearer did I obtain a deeper view of this new world and come up against the Jewish question.

I will not say that the way in which I was to make acquaintance with them was very pleasant to me. I still saw Jewry as a religion, and therefore for reasons of human tolerance I still disliked attacking them on religious grounds. Thus, I considered the tone adopted by the ant-Semitic press in Vienna unworthy of the cultural traditions of a great nation. I was oppressed by the memory of certain events in the Middle Ages which I would not care to see repeated. Since the newspapers in question had not a high reputation in general – how this came about I never knew then exactly – I regarded them more as the product of jealous rage than the result of a genuine, if wrong-headed opinion.

My own opinions were fortified by what seemed to me the infinitely more dignified forms in which the really great press replied to those attacks or silently ignored them altogether—which occurred to me as being even more worthy of respect.

I read the so-called world-press diligently (*Neue Freie Presse, Wiener Tageblatt*, etc.), but I was constantly repelled by the unworthy way in which these papers curried favor with the Court. Scarcely any event at the Hofburg failed to be reported in tones of enchanted enthusiasm and given screaming publicity, a foolish practice, which, even if it had to do with the 'wisest Monarch' of all time, was almost equal to the behaviour of an *Auerhahn* (capercaillie) when mating. I considered it a blemish on Liberal Democracy.

In Vienna, I continued as before to follow all events in Germany with fiery enthusiasm, whether they concerned political or cultural questions. With proud admiration, I compared the rise of the Empire with the decadence of the Austrian State. But if the events of foreign policy caused me solid pleasure on the whole, I was often distressed by the political life at home, which was not so satisfactory. The campaign against William II did not meet with my approval. I regarded him not only as the German Emperor, but above all as the creator of the German navy. The fact that the Reichstag forbade the Emperor to make speeches, therefore, infuriated me, because the prohibition came from a quarter, which, in my eyes, was entirely incompetent. During a single sitting those parliamentary ganders put together more nonsensical chatter than a whole dynasty of emperors, even the weakest of them, could do during centuries. It enraged me that in a State, in which any fool could claim the right to criticize and was actually let loose on the nation as a 'lawgiver' in the Reichstag, the wearer of the Imperial Crown could be reprimanded by the most insipid and absurd institution of all time.

I was even more disgusted that the Vienna press, which bowed respectfully before the lowest of the low if he belonged to the Court, now, with a pretense of anxiety, but, as I saw it, with hardly disguised hostility, gave expression to its objections to the German Emperor.

I was obliged to admit that one of the anti-Semitic papers, the *Deutsch Volksblatt*, behaved with more decency in connection with the same subject.

The nauseating manner in which the more influential press toadied to France was also on my nerves. One had to be ashamed to be a German when observing those dulcet hymns in praise of the 'great culture-nation.' The wretched pandering to France more than once made me throw down those 'world-journals.' I would then turn to the *Volksblatt*, which seemed to me to take a somewhat cleaner, if smaller, view of these matters. I did not agree with its sharply anti-Semitic tone, but I now and again read in it arguments which caused me some reflection.

In any case I learned slowly from such suggestions about the man and the movement which then decided the fate of Vienna: Dr. Karl Lueger and the Christian Socialist Party. When I arrived in Vienna, I was hostile to both. In my eyes, the man and the movement were 'reactionary.'

Once when I was walking through the inner city, I suddenly came across a being in a long caftan with black side-locks. My first thought was: Is that a Jew? In Linz, they did not look like that. I watched the man stealthily and cautiously, but the longer I stared at that strange countenance and studied it feature by feature, the more the question in a different form turned in my brain: Is that a German?

As always on such occasions, I proceeded to try to remove my doubts by means of books. For the first time in my life I bought some anti-Semitic pamphlets for a few heller. Unfortunately, these assumed that the reader had at least some knowledge or understanding of the Jewish question. Finally, the tone of most of them was such that I again fell into doubt, because the assertions in them were supported by such flimsy and unscientific arguments.

The subject appeared so vast and the study of it so endless that, tortured by the fear of doing an injustice, I again became anxious and unsure of myself.

I could not well continue to doubt that here it was a matter, not of Germans of another religion, but of a separate nation; for, as soon as I began to study the question and to take notice of the Jews, Vienna appeared to me in another light. Now, wherever I went, I saw Jews, and the more I saw, the more strikingly and obviously were they different from other people. The inner city and the parts north of the Danube Canal especially swarmed with a population, which bore no similarity to the Germans.

But, though I might still have doubts, my hesitations were dispelled by the attitude of a section of the Jews themselves. A great movement arose among

them, which was widely represented in Vienna, in favor of asserting the national character of Judaism; this was Zionism. It certainly looked as if only a section of the Jews would approve of this attitude, and that a large majority would condemn, in fact, frankly reject, the principle. On nearer observation, however, this appearance resolved itself into an evil mist of theories, produced purely for reasons of expediency—lies, in fact. For the so-called Liberal Jews disowned the Zionists, not being as non-Jews, but simply as Jews of a creed, which was unpractical, nay, perhaps even dangerous, for their own Judaism.

But there was no alteration in their solidarity. The seeming discord between Zionists and Liberal Jews quickly sickened me; it seemed ungenue through and through, and all a lie; and, moreover, unworthy of the ever-vaunted moral elevation and purity of that nation.

Judaism suffered a heavy setback in my eyes when I got to know of its activities in the press, in art, literature, and the drama. Unctuous protestations were no good anymore now. One only had to look at their posters and study the names of the inspired creators of those hideous inventions for the cinema and the theatre that one saw commended on them, in order to become permanently hardened. It was pestilence, spiritual pestilence, worse than the Black Death, with which the nation was being inoculated.

I began to study carefully the names of all the creators of these unclean products of the artistic life as given to the people. The result was increasingly damaging to the attitude I had taken up hitherto in regard to the Jews. Though my feelings might rise against it a thousand times, my reason had to draw its own conclusions.

Then I began to examine my favorite 'world press' from the same point of view. I saw the Liberal tendencies of that press in another light; its dignified tone in replying to attacks, its complete ignoring of them, were now revealed to me as a cunning, mean trick; their brilliantly written theatrical critiques always favored Jewish authors, and their adverse criticism was given to Germans alone. Their light pin-pricks against William II showed the consistency of their methods, as did also their commendation of French culture and civilization. The general sense was so clearly to depreciate everything German that it could only be intentional.

Now that I realized the Jews as the leaders of Social Democracy scales, as it were, began to fall from my eyes. My long mental struggle was at an end.

I gradually realized that the Social-Democratic press was preponderantly controlled by the Jews. I attached no particular importance to this circumstance by itself, but it was exactly the same with the other newspapers. But there was one striking fact: there was not a single paper with which Jews were connected which could be described as genuinely national in the sense that my education and opinions had taught me.

I got over my reluctance and tried to read this sort of Marxian stuff in the press, but my dislike of it intensified as I read; I now tried to get acquainted with the compilers of that mass of knavery; from the editors downwards they were all Jews.

I seized all the Social-Democratic pamphlets I could get hold of and looked up the names of their authors – nothing but Jews. I noted the names of nearly all the leaders: the great majority belonged to the 'chosen people'; whether they were members of the Reichsrat or secretaries of trade unions, chairmen of organizations or street agitators, the same sinister picture was presented. The names of Austerlitz, David, Adler, Ellenbogen, and so on, will ever remain in my memory.

One thing now became clear to me; the leadership of the party with whose minor supporters I had been fighting hard for months was almost entirely in the hands of a foreign race; for to my inward satisfaction I knew finally that the Jew was no German.

It was only now that I thoroughly understood the corrupter of our nation.

The more I contended with the Jews, the more I learned to know their dialectical methods. They began by relying on the stupidity of their opponents, and if that was unsuccessful, they themselves would pretend stupidity. If that was no good, they would refuse to take in what was said or promptly leap to another subject, and they came out with truisms, which, when agreed to, they made to refer to something quite different; then, once again on their own ground, they would weaken and pretend to have no precise knowledge. Wherever one attacked such apostles, one's hand met foul slime. If one smote on of them so crushingly that, with the bystanders looking on, he had no course but to agree, and if one thought one had gained at least one step, he merely showed great astonishment the next day. The Jew entirely forgot what had been said the day before and repeated his shameful old story as if nothing had happened, pretended anger and amazement and forgetfulness of everything except that the debate had proven the truth of his assertions.

I was often left staring. One did not know which to admire most – their glibness or their artfulness in lying. I gradually began to hate them. All this had one good side. In the sphere in which the carriers or at least the propagators of Social Democracy came under my eye, my love for my own nation inevitably increased.

Under the inducement of my everyday experience, I now began to seek the sources of the Marxian doctrine. Its workings were clear to me in individual instances; my observant eye daily marked its successes, and with a little imagination, I was able to figure out the consequences of it. The only remaining

question was whether its founders enjoyed the results of their creation, as seen in its most recent form, or whether they themselves were the victims of an error.

Thus, I began to make myself acquainted with the founders of the doctrine in order to study the principles of the movement. The fact that I achieved my object quicker than I dared to hope at first was thanks to the knowledge I had gained of the Jewish question, though at that time it had not gone very deep. Nothing but that made possible to me a practical comparison of its realities with the theoretic claims of the first apostles of Social Democracy, since it had taught me to understand the verbal methods of the Jewish people, whose aim it is to hide or at least to cloak their ideas; their real objective is not to be read between the lines, but is tucked away well concealed between them.

It was at this time that the greatest change took place in me that I was ever to experience. From being a feeble world-citizen, I became a fanatical anti-Semite.

During my study of the influence of the Jewish nation throughout long periods of human history, the gloomy question suddenly occurred to me whether possibly inscrutable Destiny, for reasons unknown to us poor mortals, had not decreed the final victory of that little nation.

The Jewish doctrine of Marxism rejects the aristocratic principle in Nature, and in place of the eternal privilege of force and strength sets up the mass and dead weight of numbers. It thus denies the value of the individual among men, combats the importance of nationality and race, thereby depriving humanity of the whole meaning of its existence and culture. It would, therefore, as a principle of the universe, conduce to an end of all order conceivable to mankind. And as in that great discernible organism nothing but chaos could result from the application of such a law, so on this earth would ruin be the only result for its inhabitants.

If the Jew, with the help of his Marxian creed, conquers the nations of this world, his crown will be the funeral wreath of the human race, and the planet will drive through the ether once again empty of mankind, as it did millions of years ago.

Eternal Nature takes inexorable revenge on any usurpation of her realm.

Thus did I now believe that I must act in the sense of the Almighty Creator; by defending myself against the Jews, I am fighting for the Lord's work.

III

POLITICAL CONSIDERATIONS RESULTING FROM MY TIME IN VIENNA

Political thought in general was greater and more comprehensive in range in the Old Danube Monarchy than in Germany itself during the same period—with the exception of Prussia, Hamburg, and the North Sea Coast. By 'Austria' I mean for this purpose that part of the great Habsburg Empire, which, as a result of being settled by Germans, exhibited in every respect not only the historical forces in the formation of that State, but also, in its population, those capable of supplying that creation, politically so artificial, with its inner cultural life in the course of many centuries. As time advanced, the life and destiny of that State depended more and more on keeping alive this seed-cell of the Empire.

The fact that the collection of races called 'Austria' was finally destroyed does not in the least imply political incompetence in the Germany of the old *Ostmark*, but it was the inevitable result of the impossibility of maintaining permanently a State of fifty millions consisting of different races, with the help of ten millions, unless absolutely definite principles were established in good time.

The German-Austrian was always used to living within the bounds of the great Empire, and had never lost the feeling of the duties, which this involved. In that State he alone, when looking beyond the frontier of the narrower Crown land, saw still the frontiers of the Empire. Though indeed it was his fate to be separated from the common Fatherland, he ever sought to master the immense task and to keep for Germany what his ancestors had once wrested from the East in their age-long struggles. And it should not be forgotten that this was still possible with divided strength, for in heart and memory the best men never ceased to be in sympathy with the common mother country— and yet but a shred of their homeland remained theirs.

The circle of vision of the German-Austrian was wider than that of the rest of the Empire. His economic relations frequently embraced almost the whole of the composite Empire. Almost all really large enterprises were in his hands. He supplied most of the leading technical experts and officials. Moreover, he carried on the trade abroad, in so far as the Jews had not laid hands on that domain which had been his of old time. The German-Austrian recruit might perhaps enter a German regiment, but that regiment might be as likely to be stationed in Herzegovina as in Vienna or Galicia. The corps of officers continued to be German, the higher officials preponderantly so. Art and science were German. Leaving out the more recent artistic developments, which might simply be the production of a Negro race, the possessor and diffuser of true artistic ideas was the German, and the German only. In music, architecture, sculpture, and painting, Vienna was the source that supplied the whole Dual Monarchy in an inexhaustible stream, with no appearance of ever drying up.

Finally, the whole burden of foreign policy was borne by Germans, although a few Hungarians may be included in the number.

Yet, any attempt to maintain this Empire was in vain, since the essentials were absent.

In the Austrian Empire of races, there was only one possible way of conquering the centrifugal tendencies of individual nations: the State must be governed from the centre and organized internally to that end.

In occasional lucid intervals, the Emperor perceived this, but it was soon forgotten or shelved as being too difficult to carry out.

In Germany, it was merely a question of overcoming political tradition, since the country had always been united in a common cultural root and the population of the Reich was made up of the members of one single race. In Austria, the contrary was the case. In the various countries, apart from Hungary, there were no memories of a great past, or perhaps the passing of time had extinguished them; at any rate, they were dim and blurred. But, in their place popular forces developed in those countries, all the harder to circumvent at a time when national States began to be formed on the edges of the Monarchy, the peoples of which, being racially related or identical with nationalities in Austria, were in a position to exert more attraction than German Austria possibly could.

Even Vienna failed to stand up in this struggle.

In Buda-Pest, which had developed into a capital city, Vienna was for the first time faced by a rival whose task it was not so much to weld the whole Monarchy together as to strengthen one part of it.

Soon Prague was to follow Buda-Pest's example, then Lemberg, Laibach, and other centres.

Ever since the death of Joseph II (1790) the course of this process could be clearly traced, its speed depended on a number of factors, which lay partly in the Monarchy itself, but were in other respects the result of the Empire's political position at various times towards foreign countries.

If the struggle to maintain this State was to be taken up seriously and fought to a finish, ruthless and consistent centralization alone could attain the object. But, homogeneity in form must be expressed by establishment in principle of a unified State language and the technical instrument for this had to be forced into the hands of the administration, for without it a unified State could not endure. The only way, moreover, of producing uniform and permanent State consciousness was through the schools and education. It could not be achieved in ten or twenty years, but one had to think in centuries, for, as in all questions of colonization, steadfastness of purpose is of greater importance than spasmodic effort.

The Austrian Empire was not composed of similar races and was held together not by common blood, but rather by a common fist. This being so, weakness in the leadership would not lead necessarily to torpor in the State, but would arouse

all the individualist instincts, due to race, which are deterred from developing in times when there is a will predominating.

Failure to comprehend this is perhaps the tragic crime of the House of Habsburg.

At one period Fate held her torch once more high over the land; then it was extinguished forever, Joseph II, Roman Emperor over the German nation, realized with poignant anxiety how his House was being thrust into the uttermost corner of the Empire and was bound to founder in the vortex of a Babylon of races, unless the shortcomings of his predecessors were made good at the eleventh hour. That 'friend of man' set out with superhuman energy to repair the neglect of previous rulers and tried to recover in ten years what had been let slip for centuries. His successors were unequal to the task either in mind or will-power.

The Revolution of 1848 should have been a struggle of classes everywhere, but in Austria, it was the commencement of a fresh struggle of nationalities. But the German, either forgetting or not realizing that fact, placed himself at the service of the revolutionary movement, and he sealed his own fate by doing so doing. He played his part in arousing the spirit of world democracy, which in short time robbed him of the principles underlying his own existence.

The formation of a representative parliamentary body, without previous establishment of the principle of a common State language, laid the foundation stone of the end of the predominance of the German race; and from that moment the State itself was bound for destruction. What then followed was the historical reduction of an Empire.

I have no wish to wander off into details, since that is not the object of this book. I wish merely to assemble for the purpose of closer consideration those events which, being always constant, as the causes of decadence in nations and states, possess significance for our epoch, and which helped finally to settle the principles of my political thought.

Among the institutions which might have indicated to the ordinary citizen, even if not blessed with sharp eyes, that the Monarchy was disintegrating, the chief was that one which ought to have chosen strength as its essential quality—Parliament, or, as it was called in Austria, the Reichsrat.

It is manifest that the Parliament of England, the land of 'classic' democracy, was the parent of that body. That blessed institution was transplanted thence in its entirety and established in Vienna with as little alteration as possible.

The English two-chamber system inaugurated its new life in the *Abgeordnetenhaus* and *Herrenhaus*. But the Houses themselves were somewhat different. When Barry's Houses of Parliament sprang, as it were, from the waters of the Thames, he drew from the history of the British world Empire inspiration for the ornamentation for the twelve hundred niches, brackets, and pillars of his magnificent edifice. Thus with their sculptures and paintings the Houses of the Lords and Commons became the temple of the nation's glory.

Here was Vienna's first difficulty. For when the Dane, Hansen, had completed the last pinnacle of the marble palace for the people's representatives, his only course was to try to ornament it with subjects derived from the antique. Greek and Roman statesmen and philosophers embellish that theatrical edifice of 'Western Democracy,' and with symbolic irony the quadrigæ on the top of the building are driving away from each other towards the four quarters of the heavens, thus perfectly symbolizing the divergent tendencies inside. The nationalities would have taken it as an insult and a provocation, if Austrian history had been glorified in that work, just as in the German Empire it was not until the thunder of battle was heard in the World War that they dared consecrate Paul Wallot's Reichstag building in Berlin with an inscription 'To the German People.'

The destiny of the German race in the Austrian State was dependent on their strength in the Reichsrat. Up to the time when universal suffrage and the secret ballot were introduced, there was still a German majority in Parliament. But the situation was rendered intolerable by the unreliable behaviour of the Social Democrats who always came forward in opposition to the German interest in critical questions affecting the German race – in order to avoid estranging its adherents among the various foreign races. Even then, the Social Democrats could not be regarded as a German party. After universal suffrage was brought in, the German superiority ceased even as a numerical majority. There was nothing now in the way of further de-Germanization of the State.

The desire for national self-preservation, therefore, led me to feel but little enthusiasm for popular representation, in which the German race was always being betrayed instead of being represented. Moreover, these were evils which, like so many others, were attributable not to the thing itself, but to the Austrian State. In the early days, I still thought that, if the German majority were restored in the representative bodies, there would be no occasion to go on with my opposition on principle, so long as the old State continued to exist. It took but little time to arouse my indignation when I saw the miserable comedy that was being unfolded before my eyes.

Democracy in the West today is the forerunner of Marxism, which would be inconceivable without Democracy. It is the feeding-ground of that world-pestilence which is enabled to develop there. In its outward form of expression – the parliamentary system – it appeared as 'a monstrosity of filth and fire' (*eine Spottgeburt aus Dreck und Feuer*), in which, to my regret, the fire seemed to have burnt itself out only too quickly.

I am more than grateful to Fortune for putting this question before me in Vienna for examination, since I fear that in Germany I could not then have so easily answered the question. If I had learned to know the absurdity of that institution, called Parliament, for the first time in Berlin, I might perhaps have fallen into the opposite extreme, and with no apparent good reason have ranged myself with those, in whose eyes the good of the people and the Empire lay in exalting the Imperial idea, and who thus set themselves blindly in opposition to mankind and the times.

In Austria that was impossible. It was not so easy there to slip from one mistake into another. If Parliament was worth nothing, the Habsburgers were worth still less.

Parliament decides upon something; be the consequences ever so devastating, no single man is responsible; no one can be called to account for it. For can it be called taking responsibility for a Government which has done all the harm merely to retire from office? Or for the coalition to be changed, or even for Parliament to dissolve? For how can a varying majority of men ever be held responsible at all? Is not every conception of responsibility closely connected with personality? But can one in practice indict the leading personage in a Government for dealings, the existence and carrying out of which are to be set down solely to the account of the will and pleasure of a large assemblage of men?

Is the leading statesman's task to consist not so much in producing a creative thought or plan as in the art with which he makes the genius of his proposal comprehensible to a flock of silly sheep for the purpose of imploring their final consent? Must it be the criterion of a statesman that he be as strong in the art of persuasion as in statesmanlike skill in the selection of great lines of conduct or decision?

Do we believe that progress comes in the world from the combined intelligence of the majority and not from the brain of an individual? Or do we imagine that in future we can dispense with this conception of human culture? Does it not, on the contrary, appear even more necessary today than ever before?

By its denial of the authority of the individual and its substitution of the sum of the mass present at any given time, the parliamentary principle of the consent of the majority errors against the basic aristocratic principle in nature, in which connection its view of the higher classes need in no way be bound up with the present-day decadence of our upper Ten Thousand.

It is difficult for a reader of Jewish newspapers to imagine the evils involved in this modern institution of democratic control by Parliament, unless he has learned to think and examine for himself. It has been the primal cause why all our political life has been so unbelievably flooded with all that is most worthless. So long as the true leaders are withdrawn from political activities, which consist chiefly, not in creative work and production, but in haggling and bargaining for the favors of a majority, so long will these activities be in harmony with low mentalities, and will also be an attraction to them.

One thing we must and may never forget: a majority can never be a substitute for a the Man. It is always the advocate, not only of stupid, but also of cowardly policies; and just as a hundred fools do not make one wise man, an heroic decision is not likely to come from a hundred cowards.

The result of it all is the terrific speed of the changes in the most important positions and offices in such a state, a fact which is unfavorable in any case and which frequently works with absolutely catastrophic effects; for not only the stupid

and inefficient fall victims to these methods of procedure, but the true leaders even more so, if and whenever Fate manages to set such a character in that position.

So the result will ever increasingly be a spiritual impoverishment of the leading classes. Anyone may judge what the result will be for the nation and the State.

Our ordinary conception of the expression 'public opinion' depends only in a very small measure on our own personal experiences or knowledge, but mainly, on the other hand, on what we are told; and this is presented to us in the form of so-called 'enlightenment' persistently and emphatically. The political vision of the mass perceives the final result only of what has frequently been a tough and searching struggle of the soul and intellect.

Far the most effective share in the political 'education,' which in this case is very appropriately named 'propaganda,' is that which falls to the press, which takes on itself the 'work of enlightenment' and thus sets up a kind of school for grown-ups, as it were. This instruction is, however, not in the hands of the State, but is gripped by forces for the most part very inferior in character. As a young man in Vienna, I had the best of opportunities for getting knowledge of the owners and clever craftsman of that machine for mass education. At the start, I could but wonder at the short time it had taken for that evil power in the State successfully to create a definite public opinion, in spite of the fact that it might involve a deceitful reversal of the public's real desires and views. In a few days this absurdity became a State act of great consequence, while at the same time essential problems fell into great oblivion, or rather they were stolen away from the memory and attention of the masses.

Thus, in the course of a few weeks names were successfully conjured up out of nothing, and incredible hopes were connected with them in the public mind; they were given a popularity which a really great man could never hope to attain in the whole course of his life – names which a month before no one had even heard of; whereas old and trusted characters in public and State life died in the height of their efficiency as far as their contemporaries were concerned, or were overwhelmed with such abuse that their names seemed likely soon to become symbols of infamy. It is necessary to study this shameful Jewish method of simultaneously and from hundreds of directions, as if by an incantation, pouring filth in the shape of slander and defamation on the clean garb of honorable men, in order to estimate the full menace of these scoundrels in the press at its right value.

We shall most quickly and easily grasp that senseless and dangerous human aberration if we compare the democratic parliamentary system with true German Democracy.

The point most remarkable in the first is that a number – say five hundred – of men are elected, who are called upon to decide on every kind of issue. In practice, therefore, they and they only are the Government; for if a cabinet is selected from their number, which, as far as the country is concerned,

undertakes to control the business of the State, it is really only a pretense. The so-called Government can, as a matter of fact, take no action without first obtaining the consent of the general assemblage. It cannot, however, be made responsible for anything, since the final decision is never in its hands, but in those of the parliamentary majority. It exists merely to execute the will of the majority in all cases.

It is not the aim of our present day Democracy to form an assemblage of wise men, but rather to collect together a crowd of subservient nonentities who can easily be led in certain definite directions, especially if the intelligence in each individual of them is limited. Only thus can the game of party politics be played in its unhealthy present-day sense. But, it also makes it possible for the real wire-pullers to remain safely in the background, with no possibility of ever being made personally responsible. For now, a decision, however harmful to the nation, cannot be put to the account of any one rascal who is in the public eye, whereas, it can always be transferred to the shoulders of a whole section.

Thus, there is no responsibility in practice, for this liability can rest on one individual only, and not on an assemblage of parliamentary chatter-boxes. That institution can only be pleasing or profitable to mendacious crawlers who avoid the light of day, and it must be hateful to any good, straightforward man who is ready to take personal responsibility. Hence, this style of Democracy has become the instrument of the race, which, in order to forward its own aims, has to avoid the sunlight now and in all future time. None but a Jew can value an institution that is as dirty and false as he is himself.

In contradistinction to the foregoing is the true Germanic Democracy with the free choice of the Leader, along with his obligation to assume entire responsibility for all he does and cause to be done. This includes no majority vote on individual questions, but simply the decision of one man who backs it with his life and all that he has. For anyone who objects, that, such being the requirements, it would hardly be possible to find anyone ready to devote his person to tasks so risky, there can be but one answer: 'God be thanked, the whole point of a German Democracy is that any stray unworthy climber and moral shirker cannot come in by the backstairs and govern his fellow-countrymen, but, that incompetents and weaklings will be scared by the immensity of the responsibility to be assumed.'

The parliamentary regime in the later years continuously contributed towards progressive weakening of the old Habsburg State. As the predominance of the German element was broken up by its agency, a system grew up of playing off the nationalities one against the other. But, the general line of development was directed against the Germans. In particular, from the time when his heirship to the throne began to give the Archduke Francis Ferdinand a certain influence, a deliberate scheme arose for increasing Czech influence, which was the policy of those at the top. The future ruler of the Dual Monarchy tried by every means in his power to give impetus to the de-Germanizing process and to assist it himself,

or at least favor it with his protection. Thus purely German villages were, by round about official means, slowly but surely thrust into the danger zone of mixed languages. In Lower Austria itself the process was making more and more rapid progress, and many of the Czechs considered Vienna as their chief city.

The preponderant thought of this new Habsburger, whose family spoke Czech from choice (the Archduke's wife had been a Czech countess and had married the Princemorganatically, and the circles in which she was born were anti-German by tradition), was gradually to establish a Slav State in Central Europe, on strictly Catholic lines, to be a protection against Orthodox Russia. In this way, as so frequently happened with the Habsburgers, religion was once again dragged in to serve a purely political conception – moreover, a baneful one, when looked at from the German point of view.

The result was more than tragic in several respects. Neither the House of Habsburg nor the Catholic Church profited by it as they had hoped.

Habsburg lost the Throne, Rome a great State.

For by summoning religious forces to serve its political ends, the Crown aroused a spirit, which at the start it clearly thought to be an impossible one. The attempt to stamp out Germanism in the old Monarchy, by every possible means, was answered by the Pan-German movement in Austria.

After the Great War the House of Habsburg slowly but, deliberately set to work with its last spark of determination to root out the dangerous German race – for this was surely the aim of Slavophil policy – and revolt flamed up in the nation, which was determined to resist to the end, in a way unknown in the more recent history of Germany.

For the first time men of national and patriotic feeling turned into rebels – rebels not against the State in itself, but against a system of government which, they were convinced, was bound to end by destroying its character as a nation.

For the first time in later German history, a distinction arose between ordinary dynastic patriotism and national love for the Fatherland and People.

It should not be forgotten that, as a general rule, it is not the highest aim of man's existence to maintain a State or government, but rather to conserve its national character.

Human rights are above State rights. If, in its struggle for human rights, a race goes under, it means that it has weight too light in the scales of Fate to be fit to continue to exist in this terrestrial world. For if a man is unprepared or unable to fight for his life, just Providence has already decreed his end.

The world is not for craven-hearted races.

Everything connected with the rise and the passing of the pan-German movement on the one hand, and the astounding advance of the Christian-Socialist Party on the other, were to be of the deepest consequence to me as objects of study.

I shall start my examination with the two men who may be regarded as the founders and leaders of the two movements: Georg von Schoenerer and Dr. Karl Lueger.

Considered as men they tower, both of them, far above the average of parliamentary personalities. In that slough of universal political corruption their whole lives remained clean and incorruptible. And yet my personal sympathies lay at first on the side of the Pa-German Schoenerer, but, they gradually attached themselves to the Christian-Socialist leader as well.

When I compared their capabilities, Schoenerer appeared to me better and more solid thinker on the basic problems. He visualized the enforced end of the Austrian State more clearly and correctly than anyone else. If his warnings regarding the Habsburg Monarchy had been listened to, particularly in the Empire, the disaster of Germany's world war against the whole of Europe would never have happened.

But, though Schoenerer realized the inwardness of the problems, he was mistaken as regards the human element. This was Lueger's strong point. He had a rare knowledge of men, and he especially avoided the error of visualizing men as better than they were. Thus, he took better account of the real possibilities of life, whereas Schoenerer had but little understanding to communicate his theoretic knowledge to the public, and to present it in such a form as to fit in with the capability of the mass of the people for absorbing it – for that is, and always will be, limited. Therefore, all his knowledge was but wisdom of a seer, with never a possibility of becoming a practical reality.

Unfortunately, he had a most imperfect perception of the extraordinary limitations of the bourgeoisie's readiness to fight, due to their situation in business, which individuals are too much afraid of losing, and which therefore deters them from action.

This lack of understanding of the significance of the lower strata of society was the cause of the utter inadequacy of his views on the social question.

In all Dr. Lueger was the opposite of Schoenerer. He understood only too perfectly that the fighting strength of the higher bourgeoisie is small nowadays and insufficient to win a victory for a great new movement. He was prepared to make use of all available means of power, to attract to himself strong existing institutions, so as to derive the greatest possible profit for his movement from such old-established sources of power.

Lueger based his new party first of all on the middle class which was threatened with extinction, and thus secured a class of adherents extremely hard to shake, ready both for great sacrifices and capable of stubborn fighting. His extreme cleverness in maintaining relations with the Catholic Church soon won over the younger clergy. In fact, the old Clerical Party was forced to retire from the field, or else they more sensibly joined the new party in the hope of gradually regaining their position.

The aims that this truly outstanding man set before himself were intensely practical. He wished to capture Vienna, the heart of the Monarchy. From that city the final vestiges of life filtered into the sickly, worn-out body of the decaying Empire. If the heart were sound, the rest of the body was bound to revive – an idea correct in principle, but, the period for turning it into action was finite and limited.

Herein lay the man's weakness. His achievements as burgomaster of the city are immortal in the best sense of the word; but even so, he could not save the Monarchy. It was too late.

His rival, Schoenerer, saw this more clearly.

What Dr. Lueger took practically in hand succeeded wonderfully; what he hoped for as a result of it came to nothing.

Schoenerer failed to carry out his desire; his fears were realized, alas! In a terrible fashion.

Thus neither of them attained his further objective. Lueger could not save Austria, and Schoenerer could not guard the German race against ruin.

It is most instructive for us today, to study the causes of the failures of both these parties. For it is essential, since in many points, conditions today are similar to those of that time, and it may help us to avoid making the mistakes which led to the death of the movement and the barrenness of the other.

The fate, which overtook the Pan-German movement, was due to the fact that it did not at the start attach supreme importance to gaining adherents among the great mass of the people. It grew bourgeois and respectable, but underneath it was radical.

The German position in Austria was already desperate by the time of the rise of Pan-Germanism. With each succeeding year Parliament was acquiescing more and more in a policy of gradual extinction of the German race. The only hope for any belated attempt to save it lay in the removal of that institution; there was, however, but little prospect of this.

The Pan-Germans went into Parliament and came out beaten. The forum in which the Pan-Germans put their case had grown, not greater, but more insignificant; for men only speak to the circles which are there to listen to them, or which receive their words through reports in the press.

But the greatest forum and the most direct as regards the listeners is not the Parliament chamber, but a large public meeting. For thousands of people are present who have come simply to hear what the speaker has to say to them, whereas in the Parliament chamber, only a few hundred are present, and most of them merely attend for the purpose of receiving their payment as members and not to receive enlightenment from the wisdom of one or other of the 'peoples Representatives'.

Speaking before such a forum really is casting pearls before swine. Truly, it is not worth the trouble! No sort of success is possible. And that was what

happened. The Pan-German members grew hoarse with speaking – but they carried no weight whatever. The press either ignored them entirely or so mutilated their speeches that any consecutives –often the sense even – was twisted round or lost altogether, and the public received by a very bad picture of the aims of the new movement. What individual members said was not important; the importance lay in what those who read them received. This consisted of mere snippets out of their speeches, which, being mutilated, merely could – and were meant to – produce a senseless impression. Thus the only forum, before which they really spoke, consisted of a paltry five hundred men, and that tells us enough.

Worse was to follow.

The Pan-German movement could only hope for success if it realized from the very first moment that it was not a question of forming a new party, but rather a new view of life in general. This alone could call up the inner forces to fight that immense struggle to a finish. For that purpose, none but the very best and boldest brains are any good.

If the fight for a world system is not conducted by heroes, ready to sacrifice all, in a short time it will be impossible to find fighters prepared to die. A man who fights only for himself cannot have much left over for the general cause.

The hard struggle that the Pan-German movement had with the Catholic Church is only explicable as being due to the lack of understanding of the psychological character of the people.

The appointment of Czech incumbents to parishes was one of the many methods used to transform Austria generally into a Slav country. It was done somewhat as follows: Czech clergy were introduced in to purely German parishes and these soon began to superimpose the interests of the Czech race upon those of the Church, and they became nuclei of the de-Germanizing process.

The German clergy collapsed almost entirely, alas! Before this state of affairs, not only were they themselves quite useless in a fight for the German cause, but, they were unable to meet the attacks of the other side with sufficient force of resistance. Thus the German race was slowly but irresistibly driven back by the abuse of religion on the one side and weakness in defense on the other.

Georg Schoenerer was not one who did things by halves. He took up the struggle with the Church under the conviction that this struggle alone could rescue the German race. The *Los von Rom* movement appeared a most powerful, though most difficult, form of attack, but it was bound to lay the hostile castle in ruins. If it succeeded, the unhappy religious division in Germany would be settled forever, and such a victory would prove an immense gain to the internal strength of the Empire and the German nation. But, its assumptions and its reasoning with regard to the struggle were both incorrect.

There is no doubt that the national power of resistance of the Catholic priesthood of German nationality in all questions affecting the German race was

inferior to that of their non-German brethren, especially the Czechs; whereas, the Czech clergy treated their own race subjectively; and the Church merely objectively, the German priest's devotion to the Church was subjective and it was objective regards the German race.

Compare the attitude that our official class, for instance, is adopting towards a movement for a national rebirth with that which would be adopted by the official class of any other nation under similar circumstances. Or do we imagine that the corps of officers anywhere else in the world would dismiss national demands with the phrase 'State authority.' As happened with us five years ago? It was held up as being perfectly natural, nay, highly meritorious!

In the course of my study of the Pan-German movement and its struggle with Rome, then and later, I arrived at the following conclusion: Through its poor comprehension of the meaning of the social problem, the movement lost the fighting strength of the mass of the people; by going into Parliament, it lost its driving force and burdened itself with all the weaknesses inherent in that institution. Its struggle against the Church discredited it with many sections of the lower and middle classes and robbed it of very many of the best elements, which could be named as being essentially national.

The practical results of the *Kulturkampf* in Austria were just nil.

Political parties ought to have nothing to do with religious problems, so long as they are not undermining the morals of the race; in the same way, religion should not be mixed up with party intrigues.

If Church dignitaries make use of religious institutions and even doctrines in order to injure their own nationality, they ought to have no following; their own weapons should not be used against them.

A political leader must never meddle with the religious doctrines and institutions of his people, else he ought not to be a politician, but, rather a reformer, if he has the qualities for that!

Any other attitude would lead to catastrophe, especially in Germany.

Protestantism will always help in furthering all that is German whenever it is a matter of inward purity or increasing national sentiment, or defense of German life, language, nay, even German freedom, since all these are essentially a part of itself; but it is most hostile to any attempt to rescue the nation from the clutches of its most deadly enemy, for its attitude towards Judaism has been laid down more or less as a dogma. Nevertheless it wavers undecidedly around the question – and unless that question is solved, all attempts to bring a German revival are without meaning or possibility of success.

Do not both our creeds today assume an attitude with regard to the Jewish question that is in harmony neither with the nation's importance nor with the requirements of religion? And yet compare the attitude of any Jewish rabbi in all questions of even minor importance to Jewry as a race with that of our clergy, far

the greater number of whom have been suspended – both creeds included! That is what always happens with us if ever it is a matter of defending an abstract idea. 'State authority,' 'Democracy,' 'Pacifism,' 'International Solidarity,' etc., are merely ideas with us which we always convert into fixed and purely doctrinaire conceptions, so that all matters of urgent national necessity are judged from that point of view.

In almost every respect in which the Pan-German movement failed, the dispositions of the Christian-Socialist Party were well and correctly thought out.

It had the necessary understanding of the significance of the masses, and from the very start it attracted to itself a certain section of them by outspoken assertion of its solid character. And since it did really set out to win the lower and middle classes, it gained a faithful and permanent following, ready for self-sacrifice. It avoided fighting with any religious institution and thus gained support from the powerful organization represented by the Church. It realized the value of propaganda on a large scale and specialized in influencing psychologically the instincts of the masses.

The fact that this party failed in its dream of saving Austria was due to its methods, which were mistaken in two respects, and to the obscurity of its aims. Instead of being founded on a racial basis, its anti-Semitism depended on the religious conception. The reason why this error crept in was the same as that which caused the second mistake. Its founders thought that if the Christian-Socialist Party was to save Austria, it ought not to take its stand on the racial principle, since a general dissolution of the State would shortly follow in any case. The leaders of the Party considered that the situation in Vienna demanded all possible avoidance of tendencies toward disruption, and support of all points of view conducing to unity.

Vienna was at that time so strongly impregnated with Czech elements that nothing but extreme tolerance in regard to all racial problems could keep those elements from being anti-German from the start. If Austria was to be saved, they could not be dispensed with. Thus, the party leaders made special efforts to win the very large number of small Czech traders in Vienna by opposing the Manchester liberal school of thought, and they hoped thereby to have discovered a war cry for the fight against Judaism based on religion, which would put all differences of race in the old Austria in the shade.

It is obvious that a fight on such a basis would worry the Jews to a very limited degree. If the worse came to the worst, a drop of Holy water would always get them out of their troubles and preserve their Judaism at the same time.

This doing things by halves destroyed the value of the anti-Semitic position of the Christian Socialist Party.

It was sham anti-Semitism and was almost worse than none at all, for people were lulled into security and thought they had the enemy by the ears, whereas they were really led by the nose themselves.

If Dr. Karl Lueger had lived in Germany, he would have counted as one of the great men of our race; it was his misfortune and that of his work that it lay in that impossible State, Austria. At the time of his death, the little flame in the Balkans was already beginning to spread more greedily with each month that passed, so that kindly Fate spared him the pain of seeing what he still believed he would be able to prevent.

The Pan-German Movement was quite right in its theory as to the aim of German regeneration, but I was unlucky in its choice of methods. It was nationalist, but, alas! Not social enough to win the mass of the people. Its anti-Semitism was based on a true appreciation of the importance of the racial problem and not on the theories of religion. On the other hand, its struggle against the definite creed erred both as regards facts and tactics.

The Christian-Socialist movement's ideas about the aim of a German revival were too vague, but, as a party, it was fortunate and intelligent in its choice of methods. It realized the importance of the social question, but was mistaken in its fight against the Jews and was quite ignorant of the strength and conception of nationality.

At that time I was prey to discontent, the more I realized the hollowness of the State and the impossibility of saving it. I felt with the absolute certainty that in all things it stood for the unhappiness of the German race. I was convinced that the State was sure to check and obstruct every really great German and to support every man and every thing that was un-German. I hated the motley collection of races displayed in the capital. I hated the motley collection of Czechs, Poles, Hungarians, Ruthenians, Serbs, Croats, and above all that ever present fungoid Growth – Jews and again Jews!

Seeing that my heart was never in love with an Austrian Monarchy, but ever beat for a German Reich, I could only regard the collapse of that State as the beginning of salvation for the German nation. Therefore, my longing grew ever greater to go to the land, whither my secret love and desire had drawn me from my earliest youth. I hoped to make a name as an architect one day, and, whether Fate made me great or not, to dedicate my devoted service to the Nation. I wanted to have my share of fortune, to be on the sport and play my part in the country where my heart's most burning desire was destined to be fulfilled: the union of my beloved home with the common Fatherland, the German Reich.

Vienna gave me the hardest and most thorough schooling in my whole life; only now do I fully appreciate the essential value of those years of discipline. That is why I have treated that period rather fully – because it gave me my first instruction in the questions affecting the principles of the party, which, having started on a very small scale, is, after barely five years, ¹ well on its way to become a great popular movement. I do not know what my attitude towards Judaism, Social Democracy, all that is meant by Marxism, the social question, etc., would have been today if the force of destiny had not at that early period of my life given me a foundation of opinions based on personal experience.

MUNICH

IN THE spring of 1912, I went to Munich. A German town! How different from Vienna! I felt badly when I thought of that Babylon of races. The dialect was nearly the same as my own and reminded me of my own youth with its connection with Lower Bavaria. In a thousand ways, it was or became dear to me. I belong to that town more than to any spot in the world, and this is due to the fact that it is inseparably bound up with my own development.

In Austria, the only adherents of the alliance idea were the Habsburgs and the Germans. In the first it was due to compulsion and calculation, and in the second to easy credulity, because they imagined they would do a great service to the German Empire by means of the Triple Alliance which would strengthen it and bring it security; political stupidity, because their imaginations did not fit the facts, for they were really helping to chain the Empire to the dead carcass of a State which was bound to drag them down into the abyss; more particularly, however, because that alliance was contributing more and more to de-Germanize Austria herself. For since the Habsburgs believed an alliance with the Empire would ensure them against any interference on the part of the later – and unfortunately they were right in this – they were enabled to continue their policy of gradually getting rid of German influence inside the country with more ease and less risk. They had no need to fear any protest from the German Government, which was known for the 'objectivity' of its point of view, and, moreover, in dealing with the Austrian Germans they could always silence any insistent voice which might be raised against some particularly disgraceful instance of favoritism shown to the Slavs, by a reference to the Triple Alliance.

If there had been more enlightened study of history and racial psychology in Germany, no one could have believed for an instant that the Quirinal in Rome and the Hofburg in Vienna would ever fight side by side on a common battlefield. Italy would turn into a volcano before any Government would dare send a single Italian into the field, except as an enemy, on account of the fanatically hated Habsburg State. I had more than once seen flare up in Vienna the passionate disdain and unfathomed hatred, which obsessed the Italians against the Austrian State. The errors of the House of Habsburg in the course of centuries against Italian freedom and independence were too great ever to be forgotten, even supposing there was any desire to do so. There was no such desire either among the people or among the Italian Government. For Italy, therefore, there were only two possible courses in dealing with Austria – alliance or war. Having chosen the first, they could calmly prepare for the second.

The German alliance policy was both senseless and risky, especially since Austria's relations with Russia had been tending more and more towards a settlement by war.

Why was any alliance concluded at all? Simply in order to assure the future of the Reich when it was in a position to do so standing on its own feet. But the future of the Reich was nothing else than the question of enabling the German nation to continue its existence.

The population of Germany increases by 900,000 souls annually. The difficulty of nourishing this new army of subjects must necessarily be aggravated each year and end in catastrophe, unless ways and means are found in time to forestall the danger.

There remained only two ways to obtain work and bread for the thriving people: either territorial acquisition or a policy of colonial trade. Both these courses were considered, examined, recommended, and combated from various points of view, until finally the second was chosen. The first course would have undoubtedly been the sounder of the two. Acquisition of fresh territory to accommodate the overflow population contains infinitely greater advantages, especially of the future, and not the present, is considered.

There is another reason why this solution would have been the right one: Many European States today are like pyramids standing on their points. Their possessions in Europe are ridiculous compared with their top-heavy burden of colonies, foreign trade, etc. One might say: point in Europe, base all over the world; in contradistinction to the American Union, whose base covers its own continent and whose apex is its point of contact with the rest of the globe. Hence the vast internal strength of that State and the weakness of most European colonizing Powers.

Even England is no proof to the contrary, for we are too apt to forget the true nature of the Anglo-Saxon world in its relation to the British Imperium. If only on account of her community of language and culture with the American Union, England cannot be compared with any other state in Europe.

Hence Germany's only hope of carrying out a sound territorial policy lay in acquiring fresh lands in Europe itself. Colonies are useless for that object if they appear unsuitable for settling Europeans in large numbers. In the nineteenth century, however, it was no longer possible to acquire such territory for colonization by peaceful methods. A colonizing policy of that kind could only be realized by means of a hard struggle, which would be far more appropriate for the sake of gaining territory in the continent near home than for lands outside of Europe.

For such a policy, there was only one ally in Europe – England. England was the only Power which could protect our rear, supposing we started a new Germanic invasion (*Germanenzug*). We should have had just as much right to do this as our forefathers had. Our pacifists do not hesitate to eat the bread of the East, although the first ploughshare was the sword.

No sacrifice would have been too great in order to gain England's affection. It would have meant renunciation of colonies and importance on the sea and refraining from interference with British industry by our competition.

There was a moment when England would have let us speak to her in this sense; for she understood very well that, owing to her increased population, Germany would have to look for some solution and find it either in Europe, with England's help, or elsewhere in the world without it.

The attempt, made from London at the turn of the century, to obtain a *rapprochement* with Germany was due first and foremost to this feeling. But the Germans were upset by the idea of 'having to pull England's chestnuts out of the fire for her' – as if an alliance were possible on any basis other than that of reciprocity! On that principle business could very well have been done with England. We should have known that British diplomacy was too clever to grant any favors without reciprocity on our part.

Let us imagine that Germany, with a skillful foreign policy, had played the part that Japan played in 1904 – we can hardly estimate the consequences that would have had for Germany.

There would never have been a World War

That method, however, was never adopted at all.

There still remained the possibility: industry and world-trade, sea-power and colonies. If a policy of territorial acquisition in Europe could only be pursued in alliance with England against Russia, a policy of colonies and world-trade, on the other hand, was only conceivable in alliance with Russia against England. In this case they should have drawn their conclusions ruthlessly and have sent Austria packing. They adopted a formula of 'peaceful economic conquest of the world,' which was destined to destroy forever the policy of force, which they had pursued up to that time. Perhaps they were not quite certain of themselves at times when quite incomprehensible threats came across from England. Finally, they made up their minds to build a fleet, again not for the purpose of attacking and destroying England, but to defend the 'world-peace' and for the 'peaceful conquest of the world.' Thus, they were constrained to maintain it on a modest scale, not only as regards numbers, but also as regards the tonnage of individual ships and their armaments, so as to make it evident that their final aim was a 'peaceful' one.

The talk about 'peaceful economic conquest of the world' was the greatest piece of folly ever set up as a leading principle in State policy, especially as they did not shrink from quoting England to prove that it was possible to carry it out in practice. The harm done by our professors with their historical teaching and theories can scarcely be made good again, and it merely proves in a striking fashion how many 'learn' history without understanding it or taking it in. Even in England they had, had to confess to a striking refutation of the theory; and yet no nation had ever prepared better for economic conquest with the sword, or later maintained it more ruthlessly than the British. Is it not the hallmark of British statecraft to make economic gains out of political strength and at once to reconvert each economic gain into political power? Thus it was a complete error to imagine that England personally was too cowardly to shed her blood in

defense of her economic policy! The fact that the British possessed no national army was no proof to the contrary; for it is not the military form of the national forces that matters, but rather the will and determination to make use of what there is. England always possessed the armaments she needed. She always fought with whatever weapons were necessary to ensure success. She fought with mercenaries as long as mercenaries were good enough; but she seized hold of the best blood in all the nation, whenever such a sacrifice was needed to make victory sure; but determination to fight, tenacity, and unflinching conduct of her wars were there always.

In Germany, however, as time went on they encouraged, by means of the schools, the press, and the comic papers, an idea of British life, and even more so, of the Empire, which was bound to lead to the most ill-timed self-deception; for everything became gradually contaminated with this rubbish, and the result was a low opinion of the British which ended by revenging itself most bitterly. This mistaken idea ran so deeply that everyone was convinced that the Englishman, as they imagined him, was a businessman both crafty and incredibly cowardly. It never occurred to our worthy professorial importers of knowledge that anything as vast as the British world Empire could never have been assembled and kept together merely by swindling and underhand methods. The few who gave warnings were either ignored or silenced. I remember distinctly the amazement on the faces of my comrades in arms when they came face to face with the Tommies in Flanders. After the very first days of fighting, it dawned on the brain of each man that those Scotchmen did not exactly correspond with the people whom writers in comic papers and newspaper reports had thought fit to describe to us.

I began to reflect then on propaganda and the most useful forms of it.

This falsification certainly had its convenience for those who propagated it; they were able to demonstrate by examples, however incorrect they might be, the rightness of an economic conquest of the world. We were bound to succeed where the Englishman had succeeded; while the fact that we were very much more honest – being free from that specifically British *perfidie* – was held up as a special advantage. It was hoped that it would attach the smaller nations to us and win the confidence of the larger ones.

The value of the Triple Alliance was psychologically of little importance, since the binding force of an alliance decreases the more it confines itself to maintaining an existing condition. On the other hand, an alliance waxes stronger the more the individual contracting Powers are able to hope they will gain definite, tangible aims of expansion; in which case, as always, strength lies not in defense, but in attack.

This was realized in various quarters, but unluckily not by the so-called 'professionals.' Ludendorff, then a colonel in the Great General Staff, in particular, pointed out this weakness in a memorandum in 1912. Naturally, the 'statesman' refused to attach any significance or importance to the matter.

For Germany, it was a pure piece of luck that the War broke out in 1914 indirectly by way of Austria, and that the Hapsburgs were thus forced to take part in it; if it had happened the other way round, Germany would have been left all by herself.

The Austrian connection robbed Germany of the best and most promising prospects which alliances might have given her. In place of them, in fact, there was continually increasing tension with Russia and even Italy. In Rome feeling was universally pro-German, while, deep down in the heart of every single Italian, it was anti-Austrian and frequently burst out in a blaze.

In the modest company that I frequented, I made no attempt to hide my conviction that, that wretched treaty with a State doomed to destruction would lead to a catastrophic collapse of Germany unless she managed to break loose from it while there was yet time. I never deviated for a moment from that conviction, firm as a rock, when the torrent of the World War appeared finally to have made reasonable reflection impossible and the rush of enthusiasm carried along with it those highly placed ones whose sole duty was cold consideration of realities. Even when I myself was at the front, whenever the problem was discussed I expressed my opinion that the quicker the alliance was broken off the better it would be for the German nation, and that to sacrifice the Habsburg Monarchy would be no sacrifice for Germany if she could thereby reduce the number of her enemies, since the millions of steel helmets had not been assembled in order to maintain a decrepit dynasty, but to save the German Nation.

Before the War, it seemed at times as though there were signs that in one camp at least there was a slight doubt as to the correctness of the alliance policy that was being pursued. From time to time Conservative circles in Germany started to warn against too much trustfulness, but, like everything else that was reasonable, the warning was thrown to the winds. They were convinced that they were on the road to conquer the world, that success would be unlimited, and that nothing would have to be sacrificed.

Once more the 'non-professionals' were marching straight to destruction, drawing the innocent nation after them like the rat-catcher of Hamelin.

The victorious march of German technical skill and industry, the swelling triumphs of German trade, caused them to forget the fact that all this was only possible on the assumption of a strong State. Many, on the contrary, went so far as to proclaim their conviction that the State owed its life simply to these developments, that it was first and foremost an economic institution and should be conducted according to the rules of economics, so that it should really depend for its existence on commerce, a condition which was held to be far the healthiest and most natural of all conditions.

The State, however, has nothing to do with any definite economic conception or economic development. It is not an assembly of commercial negotiators during a period with defined limits for the purpose of carrying out economic objects, but the organization of a community, homogenous in nature and feeling, for the

better furtherance and maintenance of their type, and the fulfillment of the destiny marked out for them by Providence. This and nothing else is the object and significance of a State.

The Jewish State never had boundaries, as far as space was concerned; it was unlimited as regards space, but bound down by its conception of itself as a race. That people therefore was always a State within the State. It was one of the cleverest tricks ever invented when that State was stamped with 'religion' and so assured of the tolerance, which the Aryan is always ready to extend to religious creeds. For the Mosaic religion is really nothing but a doctrine for the preservation of the Jewish race. Hence, it embraces nearly every branch of sociological, political, and economic knowledge that could ever come into question in connection with it.

Whenever there was an advance of political power in Germany, business also began to look up; whereas, whenever business monopolized the life of our people and smothered the virtues of the mind, the State broke down again and dragged business along with it.

And yet if we ask ourselves what the forces are which make and maintain States, we find that they come under one single denomination: ability and readiness to sacrifice the individual for the sake of the community. That these virtues have no relation to economics is obvious from the simple realization that man never sacrifices himself for the purposes of business – i.e., men do not die for business, but for ideals. Nothing displayed the Englishman's psychological superiority in realization of a national ideal better than the reasons he put forward for fighting. While we fought for daily bread, England fought for freedom – not her own, but that of the little nations. In Germany, they mocked at this effrontery and got angry, proving thereby how thoughtless and stupid Germany's so-called statecraft had become before the War. We had not the slightest conception of the nature of the forces that could lead men to their death of their own free will and volition.

As long as the German people continued to think in 1914 that they were fighting for ideals, they stood their ground; but the moment it became evident that they were merely fighting for their daily bread, they were glad to throw up the sponge.

Our intelligent 'statesman,' however, were amazed at this change of temper. The pre-War belief that it was possible to lay the world open for the German nation, or indeed conquer it, by the peaceful method of a policy of trade and colonization was a classic sign that the genuine virtues which make and maintain States, and all the resulting insight, will-power, and determination to accomplish great things were gone. By law of nature, the immediate result of this was the World War with all its consequences.

I now for the first time turned these questions over in my mind, colored, as they were, by my position towards Germany's alliance policy and the economic policy

of the Empire from 1912 to 1914, and I found that the solution of the riddle lay more and more certainly in that force with which I had made acquaintance, but from quite another standpoint, in Vienna: the doctrine and world view of Marxism and its organizing influence.

Innumerable times I began to consider how an attempt might be made to master that world-pestilence. I studied the aims, the struggles, and the success of Bismarck's special legislation. My study gradually gave me principles of granite for my own convictions – so much, so that since then I have never had to think of changing my personal views on the question. I made also a deep study of the relation between Marxism and Judaism.

In 1913 and 1914 I began to express my conviction in various circles, which today are in part still true to the National-Socialist movement, that the question of the future for the German nation is that of the destruction of Marxism.

The internal decline of the German nation had begun a long time before that, but, as in life, people were not clear about the destroyer of their existence. They sometimes tried treatment for the disease, but they often mistook the symptoms for the cause. As no one knew this or wished to know it, the fight against Marxism was worth no more than the nonsensical recommendations of a quack.

The World War

IN MY excitable youth, nothing had worried me so much as having been born in a time when it was evident that the only people who had temples erected in their honor were merchants and State officials. The waves of political events appeared to have calmed down to such an extent that the future seemed really to belong to 'peaceful competition between nations'; i.e., quiet mutual swindling, stopping short of violent methods. The various States began showing favor to enterprises which cut the ground from under each other, stole each other's customers and contracts, and sought to take advantage of each other in every possible way, the whole scene being staged with a din as harmless as it was noisy. This development not only appeared to be permanent, but it seemed – with universal approval – to be going to remodel the world at one blow as a single vast warehouse, in the vestibules of which busts of the craftiest profiteers and the least go-ahead officials would be stored to all eternity.

Why could I not have been born a hundred years earlier? – Somewhere about the time of the War of Liberation, when a man was still worth something, quite apart from 'business'?

When the news of the murder of the Archduke Francis Ferdinand reached Munich (I was in the house at the time and only heard vaguely how it all happened), my first fear was that the bullets were perhaps those of the pistols of German students, who, being exasperated by the favor which the Heir Presumptive perpetually showed to the Slavs, desired to free the German nation from their domestic enemy. I could quickly imagine what the result of that would be: a fresh wave of persecution that would now be 'explained and justified' before the whole world. But when immediately afterwards I heard the names of the alleged criminals and that they were known to be Serbs, I began to feel a slight horror at the vengeance of inscrutable Destiny.

The greatest friend of the Slavs had fallen a victim to the bullets of Slav fanatics.

An injustice is being done today to the Vienna Government when reproaches are showered upon it regarding the form and contents of the ultimatum that it issued. No other Power in the world could have acted differently in a similar situation. On her southern border, Austria possessed an inexorable and mortal enemy who at constantly shorter intervals challenged the Monarchy and would never have given over until the favorable moment arrived for laying the Empire in ruins. There was good reason to fear that this would come to pass as soon as the old Emperor died; when that happened, the Monarchy might perhaps no longer be able to offer serious resistance. In recent years, the State had depended on the life of Francis Joseph so greatly that his death would, in the eyes of the mass of the people, have been equivalent to the death of the State itself.

Yes, it is really unjust to Government circles in Vienna to reproach them with having forced on the War which might perhaps have been avoided otherwise. It could not have been avoided, but it might have been postponed for one, or perhaps two, years at most. But the curse of German as well as Austrian diplomacy was that it had always tried to put off the inevitable day of reckoning till it were forced to strike the blow at an unfavorable hour. We may be certain that any further attempt to preserve peace would have brought on the War at a moment still less favorable.

For many years, the Social Democrats had been agitating in Germany for war against Russia in the most disgraceful fashion, whereas the Centre Party for reasons of religion had pivoted German policy mainly on Austria-Hungary. Now the consequences of that error had to be endured. What happened was bound to happen and under no circumstances have been averted. The guilt of the German Government lay in the fact that, merely for the sake of preserving peace, it missed the favorable moment for action, got entangled in an alliance for maintaining peace in the world, and thus finally became the victim of a world coalition which opposed the urge to maintain peace in the world with a determination to bring on a world war.

The struggle of 1914 was not forced on the masses, good heavens! But was passionately desired by the whole nation. They wanted to see an end to the general uncertainty. That is the only reason why over two million German men and youths willingly joined the colors for that fearful struggle and were prepared to defend them with the last drop of their blood. A war had broken out faster than the world had ever seen.

Scarcely had the news of the outrage become known in Munich when two ideas at once entered my head: first, that was absolutely inevitable, and, secondly, that the Habsburg State would be forced to stick to its alliance; for what I had most feared was the possibility that one day Germany herself, perhaps directly because of that alliance, would slip into a conflict of which Austria might not have been the immediate cause, and that the Austrian State, for reasons of internal politics would not develop sufficient resolution to come to the assistance of its ally. The old State had to fight, whether it wished to or not.

My own attitude towards the conflict was both simple and clear. In my eyes it was not Austria fighting to get a little satisfaction out of Serbia, but Germany fighting for her life, the German nation for its 'to be or not to be' its freedom and future. It would have to follow in Bismarck's footsteps; young Germany must again defend what the fathers had heroically fought for from Weissenburg to Sedan and Paris. But if the struggle was to be a victorious one, our people would by their own force take their place again among the great nations, for the German Reich could not stand up as a mighty guardian of peace unless it was prepared to curtail its children's daily bread for the sake of that peace.

On the Third of August, I addressed a petition to His Majesty King Ludwig III to be allowed to serve in a Bavarian regiment. The Cabinet Office during those days certainly had its hands pretty full, and my joy was all the greater when my petition was granted the same day.

Now began for me as for every German, the greatest and most unforgettable period of my life on earth. Compared with the events of that mighty struggle all the past fell into empty oblivion. I think with pride and sorrow of those days, and back to the weeks of the beginning of our nation's heroic fight, in which kind Fortune allowed me to take part.

Thus, it went on from year to year; horror had taken the place of the romance of fighting. Enthusiasm gradually cooled off and the glorious exuberance was drowned in the agony of death. A time came when each man had to struggle between the urge of self-preservation and the call of duty. By the winter of 1915-16, this struggle was over within myself. My will was at last victorious. In the early days, I was able to join in the attack with cheers and laughter; now I was calm and determined. Thus, I went on until the end.

The young volunteer had grown into an old soldier. This change had taken place throughout the army. The perpetual fighting aged and hardened it, and broke any who could not stand up against the storm.

Then only could one form a judgment of that army. After two - three years, during which it was continually fighting one battle after another, against superior odds in numbers and weapons, undergoing hunger and privations – that was the time to consider the virtue of that army.

Though thousands of years pass, none may talk of heroism without thinking of the German army in the World War. Through the mists of the past the grey steel helmet will appear, never flinching or turning aside, a monument of immortality. As long as there are Germans left, they will reflect that these men were once sons of their nation.

In those days, I cared nothing for politics, but I could not help forming an opinion on certain manifestations that affected the whole nation, but concerned us soldiers most of all.

I was angered by the way it was considered right to consider Marxism. Marxism, the final and perpetual aim of which is the destruction of all non-Jewish national States, saw, to its disgust in those days of July, 1914, how the German working class, which it had been assiduously ensnaring, had waked up and was ranging itself more and more rapidly hour by hour in the service of the Fatherland. In a few days the fog and deception of that infamous national betrayal had dissipated into thin air, and the gang of Jewish leaders suddenly found themselves alone and deserted, just as though not one trace of the folly and madness with which the masses had been inoculated for sixty years was left in existence. That was a bad moment for the betrayers of German Labor. As soon, however, as the leaders realized the danger threatening them, they hastily

drew the tarn cap of lies over their ears and impudently mimicked the national uprising.

But now was the moment to attack the whole treasonable association of those Jewish poisoners of our nation.

Now – because the German workers had rediscovered the road to nationality – it should have been the Government's anxious care to root out without mercy those who were agitating against nationality. At a time when the best were falling at the front, those who stayed might at least have extirpated the vermin. Instead of this, His Majesty the Emperor in person stretched out his hand to the old criminals, gave them his protection, and enabled them to maintain their association.

Every general world-theory (*Weltanschauung*), whether religious or political in nature – it is sometimes hard to say where one begins and the other ends – fights not so much negatively to destroy the opposing world of ideas as positively to establish its own. Thus, its struggle lies in attack rather than defense. Hence, definiteness of its aim gives it an advantage, for that aim is the victory of its own ideas, whereas it is hard to define when the negative aim of destroying the hostile doctrine can be said to be attained and assured. Hence, a world-theory is more definite in plan as well as more powerful in attack than in defense, for the final decision lies in attack and not in defense.

Every attempt to combat a world theory by means of force comes to grief in the end so long as the struggle fails to take the form of aggression in favor of a new intellectual conception. It is only when two world-theories are wrestling on equal terms that brute force, persistent and ruthless, can bring about a decision by arms in favor of the side that it supports. It was on this account that the fight against Marxism had failed up to that time. It was the reason why Bismarck's legislation regarding Socialism failed in the end in spite of everything, and was bound to fail. It lacked the platform of a new world-theory, to establish which the fight might have been fought; for only the proverbial wisdom of high State officials could find it possible to imagine that the twaddle about so-called 'State authority' or 'order and tranquility' is a sufficient inducement to fight to the death.

In 1914, a contest against Social Democracy was in fact conceivable, but the lack of any practical substitute made it doubtful how long such a contest could have been maintained successfully. In that respect there was a serious blank.

Long before the War, I held this opinion, and for that reason, I could not make up my mind to join any one of the parties then existing. As the World War went on, I was confirmed in my opinion still further by the obvious impossibility, directly owing to the lack of a movement, which would have to be much more than a Parliamentary Party, of resuming the fight ruthlessly against Social Democracy.

I frequently talked about it to my more intimate comrades. It was then that I first conceived the idea of becoming an active politician later on; and this was the reason why I often assured the small circle of my friends that I wished to work after the War as a speaker, in addition to my own profession.

War-Propaganda

AT THE time when I was following all political events with attention, the business of propaganda was always of extreme interest to me. In it I saw an instrument which the Socialist-Marxist organization had long controlled with masterly skill and employed to the full. I soon came to realize that the right use of propaganda was a regular art which was practically unknown to the bourgeois parties. The Christian-Socialist movement alone, in Lueger's time especially, applied the instrument with a certain virtuosity and owed much of its success to it.

Had we any propaganda at all?

Alas! I can reply no. All that was undertaken in that direction was so inadequate and wrong-headed from the start as to be not of the slightest use – sometimes it did actual harm. A systematic examination of the German war-propaganda leaves no doubt that it was insufficient in form and wrong psychologically.

We even seem to have been uncertain as to the basic question: Is propaganda a means to an end?

It is a means, and must be judged from the point of view it is to serve. It must be suitably shaped so as to assist that objective. It is also clear that the importance of the objective may vary from the standpoint of general necessity and that the essential qualities of propaganda must vary so as to be in harmony with it. The objective we fought for, as the War went on, was the noblest and most compelling which is imaginable to man. It was the freedom and independence of our nation, security for future nourishment and – the nation's honor.

As regards the question of humanity, Moltke has said that in war the essential is to bring the matter to a finish quickly, and that the severest methods conduce most effectively to that end.

Propaganda in the War was a means to an end, and the War was a struggle for the life of the German nation; therefore, propaganda could only be founded on principles that were of value to that objective. The cruelest weapons were humane if they conduced to a speedier victory.

This was the only possible attitude to adopt towards the question of war-propaganda in a life and death struggle such as this.

If those in high positions had been clear about the foregoing, there would have been no uncertainty as to the form and employment of this weapon; for it is nothing more or less than a weapon – a really terrible one in the hands of one who understands it.

All propaganda should be popular and should adapt its intellectual level to the receptive ability of the least intellectual of those whom it is desired to address. Thus, it must sink its mental elevation deeper in proportion to the numbers of the mass whom it has to grip. If – as with propaganda for carrying through a war –

the object is to gather a whole nation within its circle of influence, there cannot be enough attention paid to avoidance of too high a level of intellectuality.

The receptive ability of the masses is very limited, their understanding small; on the other hand, they have a great power of forgetting. This being so, all effective propaganda must be confined to very few points which must be brought out in the form of slogans until the very last man is enabled to comprehend what is meant by any slogan. If this principle is sacrificed to the desire to be many-sided, it will dissipate the effectual working of the propaganda, for the people will be unable to digest or retain the material that is offered them. It will, moreover, weaken and finally cancel its own effectiveness.

It was, for instance, fundamentally wrong to paint the enemy in a ridiculous light, as the Austrian and German comic papers made a point of doing in their own propaganda; wrong, because, when the enemy was actually met with in the flesh, our men were bound at once to receive a totally different impression of him, which subsequently took its revenge in a most terrible manner; for the German soldier, under the direct impression of the enemy's power of resistance, now felt he had been deceived by the fabricators of his information up to that moment, and, instead of strengthening or at least confirming his fighting keenness, it did the opposite. The men broke down under it.

On the other hand, the British and American war-propaganda was psychologically correct. By displaying the German to their own people as a barbarian and a Hun, they were preparing the individual soldier for the horrors of war and so helped to spare him disappointments. The most terrible of the weapons which now came against him were now for him merely a confirmation of the information which he had already received, and reinforced his faith in the truth of his Government's assertions, while it heightened his rage and hatred against the villainous enemy.

Thus, the British soldier never felt that the information he got from home was untrue, while the German ended by rejecting all that came from that quarter as pure swindle and *Krampf*.

What, for instance, should we say about a poster advertising a new soap if it described other soaps as being 'good'? We should shake our heads over it.

It was fundamentally wrong, when discussing the subject of war-guilt, to suggest that Germany could be counted as partly responsible for the outbreak of that catastrophe; the proper thing would have been to lay the burden of it without cease upon the enemy, even if this did not correspond with the true course of events, as was nevertheless the actual fact. The masses are in no position to distinguish where foreign illegality begins and our own ends.

An immense majority of the people are so feminine in nature and point of view that their thoughts and actions are governed more by feeling and sentiment than by reasoned consideration. This sentiment is, however, not complicated, but very simple and consistent. It does not differentiate much, but it is either positive or negative, love or hate, truth or lies, never half one and half the other, and so on.

This fact was exploited by the British propaganda with very real genius. In England there were no half-statements that might have given rise to doubts.

The proof of their understanding of the primitiveness of sentiment in the mass of the people lay in the publication of horrors, which suited this condition and both cleverly and ruthlessly prepared the ground for moral solidity at the front even when great defeats came along, and by nailing down the German enemy as being the sole cause of the War – a lie, the unqualified impudence of which, and the way it was put before the nation, took account of the sentimental and extremist nature of the public, and so gained credence.

Alteration of methods should not alter the essence of what propaganda is meant to effect; its purport must be the same at the end as at the start. The slogan may have various lights thrown upon it, but any treatment applied to it should always finish with the slogan. Propaganda can work solidly and consistently in no other way.

The success of any advertisement, whether in business or politics, is due to the continuity and consistency with which it is employed. The example of enemy propaganda was typical of this also. It confined itself to few points of view, was addressed solely to the masses, and was pursued with untiring perseverance. Throughout the whole War, use was made of the basic ideas and forms of expression found to be right at the beginning, and even the slightest alteration was never considered. At first, it appeared lunatic from the impudence of its assertions – later on, it became unpleasant, and was finally believed. At the end of four and a half years, revolution broke out in Germany, and its war cries were inspired by the enemy's war-propaganda.

The British understood yet another thing – that this intellectual weapon can only be used successfully with the masses, but that, if successful, it richly repays what it costs.

Propaganda counted with them as a weapon of the first class, whereas with us it was the last way for officeless politicians to make a living and a tiny berth for modest heroes.

Taken all in all, its success was just nil.

VII

THE REVOLUTION

IT WAS the summer of 1915 that the enemy began dropping leaflets on us from the air. Their contents were almost always the same, although there were variations in the form or presentation: Distress was continually on the increase in Germany; the War was never going to stop, while the prospect of winning it was growing even fainter; the people at home were yearning for peace, but 'militarism' and the Kaiser would not allow it; the whole world - to whom this was well known - was therefore not waging war against the German nation, but solely against the man who alone was responsible, the Kaiser: so that the War would not come to an end until that enemy of peaceful humanity was removed. But the liberal and democratic nations, after the War was over, would receive the German nation into the league of perpetual world peace, which was assured, once 'Prussian militarism' was destroyed.

One point in this kind of propaganda should be noted. On every part of the front where there were Bavarians, it made a dead set at Prussia, declaring not only that Prussia the real guilty party, but that in the Allied countries there was no enmity at all against Bavaria; there was, however, no possibility of helping her as long as she joined in serving Prussian militarism and in pulling its chestnuts out of the fire.

Even in 1915, this kind of persuasion really began to achieve a definite effect. Feeling against Prussia among the troops grew up quite visibly - and the authorities never once took measure to stem it.

By 1916, the complaining letters from home were having a direct influence, and it was now no longer especially necessary for the enemy to disseminate these complaints at the front by means of leaflets from the air. The silly letters written by German women cost hundreds of thousands of men their lives in the period that followed.

There were already objectionable phenomena. The front cursed and groused, and was angry and discontented - sometimes rightly so. While they starved and suffered, their people at home sat in poverty, while others had more than enough and reveled. Even at the battlefront, all was not as it should be in this respect.

Crises easily arose, but these were 'domestic' events. The same man who had groused and grumbled did his duty silently a few minutes later, as if it was quite natural. A company, which had been discontented, clung on to the bit of trench that it had to defend as though Germany's fate depended on those few hundred meters of mud-holes. At the front, it was still the old glorious army of heroes.

I was wounded in October 1916, but I happily had been brought back and was ordered home to Germany by ambulance train. Two years had passed since I had last seen my home, an almost endless time under such circumstances. I went to a hospital near Berlin. What a change!

Alas! The world was a new one in other respects. The spirit of the army at the front seemed to have no place here. I came across for the first time something that was so far unheard of at the front – boasting of one's own cowardice!

As soon as I was properly fit to walk, I obtained leave to visit Berlin. Bitter poverty was evident everywhere. The city of millions was starving. There was much discontent. In some houses, where soldiers visited, the tone was much the same as at the hospital. One got the impression that those fellows purposely looked for such spots in which to air their opinions.

In Munich, conditions were far, far worse. When I had recovered and was discharged from the hospital, I was sent to the reserve battalion and I felt I hardly recognized the town again – anger, discontent, and curses wherever I went. The soldiers returned from the front had certain peculiarities, explicable from their service at the front, which were quite incomprehensible to the elderly commanders of reserve units, but were obvious for an officer who had himself just come back. The respect paid by the men to such a one was quite different from that given to an officer at the rear. With these exceptions, the general spirit was wretched. Scrimshanking almost counted as a sign of higher intelligence, devotion to duty as a mark of weakness and narrow-mindedness. The offices were full of Jews. Almost every clerk was a Jew, and almost every Jew a clerk. I was amazed at this mass of fighters of the chosen race, and could not help comparing it with the sparseness with which they were represented at the front.

In the business world, it was still worse. Here the Jewish nation had actually become 'indispensable.'

The munitions strike at the end of 1917 did not produce the hoped-for result in starving the front of arms; it collapsed too quickly for the lack of munitions, by itself – was intended – to condemn the army to defeat. But how great and how disgraceful was the moral harm which had been done!

First, what was the army going on fighting for if even the people at home did not desire victory? For whom these vast sacrifices and privations? The soldier was to fight for victory; at home, they are striking against it!

Secondly, what effect was it having on the enemy?

In the winter of 1917-18, dark clouds covered the firmament of the Allied world. All the hopes founded on Russia were at an end. The ally who had offered the biggest blood-sacrifice at the altar of their joint interests had reached the end of his strength and lay at the mercy of his pitiless assailant. Fear and gloom entered the hearts of soldiers, who up to then had been possessed by blind faith. They feared the coming spring. For, seeing that they had so far failed to break the German when he could place only part of his forces on the Western Front, how were they to count on victory, now that the undivided forces of that tremendous State of heroes appeared to be gathering for an attack against the West?

At the moment that the German divisions received their final orders for the great attack, the General Strike broke out in Germany. The world was dumfounded at

first. Then the enemy propaganda breathed again and pounced on this help at the eleventh hour.

Here at one blow was the means for reviving the sinking confidence of the Allied soldiers, for representing the chance of victory as being now a certainty once more, and for turning the terrified depression with regard to coming events into determined confidence.

British, French, and American newspapers started sowing this conviction in the hearts of their readers, while immensely clever propaganda was used to excite the troops at the front.

'Germany on the eve of Revolution! An Allied Victory Inevitable!' This was the best medicine to set the wavering Tommy or *poilu* on his feet again.

All this was the result of that munitions strike. It revived faith in victory in the enemy nations and did away with that crippling depression on the Allied front; as a consequence thousands of German soldiers paid for it with their blood. But the promoters of that rascally and disgraceful strike were those who expected to obtain the highest posts under the State in revolutionary Germany.

It was my good luck to be in the first two and the last offensives. The latter made on me the most tremendous impression that I ever received in the whole of my life – tremendous, because for the last time the struggle lost its character of a defensive and became an offensive, as it was in 1914.

At the height of the summer of 1918, it was stifling hot all over the front. There were quarrels going on at home. What about? In the various units of the army there were many rumours. It seemed that the War was now hopeless, and only fools could think that we were going to win. It was not the nation, but the capitalists and the Monarchy, which were interested in going on with it. This was the news from home, and it was discussed at the front.

At first, the front reacted to it very little. What did universal suffrage matter to us? Was that what we had been fighting for, for four years? The front, in its old stable condition, had very little use for the new war-aims of Messrs Ebert, Scheidemann, Barth, and Liebknecht. We could not make out why the shirkers had a right to arrogate to themselves control of the State.

My political notions were fixed from the start. I loathed that whole wretched gang of party hacks who had betrayed the nation. I had long seen clearly that, that gang was not really thinking about the good of the nation, but of filling their own empty pockets. And the fact that they were prepared to sacrifice their country for that, and to let Germany go under if necessary, made them fit to be hanged in my eyes. Attention paid to their wishes meant sacrificing the interests of the working classes for the benefit of a lot of pick-pockets; carrying of them into practice was impossible unless we were prepared to let Germany go. Far the greater part of the army still thought the same as I did. In August and September, the signs of decay increased more and more rapidly, although the effect of the enemy attacks was not at all to be compared with the frightfulness of our own

defensive battles. In comparison with them, the Somme and Flanders battles were things of the past, a ghastly memory.

By the end of September, my division for the third time arrived at the positions we had stormed as a young volunteer regiment. What a memory! Now, in the autumn of 1918, the men had become different; there was political discussion among the troops. The poison from home was beginning to have its effect here as everywhere. The young drafts succumbed to it altogether – they had come straight from home.

During the night of October 13 -14, the British began to throw gas-shells on to the southern front before Ypres. We were still on a hill south of Werwick on the evening of October 13, when we came under a drumfire lasting several hours, which continued throughout the night with more or less violence. About midnight a number of us dropped out – some forever. Towards morning I felt a pain which got worse with every quarter-hour that passed, and at about seven o'clock, I tottered rearwards with scorching eyes, reporting myself for the last time in that war. A few hours later my eyes had turned into burning coals, and it was all dark around me. I was sent to hospital at Pasewalk in Pomerania and while there, I was destined to see the Revolution.

Bad rumours kept on coming in from the navy which was said to be in a ferment, but this seemed to me to be something born of the excited imagination of a few youths rather than a matter affecting large numbers of men. In hospital, everyone talked of the end of the War, which they hoped as swiftly approaching, but no one imagined it was to come immediately. I was unable to read the newspapers.

In November, the general tension increased. Then one day the disaster came upon us suddenly and without warning. Sailors arrived in lorries and called on all to revolt, a few Jewish youths being the leaders in that struggle for the 'freedom, beauty, and dignity' of our national life. Not one of them had ever been to the front.

The following days brought with them the worst period of my life. The rumours grew more and more definite. What I imagined to be a local affair was apparently a general revolution. In addition to all this, distressing rumors came back from the front. They wanted to capitulate. Yes – was such a thing possible?

On November 10, the aged pastor came to the hospital for a short address; then we heard everything. I was present and profoundly affected. The old man seemed to be trembling when he told us that the House of Hohenzollern was to wear the German Imperial crown no more – that the Fatherland had become a Republic.

So all had been in vain. In vain all the sacrifices and privations, in vain the starvation and thirst for many endless months, in vain the hours we spent doing our duty, gripped by the fear of death, and in vain the death of two millions of men!

And our country?

But – was this the only sacrifice we should be called on to endure? Was the Germany of the past worth less than we thought? Had she no obligation to her own history? Were we worthy to clothe ourselves in the glory of the past? In what light could this act be presented for justification to future generations?

Miserable, depraved criminals!

The more I tried in that hour to get clear ideas about that tremendous event, the more did I blush with burning rage and shame. What was all the pain of my eyes in comparison with this misery?

There were horrible days and worse nights to follow. I knew that all was lost. In those nights, my hatred arose against the originators of that act.

The Emperor William had been the first German Emperor to offer the hand of friendship to the leaders of Marxism, little guessing that scoundrels are without honor. While they held the Imperial hand in theirs, their other hand was already feeling for the dagger.

With Jews there is no bargaining – there is merely the hard 'either – or.'

I resolved to become a politician.

VIII

THE START OF MY POLITICAL LIFE

AT THE end of November 1918, I returned to Munich. I rejoined the reserve battalion of my regiment, which was in the hands of the 'Soldiers' Councils.' The whole thing was so repulsive to me that I promptly resolved to get out of it as quickly as I could. Accompanied by my faithful comrade in the War, Schmiedt Ernst, I went to Traunstein and stayed there until the camp was broken up. In March 1919, we returned to Munich.

The situation was an impossible one, and tended irresistibly towards an extension of the Revolution. Eisner's death only hastened developments and led finally to a dictatorship of the Councils, better described as transitional control by the Jews, which was the original aim and idea of those who originated the Revolution. At that period, endless schemes drove through my head.

In the course of the new Revolution, my earliest actions drew on me the ill will of the Central Council. On March 27, 1919, I was almost arrested early in the morning, but when I presented my rifle at my would-be captors, the three youths lost courage and returned the way they had come.

A few days after the liberation of Munich, I was summoned to attend a commission to inquire into the revolutionary events in the Second Infantry Regiment.

This was my first incursion into more or less pure politics. A few weeks after that, I was ordered to attend a 'course' for members of the Defense Force. The intention underlying this course was to supply the soldier with definite principles to guide his thoughts as a citizen of a State. As far as I was concerned, its value consisted in the fact that I should be able to make the acquaintance of a few comrades who thought as I did, and with whom I could thoroughly discuss the situation of the moment. We were all more or less convinced that Germany could not be saved from the collapse, which was becoming more and more imminent, by the perpetrators of the crime of November, the Centre and Social-Democratic Parties; also that the so-called 'Bourgeois-National' groups could, with the best will in the world, never be capable of repairing the damage which had been done.

Thus, formation of a new party was discussed in our small circle. The ground principles that we contemplated were the same that were realized later on in the German Worker's Party. The title of the new movement was to point from the start to the possibility of penetrating the mass of the people; for, if it lacked this quality, the whole work seemed pointless and superfluous. Therefore, we decided to call it the 'Social Revolutionary Party' – because the social idea of the new foundation did really involve a revolution.

There was, moreover, an even deeper reason. All of the attention I had devoted earlier in my life to economic problems had always left me more or less on the edge of the ideas arising out of my consideration of social problems. It was not until later that I widened these boundaries as a result of my

consideration of Germany's policy of alliances. The latter was very largely the result of a false estimate of economics and vagueness as to the principles on which the German nation was to be provided with food in the future. These ideas were based on the assumption that in all cases capital was merely an outcome of labor, and, moreover, was, like labor itself, the basis for correcting all the factors which can either further or restrict human activity. This, then was the national significance of capital – that it itself depended so entirely on the greatness, freedom and power of the State – i.e., the nation – that the union of the two by itself was bound to lead to the State and the nation being helped forward by capital, by the simple method of maintaining and increasing itself. This dependent connection of capital with the free, independent State obliged the latter to aim at making the nation free and powerful.

Thus, the State's duty towards capital was comparatively simple and clear. It merely had to see that capital remained the servant of the State and did not contemplate obtaining control of the nation. In taking this attitude, the State could confine itself to two objects: maintenance of efficient national and independent economy on the one hand, and of the social rights of the workers on the other.

I had been unable before then to distinguish as clearly as I should have liked between capital, purely the final outcome of creative labor, and capital which owed its existence exclusively to speculation. I had not known how to start thinking about it. The subject was now being dealt with exhaustively by one of the various lecturers in the course, which I mentioned above – Gottfried Feder.

Immediately after listening to Feder's first lecture, the idea entered my brain that I had at last discovered the road to one of the essential principles on which a new party might be founded.

I recognized at once that it was a question here of a theoretical truth which would be of immense importance to the future of the German nation. The sharp severance of stock exchange capital from the finances of the nation offered a possibility of combating internationalization of Germany's financial administration, without having to threaten the principle of an independent national existence with a struggle against capital. Germany's development was too clearly before my eyes for me not to be aware that the hardest fight would have to be fought out, not against the enemy nations, but against international capital. Feder's lecture gave me a splendid war cry for the coming struggle.

In this case, also later developments have proved how correct our feeling was at that period. We are no longer derided by our foolish bourgeois politicians; even they realize today, unless they lie in their throats, that international capital was not only the greatest of war agitators, but that, even now that the War is over, it spares no pains to turn the peace into a hell.

For myself and all other true National-Socialists, there is only one doctrine: Nation and Fatherland. What we have to fight for is security for the existence and increase of our race and our nation, nourishment of its children, and purity of its blood, freedom and independence for the Fatherland, and that our nation may be able to ripen for the fulfillment of the mission appointed for them by the Creator of the universe.

I was beginning to learn afresh, and now only came to a right comprehension of the teachings and intentions of the Jew, Karl Marx. Only now did I properly understand his *Capital*, and likewise the struggle of Social Democracy against the economies of the nation, and the fact that its aim is to prepare the ground for the domination of the truly international capital of the financiers and the stock exchange.

In another way, also this course produced great results. One day I announced my intention to speak. One of those taking part thought he would break a lance for the Jews, and started to defend them in a long argument. This roused me to opposition. An overwhelming majority of those present took my side. The result was, however, that a few days later, I was ordered to join a Munich regiment nominally as 'instructor.'

At that time, discipline was rather slack amongst the troops. They were suffering from the aftermath of the period of Soldier's Councils. It was only by degrees and cautiously that the transition from obedience 'by consent' – the pretty way they described the pigsty under Kurt Eisner – to military discipline and subordination could be effected. In the same way, the troops had to learn to feel and think of themselves as members of the nation and the Fatherland. My new activities lay in this direction. I started them full of love and keenness. I may claim some success; in the course of my addresses, I won hundreds, nay, thousands of my comrades back to their nation and Fatherland. I 'nationalized' the troops and was able to help generally to strengthen discipline. Moreover, I made the acquaintance of a number of comrades who thought as I did and who joined me later on in laying the foundations of the new movement.

IX

THE GERMAN WORKER'S PARTY

ONE DAY I received orders from my headquarters to find out what was going on in a society, which was apparently political and which was to hold a meeting during the next few days under the name of the 'German Worker's Party'; Gottfried Feder was going to speak at it. I was to go to the meeting and have a look at the people, and then make a report.

The curiosity felt in the army regarding political parties, was more than comprehensible. The Revolution had given soldiers the right to be active in politics, and all of them, down to the most inexperienced, made full use of it. But it was not until the Centre and Social Democratic Parties realized to their sorrow that the sympathies of the soldiers were beginning to turn away from the revolutionary parties toward the National movement and resuscitation of the country that they saw cause for withdrawing the franchise from the army and prohibiting its taking a hand in politics.

The bourgeoisie, which was really suffering from senile weaknesses, thought in all seriousness that the army would return to its former condition of being simply part of the defenses of Germany, while the idea of the Centre and the Marxists was merely to draw the dangerous poison-tooth of nationalism, without which an army is nothing but a perpetual police force, and is no longer a military force capable of withstanding an enemy; this was amply proved in the years that followed. So, I decided to attend the above-mentioned meeting of this party of which I had no anterior knowledge at all.

I was glad when Feder's discourse was over. I had seen enough and was preparing to depart when the announcement that anyone might now speak, induced me to stay. Nothing worth remarking seemed to be happening until suddenly a 'professor' rose to speak, who threw doubts on the correctness of Feder's reasoning, and then – after Feder had replied very well to him – suddenly appealed to the 'basis of facts' and took on himself to suggest that the young party was the one best adapted to take up the struggle for cutting Bavaria loose from Prussia. The man had the impudence to assert that, if this happened, German Austria would immediately join up with Bavaria, and the Peace would then be greatly improved for Germany, and other like nonsense. On that I simply had to apply for leave to speak and tell the learned gentleman my opinion on that point – so successfully that the chairman ran out of the building like a drenched poodle before I had finished.

During the day, I thought more than once about the matter, and was prepared to drop it for good, but to my astonishment less than a week later, I received a postcard to say I had been admitted as a member of the German Worker's Party; I was also invited to attend a committee meeting of that party on the following Wednesday.

I was more astonished at this method of getting members, and did not know whether to be annoyed or to laugh at it. I had never imagined myself joining a ready-made party; I wanted to found one for myself. Truly the notion never occurred to me.

I was just going to send my answer in writing to the authors of the invitation, when curiosity had its way, and I resolved to be there on the day mentioned in order to explain my reasons by word of mouth.

Wednesday arrived. I was rather taken aback on being told that the president of the Society for the Reich was to be present in person. I wanted to postpone my declaration for a bit. At last he appeared. It was the man who had been leading speaker when Feder gave his lecture.

This made me curious again, and I stayed to see what would happen. At any rate, I learned the names of these gentlemen. The president for the organization in the Reich was a Herr Harrer; the Munich chairman was Anton Drexler.

The minutes of the last meeting were read, and a vote of thanks given to the lecturer. Then came the election of new members – i.e., the business of admitting myself.

I began to ask questions. Apart from a few leading principles, there was nothing – no program, not a leaflet, nothing at all in print, not even a miserable rubber stamp; but obviously plenty of faith and good intention.

I no longer wanted to smile. I well knew what these men were feeling; it was a longing for a new movement, which should be more than a party in the accepted sense of the word. The hardest question of my life confronted me. I should never have joined one of the existing great parties, and I shall explain my reasons more precisely. In my eyes it seemed an advantage that this ridiculous little band, with its handful of members, had not stiffened into an 'organization,' but still offered the individual a real opening for personal activity. There was work to be done, and the smaller the movement was, the sooner it could be pulled properly into shape. It was still possible to determine the character, objective, and methods of this society, and that was quite impossible in the case of the existing great parties.

The longer I turned it over in my mind, the more the conviction grew in me that some small movement such as this might pave the way for national resurrection, but that the political parties in Parliament never would, for they clung far too closely to obsolete conceptions, or had an interest in propping up the new regime. For what had to be proclaimed here, was a new theory of the world, and not a new election-cry.

After two days of agonized meditation and questioning, I finally made up my mind to take the step. It was the decisive turning point of my life. Retreat was neither possible nor desirable.

That is how I became a member of the German Worker's Party, and was given a provisional ticket of membership, bearing number 'Seven.'

X

THE PREMONITORY SIGNS OF COLLAPSE IN THE OLD EMPIRE

THE Blow from which the German Reich and nation are suffering is so heavy, that they seem to have lost all power of feeling or reflection, as if seized with vertigo. It is hardly possible to recall the former heights, so dreamlike and unreal seem the greatness and glory of those times, compared with present misery; which explains why men were only too easily dazzled by greatness, and forgot to seek for the premonitory signs of the great collapse, which nevertheless must have been present in some form.

These signs were visibly present, although very few tried to glean any definite teaching from them. This is necessary today more than ever.

Most people in Germany now recognize the German collapse merely by the general economic poverty and its results. Almost everyone is personally affected by it – an excellent reason for every individual to realize the catastrophe. But the people as a whole do not connect the collapse with political, cultural or moral questions.

That this is so with the masses goes without question; but the fact that the intelligent sections of the community regard the collapse first of all as an 'economic catastrophe' and think that recovery must come from the side of economics is one of the reasons why so far, no cure has been possible. Not until it is realized that economies can only come second or even third, and that factors of ethics and race must come first, will there be understanding of the causes of the present unhappiness or a possibility of discovering means and methods of curing it.

The easiest, and therefore most commonly believed, cause of our misfortunes and of the present rot is the loss of the War. Probably there are many who seriously believe this nonsense, but there are even more on whose lips such an argument is a conscious lie. This last applies to all those who are crowding round the governmental feeding-trough.

Did not the apostles of world-reconciliation declare that the German defeat merely destroyed 'militarism' and that the German people would rejoice in their glorious resurrection? For was not the whole Revolution ushered in with the phrase that by it victory was withheld from the German standard, but that by it alone the German nation would fully attain to liberty at home and abroad? Was this not so, you lying rascals?

It is characteristic of truly Jewish impudence that the military defeat is now put down as the cause of the collapse, while the central organ of all treason, the *Vorwärts* of Berlin, wrote that this time the German nation was not to be permitted to bring its banner home in victory! Is this now to be taken as the cause of our collapse?

The answer to the assertion that the loss of the War is the cause may be answered as follows:

Of course, the loss of the War had a fearful effect on the destiny of our country, but it was not a cause, but a result of causes. All intelligent and well-wishing people well know that an unhappy ending of that life and death struggle, must lead to disastrous results. But there were people, unfortunately, whose reasoning powers seemed to fail them at the proper moment, or who, although they knew better, fought against the truth and denied it. They are really the guilty causes of the collapse, and not the loss of the War, as they now suddenly choose to maintain. For the loss of the War was merely a result of their action, and not, as they now assert, due to 'bad leadership.' The enemy were not composed of cowards; they, too, knew how to die; from the very first day they were more in number than the German army, and for their technical armaments, they had the whole world in their service; and yet we cannot get rid of the fact that the German victories, which continued through four years of hard fighting against the whole world were due, apart from all the heroism and fine organization, solely to consummate leadership. The organization and leadership of the German army were the greatest the world has ever seen. The failures lay in the limitations of human powers of resistance.

The collapse of that army was not the cause of our present misfortunes, but merely the consequence of other crimes, a consequence that ushered in a further collapse, and this time a more visible one.

Are nations, in fact, ever ruined by the loss of a war and by that alone? This can be very briefly answered. It is always so if the military defeat of the nation has been due to laziness, cowardice, want of character – in fact, unworthiness on that nation's part. If it is not so, the military defeat will become a spur to a greater recovery in the future, and not the tombstone of the nation.

History provides innumerable instances to prove the correctness of this statement.

Germany's military defeat was alas! Not an undeserved catastrophe, but a merited chastisement of eternal retribution. The defeat was more than deserved by us.

If the front, left to itself, had really given way, and if the natural disaster had been really due to its failure, the German nation would have accepted the defeat in quite another spirit. They would have borne the misfortunes, which followed with clenched teeth or would have been overwhelmed by sorrow. Rage and fury would have filled their hearts against the enemy to whom tricks played by fortune or destiny had given the victory. There would have been neither mirth nor dancing, cowardice would not have swelled with pride and glorified the defeat, the fighting troops would not have been mocked at and their colors dragged in the dirt; but, above all, that disgraceful state of affairs would never have arisen which induced a British officer, Colonel Repington, to proclaim with scorn; 'Every third German is a traitor.'

No, the military collapse was itself but the consequence of a series of unhealthy manifestations and of those who promoted them; they had already

been infecting the nation in times of peace. The defeat was the first visible catastrophic result of a moral poisoning, a weakening of the will to self-preservation, and of doctrines which had begun many years previously to undermine the foundations of nation and Reich.

It was natural that the whole abysmal, lying spirit of Jewry, and the fighting organization of Marxism should see to it that the very man should be burdened with direct responsibility for the disaster who all by himself attempted with superhuman will and energy to divert the catastrophe which he had foreseen, and to save the nation from a period of deep pain and humiliation. By taxing Ludendorff with the responsibility for losing the World War, he took the weapon of moral justification out of the hand of the only adversary dangerous enough to be likely to succeed in bringing the betrayers of the Fatherland to justice.

We may almost regard it a great stroke of luck for the German nation, that the period of creeping sickness came to a head and was stemmed so suddenly in that terrible catastrophe; for if things had happened differently, the nation would have gone on to ruin, more slowly, perhaps, but also more surely. The disease would have become chronic, whereas, in the acute form of the disaster, it at least became clear and obvious to the eyes of a considerable number of observers. It was not by accident that men conquered the plague more easily than tuberculosis. The first comes in terrifying waves of death and gives a shock to mankind, the other creeps on slowly; the first induces terror, the other gradual indifference. The result is that men fight the first with the whole of their energy, while they try to stop consumption with feeble methods. Thus, men conquered the plague, but tuberculosis conquers them. The same applies to diseases of the body politic.

In the long peace of the pre-War years, certain evils appeared and were recognized as evils, although practically no attention was paid to the causes of them – with certain exceptions. These exceptions were first and foremost the phenomena in the economic life of the nation, which struck individual people more keenly than the evils which appeared in many other directions.

There were many signs of decay, which ought to have induced serious thought.

The amazing increase of population of Germany before the War brought the question of providing the essential nourishment into a more and more prominent place in all political and economic thought and action. But, unfortunately, they could not make up their minds to go straight to the correct solution, for they imagined they could obtain their object by cheaper methods. Renunciation of the idea of acquiring fresh territory, and substitution for it of the craze for economic conquest, were bound to lead in the end to limitless and injurious industrialization. The first and most fatal result was the enfeeblement of the agricultural class, which it brought about. In proportion as this class sank, the proletariat crowded into the large towns, grew in numbers, until finally equilibrium was utterly lost.

The violent cleavage between rich and poor now became prominent. Superfluity and poverty lived so close side by side, that the consequences were

bound to be deplorable. Poverty and great unemployment began to play havoc with the people, and left discontent and bitterness behind them.

There were even worse phenomena involved by the industrialization of the nation. Along with the definite establishment of Commerce as mistress of the State, money became a god whom all had to serve, and before whom everyone must bow. A period of demoralization began, especially bad because it set in at a time when the nation needed more than ever, heroic inspiration of the highest order at an hour when danger was presumably menacing it. Germany ought to have been preparing to support with the sword, her effort to make sure of her daily bread by means of 'peaceful economic labors.'

Unfortunately, domination by money received sanction in the very quarter, which ought to have been most opposed to it. It was a particularly unhappy inspiration when His Majesty induced the nobility to enter the circle of the new finance. It must be admitted in excuse for him that even Bismarck failed to realize the danger; but in practice, it drove the ideal virtues into the second place behind that of money, for it was clear that, having once taken that road, the nobility of the sword would very soon have to play second fiddle to that of finance.

Before the War, internationalization of German business was already on its way, traveling the by-paths of share issues. A section of German industry did make a determined attempt to avert the danger, but in the end, it fell a victim to the combined attacks of greedy capital, greatly assisted by its truest friend, the Marxist movement.

The persistent war against the 'heavy industries' of Germany was the visible start of the internationalization, which was being striven for with the help of Marxism in the Revolution. As I write these words, success is attending the general attack on the German State Railways, which are to be turned over to the international capitalists. Thus, 'International' Social Democracy has once again attained one of its main objectives.

The best evidence of the success of the industrializing process in Germany is the fact that when the War was over, one of the leaders of German industry and trade, was able to state his opinion that commerce was the one force, which could set Germany on her legs again. These words uttered by Stinnes, caused incredible confusion; but they were caught up and have become with startling rapidity, the motto of all the humbugs and chatterers, who in the guise of 'statesmen' have been squandering the fortunes of Germany since the Revolution.

One of the worst evidences of decadence in Germany before the War was the universal half-heartedness that was displayed more and more in everything that was undertaken. It is always the result of a man's uncertainty about a thing and the pusillanimity arising from that and other causes. The system of education was the cause of this defect. There were a great number of weak points in German education before the War. It was fashioned on a one-sided system, with a view to mere knowledge and very little with a view to producing practical ability.

Still less score was set on formation of character, very little on encouraging the joy of responsibility, and none at all on the cultivation of will power and decision. The result of this was not the strong man, but rather the pliable possessor of much knowledge – and that was what we Germans were universally considered to be before the War, and for which we enjoyed consideration. The German was liked because he was a useful man, but owing to the weakness of his will power, he was little respected. There was a good reason for his dropping nationality and Fatherland more easily than the citizen of almost any other nation. That fine proverb 'With one's hat in one's hand, one can go all over the world' describes it all.

This pliability became disastrous when it governed the form under which alone the Monarch might be approached. The form insisted on no answering back, but agreement with everything that His majesty chose to ordain. And yet, it was in that quarter, that the dignity of a free man was most needed; otherwise, such subservience was bound one day to be the ruin of the Monarchy.

This is good enough for toadies by profession, but all proper men – and the best men in the State still are that – will only feel repulsion when such nonsense is defended. For them, history is history and truth is truth, even when a monarch is concerned. No, the happiness of possessing a great man, and a great monarch combined, is so seldom the lot of nations, that they have to be content if cruel Destiny at least spares them a terrible misfit.

Thus, the virtue and significance of the monarchical idea cannot rest essentially in the person of the Monarch, unless Destiny deigns to set the crown on the brow of a brilliant hero such as Frederick the Great, or a wise character such as William I. This may happen only once in several centuries – hardly oftener. Otherwise, the conception takes precedence of the person, and its significance has to rest exclusively and intrinsically on the institution, and the Monarch himself enters the circle of those who serve it.

One result of wrong-headed education was fear of shouldering responsibility, and the consequent weakness in the handling of essential problems.

I will pack a few cases out of the mass of instances, which occur to me.

In journalist circles, it is customary to describe the press as a great power within the State. It is true that its importance is actually immense. It is hardly possible to overestimate it – what it does is really to continue education up to an advanced age.

It is an essential interest of the State and nation to see that the people do not fall into the hands of bad, ignorant, or indeed ill disposed teachers. It is the State's duty, therefore, to watch over the people's education, and prevent its taking a wrong direction, and it should keep an eye on what the press in particular is doing; for its influence on men is by far the strongest and most penetrating of all, since its action is not transitory, but continuous. Its immense importance lies in the uniform and persistent repetition of its teaching. Here, if anywhere, it is the State's duty not to forget that whatever it does must be directed at one aim, and one alone; it must not be led astray by the will o' the wisp of so-called 'freedom of the press' or be persuaded into neglecting its duties

and withholding the nourishment which the nation needs to keep it healthy. It must keep control of that instrument of popular education with absolute determination, and place it at the service of the State and nation.

What the so-called Liberal press did before the War was to dig a grave for the German nation and the German Reich. We need say nothing about the lying Marxist papers; to them lying is as much a necessary of life, as mewing is to a cat. Their sole object is to break the national and popular powers of resistance, to prepare them for the slavery of international capital and of their masters, the Jews.

What did the State do to counteract this wholesale poisoning of the nation? Nothing, absolutely nothing! A few feeble warnings, a few fines for offenses, too egregious to be overlooked, and that was all.

The defense put up by governments in those days against the press – controlled mainly by Jews – which was slowly corrupting the nation, followed no definite line, nor had it determination; but, worse than all, it had no fixed objective. The intelligence of the officials entirely missed the point, both in estimating the importance of the struggle, choice of methods, and settlement of a definite plan. They tinkered with it; now and then, if too sorely bitten, they scotched some journalistic viper for a few weeks or even months, but they always let the nest of snakes continue in peace as before.

For imperfectly educated, superficial readers the *Frankfurter Zeitung* is the essence of respectability. It never uses rough expressions, deprecates brute force, and always writes in favor of fighting with 'intellectual' weapons, and this appeals, curiously enough, to the least intellectual people.

But, it is just for our semi-intellectual classes that the Jew writes in his so-called 'Intelligentsia press.' The tone of the *Frankfurter Zeitung* and *Berliner Tageblatt* is intended to appeal to them, and it is they who are influenced by those papers. While they most carefully avoid all coarseness of language, they use other vessels for pouring the poison into the hearts of their readers. In a medley of charming expressions, they lull their readers into believing that pure knowledge and moral truth are the driving force of their actions, whereas really it is a cunning contrivance for stealing a weapon, which their opponents might use against the press.

Readiness to be content with half-measures is the outward sign of inward decadence, and a national collapse is sure to follow sooner or later.

I believe that our present generation, if rightly led, will more easily master this danger. It has had certain experiences calculated to stiffen the nerves of anyone who has not completely missed the meaning of them. Certain it is, that some time or other, the Jew will cry out loudly in his newspapers, once a hand is laid on his beloved nest, by putting an end to the disgraceful use of the press, and once that instrument for education is brought into the service of the State, and is no longer left in the hands of aliens and enemies of the nation, I believe that it will be less of a burden to us younger ones, than it was to our fathers. A thirty-centimeter

grenade always hisses louder than a thousand Jewish newspaper vipers – so let them hiss!

The whole of education should be designed to occupy a boy's free time in profitable cultivation of his body. He has no right during those years to loaf about idly, and make disturbances in the streets and picture-houses, but after his day's work is done, he ought to harden his young body, so that life may not find him soft when he enters it. To prepare for this and to carry it out is the function of youthful education, and not merely to pump in so-called knowledge. It must rid itself of the notion that management of the body is the business of the individual alone. No one should be free to transgress at the expense of posterity, that is, of race.

The fight against the poisoning of the soul must be waged in company with cultivation of the body. Today all our life in public is like a forcing-bed for sexual ideas and attractions. Look at the bill of fare offered by the cinemas, playhouses, and variety theatres and you can hardly deny that this is not the right food, especially for the young. Hoardings and advertisement kiosks unite in drawing the public's attention in the most vulgar ways. Anyone who has not lost the capacity for entering into the souls of the young will realize that it must lead to their very grave injury.

The life of the people must be freed from the asphyxiating perfume of our modern eroticism, as it must be from unmanly and prudish refusal to face facts. In all things, the aim and method must be governed by the thought of preserving our nation's health both in body and in soul. The right to personal freedom comes second in importance to the duty of maintaining the race.

Similar unhealthiness was observable in almost every domain of art and *Kultur*. It was a sad sign of our internal decadence that it was impossible to let young people visit most of the so-called 'homes of art' (*Kunststätte*), considering what was shamelessly exposed to public view without warning – universal in the *Panoptica* – 'For Adults Only.'

To think that such precautionary measures should be necessary in the very places which ought to be first to provide material for forming the youth, not for amusing their *blasés* elders! What could the great dramatists of all times have said to such a warning and to the cause that made it necessary? Imagine the indignation of Schiller; how Goethe would have turned from it in fury!

But, indeed, what are Schiller, Goethe, or Shakespeare in comparison with the heroes of the new German poetry? Worn out and obsolete, altogether *passes*. For it is characteristic of the period not only that they produce nothing but filth, but that in addition, they throw mud at all that was really great in the past.

Thus, the saddest side of the condition of our national culture in the period before the War was not merely the complete impotence of our creative power in art and general culture, but also the spirit of hatred in which the memories of the greater past were besmirched and blotted out. In almost every domain of art, particularly in the drama and literature, all round the turn of the century, they produced less and less any new ting of importance, while they disparaged the

best age and called it inferior and obsolete; as if this present epoch could ever conquer any part of its shameful inferiority.

A study of religious conditions before the War will show how everything got into a state of disintegration. Even in this domain, large sections of the nation had entirely lost all solid and comprehensive conviction. In this those who were openly and officially at variance with the Church played a smaller part than those who were merely indifferent. Both creeds maintain missions in Asia and Africa for the purpose of attracting fresh adherents to their doctrines – an aspiration which can show but very moderate results in comparison with the progress made by the Mohammedan faith – whereas in Europe they are continually losing millions and millions of genuine adherents, who either are entirely estranged from the religious life or simply go their own way.

There are many signs of a struggle, every day increasing in violence, against the dogmatic principles of the various Churches, without which in practice religious belief is inconceivable in this world of humanity. The general mass of a nation do not consist of philosophers; faith for them is largely the sole basis for a moral view of life. The various attempts to find substitutes have not proved so suitable or successful as to be obviously a good exchange for the former religious confessions. If religious doctrine and faith really get a grip on the mass of the people, the absolute authority of that faith is then the whole basis of its efficacy. What, then, ordinary custom is for the general life – and without it thousands of men of superior culture would no doubt live reasonably and successfully, but millions of others would not – the law is for the State and dogma is for ordinary religion. It and it alone can defeat the unsteady, perpetually controverted, intellectual conception and mold it into a form, without which faith could ever exist. In the other event, the conception of a metaphysical view of life – in other words, philosophic opinion – could never have grown out of it. The attack upon dogma is in itself, therefore, very like the struggle against the general legal principles of the State, and just as the latter would end in complete State anarchy, the former would end in hopeless religious nihilism.

A politician, however, must estimate the value of a religion, not so much in connection with the faults inherent in it, but in relation to the advantages if a substitute which may be manifestly better. But until some such substitute appears, only fools and criminals will destroy what is there on the spot.

The fact that many people in pre-War Germany felt a distaste for the religious life must be ascribed to the misuse made of Christianity by the so-called 'Christian' Party and to the shamelessness of the attempt to identify the Catholic faith with a political party. This fatal aberration provided opportunities for a number of worthless members of Parliament, but it was the whole nation, which had to bear the consequences, seeing that the results it brought about in slackening religious life fell during a period when everything was beginning to slacken and shift, and traditional principles of morals and behavior were threatening to collapse.

The rifts and cracks in the fabric of our nation might have gone on without danger, so long as no special strain was put upon them, but they were bound to

cause disaster, when a rush of great events converted the question of the nation's internal solidarity into one of decisive importance.

In the domain of politics, also, an observant eye could mark evils that, unless alterations and improvements were soon taken in hand, were bound to count as indications of the approaching decay of the Empire's external and domestic policy.

There were plenty who watched these indications with anxiety and censured the lack of plan and thought in the policy of the Empire; they knew its inner weakness and hollowness very well, but they were mere outsiders in political life. Officialdom in the Government ignored the institutions of a Houston Stewart Chamberlain with the same indifference as they do today. These people were too stupid to think out anything for themselves and too conceited to learn what is needed from others.

One of the thoughtless observations one is apt to hear quoted today is that the Parliamentary system 'has been a failure since the Revolution.' This gives rise too easily to the assumption that it was any different before the Revolution. In reality, the effect of that institution is and can be only a destructive one, and this is what at a time when most people chose to wear blinkers, and saw nothing or chose to see nothing. For the fall of Germany was not a little due to that institution. Whatever fell under the influence of Parliament was done by halves, however one looks at it.

The Empire's policy of alliances was a weak half-measure. Though they wished to maintain peace, they could not help steering straight for war.

The Polish policy was a half-measure. They irritated the Poles without ever tackling the question seriously. The result was neither a victory for Germany, nor conciliation of the Poles, whereas she made an enemy of Russia.

The solution of the question of Alsace-Lorraine was a half-measure. Instead of brutally once and for all knocking the French hydra on the head, allowing, however, equal rights to the Alsatians, they did neither. Moreover, they could do nothing. The chief betrayers of their country kept their places in the ranks of the great parties – Wetterlé, for instance, in the Centre party.

While Jewry, through its Marxist and Democratic Parties, broadcast lies about German 'militarism' over the entire world, and tried to injure Germany by every means in its power, the Marxist and Democratic Parties refused to consider any comprehensive measure for completing the national forces of Germany.

The loss of the struggle for the freedom and independence of the German nation is the result of the peacetime half-heartedness and hesitation in calling up the combined strength of the nation in defense of the Fatherland.

One evil effect of the monarchical system was that it increasingly persuaded a very large section of the nation that as a matter of course government was from above and that the individual had no need to trouble himself about it. As long as government was really good, or at least meant well, matters went satisfactorily. But alas! Supposing a well-meaning old government was replaced by a fresh and

less conscientious one! The passive obedience and childlike faith were the worst evils imaginable.

But against these and other weaknesses, there were points of undoubted value.

First of all, stability in the State leadership secured by the monarchical form of State and withdrawal of all places under the State from the turmoil of speculation by greedy politicians; also the intrinsic dignity of the institution and the authority which this engendered; elevation of the officials as a body and of the army far above the obligations of party politics. Then the advantage due to the personal embodiment of the headship of the State in the person of the Monarch and the example of responsibility, which is laid upon the Monarch more heavily than on the chance mass of a parliamentary majority – the proverbial purity of German administration was ascribable to this first and foremost.

The army taught certain ideals and self-sacrifice for the Fatherland and its greatness, while in other callings greed and materialism had taken fast hold. It taught national unity as against division into classes, and perhaps its only failing was the institution of one-year volunteers. This was a failing because it broke through the principle of absolute equality and separated the better educated from the general military community; whereas the opposite would have been a better advantage. Considering the exclusiveness of our upper classes and their increasing estrangement from their own people, the army might have worked as a blessing if it avoided at any rate isolating the so-called intelligentsia within its ranks. It was a fault that it was not so; but what institution on this earth is faultless? But in spite of that, the good side was so preponderant that the few lapses were much under the average of human imperfections.

The greatest service performed by the army of the old Empire was that in an epoch of general counting by majority of heads, it placed the heads above the majority. Against the Jewish-Democratic idea of blind worship of majorities, the army held aloft that of faith in personality; for it taught what the later period most needed. In the sink of general softness and effeminacy there shot up in the ranks of the army each year 350,000 young men in the pride of their strength, who in two years' training forgot the softness of youth and acquired bodies strong as steel. It was only by those two years of obedience that a young man learned to command. One knew the trained soldier by his gait.

This was the school for the German nation, and it was not without reason that the inveterate hatred of those whose envy and greed required that the State should be powerless and its citizens weaponless was concentrated upon it.

To the State and the army were added the incomparable body of officials in the old Empire. Germany was the best organized and best administered country in the world. However much one might call the German State officials pedantic bureaucrats, this was no better in other States; on the contrary, it was worse. Other States did not possess that wonderful solidity of the apparatus nor the character of incorruptible honor in those who belonged to it. Better to be rather

pedantic, if honest and faithful, than enlightened and modern if at the same time inferior in character and – as often happens today – ignorant and incompetent.

The German official body and administrative machinery were especially distinguished by their independence of individual governments, whose transitory ideas in politics could not affect the position of the German State officials. The Revolution altered all of this fundamentally. Party considerations supplanted ability and competence, and an upstanding, independent character was more a disadvantage than a recommendation.

On these three, the State, the army, and the body of officials, rested the wonderful strength and effectiveness of the old Empire.

XI

NATION AND RACE

THERE are numberless examples in history, showing with terrible clarity how each time Aryan blood has become mixed with that of inferior peoples the result has been an end of the culture-sustaining race. North America, the population of which consists for the most part of Germanic elements, which mixed with very little with inferior colored nations, displays humanity and culture very different from that of Central and South America, in which the settlers, mainly Latin in origin, mingled their blood very freely with that of the aborigines. Taking the above as an example, we clearly recognize the effects of racial intermixture. The man of Germanic race on the continent of America, having kept himself pure and unmixed, has risen to be its master, so long as he does not fall into the shame of mixing the blood.

Perhaps the pacifist humane idea is quite a good one in cases where the man at the top has first thoroughly conquered and subdued the world to the extent of making himself sole master of it. Then the principle when applied in practice, will not affect the mass of the people injuriously. Thus, first the struggle and then pacifism. Otherwise, it means that humanity has passed the highest point in its development, and the end is not domination by any ethical idea, but barbarism, and chaos to follow. Some will naturally laugh at this, but this planet traveled through the ether for millions of years devoid of humanity, and it can only do so again if men forget that they owe their higher existence, not to the ideas of a mad ideologue, but to understanding and ruthless application of age-old natural laws.

All that we admire on this earth – science, art, technical skill and invention – is the creative product of only a small number of nations, and originally, perhaps of one single race. All this culture depends on them for its very existence. If they are ruined, they carry with them all the beauty of this earth into the grave.

If we divide the human race into three categories – founders, maintainers, and destroyers of culture – the Aryan stock alone can be considered as representing the first category.

The Aryan races – often in absurdly small numbers – overthrow alien nations, and, favored by numbers of people of lower grade who are at their disposal to aid them, they proceed to develop, according to the special conditions for life in the acquired territories – fertility, climate, etc. – the qualities of intellect and organization that are dormant in them. In the course of a few centuries, they create cultures, originally stamped with their own characteristics alone, and develop them to suit the special character of the land and the people that they have conquered. As time goes on, however, the conquerors error against the principle of keeping the blood pure (a principle which they adhered to at first), and begin to blend with the original inhabitants whom they have subjugated, and end their own existence as a peculiar people.

From all time, creative nations have been creative through and through, whether superficial observers do or do not realize it. Nothing but completed accomplishment is recognized by such people, for most men in this world are incapable of perceiving genius in itself, and see only the outward signs of it in the form of inventions, discoveries, buildings, paintings, etc. Even then, it takes a long time before they arrive at comprehending it. Just as individual genius strives, under the spur of special inducements, to work out expression of itself in practical ways, so, in the life of nations, actual application of the creative forces, which are in them is not produced except at the call of certain definite circumstances. We see this most clearly in the race, which was and is the carrier of human cultural development – the Aryan.

For the development of the higher culture, it was necessary that men of lower civilization should have existed, for none but they could be a substitute for the technical instruments, without which higher development was inconceivable. In its beginnings, human culture certainly depended less on the tamed beast and more on employment of inferior human material.

It was not until the conquered races had been enslaved that a like fate fell on the animal world; the contrary was not the case, as many would like to believe. For it was the slave who first drew the plough, and after him the horse. None but pacifist fools can look on this as yet another token of human depravity; others must see clearly that this development was bound to happen in order to arrive at a state of things in which those apostles are able to loose their foolish talk on the world.

Human progress is like ascending an endless ladder; a man cannot climb higher unless he has first mounted the lowest rung. Thus, the Aryan had to follow the road leading him to realization, and not the one that exists in the dreams of a modern pacifist.

But the road which the Aryan had to tread was clearly marked out. As a conqueror, he overthrew inferior men, and their work was done under his control, according to his will and for his purposes. But while extracting useful, if hard, work out of his subjects, he not only protected their lives, but also perhaps gave them an existence better than their former so-called freedom. So long as he continued to look on himself as the overlord, he not only maintained his mastery, but he was also the upholder and fosterer of culture. But as soon as the subjects began to raise themselves and – probably – to assimilate their language with that of the conqueror, the sharp barrier between lord and servant fell. The Aryan renounced purity of his own blood and with it his right to stay in the paradise he created for himself. He sank, overwhelmed in the mixing of races, and by degrees lost forever his capacity for civilization until he began to resemble the subjected aboriginal race more than his fathers, both in mind and body. For a time he could still enjoy the blessings of civilization, but first indifference set in, and finally oblivion. This is how civilizations and empires break up, to make room for new creations.

Blood mixture with the lowering of the racial level that accompanies it, is the one and only reason why old civilizations disappear. It is not lost wars that ruin mankind, but loss of powers of resistance, which belong to pure blood alone.

There is in our German language a word that is finally descriptive – readiness to obey the call of duty (*pflichterfullung*) – service in the general interest. The idea underlying such an attitude we call 'idealism' in contradistinction to 'egotism'; and by it we understand the capacity for self-sacrifice in the individual for the community, for his fellow men.

It is at times when ideals are threatening to disappear that we are able to observe an immediate diminution of that strength which is the essence of the community and a necessary condition of culture. Then selfishness becomes the governing force in a nation, and in the hunt after happiness, the ties of order are loosened and men fall straight to their destruction.

The exact opposite of the Aryan is the Jew. In hardly any nation in the world is the instinct of self-preservation more strongly developed than in the 'chosen people.' The best proof of this is the fact that the race still continues to exist. Where is there a people which for the last two thousand years has shown so little change in internal characteristics as the Jewish race? What race, in fact, has been involved in greater revolutionary changes than that one, and yet has survived intact after the most terrific catastrophes? How their determined will to live and to maintain the type is expressed by these facts!

The Jew's intellectual qualities were developed in the course of centuries. Today, we think him 'cunning' and in a certain sense, it was the same at every epoch. But his intellectual capacity is not the result of personal development, but of education by foreigners.

Thus, since the Jew never possessed a culture of his own, the bases of his intellectual activity have always been supplied by others. His intellect has in all periods been developed by contact with surrounding civilizations. Never the opposite.

It is utterly incorrect to point to the fact that the Jews hold together in struggling with their fellow men – or rather in plundering them – and conclude from it that they have a certain ideal of self-sacrifice.

Even in this the Jew is guided by nothing more or less than pure self-seeking; and that is why the Jewish State – which is supposed to be the living organism for maintaining and increasing a race – is entirely without frontiers. For the conception of a State with definite boundaries always implies the idealistic sentiment of a race within the State, also a proper conception of the meaning of work as an idea. For want of this conception, ambition is lacking to form or even maintain a State with definite boundaries. There is thus no basis on which a culture may be built up.

Thus, the Jewish nation, with all its obvious intellectual qualities, has no real culture – certainly none peculiar to itself. For whatever culture the Jew appears to

possess today is in the main the property of other peoples, which has become corrupted under his manipulation.

Originally, the Aryan was probably a nomad and then, as time went on, he became settled; this, if nothing else, proves that he was never a Jew! No, the Jew is not a nomad, for even the nomad had already a definite attitude towards the conception of 'work,' destined to serve as a basis for further development, so far as he possessed the necessary intellectual qualifications. But he did possess the power of forming ideals, if in a very rarified form, so that his conception of life may have been alien, but not unsympathetic, to the Aryan races. In the Jew, however, that conception has no place; he was never a nomad, but was ever a parasite in the bodies of other nations. His having on occasion having deserted his former sphere of life was not on all fours with his intentions, but was the consequence of his being at various periods ejected by the nations whose hospitality he had abused. His propagation of himself throughout the world is a typical phenomenon with all parasites; he is always looking for fresh feeding ground for his race.

His life within other nations can be kept up in perpetuity only if he succeeds in convincing the world that with him it is not a question of race, but of a 'religious bond' one however peculiar to himself. This is the first great lie!

In order to continue existing as a parasite within the nation, the Jew must set to work to deny his real inner nature. The more intelligent the individual Jew is, the better will he succeed in his deception – to the extent of making large sections of the population seriously believe that the Jew genuinely is a Frenchman, or an Englishman, a German or an Italian, though of a different religion.

The present vast economic development is leading to a change of the social stratification of the nation. The small industries are gradually dying out, making it rarer for the worker to be able to secure a decent existence, and visibly driving him to become one of the proletarian class. The outcome of all of this is the 'factory worker' whose essential distinguishing mark is that he is practically unable in later life to maintain his dignity and individuality. In the truest sense of the word, he is possessionless; old age means suffering to him and can hardly be called life at all.

There was once at an earlier period a similar situation, which was urgently in need of a solution; a solution was discovered. Beside farmers and artisans was appearing a new State, whose officials were servants of the State and possessionless in the truest sense of the word. The State found a way out of that unhealthy condition of things; it assumed responsibility for the welfare of its servant who was unable himself to provide for his old age, and instituted the pension on retirement. Thus a whole class, left without possessions, was skillfully delivered from social misery and incorporated in the body of the nation. In late years, the State has had to face the same question on a far larger scale. Fresh masses of people, amounting to millions, have been constantly removing from the villages to the larger towns, to earn a living as factory workers in the new industries.

Thus, a new class has actually come into being to which but little attention has been paid, and a day will come when one will have to ask whether the nation has the strength by its own efforts once more to incorporate the new class in the general community or whether the distinction of class and class is to broaden into a rift.

While the bourgeoisie has been ignoring this most difficult question and letting things happen as they please, the Jew has been considering the boundless possibilities, which present themselves as regards the future. On the one hand he is making use of his capitalistic methods for exploiting humanity to the very full, and on the other he is getting ready to sacrifice his sway and very soon will come out as their leader in the fight against himself. 'Against himself' is, of course, only a figurative expression, for the great master of lies knows very well how to emerge with apparently clean hands and burden others with the blame. Since he has the impudence to lead the masses in person, it never occurs to the latter that it is the most infamous betrayal of all time.

The Jew's procedure is as follows: He addresses himself to the workers, pretends to have pity for their lot or indignation at their misery and poverty in order to gain their confidence. He takes trouble to study the real or imaginary hardness of their lives and to arouse a longing for a change of existence. With untold cleverness, he intensifies the demand for social justice dormant in all men of Aryan stock and so stamps the struggle for removal of social evils with a quite definite character of universal world importance. He founds the doctrine of Marxism.

By mingling it inextricably with a whole mass of demands, which are socially justifiable, he ensures the popularity of the doctrine, while on the other hand he causes decent people to be unwilling to support demands which, being presented in such a form, appear wrong from the start, nay, impossible of realization. For under the cloak of purely social ideas there lie hidden truly evil intentions, and these are brought into the open with impudent downrightness and frankness. By categorically denying the importance of personality, and so of the nation and its racial significance, they destroy the elementary principles of all human culture.

The Jew divides the organization of his world-teaching into two categories, which, though apparently separate, really form an inseparable whole; the political and labor movements.

The trades-union movement is the more wooing one. It offers the workman help and protection in his hard fight for existence, for which he has to thank the greed or short-sightedness of many an employer, and also the possibility of wresting better living conditions. If the worker shrinks from entrusting the blind caprice of men, often heartless and with but little sense of responsibility, with the defense of his right to live as a man, at a time when the State – i.e., the organized community – is paying practically no attention to him, he will have to protect his interests himself. Now that the so-called national bourgeoisie, blinded by money interest, is setting every obstacle in the way of this struggle for a living,

and is not only opposing, but universally and actively working against all attempts to shorten the inhumanly long hours of work, put an end to child labor, protect the women, and produce healthy conditions in factories and dwellings – the cleverer Jew is identifying himself with the underdog. He is gradually assuming leadership of the trades-union movement – all the easier because what matters to him is not so much genuine removal of social evils, as the formation of a blindly obedient fighting force in industry for the purpose of destroying national economic independence.

The Jew forcibly drives all competitors off the field. Helped by his innate greedy brutality, he sets the trades-union movement on a footing of brute force. Anyone with intelligence enough to resist the Jewish lure is broken by intimidation, however determined and intelligent he may be. These methods are vastly successful.

By means of the trades-union, which might have been the saving of the nation, the Jew actually destroys the bases of the nation's economics.

The political organization proceeds on parallel lines with the foregoing. It works with the trades-union movement, since the latter prepares the masses for the political organization, and in fact drives them forcibly into it. It is, moreover, the constant money source out of which the political organization feeds its vast machine. It is the organ of control for the political work and acts as whipper-in for all great demonstrations, political in character. Finally it loses its economic character altogether, serving the political idea with its chief weapon, the general strike.

By creating a press, which is on the intellectual level of the least educated, the political and labor organization obtain means of compulsion, enabling it to make the lowest strata of the nation ready for the most hazardous enterprises.

It is the Jewish press which, in an absolutely fanatical campaign of calumny, tears down all which may be regarded as a prop of a nation's independence, its civilization, and its economic autonomy. It roars especially against those who have strength of character enough not to bow to Jewish domination or whose intellectual capacity appears to the Jew in the light of a menace to himself.

The ignorance displayed by the mass of the people as to the true nature of the Jews and the lack of instinctive perception of our upper class make the people easy dupes of this Jewish campaign of lies. While the natural timidity of the upper class makes it turn away from a man who is being thus attacked by the Jews with lies and calumny, the stupidity or simple-mindedness of the masses causes them to believe all they hear. The State authorities either cower in silence or – more frequently still – in order to put an end to the Jews' press campaign, they persecute those who are being unjustly attacked, and this, in the eyes of such Jacks-in-office, stands for vindication of State authority and maintenance of peace and order.

Thus, if we review all the causes of the German collapse, the final and decisive one is seen to be the failure to realize the racial problem and, more especially, the Jewish menace.

The defeats on the field of battle of August, 1918, might have been borne with the utmost ease. It was not they that overthrew us; what overthrew us was the force that prepared for those defeats by robbing the nation of all political and moral instinct and strength, by schemes that had been underway for many decades. In ignoring the question of maintaining the racial basis of our nationality, the old Empire disregarded the one and only law that makes life possible on this earth.

The loss of racial purity ruins the fortunes of a race forever; it continues to sink lower and lower and its consequences can never be expelled again from the body and mind.

Thus, all attempts at reform, and all social work, all political efforts, every increase of economic prosperity, and every apparent addition to scientific knowledge went for nothing. The nation and the organism that made life possible for it on this earth – i.e., the State – did not grow sounder, but waned visibly more and more. The brilliance of the old Empire failed to conceal the inner weakness, and all attempts to add strength to the Reich came to nothing each time, because they persisted in ignoring the most essential questions of all.

That is why in August 1914, a nation did not rush full of determination into the battle; it was merely the last flicker of a national instinct of self-preservation face to face with the advancing forces of Marxism and pacifism, crippling the body of our nation. But since in those fateful days no one realized the domestic foe, resistance was all in vain, and Destiny chose not to reward the victorious sword, but followed the law of eternal retribution.

XII

THE FIRST PERIOD IN THE DEVELOPMENT OF THE NATIONAL SOCIALIST GERMAN WORKERS' PARTY

IF I offer an account of the close of this first period in the development of our movement, and mention shortly a number of matters connected with it, my intention is not to give a dissertation on the theoretic aims of the movement. The latter has tasks and aims so tremendous that a whole section must be devoted to dealing with them. Therefore, I shall go thoroughly into the principles, as regards program, of the movement, and attempt to draw a picture of what we understand by the word 'State' in Part II of this volume. By 'we', I mean all the hundreds of thousands who in the main long for the same thing, but have not the words to express what is fluttering in their minds. For it is a remarkable fact of all great reforms that they often have only one man as champion from the start, but millions carry on the work. Their aim is frequently one, which has been desired in secret by hundreds of thousands for centuries, until one arises to proclaim the universal desire, and as its standard-bearer drives the old longing into victory in a new idea.

The deep discontent felt by millions proves that in their hearts they cherish a longing for a thorough change in conditions as they are today. There many who are sick of elections are a witness to this; also the numbers who incline to the fanatical extreme of the Left. It is to those that the young movement should first turn.

The question of recovering our nation's political power is first and foremost one of restoring our national desire for self-preservation, since experience shows that the building-up of foreign policy, and also assessment of the importance of any State, are based less on existing armaments than on the known or imagined powers of resistance of a nation. For an alliance is concluded not with weapons, but with men. Thus, the British nation will continue to be considered as the most valuable ally in the world as long as the world looks to the leadership and spirit of its people for ruthlessness and tenacity which is determined to fight out a struggle, once begun, by every means and without regard for time and sacrifice, right on to the victorious end; which proves that there is no need for the military armaments existing at any given moment to be in any special ratio to those of other States.

A young movement aiming consequently at reestablishing a German State with self-government will have to concentrate its forces on gaining the support of the mass of the people. Our so-called 'national bourgeoisie' is so hopeless, so greatly wanting in national sentiment, that there is certain to be a serious opposition from that quarter against a strong national policy at home and abroad. By reason of this same stupidity, however, the German bourgeoisie maintained

an attitude of passive resistance even against Bismarck in the hour of the coming liberation, and now also, owing to their proverbial timidity, there is no reason to fear any active opposition.

But with the mass of our compatriots with international sympathies, it is otherwise. Not only is their primitive nature more inclined to ideas of violence, but their Jewish leaders are more brutal and ruthless.

Added to this is the fact that the leaders of the parties of national betrayal must and will necessarily oppose any movement whatever for motives of self-preservation. It is historically inconceivable that the German Nation may return to its former position without first reckoning with those who gave the first impulse to the frightful disaster that visited our State. For before the judgment seat of the future, November 1918, will be tried not for high treason, but for betrayal of the nation.

Thus, any idea of restoring German independence is inseparably bound up with restoration of a determined spirit in our people.

It was clear to us, even in 1919, that the chief aim of the new movement must be to awaken a sentiment of nationality in the masses. From the tactical standpoint, a number of requirements arise out of this.

1. No social sacrifice is too great in order to win the masses over to the national movement. But a movement whose aim is to recover the German worker for the German nation must realize that economic sacrifices are not an essential factor in it, so long as the maintenance and independence of the nation's economic life are not menaced by them.

2. Nationalizing of the masses can never be effected by half-measures or by mild expression of an 'objective standpoint,' but by determined and fanatical concentration on the objective aimed at. The mass of the people do not consist of professors or diplomats. A man who desires to win their adherence must know the key that will unlock the door to their hearts. This is not objectivity – i.e., weakness – but determination and strength.

3. There can only be success in winning the soul of the people if, while we are conducting the political struggle for our own aim, we also destroy those who oppose it.

The masses are but a part of nature, and it is not in them to understand mutual hand-shakings between men whose desires are nominally in direct opposition to each other. What they wish to see is victory for the stronger and destruction of the weaker.

4. Incorporation of a section of the nation, which has become a class as part of the national whole, or simply of the State, is to be effected, not by debasing the higher classes, but by raising the lower ones. But the class entrusted with this process can never be the higher one, but the one which is fighting for the rights of equality. The bourgeoisie of today are not incorporated in the State by any help from the nobility, but by its own activity and under its own leadership.

The most serious obstacle in the way of approaching the worker of today is not his jealousy of his interests of a class, but the attitude of his international leaders, which is hostile to the nation and the Fatherland. Those same trade unions, if led

in a fanatically national spirit with regard to politics and nationality, would convert millions of workers into very valuable members of the nation, and this would be entirely unconnected with any struggles occurring here and there in the domain of pure economics.

A movement, which would honestly restore the German worker to his own people and rescue him from the madness of internationalism, must be in definite opposition to the attitude ruling among great employers, which interprets common nationality in the sense of helpless economic subjection of the employee to the employer.

The worker errs against the common nationality when, without regard to the common welfare and preservation of the nation's economy, he makes extortionate demands from confidence in his strength, just as gravely as the employer does when he misuses the working strength of the nation by inhuman methods of exploitation and makes extortionate profits out of the sweat of millions.

Thus, the reservoir from which the young movement should draw its adherents will be in the first place the body of workers. Its task will be to deliver them from the folly of internationalism, free them from their social poverty, raise them out of their cultural depression, and to convert them into a factor in the community, which shall be solid, valuable, and filled with national feelings and aspirations.

Our aim, in fact, is not to produce an upheaval in the national camp, but to win the anti-national camp over to our cause. This principle is an absolutely essential one for the tactical direction of the whole movement.

This consistent, and therefore clear, attitude must be expressed in the propaganda of the movement, and, moreover, it will be necessary for the propagandist reasons. Both in subject and in form, propaganda should be framed so as to reach the mass of the people; the only means of measuring its correctness is success in practice. In a larger popular assemblage, the most effective speaker is not he who appeals most to the educated section of his audience, but he who captures the hearts of the crowd.

The objective of a movement of political reform is never attained by a labored explanation, or by bringing influence to bear on the powers that be, but only by seizing political power.

But a *coup d'état* cannot be regarded as successful merely if revolutionaries take possession of the administration, but only if the success of the objects and intentions underlying such revolutionary action bring more good to the nation than they enjoyed under the preceding regime; and this cannot well be said of the German revolution, as the act of brigandage of the autumn of 1918 is called.

But of seizure of political power is the preliminary to the practical carrying-out of reforms, then a movement with reforming intentions must, from the first day of its existence, feel itself to be a movement of the people, and not a literary tea-club of a party of smug skittle players.

The young movement is in its essence and organization, anti-parliamentarian; i.e., it rejects in principle and in its composition any theory of the majority vote, implying that the leader is degraded to being merely there to carry out the orders and opinions of others. In small things and great, the movement stands for the principle of unquestioned authority of the leader, combined with fullest responsibility. It is one of the main tasks of the movement to make this principle the deciding one, not only within its own ranks, but also throughout the State.

Finally the movement does not consider it its duty to maintain or restore any particular form of State in opposition to any other one, but rather to create those fundamental principles, without which neither Republic nor Monarchy can exist in permanency. Its mission is not to found a Monarchy or to establish a Republic, but to create a Germanic State.

The question of the internal organization of the movement is not one of principle, but of expediency. The best organization is one that inserts least, and not most, machinery of State between the leaders and the individuals depending from them. For the task of organization is to communicate a definite idea – which always originates in the brain of one single man – to the general public, and also to see its conversion from theory into reality.

When the number of adherents increases, small affiliated groups are to be formed which represent local nucleus cells in the future political organization.

The internal organization of the movement should be on the following lines: Concentration at first of the whole work in one spot – Munich. A staff of adherents of undoubted reliability to be trained and a school formed for future propagation of the idea. The necessary authority to be gained for later on by means of the greatest and most visible success possible at that one centre.

Local groups are not to be formed until the authority of the central leadership in Munich has received absolute recognition.

For leadership not only will power is required, but also the capability from which energy receives greater weight than from pure genius itself. A combination of the three qualities is best of all.

The future of a movement is dependent on the fanaticism, the intolerance even, with which its adherents defend it as the one right course and carry it through in opposition to schemes of similar character.

It is a very great error to think that a movement becomes stronger by linking itself with others, though they may have similar aims. I admit that any increase of size means an increase of scope, and – in the eyes of superficial observers – of power as well; in reality, however, a movement merely admits the seed of weakness within itself, which makes itself felt later on.

The greatness of any active organization, which is the embodiment of an idea, lies in the spirit of religious fanaticism and intolerance in which it attacks all others, being fanatically convinced that it alone is right. If an idea is right in itself,

and, being armed with such weapons, wages warfare on this earth, it is invincible, and persecution only increases its internal strength.

The might of Christendom lay, not in any attempt to reconcile itself with the philosophical opinions of the ancients, which had some similarity with its own, but its unrelenting and fanatical proclamation and defense of its own doctrines.

The members of the movement must not be frightened by the hatred of the enemy of our nation and by his theories of government, or by his words; they must look for all this. Lies and calumny are essentially bound up in that hatred.

Any man who is not attacked, slandered, and calumniated in the Jewish press is no true German, no true National Socialist. The best standard for the value of his sentiments, the reality of his conviction and the strength of his will power is the ferocity shown towards him by the enemies of our nation.

The movement should use every means to instill respect for personality; it should bear in mind that all human value lies in personality, that every idea, every accomplishment, is the result of one man's creative work, and that admiration for greatness is not merely a thank offering paid to it, but also a bond uniting those who are grateful to it. There is no substitute for personality.

In the earliest days of our movement, we suffered great disabilities owing to the fact that our names carried no importance and were unknown; this by itself made any chance of success most questionable. The public, of course, knew nothing whatever about us. In Munich, no one even knew of the party by name, barring the small numbers of adherents and the few who knew them. It was, therefore, essential to extend the little circle, get fresh adherents, and at all costs get the name of the movement known.

With this in view we tried each month and later on each fortnight, to hold a meeting. The invitations were partly typed and partly written by hand on tickets. I remember myself delivering as many as eight of those tickets on one occasion, and in the evening we waited for the crowds who ought to be coming. After putting off the meeting for an hour, the chairman was obliged to start it with the original seven members, and no one else!

We poor devils subscribed little sums and finally managed to advertise a meeting in the *Münchener Beobachter*, which was then independent. This time the success was amazing.

We had taken a room for the meeting. At seven o'clock 111 persons were present and the meeting began. A Munich professor was to make the chief speech, and I was to speak second. I spoke for thirty minutes, and I now proved what I had instinctively felt, but did not know for certain in any way: I could speak. After thirty minutes, the audience in the little hall were electrified, and the enthusiasm was such that my appeal caused those present to be ready to subscribe three-hundred marks for expenses. This relieved us of a great anxiety.

The then chairman of the party Herr Harrer, was by profession and training, a journalist. But as a party leader he had one great disability. He was not an orator

for the masses. Exact and conscientious though his work was, for want of this talent perhaps, he lacked the extra driving power. Herr Drexler, then local chairman of the movement in Munich, was simply a workman and of not much account as a speaker; moreover, he was not a soldier. He had never served in the War, so that, besides being naturally weak and undecided, he had never had the sole training, which can make men out of soft undecided characters. Thus, neither of them was hewn out of timber of the kind to assimilate fanatical faith in victory for any movement.

I myself was then still a soldier.

Most of all must the Marxist betrayers of the nation have hated a movement, the outspoken aim of which was to win over the masses, which up until then had been absolutely at the beck and call of the international Marxist-Jewish stock exchange parties. The title 'German Worker's Party' was an irritation by itself.

Throughout the winter of 1919-20, our one struggle was to strengthen faith in the conquering power of the young movement and swell it into the fanaticism, which has power to remove mountains.

A meeting in the Deutsches Reich in the Dachauerstrasse again proved that I was right. The attendance amounted to over two hundred, and our success both financially, and as regards the public was brilliant. A month later, over four hundred came to our meetings.

It was for good reason that the young movement fixed on a definite program, and did not employ the word 'popular' (völkisch). Owing to its lack of limitation as a conception, that expression offers no possible basis for any movement, nor does it set a standard for those who are to belong to it. Since the conception is hard to define in practice and is open to broad variations of interpretation, its appeal is too wide. Introduction into the political struggle of a conception, so undefined and with so many interpretations, would tend towards destroying that community of aim in the struggle, in order to attain which it cannot be left to the individual to settle his desires and convictions for himself.

I cannot enough warn the young movement against being drawn into the net of so-called 'silent workers.' They are not only cowards, but are always incapable and idle. A man who knows of a matter, who recognizes some possible danger and sees a remedy for it before his eyes, has the obligation laid upon him not to work 'silently,' but to stand up publicly against the evil and work for its cure. If he fails in this, he is a miserable weakling, forgetful of duty, who fails either from cowardice or from laziness and incapacity. But that is how most of these 'silent workers' usually react, as though they knew God knows what. They are quite incapable, yet they try to trick the whole world with their pretensions; they are lazy, yet give an impression of vast and busy activity with their pretense of 'silent work.' In short, they are swindlers, political profiteers, who hate the honest work done by others. Every single agitator with courage to stand up to his opponents

in the tavern and defend his views boldly and frankly affects more than a thousand of such sneaking, insidious hypocrites.

Early in 1920, I urged that the first mass meeting should be held. Herr Harrer who was then chairman of the party, felt unable to agree with my views as to the moment chosen and retired in all honor from being leader of the movement. Herr Anton Drexler was his successor. I myself undertook to organize the propaganda of the movement and now proceeded to carry it on without stint.

February 24, 1920, was the date fixed upon for the first great mass meeting of the movement, which was still unknown. I made the arrangements in person. The color we chose was red, as providing the best draw, and being the one most likely to excite and irritate our opponents, and therefore to impress us most firmly on their minds and memories.

The meeting started at seven-thirty. At seven-fifteen, I walked through the hall at Hofbräuhaus in the Platzl in Munich, and my heart nearly burst with joy. That great hall – for it seemed great to me then – was close-packed and overflowing with an audience of nearly two-thousand. When the first speaker had finished, it was my turn to speak. In a few minutes interruptions hailed on me, and there were violent scenes in the body of the hall; a handful of faithful War-comrades and a few other adherents engaged the disturbers and managed to restore quiet after a bit. I was able to proceed. Half an hour later, the applause began to drown the interruptions and hooting, and finally, when I had explained the twenty-five points, I had before me a hand full of people, united in a new conviction, a new faith, a new will. A fire had been kindled from the glow of which the sword was to emerge destined to restore freedom to the Germanic Siegfried and life to the German nation.

In Part II, I shall describe in detail the principles that guided us in settling our program. The so-called international classes have laughed at us and joked about us in their attempt to find fault. But the effectiveness of our program has furnished the best proof that our views at that time were the correct ones.

PART II

PART II

I

WORLD THEORY AND PARTY

IT WAS clear that the new movement could not hope to attain the importance and strength required for the great struggle unless it succeeded from the very start in planting in the hearts of its adherents, the noble conviction that it was not merely supplying political life with a new election cry, but that it presented a new view of the world.

It should be reflected what wretched motives are normally at the bottom of 'party programs' when these are polished up from time to time and remodeled. One motive there is which constantly drives the party either to introduce new programs or to alter existing ones – the anxiety about the result of the next elections.

Once the Parliamentary elections are over, the member – who is elected for five years – goes each morning to the House, not perhaps right inside, but at any rate as far as the hall in which the attendance lists are placed. His fatiguing service in the people's cause leads him to sign his name, and in return for this exhausting effort, daily repeated, he accepts a small honorarium as his well-earned reward.

There is hardly anything as depressing as to watch all that goes on in Parliament in its sober reality and to have to look on at that constantly repeated betrayal.

Such intellectual soil is not likely to produce strength in the camp of the bourgeoisie to fight the organized forces of Marxism. Indeed, gentlemen in the Parliament are not giving serious thought to it. Seeing that for all parties of so-called bourgeoisie tendency, politics actually consist wholly in the tussle for each man's seat in Parliament, in which convictions and principles are thrown overboard like sand-ballast at the requirement of the moment, their programs are naturally determined and their strength estimated – the other way around of course – in accordance with the same. They lack the great magnetic attraction to which the masses only respond under the urgent impression of great and lofty ideas and unquestioning faith combined with fanatical fighting courage.

But at a time when one side, fully armed with weapons a thousand times criminal, attacks an existing order of things, the other side can only offer resistance if it assumes a new form of faith – in our case political – and rejects a weak and timid defensive attitude in favor of bold and ruthless attack.

The conception 'popular' (völkisch) appears to be as indefinite and devoid of limitation in practice and is capable of varying interpretation as the word

'religious.' Both include certain basic beliefs. And yet, although of supreme importance, they are so vague in form that they do not rise above the value of an opinion which must more or less must be admitted, until they become fixed as the basic elements within the frame of a political party. For by mere sentiment, mankind is as incapable of converting world-ideals and the demands which arise out of them into realities as it is of winning freedom merely by a universal longing for it. No, it is not until the ideal urge towards independence adopts a fighting organization in the form of military force that the desires of a nation can be converted into noble realization.

Any world-ideal, be it a thousand times right and highly profitable to mankind, will still be without force for the life of a nation until its principles are made the basis of a fighting movement, capable of maintaining itself as a party until action is crowned by triumph and until its party dogmas become a new basic law of the State.

The ordinary attitude towards politics, current with us today, rests in general on the notion that creative and civilizing strength ought to be an attribute of the State, that the latter has no part in matters affecting race, but is a product of economic necessity or, at the best, a natural outcome of political forces. Carried to its logical conclusion, this basic attitude leads not merely to misrepresentation of racial causes, but also to failure to assign to personality its proper value. For a denial that there is a difference between races as regards their capacity for building up culture is bound to extend that great error to judgments formed concerning the personality of the individual. An assumption that all races are equal as regards character will be followed by a similar way of considering nations, and so on to individuals. Thus, international Marxism itself is merely a general view of the world – which has really been held for a very long time – carried forward by the Jew, Karl Marx in the form of a definite confession of political faith. Lacking the foundation of some such poisoning process in general operation, the extraordinary political success of those doctrines would have been impossible. Karl Marx was in reality merely the one man among millions who recognized with the sure eye of a prophet in the slough of a corrupting world the essential poison and extracted it, as if by magic arts, in a concentrated solution in order to bring quicker destruction to the independent existence of free nations on this earth. And all in order to serve his own race.

In this way, the Marxist doctrine is the intellectual epitome of the world-views generally current today

In this part of the world, human culture and civilization are inextricably bound up with the presence of the Aryan element. If it died out or went under, the black veil of a cultureless period would once again descend upon the globe.

To anyone who views the world through Nationalist eyes, any breach in the existence of human civilization, effected by the destruction of the race, which maintains it, would appear in the light of the most accursed of crimes. Whoever dares lay his hand on the most noble image of the God is sinning against the

kindly Creator of that marvel and is lending a hand in his own expulsion from Paradise.

We are all aware that in the distant future, mankind will have to deal with problems, to cope with which some most noble race will have to be summoned as master-nation, supported by the forces of the whole of the globe.

Organization of a world theory can at all times only be effected by its being enunciated definitely and distinctly; the principles of a political party which is in process of formation are the same for it as dogma is for a religion.

Therefore, the Nationalist world-theory must have an instrument forged for it that will offer a possibility of our defending it by force – just as now the Marxist Party organization is opening the way for internationalism. This is the aim, which the National Socialist German Worker's Party is pursuing.

I then perceived that it was my especial task to extract the central ideas from the mass of unshaped material of a universal world-theory and remold them in a more or less dogmatic form, which, being clearly cut and dried, should be of a kind to unite solidly all those who subscribed to it. In other words: The National Socialist German Worker's Party undertakes to adapt the essential principles of a universal national world-theory, and, having due regard to practical possibilities, the times, and the supply of human material and its weaknesses, to formulate from them a political creed which shall in time come to be the preliminary condition for the final triumph of that world-theory when once such methods have made possible a rigid organization of great masses of people.

II

THE STATE

EVEN in 1920-21, an accusation was brought against our young movement by the bourgeois world – now out of date – that our attitude towards the State was one of rejection; from this the party politicians of every color argued that it was right to fight in order to crush by every possible means the young, inconvenient champion of a new world-theory. They had forgotten purposely that the bourgeois world itself represents that the State is no longer a homogenous body, that there is and can be no consistent definition of the word. And yet in our State high schools there sit instructors in the shape of lecturers on State law, whose task it must be to find reasons and explanations for the more or less happy existence of their food-distributing centre in our midst. The worse the constitution of a State, the sillier, more high-flown, and less comprehensible are the definitions for its object in existing. How, for instance, could an Imperial-Royal professor once write about the meaning and object of the State, in a country whose State existence is the worst monstrosity of the twentieth century? A difficult task indeed!

It is possible to distinguish three groups among the German people:

First, the group of those who see the State as a more or less voluntary collection of people under a government administration. For them the mere existence of the State constitutes its claim to sanctified inviolability. In support of this mad conception of the human brain, they observe doglike adoration for 'State authority,' so-called. Thus, by a turn of the hand they convert a means into the final end. The State is not there to serve men, but men are there for the purpose of worshipping a State authority which clothes, as it were, a kind of ultimate spirit of officialdom.

The second group does not believe that State authority is the one and only object of the State, but that furtherance of its subjects' welfare has something to say in it. Thoughts of 'freedom,' wrongly understood for the most part, intrude themselves into this group's conception of the State. The fact, by itself, that the form of government exists, is not sufficient reason to consider it sacrosanct, but it must stand examination as regards suitability. We meet most of the supporters of this view among our normal German bourgeoisie, and especially among Liberal Democrats.

The third group is the weakest numerically. It sees the State as a vehicle for realizing very vaguely imagined tendencies towards a policy of force by a unified nation, all speaking the same language.

It was truly distressing to see how, during the last hundred years, people holding these opinions – in all good faith, most of them – played with the word 'Germanize.' I remember how in my own youth, this term led to amazingly false conceptions. In Pan-German circles, one heard it suggested that, with help from

the government, Germanization of the Austrian Slav population might be successfully carried out. It is hardly imaginable that anyone should think that a German could be made out of, say, a Negro or a Chinaman, because he has learned German and is ready to speak it for the rest of his life, and to vote for some German political party.

The process would mean a beginning of the bastardization of our race, and in our case not Germanization, but destruction of the German element.

Since nationality, or rather race, is not a matter of language, but of blood, it would be possible to talk about Germanization only if the process could alter the nature of the blood of the person subjected to it. That, however, is impossible. It would have to take place, then, by mixing the blood, but that would mean lowering the level of the superior race.

History shows that it was Germanization of the *land*, which our forefathers won with the sword, which brought profit, for it was colonized with German agriculturists. Whenever foreign blood has been introduced into the body of our nation, its unhappy effect has been to break up our national character.

The main principle that we must observe is that the State is not an end, but a means. It is the foundation on which higher human culture is to rest, but it does not originate it. It is rather the presence of a race endowed with capabilities for civilization that is able to do this. There might be hundreds of model States in the world, and yet, if the Aryan conserver of culture died out, there would be in existence no culture on an intellectual level with that of the highest nations of today. We may go still further and say that the fact that men form States would in no way cut out the possibility of the human race disappearing, supposing superior intellectual capacity and adaptability became lost owing to lack of a race to conserve them.

The State as such does not create a definite cultural standard; it can merely include the race that decides it. Hence, the necessary condition for producing a higher humanity is not the State, but the race that possesses the essential qualities for it.

Nations, or, better still, races possessing cultural and creative talent have these useful qualities latent in them, even though outside circumstances being unfavorable at a given moment, may prohibit development of them. Thus, it is outrageous to represent the Germanic peoples of the pre-Christian era as cultureless barbarians. That they never were. The harsh climate of their northern home forced them to exist under conditions that prevented their creative qualities from developing. If there had been no classic antique world, and if they had come to the more favorable Southern lands and had obtained the earliest technical aids to progress – that is by employing races inferior to themselves – the capacity for creating culture which was dormant in them would have produced an efflorescence just as splendid as did in fact happen in the case of the Hellenes.

The chief aim to be pursued by a national State is conservation of the ancient racial elements, which, by disseminated culture, create the beauty and dignity of

a higher humanity. We as Aryans can only picture to ourselves the State as the living organism of a nationality which will not only ensure that the nationality shall be maintained, but also, by continuing to nurture its intellectual and imaginative capabilities, will lead it onto the highest freedom.

And yet today the presence brought to bear on us as a State is a product of intense human error, with a likelihood of unspeakable misery to follow. We National Socialists are aware that the present day world regards us as revolutionaries on account of our ideas, and is branding us as such. But our thought and action must not be influenced by our own epoch's approval or condemnation, but by firm adherence to the truths which we recognize. We may then be sure that the clearer vision of posterity will not only comprehend our action of today, but will admit that it was right, and pay honor to it.

In speaking of a higher mission of the State, we should not forget that the higher mission resides essentially in the nation, and that the State's duty is merely to make use of its organizing strength for the purpose of promoting the nation's free development.

But, if we ask how the State which we Germans require should be constituted, we must first be clear as to what kind of men it should aim at producing and what object it sets out to serve.

Unfortunately, the central kernel of our German nation is no longer racially homogenous. The process of welding the various original components together has not yet gone so far that we can assert that a new race has emerged from it. On the contrary, the poisoning through the blood from which our national body has suffered ever since the Thirty Years' War has not only upset our blood, but our soul as well. The Fatherland's open frontiers, the neighborhood of foreign non-German bodies close to our frontier lands, and above all the steady flow of foreign blood into the interior of the Reich, leave no time for absolute fusion, since the invasion continues without intermission.

Germans are without the herd instinct, which appears when all are of one blood, and protects nations against ruin, especially at moments when danger threatens. The fact of this want has done us untold harm. It provided a number of small German potentates with capitals, but it robbed the German nation of its rights of mastery.

To take the place of a dead machine, which only claims to exist for sake of itself, a living organism must be formed with the exclusive aim of serving a high conception.

In its capacity as a State, the German Reich must gather all Germans to itself; it must not only select out of the German nation only the best of the original racial elements and conserve them, but must slowly and surely raise them to a position of dominance.

It is quite natural that the officials that control our State today are much happier in working to simply keep things going as they are than in fighting for something which is to come. They feel it is easier to look on the State as a machine that is

there simply for the purpose of keeping them alive – so that their lives, as they are fond of saying, 'belong to the State.'

When, therefore, are we fighting for our new ideas – which are in full harmony with the original meaning of things – we shall draw very few comrades for the fight from a collection of men who are obsolete in body and, alas! Only too often so in mind as well. Only the exceptions, old men young in heart and fresh in mind, will come with us, but never those who think that the final significance of their task in life is to maintain a condition of things unaltered.

We must bear in mind that, if a certain sum of high energy and efficiency has been extracted from a nation and appears to be united in *one* single aim, and has been finally segregated out of the inertia of the masses, this small percentage *ipso facto* rises to become master of the rest. The world's history is made by minorities, which have incorporated in themselves the greater part of the nation's willpower and determination.

Therefore, that which appears to many to be a disadvantage is in reality the necessary condition for our victory. It is in the greatness and difficulty of our task that the probability lies that only the best fighters will join us in the fight. The pledge of success lies in choice of the very best.

Every crossing of races leads sooner or later to the decay of the hybrid product, so long as the higher portion of the cross survives united in racial purity. It is only when the last vestige of the higher racial unit becomes bastardized that the hybrid product ceases to be in danger of extinction. But a foundation must be laid of a natural, if slow, process of regeneration which shall gradually drive out the racial poison, that is, granted that a foundation stock of racial purity still exists and that the process of bastardization is arrested.

It is the first duty of a national State to raise marriage from being a perpetual disgrace to the race, and to consecrate it as an institution designed to reproduce the Creator's image and not some monstrous beings, half man, half monkey.

Protests against this on so-called humanitarian grounds ill befit an epoch which allows any corrupt degenerate to reproduce himself, and so lay a burden of unspeakable suffering both on his contemporaries and on his offspring, while, on the other hand, means for preventing a birth are offered for sale in every chemist's shop and even by street-hawkers, to parents who are perfectly healthy. In this orderly latter-day State – as those who defend it assert – in this brave world of nationalist bourgeois, prevention of fecundity in sufferers from syphilis, tuberculosis, and hereditary diseases, cripples and *cretins* counts as a crime, whereas what is in practice a cessation of fecundity in millions of our best people is not regarded as an evil or an offence against the morals of this sanctimonious society; it is instead a sop to its shortsighted slackness of thought. For if it were otherwise, they would have to rack their brains and consider how to make provision for nourishing and conserving the healthy representatives of our nation who should perform a similar service for the benefit of generations to come.

How greatly lacking in details and honor is this whole system! No one is making an effort to cultivate what is best for the sake of posterity, but things are allowed to go on just as they are going on now.

It is the duty of the national State to recover all that is being let drop now on all sides. It must put the race in the central position in the general life of the nation, and see to its being kept pure. It must declare childhood to be the most precious possession of the nation. It must see to it that only the healthy beget children – that it is not only disgraceful for persons diseased or with personal disabilities to send children into the world, but, on the contrary, an honorable action to refrain from doing so. On the other hand, it must be considered a reproach to deprive the nation of healthy children. The State must place the most modern medical aids at the service of these accepted facts. It must declare unfit to beget children anyone who is clearly diseased or has hereditary disabilities, and back up its decision with action. It must also see that the fruitfulness of a healthy woman is not blocked by the damnable régime of finance, which makes the blessing of children into a curse for the parents.

By educating the individual, the State must teach that it is not shameful, but a regrettable misfortune, to be ailing and weakly, but that it is criminal and therefore shameful to burden an innocent being with his own misfortune; whereas it is proof of high nobility of feeling and humanity worthy of admiration if a sickly but innocent man renounces having a child of his own and transfers his love and tenderness to some poor strange infant, whose healthy nature gives promise of becoming a strong member of a strong community. By this work of education the State should crown its practical activities in their intellectual aspect. Its action should go on, unaffected by consideration whether the work is understood or misunderstood, popular or unpopular.

It must be made possible for the national consciousness in the national State to bring into being a more glorious epoch in which men no longer give all of their attention to improving the breeds of horses, dogs, and cats, but rather to raising the condition of man, and in which one man silently practices renunciation with knowledge, while another person rejoices in sacrificing and giving. This ought not to be impossible in a world where hundreds of thousands of men voluntarily give themselves up to celibacy, bound by nothing but the commands of a church.

If a generation suffers under failings, which it knows of and indeed admits, and if it contents itself, as in the case today with our bourgeois world, with lightly declaring that nothing can be done about it, such a society is doomed to destruction.

No, we just all of us refuse to give in to this deception. Our present bourgeois is now too bad and unfit to deal with any great task for humanity. It is too bad – not, in my opinion, from deliberate depravity, but from colossal indolence and all that springs from it. It is long since the political clubs, which go about under the generic name of bourgeois parties, have been anything else than societies representing certain distinct classes and professions, and they have nothing finer to do than to defend their selfish interests as best they can. It is obvious that a

guild of bourgeois politicians, such as ours, is fit for anything rather than fighting; especially when the other side consists, not of cautious shopkeepers, but of proletarian masses, violently aroused and absolutely determined.

It is the duty of the State to turn the young scions of the race into worthy instruments for increasing the race later on. With this in view the national State must direct its educational work, in the first place, not so much towards pumping in mere knowledge as towards cultivating thoroughly healthy bodies. After that comes development of mental capability. Here again formation of character comes first, especially encouragement of will-power and determination, combined with teaching the joy of assuming responsibility, and last of all comes schooling in pure knowledge.

The national State must act on the presumption that a man moderately educated, but sound in body, firm in character, and filled with joyous self-confidence and power of will, is of more value to the community, than a highly educated weakling.

Cultivation of the body is, therefore, not an affair for the individual in the national State, nor even a matter, which affects parents alone, being of second- or even third-rate interest to the community, but it is a requisite for maintenance of the race, which the State is to defend and protect. The State must also distribute its work of education that the young bodies are handled in earliest childhood and receive the hardening necessary for later life. It must take particular care that a generation of stay-at-homes is not produced.

Schools in a national State should set aside more time for bodily exercise. There should be no day on which a boy should not have at least an hour's corporal training, both in the morning and afternoon, in games and gymnastics; one sport in particular should not be omitted, which many 'nationalists' look on as rough and unworthy – boxing. It is unbelievable what false ideas are common about it among the 'educated.' They think it natural and honorable for a young man to learn how to fight and for him to fight duels, but it rough if he boxes! Why? There is no sport which encourages the spirit of attack as this one does; it demands lightning decision and hardens and supple the body. It is not rougher for two youths to settle a dispute with their fists than with a polished strip of steel.

If the whole of our intellectual class had not been exclusively trained in high-class deportment and had thoroughly learned to box instead, there would have been no German Revolution of bullies, deserters and such-like. That was only made possible because our higher school education produced not men, but rather officials, engineers, chemists, jurists, *litterateurs*, and – in order to keep this intellectuality alive – professors.

Our intellectual leadership has always produced brilliant results, but our cultivation of will power has been beneath criticism.

Our German nation, which now lies in a state of collapse, kicked at by everybody, needs the suggestive strength produced by self-confidence. This self-confidence must be cultivated in the younger members of the nation from childhood

onwards. Their whole education and training must be directed towards giving them a conviction that they are superior to others. Through bodily strength and skill the youth must recover faith in the unconquerableness of his nation. For what once led the German hosts to victory was the sum of the confidence that each individual felt in himself and all felt in their leaders. It is the conviction that freedom can once again be wrested by force, which will restore the German nation to its former elevation. But that conviction can only be the final product of a sentiment shared by millions of individuals.

Let no one make a mistake about this: Vast as was the collapse of our nation, equally vast must be the effort one day to end this unhappy condition. Only by an immense output of national will power, thirst for freedom, and passionate devotion, can we restore what has been missing in us.

It is the duty of the national State to cultivate bodily efficiency, not only during the official school years; but also, when school days are over, it must see to it that, as long as a young man is still undergoing bodily development, this development shall turn out a blessing to him. It is foolish to think that the State's right to supervise its young citizens ends suddenly with the end of their school time, only to recommence when they begin their military service. The right is a duty and is equally there at all times.

The army also is not there merely to teach a man how to march and stand at attention, but it has to act as the final and highest school of national instruction. The young recruit must, of course, learn the use of his weapon, but at the same time, he must continue his training for his future life. In that school the boy shall be transformed into a man; he shall not merely learn to obey, but shall be trained with a view to commanding at some future time.

Fortified by confidence in his own strength, filled with the *esprit de corps*, which he feels in common with the rest, the boy shall attain to the conviction that his nation is unconquerable.

When his military service is over, he must be able to show two documents: his legal papers as citizen of the State, which allows him to take his part in public affairs, and his certificate of health, stating that, as regards health, he is fit to marry.

In the case of female education, the main stress should be laid on bodily training, and after that on development of character, and, of the intellect. But the one absolute aim of female education must be with a view to the future mother.

How often in the War was the complaint not heard that our people were so little able to hold their tongues, and how difficult it was, therefore, to keep even important secrets from the enemy's knowledge! But consider for yourself: Did German education before the War ever bother to represent silence as a manly virtue? No; for our existing school system regards that as a trifling matter. But, that trifling matter costs the State untold millions in law expenses, since ninety percent of the libel cases and the like arise simply from inability to keep silence. Careless statements get cast back equally carelessly; our national trade is constantly injured by manufacturer's secrets being carelessly given away, and

any quiet preparations for defense of the country made illusory, because the people have never learned to hold their tongues, and never stop talking. In war, this passion for chattering may lose battles, and be an essential cause of a war ending badly. It ought to be realized that what is not practiced in youth cannot be learned when a man is fully grown up.

Deliberate development in our schools of the finer qualities is today nonexistent. From now on, it must be considered in quite a different light. Trustworthiness, readiness for self-sacrifice, and silence are virtues that a great nation needs, and training in them in our schools is more important than a lot of the stuff that now fills the school curriculum.

Thus, the educational work of the national State must lay great stress on formation of character side by side with cultivation of the body. Many moral defects, now inherent in the body of the nation, might by consistent training be very greatly modified, even if not entirely extirpated.

People have often complained that throughout November and December 1918, there was failure in every quarter, and that from the Monarch down to the last divisional commander, no one could summon up courage to come to any independent decision. That terrible fact is a curse of our education, for in that cruel catastrophe, there appeared on a vast scale what was universally present in minor matters. It is the lack of will power, and not lack of war material, which makes us totally incapable of serious resistance. It lies deep down in our nation, and prevents our taking any decision with a risk attached, just as if greatness in action did not consist of the daring displayed. A German general succeeded, without realizing it, in discovering a classic formula for this miserable want of decision; he said: 'I never act unless I can count on fifty-one percent of success.' This 'fifty-one percent' sums up the tragedy of the German collapse.

The present day terror of responsibility is all on the same lines. The fault is in the education of the young; it permeates all public life and finds its crown in the institution of parliamentary government.

Just as the national State must in future pay full attention to cultivation of will power and decision, it must implant in the hearts of the young from childhood onwards joy in responsibility, and courage to own up to faults.

Scientific training, which today is the be-all and end-all of all State education, can be adopted by the national State with a few alterations, which may be considered under three heads.

In the first place, the youthful brain must not be burdened with subjects, ninety percent of which it does not need and therefore forgets again. Take, for instance, an ordinary State official, who has passed out of the *Gymnasium* (public day school) or the *Oberrealschule* (higher modern school), in his thirty-sixth or fortieth year. How little he has retained of all that was crammed into him!

The system of teaching, which I indicate generally, will be quite sufficient for the majority of young people, while the others, who will need a language for instance,

later on, will be enabled to build upon it and study it exhaustively of their own free choice.

It will also provide the school day with the time necessary for bodily training and for the increased requirements in other respects, as I have already indicated.

In the methods of teaching history, especially alterations must be considered. In ninety-nine cases out of a hundred, the results of the present day system are lamentable. A few dates, birth figures, and names, are all that remain, while the broad, clear lines are altogether absent. The essentials, which really matter, are never taught, but it is left for the more or less talented genius of the individual to discover the inner meaning of the flood of dates, and the succession of events.

In the teaching of history, reduction of the matter to be taught must be considered. For history is not studied merely to discover what happened, but in order that it may give instruction for the future and continued existence of our own nation. There should be no break away from the study of the antique. Rightly conceived on broad lines, Roman history continues to be the best instruction, not only for now, but also for all periods. It is the duty of a national State to see to it that a history of the world is eventually written in which the question of race shall occupy a predominant position.

The little account taken by our school-teaching today, in the secondary schools especially, with regard to professions in after-life, is best proved by the fact that men from three quite different kinds of school can enter the same profession. What counts, therefore, is general education only, and not specialized instruction. Cases regarding specialized knowledge cannot, of course, be catered for in the curriculum of our secondary schools, as they are today.

The national State must lose no time in clearing away such imperfections.

The second alteration required by our school system is as follows: a sharp cleavage must be effected between general and specialized technical training. Since the latter threatens to sink more and more, general education, at least in its ideal conception, must continue to act as a counterweight to it. We must cling to the principle that industry and technical science and trade can flourish only as long as a national community with high ideals provides the necessary setting. By this is meant not material selfishness, but readiness for sacrifice and joy in renunciation.

Today, there is no clear definition of the State as a conception; nothing is left to be taught but local patriotism. In the old Germany, it mostly took the form of somewhat dim glorification of minute potentates whose very numbers made any worthy appreciation of the great ones of our nation a matter of impossibility from the start. The result was that our people as a whole got a very imperfect notion of German history. It missed the main lines. It is thus obvious that no man could ever achieve any real enthusiasm for the nation in such a fashion.

No one knew how to represent the really important men of our nation to present day school children as glorious heroes, how to concentrate universal attention upon them, and so create a solid sentiment.

Since the revolution made its way into Germany and monarchical patriotism faded away of itself, the teaching of history has really pursued but one aim, that of mere acquisition of knowledge. The State, as it is now, has no use for national enthusiasm. There is but little chance for the permanent resisting power of patriotism in a republic. For there can be no possible doubt that the German people would ever have held out in the field for four and a half years if their motto had been 'For the Republic.'

This Republic is popular with the rest of the world. A weak man is always better liked by those who make use of him than a rough-mannered man. Indeed, the enemy's sympathy with this form of State is its most destructive criticism. They like the German Republic and allow it to go on, since no better ally in the work of enslaving our nation could possibly be found.

The national State will have to fight for its life. The Dawes proposals will not help it to defend itself. For its life and self-protection, it will require just what men now believe they can dispense with. The more perfect and valuable it is in form and essence, the more will its opponents resent and resist it. The citizens will then be its best protection rather than its weapons. Fortress walls will not cover it, but rather the living walls of men and women, full of love for the Fatherland and fanatic nationalist enthusiasm.

The third recommendation deals with scientific teaching: The national State will look upon science as a means for increasing national pride. Not only world history, but also the history of civilization must be taught from this point of view. An inventor should appear great, not merely as an inventor, but even more so as a fellow-countryman. Admiration of any great deed must be combined with pride, because the fortunate doer of it is a member of our own nation. We must extract the greatest from the mass of great names in German history, and place them before the youth in so impressive a fashion, that they may become the pillars of an unshakable nationalist sentiment.

There is no such thing as nationalism, which merely considers class. One can only be proud of one's nation if there is no class of which one must feel ashamed; but a nation, half of which is in misery, worn with care, or indeed corrupt, makes a picture so bad that no one can feel pride in it. Not until a nation is sound in all its parts, body and soul, can the joy of belonging to it rightly swell to that high feeling which we call 'national pride.' But this high pride will only come to a man who knows the greatness of his nation. The fear of chauvinism, which is felt in our time is the mark of its impotence.

This world is undoubtedly going through great changes. The only question is whether the outcome will be good of Aryan humanity or profits for the eternal Jew. The task of the national State will, therefore, be to preserve the race and fit it to meet the final and greatest decisions on this globe by suitable education of its youth. The nation that is first in the field will reap the victory.

From the point of view of the race, this education should be completed by service in the army; just as for ordinary Germans, the period of military service ought to count as the conclusion of normal education.

Great though the importance of bodily and mental training will be in the national State, selection of the best individuals will be equally important intrinsically. This is treated very casually today. As a rule, it is the children of better-class parents in good circumstances who are considered suited for higher training. The question of talent plays a subordinate part. Talent can really be only estimated relatively. A farmer's son may have far more talent than one of parents with many generations of high position behind them. The latter's superior knowledge may have no connection with greater or less talent, but be rooted in the essentially greater wealth of impressions received by the child as a result of his more comprehensive education, and the more varied surroundings in his life.

Knowledge obtained by cramming will not produce the inventive qualities, but only that which is inspired by talent; no one, however, in Germany attaches any value to talent today; nothing but the crying need for it will call it out.

Here is another educative task for the national State. It is not its duty to confine deciding influence in the hands of an existing class of society, but it is its duty to draw the most competent brains forward out of the total mass of the nation and promote them to place and dignity. It is the State's obligation to give certain defined education in the national school to the average child, but it must also offer talent the opportunity which it ought to enjoy. It should consider it its highest duty to open the doors of the higher State educational establishments, without distinction, to talent of every sort, in whatever class it appears.

There is a further reason why the State should give its attention to this matter. In Germany, especially, the intellectual class is so rigidly shut up in itself away from the rest of the world that it has no living ties with the classes below it. There are two ill effects from this: first, this class has neither understanding for, nor sympathy with, the mass of the people. It has been cut off from all connection with them too long for it still to possess the needful psychological comprehension of the people. It has become a stranger to them. Secondly, this upper class lacks the essential will power; for this is always weaker among the intelligentsia than in the primitive masses. God knows that we Germans have never failed in the department of knowledge, but we have failed all the more in will power and determination.

For instance, the more intellectual our statesmen were, the weaker most of them were in real accomplishment. Our political preparation for war and our technical armaments were insufficient, not because the brains governing our nation were *too little* educated, but rather because our rulers were too highly educated, stuffed with knowledge and intellect, but empty of sound instinct and utterly wanting in energy and boldness. It was our nation's sad fate to have to fight for its life under a Chancellor who was a philosophizing weakling. If we had been led by some robust man of the people, instead of a Bethmann-Hollweg, the

grenadier private's heroic blood would not have been shed in vain. Moreover, the exaggeratedly highbrow qualities of the material from which our leaders came provided the best possible allies for the scoundrels of November. By its shameful manner of choking the national welfare which was entrusted to it, instead of furthering it by might and main, that intellectually created the conditions which made the success of the other side a certainty.

The Roman Catholic Church sets an example, from which much may be learned. The celibacy of its priests obliges it to draw the succeeding generation for the priesthood, not from its own ranks, but from the mass of the people. Most people are unaware of this particular significance of celibacy. It is the foundation of the strength of that ancient institution.

It will be the duty of the national State in its educative capacity to see to it that there is perpetual renewal of the intellectual class by fresh blood from below. It is obligatory on the State to select with the utmost care, and exactitude from the whole sum of its nationals a human material with obvious natural talent, and apply it in the service of the community.

All work has a two-fold value, the purely material, and the ideal. Its material value rests in the importance of the work done, measured not so much by its material aspect, as by its essential needfulness; whereas, ideally speaking, there is equality among men from the moment that each individual in his own sphere, whatever that may be, exerts himself to do his best. The estimate of a man's value must depend on the way in which he performs the task entrusted to him by the community. For the labor of the individual is only the means, not the object, of his existence. Rather must he continue to form and ennoble himself as a man, but this can only be possible within the frame of the culture which he shares, and which must always have its foundation in some State.

But the present day is working its own ruin; it introduces universal suffrage, chatters about equal rights, and can give no reason for so thinking. In its eyes, material rewards are an expression of a man's worth, thus shattering the basis for the noblest equality that could possibly exist. For equality does never and can never rest on a man's achievements by themselves, but it is possible, granted that ever man fulfils his own special obligations. This and this only can set aside the chances of nature when a man's worth is judged, and each man forges his own significance.

It may be that gold has become the one dominant power in the life of today; but a time will come when men shall bow before higher gods. There is much today which owes its existence to the desire for money and property, but little is included in it the non-existence of which would leave mankind the poorer. It is one of the tasks of our movement to hold out prospects of a time when the individual will be given what he needs in order to live, but also to maintain the principle that man does not live for material enjoyment alone. This will find expression in a wise grading of earnings such as shall make it possible for every

honest worker to be certain of living an orderly, honorable life as a man and a citizen.

Let it not be said that this is an imaginary ideal, which this world could not stand in practice and could never actually attain. Even we are not so simple as to imagine that a faultless age can successfully be brought into being. But this does not release us from the obligation to combat the faults which are known, to abolish weaknesses and to strive for the ideal. Bitter realization will of itself produce only too many limitations. For that very reason, men must try to serve the final aim. Failures must not turn them away from their objective, just as the law cannot be spurned merely because mistakes creep into it, nor can medicine be despised because there will always be illnesses. Men should be careful not to have too low an estimate of the strength of an ideal.

III

CITIZENS AND SUBJECTS OF THE STATE

THE institution, which today is wrongly named 'the State', knows only two kinds of individual: State citizens and foreigners. State citizens are all those who either by birth or naturalization enjoy the rights of State citizenship; foreigners are those who enjoy similar rights under other states. Nowadays these rights are acquired in the first place by the fact of being born within the frontiers of a State. Race and nationality play no part in it. The child of a Negro, who once lived in a German protectorate and now is domiciled in Germany, is automatically a citizen of the German State. The whole procedure of acquiring State citizenship is not very different from that of becoming a member of an automobile club, for instance.

I know that this is unwelcome to hear; but anything crazier and less thought out than our present laws of State citizenship is hardly possible to conceive. But there is at least one State in which feeble attempts to achieve a better arrangement are apparent. I, of course, do not mean our pattern German Republic, but the United States of America, where they are trying, partially at any rate, to include common sense in their councils. They refuse to allow immigration of elements, which are bad from the health point of view, and absolutely forbid naturalization of certain defined races, and thus are making a modest start in the direction of something not unlike the conception of the national State.

The national State divides its inhabitants into three classes: State citizens, State subjects, and foreigners. In principle, birth only gives the status of a subject. This does not with it carry the right to serve yet as a State official, nor to take active part in politics in the sense of voting at elections. In the case of every State subject, race and nationality have to be proved. The subject is free at any time to cease being a subject, and become a citizen in the country corresponding with his nationality. The foreigner is only different from the subject in that he is a subject of a foreign State.

The young subject of German nationality is bound to undergo the school education, which is laid down for every German. Later on, he must consent to undergo the bodily exercises, as laid down by the State, and finally he enters the army. Military training is universal. After his military service is over, the healthy young man with a blameless record will be solemnly invested with the rights of State citizenship. This is the most important document for his whole life on earth. It must be held in greater honor to be a citizen of this Reich, even if only a crossing-sweeper, than to be a king in a foreign State.

The German girl is a State subject, but marriage makes her a citizen. But a German woman engaged in business, may be granted rights of citizenship.

IV

PERSONALITY AND THE CONCEPTION OF THE NATIONAL STATE

IT WOULD be folly to expect to measure a man's worth by the race he belongs to, and at the same time to declare war on the Marxist axiom, 'One man is the same as any other,' unless we were prepared to pursue it to its final consequences.

Anyone who believes today that a national, National-Socialist State should, by purely mechanical means and better construction of its economic life, make itself different from other States – that is, by a better compromise between riches and poverty, or by broadening the control of the economic process, or by fairer recompense, by doing away with too great differences in wages – will find himself in an absolute *impasse*: he has not the slightest conception of what we mean by a world-view. The methods described above offer no hope of permanency; still less do they promise a great future. A nation which puts trust in reforms so superficial, will obtain no guarantee whatever of victory in the general struggle of nations. A movement which founds its missions on such compromises, as these will in truth introduce no great reforms, real because far-reaching, because its action will never touch anything but the surface of things.

In order to understand this more clearly, it may be well to glance at the real origins and causes of the development of human civilization.

The first step, which visibly drew mankind away from the animal world was that which led towards invention. Man's first skilled measures in the struggle with the rest of the animals were in their origin undoubtedly his management of creatures, which had special capabilities. Even then, personality was what clearly produced decisions and achievements, which were later on accepted by the whole of humanity as a matter of course. A man's knowledge of his own powers, which I consider even now is the foundation of all strategy, was due originally to a determined brain, and not until perhaps thousands of years had passed, was it universally accepted as a purely natural thing.

Man crowned his first discovery with a second: he learned, among other things, how to live while engaged in his struggle for life. And so began the inventive activity peculiar to man, the results of which we see all around us. And it is the result of the creative power and the capability of the individual person. It was profoundly instrumental in making the man of who has the power of continually rising still. But what were once simple artifices, helping hunters in the forest, in their struggle for existence, are now the brilliant scientific discoveries of our present time, and these help mankind in the struggle for existence today, and are forging the weapons for struggles in the future.

The labor of evolving pure theory, which is incapable of measurement, but which is the necessary preliminary for all further material discovery, is again seen to be

the exclusive product of the individual. The multitude does not invent, majorities neither organize nor think; it is always only the one man, the Individual.

A human community is only seen to be well organized if it furthers in every possible way the work of these creative forces and employs them for the good of the community. Organization must be the embodiment of the endeavor to place the brains over the multitude, and to subjugate the multitude to the brains.

Thus, organization may not prevent the brains from emerging from the multitude, but it must, on the contrary, by its own conscious action, make it in the highest degree possible and facilitate it.

The hard fight for life above all things causes the brains to emerge.

State administration and the strength of the nations incorporated in the defense forces are dominated by the idea of personality and the authority attaching to it and by responsibility towards the highly placed individual.

The political life of today alone has persistently turned its back on this principle of nature. While all human civilization is but the outcome of the creative force of personality, in the community as a whole and especially among its leaders, the principle of the dignity of the majority makes a pretense of being the deciding authority, and it is beginning gradually to poison all life below it – and in fact to break it up. The destructive workings of Judaism in the bodies of other nations can at bottom only be ascribed to the perpetual effort to undermine the importance of personality throughout the nations who are their hosts, and to substitute the will of the multitude.

We now see that Marxism is the enunciated form of the Jewish attempt to abolish the importance of personality in all departments of human life, and to set the mass of numbers in its place. In politics, the parliamentary form of government is its expression, and that is what is working such mischief, from the smallest parish council, up to the power controlling the entire Reich.

Marxism has never been able to found a culture or create an economic system by itself; moreover, it has never really been in a position to carry on an existing system in accordance with its own principles. But after a very short time it was forced to retrace its steps, and grant concessions to the theory of the principle of personality; even in its own organization, it is unable to deny that principle. The national theory of the world must therefore be completely differentiated from the Marxist theory; it must pin its faith on race and on the importance of personality also, and make them the pillars supporting the whole of its edifice. These are the basic factors of its view of the world.

The national State must work untiringly, to set all government, especially the highest – that is, the political leadership – free from the principle of control by majorities – that is, the multitude – so as to secure the undisputed authority of the Individual in its stead.

The best form of State and constitution is that which with natural sureness of hand raises the best brains of the community to a position of leadership and predominant influence.

There must be no majority making decisions, but merely a body of responsible persons, and the word 'council' will revert to its ancient meaning. Every man shall have councilors at his side, but the *decision* shall be made by one Man. The national State does not suffer that men whose education and occupation have not given them special knowledge shall be invited to advise on or judge of subjects of a specialized nature, such as economics. The State will therefore subdivide its representative body into political committees and committees representing professions and trades. In order to obtain advantageous cooperation between the two, there will be over them, a particular Senate.

But neither Senate nor Chamber will have power to make decisions. Individual members may advise, but never decide. That is the exclusive prerogative of the responsible President for the time being.

As regards the possibility of carrying out our knowledge in practice, I may remind my readers that the parliamentary principle of decision by majorities has not always governed the human race; on the contrary, it only appears during quite short periods of history, and those have always been periods of decadence in nations and States.

In any case, let no one imagine that purely theoretical measures from the above will produce such a change since logically it cannot stop at the constitution of a State. All legislation and, indeed, the citizen's whole life will have to be saturated with it. Such a revolution will and can only come about by means of a movement, itself built up in the spirit of that idea and therefore itself the begetter of the coming State.

Thus, the National-Socialist movement must today identify itself with that idea and carry it out in practice within its own organization, so that it may not only be able to guide the State in the right path, but may have the perfected body of the State ready for its occupation.

WORLD THEORY AND ORGANIZATION

THE national State, of which I have attempted to draw a general picture, will not be brought into being by the mere knowledge of the requirements of that State. It is not enough to know what such a State ought to look like. The problem of its birth is a far more important one. We cannot wait until the present parties, which draw their profits from the State as it is, change their attitude of their own initiative. This is all the less possible, since their real leaders are Jews and Jews only.

The Jew pursues his object irresistibly in his dealings with the millions of German bourgeois and proletarians who are sliding along to destruction chiefly owing to their indolent stupidity and timidity. The Jew is fully conscious of his final aim. A party led by him has no choice but to fight for his interests and has nothing in common with the character of Aryan nations.

Thus, if an attempt has been made to realize the ideal of a national State, we shall have to ignore the forces now controlling the life of the public and seek for another force, determined and able to take up the struggle for that ideal. For there is a struggle ahead of us, if our first task is not creation of a new conception of a State, but removal of the present Jewish conception.

The first weapon of a young doctrine containing new and great principles must, however much individuals may dislike it, be the probe of sharp criticism.

Marxism possessed an objective and is aware of constructive ambition (even if this is merely erection of a despotism of Jewish world-finance); but it nevertheless gave itself up to shattering criticism for a whole seventy years. Then began its so-called 'constructive work.' This was perfectly right, natural, and logical.

A world-theory is intolerant, and is not content with being one party among a number of other parties; it insists upon exclusive and persistent recognition of itself and on an absolutely new conception of the whole of public life in accordance with its views. Thus, it cannot tolerate continuance of a force representing the former conditions.

It is the same with religions. Christianity was not content with merely erecting its own altar; it was forced to proceed to destroy the altars of the heathen. Such fanatical intolerance alone made it possible to build up that adamant creed; it is an absolutely essential condition of its existence.

Political parties are always ready to compromise; world-theories never are. Political parties bargain with their opponents; world-theories claim that they themselves are infallible.

Even political parties almost always at first cherish a hope of rising to despotic authority; they nearly always contain some little trace of a world-theory. But the

poverty of their program robs them of the heroism, which is demanded by a world-theory. Their readiness to conciliate attracts to them the petty weak spirits with whom no crusade can be conducted. So they usually stick fast early in their history in the slough of their own miserable pettiness.

A world-theory can never be victorious with its ideals, unless it unites in its ranks the boldest and strongest elements of its age and nation and forms them into a solid fighting organization. It is also essential for it to extract certain definite ideas out of the general world-picture, and present them in a concise, striking form, suitable to serve as a creed for a new community of mankind. Whereas the program of a party, which is merely political, is the recipe for getting good results from a forthcoming election, that of a world-theory is equivalent to a declaration of war on the existing order of things; in fact, against an accepted view of life.

It is not necessary for every single fighter to be granted full insight into and exact knowledge of the latest ideas and mental processes of the leaders of the movement. An army would not be much good if all of the fighting men were generals, and a political movement would not be much good in defending a world-theory, if it consisted merely of 'intellectuals.' No, it needs the primitive fighting man as well. For there can be no internal discipline without him.

By its very nature an organization cannot stand unless leaders of high intellect are served by a large mass of men inspired by sentiment. It would be harder to maintain discipline on a company of two hundred men, all equally gifted intellectually, than in one containing one hundred and ninety less gifted, and ten with higher intellects.

The organization of Social Democracy is a case in point; its army consists of officers and men. The German worker, disbanded from the army, is the private soldier; the Jewish intellectual is the officer.

In order that the national idea may emerge out of the vague desire of the present day and succeed in producing clear thought, it must select certain definite leading sentences from the mass of broad conceptions. With this in view, the program of the new movement was drawn up in the form of a number of leading sentences, twenty-five in all. Their object is first to give the man in the street a rough picture of the intentions of the movement. To some extent, they are a confession of political faith, partly for the advantage of the cause, and partly with the purpose of binding and fusing together its members by an engagement recognized in common by all.

By our policy of declaring on broad lines a doctrine, which is sound in principle, we consider that it is less harmful to cling to a conception, even if it does not altogether fit actual realities, than, by trying to improve it, to lay open to discussion some basic law of the movement which has hitherto counted as unalterable, since most evil consequences might follow; in fact, it cannot be done while a movement is fighting for victory. What is essential must be sought, not in externals, but in the inner sense; and in that there is nothing to be changed. We

can only hope that in its own interests, the movement will retain the strength needed for its battles by avoiding any action showing evidence of divisions and lack of solidarity.

Much may be learned from the Roman Catholic Church. Though the body of its doctrine clashes with exact science and research on many points – unnecessarily in many respects – the Church is not prepared to sacrifice a single syllable of its doctrines. It has realized very correctly that its power of resistance depends, not on being more or less in harmony with the scientific events of the moment – which are as a matter of fact always altering – but rather on clinging firmly to dogmas, once laid down, which on the whole do express the character of the faith. As a consequence, the Church stands firmer than ever before.

With its program of twenty-five theses, the National Socialist German Workers' Party accepted a basis, which must be unshakable. Now and in the future, it is and will be the task of the members of our movement, not to criticize and alter those leading principles, but to regard themselves as bound to insist upon them.

In its youth, the young movement owed its name to them and the program of the party was drawn up in accordance with them.

The basic ideas of the National Socialist movement are nationalist, and in an equal degree, nationalist ideas are National Socialist; if National Socialism is to be victorious, it must adhere absolutely and exclusively to that conviction. It is its duty no less than its right to proclaim the fact most definitely that any attempt to represent the nationalist idea outside of the limits of the National Socialist German Workers' Party is inadmissible, and at in the majority of cases, it rests on a false foundation.

All kinds of associations and cliques, little groups and 'great parties' as well, claim for themselves the word 'nationalist'; this in itself is but one effect of the influence of the National-Socialist movement. But for it, it would never have occurred to all these organizations even to mention the word 'nationalist'; it would have suggested no meaning to them, and they, and, in particular, their leaders would have had nothing whatsoever to do with the conception. The N.S.G.W.P. (N.S.D.A.P.) was the first to attach a meaning to that word, which contains so much and which is now in common use by every sort of person. Our movement has proved out and out in its propaganda work the strength of the nationalist idea, so that greed of advantage is forcing the others at least to pretend to similar aspirations.

VI

THE STRUGGLE IN THE EARLY DAYS THE RÔLE OF THE ORATOR

WE had hardly finished with the first great meeting of February 24, 1920, in the Hofbräuhausfestsaal at Munich when preparations for the next one were under way. Hitherto we had not dared to think of holding a meeting once a fortnight or even once a month in a city such as Munich, but now a large one was to be arranged for each week.

At that time, the hall held an almost sacred meaning for us National Socialists. It was better filled each time, and the people were more and more attentive. The proceedings nearly always started with the subject of 'War Guilt,' about which nobody then bothered, and went on to the peace treaties; violent methods of speech were found suitable and indeed necessary. In those days, if a public mass meeting, at which not phlegmatic bourgeois, but harried proletarians were present, dealt with the Versailles Treaty, it meant an attack on the Republic and was held to be a sign of reactionary, if not monarchist, feeling. The moment Versailles was criticized, there would regularly be interruptions: 'And Brest-Litovsk?' The crowd would continue to shout until it gradually got more heated, or the speaker gave up trying to persuade them. We felt inclined to dash our heads against the wall at despair at such a set of people! They would not understand that Versailles was a shame and a disgrace, or that, that dictated peace was a frightful plundering of our nation. The Marxist work of destruction and the enemy's poison propaganda had made these people blind to all reason. And yet, no one might complain; for how immeasurably great was the guilt of the other side! What had the bourgeoisie done to stem this terrible disintegration, or by better and more intelligent handling to pave the way for truth? Nothing whatever!

I, myself saw clearly that, as far as the movement, then in its infancy, was concerned, the question of war guilt must be cleared up on the lines of historical truth.

There is naturally much temptation, especially for any weak movement, to act and shout with the crowd at moments when a strong opponent has succeeded in deceiving and driving the people to come to some lunatic decision, particularly if it contains a few points – even if illusory – in favor of doing so, from the point of view of that young movement.

I have experienced such cases on several occasions, when the utmost energy was required to prevent the ship from drifting in the general current, started by artificial means, or indeed driving along with it. The last occasion was when our fiendish press, the Hecuba of the German nation's life, succeeded in giving the South Tyrol question a prominence, which will have serious consequences for the German nation. Without considering what cause they were serving, several so-called 'nationalist' men, parties, and societies, joined in the cry, simply from fear of the public feeling excited by the Jews, and foolishly gave their support in a

struggle against a system, which we Germans ought, especially just at the present crisis, to regard as the one bright spot in this corrupt world. While the international world-Jew, is slowly but surely strangling us, our so-called 'patriots' are raging against the Man and a System that have had the courage to tear themselves free, in one bit of the world at least, from the Jew Freemason embrace, and to oppose the international world poison with the forces of nationalism.

It soon became evident that our opponents, especially when debating with us, were armed with a definite repertoire of arguments and that their points against our claims kept constantly recurring in their speeches; this similarity pointed to conscious and unified training. And so it was a fact. Today I am proud of having discovered the means not only of making their propaganda ineffectual, but also of beating the framers of it with their own words. Two years later, I was a master of this craft.

Whenever I spoke, it was important to get a clear idea beforehand of the probable form and character of the arguments we had to expect during the discussion, and then to tear them to pieces in my own opening speech; the thing was to mention all the possible arguments *contra* at once, and prove their hollowness.

This was the reason why, after my first lecture on the Versailles Peace Treaty, which I delivered to the troops in my capacity as lecturer to them, I made an alteration and now spoke on the 'Peace Treaties of Brest-Litovsk and Versailles.' For I quickly ascertained, in the discussion following my lecture, that the men really knew nothing whatever about the Brest-Litovsk Treaty, but that it was due to the successful propaganda of their parties and that they imagined that treaty as one of the most shameful acts of oppression in the world. The persistency with which this lie was put before the public was the reason that millions of Germans regarded the Versailles Treaty as nothing more than a just retribution for the crime we committed at Brest-Litovsk. And therefore, they considered any real struggle against Versailles would be wrong, and in many cases, there was genuine moral dislike of such a proceeding. That was the reason why the shameless and monstrous word 'reparations' was able to find a home in Germany. In my lectures, I put the two peace treaties together, compared them point-by-point, and demonstrated how truly and immensely humane the one was in contradistinction to the inhuman cruelty of the other, the result was most remarkable. Once more, a great lie was expunged from the hearts and brains of audiences amounting to thousands, and a truth was planted in place of it.

These meetings brought profit to me, in that I slowly became an orator at mass meetings and that the pathos and gesture required in large halls holding a thousand people became a matter of second nature to me.

Our first meetings were distinguished by the fact that there were table covered with leaflets, papers, and pamphlets of every kind, but we relied chiefly on the spoken word. And in fact, the latter is the sole force capable of producing really great revolutions of sentiment, for reasons which are psychological.

An orator receives continuous guidance from his audience, enabling him to correct his lecture, since he can measure all the time on the countenances of his listeners the extent to which they are successful in following his arguments intelligently, and whether his words are producing the effect he desires, whereas the writer has no acquaintance with his readers. Hence, he is unable to prepare his sentences with a view to addressing a definite crowd of people, sitting in front of his eyes, but he is obliged to argue in general terms.

Supposing that an orator observes that his listeners do not understand him, he will make his explanation so elementary and clear that every single one must take it in. If he feels that they are incapable of following him, he will build up his ideas carefully and slowly until the weakest member has caught up; again when once he senses that they do not seem to be convinced that he is correct in his argument, he will repeat them over and over again, with fresh illustrations, and himself state their unspoken objections; he will continue thus, until the last group of the opposition show him by their behavior and play of expression that they have capitulated to his demonstration of the case.

Not infrequently, it is a case of overcoming the prejudices, which do not come from their understanding, but are mainly unconscious and supported by sentiment. It is a thousand times more difficult to overcome this barrier of instinctive repulsion, sentimental hatred, and negative bias, than to set straight opinions founded on incorrect or mistaken knowledge. Ignorance and false conceptions may be removed by teaching – obstruction due to sentiment never can.

The force, which gave Marxism its amazing power over the masses, is not the formal written work prepared by Jewish intellectuals, but rather the vast flood of oratorical propaganda which has dominated the masses in the course of years; out of a hundred thousand German workers, not more than a hundred known Marx's book, which was studied by a thousand times more of the intellectual class – especially by Jews – than by genuine adherents of the movement in the lower grades. That book was not written for the masses, but exclusively for the intellectual leaders of the Jewish machine for conquering the world; the agitation was conducted with very different material. This is what marks the difference between the Marxist and our bourgeois press. The Marxist press was written by agitators, while the bourgeois press preferred to conduct agitation through its writers.

Every hour of the day at which an address is delivered has a deciding influence on the effect of the address. The same address delivered by the same speaker on the same subject, has quite a different effect at ten o'clock in the morning from what it has at three in the afternoon or in the evening. When I was beginning, I arranged for meetings to be held in the morning, and remember one meeting in particular, held in the Münchener Kindl-Keller at ten o'clock to protest against 'oppression of German districts.' The result was depressing, but at the same

time, very instructive. I do not think that I had spoken any different from usual, the effect, however, was apparently just nil. I left the meeting thoroughly dissatisfied, if richer in experience. I tried the same experiment later on with the same result. Fine oratory by a dominant apostolic character will be more successful in the evening in inducing men, whose powers of resistance are by that late hour sensibly weakened in the natural course, than by men who are in full possession of their energy of mind and volition.

The same purpose is served by the artificially produced dim light in Roman Catholic Churches, the lighted candles, incense, and censers.

It is all one with the silly ignorance of the world shown by our German intelligentsia that they believe that a writer is bound to be an orator's superior in intellect. This view is most delightfully illustrated in an article in a certain Nationalist paper, in which it is stated that one is so often disillusioned on seeing in print a speech by some admittedly great orator. I recollect another article, which came into my hands during the War; it seized on the speeches of Lloyd George, then Minister of Munitions, examined them as under a microscope, only to come to the brilliant conclusion that those speeches showed inferiority of intellect and knowledge, and were otherwise banal and commonplace. I obtained some of those speeches obtained in a small volume, and had to laugh out loud at the thought that an ordinary German quill-driver failed to see the point of those psychological masterpieces in the way of influencing the public. The fellow judged the speeches solely by the impression they made on his *blasé* intellect, Whereas the great English demagogue had been able by their aid to produce an immense effect on his audiences, and in the widest sense, on the whole of the British lower classes. From this point of view, that Englishman's speeches were most wonderful achievements, for they evinced amazing knowledge of the mentality of the populace; their penetrative effect was decisive in the truest sense.

Compare them with the futile stutterings of Bethmann-Hollweg, whose speeches may have been more intellectual, but really, they merely proved the man's inability to speak to his nation. Lloyd George proved his equality, nay, his immeasurable superiority to Bethmann-Hollweg by the fact that the form and the expression of his speeches were such as to open the hearts of his people to him, and to make them pay active obedience to his will. The very primitiveness of those speeches, their form of expression and his choice of easily understood, simple illustration, are proofs of that Englishman's towering political capacity.

Mass assemblies are necessary because, while attending them, the individual who feels on the point of joining a young movement, and takes alarm if left by himself, receives his first impression of a larger community, and this has a strengthening and encouraging effect on most people. He submits himself to the magic influence of what we call 'mass-suggestion.' The desires, longings, and indeed the strength of thousands are accumulated in the mind of each individual present. A man who enters such a meeting in doubt and hesitation, leaves it inwardly fortified; he has become a member of the community. The National-Socialist Movement may never ignore this.

VII

THE STRUGGLE WITH THE RED FORCES

In 1919- 20 and also in 1921, I attended so-called bourgeois meetings in person. I got to know something about those prophets of the bourgeois view of the world, and really did not wonder, for I understood why they attached so little importance to the spoken word. I attended meetings of the Democrats, German Nationalists, the German Workers' Party, and the Bavarian People's Party (Bavarian Centre Party). What struck me at once was the solid unanimity of the audiences. Nearly all who took part in such demonstrations were party followers. There was no discipline, and taken together, it was more like a bored card-party than an assembly of people who had just put through a great revolution. The speakers did all they could to keep up this peaceful atmosphere. They claimed, or, better still, most of them read speeches in the style of a clever newspaper article, or a learned treatise, avoiding all strong expressions; here and there a feeble professional joke would be introduced, at which the gentlemen on the platform dutifully guffawed – not loudly, but encouragingly, with gentlemanly reserve. The entire audience dozed in a sort of trance after three quarters of an hour of it, with interruptions caused by someone leaving; a waitress's clatter, or yawns from many in the audience. At the close, the chairman called for a German patriotic song. On this, the meeting faded out – that is, everyone hurried to get out, one to his beer, another to a café, and others simply into the fresh air.

The National-Socialist meetings, on the other hand, were by no means 'peaceable' meetings. The billows of two world-views raged against one another, and they did not finish by grinding out a dull patriotic song, but with fanatical outbreaks of popular and nationalist passion.

It was important from the start to introduce blind discipline into our meetings and establish absolutely the chairman's authority.

And we had dissentients at our meetings – followers of the Red Flag. They came often, and often in solid masses, with a few agitators among them, and on every face one could read: 'We mean to have it out with you tonight!' Often, everything hung on a thread, and only the chairman's energy and rough handling by our hall guard baffled our adversaries intentions.

The latter had every reason to be annoyed with us. We chose red for our posters after exact and careful consideration; our intention was to irritate the Left, get them into a rage, and so induce them to come to our meetings – if only in order to break them up – so that we could get a chance of talking to them.

Our opponents then proceeded to issue appeals to the 'class-conscious proletariat' to go in masses to our meetings in order to strike at the 'monarchist, reactionary agitation,' as represented by us, with the fist of the proletariat.

Our meetings were at once crammed with workmen three quarters of an hour before the time of the meeting. They resembled a powder-cask, ready to go off at any moment with the match at the touchhole. But things always happened

otherwise. The people came as enemies and went away, not perhaps prepared to join us, but anyhow in a reflective mood, and ready to criticize and examine the correctness of their doctrines. Then the word went out: 'Proletarians! Avoid the meetings of the Nationalist agitators!' Similar vacillating tactics were observable in the Red press as well.

The people became curious. There was a sudden change of tactics, and for a period, we were treated as true criminals against mankind. Article after article proclaiming and demonstrating our criminality, and scandalous tales fabricated from A to Z were meant to do the trick. But in a short time they seem to have convinced themselves that such attacks were having no effect; in fact, it really helped to concentrate general attention straight on us.

One reason it never got as far as breaking up our meetings was indubitably the extraordinary cowardice displayed by our opponents' leaders. At all critical moments, these despicable creatures waited outside the halls for the result of the explosion.

At that time, we were obliged to take the protection of our meetings into our own hands; one can never count upon protection by the official authorities; on the contrary, experience shows that they always favor the disturbing element. For the only real success attending official action was at most in dissolving a meeting – that is, stopping it altogether; this was, in fact, the aim and object of our opponents in coming to disturb us. Thus, we had to make up our minds that any meeting, which depended for protection solely on the police, brings discredit on its promoters in the eyes of the masses. Often and often, a handful of adherents had put up a heroic resistance against a raging and violent mob of Reds. Those fifteen or twenty men would have certainly been overwhelmed in the end. But the rest well knew three or four times as many of them would first get their heads knocked in, and they were not going to risk that.

It was clear to anyone how the Revolution was only possible thanks to the devastating methods of the bourgeois who governed our nation. Even then, there would have been plenty of fists ready to protect the German nation, but there were no craniums to crack. How often then did the eyes of my young men shine in response when I explained to them the essentialness of their mission and assured them without cease that all the wisdom of this earth is as nothing unless served, covered, and protected by force, that the mild goddess of peace cannot move unless accompanied by the god of war, and that ever great act of peace must be protected and helped by force. In this way, the idea of military service came to them in a far more living form – not in the petrified sense of the souls of superannuated officials serving the dead authority of a dead State, but in the living realization of the duty of each man to offer his life that his nation might live, at all times, and everywhere.

How those young men came up to scratch!

Like a swarm of hornets, they rushed forth upon the disturbers of our meetings, regardless of superiority of numbers however great, careless of wounds and bloody sacrifice, filled to the brim with the great idea, the sacred mission to clear

the way for our movement. As early as the summer of 1920, the troops for maintenance of our order were gradually assuming definite form, and by the spring of 1921, they were divided by rank into companies, which again were divided into smaller sections. This had become urgently necessary, since in the meantime, our activities as regards meetings had been continuously increasing.

The organization of our bodies of men for keeping order at meetings was the means of clearing up a very difficult question. Up until then, the movement had possessed no party token and no flag. The lack of these symbols was not only a disadvantage then, but it was intolerable in view of the future, since members of the party had no distinctive token of membership, and for the future, it was intolerable to be without some token in the nature of a symbol of the movement, which might be set against that of the Internationalists.

More than once in my youth, the psychological importance of such a symbol had been clearly evident to me from the point of view of sentiment. In Berlin, after the War, I was present at a mass demonstration of Marxism in front of the Royal Palace. A sea of red flags, red scarves, and red flowers, gave an outward appearance of power to that crowd, which I estimated at about 120,000 persons. I felt and understood how easily the man in the street is impressed by the suggestive magic of such a grandiose piece of play-acting.

The bourgeoisie, which as a party represents no world-theory, had therefore no banner. Their party consisted of 'patriots,' and went about in the colors of the Reich.

The black-white-red of the old Empire were revived by our so-called 'national bourgeois' parties as their colors.

It is obvious that the symbol of a situation, which might be defeated by Marxism under inglorious accompanying circumstances, was worthless to serve as the token under which that same Marxism was to be crushed in its turn. However much any decent German must love and revere those old colors, glorious when placed side by side in their youthful freshness, when he had fought under them and seen the sacrifice of so many lives, that flag had little value for the struggles of the future.

This was the reason why we National Socialists recognized that to hoist the old standard would betoken no symbol, which could express our special aims; for we had no wish to raise from the dead the ruined Empire with all of its blemishes, but to build up a new State. The movement, which today is fighting Marxism in this sense, must bear on its banners the symbol of the new State. I, myself was always for keeping the old colors. After innumerable trials, I settled upon a final form: a flag having a red background, with a white disc in it, bearing on its center a black hooked cross. After much searching, I decided upon the proper proportions between the size of the flag and that of the white disc, and the form and thickness of the cross; and it has remained so ever since.

Armbands, also of the same, were at once ordered for the men of the bodies for keeping order – red with a white disc and a hooked cross in it. The new flag

first appeared in public in the middle of the summer of 1920. Two years alter, when our men, who had long numbered several thousands, were now a considerable storm-detachment (*Sturmabteilung*), It appeared necessary to give the fighting organization of the new world-theory a special symbol of victory – a standard.

At that time in Munich, there was no party, barring the Marxist parties, especially no nationalist one, which could show mass demonstrations such as we could. The Münchener Kindl-Keller, which held five thousand people, was more than once full to bursting, and there was only one hall into which we had not ventured, and that was the Circus Krone.

At the end of January 1921, there was again much cause for anxiety in Germany. The Paris Agreement, by which Germany engaged to pay the absurd sum of two-hundred and twenty-six billions of gold marks, was to be confirmed in the form of the London ultimatum.

Day after day went by, and none of the great parties had taken any notice of the frightful event, and the Community of National Organization, could not make up its mind as to a definite date for a demonstration that was being planned.

On Tuesday, February 1, I demanded a final decision. I was put off until Wednesday. On that day, I demanded to be told clearly, if and when the meeting was to take place. The reply was still uncertain and hesitating; it was that it intended to invite the organizations of the community to a demonstration on that day of the week.

Then I lost all patience, and decided to conduct a demonstration of protest on my own responsibility. By midday on Wednesday, I had dictated the posters in ten minutes, and had hired the Circus Krone for the following day, February 3rd.

In those days, it was a tremendous venture. It was quite uncertain if we could fill that vast hall, and there was a risk of the meeting being broken up. One thing was certain – a failure would throw us back for a long time to come.

We had one day in which to post our bills. Unluckily, it rained on Thursday morning, and there was reason to fear that many people would prefer remaining at home rather than hurrying to a meeting in rain and snow, especially when there was likely to be violence and murder.

On Thursday, two lorries which I hired were covered in red as much as possible, and two flags were stuck on them; each one carried fifteen or twenty members of our party; orders were given to drive fast through the streets, throwing out leaflets – propaganda for the mass meeting to be held in the evening. It was the first time that lorries with flags had driven through the streets containing others than Marxists.

When I entered the great hall, I felt the same joy, which I had felt a year previously at the first meeting in the Hofbräuhausfestsaal; but it was not until I had forced my way through the solid wall of men and had climbed onto the platform, that I had perceived the full measure of our success. The hall was before me, packed with thousands and thousands of people. My theme was 'Future or Ruin.' I began to speak and spoke for about two and a half hours. My feeling told me after the first half hour that the meeting was going to be a big

success and it was. The bourgeois papers reported the demonstration as having been merely 'nationalist' in character; in their usual modest fashion, they omitted all mention of its promoters.

After this beginning in 1921, our meetings in Munich became much more frequent. I took to having them not merely once a week, but sometimes two mass meetings in a week; in fact at mid-summer and in the late autumn, there were apt to be three. We always met now in the Circus Krone, and ascertained to our satisfaction, that all of our evenings were equally successful. The result was a constant increase in the membership of the movement.

Our adversaries were naturally not going to sit down under such successes. So they decided to make one last effort, by an act of terrorism, to put a final spoke in the wheel of our meetings. The day of action arrived a few days later. A meeting in the Hofbräuhausfestsaal, at which I was to speak, was chosen for the final reckoning. Between six and seven in the evening of November 4th, 1921, I received the first certain news that the meeting was to be definitely broken up. Owing to an unlucky chance, we had not understood about it earlier. That very day, we had moved out of our glorious old offices in the Sternecker-gasse into others; that is, we were out of the old, but were not yet in the new offices, because work was still going on in them. The result was that there was only a very feeble body of men to keep order in the meeting; nothing but a weak company of about forty-six men was on hand; and the alarm apparatus was not yet in a condition to call up sufficient reinforcements in the course of a single hour.

I entered the vestibule of the hall at a quarter to eight, and saw that there was no doubt whatsoever of the immediate intention. The hall was packed and the police were stopping any more from entering. Our enemies, who had arrived very early, were inside the hall and our friends were outside. The little body of guards were waiting for me in the vestibule. I had the door into the large hall shut, and called the forty-five or forty-six men up to me. I explained to the young fellows that tonight for the very first time the movement would have to prove its faithfulness to the point of bending and breaking, and that none of us might leave the hall alive; but I did not think any of them would desert me. If I saw any man showing himself a coward, I should myself, tear his armband off him, and take away his badge. I then called upon them to go forward at once at the first sigh of an attempt to break up the meeting, and to remember that a man defends himself best by attacking.

I was answered by three cheers, which sounded fiercer and hotter than ever before. Then I entered the hall and observed the situation with my own eyes. They sat tight together and tried to stab me with their looks. Numberless faces were turned on me with seething hatred, while others uttered yells which meant but one thing. They knew they were the stronger party and felt accordingly.

It was, however, possible to begin the meeting, and I began to speak. After about an hour and a half, the signal was given. A few angry cries and a man suddenly leaped onto a chair and yelled 'Liberty!' Upon which the fighters for 'liberty' began their work. In a few seconds, the hall was filled with a yelling and

howling mob, above which numberless pint-pots flew like howitzer shells: Chair legs smashed, glass slivered; howls and screams. It was a mad spectacle. I stood up where I was and watched my young fellows doing their part. The dance had hardly begun when my storm-troops, as they were named from that day forth, attacked. Like wolves, in parties of eight or ten, they rushed again and again on the enemy, and began gradually to sweep them literally out of the hall. After five minutes, I could see hardly one who was not streaming with blood. I was beginning to know their quality; at their head, my splendid Maurice Hess, my present private secretary, and many others, who, though badly hurt, continued to attack as long as their legs would carry them.

A large crowd still remained in one corner of the hall, still resisting stubbornly. Then suddenly, two pistol shots were fired from the entrance in the direction of the platform, and a wild din rose. One's heart almost rejoiced at such a revival of old war memories. It was impossible to distinguish by whom the shots were fired; but at any rate, I could see that my young men renewed the attack with increased spirit, until finally the last disrupters were driven from the hall.

It had taken about twenty-five minutes, by the end we were masters of the situation. Hermann Esser, who was chairman for the evening, announced: 'The meeting shall continue; allow the speaker to proceed.' So I went on with my speech.

Just as the meeting was over, an excited police lieutenant suddenly rushed into the hall and roared, waving his arms: 'The meeting is closed!' I had to laugh; it was real official pomposity.

We learned much that evening, and our adversaries also did not forget the lesson they received.

Up until the autumn of 1923, the *Münchener Post* omitted all mention of the fists of the proletariat.

THE STRONG MAN IS STRONGEST WHEN ALONE

THE average citizen is pleased and reassured when he hears that our labor groups, by joining together in a trades union, have discovered the element which unites them in one body and rejects that which divides them. Everyone is convinced that such union is an immense gain in strength, and that the once weak little groups are thereby converted suddenly into a power. And yet, this is for the most part quite incorrect!

Someone man proclaims one true thing, appeals for solution of some definite problem, marks out an objective, and creates a movement having as its aim the realization of his intentions. This is how a union or a party is founded, whose program is aimed either at removing existing evils or at attaining a definite condition of things at some future period.

Once such a movement has come to life, it can thereby claim, a right of priority. The natural course should be that all those who desire to struggle for the same objective as that movement should identify themselves with it and thus add to its strength, in order to better able serve the joint aspiration.

There are two reasons why this is not how things come to pass. The first reason may almost be described as tragic; the second is pitiable, and has its foundation in human weakness.

Every great action in this world is, in general, the fulfillment of a desire long present in millions of human hearts, of a universal longing. It is an essential characteristic of great questions of any period that thousands are at work on solving them, and many imagine themselves proposed for election by Destiny to that end, so that, in the free play of forces, the stronger and bolder shall be finally victorious and shall be entrusted with the task.

The tragic side of it is that these men struggle towards the same objective by different roads; each one, genuinely believing in his own mission, considers himself bound to go his own way, in total disregard of the others.

Not infrequently, the human race has owed its successes to the lessons learned from the misfortunes of former attempts that have come to grief.

In history we see that the two paths, which at one time might possibly have solved the German problem and whose chief representatives and champions were Austria and Prussia, Habsburg and Hohenzollern, ought to have lain together from the first; all the rest according to their opinions, ought to have entrusted their combined forces to the one party or the other. Then the path of the champion who ended by being the worthier would have been the one to follow; the Austrian method would never have led on to a German Empire.

Finally that Empire, strong in German unity, arose out of what millions of Germans felt in their hearts to be the most terrible token of all of the conflict between brothers; for the German Imperial Crown was won in reality on the

battlefield of Königgrätz, and not in the fights around Paris, as is commonly asserted. The foundation of the German Empire was not the outcome of any joint desire pursued by joint methods, but was the outcome rather of a deliberate struggle (at times hardly conscious) for hegemony, and out of that struggle, Prussia emerged victorious.

It is therefore not to be regretted if a number of men set out to attain the same objective; it is thus that we recognize the strongest and the swiftest, and the man who conquers.

The second reason is not merely tragic; it is pitiable. It arises from the sad mixture of envy, greed, ambition, and readiness to steal, which appear, alas! So often combined in matters which interest humanity.

The moment that a new movement has begun, and has adopted its own particular program, men come forward claiming to fight for the same objective. This does not mean that they intend to take their places honestly in the ranks of the movement and so admit its right of priority, but that they mean to steal its program, and form a new party based on it.

The founding of a whole number of new groups, parties, etc., calling themselves 'Nationalist' in the years 1918-19, came to pass with no merit to their founders, but as a natural development. By 1920, the National Socialist German Workers' Party had gradually become crystallized as the victorious party. Nothing proves the genuine honesty of certain individual founders more wonderfully than the fact that several of them decided with admirable promptitude to sacrifice their own obviously less successful movement; that is, to close it down and affiliate it unconditionally with the stronger one.

This was the case especially with the protagonist of the German Socialist Party in Nuremberg, Julius Streicher. The two parties were started with similar aims, but were otherwise quite independent of one another. As soon, however, as Streicher was convinced clearly and unquestionably of the superior strength and stronger growth of the National Socialist German Workers' Party, he ceased working for the German Socialist Party, and called upon his adherents to come into line with the National Socialist German Workers' Party, which had emerged victorious out of the contest, and had to combine with it in continuing to fight for the common cause. A decision highly commendable, but difficult for him as a man.

It ought never to be forgotten that no really great achievement has ever been effected in this world by coalitions; but it has always been due to the triumph of one individual man. Successes achieved by coalitions, owing to the nature of their source, contain the seeds of future disintegration from their very start, to the extent, indeed, of forfeiting what has already been attained. Great alterations of thought, which really revolutionize the world, are inconceivable and unrealizable, except in the form of titanic struggles conducted by single forces – never of enterprises conducted by coalitions.

The natural State, therefore, will never be created by the unstable volition of a nationalist union of organizations, but only by the adamantine will power of a single movement, *after* that movement has won through, having defeated all others.

IX

THOUGHTS ON THE MEANING AND ORGANIZATION OF THE STORM DETACHMENTS

THE strength of the old State rested on three pillars: the monarch, the administrative bodies, and the army. The Revolution of 1918 swept the monarchy away, disorganized the army, and delivered the administrative bodies over to party corruption. Thus, the props essential to the State's authority were cut away from under it. The latter depends always upon three elements, which lie essentially at the foundation of all authority.

The first constant factor essential to authority is *popular support*. But, authority, resting upon this foundation alone, is utterly weak, unstable, and wavering. The second element of all authority is evidently *power*. If popular support and power are joined together, and can survive for a certain period in unison, authority may then be found to rest on an even firmer foundation, the authority of *tradition*. If once popular support, power and the authority of tradition are united in one, authority may be considered to be unshakable.

The revolution cut out any possibility of this last chance. In fact, the authority of tradition no longer existed. The breakup of the old Empire, the destruction of the symbols of its former *grandeur*, rudely tore down tradition, the result being a heavy blow to the State's authority.

Even the second pillar of the State's authority, power, was no longer present. In order to succeed at all with the Revolution, the leaders were forced to upset the organized force and power of the State – the army; nay, they were even obliged to use the tattered fragments of the army as a fighting force for the Revolution.

Authority could not possibly look for support in those mutinous mobs of soldiers who regarded military service in the light of an eight-hour day. Thus, the second element, the one security for authority, was taken away, and Revolution actually enjoyed none but the original one, popular support, wherewith to build up its authority.

Every nation may be divided into three classes: at one end the best men of the nation, good in the sense of every virtue, and especially distinguished by their courage and readiness for self-sacrifice; at the other end, the worst dregs of humanity, bad in the sense that they are self-seeking and depraved. In the middle between the two extremes lies the third class, the broad intermediate stratum, in whom there is neither the spirit of heroism, nor of mean criminality.

It is remarkable that the mass of the people – the intermediate class, as I wish to call them – never come into prominence, except when the two extreme classes meet in conflict, and that, if one of the extremes is victorious, they at all times readily submit themselves to the victor. If the best men achieve dominion, the masses will follow them; if the worst come to the top, the masses at least make no attempt to resist them; for the intermediate mass will never fight.

The spectacle at the end of the War was as follows: The great middle stratum of the nation had, as in duty bound, paid its toll of blood; the extreme section of the best men had sacrificed themselves, almost to a man with typical heroism; the extreme of the worst, protected by utterly foolish laws, and by neglect to apply the Articles of War, as they should have been applied, were kept alive almost to a man. This carefully preserved scum of our nation then made the Revolution, and it was only able to do so because the extreme section of the best was no longer there to withstand it. It had all been killed in a battle.

Those Marxist freebooters could not depend for long on popular support alone for their authority. And yet, the young Republic had need of it at any cost, for they were not willing, after a short period of chaos, to be crushed down suddenly by a punitive force, assembled out of the last relics of the good element of our nation.

The element that harbored the revolutionary idea, and carried it through the Revolution, was neither able nor ready to furnish the soldiers to protect it. For what that element wanted was not to organize a State, but to disorganize what existed; it suited their instincts better. Their password was not order and construction for the German Republic, but rather Plundering of it.

There appeared then for the first time numbers of young Germans, ready, in the service, as they said, of peace and order, to draw on the soldier's tunic again, shoulder their rifles and put their steel helmets to go against the destroyers of their homeland. They assembled into bodies as volunteers, and set to work, all the time hating the Revolution, to protect it and thus strengthen it in practice. They acted thus in all good faith.

The real organizer of the Revolution, and its actual wirepuller, the international Jew, had gauged the situation correctly. The time had not arrived for thrusting the German nation into the blood-slough of Bolshevism, as had happened in Russia. The question were: What would the troops from the front do about it? Would the men in the field-grey stand it?

During those weeks, the Revolution in Germany was forced to give at least an appearance of extreme moderation, if it was not to run the risk of being cut to pieces in a moment by two or three German divisions. For if even a single divisional commander had made up his mind then and there, with his faithful division, to drag down the red flag and stick the 'councils' up against a wall, or to break any resistance with *Minenwerfer* and hand-grenades, that division would not have taken a month to grow into an army of six divisions. The Jew wirepuller was terrified of this more than anything.

The Revolution, however, was not made by the forces of peace and order, but by those of riot, robbery, and plunder. And the further development of the Revolution was not in accord with the will of these latter elements, nor for tactical reasons could its course be explained or made palatable to them.

As Social Democracy gradually gained power, that movement dropped more and more the character of a Revolution of brute force.

Even before the War was over, and while the Social Democratic Party, deriving its character from the inertia of the masses, hung like a load of lead on the neck of the national defense, the radical-activist elements were extracted from it, and formed into new and aggressive columns of attack. These were the Independent Party, and the Spartacus Union- the storm-battalions of revolutionary Marxism. But when the army returning from the front appeared in the light of a menacing sphinx, the natural course of the Revolution had to be toned down. The main body of the Social Democratic host took charge of the conquered positions, and the Independents and Spartacists were thrust on one side. This did not happen without a struggle. The change had hardly taken place when there appeared two camps side by side: the party of peace and order, and the group of bloody terror. Was it not perfectly natural that the bourgeoisie should betake themselves with colors flying into the camp of peace and order?

The result was that the enemies of the Republic ceased fighting against it, as such, and helped to subjugate those who were themselves also enemies of the Republic, if for very different reasons. A further result is that all danger that the adherents of the old State may put up a fight against the new one is averted for good.

If we consider how the Revolution was able – quite apart from the faults in the old State, which were the cause of it – to be successful when it came to the point, we arrive at the following conclusions:

(1) It was due to the deadening of our conceptions of duty and obedience, and
(2) to the timorous passiveness of the parties who are supposed to maintain our State.

The first was at the bottom due to our wholly non-national and purely State education. From this, came the misconception of means and ends. Consciousness and fulfillment of duty and obedience are not ends in themselves, no more than that the State is an end in itself, but they should all be means for making possible and ensuring the existence of a community, living a life spiritually and physically similar.

The Revolution succeeded because our people, or rather our governments, had lost all true feeling for these conceptions, so that they had become weak, formal and doctrinaire.

As regards to the second point, the bourgeois parties, which may be termed the only political formations existing under the old State, were convinced that they ought to urge their view solely by intellectual methods, since physical methods belonged to the State alone. This was senseless at a period when the political adversary had long discarded that point of view, and was declaring with complete frankness that it meant, if it could, to attain its political ends by force.

The political program of the bourgeois parties rested on the past, in so far as they had not already become reconciled to the new state of affairs; their aim, however, was to have a share, if possible, in the new conditions. But their sole weapon was still as before, words, and words only.

The only elements, which at that time had strength and courage to oppose Marxism, and the masses, which it excited, were first of all the Free Corps, and

later on, the organizations for self-defense, and Einwohnerwehr, and finally the bonds of tradition.

The success of Marxism in days gone by was due to the interplay of political determination and ruthless force. What robbed Nationalist Germany of any practical hope of shaping German development was the lack of determined cooperation of ruthless force with political inspiration.

Whatever aspirations the Nationalist parties might possess, they were quite powerless to obtain them by fighting – certainly not in the streets.

The defense associations had all the force; they were masters of the streets, but they were without political ideas or aims, for which their power might have been used with profit to Nationalist Germany.

The Jew it was who was brilliantly successful in disseminating the conception of the 'apolitical character' of the defense associations by means of his press, just as in politics he always cunningly emphasized the 'purely intellectual' character of the struggle.

The lack of a new and great idea is at all times a sign of a lack of a fighting force. The conviction that there is a right to use weapons, even the most brutal, ever goes hand in hand with fanatical belief that a new and revolutionizing order of things must be victorious in the world.

A movement that fails to fight for such high ideals and aims will never fight to the very last.

In producing a great new idea, the French Revolution discovered the secret of success. It was the same with the Russian Revolution, and fascism drew its strength solely from the idea of submitting an entire nation to a process of complete regeneration – with happy results for that nation.

When the Reichswehr was formed and consolidated, Marxism gradually obtained the force necessary for the support of its authority, and began, as a logical consequence, to discard the seemingly dangerous Nationalist defense associations, on the ground that they were now superfluous.

The foundation of the National Socialist German Workers' Party was the first sign of any movement whose aim was not, like that of the bourgeois parties, a mechanical restoration of the past, but setting up of an organically nationalist State in place of the present senseless State mechanism. True to its conviction of the paramount importance of the new doctrine, the young movement naturally considers that no sacrifice is too great in order to obtain that objective.

It has happened time and again in the world's history that a period of terror, based upon a world theory, has never been broken by formal State authority, but always has given way to a new and different world-theory, equally bold and determined. This may hurt the feelings of champions of States in official positions, but that will not do away with the facts.

The State is being overrun by Marxism. Seeing that it gave in unconditionally to Marxism on November 9th, 1918, it will not rise up all of a sudden tomorrow to subdue it; on the contrary, the bourgeois noddles who occupy Minister's seats already babble of the necessity of not taking action against the workers, showing that by 'workers' they are thinking of Marxism.

I have already described how for the practical purpose of our young movement, a corps for the protection of meetings was slowly formed, and that this gradually assumed the character of a body of troops for keeping order and was looking forward to taking shape as an organizing body.

At that time, this body was at first merely a guard for meetings. Its earliest tasks were limited to making it possible to hold meetings which otherwise would have been stopped dead by our opponents. These men were trained merely for attack, not because, as was asserted in foolish German Nationalist circles, their ideal was the rubber blackjack, but because they realized there was no chance for ideals if the defender of them was clubbed with one; indeed, it has occurred not infrequently in history, that the greatest leaders have come to a bad end by the hand of some diminutive helot. They did not regard violence as an aim, but they desired to protect those who proclaimed the great ideal aim against being overpowered by violence. They realized also that it was not their duty to undertake protection of a State that was not protecting the nation against those who threatened to destroy nation and State.

The Storm Detachment, as they were called, is but one section of the movement, just as propaganda, the press, the scientific institute, etc., are simply sections of the party.

The idea underlying the formation of the Storm Detachment was the intention, side by side with high bodily training, to make it to an absolutely convinced defender of the National-Socialist idea, and to perfect its discipline. It was to have nothing in common with any defense organization in the bourgeois sense, nor yet with any secret organization.

My reason for guarding strictly at that time against allowing the Storm Detachment of the National Socialist German Workers' Party to be raised as a so-called defense association was as follows:

For every practical reason the defense of a nation cannot be carried out by private defense associations, unless backed up by all the forces of the State. It is utterly out of the question to form organizations with any military value for a definite purpose with so-called 'voluntary discipline.' The main support for getting orders carried out is lacking, namely, the power of inflicting punishment. In the spring of 1919, it was possible to raise 'volunteer corps' simply because most of the men had fought at the front, and had been through the school of the old army. That spirit is entirely wanting in the 'defense organizations' of today.

Assuming that, in spite of all difficulties, some associations were to be successful in converting a definite number of Germans into men, true in sentiment and proficient in bodily and military training, the result must of necessity be nil in a State whose tendency is not to desire to create such a force, which, in fact,

detests the idea, since it is utterly out of harmony with the intimate aims of the leaders – the corruptors of the State. This is the case today. It is not ridiculous for a government to be prepared to train some ten thousand men in a hole-and-corner fashion when a few years earlier the State, having shamefully sacrificed eight and a half millions of highly trained soldiers, not merely had no further use for them, but, as a mark of gratitude for their sacrifices, exposed them to universal execration? It is expected that soldiers will be trained for a régime which besmirched and spat upon its most glorious soldiers, tore off their medals and badges, trod their banners underfoot, and cast contempt upon their achievements? Or has this State régime ever taken a single step towards restoring the honor of the old army or towards forcing those who destroyed and abused it to answer for what they did? Not one step! On the contrary, these lasts can be seen occupying the highest posts under the State. And yet they said at Leipzig: 'Right goes with might,' Since, however, might is today in the hands of the very men who originally contrived the Revolution, and since that Revolution represents the cruelest betrayal of the country, the most scoundrelly act in the whole of German history, there can surely be no reason why might of that character should be increased by formation of a new young army. All sensible reasoning is against it.

If the State, as it is today, adopted the system of trained defense bands, it could never be applied to the defense of national interests outside of the country, but could only be used for protecting the nation's oppressors inside of the country against the rage of the betrayed and bartered nation, which might one day rise in its wrath.

For this reason, our Storm Detachments were not allowed to have anything to do with military organization. They were purely an instrument for protecting and educating the National-Socialist movement, and their tasks lay in quite another direction from that of any so-called defense association.

Neither did they represent a secret organization. The aims of secret organizations only be unlawful ones.

What we needed then and need now was and is not a hundred or two wrong-headed conspirators, but a hundred thousand, and again, a hundred thousand fanatical fighters for our world-theory. The work must be done, not in secret conventicles, but by powerful massed strokes; the road cannot be cleared for the movement by dagger, poison, or pistol, but by conquering the man in the street. We have to instruct Marxists that future control of the street will be in the hands of National Socialists, just as they will be in the future the masters of the State.

There is another danger from secret organizations, in that their members often fail completely to understand the greatness of the task, and are apt to imagine that the success of the national cause can be assured all at once by means of a single murder. Such an idea may find historical justification in cases where a nation has been suffering under the tyranny of some gifted oppressor. During 1919 and 1920, there was a danger that members of secret organizations, inspired by great examples in history and carried away by the magnitude of the nations' misfortune, might attempt to take vengeance on the corruptors of their

country, under the belief that thus they would put an end to the misery of their nation. All such attempts were pure folly, because the Marxist victory was not due to the superior genius of some outstanding individual leader, but to the measureless incompetence and cowardice of the bourgeois world.

If, then, the Storm Detachment may be neither a military organization, nor a secret society, it must be evolved under the following principles:

1. Its training must be carried out, not on military principles, but from the point of view of what is best for the party. Seeing that its members must be fit in body, focus must be set, not on drill, but on training for sports. I have always considered boxing and jujitsu more important than mediocre training in marksmanship.

2. In order to prevent the Storm Detachment from assuming any character of secrecy, not only must the uniform be universally recognized, but also the road that the organization must take, so as to be of most use to the movement, must be clearly defined and universally known. It must not work by secret means.

3. The formation and organization of the Storm Detachment must not be a copy of the old army as regards uniform and equipment, but must be chosen so as to be suitable to the tasks it has before it.

There were three events that turned out to be of great importance for the later development of the Storm Detachment:

1. The great general demonstration by all the patriotic societies in the late summer of 1922 on the Königsplatz in Munich against the law for the defense of the Republic. In the procession of societies, the National-Socialist movement also took a part, it was led by six Munich companies, followed by the sections of the political party. I, myself had the honor of addressing the multitude, which amounted to sixty-thousand people, as one of the speakers. The arrangements were a tremendous success, because, in spite of all threats from the Reds, it was proved for the first time that nationalist Munich was able to parade in the streets.

2. The expedition to Coburg in October 1922. certain 'nationalist' societies had decided to hold a 'German Day' at Coburg. I was invited to take part, with a recommendation to bring some of my friends with me. I picked eight hundred men of the Storm Detachment to go with me by special train to the little town, which had become part of Bavaria.

At the station at Coburg, we were met by a deputation of the organizers of the 'German Day' who announced that it had been 'arranged' at the orders of local trades unions – that is, the Independent and Communist Party – that we should not enter the town with our flags flying, and our band playing (we had a band of forty-two musicians), and should not march with closed ranks. I rejected these shameful conditions forthwith and did not fail to express to the gentlemen who arranged this 'Day' my astonishment at their negotiating with such people and coming to an agreement with them, and declared the Storm Detachment would instantly march in company formation into the town with flags flying and the band playing.

In the station yard, we were received by a yelling crowd, numbering many thousands. 'Murderers,' 'bandits,' 'robbers,' 'criminals,' were the pet names, which whose pattern founders of the German Republic showered upon us. The young Storm Detachment maintained perfect order. We marched to the court of the Hofbräuhauskeller in the center of the town. In order to prevent the crowd from following us, the police locked the gates of the court on us. As this was intolerable, I demanded that the police should open the gates. After long hesitation, they complied. We marched back by the road we had come over to our quarters, and there we had finally to face the crowd. The representatives of true Socialism, equality, and brotherhood, took to throwing stones. Our patience was at an end, and we hit out right and left for ten minutes, and a quarter of an hour later, there was no more red to be seen in the streets.

There were serious collisions during the night. Patrols of the Storm Detachment came upon National Socialists who had been attacked singly and were in a deplorable condition. Short work was made with the enemy.

By the next morning, the Red terror, under which Coburg had suffered for years, was broken.

The next day, we marched onto the square, where it was announced that a demonstration of ten thousand workers was to be held. Instead of ten thousand as announced, there were only a hundred present, who kept silent on the whole as we drew near. Here and there, bodies of Reds, who had come in from the outside and did not yet know us, tried to get up a quarrel; but they quickly lost any wish to do that. It was becoming obvious that the population, which had for so long been miserably intimidated, was now slowly waking up, and gaining courage to greet us with shouts, and when we departed in the evening, spontaneous cheering broke out.

Our experiences at Coburg proved at how essential it was to introduce a regular uniform for the Storm Detachment, not only for the purpose of strengthening *esprit de corps*, but also to avoid confusion, and failure to recognize the men opposing it. Up to that time, it had worn merely the armband, but now the tunic and the well-known cap were added.

We learned also of the importance of going by a regular plan to all places in which the Red terror had for many years prevented those who thought differently from holding any meeting, of breaking down the Red terror, and re-establishing freedom of assemblage.

3. In March 1923, an event occurred which forced me to divert the course of the movement and introduce changes.

In the early part of that year, the Ruhr was occupied by the French, and this was subsequently of great importance in the development of the Storm Detachment.

It is not today possible, nor is it to the national interest, to speak or write about it in public. The occupation of the Ruhr, which did not come upon us as a surprise, gave good reason for hoping that we should cease our cowardly policy of submission, and that the defense associations would now have something definite to do. It was likely that the Storm Detachment as well, which contained

several thousand strong young men, would not be deprived of a share in this national service. During the spring and summer of 1923, its transformation into a fighting military organization took place. To this was due in great part the later developments during that year, as far as they concerned our movement.

The events at the close of 1923, though they appeared disgusting at first sight, yet, when looked at from a higher plane, were almost a necessity, since they put an end at one blow to the conversion of the Storm Detachment, which was now doing harm to the movement. At the same time, however, these events opened a possibility of one day reconstructing at the point at which we had been forced to diverge from the straight course.¹

In 1925, the National Socialist German Workers' Party was refounded, and it will have to reconstruct and organize its Storm Detachment on the principles mentioned in the beginning. It will have to return to its original sound principles, and will have to regard it, as its highest duty to make the Storm Detachment into an instrument for defense and strength in the fight for the world-theory of the movement.

It must not allow the Storm Detachment to sink to the level of a secret organization; it must rather take steps to make of it a guard of one hundred thousand men for the National-Socialist, and thus deeply nationalist idea.

THE SHAM OF FEDERALISM

IN THE winter of 1919, and still more in the spring and summer of 1920, the young party was obliged to adopt an attitude towards a question that had become important even during the War. In Part I of this volume, I described shortly the signs, visible to myself, of the menace of Germany's collapse, with special reference to the system of propaganda directed by the English, and also the French, towards widening the old rift between the North and South of Germany. It was in the spring of 1915 that the system of articles and leaflets against Prussia, as being the sole cause of the War, first appeared. Up until 1916, it was developed and perfected in a cunning and shameful manner. It counted upon the lowest instincts of mankind, and began exciting the South German against the North German, and the fruits of the agitation soon made their appearance. The leaders, both in the government and in the army (especially the Bavarian army), may well be reproached; they cannot escape blame for failing, with criminal blindness and laxity, to take action against it with proper determination. Nothing was done! On the contrary, some of them seemed to see it with no great displeasure, and were perhaps unintelligent enough to imagine that such propaganda might not only add a bolt in the unification of the German nation, but might even automatically strengthen the forces of rebellion. Hardly ever in history has such wicked neglect received heavier punishment. The enfeeblement which Prussia suffered by it attacked the whole of Germany. It hastened the collapse, which ruined not Germany alone, but much more certainly the individual States themselves.

In the town in which the artificially excited hatred against Prussia raised most violently, the revolt against the reigning House was the start of the Revolution. It would be wrong to imagine that the enemy propaganda was alone responsible for the anti-Prussian feeling. The unbelievable methods of our war organizers who gathered – and swindled – the entire Empire into an absolutely mad system of centralization in Berlin was a main cause of that anti-Prussian feeling.

The Jew was far too cunning not to realize than that the infamous campaign of plunder which he organized against the German nation under the cloak of the War societies was bound to arouse opposition. As long as it did not spring at his own throat, he had no cause to be afraid. Thus, it occurred to him that there could be no better recipe for averting a rising of the masses driven to desperation and exasperation, than to let their rage flame up and spend itself in some other direction.

Then came the Revolution.

The International Jew, Kurt Eisner, started to play off Bavaria against Prussia. In deliberately aiming the revolutionary movement in Bavaria against the rest of the Reich, he was not acting in the least from the point of view of Bavaria, but as one commissioned by Jewry to do so. He exploited the existing instincts and

dislikes of the Bavarian people, in order by their means to dismember German the more easily. The Reich, once laid in ruins, would have easily fallen to Bolshevism.

The art of the bolshevist agitators, in representing the advance of the contingents of liberation to put an end to the Republics of the Committees as a victory of Prussian militarism over the anti-militarist and anti-Prussian elements bore rich fruits. Whereas at the time of the elections for the Bavarian Legislative Assembly, Kurt Eisner had not ten thousand followers in Munich and the Communist Party had fewer than three thousand, after the collapse of the Republic of Committees, the two parties fused together and numbered nearly one hundred thousand.

I think that never in my life did I start a more unpopular work than I did in my stand against the anti-Prussian incitement. In Munich during the Committees period, the first mass meeting took place, at which hatred against the rest of Germany, especially Prussia, was lashed to such a heat of frenzy that if a North German attended a meeting, it was at the risk of his life. Those demonstrations usually ended with wild shouts of 'Away with Prussia!' 'Down with Prussia!' 'War against Prussia!' – a sentiment summed up in the German Reichstag by a brilliant defender of Bavaria's sovereign interests, in the battle-cry, 'Rather die as a Bavarian, than rot as a Prussian!'

The fight that I had undertaken, at first by myself, and afterwards with the support of my War comrades, was now carried on almost, I might say, as a sacred duty by the young movement. I am proud to be able to say today that we – depending almost exclusively on our adherents in Bavaria – were responsible for putting an end, slowly but surely, to that combination of folly and treason.

It is, of course, obvious that the agitation against Prussia had nothing to do with Federalism. Federative activities are most inappropriate when their object is to break up or dismember another Confederation. For a genuine Federalist, for whom Bismarck's conception of the Empire is not an empty phrase, could not in the same breath desire to cut off portions of the Prussian State, which was created and perfected by Bismarck, nor could he publicly support such separatist aspiration. It is the more unbelievable, since the battle waged by these so-called Federalists was against the element in Prussia, which could least be considered as being connected with the November Democracy. For their slanders and attacks were not directed against the fathers of the Weimar Constitution, who consisted mostly of South Germans and Jews, but against the representatives of the old Conservative Prussia, the very antipodes of the Weimar Constitution. We need feel no astonishment that they were especially careful not to encroach upon the Jews; but this perhaps gives the key for solving the entire riddle. The Jews objective was to cite the 'National' elements in Germany against each other – to set Conservative Bavaria against Conservative Prussia. And he was successful.

In the winter of 1918, anti-Semitism began to take root throughout Germany. The Jew returned to his old methods. With amazing promptitude, he hurled the brand

of contention into the popular movement, and started a fresh rift. In casting up the Ultramontane question, and in the contentions rising out of it lay, as things then were, the sole possibility of occupying popular attention with other problems, so as to stem the attack concentrated on Jewry. The men who infected our nation with this question can never repair the evil they committed against it. The Jew has certainly succeeded in his aim; he is delighted in seeing Catholics and Protestants fighting against each other; the enemy of all Aryan humanity and Christendom laughs in his sleeve.

The two Christian Churches are looking upon this pollution and destruction of a noble and unique existence, granted by God's grace to this earth, with indifferent eyes. For the world's future, however, the importance of it all is not whether the Protestants beat the Catholics, but rather whether the Aryan man holds his own or dies out. And yet today, the two confessions are fighting, not against the destroyer of the Aryan, but they are mutually trying to annihilate each other.

In Germany, it is not permissible to promote a struggle against Ultramontanism or clericalism, as it might be in purely Catholic countries, for the Protestants would certainly take a hand in it. The defense, which Catholics in other countries would put up against attacks political in character, on their religious leaders would in Germany at once assume the form of an attack by Protestantism against Catholicism.

For the rest, the facts speak for themselves. The men, who in 1924 suddenly discovered that the main mission of the Nationalist movement was a struggle against 'Ultramontanism' failed to break Ultramontanism down, but they did succeed in splitting the Nationalist movement. I must add my warning, in case some immature brain in the Nationalist movement should imagine that it can do what a Bismarck was unable to do. It will be the main duty of those who lead the National-Socialist movement to oppose absolutely any attempt to offer the services of their movement for any such struggle and to expel from its ranks on the spot those who conduct propaganda for that objective. As a matter of fact, we had continuous success in this throughout the autumn of 1923. Fervent Protestants could stand side by side with fervent Catholics in our ranks without the slightest qualms of conscience as regards their religious convictions.

The States of the American Republic did not make the Union, but it was the Union that created most of the so-called States. The very comprehensive rights granted to the various territories express not only the essential character of that Union of States, but are in harmony with the vastness of the area which they cover, almost attaining to the dimensions of a continent. Thus, in speaking of the States of the American Union, one cannot refer to them as having State sovereignty, but as enjoying rights, or better, perhaps, privileges, determined and guaranteed by the Constitution.

In Germany, however, the individual States were originally sovereign States, and the Empire was formed out of them. But the formation of the Empire did not take place by reason of the free will and equal cooperation of the individual States, but because one State, Prussia, achieved hegemony over the others.

The great difference in size of territory between the German States by itself prevents any comparison with the American Union. Moreover, the difference in size between the smallest of them or the larger, or rather the largest of them, demonstrates the inequality of achievement and of the share in founding the Empire and in forming the confederation of States. It cannot be maintained that most of the States ever really enjoyed genuine 'sovereignty.'

The rights of sovereignty, which the States renounced in order to make the Empire possible, were given up in a very small measure of their own free will. In most cases, they were either nonexistent, or they had simply been lost under the pressure of Prussia's superior strength. The principle followed by Bismarck was not to give the State merely what had been taken away from the smaller States, but to demand from the States what the Empire absolutely required. But it is quite wrong to ascribe this decision of Bismarck's to any conviction on his part that the State was thus acquiring all the rights of sovereignty which it would require for all time; on the contrary, he meant to leave over for the future what would have been hard to attain at the moment. And the sovereignty of the State has, in actual fact, continuously increased at the expense of the individual States. The passing of time achieved what Bismarck hoped it would achieve.

The German collapse and the destruction of the monarchial State for necessarily hastened these developments.

The same cause struck a hard blow at the federative character of the Reich; a harder blow still was struck by the acceptance of the obligations under the Peace Treaty.

It was both natural and obvious that the countries lost control of their finances and had to renounce them to the Reich, from the moment when the Reich, having lost the War, submitted to financial obligations, which were never considered as being covered by contributions from the individual States. The further decision, which led to the Reich taking over the railways and postal services, was a necessary and progressive step in the gradual enslavement of our nation under the Peace Treaty.

Bismarck's Empire was free and unbound. It was not weighed down by the wholly unproductive financial obligations, such as the present Dawes Germany has to carry on her back. Its expenditure was confined to a few absolutely necessary items of domestic importance. It was therefore well able to do without financial supremacy, and to live on the money contributed by the confederated States; and naturally the fact that the States retained their rights of sovereignty and had comparatively little to pay to the Empire contributed to their satisfaction in being members of the Empire. But, it is both incorrect and dishonest to wish to make propaganda with the assertion that whatever dissatisfaction there existed was attributable solely to the financial bondage suffered by the States at the hands of the Empire. No, this was truly not the case. The wane of joy in thought of the Empire should not be attributed to loss of sovereign rights, but it is rather the result of the miserable way in which the German nation was then represented by its State.

Thus, the State today is forced for reasons of self-preservation to curtail more and more the sovereign rights of individual countries, not only from the general material standpoint, but on principle also. For, seeing that it is draining the last drops of the blood of its citizens by its policy of financial squeezing, it is forced to withdraw the last of their rights, unless it is prepared to see the general discontent flame up into rebellion.

We National Socialists have therefore to admit the following basic principle:

A powerful national Reich, guarding and protecting the interests of its citizens abroad in the widest sense, is able to offer liberty at home; then it need have no anxiety for the solidity of the State. On the other hand, a powerful national government may take responsibility for large incursions on the liberty of individuals as well as of the State without risk of weakening the Empire idea, if only each citizen recognizes that such measures are measures aimed at making this nation great.

It is a fact that all the States in the world are moving in the direction of unification of their domestic policy, and Germany will not be out of the running in this respect.

However natural a certain measure of unification, especially in the area of communications, may appear to be, it is none the less the duty of the National Socialists to bring strong opposition against such a development in the State today, given that the sole object of these measures is to cover and make possible a disastrous foreign policy. For the very reason that the Reich of today proposes to bring under itself, the railways, the postal services, finances etc., for reasons which are not of high national policy, but in order to have in its hands the means and pledges for limitless fulfillment of obligations, we National Socialists must take every step that appears calculated to block, and, if possible, prevent such a policy.

Another reason for opposing centralization of this kind is that the Jewish-Democratic Reich, which has become a real curse to the German nation, is seeking to render impotent the objections raised by the States, which are not so far imbued with the spirit of the age, by crushing them to the point of making them totally unimportant.

Our standpoint has always to be that of high national policy, and must never be narrow or particularistic. This last observation is necessary, lest our adherents should come to imagine that we National Socialists would think of denying that the Reich has a right to assume a higher sovereignty than that of the individual States. There neither should, nor could be any question as to that right. Since for us the State in itself is but a form, whereas the essential is that which it includes – namely, the nation, the people – it is clear that everything else must be subordinated to the nation's interests; and in particular, we cannot permit any single State within the nation and the Reich (which represents the nation) to enjoy independent political sovereignty as a State. The enormity of allowing States of the Confederation to maintain legislations must and will be put to a

stop. As long as that continues to be possible, we have no right to wonder that foreigners continue to doubt the stability of the framework of our State and take their measures accordingly.

The importance of individual States will in the future be more on the cultural side. The monarch who did the most for the reputation of Bavaria was no obstinate particularist with anti-German sentiments, but one who was as much in sympathy with a greater Germany as he was with art – Ludwig I.

The army must be kept strictly apart from all individual State influences. The coming National-Socialist State must not slip into the mistake of the past in forcing the army to undertake a task that is not and never ought to be proper to it. The German army is not there for the purpose of providing a school for maintaining racial peculiarities, but rather for teaching all Germans to understand and get on with each other. All that tends to divisions in the nation's life must be converted by the army into a uniting influence. It must lift each youth above the narrow horizon of his own little country, and set him in his place within the German nation. He must learn to look on the frontiers, not of his home, but of his Fatherland; for it is those that he will have to protect one day. It is folly, therefore, to allow the young German to stay in his home, but a good thing to show Germany to him during the time of his military service. This is all the more essential today, since young Germans do not travel and so widen their horizon as once they used to.

The doctrines of National Socialism are not meant to serve the political interests of single States of the Confederation, but to lead the German nation. They must determine the life of an entire nation, and shape it afresh; they must therefore peremptorily claim the right to overstep boundaries, drawn according to political developments that we have rejected.

PROPAGANDA AND ORGANIZATION

PROPAGANDA must rush on far in advance of organization and win over the human material on which organization is to work. I have always been an enemy of hasty and pedantic organization; for it is apt to lead to dead mechanical results. For this reason, it is best to allow an idea to be broadcast from a center by means of propaganda for a period, and then to search carefully through and examine for leaders among the human material which has been assembled. It will often happen that men, who do not show obvious capabilities at the start, turn out to be born leaders.

It is completely wrong to imagine that abundance of theoretical knowledge is necessarily a characteristic proof of the qualities and energies necessary for leadership. The contrary is frequently the case.

A great theorist is seldom a great leader. An agitator is far more likely to possess those qualities – which will be unwelcome news to those who work on a question is merely scientific. An agitator who is capable of communicating an idea to the masses has to be a psychologist, even though he is but a demagogue. He will always be better as a leader than the retiring theorist who knows nothing about men. For leadership means ability to move masses of men. The talent for producing ideas has nothing in common with capacity for leadership. But the union of theorist, organizer, and leader in one man is the rarest phenomena on this earth; therein consists greatness.

I have already described the attention I gave to propaganda in the earlier days of the movement. Its function was to inoculate a small nucleus of men with the new doctrine, so as to shape the material out of which the first elements of an organization might be formed later on. In the process, the aims of propaganda far exceed those of organization.

The work which propaganda has to do is to continue to win adherents to the idea, while the whole-hearted preoccupation of organization must be to make the best of the adherents into active members of the party. There is no need for propaganda to worry itself over the value of every single one of its scholars, as regards efficiency, capacity, intellect, or character, whereas it is the task of organization to carefully select out of the mass, any that may really conduce to the triumph of the movement.

The first task of propaganda is to win men for the coming organization; that of organization is to get men for carrying on propaganda. The second task of propaganda is to upset existing conditions, by means of the new doctrine, that of organization is to fight for power, in order through it to secure final success for the doctrine.

One of the main tasks of organization is to see that no sign of disunion creeps into the membership of the movement, do cause divisions, and so lead to weakening of the work of the movement; also that the fighting spirit does not die

down, but is continually renewed and fortified. To this end, the membership should not be multiplied indefinitely; for, since energy and boldness only exist in a portion of mankind, a movement whose organization sets no limits to it, would of necessity one day become weak.

It is therefore essential, if only for purposes of self-preservation, that, as long as it is maintaining its success, a movement shall stop adding to its membership, and shall thenceforward exercise the greatest caution, and only after thorough examination consider increasing its organization. Only by this means will it keep the kernel of the movement fresh and healthy. It must see to it that this kernel continues to have sole control of the movement – that is, decides on the propaganda that is to lead to universal recognition, and, being in possession of all power, carries on the operations necessary for the practical realization of its ideals.

As controller of propaganda for the party, I was careful not merely to prepare the ground for the future greatness of the movement, but I worked on very radical principles, so that the best material was introduced into the organization. For the more radical and exciting my propaganda was, the more it frightened away weak and wavering characters, and prevented their penetrating into the inner kernel of our organization. And this was all to the good.

Up to the middle of 1921, this creative activity sufficed, and did nothing but good for the movement. But in the summer of that year, certain events made it obvious that the organization was failing to keep pace with the propaganda, the success of which was gradually appearing more evident.

In the years 1919-20, the movement had a committee in control of it, elected by the members in assembly. This committee, comically enough, embodied the very principle against which the movement was most keenly fighting, mainly, parliamentarianism.

I refuse to countenance such folly, and after a very short time, I ceased to attend the meetings of the committee. I made my propaganda for myself, and that was an end of it; I refused to allow any ignoramus to talk me into any other course. Similarly, I refrained from interfering with the others in their departments.

As soon as the new rules were adopted, and I was established as chairman of the party, thus acquiring the necessary authority, and the rights accompanying it, all such folly came to an immediate end. Decisions by committee were replaced by the principle of absolute responsibility. The chairman is responsible for entire control of the movement.

This principle gradually became recognized inside the movement as the natural one, at least as far as control of the party was concerned.

The best way to dissolve committees that did nothing, or merely brewed up unpractical recommendations was to set them to do some real work. It made one laugh to see how the members would silently fade away, and suddenly were nowhere to be found! It reminded me of our great institution of the same kind, the Reichstag. How quickly they would all blow away if they were to put some real

work, instead of just talk, especially if each member was made personally responsible for any work that he did!

In December of 1920, we acquired the Völkischer Beobachter. This paper, which, as its name suggests, was generally meant for popular consumption, was to become the organ for the National Socialist German Workers' Party. At first, it appeared twice weekly, but at the beginning of 1923, it became a daily paper, and at the end of August, it started appearing in its later well-known large form.

The Völkischer Beobachter was a so-called 'popular' organ with all the advantages, and, still more, the faults and weaknesses, attaching to popular institutions. Excellent though its contents were, its management was impossible as a business proposition. The underlying idea was that it ought to be maintained by popular subscription; it was not realized that it would have to make its way in competition with the rest, and that it would be indecent to expect the subscriptions of good patriots to cover mistakes and negligence on the business side of an enterprise.

I took great pains at the time to alter these conditions, the danger of which I soon recognized. In 1914, in the War, I made the acquaintance of Max Amann, who is now the general business director of the party. In the summer of 1921, I applied to my old comrade in the regiment, whom I met by chance one day, and asked him to become business manager for the movement. After long hesitation – for he already had a good position with prospects, he consented, but only on condition that he should not be at the mercy of incompetent committees; he must have to answer to one single master, and one only. What actually happened was that some men were taken on the staff of the paper who had formerly been attached to the Bavarian People's Party, but their work showed that they had excellent qualifications. The result of this experiment was eminently successful. It was owing to this honest and frank recognition of a man's real qualifications that the movement captured the hearts of its employees more swiftly and surely than had been the case ever before. Later on, they became and remained good National Socialists, not in word alone, and they proved it by the solid, steady, and conscientious work that they performed in the service of the new movement.

In the course of two years, I brought my views more and more into operation, and today, as far as the leadership in chief is concerned, they hold their ground as the most natural solution.

The obvious success of this system was shown on November 9, 1923. Four years previously, when I entered the movement, there was not even a rubber stamp. On November 9, 1923, the party was broken up, and its property confiscated. The total sum fetched by all objects of any value and by the paper amounted to over 170,000 gold marks.

THE TRADES-UNION QUESTION

THE rapid growth of the movement obliged us in 1922 to adopt an attitude towards a question that is even now not altogether clear. In our efforts to study the quickest and easiest methods by which the movement might penetrate into the hear of the masses, we were continually met by the objection that the worker could never completely attach himself to us as long as his professional and economic interests were looked after by men holding other opinions than ours and his political organization was in their hands.

In Part I of this volume, I wrote on the nature and aims, and also the necessity of trades unions. I gave it as my opinion that, unless by means of State measures (which usually lead to nothing) or by a new ideal of education, the attitude of the employer towards the worker underwent a change, the latter would have no course but to undertake the defense of his own interests himself, by appealing to his equal rights as a contracting party in economic life. I went on to say that such defensive action impinged upon the entire national community, if, by reason of it, social injustices, involving serious injury to the life of the community, could not be prevented. I said, moreover, that the necessity of trades unions must be taken for granted, so long as the employers included among their numbers men who had of themselves no feeling for social obligation, or even for the most elementary rights of humanity.

In the present state of affairs, I am convinced that the trades unions cannot possibly be dispensed with. In fact, they are among the most important institutions in the economic life of the nation.

The national-Socialist movement, which aims at the National-Socialist State for the People, may entertain no doubts that every future institution of that State must be rooted in the movement itself. It is the greatest of errors to imagine that possession of power by itself will allow any definite reorganization to be accomplished, starting from nothing, without the help from a staff of men who have been trained beforehand in the spirit of the enterprise. Here also, the principle holds well that the spirit is always more important than the form, which can be created very speedily.

Thus, no one could propose suddenly dragging out of his portfolio the draft of a new constitution and expect to be able to 'introduce' it by an edict from above. It might be attempted, but the result would not survive; almost certainly, it would be a stillborn infant. I am reminded of the origin of the Weimar Constitution, and the attempt to palm off a new constitution and a new flag on the German nation, neither of them having any connection with anything known to our nation during the last half-century.

The National-Socialist State must avoid all such experiments; it must grow out of an organization that has already long been working. Hence, the National-Socialist movement must recognize the necessity of possessing a trades-union organization of its own.

What must be the nature of a National-Socialist trades union? What is our task, and what are its aims?

It is not an instrument of class war, but one for the defense and representation of the workers. The National Socialist State knows no classes, but, in a political sense, only citizens with absolutely equal rights, and similarly equal obligations, and, side by side with them, subjects absolutely without rights in the political sense.

The primary object of the trades-union system is not to fight in any war between classes, but Marxism forged it into an instrument for its own class war. Marxism created the economic weapon that the international Jew employs for destroying the economic basis of free and independent national States, for ruining their national industry and trade; its object being to make free nations the slaves of the world-finance of Jewry, which knows no State boundaries.

In the hands of the National-Socialist trades union, the strike is not an instrument for ruining the nation's production, but for increasing it and causing it to flow, by fighting against all the faults, which by their unsocial character, hinder efficiency in business and in the life of the entire nation.

The National-Socialist worker must be aware that the nation's prosperity means material happiness to himself.

The national-Socialist employer must be aware that happiness and contentment for his workers is an essential for the existence and development of his own great business enterprise.

It is senseless to have a National-Socialist trades union side by side with other trades unions. For it must be deeply convinced of the universality of its task, and the resulting obligation, be unhampered by other institutions with similar and perhaps hostile aims, and be ready to proclaim its own essential individuality. There can be no compromising with cognate aspirations; its absolute right to stand alone must be maintained.

There were, and still are, many arguments against founding trades unions of our own. I have always refused to consider experiments, which were bound to fail from the start. I should have considered it a crime to take from the worker a proportion of his hard-earned wages to pay for an institution, which I was not thoroughly convinced, would be of use to its members.

Our action in 1922 was based upon these opinions. Others apparently knew better and started trades unions. But it was not long before they disappeared. So that in the end, they were in the same position as ourselves. The difference was that we had betrayed neither ourselves, nor others.

XIII

GERMAN POLICY OF ALLIANCES AFTER THE WAR

THE fickleness of the Reich in the domain of foreign policy and its failure to follow the right principles in its policy of alliances was not only continued after the Revolution, but also continued in a worse form. For if before the War confusion of ideas in politics may be taken as the first cause of the bad State leadership in foreign affairs, after the War, on the other hand, it was honest intention that was lacking. It was obvious that the party, which had achieved its destructive aims by means of the Revolution, would not be interested in a policy of alliances, the object of which was reconstruction of the free German State.

As long as the National Socialist German Workers' Party was but a small and little known society, problems of foreign policy would seem of inferior importance in the eyes of many of our adherents. And indeed, the one essential preliminary to a struggle for exterior freedom is removal of the causes of our collapse, and the destruction of those who are profiting by it.

But from the moment that the small and insignificant society widened its sphere of operations, and attained the importance of a great association, it quickly became necessary to take note of the developments in foreign politics. We had to decide upon principles that should not only be in contradiction of our fundamental views, but should actually be an expression of them.

The essential and basic idea that is ever before us in considering this question is that foreign policy is but a means to an end. But the end is exclusively encouragement of our own nationality. No suggestion in foreign politics may be prompted by any consideration other than the following: Will it help or injure our nation now or in the future?

We have to consider, moreover, that the question of recovering territories, which a nation and State have lost, is always, first and foremost, one of recovering political power and independence for the mother country; also that in such a case the interests of lost territories must be ruthlessly ignored as against that of regaining the mother country's freedom. For the liberation of oppressed and cut-off splinters of a race or of the provinces of an Empire is not affected by reason of any desire of the oppressed population, or of a protest by those who remain, but by whatever means of power is still possessed by the remainder of the Fatherland, which was once common to all.

It is not by flaming protests that oppressed lands are brought back into the embrace of a common Reich, but by a sword ever ready to strike. It is the task of the leaders of a nation, in their domestic policy, to forge that sword; in their foreign policy, they must aim at the work of forging, and they must seek comrades.

In Part I of this volume, I described the half-heartedness of our policy of alliances before the War. Instead of a sound territorial policy inside Europe, our political leaders preferred one of colonies and trade. This was the more ill conceived, since they thus hoped to escape having to make the decision by arms. The result of this attempt was that, while hoping to sit upon all of the stools, they fell down, as usually happens, between them all, and the World War was the final retribution imposed on the Empire for its bad leadership. The right way would have been to strengthen the Empire's power on the Continent by winning fresh territory in Europe.

But since the fathers of the folly of our democratic Parliament refused to consider any regular scheme of preparation for war, any plan for acquiring lands in Europe was thrown over, and, by their preference for a policy of colonies and trade, they sacrificed the (then possible) alliance with England; at the same time they neglected to seek support from Russia – the logical course. Finally, they stumbled into the World War, deserted by all but the ill-omened Habsburg Dynasty.

The historic tendency of British diplomacy, the sole counterpart of which in Germany was the tradition of the Prussian army, was, ever since the example set by Queen Elizabeth, directed deliberately towards preventing every possible means the rise of any European Power beyond the general standard of greatness and breaking it by a military attack, if necessary. The means employed by England to that end varied according to the situation, and the task imposed; but the will and determination were always the same. The political independence of the former North American colonies led, as time went on, to mighty efforts to obtain a certainty of support on the continent of Europe.

Thus, after Spain and the Netherlands had sunk from being Great Powers, the forces of the British State were concentrated against the rising power of France, until finally, with the fall of Napoleon, the fear of the hegemony of the military power, which was the most dangerous of all to England, appeared to be broken for good and all.

The change of direction for British statesmanship against Germany was a slow process, because Germany, owing to her lack of national unity, presented no visible menace to England. By 1870-71, however, England had already adopted her new attitude. Her hesitations, occasioned by America's importance in world economics as well as by the development of Russia as a Power, were unfortunately not turned to advantage by Germany, with the result that the historic tendency of British statesmanship became more and more firmly established.

England regarded Germany as the Power whose ascendancy in trade – and therefore in world politics – as a consequence of her enormous industrialization was becoming a very serious menace. The conquest of the world by 'peaceful penetration,' which our statesmen thought to be the last word in wisdom, was selected by British politicians as their basis for organizing resistance. The fact that this resistance assumed the form of a fully organized attack was entirely

consistent in character with statesmanship whose aim was not maintenance of a questionable world peace, but the establishment of British world domination. The fact that England employed, as her allies, all States, which could be of use in a military sense, was equally consistent with her traditional foresight in estimating her opponents' strength, as well as with her knowledge of her own weak points at any given moment. This cannot be termed 'unscrupulousness' since to organize a war so completely is not to be judged by heroic standards, but by their suitability to the occasion. It is the task of diplomacy to see to it that a nation does not go under heroically, but is maintained by practical means. Then every road which leads to that is the right one, and not to follow it is obviously a crime and flagrant neglect of duty.

When Germany turned revolutionary, all fear of the threat of world domination by Germany was over as far as it concerned British statesmanship. It was not to England's interest that Germany should be *entirely* obliterated from the map of Europe. On the contrary, the fearful collapse of November 1918, put British diplomacy face to face with a new situation, which was at once discovered to be possible: Germany destroyed, and France the strongest political Power on the Continent of Europe. The wiping out of Germany as a Power on the Continent would merely bring profit to England's enemies. And yet, between November 1918, and the summer of 1919, British diplomacy was not in a position to alter its attitude, since it had exploited the forces of sentiment in the public during the long War more fully than ever before.

Moreover, to prevent the power of France from becoming too great, the only policy possible to England was participation in France's lust for robbery. In fact, England had failed to achieve what she was aiming at when she went to war. The rise of a European Power above and beyond the ratio of strength in the continental State system of Europe had not been prevented; it had in fact, been solidly established.

France's position today is unique. She is the first Power in a military sense, with no serious rival on the Continent; her frontiers are practically safe against Italy and Spain; she is protected against Germany by the Fatherland's powerlessness; her long stretch of coast is placed before the nerves of the life of the British Empire.

England's permanent desire is to maintain a certain balance of power between the States of Europe among themselves, since that appears to be a necessary condition for British hegemony in the world.

France's permanent desire is to prevent Germany from becoming a solid Power, to maintain a system of small States in Germany more or less equal to each other in power and without unified leadership. She wishes to hold the left bank of the Rhine as a guarantee for building up and securing her hegemony in Europe. The final aim of French diplomacy will be in eternal contradiction to the final tendencies of British statesmanship.

There does not exist any British, American, or Italian statesman who could ever be designated as 'pro-German.' Every Englishman in his capacity as a statesman

is British first of all, and the same with every American. And no Italian would be prepared to further any policy other than pro-Italian. Anyone, therefore, who expects to build up alliances with foreign nations, relying on pro-Germanism among statesmen of other countries, is either an ass or no true man. For practical purposes at present, we must seek an answer to the following questions: What States just now are not vitally concerned that by the fact that, owing to complete extinction of a German Central Europe, France's military and economic power is attaining to a position of absolute and predominant hegemony? What States will, in view of their own conditions of existence and their hitherto traditional policy, regard such a development in the light of a menace to their future?

We must be absolutely clear on the fact that France is the permanent and inexorable enemy of the German nation; the key to her foreign policy will always be her desire to possess the Rhine frontier, and to secure that river for herself by keeping German broken up and in ruins.

England does not want Germany as a world Power; France does not want Germany to be a Power at all – a very essential difference! We, however, are not fighting today for a place as a world Power, but we have to struggle for our Fatherland's existence, for our national unity, and the daily bread of our children. From this point of view, only two States are left over for us: England and Italy.

England does not desire a France whose military power, unrestrained by the rest of Europe, might cover a policy likely one day to run counter to British interests; France's military predominance presses sorely on the heart of the world Empire of Great Britain.

Nor can Italy desire any further strengthening of France's position of power in Europe. Italy's future will always depend upon developments affecting the Mediterranean basin territorially. Her motive for entering the War was not any desire to aggrandize France, but rather her determination to give the deathblow to her hated rival on the Adriatic. Any increase of French strength on the Continent means restrictions for Italy's future, and she does not deceive herself into thinking that national relationships in any way exclude rivalries.

Cool and cautious consideration shows that it is these two States, England and Italy, whose own most natural interests are least in opposition to the conditions essential to the existence of the German nation, and are, in fact, to a certain extent identical with them.

Can any country ally itself with Germany as she is today? No. No Power that regards its dignity and hopes to get out of alliances something more than graft for greedy politicians will ally itself with Germany in her present condition; indeed, it could not do so. Our present unfitness for alliances is the main reason why the gang of robber-enemies holds together at all.

Little though it is to the interest of the British State policy that Germany should be further abased, such a development is very greatly to the interest of the Jews of international finance. In contradistinction to the interests of the welfare of the British State, the Jewry of finance desires not only Germany's perpetual

economic abasement, but also her complete political enslavement. Therefore, the Jew is the great agitator for Germany's destruction.

The trend of thought is Jewry is clear. It is to bolshevize Germany – that is, to rot away German national intelligence – and so crush the forces of German labor under the yolk of Jewish world-finance, as a preliminary to extending far and wide the Jewish plan of conquering the world.

In England, as in Italy, the divergence of views between sold statesmanship and the demands of the Jewish financial world is obvious; often, indeed, it is crudely apparent.

It is only in France that there is intimate agreement between the intentions of the stock exchange, as represented by the Jews and the desires of that nation's statesmen, who are chauvinistic by nature. This identity constitutes an immense danger to Germany, and it is the reason why France is by far the most terrible enemy of Germany.

It is, of course, not easy for us of the National Socialist movement to imagine England as a possible future ally. Our Jewish press succeeded again and again in concentrating hatred on England, and many a silly German bullfinch flew only too readily onto the bird-lime made ready by the Jews, chattered about 're-strengthening' the navy, protested against the loss of our colonies, and suggested that we ought to recover them; thus, they furnished the material for the Jewish rascal to turn over to his relations in England for use as propaganda. It ought by now to dawn on our foolish bourgeois politicians that what we have to fight for now is not 'sea-power.' Even before the War, it was folly to use up our national strength for such objects without first ensuring our position in Europe. An aspiration of that sort is one of those stupidities, which in politics go by the name of crimes.

I must mention one particular hobby, which the Jew bestrode with particular skill during recent years: South Tyrol. The Jews and the Habsburg legitimists have the greatest interest in obstructing an alliance policy with Germany, which in the future may lead to the resurrection of an independent German Fatherland. It is not affection for South Tyrol that caused the propaganda in its favor, because it has done that country more harm than good, but the fear of a possible understanding between Germany and Italy.

Yes. South Tyrol!

I wish to state that I was one of those who, at the time when the fate of South Tyrol was being decided – that is, from August 1914, to November 1918 – went where that country was being defended in practice – into the army. I fought throughout all that period, not in order that South Tyrol should be lost, but that it, as well as every other German country, should be preserved for the Fatherland. For South Tyrol was naturally not guaranteed to Germany by the lying and inflammatory speeches of smart parliamentarians on the Vienna Rathaus Square or before the Feldherrnhalle in Munich, but solely by the battalions at the fighting front. It was the people who broke up that front that betrayed South Tyrol, as well as all the other German districts.

It must be thoroughly understood that the lost lands will never be won back by solemn appeals to the good God, nor by pious hopes in any League of Nations, but only by force of arms.

This disgraceful part of it all is that the talkers themselves do not believe that anything is to be gained by their protests. They themselves know very well how harmless and hopeless their pottering ways are. They do it only because it is easier now to chatter about recovering South Tyrol, than at one time it was to fight for its retention. Each one does his bit; we offered our blood for it, now these people sharpen their noses over it.

If the German nation is to stop the rot that threatens Europe, it must not fall into the errors of the pre-War period and make enemies of the Creator and the rest of the world, but it must ascertain who its most dangerous opponents are so as to strike at them with all its concentrated force. If Germany acts thus, the coming race will realize our great needs and anxieties, and admire our bitter determination the more, when they see the brilliant success that will result from it.

It was the fantastical idea of an alliance with the dead carcass of the Habsburg State that ruined Germany. Today, fantastic sentimentality in handling the possibilities of foreign policy is the best means for preventing our rising again for all time.

What did our governments do to infuse into this nation once again the spirit of proud independence, manly defiance, and indignant hatred?

In 1919, when the German nation was burdened with the Peace Treaty, there was justification in hoping that, that document of oppression would help on the cry for Germany's liberation. It happens sometimes that treaties of peace whose conditions beat upon a nation like scourges sound the first trumpet call for the resurrection that follows later.

How much might have been made out of the Treaty of Versailles? Each point of it might have been burnt into the brains and feelings of the nation, until finally the common shame and the common hatred would have become a sea of flaming fire in the minds of sixty millions of men and women; out of the glowing mass, a will of steel would have emerged, and a cry: We will be armed once more!

Every opportunity was missed and nothing was done. Who will wonder that our nation is not what it ought to be, and might be?

A nation – in a position such as ours – will not be considered fit for alliances unless Government and public opinion determine to cooperate in proclaiming and defending their will to fight for freedom.

The cry for a new war fleet, restoration of our colonies, etc., is obviously mere empty talk, since it contains no idea of practical possibility; calm consideration shows this at once. Those who protest, thus are exhausting themselves in harmful demonstrations against the Creator and the rest of the world, and they forget the first principle that is essential to all success: What thou doest, do thoroughly. By howling against five or ten States, we neglect to concentrate all of the forces of the national will and physique for a blow at the heart of our most

impassioned enemy, and we are sacrificing the possibility of acquiring strength by means of alliances for the final struggle. This is where there is a mission for the National Socialist movement. It must teach our people to pass over trifles and look towards what is great, not to split up on account of side-issues, and never to forget that the aim for which we have to fight today is the bare existence of our nation, and the one enemy at whom we have to strike is ever the force which is robbing us of that existence.

The German nation has, moreover, no moral right to complain of the attitude adopted by the rest of the world, until it has punished the criminals who sold and betrayed their own country.

It is conceivable that those who represent the true interests of the nations with whom an alliance is possible, will be able to carry their views against the will of the mortal enemy of free national States? Will, for instance, the forces of tradition of statesmanship in England break, or fail to break, the overpowering influence of Jewry? This is a very difficult question to answer. It depends upon too many factors for a final judgment to be pronounced on it.

The fight waged by Fascist Italy against the three main forces of Jewry – unconsciously, perhaps, though I personally do not believe that – is the best of proofs that the poison fangs of that power outside and above the State are being drawn, even though by indirect means. Secret societies are prohibited, the independent, super-national press is prosecuted, and international Marxism has been broken down.

It is all more difficult in England. There, the Jews almost entirely control 'free Democracy' by indirectly influencing public opinion. Yet, even in England, there is a continuous struggle going on between the representatives of British State interests and the Jewish world-dictatorship.

One saw after the War for the first time how closely these opposite forces impinged upon each other, in the attitude of British State leadership on the one hand, and of the press on the other, towards the problem of Japan. Directly the War was over; the old mutual irritation between America and Japan began to reappear. Ties of relationship could not prevent a certain feeling of jealous anxiety against the American Union growing up in every domain of international economics and politics. It is comprehensible that England should anxiously run through the list of her old alliances and see a moment arriving when the word would not be 'Great Britain overseas,' but 'The Ocean for America.'

It was not a British interest, but in the first place, a Jewish one, to destroy Germany, just as today the destruction of Japan would serve British State interests less than it would the far reaching wishes of the controller of the hoped for Jewish world empire. While England is exhausting herself in maintaining her position in the world, the Jew is organizing his measures for its conquest.

The Jew knows very well that after his thousand years of accommodation, he is able to undermine the peoples of Europe, and bring them up to be bastards without a race, but that he could hardly do the same to an Asiatic national State such as Japan.

Today, therefore, he is inciting the nations against Japan, as he once did against Germany, so that it may well happen that, while British statesmanship is trying to build on the Japanese alliance, the Jewish press in England may be at the same time calling for a fight against the ally, and preparing for a war of extermination by proclaiming Democracy, and raising the slogan: Down with Japanese Militarism and Imperialism.

Thus, the Jew is today, a rebel in England, and the struggle against the Jewish world menace will be started there also.

The National Socialist movement must see to it that, in our own country at least, the deadly enemy is realized, and that the fight against him may be a torch to illumine a less murky period for other nations as well, and may bring benefit to Aryan humanity in its struggle for life.

XIV

EASTERN POLICY

OUR so-called intelligentsia are beginning in a most unhealthy fashion to divert our foreign policy from any real representation of our national interests, in order that it may serve their fantastic theories, and I feel myself obliged to speak with special care to my adherents on a most important question of foreign policy, namely, our relations towards Russia, since it ought to be understood by all, and can be treated of in a work such as this.

The duty of a foreign policy of a national State, is to ensure the existence of the race included in that State by keeping a natural and healthy proportion between the numbers, and the increase of the nation, and the size and quality of the land in which they dwell.

Nothing but sufficient space on the earth ensures freedom of existence to a nation. In this way, only can the German nation defend itself as a world Power. For nearly two thousand years, our national interests, as our more or less happily conceived foreign activities may be termed, played their part in the world's history. We ourselves can witness to that. For the great struggle of the nations from 1914 to 1918, was but the German nation struggling for its existence in the world, and it went by the name of the World War.

At that time, the German nation was *ostensibly* a world Power. I say 'ostensibly' because it was not really a world Power. If the German nation had preserved the proportion I referred to above, German would really have been a world Power, and the War might, apart from all other factors, have ended in our favor.

Today Germany is not a world Power. From a purely territorial point of view, the area of the German Reich is insignificant compared with those of the so-called World Powers. England is not an example to be quoted, since the British Mother country is really but the great capital city of the British world Empire, which claims nearly a quarter of the earth's surface as its property. We must rather look at giant States, such as the American Union, then at China and Russia – enclosed areas, some of them ten times as big as the German Empire. France herself must be reckoned as one of their number. She is constantly adding to her army from the colored populations of her immense Empire. If France goes on as she is doing now for three hundred years, she will have a powerful enclosed territory from the Rhine to the Congo, filled with a race continually becoming more and more bastardized. That is where French colonial policy differs from Germany's former one.

Ours neither increased the lands occupied by the German race, nor did it make the criminal attempt to strengthen the Empire by introducing black blood. The Askari in German East Africa were a small, hesitating step in that direction, but actually they were only used for defense of the colony itself.

We have ceased to enjoy any position compared with the other great States of the world, and that thanks merely to the fatal direction of our nation in foreign

policy, to absolute lack of any tradition, as I might call it, of a definite policy in foreign affairs, and to loss of all sound instinct and urge to maintain ourselves as a nation.

All of this must be remedied by the National Socialist movement, which must attempt to remove the disproportion between our population and our area – the latter seen both as the source of nourishment and the basis of political power – between our historic past and the hopelessness of our present impotence.

One of the greatest achievements of German policy was the formation of the Prussian State, and the cultivation, through it, of the idea of a State; also the building up of the German army, brought up to date with modern requirements. The change from the idea of individual defense to national defense as a duty sprang directly from that State formation, and the new principle that it introduced. It is impossible to exaggerate the significance of that event. The German nation disintegrated by excess of individualism, became disciplined under the Prussian army organism, and recovered by its means at least some of the capacity for organization, which had been lost. By the process of military training, we recovered for ourselves as a nation what other nations have always possessed in their pursuit of unity. Therefore, the abolition of the obligation of military service – which may have no point for dozens of other nations – is of fateful significance to us. Given ten generations of Germans without the discipline and education of military training and delivered over to the evil influences of the disunity which is in their blood, and our nation would have lost the last relics of independent existence on this planet. The German spirit would have made its contribution to civilization solely under the flags of foreign nations, and its origin would have been lost in oblivion.

It is highly important for our manner in proceeding both now and in the future that the real political successes of our nation, and the profitless objects for which the blood of our nation was spilt, should be clearly distinguished and kept apart. The National-Socialist movement must never join in with the vicious and noisy patriotism of our bourgeois world of today. It is especially dangerous for us to regard ourselves as being in the least bound by the developments just before the War. Our object must be to bring our territory into harmony with the numbers of our population.

The demand for restoration of the frontiers of 1914 is politically foolish. Yet, those who persist in it proclaim it as the object of their action in politics, and by so doing they tend to consolidate the hostile alliance, which would otherwise be falling apart in the natural course. This is the only explanation why, eight years after a world struggle in which States with heterogeneous desires and aims took part, the then victorious coalition manages to carry on in a more or less solid formation.

All those States profited at the time by Germany's collapse. Fear of our strength thrust the mutual envy and jealousy of the individual Great Powers into the background. They considered that, if our Empire could be divided up between

them, it would be the best guard against any future rising. An evil conscience and the fear of our nation's strength is the most effectual cement for binding the members of that alliance together.

Times have altered since the Conference of Vienna. Princes and their mistresses no longer gamble for provinces, but now the pitiless international Jew is fighting for control of the nations.

The frontiers of 1914 mean nothing in respect to Germany's future. They were no protection in the past, nor would they mean strength in the future. They would not give the German nation internal solidarity, nor would they provide it with nourishment; from a military standpoint, they would not be suitable or even satisfactory, nor would they improve our present situation with regard to the other world Powers, or rather, the Powers that are the real world Powers. The distance from England would not be shortened, nor would those frontiers make us as big as America; France, moreover, would not suffer any essential diminution of her importance in world politics.

Only one thing is certain. Any attempt to restore the frontiers of 1914, even if successful, would merely lead to a further pouring out of our nation's blood, until there were none worth mentioning for the decisions and actions, which are to remake the life and future of the nation. On the contrary, the vain glamour of that empty success would cause us to renounce any more distant objective, since 'national honor' would then be satisfied, and the door opened once again, anyhow until something else happened, for commercial enterprise. It is the duty of National Socialists to cling steadfastly to our aims in foreign policy, and these are to assure the German nation the territory, which it is due on this earth. This form of action is the only one that could justify bloodshed in the eyes of the Creator and of future generations in Germany.

No nation on earth holds a square yard of territory by any right derived from Heaven. Frontiers are made and altered by human agency alone. The fact that a nation succeeds in acquiring an unfair share of territory is no superior reason for its being respected forever. It merely proves the strength of the conqueror, and the weakness of those who lose by it. This strength alone constitutes the right to possess.

Therefore, just as our forefathers did not receive the land in which we live as a present from Heaven, but had to fight with their lives for it, so in future, nothing will grant us land and life for our nation, except the power of a victorious sword.

However much we recognize today the necessity of a settlement with France, it will be useless in the long run if our general objective in foreign policy is to be sacrificed for the sake of it. There can only be sense in it if it offers a backing for extending the space that our people are to inhabit in Europe. For acquisition of colonies will not solve that question – nothing, in fact, but the gain of territory for settlement which shall extend the area of the Mother country itself, and thus not only keep the new settlers in close communion with the land of their origin, but

guarantee to the combination all of the advantages arising from the size of the united whole.

We National Socialists have deliberately drawn a line through the pre-War tendency of our foreign policy. We are where they were six hundred years ago. We stem the Germanic stream towards the south and west of Europe, and turn our eyes eastwards. We have finished with the pre-War policy of colonies and trade, and are going over to the land policy of the future.

When we talk of new lands in Europe, we are bound to think first of Russia and her Border States.

Fate itself seems to wish to give us our direction. When fate abandoned Russia to Bolshevism, it robbed the Russian people of the educated class that once created and guaranteed their existence as a State. For the organized Russian State was not due to any political capacity in the Slav race, but it was a wonderful example of the efficiency of the Germanic element in forming States among inferior races. This Germanic element may now be regarded as entirely wiped out in Russia. The Jew has taken its place. It is impossible for the Russian to shake off the Jewish yoke by his own strength, as it is for the Jew to keep control of the vast empire for any length of time. His character is not that of an organizer, but of a decomposing leaven. The immense Empire is ripe for collapse; and the end of the Jewish domination will mean the end of Russia as a State.

Such a policy on our part is, of course, most violently opposed by the Jews. They invoke the spirit of Bismarck as an argument for a policy that is senseless and impossible, and also most harmful to the German nation. They say Bismarck set great store on preserving good relations with Russia. That is undoubtedly correct. But they entirely forget to mention that he also set much store on good relations with Italy, in fact, that Herr von Bismarck actually made an alliance with Italy in order to finish with Austria more easily. Why is that policy not continued? 'Because,' it will be said 'Italy now is not the Italy of those days.' Good. Then, sirs, allow me to remark that Russia today is no longer the Russia of those days. Bismarck was far too much master of the opportunity of the moment to allow himself to be tied down in that way. Thus, the question should be, not, 'What would Bismarck have done then?' but, 'What would he do now?' It is also easier to answer. His political skill would never have prompted him to ally himself with a State, which is doomed to collapse.

Moreover, Bismarck regarded the policy of colonies and trade with very mixed feelings in his time, for his concern was in consolidating, and establishing by the safest methods, the State which he had created. That was his sole reason for welcoming the Russian 're-insurance,' since it left his hands free towards the West. But that which was useful to Germany then would only do harm to her now.

As early as 1920-21, the party was approached from various quarters in an attempt to bring it into touch with liberationist movements in other countries. It was on the lines of the much advertized 'Association of Oppressed nations.' They consisted chiefly of representatives of certain Balkan States, also some from

Egypt and India, who impressed me as being chattering busybodies, with nothing behind them. But there were quite a few Germans, especially among the Nationalists, who let themselves be taken in by those jabbering Orientals, and imagined that any Indian or Egyptian student who happened to turn up, was a genuine 'representative' of India or Egypt. They never troubled to inquire, nor did they realize, that these were people with nothing behind them, and without authority from anyone to conclude any sort of agreement; so that the result of dealing with such characters was just nil and mere waste of time.

I will remember the childish and incomprehensible hopes, which arose suddenly in 1920-21 in Nationalist circles. England was supposed to be on the verge of collapse in India. A few mountebanks from Asia (they may have been genuine fighters for freedom in India, for all I care) who ran round Europe had managed to inspire quite reasonable people with the fixed idea that the British world Empire, with its pivot in India, was just about to collapse there. That the wish was father to the thought never occurred to them.

It is childish to assume that in England, the importance of the Indian Empire for the British world union is not appreciated. And it is a sad proof of the refusal to take a lesson from the World War, and to realize the determination of the Anglo-Saxon character, when people imagine that England would let India go. It also proves the complete ignorance prevailing in Germany as to the methods by which the British administer that Empire. England will never lose India unless she gives way to racial confusion in her machinery of administration, or unless she is forced to do so by the sword of a powerful enemy. Indian risings will never be successful. We Germans know well enough by experience how hard it is to force England's hand. Apart from all of this, I, speaking as a German, would far rather see India under British domination, than that of any other nation.

The hopes of a mythical rising in Egypt against British influence were equally ill founded.

It was bad enough in times of peace. The alliances with Austria and Turkey were nothing to rejoice over. At a moment when the greatest military and industrial States in the world were joining together in an active offensive alliance, we collected a couple of weak, out-of-date States, and attempted with the aid of a mass of lumber, fated to go under, to face an active world coalition. Germany paid heavily for this error in foreign policy.

As a Nationalist, estimating humanity by the principle of race, I cannot admit that it is right to chain the fortunes of one's nation to the so-called 'oppressed nationalities' since I know how worthless they are racially.

The present day rulers of Russia have no intention of entering into an alliance honorably, or of sticking to one. We must not forget that they are low blood-stained criminals, that it means dealing with the scum of humanity, and that, favored by circumstances in a tragic hour, they overran a great State, and in a fury of massacre, wiped out millions of their most intelligent fellow countrymen, and now for ten years, they have been conducting the most tyrannous régime of all time. We must not forget that those rulers belong to a nation that combines a

rare mixture of bestial cruelty and vast skill in lies, and considers itself specially called now to gather the whole world under its bloody oppression. We must not forget that the international Jew, who continues to dominate over Russia, does not regard Germany as an ally, but as a State destined to undergo a similar fate.

The menace that Russia suffered under, is one which perpetually hangs over Germany. Germany is the next great objective of Bolshevism. All the strength of a young missionary idea, is needed to raise up our nation once more, rescue it from the embrace of the international python, and stem the corruption of its blood at home, so that the forces of the nation, once set free, may be employed in preserving our nationality. If this is our aim, it is folly to become allied with a Power whose master is the deadly enemy of our future.

Our special error, which the old German Empire committed with respect to its policy of alliances, was that it spoiled its relations towards all by continually swinging this way and that, and by its weakness in preserving peace at all costs. One thing only it cannot be reproached with; it did not continue to maintain its good relations with Russia.

I admit frankly that before the War, I thought it would have been better if Germany had renounced her foolish colonial policy, and her naval policy, had joined England in alliance with Russia, and had abandoned her weak aspiration to cover the entire world for a determined policy of acquiring territory on the Continent of Europe.

I do not forget the perpetual insolent threats offered Germany by Pan-Slavist Russia; I do not forget the continual practice mobilizations, the sole object of which was to annoy Germany; I cannot forget the temper of public opinion in Russia, which before the War, excelled itself in hate-inspired attacks on our nation and Empire, nor can I forget the great Russian press, which was always more in favor of France than of us.

Nevertheless, there was still another way before the War; we might have learned in the direction of Russia, with the idea of turning her against England.

The present consolidation of the Great Powers is the last warning signal to us to take thought, bring our people back from their dreamland to the hard truth, and show the way by which alone the old Reich may blossom forth once again.

If the National-Socialist movement shakes off all illusions and takes reason as its sole leader, the catastrophe of 1918 may turn out to be an immense blessing for the future of our nation. We may end by gaining what England possesses, what even Russia possessed, and what France time and again used in making correct decisions for her own interest: a Political Tradition.

For Germany, the course to be adopted is clear. She must never allow two Continental Powers to arise in Europe. She must regard any attempt to organize a military Power on her frontiers, even though merely in the form of a State capable of becoming military, as an aggression against Germany, and must consider it not only a right, but a duty to prevent it by every means, even to the extent of taking up arms.

The military results of an alliance with England and Italy would be directly opposite to those of one with Russia. The most important one is the fact that a *rapprochement* with those two countries would not at all mean a risk of war. The only Power that might assume an attitude in opposition to such an alliance – France – would not be in a position to do so. Thus, that alliance would make Germany able to make the preparations in peace and quiet, which, within the bounds of such a coalition, would have to be taken for a settlement with France. For it would automatically break up the Entente which caused Germany so much unhappiness and isolate France, the deadly enemy of our nation. The new Anglo-German-Italian Alliance would hold the reins and France would cease to do so.

Almost equally important would be the fact that the new Alliance includes States that possess technical qualities that mutually supplement each other. Germany would at last acquire allies, which would not suck her blood like leeches, but which could and would do their part in supplementing our technical armaments.

There would, of course, be difficulties, as I stated in the previous chapter, in bringing about such an alliance. But was the making of the Entente any less difficult? Where King Edward was successful against interests, which were by nature mutually opposed, we shall and must succeed if the knowledge of the necessity of some development inspires us to concert our action with skill and ripe consideration.

We shall of course come up against the spiteful yappings of enemies of our race at home. We National Socialists must realize this, if we proclaim what our inward conviction tells us is absolutely essential. We must harden ourselves to face public opinion, driven crazy by Jewish cunning and exploiting our German lack of thought. Today we are but a rock in the river; in a few years, Fate may erect us as a dam, against which the general stream may be broken, only to flow forward in the new bed.

EMERGENCY DEFENSE AS A RIGHT

WHEN we laid down our aims in November 1918, a policy was entered upon which in all human probability, was bound to lead to utter ruin. It becomes comprehensible how a period of time, which was sufficient between 1806 and 1813 to fill Prussia, utterly defeated though she was, with new energy and fighting spirit, was allowed to go by without being made use of, and, in fact, led to ever further weakening of our State. The reason for it was that, after the shameful Armistice was signed, no one had either energy or courage to oppose measures of oppression in which the enemy was repeatedly bringing out. He was too clever to demand too much at any one time.

Orders for disarmament, making us politically helpless, and economic plunderings followed one after another with the idea of producing the spirit which could regard General Dawes's mediation as a piece of luck, and the Locarno Treaty as a triumph.

By the winter of 1922-23, it was realized by all that, even after the conclusion of peace, France was working with iron determination to achieve her original war aims. For no one will believe that in the course of the four years of the most decisive struggle in her history, France shed the not too rich blood of her people, simply in order later on to receive compensation through reparations for the losses she would sustain. Alsace-Lorraine by itself would not explain the energy of the French War leaders if it were not already part of France's great political program of the future. That program is as follows: disintegration of Germany into a collection of small States. That was what chauvinistic France fought for, and in doing so, she was selling her nation to the vassals in truth of the international world Jew.

Germany did indeed collapse in lightning suddenness in November 1918. But, while the catastrophe was happening at home, the armies were still deep in the enemy countries. France's first concern was at that time, not the disintegration of Germany, but rather how to get the German armies as quickly as possible out of France and Belgium. Thus, the first attack of the leaders in Paris in finishing up the War was to disarm the German armies, and force them back into Germany. If possible, not until that was accomplished could they devote attention to attaining their own original War aim. For England, the War was really won when Germany was destroyed as a colonial and commercial Power, and was reduced to becoming a State of secondary importance. She had no interest in blotting out the German State altogether; in fact, she had ever reason to desire a future rival against France in Europe. Thus, France had to wait for peace before setting out on the work for which the War had laid the foundation, and Clemenceau's declaration that for him the Peace was merely a continuation of the War acquired additional significance.

France's intentions must have been known by the winter of 1922-23. I am convinced that the only way to alter those intentions in respect to ourselves will be to force the helm of the ship of our Reich round the turn the ram against the enemy, and I believe that there will be a good chance of success if we manage first to isolate France, so that the second struggle shall not be one of Germany against the world, but a defense of Germany against France, who is disturbing her peace and that of the world also.

So long as the eternal conflict between Germany and France consists merely of defense against French aggression, it will never come to a decision, but century after century, Germany will be driven from one position after another.

Not until this is fully understood in Germany, so that the German nation's will to live is no longer wasted in passive defense, but is gathered together for a final settlement with France, shall we be able to bring the eternal and fruitless struggle with that country to a decision.

In December 1922, the situation between Germany and France appeared to have become threatening again. France was contemplating vast new measures of oppression and needed sanctions for her action. It was hoped in France that, by occupying the Ruhr, she would finally break Germany's backbone and bring us into a desperate economic position in which we should be forced to assume very heavy obligations.

By the occupation of the Ruhr, Fate once more offered the German nation a chance of asserting itself; for what at first glance seemed to be a terrible misfortune contained on closer observation extremely promising possibilities of ending the sufferings of Germany. For the first time, France had truly and deeply estranged England – not merely the British diplomats who had concluded the French alliance, had maintained, and regarded it with cautious vision of cool calculation, but large sections of the nation as well. The business world in particular felt with scarcely concealed irritation this immense further strengthening of France's power on the Continent. Her occupation of the Ruhr coalfield deprived England of all the successes she had gained in the War, and it was Marshal Foch, and France, which he represented, and not the alert and painstaking diplomacy of England, which now were the victors.

Feeling in Italy also turned against France. Indeed, directly the War ended that friendship ceased to be exactly rosy, and now turned it into absolute hatred. The moment had come when the allies of yesterday might have become the foes of tomorrow. That this was not brought about was due mainly to the fact that Germany had no Enver Pasha, but merely a Cuno, for Chancellor.

In the spring of 1923, however, before the French occupation of the Ruhr could have been used as a pretext for rebuilding our military power, a new spirit would have had to be implanted in the German nation, its will power strengthened, and the corruptors of that greatest of forces in a nation would have had to be destroyed.

Just as the bloodshed of 1918 was a retribution for neglect in 1914 and 1915 to crush the Marxist menace underfoot, so was there bound to be a terrible punishment in the spring of 1923 for failing to seize the opportunity that was offered for finally destroying the handiwork of the Marxist traitors and murderers of the nation. Only bourgeois minds could have arrived at the incredible conception that Marxism could possibly now be other than it had been, and that the *canaille*, who had led in 1918, and who then without a qualm, used two million dead as steps up to seats in the Government, would now be ready to pay service to the nation's sense of right. It was incredible folly to expect that those traitors would suddenly turn into fighters for Germany's liberation. They were not dreaming of doing so! A Marxist is as little likely to turn from treason as a hyena will turn from carrion!

The situation in 1923 was very similar to that of 1918. The first essential to whatever form of resistance was decided upon was expulsion of the Marxist poison from the body of our nation. I was convinced that the very first duty of any truly National Government, was to seek and find forces determined on a war to destroy Marxism, and to grant those forces a free hand; it was their duty not to pay court to the folly of 'order and tranquility' at a moment when the foreign enemy was giving the death-blow to the Fatherland, and when at home, treason was lurking at every street corner. No, a truly National Government ought to have wished for unrest and disorder if the resulting confusion was the only method for a final settlement with the Marxist enemies of our nation.

I have frequently implored the so-called Nationalist parties to give Fate a free hand and allow our movement the means to come to a reckoning with Marxism; but I preached to deaf ears. They all thought they knew better, including the Chief of the Defense Force, until finally they found themselves face to face with the most miserable capitulation of all time. I then realized deep within myself that the German bourgeoisie had come to the end of its mission, and could be called upon to perform no further task.

At that period – I confess it frankly – I conceived a fervent admiration for the great man south of the Alps whose deep love for his nation forbade him to bargain with Italy's domestic enemies and who fought to destroy them by every possible means and method. The quality that ranks Mussolini with the world's great men, is his determination not to share Italy with Marxism, but to save his country by giving Internationalism over to destruction. How dwarfish our sham statesmen in Germany appear in comparison with him!

The attitude adopted by our bourgeoisie, and the way they spared Marxism, decided the fate of any attempt at active resistance in the Ruhr from the start. It was folly to try to fight France with that deadly enemy in our midst.

Even in the spring of 1923, it was easy to predict what would happen. It is useless to discuss whether there was, or was not a chance of a military success against France. For if the result of German action in the matter of the Ruhr had

been merely destruction of Marxism in Germany, the success would have been on our side.

Germany, once freed from the deadly enemies of her life and future, would possess a force, which no world could ever against strangle. On the day when Marxism is broken in Germany, its bonds are broken in good truth. For never in our history have we been conquered by the forces of our enemies, but rather by our own depravity, and by the enemy in our own camp.

However, in a great moment of inspiration, Heaven made Germany a present of a great man, Herr Cuno, whose method of reasoning was as follows: 'France is occupying the Ruhr; what is there, there? Coal. Is France occupying the Ruhr for the sake of its coal?' What could occur more obviously to Herr Cuno than a notion that a strike would deprive the French of the coal, and that they would then sooner or later clear out of the Ruhr, since the enterprise was not proving paying one? That was the train of thought of that 'outstanding' 'national' 'statesman.'

For a strike, they actually needed the Marxists, for it concerned the workers in the first place. So it was essential to bring the worker (in the brain of a bourgeoisie statesman such as Cuno- he is synonymous with the Marxist) into line with all the other Germans on the united front. The Marxists quickly came in with the idea; for the Marxists leaders needed Cuno's money, just as much as Cuno required them for his 'untitled front.'

If herr Cuno at that moment, instead of encouraging a purchased general strike, and making it the basis of his 'united front,' had demanded two hours more work from every German, the swindle of the 'united front,' would have been disposed of in three days. Nations do not achieve liberty by doing nothing, but by sacrifice. This so-called passive resistance could never have been kept up for any length of time. No one but a man who knew nothing about the was could imagine he could drive out an army of occupation by methods so absurd.

If the Westphalians in the Ruhr had been conscious of an army of eighty or a hundred divisions ready to support them, the French would have been treading on thorns.

As soon as the trades unions had practically filled up their moneyboxes out of Cuno's contributions, and it was nearly decided to change slack, passive resistance into active attack, the Red hyenas all at once broke away from the national sheepfold and returned to being what they always had been. Without a murmur, Herr Cuno retired on his board ships, and Germany became richer by one experience and poorer by one great hope.

But when the wretched collapse began and the shameful capitulation took place, after a sacrifice of milliards of money, and many thousands of young Germans who had been so simple as to trust the promises of the rulers of the Reich, indignation against such betrayal of our unhappy country burst forth in a blaze. In millions of people, the conviction shone forth that nothing but a radical purging of the entire system prevailing in Germany would bring salvation.

In this book, I can merely repeat the last sentence of my speech, and the great Trial of the spring of 1924: 'Though the judges of this State may be happy in their condemnation of our actions, yet history, the goddess of a higher truth and of a better law, will smile as she tears up this judgment, and will declare all of us innocent of blame and the duty of expiation.

I shall not attempt to describe here the attempts that led to and decided those of November 1923; because I do not think it will be of any profit for the future, and because there is really no point in tearing open wounds that are still hardly scabbed over, or of talking of guilt in the case of persons, who all perhaps clung to their nation with equal love in the depths of their hearts, but merely missed the common road or failed to agree together regarding it.

THE END

Merkaba Rabbi's And The Reptilian God of Judaism

In Kaballah the highest and most holy teachings is the Merkaba which is based on as the Rabbi's state how to ascend in their astral body to the physical realm of "god". This is dealing with the highest levels of occult teachings in Judaism.

The Jews in their secret teachings of the Oral Torah the Kabbalah. State and give instructions for astral projection in their astral bodies. However Rabbi's have mentioned these are not magic realms but other physical worlds. The physical world in the teachings of Rabbi Ishamel he goes to is the world of "god" and who as the Rabbi's literally state are the extra terrestrial race on this world of their "god" which they literally call their Teli which means "Masters"... The Reptilians. Whom they state are in charge of things. The Seraphim. They literally call these being physical Reptilians. However this is also a single "god" as the Rabbi's state they are a hive mind. Remember Rabbi Laitman stated the Jews physically came from another world of their "god" to conqueror this world. Well if you don't have a space ship anymore, astral projection is the next best thing for the Rabbi's to return to this world and receive orders from "god".

The Jewish Rabbi's state the teachings of ascension are how the individual Rabbi is to pass thought the gates which relate to the realm's of the Kaballastic world tree. Now in Kaballah each astral gate they are to project their soul thought to reach the physical world of "god" has specific passwords in Hebrew that only they know and must use to go beyond they mention angels guard these. These are thought forms they have created. This is due to as the Rabbi's state their is astral restriction around this world put here by their "god". This is the Jewish Leviathan the prison grid they have created around this world with the Torah bindings. The Rabbi's state the skin of Leviathan is like a serpent and is light which is vibration and has the mystical writings in Hebrew upon it. In the ancient world the serpent is the symbol of vibration also of the spoken word and the element of prana which is the astral aspect of existance. This is showing this is a vibrational field in the astral they have created with the Torah.

One of these Rabbi's openly came out and stated "god" as the Torah states cursed humans to not live more then 120 years this means "god" genetically modified humans to not live more then 120 years and to thus die. If one studies the new genetic knowledge of aging its known now there is gene in each cell which is only switched on in the reproductive cells. This gene when switched on in all the cells produces an enzyme telomerase that causes the cell generation to be perfected and not lose any telomeres. Which means a person would not grow old or die. However the switching off of this cell is what causes the cell reproduction to become flawed and this flaw causes physical aging into old age and death when they lose too much of the Telomere they die. The Rabbi's have stated as in the Torah their "god" cursed humanity to die and suffer.

However this might not be a genetic modification but a consequence of as the Torah shows this "god" cursed the soul of the Gentiles and removed spiritual knowledge which holds the Gentile

in state entropy. As a study done on elderly people who did Kundalini Yoga showed it caused in some the activation of this enzyme telomerase and stated to roll back the aging process and heal them physical. They were using the SATANAMA mantra as well. The name of the enemy of the Hebrew "god".

Also note the Jewish Rabbi's teach reincarnation but that Jewish souls reincarnate into Jewish bodies as they have a different soul then the Goyim. They even talk about the problem of the mixed multitude of Moses the souls of a mixture of Goyim and Jew that cause all the problems in their race they call these the evil half of the Jewish soul group. They are lazy in obeying the Torah and hold back the progression of the Jewish race's victory. This might be conjecture on the Jews part. But shows they do acknowledge they are a soul unto their own race and that mixing with the Goyim is disastrous to them. Only the most racially pure Jews the Kohen can be the highest Priest and govern the Jewish race. The Jews state they have a specific gene which makes them the Chosen and the only humanity and they got this from their "god" this is the called the Cohen gene and it has reptilian DNA in it. The Jews are a reptilian hybrid race and their alien soul is linked to the hive mind or collective soul consciousness of the reptilians.

Merkel Is Jewish

Remember the Elders of Zion such as Soros openly admitted they are behind destroying Europe. Well they are and Merkel is one them and a major leader in her Jewish race, and their Jewish race war on White Europe:

Jews at "Forefront of Welcoming" Invasion

topic11889.html

https://en.wikipedia.org/wiki/Angela_Merkel

Merkel was born Angela Dorothea Kasner in 1954 in Hamburg, West Germany, the daughter

of Horst Kasner (1926–2011),[18][19] a native of Berlin, and his wife Herlind, born in 1928 in Danzig (now Gdańsk, Poland) as Herlind Jentzsch, a teacher of English and Latin. Her mother was the daughter of the Danzig politician Willi Jentzsch and maternal granddaughter of the city clerk of Elbing (now Elbląg, Poland) Emil Drange. Herlind Jentzsch was once a member of the Social Democratic Party of Germany and briefly served as a member of the municipal council in Templin following the German reunification.[20] Merkel has Polish ancestry through her paternal grandfather, Ludwig Kasner, a German national[21] of Polish origin from Posen (now Poznań).[22] **The family's original name Kaźmierczak** was Germanized to Kasner in 1930

Kazmierczak is a Jewish surname:

<http://mail.blockyourid.com/~gbpprorg/j...lement.htm>

. Kazmierczak derives from Kazimierz, a major Jewish city in Poland, made especially for Jews outside of Cracow. Kazimierz (Latin: Casimiria; Yiddish Kuzmir) is a historical district of Kraków (Poland), best known for being home to a Jewish community from the 14th cent.

Kazmierrczak is a name for a Jewish Cantor:

<http://www.4crests.com/kazmierczak-coat-of-arms.html>

This Jewish surname of KAZMIERCZAK was an occupational name for a cantor in a synagogue. The name was derived from the Hebrew CHAZAN, and it also spelt CHASAN, HAZZAN, KHAZAN, CHASINOFF, KHAZONIVCH and CHASINS, to name but a few. Many of the modern family names throughout Europe reflect the profession or occupation of their forbears in the Middle Ages and derive from the position held by their ancestors in the village, noble household or religious community in which they lived and worked. The addition of their profession to their birth name made it easier to identify individual tradesmen and craftsmen. As generations passed and families moved around, so the original identifying names developed into the corrupted but simpler versions that we recognize today. A notable member of the name was Elia KAZAN originally KAZANJOGLOUS, born in 1909, the Turkish-born American stage and film director, born in Constantinople. He founded (with Lee Strasberg) the Actors Studio in 1947 with its emphasis on 'Method Acting'. His Broadway productions include the works of Wilder, Arthur Miller and Tennessee Williams. His films include 'A Streetcar Named Desire' (1951) 'East of Eden' (1954) and 'The Last Tycoon' (1976). Between 1880 and 1914, almost three million Jews left Eastern Europe, representing the most extensive migration in Jewish history since the expulsion of Jews from Spain at the end of the 15th century. Most of the emigrants fled from Russia, where pogroms had raged, and where the laws of Czar Alexander III had oppressed Jewish life. Most of the emigrants departed from Hamburg and went to the United States, but some emigrated to Australia, Argentina, Brazil, Canada and South Africa. While the vast majority of the immigrants to America came through Ellis Island from 1907 to 1914 thousands of East European Jews participated in a little known episode in American Jewish history. They migrated through the port of Galveston, Texas and then were routed to towns throughout the Midwest where lodging and jobs awaited them.

Kazmierczak also means: "Son of Kazimeriz".

As this Polish site states Kazimeirz is the name of the ethnic Jewish quarter and community:

<http://www.cracowplanet.com/page.php/id...kov-poland>

The old Jewish Quarter is located in Kazimierz district, about 15 minutes of walking from the Main Square (following Starowiślna or Stradom Street). Kazimierz was established as the separate city nearby Krakow in 1335 by the king Kazimierz the Great. In 1495 a Jewish town was founded in the neighborhood, where all the Krakow's Jews moved after the routs that took place in the city. Jewish Kazimierz started developing as the trade and religious center, what led to its heyday in the 16th-17th. Then the Polish Kingdom was the shelter for thousands of the Jews escaping from the persecutions and prejudice in different European countries. Krakow became the vivid international center of Jewish culture with numerous schools, Talmudic academy, famous rabbis, cabbalists, thinkers. In 1812 the Jews were allowed to settle down in all the districts of Krakow, several years later Kazimierz was incorporated into the city. Before World War II Krakow was inhabited by 65 thousands of Jews. It is worth reminding that before 1939 Poland with 3,5 million Jews, was the biggest Jewish community in Europe. Today the Jewish Community of Krakow has no more than 300 members.

Merkel's grandfather came from Poznan which had one of the largest Jewish communities in Europe:

<http://www.yivoencyclopedia.org/article.aspx/Poznan>

City in Wielkopolska province, Poland; known in Hebrew and Yiddish as Pozna and in German as Posen. Poznań's Jewish community was one of the earliest to be established on Polish soil; the first reference to Jews living in the town comes from 1379. While tradition dates the town's synagogue to 1367, there is no documented evidence of its existence until 1449 (the cemetery, however, was first mentioned in 1438). In the second half of the fifteenth century, a legend declared that in 1399 some Jews in Poznań had committed a Host profanation. The same period also saw the establishment of Poznań's famed yeshiva, known as Lomde Pozna

Merkel also is Jewish from her mothers side of the family:

https://en.wikipedia.org/wiki/Emil_Drange

Emil Drange (born 18 March 1866, died 8 April 1913 in Elbing) was a German municipal official who served as the city clerk (Oberstadtsekretär) and deputy mayor of Elbing and thus as one of the top municipal officials of the city. He was the great-grandfather of German Chancellor Angela Merkel, and has received media attention in Poland in recent years.

He was born in East Prussia. His father was a miller who had been born in Lower Silesia, and his mother was a native of the Posen (Poznań) area.[1] **His wife Emma Wachs.....**

<http://www.ancestry.ca/name-origin?surn ... b+Property>

Wachs Name Meaning German and Jewish (Ashkenazic): metonymic occupational name for a gatherer or seller of beeswax, from Middle High German wahs, German Wachs 'wax'. Wax was important in former times, being used for example to make candles and for sealing letters.

As this shows her family and herself had important positions in the Communist Party State Of East Germany. Run by International Jews our of Moscow:

<http://antizionistleague.com/scrapbook/ ... la-merkel/>

Born Angela Dorothea Kasner on 17 July 1954, her father, Horst Kasner was a Communist sympathizer and mother, Herlind Jentzsch, a Communist and member of the Social Democratic Party of Germany. Merkel was educated in East Germany and leader of the official, Communist-led youth movement Free German Youth (FDJ) thus well-schooled in Jewish Bolsheviks Marx, Lenin and Trotsky.

The biography of Merkel shows that she was "a supreme and very visible Young Communist official in East Germany, responsible for propaganda and agitation." Beyond leading the Young Communist League, Merkel also held high rank in the Sozialistische Einheitspartei Deutschland (SED), which was the leading Marxist–Leninist party of East Germany. Members of this party enjoyed 'special privileges' denied to ethnic Germans in East Germany after WWII. For example only closely trusted members of the Communist party (SED) were allowed to travel to western countries and Merkel often travelled to West Germany and other Western Nations.

Merkel has visited Israel four times. On 16 March 2008, she arrived in Israel to mark the 60th

anniversary of its occupation of Palestinian land. Merkel has supported all Israeli terror initiatives and Nude Merkelopposing the Palestinian bid for membership at the UN. In March of 2008 the B'nai B'rith of Europe presented Merkel with their Award of Merit for 'services' to their community. Angela Merkel disgusted by the German flagMerkel has also received the Leo Baeck Medal, awarded by the Leo Baeck Institute of New York City devoted to the history of German-speaking Jewry. It is interesting to note that while Merkel finds it "especially sad that some commentators seem to have lost any inhibitions in telling the Jewish community what is good for them". She Boycott German_goodsnever commented on the eternal lack of inhibition the Jewish Community has for letting Germany and the rest of Europe know what they think is good for them. Merkel...The Perestroika DeceptionOn the 70th anniversary of the incursion into Poland in 2009 Merkel publically apologised and blamed Germany alone for starting WWII when it was international Jewry that sowed the seeds of this war in 1933 by inciting America and Europe to boycott German goods.

Joshua Bolten Chief of Staff.

Carl Rove Deputy Chief of Staff. Surrounded by his Chief Jews.

Dick Cheney.

Chertoff Head of Homeland Security and openly Jewish. Chertoff allowed the Mossad agents arrested with connections to the 911 attacks go and run off back to Israel. He also helps run much of the building of the Jewish run surveillance state in America including putting the "prono scanners" of the TSA into existence. The NSA spy grid is all run out of Israel by Mossad front companies.

Obama.

Current President Obama, who bragged "He is Jewish in his soul". His whole career was built by powerful Jews out of Chicago and funded by Goldman Sachs. And has Jewish blood from his mothers side. The Democrat Party head is a Jewess along with their Party's major funders and the Republican wing is also contorted by power billionaire Jews like Alderson. Many America President's have been Jews such as FDR, Eisenhower and Johnson who was behind planning the USS Liberty attack with Israel then covering it up.

United States Secretary of State, John Kerry a Jew who's real family surname is Cohen and was changed to Kerry later.

Many of the above, actively conceal the fact that they are Jews.

Gifts from 'Immigrants' to Europe: 142,000 HIV/AIDS infected this year.

-High Priest Hooded Cobra 666

My note:

<https://www.youtube.com/watch?v=44vzMNG2fZc>

As you can see, 80% of "Poor" Male Migrants who want to enforce Sharia Law and carry out Intifada, or breed out the Evil White Race, or just outright murder to people of Europe, they come with gifts. Many many gifts. They of course bring in their "poor wives" which as reports say they share with even 20 people at once, like they are animals, infecting many with AIDS and all other forms of diseases, or sell them outright as cheap whores for as little as 5\$ a go. Might have some relation, don't you think. Only recently, 142,000 people came in with HIV/AIDS. The percent of which Migrants are involved, seems to be quite elevated. I read in another research its about 30%. Take the jew talk protection which hampers science out and who knows, it might be 40% or more, in the real research.

What I know, 142,000 more people will suffer NEEDLESSLY from now on, for all their lives, just because the jews want forced immigration and assimilation of Gentile people to go on, or because they followed the jewish doctrines and never cared about anything. They want to kill us all, after all. The jew will enjoy having hundreds more of sick victims, filling millions of money to their genocidal agenda, to further their advances on destroying the whole World.

Leftism, Silent worship or outright worship of the Kosher Jew Karl Marx, making the Social Marxist doctrine a law to live, the list goes...These people, they have followed doctrines and rules on how to live, which were made by jews to make us all extinct. Now, the payday is at hand and its only the beginning. Soon, probably yet another economic collapse.

Who knows what more gifts will come due to the Migrants, except of outright killing of people in the streets, blood in every neighborhood, rape, trafficking, disease and economic collapse. The jews have staged this out perfectly, or so they think.

As for the news, its glaringly evident that one cannot know the naked Truth with the jews on the media and so forth. Make sure to visit the best available sources.

<http://www.breitbart.com/london/2015/11 ... high-risk/>

Europe has seen 142,000 new infections of HIV this year, the virus which causes AIDS — the highest number in one year ever.

Although the rising rates of transmission due to heterosexual intercourse and careless use of unclean drug paraphernalia has been cited in the media as causing the rise, gay sex between

men is still the main source of the virus spread.

Speaking of the rise in infections, World Health Organisation director for Europe Dr Zsuzsanna Jakab said: Despite all the efforts to fight HIV, this year the European Region has reached over 142,000 new HIV infections, the highest number ever... this is a serious concern”.

In a remarkable admission, the director named migrants travelling across Europe as being a particular risk for spreading HIV in the continent, reports The Independent. He blamed this on “social exclusion” felt by migrants which made them more likely to engage in risky behaviour, and the reluctance of many European nations to hand out free health care to transient populations.

A third of all new HIV diagnoses in Europe are to migrants and non-native Europeans, despite only accounting for a fraction of the population.

To help limit the spread of the potentially fatal virus, Dr. Jakab called on European nations to offer free HIV treatment to all, regardless of their origin and nationality. He said: “This is also the safest way to protect the resident population from HIV infection”.

The new report on HIV prevalence in Europe is co-authored by the European Centre for Disease Prevention and Control (ECDC), and director Andrea Ammon also has advice for the nations. She said the best way to prevent infection was to give free condoms to high risk groups — including migrants. Remarking on the report, Dr. Ammon said: “Europe has to scale up its efforts to reach out to this group.

“This includes looking at new strategies such as pre-exposure prophylaxis for HIV and access to care for EU citizens residing in other EU countries”.

My Comments:

On a note that has to be mentioned, do not be "afraid" of the enemy. For us Satanists there is total astral protection from these things. Just be aware. Our Gods stand stronger than the

enemy and all of us here know this. Just be aware and actively fight to get rid of these things out of our homelands and planets.

As all of us know here, that actively meditate, these "Greys" appear and are actively trying to keep back Humanity. Recent UFOlogy and proofs even from the Ancient Past, point exactly to these enemy beings that are actively keeping humanity back. Those who have studied out our webpages and sermons, do know, that these things are behind the so called "Christianity" and "Islam" both of which have done insane psycho-spiritual and physical damage to Humanity and the Human Race. Those who are a step further, know the Reptilians and the relation with the Greys, which Reptilians and Greys help the "Ruling Elite"

[ie The Jewish Race and the fools who follow them] on keeping or trying to keep this world further enslaved. The Middle Ages are total proof to this, let alone the Bible and anything of the related which we have analyzed in-depth for its totally alien and catastrophic nature. The people who found this couldn't exactly pinpoint what "High Priest" meant. Greys in many sighting have appeared wearing "robes" of some colors, which show their "Rank". There are few greys who have some sort of "personal understanding" that is severely limited and some who are a bit more "advanced", and they get order from their higher up Reptilians.

This image was posted by a member a fellow Satanist named Drui. This obviously shows the Reptilian "ABOVE" the Greys or "Behind" the Greys, who are below on the Black area. This shows entirely that they are of a "lower

Grade".

The only reason this made it to the news is because this news article OBVIOUSLY, lies in regards to Leonardo DaVinci and generally tries to hit underbelly the "alien theory" and dismiss it as "crap". Leonardo DaVinci was a Luciferian with a Risen Serpent and as thus, his supreme high intelligence and supernatural ability. The Mona Lisa painting is actually Leonardo himself "Unified" in the male and female Versions of Himself. This shows the Risen Serpent and the "Final" step of the Magnum Opus. The enemy is actively lying, do NEVER forget who owns the "news" webpages and all these things. Though where things are today and right now, only idiots can deny that even something is going on with the "Alien" theories.

Remember, Aleister Crowley, when channeling "JHVH" painted a Grey alien, long before any "proof" was around on such things. Also, Remember, our signs, tenets and practices were stolen and put in an enemy context. The battle between our side and the enemy has been raging on for centuries and centuries, to free this place. Just be open and look at information. Definitely, the average joe can cast away anything that could be beyond their eyes. People are taught to never accept what is outside their supremely limited comfort zone. The jews by "labelling" anything as "conspiracy" or whatever, have power to dismiss anything or any concrete evidence, or anything that SHOULD BE questioned as bullshit. This is the same thing they do for the "holocaust". Asking questions makes one crazy. Having speculations makes one crazy. Thinking out of the box and for yourself, is the greatest sin and the list goes on and on.

Intrestingly enough, "coincidences" are pilling up more and more each day. Thing is, always be aware. Behind "Humor" and "Jokes" of the enemy, many times they are trying to subvert the Truth itself. This is a common method in politics, news and everything else. "Jokes" and "Humor" act as underbelly strikes to the Truth or to "prepare" the masses for anything or for new information that might come out:

" Bill Clinton is intrigued by space aliens.

<http://abcnews.go.com/blogs/politics/20...ens-exist/>

The former United States president appeared on Wednesday's episode of "Jimmy Kimmel Live." He ended up discussing, among other things, extraterrestrial life.

Clinton admitted that soon after becoming president, he had his aides research Area 51, the Nevada military facility, "to make sure there was no alien down there." He was also interested in Roswell, N.M., the site of a reputed UFO sighting in 1947, which was celebrating its 50th anniversary during Clinton's presidency.

"I had all the Roswell papers reviewed - everything," he told Kimmel.

"If you saw that there were aliens there, would you tell us?" Kimmel asked.

"Yeah," Clinton said, nodding.

Given the size of the universe, and the continued discovery of new planets, Clinton believes we're not alone.

"If we were visited someday I wouldn't be surprised," Clinton said. "I just hope it's not like 'Independence Day.'"

Clinton went on to discuss some of the potential benefits to an alien invasion, framing his argument around the 1996 sci-fi disaster movie.

"It may be the only way to unite this increasingly divided world of ours ... think about all the differences among people of Earth would seem small if we feel threatened by a space invader," Clinton said.

"That's the whole theory of 'Independence Day. Everybody gets together and makes nice."

Then, you have the "Jewish in The Soul" Barack Obama. He simply had to admit that he is "Jewish in the Soul" and also, we know he is "1/4th" a jew. Which makes him a jew.

"Obama On UFOs: President Tells Jimmy Kimmel 'I Can't Reveal Anything'"

[http://www.huffingtonpost.com/2015/03/1 ... 63142.html](http://www.huffingtonpost.com/2015/03/1...63142.html)

" Kimmel opening statement to Obama on March 12:

"If I was the president... I would immediately race to wherever they have the files about Area 51 and UFOs, and I'd go through everything to find out what happened. DID YOU DO THAT?"

Obama response: "That's why you will not be president, because that's the first thing that you would do."

During this short exchange, Obama fired back with more potentially provocative comments.

"The aliens won't let it happen. You'd reveal all their secrets, and they exercise strict control over us," Obama said. "I can't reveal anything."

When Kimmel pressed Obama, telling him how Clinton claimed to have looked into government files on UFOs and found nothing, Obama replied, "Well, you know, that's what we're instructed to say."

On his Roswell 2012 Speech:

Money

What is real wealth....

The problem is the redefining of money into a medium of exchange in of itself (usury) that creates an economic form of vampirism which allows the Jews to suck up all the wealth of a nation under their control along with the control that comes from it.

Money is a medium of exchange for goods and services. It's labour that is the source of wealth not money. Labour makes money fruitful. Capitalism core ethos is money makes money not labour. And the capitalists have been paying sophists for centuries to write bogus economic morals to justify their theft and exploitation of entire nations. The ethos of honest economy is labour is wealth and the worker has to be paid a living wage for their labour. This puts the proper value on Labour and allows for higher standard of living for a nation. Money also has to be fiat in a modern labour based economy it allows the proper of adjustment. Capitalism is openly acknowledged to be Judaic and its from the Torah. The first base of global capelins was Northern Holland were the Sephardic Jews fled to after Spain. From here they got the banking and mercantile business going. This included the Jewish East Indian Company which started and ran the slave trade to the New World. And the rape of India under the Company flag. That is what capitalism has always been.

A labour based system is what the Pagan Greeks developed in their philosophy and the National Socialists under Hitler created. Under a National Socialist labour economy Germany went from being impoverished with a million people dying from extreme poverty. To being the richest nation in Europe and rich for the working class not just the rich. The average worker could go on vacations that only the wealth classes could afford anywhere else. And enjoyed a standard of living that would be middle class anywhere else. So history has proven this is the successful model. This allows also for a prosperous middle class and business class to exist which the economy and society requires.

The question is now that we are in the tech revolution is that of automation and where are we going now. The old industrial age division of labour is phasing out. I think that under a National Socialist system we are going to move into a moneyless society as with technology and spiritual development and social development money will be no longer required. People can create what they need for basic needs with tech or have it supplied. And people with spiritual development and training can do what they are inclined to do talent wise for the sake of this fulfilment for themselves and society. Which is normal.

All labour is creative and brings value into the world. The type of labour will simply change from menial and manual labour towards skilled labour in the different fields from art to physics. A new paradigm can bring this forward by simply teaching kids in public school true knowledge and showing them their birth chart to find out where they should obtain specialized training for their soul talent. Then providing them with such. After you can read and write and do basic Math and understand certain things by basic education you should move into specialized training. Which is what they use to do. This training should start at 13 or 14 years old. That way it's finished by the time a person is 20. And they can actually earn a living and have a career in society.

Teaching kids how to use their mind to do things like be able to pick a book up and flip through the pages and remember everything they read and understand it is a basic skill that should be required mastering of when in elementary school. That takes care of everything when it comes to learning on the book level. And they can have this skill work for them the rest of their life. Now you don't need to sit for five months in one class studying one book.

Dahaarkan wrote: "I believe physical labour will end for good, as this can be automated and performed by machines at some point. This will be a new age of spirituality where we focus on spiritual work rather than physical labour.

I think what we do here will be what this new age will be all about. Where leaders instruct people on what to direct energy towards, and instead of physical labour people will contribute to the betterment of mankind with energy and mass group rituals that all citizens are required to participate in. This is a truly spiritual civilization where people contribute with spiritual work rather than taxes.

Individual worth will be dictated by one's personal power and contribution to the whole, and the ones who get the most respect and admiration in this society will be the greater spiritual teachers and leaders, rather than fat greasy business men.”

That's nothing new its just now they don't have a decent job market for them to obtain gainful employment with. Most people have always just gotten a job to need to survive. The public school system has been designed by Jewish oligarchs to dumb the Goyim down steadily and leave them unrealized on any level I spent four years in post secondary its not any better there. That is why I didn't stay for a Phd because its pointless. And its only good for landing a professor job if your lucky.

Dahaarkan wrote: “Fully agreed. Something I notice a lot nowadays is that teens and young adults are completly lost and have no idea what they would like to do for a living, or what skills they would like to develop. [Morality Cannot Be Eaten](#)

Postby [HP. Hoodedcobra666](#) » Sat Sep 08, 2018 3:58 pm

I do not know how many times I see this mistake done and done again with people who think that not having wealth or money is some sort of moral thing, and a good thing for your idealism. Like these hobos that call everyone 'rich' a thief, or a usurer etc. I know Gentiles who have ascended by labors and pains of generations to the level of wealth they have.

Others have had a curse on their generations, where children squandered wealth of generations, rather than increasing it. There are curses like that in the bible. There is also a book of Eshter in the bible which is all about instructions on how jewesses can open their legs to dumb Goy kings and rich people to usurp their wealth, and elevate jews with the use of it. Long story short, there is a whole game involved here.

The same is the situation in Europe, wealth did not come out of nowhere, it's the accumulation of many dead and sacrificed generations of knowledge and labor. The same street that african prison-released hordes and muslims shit into today, took 10 years to be developed and thousands of hours of working force to be created, and more than likely thousands of years of knowledge in architecture and anything else to manifest. And now the jew says that shitting in the creation of your great-racial-grandparents is moral. And letting any monkey come in there to kill you with a machete on this very street and spill your blood in the very same street.

The jew manages to do this because he hides reincarnation. It could have been YOU or your FAMILY working on this very street, but you will not remember this - you will be amnesiac. Therefore, nothing belongs to "YOU" or your "RACE" anymore, it belongs to some random citizens of this world. Oh and of course, jews.

Then jewish 'teachers' in Unversities just come and brush it of (typical of the lazy races and those who never work) as something that simply came from 'theft' or 'exploitation' or slavery. Not one black person worked on any European monument. You cannot pull up people randomly and tell them how to create the Opera in Paris. And they cannot execute it perfectly even if you did.

This is all clearly of a lie and useless to do, to have 'slaves'. You can just raise people from your own nation to do this, easily and effectively, and without fearing the risk of armed Machette uprising to take "Muh iPhone 10 from Whitey" in the process. Other races know this very fact too.

The same jews don't go to Asia to tell them the palaces of emperors and everything else was simply a result of some 'magical' usury and how they stole people from other lands to work on these. Because this did not happen. The jew is again projecting: a race who has never worked, always believes, that things come out of some butthole as a huge turd from Jehova's ass - If you just make believe, as something 'that just is', shows how unaware the jewish race is of any true production. The only thing they are aware of is the fact of theft, that after a thing is produced, you can steal it from the producer. All the theories of exploitation and 'wealth' and the theories of many economists related, do reflect this jewish understanding.

Rabbi Karl Marx was the first person with Rabbi Engels to focus on the stealing of the production from Gentiles and Workers. This is because this was what the jews always did. They were experts. When a system came about (Capitalism) that did exactly the same, but in a more 'humane' fashion than jews, the jews found the opportunity to blame the Goyim for...Inheriting what is in the bible and drummed on the minds of Gentiles for thousands of years.

Capitalism and Communism, same as 'Socialism' (the stolen promise), are all in the bible, for different people, races and teams of humans. The jews for example, practice Capitalism on the heads of the masses with lending, usury etc. Communism is their higher objective. Socialism is the promise of Rabbi Jesus, where you can gain 'free salvation' simply because you kissed a jewish Rabbi's Jewish ass.

I will tell you what this is: Bullshit. Same as all wealth hating ideas.

These ideas come from three types of people. On one hand, those who cannot understand wealth, and therefore, relinquish it. Two, from people who are rich and never had to worry about anything, or always had for their needs. Three, from jews who just push these on the goyim to make them poor and dumb.

The reality of the financial situation is that if more people were doing financial workings, rather than stealing and so forth, these things would only manifest in massive wealth for a whole society. Ancient Egypt is an example here.

But let's face it to attain wealth, in any system of life that has ever existed, one needs two things: to be laborious, and to be clever. The alternations of how much wealth can be attained come down to these two. Now, all the people on the 'laborious' part are kept on the low and cannot ascend, and all the people on the 'clever' part are also kept low.

The jewish element has inserted in this sequence a third option, which is how much of a usurer and deceitful of a person you are. This is because their very own existence in a society terraformed it into a place of their own rules.

However those who fundamentally understand wealth and being clever with your dealings and not dumb, you can attain financial security and abundance without having to resort to the third option. This is the basis of attaining wealth, not usury. Usury is just stolen matters. In the same way a thief can only wear a ring but never make another one, the thief is always dependent on the producer.

Same is the relationships between Gentiles and Jews. Gentiles pour the cleverness and labor in the system, the jew just sucks the blood. But it appears that more and more that economy is diversified and expands, aside with knowledge, people are also becoming cleverer. This comes from the higher living demands that people have, which is a double edged sword. On one hand it makes mentally stunted who are ungrateful, and behave like worthless beings, on the other hand, in their minds hovers some sort of new morality about wealth management that is based more on better values.

To name one example many people in the new generation do not want to work for 200 bucks a month like in many European countries, and work 10 or 12 hours a day. These reluctancies and distastes when they reach to logical extremes, they create breakdowns and cracks in society.

The jews try to amend for this by inserting foreign labor 3rd world labor to take over the host countries in an unholy alliance with these people who are in severe needs, but without Whites, the cleverness and inventiveness aspect will be out of the window, same as everything else such as 'rights' and anything else will be off the table.

It's predicted already the financial situation in Sweden and many other 'baseline decent' countries, will become shittier as time progresses. And you will have two things only, labor, and parasitism. This is exactly the values of the jewish system. Cleverness is going to have to be removed, as this creates needs of rights, and the need of a person to stop being exploited.

Progression in wealth building and labor for one's family, and based on how one has their life in mind, is a great thing and people should care for this. It's not superior to the higher chakras we possess, like Spiritual understanding, or anything else, and it's always by nature a transient practice. But transient as it is, it's extremely necessary for life, the life of descendants etc. For this reason nobody here must aim.

This is why many people do workings for money and the only thing they get is knowledge, or other things. This is because fundamental flaws in their understanding have to be solved before any proper rising in finances can happen. One can win the lottery and go broke in a year because of mismanagement or lack of understanding of how wealth works.

This is the same like nutrition. If you are hungry and someone comes and gives you a huge supply of chocolate for a year, this isn't gonna help you in any valuable way. You cannot survive in chocolate.

Any morality that tells you to starve, die etc, is out of Satanism and Spiritual Satanism. We are based about life. Any system that there is, we have to work with it to live and survive. The Russians eventhough half exterminated by Stalin, they had to persist in Communism to keep the Russian race alive. This is life, this is not a joke. And it must not be treated as a joke. You do not just die and respawn in 10 seconds like a video game.

Morality cannot be eaten, but also, as Lilith once said to HPS Maxine, money cannot be eaten: it's not always about money but how you life, how you live, your health, your relationships, your spiritual level, so remember this is also part of wealth. Gods shower us with all kinds of wealth, open your arms and accept it, without ever forgetting that the most important wealth is the spiritual wealth, the physical and mental health, and then everything else.

Morality cannot be eaten, but without morality, you will always be hungry and never fulfilled.

Meditate on the above quote from a Spiritual Satanist standpoint and you will understand clearly it's meaning for you.

Marxist Socialism is in the Bible..... However I doubt National Socialism is... in fact its not.

No mistake the only place Socialism won was German Socialism under Hitler. They created a Democratic Socialist Workers State like the title of the name of their party..... National Socialist German Workers Party.

In the end the monetary system will have to be abolished, manual and menial labour and other labour automated. This provides for all basic and advanced needs. and society freed to obtain Gnosis and spend their life in meaningful creation based on the realized talents of their soul nature.

Money does not equal wealth it was a medium of exchange for wealth. Most societies used actual physical material wealth and not money for much of their history. Till money became wealth on its own and thus supplant the whole point of labour which is to create actual material wealth. What good is money if there is nothing to buy.... Just pull the money out and produce the actual wealth. With the automation happening with the Tech revolution we will either move into a different society based on resource based economy or a population reduced to the violence of poverty in a system of inequality with just the rich and the poor. And the world will be destroyed anyway by the violence towards the eco system and humans. We might have till 2050 before the destruction of the eco system by the monetary global market systems is beyond the point of no control.

Money is the paper jew they even have their star of david on it.

The aim of the German People was to abolish the capitalist system they made no mistake about this. The Nazi's even put out propaganda calling capitalism Jewish. Capitalism literally is Jewish it was created by Jews and Protestants who believed they were Jews out of the old testament in the Bible. This is why capitalism allowed for the slave trade, the return to feudalism with indentured serfs and all such. Capitalism is a system that was set up from the start to build a new class of Oligarchs based on usury, wage serf labour, monopoly. This is all in their own writings. And if one studies the last seven hundred years of the rise of Capitalism the first Socialist Workers revolt was in Italy in the fourteen century against the Capitalist Oligarchs.

When a person realizes the entire money economy is held up by artificial scarcity and planned obsolescence not just usury. If the artificial scarcity and planned obsolescence was ended tomorrow literally the prices would crash and the entire global corporate system would be broke and out of business. Hundreds of tons of food produced is literally destroyed by American law passed by corporate lobbies to jack the prices up on your food up and up by creating artificial scarcity. They do this everywhere with everything. Without planned obsolescence they couldn't even keep the car companies going. They are charging you thousands of dollars for shit they built to break down on purpose costing you thousands of dollars to get it fixed or have to buy another one. The fact they forced out free energy a hundred years ago is just a small amount of what is done. Just like they created the FDA to push out affordable and working cures so they could make the trillion dollar industry around sickness and charge people millions they don't have by exploiting their sickness for profit. That is the real nature of the money system the paper jew.

More Exposing the Bible

-High Priestess Maxine Dietrich

Please check the groups and Satan's Library frequently. More rituals to destroy the enemy will be forthcoming very soon.

I also want to add something important here. The article "The Bible: A Book of Jewish Witchcraft" only scraped the surface.

[http://www.angelfire.com/dawn666blacksu ... hcraft.htm](http://www.angelfire.com/dawn666blacksu...hcraft.htm)

There is much more to this. One of the reasons this book of rot has had the immense power and hold on people over the centuries is because each letter of the Hebrew alphabet has been charged with energy, no different from how is one would charge up a talisman, etc. Then, the Christian energies fleeced from the deluded believers and of course, its incessant promotion.

In 1948, when the bandit state of Israel was established, atheistic and reform Jews fought with the orthodox over what language would be the official language of Israel. The orthodox were very much against using Hebrew, while the atheistic and reform Jews who are basically unbelievers scoffed. According to Jewish writings, the Jewish unbelievers are a most serious threat to all of the Jews.

The orthodox at the top are aware of the power the Hebrew has for them.

The biblical book of Genesis is the "book of creation." This is where the Jews use certain verses and letters to "create" what they want for the world, like inciting wars and other conflicts for example.

Idiot Christians, who only believe what they are told and who have little or no knowledge of the occult and even worse, take that bible literally are only laughed at. One has to be well versed in magick and the occult to be able to see and to know.

In addition, this damning to hell crap, which has nothing to do with Satan, is not some "act of god" but can be done by the enemy themselves with the right knowledge. No different from certain curses guarding sensitive occult knowledge. Some people were frightened away and went running back to jewsus, unaware this is no "act of god" but of Jewish mages over the centuries.

Nearly all of this hideousness occurred after the fall of Rome. Spiritual libraries were attacked and burned and the Jews, along with their Catholic Vatican usurped the knowledge. They also translated the texts that were available into European languages, so it is glaringly obvious why so much has been twisted and corrupted with lies and total misinformation.

Back in 1933, the World Jewish Congress stated with total confidence that they would destroy Hitler. They knew their power. This is why they are so cock sure of themselves and assume a position of authority over Gentiles, dictating to and ordering Gentiles about. The

Gentiles comply. Foreign policy, finances, aid to Israel, enforced race-mixing... You name it.

The reason there is do much focus on the number 6 with the Jews, is again, their magickal power of the bible. The "42 letter name of god." Certain Hebrew letters are embedded like in a code within words in the Torah. It doesn't make any difference what language the bible might be in because it all has the Hebrew root. For those who are new here, the Jews most frequently use the number 6, as this creates a powerful subliminal link. For example, that 6 million "holocaust" lie, and with various news stories and so forth.

[http://www.angelfire.com/dawn666blacksu ... caust.html](http://www.angelfire.com/dawn666blacksu...caust.html)

In closing, I also want to add, these Hebrew letters infused with power react very negatively with Gentile energies. Aleister Crowley who used this kind of magick, had very negative experiences and met with disaster.

The Jews push this shit, no different from how they push the hoax of Christianity, in order to subjugate Gentiles, getting them under Jewish spiritual control. As I mentioned before, most everything begins in the mind, with an idea before manifesting into reality.

"I think there is a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the centre of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role."

Cattle, fish, plants, natural resources like crude oil and such...

Enemy aliens out there look upon us human beings as no different from the above mentioned.

We humans can be captured, controlled, worked to death as slave labor, fleeced for our energy/life force, and anything else the enemy deems of value, then disposed of.

The foolish, the ignorant and those who are not strong enough to face reality mistakenly believe humans have some exalted status and are exempt.

I also want to interject here that some Christians who get their prayers answered in exchange for the slavish worship (a large percentage do not, it's all very inconsistent), connect with an egregor. An egregor is a massive thought form of a very large group or the mass mind.

And , just to interject something else here, Lucifuge Rofocal, and the others who escaped with Him, did NOT receive the implant. They barely escaped with their lives.

The Jews are directly tied into the enemy (implanted Greys), and Reptilians at the soul. The Jews were put here to bring about the nefarious alien agenda of enslaving the entire planet. What do the Jews call us Gentiles? "Goyim" which is derogatory, condescending and means CATTLE. It all connects, doesn't it? The word "Goy" also ties into "Goetia," "Goetic," in disparaging reference to our Gods.

Jews work for the enemy agenda relentlessly. Most are not even aware they are doing this. They gravitate towards obtaining and securing key positions of authority within the government, the media, and any other high places of influence and control. This also includes marrying into prominent and wealthy, influential Gentile families.

There is a modus operandi at work here. This has been ongoing on for a very long time and has happened in other worlds. Worlds that do not conform are destroyed. As the Jews state "In the blink of an eye." Jews repeatedly use certain cliches that sound alien.

Azazel stated that worlds where the enemy failed are destroyed in order to prevent them from informing other worlds and/or from helping other worlds resist.

The point is these planets are destroyed through nuclear. I will add the article on this at the end of my post here.

The prophecies in the Bible are put there for several reasons. One is to open the minds of believers

concerning the eventuality of key happenings. This is no different from how those pharmaceutical commercials use subliminals, repetition, and key words to implant illnesses into the subconscious minds of viewers.

The mass mind is very powerful in bringing certain events and other things about through belief alone.

Another major reason for the Bible and its prophecies is to frighten people into believing. All of this is of a pattern. When the enemy infests and their agenda is put into action, certain key events take place, and unfold.

Eventually, technology comes about and the enemy works to take control of it.

To digress here, extreme weather has occurred for millennia. With the technology we now have, news is immediate and global. This changes the way many people perceive different events, from how few and far between news of catastrophes was related say a century or more ago. The Earth goes through cycles. Many falsely believe the extreme weather to be a relatively new phenomenon. It is a part of nature, no different from how massive earthquakes broke up the continents thousands of years ago.

Much worse is the depraved abuse of the environment and other living creatures on this planet. Nature rebels...

No regime ever, has heaped more abuse, pollution, and much worse, related, on this planet than have the communists. Atrocious is an understatement. Jews...

All of this, the environment, the extreme weather factor in. Much of this creates terror in many who are not onto the enemy agenda and how the enemy works.

The Jews work relentlessly to take control of any and all technology, directing it towards the alien agenda. One only needs to look at how the Jews are censoring the internet right now and attempting to take total control of it, as they do with everything else of influence and importance.

The enemy agenda works in a pattern and in certain stages. This is then put into the bible as "prophecies" to frighten the populace into believing enemy lies and the Christian, Islamic, and related scams with the Jewish root. All of these are based upon the afterlife, of which few have any knowledge or control of, due to being spiritually incapacitated and dumbed down.

Azazel stated how the enemy destroys worlds that do not conform.

That is an old article, but everyone should reread it and if you have any doubts, do some research.

A Jewish Gift to Humanity: The Nuclear Nightmare

Below is only a partial list. The total number of the Jews involved is staggering and shocking and the list below is incomplete, due to time restrictions. The list below contains the most noted Jewish scientists who worked directly on the Manhattan Project. Nearly all of the individuals on the list below were hard-core Communists; many more were spies, who gave the formula for the atom bomb to the Soviets. Upon researching, I was appalled at how the authors [mostly Jews], who wrote articles and biographies

of the individuals below, portrayed these mass-murderers in a very positive light, exalting many to a hero status. Feel free to do your own research given the information contained on this website.

Below is a partial list of Jews who were directly involved in the Manhattan Project. There were many more Jews involved at all levels of researching, constructing, and advocating the use of the atomic bomb than can be listed here.

J. Robert Oppenheimer [American Jew] - Scientific Director - Project "γ"

Frank Oppenheimer [American Jew] - Brother of and Assistant to J. Robert Oppenheimer

Albert Einstein [German born Jew] - Consultant to the Project

Niels Bohr [Danish born Jew] - Consultant to the Project

Leó Szilárd [Hungarian born Jew] - Group Leader - Metallurgical Laboratory

Nicholas Kurti [Hungarian born Jew] - Worked with Franz Eugen Simon [German born Jew] and developed a method of separating uranium 235 from raw uranium ore

David Bohm [American Jew] - Performed theoretical calculations for the Calutrons at the Y-12 facility in Oak Ridge, used to electromagnetically enrich uranium for use in the bomb dropped on Hiroshima in 1945

Rudolf Peierls [German born Jew] - British Mission

Felix Bloch [Swiss born Jew] - Worked under Hans Albrecht Bethe, performing nuclear fission research

Eugene [Paul] Wigner [Hungarian born Jew] - Group Leader - Metallurgical Laboratory

James Chadwick [British born Jew] - Chief - British Mission

James Franck [German born Jew] - Director - Chemistry Group

Otto Frisch [German born Jew] - British Mission

Edward Teller [Hungarian born Jew] - Thermonuclear Research

Emilio Gino Segrè [Italian born Jew] - Group Leader

Hans Albrecht Bethe [German born Jew] - Chief - Theoretical Division

Klaus Fuchs [German born Jew] - Theoretical Division [Communist Spy] Richard Phillips Feynman

[American Jew] - Group Leader - Theoretical Division

Morris Kolodney [American Jew] - Manager - DP Site

Louis Rosen [American Jew] - The "Father" of the Los Alamos Neutron Science Center

Louis Slotin [Canadian born Jew] - Critical Testing - resulted in his accidental death

Jacob Beser [American Jew] - Weapons firing and fusing

Theodore Alvin Hall [American Jew] - Youngest Scientist at Los Alamos

Samuel T. Cohen [American Jew] - Worked in the Efficiency Group

Samuel Goudsmit - [Danish born Jew] - Scientific Head of the Alsos Mission

George Placzek - [Moravian born Jew] - British Mission

Eugene Rabinowitch - [Russian born Jew] - Metallurgical Laboratory

Joseph Rotblat - [Polish born Jew] - Worked with James Chadwick [Communist Spy]

Gregory Breit - [Russian born Jew] - Predecessor of J. Robert Oppenheimer

David Greenglass [American Jew] - Manhattan Project Infiltration [Communist Spy]

George Abramovich Koval [American Jew] - Special Engineer Detachment [Communist Spy]

Victor Weisskopf [Austrian born Jew] - Theoretical Division

Alvin Martin Weinberg [American Jew] - Theoretical Physics under Eugene [Paul] Wigner/Isidor

Isaac Rabi [Polish born Jew] - Consultant to the Project

Stan Frankel [American Jew] - Theoretical Division

Enrico Fermi [Italian born Gentile] was married to a Jewess - Group Leader - Theoretical Division

The first atomic bomb was designed and constructed in Los Alamos, New Mexico. The top secret code name given to this working was "The Manhattan Project." The reason for the name was that Bernard Baruch [Jew], lived in Manhattan New York, as did many of the other top officials. The chief scientist of the Los Alamos Laboratory from 1943 to 1945 was J. Robert Oppenheimer, another prominent Jew. Oppenheimer's brother Frank, a card-carrying communist, was also a leading atomic scientist working at Los Alamos.

"One of the central figures in not only laying the theoretical ground work but also persuading President Roosevelt to launch the whole atomic bomb program was Albert Einstein, a foreign-born Jew with 16 communist front affiliations."

"The first commissioner of the Atomic Energy Commission was David E. Lilienthal, a Jew, who belonged to at least two communist fronts. He remained in that position for a considerable length of time." 1

Niels Bohr [Danish born Jew], given the Nobel Prize in 1922, escaped Denmark in 1943. "In September 1943, reliable word reached Bohr about his imminent arrest by the German police; the Danish resistance quickly managed to help Bohr and his wife escape by sea to Sweden. Soon after, Bohr was flown in a military aircraft to Britain. There he was introduced to the then-secret atomic bomb project. Eventually he was directed to the project's principal location in the United States of America. Bohr worked on the Manhattan Project at the top-secret Los Alamos laboratory in New Mexico, where he was known by the name of Nicholas Baker for security reasons."2

Leó Szilárd [Hungarian born Jew] born in Budapest, assisted Enrico Fermi in conducting the first controlled nuclear chain reaction.

Nicholas Kürti [Hungarian born Jew: Kürti Miklós] and Franz Eugen Simon [German born Jew who fled to Britain after Hitler came to power] discovered how to separate uranium-235 from uranium ore, which was necessary for the construction of an atomic bomb.3

"It is of utmost significance to point out that both atomic bomb and hydrogen bomb were in large measure a Jewish production. But basically the atom bomb and its further proliferation, is a Jewish idea. One of the central figures in not only laying the theoretical groundwork but also persuading President Roosevelt to launch the whole atomic bomb program was Albert Einstein, a foreign-born Jew with 16 communist front affiliations."

"It was at this time that most of the Atomic secrets were stolen and passed on to the Soviets. When it comes to listing the spies and traitors involved, it almost reads like a Jewish Who's Who. The most notorious were Julius and Ethel Rosenberg, who were tried and executed for treason, the only traitors in modern U.S. history to have suffered this fate. Further involved in this spy network were Harry Gold, Abraham Brothman, David Greenglass, [Ethel Rosenberg's brother], Israel Weinbaum, Miriam Moscovitz, Sidney Weinbaum, Morton Sobell. All these were Jews, and all were convicted of treason. It is also significant in the further development of the hydrogen bomb, again Jews were in the forefront, such as J. Robert Oppenheimer, Steve Nelson [real name Joseph W. Weinberg] and Edward Teller."

"To get on with the crux of our dissertation, namely the commercial and industrial proliferation of nuclear wastes in the United States, which more than any other issue hangs as an ominous pall over our heads. It threatens to bring death, cancer, leukemia, and birth defects to the mass of the population, and, in fact, exterminate humanity itself."

"It is of utmost significance to point out that the Jewish network, has kept close control of the development and proliferation of this most devastating of all technical achievements – nuclear fission and nuclear fusion." 4

[More on the Final RTR](#)

Post by [High Priestess Maxine Dietrich](#) » Sun Sep 16, 2018 4:49 am

In addition to the Final RTR destroying the Catholic Church blatantly, exposing the Jewish pestilence, and inciting more nations cracking down on Islam, members who are performing the RTR regularly are having very positive personal experiences.

BTW, this is the real "backwards" in Satanism that the enemy keeps harping about.

With the Final RTR, we are finding the enemy has used their Hebrew letters to prevent us from communicating with our Gods, from accessing our psychic powers, and much more. Those of us who have been performing the Final RTR daily are experiencing more energy flow, more awareness, and more walls in our minds being destroyed. Obstacles are being removed and more.

For centuries, top rabbis and their scum have been cursing and binding Gentiles.

http://www.satanslibrary.org/Rtrs/Final_RTR.htm

I'm reposting this again for people who have joined on recently, or for those of you who haven't read the other related posts:

Always be sure to clean your aura after doing the Final RTR, as it removes a lot of curses from your soul.

If you're short on time, this abbreviated version works very well:

1. Visualize the brilliant light descending down into your head and pushing down any dirt, filth, thoughtforms [thoughtforms can appear as chunks of filth or for those who are advanced, you can see them as they may be shapes, symbols, like elementals, or otherwise]. This will be gray or black energy [as it collects], and will get darker as it descends.
2. Visualize the brilliant light descending through your throat, down through your shoulders, chest, then stomach area, hips and all the way down through your feet, pushing out all of the dirt from your aura and soul.
3. Move the filth beside you, in a pile.
4. DO THIS THREE TIMES, steps 1 through 4. Keep piling the dirt.
5. When you are finished, your aura and soul should be much brighter and cleaner. You can either ask for a Demon to take the energy and to return it to the senders [especially if you're new], OR, you can visualize it shooting away from you, directing it to the senders.

6. Affirm 3 times:

My aura is deflecting and repelling any and all negative energies, curses, bindings, ill will, thought forms and destructive energy directed at me and is immediately returning it to the senders.

The link below is more detailed. You can do this at any time. It should be done every day. Just don't do the cleaning of your aura/soul for the very first time on a Void of Course Moon.

Jews Have Done Their Job Well More People Dead

The shooting of the News crew by the enraged crazy as of late we can see why. He had internalized the schizophrenic Jewish narrative of Cultural Marxism. Where all reality is twisted and pathologized into some evil force called racism or if your Jewish inserted anti-Semitism instead. Now more people are dead, just another day in planet jooz. The entire narrative of the left was created by Jews from start to finish is violently schizophrenic. This is the price we all pay for allowing Jews to wreck our societies.

Form the article:

'We would say stuff like, "The reporter's out in the field." And he would look at us and say, "What are you saying, cotton fields? That's racist".' []

'We'd be like, "What?" We all know what that means, but he took it as cotton fields, and therefore we're all racists.'

Innocuous phrases Alison Parker used every day to describe her job may have led to her death, simply because Vester Lee Flanagan thought they were racist.

The 24-year-old TV reporter who was shot and killed by the disgruntled ex-employee on Wednesday somehow angered him by using terms like 'swinging' by an address or going out into the 'field' while she was an intern at WDBJ.

It sheds further light on the murderer's erratic behavior, details of which have emerged since he callously gunned down Parker and cameraman Adam Ward live on breakfast TV.

Flanagan, 41, clashed repeatedly with photojournalists, belittling them in public and intimidating them with his aggressive and violent temper, before he was fired in 2013.

Alison Parker somehow angered Vester Lee Flanagan by using terms like 'swinging' by an address or going out into the 'field' while she was an intern at WDBJ. The gunman believed they were racist and led to him filing a complaint against her in 2012

But now colleagues have revealed his assumptions were 'crazy' and even described one occasion where he believed someone bringing a watermelon in for fellow staff was a racist joke directed at him.

They were included in a complaint filed by Flanagan while Parker was working at the Roanoke, Virginia, station in 2012.

The report, seen by the New York Post, that was written by news editor Greg Baldwin read: 'One was something about 'swinging' by some place; the other was out in the 'field'.'

Parker, who was referred to by her middle name as Bailey in the documents, was never disciplined for the remarks.

But they appear to be the 'racist' comments Flanagan was referring to when he Tweeted in the aftermath of the deadly shooting.

Ryan Fuqua, a video editor at WDBJ, told The Post: 'That's how that guy's mind worked. Just crazy, left-field assumptions like that.'

'He was unstable. One time, after one of our live shots failed, he threw all his stuff down and ran into the woods for like 20 minutes.'

Trevor Fair, a 33-year-old cameraman at WDBJ, told the newspaper the words Parker used

are commonplace but that they would routinely anger Flanagan.

'We'd be like, "What?" We all know what that means, but he took it as cotton fields, and therefore we're all racists.'

Fair added: 'This guy was a nightmare. 'Management's worst nightmare.'

On Wednesday, Daily Mail Online revealed management at WDBJ dubbed the failed newsman the 'human tape recorder' because he frequently parroted what interviewees had told him rather than doing his own journalism.

He was also censured for wearing an Obama sticker while recording a segment at a polling booth during the 2012 US Presidential Election - a clear breach of journalistic impartiality.

The complaints are outlined in court papers seen by Daily Mail Online that include a scathing performance review carried out prior to his termination in Feb 2013.

The station filed the documents to rebutt a wrongful termination claim which he had brought, claiming he was the victim of discrimination because he was black and gay. The station won the case.

Flanagan earned a dismal 1 out of 5 score in several categories for his poor communication skills and a failure to show respect to colleagues.

It sheds further light on the murderer's (left) erratic behavior that has emerged since he callously gunned down Parker (right) and cameraman Adam Ward live on breakfast TV

Former news director talks about firing Vester Flanagan

The veteran multimedia journalist was also criticized for missing deadlines and producing reports that were 'lean on facts' and left viewers confused.

In a sometimes-rambling account of his time at WDBJ Flanagan accused co-workers of racially harassing him by placing the watermelon around the office.

'The watermelon would appear, then disappear, then appear and disappear, then appear and disappear again only to appear again,' he wrote in a May 2014 letter to presiding Judge Francis Burkart.

'This was not an innocent incident. The watermelon was placed in a strategic location.'

In his hate-filled manifesto that surfaced on Wednesday, Flanagan spoke of how his anger at perceived racial slights he had suffered, along with the Charleston church shootings, had forced him to kill the animals.

According to an unnamed source, when police raided his bare, colorless apartment after yesterday's horror unfolded they found the door smeared with cat feces and the carpets inside soaked in their urine, though there is no evidence of this in these images.

According to neighbors, Flanagan was often seen throwing their feces from the balcony.

Elsewhere in the apartment officers are said to have found a collection of sex toys with 'human material' on them, though they were presumably removed before these images were taken.

Flanagan grew up in Oakland, California, where he attended high school, but appears to have largely cut ties with the West Coast several years ago after moving to Virginia.

There are no images of family or friends around his apartment, and when Mail Online spoke to his relatives today, they seemed not to know much about Flanagan's life in recent years.

Guynell Flanagan, the killer's cousin, said the last time she had seen Vester was in 2013 when he visited for Thanksgiving dinner.

A former prom date of Flanagan's from high school also said that none of his former friends had known he moved east, or that he was going under the name Bryce Williams.

Lorah Joe, from Burbank, said the Flanagan she had known had been 'kind' and 'a gentleman', and said she was having trouble matching her memories of him with his actions yesterday.

For the Catholic pope to literally be begging for Catholics to pray their rosaries to "protect the church from Satan," it's glaringly obvious the ugly crimes that have been made public are only the tip of the iceberg so to speak.

[viewtopic.php?f=5&t=12772](#)

It's obvious they are seriously afraid. Given what they are capable of, there are bodies. What was dug up in Ireland, 800+ murdered infants; murdered by Catholic nuns, there are obviously many, many more.

The relentless raping of innocent children, anyone can plainly see; how many were murdered in order to cover up the crimes? This could be in the millions over the centuries.

Nearly all Catholic clergy are serial rapists and predators on children. The Catholic Church has started endless wars. Indirect murder. Then many direct murders such as the inquisition.

The foul Nazarene stated "I will turn brother against brother." How many fratricidal wars have been fought for Jewish interests?

How many bodies are there out there? Buried behind convents and rectories, and other many other Christian areas.

Everyone please stay on the RTRs.

Even reciting each of the letters one time and visualizing them being blacked out is very effective.

More Stolen From The East

The letter Shin was also stolen from the East.

This letter has two ways of being spelled in Kabbalah - one is Sin, which is the name of the Pagan Moon God, Sin. The other is Shin, which is the Sanskrit letter for 'Fire'.

Note; the symbol of this letter in Hebrew is that of the trident which is placed in the head in Kabbalah. This is because Sin the Moon God rules the Moon chakra, which is the sixth chakra, in the head. This is also the Trident of Shiva. And Shiva's trident the head of this Trident in Hinduism is the symbol of the Two Serpents coming together at the Third eye.

Many of the images of the ancient wand of Hermes showed two Greek "S" letters coming together at the centre of the head, atop the wand. Meeting at the Moon chakra. In Sanskrit the letter N is placed at the end of the letters. The letter Shi is Shin.

Note; the name "Hindu" is originally from 'Sindu' which means "Sage" in ancient Sanskrit and was also the name of a major river in India. It was named after Sin because the name Sin is the root title of the God Shiva and as such is a name of Shiva.[1] The God Shiva is the moon God in Hinduism but also is the God of fire which is spelled Shin. This letter in Kabbalah was stolen from the ancient name of Shiva.

'This was not an innocent incident. The watermelon was placed in a strategic location.'

In his hate-filled manifesto that surfaced on Wednesday, Flanagan spoke of how his anger at perceived racial slights he had suffered, along with the Charleston church shootings, had forced him to kill the animals.

According to an unnamed source, when police raided his bare, colorless apartment after yesterday's horror unfolded the found the door smeared with cat feces and the carpets inside soaked in their urine, though there is no evidence of this in these images.

According to neighbors, Flanagan was often seen throwing their feces from the balcony.

Elsewhere in the apartment officers are said to have found a collection of sex toys with 'human material' on them, though they were presumably removed before these images were taken.

Flanagan grew up in Oakland, California, where he attended high school, but appears to have largely cut ties with the West Coast several years ago after moving to Virginia.

There are no images of family or friends around his apartment, and when Mail Online spoke to his relatives today, they seemed not to know much about Flanagan's life in recent years.

Guynell Flanagan, the killer's cousin, said the last time she had seen Vester was in 2013 when he visited for Thanksgiving dinner.

A former prom date of Flanagan's from high school also said that none of his former friends had known he moved east, or that he was going under the name Bryce Williams.

Lorah Joe, from Burbank, said the Flanagan she had known had been 'kind' and 'a gentleman', and said she was having trouble matching her memories of him with his actions yesterday.

Saudi Man Dies After Allegedly Trying To Sodomize A Donkey

The bizarre story of a man who died after trying to have sex with a donkey is circulating all over Middle Eastern news sites.

Lebanese website [Beiruting](#) recently reported that a Saudi Sheikh man died after attempting to sodomize a donkey. But other sites have picked it up as well. Reports say that the man tied the donkey to his car, took off his pants and attempted to have sex with the animal.

The donkey, however, was not about to let that happen, and allegedly, it proceeded to kick the Sheikh man in the face following by three strong kicks to the chest. The man fell to the ground and allegedly suffered for some time before dying next to the angry animal.

Mossad Involvement in Munich And Nice

My note just like 911, the Subway and Bus bombing's in Britain and on. Mossad, the hand of the Globalist Jewish Elites. Has its involvement in what might be total false flag attacks run by the Mossad in Nice and Munich.

The Jews are pushing things toward a dictatorship of permanent martial law in France by total destabilization of France, this is the plan all across Europe and in America with Jewish Elites like Soros admitting creation of a race war for the same purpose. Total chaos is the normal weapon of the Jew out of which they use to create their agenda of a Jewish dictatorship.

The Jews will use this permanent dictatorship to shut down all remaining freedoms in Europe, ban all Political Parties, media and movements they don't like along with arrests and disappearing dissents. Along with bringing in the Orwellian surveillance state technology they have developed and ready to use.

And with this the Jews will keep open the gates to Europe from the third world till nothing is left. Which was the purpose of the Jewish run and built EU from the start. This ending of Europe is part of the creation of a Jewish Global Dictatorship they already tried to create with Communism.

Interracial Marriage

Another mode used to destroy the white race has been through interracial marriages. God prohibited the Israel people from intermarrying with other races (Deut. 7:1-3). The subversive Jewish goal and strategy to destroy the white race by interracial marriage was revealed in a speech by **Rabbi Emanuel Rabinovich**, which was delivered before the *Emergency Council of European Rabbis* in Budapest, Hungary, Jan. 12, 1952:

Greetings, my children. You have been called here to recapitulate the principal steps of our new program. . . . The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. . . . Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. . . . This war will end for all time our struggle against the [white race]. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out interracial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, and the white men with black women. Thus the white race will disappear, for mixing the dark with the white will be the end of the white man, and our most dangerous enemy will become only a memory. We [Jews] will embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the earth. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.²⁷

The reason the Jews are jumping so fast into this now. Is they see the writing on the wall. The Nationalist's in Europe are rising due to their increased invasion from the third world and they need to have a dictatorship now on the ground to stamp out all European resistance. Its no mistake the Nice attack happened around the same time the special police in Germany were arresting dozen's of German Nationalists.

Marital law is not about the Muslim, the Jews are the ones who brought them in, they are the weapon and distraction for the big move. Its about shutting down the European reaction to the finalization of White Genocide and Jewish World Government.

The Nice Terror Attack: Towards a Permanent State of Emergency?
<http://www.globalresearch.ca/the-nice-t-...-cy/5536046>

The death toll from the Nice attacks on the 14th of July, 2016 is rising.

Latest reports suggest 84 deaths and possibly one hundred more injured. There have been reports of gunfire and the driver of the truck which drove into the crowd near the beach in Nice is reported to have been shot dead.

Once again (as with the Charlie Hebdo and Bataclan attacks) there is no-one to stand trial and truthfully answer the questions that need to be asked – who and why?

At this point, there is not much that can be verified about the attack.

One cannot exclude the possibility that it may have simply been the action of an insane individual. Atrocities of that type are rare but have happened in the past. But there is, however, the strong suggestion and indeed likelihood that this atrocity is a terrorist attack by 'Islamists'. So, what does all this mean?

French domestic intelligence (DGSI) chief Patrick Calvar warned on the 26th of June 2016 that an 'Islamist' attack on French children would be the trigger for a civil war. He said France was currently on the brink of that civil war. Calvar also predicted that ISIS (Da'esh) would use trucks as weapons. It is not unusual in the never-ending war on terror to hear accurate predictions by intelligence officials before attacks, with the same officials seemingly powerless to prevent them.

This 'uncanny coincidence' could be the defining event of our time.

French Prime Minister, Manuel Valls is on record stating that the state of emergency in France would be permanent. There has been increasing pressure on the Hollande regime in France to change course in the Middle East. Attempts to reconcile with Russia and lift the sanctions have been blocked by Hollande and Valls.

I believe this is the trigger for a civil war French intelligence warned us about. The question is whether the war will become high intensity or continue on a relatively low-intensity trajectory. There have been police 'whistleblowers' in France who have warned of huge caches of arms in major cities, capable of arming hundreds of thousands of men. However, one must be cautious in referring to such 'whistleblowers' as they have proven to be highly unreliable and may be spreading disinformation.

In any case, the public's belief that we are in a 'state of war' and that all military interventions abroad are therefore necessary will be enough to make citizens look to the state for protection – an oligarchic state which is currently pursuing a brutal class war against workers.

As 90 percent or more of intelligence operations today involve media disinformation, we cannot possibly assume that any of the reports we are hearing are accurate. However, it is hard to see how a psyop could have been carried out in the Promenade des Anglais which is so central in Nice. What we can say for sure is that the attack serves the two constants of the war on terror dialectic. The narrative would read as follows:

1. Make the state of emergency permanent, empowering the oligarchic state and further demoralising citizens by dividing the working class along religious and racial lines. This is part of NATO's 'strategy of tension' in accordance with the longstanding intelligence operation Gladio. Citizens must turn to the anti-social state for 'security', thus precluding social revolt.

2. Justify an all out attack on Syria to finish the job of destroying Arab civilisation, in accordance with US-NATO-Israel geopolitical interests. Only the willfully ignorant could possibly believe that ISIS is an enemy of France when the French have never had better relations with the country which openly backs them – Saudi Arabia. The intelligence reports, declassified documents and admissions of the highest officials of the French and American governments all confirm that ISIS is Israel's Arab legion

Both those two above-mentioned goals serve the interests of US-NATO-Israel and until the French people liberate themselves from its yoke, Zionism will continue to poison the minds of men, making them consent to policies that no honest and compassionate human being would countenance.

An awakening of working-class militancy is occurring but the labour movement in France remains divided and led by social-democratic reformists. Now, more than ever, seeing the link between terrorism and class war is essential if any political and social change is to occur. In an era of high-finance treason, oligarchy, austerity, and the triumph of avarice, terror increasingly becomes a feature of the normal rather than an exceptional exercise of state power.

To quote Mossad agent Richard Gutjahr this video is like something "out of a bad movie" Gutjahr is married to Einat Wilf. Richard Gutjahr who filmed the Nice France Bastille Day Staged attack is married to Mossad agent and Knesset member Einat Wilf.

Wilf is a member of Ehud Barak's breakaway HaAtzma'ut or Independence Faction in the 18th Keneset. She served as a lieutenant with the IDF's 'Shmoneh Ma'atayim' or Unit 8-200 in signals intelligence and decryption, holds a BA in Government and Fine Arts from Harvard University an MBA from SEAD in France and a PhD in Political Science from Cambridge University. She was a foreign policy adviser to Vice Prime Minister Shimon Peres. She replaced MK Ophir Pines-Paz as the 13th member of the Labor faction of 2009. MK Wilf has found herself at the center of controversy over Ehud Barak's recent decision to break from the Labor Party.

<https://www.youtube.com/watch?v=0qNAnqILTK0>

Munich reporter Richard Gutjahr was the cameraman who filmed the now iconic footage of a Truck just before hitting a crowd in Nice. He just happened to be on a Westminster Hotel balcony at 10:30 PM and thought it was a good idea to film a truck driving past.

Less than a week later he is back home in Munich and just happens to be at the Munich McDonalds Shooting.

I VERY MUCH DOUBT HE TOOK ANY FOOTAGE IN MUNICH AS OTHER CHANNELS ARE STATING.

Whether he took the footage or not it would be the greatest coincidence that he would be right at both scenes 6 days apart in different countries.

One can only assume he knew beforehand what was to happen in both instances.

Movement is Life!

by HPS Shannon » Thu Jan 24, 2019

I just wanted to share this with all of you. One of the members on the Satanic Health Forum posted about an issue with her husband and a degenerative disease that effects his movement.

One thing we shouldn't lose sight of is our bodies and its purpose and existence on this material realm.

Many people have lost touch of the spiritual and physical synergy of movement, exercise and mind/body union.

Our ancestors all knew of this fact fully. The black african gentiles did spiritual dance to stimulate the kundalini force, the white gentiles and those in the east performed variations of yoga and the chinese, for example, corresponded with practices such as Qigong and Tai chi. They are all yoga but by different names.

All movement moves the energy flow and thus the blood. Not moving the body is stagnation of the energies and vital chi/prana/ashé or bioelectric force. Not moving is a level or two above total stagnation(death.)

As obvious as it sounds, many people do not truly "work" out their bodies. You see obesity, degenerative diseases and overall weakness of the body manifesting. The importance of movement and exercises also benefits us in that nutrients from the food we eat can penetrate the cells better and transport oxygen to the blood. If you are supplementing with vitamins and minerals for health, make sure you are keeping up with your yoga and exercises. I notice that people who do not even have the healthiest diets usually have overall good health because of just exercise alone.

Yoga and mind/body union is a gift and technique from Satan, its stimulates our souls, our energetic selves (which are of him.)

Here is a short 4 minute video of a man who healed himself by doing simple yoga mixed with exercise, etc. It made me cry and I want you all to see how the simplest things, done with consistency will reap results for healing and just about anything. I came across this video a long time ago but decided to share it again because it reminds me of the situation a member's husband is going through.

<https://www.youtube.com/watch?v=qX9FSZJu448>

Most people in the west who do yoga, only focus on the fitness and health aspect of it...and you see how positive that works out for them--simple yoga. Even those who do not believe or acknowledge the

soul and spiritual gain the beautiful benefits of it.

As Satanists, imagine now what we can achieve with Yoga when we intently focus on and empower our selves. This is true sublime!

Do yoga everyone, empower your souls through utilization of Yoga, dance, do Qigong or just power exercises. Build your bodies and health. We deserve it all.

A little tip just in case some of you haven't considered:

After Kundalini yoga vibrate Satanama (Satan's name) while focusing on Satan's sigil. In doing all of this, you are performing the 7 out of the 8 in the Eightfold path, in one session. The Kundalini spinal series is a good base routine.

<http://www.angelfire.com/empire/serpent...SHTAR.html>

For Hatha yoga, just add more of the techniques in the Eightfold path to it.

MUH JUSTICE, MUH SUPPRESSION N PERSECUTION

Postby [HP. Hoodedcobra666](#) » Tue Jun 12, 2018 11:55 pm

I have noticed over the years a lot of people have made a hobby in their lives to find and present themselves as suppressed somehow.

For example we have feminists who pretend they live in a repressive society because someone looked at them with a horny look (how you can look at hairy whales who spaz like fish and smell like trash cans I do not know) and therefore we have the term of Eye Rape. So now looking at these atrocious individuals you can be accused of Eye Raping feminist cows.

I have seen time and time again the Communists pretending to be persecuted. They run parties, they have offices, they demonstrate, and rot whole nations down from within. In all walks of life they are promoted. Yet they imagine still they are suppressed. Commies run with bags of weed and fry their brain while making cartels rich, and if police dares to punish them for it (how many guys can you name that went to jail for weed...) they say it's a political thing. As if all Academia wasn't Communist or Leftist.

Then you have the Jesus Freaks. Satan is lord of this world and the law of the money. Yet Satan doesn't have a proper temple in the world that he "owns" and sponsors. This Satan also attacks and chases down their souls of pious christians, who have devoted their life to an otherwise all powerful, universal creator, jewish being. Last time I checked the "God of money" and the "God of this world" just has a few archeological remains of temples. And the Jeboo Freaks have like tens or hundreds of thousands of Christian temples. They are the spiritual people who spend all their lives uhm, doing nothing spiritual. A random devil is out to get them and if their milk spills, it's the devil's fault. They own the planet, the political class, they own the very values in which the whole parts of very recent civilization is built upon, and all the Goyim Slaves are named from the bible. Yet somehow they are so under fire, because their clergy and their pastors come out to be as pedophiles for example. But this is not due to the fact of their own religion, regime, or criminality. It is Satan's fault. And they are very persecuted.

About Jewish Persecution, let's not conversate. They literally own and abuse a whole planet, and if some CRITICISM comes at them, it's the end of the world. To question them or their LEGAL persecution can land you in jail or get you killed. To oppose them has been a repeated death sentence for politicians such as even JFK. The most "persecuted" of all groups. Do you in anyway even THINK against them? Story goes a kike created the universe out of it's hairy ass and it will torment you eternally for it. This later became law to now if you think against them, you are in for a gulag, the only think that spares you is that they do not quite know it yet.

Instead of persecution and repression being actual and true things, and for the world to protect those who are persecuted and the unrightfully repressed, we have all the parasites and the mentally ill claiming persecuted status.

This facilitates society into a dictatorship and into a full collapsation of civilization. As for the method, look no further than the European Union. It is collapsing under the weight of it's own kike "Soros Mix Breeding Philogoyimry" sorry I mean "Philanthropy". But firing some Philanthropic Rockets on Syria that is a good thing, we can extract Philanthropic Oil from it, and we can create Philanthropic visions come True such as Greater Israel. A place for the only

Humans (Anthropic) to live in.

After all they are persecuted aren't they? And suppressed? The bible says so. So, they have a right to rape, kill, and make nations go extinct.

This is the power of being "persecuted" and no wonder many people on the planet seek that status. "I grew up in Zambia without an iPhone 15, please take me in Europe for free gurbs". And of course we are in 2018: everyone is equal now, says Rabbi Shekelstein writing a little note (when it comes to stealing from productive whites and only until they are extinct, because remember goy, the Talmud says this iPhone 15 belongs to the jews really as the blood and wealth of all Nations, but since we need Black Goyim for a mission we will borrow them an iPhone 15 we have stolen from Whitey. EasyPeazy.)

Meanwhile many poor European families do not have shoes to wear at all in otherwise "financially good" Nations. They cannot, in other way, partake into what their ancestors literally built for them. Yet a random jew or a random parasite can come, claim oppressed status, and be given a house, or a car that another has labored for a decade. Redistributing the whole nation to aliens who didn't build 1 brick in said nation ever in their existence. Only to steal all of it later after the natives are weakened enough.

This is the jew and their sense of "Justice".

There you have it- "your Justice". The justice of the thieves, and the oppressed. Be oppressed enough to benefit accordingly.

MUH ZIONISM

▣ Wed Aug 09, 2017 11:50 am

High Priest Hoodedcobra666

Site Admin

This meme of Zionism has been a meme for closely two decades now, to help the jews fend off responsibility to other jews. Because as we know the jews are always innocent and always on the good end. It's always some small negative element doing it all.

That literally control the rest against all their wishes by some sort of star-trek technology, for around six thousand years now. Because well you know, they are poor victims of their own race of victims.

Let's think about the Germans and Hitler. Of course in that case it was all the "Amalek doing this". And there is no difference between Amalek as Hitler and the normal German person. It's just that Hitler was more vocal about wanting to keep the people alive.

The jews follow this line of thought obviously. It was all Germans/Amalek doing this. And not simply Hitler and a few clever Nazis. So we have to blame the Germans for all eternity, and jews have decided on their genocide, because they associate them with the Romans and many other races which caused them problems in the last centuries.

But of course this applies to evil Germans. And not to Jews. Jews are to be treated as Individuals, even if they are the most hive minded race we know in the known universe. Because well you should treat jews how they tell you. Forget what you see Goy.

"The above is not a logical fallacy you shitty goy, how dare you think of it!111!!!! Have double standards as I say, now, or rabbi yeshu will send u to hell in the messianic era!!"- Rabbi Shekelstein

Zionism is nothing else but the literate application of Jewish Culture in the material. Jewish Culture is the expression of the jewish soul. Zionism is the means of materializing this reality for all jews to exist in. Zionism is nothing but the jews who actually go after this in more evident ways. The rest do this in a secluded manner such as spiritual warfare, prayer, propaganda, subverting their enemies and so forth.

So long one is biologically a jew, they are also a Zionist. Even if they marry into Gentile families, they are still jews and Zionist as they serve a purpose of eradicating the bloodline of their enemies which is fundamental in the whole plan. Even a jew who is a traitor actually serves their agenda.

By creating these false 'divisions' between jews, that save the majority of them throughout history. Jesus the 'deserter' who is the Torah incarnate, and the manifestor of the full Torah and Zionist Messiaich, is actually the very same thing.

Jews pretend to have a beef with the so called "Zionists" but they have tolerated Zionists for over five thousand years. Can the same be stated about Germans and others "TOLERATING HITLER", which many fools equate with the "Radical and Tough" leadership towards one's best interests?

Only Hitler ruled on an emergency of LIFE AND DEATH for the whole world. And was the most freedom promoting person of his time. But who cares, right?

Imagine if Gentile people had the same fixed leadership for five thousand years. We would be in Orion's belt by now, cruising by the Gods in space ships. That's how 'bad' it would have been for us. In the same sense, the jews have their Zionism which is advancing them.

Who created jewish culture? Jews. Thorough thousands of years. Who accepted themselves being as they are now, and the Zionists? The jews again. How is a Zionist born? From a jewish womb. What does a "Zionist" learn? Simply Jewish Culture.

What is the difference of the Zionist and the "Normal Jew"? The Zionist has more vitality into going after and openly professing and acting on the jewish cultural goal which is world domination and exterminating the Gentiles of the planet.

All jews are Zionists. But I guess we have to be lenient with jews because you know, muh Rabbi Yeshua, Muh Zionist, and Muh Victimized Jews who dindu nuffin' as usual.

As I mentioned before Moses Hess the intellectual father of Zionism wrote in his own works that Zionism is the Jewish messianic movement to create a world government that will be ruled from a future Jewish state of Israel. Ben Gurion the first Prime Minister of Israel wrote the same in his own memoirs. Moses Hess was the coauthor of the Communist Manifesto of whom Marx called Moses the Red Rabbi.

Communism was the Jewish Messianic revolution to bring the Jewish age of the Messiah to pass in which the age of Edom would be destroyed and a World Jewish Government

would take its place. Edom is the rule of 11 Gentile Kings in the Jewish texts the number 11 is Kav it represents kingship and rule in kabala. The age of the Messiah destroys the Gentiles nations totally and puts the Goyim under Jewish rule.

When the Jews came together to politically organize their Messianic revolution into the world they originally called themselves the Catholic Church. Then when they needed a replacement theology they came together and called themselves The Communist Party. The points of the Communist Manifesto are all taken from the Christian Bible. Its the same Jewish Messianic theology. Redrafted for a new age.

The Jews want a synthesis of them both into their Jew World Order. The current Pope is a open Marxist who ordered his Jesuit Priest underlings to teach and promote Christian Communism [Liberation Theology] and the Pope was put into power directly by the Jewish congresses. The Jew Dugin is pushing for the same synthesis. He like the Pope both openly state that Communism is the secularization of Christian theology.

"Multiculturalism Has No Place in Israel" Says Melbourne Jewish Leader

Multiculturalism not for Israel - Leibler

By John Masanauskas

Melbourne - **Jewish leader Isi Leibler, a staunch defender of Australian multiculturalism, says the policy has no place in Israel.**

"This is a country which was set up and created as a Jewish country for the Jews," he told a Jerusalem newspaper.

Mr. Leibler has previously said that multiculturalism in Australia was something that "we are all proud being part and parcel of."

The founder of Jetset Travel moved to Israel two years ago as chairman of the World Jewish Congress. He recently published an essay arguing that Zionism, or Jewish nationalism, was under threat in Israel by "post-Zionists".

"A post-Zionist is someone who actually looks positively towards the end of the Jewish people in ethnocentric terms, as a national group, and no longer sees the Jewish people as one united people," he told the Jerusalem Post.

Mr. Leibler said post-Zionists were pushing a universalist agenda in schools aimed at eliminating Jewish nationalism and creating a multicultural state.

But Mr. Leibler, 65, has the opposite view of multiculturalism in Australia.

During the Pauline Hanson debate in 1993, he warned that multiculturalism was under threat by extremists.

"There is a need to sit together and establish a way in which Australians can recapture that spirit of multiculturalism which I think we are all proud being part and parcel of, and which is really under threat," Mr. Leibler said.

The Murderous Jewish, Human Organ Trade

-High Priest Mageson 666

Thanks to bluenitwolf for this find.

<http://www.nytimes.com/2009/07/24/nyreg...d=all&r=0>

While Netanyahu blamed Israel's critics for delegitimizing state of Israel at the recently concluded 4th 'International Conference of the Global Forum for Combating Anti-Semitism' and comparing Hitler's "Final Solution to Europe's Jewish Problem", Israeli daily YNet (June 9, 2013), reported the following "Blood Libel" news item from Italy.

Last week, Italian airport security officials at Rome arrested Israeli Jew, Gedalia Tauber, 77, for running a human organ harvesting ring from Brazil to South Africa to Israel. Tauber, who collects money from German funds for surviving the Jewish holocaust, is a former member of Israel's elite Navy commandos (Shayetet 13) and former head of Tel Aviv district police fraud investigation unit.

Tauber, a fugitive from a Brazilian jail where he was serving an 11 year sentence for his role in country's organ harvesting trade. In January 2002, an international warrant for Tauber's arrested was issued by a Brazilian court.

According to Brazilian media, "the ring enlisted poor Brazilians, enticing them to "donate" their organs for relatively small amount of money and then, together with an additional Israeli conspirator, the ring allegedly sold the organs to Israel, which had no knowledge of their shady origins for close to 20-times the amount paid to the donator."

Israeli and American Zionist Jews top the world's organ harvesting industry – from Haiti to Kosova to United States. On April 7, 2010, BBC reported the arrest of Israel's three-star General Meir Zamir and his five accomplices being investigated for their role in an international organ-trafficking ring.

In 1998 Scottish Alisdair Sinclair died under questionable circumstances while in Israeli custody at Ben Gurion airport. An autopsy performed at the University of Glasgow found out that Alisdair's heart and a tiny throat bone were missing. At this point the British Embassy filed a complaint with Israel.

In 2000 Dr Yehuda Hiss, former head of the Abu Kabir forensic institute near Tel Aviv – admitted that his staff was involved in harvesting skin, corneas, heart valves and bones from the bodies of Palestinians killed by Israeli soldiers.

Israel daily YNet reported on May 22, 2012 that Israel Police's National Fraud Unit has arrested ten Israelis including one physician for allegedly part of an organ harvesting network operating in Israel's two Muslim allies – Azerbaijan and Kosova.

In 2009, Solomon Dwek, a bankrupt Jewish real-state dealer helped FBI to nab several rabbis and pro-Israel politicians for money laundering and organ harvesting.

On August 17, 2009, Israeli writer, Donald BOSTROM, in an article entitled, Our sons plundered for their organs, claimed the Israeli soldiers have killed Palestinian kids just to collect their body organs. The author was hunted down by Jewish military apologists and Israeli Hasbara goons, calling him an antisemite.

In August 2010, Ukrainian police, busted an Israeli-run organ trafficking network illegally recruiting organ donors to send their body parts to Israel. In 2009, Ukrainian professor Vyacheslav Gudin, had claimed Israel had brought around 25,000 Ukrainian children into the country over the past two years in order to harvest their organs.

In September 2010, Israeli-linked organ harvesting ring was busted inside South Africa's largest healthcare company Netcare.

In January 2002 Nessim Dahan, an Israeli cabinet minister admitted that organs taken from Palestinian victims of Israeli soldiers could have been used in Israeli hospitals without the knowledge of victims' families.

Muslim brags about devastating 7-man gang rape of young German virgin girl, "full of dirt and sperm"

-High Priest Hooded Cobra 666

You need nothing more than a brain and the dialogue to understand. Oh please, spare the PC and Cultural Marxism judeophillia, away from here.

Saith the Rapefugee:

"Dude, We were seven guys. Some on the floor, three on the beds. They were bunk beds. Three were on top, three were below. Adim switched of the light and we fucked her.

He deflowered her. She was a virgin. You must Imagine that! Virgin!

And we were still six guys on top of the bed, dude. And he: Bang! Bang!

And we on top of the bed jumped down, she screams and of course she was fighting back and so on.

And we had her legs, dude. Bang!

One held her over there, the other over there, dude.

And then, dude: Sinan and the Others. One after another, dude. Virgin, dude! Well done, dude! I swear to you.

She cried after that, she couldn't go on any longer.

And we, like pigs, we spit on her. Sperm and dirt all over her. We really got milked."

His rape-fugee friend asks:

"And you fucked her in the ass, right?"

His friend of course answers:

Dude, it was a virgin! And we DESTROYED her with seven guys, dude.

Didn't fuck her ass. But not in the ass though.

Of course, these people roam around freely. Others are in jail for questioning the holohoax, or pointing anything of such nature out. Others are in prison for shirts. Meanwhile, all these people are roaming freely. Who knows, who the next target will be.

But since the first are in accordance to the will of the jews, then they are good. No matter if you are a murderous rapist, being in alliance with the jews certifies that you will be fine. At least the jews hope so. You are their loyal lapdog battalion. As for the fools who state this

isn't Islam, well, it is. These Muslims just did what Islam says. They defiled this non-burka wearing girl, they happily destroyed her, for not obeying just another jewish created religious program. That's that.

Always remember Goyim your racist and full of hate for not tolerating being culturally enriched by such people.

Suspected 'honor killing' stokes German fears about customs, crimes of Middle Eastern refugees

BERLIN – The alleged “honor killing” last month of a young pregnant woman who fled Syria after being gang raped is the latest case to leave Germans horrified by the crimes and customs of some of the refugees pouring in from the war-torn Middle East.

The woman, identified only as Rokstan M., fled Syria in 2011 after being gang-raped by Syrian soldiers and found work as an interpreter. After authorities in the small, eastern city of Dessau discovered her body, stabbed and buried behind a housing complex for Syrian refugees Friday, suspicion has focused on her father and brothers, who prosecutors believe may have killed her because the gang rape left her “unclean.”

“I don’t like the term ‘honor killing,’ Christian Preissner, a spokesman for the prosecutor’s office, told [FoxNews.com](http://www.foxnews.com) on Thursday. But if the motive shows that it was an ‘honor killing,’ I will say it.”

The case has gripped much of the country, as details about Rokstan’s final days have emerged. Full names of crime victims are customarily withheld in German media to protect their privacy.

“I am awaiting death,” Rokstan wrote on her WhatsApp profile shortly before her death. “But I am too young to die.”

“I was taken by three men. Ever since that time my family has regarded me as unclean.”

- Rokstan M.

While it remains to be seen whether it was in fact an honor killing, Preissner confirmed that investigators are looking at “her close circle with a cultural motive.”

Mark Krüger, a German author who was friends with Rokstan and employed her as an interpreter for his book project on Syrian refugees, recorded her discussing her torment.

“I was taken by three men,” Rokstan said. “Ever since that time my family has regarded me as unclean. My mother and my brothers mistreat me. They say that I deserve to die.”

After she vanished, Krüger conducted his own investigation and helped the police locate the garden burial site.

Police are searching for Rokstan’s father and two of her brothers. They believe the father fled to Turkey and may be back in Syria. Her mother is also under investigation, according to the mass-circulation paper Bild.

“The brutal murder of Rokstan appears to be a clear case of ‘honor killing.’ Her story fits the pattern: Born into a deeply conservative society and expelled by her own family for the ‘crime’ of having been gang-raped, “Julie Lenarz, executive director of the London-based Human Security Centre, told [FoxNews.com](https://www.foxnews.com).

Rokstan fled to Berlin to escape her family and lived in April at Papatya, a crisis center for girls and young women with migrant backgrounds. Eva Kaiser, the director of Papatya, told [FoxNews.com](https://www.foxnews.com) she believes Rokstan was killed by her family “because she was no longer a virgin and was raped in Syria.”

Honor killings are an acute problem in Germany. According to Kaiser, there have been at least 129 documented honor killings in Germany in the last 20 years. The number is likely to be higher because Papatya does not have access to all court cases and relies on open sources for its data.

A 2006 Federal Criminal Police study, there were on average 13 honor killings a year in the country. With 1.5 million refugees, mainly from Muslim-majority countries, expected to enter Germany this year, the number of “honor killings” could increase considerably.

In late September, the trial of a Pakistani parents—Shazia and Asadullah Khan—charged with murdering their 19-year-old daughter Lareeb in a case of “honor killing,” unfolded in the city of Darmstadt.

The Khans considered their daughter’s activity dishonorable because she did not want an arranged marriage and stopped wearing a head scarf. Lareeb started a relationship with a young man and was caught shoplifting condoms. Shazia said at her trial: “At this point it became clear that there was sexual contact. When I showed the letter to my husband, he snapped.”

Rokstan’s fate mirrored in some facets the horrific murder of Lareeb. Rokstan fell in love with a 17-year-old German Arab. He announced that he wanted to marry Rokstan who was pregnant at the time. The family of the 17-year-old rejected the idea of marriage with her.

With Germany's agreement to take in some 800,000 refugees this year alone, and potentially millions more in the future, more such crimes are likely, said one expert,

“This problem will worsen with the influx of Muslim refugees, as will ... forced child marriage, forced arranged marriage, normalized battering and stalking of daughters, forced

veiling and under-the-radar polygamy,” said Phyllis Chesler, who has written several studies on honor killings.

[My Reply to thread on mental illness](#)

This is my reply to a thread in the Teen group, but I am reposting this to all the groups and the forum, as it is something to be aware of:

In addition, the Jewish controlled medical association is pushing hard for the population to be addicted to psychiatric drugs. Who hasn't heard of Prozac?

On top of the trillions of dollars these Jewish doctors, Jewish pharmaceutical companies and Jewish related reap from these drugs, the Jewish media incessantly pushes them.

Television commercials, magazine ads, in the newspapers, online advertisements and of course, their movies with the theme of mental illnesses in the characters.

I have seen several of these movies where the characters reach into their medicine cabinets for those little copper colored prescription bottles, often the shelf is lined with them.

The characters in these movies also have trouble discerning reality from delusion. This often is the main plot. This ties in with the pharmaceutical commercials and everything else as powerful subliminals to encourage mental illnesses among the populace. Not to mention we live in a sick world.

In the former communist countries, especially in the USSR, there was what was called "Punitive Medicine." Anyone who was a threat to Jewish communism was often forcibly placed in a mental institution, shot through with dangerously high doses of mind altering drugs for psychosis, such as haloperidol (commonly used), which produced hideous side effects.

Note- anyone who is against the Jews or their agenda is labeled as "insane."

Again, I want to add here, "People's" as is used synonymously with communism, is "People's Republic of North Korea" etc, has the word "Chosen" dropped. A rabbi authors have admitted this. As is written in their Talmud, they own everything.

Mystical Interventions The Gods Will Not Be Forgotten

by HP Mageson666 » Sun Mar 03, 2019

The Gods left their civilization in the pyramids, carved into mountains and other megalith's so these monuments would always stand along with the knowledge of their existence and the information contained within. The original Egyptian Pyramids at Giza once where covered in white casing blocks that are recoded in history to have been inscribed with hieroglyphs that where based on spiritual teachings. The enemy removed them all and destroyed them and reused them to build Mosque's and palaces in Cairo. The enemy worked to destroy Egypt and buried the Temples of the ancestors and Gods under sand, and lost them to time and devastation to be forgotten. Egypt underwent twenty years of cultural devastation and genocide under the Catholic regime of Rome that is equal to what Pol Pot did in Cambodia. The Temples where defaced, buried under the sands the libraries destroyed the holders of knowledge chased out or murdered in the streets. The original teachings destroyed and the lie of the enemy and the false origins of Humans imposed by the Bible and Koran as creations of a false Jewish god that made us to slave for it.

However the Gods reveal their miracles in time as they will not be forgotten:

In the winter of 1879, a rumor began to circulate in Egyptian archaeological circles of an amazing new and seemingly accidental discovery of enormous importance-one apparently brought about by an earthly incarnation of the god Anubis. Among the ancient Egyptians Anubis was a deified form of the jackal known as the Desert Fox; his other divine incarnation was Upuaut, also known as the Opener of the Ways.

Standing near the pyramid of Unas at Saqqara, an Arab workman spotted a desert fox silhouetted against the light of the rising Sun. The animal behaved rather strangely. It moved, stopped, and looked about as if inviting its silent observer to follow it. Then the animal moved again before disappearing into a large crevice in the north face of the pyramid . Sensing possible treasure, the workman followed an, after a difficult crawl, found himself in a large chamber within the pyramid. Lighting his torch he saw that the walls of the chamber were covered with hieroglyphic inscriptions superbly decorated with turquoise and gold. Similar inscriptions were later found in other pyramids and collectively they are now known as the Pyramid Texts. In total, over 4,000 lines of hymns and formulae have been found.

The Pyramid Texts make:

"Repeated reference" to the Zep Tepi of First Time, " The legendary time of Osiris when Egypt was believed to have been ruled directly by the gods in human form..."

The Egyptian Desert Fox.

Despite all the enemy attempts to remove this truth it was revealed again by a little Desert Fox and the direction of our Gods and now the world knows again. Many of the artifacts found in Egypt are also infused ritual items that have caused from reports spiritual experiences and consciousness transformations of individuals who stand in their presence such as visions and opening of the chakra's and mind and important realizations. These items are infused by the ancient Djedhi the serpent priests of Egypt to connect into major energy fields that contain all kinds of information within them. Which is why the enemy worked to deface and destroy them. This practice is still done in Hindu India in some of the temples. This is why the Egyptians even covered the walls of tombs with spiritual instructions and histories so they would also remain for humanity. These energy sites the Temples and sacred places where used by the ancients to make it easier to obtain enlightenment. And people still have experiences at them.
