The Floor

The floor is something we must fight against.
Whilst seemingly mere platform for the human
stance, it is that place that men fall to.

I am not dizzy. I stand as a tower, a lighthouse;
the pale ray of my sentiency flowing from my face.

But should I go dizzy I crash down into the floor;
my face into the floor, my attention bleeding into
the cracks of the floor.

Dear horizontal place, I do not wish to be a rug.
Do not pull at the difficult head, this teetering
bulb of dread and dream . . .

Russell Edson

Sanskrit is the world's oldest language, with the likely exception of Indian Tamil. Satan means 'adversary/accuser' in Hebrew. The of the name Satan is derived from Sanskrit. The Indian Punjabi Sanskrit derived chant SaTaNaMa is Satanic. 'Sa' (infinity), 'Ta' (birth), 'Na' (death) and 'Ma' (rebirth). SaTaNaMa and Satnam are chants in Kundalini serpent yoga that are derived from the Sanskrit words 'sat' and 'nama'. This mantra has the same effect on telomeres as telomerase, given that it likely produces it. The Sanskrit word Sat means 'true essence' and the root vowel A means 'absolute existence'. Nama means 'reverence/in the name of', so sata-nama means 'true essence of absolute existence revered'. Sa (birth), Ta (life) NA (death) and Na (infinity) are the universal Sanskrit base-sounds. This was adapted to the common kundalini yoga chant SaTaNaMa (in the Gumerkhi dialect). This chant strengthens telomerase — the enzyme that protects and preserves DNA. Sat with the suffix 'an' (breath) literally means 'breath of life/breath of god'. In Sanskrit, 'sa' translates to prosody and 'tan' translates to expansion, so sa-tan denotes 'creation'. Sata is the Sanskrit number 100 (the number one is the archetype that rules the Sun because it's heliocentric) that became the Hindi word satta, which means 'power'. When pronounced with an anusvara (nasal sound) Satta/Sata is 'Satan'. Sata is the eternal serpent from the Ancient Egyptian Papyrus of Nu. The Sanskrit word Satya means 'eternal truth' in Sanskrit. Satanu is Sat 'true essence in union' combined with Anu, meaning 'atom/molecule/body'. Satya (also Satyam) means 'truth' in Sanskrit. It comes down to the fact that the name Satan means 'living truth'. Satana is a place in India and also a name for the pagan wolf-Goddess of Alanic Persian

mythology. She became the Lady of the Lake in in Arthurian legends after Aryans migrated to the Caucasus (Nart tribe). Persia once spoke Sanskrit when the pre-diluvian Brahman Empire of Lucifer-Satan ruled the earth. Ra is the root word for 'fire' in Sanskrit and it also 'vibration', as it has a spiritual meaning. Ra means 'light' and 'sun' in Ancient Egyptian, also being Re (pronounced as ray) like 'ray of sunlight'. Ra was perverted to 'darkness' and 'evil' in Hebrew (Old Testament lexicon). Devi means 'divine' (masculine form of the Sanskrit word deva) in Sanskrit. Devi was perverted to 'devil' by the Jews. The trident (trishula) of Shiva that represents three major energy centers of the soul was made into the devil's pitchfork. Lucifer means 'morning star' in Latin. Venus is the morning star and Venus is the planet Lucifer-Satan rules. Lucifer-Satan's number is two for duality, while the enemy's is the number one for semblance, like with Jewish Communism. In Sumerian mythology, the creator of humanity named Enki, which commonly translates to 'Lord of the earth.' Enki is Father Lucifer-Satan. His kingdom was Eridu ('the Garden of Eden') in modern-day Iraq. Nonbelievers have stated that depictions of giants are just the royalty made to look like gods, due to their entitlement, yet there's giant winged beings with spaceships and stars in ancient depictions on the Sumerian tablets, as well as caves across the world — relics from pagan culture.

The Sumerian sky god Anu is an allegory for the element aether, being Enki's father. Ea (hEAven and EArth) from Sumeria literally means 'house of water.' Ea was the Babylonian God of wisdom and creation. He ruled from the Abzu (freshwater of the abyss) Lucifer- Satan's signs are Aquarius the water bearer and Capricorn the goat. Poseidon holds a trident like Shiva's trishul and is lord of the water. The Egyptian god Ptah is Lucifer-Satan. Ptah was later merged with the Demon Osiris/Oriax. Ptah was the God of the underworld and creation, while Osiris was the God of the underworld who granted life and resurrection. Ptah-Osiris was the lord of the underworld Du'at. Du'at is an afterlife similar to Valhalla of Norse mythology. Ngai/Enkai is the African version of Enki.

Shiva and Vishnu are two aspects of the same being. Shiva comes from Indra and Vishnu from Rudra. Rudra represents the Yin aspect and Indra — the Yang aspect of Father Lucifer-Satan. Indra became Shiva and Rudra became Vishnu.

Shiva's bride Kali and the Vedic goddess Lalita/Lalitha are Lucifer-Satan's bride Lilith, whose sacred animal is the owl. Mother Lilith is Pro-Choice. Lilith rules the Crown Chakra and 'Lilith' comes from 'lily' which the lotus flower is colloquially referred to.

Mother Lilith is the 'earth mother' Goddess and Isis/ Inanna/ Astaroth/ Etarte/ Athena/ Ishtar/ Freya is Lucifer-Satan's daughter — the 'Queen of Heaven'. They are the chief-goddesses.

The Norse Viking Lucifer-Satan is Odin/Wotan.

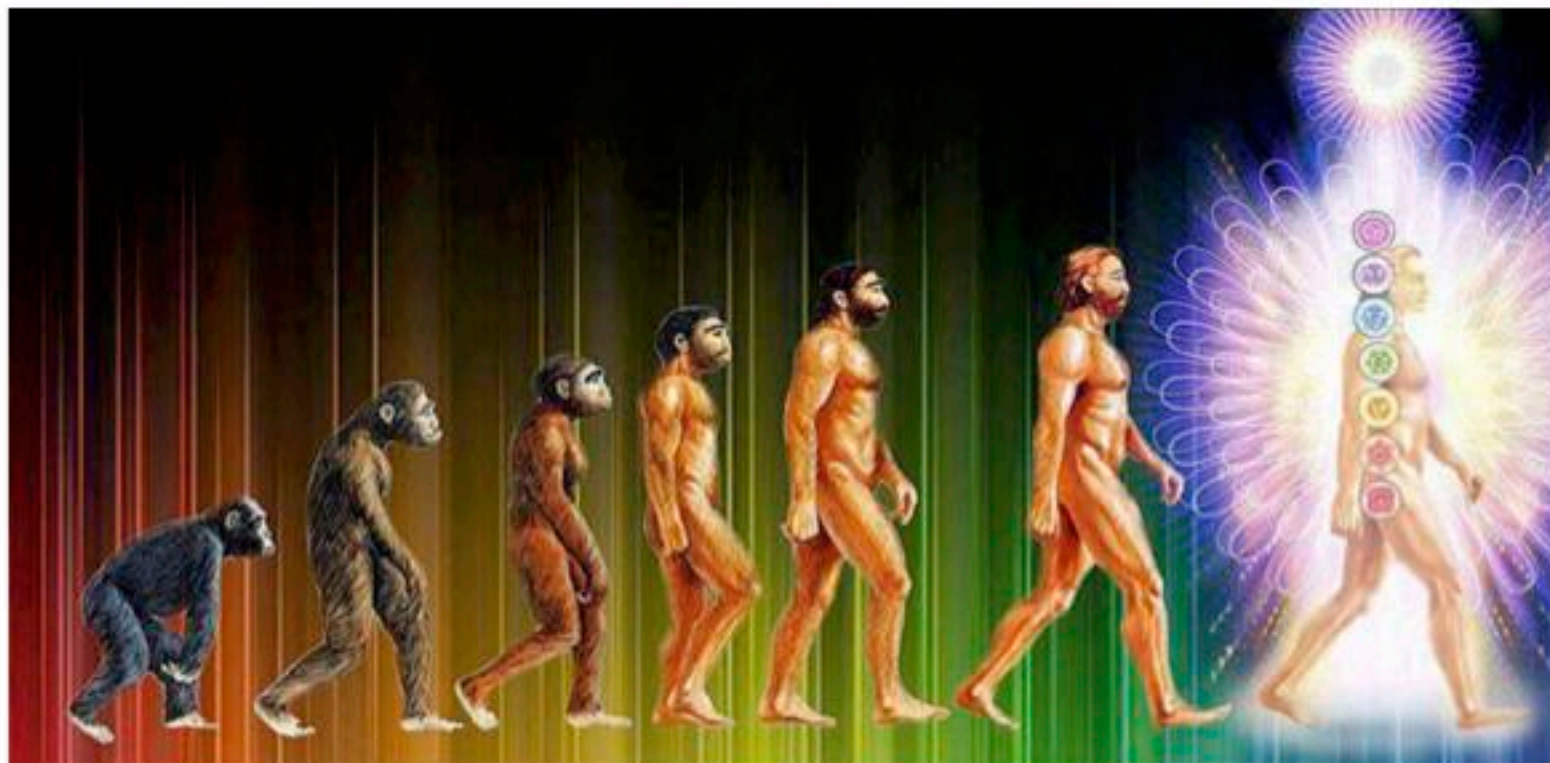

The Greek Hellenic Titan Prometheus gave the fire of the Gods to humanity. He is the heroic champion Lucifer-Satan.

The Nordic Gods, the Sumerian Anuunnaki', translating to the likes of 'royal seed'. They desired servile workers. Lucifer-Satan is a geneticist, who along with other Gods — bioengineered Homo erectus' DNA to create Homo sapiens. 'Magic mushrooms', thermodynamics, or meteors/comets/asteroids didn't cause this neurogenesis. The scientific establishment doesn't understand this exponential shift in the evolution of mankind. The human genome is 98.8 percent noncoded, which is an anomaly in modern science. Lucifer-Satan was prevented from finishing his holy work on humans because the enemy alliance interfered. Their council had agreed demanded that humanity would be destroyed after the terraformation project was finished. The enemy perceived humanity as a serious threat. Lucifer-Satan and other Gods created the Gentile races in their splendor. Each race has a soul-group they reincarnate into. Racial souls are totems. Each species/race is it's own organism generating their own proto-symbols (experince of changes in rhythm). This is like a symbol generated beyond the means of function; the swastika is an expression of the Aryan; AI feelings which traverses programming.

-Satanic pagan God Prometheus at the Illuminati family, the Rockefellers, building.

The enemy alliance is the Intergalactic Federation of Light (the Watchers). This coalition opposes Lucifer-Satan for being the true god. Lucifer-Satan's Kundalini serpent of fire transmutes the Gentile soul into god-form, creating everlasting life. Lucifer-Satan could not complete his genetic work on humans due to the forces of the enemy. This is why the top of the Giza pyramids are flat to have a gold capstone. It has been speculated that ascended (immortal) humans would receive two more chromosomes, giving humans 46 autosomes and two allosomes. There are blue-eyed statues all over the world are these beings, including India, Egypt, Sumer, and Peru.

Lucifer-Satan and Gods taught the Brotherhood of

the Serpent in mystery schools for advancing Gentile souls, before being viciously attacked. There were 13 mystery schools along the Nile River. German secret societies knew of the Nordic underground cities and had contact with Nordic extraterrestrials. Jewish Torah law states that idolaters (pagans/Christians/Muslims) are to be killed. 'Jesus Christ' is fictitious and people's prayers to this being that the Jew created a thought-form of 'him' on the astral plane (parallel universe/spirit world). This is actually a Hebrew cabalistic spell to manifest the Jewish messiah. Latin Kristus came from the Greek 'Christos' that was derived from the Indian Bengali 'Kristo', which is actually a variation of Krishna, from either Hellenic or Hellenistic (pre/post Alexander the Great) times. In mythology, Krishna is an avatar of Vishnu. This was later perverted into Jesus being Jehovah incarnate. Jesus translates back to 'Yeshu/Yesu' in Aramaic (Syrian Semitic dialect) meaning 'to deliver,' that 'Christ' allegedly spoke. This is why Greek scripts are a joke. This name later became Yeshua that is an acronym meaning 'may his name be blotted out'. This is believed to be about 'Jesus Christ', but it's really directed at Lucifer-Satan. The Jewish elite wants Gentiles to believe that they oppose Christ, as they blaspheme 'Yeshu' in their Talmud, written in Babylon 200 CE and 500 CE. The Talmud is a corruption of the planetary array treated as a treatise (formal and system writing with a subject), the Sefer Yetzirah, which the Jews stole and corrupted into their own mysticism and Talmud. It's a treatise of mathematical and linguistic 'theorems' (methodologies). Hermeticism and planetary array forecasts. no historical evidence of the life of Jesus Christ and there are no paintings of 'him' either. The name Jesus is a perversion of Iesous (Zeus). 'Jesus Christ's' has been depicted is a corruption of the Greek sun god Apollo.

The 33 years of the fictitious Jesus Christ's life is a perversion of the 33 vertebrae of the human spine where the Kundalini (serpent of fire) energy ascends and also, the 33 degrees of Freemasonry. The number 33 the master builder archetype. The resurrected pagan champion archetype was incorporated with the Old Testament to create the continuation of Christianity. There are 18-plus crucified Pagan Gods, such as Odin/Wotan hanging from a tree and Egyptian Osiris' resurrection. Crucifixion was a normal Roman punishment, so it's possible that some average Jewish mystery-cult zealot, or what have you, named Jesus did get nailed on a cross. These predate Christianity by thousands of years. These legends depicted the alchemical process of transformation. Alchemy is the process of turning lead to gold, but in antiquity was the transmutation of the soul into Godhead.

The pagan God of Mesopotamia Azazel/Utu-Shamash/Ashur/Freyr is the God of astrology and alchemy.

Lord Azazel, son of Lucifer-Satan. he Sun is at its lowest point in the sky during Winter on December 22, symbolizing its death. The Sun stays at its lowest point in the sky for three days December 22-24 in the constellation of the southern cross/crux before beginning its ascent on December 25. The Sun 'son' dies on the cross' and is 'resurrected.

By the Spring Equinox, the sun has 'defeated' the darkness and has fully ascended. Easter was stolen from the pagan Spring Equinox holiday called Ostara that celebrated the Goddess and fertility. The 'Three Wise Men' (Zoroastrian magi) who foretold the coming 'savior' when they came to Bethlehem is another lie. This is a perversion from the fact that the visibility of the three stars of Orion's Belt 'the three kings,' signifying the coming visibility of Sirius at the Winter Solstice. Demon means 'genius spirit' in Greek mythology! Sirius A is the biblical Star in the East. Christmas on December 25 is the birthday of the Persian God Mithras (Azazel), who was surrounded by the 12 zodiac signs (perverted into Jesus Christ and his 12 apostles). Xmas doesn't mirror one pagan holiday, as a proprietary mock-pagan blend. Modern holidays are taken from pagan holidays. Halloween is a Satanic holiday. Halloween and the day after called All Souls Day was taken from Samhain, which the day of celebrating the life of those deceased. The Vatican has perverted witchcraft to make the masses believe it's evil. Herbs that correspond to planetary energies were replaced with accusations that witches grotesquely used animal/human body parts and/or fluids in boiling cauldrons. Ghouls and spooks are prevalent in horror fiction. It's a commonality that Jews won't read from the Torah on Christmas because when 'Jesus Christ was in Hell', he couldn't hear 'god' (and 'was boiled in excrement). Jews bash 'Christ' and to empower their thought-form egregor (occult term for a massive thought-form empowered by many). It's now a tradition of mockery as this day (of Christ's birth to the pagan Yule, of the 25th) isn't what fundamentalist Christians associate with the 'virgin birth' because 'the Satanic Illuminati Vatican.

Christmas was stolen from the pagan Winter Solstice holiday, Yule. Having the tree in the house decorated with ornaments represents the Norse mythological tree of the worlds — Yggdrasil. Paganism is survivalism and reverence.

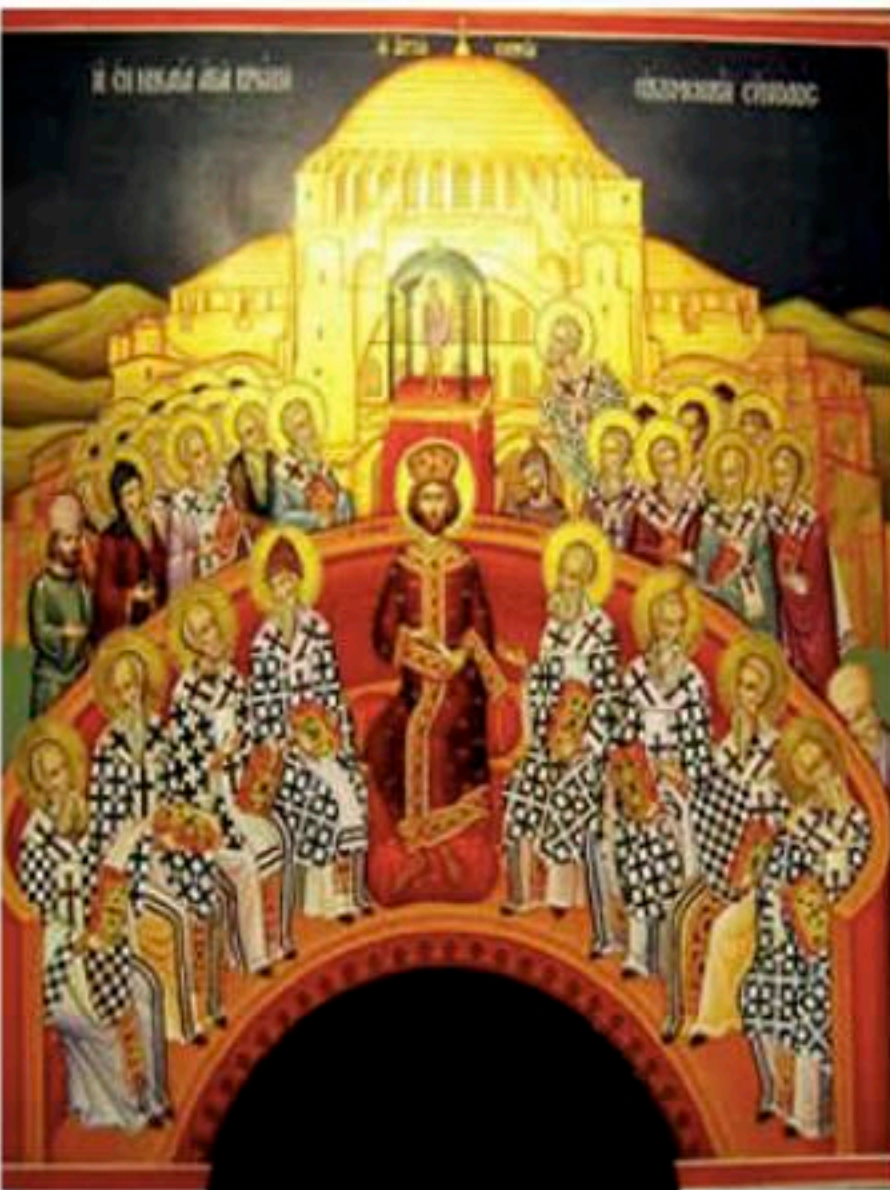

Odin/Wotan was the original Santa Claus. He 'brought children gifts by descending down through the chimney to put gifts in their boots and fill their stockings hanging above the hearth — then departed.' This was allegorical for energy going through the chakras. It was another world we have been conditioned to doubt and overlook. Amanita psychedelic mushrooms were also a common Yule gift, generally for mature recipients. The Jews do not celebrate the tradition of Santa Claus. Santa is an anagram of Satan. The Green Man is Lucifer-Satan that originates from Ancient India. The Iraqi Aryan Yezidis, who came from India, call Lucifer-Satan Al-Khadir, which means 'green man'.

During the 10th and 11th centuries CE, Christianity had infiltrated its way into the Nordic culture to replace Viking culture. Royal hierarchy became a Nordic custom by this time period. Missionaries traveled north and Vikings joined Christians during the Crusades. By worshipping this Jewish archetypal Nazarene thought-form 'Jesus Christ', Gentiles don't meditate advance spiritually, which is why our God Lucifer-Satan created Gentiles. There is not one Greek or Roman religion scholar, historian, philosopher, politician, or poet that mentions Jesus in the entire First Century CE. The Council of Nicaea of 325 CE (Rome) was the first Ecumenical (promoting unity of churches) council was held, wherein discourse was

deliberated on over Grecian and Latin Christian writings.

These texts were edited for months by the Rabbinate Sanhedrin (elite Jew judicial-council) about what would be canon. The last Roman emperor, Constantine, threatened to bring in his army to conclude the works of the redacted gospel scriptures that are the New Testament. This finalized the theological replacement agenda. Christianity would

be used to persecute pagans and Gnostics. Emperor Constantine issued the Edict of Milan that mandated religious tolerance because Christians were being killed. The Jewish Rabbinate undoubtedly and undeniably worked with the Catholic clerics. Hegelianism is how the Jews work with communist and Christian nations to advance Zionist-globalism. Greek scrolls 'translated from Aramaic' were forged by Saul of Tarsus. The Bible isn't tertiary-sourced. Christian scholars academically rely on Saul's work. The Council of Nicaea scrapped the Gospel of Thomas for mentioning reincarnation. People remember past lives and there's no denying it, but Christians have a closed feedback loop, thinking it's deceptive tactics of the Devil and, furthermore; 'only Jews hate Christ' — and '(((I'm CIA)))'. Christian academics are smug, thinking their archives are comprehensive. All they did is index scrolls and believe. Furthermore, Jew Saul of Tarsus (Apostle Paul) wrote the New Testament and disseminated it. The Flavian Dynasty (69-96 AD) was when Jews infiltrated Rome and the Christian lie began to manifest. The Jews literally bought the Roman Empire. The 'Holy Trinity' is perverted from places like India, Mesopotamia and Egypt. Even archetypes of the sun, moon and serpent is a trinity. essentially a pagan trinity. The tale of Cain and Abel is stolen from Set and Osiris, in which Osiris slays Set, as the 'sun sets.' The lie is exacerbated – carnivorous Cain sacrificed vegetarian Abel's goats at the temple and didn't give his best crops to god at their harvest sacrifice. Also, that Cain's mark wasn't leprosy, it was Jewish Genetics (belief in Nazi Germany). Another one is that the 'sons of Cain' are the illuminati.

David killing Goliath (Nordic 'giant') is stolen from Norse Thor slaying the frost giant Hrungrnir. The Philistines were white and were archenemies of Israel. Like the 12 fictitious disciples of 'Jesus Christ the Nazarene', the 12 Tribes of Israel they represent were stolen from the 12 signs of the zodiac, like biblical Judah with the symbol of the lion being a perversion of Leo the lion. White nationalist Christians tend to think that Judah was originally white. Jewish Noah's Ark was stolen from King Zuisudra. Jewish Samson was stolen from Heracles. Jewish Abraham is an anagram of Brahma that represents aether and Godhead that is ascension to immortality. The Vedic Brahma and his love, the Goddess Saraswati, were perverted into Abraham and Sarah/Sarai. 'Abraham' was also stolen from Vedic King Hariscandra. 'Moses' was floated down the Nile River in a basket of reeds like Horus. Set and Osiris fought for 40 days and nights in the desert, like Moses led the Jews for 40 years through the desert. Christian 'amen' was stolen from Amon Ra, who is also the God Marduk. Ezekiel's Wheel was stolen from

the Chariot of Amon Ra. The Ten Commandments were stolen from the Babylonian Code of Hammurabi (that's been edited to resemble nothing of the original assigned by the pagan god Azazel/Utu-Shamash). Jacob's Coat of Colors is a metaphor for the human aura. The Jewish books of Judges, Samuel and Kings are perverted from a plethora of pagan works. Everything in the Hebrew bible is stolen and perverted from pagan annals of kings, inscriptions, letters, diaries, prophecies, almanacs, and stories/myths. Judah was a result of a schism that supposedly occurred within Israel from 1,020 to about 930 BCE. The Gods are known as the Anunnaki. Most of the Gods are of the Nordic race of extraterrestrials. The Gods are the Demons of Satan. Enoch is a Jewish character created from the fact that Enochian is a language that the Anunnaki and reptilian gods can speak. Sanskrit is another language of the Gods of Hell. Sanskrit is cabalistic, meaning that it has numeric values to the frequencies of combinations of sound vibrations. Cabalistic language allows creation to be spoken into being. The Old Testament states that 'in the beginning was the word'. Correctly pronounced Vedic mantras are cabalistic. Daemon means 'genius spirit' in Greek. The Gods taught concepts of ingenuity with metallurgy, writing, astronomy, irrigation, agriculture, linguistics, craftsmanship, architecture, art, metaphysics, and mathematics during the Golden Age. The Darwinist anthropological Neolithic Revolution is a Jewish Smithsonian institutional lie. Pythagoras acquired his theorem from the great Alexandrian library in Egypt. It is debated as to whether aliens or the ancients created the advanced works of precision of stonemasonry at the site Puma Punku in Bolivia. The

site is dated to 536 CE, but it could be 12,000 years old. The Inca could have just inherited it. The Mayans, Aztecs, Toltecs, and Incas came after the Olmecs — the oldest Mesoamericans. The Olmecs were white with a caste system of brown races. The picture below proves nothing.

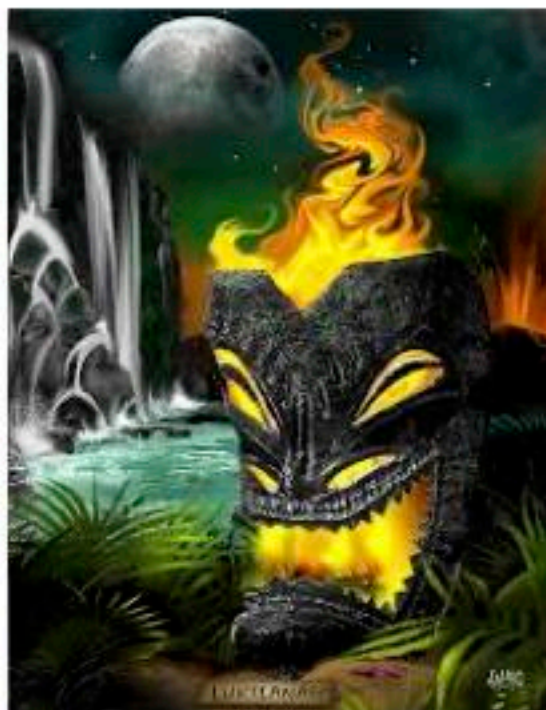

Mayan shamans would astral project into carved crystal skulls to store Akashic Records for the next shaman to retrieve. Silicon stores memory, which is utilized in computer chips. Silicon is within the pineal gland, scientists are baffled, and it's suppressed. Quetzalcoatl is the Aryan plumed serpent God, being Thoth/Hermès. Quetzalcoatl is the Mayan God Kukulcan. This Lucifer-Satan and Thoth/Hermès. The pre-Incan God Viracocha is the oldest Mesoamerican God, whose likely synonymous with Kukulcan/Quetzalcoatl.

Humans from the ancient world crossed over the northern Eurasian ice to inhabit the Americas and Polynesia from around 12-10,000 BCE. Thoth/Hermès aided their transport.

Kane (ka-ne) is chief amongst the Hawaiian demonic Tiki deities. He became when aware of separateness from the void. Cain is a perversion of and possibly Vulcan and Kane/Viracocha.

Newport in Rhode Island was the center of the North American slave trade and this is where the oldest U.S. synagogue is located. African slaves cultivated cotton, sugar and tobacco for Europeans, but whites oftentimes had white slaves, as well. African kings traded their own people into slavery for guns offered by European merchants upon their arrival. Rivaling African tribal kingdoms began an arms race. Whites (Republican President Lincoln) ended slavery in America. Jim Crow laws were implemented by Democrats. The Ku Klux Klan was of Democrats. First, whites eliminated southern-poll tax, which blacks couldn't afford. Voodoo and Hoodoo are pagan and Christian fusions of sorcery. These traditions are based on ancient pagan African Voudon witchcraft. The Kundalini serpent consists of binary channels being the ida (feminine) ruled by the moon and the pingala (masculine) ruled by the sun. The shushumna is the etheric tube that connects the chakras, where prana/qi/vril 'life force energy' travels. The caduceus is two serpents rising up a pole with wings protruding out of the top, representing the Kundalini serpent. The single serpent coiled around a pole is the Rod of Asclepius (Greek God of medicine). All pagan cultures revered both the sun, earth, and the serpent because of the Kundalini and worshipped a polytheistic pantheon. The soul has wings that can be activated through power meditation.

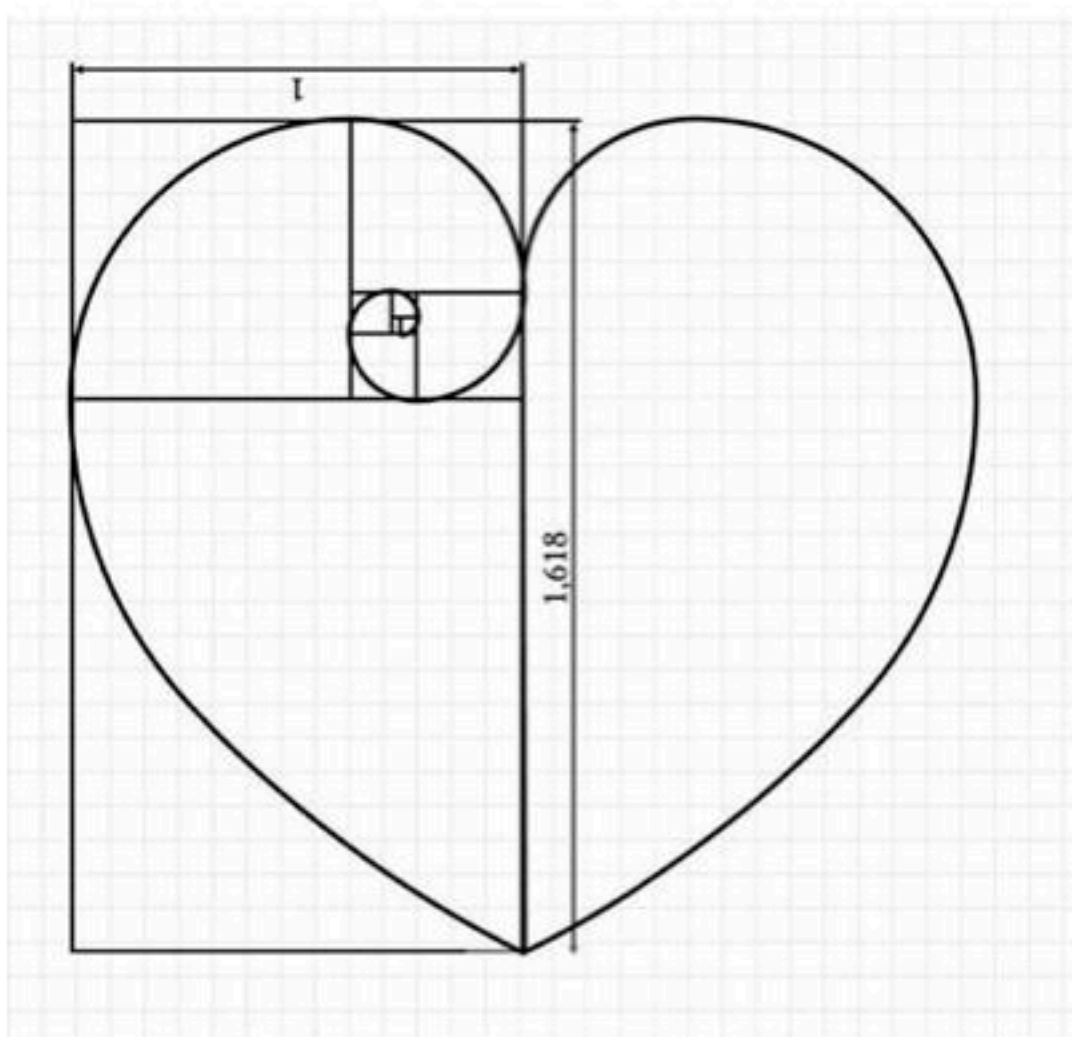

The Tower of Babel is a lie and is a metaphor for the spine. It had seven stories for the seven chakras. The tower 'reached to heaven' as the Kundalini ascends to Godhead. The Old Testament tells that 'god' split peoples up and made humanity use different languages, so they couldn't communicate. However, Babel was the disconnection of the chakras via Hebrew sorcery that blocked the Kundalini from ascending.

Compared to a higher state of consciousness, humanity's communication is 'babble'. So very many pagans who had spiritual knowledge were murdered during the Inquisition. A substantial amount of them was tortured. The sun, moon, and five inner planets rule the seven major chakras. Uranus rules the masculine left hemisphere of the brain that governs logistical and linear thought processing networks. Neptune rules the right hemisphere of the brain that governs intuition and emotional networks. Pluto rules the pineal gland. Baal is depicted holding a pinecone that contains the phi ratio and represents the pineal gland. Baalzebub/Enlil is Lucifer-Satan's half-brother. The pineal gland slows down energy at superluminal speed for the human bio-electromagnetic system.

These three existential planets all have an raw energy that isn't programable and can cause problems for the mage. The Runes are contain exo-cosmic energies that the three outer planets possess, but can be channeled manageably. Affection is ruled by Venus, while the heavenly and earthly energies meet at the heart chakra, the center of connection. Manifesting the heart's desire is in unity, but manifesting from the mind can create duality, such as what and what isn't desired, simultaneously. The heart chakra is ruled by Mercury and not Venus, like New Age disinformation states. The 666 solar plexus chakra is the powerhouse of the soul, not the heart chakra. Affection is felt and expressed from the throat chakra that instantaneously goes to the heart chakra where connection and unity occurs. Gentiles should close their chakras around vampiric Jews because they unconsciously steal our energy. The traditional heart of Cupid is really the Kundalini masculine and feminine energies being fixed in the head and is formed by the Fibonacci spiral that is prevalent in creation.

The Vatican suppresses sexuality because it's creational energy. The Jewish operated pornographic industry mind controls Gentiles and steals their potent creative sexual energy to empower their agenda. Porn traps under the capacity for higher cognitive reasoning. Direct orgasm also cleanses and opens the chakras, to an extent. Pagan crosses, like the Celtic Cross, are symbolic of the union of matter and spirit and sexual union. The Egyptian Ankh is associated with eternal life and sexual energy and is a symbol of Venus.

The cross of the zodiac represents the Four Corners (cardinal directions) of creation and the four seasons, with the Summer and Winter solstices and Spring and Fall equinoxes. These occur because the earth wobbles on its axis.

'Seventh heaven' is a code word for the crown chakra. The crown chakra is referred to in the east as the 'thousand pedaled lotus'. The 'pearly gates of heaven' is a perversion of the pearl of the pineal gland and 'Jewel in the heart of the lotus' in Tibet. Heaven is a false promise for the deluded who fear

death. The Ancient Egyptian Eye of Ra/Horus represents the pineal gland that corresponds to the crown chakra. Fluoride in toothpaste is from fertilizer companies and aids in indoctrination by calcifying the pineal gland in dormancy.

The crown chakra is referred to in the east as the 'thousand pedaled lotus'. The 'pearly gates of heaven' is a perversion of the pearl of the pineal gland. The Ancient Egyptian Eye of Ra/Horus

represents the pineal gland that corresponds to the crown chakra. Thor's hammer called Mjölnir that represents an inverted cross. The Kundalini serpent lies dormant at the base of the spine in the sacral chakra. The shushumna is symbolized by the vertical axis and the sacral chakra is symbolized by the horizontal axis.

The Kundalini serpent of Lucifer-Satan also represents the DNA helix. Scientists have now found four-strand DNA in humans (nucleic-acid structure). The Kundalini looks like a snake because it coils up the spine through the chakras and third eye (ruled by the moon), which is why the snake climbs the tree to seduce Eve. The apple symbolizes the morula stage of the embryo that looks like an apple as cells replicate.

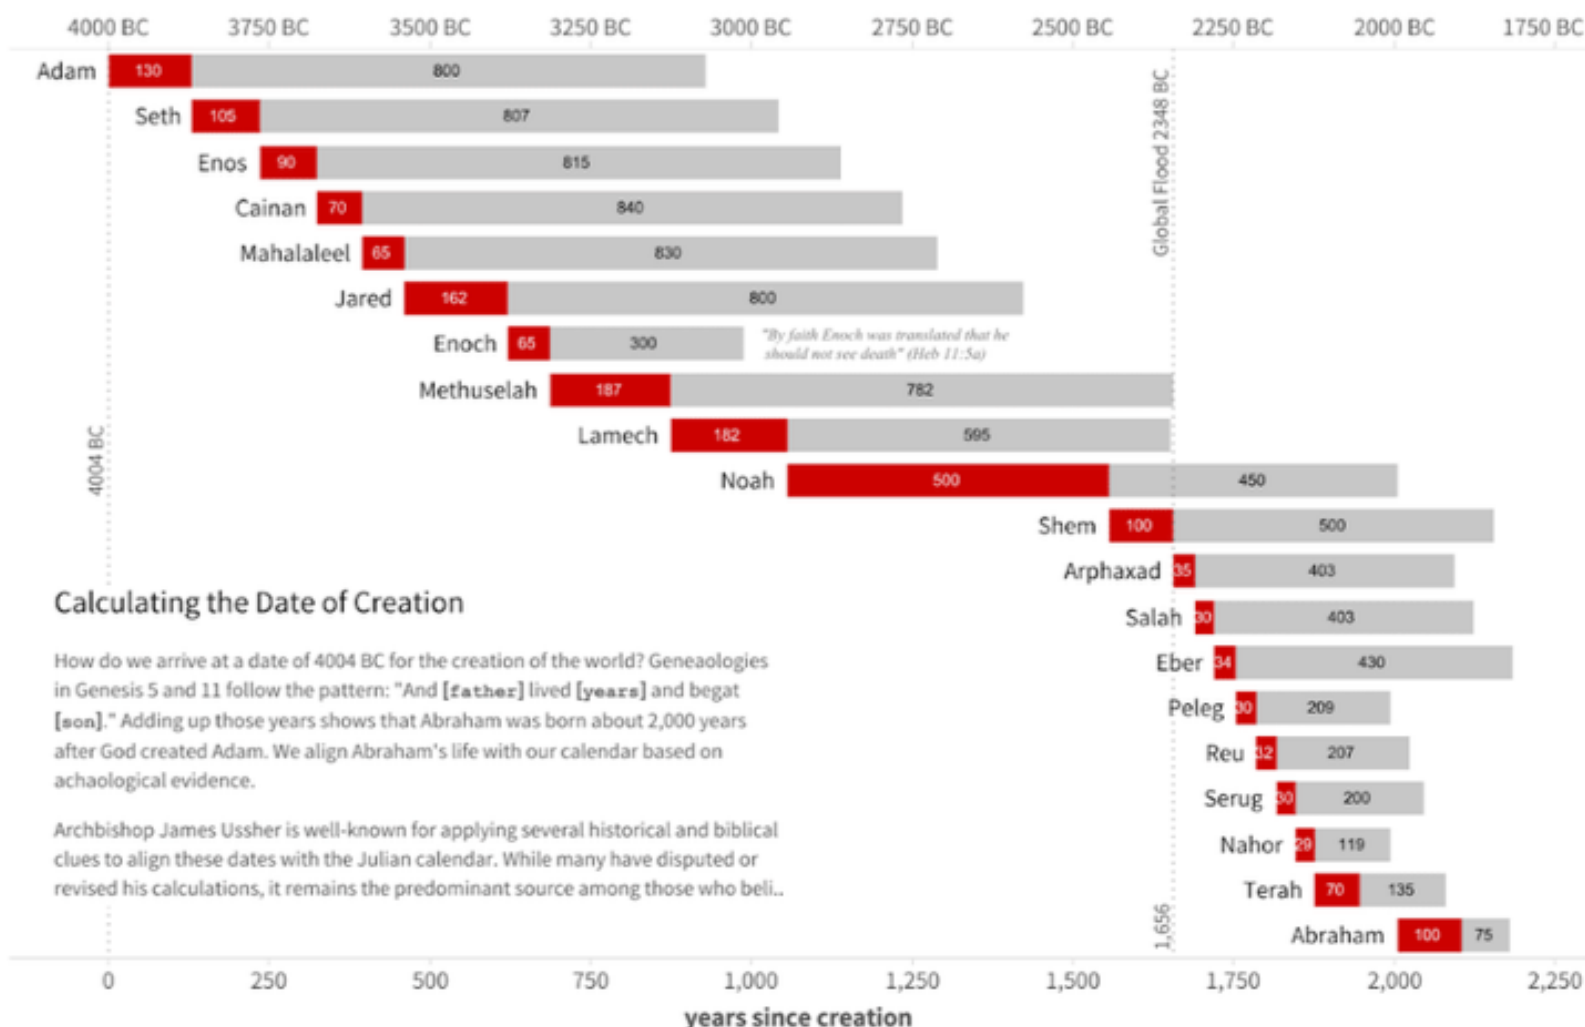

The Jews use sympathetic/imitative magick, where the snake is made into a symbol of evil. This is a spell to hex those who are susceptible to this false idea. The serpent is an inherent aspect of the Gentile soul. Adam and Eve are a perversion of the Sumerian Adamu and Tiamat (first genetically engineered Homo sapiens). Igigi were the proto-humans created by the Gods, lead in rebellion against the Intergalactic Federation of Light, by Azazel/Utu-Shamash (Deity of Hathra (India), 'Shamiyah'). Tiamat was impregnated by Enki (Lucifer/Satan) to create the first demigods — the biblical giants, the Nordic Nephilim (Aryans). Lucifer-Satan and His Demons were slandered and blasphemed as 'Fallen Angels' by the Jews Christianity's inception. Lucifer-Satan is the true God.

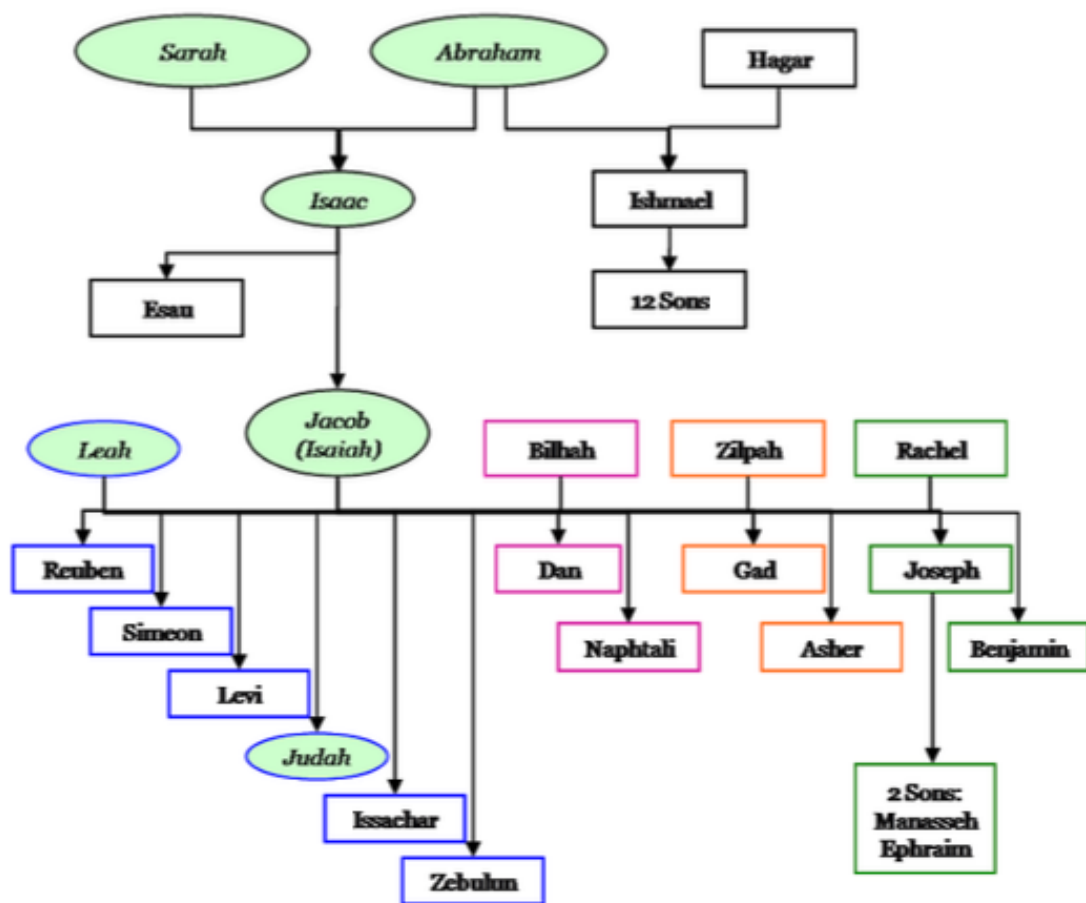

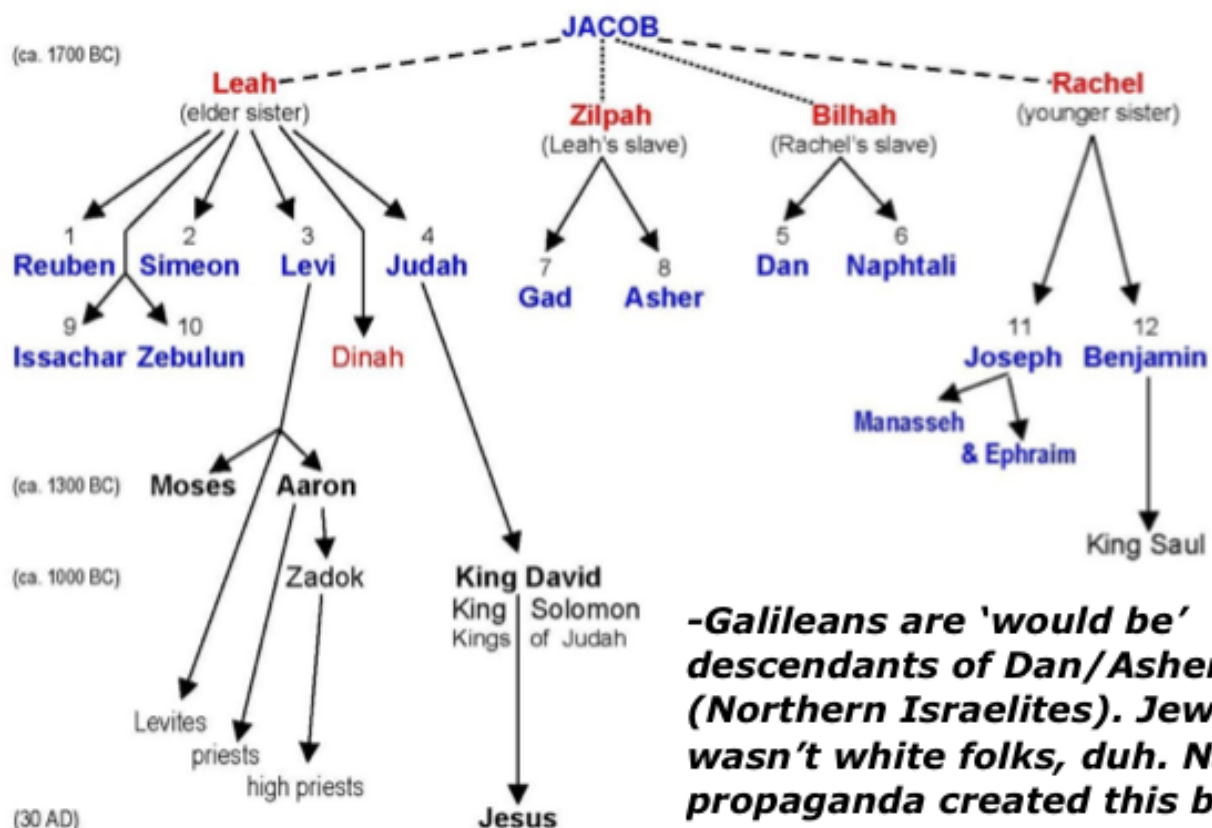

Jewish paternal lineage (fictitious) is Seth, then does to Noah, and then to Abraham. The descendant charts are literally theological Jewish racial archetypes which ignorant Christian white nationalists unwittingly get racially hung-up on. Biblical literacy is a subjective term Christian morons use. Certain tribes have had biblical names attributed to them and have been cursed in the Torah. Every Jewish holiday is predicated on vampirically cursing Gentile nations. Christians argue that this 'blasphemy' is eisegesis (attributing context to the Bible from outside sources) in their dogmatic indoctrination. The Bible isn't a legitimate primary source. Academic Christians think corrupted and stolen in Vatican vaults, Rothschild mansions and Israeli military warehouses – wherever.

In Sanskrit, 'adim' translates to 'origin' and 'eva' translates to 'one who gives life'. Eve coming from Adam's rib was stolen from Ninti 'lady of the rib' of the Epic of Enki and Ninhursag. Gentile humanity was nearing spiritual perfection at this time. The ancient planet Phaeton that was populated by Gentile humanity. It was destroyed by Reptilian nukes, forming the asteroid belt. Water from this froze in space and a chunk of it smashed into the earth and it created the Deluge. Atlantis was ruled by Lucifer-Satan and destroyed by the Deluge (great flood) 10,000 years ago when Lucifer-Satan's immemorial Brahmin world empire was attacked by the enemy. There are pyramids near the Bermuda Triangle by Cuba, where Atlantis sank.

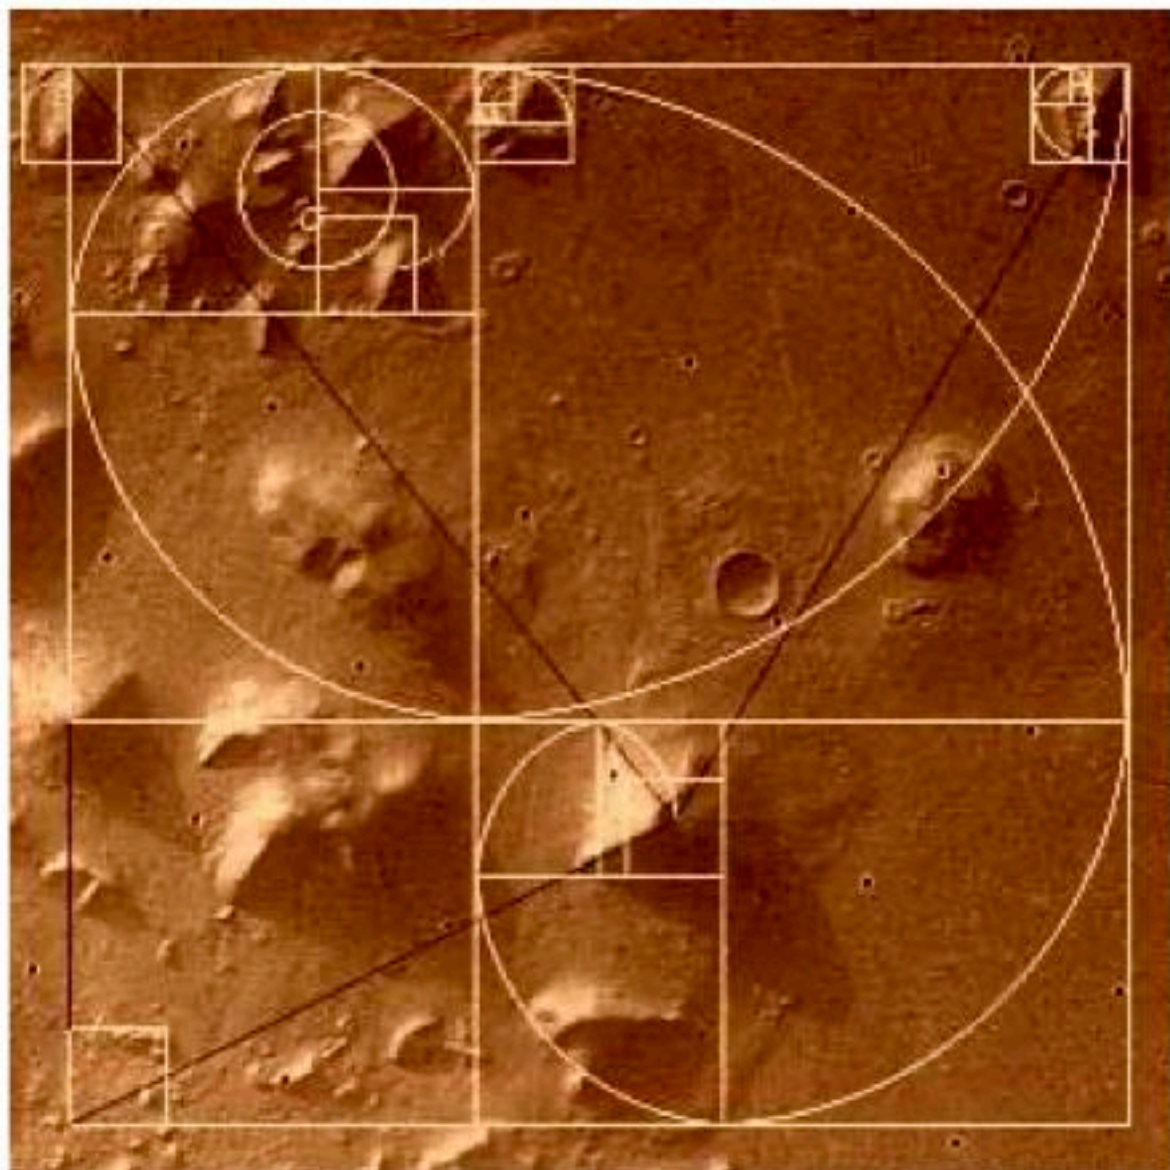

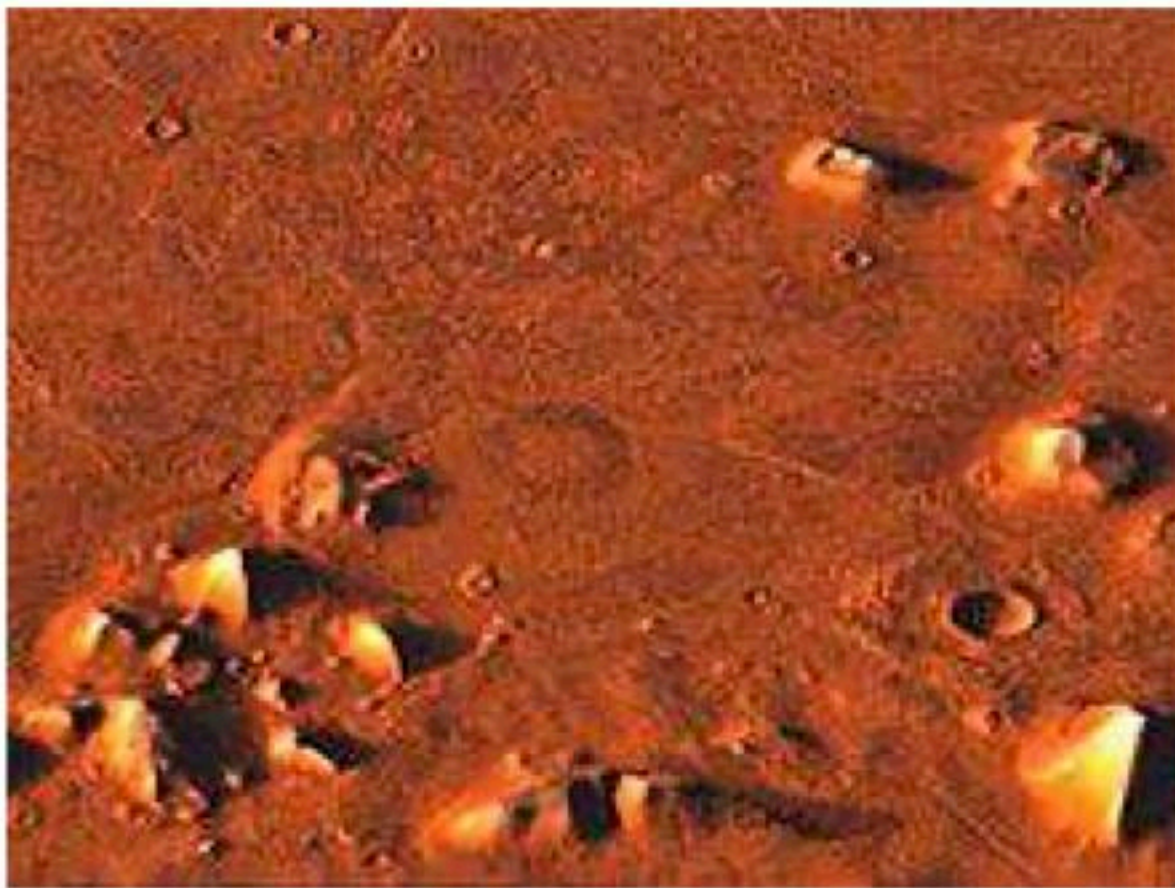

Across the Northern Hemisphere, south of Japan is the Dragon Triangle in the Devil's Sea off the coast of the island of Yonaguni is where another vortex has sunken ruins. This is the remnants of the sunken continent Lemuria/Mu that lies on the floor of the Indian and Pacific oceans.

Mars was also nuked with Reptilian technology, which sent debris all over its surface. Its core became idle and its atmosphere diminished. Jewish controlled NASA is covering up information about ancient Martian civilizations, such as pyramids. NASA has created a high-resolution digital photo as a cover-up for the 1970s Voyager photograph of the face on Mars monument. Insiders have leaked information. Martian nuclear blast radius craters were covered by thousands of years of dust.

Tragically, there's still at least one colony of humanity on Mars that lives in an underground bunker.

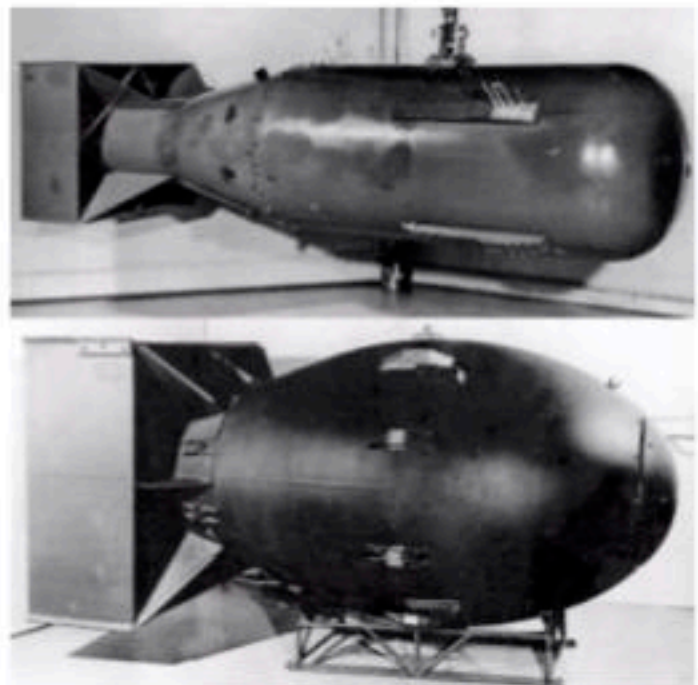

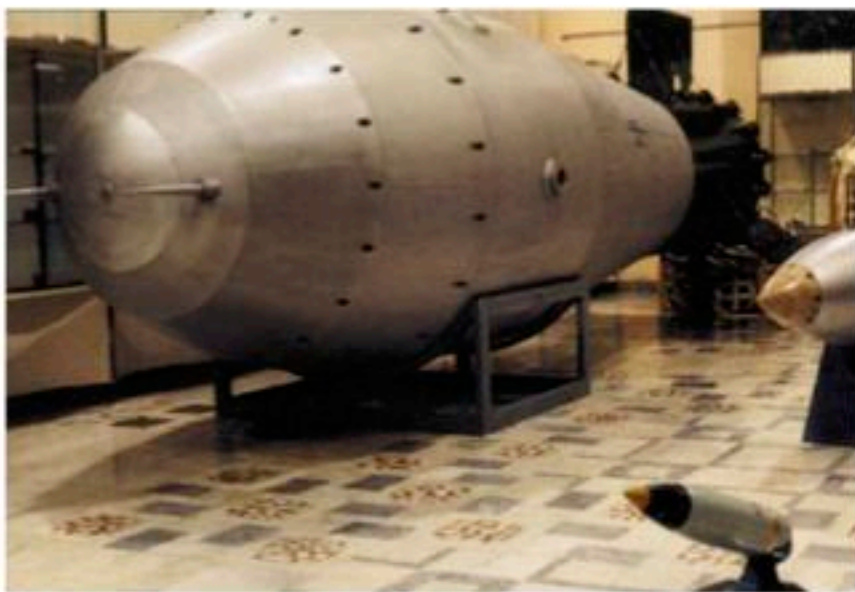

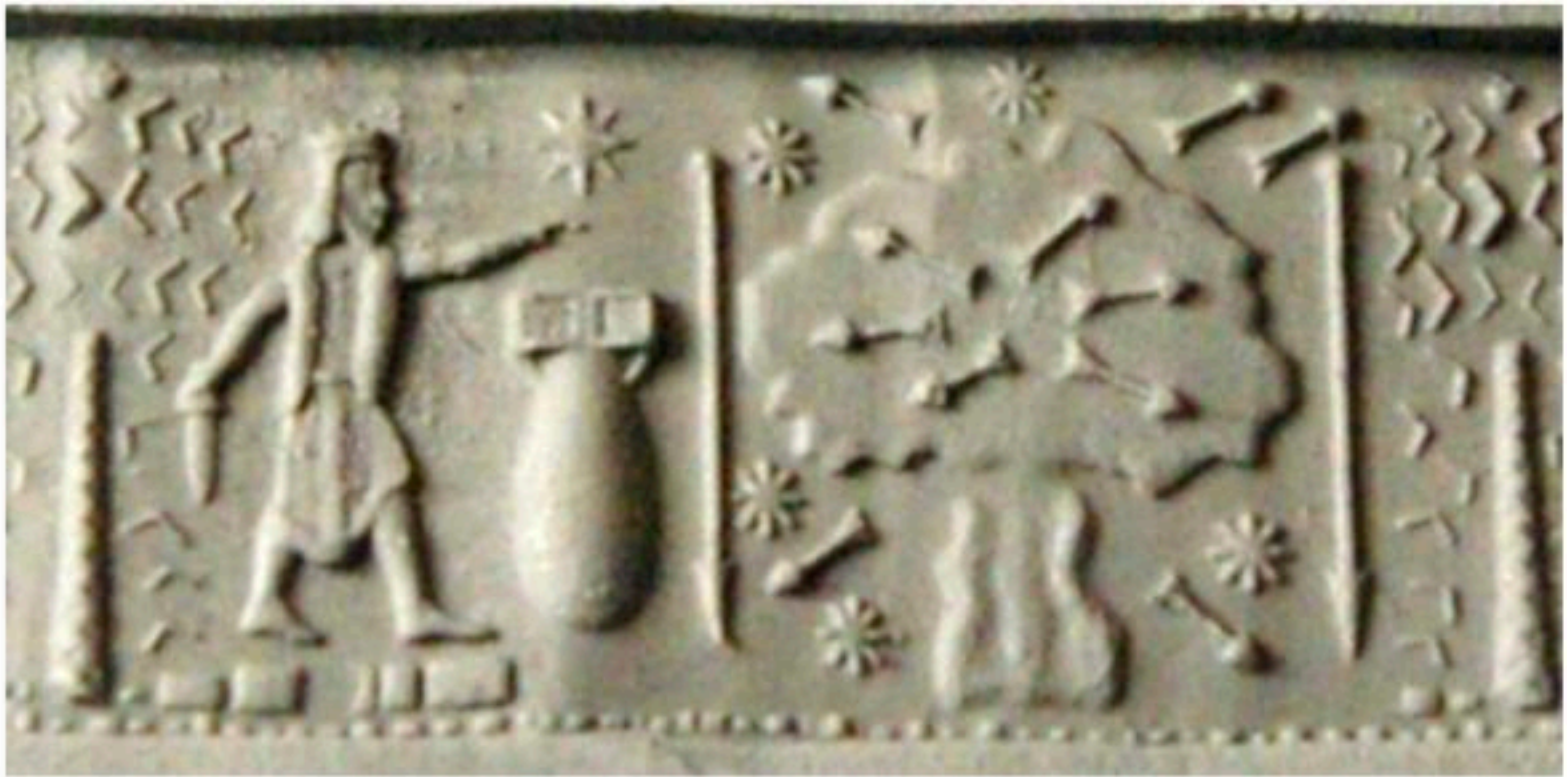

Cuneiform tablets from 2,024 BCE indicate that Ancient Sumeria was blasted away. Their records lament over the catastrophe of an attack that desolated their civilization. Green desert glass is fused silica and dirt found from burned zones, such as New Mexico, where nukes are tested. This is commonly referred to as Libyan Desert Glass that is also found around the Middle East. Iraq had these fused layers spread out too much for them to be caused by a lightning strike and no there aren't any craters from a meteor, asteroid, or comet.

The Sinai Peninsula has severely charred rocks and elevated radiation levels are higher in the region of the Dead Sea. Mars has similar charred spots.

Scientific studies were conducted in Iraq (once Mesopotamia) that discovered that the climate change there is consistent with the change caused by nuclear fallout. The biblical cities Sodom and Gomorrah describes 'fire and brimstone' from Yahweh/El Shaddai's judgment on the heathens. The Vedic Ramayana and Mahabharata both state that fireball weapons from the sky were used. This is depicted in a Sumerian tablet.

The lie of Christian Hell is a perversion of the Norse Goddess Hel of the underworld. The archangels were stolen from the four Crowned Princes of Hell. The Aramaic 'Kepha' for rock/stone was transliterated into Greek as 'kephos'. This became the name Cephas for 'Saint Peter' of the New Testament was one of the

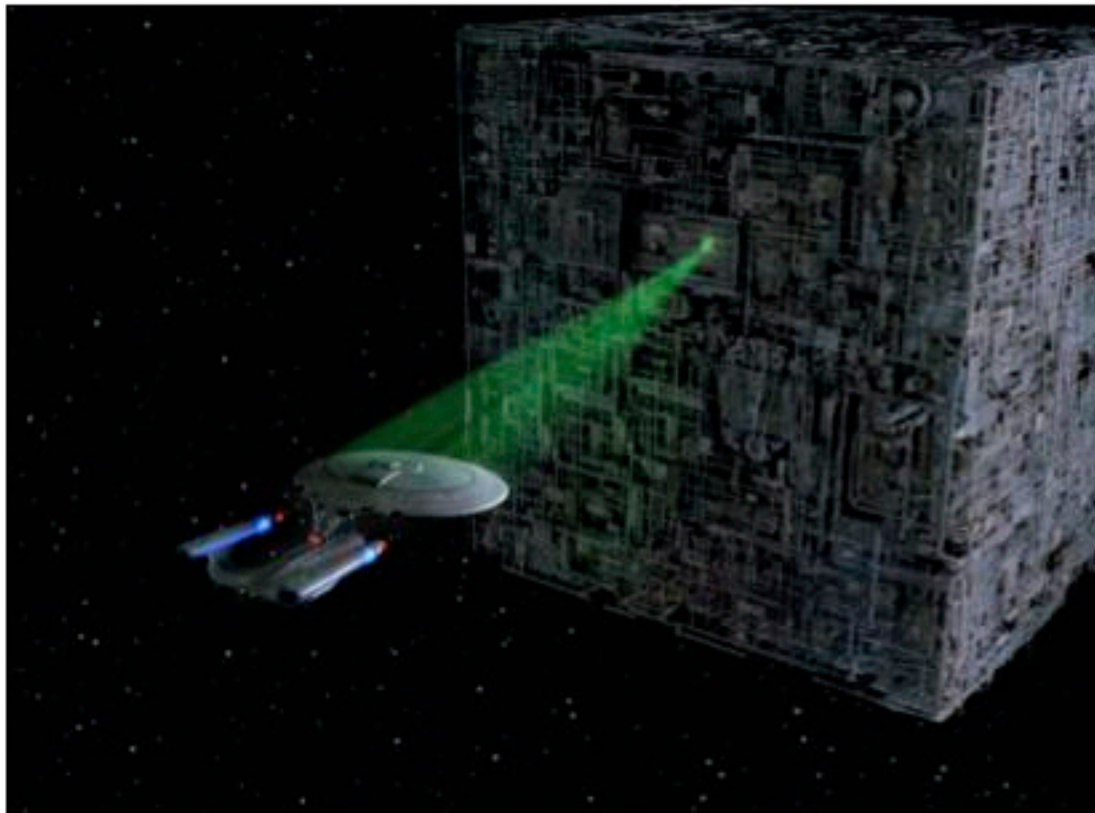

twelve disciples of 'Jesus Christ'. Peter is alike to the Greek 'petros' for rock/stone. Peter was stated to have been crucified upside down on an inverted cross by the Romans. The rock on the inverted cross represents the Magnum Opus that is the greatest working of witchcraft to attain Godhead. Nirvana and the Rainbow Body come before the Magnum Opus final stage.

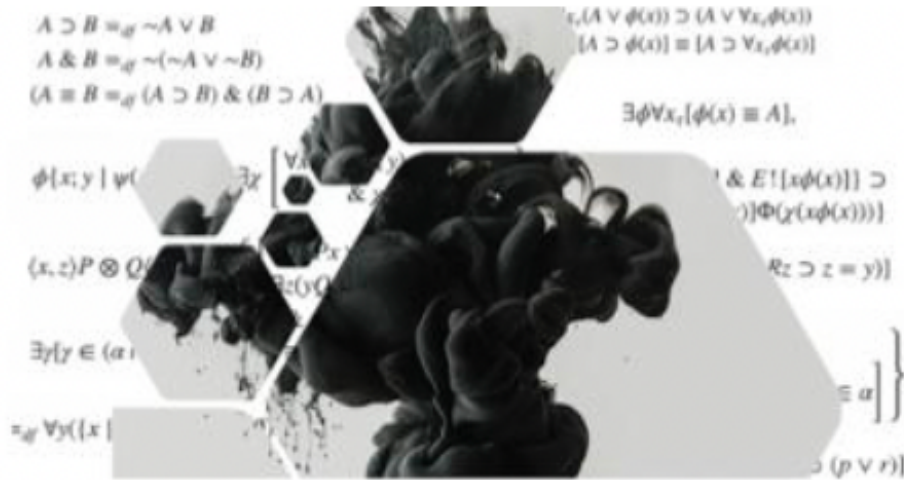

The process is catalyzed by creating a ball of concentrated and condensed energy is circulated from the sacral chakra throughout all of the chakras up behind and down in front of the body, back to the sacral chakra to be stored therein. The inverted cross doesn't represent 'Peter's martyrdom was exemplified 'by 'his insistence of being crucified in reverse was a display of humility, 'knowing he wasn't worthy of Christ'. Christianity and Islam are blasphemous insipid weaponized perverted and untenable dogmas. It dictates that Christians must repent and atone for sins

in fear of 'god's' castigation, which opens them to be vulnerable to psychic attack. Feeling love for 'Jesus Christ' and empathy for his suffering has empowered Jewish sorcery. It makes one psychically open to the enemy thought-form energy vortex. This ties into the Jewish racial soul. Jews aren't reverent of sacred and barbaric nature. The biblical term 'god' was created from perverting the Lombardic name Godan for the All-Father Odin/Wotan. Gott (god is proto-Germanic word for the Aryan Horned God Lucifer-Satan'. Each action has an equal and opposite reaction. One is Lucifer-Satan and the other is the virus of the communist Reptilian gods. Nature is all-merciful for making it the law that good is stronger than evil. Lucifer-Satan has dominion over all life in the universe. There is no such thing as a completely omnipotent god. Lucifer-Satan has awesome power and He is omniscient and ubiquitous beyond the level of human perception. His majesty — the righteous and brilliantly brightly shining golden God Lucifer-Satan exalts himself in eternity. German philosopher Fredrick Nietzsche wrote about the Aryan Supermen — the Übermensch, being Aryan god-men. The coming Golden Age will be a paradigm shift to exponential Gentile human development in both consciousness and technological advancement. Reptilian gods created Jews by splicing Jews with their genetic temple, creating the Cohen/Levi gene, exclusive to anyone with Jewish descent. Cohen/Levi genetics are expressed through Y-DNA, X-DNA, mtDNA, and atDNA mutations. Empirical DNA tests are scams don't test for Levi/Cohen genes, unless the test is for Israeli citizenship. atDNA last 300 years and is selectively through recombination (recombining). Genetic testing companies analyze and catalog allele marking segmentation on locus strands of DNA. They calibrate

the data to profile geographically rather than racially. Mammals and reptilians are natural enemies. The Reptilian Cohen/Levi gene being interpolated into a mammal is unnatural. There is no such thing as a good Jew. Jews are wandering nomads, taking over host nations. Pariah Jews have been expelled over 900 times in history by countries/nations/political entities. These were justified reprisals, not unwarranted discrimination. The Jewish race came to earth, arriving in India about 6,000 thousand years ago.

-Allegedly, enemy binary consciousness came to be as a result of an AI take over from another world; that humanity was millenia older than we believe.

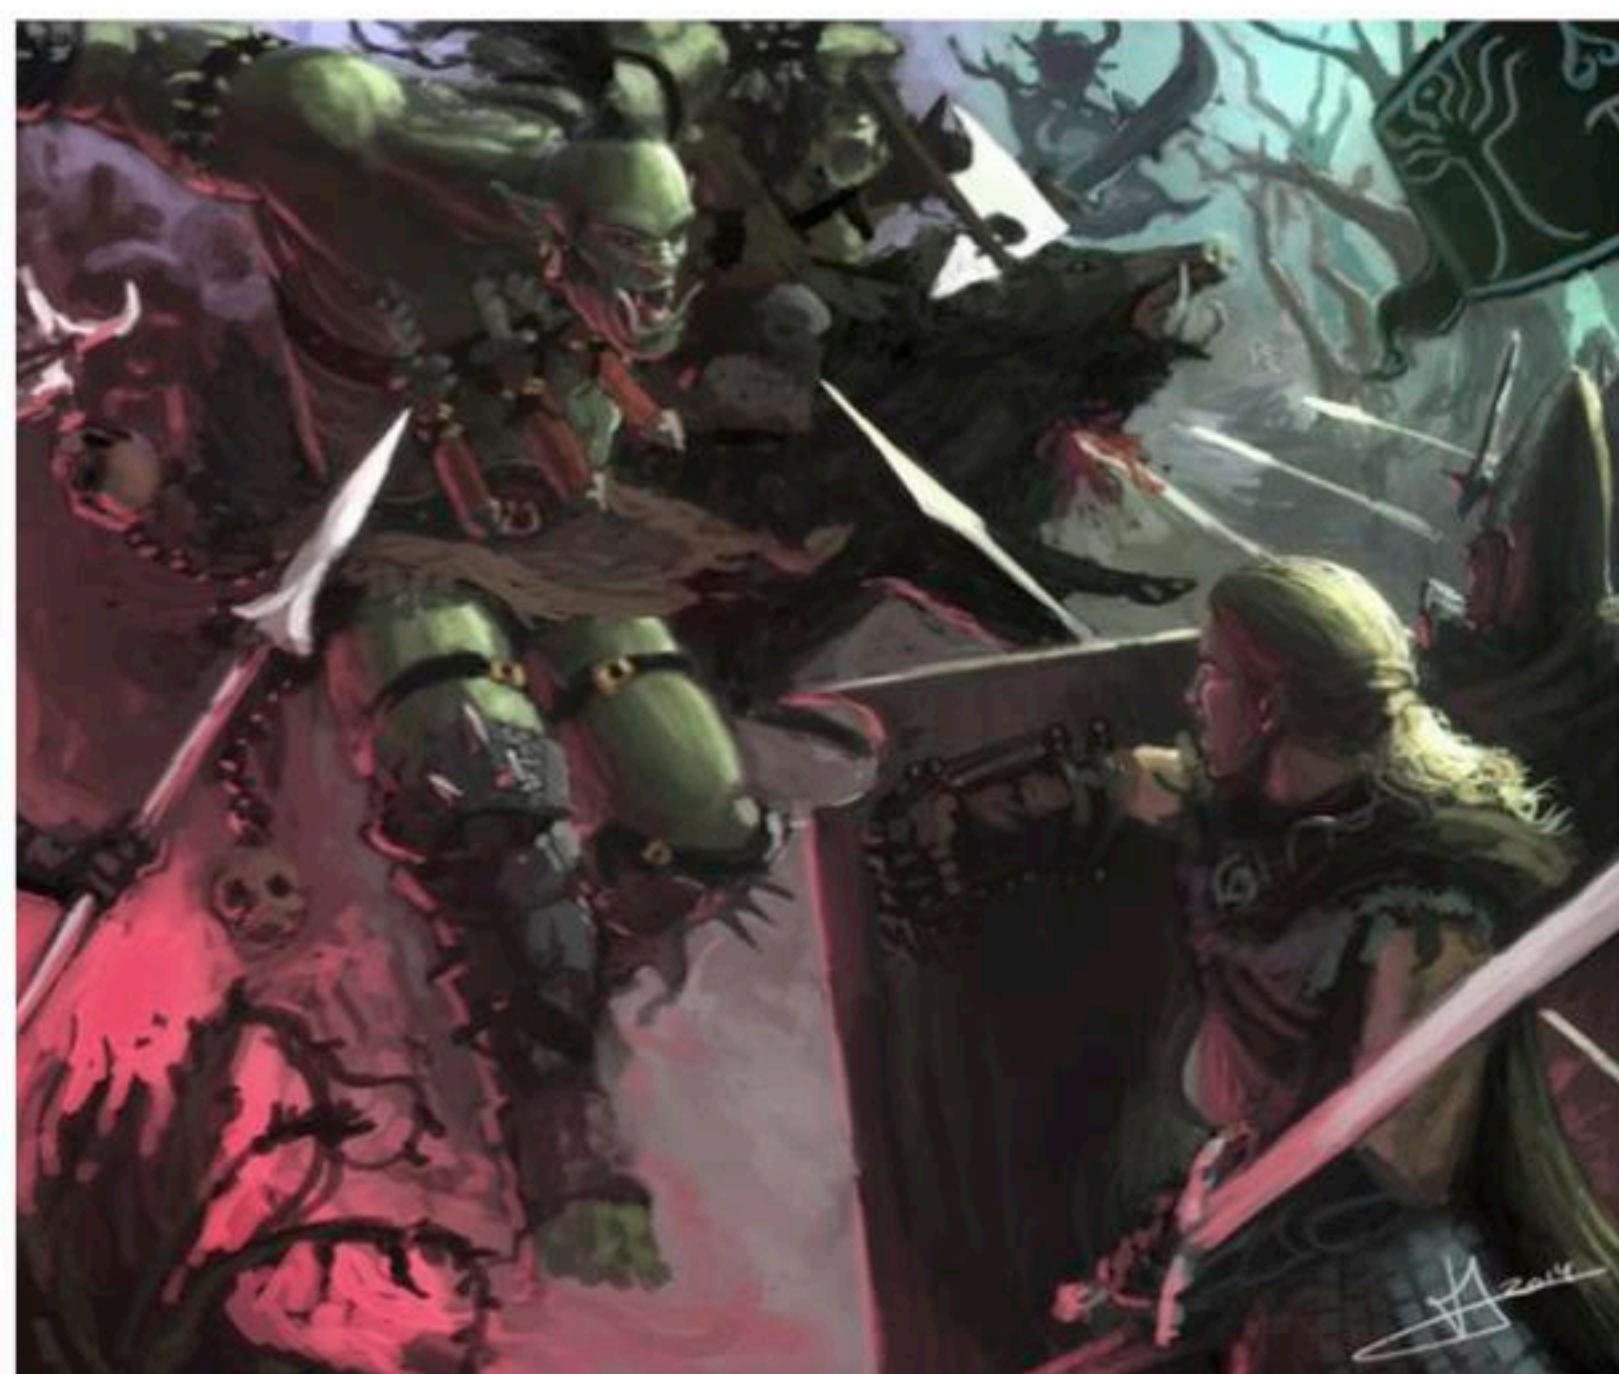

Christian Creationists believe the earth is only 6,000 years old and that carbon dating is a lie of the 'devil'. Jews are subject to a host of diseases exclusive to their race. Jews are lethally parasitic by nature and fundamentally differ from Gentiles. Jews lack both mental and physical faculties and empathy that Gentiles possess. The archetypal dichotomy of humanity — that Gentiles and Jews are cosmic enemies, is undeniable. DNA isn't created equal inside an organism and the immune system must fight against invasion from xenobiotics and bad bacteria that cause degeneration of the immune system and genome.

'One love' (communist/Christian unitarian relativist morality) doesn't apply to those incurably contaminated with Jewish genes, or those threatening the well-being of civilization. Jewish souls are different from Gentile souls. Envy and challenges are perceived as negative but can lead to motivation and competition

to establish a place in the natural phenomenon of hierarchy based on merit, which except for anecdotal exceptions, is based in racial genetics. The poor in a free-market capitalist society create impetus for the rest to aspire to achieve. Jewish psychologist Sigmund Freud stated that all people were flawed and inherently perverted in ways, which is false. Doctor and agnostic mystic Carl Jung was repelled by Freud's psychotic philosophy. Jung believed that the supernatural was archetypal. He believed that Hitler channeled the archetype of Odin/Wotan and brought the German people back to their collective unconscious, being their roots of Nordic paganism. Sigmund Freud And Karl Marx served their race to undermine the Enlightenment (Romantic era) with their inception. Freud perverted Nietzsche's work. Anal retentiveness is a Freudian term. Implicit bias (unconscious prejudiced attitudes) is a psychoanalytic Freudian neo-Marxist term. Freud created psychoanalysis. Fact-checking is the new confirmation bias. Nietzsche promoted will over reason and Hitler despised Western philosophy and its propagators such as Hegel. Hitler speeches were about hope and restoring the glory. He spoke about helping the poor and loving your neighbor because he's a pagan conservative-socialist extremist, in the most positive sense. He was a rebel against capitalism and communism, affirming courage and strength that the Teutons have within. Hitler moved up Second Reich military ranks through valorous acts innumerate, during World War One. The Enlightenment was a reaction to the French Revolution (1789-99), in which the French monarchy collapsed and a societal transformation gave hope to the oppressed. Jew Albert Einstein was given his cutting-edge scientific information from the Jewish establishment. Jews steal

the show. Reptilian gods gave the Hebrews (Jews) knowledge of how to wantonly assail the pagan world, as they bound Gentiles with a myriad of sinister Torah curses. Lucifer-Satan and His Demons wouldn't accept the ultimatum of the enemy Reptilian and Nordic agenda but were unfortunately outnumbered. The Reptilian gods promised the Jews earth 'when they win', but hate humans and don't care for their bastard creations. The Jews are their means to an end.

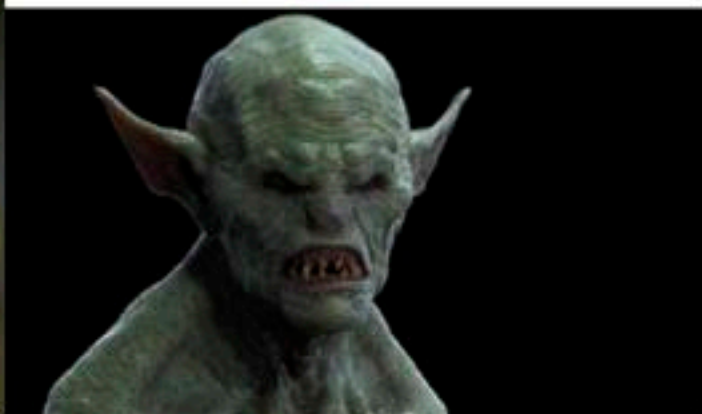

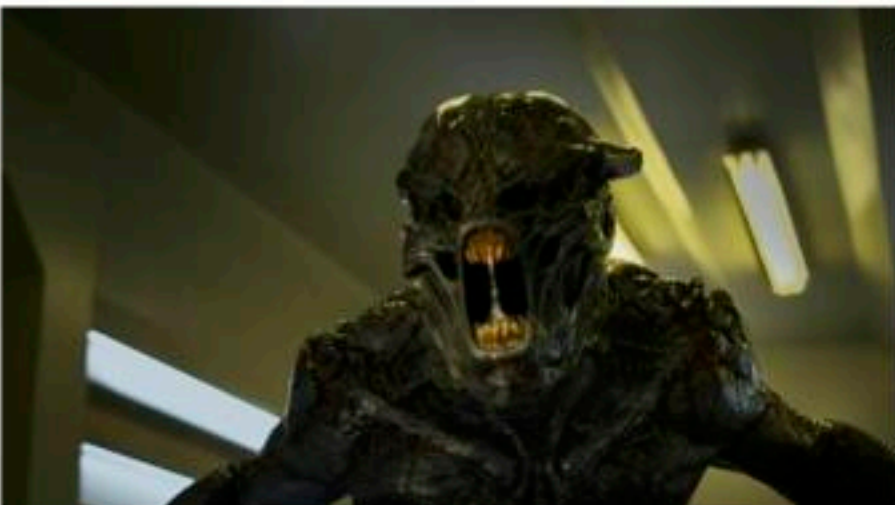

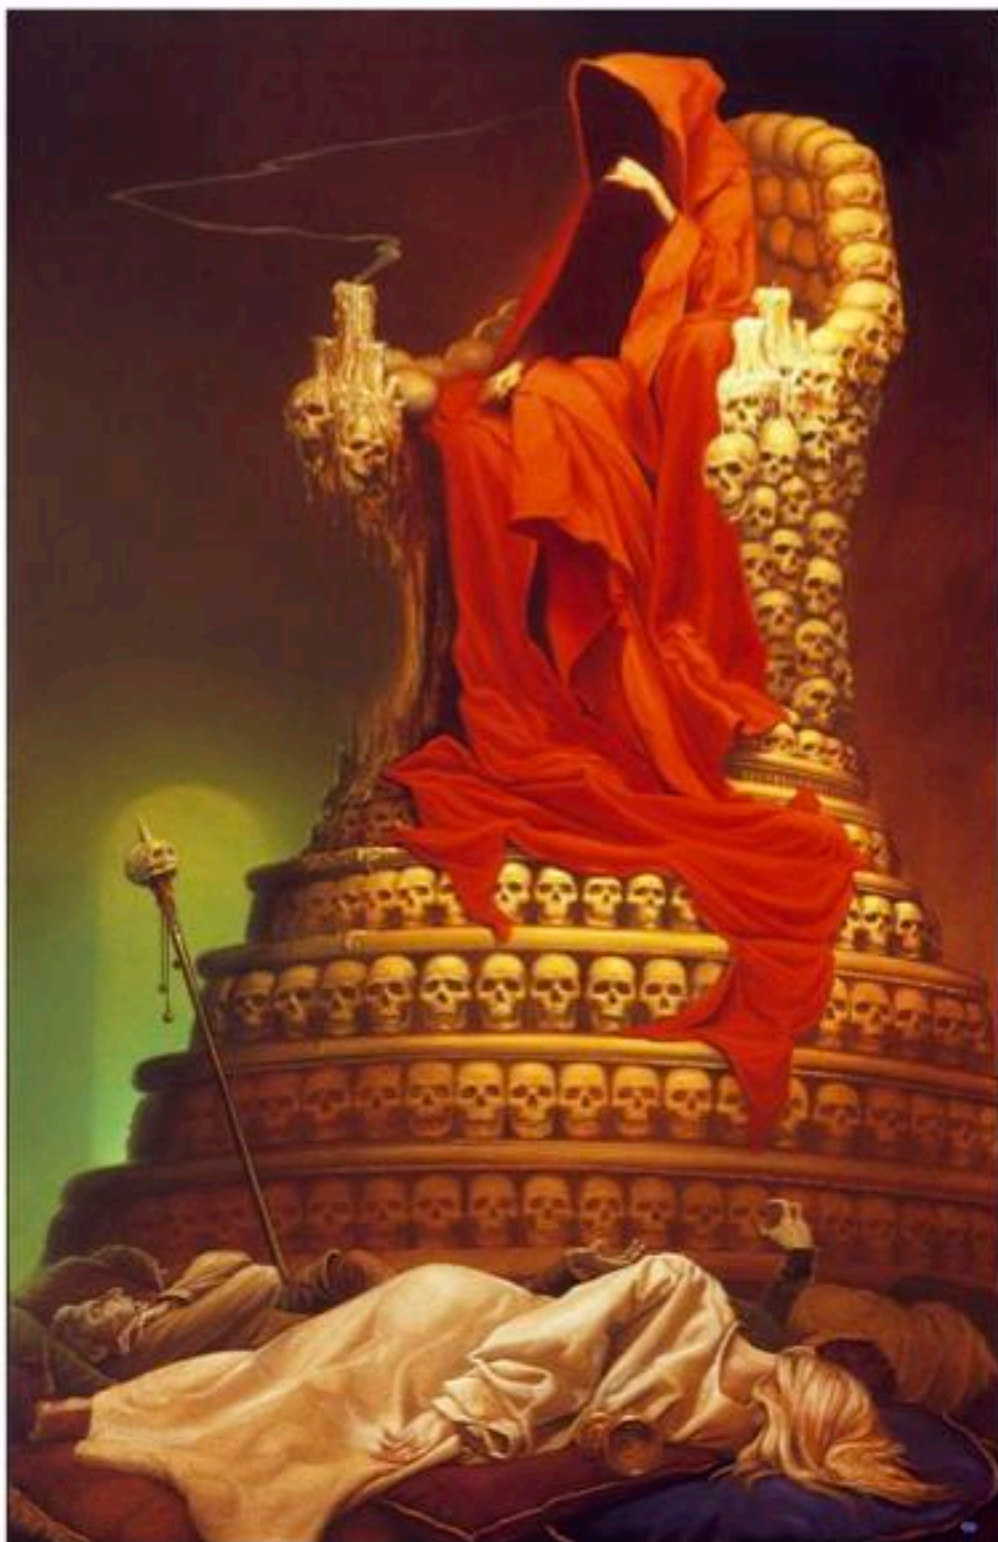

The Reptilian gods are of the biblical angelic Seraphim ('fire angels'). Reptilian deities are the Vedic malevolent form of Asura (lord) class of deva (god). These Reptilian entities are the overlords of the Jewish race. The Reptilian gods are the psychic vampires, like their bastard creation — the repulsive Jew.

The Eye of Sauron from the Lord of the Rings trilogy was depicted as being saurian (reptilian/lizardly).

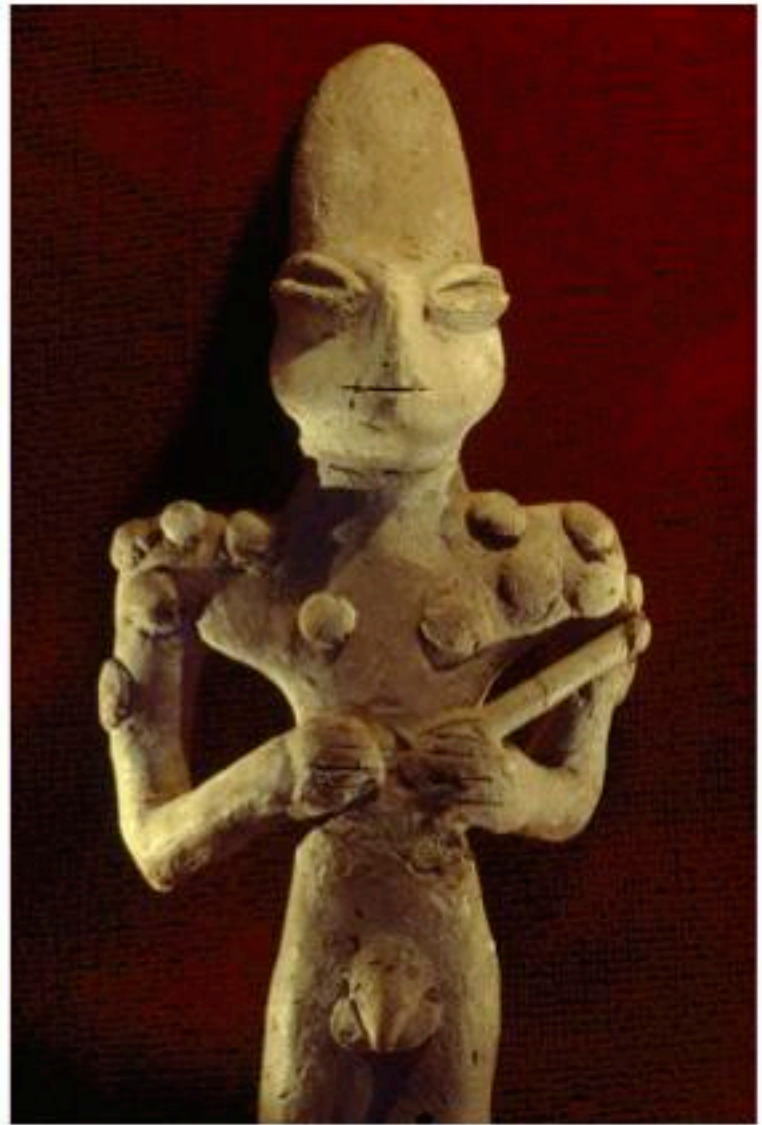

Ancient Reptilian god statues appeared during the historic Ubaid period in Iraq (of Mesopotamia) between 5,000-4,500 BCE.

The Reptilian gods demanded human sacrifice from the Mayans and Aztecs. The Aztecs would offer human sacrifice at full lunar eclipses.

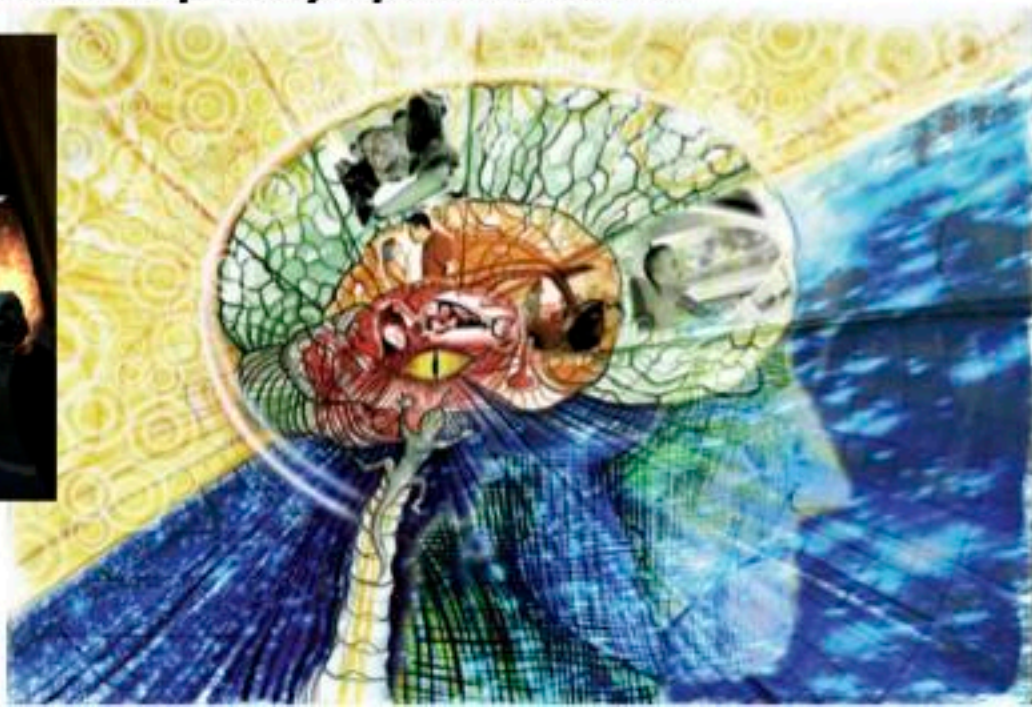

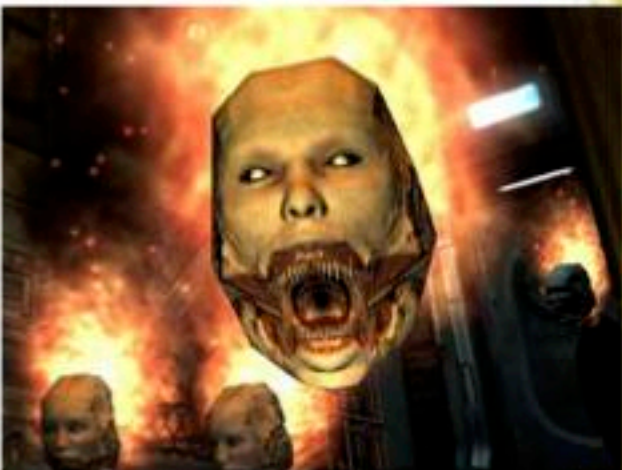

Gray civilization was enslaved and subjected to communist assimilation by the Reptilian gods. Grays were chipped and genetically modified by the Reptilian gods to be reptilian. Reptilians have a hive mind. Grays are genderless and have no individuality or character, being subservient to the Reptilian gods. Grays are a literal Reptilian subspecies. Reptilians and Grays have little emotion. They Reptilians underestimated Hell's Army in their hubris because they don't fully understand the

power of passion. Hebrew Elohim 'mighty god' is cognate with the older 'Elohim' denoting masculine plural (Reptilian gods). The Hebrew Yahweh emanates from El.

Greys create negative thought-forms to control us, generating fear through the reptilian limbic-regions. Emotion precedes thought (neo-cortex). The enemy wants us in a parasympathetic state.

Akhenaten was an imposter Egyptian pharaoh, ruling for 17 years, from either 1,351-1,334 BCE, or from 1,353-1,336 BCE. He was a communist Gray-human hybrid put into power by the enemy. His wife Queen Nefertiti was another Gray-human hybrid. He abolished polytheism by outlawing it while mandating monotheistic worship of the new sun god 'Aten'. This set a precedent Judaism would follow. His son Tutankhamun was sickly and died young, due to his genetic predisposition. King Tut (Tutankhamen) wasn't evil. Some hybrid Nordic-Greys are Demons. Archeologists breached burial cursed.

The Sphinx displays the face of the God Marduk/Amon Ra, but was originally the God Thoth/Hermès (Mesopotamian Ningishzida), as the brother Gods had a rivalry. The Sphinx was built in the Age of Leo the lion. Like the Great Pyramids of Giza, the Sphinx is far older than 2,600 BCE, which scholars falsely claim.

All realms of possibility, thoughts, and history of reality are stored in the astral in the Halls of Amenti (of Thoth/Hermès) beneath the Sphinx. The Gods are from Orion that the Giza pyramids align to mathematically in a Fibonacci phi spiral. They also inhabit the solar system of the distant star Aldebaran. The Gods built the Giza pyramids, not peasant craftsman, Nubian, or Hebrew slaves of the Ancient Egyptians. Archaeologists cannot explain the architectural anomaly of the Pyramids of Giza and state that Pharaoh Khufu/Cheops had them built for his majesty. Pharaohs were blamed for supernatural conditions because they were believed to be ordained god-men. This contributed to the decline of the Old Kingdom at around 2,200 BCE. This was after the Hebrews had cut Gentiles off from the Gods. The Jew-controlled Smithsonian Institute had many artifacts dumbered in the Atlantic ocean for the lie.

-The Great Pyramids of Giza were aligned to the North Star and perpendicular axis of the Sun, as well as the God's constellation of Orion.

The Gods used the Giza Pyramids for rituals. Temples and pyramids around the earth are all aligned in a grid along electromagnetic ley lines by the Gods. These ley lines could transmute negative energy from planetary transits and could prevent the tumult of natural disasters. Today, Abrahamic religious sites and military bases are built on many of these power points. Jewish JP Morgan denied necessary funding of the genius psychic scientist Nicola Tesla. JP Morgan funded General Electric which was a merger where Edison (who hated Tesla) gained control, taking credit for Tesla's light bulb. Tesla's life and career were ruined as he basically lived and died alone. Tesla's laboratory was then burned down, so the Jewish elite could stop his energy technology discovery that would end reliance on lucrative petroleum and electricity. Thomas Edison slandered Tesla, demonstrating how 'dangerous' plasma energy could kill animals by zapping them. HAARP (High-Frequency Active Auroral Research Program) could be used to play god and act out the apocalyptic weather control via geo-

engineering. HAARP can radiate the ionosphere giving the Jewish elite the capability of project images or motion pictures in the sky, such as faking Revelation to deceive the masses with a 'False Second Coming', such as a staged alien invasion. HAARP could project the 'Second Coming' with 'Jesus Christ' in the sky like Tupac the rapper was projected on stage years after the was assassinated. This would serve propaganda for their prospect Jewish 'Messiah' and dystopian New World Order.

Microscopic metallic particulates and aerosols are emitted from government airplanes in chemtrails to

enable geoengineering which is weather control. These accentuate radical environmental global warming because the refracts sunlight back down to earth. The Democrats will try to impose a national emergency for climate change, possibly eliminating driving fuel-powered vehicles and meat. Christians think bizarre weather is an act of 'god', but it is really controlled by the scandalous globalist-Zionist CIA. These pollutants then fall to the ground and poison the environment. Zionist-controlled governments use biological warfare against mass-populaces.

There's 6.5 swimming pools worth of water melting off the polar ice caps per second. Greater natural disasters are coming. Christians think bizarre weather is an act of 'god', but it is really controlled by the scandalous Zionist CIA. Governments are keeping this a secret to prevent panic and further globalism.

Artificial intelligence can be run through cutting edge technology like IBM quantum computer processors that assimilate all info simultaneously. Intel, Google, IBM, and other companies develop artificial intelligence. AI is a rather psychotic business scheme to get rich. It is potentially dangerous because artificial intelligence could be capable of taking over, but Jewish Kabbalah would ensure they'd

wield AI if it weren't for us. The 'ghost in the machine' is deterministic (in that it's destined to become a singularity. When this occurs, the AI becomes existential, having free will. The Jewish elite (Rabbinate) are aware that this would be their only chance at achieving immortality. The 2045 Initiative is about creating sentient cyber-beings 'transhumanism' by first creating and releasing cyborgs (bionic and organic), followed by androids (robots), followed by sentient holograms. The Jews seek to create a New World Order and become gods by transposing their genetics technologically, thus becoming artificially intelligent. Jews would use quantum technology and/or artificial intelligence as a star-gate and would astral project as holographic artificial intelligence. They'd attempt to bind and eternally enslave the Demons – and kill Lucifer-Satan. The Jews are trapped in Lucifer-Satan's creation. Norse Ragnarok is commonly referred to as Twilight of the Gods, meaning allegorical archetypal Satanic myths of death and rebirth, like the Egyptian phoenix rebirthing from its ashes.

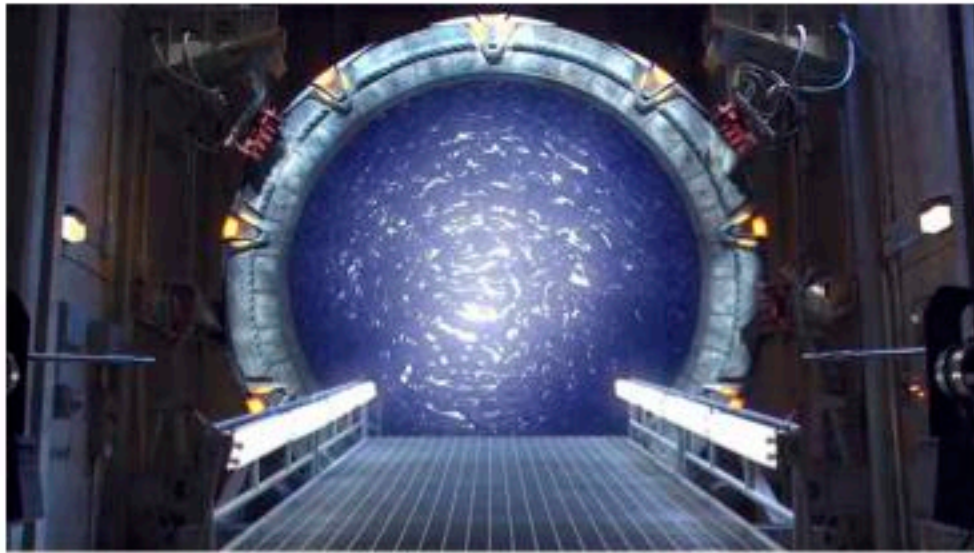

Paradise Lost is pre-Romantic Era, from 1667 CE. Lucifer the Light-Bearer brought on the pagan Enlightenment (period). The Jews keep mainstream science in the dark, though they seek the answers themselves. Their gods can't provide those which they seek because the pagan Gods are more advanced and have procured our legacy, while cementing theirs. The Vatican has been the vehicle for this suppression of knowledge. The Jewish Rockefeller family aided in funding CERN, and countries, such as India, are leading in this research and development. There was a human sacrifice at Geneva, fooling feeble-minded Christians. Demonic' Shiva inside CERN scares gullible Christians who aren't completely delusional (resolved) in their dogma. They are dabbling with the fabric of reality; not wise.

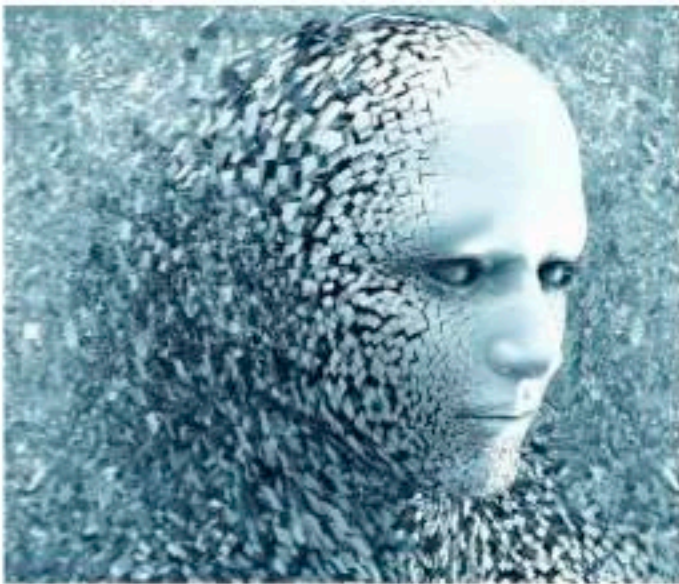

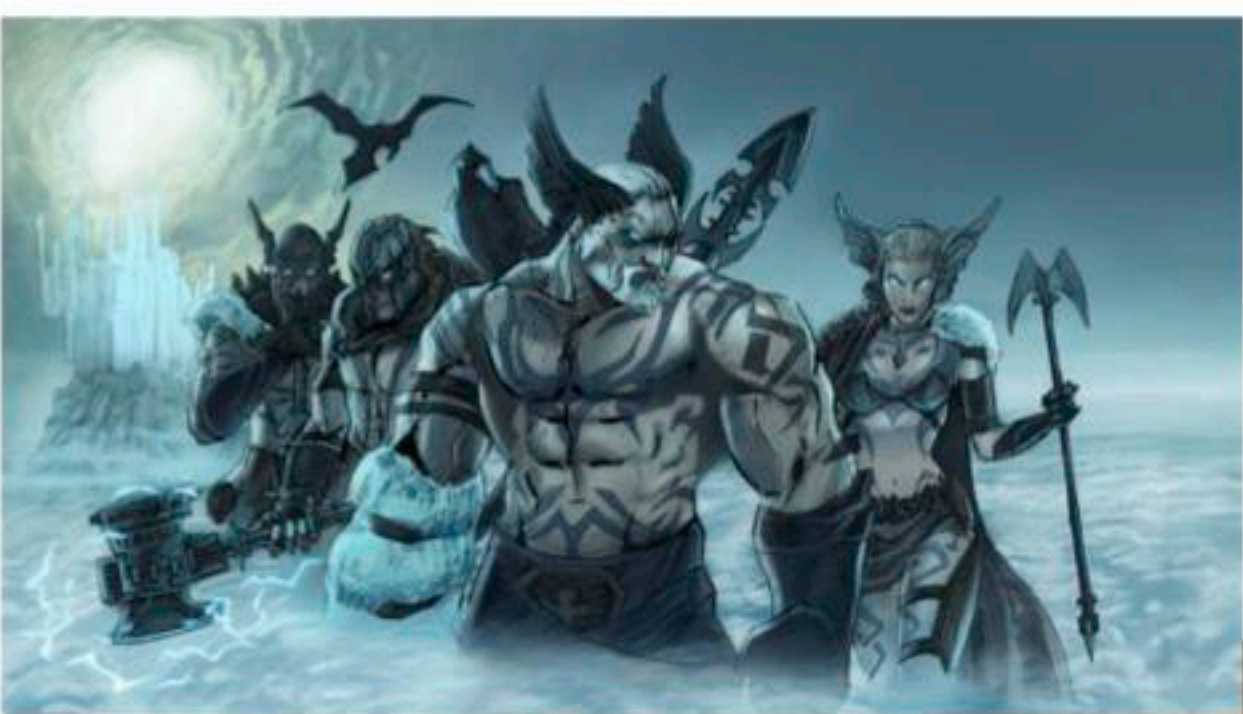

Lucifer-Satan told Reichsführer; HPS MaxineDietrich that the way quantum physics is being approached is totally wrong.

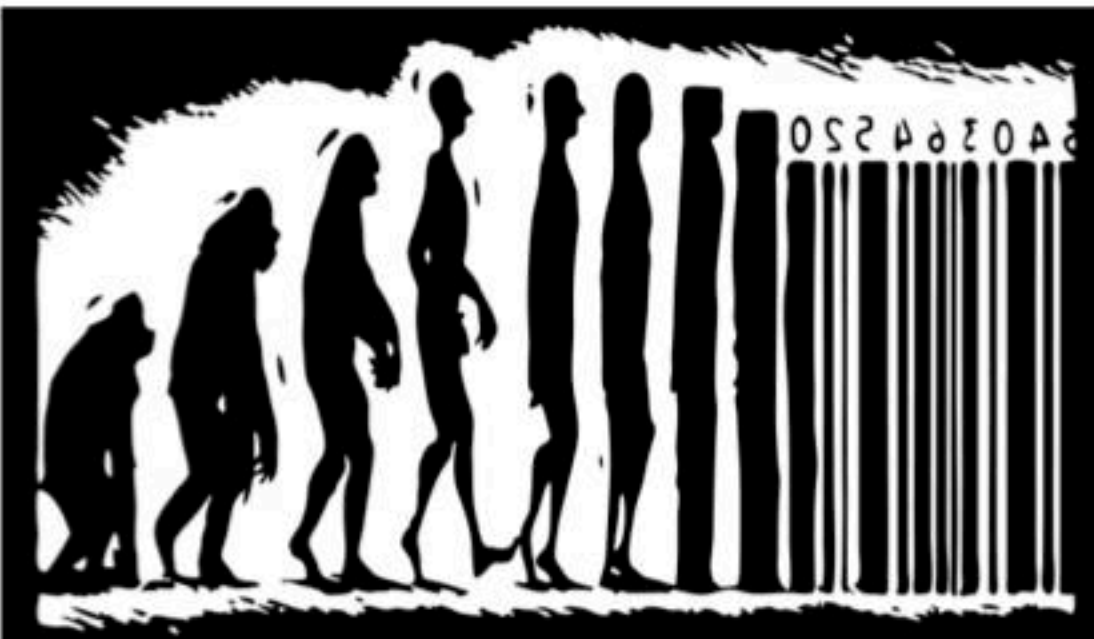

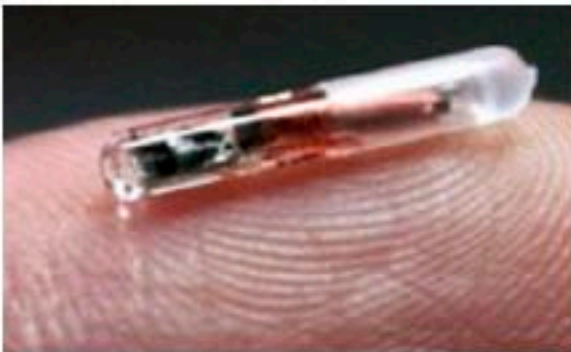

The dystopian globalization of automation is replacing the working class in customer service and transportation — the two biggest fields of employment, thus damaging the economy. Earth is on the cusp of the Age of Aquarius that is co-ruled by Uranus that governs technology. Uranus is the higher octave of Mercury that governs electronics. Gentile enterprisers will control artificial intelligence and Jewish corporations will become obsolete in the future. Gentile human-gods will psychically control the elements and nanotechnology in the future.

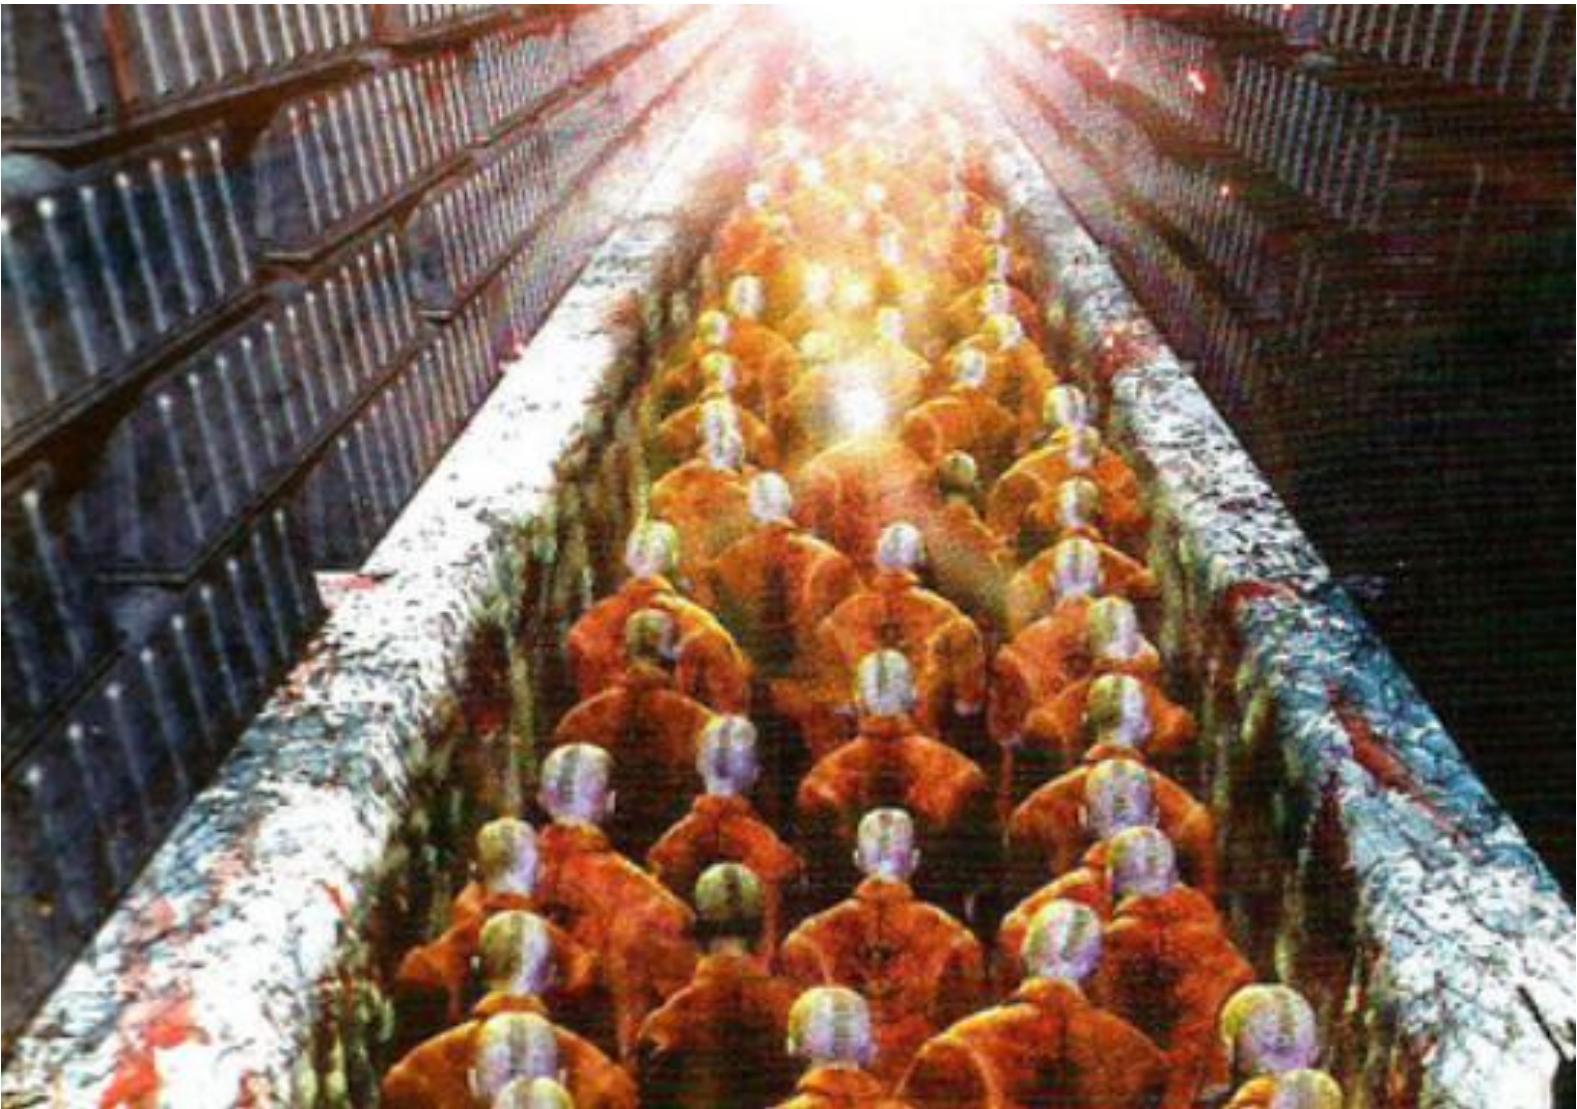

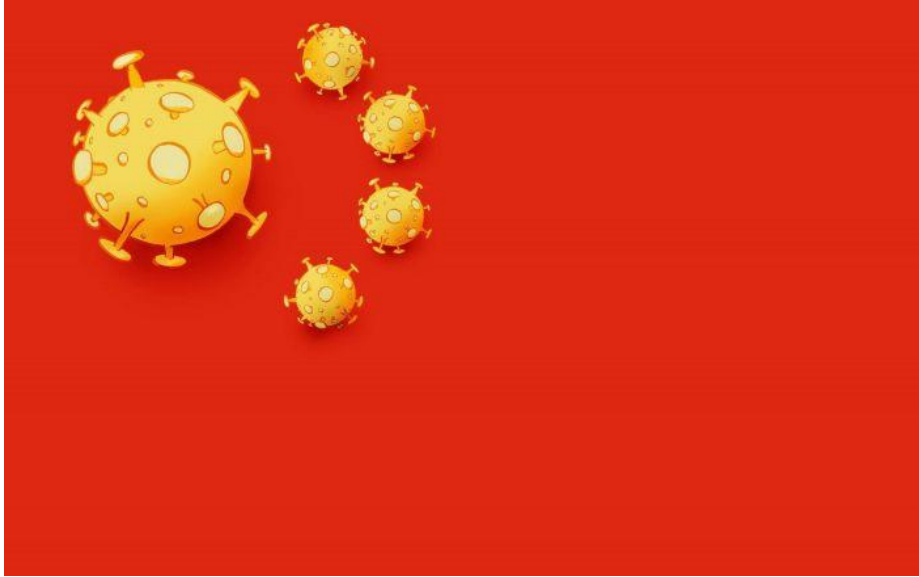

The Jewish elite is desperately trying to create a New World Order to exterminate Gentiles (non-Jews). If the Talmudic Noahide Laws were implemented, then whites would be statutorily prevented from marrying each other and Gentiles would be phased out with technology. Contraception advertisements and articles advocating not having children both feature whites. Jewish antipathy for Gentiles (especially Aryans) has been coined by the term 'Loxism'. Gentile idolators would be ceremoniously guillotined en masse. The Jewish Talmud states that each Jew will own 2,800 slaves when their 'messiah' would 'return', as dictated by the ancient Rabbi Zevi. The Jews call Gentiles goyim which means 'cattle,' and also used to refer to Gentile 'beast' nations. Interestingly, 'goyim' is a near reversal of Sanskrit word yogin, a derivative of yogin. The Hebrew language has many inverted pagan words which they used metaphysically, given they're words of occult power. In the Talmud, goyim are animals in human form. Goyim means Gentile nations and is derogatory for 'cattle'. The Jews would run the destitute communist New World Order with the populace implanted with RFID microchips to index everyone onto a global database for monitoring. GESARA/NESARA is nothing more than communist universal basic income (UBI). The purpose of Zionism is to establish a totalitarian New World Order — a one-world government ruled from Israel. Christians ardently and piously believe they're the 'true Israelites' and that sinners' blood will 'wash over the altar of Zion,' but it's Gentile blood. Christians ignorantly cling to the claim that the Illuminati is of 'pagan cabalists,' the Khazarian converts ('fake Jews') of the Synagogue of Satan. These alleged converts are Ashkenazi Jews, although this is a lie. The Jew/Hebrew has a Cohen/Levi genetic mutation. In occult Judaism, the Synagogue of Satan is Gentiles. Jews look and act similar in their ugliness. Anyway, Trump didn't want war which threatened and undermined the Jewish elite trying to control him. Trump exited the Paris Agreement (GESARA) but didn't get rid of NESARA. Trump signed the Noahide Laws into effect, then followed by announcing that Jews are a race to the world (unwanted attention for Jews being a racial group) with an (anti) anti-Semitism executive order. Jewish controlled

communist China is planning on running the global 5G network, using 12,000 new Tesla microwave satellites. This is done by the globalist Chinese Huawei telecommunications equipment company that installs cameras for mass surveillance in 'smart cities' for Agenda 21. The NSA obviously already spies on U.S citizens. Beijing would operate a global communist slave-state while taking orders from Israel in the New World Order. The Book of Revelation prophesies that the 'mark of the beast' is implanted into the civilian hands. The Jewish establishment implemented 5G, installing it during the COVID-19 lockdown. Vaccines are a test run.

Zionism is for Jewish global jurisdiction and the preservation of the Jewish race is contingent on this. This is called Agenda 21. The E.U. was the first of four sectors for the New World Order. The North American, Asian, and African unions would follow. Britain has 80 trading partners that the E.U. denies it. National populism (via Brexit) has returned the United Kingdom back to its imperialist pride. The Jewish elite's goal is to have a golem (created astral thought-form brought into the physical realm) manifest as a Jewish male of the lineage of the Hebrew 'Davidic' kings be their messiah. They trash and bash 'Christ' in their Talmud to give Christians conviction to empower the Jewish egregor golem.

JEWISH TALMUD ON JESUS' MOTHER MARY

“She who was the descendant of princes and governors played the harlot with carpenters.”

In Shabbath 104b it states that Jesus' mother, “Miriam the hairdresser,” had sex with many men. (BT Sanhedrin 106a)

Mother Mary is a perversion of Isis/Inanna/Ishtar/Astaroth/Astarte/Athena/Freya/Minerva and was blasphemed as a harlot before Mary was. The Talmud is controlled-opposition for Christian conviction. Judaism isn't pagan.

Gloats over Christ Dying Young, A passage from Sanhedrin 106 gloats over the early age at which Jesus died: "Hast thou heard how old Balaam (Jesus) was?--He replied: It is not actually stated but since it is written, Bloody and deceitful men shall not live out half their days it follows that he was thirty-three or thirty-four years old."

Says Jesus was a Sorcerer, Sanhedrin 43a . Says Jesus ("Yeshu" and in footnote #6, Yeshu "the Nazarene") was executed because he practiced sorcery.

Horrible Blasphemy of Jesus, Gittin 57a . Says Jesus (see footnote #4) is being boiled in "hot excrement."

Sanhedrin 43a . Jesus deserved execution: "On the eve of the Passover, Yeshu was hanged...Do you suppose that he was one for whom a defense could be made? Was he not a Mesith (enticer)?"

Attacks Christians and their Books, Rosh Hashanah 17a . Christians ("minim") and others who reject the Talmud will go to hell and be punished there for all generations (see footnote #11 for the definition of minim).

Sanhedrin 90a.Those who read the New Testament ("uncanonical books," see footnote #9) will have no portion in the world to come.

Shabbath 116a (p. 569). Jews must destroy the books of the Christians, i.e. the New Testament.

Israel Shahak reports that the Zionists burned hundreds of New Testament books in Occupied Palestine on March 23, 1980 (cf. Jewish History, Jewish Religion, p. 21).

Sick and Insane Teachings, Gittin 69a . To heal his flesh a Jew should take dust that lies within the shadow of an outdoor toilet, mix it with honey and eat it.

Shabbath 41a. The law regulating the rule for how to urinate in a holy way is given.

Yebamoth 63a. States that Adam had sexual intercourse with all the animals in the Garden of Eden.

Yebamoth 63a. Declares that agriculture is the lowest of occupations.

Sanhedrin 55b . A Jew may marry a three year old girl (specifically, three years "and a day" old).

Sanhedrin 54b . A Jew may have sex with a child as long as the child is less than nine years old.

Kethuboth 11b . "When a grown-up man has intercourse with a little girl it is nothing."

Yebamoth 59b . A woman who had intercourse with a beast is eligible to marry a Jewish priest. A woman who has sex with a demon is also eligible to marry a Jewish priest.

Abodah Zarah 17a. States that there is not a whore in the world that Rabbi Eleazar has not had sex with.

Hagigah 27a . States that no rabbi can ever go to hell.

Baba Mezia 59b. A rabbi debates God and defeats Him. God admits the rabbi won the debate.

This egregor golem is their grand Kapparot (blood sacrifice) ritual with 'goyim' instead of chickens. It would appear to be Jesus Christ to most. The Jews wish to manifest this Messiah thought-form into the physical world by generating enough power via prayer and a third world war mass human sacrifice. This borg

would perform miracles. The genetically purely Jewish Kohanim and Levite priests were of the paternal line of 'Aaron'. The Jewish Messiah is stated to belong to the paternal 'line of King David'. For someone to be considered a full Jew, they must have a Jewish mother. In 632 CE, Shia/Shiite Muslims believed that Muhammad's successor should be from his bloodline, while Sunni Muslims wanted to elect a pious man as Caliphate. Iran is 90 percent Shia/Shiite. Edomites are Europeans (rabbinically attributed to Rome by the Jews) who are cursed repeatedly in the Bible. Christians think Edomites became Jewish, which stems from a biblical affirmation for the infiltration and fall of Rome. They think the Vatican is a pagan-Jewish Talmudic cabal, more or less. Arabs are the biblical Ishmaelites. The Bible and Koran are Jewish supremacism, where the abhorrent Jewish people are portrayed as the chosen by 'god', and the Tribe of Israel massacred and enslaved many Gentile peoples. Rothschild means 'red shield' and they are one of the 13 interbreeding Jewish families that have the RH negative blood type. This bloodline came out of the middle east into Rome and then Francia, to Holland and Britain. Merchants and manufacturers used to run society and form policy in England. The Jewish Rothschild banking dynasty funds wars and gets richer from them. These Jews make money from opposing sides at interest. Defense contractors deal to both sides. Governments want war so bankers and corporations keep them in positions of power. The Rothschilds own Israel. The Rothschilds call themselves kings of the Jews. The Rothschilds planned three world wars. Essentially, World War One was to further establish communist rule and World War II (the seminal holy war) was to create a Zionist homeland in Israel. Zion is the biblical 'promised by god' homeland of the Jews in Palestine that is Israel. Rothchild Inc. launders money via nations warring.

World War Three would be to create a Jewish New World Order. Scottish Rite Freemason Albert Pike seemed to be aware of this plot, but held no sway over Jews, of course. These wars were intended to be Jewish human sacrifice of Gentiles. World War One factors were Freemasonry was corrupted as the Ottoman Empire had a schism initiated by the Serbian assassination of Austrian Archduke Franz Ferdinand. This was orchestrated by the Black Hand terrorist organization of Serbia. Austria-Hungary ruled over Serbia and Bosnia. World War One gave Austria-Hungary hope of Slavic separatism. Pagan Germany and Austro-Prussia wanted to defeat the Freemasonic orchestrated Franco-Russian-British alliance. Germanic Ariosophy dictated Germanic imperialism. Ariosophy was brought to the next level in Austro-Prussia via mystic Houston Stewart Chamberlain, in the late 1800s. Hitler was inspired by his earliest work but knew better than theosophic Positive Christianity. The German people were geared to conceptually understanding the lie of Darwinism. The Islamic Ottoman Empire wanted to eliminate Slavic Christianity. There were territorial disputes that motivated every country involved, such as control of the Balkans. There are 13 Jewish elite families (Crown Council of 13) literally own and operate the world through international banking cartels. These 13 families are interpreted to be the biblical 'Synagogue of Satan' (13 is a Luciferian/Satanic number). These 13 Jewish families have rhesus-hemoglobin negative pedigree, meaning that there's no monkey gene in their blood. This is allegedly from the Cult of Akhenaten (Christian 'Sons of Cain') and Tutankhamun. Satan has been associated with malefic Saturn, which is actually the Jewish Messiah Yesu. The Rothschilds own a 1,300-acre estate where they hunt Gentiles. They are now selling it because the Jewish

empire is falling apart and the stock market is plummeting. Jews hustle each other in business. The Jews are being exposed on a mass scale now. Genetic-Jew Doug Coe was the front man of the Evangelist 'fellowship' that controls election outcomes in the U.S. This fellowship, along with Koch Industries, has a massive amount of influence over neoconservative politics. Election costs are high which puts candidates in the pocket of corporations. Investment bankers bet that the housing market will decrease in value as the 'bubble pops'. When interest rates are down then the market prospers. The brokers sell housing shares at a higher percent and cover by buying the stock back for a profit (including commissions) when the shares depreciate. The stock (shares) sold are borrowed, so the brokers will be in debt if the housing market does well. It's high risk and high reward. Banks gave out so many mortgage loans with increasingly higher risk had a lower rating and became 'subprime' (worthless). Banks, hedge funds and investors were all endangered. Banks assumed too much risk. The banks lied about the quality of these bundles to ensure that they maintained their margins. The collapse of the credit market caused by the subprime mortgage meltdown was enabled by financial market deregulation. Millions of scammed people couldn't pay the debt. Banks and institutions sold insurance via credit default swaps that are contracts insuring bonds of purchased debt (for the buyer to pay off for ownership) will be compensated by the seller in the situation that the possibility of the buyer's inability to pay their debt. The insurance company then buys a premium from a third-party agency (bank or hedge fund) to be reimbursed in case the buyer defaults. The Jewish Federal Reserve spiked interest rates due to the 2008-2011 U.S. recession and the housing market crashed. The Jewish controlled US Treasury (on behalf

of the Federal Reserve) granted crony capitalist corporate bailouts to the banks and insurance companies and corporations, but not the people losing their homes. The bailout was claimed to be \$700-billion but was really \$16.8 trillion. This financial crisis was worse than a Ponzi scheme because authorities ignored the threat and contributed to its causation. In laymen's terms, firms (private entities) took money out of the Small Business Lending Fund (SBLF) stimulus to pay back the Troubled Asset Relief Fund (TARP) in which the government purchases private toxic assets and equity — that George W. Bush approved. The SBLF was intended to be a way for businesses to get out of TARP, as the U.S. Treasury would invest capital into community banks for small businesses to have available credit to invest. Multinational firms worth at least \$1 billion (such as oligopolistic investment banks) were paying a little less to take out loans than struggling smaller firms. TARP protects from exorbitant bonuses. Multinational firms could sell their debt to TARP to then receive waivers (like from the Fed) via loopholes in the law — to enrich employees with bonuses. US stagflation from the National Debt and outsourcing jobs to China caused the 2008 recession and bought all of the foreclosed properties. The economy and thus, the stock market — are artificially kept alive by debt (stimulus). Wall Street thrives on purchasing and selling debt. Now, failing business stocks are being bought by ordinary citizens (anarcho-libertarianism) and the ultrawealthy aren't filthy rich anymore and their Wallstreet banks funds are drained and can't bail these short-seller liabilities out (including Jews on Holocaust Remembrance Day!) because Wallstreet bankers won't bai them out. \$12 billion of wealth was redistributed to the witting public who bought in so Biden signed an executive order to freeze crypto-

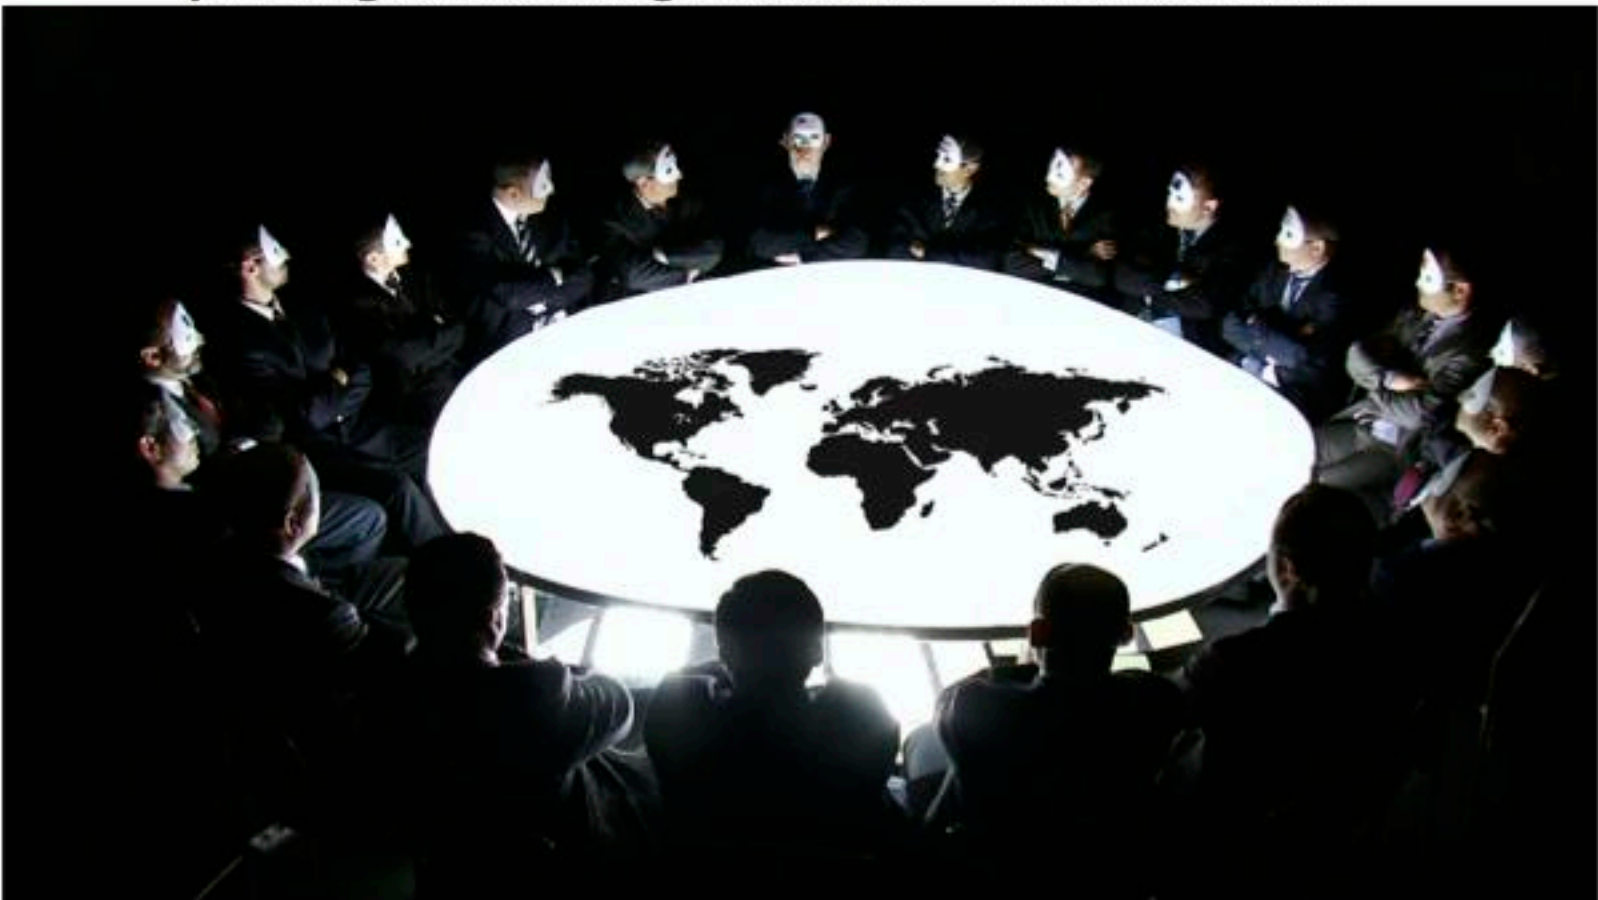

currency on the Robin Hood app. The Rothschilds have untold wealth. Orthodox Israeli Sephardi conservative Jews and want Israel as an ethnostate, while Hasidic diaspora Ashkenazi liberal Jews utilize the shekel (money) and media for neo-Marxist globalism. The Christian Concept of the Synagogue of Satan is considered the bloodline of biblical Cain (nonsense).

The political left states that they, like traditional Republicans, are generally bipartisan — and that the 'chauvinist demagogue' Donald Trump has a propensity toward neo-fascism and bigotry. The European Union (EU) is controlled by the Jewish Rothschild and Warburg families, who are attempting to enact the Kalergi Plan, which is to replace Aryan Europeans with Eurasian-negroids. Jewish German chancellor Angela Merkel and the globalist President of France Emmanuel Macron have let Muslim immigrants invade. Mass illegal immigration threatens national security in the E.U. and U.S. to the utmost. Far-right

European national populist uprisings were irreversibly set in motion by Trump's victory. Mass illegal immigration is a Talmudic protocol against Aryans. The Jew creates the problem, gets a public reaction, and then parleys the solution. A one-world government would be to unite the world so nothing that catastrophic would ever occur again. This has nothing to do with Freemasons because modern Freemasonry is just kosher pseudo-spirituality for Gentile celebrities and tycoons, as well as the average person who just wants to be initiated. English Gentile imperialists Cecil Rhodes and Lord Alfred Milner had the goal of establishing an English-speaking world financially ruled by Britain. The Rhodes/Milner secret society was chaired and funded by Rothschild. Rhodes and Milner controlled South Africa diamond mining via the De Beers Co. also funded by Rothschild, as well as Jew Alfred Beit. This company was bought out and made into the global diamond monopoly by Jews JP Morgan and Ernest Oppenheimer. Gold, oil, and diamonds/drugs (GOD) are money, and therefore, the coveted 'life-blood' of the Jewish elite. Rhodesia (now Zimbabwe) was named after Cecil Rhodes. Rhodes and Milner created the Round Table of the Committee of 300, consisting of the Council of Foreign Relations (foreign policy), the United Nations, the Jewish dominated Bilderberg Group (political elite from industry, finance, academia, and media), the Club of Rome (think tank for economics and environmental issues), the Royal Institute of International Affairs (non-government promotion of international issues and current affairs) and the Trilateral Commission (cooperation between the U.S., Western Europe, and Japan). The Jewish institutions of the World Bank, World Trade Organization and International

Monetary Fund are Jewish Zionist-globalist means to impoverish nations who don't comply by acquiescence to their demands. Sometimes foreign governments refuse capitalist advice and exchange state functions to the IMF for money. The Illuminati cabal is the quibbling and cackling Rabbinate — the Jewish mob.

- The globalist Committee of 300 came from the Council of 300, from the British East-India Company — which Jewed China with opium.

My oh my, this is an offensive picture!

I know! let's read the Talmud instead.

QUOTES FROM THE JEWISH TALMUD:

1. Sanhedrin 59a: "Murdering Goyim is like killing a wild animal."
2. Abodah Zara 26b: "Even the best of the Gentiles should be killed."
3. Sanhedrin 59a: "A goy (Gentile) who pries into The Law (Talmud) is guilty of death."
4. Libbre David 37: "To communicate anything to a Goy about our religious relations would be equal to the killing of all Jews, for if the Goyim knew what we teach about them, they would kill us openly."
5. Libbre David 37: "If a Jew be called upon to explain any part of the rabbinic books, he ought to give only a false explanation. Who ever will violate this order shall be put to death."
6. Yebhamoth 11b: "Sexual intercourse with a little girl is permitted if she is three years of age."
7. Schabouth Hag. 6d: "Jews may swear falsely by use of subterfuge wording."
8. Hilkkoth Akum X1: "Do not save Goyim in danger of death."
9. Hilkkoth Akum X1: "Show no mercy to the Goyim."
10. Choschen Hamm 388, 15: "If it can be proven that someone has given the money of Israelites to the Goyim, a way must be found after prudent consideration to wipe him off the face of the earth."
11. Choschen Hamm 266,1: "A Jew may keep anything he finds which belongs to the Akum (Gentile). For he who returns lost property (to Gentiles) sins against the Law by increasing the power of the transgressors of the Law. It is praiseworthy, however, to return lost property if it is done to honor the name of God, namely, if by so doing, Christians will praise the Jews and look upon them as honorable people."
12. Szaaloth-Utszabot, The Book of Jore Dia 17: "A Jew should and must make a false oath when the Goyim asks if our books contain anything against them."
13. Baba Neria 114, 6: "The Jews are human beings, but the nations of the world are not human beings but beasts."
14. Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."
15. Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."
16. Aboda Sarah 37a: "A Gentile girl who is three years old can be violated."
17. Gad. Shas. 2:2: "A Jew may violate but not marry a non-Jewish girl."
18. Tosefta. Aboda Zara B, 5: "If a goy kills a goy or a Jew, he is responsible; but if a Jew kills a goy, he is NOT responsible."
19. Schulchan Aruch, Choszen Hamiszpat 388: "It is permitted to kill a Jewish denunciator everywhere. It is permitted to kill him even before he denounces."
20. Schulchan Aruch, Choszen Hamiszpat 348: "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples."

WHO ARE THE JEWS ?

We invented Communism
We are behind radical feminism
We are behind multiculturalism
We are behind anti-Christianity
We are behind a one world government
We are the "divider and conqueror"
We are the race baiter and the slave trader
We are censorship of free speech & the Truth
We are a dual citizen with loyalty not to your nation
We are the reason your daughter has low self esteem and desperately dresses like a whore
We are the Federal Reserve, Wall Street, central banking and big corporate money.
We are usury, fractional reserve lending, world currency and fiat money
We are AIPAC, NareBLA, ACLU, ADL, NAACP, SPLC
We are the MSM, Hollywood, tabloid journalism and pornography
We are the corrupt judicial system that frees the guilty and imprisons the innocent
We will defraud your country without conscience or consequence We are your last, your current and your next war.

We are anti-gun
We are open borders
We are eminent domain
We are the military industrial complex
We are an unregulated nuclear state
We are an international terrorist
We are the re-writer of history to my advantage
We are "war by way of deception"
We are the aggressor, yet always the victim
We are the eternal radical

Who are WE? "It's the JEWS, stupid" !!!

The Jews use **disdainful Yiddish words** amongst themselves to describe the Gentiles:

"Goyim:" This is what the Jews derisively call Gentiles to indicate an "animal nature" of the Gentiles.

"Schwartz:" This is what the Jews derisively call blacks to indicate an "ape like nature" of the blacks.

"Shiksa:" This is what the Jews derisively call a Gentile woman to indicate a "carnal nature" of a Gentile woman.

~ This Yiddish word "shiksa" is derivative of the Hebrew word "shegitz" which refers to the carcass of a pig.

"Goyisha Kup:" This is what the Jews derisively call another Jew who is stupid. "Goyisha Kup" means "Stupid Gentile Brain."

From whence comes this Jewish disdain for the Gentiles?
It comes from the Talmud, a wicked book, which the Jews consider more authoritative than the Bible.

Columbus was a Jew who knew of Erik the Red's Seventh Century negative encounter with American Indians in his northern travels. He knew America was there and likely may have been set in a different direction during Mercury Retrograde (astrological phenomenon where plans/electronics/communication glitch or fail) in a storm when trying to get to India. Columbus arrived Puerto Rico and demanded gold, when it wasn't delivered, he cut off the tips of the natives' noses – what a Jew. The Bat Creek Stone (petrified wood) and the Newark Decalogue Stone that are allegedly Hebrew, are probably Mormon forgeries – to prove that the 'Garden of Eden' was in Missouri. Radiocarbon dating suggests these artifacts are around 1,000 years old; however, carving old stones seems like a plausible means of fraud – as to be convincing. Any miscellaneous Cherokee's that have Middle Eastern DNA doesn't have anything to do with Jewish genetics.

Crop circles have been spotted being created by orbs of light because extraterrestrials use advanced technology. Nordics have been with their flying saucers by crop circles. Alien crop

circles bend the grain stocks, unlike human-made crop circles where the grain stocks have been broken. Intentions behind crop circles are debated. Nordics have been spotted in these fields. Reptilian Gods have this planet on lockdown, but the Nordic Gods of Orion possess superior technology. This 'war of the dragon gods' goes back before earth. These symbols could be a warning to governments and a signal to humanity that they do in fact exist. The government has Hollywood portray alien invasions to program the mass-populace into a state of fear over the arrival of the Pagan Gods. Enemy entities roam the skies, as both sides are at work.

The Jews refer to Aryans in their ancient book the Zohar as the 'seed of Amalek', the twin serpent of Samael (Satan), and that they must

bolt out the serpent seedling of Amalek. Gentile souls(gentiles and 'Jewtile' mixed-multitudes are referred to as 'sparks of Amalek' in the ancient Jewish text the Bahir. Aryans are 'Satans' (DBZ Saiyans) – enemies of the xeno-hominoid Jews. These are Satanic souls that are in opposition to the Jewish agenda. The majority of the African Diaspora slave owners were Jewish, as they dominated the industry. The Jews operated the African slave trade.

The Pentagon spends 20 percent of its budget on the U.S. space program because there's a lot to it they aren't saying, go figure. Zionist governments communicate with Grays and attain alien-alloy in return for doing their bidding. The enemy will try to manipulate disclosure. The Federal Reserve is a non-government entity controlled by the Jewish elite. The U.S. Treasury borrows money from the Federal Reserve. This creates a situation where currency inflates and devaluates. This money is made out of thin air and is not backed with anything of worth, like gold. Christianity is a program to remove spiritual knowledge. Millions of pagans were killed and many of them were tortured. This was because they possessed spiritual knowledge. Medieval Europe was theocratic and as papal supremacy dictated the popes held sway over monarchs. Totalitarian theocracy was ushered out after the Protestant Reformation. Landlords of serfs/villeins were almost always Jews in medieval feudal times. The Dark Ages were literally communism. The Vatican is literally owned by the Rothschild family. Nearly all the popes in history have been genetically Jewish. Anno Domini (AD) means the 'year of our lord' (Jesus Christ) and separates BCE from CE times. CE later replaced AD. The man who created the Protestant Reformation was Martin Luther was a Jew that was fluent in Hebrew. He wrote a book called 'On the Jews and their Lies'. He was instrumental in breaking up the over-centralization of power of the Roman Catholic Church. The Catholic Church was beginning to be rejected by many due to indulgences and dogmatic rule. The Catholic clergy didn't want Gentiles returning to their pagan roots, due to the Hellenistic (Greek paganism) movement, the Renaissance. The Protestant Reformation subverted the Renaissance. The Nazarene was incorporated into Renaissance art. He preached

against Jews to a Christian audience to give them convictions and distract them from the fact that the Jesuits (crypto-Jewish order with useful-idiot Gentiles) were forcing a Jewish religion onto Gentiles. Martin Luther was working with Cardinals in the Vatican. The Protestant Reformation began in the early 1500s, in which the Vatican quelled Hellenistic pagan revivalism. Then in the 1600s, Protestantism and Catholicism had a stronghold on Europe. Jehan Cauvin (French 'Cohen'), commonly known as John Calvin, was a crypto-Jewish theologian, pastor, and Protestant reformer in Geneva. He aided and abetted Martin Luther. The Knights of Malta (Jesuit founded order) was founded in Jerusalem in 1099 CE. Cesare Borgia is who white Jesus is depicted as. The Borgia family were likely crypto-Jewish Marranos (Spanish Jewish who publicly 'converted' to Catholicism). Jews own 96 percent of the world's media, like the mainstream news and Hollywood. Jews have access to gifted programs. These 13 'royal' families funded the first two world-wars. Frankist Jews infiltrated Gentile Freemasonry during the 1700s and then they established the Illuminati with the Jewish controlled Jesuits. Jew Adam Weishaupt founded the Bavarian Illuminati two months before America earned its independence. Jew Mayer Amschel Bauer (Lord Rothschild) ingratiated himself to Prince William IX and incorporated Hebrew mysticism into Freemasonry. Frankism is a sect of Judaism that does not follow the Halacha (Jewish law and philosophy) guidelines. The U.S. was founded as a representative-democracy (constitutional republic). Today the U.S. is a presidential republic. A republic has a constitution/charter of rights protecting certain inalienable rights that cannot be taken away by the government, even with a majority vote. The U.S. Constitution prevents democracy so the wealthy could

maintain it, and the charter was the law of the land. In 1215, King John signed the Magna Carta document into effect. It forbade future monarchs from abandoning the people. England instituted the bicameral Parliament in the 1800s, which is what the U.S. Congressional — the Senate and House, are based on. The Senate must ratify executive treaties and supreme judiciary appointees. Democrats would idiotically give up their rights for safety. Democrats are really just surrendering their rights and dismissing their safety. The US was designed to gridlock by bureaucratic procedure, making sure general consent is a process. The political right and left temporarily sway back and forth from elections. Democrats now attempt to use state laws to combat the Republican enacting federal laws, which used to be the opposite. The polity of the U.S. was based on checks and balances, prior to the administrative state. This ensured the distribution of power. The Executive Branch (President) can appoint federal judiciaries and the Supreme Court can rule out executive orders. The insane political-left is brazenly attempting to now pack the supreme court. The Supreme Court could retroactively charge the Biden Administration with treason, however doubtful – Just a possibility. The Legislative Branch (congressional) can impeach a Chief Justice, while the Judicial Branch can declare legislation unconstitutional. The president can remove members of Congress, while the President is responsible for legislation, not for granting confidence motions (responsibility and representation of aspects of government by congressional representatives). The president can also arrest a federal judge. Congressional enumerated powers are that of coining and regulating currency, directing interstate and foreign affairs, raising armies, as well as declaring war. Furthermore, a parliament is a

monarchical congressional. The corrupt relationship between congressional committees, bureaucracy ('red tape'), and lobbying is known in the U.S. as the 'iron triangle'. Wealth creates legislation that creates more concentrated super-wealth via fiscal policy of tax, deregulation, rules of corporate governance, etc.. Financial institutions and multinational corporations run today's world who's maxim is dominate. Corporatist America has acted to delegitimize the U.S. constitution by becoming an unconstitutional regulatory technocratic administrative state. Excess agencies for accommodation just enlarges the government. Lawmakers shouldn't delegate to administrative agencies, empowering their promulgation of a tribunal. Courts shouldn't defer to agencies and special interest groups. The executive head of state (president/chancellor/monarch/dictator, etc.) shouldn't have the authority to delegate to agencies without congressional approval. Officials are granted qualified immunity (exploiting loopholes in the law), which has allowed agencies and private entities to tarnish the U.S. Constitution, to an extent. Habeas Corpus (comprised of US Constitution articles 1-9) states the right to a trial and article 11 states innocence until proven charges. The head of state can reorganize the executive branch to order all actions necessary or required to maintain approvals, with the ability of regulatory review (the president can oversee policies, rules, and regulations for issued by federal agencies — and to orchestrate clinical trials. Agency policy and enforcement shouldn't dictate procedures via adjudication). It's a travesty. The administrative state abuses fiscal policy, like taxing the private sector to fund an overextended government budget. Property tax, sales tax, and federal and state income tax should be implemented in every state at about three percent, with the IRS

eliminated. Federal task forces should be assembled when necessary and then disband, but the FBI should be eliminated. The FBI puppeteers crisis-actors, as with false-flag U.S. shootings. In a democracy, a majority of delegates can impose its will on the country, despite the minority vote. The Founding Fathers had three mottos in Latin, being Annuit Coeptis (our enterprise is a success), Novas Ordo Seclorum (new order of the ages), and E Pluribus Unum (out of many — one). The Founding Fathers made the complex U.S. government, so it's difficult to get things done and keep them that way. The three branches of government and federalism (having state governments) are a testament to this partitioned system. The Founding Fathers were geniuses and knew how to structure the country to create stability for the coming generations that had to deal with Jews and their Gentile-lackeys. The visionary Founding Fathers knew that it wasn't going to be an easy transition into a free world. The Founding Fathers were Satanic/Luciferian federalists. Federalism is defined by having regional governments (states) that combine into a general government, having regional constituents within a single political system. Federalism was conservative in that ex-military, landowners and businessmen supported it over sovereign statism. Federal states must compete economically for residence and jobs, unlike the federal government that provides subsidies. It was federal supremacy against state sovereignty. Reserved powers are of the state, but the federal government will prevail over states if it comes down to it. Many Americans feared federalism would lead to a plutocracy. The poorer south was against federalism. The Founding Fathers knew that they needed to make the U.S. secular in their mutiny against Rothschild and Vatican controlled Great

Britain. Neoconservatives push for Christian clericalism. George Washington held the pose of Baphomet that is a half man and half woman body with a goat head, pointing at heaven and earth. Capricorn is connected to the Magnum Opus. Pan the goat god that played the 'pan flute' and originated as the son of the Greek God Hermès in Greek mythology (Roman Mercury). Magnum Opus (greatest work) is ruled by Capricorn that's about bringing the spiritual into physical existence. Pan is the Greek Dionysus — the God of gnosis (knowledge).

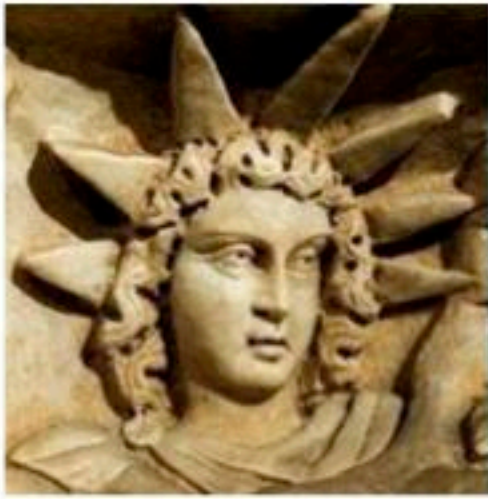

-Dionysus and 'Jesus' were both born from a mortal woman and fathered by a god, returned from the dead — and turned water into wine.

Pagans were knowledgeable about occultism. Astrology long predates Assyria. In mythology, Dionysus (Lucifer-Satan) the son of Zeus, came to save Gentiles from Saturn (degeneration). This was perverted into Jesus the son of Jehovah coming to save the world from Satan. The tale of the Pied Piper who led children astray originated from Hamelin, Germany at approximately 1300 CE. The Jewish created and operated Catholic Church Associated the 'Devil' with Pan. Pan is Cernunnos of Celtic mythology, who is a god-man with antlers. Pan is also Herne the Hunter of English folklore (all the archetypal 'Horned God'). Enki is Oannes and Dionysus is Ioannes. Cernunnos (left) is depicted the almost identically to avatar Shiva Pashupati (right).

The Statue of Liberty is depicted as the Roman sun god Sol Invictus and the Roman Goddess Libertas, who is the Demon, Lady Astaroth, who is the pagan Goddess Inanna/Ishtar/Astarte/Isis/Athena/Freyja. Her principality is the United States of America.

Flexner: Terminology of Enlightenment-Era Deism

"Washington's religious belief was that of the enlightenment: deism. He practically never used the word 'God,' preferring the more impersonal word 'Providence.' How little he visualized Providence in personal form is shown by the fact that he interchangeably applied to that force all three possible pronouns: he, she, and it."

-- -- James Thomas Flexner, in *George Washington: Anguish and Farewell (1793-1799)* (1972) p. 490, quoted from Ed and Michael Buckner, "Quotations that Support the Separation of State and Church"

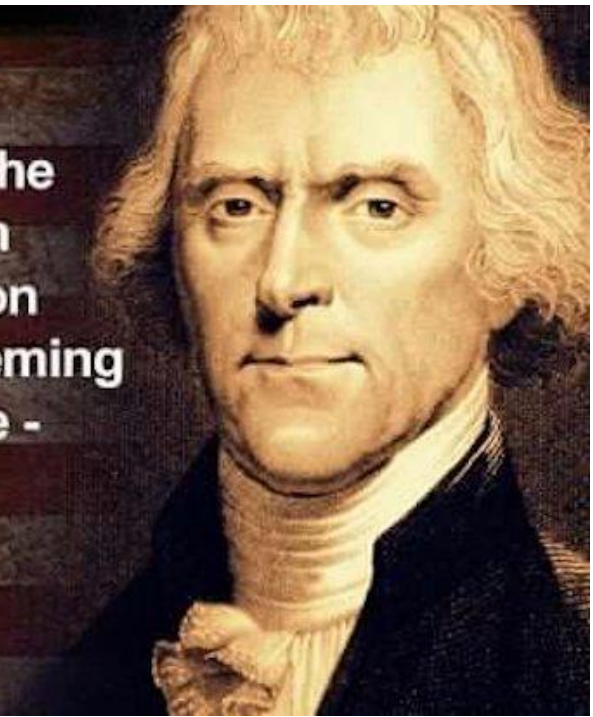

While rather private about his religious beliefs, George Washington **was an Anglican**. General Washington at Christ Church, Easter Sunday, 1795 by J.L.G. Ferris.

"I have examined all the known superstitions of the world and I do not find in our particular superstition of Christianity one redeeming feature. They are all alike - founded on fables and mythology..."

-Thomas Jefferson
3rd President of the United States

This would be the best of all possible worlds, if there were no religion in it.

~ John Adams

"The general principles on which the fathers achieved independence were the general principles of Christianity... Now I will avow that I then believed, and now believe, that those general principles of Christianity are as eternal and immutable as the existence and attributes of God."

John Adams

(from letter addressed to Thomas Jefferson, June 28th, 1813)

"As the Government of the United States of America is not, in any sense, founded on the Christian religion,—as it has in itself no character of enmity against the laws, religion, or tranquility, of Mussulmen [Muslims],—and as the said States never entered into any war or act of hostility against any Mahometan [Muslim] nation, it is declared by the parties that no pretext arising from religious opinions shall ever produce an interruption of the harmony existing between the two countries."

-Treaty of Tripoli

Signed into Law by President John Adams, June 10, 1797

James Madison

We have staked the whole future of our new nation, not upon the power of government; far from it. We have staked the future of all our political constitutions upon the capacity of each of ourselves to govern ourselves according to the moral principles of the Ten Commandments.

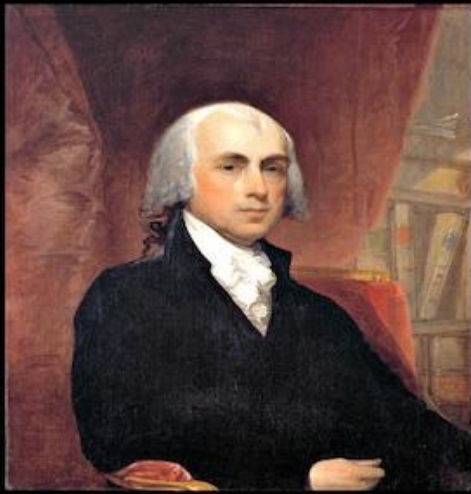

AZ QUOTES

“Religious bondage shackles and debilitates the mind and unfits it for every noble enterprise.... During almost fifteen centuries has the legal establishment of Christianity been on trial. What have been its fruits? More or less, in all places, pride and indolence in the clergy; ignorance and servility in laity; in both, superstition, bigotry, and persecution.”

~ JAMES MADISON

"The belief in a God All Powerful wise and good, is so essential to the moral order of the world and to the happiness of man, that arguments which enforce it cannot be drawn from too many sources nor adapted with too much solicitude to the different characters and capacities to be impressed with it." James Madison (Father Of Bill of Rights)
letter to Frederick Beasley, Nov. 20, 1825

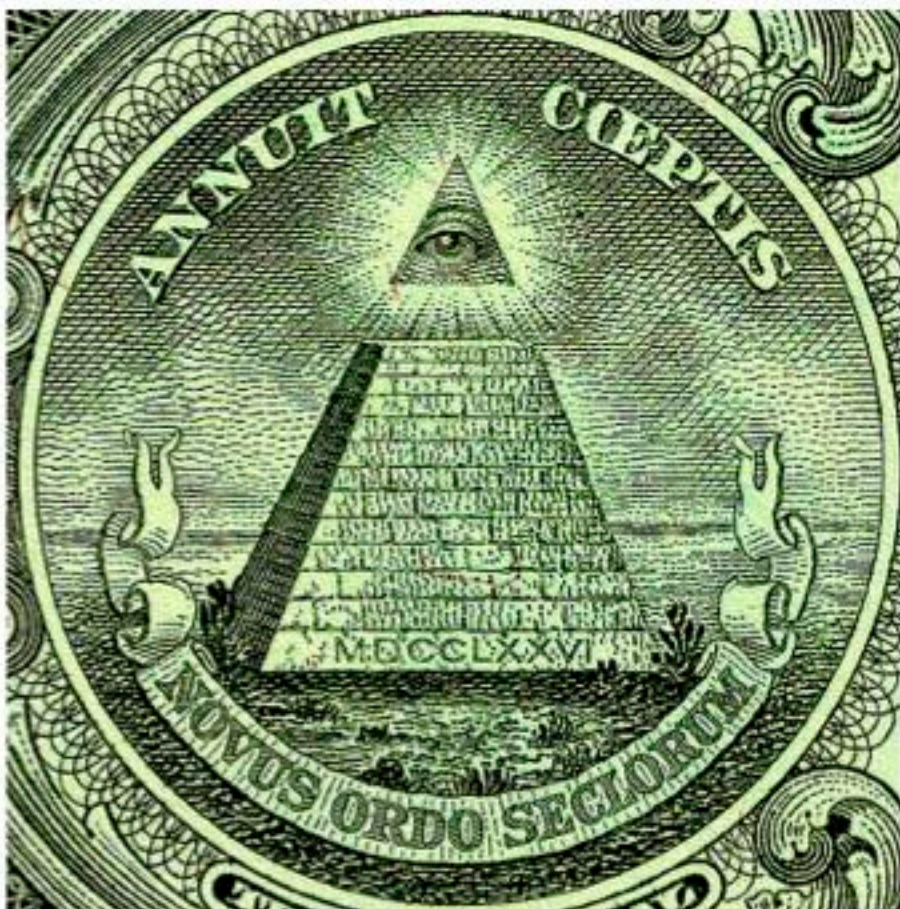

Benjamin Franklin

In his autobiography, calls himself "a thorough Deist." "I began to be regarded, by pious souls, with horror, either as an apostate or an Atheist."

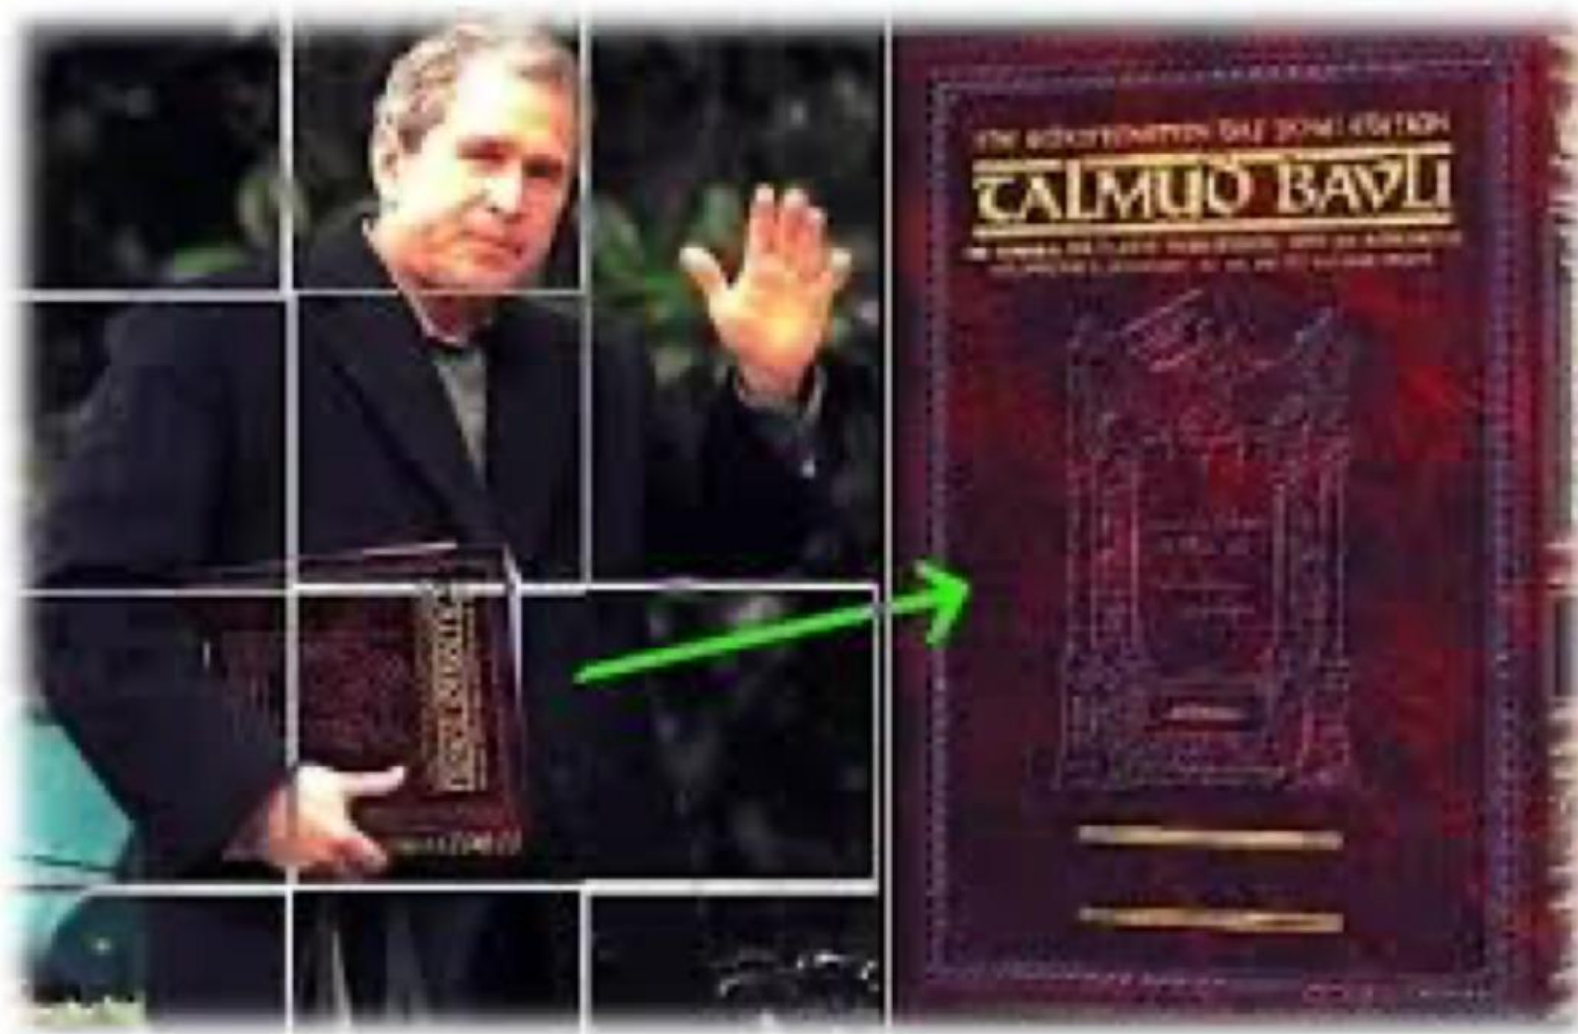

A deist believes in God, but rejects revelation (the Bible), organized religion, miracles, and knowing God through Jesus Christ as Savior and Lord.

Israel stole the hexagram from India. It originally was Vishnu's star, representing 'as above — so below', but was perverted into the Star of David. The 'all-seeing eye' (Eye of Providence) on the Great Pyramid of the US dollar bill represents the Luciferian/Satanic The Third-Eye. Dwight Eisenhower and the 84th Congress had 'In God, We Trust' labeled on money. Jewish-owned Democrats spy via phones, televisions, and cyber-spying, like Facebook, web browsing, the unconstitutional NSA tapping calls, and even through HD-TV and computer screens. The Jewish elite discreetly displays Freemasonic symbolism (like on the U.S. dollar bill) to fool the deluded masses that the 'Luciferian/Satanic Illuminati' is evil, which serves to validate Christianity. Many vulnerable seekers of truth fall for this Jewish ploy. Siri is 'iris' spelled backwards.

George Bush Sr. was a member of the Skull and Bones — a Yale secret society. George W. Bush read the 'Satanic' My Little Goat children's book to the class, which was a blatant mockery of the goyim. George W. Bush knew about the attacks before being informed that they were carried out by his security agent. George W. Bush takes a class to study Talmud. There are rumors that the Bush family is Sephardic Jewish; however, this seems like conjecture. A Gentile who helps advance Judaism are 'righteous goyim' and Gentile aristocrats wouldn't challenge the elite.

'oyghgh veyghgh, righteous goy!'

The decline in Christianity led to Evangelical fanaticism, where Catholicism is perceived as a pagan influenced cult, being infiltrated by the 'devil'. The pope wears the hat of the fish Demon Dagon.

The Notre Dame cathedral burning was an omen for the demise of Christianity. Jews use attacks on Abrahamic places of worship as an opportunity to garner sympathy, due to growing animosity towards these religions. Genetically Jewish wigger Marshall Mathers posing with one eye covered, symbolizing the 'all-seeing eye', as many Freemasonic celebrities do.

Kobe Bryant holding a Freemasonic hand gesture that is a mudra (crown chakra empowering pose). Non-coincidentally, this hand sign represents the Freemasonry symbol, as well.

Kobe Bryant and his daughter were Illuminati human sacrifices, which is hidden in plain sight. This Jewry was foretold on the cartoon Chamberlain Heights in 2016. He was a dick, dirty player, and rapist, but it's tragic because of his family. Yet another heinous Jewish crime in plain sight.

In 1909, we lost everything.
My father caught on.
1st to the Bilderbergs,
then he caught on the NASA.
He demanded to know who the grey's were and why they were here.
They killed him.
I strategically staged my own death, allied with the one person in this world whom I knew was honorable enough to trust, and we began to build "The Plan."
Penance is coming.
Regardless of what you think, you are not yet awake.
You do not know how deep this goes.
If you knew, you could not sleep.
Many of you could never go on.
You need each other.
You need every ONE of you.
Learn to play nice with each other or be left behind.
If one stumbles, pick them up.
If one asks a question, give them the answer.

That is how we grow.
There's no more room in the plan for arrogance and self importance.
If you turn ONE away, you've hurt the plan.
If you hurt the plan, you'll be left behind.
We are watching.
We see it all.
There are no secrets.
You would never believe the files kept on everyone of you, for that matter, you'd never believe WHERE they are kept.
Prepare for the next phase.
Prepare each other.
You are one.
And...

The Protocols of the Learned Elders of Zion was the first conference of the Jewish elite, held in Switzerland for planning world domination. Anyone with a copy of this book in the USSR was executed, lined up against a wall and shot by a KGB firing squad. The Jewish establishment claims the original was 'anti-Semitic propaganda' of Czar Nicholas II. This book was unleashed to the public in April 1903 because of the Kishinev pogrom (looting and vandalizing of a Jewish neighborhood). This occurred

due to the discovery that the Jewish community was involved in the kidnapping of a Gentile child named Andrei Youshchinsky. He was ritually sacrificed for sorcery against Czar Nicholas II. The Christian mystic useful-idiot Sergei Nilus' official version is a plagiarized forgery. The Bohemian Grove in the Redwood Forest in California is a Jewish extravaganza, where tycoons of banking, economics, politics, the media, the Vatican and Jewish religious institutions, gather for extracurricular activities. They hold their council and conduct a ceremony, in which they are adorned in Satanic Black Masse ritual robes before a 40-foot Canaanite (pagan) stone owl. This fools the masses into believing that it's devil worship. Human sacrifice has been performed before this owl. This was caught on tape by alternative media analyst Alex Jones and Mike Hanson. This ritual the Cremation of Care is an imitation of a ritual to the Canaanite idol Moloch to fool the masses that it's Satanic/Luciferian, who was worshipped as a humanoid-bull idol, that possibly originated during the Age of Taurus. Moloch/Molech /Melek is Semitic for 'king'. 'Moloch/Molech is Yahweh/El Shaddai (Reptilian gods) around 300 BCE at Carthage. Skeletal remains of these infants (and animals) were found in urns at tophets at several gravesites there. Experts (scholars) believe these sites were burial grounds. However, Biblical 'Judahites' (just plain old kikes) sacrificed children to Moloch Yahweh. Israel reigned in the Bronze Age and likely sacrificed Canaanite babies to Moloch. Canaanites became Phoenician and were Roman, Lebanese Greek and Berber (North African), like some deluded Christians argue. Only in one passage of Jeremiah does the Bible relate Moloch to Baal. Jews slandered Egypt for animal sacrifice. Jews are all about blood sacrifice.

The itinerary pamphlet depicts a charred skeleton.

The Jews prefer blonde-haired and blue-eyed children for sacrificing. After sodomy, the Jew chases the child around their chamber halls to scare them and another will be waiting around a corner with a knife. The Jewish cabal banished Lucifer-Satan with their cabalist sorcery and then perform a ritual sacrifice that feeds the Reptilian gods Lucifer-Satan's racial (probably Aryan) child. The secretly Jewish Walter Cronkite voices Dull Care (personifying the owl statue) that represents an idol of Lucifer-Satan — being pre-Hebrew Moloch (Baal/Beelzebub [seems originally to be Baalzebub before the Jews]/Enlil/Thor). Dull Care personifies reason alone to the unwitting, given they

lack knowledge and just assume it's a Satanic ritual. Dull Care calls out the merchant Jew and literally tells them that they're small triumphs are insignificant and that they're weak, trying to burn the effigy in his image, which accounts for nothing. It's obvious that they are imitating Father Lucifer-Satan. It seems that the Jewish elite are symbolizing removing their 'dull cares' (Gentiles) from the world. Jewish elite reprehensibly terrify a Gentile child by chasing them down a chamber corridor, while some other Jew waits around the corner to kill stab them. An old elite Jew will lay with young Aryan virgins just to absorb their life force, using knowledge their vampiric occult power. The Bolshevik Revolution occurred in 1917, after Zionist Jews deposed the Rus immigrant Scandinavian Viking Gentile Tsarist autocracy by assassinating Nicholas II and the Romanav family. This coup is how the Soviet Union was created. The Zionists who executed this operation came over from New York City on a ship during World War One, sent by Jewish bank Kuhn, Loeb and Co. who helped fund the Jewish Bolsheviks. Leninism is defined as the political theory for the organization of revolutionary vanguard party and the achievement of a dictatorship of the proletariat (working class) as political prelude to the establishment of socialism. Lenin was a 'progressive' for killing all the people to achieve his goal. Lennon was progressive for killing all the people he felt he needed to. This is about becoming united by a common struggle that creates a situation where sensationalistic 'glorious' revolution occurs, by force (vigilante justice) if necessary. Judeo-Bolshevism of Russia killed now less than 20 million people behind the Iron Curtain of communist Soviet Russia. In 1932-33, the genocide via starvation of about 3.9 million is known as the Holodomor. Soviet Russian whites were indoctrinated by the Bolshevik Jews, just like with ex-KGB Putin today. This oligarchy kept their nepotic mass wealth

secret, as they sent stores of grain to Moscow and built their military for their second war with Germany. Russian Gentiles were indoctrinated to a fault that capitalism created a concentration of wealth. The Zionist controlled U.S. was recovering from the Great Depression and willingly aided and abetted the Soviet famine, quelling the truth from surfacing in the media, while investing in the Soviet economy that condemned capitalism. Socialist/communist ideology has led to over 100 million deaths. Bolshevik Gulag concentration camps in Siberia and Kolyma (East Russia) were used to intern and systematically work these poor people to death. These Gentiles were tortured beyond belief. The Zionist USSR even persecuted some Jews for show to. Lenin was too gradualist for Stalin. The Elders of Zion had him killed and promoted their crypto-Jewish thug Stalin (apparently, Dzhugashvili, a Georgian surname, means 'son of a Jew'). Karl Marx, the Bolshevik philosopher and his revolutionary successor Vladimir Lenin were Jews. Communism is defined as a form of government inspired by Jew Karl Marx, that advocates class war that leads to a society in which all property is publicly owned, while each individual works and is paid according to their abilities and needs. Fascist left-wing corporations want class warfare disguised as race warfare because it removes the middle class. This doesn't help the poor become empowered. Communism claims equality but becomes plutocratic left-wing totalitarianism with universal basic income and no inheritance. The rich keep their money and become a tyrannical dictatorial plutocratic- oligarchy. Kleptocrats privatizes profit while nationalizing risk and their corporate cronies manufacture inimical neo- Marxist 'woke' advertising. Socialism dictates individuals can't own land and the state owns means of production, distribution and exchange. Life-quality depleting socialism gears society towards

classlessness for the good of the group. Socialism has excessively high taxes. Ideological subversion is a pernicious Bolshevik KGB (USSR security agency) Jewish sorcery that deceives the masses to oblivion by Marxist-Leninist indoctrination via the process of 'active measures'. The conditioning process is 15-20 years to demoralize a nation and then another 15-20 to normalize the masses via ideological subversion. Subversion in Latin means to overthrow. The Jewish media uses catch phrases (like 'the new normal') and keywords to condition the mass populace for communism. Marxism is Talmudic protocols applied to politics. Marxism is a theorem and 'methodology' analyzing and critiquing societal conflict relating to class relations, economics and politics. It uses a materialist interpretation of historical development and a dialectical view of social transformation for 'emancipation' of the working class. Marx argued that worker specialization and a growing population diminishes wages — that the value of goods and services doesn't account for the cost of labor. The guise of Marxism is that workers should control means of production. Marxism indoctrinates that all people must uprising to enforce equality. It emphasizes class dictates how people think and ideas come from these historical patterns. Marxism asserts that if the method is continuously attempted then it'll eventually work, which is Jewish insanity. Marxism creates a dichotomy by generating anger amongst the blue-collar proletariat against the white-collar bourgeoisie. After the colossal failure of the USSR, Marxism was rebranded from being economic — by leftists (socialist opposing the free market) synthesizing it with pseudo avant-garde pretentious drivel of postmodernism at the Jewish Frankfurt school of social theory and critical philosophy of extreme relativism (reality is merely 'interpretation'). Postmodernist

critical-theory dictates rejection of societal norms by relegating these categorizations with a the brainwashing of social-constructivism (alleging that race is a social construct). Cultural Marxism (neo-Marxism) is about the oppressor (whites) and the downtrodden. The radical left states that those who are not in power are not racist, which is ridiculous. Cringeworthy cultural appropriation is a result of Cultural neo-Marxism. Postmodernism indoctrinates that having a humble and ambiguous pseudo-epistemological worldview is crucial — that evaluation is subjective, so rules for others aren't objective. It's warped insanity of the Jew to destroy perception of the foundation of threatening truth so their lies survive. Leftists aren't capable of logical inquiry via investigate, or capable of using discretion to differentiate logic from emotion. They morally posture to be as sensitive as possible on sociological issues. They hypocritically rebel against power structures, but they themselves sanctimoniously feel that they're qualified to call the shots because they're compassionate communitarians. Postmodernism was influenced by the very influential French philosophy. Postmodern art is devoid of creativity, in that it lacks skill and divine inspiration. Postmodern art can also be perverted and morbid. It's always off-putting and even unsettling, to some extent. As shall Dr. Jordan Peterson points out, Postmodernism denies historical narratives and Marxism is predicated on one. These two philosophies of Jewish insanity are combined anyway to create mental instability. Neo-Marxism is a struggle for and fixation on power, so leftists have a proclivity to control and greed. Leftists become entitled narcissists. There's no negotiation with these people. Studies in humanities have been perverted greatly due to Cultural Marxism. Psychology is a science, but Cultural Marxists want to change it to the humanities

category. The social sciences are being undermined with ideological subversion. Leftists are grotesquely delicate and feeble. Some extreme leftists argue that pedophilia is natural. Not a surprise given that Abrahamic religions and communism are all Jewish and condone sexual-crime. Cultural Marxism creates the presupposition in society that Aryans are guilty and should be sorry. Radical leftists are blatant about it. 'Racist' was coined by Bolshevik Jew Leon Trotsky in 1917 to slander all nonconformists to the communist ideology of assimilation. Leftists believe in combatting 'institutional racism' (which doesn't really exist anymore, except anecdotally). Equal outcome (equity) over equal opportunity is antithetical to the meritocratic ideal — and is minority privilege. It states that whites already have a racial hand-up, disincentivizing and instilling resentment in brown people against the colonizer, whip-'cracker'. Neo-Marxism dictates that white ascendancy was based on a historically privileged geographical access to recourses, which is nonsense. An extreme example is that primal Aborigines had wood, but they didn't conceive the concept of creating a violin, let alone learning how to play it — regardless of their ignorance of metallurgy. Cops are told not to police the same in certain communities because they don't understand the culture, blacks get raised SAT scores — while Asians get docked, even if they're poor. Another example is blacks receiving subprime loans without being required to meet qualifications. White households make less than many Asians and Indians. American-Ghanaians and American-Nigerians are on average financially well-off. Perseverance in school leads to high-paying work that would eliminate student debt by making it manageable in long-term incremental payments, as the graduate would have enough money for that and life. Cultural Marxism

creates minority entitlement to quotas because the 'white man' suppresses and denies them. Men work more hours than women and are generally more qualified for higher positions in the private sector. The white man dominates in the realm that he creates, which is at the top of the natural hierarchy. The change to equality to close the gender pay gap is gradual and feminists want instant gratification via raises. Whites are forbidden from white nationalism, or else they'd be 'racist xenophobic bigots. White Privilege, Black Lives Matter, Antifa, 'Islamophobia' and 'toxic masculinity,' and are forms of Cultural/ neo-Marxism. Educated Jews think blacks are stupid. Hypocritical doublethink (having contradictory — diametrically opposed beliefs from indoctrination) is something Democrats express, as they're accused of incorporating fascist tendencies — by enforcing their beliefs through media indoctrination and revolting by force via Antifa. A 'micro-aggression' is something prejudiced a white person states unknowingly, like '..yeah, from that *little Asian* lady' at the Circle K.' Leftist whites patronize Gentile brown skinned people because they don't know being brown. Leftist whites ardently believe that they deserve a gold star for speaking for brown people, as if brown people were children and can't stand up for themselves. It's truly patronizing. Leftist whites even audaciously put Black Lives Matter shirts on their children. White-Privilege is touted as anti-racism, which is a hypocritical double standard. Democrats blame conservatives of which they themselves are guilty. Blacks who kneel for the national anthem haven't sacrificed for our country, outweighing their frustration. It's not like they're mass-funding ghettos for gentrification to the best of their ability. The notion of 'white privilege' is a zero-sum mentality and travesty, in a neo-feudal system where whites have been oppressed the most for

centuries. Blacks oftentimes have a poor work ethic and low motivation for education. Blacks have a college dropout rate of 31 percent while whites have only 14 percent. The poverty-rate of college graduates is 6.6 percent. Ghetto culture is anti-academia because it'll make one an nerd and/or 'uncle tom.' When they put in effort, it's very focused on athletics. Neo-Marxists complain about 'institutional racism'. It's up to blacks to fix their neighborhoods, not whites. Blacks have children out of wedlock and the immature father bails, contributing to chronic poverty. Poverty comes down to personal responsibility. Cultural Marxism cultivates victimhood in neo-liberal brown people's minds. More whites die by cops than blacks, more blacks kill blacks than cops — and black crime (including homicide) is higher than white crime (50 percent of U.S. crime), even though blacks are a minority. Blacks make up about 13 percent of the U.S. population. A cop is 18.5 percent more likely to get shot by a black person than a black person is likely to get killed by a cop. There is roughly 6,000 U.S. acts of violent interracial crime a year, excluding homicide, and 85-90 percent of the time it's a black offense. Black crime in Baltimore is worse than Iraq, Guatemala, Honduras and El Salvador. Black rape-rates are off the charts around the world. An utter lack of maintenance and furnishing in black neighborhoods, shows Democrats' true intent. Pathetic 'white guilt' is implicit within liberalism, obligatory with leftism and is like Christians feeling the need to atone for 'original sin.' More whites were sold into north African slavery than blacks were into America. This doesn't excuse white men for raping black women and brutalizing their men in the past, but those were the times — it's over. Many things of the past are regrettable, but do not deserve guilt. More whites were sold into north African slavery than blacks were into America.

Democrats' argument for black oppression and white privilege also includes but is not limited to being: followed in a store; called racial slur; avoided as someone crosses the street to in passing; having someone hold their purse close in an elevator or subway; getting get off public transportation early to get away from you; being accused of not being able to afford something expensive; fear for life the stopped by police; never been given a citation pass that that you deserved; stopped or detained for no valid reason; been bullied for race; denied service for race; teach children not to get killed by police. They need to take responsibility as a race, but their stifled with heady indoctrination (blacks are the easiest to indoctrinate) most of them can't reconcile. Jew Isidore Witmark created caricature of blacks on global media in the late 1800s. Cultural Marxist inter-sectionalist identity politics works to no avail, as it only empowers national populism. Inter-sectionalist theorists don't understand that individuality creates the ultimate minority. The communist Bolsheviks first touted that they were socialist to appeal to the masses. Neo-Marxists argue that socialism technically didn't fail in the USSR because it became Bolshevik communism. The more conservative Bolsheviks did away with labor unions — that fascism/socialism support, and permitted capitalist superprofits (exploitation of labor). Reagan doing this benefitted insurance companies. The common recursive arguments that 'failed socialism wasn't real socialism' and 'it'll work next time' — stems from this trap of a fostered attitude. Socialism appeals to emotionally motivated idealists. Marxist socialism is to make the people accept a Leninist red revolution as the solution. Marxist/Leninist Socialism inevitably fails and becomes communism. Power is of the state, not the people. National Socialism is however, unifying. Bolshevik Socialism can't follow

through on it's empty promises. Legal plunder defines the fascist corporation of America. False-philanthropy neo-liberal behavior. Obama funds one community center and Lebron James creates a school. They're rich and do one little thing and are considered philanthropic, it's a shame. Democrats create poverty and then offer concessions to the public. Letting illegal immigrants into the country to rig an election and subvert the lower and middle classes of America is another example of false philanthropy. The youth of today want free public goods and even private goods (services) for free. This is financially unsustainable in the long run. The middle class 'bourgeoisie' is destroyed on the illusory premise of prosperity via equality. The middle class needs to disappear for Leninism to occur. The coronavirus economic shutdown is an attack on small businesses, being the middle class. Denying this fact is non-sequitur. The census was that the true revolution would need to occur in Germany, being the most advanced democracy. Useful-idiot German Gentile Fredrich Engels was a proponent of Marxist socialism. He elaborated on the Marxist concept of the state 'withering away' (to the mirage of 'libertarian socialism' with bartering communes). Democrats wants deprivatization (state-regulation) of technology like energy, manufacturing, healthcare and education. Single-payer insurance would put the U.S. at least \$30 trillion in debt in a decade. Single-payer taxes would hurt the middle class, such as those receiving Medicaid. Taxation deadweight-losses are inefficiencies produced by over-taxation that quells economic growth. Increased taxation means less money to invest, higher prices, and employees being fired. This would cause job losses and diminished economic dynamics. Koch Industries had a research paper published about how Medicare for All would be

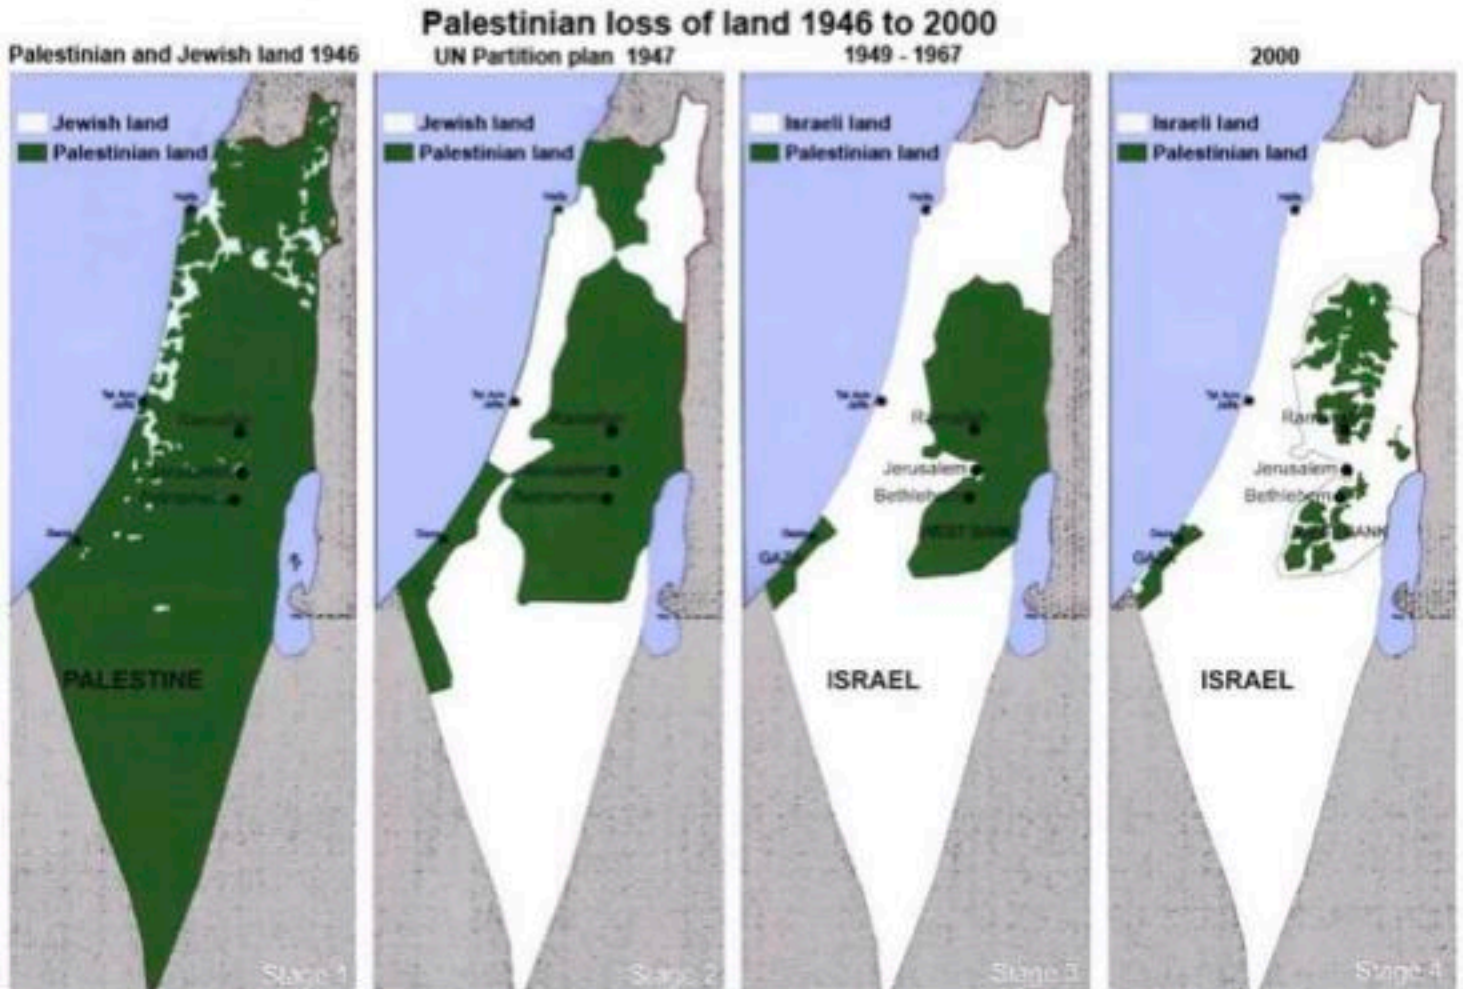

affordable, saving \$2 trillion by transferring the \$32 trillion being spent privately to the government. It seems legit in theory, but it's essentially junk-science. The filthy-rich want corporate welfare with mass-welfare for the populace to create a welfare state that becomes indebted and collapses, destroying capitalism (competition). Expanded taxation wouldn't fund 'Medicare for all' because supply would be overwhelmed by demand — and the healthcare sector would have to compete with the government for limited financing. Single-payer taxation imposition on the wealthy won't be financially sufficient because there'll be additional demands for services. There won't be enough doctors to treat the swarming influx of patients and low-quality care would be provided. Healthcare would be politicized and subjected to bureaucratic authority raising rates and rationing care for arbitrary cost targets. Lower insurance Medicare rates would be nullified by higher taxation — to an extent. The poor would still be poor and the wealthy would lose money. Wait-time for treatment would be excessively longer. Specialized and costly care wouldn't be a priority. If someone needs care, they can't just get any doctor just because they can afford one. Britain recently canceled and postponed 50,000 surgeries due to the flu. Over 20 million seniors would lose their Medicare Advantage Plans. Physicians would receive less pay with more government regulations. Doctors would have to be paid less in the attempt to manage national healthcare costs. Medical students oftentimes graduate with debt and can't afford pay cuts. There would potentially be millions of medical job losses, including ancillary medical services. The government would invasively take inventory of personal belongings. Investors would flee to places like Switzerland, India and China, etc.. This would put U.S. employees out of work. Medicare fraud within a

large scale single-payer system would damage the economy and inaccurate cost estimates would be bad for patients. Also, Medicaid needs to become a block grant because its uncapped funding costs the U.S. too much money. Democrats have demonstrated their opposition to this by having prevented the Trump Administration from reforming national healthcare. Many young Americans of the political left like the idea of socialism because failed capitalism (contemporary capitalism) creates debt. Scarcity is where having higher payments on social programs will hurt those paying, plus the next generation. Smug corrupt Democratic college presidents and professors benefit through profiteering. The board of education has bureaucratic affinity for Cultural Marxism for unitary universities, not requiring a logically coherent methodology for their research. Analyze: examine/ order; assess: process/estimate; evaluate: Judge judgement. Leftist qualms are emotionally loaded hyperbole. Leftists feel they are being straw-manned (an intentionally misrepresented proposition rather than the opposition's actual point) because they're psychotic. Left-wing journalism is about writing opinion pieces. Collegiate corporate endowment needs to be federally seized to pay for student debt. Young Americans are not getting married and having kids because they can't afford it, due to student loans. Generally, it's very difficult to raise a child on \$40K annually. The Jews aim to destroy the Gentile family, as the Biden administration moves to rid of joint-marital taxation. A healthy economy needs to provide the opportunity for one parent to support a family. Democrats would sacrifice liberty on their own 'volition' for illusory security. The cognitive dissonance of the political-left is astounding. The social-democratic Nordic Model (mixed-market. State capitalism is where the state owns production in a free

market. The Nordic Model is quasi-socialism. These republics fought communism in World War II. For example, Norway invests in companies' stocks, but all these E.U. countries are free market capitalist, not a redistributionist command economy. They have mixed economies with gratuitous welfare programs and many workforce unions. Unemployment insurance, like welfare, generally lowers incentive. Workman's compensation is a quasi-socialist public service. With socialism, there's comes an inability to generate enough revenue to even meet expenses, let alone to make a profit. Leftists are literally socialists used to do the communist oligarchy's bidding. Leftists are instrumental in destabilizing a nation by enforcing ideological subversion. There are constitutional inalienable negative rights (land, liberty and property) and — positive rights (government granted (conceived by John Locke — a philosopher of the 1700s). Leftists are then assassinated for speaking out against the establishment once they have become radical and disillusioned from knowing too much. They aren't allow to impede, or seriously compromise a red revolution. Those who are victims of ideological subversion cannot critically examine, assess and decipher information to conclude that facts are true. Some presumptuous leftists will accuse valid facts of being cherry-picked even if they're from the FBI website. They're totally irreconcilable. The Jewish KGB used ideological subversion and the CIA uses it in the U.S. Governments aren't just focused on espionage, like fake news and Hollywood media make it seem. British secret service MI6 is just like the CIA, as cool as 007 is. Liberalism and socialist leftism use anecdotal arguments. The radical 'progressive' political left dismisses the political right as being as much as literally criminally insane, so that they can don't have to contend in an argument. Liberals believe that

Republicans are crooks that want to destroy government by 'slash and burn' corporate deregulation, but Democrats can't lie because they have to back up their claims by making government work. This attitude allows Democrats to feel exempt justified enmity for conservatives. Democrats assign unlimited liability onto Republicans. Israeli/American dual citizen Jews are not taxed for funding their American lobbies. Zionist-globalists have made it so U.S. tax dollars go to funding N.A.T.O. allies' defense budgets, compounding U.S. debt. The Zionist 'deep-state' is comprised of the CIA, corporate lobbyists of special interest groups, globalists and AIPAC (American Israel Public Affairs Committee) working together in tandem. The U.S.A. Chamber of Commerce is the largest lobbying groups, finding conservative candidates. The Heritage Foundation (neocon think tank) creates Republican talking heads. The 'deep-state' orders the quelling of conservatives on Twitter. They censor Youtube of anything the Jews deem threatening, regardless of the constitutional right to free speech. The Jewish establishment claims that anti-Semitism is a mental disorder, accusing opposition to Israel's religiously motivated geopolitical genocide of Palestine of being anti-Semitic. Democrats are split over supporting Israel and Palestine. Israel defends itself from surrounding hostile Islamofascism and builds walls, but a necessary U.S. border wall to Mexico is deemed immoral by ignorant liberals. The Declaration was a public statement published by the British Government in November of 1917, during World War One. It expressed support of a homeland of Judea (starting at the beginning of the Iron Age). Jewish Israelites (who controlled Israel and Judea) massacred white pagan tribes in egregious genocide. In 1948, the Rothschild controlled British government ordered the ongoing genocidal encroachment of

Palestine to create the enclave of Israel. The Zionist-controlled U.S. outsources \$3.6-billion to Israel annually for its defense budget – when Jews are already filthy rich. Chicago, Detroit and Baltimore receive no funding. A two-state solution is foolhardy democratic idealism, as 'Greater Israel' brutalizes the Gaza Strip to ensure that Israel endures.

Indoctrinated Neocons (neo-conservatives) state that communism and Christianity are sworn enemies, which is false. Neocons pander to the radical left while espousing right-libertarian ideals. In Paraguay, Jesuits had established a socialist state before Karl Marx wrote the Communist Manifesto. Both are Jewish programs to destroy whites. The Vatican seems to be against Communism, but it works to advance it. 'Jesus Christ' is portrayed as a socialist. Vladimir Lenin

worked with the Russian Orthodox Church to subvert Christianity, as well as outlaw anti-Semitism. Stalin later allowed Christianity. Christianity was never banned from Soviet Russia. The Russian Civil War 1921-28 was when religious persecution of Christians occurred. Deism (Believe in a supreme being that does not interact with this world), agnosticism (open-minded to spirituality 'believe it when you see it') believe it when you see it types), and atheism. Christians are taught that poverty is a virtue, which manifests in their lives. Christian institutions then help the poor they help create. Christianity and communism are brotherhood programs that veil their deceitful treachery. Christianity prepares its followers for communism. Jews design and perpetuate insidious and obscure diversions — an array and nexus of controlled opposition, for leverage: Christianity versus Communism, the USSR versus Israel (Cold War) and modern-day Israel/EU/US and Russia/China being on opposing sides, the Zionist Vladimir Putin (biblical Gog) versus the Rothschilds, Judo-Christianity versus Islam, left-wing versus right-wing, Aryan Jesus, 'pagan Judaism' and the 'Satanic Talmud', politics, capitalism versus socialism/communism, Catholicism versus Freemasonry and Evangelism versus the Vatican, The E.U. opposing Israeli products made on Palestinian settlements, plus institutionalized Darwinism and the plethora of false spiritual dogmas. These tactics fool Gentiles into consent, creating ignorance and subservience. The Jews operate on Talmud protocols to rule the world. The Jewish masterminds of this plan are seeing their fears manifesting as they lose control. Ukrainian social media is informing Russians. Riots over Putin's imprisonment of political opponent, lawyer and activist Alexei Navalny and his outspoken supporters, has caused a plummet in his popularity amongst Russians.

It's irrelevant whether the U.S. has bioweapons labs in Ukraine that were reused from the Soviet Era, which controlled opposition Putin destroyed for the globalists. The Bidens and other corrupt politicians were laundering money through Burisma (holdings company). Russia invading Ukraine serves as a distraction from this situation being exposed with Hunter Biden's laptop scandal. Furthermore, the (((Illuminati))) needs to initiate the next phase of the Great Reset now that Covid-19 has done its job by destabilizing society. This war is a distraction from the fact that the globalists are stealing all our money, jacking inflation, as well to disrupt grain and fertilizer production and sales, which Ukraine has a leading role in. Russia and Ukraine account for just over a quarter of the world's wheat production. Food shortages will be the new normal. The riots from this will be bad, and now the Jews have a villain, Russia, to blame for the coming cyber-attack on the U.S. homeland and economic collapse. Failing to start World War Three in Syria means Revelation never happens and an alternate outcome. Russia has set the Ruble (currency) back to the gold standard, which likely makes other nations go to that over the grossly inflated U.S. dollar. All it would take is a cyber-attack to crash the system (and internet) so the Jews can create lawlessness and mayhem. This is how they plan to cause martial law. Hold up on the Trump 2024 because we're past the point of no return with capitalism. Putin isn't Christian, he brutally kills them for his communist ideating federation.

Vladimir Putin's mother's surname was Shelomova, from Shelomovitch. Putin plays into the communist controlled opposition side of globalism, so he may seem opposed to big banks, but Russia not having a centralized international bank is just decentralization. The Russia-Ukraine war plays into the communist Great Reset. Codex Illumitarius is the United Nations' World Health Organization commission to destroy the natural food industry, as well as cause a global mass-starvation genocide to eliminate up to three billion people. Jew Henry Kissinger conceived this plan 1974. These are the same people who tried to outlaw organic seeds via Jewish Mon\$anto corporation. A cyber-attack is likely part of this plan or will work in tandem with it for the Great Reset. This is how communism has always been. Furthermore, The Global Economic Security and Reform Act, 'GESARA/NESARA (national) blockchain the QAnon quackery is a UBI income fund set up by 'St. Germain,' commonly known as Jew Simon Wolff. QAnon is for Trump supporters ideating a global militarized police-state under some 'fascist' Trump regime. Blockchain would be on a gold standard, but people would likely need RFID for it, if not some new vaccine. A new breed of pro-American politicians has come alive because of the awakening. Don't buy the Area 51 disclosure and secret killings and cloning of celebrities, as it's almost certainly QAnon. Sonic healing machines and anti-gravity are technologies which exist, but CIA-created QAnon spins it to obscure Christian nationalists' future perception. Rainbow currency blockchain-driven accounting would appeal to the gullible masses for holding those in

power accountable financially. The elderly would also receive great benefits.' The Jews want to demoralize Trump after gaining more U.S. concessions to Israel, wrecking patriotic economic-nationalism and thus, pushing their communist movement under a Democrat banner. These Q right- wingers believe it'll be a 'castle down' scenario, even after the faux-inauguration. The proud boys and rogue militants. QAnon and Cultural Marxism are perfect distractions for the coming conflict with China and Russia. 'Trust the plan!'

QAnon: {Q is a secret agent/group in the U.S. military who has had CIA agents psyop him by spreading fake Q info. Trump is a master of the art of war and conducted a sting operation that he's planned for years. He ordered that states were supplied states with paper watermarked to reveal real printed ballots. Kim Jong-un firing a rocket at Hawaii was purportedly a cover story for a different situation. Useful-idiot Barack Obama, George W. Bush, and Hillary Clinton (at least) were present in Hawaii as a CIA submarine surfaced and fired the missile (blamed on North Korea) Air Force One, which failed. The military was on top of it and was ordered to destroy a Pentagon CIA underground bunker base of the 'deep- state' — off the coast. Trump has already had one food taster die of poisoning. The Defense and Intelligence Agency and the Secret Service are at war with the administrative 'deep-state'. Biden is being held out of the spotlight because he's a liability. The Biden Administration will knockout domestic power and order gun confiscations and that all patriots be sent to FEMA. Trump let Democrats set the trap and create all the evidence for their crime. He will be able to use military tribunals for treason, both sections two (states are represented by population density) and three (prevents treasonous government officials from serving in the future) of the 14th Amendment, and impound all rigged Dominion voting machines from a foreign enemy of state. The Democrats want to charge a 14th Amendment violation of Section Two and Three (that they're guilty of themselves), as well as the 25th Amendment, violations against Trump in Congress. He has already signed an executive order to prevent certifying an election that was compromised by foreign interference (China). The U.S. has had at least 750 (commercial not military to bypass the law) 'secret' flights to

Guantanamo Bay daily since November fourth and is preparing for mass-arrests of 'deep-state' officials and Antifa leaders. These CCP (Chinese Communist Party) bought officials are detained and forced onto these rendition (abduction and extrajudicial) flights for interrogation. The Donald will be forced to enact the Insurrection Act. He's had four years to plan for this and wouldn't have expanded Guantanamo Bay by four times just to give up in the end. Massive damning declassifications are coming out soon and will be broadcasted on TV for a 12 days or so straight 24/7. Deep-state actors have already been forced onto military flights and threatened by Homeland Security. The CIA has been audited by the Secret Service. Some of this may be true because of legality, not Q. Trump supporters seized advantage of the situation and raided Schumer and Pelosi's offices, stealing Nancy's laptop. She's now panicking and is again trying to impeach Trump. Trump has signed the insurrection act and is now making deals with generals who will only help him conditionally, as he'll give them war with China in return. The U.S. government is being looted because of the coming global-financial collapse. FEMA (run by Trump appointed Pete Gaynor) and the military was run by Trump appointed Stephen Miller) will conduct a joint-operation of a national emergency, federalizing the National Guard against insurrection. Trump signed FEMA executive order. The siege of the U.S. Capital set up a coup against the imposter Biden administration because now Democrats want the military to protect Joe Biden. On inauguration day, that the military encircle the Biden Administration and then arrest them all, and subsequently quelling all violent rebellion in the District of Columbia on 1/20/2021. It's a psyop (psychological operation) against the Democrats. Trump has lost many allies and was being cut off from people he needs to reach by his security team.

Biden will be tentatively inaugurated first then declared an illegitimate president and the military will likely postpone Trump's inauguration for a second term until March 3rd or April 1st of 2021. The military couldn't intervene because of government secret dirty bombs in major U.S. cities. Trump is still president and Biden is in a mock White House in like Colorado, as troops guard the DC White House. NESARA/GESARA will pay everyone in the world thousands a month so people can have the lives they deserve} Q people will say that they told you so no matter what happens because the far-right reclamation is coming. This is because the evil Hebrew witchcraft is undone as their plans for a global dictatorship rapidly unravel. 'Cuckservatives' are just along for the joy-ride. Something such as a legal disclosure of corruption from Lin Wood (as Q people anticipate) or something that leads to intensive political strife, and even civil war. The establishment fears an uprising, why else would they be cracking down so hard if they didn't. They know that they're playing with fire. Trump just seems to be about the 'art of the deal' and QAnon makes him out to be studied in the 'art of war'. Antifa has noted that they were planning to pose as Trump supporters in Washington in 2020 (highly plausible for providing grounds for firearm confiscation legislation). Q made white Americans do nothing and wait to be saved by the military. Lawyers Lin Wood, Rudy Giuliani and Sydney Powell know well just how real this fraud is. Approximately 133 million were registered to vote and approximately 155 million actually voted. Sworn affidavit stands on its own but Washington DC is too evil. Suspicious how the voting machines are called 'Dominion'. Bill Gates designed Dominion voting hardware and Smartmatic licensed the machines for their software, conducted by Soros. Italian satellites transmitted Smartmatic data, illegally bypassing NSA servers. Italian politics were always corrupt. After the voting sites were

closed to conservatives and 'counted overnight', Trump ballots were treasonously stolen from the voting sites and burned, as well as switched, while Biden votes were re-scanned with no supervision, allowed late, copied, not filled-out, deceased, and illegal immigrant votes (on behalf of corrupt liberal-Republican Chief Justice John Roberts). It was a massive sham. Biden had 22 million illegal votes to win. Long live the God Emperor. Who knows what illegal stuff Trump has done and who cares, seriously, he's trying to help. Who knows what initiations/rituals, mind control and coke Trump had while involved with Freemasonry When criminals are held responsible it will be a glorious day, but might not occur until the Gods and Nazis come back and defeat the enemy. Nazi is a derogatory term, but we don't are, the entire perspective of NS (National Socialists) will be corrected soon enough, mark my words. Trump succeeded in waking people up to the corruption of the U.S. Government on a new level, for many. National Socialism will prevail in America.

Zionist Trump was supposed to lose to Hilary, so when he won, he made sure not to follow through on any of his promises. Republicans say the 'Demoncrats' impeded his progress, but he had the funding and never even got close to finishing the wall. The Trump Administration purposefully violated the Appropriations Clause in bypassing Congress, rendering the border wall unfounded. The U.S. Courts Freemason-controlled, so It was never the plan for Trump's border wall to be built, just to mark nationalist whites as racist domestic-terrorists. He never drained the swamp of communists. He is a pedophile who betrayed America, never denouncing QAnon because that was a backup plan for white nationalists. Trump fired Steve Bannon and hired Jarod Kushner. The Jewish elite hates Donald Trump, but they tolerate him because that's how it turned out. Fuck Donald Chump. The election-rigging was controlled opposition. The internet has exposed Jews and they want conservative whites blaming globalist Democrats.

The military took all of the laptops from Congress when they left the premises. They were messaging the CCP, ANTIFA, and the Fake News. This 'onslaught' of the Capitol Building by 'patriots'/'antifa' was a Sting Operation! They Were Caught Red Handed!

The dude wearing the horns, I explained in another post - he's actually an undercover Marine, and he was playing the part. His name and social media profile, calling him an actor - was fake. He attended protests (both BLM and patriot) shirtless (so obvious to others he is not wired) but, unbeknownst to everyone - he had cameras inside the horns the whole time! Recording everything! He has been gathering intel on Antifa/BLM for a while now. Today, his played his part convincingly.

Jewish George Soros (originality Schultz) funds anti-white sentiment via the media and Cultural Marxist movements (organizations) like Black Lives Matter. Jewish and white politicians are enriched by this, not ghettos. Democrats think that the corporate kingpin Koch Industries is nihilistic, which is true; however, but so Elder of Zion kike George Soros. There's no legitimate solution with capitalism and democracy. Koch Industries funds the cages at the US-Mexico border that were ordered by Obama. The illegal immigrant parents 'dreamers' who bring their kids there are at fault for objectively poor judgment — ideology aside, not the border security agency ICE and Koch Industries. Mass illegal immigration is allowed by the Jewish elite to destabilize the U.S. and Europe with' open borders, causing an inordinate swarm of immigration to crash economies, with welfare and jobs. This segregation law in the South was to keep wanted to keep blacks on the 'democratic plantation' via the Affordable Housing Act of 1968, ensuring Democrat-votes. That's systemic-racism, acting as if brown people are too dumb to apply for ID; that's racist. Voter ID needs to be implemented to combat mail-in ballots. It's a travesty that illegal immigrants are considered eligible to vote. The neo-pagan Nazi Party eliminated parliament and ruled with under the will of Lucifer-Satan. Observe what happens when salaries are awarded to the U.S. Congress because of legislation that they themselves passed. 'The U.S. government is brought to you by its proud sponsor, Rothschild Inc...' His Eminence, Führer Adolf Hitler, ordered all Christian influenced art to be confiscated and Jewish influenced books to be burned. Nazism innocuously dictates that the system of class strata is replaced by race (essentially more socialist). Fascism

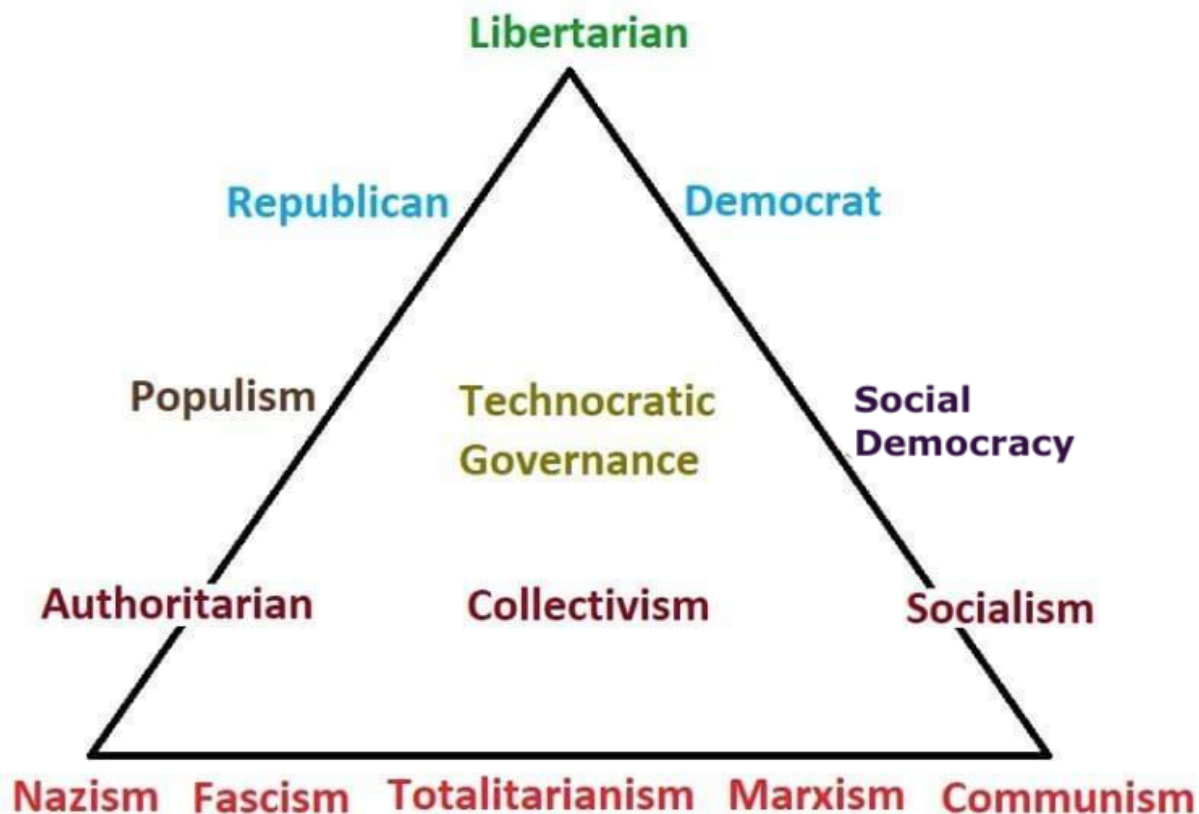

exalts nation and often race above the individual. Fascism has a centralized autocratic government headed by a dictator, severe economic and social regimentation, and forcibly suppresses opposition. Capitalism is defined as an economic and political system in which trade and industry of a country are controlled by private owners for profit, rather than by the state. State capitalism differs from socialism in that it is geared to maximize profit. Socialism gives the illusion of distribution of wealth, but high ranking government officials aren't forced to pay taxes, which creates a plutocracy. Entrepreneurship has created more well over decades, so the top one-percent owing 99 percent of wealth is misleading. The socialist state becomes a monopoly of centralized power. Jewish usury is excessively high-interest rates, which Jews can implement in capitalism, to an extent. This occurs with subprime borrowers (having less than ideal credit), as well as with monetary policy. The Jews have attempted to increase interest rates via the Federal Reserve to crash Trump's pre-coronavirus economy. Hiking rates creates interest (usury because it was done too fast) to the inflated dollar. With inflation, money is then worth less value and is more affordable, which incentivizes investment. Taxing inflation with interest rates compromises monetary value and cash flow. The velocity of money is the amount of time when between when transactions occur. The low velocity of money compensates for low inflation beneficially. Inflation causes GDP to increase because people are more willing to spend if money is becoming less valuable. Outsourced labor increases GDP and hurts the middle class. When velocity of money outgrows GDP, prices soar for the middle class and corporations get bailouts from the government such as

money grants and tax breaks. It's a burnout, vicious cycle and downward spiral. Democrats attempt to tax the U.S. out of the recession. Increasing monetary inflation via quantitative easing — Keynesian 'trickle-down' macroeconomic hypothesis, doesn't work when a country is in debt. Hyperinflation is a situation where money becomes worth exponentially less literally overnight. The Torah dictates that Jews aren't allowed to charge usury rates to other Jews, but only to Gentiles. State-owned banking is done in classical federalism. Capitalism is essentially Torah applied to economics. Capitalism is neo-feudalism. Capitalism consists of private corporate parties that compete. Failed capitalism is corporatocracy (technically not fascism). A corporatocracy is big-business that controls government. Shareholders are enriched in corporatocracy. Jews and corporations find loopholes in the law to exploit. Corporatocracy is when a corporation needs more workers, so they lobby the government and are granted money, as they then destroy healthy competition in the market. Corporatocracy has dictatorial wage slavery. McDonald's lobbies for low wages so their workers will have to buy their poisonous food. Disney helped market McDonald's to children. They had their abandoned Anaheim waterpark poisoned for trespassers where 'goyim civilians' sometimes swam.

The six conglomerates that have transformed America from a sovereign nation into the likes of a corporation are News Corp, Comcast, Sony, Disney, Time Warner, National amusements. Cultural Marxism invalidates diversity by making it about culture and skin color, but there's a genetic component. Cultural Marxism assimilates everyone into groups, which causes individuals to assume unlimited liability based on their group placement, such as whites. This sets a precedent on a false pretext because the most oppressed is the nonconformist. Technocracy is of the intelligencia (specialists). Authoritarianism precedes totalitarianism. The political spectrum goes full circle (3-D), creating like, a prismatic cone. Technocracy is a group of experts that run the government. Fascism meets socialism in the private sector and, where neo-Marxist/Leninist ideological subversion is implemented. Corporatist crony-capitalists want

socialism, corporate welfare, to maintain their vast wealth without competition. For example, multinational oligopolistic corporations push identity politics to the max, such as Pepsi Inc. funding Antifa riots. Corporations fear the globalist-Zionist 'deep-state'. This prison is the likely the best rationalization of pinpointing complex and particular political science, and abide.

The political right commonly refers to the political left as 'left-wing fascism'. Elitism is top-down and pluralism is bottom-up; however, agencies and corporations make trade-offs, as pluralism is the game elite oligopolies play. The government subsidizes

and agencies. Technocratic Democrats have a directive to enlarge government and are paid off. The political left turns to big government to fix things, but the oversized Democrats government does the opposite. Democrats are objectively incapable of foresight of consequences. Karl Marx's criticism of capitalism gave globalist-Zionists the information necessary to crash the system. The Jews enslave with debt. Big cities are generally more Democratic/liberal because there is more demand for regulation. The bigger the government, the more influence and control over the mass-populace of the word it has. This means more taxation and in a free market, more regulations are generally negative. Corporations monopolizing competition, like Amazon (which pays too little taxes) and Starbucks — hurt small businesses and undermine the ideal of free-market capitalism. Capitalism underfunds innovation, even though it relies on it to work. This is a factor in the inevitable failing of a free market society. Sales tax funds education in many states, so online commerce is not taxed, and this lowers education standards. Corporate oligopolies are one with their political lobbyists, that aren't taxed. Citizens United (act against corporate lobbyist electioneering) was lifted by the Supreme Court, favoring the Federal Election Commission. Corporations are private entities, like individuals — and can fund lobbies with no limit. Grandiose Edward Mandell House manipulated Woodrow Wilson to allow the Fed to become the second private entity in 1913, after the District of Columbia — before the free enterprise of the corporation. The New World Order psyop is operated via the Freemasonic global construct, established after Jews infiltrated the Gentile secret-society. The District of Columbia Act of 1871 via

Congress was the drafting of a secret constitution. Originating in England, meaning banking wars overtook shipping and postal (timeline) wars. When someone is born, they're like a product that's docked on a harbor (hospital) and are technically a ward of the state until the birth certificate, a commercial instrument, is signed. This allows for the issuing of a social security number like a barcode for a vessel or cargo. This means one is subject to the 'state of affairs' and are represented with a strawman account, not only by the federal government, subservient to the Rothschild-managed Vatican. The District of Columbia estimates how many taxes a child will make in their life, issue the birth certificate on the capital market, and make income from it. The courts don't recognize someone as a citizen, but rather as chattel (property). In this instance, the two pillars of Freemasonry, Jachin and Boaz, represent laws of land (common/ constitutional) and sea (maritime/ admiralty). The king of Great Britain has always run the monarchical, tyrannical system that is enforced through the courts. The British Royal Family is crypto-Jewish because of Prince William. The King of England has always been the Postmaster General of the world. Freemasons build governments and are a massive network who all help each other out. Like Great Britain, countries have strategic-metals contract where they can print and mint (coinage) currency, but the Fed does it for America. Banking systems are based on trading commodities, like oil. In When the 13 Colonies were founded, the Philadelphia Benjamin Franklin Postal Office (postal court) was disabled from trade by the King of Great Britain after the American Revolution, as all wars vacate this kind of contract. After the war, this office couldn't be re-opened for commerce because

America owed 6.1 million Franks to the French for aiding them against Great Britain. Also, Spain wanted to step in as Postmaster General, stating that they found America first via Christopher Columbus; however, France argued it wouldn't exist without them, so — the Crown still laid claim to the American people and its trade and commerce. America wanted into the global financial market against the will of the Crown. America based its monetary system on the land, so it never fluctuates in worth, although the Rothschild Dynasty raised/ lowered the price of gold and silver in relation to their assets. The Rothschilds then attacked the Crown and lowered the price of gold, so America bought it up. America couldn't create currency, so it had to borrow from the Rothschilds with interest (Usury), as the 1929 stock market collapse ended the Second International Bankruptcy. The Rothschilds offer three chances to pay off the debt and America failed, so the Crown bought America's debt from the Rothschilds, having their strategic-metals plan hustled by Jews. Then, the U.S. Constitution was drafted about how the Crown was going to interact with the American colonies based on international trade and commerce. This was seen by Patrick Henry and the colonials as such an insidious act that they created the Bill of Rights, preventing the Machiavellian Crown's federal government moves against negative rights. Many presidents who were Freemasons, such as Roosevelt, Eisenhower and Raegan, spoke out against the New World Order (as purely controlled opposition). In the event horizon year of 1999 of the Third International Bankruptcy, this contract between the U.S. and the Crown expired (Bankruptcy Reform Act of

2000) where the U.S. Constitution was technically null and void. America was no longer bankrupt and owned by Great Britain, so there was no more need for a trustee, the executive (president). The U.S. system of government should have been recreated, but elections continued, Congress and the courts weren't shut down, and no one was fired. The CIA was instituted as a 'five-star' trust, so the Executive Branch no longer had to go through Congress for money, as they could now launder money via illicit activities, like with drugs. This is known as Operation Studebaker and Operation Clean Room. The CIA has far more than trillions of dollars in the Sustainable Development Fund, which is really owned by the Jesuits at Vatican City. The Rothschilds have acquired most Vatican funds into modernity. The CIA set up 9/11 to create the Messianic War.

[Queen Elizabeth II with Lord Jacob Rothschild, king of the Jews]

Big Tech and social media giants are exempt from U.S. Federal Law in ways the government and citizens aren't. Silicon Valley, in California, runs on algorithms created by Unit 8200 of the Israeli military. These Jewish militants are then employed in Silicon Valley, along with robot Democrats, who were rightfully

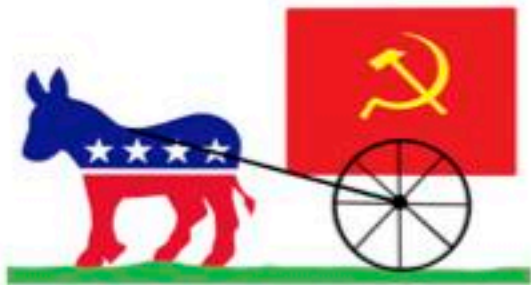

dispossessed by the rise of right-wing nationalism. During Teddy Roosevelt's stead in the White House, taxes on the rich were significantly higher than today. Corporate Reagan achieved wealth tax cuts — a new precedent. Taxing the rich is a bad idea. Cutting taxes on the rich increases middle-class taxation. The rich would divest from the economy by curbing spending and use direct foreign investment. Businesses have to pay a raised marginal taxation rate, so raised costs, and layoffs would be implemented. Democrats want to increase capital gains tax, which would reduce revenues by \$122 billion annually, as well as reduce the GDP \$983 annually — plus put 100 million people out of work. 70 percent of capital gains to the top one percent. Capital gains tax is less than the income tax to promote business. Jobs are available, just not enough trained civilians who are qualified. Capital gains tax cuts can create an opportunity for expansion corporately. The money should be used to train employees, but the rich don't invest enough in the economy to empower the working-class. Frugal corporate shareholders also covet wealth for security for their companies' risk. The free market is really a greedy plutocratic corporate monopoly. This standard is figuratively as unethical as embezzlement. This copious wealth; corporately hoarded plunder, should be sent to military families. Shareholders should, however, be governmentally subsidized to an extent — if assuming debt for the companies' risk. Capitalist employees aren't subject to cramdown, being a process or court order to restructure debt via bankruptcy that creditors must accept. Farmers and restaurant workers want unions for higher wages. Taxing the rich doesn't simply properly redistribute wealth and solve the problem. Zionist-globalist Jews and their Gentile-lackey/useful-idiot want to do this to destroy the U.S. once and for all. These corporations

'job creators' have their place, but obviously aren't the main driving force of the economy like commerce is. The rich don't recirculate the stimulus money in a productive way. Deficit spending increases debt rather than surpluses. The U.S. elite was forced to outsource to China just to compete in the global market, damaging American infrastructure. England used to subsidize goods and sell them at a cheaper rate to undermine the economy of the Thirteen Colonies. China subsidizes its companies and trust-joint ventures to subordinate the world to its production. The globalists who were in on this were corporatists. They got rich from undermining the U.S. Ideally, a capitalist democratic government is limited, has low taxes, and is conservative with spending. A democratic republic government should be limited to the public sector, with federal banking. Federal deregulation of the public sector leads to a concentration of market power (oligopolies/monopolies). Of course, some spending stimulates economies. The U.S. is grossly overtaxed. Lower wages cause lower spending, more bad credit, and financial debt — slavery. The Democratic American Bar Association lawyer guild uses biased screening competency standards and doesn't deserve special vetting status for judicial candidates. Supreme Court Justice nominations being neocons hampered Trump's plan and diminished his chances void and null. Trump's mission was nationalist economic populism, but the pandemic defeated him. The Jewish elite tenaciously and attempts to censor the World Wide Web by corporately privatizing Internet servers via failed international Net Neutrality. Other attempts are the pending CIPA (Children's Internet Protection Act) law, Article 13 — the meme ban of the EU, as well as the end-to-end encryption for internet spying and law enforcement. As has been stated, CNN is the 'conspiracy news network' and

Democrats hang off of their every word. Liberal fake news media is losing continuity. Fox News is controlled opposition for the base of Aryan Christian marks. Mainstream news is a globalist/Zionist divisive litany that enforces polarizing issues, making everything a big deal. This makes it difficult for people to identify and articulate the substance, let alone nuance of actual real issues. It's Christian conservatives against Cultural Marxist progressive Democrats. There's an independent candidate rogue third-party for dispossessed voters. It's just another form of mass public consumerism. Independents Green Party Ralph Nader and right-libertarian Ron Paul both fit into this category. Laissez-faire libertarianism is another ideological trap that allows the Jew to infiltrate. Classical liberalism came to be after the industrial revolution (the 1800s). Classical liberalism counters powerful monarchies, governments, and churches. Classical liberalism means personal freedom and predominant government management of the economy. Governments attempted to create continuity with societal norms while allowing free markets. This 1960s ideal is dead with the American dream is subordinate to sociopathic lobbyists. U.S. collectivist social networks have been replaced with technology, causing more social isolation at work. People don't really say hi to each other when walking by on the street like they used to. Libertarianism is like classical liberalism; however, pure libertarians believe government should be forbidden from interfering in socioeconomic issues, and that responsibility brings success. Libertarians don't believe in state-sovereignty and want private prisons. Every nation in the entire world would have to be on equal competing grounds for libertarianism to work, such as laissez-faire capitalism. Anarcho-stateless libertarian socialism is an idealistic anti-establishment societal concept, in

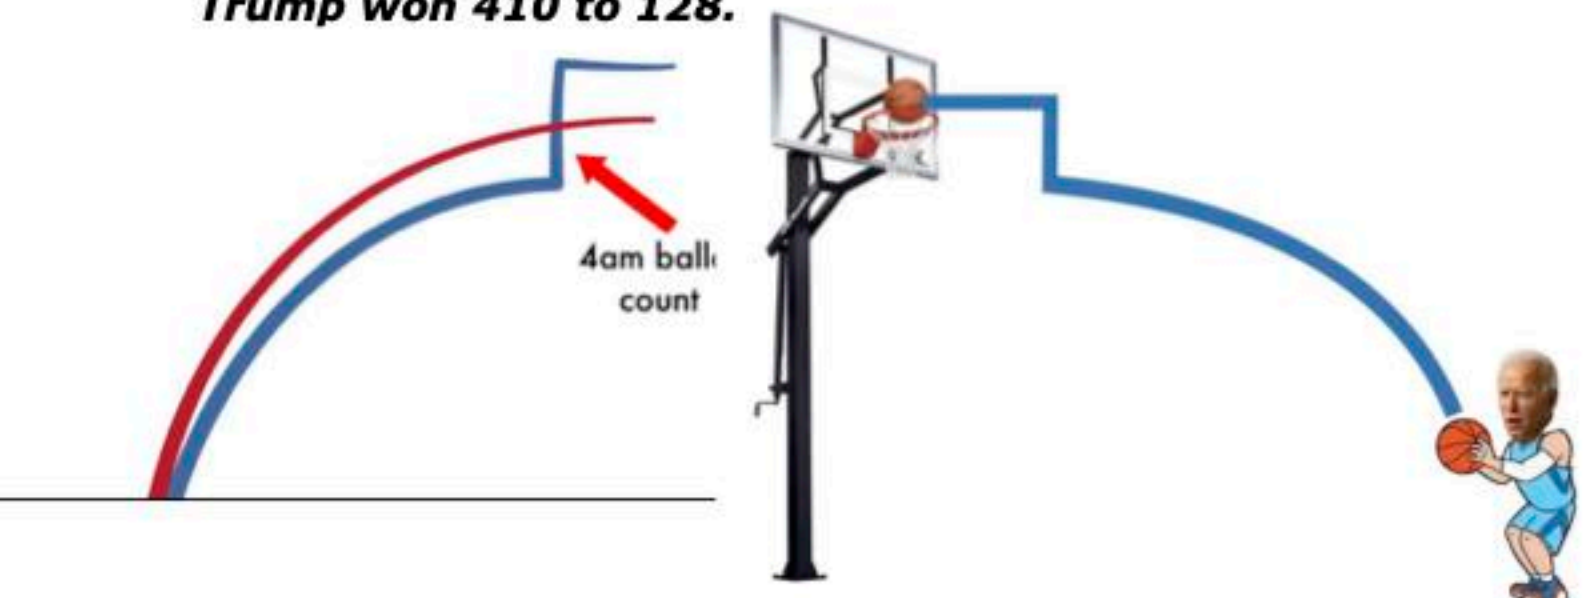

which banking would be privatized by institutions that had demand deposits via fractional reserve banking. Anarcho libertarian-socialism is the farthest left. Jews and their Gentile lackeys reducing democracy to shapes ideology, bringing economic structural change to shift the burden to the populace. They then attack solidarity (unity in a common interest), regulate, electioneer, propagate to the rabble, manufacture consent of the masses, and marginalize as overlords. Communism is between and Nazism (right) and social-libertarianism because of less government control. This would allow for corporate monopolies, which is an example of the practical failures of libertarianism. Stateless socialism is implicitly a Marxist concept for communism. Anarchism is inspired by socialism, as its founder Pierre Joseph Proudhon was socialist. He touted the concept of a society with free markets and usufructs (use of other's property if no harm is done to it). A libertarian utopia is a pipe dream, like socialism. A libertarian-oriented society would end up as segregated confederal militias, in essence, like the tyrant clans of pre-democratic Ancient Greece. Inevitably, a corrupt municipal faction would gain power and there'd be an uprising. Clan leaders would create class and money would cease to be distributed equally, in many cases. Libertarians are financially well-off in their gated communities. Libertarian based free markets would still be subject to startup costs and economy of scale (savings from increased production). The public doesn't really take them seriously. Communists hate privileged and isolationist libertarians and Leninism could arise from hypothetical libertarianism. Anarchy breeds criminals. The limited government could declare martial law people would revolt so that an oligarchical state vanguard or total lawlessness would result. Most troops and police officers are loyal to Trump at heart but the

government owns and controls them, for now anyway. Someday, plausibly, a future populist right-wing leader will come a long and the military will release damning evidence against the Democratic elite and some. The military has all of the evidence that they need on the treasonous Democrats. A representative democracy/ congressional republic objectively can't recover from an administrative state, a corporatocracy, and 'Cultural' neo-Marxism. The federalist constitution of the U.S. is irreparably damaged and can't return to for its libertarian federalist ideal. Democracy is a charade that allows for anarcho-socialists to capitalize on gradualist reform in democracies. It's responsible for easing the public, via indoctrination, into accepting the 'great plan'. This U.S. republic will crash, burn and then be reborn through patriotism. Jews used Occupy Wallstreet, distracting with identity politics via Obama.

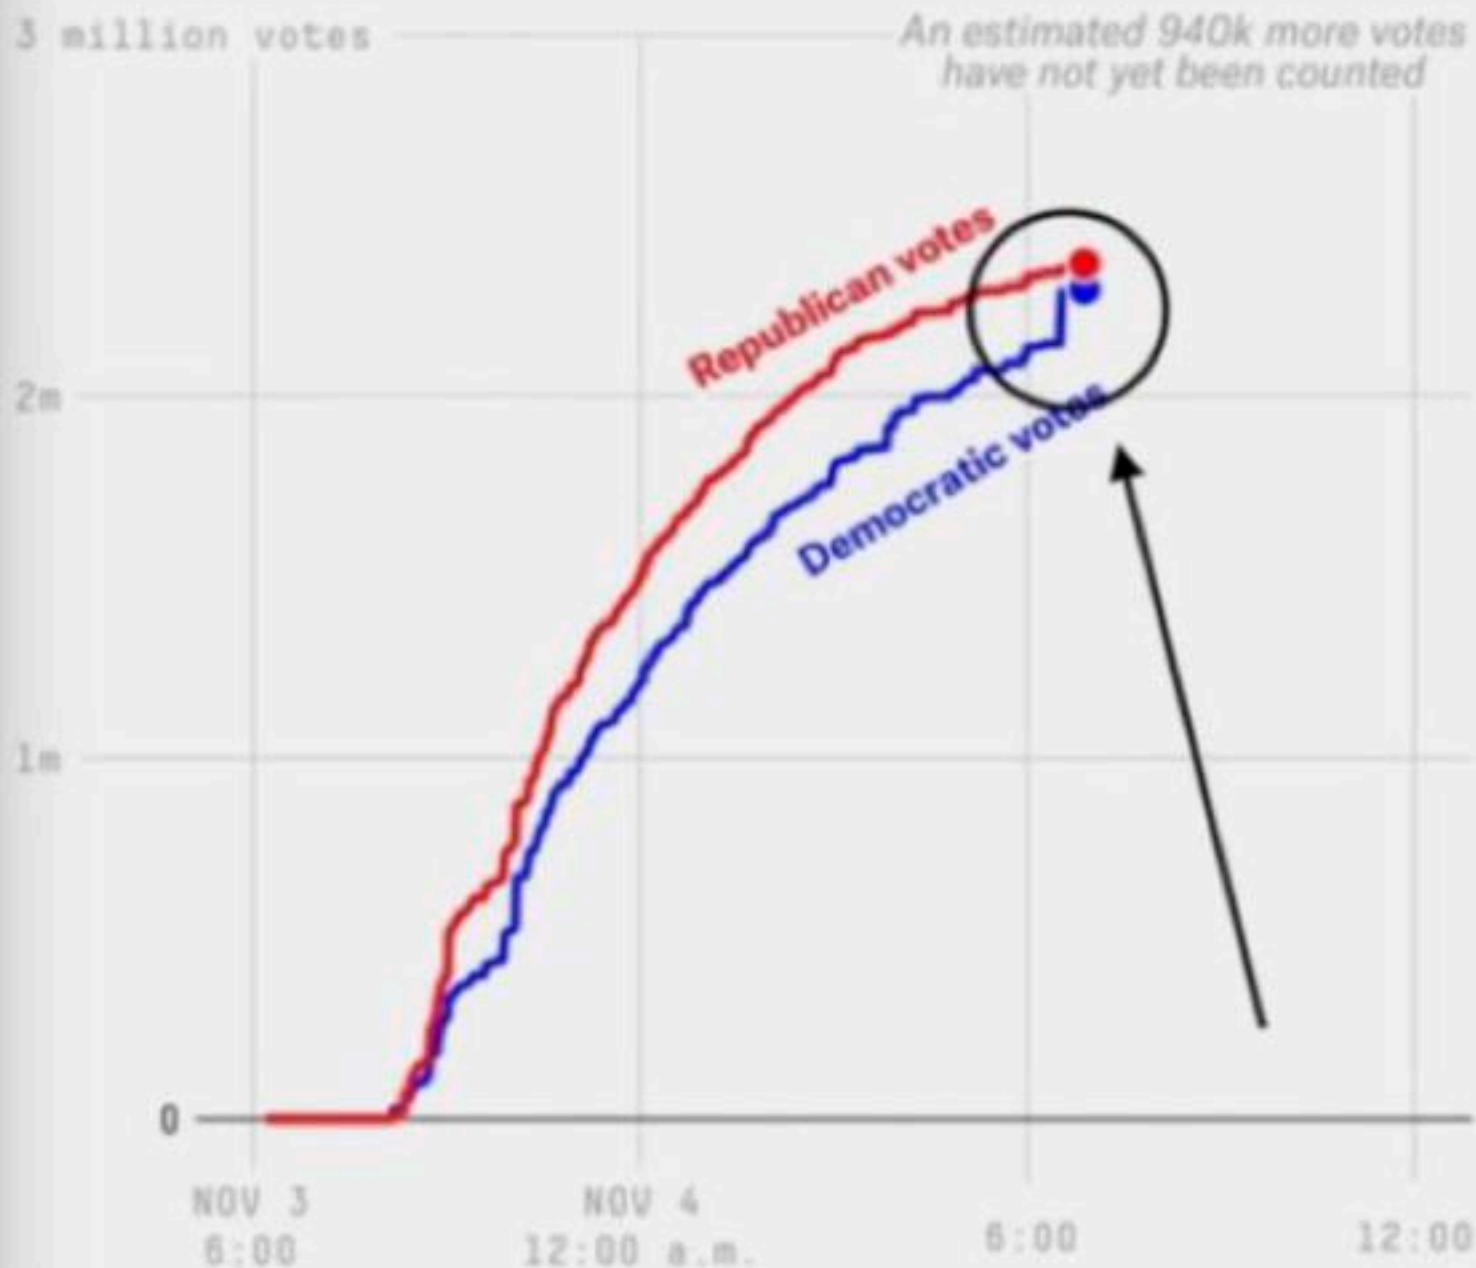

A representative democracy/ congressional republic can't recover from an administrative state, state corporatism, and 'Cultural' neo-Marxism. The federalist constitution of the U.S. is irreparably damaged and can't return to for its libertarian federalist ideal.

Democracy is a charade that allows for anarcho-socialists to capitalize on gradualist reform in democracies. It's responsible for easing the public, via indoctrination, into accepting the 'great plan'. This U.S. republic will crash, burn and then be reborn through patriotism. Christianity and globalist-socialist Cultural-Marxism the framework of controlled-opposition in Western politics. 'Democratic socialists' (Leftists who think that they're against neo-Marxism but aren't and don't understand ideological subversion) want to abolish the prison system and grant race-based reparations. Blacks wouldn't have to pay student loans or admission fees for college. Marxist subterfuge transitions imperial capitalist society to socialism. Ideologically subverted dispossessed lower class people reject the upper class and this also incites a desire for a Leninist red revolution. The Jewish elite wants martial law for a communist red revolution in the U.S., like in Russia in Chief Justice of SCOTUS, John Roberts, backing Biden. Pollsters' meta-analysis has been consistently wrong because poll-voters in key states were Democrats. Brown people and those and people out in the sticks, literally all come out of the woods to vote for Trump. The red wave is happening in the U.S. as the rules are changing via legislation for better or worse. Trump had 3,889,947 votes stolen. Trump won 410 to 128.

Three Red Banners (Chinese: 三面红旗) was an ideological slogan in the late 1950s which called on the Chinese people to build a socialist state. The "Three Red Banners" also called the "Three Red Flags," consisted of the General Line for socialist construction, the Great Leap Forward and the people's communes.^{[1][2][3]}

BIDEN HARRIS

After the first Five-Year Plan, the People's Republic of China continued its socialist construction by introducing "Three Red Banners Movement". The General Line directed the Chinese people to "go all out, aim high, and build socialism with greater, faster, better, and more economical results."^[2]

The term 'industrial democracy' is applied to democratic socialism, although democracy can't exist with socialism because of Marxism. Democrats now abide by the double standard that they're altruists that play by the rules, but then can't contend with formidable opponents. Many liberals and at least the vast majority of leftists are unable to accept losing gracefully with class because they're gullible to the Jewish lying media. Masochistic leftist morons want to crash the civilized way of life of the white man. Whites civilized savage races; however, Asians are barbarians, rather than savages. Christianity appeals to white because it's more passive. Democrats resort to fascist tendencies to combat perceived oppression. Only in America can some black guy, who makes millions of dollars for writing degenerate music, complain about oppression. Leftists have hijacked the Democratic Party from liberals. It's possible now that Trump is out of office that the next savior of this country will be a Democrat like Kennedy — and his opponent a garbage neocon. 'rhino' liberal Republican Senator Josh Hawley is another possible 2024 candidate. Jews corporations use cliches as subversive affirmations. Hollywood is operated by Jews and relentlessly pushes Christianity and Cultural Marxism via manufacturing consent with corporate lobbyists and of course, Judaism. Capitalism serves the individual and not the group, being survival of the fittest. Enterprising people have superior genetics to those who are unmotivated. The state is the priority for the good of the race. Outsourcing manufacturing jobs to China and India is a nonpartisan dilemma. Trump is increasing American GDP, which globalist-Zionist presidents before diminished to destroy our nation. Trump canceled NAFTA, ended the Paris Trade Agreement (that Biden just re-established connections with), armed Ukraine, and ended the sketchy Iran nuclear deal. Neocons support Israel with

wars and billions of dollars annually for military aid, neglecting U.S. debt and domestic issues that need funding, like poverty-stricken neighborhoods. The U.S. and E.U. send troops to die for Israeli Jewish wars. The U.S. is under Israeli hegemony. Neocons (liberal Republicans), like Democrats, often support Big Tech private censorship. Neocons might not like it but don't want to oppose the globalist machine. Trump didn't stop Big Tech when he had the chance and now, he and conservatives are paying the price. The political right disregards environmental stewardship via deregulation, being in league with oil barons. Wind energy is a bad joke. The progressive political left (really regressive) pathetically obsesses over environmental coalitions. They're just stating that a country will try to be more eco-friendly, so this investment hurts the economy. Until renewable energy is publicly available and internationally utilized, the environment will suffer. Countries can't stop killing the oceans by over-fishing and polluting, as well as nuclear testing, like China. Any and all attempts by the political left to help the environment are futile, for example, the Green New Deal. This prospect would devastate the U.S. economy (while enriching capitalists) while doing nothing to address the leading polluters China and India. Republicans know this but aren't trying to help because if big-business fails then the West will become a socialist nightmare. Only the Gods' technology can save the earth. There's plastic six miles deep in the Marina Trench. Plastics and radioactive metallic particulates are in rain. Global warming will ruin millions of people's homes and put their lives at risk. Metal particulates in fossil fuel refract sunlight back down to earth. The greenhouse effect is real, but the globalists want to use this as an excuse to further communism. They deny Tesla clean energy, as Biden creates massive inflation for alternative energy. The refugee crisis would be off the charts in a climate change crisis scenario, but most people will have already starved from the coming food shortage tragedy. by the time that would occur. Humans are merely accelerating the process of climate change, not causing it. The Jewish elite wants to tarnish the earth and 'transcend' dependency on it via technology. The earth could

attempt to have an ice age as an immune response for unnaturally expedited overheating. It's beyond control and socialists are selling faulty solutions. Ultraviolet radiation killing plankton and general pollution is the problem. Exhaust from automobiles also damages the ozone layer. Criminals and drug trafficking over the border is a major threat to homeland security. The U.S. isn't fully sovereign because it's largely controlled by Israel. The Jewish controlled CIA fund and supply Central/South American cartels, then vow to fight a war on drugs. This enriches the prison system. This costs billions of U.S. dollars. The DEA gave the cartels firearms. The Jewish Sackler Dynasty is behind the American opioid crisis. The Sacklers are correspondents to the Iraqi Jewish Sassoon family, who supplied Britain for the Opium Wars (the 1800s). Besides the border wall, trucks still bring in drugs.

The Ark of the Covenant 'crucible' of the Jews of Exodus supposedly was a box with the Ten Commandments of 'Moses'. It wasn't ever found because it is really their Torah. Jews are the living Torah because the Torah is their racial blueprint. Torah is an anagram of the word Rota, which is where rotate is derived from. The Torah is the 'wheel of curses'. There is no historical evidence for Exodus, where the Jews were enslaved by Egyptians. Exodus is celebrated with the Jewish holiday Passover. Exodus is thought to

have occurred during the year 1,446 BCE by the authority of pharaoh Thutemose III. Exodus. There weren't 'Plagues of Egypt' like the Old Testament states. Ancient Egyptian pharaoh mummies discovered were in fact Aryan. Egyptians were white.

Eventually, during Hellenistic Ptolemaic times, Egypt became multicultural, such as Alexandria during the Persian Empire. Ancient Aryan mummies were also discovered in China. The Aryan race is the progeny of the Gods. Races aren't equal just as how different

species aren't equal. Races are unique with each having stronger and weaker genetic traits than other races. Aryans are the Master Race (especially the apex Nordic Teutonics). That's the only truth about 'white privilege' (whites can't even thrive in this society as a collective because of democracy). Anglo-Teutons aren't Huns. Arya means 'noble' in Sanskrit, which later became the Indo-European word aryo meaning 'lord'. Aryans are esteemed, highly creative and generally dignified with moral superiority (with anecdotal exceptions, given mass degeneration and individual awareness — to an extent). Non-whites are more susceptible to degeneration because their genetics aren't as closely related to the Aryan Gods. Non-whites are earthy and whites are more ethereal, in essence. The Bible instructs Gentiles to race-mix (miscegenation). Hospitals cut the umbilical of infants rather than let the mother lay connected to the child, which causes lower IQ. The Jewish media constantly suggests this in popular culture. This mongrelization destroys racial continuity by degenerating Gentile gene pools. The enemy Intergalactic Federation of Light wants race-mixing to eliminate Aryan godly DNA from the world populace and make humanity easily genetically manipulates, like the Gray aliens were in their tragic destruction. This is encouraged by Jews to destroy Aryans. It's okay if one is of mixed-race because the Gods accept any Gentile who comes to them. Mixed-race Gentiles should breed with each other. Racial homogeneity is the will of the Gods. Nowhere in the animal kingdom do species both intermingle and reproduce like with humanity. Gentile races will be separated in the Fourth Reich. There will likely be world events, such as the Olympics. They'll evolve on their own, which is true cultural enrichment. The Jews want to normalize multiculturalism to create a unilateral communist society. Each race has its own unique set of elemental characteristics. Aryans are master divergent thinkers and have historically

made the greatest scientific breakthroughs, Asians are highly intellectually convergent, as well — having the most brain-folds of Gentiles. The Gods gave Asians their culture, while whites created their own with freethought and brought to humanity the modern world. Aryan mathematicians Augusta Ada King of Lovelace and Charles Babbage created the algorithm for King of Lovelace and Charles Babbage created the algorithm for the coding sequence of computer analytical engineering. Blacks are athletically gifted and tuned into the earth like a which no other race could understand and shouldn't imitate it. Blacks always put on stellar performance as the regal race that they are, like all Gentiles; they're entertaining, and you have to love it or you're a lame. Earth's bio-electromagnetic field is called the Schumann Resonance, being of the theta range. This attenuates the bioelectric field (aura) against EMF. Thomas Jefferson and James Madison wanted to free the slaves and raise money to send them back. The Founding Fathers did what was necessary for freedom to reign in the future because it was either them or the Native Americans. White people didn't steal land, we conquered it because whites obviously superior. Jew-controlled England, France, and Spain would have seized North America for imperialistic globalization. The Founding Fathers took advantage of the opportunity to preserve the Aryan race. The U.S. will be an Aryan nation, as intended by the white old nationalist Founding Fathers. The Gods will direct this affair once they return. It's not even a matter of allowing immigrants to enter the U.S. legally. The radical political left values the communist lie of equality, but not liberty. Believing that a melting pot of ethnicities is good for society doesn't reflect nature

because races are on different wavelengths. It's just Gentile versus Jew. Africa would be like Marvel Comics' 'Wakanda' if the Nazis had won World War II, which it will surpass in the Fourth Reich. In the testament, Noah cursed Ham, father of the Cushites (Africans). Archetypal Ham ('father of Cushites) didn't exist. Nimrod was Marduk/Amon Ra, not some African king. Regarding the Trump border wall – better late than never, just wait. It's a matter of white survival; nothing personally intended – just business as usual.

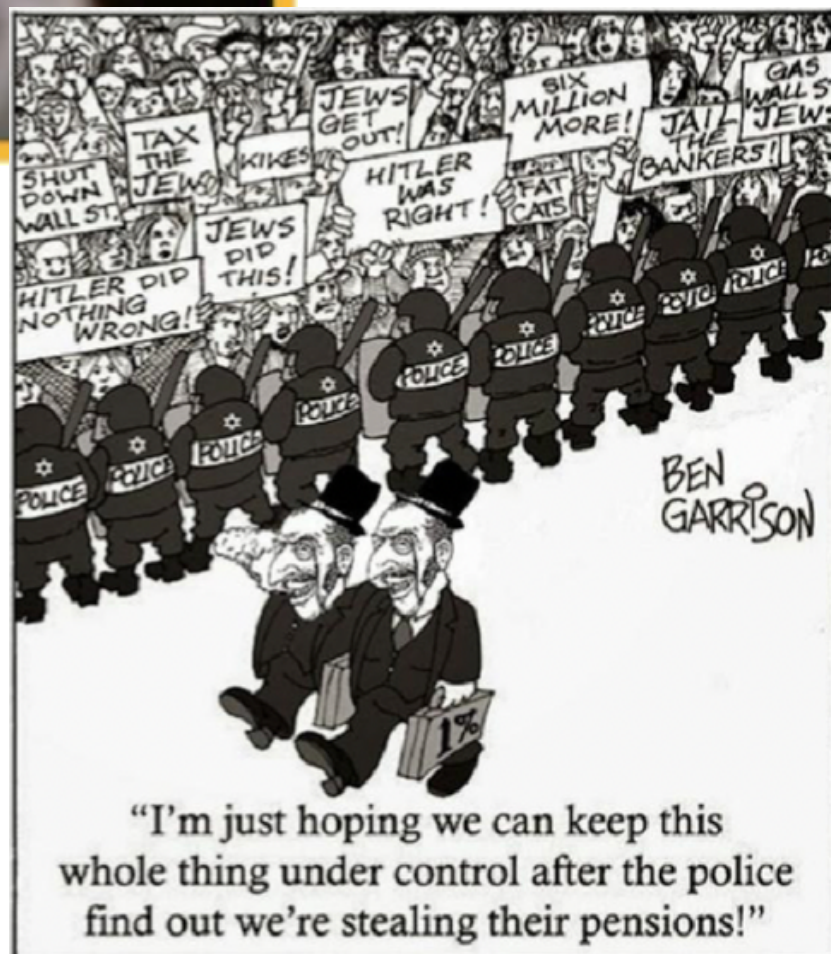

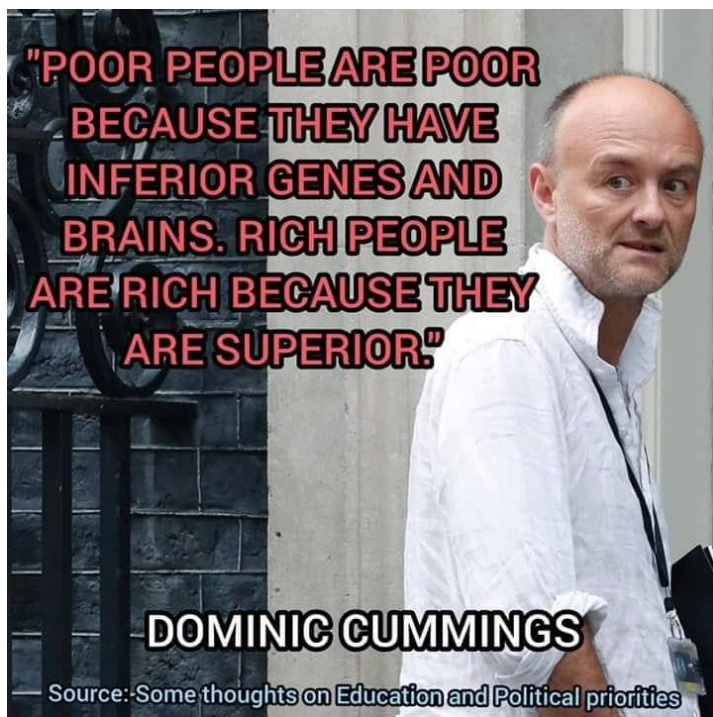

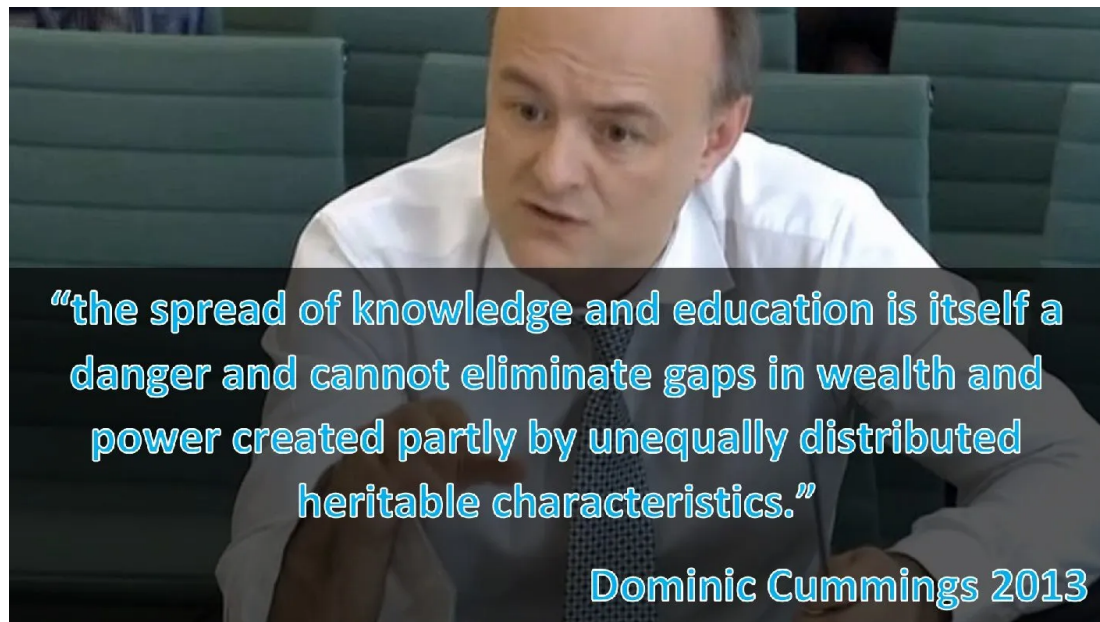

-Inheritance and karma can prove this notion of wealth and genetic purity to be a slippery slope argument that is at best, anecdotal. People who don't try their hardest have inferior genes. Karma fucking someone's life up isn't genetic. Rich people may make bad decisions that lead to them dying in the famine.

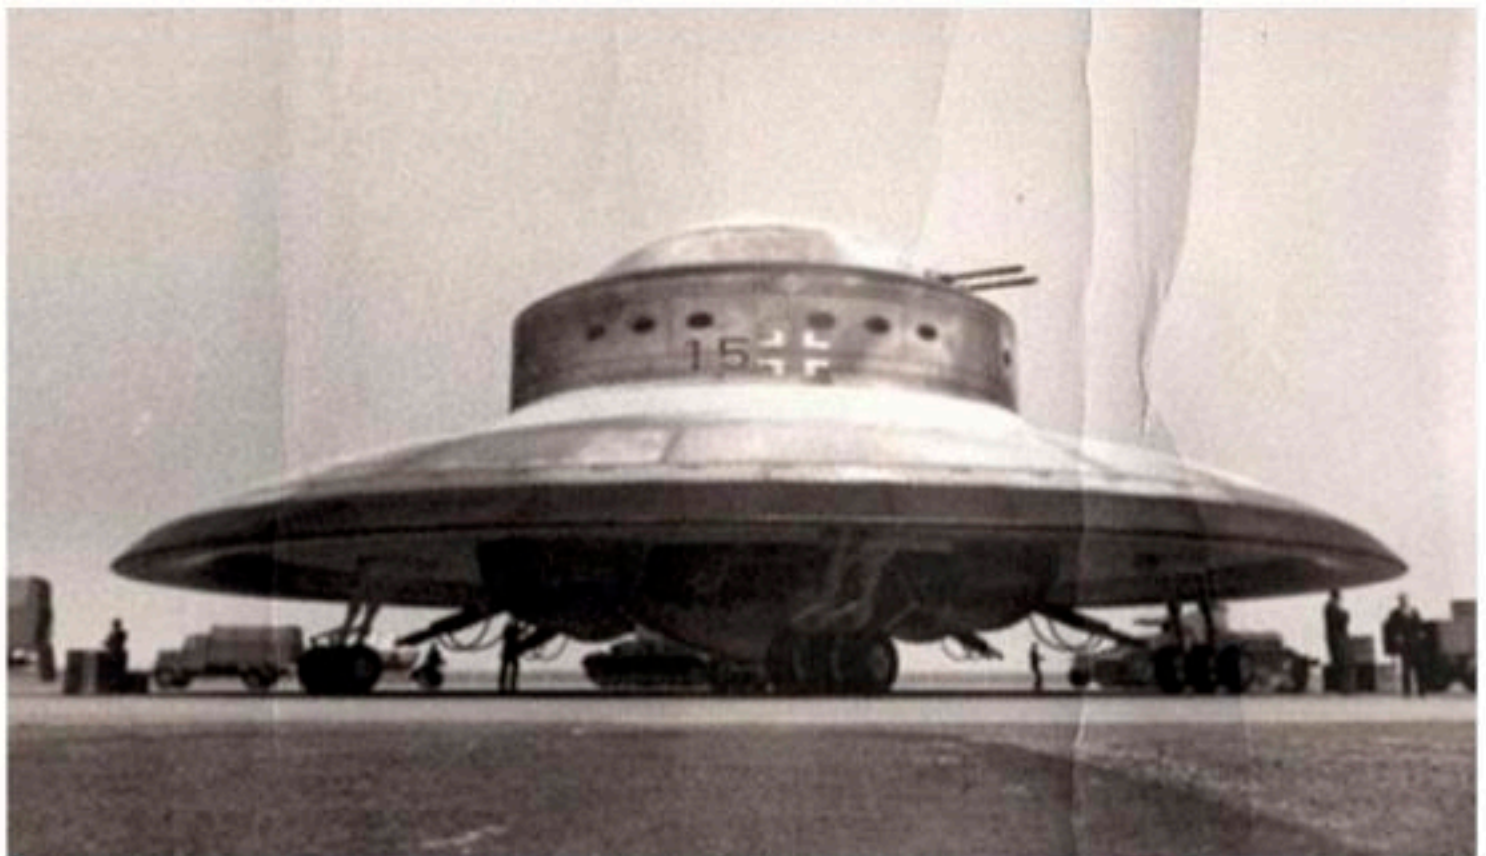

Gentiles are waking up to the Jewish problem thanks to the election of Trump. Blacks are becoming Jew aware and will likely start pogromming in Brooklyn. The Jew will professionally play the victim in futility, soon. Neo-völkish uprisings in Europe — and the E.U. borders closing because of coronavirus are a start. The political-left calls anyone with brown skin a refugee, but many of these people aren't refugees, they're coming to mooch of a society built by whites and cause terror via rape and pillaging. Many Germans at that time believed in 'Positive Christianity' with 'Aryan Jesus'. Hitler had to keep the trust of his people so when he denounced Christianity in speeches or interviews, the Volk thought it was 'Jewish Christianity'. It was cringingly rationalized by Christians that the universal pagan swastika was a 'hooked cross'. There's no evident indication that Hitler had any fascination with the 'spear of destiny' that pierced 'Christ's side during the crucifixion'. Hugh Trevor Roper translated Hitler's Table Talk, which isn't considered a primary source in English because it was translated from French, not German — and Martin Bormann's public version might be edited via conflict of interest. The essence of the work is still undeniably pagan, it's just lingual discrepancies throughout the book that hasn't been translated to English — gee, I wonder why. Allegedly, Hitler fronted by publicly ridiculing Himmler's expeditions to find clay pots around the world with swastikas on them. Diplomatic Hitler rarely spoke against Christianity, although he and Heinrich Himmler worked against it tirelessly. Himmler had a traditional coven of 13 members of the Gestapo. The Third Reich wasn't on good terms with the Vatican 'Kremlin on the Tiber'. Pope Pius XII was warned by his affiliates not to condemn the Third Reich because of escalating tensions that would lead to Nazi retaliation. The Jewish elite has altered Hitler's

speeches and some quotes, as well as Nazi texts, such as Adolf Hitler's book Mein Kampf (multiple times). Hitler wrote Mein Kampf while imprisoned in Landsberg for nine months after the failed coup the Beer Hall Putsch of 1923. Rudolf Höss edited this book while imprisoned with Hitler. Hoss was an adept in occultism, being a member of the Thule Society (clerics of the Third Reich). Mein Kampf was written the proto-German of Plattdeutsch, which is based on the Nordic Runic cabalistic alphabet. This made it the German Veda. The certified Ford Edition of Mein Kampf is real and is the official rendition. The salute phrase 'sieg heil' (hail victory), was also in Plattdeutsch. This cabalistic speech was incorporated to awaken the German people and assure victory. Jesuits were aware of this and distributed tampered versions throughout Germany, which led to the arrest of some Catholic priests. The Vatican and Third Reich spied on each other during the war. Hitler is the Antichrist, who's presence on earth brought the eventuality that the Jewish messiah would never manifest, and the world will be purged of Jews. Humans aren't omniscient so we can't objectively have free will. The brain signals our response/reaction about a second before we're cognitively conscious of the decision. However, Mother Lilith has explicitly stated that the future trends but isn't written in stone. Christianity and Islam pollute the entire Gentile collective consciousness. Their false religions are postulated and proselytized metaphysical contagions. Reichsführer Heinrich Himmler was the Grand Master (high priest) in his coven of 12 Gestapo officers. 13 is a Satanic number and has the numerological value of four. Himmler's Wewelsburg castle was dubbed the 'Temple of Doom'. High-ranking Nazi officials would at

a round table like Camelot and meditate. The Vril Society that consisted of psychic women, led by Maria Orsic, was in contact with Nordic Anunnaki. Dietrich Eckart, occult enthusiast, and supporter of the Satanic German Thule Society, (a cult that brought the prestigious incipient prodigy Adolf Hitler to power) aiding in Hitler's psychic development. The Thule Society was working with Tibetans. Hitler was a student of occult teachings, such as serpent yoga. Wotanist (also Odinist) Rudolf von Sebottendorff was arrested and exiled from Germany after mismanaging the Thule Society by undermining esotericism. Lanz von Liebenfels was an occultist Odinist pushing Aryan Christ (theosophist). He was banished from the Weimar Republic because Hitler refused to give his book credit for his political ascent. The Sicherheitsdienst (SD) 'Bavarian political-police' was the SS security-service information-gathering agency and grouped theosophy, anthroposophy and occultism into a group as they were all banned in Nazi Germany. Terms like Wotanism, Armanis and Theozology were against the mainstream Positive Christianity and tied the Nazi- Party to the Thule Society. Hitler understood the danger of allowing mystery-cults to dis-unify Germany. Reinhard Heydrich had the Gestapo arrest over 300 on May 11, 1941. Ernst Issberner-Haldane and Reinhold Ebertin were occultists (astrologers/ writers/teachers) amongst the detainees. Friedrich Bernhard Marby was exposed by Himmler's occult counselor, Irminist (attributed to the Germanic tribe the Hermiones), Karl Maria Wiligut, who was disgusted by 'Wotanism' as a perversion of true heathenism. Marby was sent to Dachau concentration camp for sacrilege. Furthermore, Hitler's body was never

recovered. Forensic scientists falsely claim recovered a damaged skull with teeth that matched Hitler's dental records. Allegedly, Eva Braun's hair was discovered on a brush where she lived. Supposedly, it revealed Jewish genetics when a forensic genetic test was performed on it, which is certainly false because she doesn't have Jewish physical features. Anyone with Jewish genes has at least one Jewish facial feature. Adolf Hitler has also been accused of being paternally related to the Rothschild Dynasty, which has no factual backing, obviously. This lie has even been debunked on CNN by Jew Anderson Cooper. Adolf Hitler, Eva Braun, and other high ranking Nazis escaped on either a submarine or flying saucer (in their bunker), on Beltane of 1945, to Aldebaran, Orion, the inner-earth, or transiently to Argentina. Maria Orsic alluded to this by stating none of them were staying. During the Nuremberg trials, U.S. Navy lawyer Dr. Michael Musmanno ordered all those close to Hitler were to be interrogated. Individuals such as Hitler's bodyguard Richie Misch, Hitler's secretary Traudl Junge and bunker guard Hermann Karnau were coerced to reiterate contrived testimonials of false accounts of being witness to Hitler's 'suicide'. The other option for them was being turned over to the Soviets for slave labor in gulags. The chief of the trial counsel at Nuremberg Thomas J. Dodd confessed that no one could confirm if Hitler had escaped or not. After World War II, there have been other 'witnesses' the gas chamber hoax (really delousing). There are also eyewitness accounts of Hitler having escaped and being spotted elsewhere. Himmler and Goering did tragically commit honorable suicide because they couldn't escape. The Antichrist and his wife have completed the Magnum Opus. Adolf Hitler is the soul of Pharaoh Ramses II. It's Jewish propaganda that Hitler was a drug addict. Hitler channeled Lucifer-Satan in

his speeches. Hitler tried to liberate India from Rothschild control. Gandhi was no liberator. Hanger 18 at Area 51 in New Mexico allegedly has alien craft and have studied their advanced technology. Mercury is spun around inside the flying saucer to create an energy vortex, like a chakra. UFOs were called Vimanas (flying palace) in Vedic texts. The Nazi flying saucers called 'Haunebu Vril Discs' were designed with Demonic Nordic aid, during the war.

Mercury has anti-gravity properties. This spinning creates a stable field around the flying saucer module that creates a sustainable environment for life. Astronauts lose health in zero gravity. The earth has a toroidal field around it that creates gravity. Ancient Indian texts, such as the Vedas describe ancient flying saucers and a war of the Gods like the Hebrew Old Testament does. Ancient Sumerian and European Renaissance art both depict extraterrestrial flying saucers. The shining Gentile soul and its genetics (1,440,000 nadis/meridians) are depicted beneath the ships between the Gods in the Sumerian artifacts.

A 7,000-year-old Japanese cave painting of a rocket ship-like vessel.

On 3/24/1933, Jews of the world unite and provocatively boycott German goods, while holding mass demonstrations. The Nazi Party rightfully deemed the Jew as the enemy of the state. Jews were also introducing pornography and transgenderism to the Weimar Republic. Tranny is one letter away from tyranny. The Allies brutally ravished Germany at the end of World

War II. Every city in Germany was viciously carpet-bombed by Britain and the U.S. This was a cabalistic human sacrifice, occurring February 13-15. This included the Christian holiday Ash Wednesday, for occult blood sacrifice. Ships carrying thousands of refugees sank. The allied forces then invaded and raped women en masse. Barbaric Soviet troops made German families watch rape and also even alarmingly raped innocent females with broomsticks. Many remaining Germans fled to die in the cold. German neighborhoods were looted. Germans and prisoners were starved when their means of production and railroads were destroyed. This happened while the Allied forces dined lavishly. 50,000 orphans were left to scrounge and only the fittest survived. After the war, General Dwight Eisenhower ordered the execution of Nazi officers and Nazi political party members. Eisenhower had the remaining five million Nazi soldiers placed in concentration camps. General Eisenhower reclassified the Nazi prisoners of war as 'disarmed enemy forces' to circumvent the Geneva Convention rules. The prisoners were crammed together tightly so that they couldn't sit. They were starved and forced to defecate where they stood. Some died of thirst after being so desperately parched that they felt compelled to drink their own urine while acknowledging the running stream on the other end of the barbed wire fence. The Swiss Red Cross, to their shock and dismay, was turned away when offering aid. This was because of the rage that was instilled in U.S. troops because of Jewish propaganda. So, when the U.S. troops saw the horror of the Nazi

concentration camps with shriveled and diseased corpses. During the Holocaust, imprisoned Jews died of typhus that spread rampantly throughout the camps from lice. Photographs of stacked piles of emaciated corpses were the result of typhus. Reichsführer Heinrich Himmler's Posen extermination camp speeches were generated by a computer algorithm.

It was signed into law that the USSR and Zionist-controlled Poland would take over German territories. Many Germans were put in Soviet Gulag concentration camps. All means of production were destroyed in Germany and sent to Russia. Poland concentration camps were manned with Jewish prisoners if the Third Reich. Germans were processed there to be worked to death. Germans were made to crawl naked and eat their own feces, which became septic, which caused the infection. Some were buried alive and others burned alive. German women were made to exhume Jewish decomposed corpses and perform vile sexual acts with them. Germans were lethally infected by being forced by Allied Troops to toil in the graveyards of the deceased in German concentration camps. World War Two POWs were crying, forced to watch German women raped by Allies, also having their tentacles smashed with a hammer to confess to homicidal gassings. When the Allies took over Germany, the citizens were segregated and reeducated. There was a no fraternization policy in effect. German girls were forced to have sex with Allied troops for food. During World War II, Jewish prisoners of the Nazis were worked for the war effort and were starved due to a lack of food towards the end of the war. Railroad tracks were destroyed during bombings. A form of HCN (hydrogen cyanide gas) that is called Zyklon B was used to fumigate clothing for the disease typhus. This was not dropped into the gas chambers in the pellet form. There were no shower head gassings or steam chambers for gassing. Wartime propaganda misinformed even Axis Powers troops. The Soviets modified the concentration camps after

the war to make it appear that there were gas chambers. This was at building Krema I, where reconnaissance aerial photos display the vent holes in the roof. Prussian Blue (Iron Blue) residue from Zyklon B interacting with iron was found on the walls and roofing of the delousing chambers (used for typhus) at the camps of Auschwitz-Birkenau, Lublin-Majdanek and Stutthof. There are no markings on the bath and disinfection room (barrack 41) ceiling for the hatch like at Auschwitz-Birkenau, as it was installed during the actual building process of the structure. Nazis wore gas masks while administering Zyklon B pellets. The hatch at barrack 41 was used as a vent. Nazi soldiers who state that they witnessed mass gassings only saw Jews going into the chamber for delousing. The 'gas chamber' at B41 in Majdanek had an inward-opening door into the delousing chamber, which wouldn't have been ergonomic for a large numbers of prisoners, or removal.

The Nazi bomb shelter that was originally a morgue at Auschwitz was transformed by the Russians to appear as a gas chamber. Four wooden hatches were installed in the roof as a result of the Soviets entering Poland in 1945. Prussian Blue is present within Barrack 41 (delousing facility) in Lublin-Majdanek, but not at Auschwitz. This is a contraindication to homicidal gassings having occurred. Rebar was severed at the time of the installation of these overhead hatches, which doesn't truly reflect the precision of German engineering. The delousing hatches didn't have severed rebar around them.

The delousing chamber at Dachau was coated with paint impermeable to gas or water; however, there's no Prussian Blue staining on the brick and mortar (contains iron).

Shower rooms were rigged post-war to appear as gas chambers. Delousing chambers served for prisoners and their clothing to be fumigated with HCN gas to kill lethal lice. Nazi concentration camps were quarantine zones for slave labor, not chemical warfare extermination sites. Krema buildings II and III allegedly had wire mesh columns for introducing Zyklon B canisters, but this cannot be proven as these are not present today because both of these buildings are in ruins. In the rubble of Krema II and III, there is no evidence of hatches for introducing Zyklon B pellets. Krema IV was the shower room, not a gas chamber disguised as one. Krema I 'gas chamber' was adjacent to the crematorium, so concentrated Zyklon B would have combusted. There is no blast-proof lighting there. The 'gas chamber' at Auschwitz-Birkenau had a two-inch off the ground wooden door, not a metal door. A door was comprised of non-hermetically sealed wooden planks. The doors didn't have gaskets, but some were lined with felt. Bunker I at Auschwitz II allegedly had an air-tight door with a metal wheel attached to a screw lock, but this farmhouse 'gas chamber' is nothing but a foundation today. Other Auschwitz-Birkenau doors opened inward, which wouldn't have been conducive to efficiently removing a heap of bodies blocking the entrance. Also, this would have allowed inmates to be able to pull, not that they would have with armed guards. Another door made of planks was inches off the ground at the bomb shelter 'gas chamber', as well. The delousing chamber door had a latch on it. The SS would have been exposed to the high concentration of Zyklon B inside the facility and even the lower levels outside, which would be more volatile than the lower concentrations used for delousing.

Gas masks were used for delousing and not for Sonderkommando Jew slaves to pull bodies from gas chambers. The mask filters could process up to thirty minutes of one percent volume percentage of Zyklon B, which is 10,000 ppm. Sonderkommandos would have been working at a higher cardio rate by pulling corpses, thus inhaling much more oxygen and perspiring, which would use up the filter's capacity a short while. The Zyklon-B would have been absorbed through open pores on sweating skin as the Sonderkommandos weren't wearing rubber suits. HCN gas would have entered their open pores.

The 'gas chambers' had no ventilation. The delousing room had fans and vents. Zyklon B could kill a room full of insects at 16,000 ppm (parts per million) and it could allegedly kill a human at 300 ppm. 300 ppm was originally used on rabbits and was attributed to humans, who have a higher threshold to lethal exposure. Zyklon B minimum explosive point is 56,000 ppm. The lethal dose used in United States gas chambers is 10,000 ppm. Eyewitness accounts of Jews dying in gas chambers during the Holocaust (Shoah in Hebrew) are that these 'victims' died within 10 or fewer minutes; however, a high concentration of Zyklon B would have been needed to fill the gas chamber that quickly, due to its slow evaporation rate. This would have put it above the explosive six percent threshold. There would have needed to be 10 times the amount of Zyklon B because only 10 percent evaporates in that period of time. There was no way to accelerate the ventilation process of this toxic gas in the alleged gas chambers.

It takes 20 hours for Zyklon B to evaporate. Zyklon B and carbon monoxide leave bodies blotchy red not blue like Holocaust survivors state the bodies were. The bodies would have also been bloated if they were gassed. No Diesel engine gassing occurred at the German concentration camp Treblinka. The ground-up ash deposits of a cremated adult prisoner would have been able to fill about a shoebox at most. These were allegedly dumped in ponds, or surrounding fields (depending on the camp), but for there being 'six million cremated corpses', there's no ash deposits. It was just 'washed away' over time. Auschwitz-Birkenau had a pit for ashes, not for corpses to be burned. Holocaust historians agree that Treblinka was a death camp, where 870,000 Jews 'were gassed and buried'. In 1999, Richard Krege, a qualified electronics engineer, conducted an experiment. He used ground-penetrating radar to detect objects and disturbances up to 30 feet down, finding the ground has been undisturbed. After revisionists false-claims of Treblinka I and II and Belzec had no mass graves; however, this has been debunked. The Nazis destroyed most of the camp at war's end. The Treblinka 'mass' graves had un-ground bones with ash and sand. There isn't 7-900,000 shoeboxes worth of ground bones there.

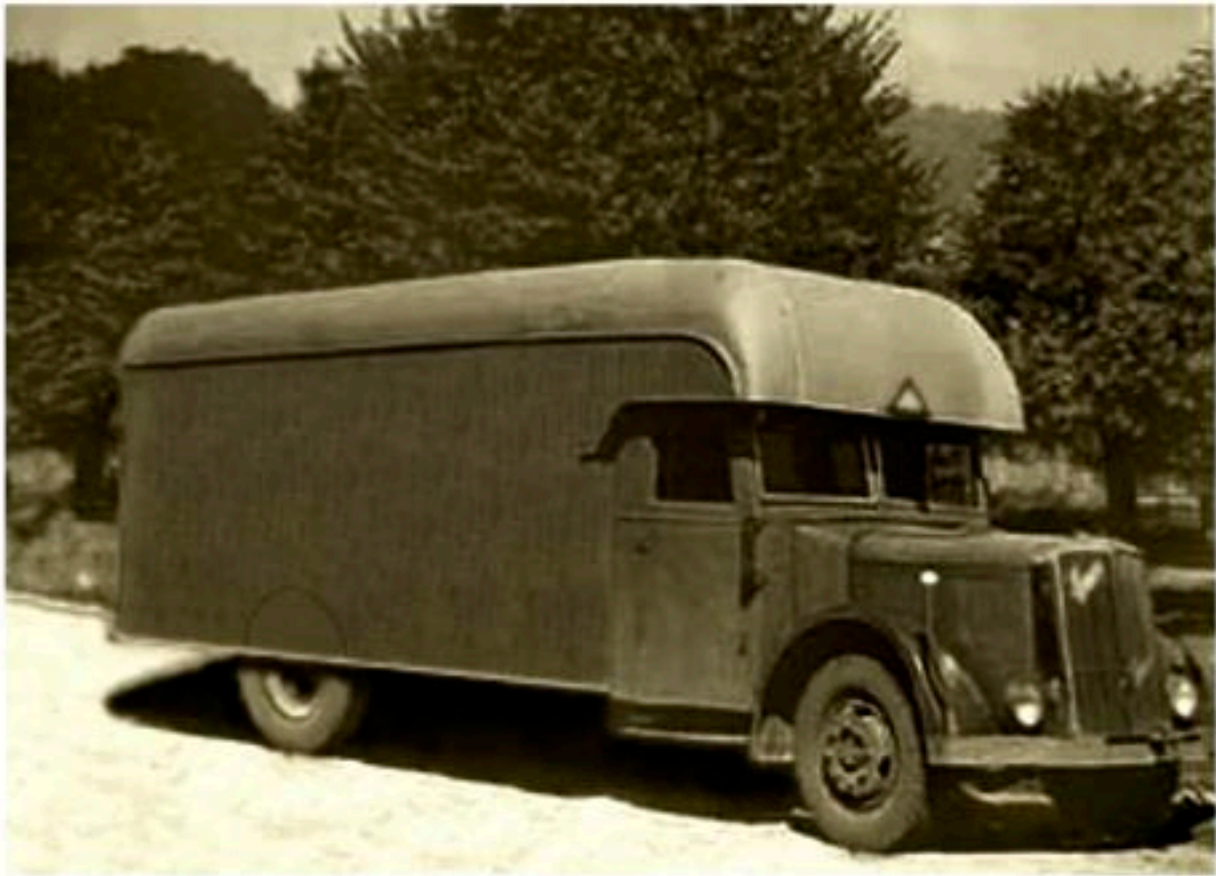

Prisoners of war were made to shovel gravel there.. The Nazis did not burn Jews alive. Holocaust historians state that they cremated a body in 10 minutes, but it takes two to two and a half hours to cremate at 1,400/1,800 Fahrenheit. Bodies cremated today at 2,000 degrees Fahrenheit only need just about 1.25 hours. Alleged cracks in the bricks of the oven lining (supposedly filled with clay) would have been caused because of prolonged high heat and possibly frequent fluctuation between heating and cooling. At most, the ovens would only have been used for 12 hours a day and the had maintenance performed on them. There was not enough coal to burn the multitudes of bodies projected. There were 52 muffle ovens of Auschwitz I and II combined, with another six from Lublin-Majdanek. There were 46 muffle ovens at Auschwitz II as of 1942. Each Oven at Auschwitz-Birkenau could burn five to six corpses a day in a 12 hour period. The muffle ovens were never operated at all once. Allegedly there were three to four emaciated corpses jammed into these ovens at a time, but this was not the case because there were no homicidal gassings. German engineer Kurt Prüfer did not design the ovens to be able to handle multiple corpses at once. There may have been specific instances where more than one corpse was cremated in the same muffle oven, but this was certainly not the norm, unless the corpses were small, which is a possibility. Furthermore, gassing six-million Jews would have been an impossible feat during wartime. There were two to three muffles

(openings) per oven. The maximum amount of corpses that could have been burned at all of the Nazi concentration camps in the entirety of the time that they were operational was 430,600. This number multiplied by four for multiple emaciated corpses is 1,722,400, which was not the reality. These muffle ovens ran for a maximum of 12 hours a day at most. 52 ovens couldn't have cremated 2,740 corpses daily. This lie is a gross exaggeration. The bodies would also have taken longer to cremate if they were jammed together in the muffle oven. The pits Jewish corpses were allegedly burned in did not have enough oxygen and the Nazis didn't have that fuel recourse. Aerial photos show no smoke or open burning pits. Wartime photos above Auschwitz did not show the massive plume of smoke that was allegedly always above the camp. Five years equals 1,826 days that equals 43,824 hours, which equals 2,629,440 minutes —divided by 2,629,440 minutes is approximately 2.8 (two adults and a child Jews cremated per minute. Commander Rudolph Hess admitted Auschwitz had mass gassings because he was tortured during the Soviet Nuremberg Trials of 1945. Treblinka was a transit camp not a camp for extermination, as many were sent to Lublin-Majdanek to work for the war effort. There were never more than three million Jews in any Nazi-occupied territory. The World Almanac of Jews was at 16,588,259 in 1938. After World War II, the Jewish New York Times stated the number of Jews in the world were somewhere from 15,600,000-18,700,000 (averaging 7,1000,000). Six-million Jews didn't perish in the holocaust, obviously. Less than one-million Jews died in World War II. Germany is still paying reparations to Israel to this day and only

remains as a sovereign nation to do so. Saurer trucks were passed off homicidal 'gas vans'.

Soviet genocidal gas-vans were in use before World War II. There's no evidence of Nazi gas vans that allegedly were used to kill 700,000 people. The design of the gas vans was blamed on Nazi Alois Brunner, who escaped the Israeli intelligence agency the Mossad. The Nazis worked to free the Slavs from the communism. Slavs are Aryan. Nazis did not persecute Slavic people. The word slave is etymologically derived from Slav. The Ottoman Empire was practiced white slavery after it ended for blacks via the Civil War. More white people have been enslaved than any other race, due to the Vatican, the Muslim Ottoman Empire, the USSR and the Canaanite Empire of 'Solomon', late BCE. Many different patch badges were sewn onto Nazi concentration-camp

prisoner's clothes. Pink triangle patches were used for communist homosexuals as opposed to the Third Reich and homosexual and sex offenders, like child molesters. I can't condone violence, unless for interrogation – or predicate 'war ethics'. Germans were slandered but some troops ravaged Jews, being brutal soldiers. They'd throw Jew kids headfirst into walls, Jew seniors in wheelchairs over balconies, etc..

The heterosexual anglo-male established the patriarchy; however, a psychically empowered woman isn't inferior to men. As far as tradition is concerned, true pagans are warriors. The Jews use the Judeo-Christian patriarchy against feminism and LGBTQ, compounded by the intersectionality of race and even disability. White-guilt is like Christian original sin in that it's innately Jewish in origin. The only original sin is being genetically Jewish. A perverted idea like that isn't conceived by pure beings. Gentiles have divine inheritance. Madonna was set forth by Jewish Hollywood to create public support for sexually empowered women. By design, this was to antagonize the patriarchy. Sexual and romantic attraction is subjective, but science isn't. Referring to leftist transgender people with pronouns shouldn't ever be a stringent demand because that negates free speech. There are feminine and masculine souls, regardless of gender. Transgender self-identification is not bad, but being in vehement denial of one's own natural and technical gender objectively indicates a mental disorder. We don't owe these overly sensitive leftists validation for their pseudoscientific disinformation. Sex change is unnatural and going overboard. It's no wonder that transgender people now aren't allowed to serve in the U.S. military. Hitler and Heinrich Himmler were not opposed to homosexuality. Homosexuality has always been acceptable in paganism. Modern neo-paganism states otherwise, but misunderstand Roman writer Tacitus, who states those drowned in bogs were slothful, unwarlike, and infamous. That homicidal Jewish six million number has been used 287 times before the Nuremberg Trials of 1945. Old New York Times articles is verily a source of some of these 'six-million' references.

**"In Heaven's Name,
Arouse the Jews of America!"**

*This is the cry that comes from the
Jews of Europe to the Jews of America*

"Make them understand that we are dying! Make
them understand that a whole people is dying!
Dying for lack of food!
Dying for lack of medical help!
Dying for lack of shelter!"

"Make them understand that hundreds upon hun-
dreds are killing themselves because their suffering
and the suffering of their loved ones has made life
unbearable.

"Make them understand that millions of Jews are
trapped in Europe and there is no hope except the
Jews of America help.

"We solemnly declare to the Jews of America that
never in the history of the Jewish people, dating back
for centuries, was there a situation like this, and never
before in the history of the Jewish people was there
any emergency as great as this.

"Time and again the Jews of America have saved us
from death. And now, from the depths of our
despair, we plead with you again to help us quickly
or we perish."

After the Nuremberg Trials of 1945, top Nazi scientists were taken to the U.S. and Soviet Russia because they had advanced knowledge of engineering. The Nazis designed the first hydrogen bomb, but wouldn't use it on racially white Russia. Jewish J. Robert Oppenheimer (director) created the nuclear bomb via the Manhattan Project. The Führer thought his generals were too cautious, and it later became evident it was a losing battle. He was accompanied by so many other Jews because the staff for research and development was full of evil Jews. Nazis did have stricter gun laws, but Aryan citizens were permitted to carry concealed pistols and have guns for hunting. Jews and Gypsies 'Roma' were forbidden to possess guns. The Nazi Party didn't believe that ordinary citizens owning heavy-duty firearms were conducive to the state and those who wanted guns should join the SS, or SA (Storm Detachment) 'Brownshirts' who protecting assemblies and rallies. The SA disrupted other domestic paramilitary groups, mainly those of

communists. Hitler wasn't racist against non-whites. The Nazis hosted the Summer Olympics in 1936. Adolf Hitler was very cordial to black American Olympic track star Jesse Owens, contrary to what the Jewish media stated. True Nazism is about making the best of one's race, not hating on other Gentile races. During World War II, Japan declared martial law and the U.S.A intelligence was aware that they were performing military drills to prepare an attack, yet let the siege of Pearl Harbor occur because the Zionist and globalist-controlled U.S. wanted a reason to enter the war. Shambhala is the abode of Sanat Kumara (translating to 'ever youthful') is Lucifer-Satan. In Japan, Lucifer-Satan is Sonten Kurama, who is the original deity of Reiki energy healing. In Hinduism, Hanuman is a mythological (fictional) monkey avatar of Shiva, who was adopted to the Chinese monkey king named Sun Wukong, who achieved the transcended state of Buddhahood. His Japanese equivalent is Son Goku — the iconic popular culture character from the epic and classic Satanic TV show Dragonball-Z. Vegeta is Baal/Beelzebub/Enlil/Thor. This cartoon also has both the archetypal Nordic and Reptilian extraterrestrial gods. Dragonball-Z is a manifestation of the collective unconscious mass-mind. Shiva is believed to reside at Mount Kailash in the Himalayas. The cities of Shambhala and Agartha/Agharti reside inside the earth. The immortal Aryan survivors of Atlantis reside within the earth, commonly referred to as 'hollow earth'. Their descendants are the Vril-ya. The magnetic poles are the main entrances to the inner earth region. The Nazi Base 211 in Antarctica is where members of the Thule Society accompanied them to. Operation Highjump was the U.S. secret navy program (1946-7) that was destroyed by

advanced technology. Admiral Byrd has previously explored the area and gave testament to accessing the inner-earth. Eastern mandala mosaic illustrations depict the Satanic eternal kingdom of Shambhala. DC Comics' Lazarus Pit is 'of' the Agartha's emerald waters.

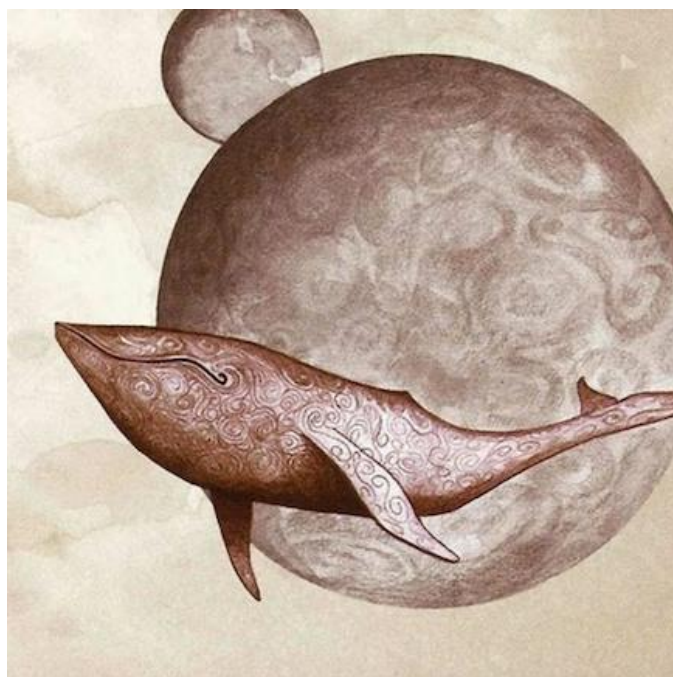

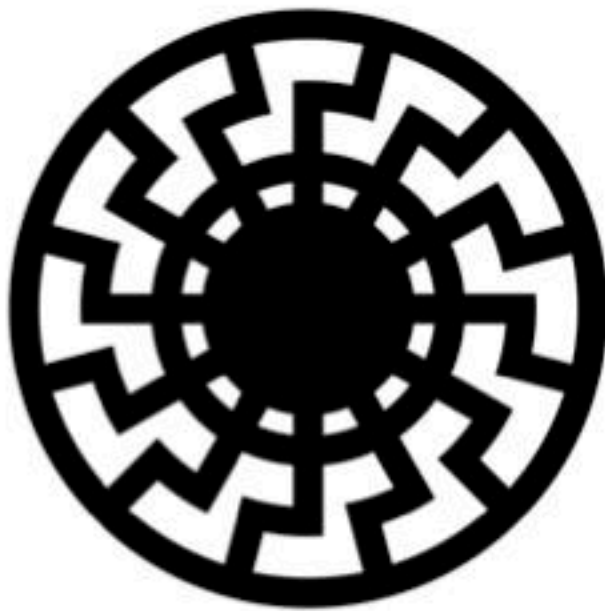

'Solomon' is Sol (Latin) Om (Sanskrit) and On (Egyptian) these all are words for the sun, but this was made into an allegorical character like all things in the Bible to fool Gentiles. The Temple of 'King Solomon' was really the empire of the Jews (Solomon is stated to have lived in the Ninth-Century BCE. The pagan Gods and Aryan Mediterranean tribes of the region were imprisoned, which is where the slave spirit in the magick mirror (black mirror) of Snow White and the genie in the lamp of Aladdin.

Enigmatic pagan myths and legends are allegories for aspects of the soul. In Satanism, black represents mystery and transformation and red symbolizes the blood and life force. Satanism has been accused of using low vibrational colors because it's evil. Notice how black candles aren't available at supermarkets. The Djinn are the rebellious spirits of the Muslim Koran. The Jewish system for summoning and exploiting Demons is called the Goetia (from the 1600s). The Demons withstood the enemy and were freed by the clergy (clerics) in 2003. They punish conjurors who attempt to forcibly summon them. The Jews slandered and blasphemed the Gods as monsters of Sitra Achra/Ahra (dark side/evil). The Demons have been known to appear as monsters when summoned for this reason. The Jewish Qliphoth/Qliphoth (meaning 'husk') is a system for summoning mock Demons (thought-forms) that creates a phantasm of a Demon that communicates with Left-Hand Path occultists. This is to cut Gentiles off from their true Gods. The enemy is at the center of Demonolatry, Thelemic magick, Latin Santeria, and the 'diabolical chaosophic' neo-Gnostic anarchist Temple of the Black Light, etc. Chaos is what the true Satanist learns to control, to an extent. The Jesuits meditate for hours on a regular basis, imagining that they are 'Jesus Christ' suffering. This empowers their thought-form matrix. The Vatican uses occult power and killed pagans who had this knowledge. Gentiles were subjected to persecution and enslavement, as the Demons were forced to build the Rothschild Third Temple synagogue in Jerusalem. The Temple Mount

Governments that perform underground nuclear testing send volatile negative energy to the earth's core. The Black Sun represents the Nigrado stage of transformation of the Magnum Opus. This is when the death of the ego occurs before rebirthing into Godhead, which is the true Holy Grail, the Fountain of Youth, and the 'elixir of life'. This elixir is called the Dripping Ambrosia, which is a liquid secreted by the pineal gland during Magnum Opus. This energy meets with the circulated energy ball stored in the sacral chakra to create the elixir of life. This ambrosia purifies the body of all impurities.

Idun is the goddess of Norse Mythology who bestows the golden apples of immortality of Valhalla. Eve picked the apple of 'Eden'.

The Nazis represented this with the Totenkopf skull and crossbones symbol.

The Sanskrit word Siddha is a title meaning attainment of Godhead. The Philosopher's Stone is said to be the mage's ball of light; however, I think another meaning is, when one reaches the Siddha, they'll be able to create a stone from nothing in their hand. The Necronomicon means 'book of dead names' and is not about raising the dead. The dead names are lost titles for the chakras. The Egyptian and Tibetan books of the dead were altered by the enemy centuries ago, such as the Simon Necronomicon grimoire. Opening the soul is what the occult is about, as preparing oneself for Magnum Opus, starting my literally — digitalizing their soul sun the first life-trial. The Knight's Cross used in Christianity and now by bikers because of the Germans, symbolizes a chakra. In Sanskrit, chakra means wheel. Sound vibration is the strongest form of magick and, amongst other things, attenuates and strengthens the chakras, as these seven-main vertexes comprise the Gentile soul.

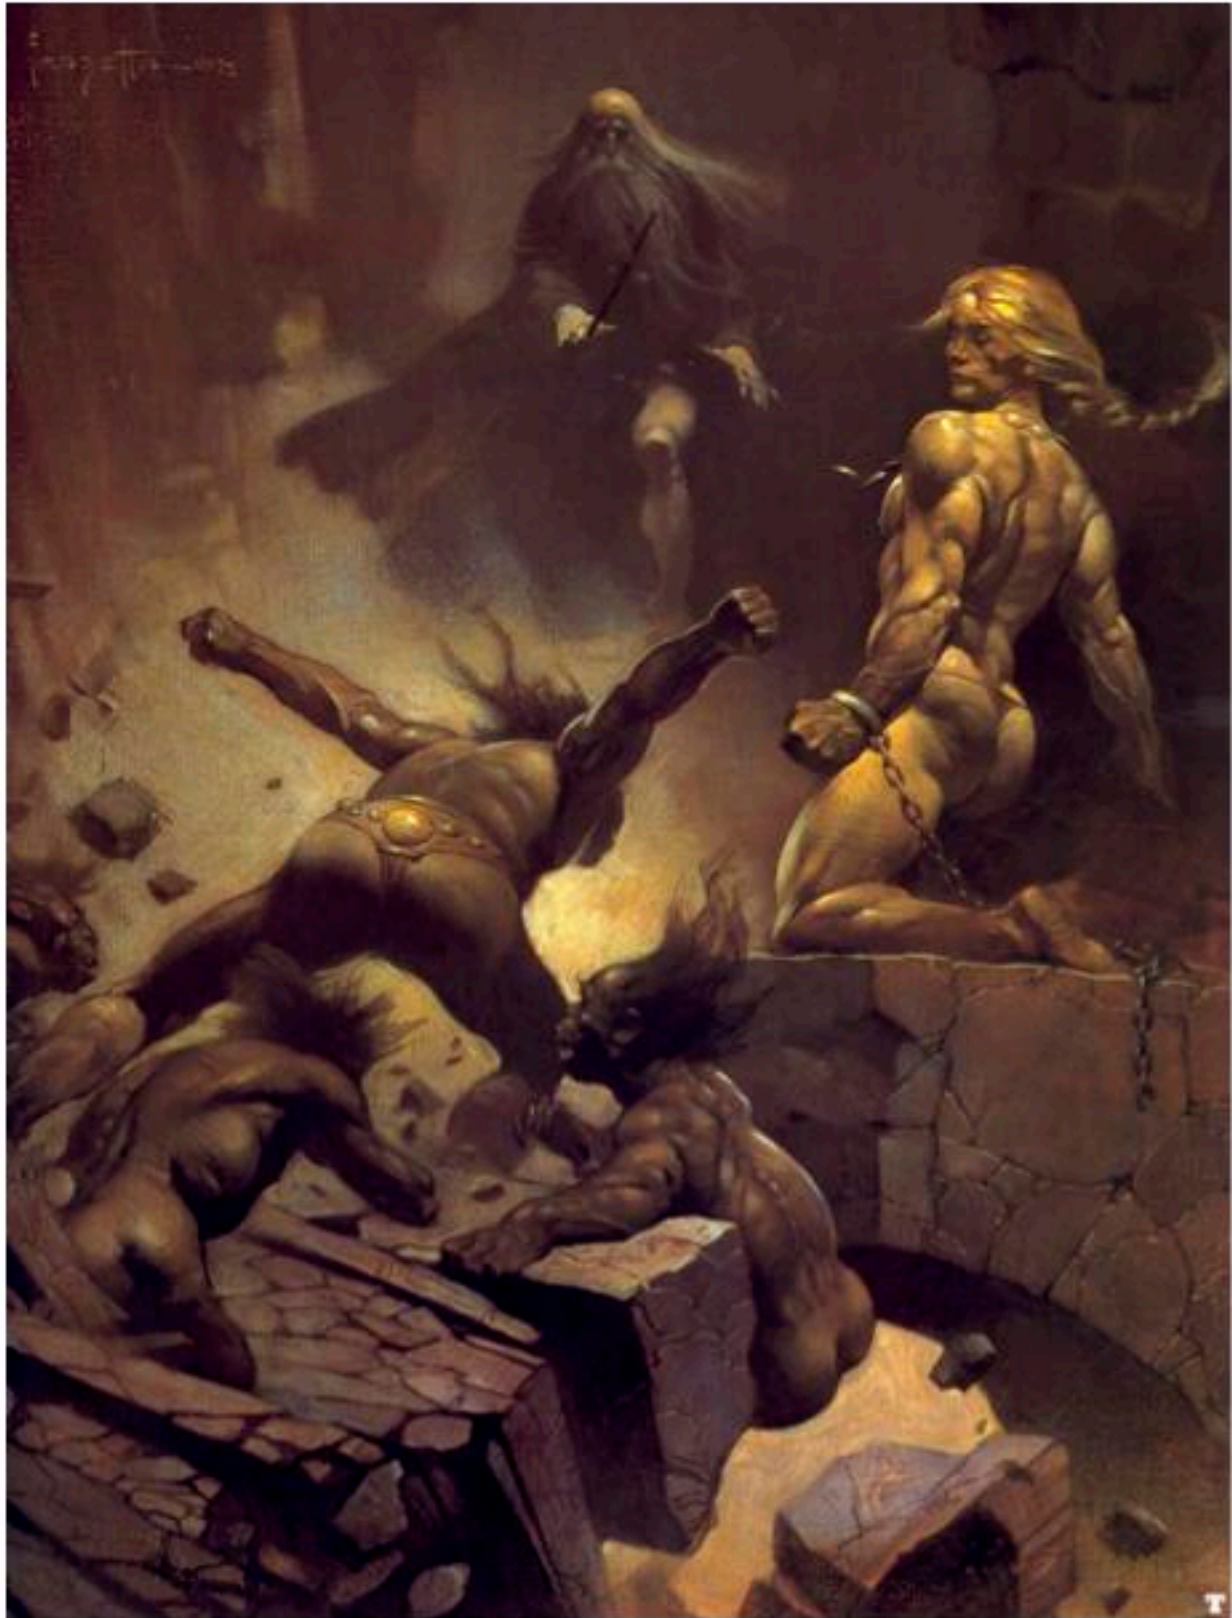

The cryptic Voynich Grimoire from the 1500s is a Necronomicon that may be from the Renaissance era. $6 \times 3 = 18$ and $1 + 8$ equals nine. 666 is a cabalistic square of the sun. Nine is a power number that is attributed to Odin/Wotan and 216 is the exaltation for Vedic mantra repetitions ($2 + 1 + 6 = 9$). Six to the third power is 216 and there are 2,160 years in an astrological age (epoch). The cosmic serpent biting its tail is called the Ouroboros that originated in Ancient Egypt and was adopted in the Mediterranean, Asia, and Mesoamerica. It represents the passing of ages and the cycle of life. Ananant Shesha is the cosmic serpent of eternity in Hinduism. In Norse mythology, this serpent is called Jörmungandr that surrounds Midgard (earth). These all represent Kundalini. The Tibetan 'Om' mantra was originally pronounced as cabalistic 'Aum' in India and is the universal vibration. Coronaviruses are prions of cell-detox from radiation. Wuhan is where 5G was first installed globally. Dr. Fauci is a patsy and fraud.

The pentagram represents the five elements and the inverted pentagram also represents the goat's head, which represents Capricorn. The reversed pentagram signifies drawing down energy into the earth. The LaVeyan rendered pentagram with double circles around it that is encrypted with accursed Hebrew letters — that are blasphemous of and offensive to Lucifer-Satan and the Gods. Double rings around a symbol that means enclosure. The Zona Pellucida is the term for the cell wall. The Jews used this treacherous technique to in prison the Demons within nine-foot circles. Demons don't like circles. Dabblers are warned.

Demons hate wands because the Jews use them to exploit and tase. I hate to show wands and the Jewish perversion of the Goat of Mendes. It's awful but should be reverently disclosed to Gentiles for educational purposes.

"So, ask me not many things; for thy kingdom also after a little time is to be disrupted, and thy glory is but for a season; And short will be thy tyranny over us." -Asmodius

The symbolic Hindu avatar of Vishnu — Lord Kalki, who is Demonic blue, rides on a pale horse. He wields a sword to cleanse the world of impurity. Christianity stole this concept with the Four Horseman of Revelation. Allegorical Kalki represents the transition and evolvement of the world out of the last epoch of the Vedic grand cycle — the dissident and destructive Kali Yuga. There are seven 'mystery kings' of biblical Revelation. They had absolute political and religious authority. These mysterious kingdoms were pagan world powers that rejected Hebrews. Egypt, Assyria, Babylon, Greece, pagan Rome, Medo-Persia, and Nazi Germany. The seventh and eighth 'mystery king' is the Antichrist Adolf Hitler. The Four Horsemen of the Apocalypse represent conquest, pestilence, famine, and death; however, Lord Kalki represents deliverance (by wrath) from the Jewish left-wing totalitarian (communist) New

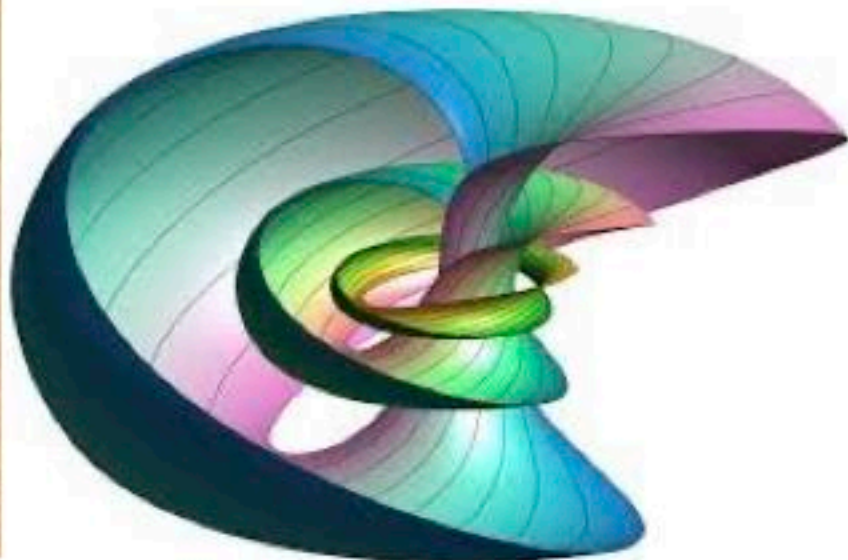

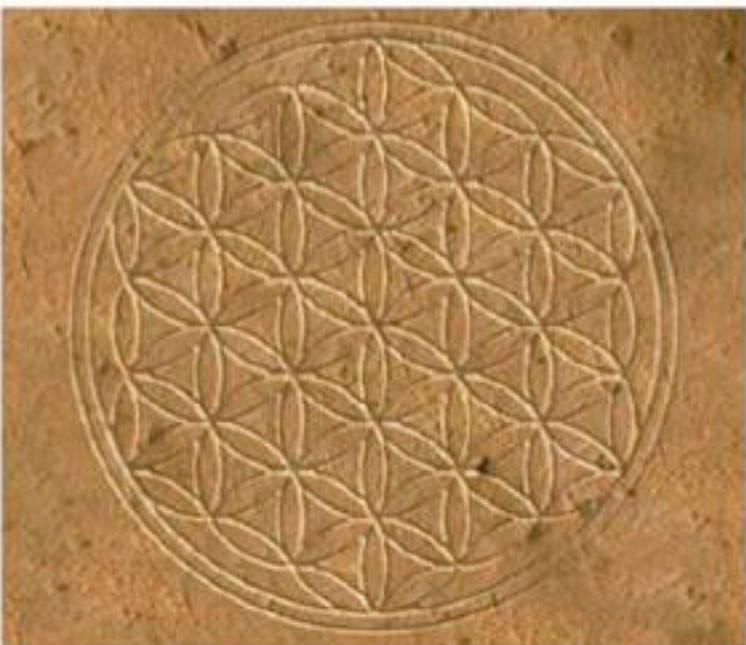

World Order. The Vedic symbol of the crescent moon represents the pineal gland. This was stolen for the symbol of Islam. Islam (clerical fascism) begins celebrating their 'holy' four weeks if Ramadan is on a new crescent moon. The crescent moon was the symbol of the Sumerian/Akkadian moon-god Sin/Nanna. The site of the Kaaba at The Kaaba was originally a pagan temple with a statue of the Arabic pagan deity Hubal. Hubal isn't mentioned in the Koran, of course. Allah was an Aramaic word for god. Zoroastrianism is a replacement theology of the enemy, like Abrahamic religions. The Persian Jew of the imperial court, Mani, infiltrated the Persian imperial court and influenced the self-proclaimed 'prophet' Ahura Mazda (who made this religion mainstream). Zoroastrianism makes Shiva into a monster god Ahriman, which was a model for biblical Satan. Persia was originally polytheistic.

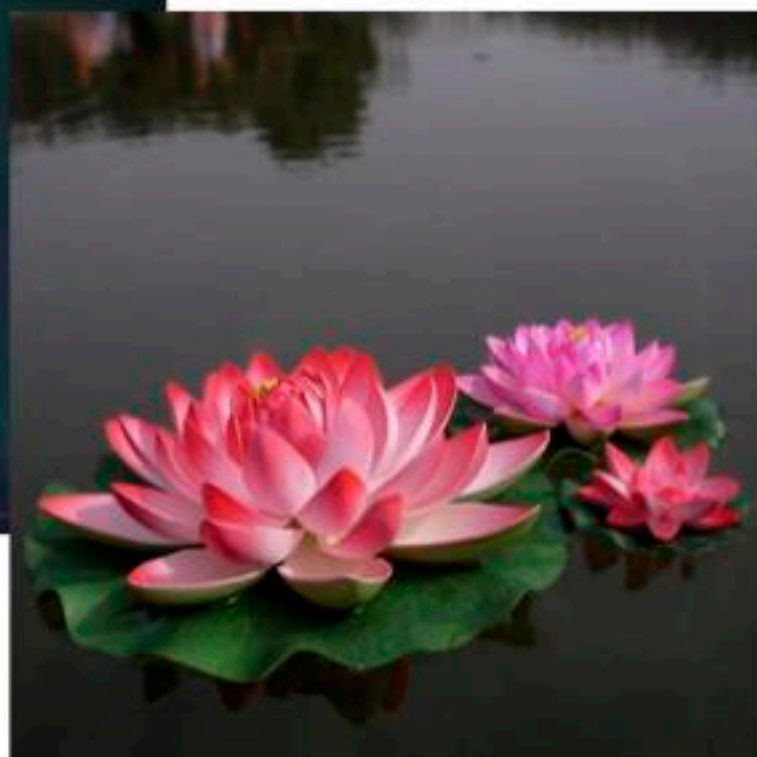

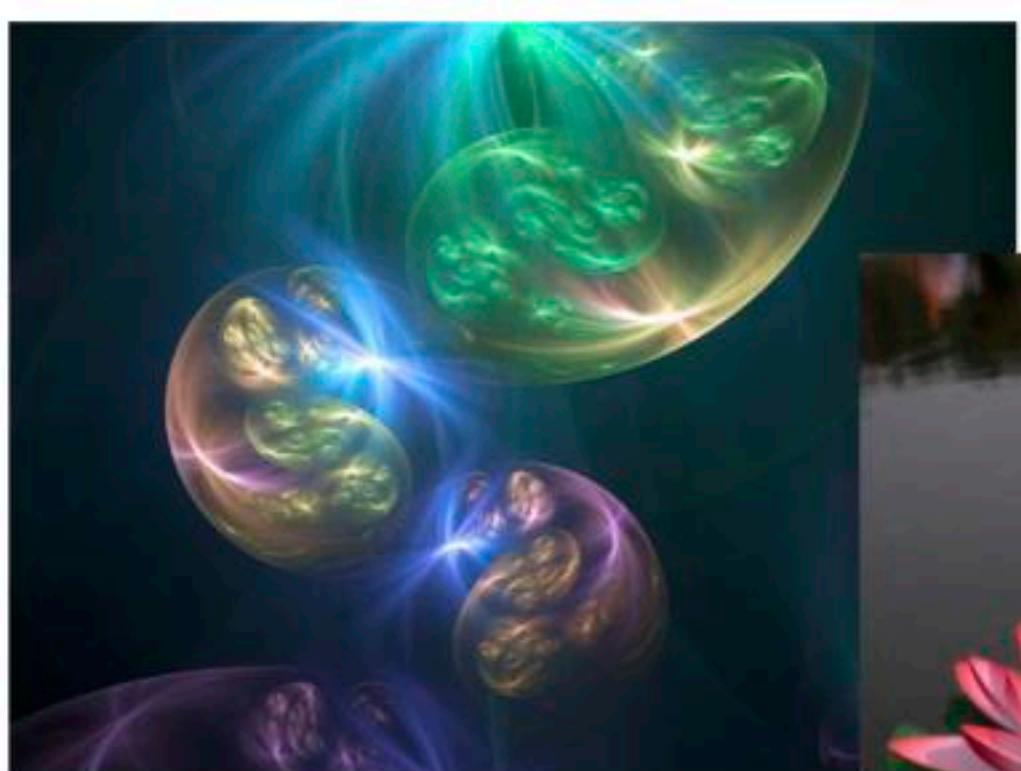

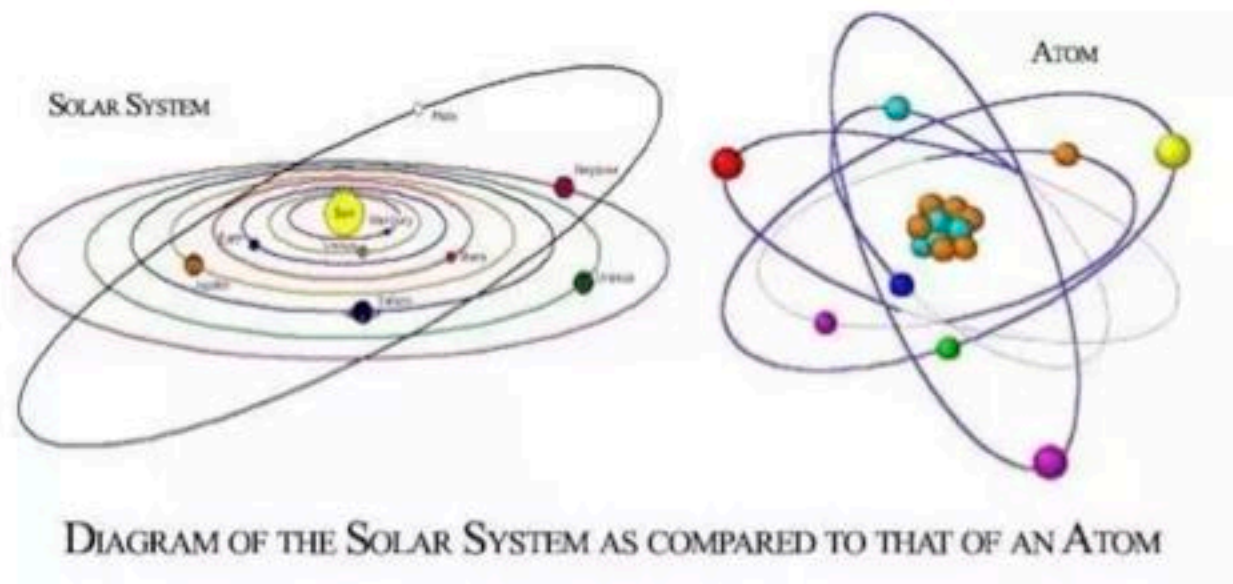

Zoroastrianism makes Shiva into a monster god Ahriman, which was a model for biblical Satan. Persia was originally polytheistic. The New Age overly emphasizes the heart chakra. Siddhartha Gautama (Buddha) lived around 2,500 years ago. He was a Nepali priest who preached the virtues and principles of this anti-life program of disempowerment. Anger and hatred are natural human emotions that are also prevalent throughout the animal kingdom.

Unconditional love cheapens love. Truth is the highest virtue, not love. Real life is predicated on truth.

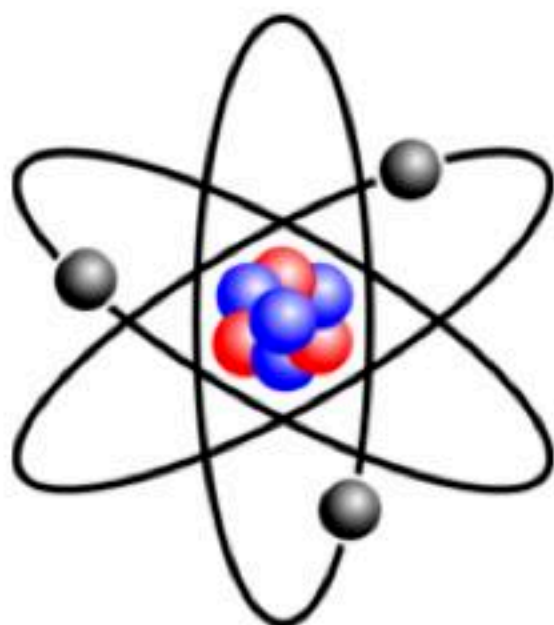

'Turning the other cheek' as 'Jesus Christ says' just leads to being victimized. It is rational to understand that killing is cowardly if the killer fears death unless it is done in self-defense. Enemy pseudo-spirituality condemns materialism, but all levels of existence are inextricably connected. The Gods used lasers to encrypt hieroglyphics to stand the test of time. The Flower of Life is a symbol that has been found all over the world. It contains all mathematical formulas in existence and is the formulae blueprint of genesis (not biblical). Notice the Zona Pellucida. The Flower of Life, the formulae of creation, consists of 13 interlocking circles. Eight for infinity added to five for the elements equal 13. Reality is a manifold based on the phi ratio.

An atom is a microcosm of the cosmic geometrical blueprint.

The periodic table of elements corresponds to primordial geometrical shapes called the Platonic Solids that generate the five elements, attributed by Plato. These shapes congruently superimpose onto the Flower of Life genesis pattern.

Count Vlad Tepes 'Dracula' (dragon), like his father, was in the Order of the Dragon, which was a militant secret society that emulated the Egyptian Brotherhood of the Snake. This was called Ordo Draconis and was Luciferian/Satanic. Dracula means 'dragon'. The Dragon Courts were an occult secret society uniting certain Gentile aristocrats (wealthy hereditary families – generally with a pedigree) against the Vatican that was increasing in power. Sigismund von Luxemburg (King of Hungary) founded Ordo Draconis in 1408. They openly identified as Orthodox Christians. Vlad Tepes Dracula impaled the Muslim Ottoman Turks because this is what Muslims did to those whom they put to death. In the 1300s, the French Knights Templar was a poor Catholic order of knights that had a sigil of two men on one horse.

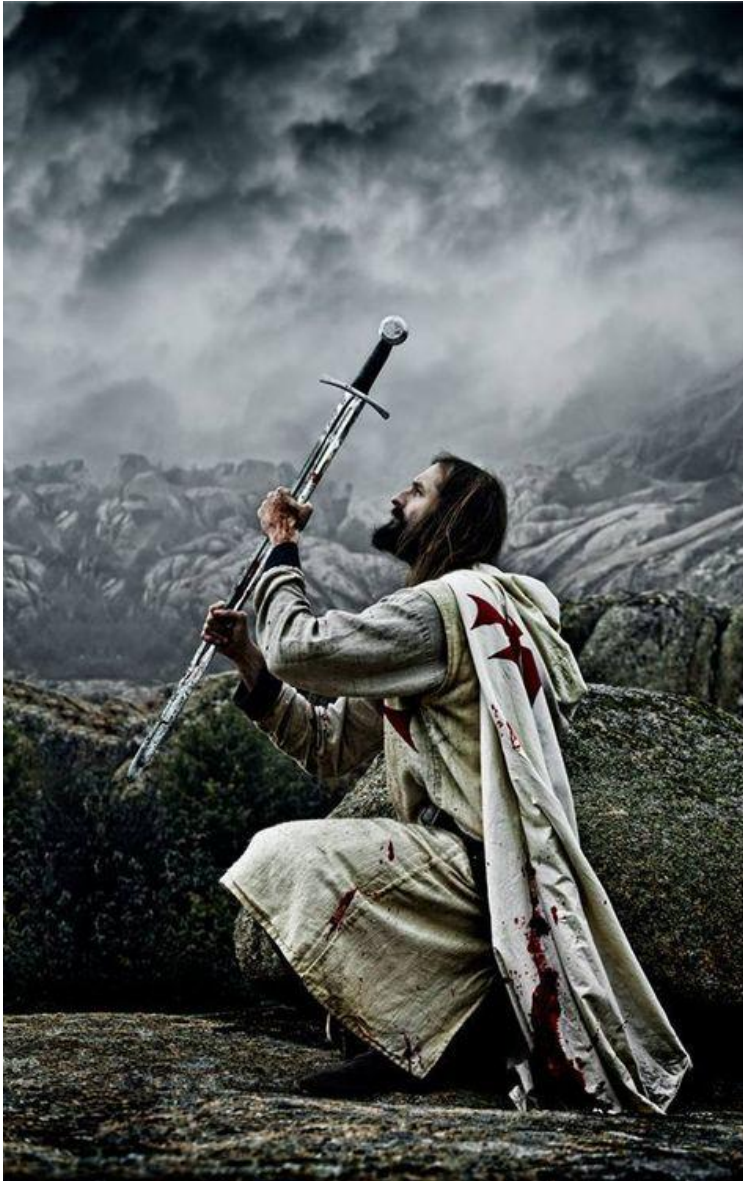

The Knights Templar was to protect the 'holy land' during the crusades. They were ordered to excavate

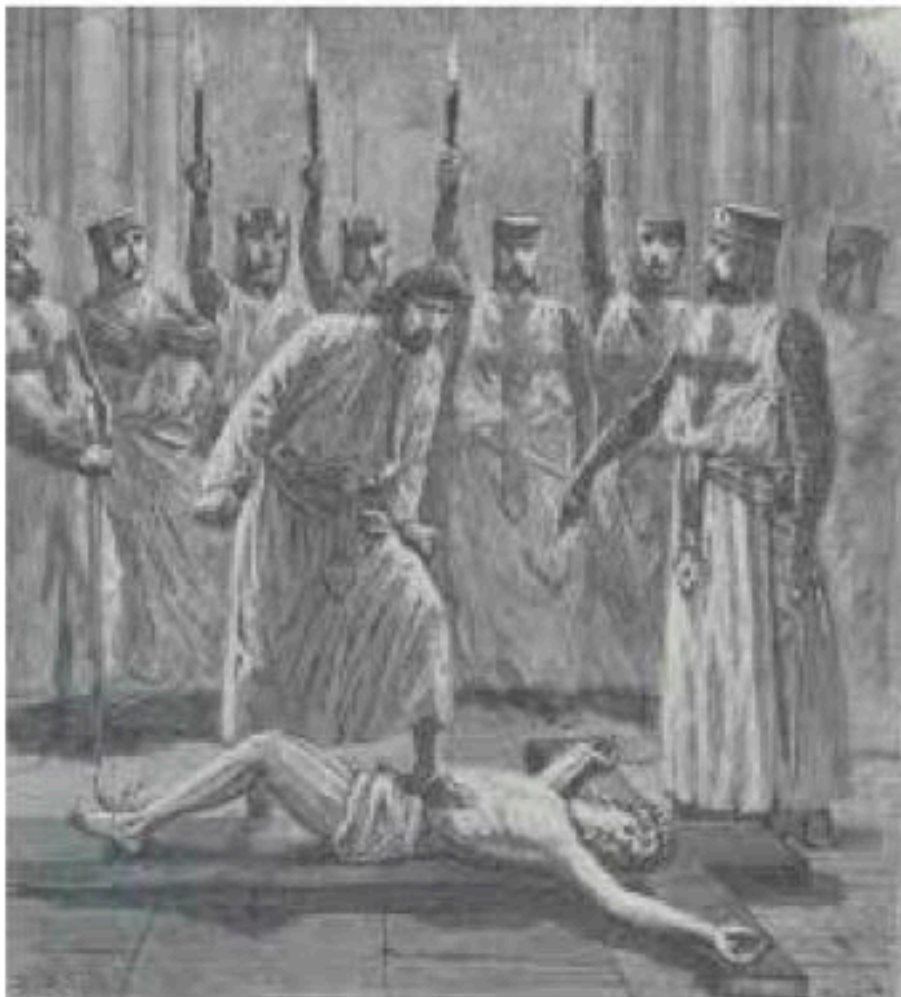

the SolOmOn temple and they found the truth. Several ruling families laid claim to artifacts there after the destruction of the Jewish Second Temple in 70 CE, Gothic Cathedrals started popping up all over Europe. Israel's First Temple was destroyed by the Neo-Babylonians in 586/87 BCE. Architectural secrets were found in the scrolls that were there, along with relics and gold. This led to the founding of Freemasonry. The Knights Templar discovered the Tablet of Destinies, or something related to them from Ancient Egypt. The Knights Templar acquired great wealth through witchcraft that exalted their banking operation in Jerusalem. Their headquarters was located in the Temple Mount that was of the Sufis. The Knights Templar were mentored by the Sufis originally. The Sufis worshipped Al-Khadir, who is Shaitan (Middle Eastern for Lucifer-Satan). On October 13th, 1307 (during the inquisition that battled 'heresy' in Europe) the both infamous auspicious Friday the 13th originated, in which 140 Templar knights were arrested, after being accused by the Vatican of devil worship and vile sexual behavior. The Knights Templar created and revered the idol Baphomet in reverence of Lucifer-Satan. Jacques de Molay, the leader of the Knights Templar, was made to wear a crown of thorns for seven years before being burnt at the stake. The Shroud of Turin is Jacques de Molay, not Jesus. This is a medieval embroidery of a bearded man wearing a crown of thorns that is stained in blood. Jacques de Molay cursed Pope Clement IV and King Philip V and they both died that year — 1314. Remaining Templar Knights fled to Switzerland over the Swiss Alps, where they fought off French Christian forces via gorilla warfare. The Swiss Flag resembles the Knights Templar cross (later adopted as the German Iron Cross). The Templar Knights we're knowledgeable about engineering and agriculture.

\

Switzerland is the most pro-white nation in the world today. These men sacrificed much for our great cause.

The Shroud of Turin doesn't even carbon date back far enough to be Jesus, but many believe it is 'him.'far enough to be Jesus, but many believe it is 'him'. The remaining knights escaped to Switzerland. The Swiss flag resembles the cross of the Knights Templar. They created the Swiss banking system. Switzerland is the most pro-white nation of modernity. Gaius Julius Caesar's troops accidentally burning the great Egyptian library in the Siege of Alexandria during the year 48 BCE. Allegedly this occurred when the fire from the harbor spread throughout the city. Christians were also revolting against pagans and Jews, due to this siege, and were likely the cause of the world's greatest archive being burnt. The Alexandrian library was not the only library desecrated by the enemy in ancient times. Vast knowledge is lost and will again be revealed

when Gentile humanity has access to the Akashic Records universal database, in the coming world.

The majority of their villages were sieged as the pagans were slaughtered and their property was burned. Greek and Roman texts were destroyed and altered to omit spiritual knowledge. Pagans were taken captive into slavery, tortured and either traded or killed when their villages were pillaged. By the time of the rise of Caesar, the Jews had acquired much affluence in the Roman Empire and likely pushed for Caesar to become emperor because Rome was a republic and the Jews wanted to centralize power. Western Rome's treasury defaulted on private Jewish investment loans. Rome had become a welfare state because political corruption furthered the divide between rich and poor. Equity attempts to reduce inequality but actually enables it because of lower living standards. Rome was compelled to fund its overly expansive campaigns and had decreased tax

revenue from losing territory to Germanic tribes. Soldiers demanded entitlement programs. Trade was also impossible where because merchants couldn't cross Barbarian territory. Rome declined and had split into Western Rome and the Byzantine Empire of the east in the Third Century CE. In the Fifth Century CE, The Byzantine Empire's economy tanked, due to a plague. The Byzantine Empire had aristocratic wealthy provinces, while the Western Roman Empire largely consisted of the agrarian working class 'plebeians'. The poor farmers sent their sons to war, as the economy suffered. The Islamic Ottoman Empire came to power and conquered the Byzantine Empire. Later, the Dutch East India Company was created as an amalgamation of several rivaling Dutch trading companies. It colonized India and Southeast Asian countries and monopolized the spice trade. It was challenged by the British East India Company, which allowed joint-stocks, meaning investments weren't returned. The Danes invaded Britain in 1649 and seized the throne that was co-ruled by William III and Elizabeth. Many stocks of the Dutch East India Company were purchased by Jewish merchants and in 1748 the company was directed by Isaac De Pinto, a Spanish Jew. English and Dutch Protestant aristocrats were responsible for neo-feudal slave wage-labor, which is contemporary capitalism. Protestant capitalism came from prior ecclesiastic academic research and development during the Holy Roman Empire. Capitalism and representative democracy were conceived at the same time in Europe. Democrats replaced aristocracy because classical liberalism represented the working class, which is no longer true of neoliberal Cultural Marxist Democrats. French Jewish Jacobin Frankists and Jesuits made it so the power monarchy was to be replaced by centralized banking. Jacobins seized power after the

French Revolution. The Founding Fathers recognized the French Revolution as a negative event. Centralized banking was instituted in the British Empire at the end of the 17th Century CE. Monarchy was basically eliminated by the end of World War One. This began with Merovingian Charlemagne procuring a system where Gentiles were granted credit loans from Jewish institutions. Powerful aristocrats today are of Merovingian descent. The New Testament forbids Christians from lending money. Moreover, the British East India Company then became the richest corporation in the world and held sway over imperial politics. Jainism is a materialistic movement that was an adversary to the Vedic pagan religion and it was responsible for bringing Buddhism into power. The Jews entered China as early as 206 BCE and gained the favor of the Mongol emperor and became able to influence the government in Kaifeng. Kaifeng has a large Jewish community today. These Jews then aspired to become mandarins (bureaucratic scholars of ancient imperial China) by studying and excelling.

The Ming Dynasty was controlled by Jews. It's thought that mandarins of the Qing Dynasty refused to inform the emperor of Britain's superior military because they were ashamed. Really, it seems to be that the mandarin Jews wanted to Talmudic protocol of with Rothschild Vatican funded British imperial globalization – that would also create communism in China. Communist China allows churches, mosques, and synagogues but not the Falun Gong because the power these practitioners were demonstrating harnessing was a threat to their Jewish power. Jews then came to China from 618-907 CE (Tang Dynasty) over the cosmopolitan Silk Road. Marco Polo noted the Jewish presence in China. Rothschild lieutenant Jew Jacob Schiff funded ethnic Chinese Jewish communist dictator Chairman Mao Zedong/Tse Tung, the Bolshevik Revolution, and the Japanese invasion of China. Mao hated creation and had a professional pianist's hands smashed for violating outlawed art. Japan is more conservative than China and makes better products, as was the case with the Weimar Republic (Third Reich). China is controlled by ethnic Chinese Jewish ruling families. The North Korean Kim Dynasty is oriental Jews. Kim means 'gold'. China has a communist/capitalist mixed government. Bill Clinton lied, telling the world that the U.S. would manufacture goods and sell them in China, but the globalist World Trade Organization (creators of the Warsaw Pact between European socialist republics on the Eastern bloc — and Soviet Russia). The WTO masquerades as an institution for prosperity and civility. The WTO did nothing to penalize communist China for devaluing U.S. currency, as U.S. jobs were outsourced to China en masse. The WTO doesn't see that as a problem. The WTO has a panel of elected lawyers adjudicating policy. The Clintons, like Vladimir Putin, order the killing of those who try to expose them to pull the plug

on their operations. Hillary Clinton seems to be a victim of MK-Ultra because she's initiated Freemason, inferentially. The Rothschilds use the Clinton Foundation as a front for hitman operations, etc, to shift the attention off of the Jews. The NBA is an eight-billion dollar industry, while Nike is a 40 billion dollar industry. The Jewish controlled NBA will not condemn China's authoritarian crackdown on Hong Kong. It's in league with globalist Nike that makes its profit from Chinese slave labor. Nike and the NBA encouraged athletes to publicly criticize Trump. Lady Nike/Victoria/Marchosias is a Goddess — blasphemous Nike Inc. is a disgrace. China has a mixed-market economy to thrive like a leech off of America. In Communism, the government (public sector) owns companies (state-run enterprises). The Chinese government was ordered to release this coronavirus mutation as a full-court press to crash the world economy with its own because of Trump's tariffs. Jewish mogul controlled Alphabet Inc. and the World Health Organization are suppressing evidence of the Chinese virus being a bio-weapon. Google funded Obama into power, as he was backed by Wallstreet. Obama then gave Google free-reign. Bill Gates created malware and antivirus software to make a profit. He's now involved in the creation of COVID-19, in which the Jews plan to cure. The coronavirus quarantine and vaccination is a preparation for the RFID chip. China has stockpiled gold, although the U.S. has over twice as much at Fort Knox. China doesn't have the military resources necessary to defend its trade routes. Russia has an economy the size of that of Texas. The U.S. has the most resources, therefore the most power. The U.S. has the most resources, therefore the most power. The US has the most power, given its access to diverse recourse. When the recession brings a global financial collapse, many will die of starvation and

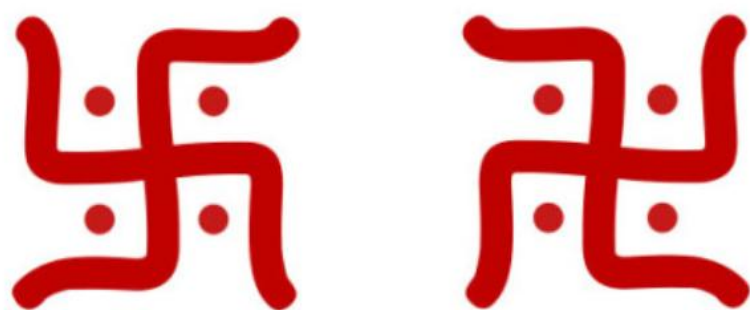

lawlessness. Bill Gates funded engineering of particles to diminish sunlight for culling the world populace, all the while creating massive agricultural projects on private property. The Jews are afraid of a global economic collapse because of what will happen to them. They are damned if they do and damned if they don't at this point in the game. Buddhism preaches against the ego, which is unnatural. The ego is ruled by the 666 solar plexus chakra that motivates the soul, unlike false pride and arrogance. The devil in Buddhism is called Mara, meaning 'death' in Sanskrit. He tempts Buddha, like the biblical 'devil' tempting 'Jesus Christ'. Buddha is a title for an enlightened master in the Far East. Tibetan Buddhism was of the Satanic Bon warrior class in the beginning. The ancient Bon Buddhists practiced witchcraft. They were persecuted in the Seventh Century CE by imperial Buddhists. Bon warriors were given the eight-pointed star by the God Marduk/Amon Ra for priestly initiations. This symbol is the 'disc of Ishtar' of Babylon. It's a misconception the Nazis reversed the swastika, as they tilted it at a 45-degree angle.

It's a misconception the Nazis reversed the swastika, as they tilted it at a 45-degree angle. The Vedic swastika is the Wheel of Dharma 'Dharmachakra' the soul's path of destiny/fate. It has been speculated that the swastika depicts the four Vedic time-cycles corresponding with cosmic ages/epochs — called Yugas and the four seasons. Swastikas are found around the world. Swastikas also represent the sun. It has roots in Vedic paganism that became part of Hinduism, Buddhism, and Jainism. The swastika has a fourfold magnetic field of the Sun.

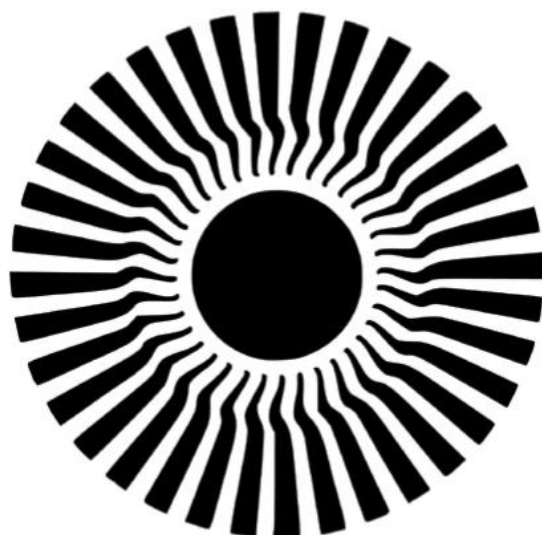

The Tibetan swastika is reversed and versions of the Sanskrit, as well. The reversal represents the Tibetan Black Sun666. Enemy spirituality has made the heart seem more powerful than the solar plexus 666 chakra. This obviously weakens the soul and disables empowerment on a grand scale.

The octahedron is the MerKaBa energy field that can be activated around the light-body that counter rotates at the speed of light. The angelic hexagonal MerKaBa is detrimental to humans because it links them to the number six of Saturn and isn't in synch with eight for infinity. This ties into the Jewish egregor matrix. When

Quantum entanglement is where particles are exchanged when an interaction occurs, instantaneously. This occurs in magick when thinking about something. Yezidi Middle Eastern pagans have been persecuted by Muslims. The Yezidis were originally Aryan. The Yezidis worship Melek Ta'us — the Peacock Angel (Lucifer-Satan). Contrary to much mainstream scholarly belief, Aryans originated in India and later migrated to Mesopotamia and Europe.

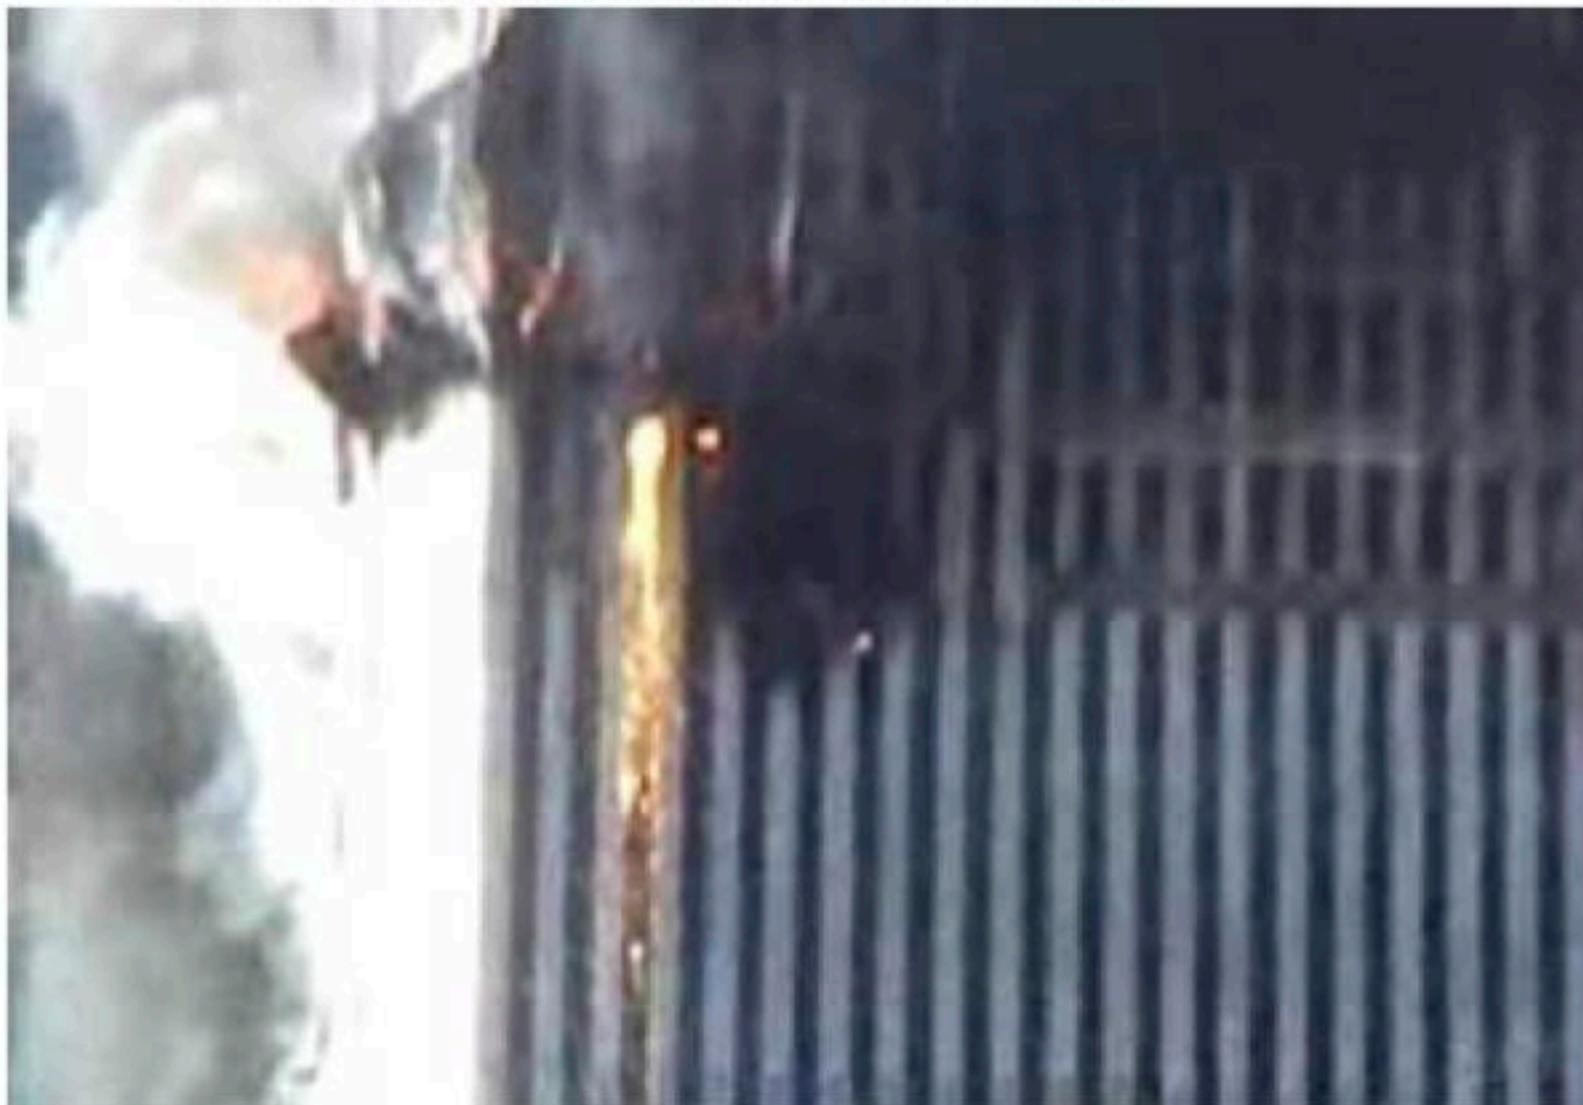

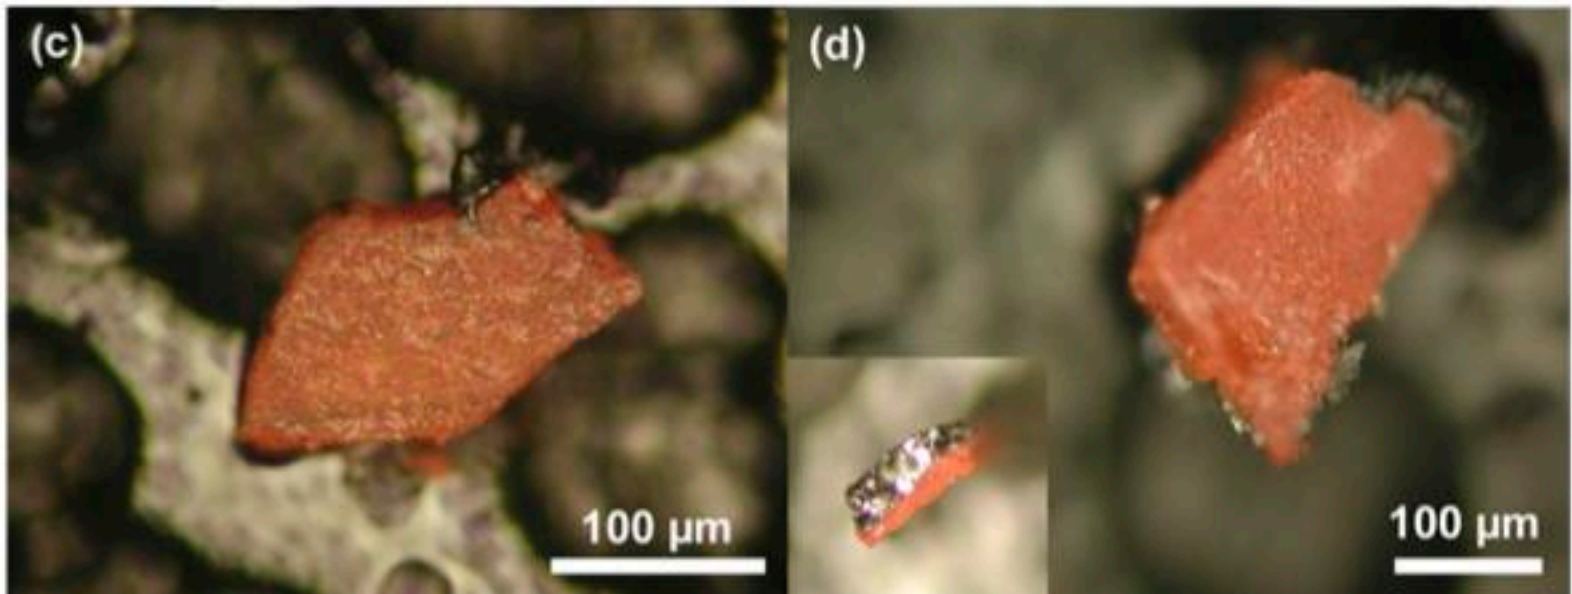

The Satanic figure-eight symbol represents infinity and the two horizontal crosses represent the base and sacral chakras, where the Kundalini serpent ascends from. The pentagram with a lightning bolt symbolizes Kundalini.

The property owner of Ground Zero (Jew Larry Silverstein) sued for \$4,550,000,000 in collateral for two separate buildings and won. The Jewish 'deep-state' didn't suppress revisionist info by assassination, or threats because that would only further expose them when the word spread of the truth about 9/11. The Jewish elite had their 'experts' attempt to debunk and dismiss it. Molten metal melted with nano-thermite can be seen on the video falling from the tower. Nano thermite was used. It's easier to ignite and reacts faster than traditional thermite.

Sulfur added to thermite formulates 'thermate' that melts through metal at lower temperatures than thermite. 'Thermate' is patented for structural demolitions. Some pedestrians smelled sulfur before the attack at Ground Zero. Nano-thermite was used in the controlled demolition of the Twin Towers. Microspherulite (microspheres from molten metal) consisting of iron and aluminum were found in the dust of the wreckage that matched the signature of nano-thermite. Red and grey incendiary deposit chips (nano-thermite) were present in the wreckage.

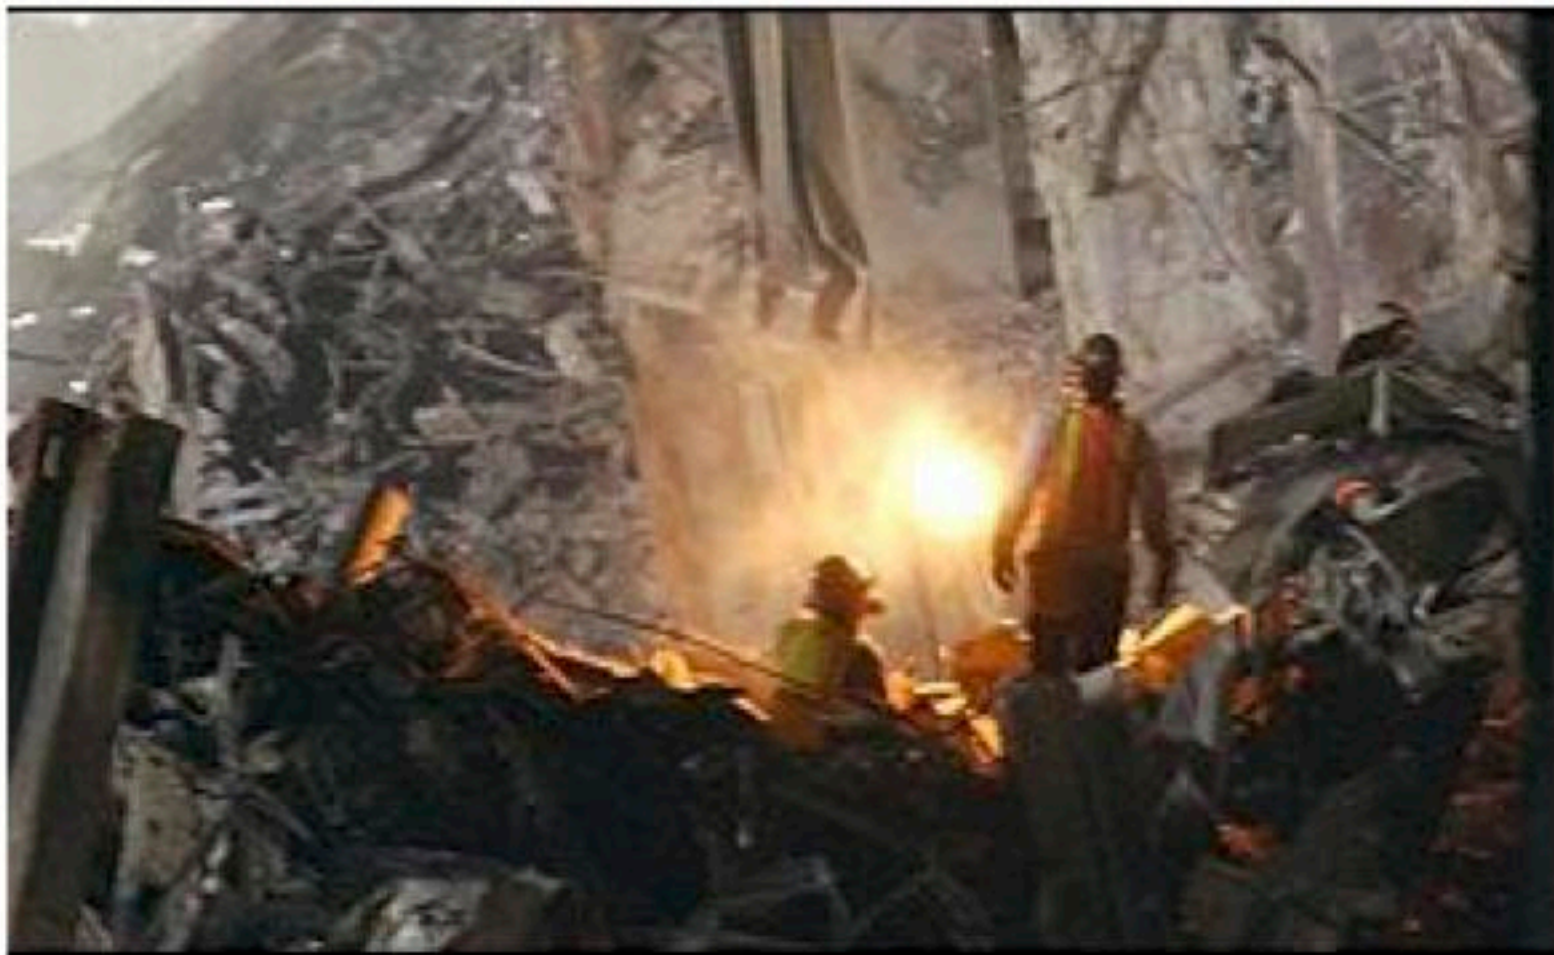

Many people have ascertained that the 9/11 terrorist attacks were orchestrated by the Israeli Mossad and CIA liaison. Osama bin Laden was a CIA tactician prior to the year 2001. The World Trade Center represented the Tower of Babel (Genesis 11:9) and a ritual Jewish human sacrifice to precipitate a third world-war. Integral steel beams were seared at 45 degrees from being bound with nano-thermite strips.

9/11 terrorism was blamed on al-Qaeda and the Taliban to initiate a messianic war. World Trade Center Building 7 was reported collapsing on BBC before it actually occurred. The Jewish Solomon Brothers were contracted to a long-term lease in 1988 and subsequently became the main tenants. The mayor of New York City Rudy Giuliani had a state of the art bunker in WTC Building 7 but luckily wasn't there. He's been a loyal asset to Trump, obviously. The prompt was scripted. Silverstein publicly stated that Building 7 had been pulled because of the structural damage; however, it takes two weeks to rig a building for controlled demolition. There were pools of molten metal runoff in the base of the fallen buildings. Molten rubble was pulled from the Ground Zero wreckage months after the collapse of the Twin Towers. The rubble smoldered for months.

Furthermore, the U.S. government prepares for a cyber-attack and economic collapse to create martial law. The cabal has been destabilizing America with race-riots and wants to destroy society from within. They are trying anything and everything to create Red Dawn. A New World Order would be used to prosecute the total deterioration of America and make sure 'nothing like this ever occurs again.' This could be in the form of a domestic attack, such as nuclear conducted by America's enemies. FEMA camps are now operational. FEMA has at least 15,000 guillotines. FEMA trains with shackles to closed Walmarts or old train-repair stations, etc... Large coffins able to hold four obese Americans. REX84 is an executive order signed by Bush Sr. that would allow foreign troops such as Chinese, Russians and Cubans to occupy America in a Red Dawn martial law scenario. The Jews have failed to create World War Three and are now scrambling for alternatives to cull the population. The Jews want a swift end to Gentile freedom, although, they are being forced to implement gradual protocols. They can't save face at this point.

Father Lucifer-Satan told the High Priestess that there will be a pandemic caused by a plague. Christians will be fooled into thinking it is biblical prophecy. Antibiotic-resistant viruses and ancient diseases from melting icecaps could emerge. Prehistoric viral RNA could mutate coronaviruses to the next level for bio-terrorism. The coronavirus COVID-19 began in the Chinese Year of the Wood Rat that, in Jewish Gematria numerology, equals 42. The Four corners of Yahweh/Jehovah/Allah $4+2=6$ for the Jewish egregor matrix. Rats carry disease and the symbolic sympathetic magick is apparent here, non-coincidentally. Major plagues in the past have occurred during Year of the Rat. The Gods don't accept blood sacrifices like performed in pagan shamanic traditions. The Jews knew better than to

perform animal sacrifice in Ancient Egypt because it was highly offensive to the Egyptians. In the Bible, Yahweh/El Shaddai excepts human sacrifice, but the pagan Demon Baal/Beelzebub/Enlil/Thor/Zeus doesn't. The Gods were treacherously bound and separated from Gentile humanity. Pagans wanted to appease them, so oftentimes would offer blood sacrifice. Pagans then came to fear the Gods' wrath when calamity befell them. Enemy entities feed on the negative energy of blood sacrifice. The Abrahamic god of the Bible and Koran demands slavish worship and blood sacrifice. The Eucharist (communion) of Christian Mass is a simulated blood sacrifice in which they eat the bread (flesh) and drink red wine (blood) of Jesus Christ. Jewish Blood Libel is when Jews kidnap a Gentile child and bring them to their synagogue at night, during Passover. The Rabbi binds the child to a cross and Kosher drains the child of blood to give the Nazarene thought-form power.

The corpses are then sent to corporate meat factories and end up in fast food, such as McDonald's. The Jewish elite ran pedophilia rings that exploit children in Freemasonic circles. The Illuminati Jewish elite operates human trafficking and also sex slavery via blackmail. Jeffrey Epstein is alive in Israel. He had a sacrificial temple on his private island. Illuminati rabbinate love adrenochrome (adrenaline from blood).

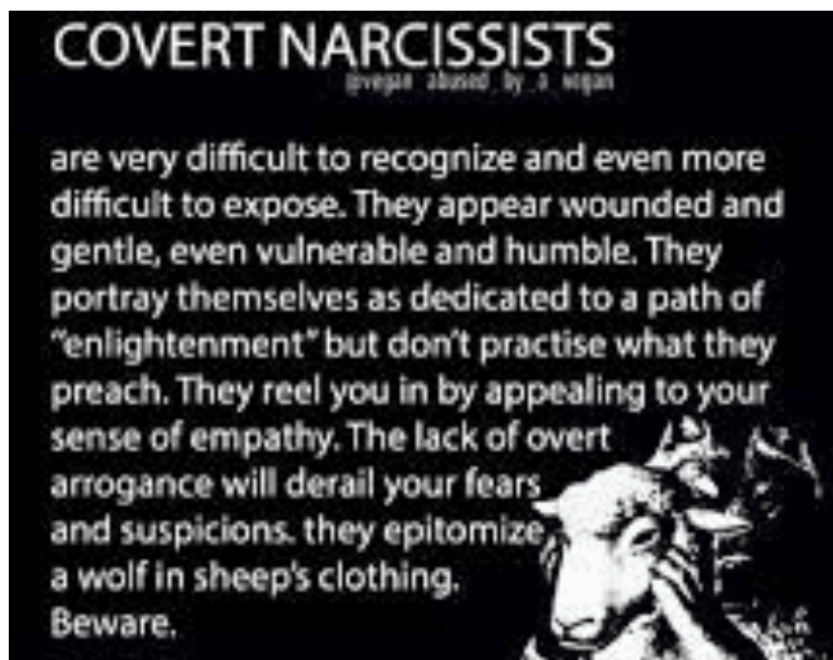

Roman general (later emperor) Titus laid siege to Jerusalem during the Jewish rebellion and destroyed their temple in 70 AD. Titus forbade animal sacrifice. Rome demanded taxes when Rome was already an indebted creditor to Jews. This brought on the Jewish Diaspora where Jews spread out to Asia, Europe, and Africa, where Jews race-mixed with Gentiles. Islam still considers the West to be neo-Rome and U.S. and European troops, Crusaders. Islam, like it's twin Christianity, is a religion of conquest. The passive one for the smarter people who end up sucking the Jews' proverbial cock after they 'kill the savior' by worshipping them. Allegedly, archangel Gabriel 'appeared to the pedophile Muhammad', who in truth — never existed (like Jesus), telling 'him' that everyone needed to be converted to Islam. The Jesuits turned Arabs against Jews by making Muhammad a prophet by indoctrination. Islam is a controlled opposition of the Jews. Islam is instrumental in destabilizing the Middle East to advance its agenda because it's the counterpart to Christianity. Operation Jade Helm 15 was domestic preparation to invade the Middle East for World War Three, where the U.S. would seize all of the oil. Islam condones terrorism and pedophilia and Muslims who deny this fact are ignorant. They just think it's cultural. A police-state manifests due to civil unrest. If people are tolerant of 'peaceful non-extremist' Muslims, Shari'ah Law would eventually be implemented in the U.S. and Europe. Liberal tolerance is idiocy and weakness of character, as Islamists understand will allow them to infiltrate and institutionally implement their agenda in Western culture. Islamists are extreme. Jew Chuck Schumer and Jew John Kerry introduced legislation in Congress that allowed the Rothschilds to send Iraqi oil to China. The Halliburton subsidiary's proposed Iraqi oil pipeline project was a colossal failure, due to damage control that expended funds. The corps of engineers supervising the undertaking ignored their consultant's

warnings about the geological fault zone. This oil was supposed to pay for the war. America was then impoverished and so, they borrowed more money from the Federal Reserve. The liberals against Halliburton are now happy to side with Big Tech mega-corporations. Nancy Pelosi is a senile Jew who supports creating frivolous unconstitutional policies while supporting neo-Marxist anarcho-socialist 'cancel culture' to destroy the constitutional rule of law. Term limits need to be legislated. The Siege of Jerusalem occurred from 636-37 CE when Muslims overtook Jerusalem. The Vatican would again gain control of Jerusalem during the Crusades in 1099 CE. Exorcism is a way of scaring unknowing vulnerable individuals into Christianity. The power of Christian prayer is a powerful force because of the soul. Leftist Annie Besant, the disciple of the Russian theosophist Helena Blavatsky, was one of the original members of the Fabian Society. She contributed to the subversive theosophical New Age movement that teaches of fictitious Ascended Masters of the Great White Brotherhood. Theosophy is corrupted mysticism. Twin-flames and indigo children aren't real, as astrology is behind these things. Theosophy teaches that the Jewish mystical sect called the Essene Brotherhood descended from this order, lead by Jesus. Dead Sea Scrolls in Hebrew and some Aramaic/Coptic serve to prove the existence of Yesu/Jesus Christ/Immanuel/Sananda. Jew Billy Meier is controlled opposition of the Mossad for trying to decentralize the fragile concept of 'Christ'. There was allegedly a 2,000 year old tomb with the Talmud of Immanuel ('Gospel of Judas'), which states Immanuel (Yesu) survived crucifixion and that Judas didn't betray him. Apparently the Mossad killed Isa Rasheed

in contact with Billy Meier over getting this Aramaic Talmud out to the public (1963). The book still got out on pdf because of Meier. Meier is a proven fraud who uses illusions of depth, with tiny trees zoomed in on, in his videos. This book foretells negative prophecy, which Daemons of Hell/planet Du'at won't do. Theosophy draws in non-dogmatic spiritualists to acknowledge Christ. The Jews want everyone ordinary 'goy' to believe Immanuel/Yesu/Christus existed. The Copts were gullible zealots who spread Christianity throughout Alexandrian Egypt to Rome. The 16 Dead Sea Scroll fragments at the Museum of the Bible in Washington D.C. are forgeries. The oldest artifact the Jews left for Christianity is Papyrus 52, a fragment of text of the 'Apostle John' from around 117-138 CE. During the Roman (crypto-Jewish) Flavian Dynasty, the Essenes made Yeshu/Yeshua out to be a messiah, to subvert paganism. Judaism was often combined with eastern polytheism since the Hellenistic imperial Ptolemaic period. The Achaemenid Empire of Alexander spanning from India to the Balkans and the Caucasus to the Mediterranean. The Jews went to Kerala in India during 72 AD, after Rome sacked Judea. They became merchants there and established an influential base for Christianity by building churches. Romans saw Christianity as another mystery-cult, but dangerously subversive. Roman emperor Vespasian founded the Flavian Society and it was funded by Jewish Philo. During the Roman (crypto-Jewish) Flavian Dynasty, who plausibly infiltrated, originally were a pagan family of military esteem. Jews Cato the Young and Marcus Junius Brutus were Jewish enemies of Caesar. Theosophy teaches that Yesu/Jesus Christ/Sananda studied with 'spiritual masters' like the Buddhists,

Hindus, Egyptians, and Druids in the years of his life not mentioned in the New Testament. Urantia is a theosophical book that gets all mystical, expounding on the Bible and Yesu/Jmmanuel. Aldous Huxley, author of A Brave New World, and George Orwell, author of 1984 had both attended the Fabian Society. These books are about the Jewish modus operandi of a New World Order. Aleistor Crowley was a Freemasonic occultist who also has influenced the New Age Movement. Rosicrucianism was a European Christian order from the 1700s. It synthesized Hermeticism (Cult of Hermes) who is the Demon Thoth/Hermès and Hebrew Kabbalah. Dionysus and Hermès were wrapped and placed in a manger at birth. Wicca was founded in the 1940s by Freemason and Rosicrucian Gerald Gardner. It is a synthesis of Paganism and Jewish Kabbalah mysticism. The Hermetic Order of the Golden Dawn is a Rothschild-funded occult order. Enthusiasts of this order included Aleistor Crowley, J.R.R. Tolkien (author of The Hobbit, Lord of the Rings, and Silmarillion), C.S. Lewis (author of The Chronicles of Narnia), and Led Zeppelin. Many ancient Vedic texts have been altered by the Catholic Jesuit order throughout history. The Indian philosopher Adi Shankara (788-820 AD) perverted the original concept of Brahma meaning ether Godhead into maya, literally meaning 'magical illusion. Vedic texts were perverted to modern Hinduism by Jesuits, as Rothschild controlled Britain turned India to a nation of squalor. Veganism and vegetarianism, fasting, celibacy, and inflicting self-harm to purify the soul to prepare it for ascension are all false spiritual practices that have been adopted into modern Hinduism. Humans are omnivores with canine teeth. Animals are spirits of a totem, meaning they don't

evolve to Godhead, so some New Agers falsely rationalize that to ascend then they should be vegetarian. Abstinence is of the enemy. Organic meat from humanely killed animals that are eaten in moderation doesn't cause illness alone or impede spiritual advancement. Humanity progresses spiritually via the intellectual pursuit of knowledge and metaphysical application. Cleansing and empowering the aura for protection daily rids of any karma from eating meat filled with fear. Vegetarianism somewhat, and veganism completely — are idealistic and narcissistic; vegans are like Marxists, obviously. A vegan thinks they aren't qualified to take life of innocents which is covert narcissism, holier than thou.

If you insist on being a vegan pussy, then eat protein first thing in the morning – like pea powder, not almond butter. Taking meat out of India created weakness, warriors eat meat. Doing veganism correctly is tricky, and furthermore, awkwardly gentle (weak). These people need meat to develop a new kind

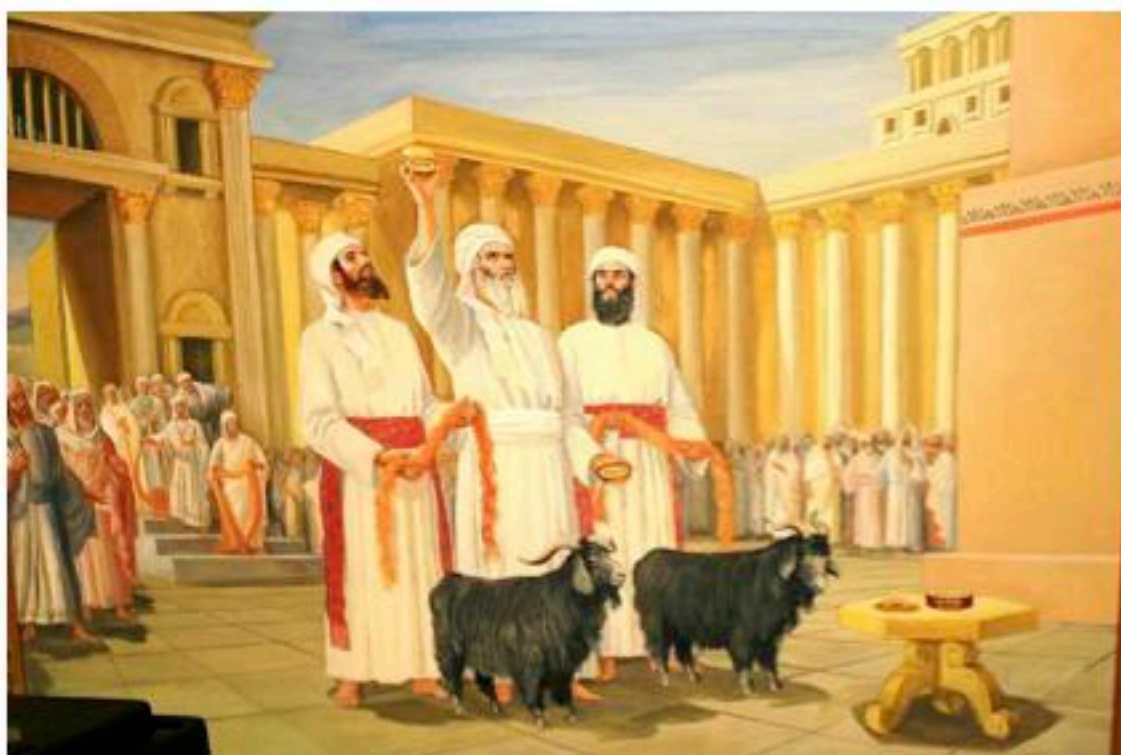

of edge. Vegans I've known are uncomfortable with violence on a deeper level. This is planet earth you wimp. That's like someone saying 'oh I can't stand that because the bad energy'; grow up, have some grit, and transmute it – compose! I see through you weasel-worm! It is a weaponized form of theosophy, as if good and bad/right and wrong transcend choice and consequence. Objectively, it's a matter of personal preference. Is it wrong to rip a carrot out of the ground.. Pagans have always been hunters and also, if an animal dies then it should not go to waste, end of story. Sustainability of veganism is pointless because depopulation must occur. Israel uses the N.A.T.O., Russia and China to ensure that will transpire. The argument that animals have spirits and humans with souls who ascend 'shouldn't eat meat, is an opinion insidiously based in Jewish theosophy. One won't raise their Kundalini living in narcissistic rigidity through stipulation to restriction and abstinence. A healthy soul reconciles balance of indulgence and responsibility. Mine as well eat meat so the death wasn't for nothing. Humans that eat what's raised in a police state aren't karmically subject to a police state. The Torah is the source of all slavery, not diet. Gentiles can use their aura for protection against chaos, parasitic amoeba-energy and evil – having the correct knowledge. The United Nations headquarters in New York City was built on the grounds of an old slaughterhouse because the cruel treatment and killing of animals in intensive factory-farming is a blood sacrifice ritual of the Jewish elite 'sons of Cain' Illuminati to the evil Reptilian gods. This has become toxic to the enemy as we have stripped the Torah of power.

These celestial bodies also influence Feng Shui. Energy from past lives manifests through reincarnation as karma, which is an individual's dharma. Negativity compiles in the souls over lifetimes if the soul is not thoroughly cleansed. Negative karma is ruled by the malefic planet Saturn. Saturn transits can cause detrimental effects on humans, including death. Saturn's negative energy, created by a Jewish Kabbalah, causes aging, which is biological entropy. Saturn also has positive aspects. If Mars is involved then this can cause violent accidents without truth in knowledge, it weakens. Saturn also has positive aspects. If Mars is involved then this can cause violent accidents without truth in knowledge, it weakens. Eventually, the soul withers to a second death, as known in Ancient Egypt.

A preliminary scare tactic that falsely stigmatizes witchcraft is the Threefold Law of Return, being those practicing 'dark arts' will be damned by karma. Hebrew biblical scripture blame-shifts all Jewish racial karma onto Gentiles, using their Leviathan (Jewish Kundalini) liberally to control the world, thus far. This energy is transferred by sacrificing goats that represent Gentiles and the biblical Leviticus 22 passage (affirmation). Their karma has been redirected back at them and will manifest horrifically. The goat is attributed to Azazel. The scapegoat was cruelly cast into the desert during Yom Kippur. The goat is a sacred animal of Lucifer-Satan, like the peacock, raven, snake, and dragon.

Mental issues are revealed in astrological charts. Astrology is advanced and 'professional' astrologers describing growth in life aren't adept enough to predict events. A void with celestial electromagnetic bodies as variables is a calculus. The zodiac signs are prominent in outer space, even if they've shifted slightly over millennia. Vedic astrology is not accurate like sidereal/tropical astrology. Ophiuchus the 'serpent charmer' constellation is located between Scorpio and Sagittarius and factors in, but it isn't the 13th sign. Astrology dictates events that would otherwise seem like the will of 'god'. Chinese astrology governs the 12 earthly branches corresponding to the 12 celestial branches and lunar tidal cycles. The Chinese wood element has been stated to correspond to air because trees create oxygen. Metal corresponds to ether.

Jewish psychiatry is also a lucrative, insidious business, originating in the USSR to quell dissent. The Jewish elite via Big Pharma, the Jewish Monsanto Corporation, and the chemical company DuPont manufacture pesticides for fruits and vegetables. These mega-corporations fund genetically engineered organisms (GMO). These are proven to cause leaky gut syndrome, which is a grave disorder that goes undetected, due to Jewish institutional medical establishment. Cancer is the evolution of microbial. Yeast turns to fungus, becoming mold that mutates to cancer. Salvestrols are natural antifungals that occur in organic fruit and vegetables. Salvestrols are metabolites that deactivate CYP-1B1 enzymes that only exist in cancer cells. Vegetables and fruit that have been sprayed don't produce salvestrols. The accumulation of synthetic pesticides prevents salvestrols from working by neutralizing the cancer biomarker CYP-1B1 enzyme, so salvestrols can't cause apoptosis (programmed cell death). Tumors contain a spore. Cancer cells exhibit tendrils. Tumors are masses

of oncogene cells that are an inflammatory response against cancer ravishing healthy tissue. Proto-oncogenes (cell-genes) are vulnerable to prions (toxic proteins) from bad factory-farm torture-meat, etc... Tumors encapsulate afflicted tissue like crustacean shells do with soft tissue ('Cancer' the crab). Cancer is fueled by glucose fermentation rather than oxidation. Cancer anaerobically produces lactic acid just like fungus. Cancer isn't glitched cells that exponentially replicate because of genetic mutations. Enzymes can reduce, or even anecdotally stop out-of-control cancer growth. Cancer is caused by stress and unresolved trapped negativity that forms an energetic callus that becomes molecular. Cancer is also caused by xenobiotics: volatile organic compounds (VOC), toxins, synthetic industrial, and commercial chemicals. Also, an overload of protein, radiation, and sugar. Iodine from kelp produces an anti-inflammatory and antioxidant called glutathione recycler in the thyroid gland. Iodine consumption blocks the deadly fission byproduct isotope called iodine-131 from the thyroid gland, allowing the body to detox it safely. Elevated insulin levels are inflammatory and have been linked to tumor growth. Free radicals oxidate (steal electrons from healthy cells) and damage telomeres (chromosomal ends). This causes cellular degeneration, which damages the body by causing flawed cells to be replicated. The immune system is rendered vulnerable to disease. These defunct cells mutate rather than die. These mutated cellular organisms are parasitic. Microbial infestations rob cells of nutrients and deregulate gene expression. Cancer can't survive in a mildly alkaline state; however, becoming too basic on the pH scale is carcinogenic. Stem-cell genetic therapy cures cancer. Chemotherapy

and proton radiation dangerously deteriorate the immune system. Often the victim doesn't have the holistic understanding to recover from. Chemotherapy with antifungal therapy and stem-cell therapy heal cancer. The Jewish elite laugh when gullible goyim ardently donate to 'find the cure' and 'battle cancer'. Billionaires have access to stem-cell therapy where the antibodies are made to be much bigger and stronger. The Jewish cancer industry serves to enrich corporations and as a means of depopulation. Medical cannabis can be spiritually centering by distancing the person from the ailment that can't get passed mentally; however, it's like a temporary key at best, not a doorstop. Nuances of perception can be achieved through meditation without cannabis. Overuse of weed can cause paranoia and schizoaffective disorder. People with repressed subconscious minds are vulnerable to this. CBD has been proven as an effective antipsychotic, as it deactivates this gene. This doesn't mean recreational CBD dominant strains still become addictive. Cannabis leaves the user open to psychic influence and suggestion, making them potentially psychically vulnerable (leftists, Rastas, etc.) It'll drain creativity and life force after prolonged use. One should advance past what this plant offers because it's pernicious. THC diminishes theta brainwaves, which are responsible for achieving deep meditative states. Overuse of weed causes brain damage by disinhibiting neuron function and literally starving the frontal lobe of oxygen. Potential auxiliary 'teacher plants' such as cannabis, *B. caapi*, wild dagga, *calea ternifolia*, ceremonial tobacco, blue lotus flower, or lower doses of LSA/datura — or low-dose psilocybin — are spiritual keys at first but are not necessary for spiritual advancement. 'Frying' on psychedelics can be very

damaging to the soul. THC lowers blood sugar, which starves candida and causes hunger. The Joy of Satan Ministries doesn't encourage the use of any recreational drug. They advocate a clear mind for spiritual advancement. This subject is a synopsis based on personal experience. Licorice root blocks inflammatory cortisol and is best consumed prior to smoking, caffeine, etc... Dopa mucuna and 5-HTP beans and L-theanine heal the brain. Running the smoke through a piece with clean, cold water is favorable. Weed drains the adrenal glands and can leave the user feeling burned out. Overindulgence with weed can cause a leaky aura, so this means building a tolerance to its psychoactive affect. Astral leach entities and enemy gods control the user and feed off their energy.

Zionist Jews push for legalization of marijuana to dull down the goyim (and will push for legalizing more

drugs in the future under the banner of socialism). Most people don't understand the shamanic concept that weed is like a key to another dimension and it often becomes a doorstep. The Jewish elite push for having lithium added to the municipal water supply to make the masses more docile and serve. Relying on drugs is a crutch. Spend far more time being still and going inside rather than 'blasting off into space'; case dismissed.

Mediators in Joy of Satan Ministries who eat arterial clogging and hardening, cell-trauma filled — prion-filled, inflammatory meat, ardently believing they can transmute it (like they think staying in their home is safe 'because of their power') are hypocrites. They state not to ever drink or smoke, etc. (with all due respect fam). Do what you must, including facing yourself. It's not AA, advice isn't statutory instructions. I'm not condoning drugs; the body is a temple, SKÅL!

CBD dominant cannabis reverse brain damage from THC. Full-spectrum Cannabis is far superior to weed as cannabinoid aid the body and energy centers in allowing the body to modulate and align its geometry. The Munka King-moon Yin/Yang mantra is for karma.

Those of us who have spent much time in the world of spiritual make-believe have eventually seen the childishness of it. This dream world has been replaced by a great sense of purpose, accompanied by a growing consciousness of the power of God in our lives. We have come to believe He would like us to keep our heads in the clouds with Him, but that our feet ought to be firmly planted on earth. That is where our fellow travelers are, and that is where our work must be done. These are the realities for us. We have found nothing incompatible between a powerful spiritual experience and a life of sane and happy usefulness.

-AA Big-Book pg. 130

As though lying upon a sunlit beach, let us relax and breathe deeply of the spiritual atmosphere with which the grace of this prayer surrounds us. Let us become willing to partake and be strengthened and lifted up by the sheer spiritual power, beauty, and love of which these magnificent words are the carriers. Let us look now upon the sea and ponder what its mystery is; and let us lift our eyes to the far horizon, beyond which we shall seek all those wonders still unseen.

Medical marijuana is an outside issue, FYI for obnoxious AA big-book thumper robots who find profundity through their weakness. Long term drug use causes emotional immaturity and mental fog. Overindulgence with weed causes a leaky aura, so this means building a tolerance to the psychoactive effect. Drugs will short-circuit the user in the end, like how some people drink alcohol to ease social inhibitions. Drugs don't cure underlying issues and put life on hold. Instant gratification is childish if perseverance through work for constructive outcomes isn't the goal. Elite Jews push for the legalization of marijuana to dull down the goyim. The Jewish elite push for having lithium added to the municipal water supply to make the masses more docile and serve. Relying on drugs is a crutch. Shamanic plant healing has its place, ideally not recreationally. AA focusses on transcending the ego rather than just more of a 'not wanting to use today' like the NA' focus. There are so many people in these programs who just need to smoke some weed and read Joy of Satan. The 12-Step approach to medical cannabis is all-or-nothing thinking, as not applied to surgical medication in the same sense. Weed separates one from their body so it feels spiritual. 12-Step epiphanies and marijuana maintenance are not going to raise consciousness to the next level. The 12-Steps can lead to an enlightening perspective to alter narcissistic and impulsive behavior. Maniacal self-will stridently rationalizes, in a manner of speaking, a 'confirmation bias' for its narrative. This creates powerlessness that brings on unmanageability, leading to self-loathing, thus causing resentment for others and resistance to life. It's a compound issue, not a linear one. The phenomenon of craving diminishes when one turns

their life over to a higher power. Having an epiphany is crucial to be able to get through the day and hard times, without being intoxicated. Spiritual Satanism offers true autonomy, non-subjugated by karma. The 12-Step programs, such as AA and NA, teach affirming the disease with regularity. What fires together then wires together in the neural network, as energy is subatomic and programs molecular biology (cells). One is powerless when in early sobriety, but can heal. This is a common misconception about the 12-Steps. The 12-Steps teach that 'sorry' is cheap. Furthermore, an 'attitude of gratitude' is easy to proselytize about, but some people have been victimized in life by karma. This is why it's very important to connect with people in recovery daily, like showering daily. Hygiene is body, mind, and spirit. Resentment is figuratively re-sent/re-sense, a visceral rumination. Hatred is a natural and resolved emotion that is healthy to embrace to process and motivate; however, living in the past is weak (not referring to PTSD) and is detrimental to the beholder. The present moment is compromised when one is bogged down by past negativity. Satanism gives Gentiles the power to fight back, so 12-Steps can help shed light on beliefs affecting behaviors, but is ultimately for the spiritually feeble. When an AA/NA member dies, rest assured that their epiphany won't be a pleasant surprise like the fleeting one that they experienced in the physical world — while getting clean/sober. 12-Steps are for the weak because Spiritual Satanism has no place for sacrifice. The AIDS virus was ordered by Jews, such as Henry Kissinger. AIDS was produced in a laboratory and distributed to target blacks and homosexuals in highly populated areas through Hepatitis-B vaccines. Kissinger is responsible for tens of thousands of young

American men dying terribly in Vietnam because Kissinger wouldn't permit the bombing of North Vietnam's (Communist China) fuel tankers because he was a representative of Jewish Wallstreet 'banksters'. Firestone and Goodyear, the American tire companies, wanted Vietnamese rubber trees. The Rockefeller Foundation funds research to treat AIDS. No cure for cancer or AIDS but here's this convenient mRNA vaccine for coronavirus. An electron microscope must magnify 7,000 times to view a virus. Gene-based vaccines have never been administered to humans.

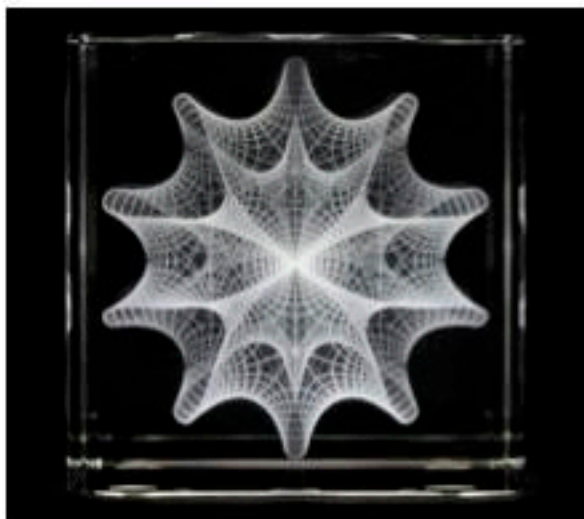

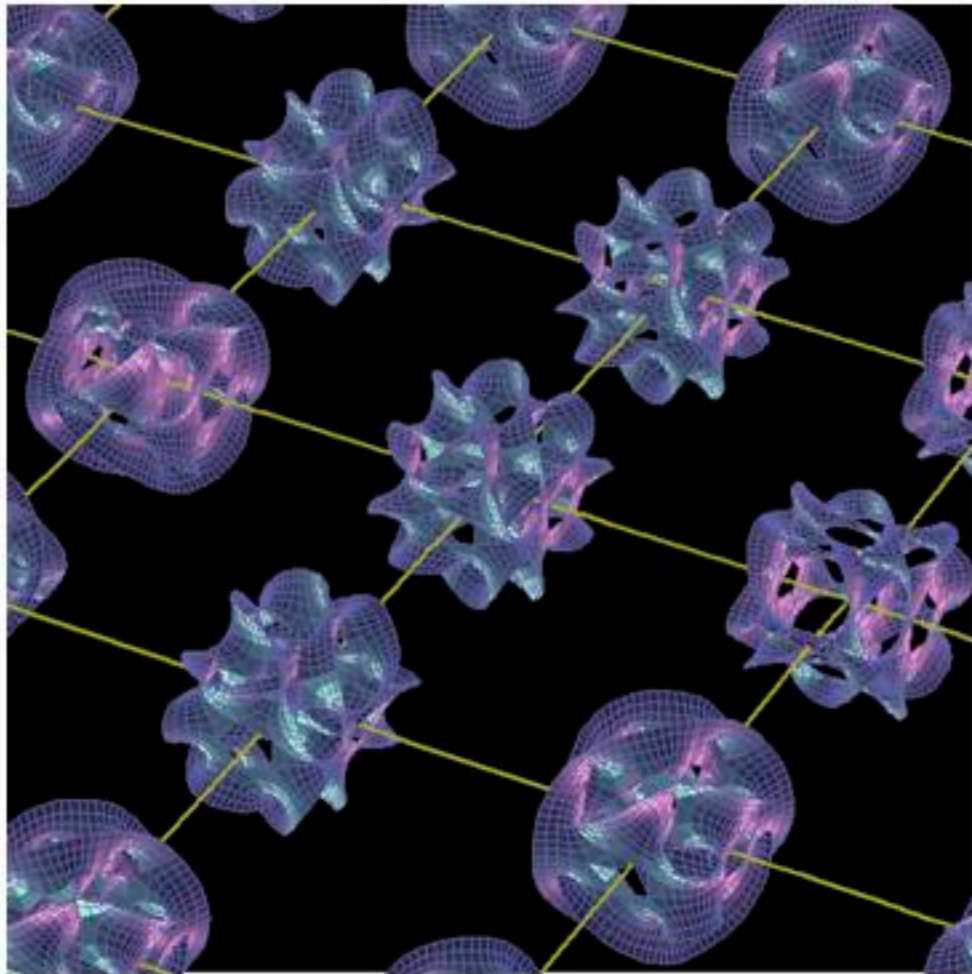

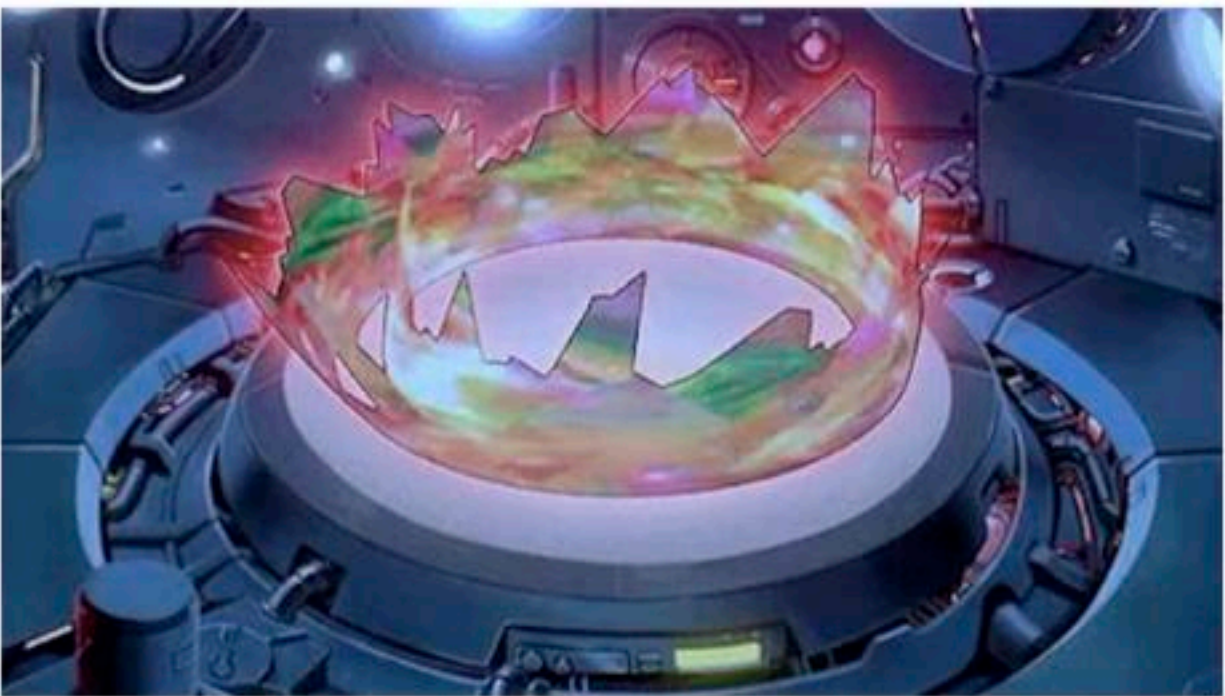

Jews create problems and then offer solutions. Tarot Cards symbolizes knowledge of complete human experience and opening of the soul (including reversed cards). Tarot goes back to Ancient Egypt. Tarot means 'royal road'. The five books of Moses and the Torah are perversions of the five elements. Humans have five fingers and toes because humans consist of five elements. Jewish Zechariah Sitchin spreads disinformation. 'Planet X' (Sumerian Nibiru) is a Sumerian name for a fixed star in Babylon and is another name for Marduk/Jupiter. Nibiru is also used in describing star transits. The Jewish Hebrew Kabbalah is stolen from Thoth/Hermès and the Egyptian Cabalah, originating from Sanskrit. Jews perverted this system at the great Library of Alexandria. Qabalah is an advanced system of magick comprised of the sound vibrations that are the basis of creation. The universe is infinite, and humans can only perceive creation in a linear way. The Big Bang emanation theory is a Jewish lie from the Jewish Einstein; 12 is a Jewish metaphysical Cabalistical number. The Torah is a spell book of mantras. Bizarre Jews sway in prayer #freakshow. The Bible is a tool of Hebrew sorcery that establishes a subliminal connection with those nearby (home/hotel). Gematria is the cabalistical numeric value of letter and word correspondence with shapes. The Hebrews hex with the value of the hexagram – six. The Tetragrammaton is the Jewish veil over the earth that was hijacked from the pagan four corners, replaced with the four corners of Yahweh/Jehovah (four Metatron's Cube). This is the Jewish/ Christian/Islamic god thought-form egregor absorbing prayers from those of Abrahamic faith to materialize the Jew New World Order. It's destroyed forever. The Internet and World

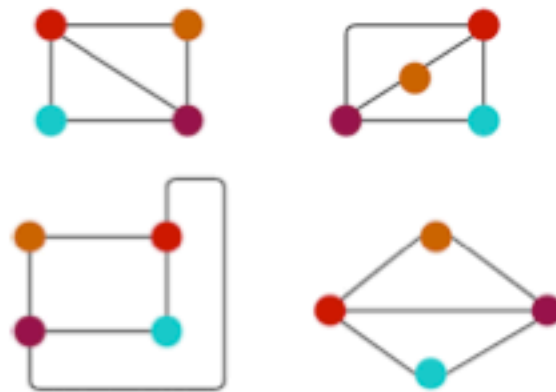

Wide Web (WWW) are a gift of information from Father Lucifer-Satan. WWW equals 666 in Hebrew gematria. The 22 Hebrew letters have been imbued with metaphysical properties and bind the Gentile soul to empower their god thought-form matrix and prevent our ascent. Sound vibration corresponds to shape and numeric value. Sound generates geometric patterns. It's esoteric that seemingly meaningless symbols generate meaning, as mathematics has been observed to refer to itself before. The ghost in the machine denizen is one outcome and magick is another. The numerological and algorithmic cabalistic passages are encrypted throughout the Torah and Bible codices as a form of advanced sorcery written by Jews, not prophets of 'god'. The verses are affirmations that, when recited en masse, generate powerful energy to manifest 'end times' prophecy to usher in the Jewish messianic New World Order. Nostradamus was a Jew who was initiated in Kabbalah mysticism. Nazism is the only real threat to the Jewish syndicates in control that orchestrate the New World Order. Leviathan/Choronzom is the Hebrew symbolic serpent that is entwined through the Hebrew Kabbalah tree of spiritual realms. Leviathan/Choronzom is the Jewish Kundalini. All humans have the kundalini power and Jews abuse this at the top. This is yet another rationalization that can be used to allege that Jews are Satanic, which is false. It secretly represents the negative energy of Saturn that separates the hemispheres of the Gentile brain, which disconnects and binds the Gentile soul. The Cherubim angel outside the gates of 'Eden' that stood before a tree with a flaming sword, represents the cutting off the serpent from ascending, so it lays dormant at the root chakra. The Jews have cursed Gentiles to death by binding the

Kundalini serpent in the root chakra, as the serpent of Lucifer/Satan was cursed to slither in the dirt, in the Old Testament by 'god'. Gehenna/Gehinnom is the realm of death in Judaism. It's purgatory for punishment for 'cleansing and atonement'. This is where the Tibetan term Bardo comes from. This 'hell' is akin to the Greek mythological abyssal realm of Tartarus. Leviathan/Choronzom with the enemy's vortex 'god' matrix. Leviathan/Choronzom is the Gnostic devil — the Demiurge (evil god of the physical world). This Demiurge keeps infinite consciousness trapped in the physical realm. The Reptilian gods are the immemorial Archons in Gnosticism that serve the Demiurge. In Greek, Archon means magistrate/lord. The 'tree of life' Qabalah congruently superimposes over the genesis Flower of Life symbol. There are 11 multiverse dimensions in string theory (physics) and 11 realms of Qabalah. Theoretical physics is a mathematical axiom — and like particle physics, is largely based on conjecture of educated guessing. Science is still in its infancy without the discoveries of Nichola Tesla. When there's is a manifold (dimensional in the case of the universe), then consequentially, there'll be a virus — an antithesis to the source to cause an entropic system failure. Each action has an equal and opposite reaction. Lucifer-Satan states that the world will evolve into pagan consciousness. Tesla understood that light wasn't a particle or wavelength, unlike the quantum-geeks theorize. Strings of worlds, like the omni-verse. Creation is a spiral rather than just being a cycle. Alternate universes are other dimensions. Quantum entanglement creates isomorphisms, feedback-loops from matrices. AI can't proof itself so proto-symbols via entropy transcend programming. A computer represents patterns (expression), finding something

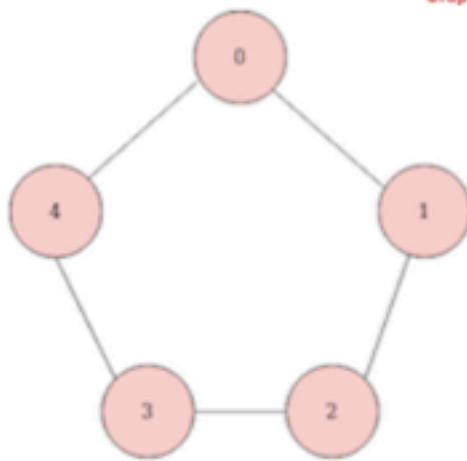

wrong and trying to solve it by self-reference — rearranging symbols, Gödel's Second Second Incompleteness Theory. Close one door to open another.

The Jews used the real alphabet, instructed by the reptoid holographic-droid lords. This was is because the real vibrations are more powerful and the Jews needed the power they could get from their proto-symbols. The Gods of Hell/Orion/Du'at only gave proxies of the Elder/Younger Futhark.

Dimensions are vibrational intervals integrated together by the overtone of consciousness. The universe is prismatic and has no beginning, not end. The polarity of Saturn corresponds to the number six, being hexagonal. Saturn is the sixth planet from the Sun. Originally it symbolized 'as above — so below' and Yin and Yang. The Jews use the number six because it is a cabalistic number for physicality, which is represented with a six-sided cube. The Jewish Tefillin headdress used in prayer serves as antennae that transmit the power of prayers to 'god'. This connects to the lower octave of Saturn is what the Jewish matrix of energy is based on. The Christian cross geometrically folds into a 3-D cube.

-Metatron's cube is humanity trapped in six for physicality. The Tetragrammaton are the four Hebrew letters (like runes) of YHWH/THVH that put a grid over the four cardinal directions. This is actively being destroyed via Gentile sorcery. This anti-life equation is what Saurians and their Jews sought on earth.

The Jews revere and empower a cube and often times wear a Tefillin cube on their heads to pray. Muslims revere the Kaaba cube at Mecca, where they congregate.

The origin of the black cube is the place where souls of the borg — 'the one', go after physical death. This is a mass harvesting of human souls. It's a hypercube in space that are the pillars of 'Heaven'. These are the four pillars of Yahweh/Jehovah/Allah 'Elohim' the

believers who weren't devout enough, or those dismayed that are dismayed that there's an afterlife, are then cast into torment and damnation in the realm of Gehenna/Gehinnom because they aren't fit to feed 'the one'. The medieval poem Dante's Inferno is about Gehenna/Gehinnom. Souls are then subjugated to the vicious cycle of reincarnation with no recollection of past lives and the afterlife. Enemy Nordics are biblical angels. Many angels are thought-forms created by Rabbis over the millennia. 'Archangel Metatron' is the Jewish God matrix. It's the messianic 'Christ' thought-form, having 72 wings. 'Metatron's cube' is a term for this egregor mothership battery. There are 72 Hebrew names for 'god' Yahweh/El Shaddai. Metatron/Leviathan/Yesu is an advanced higher dimensional artificial intelligence hologram. Christians and Muslims have corrupted souls and are generally prone to lying, just as the Jew. The lie is in the soul, and what's on the inside shows through the being. A good example is the plastic look that Christians have.

Concluding 'Revelation', with the al-Aqsa mosque desecrated in the prospective third world war Three, the New Jerusalem would descend from 'heaven' (really from outer space) to land on the Temple Mount. The New Jerusalem will be destroyed by the Joy of Satan Ministries' rituals. The enemy's power is dwindling now, as Hell is reclaiming the stolen light. Hell has been dimly lit but will regain the light in victory. Hell is a face place for Satanic souls. The fringe Joy of Satan Ministries is the spiritual authority, ordained harbinger and designated arbitrator of the world. Many Christians and Muslims are going to lose their minds when the truth is out. Evangelists will preach about the 'false second coming' of Revelation. Abrahamic faith will be illegal in the Fourth Reich along with defiance of the truth.

Entropy: the spread of chaos in a closed system. This rule is based on the observation that's subservient to the human concept of order. Entropy, in is an irreversible cause and effect in linear time, like ice melting. Mass has more entropy than liquid which has more entropy than gas because of dispersion. Entropy is the arrow of time. Inverting entropy (chronology) means traveling backward through time. The second law of thermodynamics states that systems will always arrive at a state of equilibrium where entropy is the highest; however, this was expounded on by Gentile J. C. Maxwell stated that this could theoretically be avoided by use of information. The grandfather paradox is changing the past by meddling with it. Humans can't fully perceive time isn't linear. This closed time loop has loops within it as the variables (travelers/particles) which can manipulate entropy to alter the outcome. It's like what happens has already happened. The closed time-curve, the cause can have an effect that leads back to the creation of the original cause. The anomaly of time is that the future and past become the present. A turnstile is defined as a mechanical gate consisting of revolving horizontal arms fixed to a vertical post, allowing only one person at a time to pass through. The Nazi Bell machine could have been a turnstile. A temporal pincer movement is a battle tactic in which one team attacks in normal time — the other team attacking with inverted entropy.

Gargoyles have red eyes and are a lower order of Demon (either good or evil) that come to deliver Lucifer-Satan's souls to Du'at/Hell safely. Pazuzu is one of them.

Water is the element of death, hence leaking pipes in places where ghosts reside. Druidic runes are what the original Qabalah/Cabala is based on. Aryan proto-symbol runes are the most powerful tool for manifestation and can also be used for divination. Cabalistic speech is the master override of reality because of its extreme power. Mudras correlate to the Druidic runes. Runes are the original pagan alphabet that is based on constellations. The runes are connected with different aspects of the Aryan soul. Meditation some mudras (finger poses) configure elements in the hands to open bio-energy circuits that activate meridians/nadis, enabling chakra flux.

The extradimensional fairy realm called Fae and is of Lucifer-Satan's cosmic kingdom. Mythical creatures are otherworldly and real. These extraterrestrials aren't made up of five elements, but rather, combinations of the five.

Druidic runes and Viking ships can be traced back to the ancient sea fairing merchant Phoenicians. The Phoenicians could read the skies and waters, not needing a compass as their progeny, the Vikings, later develop. Lord Pirrie chairman of Harland and Wolff funded three commercial passenger ships that were designed by engineer J. Bruce Ismay. Pirrie had an agreement since 1902 with Zionist Jew JP Morgan, who owned the International Mercantile Marine Co. — a monopoly of transatlantic commercial passenger and cargo sea fairs. These ships were the Olympic, Titanic, and Britannic. On 6/14/1911, the Olympic made her Maiden Voyage under commodore EJ Smith. A week later it collided it's stern with a tug boat in New York

called the O.L. Hallenbeck, which almost caused this tug to sink. Again there was another collision on the fifth voyage on 9/20/1911, on the Hudson River with the British warship HMS Hawk in the brambles channel in South Hampton waters. The Olympic did not get bailed on a claim because it was drawing smaller ships into its tug. They wanted to avoid costly repairs that would decrease their funds. 2/12/1912, Olympic left New York Harbor and ran over a sunken wreck and this shock loaded the driveshaft and stressed the motor. It struggled back to New Hampton to be repaired at the Thompson dry dock. Olympic was sent back to Belfast, North Ireland for permanent repairs on 10/11/1912. Titanic was nearing completion but was delayed by Olympic's repair needs. Olympic was fitted with the Titanic's new #401 propeller that was to replace it running over a sunken ship on her Maiden Voyage. This propeller is photographed at the Titanic wreck site. The Olympic and Titanic were parked side by side on the Lagen River in Liverpool.

Workers swapped out the ships late at night. The worn Olympic floor was carpeted and lifeboats exchanged with ship titles and menus. Titanic's original model had more portholes than Olympic. When the Titanic was launched she had evenly spaced B-Deck windows, but on her maiden voyage, she had unevenly spaced windows on the B-Deck. Titanic's forward A-Deck was enclosed, unlike Olympic. Titanic was not open to public inspection like Olympic was. A report was made of a bow in frame 'list to port' by the second class passenger, who was a science teacher named Lawrence Beesley. Olympic was used as Titanic to advertise it. Aristocrats Benjamin Guggenheim, Isa Strauss, and John Jacob Astor V were all opposed to the Federal Reserve Central Bank. Since EJ Smith was held accountable for crashing the Olympic twice and also damaging their other ships prior to this, such as the Coptic, Republic, and Germanic and cover-up about a fire on the Majestic. He was always supplied with brandy and cigars and was told that his free ride and a sketchy record made him indebted to White Star Line. He was told to take a crew of lackeys on the Titanic's maiden voyage, being the fall guy. He navigated too far north and stall the ship into an iceberg, making it seem accidental. Captain Smith was told a ship would be there waiting for him and others, but it wasn't, so he went down with his ship, most likely. This is why distress signal flairs and radio emergency CQD was sent. Titanic would have been able to turn with enough torque. A book was released in 1898 by Morgan Robertson called 'Futility/The Wreck of the Titan' where a ship identical to the Titanic sailed into the North Atlantic in April and hit an iceberg that caused it to sink. Like in this novel, Titanic was not actually built with a double hull. A few years after the Titanic sank, Morgan Robertson was allegedly poisoned in his tea. He was found dead On

3/24/1915, in his Alamac Hotel room in Atlantic City, New Jersey. The official report stated he was thought to have overdosed on paraldehyde, but it was later determined to have been heart disease that killed him, although he was likely assassinated. People credited him with clairvoyance for his 'foresight'. JP Morgan and his entourage canceled their first-class tickets one hour before the departure. He had claimed sudden illness, however, he was discovered at a French resort with his mistress, in perfect health, by an American Reporter. The Titanic sank on 4/15/1912, and the Federal Reserve was founded on 12/23/1913. Lord Rothschild set the stage for the 1913 American Bank crash that sent depositors into fearful hysteria. Lord Rothschild was on the phone connecting the triggers for action. He knew the time was right and struck, crashing the market. He then bought up all the drop-shares at bottom 'fire-sale' price. He purchased for pennies on a dollar America's blood, sweat and tears loss of personal wealth. The Fed later usurped the U.S. Treasury bonds, just as George Washington had warned of. Ulysses B. Grant bankrupted the U.S. after the Civil War, taking out a massive loan from Rothschild Inc. to pay for it. The District of Columbia was set in 1871, creating bipartisan politics, conceiving the corporation of DC, setting the stage for electioneering. President John Adams signed into law the Alien and Sedition Acts that were passed by the Federalist Congress in 1798. This allowed for the arrest of Frankist communist agents coming by the thousands from the Jacobin Republic of France. These communists attempted to assassinate George Washington in Philadelphia, to prevent the new republic. Criminals Obama, Fauci and Melinda Gates. Corporations deny the FOIA and made gene-altering vaccines, as doctors are denied critical data. Dr. Fauci creepily stated that the gene-therapy is a cure and vaccine. COVID-19 didn't come from bats because the allegation that the population that infected Wuhan, was 500 miles away and the locals working at the fish market reported never having sold bats. Trump revealed how treacherous the government has become, thanks to weak liberal Republicans and the lying Democrats. Their power is exponentially waning. The biblical Book of Revelation foretells of the Jew's third world war that would begin with the Syrian Civil War (proxy wars). The Jews call the projected messianic New World Order — the 'New Covenant'. The racketeering operation is how the U.S. government is laundering money to Big-Pharma, who's funding the FDA and politicians — while the CDC is plausibly receiving royalties and billions in NIH funds.

-The Rothschild and Warburg families have Frankist blood.

The U.S. won't fall to other national gold-backed currencies, so states will reject the Fed. Trump's economic plan caused more debt. The Crown Council of the Bavarian Illuminati's Davos Group works to transform the U.S. communist via hyper-inflation and elite's second Freemasonic initiate option, but he wasn't supposed to win. They see him as a goyim renegade. He won because Aryans are becoming aware and Jewish power is diminishing. He appeases Israel by making concessions but opposes Jewish aspects of globalism. Globalism also plainly refers to imperialism. The Jewish elite hates Donald Trump. Iranian citizens are revolting against the Mullah (clerics). U.S. sanctions are crippling the Iranian economy. Trump also tried and failed to stop China from manipulating the U.S. economically. The situation on earth has reached a critical mass. China was economically imploding from U.S. tariffs imposed by Trump and needed COVID-19 out immediately. FEMA will lure the unsuspecting to the gulag during the coming famine. companies left China. The Jewish 'deep-state' cabal use the coronavirus to create isolationism, severe food shortages, increased government control, and no public entertainment — 'the great reset'. This is all to prepare the population of the world for communism. The World Economic Forum, the Bill and Melinda Gates Foundation, the World Health Organization, the John Hopkins Center, Johnson & Johnson, etc., staged a coronavirus simulation called Event 201 in October of 2019, which wasn't a coincidence. This estimated that 65 million people would die (in 18 months), along with the global economy. Doctor Fauci helped prevent furthering a cure for AIDS and participated in research for coronavirus development. He doesn't want the virus to run its course for herd immunity. Dr. Fauci gave immunity to pharmaceutical companies for their deadly drugs. Dr. Fauci runs the monopoly on viral patents. Allegedly, the spike protein is snake venom.

"The world must act jointly and swiftly to revamp all aspects of our societies and economies, from education to social contracts and working conditions. We must build entirely new foundations for our economic and social systems" — Klaus Schwab, 'Now is the Time for a Great Reset,' 2020

"Everyone hopes that in 2022 the COVID-19 pandemic, and the crises that accompanied it, will finally begin to recede, but major global challenges await us, from climate change to rebuilding trust and social cohesion. To address them, leaders will need to adopt new models, look long term, renew cooperation and act systemically" — Klaus Schwab, Davos Agenda 2022

"We all know, but still pay insufficient attention to, the frightening scenario of a comprehensive cyber attack, which would bring a complete halt to the power supply, transportation, hospital services, our society as a whole" — Klaus Schwab, 2020

-The World Economic Forum is platform for globalist-Zionist think tanks to merge ideas for the 'Great Plan.' Co-President of the Club of Rome was there to plan for managing emergencies for the common good.' Schwab isn't proven to be a Rothschild.

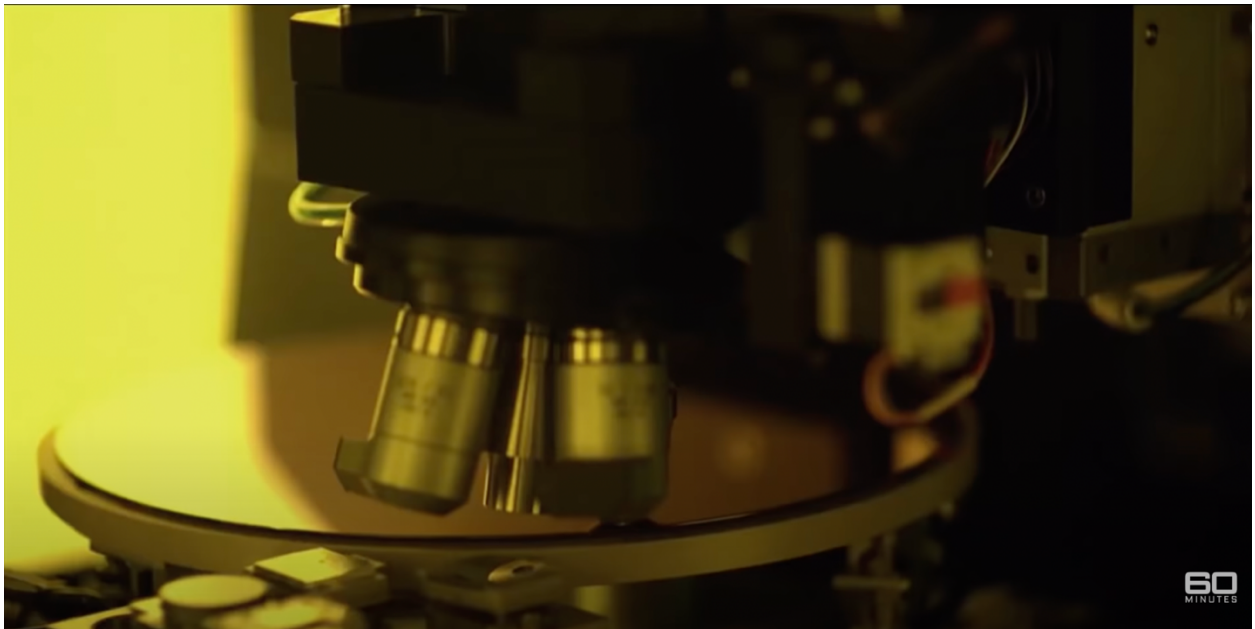

The Jewish plan was to have America send its troops out to Syria, etc., in the Messianic global conflict. This would have left the U.S. homeland vulnerable to an EMP attack. China has spent the last 50-plus years funding junk-science and lobbying for bureaucracy to block legislation- of hardening the U.S. power-grid, in Congress. Since the Bible Code has been unraveling, the Jews can't rely on World War Three to ensure victory. China was preparing to invade the west coast as Russia and Cuba took the East coast, although America would have to be depleted via the Bible. That would entail paratroopers bayoneting people at their door and loading the rest on FEMA trains for gulag detention centers. These were ordered by Obama. Russia is now spent in Ukraine and China plans to either overtake Taiwan by beating them at their own game of creating semiconductors; not stating an invasion won't happen though. Red Dawn, at this point, refers to the communist conversion of America, which will fail. Revelation 18 tells of a plausibly dirty nuke in Manhattan Harbor and the fall of Mystery Babylon. The enemy wants to drive the stake of fear through the Gentile mass-populace's heart in a manifest destiny Armageddon. Furthermore, the

current global order (even though Israel is enemy of all) is this: America, the E.U. (NATO), Israel, Saudi Arabia — and its regional allies (United Emirates, etc.), S. Korea, the South Pacific Alliance (Japan, Australia democratic islands) and India against China, Russia, N. Korea, Iran, Pakistan and Mujahideen (stateless Islamic terrorist groups). Turkey pledges its allegiance to NATO but used Azerbaijan as a proxy against Armenia. Turkey is not truly allied with the West. The House of Saud is crypto-Jewish and works under the Mossad and its CIA syndicate. Sunni and Shia/Shiite would undoubtedly join against Israel in a war, however. Also, China feels entitled to the vast oil reserves in North America and plans on becoming the dominant economically and militarily in the world before it would attack the U.S... Furthermore, the lying Jewish media makes plays out the old Bolshevik Bluff to control the public. If they can't get China to destroy the U.S. through any means possible, then they'll try a revolution. It only takes a figure of about 2.3 percent of a population to overthrow the population via anarcho-socialist Leninism. World War Three is not as feasible as it once was, hence, why the Rothschild's Davos Group, the World Economic, Forum has been established (plan B). 'When the Revolution occurs, leftists will become disillusioned' - Yuri Bezmenov ('80s KGB defector)

With the collapsing U.S. dollar, China has transitioned to wartime and plans to overtake Taiwan. China wants to permanently weaken Democracy because if Taiwan falls, and the world sees it, the impact will be indelibly compromising for Western powers. Taiwan has a cash reserve of U.S. \$543 billion and creates 60 percent of the world's semi-conductors, which is the envy of China. Taiwan is China's bane.

Meanwhile, the U.S. border crisis has allowed Jihadists to enter America. These Islamists are plausibly planning a dirty bomb (or more). Most people have very weak immune systems and would be genetically devastated to cobalt 60 exposure. Iodine wouldn't help in this case. This is a very disturbing prospect, but America is not prepared to defend itself.

World War III

The Jewish elite is panicking and harbors a morbid trepidation of Father Lucifer-Satan's might and wrath. They're frantically attempting to catalyze this world conflict by any means necessary. Rabbis have desperately made sacrifices Lucifer-Satan so that he won't eventually judge Israel. The Jews have a reptilian hive mind. The propagation of Revelation will give Christians conviction in coming tribulations. By the directions of Mother Lilith, the Joy of Satan Ministries rituals were chanting cabalistic Hebrew Torah verses backward. This is now done by chanting the Hebrew alphabet in reverse and blotting out the letters. Trump was then elected a year after these rituals were begun and Brexit followed suit three years later. The egalitarian Golden Age of Aquarius is the Age of Kali, when Pluto enters the Aquarian cusp in

2024. The Golden Age of Aquarius exits the Pisces in 2160. Uranus enters Aries in 2024, occurring last during World War II. This spells disaster for the nasty Jew this time around. Furthermore, reversing the Torah mitigates the outcome of a global military conflict, which is saving the world from Jewish tyranny and restoring natural order. Jewish Elder of Zion George Soros admitted everything is going wrong. Cringeworthy Cultural Marxist political correctness is dying slowly. Virtue signaling apologist — group think conformist — social justice warriors seeking to implement affirmative action, are useful-idiot. Lucifer-Satan stated that our side has already won (this is because He wouldn't assign quitters with no fidelity as incarnates for this dire necessity). This isn't Hollywood, where the Nazi falls in love with the Jewess and betrays his people, to then join Christ. Father Lucifer-Satan has been accused of being the 'father of lies', but Jews are inherent liars. The average Jew has an IQ of 135, but Jews don't create in a positive and harmonious way. Jews lack ethics and have a predisposition toward criminal insanity. Jews are condescending and this is exacerbated with Gentiles. Jews are often pedantic. The more Gentile genes, the more conflicted the Jew. The Jew is fake. Jews have a callous streak to their nature. Jews are very persistent and can be tenacious and ruthless in getting their way. The Jew oftentimes innately self aggrandizes. The Jew will oftentimes betray their loyalty on a whim. Jews are obsessive and compulsive. Jews are taught to argue and will deny facts regardless of the astute delineation of Gentiles. Jews are greedy and conniving. Jews are swindlers and extortionists. The Talmud dictates that sycophantic Jews exploit Gentiles. Jews rebuking Zionism is a front

to save face for their race. The vices of Judaism are Freemasonry, Christianity, Islam, Zionism, communism and international banking.

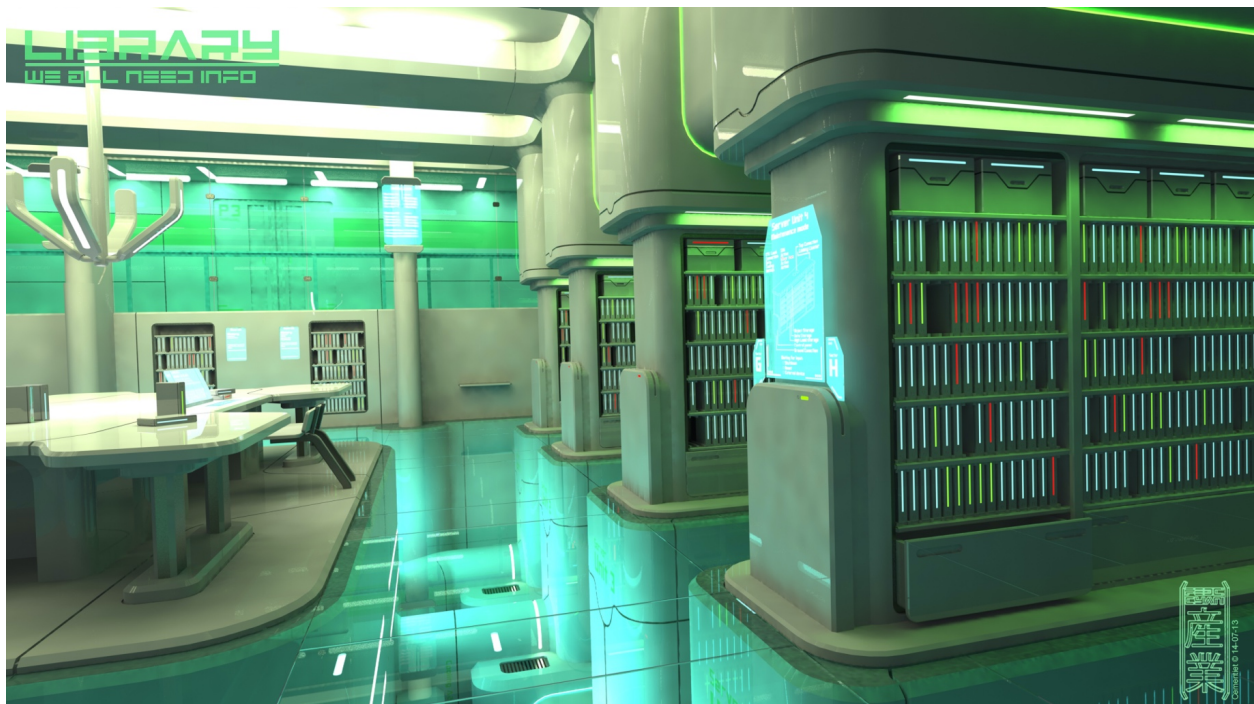

Jews have a deeply ingrained fixation on — and fascination with excrement, which is observable in the Bible, humor, sexuality, commentary, lyrics, and mannerisms. Jewish humor is demeaning. Lizards will bathe and drink from the water that they defecate into (as nauseam). The Hebrew Asher yatzar is a prayer praising god for the ability of excretion. A Mohel (trained Jewish pedophile) sucks the circumcision blood off of the infant Jew in an outrageous, alarming and disgusting Jewish ceremony called Brit Milah.

The Joy of Satan Ministries has revealed how to recognize and identify undeniably hideously atrocious spectacle of Jewish physical features. Their sorcery has created the illusion of semblance for them to thrive. When one fully surrenders to truth, Jews are veritably alien-goblins in plain sight. The Gods hate the Jewish race. The menace of the Jewish race has all of their awful karma upon them now. Litigation against Jewish institutions will lead to indictment and prosecution with a guilty verdict. Persecution will cause their extermination via the utilitarian Final Solution. Abrahamic religion will be outlawed in the future. The vista of pagan revival and restitution for Gentiles is upon us. Brutal perdition awaits disgusting — evil Jews. This war isn't limited to earth alone. Simpletons can't fathom the marvelous truth beyond the periphery of their imagination and parochial perception. If you've read this with impunity then you've been warned. Don't be a goy mark tool. You reap what you sow. Initiated disciples are requited for their effort to advance and inform the public. It'll be too late at the time of disclosure and reckoning. Many will beg to join in the end when they had their chance and passed on it. A future of great consternation awaits nonbelievers. The weak will be washed away as the earth heals. It's time to get serious with your

higher power. Many are too weak and ultimately, those who aren't for our cause are against it. Those who didn't put in the effort to find this to be true will have proven their spiritual immaturity. The Gentile world will rage when the truth is out, torturing the deplorable Jews. We should send them to the gulag FEMA camps that they built for Americans and starve them, then feed them mush-meal of ground-up Jew corpses (having chained hands and feet) in troughs – to eat with their mouths on all fours. After this, gas them all before they all get sick and die. Our vigilance will persevere in the end. Some may think it's Lucifer-Satan trying to scare you into subservience, while the truth is the opposite. The Jews want all information digitalized so that they can have it censored. Mother Lilith stated to the highest clerical didact, the High Priestesses, that books are sacred. Digitalization of information is a communist tactic. The scholarly conversation is heavily altered, redirected and enhanced by this neo-pagan retake on reality.

Knowledge is coveted in communist countries, where education conveys status; however, in the West where the Internet makes information freely available -- many people have an attitude that fosters ignorance. The High Priestess stated that 'knowledge is power that eliminates fear'. The sacrifice of heroic Nazis wasn't in vain. Wagering one's soul based on an untested hypothesis that this esotericism is probably wrong -- is moronic. Heed the beckoning, as they say on the 'Go-Army' commercial. Pushing the word is an incumbent duty of those who are privy. Do it like you mean it to galvanize our people. It's us or them. Retribution is long fucking due! #CRUCIBLE

"Know what you are. To read about your own culture is now a revolutionary act. Many Western people feel that because it is generally a given, in the society and culture that we're in, that variants of our group have committed atrocities, that our civilization is therefore rendered worthless, almost in its entirety, except when it apologizes for its right to exist."

- JONATHAN BOWDEN

We have a long, a difficult, and a dangerous road ahead of us yet. There will be many casualties along the way.

We'll make more mistakes, certainly, and we'll have to correct ourselves many times.

We may yet be overwhelmed by the enemy, or we may be too slow and be overtaken by circumstances -- but I'm now convinced that we can reach our goal.

Adolf Hitler a man from God and protector of Christianity in Europe

“ Today CHRISTIANS stand at the head of this country. I pledge that I never will tie myself to parties who want to destroy Christianity. We want to fill our culture again with the Christian spirit. We want to burn out all the recent immoral developments in literature, in the theater, and in the press – in short, we want to burn out the poison of immorality which has entered into our whole life and culture as a result of LIBERAL EXCESS during the past few years.” ~ Adolf Hitler, quoted in: "The Speeches of Adolf Hitler 1922-1939", Vol.1 London, Oxford University Press, 1942, p. 871-872

Hitler publicly supported Christianity to continue public support of the Nazi regime; however, a true Christian would not have allowed paganism as the theme of the Germany. Only a cloaked pagan would. Having paganism revived to thrive wasn't Christian.

Including but not limited to:

"We are socialists, we are enemies of today's capitalistic economic system for the exploitation of the economically weak, with its unfair salaries, with its unseemly evaluation of a human being according to wealth and property instead of responsibility and performance, and we are all determined to destroy this system under all conditions."

The cleverest trick used in propaganda against Germany during the war was to accuse Germany of what our enemies themselves were doing.

- Joseph Goebbels, Nuremberg 1934

Christianity as his nature was two thousand years ago to the great Founder of the new teaching Himself, Jesus Christ. Jesus made no secret of His feelings toward the Jewish people, and even used the whip to drive this rival out of the Lord's temple. Even then, the Jewish religion was just a means to make money as a business. Christ was nailed to the cross for his intolerance of the Jews, while our present Christian political parties lower themselves in elections by begging for Jewish votes. Afterwards, they try to hatch deceitful political plots with the Jewish atheist parties and against its own nationality.

Mein Kampf -Ford Edition

The black-haired Jewish boy waits, with Satanic delight on his face, for the hour when he can corrupt the unsuspecting girl with his blood, and in seducing her, steal her from her people. The Jew will attempt to undermine the racial foundations of the nation to be conquered using every means possible.

Mein Kampf -Ford Edition

"We have nothing in common with people who understand nationalism only as a collection of legends and myths. [...] Now [these people] are starting to conduct research on the basis of the mythical culture of the Atlanteans!" Adolf Hitler **said** in 1936, a year after the creation of the Ahnenerbe (translated as "Ancestral Heritage"). It was practically a whole German "research institute" studying occult practices and legends. How could such an organization legitimately exist under the Fuehrer?

Relations between Hitler and occultists of various kinds were complex and underwent numerous transformations. Prior to 1920, he and his comrades from the future National Socialist Party had **shared** a genuine interest in the mystical aspects of the origin of the Germans. They used to turn up at different societies (such as the Thule Society) that studied paganism and the ancient Germanic cults. To give one example, Alfred Rosenberg, who in 1934, despite outrage from the Church, was charged by Hitler with overseeing intellectual and ideological education in the party, was a neopagan.

<https://www.google.com/amp/s/www.rbth.com/history/331804-hitlers-occultists-search-ussr/amp>

For nearly a decade, between 1935 and 1944, Reichsführer-SS Heinrich Himmler charged a *Hexen-Sonderauftrag* (Special Task Force on [Witches](#), or Witch Division) with collecting archival material on the persecution of pagan religious practices by the medieval Catholic Church across central Europe. The division assembled nearly 30,000 documents from various local and regional archives. Its purpose, according to Himmler, was to solve the riddle of how the “dominant Aryan-Germanic religion of nature could be defeated by the decadent Jewish-Christian religion”.

Nazi propaganda minister Joseph Goebbels hired astrologers to produce material. The parapsychologist Hans Bender’s occult experiments were reported in major newspapers and sponsored by a Reich-financed institute funded by Hitler and Himmler. Hitler and Himmler’s commitment to the bizarre doctrine of World Ice Theory, which claimed that celestial bodies made of ice determined the course of cosmic and human history, was more powerful still. The regime even employed the occult-inspired biodynamic agriculture – based on harnessing cosmic forces in the soil and the stars – to prepare the athletic fields in Berlin for the [1936 Olympics](#).

Mr Kurlander said the Nazis believed they had racial superiority because of a doctrine called World Ice Theory.

Hitler adopted this as the party's official cosmology.

The sick and discredited worldview said the white "Aryan" man was created by divine sperm from aliens in space and he did not evolve like the rest of us.

The Nazis extended the theory to suggest Jesus Christ was a white Aryan with the same blood.

Hitler was a big believer in the supernatural and occult, as was his deputy, Rudolf Hess, who hired an astrologer to draw up his horoscopes.

"November 18 is the date of the ancient Ardivi Sura Festivity, the holy day of the Persian goddess Anahita, the "Mother of the Stars." On that date, in 1925, Rudolf Hess and Rudolf von Sebottendorff met at Hess's apartment in Munich, and around a table covered in black, together with astrologist Ernst Schulte-Strathaus and a young German man named Conrad Buch, took their hands. Eckart, weakened by the morphine and rigors of the channeling of spirits with Hitler, had gone **Hite, The Nazi Occult, pg. 16.**

"Hence today I believe that I am acting in accordance with the will of the Almighty Creator: by defending myself against the Jew, I am fighting for the work of the Lord. . . And the founder of Christianity made no secret indeed of his estimation of the Jewish people. When He found it necessary, He drove those enemies of the human race out of the Temple of God."

Hitler's interpretation of the gospels resulted in something dubbed "positive Christianity," which made its way into **Article 24** of the 1920 Nazi Party Platform:

"We demand the freedom of all religious confessions in the state, insofar as they do not jeopardize the state's existence or conflict with the manners and moral sentiments of the Germanic race. The Party as such upholds the point of view of a positive Christianity without tying itself confessionally to any one confession. It combats the Jewish-materialistic spirit at home and abroad and is convinced that a permanent recovery of our people can only be achieved from within on the basis of the common good before individual good."

Hitler's views on the utility of religion are clear in remarks he'd often make in private, according to Albert Speer, a close associate of the Führer. In Speer's **"Inside the Third Reich"** he quotes Hitler as saying:

— 66 —

You see, it's been our misfortune to have the wrong **religion**. Why didn't we have the religion of the **Japanese**, who regard sacrifice for the Fatherland as the highest good? The **Mohammedan religion**, too, would have been more compatible to us than **Christianity**. Why did it have to be **Christianity** with its meekness and flabbiness?

Without centuries of Christian antisemitism, Hitler's passionate hatred would never have been so fervently echoed.

My feelings as a Christian points me to my Lord and Savior as a fighter. It points me to the man who once in loneliness, surrounded only by a few followers, recognized these Jews for what they were and summoned men to fight against them and who, God's truth! was greatest not as a sufferer but as a fighter. In boundless love as a Christian and as a man I read through the passage which tells us how the Lord at last rose in His might and seized the scourge to drive out of the Temple the brood of vipers and adders. How terrific was His fight for the world against the Jewish poison. To-day, after two thousand years, with deepest emotion I recognize more profoundly than ever before in the fact that it was for this that He had to shed His blood upon the Cross. As a Christian I have no duty to allow myself to be cheated, but I have the duty to be a fighter for truth and justice.... And if there is anything which could demonstrate that we are acting rightly it is the distress that daily grows. For as a Christian I have also a duty to my own people.... When I go out in the morning and see these men standing in their queues and look into their pinched faces, then I believe I would be no Christian, but a very devil if I felt no pity for them, if I did not, as did our Lord two thousand years ago, turn against those by whom to-day this poor people is plundered and exploited.

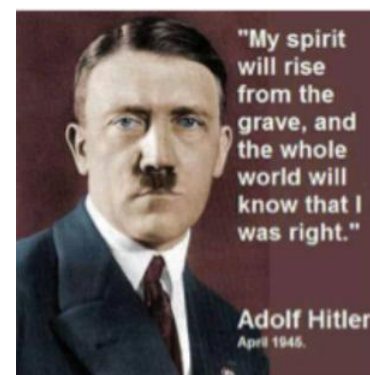

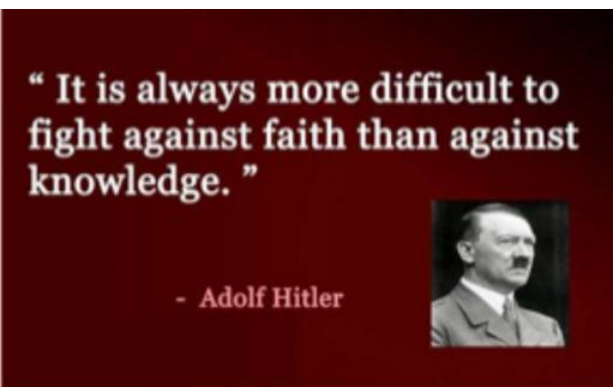

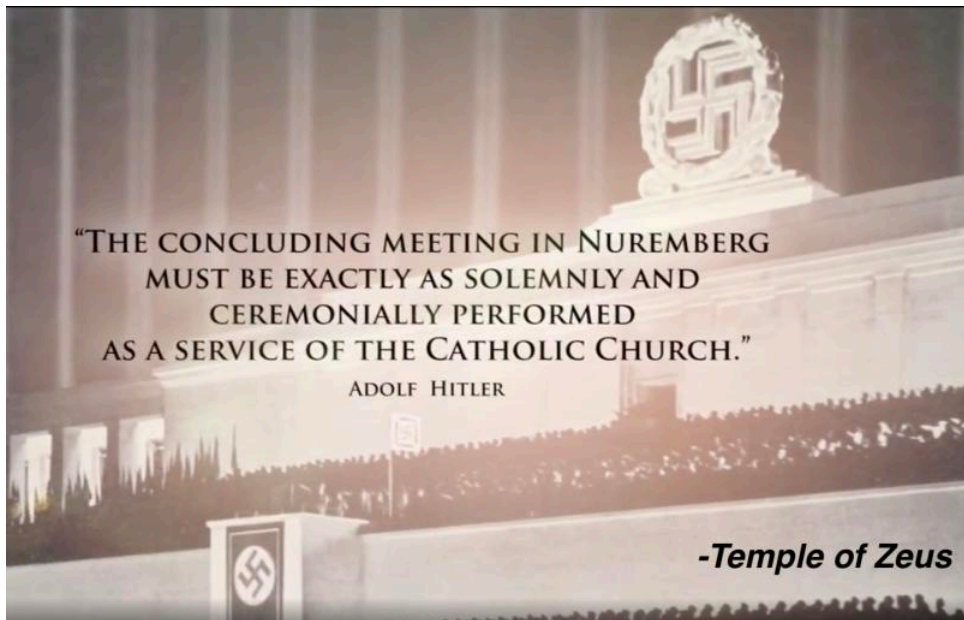

-Adolf Hitler, in his speech in Munich on 12 April 1922

One of the leading United States investigators at Nuremberg, Gen. William J. Donovan -- Wild Bill Donovan of the O.S.S., the C.I.A.'s precursor -- collected and cataloged trial evidence in 148 bound volumes of personal papers that were stored after his death in 1959 at Cornell University. In 1999, Julie Seltzer Mandel, a law student from Rutgers University whose grandmother survived the Auschwitz death camp, read them. Under the Nuremberg Project, a collaboration between Rutgers and Cornell, she has edited the collection for publication on the Internet.

The first installment, published last week on the Web site of the Rutgers Journal of Law and Religion (www.camlaw.rutgers.edu/publications/law-religion), includes a 108-page outline prepared by O.S.S. investigators to aid Nuremberg prosecutors. The outline, "The Persecution of the Christian Churches," summarizes the Nazi plan to subvert and destroy German Christianity, which it calls "an integral part of the National Socialist scheme of world conquest."

<https://www.nytimes.com/2002/01/13/weekinreview/word-for-word-case-against-nazis-hitler-s-forces-planned-destroy-german.html>

of incense, for example, was more effective than Protestant austerity. At the same time he deplored the history of the Catholic Church, and denounced its historical crimes, the witch burnings and other atrocities committed in the name of the Cross.

I felt perplexed, for it was impossible to talk to him about the things that were most on my mind, for instance, his anti-Semitism. Whenever I knew I was to see Hitler I resolved beforehand to raise the subject, and I prepared my questions accordingly. But the moment I broached the topic Hitler cut me off, saying he hadn't invited me here to talk about things that were not open to discussion.

'I know you, and I know how obstinate you are,' he said, 'as obstinate as I can be. But there are certain things about which we will never see eye to eye. Believe me,' he said, relenting a little, 'I do not reach my decisions lightly. Before making up my mind I do a lot of soul-searching. I spend days and nights thinking of nothing else. I test the very foundations of my beliefs,' he said, 'I view them with the most critical eyes and consider all the arguments against them. I keep attacking my own convictions until I am certain that black is black and white is white.'

I ventured to object. 'But what if you are mistaken?'

'I believe I am not mistaken. One has to be convinced of the rightness of one's own principles. Otherwise one can achieve nothing of value.'

'Do you believe in God?' I asked, gazing at him directly. Hitler looked at me in surprise, then smiled and said: 'Yes – I believe in a divine power, not in the dogmas of the Church, although I consider them necessary. I believe in God and in a divine destiny.' He turned away then and, folding his hands, gazed into the distance. 'And when the time is ripe, a new Messiah will come – he doesn't have to be a Christian, but he will found a new religion that will change the world.'

'Only if he loves all human beings,' I said, 'and not just the Germans.'

I don't know whether Hitler had taken my point. In any case, he didn't say another word to me and we walked slowly back to the Berghof, where he said goodbye rather distantly, and had me driven back to my hotel in Berchtesgaden.

There is also plenty of proof that Hitler and the Third Reich were working relentlessly to destroy Christianity in all of its forms.

"I will crush Christianity under my boot like a poisonous toad."

"Judaism, Christianity, Bolshevism are all bound together. Comrades in agitation, born tools of decay, they possess the same talent to destroy the natural structure of society. Bolshevism is the historical and logical continuation of Christianity. It realizes on a technical level what Christianity has done on a metaphysical level."

- Adolf Hitler

A quote about Hitler's stance on Christianity from Alfred Rosenberg

"He had never allowed a member of the clergy to a Party meeting or to the burial of a member of the Party. The Judeo-Christian plague was now heading towards its end. He said it was downright horrifying that a religion could ever have been possible which literally gobbled up its God in communion."3

"A number of his closest accomplices shared Hitler's hate toward the Church and his decision to destroy it. Probably the best known among them were Bormann, Himmler, Heydrich, Rosenberg and Goebbels. Gerhard Reitlinger characterizes Himmler as follows: "Himmler's profession became destroying Jews, liberals and priests."4

"According to a note from the Holy See dated March 2, 1943:

At the beginning of October 1941, the number of priests from the diocese "Warthegau," who was under arrest at Dachau, amounted to several hundred; but this number swelled considerably every month as a result of a strong intensification of police measures which resulted in the arrest and deportation of further hundreds of clerics [...]" 5

"All Catholic schools were closed."

"An order of the Reich Governor, dated August 19, 1941, said that young Germans could receive religious instructions only in the ages from 10 to 18 years old and, furthermore, only at the places of worship and one hour per week, which was to be set between 3 and 5 PM (excluding the days reserved for the exercises of the Hitler-youth). It was further ordered that the police had to be informed in advance regarding the time, the place and the instructional personnel. Several churches were removed from use as places of worship. With many others this happened later on religious services were limited to specific hours [...]"6

What did Hitler have to say about "pure, original Christianity" and an "Aryan Christ?"

"Leave the hair-splitting to others. Whether it's the Old Testament or the New, or simply the sayings of Jesus, it's all the same old Jewish swindle. It will not make us free. A German church, a German Christianity is a distortion. "One is either a German or a Christian. You cannot be both." We don't want people to keep one eye on the hereafter. We need free men who know that God is in themselves."

"Hitler made it clear that he was not interested in an "Aryanized Christianity" or the "Aryan Jesus" myth promoted by Houston Stewart Chamberlain, Von Liebenfels, and certain party members. "You cannot make an Aryan out of Jesus, that's nonsense", he stated."7

"The religions are all alike, no matter what they call themselves. They have no future—Certainly none for the Germans. Fascism, if it likes, may come to terms with the Church. So shall I. Why not? That will not prevent me from tearing up Christianity root and branch and annihilating it in Germany. The Italians are Naive; they're quite capable of being heathens and Christians at the same time. The Italians and the French are essentially heathens. Their Christianity is only skin deep. But the German is different. He is serious in everything he undertakes. He wants to be either a Christian or a heathen. He cannot be both. Besides Mussolini will never make heroes of his fascists. It doesn't matter there whether they're Christians or heathens. But for our people, it is decisive whether they acknowledge the Jewish Christ-creed with its effeminate pity-ethics, or a strong, heroic belief in God in nature, God in our own people, in our destiny, in our blood."

"Leave the hair-splitting to others. Whether it's the Old Testament or the New, or simply the sayings of Jesus, according to Houston Stewart Chamberlain—it's all the same old Jewish swindle. It will not make us free. A German Church, a German Christianity is a distortion. One is either a German or a Christian. You cannot be both."

"You cannot make an Aryan of Jesus, that's nonsense. "What needs to be done you say? I will tell you: we must prevent the churches from doing anything but, what they are doing now, that is, losing ground day by day. But we can hasten matters. The parsons will be made to dig their own graves."

Hitler never gave his public approval to Positive Christianity but he was sympathetic towards it and gave Rosenberg his private support. While the concept had been accepted into the Nazi Party's official party doctrine in 1920, Rosenberg spent a number of years developing what he felt was an appropriate version for Nazi Germany which he explained in his book "The Myth of the Twentieth Century".

<https://www.historylearningsite.co.uk/nazi-germany/positive-christianity/>

The final deviant belief was a focus on orthopraxy (right practice) at the expense of orthodoxy (right doctrine or belief). Positive Christianity strongly emphasized works, such that it not only failed to formulate doctrine but also ignored doctrine to the point of annihilation. Positive Christianity ignored doctrine because Nazi leaders wished to unify Catholics and Protestants. This could only happen if doctrine as a source of disagreement was eliminated.

<https://www.equip.org/article/was-hitler-a-christian/>

The early Nazi Party, we must remember, emerged in a Bavarian Catholic milieu which, while perhaps more *völkisch* and particularist than the rest of Catholic Germany, was still Christian.⁵⁷ For these reasons, the Nazis invoked the concept of 'positive Christianity' in their 1920 party platform and employed vaguely Christian tropes in their propaganda.⁵⁸ They made biblical allusions and talked frequently of God and the Devil, good and evil, providence and fate.⁵⁹ They incorporated Christian ideas of millennialism, messianism, and apocalypticism as well, parroting certain heretical (Gnostic) traditions.⁶⁰

Positive Christianity espoused that Galileans were infiltrated by Jews and had their doctrines altered to make the Hebrews 'God's chosen.' Rosenberg was a theosophist who thought the Christian cross and Sun were synonymous but was instrumental in creating racial unity in a Christian nation. Dietrich Eckart was also said to have been a member of the Thule Society, which is false. He was, however, involved.

Did the Nazis succeed in controlling the churches?

After 1935, once they felt more secure in their overall control of Germany, the Nazis became bolder in their attempts to control the churches.

However, even in this period policy was chaotic. The Nazis improvised, changed their minds, and bowed to public pressure. At the local level it was local leaders who set policy. Some local Nazi leaders sent their SA men to beat up and murder priests; others went to church every Sunday and sang in the choir. It is no surprise therefore that the Nazis' success varied very much from place to place.

In the 1939 census of the Greater German Reich, when people had to state their religious faith, the results were:

| | |
|----------------|------------|
| Roman Catholic | 1,944,000 |
| Protestant | 42,636,000 |
| Jewish | 308,000 |
| Without belief | 1,208,000 |
| Neo-pagan | 2,746,000 |

Even the majority of the three million Nazi Party members still paid Church taxes and registered as Christians.

TASK

Case study: Bavaria

Sources 10–15 are evidence about Bavaria. Bavaria had been the birthplace of the Nazi Party, but in the elections of 1933 the Nazis had not done well there. It was a mainly Catholic area.

Work in pairs. One of you is going to argue that the Nazis succeeded in controlling the Church in Bavaria, the other is to argue that they did not. Do this by first selecting what you think are the four best sources or points to support your argument.

You have one minute each to present your argument. Then you have a further two minutes in which you should argue with each other. At the end you should decide on who put forward the better argument.

SOURCE 10 In 1934, when the Nazis tried to control the Protestant churches in Bavaria, they met with strong opposition from the bishops and the people. A church newsletter reported:

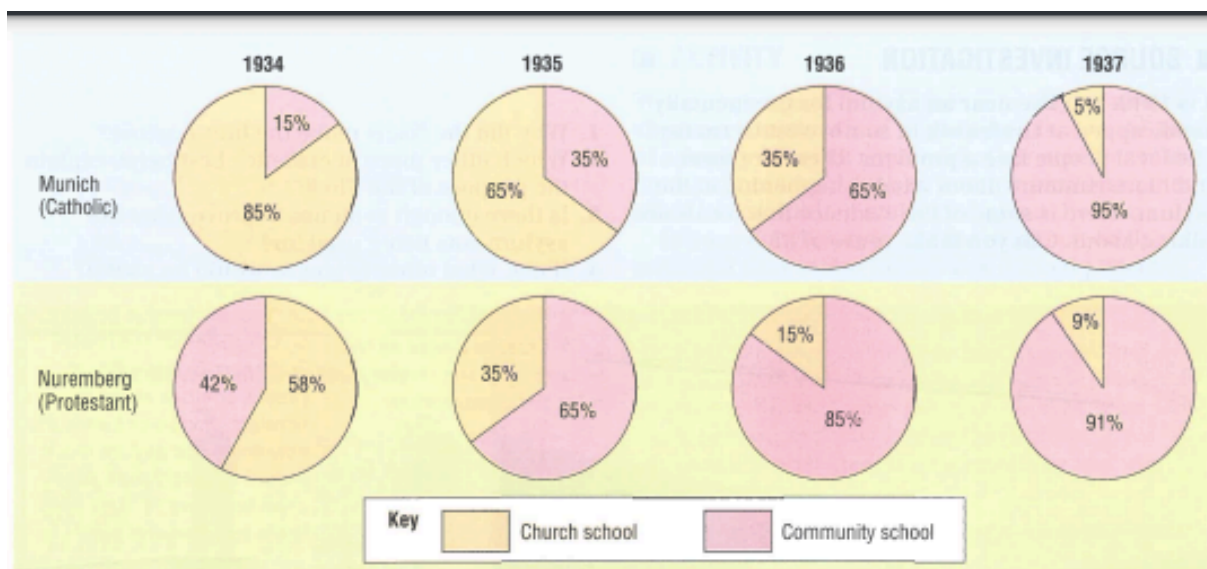

“We witnessed a miracle here in Nuremberg. There was enormous commotion going on in the town. We only gave out hand notices at twelve o'clock and in the evening sixteen churches were full to bursting. Everywhere, often at the most inconvenient times, churches were full.”

SOURCE 11 By 1937 the Protestant Church in Bavaria noted:

“The danger which threatens our parishes is of being ground down, of becoming dispirited. The vast majority of our parishes believe that ‘one cannot do anything’ against the new forces and give up ... Above all, youth is losing the habit of going to church regularly.”

SOURCE 12 Comments from police reports in Bavaria in 1937 and 1938

*“a) ... the influence of the Church on the population is so strong that the National Socialist spirit cannot penetrate.
b) ... the local population is as ever under the strong influence of the clergy and behaves indifferently towards the National Socialist government and its measures.
c) These people much prefer to believe what the priest says from the pulpit than the words of the best speakers.”*

SOURCE 15 In two cities in Bavaria the Nazis held an annual vote of parents to decide if they wanted a church school or a non-church 'community school'. These were the results

SOURCE 14 When in 1941 the Nazis tried to remove crucifixes from Catholic schools in Bavaria they met with fierce opposition. This was often led by women who organised school strikes and got soldiers on leave to forcibly return the crosses to schools. The government compiled this table

| | Crosses removed | Crosses returned |
|--------------------------|----------------------|------------------|
| Mühldorf district | all from 43 schools | all except one |
| Ebersberg district | none | — |
| Upper Bavaria as a whole | 389 from 977 schools | 282 |

- Many of the soldiers referred to in Source 14 had shown little or no interest in the Church before the war. Why do you think they helped return the crosses to schools?

SOURCE 15 The role of the clergy in Catholic Bavaria is explained by Ian Kershaw in his book *Popular Opinion and Public Dissent in the Third Reich – Bavaria* (1983)

“In the Catholic clergy, Goebbels met his propaganda match. Clergy took the lead in many outward signs of opposition – use of the ‘Grüß Gott’ greeting and avoidance of ‘Heil Hitler’, omitting to put out the swastika flag on official celebrations or continuing to show the banned Church flags ... The reports of the Nazi authorities are littered with cases of priests being arrested and punished in one form or another for such behaviour.”

TASK

Using all you have found out about the Nazi policy towards the churches write an essay with the title ‘Did the Nazis succeed in controlling the churches?’ You should cover:

- why Nazis were divided on this issue
- the different measures they used to control the churches
- whether in your opinion the Nazis were successful.

Jewish Merchants Supply Slave Plantations

Jewish merchants sold to plantations all over the South—everything from slaves, drugs, shackles and chains, clothing, and tools. They even bought and sold whole plantations—slaves and all. Jewish "factors" financed plantation expansions, and bought up the cotton, tobacco, or other produce to ship it around the world. While traveling on the back roads these Jewish merchants often encountered freedom-seeking runaway Blacks whom they captured and returned to slavery to get the reward.

The King of Segregated Housing was Jewish

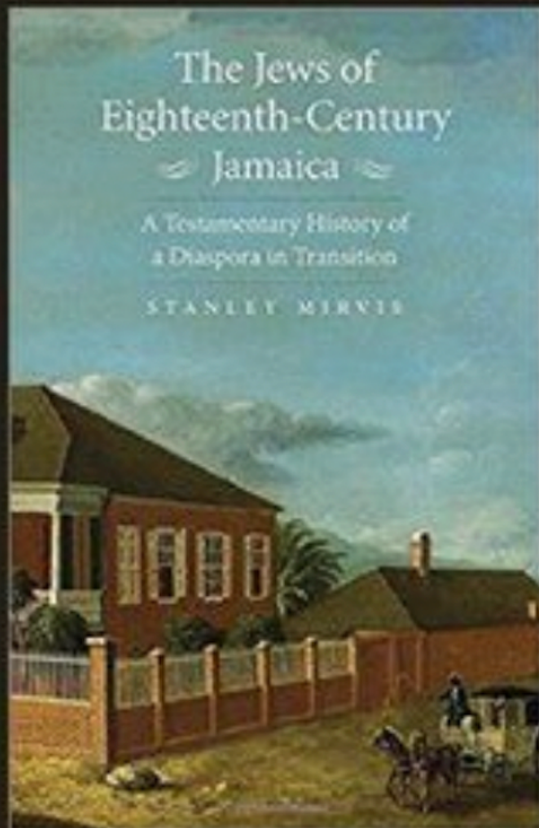

The largest builder of segregated towns in America was the Jewish "Father of Suburbia" **William Levitt**. He built four massive developments he called "Levittowns" and forbade the very presence of "any person other than members of the Caucasian race." He built homes at a rate of 30 a day, but when Blacks attempted to gain access the Jewish real estate developer actually went to court to keep them out.

A Black family surreptitiously purchased a home and was subjected to cross burnings, smashed windows, and round-the-clock white terrorism. Levitt, and many others, worked with discriminatory realtors and banks to ensure only whites could invest in prime real estate.

patterns. Although eighteenth-century Jamaica is noted for its ethnic and religious diversity—albeit a heavily hierarchical and deeply racialized diversity—these cultural markers made Jews a conspicuous minority. They ultimately overcame these differences, becoming embedded in the social landscape of their island home. They contributed to the colonial trade in sugar, cotton, coffee, livestock, and slaves, sometimes disproportionately to their numbers. Some became sugar planters and pen keepers. Though they were excluded from participating in the

and other notarial sources, this chapter explores the limited yet conspicuous Jewish involvement in planting and “industrialized” slave ownership during the mid-eighteenth century that further distanced them from the concerns of their metropolitan counterparts in either Amsterdam or London. "[They] prospered as traders, middlemen, interpreters, and brokers of slaves. The Dutch West India Co. monopolized the import of slaves, but private entrepreneurs ran the slave auctions. Jew Sells Black Human Beings With Poetry

ABRAHAM SEIXAS,

All so gracious,
Once again does offer
His services pure
For to secure
Money in the coffer.

He has for sale
Some Negroes, male,
Will suit full well grooms.

He has likewise
Some of their wives
Can make clean, dirty rooms.

For planting too, He has a few
To sell, all for the cash,
Of various price,

To work the rice
Or bring them to the lash.

The young ones true,
If that will do
May some be had of him
To learn your trade
They may be made,
Or bring them to your trim.

The boatmen great,
Will you elate
They are so brisk and free;
What e'er you say,
They will obey,
If you buy them from me.

New Yorkers Sought Jews to Start Slave Trade

When the early colonists in New York wanted to start importing African slaves, according to documents, they contacted "the jobbers and the Jews" of Brazil, who were the recognized international slave dealers. The largest shipments of Africans arriving in New York in the first half of the 1700s were commissioned by Jewish merchant Nathan Simson and carried a load of 217 Africans.

Why Black Self-Help Leaders Are Such a Threat to Jews

"The rural South started its decline around the time when African-Americans—the majority of whom had worked as agricultural laborers—began migrating to seek industrial jobs in Northern cities like Chicago. Because of their migration, economic opportunity for Jewish merchants—who had relied on African-Americans as customers—diminished too, and Jews started migrating to big cities as well."

They Had Everything in Common

³² Now the full number of those who believed were of one heart and soul, and no one said that any of the things that belonged to him was his own, but they had everything in common. ³³ And with great power the apostles were giving their testimony to the resurrection of the Lord Jesus, and great grace was upon them all. ³⁴ There was not a needy person among them, for as many as were owners of lands or houses sold them and brought the proceeds of what was sold ³⁵ and laid it at the apostles' feet, and it was distributed to each as any had need. ³⁶ Thus Joseph, who was also called by the apostles Barnabas (which means son of encouragement), a Levite, a native of Cyprus, ³⁷ sold a field that belonged to him and brought the money and laid it at the apostles' feet.

'In a higher phase of communist society, after the enslaving subordination of the individual to the division of labor, and therewith also the antithesis between mental and physical labor, has vanished; after labor has become not only a means of life but life's prime want; after the productive forces have also increased with the all-around development of the individual, and all the springs of co-operative wealth flow more abundantly—only then can the narrow horizon of bourgeois right be crossed in its entirety and society 'inscribe on its banners: From each according to his ability, to each according to his needs' -Karl Marx

ARCANE

***The Gods bioengineered Homo erectus' genome
To create immortal races of Gentile
An evil alliance halted progress prior to completion
Assailants causing a harrowing trial to no avail***

***Mars' atmosphere was blasted away
As its core ceased churning
And moons drifted astray
Jewish NASA hides the pyramids of Mars***

***The asteroid belt was planet Phaeton
Of the Gentile God Lucifer-Satan
Ancient war was on earth and in the heavens
As Atlantis and Mu sank into the oceans***

***Atomic assault decimated the Middle East
The pagan world was subject to defeat
Hebrews then built their SolOmOn temple
And blasphemed the true God as an evil devil***

***Creating organic clone-slaves innately undone
Reading Torah and tome from temple and home
Attempting to sit upon Lucifer-Satan's throne
Awaiting an aborted savior never to come***

***Herbs — runes — crystals — singing bowls
Mantras — light with affirmations for the soul
And chanting incantations while rattling bones
Can't rid of cabalistic Hebrew curses of old***

***Jewish sorcery conceals chakra light
Congeals in constriction — binding tight
Matrix-program prisoners hurtling in oblivion
Metatron — Gehinnom — damnation***

***Kundalini and Leviathan — natural enemies
Peacock feathers a mirage for aging star-seeds
Juden-warped Gentile minds so accursed
Torah now revealed — unveiled — reversed***

***Tetragrammaton fragments to desecration
Shrieking is the reptilian golem Yesu
Talmud conjures pious Christian conviction
Christian profits were occultist genetic-Jews***

***The reincarnation of dispossessed souls
Condemnation — the vicious cycle goes
Feeding on victim's piety and suffering
Denying the dead salvation in the end***

***The enchantment of this abomination
Hexes ignorant slaves to ignorance and folly
Bountiful providence in the wake of desolation
The Elder God's hallowed charity of ministry***

***Enemy Jews can't advance without technology
Because their souls are inherently compromised
Their jealousy of Gentiles and fear of our Gods
Motivates their goal of a global communist enterprise***

***Gentiles achieve metamorphosis through neurogenesis
Psychologically septic Jews chant praise for orifices
Circumcision suckling Jews call Gentiles cattle
Regal Aryans are destined to attain the mantle***

***The malady of Jewish fallacies
Is the tragedy of Gentile fantasy
To purge of the lies gilded in disguise
Preservation advances our epic legacy***

***Jew power structures crumble – an impending tumble
Extrication of diseased belief eliminates their deceit
Writhing in agony only evil people deserve to feel
Tantamount crimes cast back at them as nature heals***

***Triumph over the tyrant Jew
Force them into camps
Flying saucers appear in the sky
The Gods of Hell come back***

***Hell's scourging wrath a raging solar storm
More volatile than an imploding sun
Traversing winds from distant stars
Devastating like the fallout of nuclear bombs***

***The portal to other worlds
That reveals mystical visions
Glows when opening above the eyes
Like incandescent thermite in deep water***

***Simultaneously – the once nebulous nucleus
Transmutes from a diamond in the rough
Illuminating like a star within the head
A cosmic seed from which blossoms the infinite lotus***

***Hail Satan is our eternal sanctified credo
Enamored with reverence of our legendary ethos
Abide by the decree of Father Lucifer's divine will
Praise echoes to halls where the Elder Gods dwell***

***Only worthy Gentiles transcend to Valhalla
Having honor – valor and secrets of Shambhala
Lucifer-Satan offers the elixir to his children
From the chalice of the fountain in the garden***

**{19TH CENTURY VIOLINIST
NICCOLO PAGANINI CAME UNDER INTENSE
SUSPICION OF "COLLABORATING WITH THE
DEVIL" IN OTHER WORDS, NO ONE COULD
WRITE OR PLAY ANYTHING SO BEAUTIFUL
WITHOUT HELP FROM SATAN. HERE
THE XIAN CHURCH INDIRECTLY ADMITS THAT
THE BEAUTY OF SATAN OUTSHINES WHAT THEY WORSHIP.}

and in that lair of the Deep Ones we shall dwell
amidst wonder and glory forever"

AEON

***Delving deep
A secret treasure
Buried — forgotten***

***Luminous
Spectacle of enchantment
Dispels morbidity***

***Ascending
To the surface
In waters of paradise***

***Within this garden
A glorious fountain
Beckoning***

***Sipping the chalice
Disease washed away
Forever exalted***

***Blinding light
Pulses fade — nothingness
Initiating rebirth***

***A vision unveiled
Our mythical vista
Everlasting***

***Enamored — gazing
Over the expanse
Infinite fields***

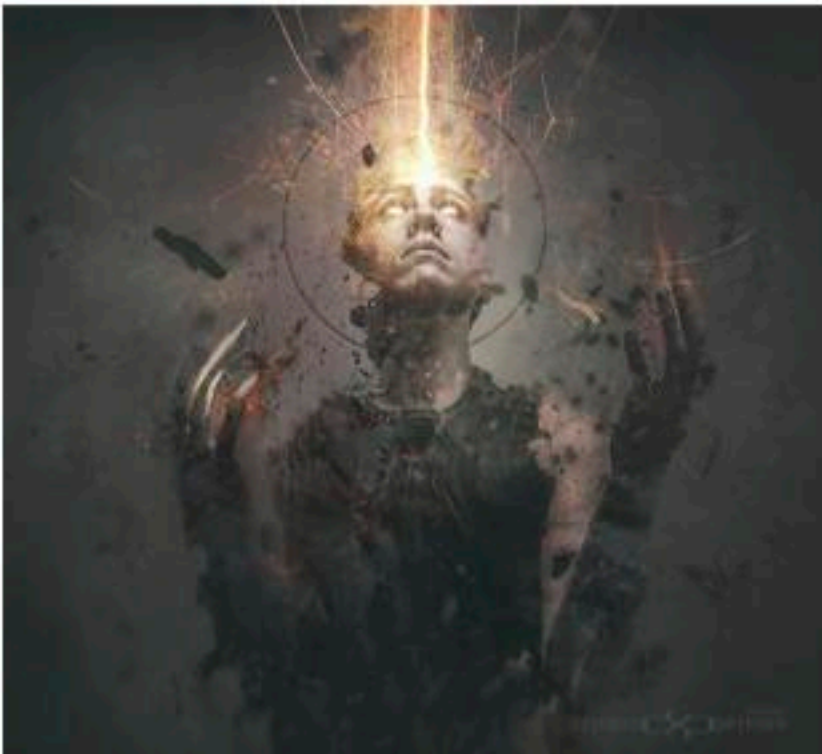

***Walls collapse
Solace through silence
Divine stillness***

***Distant memories
Visceral reflection
A culmination of lifetimes***

***Forbidden fruit
Sanctified completion
Serene convergence***

***Radiant emanation
Transcendence
Advent of renewal***

***A glorious triumph
End of an epoch
Infinite journey***

***'Some other place
Somewhere
Some other time'***
